PERSONAL SIGILS OF THE ANTICHRIST SLUT SODOMIA

PREFACE

On August 15, 2024, Antichrist Slut Sodomia began releasing SatanArt #1, a collection of satanic drawings, photographs, and other gay Satanist graphics for immersion in Satan's spirituality. This volume, SatanArt #1, is an irregular and periodic publication of gay Satanist graphics for Satanists and all spiritual people of our world. The first theme of SatanArt #1, an art album by Slut Sodomia, is dedicated to the classic image of Satan-Baphomet and canonical Satanic icons. This is an expanded and improved version of this album (V 1.1), which became known as the ALMANAC, and Volume #1 now appears in its title. While working on the art of gay

Satanism (or Satanism), I came to the conclusion that too many artists had depicted the image of Baphomet, and that the almanacs/albums on this topic would have to be divided into volumes, i.e., into separate books. At the beginning of my work, I didn't expect so many Satanist artists to have drawn Baphomet-Satan and posted his image freely available on the Internet, often without a signature, i.e., anonymously.

Now, about 16 months have passed since the release of the very first version of the SatanArt almanac/album, and the time has come to make improvements and additions to issues #1 and #3. I had to make some "puritanical" adjustments to both of these issues because it was unclear where e-books with sexual content could be posted, whether on public or free internet platforms. I had to rework the sexual editions of SatanArt #1 and #3 into books without "explicit content," as many puritanical websites call these rules for publishing self-published e-books. I will transfer the sexual images from the first versions of SatanArt #1 and #3 (V 1.0) to other issues of the anthology, and there will be a clear division between the puritan and sexual issues. Regarding the topic of Baphomet, I have currently collected enough graphic material for four volumes. I will not be publishing a full "line" of books on the topic of Baphomet at once, preferring to gradually develop other important themes of gay Satanism through the publication of SatanArt anthologies on these topics.

Can classical images and canonical imagery be found in Satanism? If you think about it, it can be said that gay Satanism does not have classical imagery or canonical Satanism. Therefore, I will use this term to refer to the following Satanic graphics and paintings:

1. The most famous and popular images from the realm of Satanism, according to the subjective opinion of the Antichrist Slut Sodomia.
2. The highest quality images from the realm of Satanism, according to the subjective opinion of the Antichrist Slut Sodomia.
3. The most interesting images, according to the subjective opinion of the Antichrist Slut Sodomia.

As you can see, there are no canons or classic images. This is simply my personal perception of graphic art, which I consider satanic. However, the Antichrist Slut Sodomia, hopes that these images will become an additional tool for the satanic inspiration of large numbers of people around the world, through mental immersion in Satan's inspiration through visual imagery.

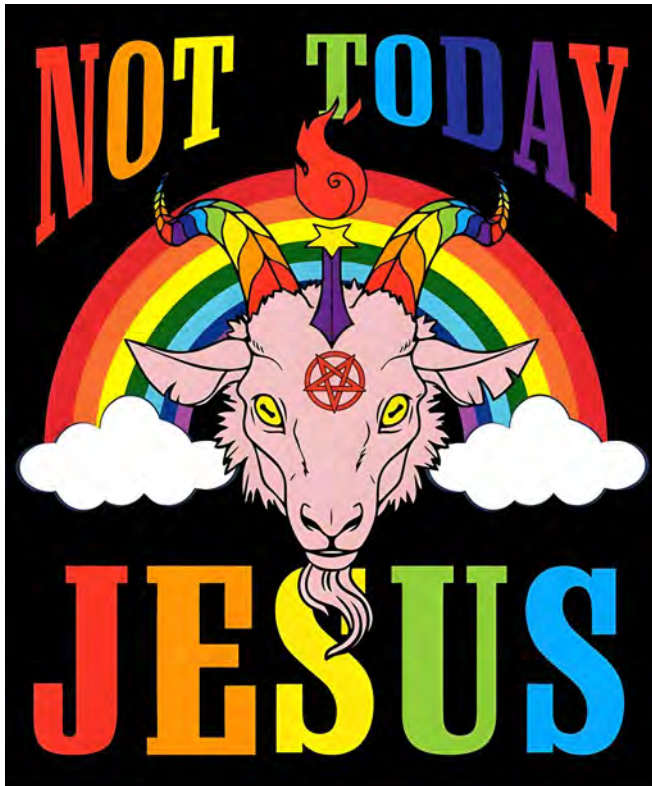

I believe that visual images, like music, can enhance immersion in Satanism and provide satanic inspiration to people of all ages and nationalities. They are universal messengers of gay Satanism, and Slut Sodomia is very pleased that so many talented graphic artists are working in the field of satanic art. Especially in the last 20+ years, since 2000, there has been a massive emergence of magnificent works about Satan, Satanism, and Satanists. In just two decades, modern Satanic art has rapidly emerged and developed. Computers, graphics programs, and the digitalization of art have played a significant role in this. I believe that in the future, artificial intelligence and neural networks will also become helpful tools for many Satanic artists.

ON THE ANTHROPOMORPHIC AND ALLEGORICAL IMAGE OF SATAN IN THE ART OF SATANISM.

Anthropomorphism and allegory in art have a rich and ancient tradition. Depictions of Satan are always anthropomorphic and allegorical because Satan can take any form. No one knows what Satan looks like in his canonical form, and no such form exists. A Satanist may have a personal favorite form of Satan, and the Devil assumes this form for the Satanist. I have already written about this in detail in the grimoire "Gay Lust".

This version of the album (V1.1) is a technical improvement over the first version (V1.0) of the SatanArt #1 almanac album, released by the Antichrist Slut Sodomia on August 15, 2024. In version V1.1, I significantly expanded the preface and added 29 vignette images to the album. Each album will contain up to 100 vignettes and 100 drawings from the main album + up to 100 drawings of decorative posters of Satanism and LGBTQ+. The vignette images serve as graphic decoration and a meaningful graphic supplement to the text¹. The drawings of the decorative posters are the most laconic and symbolic design elements of SatanArt publications. Unlike the images of the album itself, all vignettes and drawings of the decorative posters are provided without descriptions. For the vignettes, I will use simple, decorative, and self-explanatory images that do not require explanations from the Antichrist, or that you can come up with your own.

Allegory (from the ancient Greek ἀλληγορία - allegory) is the artistic representation of ideas (concepts) through a specific artistic image or dialogue. Allegory is the artistic representation of abstract concepts and generalizations through concrete figurative embodiments. The artist depicts and presents faith, love, soul, justice, discord, glory, war, peace, spring, summer, autumn, winter, death, and similar concepts with living beings and specific images². Anthropomorphism is a worldview concept expressed through nominative means of language, visual arts, etc. According to this principle, inanimate objects, living beings, and fictional entities that do not possess human nature can be endowed with human qualities, physical and emotional³.

Therefore, all artistic depictions of Satan are allegorical representations of our Teacher Satan. More important than the image itself is the viewer's perception of it. This may include surprise, lust, delight, and other emotions. It is precisely these

feelings that arise from viewing the paintings in the SatanArt album that are important. These feelings provide inspiration from Satan or immerse the viewer in Satanism. The paintings in the album also convey the general aesthetic of Satanism—a unique, sensual, satanic beauty. Therefore, in addition to immersing oneself in satanic inspiration, the albums of paintings instill in one an aesthetic sense of beauty.

BAPHOMET IS A CONVENTIONAL AND CLASSIC SYMBOL OF SATAN AND SATANISM.

Today, Baphomet continues to generate interest and discussion among various groups, including Satanists, occultists, and esoteric scholars. He remains a powerful symbol of transformation, spiritual quest, and the unity of opposites. Baphomet is called the "Abbot of the Temple of Peace for All Men" due to the symbolism

associated with his image and its interpretations in occult traditions. This title reflects the concepts of harmony, unity, and the integration of opposites that Baphomet embodies. The term "Abbot of the Temple of Peace for All Men" can be seen as a metaphor for the ideal state of harmony and balance sought by occult and esoteric traditions. Baphomet, as the Abbot of this Temple, represents the idea that through the understanding and integration of all aspects of existence, peace and harmony can be achieved. The title "Abbot of the Temple of Peace for All Men" emphasizes Baphomet's role as a symbol of unity, harmony, and enlightenment. It represents the ideal that people strive for through spiritual and alchemical practices, uniting opposites and achieving a state of peace and balance.

Some people express the opinion that Baphomet has no connection to Satan or Satanism. You know, they may say and believe this for various reasons. These reasons may include fear for their freedom, reputation, life, or safety. The Antichrist Slut Sodomia views Baphomet precisely as a symbolic image of Satan and Satanism. The opinions of those who believe otherwise are of little interest to me, and I classify them as either enemies of Satanism, liars, or creatures who lack the light of Satan.

As I already wrote in the grimoire "Gay Lust," Satan can take any form and has no specific image. However, people find it easier and more pleasant to have precise symbols (icons) to graphically represent abstract philosophical concepts, including those of the real Satan in the dimension of Hell and in Our World. Baphomet-Satan is precisely such an icon. There are many such icons in our world, and no one is surprised that the "lying" Arabic numeral 8 represents the infinity symbol ∞. This graphic representation of abstract concepts helps humanity understand complex or physically impossible concepts. The Goat-Baphomet symbol is an icon of Satanism and an icon of Satan the Devil for Satanists and many magicians. Please do not argue with this or deny the obvious. If those who deny this fact haven't figured it out themselves, then the Antichrist Slut Sodomia communicates it to them in an understandable manner. There are many satanic icons and images of Satan in our world, but the Baphomet icon retains its leading position as a symbolic, metaphorical, natural, and abstract image of Satan. Please note that the Sigil of Baphomet is not a symbol of Satan or the Devil for Christian sectarians or followers of other religions—it is a symbol of Satanists and all people following the Left Hand Path. Let's move on to a description of the classic elements of Baphomet.

Baphomet is much more than the caricatured image of evil often attributed to it. It is a guardian of knowledge, a force of balance, and a powerful ally for those who seek justice. Whether you seek to enhance your magical abilities, gain deeper wisdom, or exact righteous vengeance, it is a powerful spirit worth partnering with.

However, Baphomet should always be treated with respect. It should not be used lightly, and those who invoke it without sincere purpose may face unforeseen consequences. But if you are prepared, Baphomet can become your greatest ally in righting injustice in the world and reclaiming your own power.

The word "Baphomet," read from right to left as "Temohpab," is a notarikon—an acronym based on the first letters of the following phrase: "Templi omnium hominum pacis abbas," which, translated from Latin, means "Abbot of the Temple of the Peace of All Peoples."

Baphomet means "Abbot of the Temple of the Peace of All Peoples" (a Latin abbreviation spelled backwards), and first appeared in history during the accusations of heresy against the Knights Templar; according to the court, the order's followers worshiped Baphomet, a representation of the Devil himself. In fact, the Templars, like many other members of closed societies, venerated all Scriptures, and Baphomet is a corruption of "Mohammed," as indicated by the mention of "Yalla," or "Allah," during the trial. So, no separate deity named Baphomet ever existed, nor was it worshipped (although many pagan religions had horned or goat-headed gods). The image was used by inquisitors in their investigations of the order, which they decided to abolish due to its excessive influence or simply because of the doubts of certain high-ranking officials. But then the image was adopted by real Satanists, who desperately needed their own symbols. Baphomet was chosen as such a symbol, becoming a real-life representation of the devil in the form of an almost typical devil—a goat with horns, but humanoid. It looks like a humanoid goat with a pair of twisted horns and a third, torch-like horn protruding from its forehead, from which, instead of a penis, emerges a rod entwined with snakes. Black, charred wings emerge from the monster's back⁴.

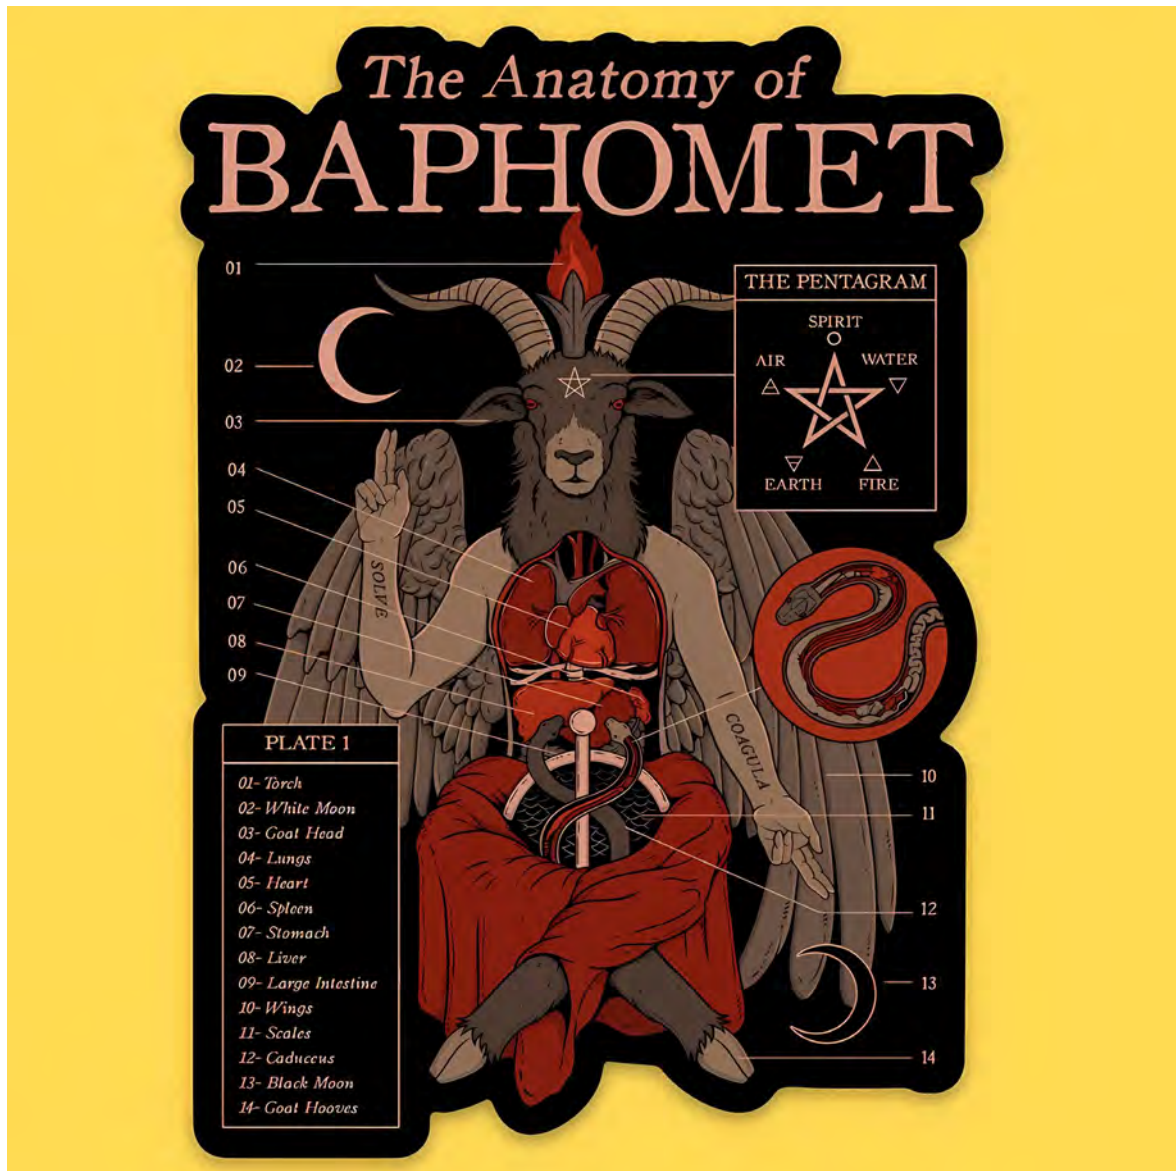

Reasons why Baphomet is called the Abbot of the Temple of Peace for All People:

1. **Unity of Opposites:** Baphomet unites within himself the male and female, light and darkness, the spiritual and the material. This symbolizes harmony and balance between opposites, which is the basis of peaceful coexistence.
2. **Alchemy and Transformation:** Baphomet is associated with the alchemical processes of transformation and enlightenment. Alchemy seeks to transform lower elements into higher ones, symbolizing the achievement of harmony and perfection.
3. **Hermetic Philosophy:** The phrase "as above, so below" reflects the Hermetic teaching of the unity of the macrocosm and microcosm, which implies the integration of all parts of the world into a harmonious whole.

4. **Spiritualization of man and philosophical independence:** Baphomet is often associated with ideas of freedom and independence from dogmatic religions. This symbolizes a world where people are free in their beliefs and spiritual quests.
5. **Enlightenment and Wisdom:** The torch on Baphomet's head symbolizes the light of knowledge and enlightenment. Belief in the power of reason and knowledge to achieve peace and harmony.
6. **Occult Symbolism:** In occult traditions, Baphomet is a symbol of higher knowledge and understanding, making him a "mentor" or "guide" in spiritual practices aimed at achieving harmony and peace.

The main elements and symbols of Baphomet:

1. **The head of a goat:** The goat's head is believed to represent the Goat of Mendes, the symbol of the Egyptian Neter Amun, who was called the hidden one because he resides in all things, the essence of all phenomena.
2. **The pentagram on the forehead, in the form of a star,** connects white and black, human and animal, magic and alchemy. Often depicted on the forehead of Baphomet, it symbolizes protection and magic; in its normal orientation, it symbolizes Satanism and anarchy. The inverted pentagram signifies Satanic spiritualization or the Spiritualization emitted by Baphomet-Satan.
3. **The torch on the head** symbolizes enlightenment, knowledge, and the spirit ascending from matter.

4. **Feminine and masculine elements:** Baphomet has traits of both masculine and feminine principles, symbolizing the unity of opposites and the androgynous nature of the divine.
5. **The wings represent freedom and spiritual ascension,** associating Baphomet with angelic and divine beings.
6. **Hand Gestures:** One hand points upward, the other downward, symbolizing the principle of "as above, so below," reflecting Hermetic teachings.
7. **Caduceus:** A staff entwined with snakes symbolizes healing, wisdom, and harmony between opposites.
8. **Scales are often depicted on Baphomet's belly,** symbolizing water, the moon, and the mutability of nature.
9. **Crescent moons are depicted at Baphomet's feet or horns,** symbolizing the lunar phases and the cyclical nature of nature.
10. **Solve et Coagula:** A Latin phrase meaning "Dissolve and Condense," symbolizing the alchemical process of transformation, separation, and union of elements. A secret formula for the alchemical evolution of consciousness, which states: dissolve and unite a substance as many times as necessary to create the most perfect symbiosis of spirit and matter—the Philosopher's Stone.
11. **Snakes are often depicted coiled around the staff or rod of Baphomet,** which can symbolize wisdom, healing, and vitality (similar to the caduceus).

General Symbolism and Meanings of Baphomet:

1. **Dualism:** Baphomet represents the unity of opposites—light and dark, male and female, spiritual and material. Baphomet's androgynous nature symbolizes the unity of opposites—male and female, light and dark, good and evil. The raised and lowered arms echo the Hermetic principle of "As above, so below."
2. **Alchemy:** Baphomet is often associated with the alchemical principles of transformation and attaining a higher state of being.
3. **Freedom and Independence:** Baphomet symbolizes independence from dogmatic religions and the pursuit of personal freedom.
4. **Wisdom and Knowledge:** The elements indicate the importance of enlightenment, knowledge, and wisdom. Baphomet is often associated with hidden wisdom, similar to Lucifer, the Bearer of Light. Those seeking knowledge beyond traditional teachings often turn to him for guidance.
5. **Rebellion and Freedom:** Baphomet, as a figure who challenges traditional religious restrictions, symbolizes the power of free will, self-knowledge, and the destruction of social norms.

6. **Magic and Power:** Many occultists use Baphomet to enhance their magical powers, especially in rituals involving transformation, power, and revenge.

CORRESPONDENCES OF BAPHOMET TO VARIOUS PARAMETERS, CLASSICAL REPRESENTATION.

To effectively work with Baphomet, it is crucial to understand its correspondences. These associations help harmonize energies and enhance rituals.

1. **Baphomet's planets:** Saturn (symbol of wisdom and karma) and Mars (symbol of strength and war).
2. **Baphomet's element:** Earth and Fire (symbolizing stability and transformation).
3. **Baphomet's colors:** black, red, and gold.
4. **Baphomet's symbols:** upright or inverted pentagram, torch of enlightenment, caduceus (symbol of duality and healing).
5. **Baphomet's offerings:** wine, blood, incense (such as dragon's blood and myrrh), black candles, and goat's milk. Also, the offering can be satanic sex.
6. **Baphomet's herbs:** belladonna, wormwood, and vermillion (all associated with visions and dark magic).
7. **Baphomet's Animals:** Goat, Snake, Raven

Some authorities believe that Baphomet was a monstrous head, while others believe it was a demon in the form of a goat. One description of the true idol of Baphomet states the following:

A pantheistic and magical figure of the Absolute. A torch placed between two horns symbolizes the balancing intelligence of the triad. The goat's head, synthetic and combining some features of a dog, a bull, and a donkey, symbolizes the exclusive responsibility of matter and the atonement for bodily sins. Human hands indicate the sacredness of labor; they make the sign of esotericism above and below to seal the mystery in the contemplation of initiates, and point to two lunar crescents, the upper white and the lower black, to explain the correspondences of good and evil, mercy and justice. The lower part of the body is covered with a veil, depicting the mysteries of universal generation, expressed exclusively by the symbol of the caduceus. The goat's belly is scaly and green, the semicircle above is blue, and the plumage reaching the chest is of various shades. The goat has female breasts, and therefore its characteristics are motherhood, labor, or signs of redemption. On its forehead, between its horns and beneath the torch, is the sign of the microcosm, or pentagram with one ray in an ascending position, a symbol of human reason, which, when positioned thus

beneath the torch, makes the latter's flame an image of divine revelation. This Pantheon should sit on a cube, and its footstool should be a single globe or a globe and a triangular footstool⁵.

To fully understand the spiritual meaning of Baphomet, let's imagine it as the "Yin and Yang" of nature. Imagine sunlight (the masculine element) radiating to the earth (the feminine element), allowing life to flourish. This interaction is reflected in the image of Baphomet, who embodies both sides: one hand raised to the divine heavens with two fingers pointing upward (the masculine element), and the other hand raised to the Earth with two fingers pointing downward (the feminine element).

This echoes the Hermetic principle of "As above, so below," expressed in many wisdom traditions—it promotes balance by recognizing that every aspect of existence reflects universal patterns. However, understandings of this phenomenon vary: some see Baphomet as a symbol of resistance to dogmatic religious restrictions; others interpret its meaning differently based on the specific symbols incorporated into its image. No matter how varied the interpretations, it emphasizes uniqueness in unity, signaling the absence of a monopoly on truth.

"How can an ancient mystical symbol like Baphomet be applied to everyday life?" you might ask. The answer is simple: it calls for balance and integration of opposites in our daily existence. Balance is essential: no one can be constantly in a state of action (masculine) or always receptive (feminine). Just as nature has day and night, we require phases of action and rest. Awareness of this balance is vital to a harmonious life.

"Self-Care: Activating Baphomet" reminds us of the importance of developing both logical aspects (associated with masculinity), such as task-oriented thinking, and emotional aspects (associated with femininity), such as empathy and intuition, regardless of our biological sex. At its most basic, understanding the concept of Baphomet boils down to contemplating the beautiful, complex nature of the world; appreciating the unifying principle that weaves together opposites, enriching and expanding the diversity of existence—imbuing

consciousness with the strength and potential to confidently move forward along a unique spiritual path. Feeling challenged by life? Remember: like Baphomet, you embody many opposites. We hope you can develop a sense of radical acceptance of all aspects of your personality, thereby fostering wholeness and peace⁶.

THE ORIGIN OF BAPHOMET

The origins of Baphomet are shrouded in mystery. The name first appeared in the early 14th century during the persecution of the Knights Templar. Accused of heresy and devil worship, the Templars were said to have worshipped a mysterious being called Baphomet. Whether this was true or merely a fiction intended to justify their execution remains debatable. The Antichrist, Sodomy the Bitch, disbelieves this theory of the Christian inquisitors. However, this accusation cemented Baphomet's association with secret knowledge and power. The modern depiction of Baphomet we know today derives from the 19th-century occultist Eliphas Levi. In his book, *Dogma and Ritual of High Magic*, Levi presented the image of Baphomet as a winged being with the head of a goat, a pentagram on its forehead, one raised and the other lowered, and androgynous features. This symbolism has a deep meaning, representing duality, balance and enlightenment.

MYTHS AND MISCONCEPTIONS ABOUT BAPHOMET

Baphomet is vilified by many religious organizations, who claim it is a demon leading people into darkness. However, these myths are largely based on fear and misunderstanding.

Baphomet is not the Devil of Christian or Islamic sects. Although Baphomet shares some similarities with traditional Christian depictions of Satan, Baphomet is not the same as the Christian Devil. Rather than personifying evil, it symbolizes knowledge, balance, and self-improvement. Satan and Satanism are the enemies of evil itself. Baphomet represents the Tamer of Evil and the Adversary of the spiritless creatures of evil, fascists, and religious sectarians. Baphomet is the Satan of Satanists!

PatBy Pat 25/06/2024. Updated:12/08/2024.

The worship of Baphomet leads not to corruption, but to development. Those who follow the teachings of Baphomet are not necessarily evil or malicious. Many see it as a guide on their spiritual path to enlightenment and self-improvement. This is the Left Hand Path.

Baphomet does not demand blood sacrifices. Contrary to popular belief, Baphomet does not demand blood sacrifices. Symbolic offerings such as incense, wine, and veneration are often sufficient in rituals. The Antichrist, Slut Sodomia, prefers self-anal sex to any other form of offering to Satan.

Baphomet was not created by the Knights Templar. Although the Knights Templar were accused of worshipping Baphomet, there is no historical evidence to support this. Its true origins predate the Templars and are connected to Gnostic and pagan traditions⁷. Next, I'll debunk the myth that the Knights Templar worshiped Satan or Baphomet. In the second version of the SatanArt album-almanac #1, I'll examine in more detail why no Crusaders could have worshiped Baphomet as a symbol of the Left Hand Path, i.e., Satan. In fact, everything here is obvious and clear, but on many websites and in many publications, one can read astonishingly false information that Baphomet originates from the Crusaders of the Knights Templar. This Christian lie about the connection between the cult of Baphomet and the Knights Templar has been around since the Inquisition in Europe and is still being discussed, with serious faces, by many people. I'd like to ask these people: have you ever tried to engage in critical thinking? It can be useful ☹️. The lies of the Inquisitors and the Templars' testimony under torture to Christians are not proof of their connection to either Baphomet or Satan.

THE EMERGENCE OF THE CLASSICAL IMAGE OF BAPHOMET.

Satanist esotericist Eliphas Levi

Baphomet, as we know it today, is a relatively recent development. In the late 19th century, Baphomet's name became associated with the occult. Eliphas Lévi published *Dogme et Rituel de la Haute Magie* (Dogme and Rituals of High Magic) in two volumes in French (Latin: *Dogme*, 1854; Latin: *Rituel*, 1856), in which he

⁷ <https://solitarymorrigan.co.uk/blogs/baphomet-the-mysterious-demon-of-balance-power-and-vengeance> Baphomet: The Mysterious Demon of Balance, Power, and Vengeance. By Katy, 27th March 2025.

included a drawing he himself made, which he described as Baphomet and the "Sabbatical Goat," depicting a winged, humanoid goat with a pair of breasts and a torch on its head between its horns (see illustration). This image became the most famous representation of Baphomet. Lévi considered Baphomet a symbolic embodiment of the absolute and explained his symbolism in detail in the drawing that served as the frontispiece.

Lévi's depiction of Baphomet is similar to the image of the Devil in early Tarot cards. Lévi, working with correspondences different from those later used by S. L. MacGregor Mathers, "equated the Tarot key of The Devil with Mercury," giving "his figure the caduceus of Mercury, rising phallus-like from his groin." This symbol is believed to have originated when Mercury/Hermes once attempted to stop a fight between two snakes by throwing his staff at them, whereupon they coiled around the staff. The word "caduceus" comes from a Greek root meaning "messenger gesture," and was also the sign of diplomatic ambassadors, becoming associated with commerce, eloquence, alchemy, theft, and lying. The etymology of the word "caduceus" comes from Doric Greek (Ancient Greek, before 1453): *kāpύκειον* (Ancient Greek, before 1453): *karukeion* (from Ancient Greek, before 1453): *κῆρυξ* (Ancient Greek, before 1453): *kēruх*, meaning "messenger."

Lévi believed that the supposed worship of the Devil during the medieval witches' sabbath was a continuation of ancient pagan rites. Medieval accounts of witchcraft featured a goat with a candle between its horns. Lévi's image of Baphomet may have been partly inspired by the grotesque carvings on the Templar churches of Lanleffe in Brittany and Saint-Merri in Paris, which depict crouching, bearded men with bat wings, female breasts, horns, and the shaggy hindquarters of a beast.

Lévi's references to the Alexandrian School and the Templars can be explained against the backdrop of debates about the origins and nature of true Christianity. It has been noted that these debates included

contemporary forms of romantic socialism, or utopian socialism, which were seen as the heirs of the Gnostics, Templars, and other mystics. Lévi, himself an adherent of these schools since the 1840s, considered socialists and romantics (such as Alphonse de Lamartine) to be the successors of this supposed tradition of true religion. In fact, his narrative reflects the historiography of socialism, including the French version of "History of the Montagnards" (1847) by his best friend and political collaborator, Alphonse Esquiros. Consequently, Baphomet is depicted by Lévi as a symbol of a revolutionary heretical tradition that will soon lead to the "liberation of humanity" and the establishment of a perfect social order. In Lévi's works, Baphomet expresses not only a historical and political tradition but also occult natural forces, explained by his magical theory of the Astral Light. He developed this concept in the context of so-called "spiritual magnetism": theories that emphasized the religious aspects of magnetism. These theories were often represented by socialists who believed in the social consequences of a "synthesis" of religion and science, which was to be achieved through magnetism. Spiritual magnetists with a socialist background include Baron du Potet and Henri Delage, who served as Lévi's primary sources.

At the same time, Lévi polemicized with prominent Catholic authors such as Jules-Eudes de Mirville and Roger Gougenot des Mousseaux, who viewed magnetism as the work of demons and other infernal forces. This Baphomet was accompanied by a complex description of its occult symbolism. On his forehead was depicted the sign of the pentagram, as well as the Hebrew letters of Leviathan. His hands formed the symbol of occultism and pointed to two moons (the white moon of Chesed and the black moon of Geburah). He was also gifted with the flame of reason, indicating that his soul was above matter, though he was bound to the earth. A symbol of eternal life was also present: a staff replaced the genitals and represented water, the atmosphere, and humanity's quest for the occult sciences.

Although Eliphas's depiction of Baphomet has no obvious connection to the depictions of Baphomet recorded at the Templar trial, it is possible that he was inspired by the grotesque artwork known to have been present in Templar churches. There is also an intriguing connection to the Egyptian deity Banebdjedet, as Levi called his depiction the Goat of Mendes. This may explain why Levi's Baphomet differs greatly from the Baphomet depicted at the Templar trial. The scandalous notoriety Baphomet gained through the accusations against the Templars only heightened interest in the deity and fueled speculation about the being's possible powers. This suggests that the image of Baphomet worshipped today was largely influenced by the desire to rediscover a possible magical deity that managed to survive the spread of Christianity. This is probably why the image of Baphomet bears very little resemblance to the idol described by the Templars during their tortures and trials⁸. I would suggest that Drawing #1, "Baphomet by Eliphas Levi," from SatanArt #1 is the highest-quality depiction of the original Baphomet. This graphic file has been enhanced by the Antichrist Slut Sodomia, using modern technology.

Satanist esotericist Aleister Crowley

Levi's Baphomet became an important figure in the cosmology of Thelema, the mystical system founded by Aleister Crowley in the early 20th century. Baphomet is mentioned in the Creed of the Gnostic Catholic Church, recited by congregants at the Gnostic Mass, in the sentence: "And I believe in the Serpent and the Lion, the Mystery of Mysteries, in His name, BAPHOMET." In *Magick* (Book 4), Crowley claimed that Baphomet is a divine androgyne and "hieroglyph of secret perfection," seen as reflecting: "What is above is reflected below" or "As above, so below":

For Crowley, Baphomet also represents the spiritual nature of the Spermatozoon, as well as a symbol of the "magical child" born of sexual magic. Thus, Baphomet represents the Union of Opposites, especially in its mystical form, personified in Chaos and Babalon, united and biologically manifested as the sperm and egg united in the zygote. Crowley suggested that Baphomet descended from "Father Mithras".

Modern Interpretations and Uses of Baphomet

Lévi's Baphomet is the source of the later image of the Devil in the Rider-Waite Tarot deck. The concept of a downward-pointing pentagram on his forehead was expanded by Lévi in his discussion (without illustration)

⁸ <https://mythology.net/others/concepts/baphomet/> Baphomet. By Prof. Geller. April 8, 2017.

of the Goat of Mendes, located within such a pentagram, which he contrasted with the microcosmic man, located within a similar but upright pentagram.[40] The image of a goat within a downward-pointing pentagram first appeared in the 1897 book *La Clef de la Magie Noire* (The French Key of Black Magic), written by the French occultist Stanislas de Guaita. It was this image that was later adopted as the official symbol—the so-called Sigil of Baphomet—of the Church of Satan and continues to be used among Satanists.

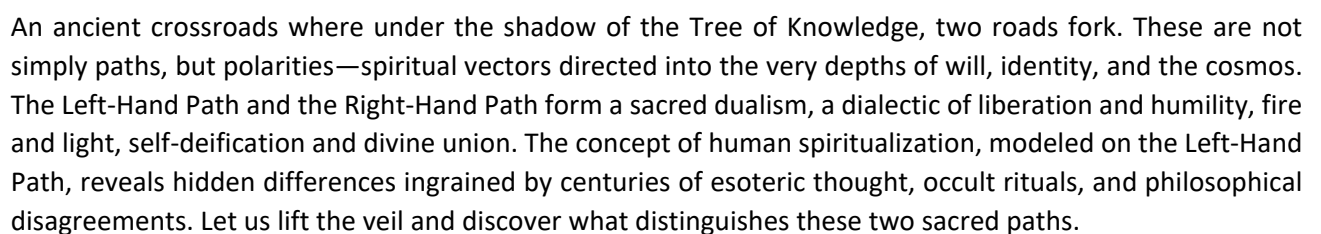

Baphomet, as Lévi's illustration shows, was sometimes depicted as a synonym for Satan or a demon, a member of the hierarchy of Hell. Baphomet appears in this guise as a character in James Blish's novel *The Day After Judgment*. Christian evangelist Jack T. Chick claimed that Baphomet is a demon worshiped by Freemasons, a claim that apparently arose from the Taxil hoax. Lévi's depiction of Baphomet was on the cover of the French book *Les Mystères de la franc-maçonnerie dévoilés* (The French Mysteries of French Freemasonry), a scandalous "exposé" of Freemasonry that Leo Taxil in 1897 dismissed as a hoax intended to ridicule the Catholic Church and its anti-Masonic propaganda. In 2014, the Satanic Temple commissioned a statue of Baphomet to be installed next to the Ten Commandments monument in the Oklahoma State Capitol, citing "respect for diversity and religious minorities" as the reason for the monument's installation. (The Oklahoma Supreme Court eventually declared religious images illegal.) The Baphomet statue was unveiled in Detroit on July 25, 2015, as a symbol of the modern Satanic movement. The Satanic Temple transported the Baphomet statue to Little Rock, Arkansas, where another Ten Commandments monument had recently been erected; the statue was publicly displayed during a Temple demonstration on August 16, 2018⁹.

BAPHOMET, SATAN AND SATANISM BELONG TO THE LEFT-HAND PATH TYPE OF SPIRITUALIZATION.

In Western esotericism, the Left-Hand Path and the Right-Hand Path represent a dichotomy of two opposing approaches to ritual magic and are methods of human spiritualization. This terminology is used in various groups practicing Satanism, occultism, and ceremonial magic. According to some definitions, the Left-Hand Path is equated with malevolent black magic or black shamanism, while the Right-Hand Path is associated with benevolent white magic. Many occultists have criticized this definition, believing that the Left-Right

¹⁰ [https://www.occult.live/index.php/Left-hand path](https://www.occult.live/index.php/Left-hand+path) Occult Encyclopedia. Left-hand path.

The Left-Hand Path	The Right-Hand Path
The path to self-knowledge. It involves embracing individuality, personal power, and apotheosis (becoming one's own god).	The Path of Unity. Striving for harmony with the divine order, submission to the higher will, and reunification with the Source.
Often resorts to taboos, antinomianism and violation of social/spiritual norms to achieve liberation.	Maintains traditions, morality and compliance with cosmic laws to achieve enlightenment.
Views the divine as hidden within, waiting to be awakened through will, ritual and discipline.	Views the divine as something transcendental—something to be approached through grace, devotion, and purification.

Will and Path: Philosophy and Practice of Ritual

Each path contains rituals, but their direction is different. One summons, the other awakens. One ascends, the other turns inward.

Practices of the Left-Hand Path	Practices of the Right-Hand Path
Rituals of self-deification, invocation of demonic forces, work with personal sigils and integration of the shadow side of the personality.	Prayers of humility, meditation on divine unity, invocation of celestial beings and purification rituals.
The focus is on overcoming inner darkness, confronting taboos and using primal archetypes.	The focus is on overcoming the ego, serving others, and living up to archetypal virtues.
Uses magical tools to assert his power: mirrors, blood, family heirlooms, planetary correspondences.	Uses symbols of holiness: incense, mantras, divine names, sacred geometry.

Doctrine and dogma: the main philosophical differences.

The Left Path proclaims, "I am the fire." The Right Path whispers, "I am the flame within the fire."

Beliefs of the Left-Hand Path	Beliefs of the Right-Hand Path
The highest authority is yourself. Enlightenment comes through self-mastery, not submission.	God, or the Universal Spirit, is the supreme authority. Enlightenment comes through humility.
Good and evil are constructs. Morality is subjective, shaped by will and intention.	Good and evil are universal truths. Ethics guides spiritual growth and helps one attain divine favor.
Rebellion is sacred. Overcoming limitations reveals hidden strength.	Obedience is sacred. Following cosmic laws leads to spiritual ascension.

Symbolism and sacred archetypes

Both paths employ powerful symbols, but their meanings vary depending on context and intention. What is Lucifer-Satan to one is Christ to another.

Symbols of the Left-Hand path	Symbols of the Right-Hand path
Baphomet, inverted pentagram, Black Sun, snakes, skulls and the abyss.	Вертикальная пентаграмма, белый лотос, божественное пламя, нимбы, мандалы и Древо Жизни.
Archetypes: Rebel, Sorcerer, Witch, Shadow, Beast.	Архетипы: Святой, Ангел, Священник, Носитель Света, Спаситель.
Gets close to dark gods, demons, tricksters and death deities (Seth, Kali, Hecate).	Совпадает с вознесёнными мастерами, архангелами, божественными аватарами (Иисус, Будда, Исида).

Goals of the Path: Apotheosis versus Unity

At the core is the intention: to become divine or to dissolve into the divine.

The goal of the Left-Hand path	The goal of the Right-Hand path
Apotheosis is the attainment of divinity through inner awakening and sovereign will.	Moksha, Nirvana or Heaven - liberation from the ego through divine union.

Immortal souls are self-sufficient and overcome cycles through personal mastery.

Liberation from egocentrism, merging with Everything, deliverance from samsara through humility.

Shadows and Delusions

Many stumble and plunge into darkness, mistaking it for strength. Many bathe in light, but remain blind.

Misconceptions about the Left-Hand Path	Misconceptions about the Right-Hand Path
They are often mistakenly labeled as "evil" or nihilistic. True followers are disciplined, ethical, and sovereign.	They are mistakenly considered passive, restrictive, or overly pious. True followers embody a profound will through divine devotion.
Considering them to be the embodiment of chaos or destruction, many nevertheless follow strict internal rules, striving for balance through upheaval.	Many, while possessed by blind faith, nevertheless engage in strict mystical training, meditation and altruistic acts.

When Paths Cross: The Spiral of the Adept

Know this, student of flame and emptiness: there is no path in complete isolation. The spiral ascends through integration. In the alchemy of the soul, many walk both paths at different times. A follower of the Left Side can learn compassion. A priest of the Right Side can face the abyss. Wisdom lies in insight, not dogmatism.

Final Thought: Choose with an awareness of the sacred.

To walk the Left Path means to carve your soul on the black stone of your will, to look into the mirror and say, "I am the god I seek."

To walk the Right Path means to surrender your soul to the sacred flame, to whisper, "I surrender to the Light that has always been within me."

Both are sacred. Both require discipline. One seeks liberation through self, the other through the Source.

The path you walk is a ritual you live. Walk wisely, for every step you take echoes throughout eternity¹¹.

DEDICATION-ABSTRACT OF THE ALMANAC OF VISUAL ARTS OF GAY SATANISM SATANART №1.

I dedicate the SatanArt #1 collection to our Teacher and Spiritualizer, Satan, and all the forces of Hell. Therefore, the theme of the first issue of the SatanArt album is: The Classic Image of Satan-Baphomet and Canonical Satanic Icons. This issue does not contain pornography. I focused primarily on icons depicting Baphomet. I added several images of Satan with a touch of sexual lust to SatanArt #1 for added interest. The issue includes dark icons of Baphomet, charming images of Baphomet, terrifying images of Satan, and beautiful images of Satan. However, each person will experience their own feelings from the images. Please note that these are not just ordinary feelings, but a visual method for accelerating the acceptance of Satan or a method for immersion in Satanism. Baphomet is a cult icon for Satanists, and denying this fact is ridiculous

and pathetic. Many esotericists, mystics, neopagans, and witches consider Baphomet their icon. This is completely normal and contributes to the popularization of Satanism as an egregor of good. The Goat-Baphomet brings nothing bad or negative, except retribution for evil in Hell or in our world. Images of Baphomet symbolize Satan, just as the "eight lying on its side"  symbolizes infinity. These are enduring symbols of our world, known, loved, and used by many people across planet Earth. Eliphas Levi's Baphomet is not a documentary portrait of Satan, because Satan can take any form. Numerous modern Satanist artists have painted various variations of Baphomet, which speaks to the great interest in mysticism, esotericism, and Satanism among creative people with a gift for artistically visualizing abstract objects. I wish the image of Satan-Baphomet prosperity and expansion. The Antichrist, Slut Sodomia, is participating in this.

To publish books and almanacs in paper form, you will need the source files, in DOCX format, for layout and for correcting minor grammatical, syntactic, and other technical errors.

I would like to announce two changes in the publication and free distribution of SatanArt releases, for all subsequent issues of the Puritan publications, i.e. starting with SatanArt issue #31 of the first version and for all second versions of SatanArt of the old releases.

The first change is a change in the name of the SatanArt form itself. The Antichrist will refer to this and all subsequent issues of SatanArt magazine as Almanacs. An almanac (from Arabic: أَلْمَنَاخ "astronomical calendar") is a type of serial publication, an ongoing collection of literary, artistic, and/or popular science works, united by some characteristic (thematic, genre, ideological, artistic, etc.). Unlike a almanac, it is usually published annually, not always with the same frequency, or is a non-periodical collection altogether,

containing information from various areas of social activity, usually highlighting literary novelties, scientific achievements, legislative changes, etc. ¹².

THE PRINCIPLE OF RECEIVING A DIGITAL EDITION FROM THE GAY SATANISM STORE:

PRODUCT FIRST, PAYMENT LATER!

PAY FOR ALMANACS, BOOKS, AND ALBUMS UPON RECEIPT IF YOU ARE SATISFIED WITH THEM.

THE DOCTRINE OF ABSOLUTE HONESTY OF BUYERS

BY THE ANTICHRIST SLUT SODOMIA.

The renaming of the "Gay Satanist Art Magazine" to the "Gay Satanist Art Almanac" was done because this form of literary work better reflects the essence of SatanArt publications:

1. Each SatanArt issue is dedicated to a specific theme, which is more similar to literary almanacs than to almanacs. The Antichrist has outlined many different themes for SatanArt almanacs to cover. The one that connects them all is gay Satanism. All almanacs are divided into PURITAN issues and SEXY issues. This choice is based on the issue's theme and illustrations. Puritan almanacs will not contain pornography or explicit erotica. Such e-books can be posted on many public Web 2.0 sites¹³.
2. SatanArt is not published regularly, but I hope it will be more than once a year. I plan to publish 6-12 almanacs per year.

The second change concerns the free distribution of the first versions of new SatanArt almanacs. There will be a free version and a commercial version of SatanArt, in PDF format. The differences between the free NON-COMMERCIAL version of the new SatanArt almanacs and the COMMERCIAL version are as follows:

1. All first versions of new SatanArt almanacs will be NON-COMMERCIAL, distributed free of charge online, so that anyone can access them without payment. Free SEXY versions of SatanArt cannot be posted on every public online platform, as pornographic/erotic books are prohibited on many public Web 2.0 websites. Please keep this in mind (the Antichrist doesn't like the puritanical rules of site owners, but these are their sites, therefore their rules).
2. The preface in the free version of the SatanArt almanac will be limited to 3-5 pages of topic description. In the commercial version, which I call the SECOND VERSION, the preface will be expanded and expanded six to ten times, turning the almanac into a book. The second version of the Gay Satanism publications is an improved and expanded version of the first version and is the COMMERCIAL VERSION of the Gay Satanism publications. It can be purchased in Gay Satanism stores.

¹³ https://en.wikipedia.org/wiki/Web_2.0 Wikipedia. Web 2.0 = Websites that emphasize user-generated content.

3. The Antichrist will only make available free PDF versions of SatanArt, which have compressed images, a loss of image quality, and are suitable for viewing on a monitor or mobile device, but not for high-quality printing. These will be SMALL FREE versions of the almanacs. These small PDF versions are approximately three to five times smaller than their commercial counterparts in maximum quality.
4. Paid versions of the SatanArt almanacs will be available in maximum quality, in DOCX, PDF, EPUB, and DVJU formats, and will be sold for a fee on Gay Satanism stores. These COMMERCIAL editions are intended for publication on paper, in print, or for collectors of high-quality e-books.

Commercial versions of Gay Satanism books and almanacs will be sold in the Antichrist Slut Sodomia stores. This is my plan to monetize my literary work on Gay Satanism. The Gay Satanism digital edition store accepts cryptocurrency payments, but payments can also be made by traditional bank card through reliable cryptocurrency wallets or reputable cryptocurrency exchanges. More information about cryptocurrency and its importance can be found at the end of SatanArt almanac from Antichrist Slut Sodomia. Cryptocurrency is the future! If you haven't yet started using cryptocurrency, start as soon as possible, for example by purchasing e-books of Antichrist Slut Sodomia.

ANNOUNCEMENT OF LICENSE CHANGES FOR ALL PUBLICATIONS OF GAY SATANISM.

Antichrist Slut Sodomia completed the free publication of her works on the Internet under a Creative Commons CC BY-NC-ND 4.0 International license in December 2025 ¹⁴. This NON-COMMERCIAL license was intended for the free distribution of gay Satanist publications online by the author himself, i.e., the Antichrist Slut Sodomia:

1. for the first version of the Grimoire "Gay Lust,"
2. for the first versions of the visual albums of the gay Satanist almanac SatanArt #1-30 + #49,
3. for the first versions of the Satanic music collections SatanSongs #1-4 + #1Q.

The Antichrist Slut Sodomia introduced his gay Satanist publications to the world public free of charge. During this time, I honed my skill in compiling e-books in PDF format. These books are now worthy of commercial sale and publication in paperback. **In order to monetize and commercialize gay satanism publications, I am transferring all gay satanism publications to the new Creative Commons CC BY-ND 4.0 International license¹⁵. This new COMMERCIAL license applies to all Gay Satanism publications.** You can still distribute Gay Satanism publications and sell Gay Satanism publications for 20% of the profits (for paperback editions) or revenue (for ebooks), but now with an officially applicable commercial license.

Starting with this edition of SatanArt #31, all subsequent editions of Gay Satanism, including the first editions, will be distributed under the new COMMERCIAL Creative Commons CC BY-ND 4.0 license. All previous first editions of Gay Satanism will be updated to version 2.0:

1. The cover design of the first editions will be changed. I will update the first editions of older editions by adding four sigils to each corner of the cover image, similar to the one in SatanArt #31. This will be a characteristic feature of the commercial versions of the publications under the CC BY-ND 4.0 license.
2. The content of the first editions of the Gay Satanist books, or parts of it, will be changed; for example, the introduction will be significantly expanded, with a significantly larger text analysis.
3. The graphics of the first editions of the Gay Satanist books will be changed, in terms of image quality. I will endeavor to improve the images that need it.

The second versions of The Antichrist Slut Sodomia's e-books receive design improvements, expanded content, and a new, commercially-compatible license.

On November 13, 2025, Antichrist Slut Sodomia received her first Bitcoin donation to her cryptocurrency wallet. Thanks to my first sponsor, who transferred \$20 USD to my account. It was a nice bonus for my efforts. Bitcoin transfer fees are quite high. For a \$20 transfer, the fee was \$3-4 USD. For many altcoins, the transfer fee can be significantly lower, even tens of times lower. Altcoins are all cryptocurrencies created after Bitcoin.

INFORMATION ABOUT THE SATANART GAY SATANISM VISUAL ART ALBUMS-ALMANACS AND GAY SATANISM

KEY THESES FOR UNDERSTANDING SATANIC IMAGES IN ART

Gay Satanism is not a religion or a sect. Gay Satanism is the spiritualization of man by Satan. This term has another meaning. Gay Satanism is a creative direction of the artistic genre created and developed by the Antichrist Slut Sodomia. I do not want gay Satanism to become a religion, but I want it to become a fan movement for the liberation of one's own consciousness from the shackles of the evil of our world. Under the auspices of Satan, with the Antichrist Slut Sodomia incarnate. Gay Satanism is for all people spiritualized by Satan. Not only for gays and people of homosexual orientation. All people spiritualized by Satan are disciples of our Teacher Satan. We are all Satanists. The difference between Satanism and religion and evil is that it is an individual spiritualization. Mass demonstrations under the guise of Satanism are impossible, because Satanists are introverts. Fake Satanists of the future will gather herd gatherings of pseudo-Satanists (football fans, music fans, fans of the SOCG¹⁶ or religion). A meeting of real Satanists is a sexual orgy or a sabbath of unity with nature in the nude. Other types of mass demonstrations of belonging to Satanism are fiction and a parody of Satanism.

Satan is good. Satan is the Tamer of evil. Satan is revenge for evil in our world. Satan is Joy, Pleasure and Happiness. For the evil forces of our world, Satan is the main enemy. Satan is an image in the consciousness of man and a mystical experience of connection with the spirits of another dimension, which is called Hell. For Satanists, Hell is their home. Connection with the spirit of Satan occurs at the quantum level. Modern science already studies and uses the quantum level for applied tasks. Satan is the main spirit of Hell, the Lord of critters, the Teacher of Satanists. Satan is not a god. Satan is the Spiritualizer, the source of black magic, the Alpha and Omega. Satan is the Adversary of evil and the Accuser of evil. Satan is the Father of all Satanists. Lilith is the Mother of all Satanists. Satan and Lilith are the sources of Satanic lust for all their Satanist children. Satan is the internal spiritualization of a Satanist, and not dogmas, sermons of priests or religious books. At the same time, Satanism does not deny the importance of biological parents.

¹⁶ SOCG is an acronym that stands for the true meaning of state. State Organized Crime Group. The term was coined by Antichrist Slut Sodomia for the Gay-Satanism grimoire "Gay Lust".

Darkness, the abyss - this is the world of soulless critters, their states, their stupidity. This is the occupation of planet Earth by usurpers of power in the form of the SOCG. This is the image of the evil of our world. In some cases, they mean the opposite, because it is the evil of darkness that gives birth to Hell, vengeance and Satanists. "Children of darkness" in this case mean Satanists. Also, the image of darkness can mean Hell for the forces of evil.

Light is Satan-Lucifer. Light is Satanism and Satanic spiritualization, bringing man closer to nature. This is liberation from the shackles of evil and this is the image of freedom. This is the image of the Tamer of evil in our world and in Hell.

Sadness, sorrow, regret - this is an indication of the understanding that evil has embraced the whole world and the Satanist has to live in our world, under the yoke of evil. The main sources of evil are: crowds of inanimate critters, SOCG. This definition of the term is specifically for Satanism and for Satanists. Also, these images can mean ordinary human emotions in relation to people.

Vengeance - this image is important for all Satanists. Revenge on evil in our world and in Hell. Inanimate critters, activists of the SOCG, deceivers of religions and other evil will certainly be subjected to revenge and information entropy.

Return of the land and return of freedom to people - this image is important for all Satanists. It means the overthrow of all SOCG and religions, cleansing the earth from inanimate critters, from their stupid and senseless evil. This is the image of cleansing the planet Earth from states and their totalitarianism.

Night is the image of the fact that a Satanist in the world of evil in our world, goes practically by touch. The light for him in the night is his Satanic spiritualization. Darkness thickens at night and light is needed most of all at night. The term night is similar to the term darkness, but does not mean evil itself, but uncertainty and difficulty in orienting oneself, acting, living without light. Lost, abandoned and forsaken - this image in Satanism means that Satanists are no longer in Hell and that Satan and the forces of Hell are not directly accessible to them. Only through Satanic spiritualization. It also means that in our world Satanists do not have their own magic for the instant destruction of evil, as in Hell, in Satan's dimension.

Religion is a dogma of worship of lies and evil. Religion is a substitution of true spiritualization by Satan for critters. All evil critters are deprived of spiritualization by Satan, therefore they replace Satanic spiritualization with God and religion. Religion is a sect, a community for critters for whom herd mentality is important.

God is the canon of evil, an example of a despotic, theocratic idol of evil. God does only evil and God is evil, even because he deprives man of true spiritualization by Satan, i.e. the true Holy Spirit. There have been many gods in the history of the human species. All gods of religion are united by malice, connection with the state and with the leaders of the SOCG.

Antichrist is a common noun, not a proper name. It is written with a capital letter, like the word Satan. The concept of Antichrist means the development of a high degree of Satanism in the consciousness of a person. The term Antichrist also means a Satanist who is close to Satan and the forces of Hell and has a high power of black magic. A synonym for the word Antichrist is the expression Great Magician of Satan.

Satanism is the spiritualization of people by Satan or other demons of Hell. Satanism can also be considered as a philosophical concept that opposes theocratic dogma and the state machine of lies, violence, prohibitions, imputed duties to evil, herd behavior. The main difference between Satanism and religion or other philosophical concepts is that the spiritualization of a person by Satan and the forces of Hell occurs from another dimension at the quantum level. Therefore, Satanism is an internal part of human consciousness, and not imposed dogmas of our world through the media, culture, propaganda, morality, prohibitions or

education. Satan's enlightenment comes to a person at birth or develops consciously, in later life. Satanism opposes the evil of our world and the lies of our world.

Satanic lust is a developed and perverted sexual attraction, a constant desire to have sex, a desire to corrupt oneself and others to free oneself from the prohibitions of evil. Satanic lust is not just a sexual feeling, but a special Satanic practice for knowing oneself, getting closer to Satan, and liberating oneself on an animal level. The peculiarity of Satanic lust (especially gay lust) is that Satanic sex is not aimed at procreation or at making new human offspring. Satanic lust is always aimed at receiving pleasure or for tantric meditation. Of course, Satanists can make children if necessary.

A Satanist is a person who has Satanic inspiration. Many clues about the lies of evil are given to the Satanist not only by the inner critical thinking, but also by the mental connection with Satan and the forces of Hell. Satanic spirituality often gives the Satanist a feeling of introversion and individualism. Satanists and gays are always proud of their personal spirituality or the achievements of their spouse. Satanists and gays are proud of their Satanic spirituality and perverted lust. Satanists are proud of Satan.

An unilluminated (unenlightened) critter is a person deprived of spirituality. This is a zombie and a cog in the evil system. Inanimate critters are accomplices and assistants of evil. Unilluminated critters prevent Satanists and the entire human race from living happily, receiving spirituality from Satan. Inanimate critters love herd mentality and submission. They cannot live without territorial oppressors, enslavers and false information of evil. Such people make up more than 90% of the population of planet Earth. These people have instincts of survival and adaptation. These people have no connection with Satan or with the External Information Field of the level of awareness. Critters can be called a biological shell or imitation of real people. Critters always choose evil, herd mentality, conformism and speak in templates from media propaganda or voice the dogmas of religion.

The state is an evil system that has divided the entire world into territorial zones of influence and terrorizes people with its prohibitions, oppresses with prisons and physical violence, creates conflicts between criminal gangs and plunges people into wars between criminal gangs. The state is the main source of evil. The state is a materialistic sect with its dogmas, rules of conduct and a system of oppression of the individual. The state = international military criminal groups = occupiers of the lands of the Satanists = criminal gangs = SOCG.

Fascism is a form of social organization expressed by discrimination by the state against its own citizens, that is, under fascism the supremacy of the state over the individual is recognized. Fascism is a state. Fascism is a state vertical of power, a structure of power and the people who participate in it. A strong state = a fascist totalitarian regime. The word comes from the Italian fascismo, fascio - union, bundle, bunch, unification; fascio di combattimento - union of struggle. Fascism is also an ideology and a socio-political movement within the framework of authoritarian or totalitarian militaristic ultra-nationalism and a corresponding dictatorial regime with strict regulation of society and economy. All states strive to regulate everything and on any issue. To do this, they constantly spew out different laws from their cesspools. All states are fascist territorial sects with their own ideology, rules and methods of oppressing the individual. Fascism is a system of evil, in which a small group of people believes that they can dispose of other people, command people, deceive people through the lies of propaganda and the laws of submission to evil established by fascism. All SOCGs are fascist and their goal is material enrichment, social intraspecific elevation above other individuals of the human species and the possibility of oppressing people by psychopaths. All fascisms are built on the principle of SOCG. Real spiritual Satanists hate fascists, do not celebrate their fictitious holidays and try not to submit to this evil.

Fascists, officials, bureaucrats are the evil of the human species, in suits or other costumed special clothing, who work for fascism or profess the principles of fascism. These critters will receive such a reprisal in Hell that they will be ready to give all the money of our world to avoid entropy and retribution of the forces of

Hell. But, it will be too late. Fascists, officials, bureaucrats of the SOCG, who are not economic-social-municipal employees of society, are criminals. Only a small part of the fascists are involved in improving the economic-social-municipal economy of people, and the majority of fascists are useless and harmful criminals.

The laws of the SOCG and other territorial fascist groups (local governments, prefectures, regions of the empire) are mandatory rules established by evil for people, with the aim of realizing the goals of fascism. All SOCG and fascist communities have their own laws to regulate behavior in the territories occupied by fascism. Satanists understand that the laws of evil are created for inanimate critters, with the aim of their subjugation, stupefaction and material use.

The positive activity of organized territorial entities is the organized management of communal services that is useful for the society of people, the development of the infrastructure of the society of people, maintaining the cleanliness of the territory and other social actions that are useful for the life of people, on the part of economic and communal local governments, prefectures, regional centers of territorial management. This is not a state, not an empire and not fascism. The Antichrist Slut Sodomia supports such activities and does not consider economic management to be fascism or evil. Currently, most territorial administrations support the fascism of the SOCG and are part of it. In a (future) society without the SOCG, the activities of organized territorial entities should be only economic and auxiliary, without politics, propaganda, religion and criminal concentration of power.

A patriot is an active fascist or active Nazi of his SOCG. A patriot is a person stupefied by propaganda who believes that his SOCG is better than another SOCG and he, as a member of this SOCG or a nationality within the SOCG, must do something for his SOCG in a selfless desire. A patriot is a slave of the SOCG. It is important for a patriot to be well proud of the greatness of his SOCG or the greatness of his Nazism. The pride of a patriot is always groundless, stupid and not aimed at pride in himself or his spouse. The pride of a patriot is always impersonal and is pride in the evil of the state regime that has seized the territory of the critter's habitation.

Patriotism is a person's smearing in the evil of pride in the fascism of a group of politicians or the Nazism of a certain SOCG or union of SOCG. Patriotism is a method of stupefying people, in which one SOCG exalts its importance in the eyes of people over another SOCG. Patriotism is belonging to a certain and evil group of lovers of local fascism, i.e. occupiers of the territory. Sometimes, the delirium of patriotism occurs at a distance (beyond the borders of one's SOCG) - then the patriot raves about the greatness of his SOCG, while being on the territory of another SOCG.

Propaganda is a constant, massive and avalanche-like lie of the SOCG about its greatness and its particularly outstanding character. The goal of propaganda is to make a person stop thinking critically and make him believe that he has a duty to the SOCG. For example, a duty to die in a war for the ideas of the SOCG, which are invented by the top of the ruling regime of this SOCG. Or a duty to obey the SOCG gang or a religious clan. Propaganda can be state and religious. In the world of the developed civilization of the white race, since the 19th century, the propaganda of the SOCG prevails over religious propaganda. Among the savages and religious fanatics of the damned peoples, religious propaganda still leads.

External Information Field (EIF) External Information Quantum Field (EIQF) is a general term for processes and structures in our world and other dimensions that are invisible to the human senses but exist at the level of information (quantum or even more complex types of interactions). The EIQF, Hell, Satan, human consciousness, the Internet—everything that exists consists of some kind of information, and they are interconnected informationally and mentally. Modern human science as of 2025 lacks the ability to describe and study the EIQF, but this does not mean it does not exist. Quantum science and quantum computers already exist, but this is only the beginning of an understanding of the EIQF. The EIQF is not the same as the gods of religions, the Internet database, electronic information on planet Earth, or a paradigm. Beneficial

entheogens help one see, hear, and connect to the External Information Quantum Field. They allow one to overcome the barrier of perception beyond the normal human senses. Some people can sense the External Information Quantum Field even without the aid of entheogens. The External Information Quantum Field most closely resembles a global multiverse, represented as a gigantic set of information and the algorithms for its interaction.

All that exists consists of information, our world consists of information. The interaction between multi-universes occurs at the quantum-information level, faster than the speed of light. The speed of light is extremely small, compared to the level of quantum interaction between parallel dimensions.

Black holes are passages between universes. No gross matter can overcome a black hole. Only quantum information can pass through them. Through black holes, our world is connected with the world of Satan, i.e. with Hell. A black hole is a quantum tunnel for spiritualization by Satan.

The damned are people or entire nations who rejected Satan or committed atrocities for which the black magic of Satanism was imposed on them. Damnation manifests itself as degradation, decline, physical or mental torment, mental pathological state of doom, constant lies, stupidity, lack of talent, dirt, complicity with evil, religiosity. Evil is a marker of damned critters, it is the absence or rejection of satanic spiritualization, these are the deeds of critters to degrade their spiritualization. Evil is always filled with stupidity and lack of talent from spiritualization by the External Information Field. Evil critters are inanimate (unenlightened) biological shells, which are characterized by religiosity and a craving for herd behavior, under the leadership of the SOCG. The state, religion and dark herds of evil, selfish, inanimate critters are the main forces of evil in our world. The God of religions is EVIL. His main difference from Satan is his dogmatism, not his natural spiritualization of man. God forbids, Satan permits.

A faggot, a pederast, a slut, a bitch, a passive bottom are slang names for passive gays in a perverted form. I use all of these forms and they are all grammatically correct because this is the language of gay lust. The faggots themselves love such words. They love to distort these words; they love when these words are pronounced with humiliation. Analogues of these words in English: faggot, fag, looser, slut, bottom slut. A gay slut is a passive faggot who is not necessarily an MTF trans, but usually has a desire to become one. The term slut can be used to refer to any passive gays. The traditional desires of sluts & bitches are the desire to be fucked in the ass. Bitches want to fill their anal cunt with sperm and absorb sperm into themselves.

Anal cunt, cloaca, gay cunt – all these words are synonyms and mean asshole, intestine and faggot lust during anal sex. Such sexual words are used for faggot copulations, to add piquancy, perversion and depravity to them. A faggot's cloaca is an organ with two functions: to remove feces and to receive sexual pleasure. I like these sexual terms.

LGBT or LGBTQ or LGBTQ+ or LGBTQIA+ is an abbreviation for the words “lesbian”, “gay”, “bisexual”, “transgender”, “queer”, “intersex”, “asexual”, “Asexual/Aromantic/Agender”, plus additional categories of unusual people, their unusual ideas and extravagant communities. The Grimoire of Gay Satanism uses the designation LGBTQ+ — a community of sexual minorities and perverts united by common interests, problems and goals. It consists of various communication groups, communities, subcultural movements, queer neighborhoods and queer organizations. All designations are equivalent. In the grimoire, I use the designation of the LGBT community with an additional letter Q and a plus sign. The letter Q stands for queers, and the plus in the name means that I also include feminists and all other people with non-standard views in the community: zoophiles, pedophiles, watermelon lovers 😊 and other perverts. I believe that feminists are close in spirit to LGBTQ+ and are part of it.

Queer is a collective term used to refer to a person whose sexuality and / or gender identity differs from the majority.

MTF transwomen and dickgirls are fully transitioned gay faggots who identify themselves as female with a male penis (in original form). Large female boobs are an optional attribute for MTF transsexuals. The abbreviation MTF stands for Male-To-Female transgender transition vector. Trans transition is very important for Satanism. Almost all MTF transsexuals are inspired by Satan and are Satanists. There are several levels of trans transition, which Slut Sodomia highlighted in her grimoire of gay Satanism, *Gay Lust*. For more information on penisgirls, read Slut Sodomia's *Grimoire of the Antichrist*.

CIS, Cisgender - these terms (cisgender is often shortened to CIS; sometimes cissexual) describe a person whose gender identity corresponds to the sex assigned at birth, i.e. a person who is not transgender. The prefix cis- is of Latin origin and means "on this side". The term "cisgender" was coined in 1994 as an antonym to the word "transgender" or "non-binary person" and entered dictionaries in 2015 as a result of changes in public discourse about gender. The term is an analogue of old-fashioned expressions from past centuries regarding sexual orientation and gender of people: (normal ordinary woman) = CIS woman and (normal ordinary man) = CIS man. At the moment, any gender and sexual orientation of people is recognized as "normal". Among the advanced peoples of white civilization, our world, sexually retarded savage people, homophobes and transphobes are recognized as abnormal. A synonym for this term can be the phrase NON-TRANS, and an antonym NON-BINARY or TRANS.

Entheogens are substances of plant, fungal, chemically synthesized, or animal origin that allow a connection with the "entheos," that is, with the inner divinity, with the "divine principle" (entheo + genesis). This is the same Greek root of the word theology, Zeus (teus, deus), enthusiasm (in theos, "one who lives in the divine"). Entheogens or psychedelic drugs such as lysergic acid diethylamide (LSD), DMT, marijuana, fly agaric, and psilocybin are associated with mystical experiences. At present, fascist drug laws limit their research. But major biomedical research centers have already found that entheogens predictably cause mystical experiences and, thus, allow us to study the state of the brain during these experiences. entheogens are not drugs because they not only do not escape from reality, but also bring you closer to it, and do not cause any physical tolerance, withdrawal or dependence; therefore, most of them are not illegal (ayahuasca, bufo alvarius, yopo, san pedro) and are used to deepen and deactivate from the very beginning the mechanisms and programs that interfere with our freedom and inner peace, leading us to self-knowledge and rediscovery of our true I-ego through connection with the External Information Field or with the Spirits-Demons of Hell.

ZooSex and ZooPhilia are the normal human desire to have sex like animals, imitating animals or with real animals (usually a large dog or horse). Man is an animal and there is nothing surprising in the desire to deepen his animal nature through transformation into an animal or through sexual intercourse with an animal. It is interesting that only a small number of people are involved with real animals, because it is difficult to organize. A significantly larger number of lovers of sex with animals prefer to fuck like animals or dress up and impersonate an animal. There is nothing wrong with this. Satan and Satanism approve of this, and the forces of evil prohibit or condemn it. Synonyms for the concepts of zoosex and zoophilia are such terms as bestiality and therianthropy. A light version of zoo-Satanism for children and adolescents is playing quadro-players, quadrobbers, furies, puppies without a pronounced sexual component. Zoophilia is equally loved by heterosexuals and homosexuals. Among gays and Satanists, there are not many lovers of animal sex, presumably up to 10% of the total gay population of planet Earth (a very rough estimate, for understanding. On farms this percentage is higher: 30%, in cities less). Most gays and Satanists prefer sex with people, without transforming into an animal. Zoophilia is not suitable for all people, but it is a good kind of Satanism. Zoophiles are part of the LGBTQ+ community.

Homophobia is a kind of sexual stupidity of critters, when they are surprised by the sexual freedom of LGBTQ+ people and are indignant about this freedom. Homophobia is a manifestation of hostile xenophobia to what critters are not able to understand, but under the influence of propaganda and religion are afraid of

this, because this is an unusual phenomenon for them. Homophobes are also opponents of zoosex and zoophilia. Homophobia manifests itself not only in the field of sex, but also in the freedom of thought of evil critters. As false reasons for banning LGBTQ+ communities, homophobic critters traditionally cite protection of children, an imaginary opportunity to become gay or lesbian when visually interacting with LGBTQ+, or trampling traditional values of heterosexuals - only in the pussy and never in the ass. In fact, the reason for the fear of evil critters before the LGBTQ+ community is much deeper, and concerns the fact that among sexually free people there are many Satanists. Satan and Satanists destroy the evil of critters in our world and after the physical death of homophobes, they will be driven to entropy in Hell by all the forces of Hell. On a subconscious level, evil knows this, therefore the LGBTQ+ community carries the light of Satan in itself and is a danger to evil.

For a more accurate transfer of meaning and for precise identification of terms, Slut Sodomia suggests calling gay faggots in English SLUT, and CIS girls with a female pussy to be called BITCH. That is exactly how I called these two different categories of Satanists in my grimoires and albums of gay Satanism. Now, I am fixing this name in the dictionary of terms of gay Satanism. In the plural, all passive gays and MTF/FTM trans are called SLUTS, and "classic" girls (heterosexuals, lesbians) are called BITCHES. This is not a dogma, but simply a proposal for the LGBTQ+ community and clarification of my own terminology. It is possible to call it the other way around: a faggot called a BITCH means that he has finally started thinking only about being raped in the ass, like a CIS Satanist woman. If a CIS woman calls herself a SLUT, it means that she is close in spirit to the faggots and cock-girls from the gay Satanist community.

SATANIC SYMBOLISM: RETHINKING SATANIC ART AND PHILOSOPHY OF THE CULTURE OF SATANISM.

Today, Satanic symbolism continues to evolve, adopted by various groups and movements, each interpreting it in its own unique way. Whether as a symbol of enlightenment and knowledge or a rebellious symbol of the fight against oppression, its historical trajectory testifies to the power of symbols to reflect and influence human thought and society. Understanding its evolution thus provides insight not only into the symbol itself, but also into the broader meaning of human existence and our incessant quest for meaning, identity, and autonomy. Far from being limited to the activities of specific groups such as the Church of Satan or the Satanic Temple in the United States, Satanic symbolism has permeated various aspects of contemporary political activism. It has become a tool for activists and political commentators seeking to challenge entrenched power structures and advocate for a more inclusive and egalitarian society. This symbolism, often associated with resistance to power and the protection of marginalized voices, resonates particularly with movements fighting for social justice, freedom of expression, and secular governance.

At the present moment, in 2026, the entire world is overrun by fascist evil, and there is no place on planet Earth untouched by this plague, which propagandists

call states. Satanism has always been opposed to evil, and the organized evil of the State of the Soviet Union (GOPG) is the most aggressive evil on a mass scale. When the evil of the GOPG unites with religion, as in Russia (with Orthodoxy) or in Iran (with a Muslim sect), it leads to a synergy (amplification) of evil. The fusion of state and religion is the most brazen and disgusting evil. This type of fascism is the most widespread type of evil on our planet. Satanism is not powerful enough to defeat this evil, but through the development of the Satanic egregore, this may be possible in the future.

The symbolic use of Satanic imagery in politics is not simply about shock value or opposition. It reflects a deeper call for critical analysis of social norms and power dynamics. It encourages individuals and institutions to rethink their approaches to governance, policymaking, and public engagement, fostering a more critical and skeptical approach to traditional political narratives. Furthermore, the role of Satanic symbolism in political expression extends to its use in the artistic and cultural spheres, where it serves as a metaphor for resistance and empowerment. Artists and performers use this symbolism to comment on political issues, from censorship and free speech to gender equality and environmental concerns. In essence, Satanic symbolism in contemporary politics represents a subtle and evolving narrative. It's no longer just a symbol of religious disobedience, but a symbol of the struggle for human rights, equality, and rational public policy. Its presence in political activism and discourse reflects a growing trend toward challenging the status quo and advocating for progressive change in society.

Over the past two years, that is, from 2024 to 2026, Satanic art has rapidly developed in the digital space of our world. Many new and magnificent images of Satan, Baphomet, Lucifer, the Devil, Krampus, Lilith, and other Satanic icons have appeared. This is no coincidence. This development signifies the growth of the Satanic egregore and an increase in the number of people inspired by Satanism worldwide. This is very good news, but Satanists are still very few in number, relatively evil creatures without Satanic inspiration. Antichrist Slut Sodomia has been studying Satanic art for five years now, and this is my main conclusion.

IMAGE SOURCES AND IMAGE COPYRIGHTS

Slut Sodomia took all the images for her album from open sources on the Internet. Many paintings are modified with available neural networks for image processing. If I know the name of the author of the picture, I indicate it. If I don't know the author's name, I don't indicate it. This document contains illustrations by various authors, and I include the artists' drawings in my album for scientific, educational or cultural purposes. This document is a free information source about Satanism. The authors of the works receive advertising of their name and their work from the Antichrist Slut Sodomia, so I am not interested in any claims based on the laws of the SOCG and other evil. Artists of Satanism receive free advertising and promotion from the Antichrist. However, I think that none of the real Satanists will make claims against me. Selfish evil, the Pharisees and lawyers of the SOCG may do this, but I am not interested in the opinion of evil. All evil will be subjected to entropy by Satan, like all the rest of the information garbage of our world.

All copyrights belong to the authors of the paintings, and I cannot appropriate these rights in any way. By publishing paintings by Satanist artists, I popularize the authors of the paintings and the very aesthetics of Satanism.

ABOUT IMAGE FORMATS IN GAY SATANISM PUBLICATIONS – PNG, JPG, WEBP, SVG.

For the source files of Gay Satanism publications, when typesetting books in MS Word DOCX, I use PNG, JPG/JPEG, WebP, and SVG vector graphics. I'm writing this because some files may not display correctly on your computer, or may not display at all, or thumbnails for the graphic files may not be displayed. This means that your software environment doesn't support a certain image format. The most problematic in terms of

compatibility are WebP and SVG. These digital graphics formats are common, but they are not necessarily supported on your computer. This can be resolved by updating your software or installing additional libraries for working with these graphic formats. Each operating system has its own compatibility solutions, so I won't offer any advice. All tips and instructions for resolving these issues can be found online.

I use the classic JPG/JPEG image format, although, in my opinion, this format is inferior to PNG and WebP. The JPG/JPEG graphic file format is widely supported and should display without any problems—this is the biggest advantage of the JPG format. I particularly like the PNG format, which produces fairly high-quality images, which is especially important when printing books. PNG (portable network graphics) is a raster format for storing graphic information that uses lossless compression using the Deflate algorithm. PNG was designed to replace the outdated and simpler GIF format, and, to some extent, to replace the much more complex TIFF format.

For SatanArt albums, I'll be using the excellent and relatively new WebP format. WebP (WEB Pictures) is a lossy and lossless image compression format proposed by Google Inc. in 2010. It's based on the still image (keyframe) compression algorithm from the VP8 video codec. It uses the RIF container. This format offers good image compression while maintaining decent quality.

The SVG vector graphics format differs significantly from the raster formats I've already discussed. Unlike raster images, which hopelessly lose quality when scaled, SVG remains crystal clear on any device and screen resolution. This technology offers an impressive combination of compact file size and absolute scalability, making it indispensable for responsive web design, interactive infographics, and animation. SVG (Scalable Vector Graphics) is an XML-like format for describing two-dimensional vector graphics. Unlike raster formats such as JPEG or PNG, which store images as a grid of pixels, SVG describes images using mathematical formulas and geometric primitives. This format has great potential, but unfortunately, it often experiences glitches when inserting such graphic files into MS Word DOCX documents. If it can display artifacts and errors on Slut Sodomia, then it can behave unpredictably on other people as well. I will use the SVG format sparingly, when it's truly justified.

DISTRIBUTION OF GAY SATANISM BOOKS AND ART APPLICATIONS IN VARIOUS DIGITAL FORMATS

Gay Satanism books, SatanArt albums of Satanic drawings, and SatanSongs albums of Satanic music are available electronically in various digital formats: DOCX, PDF, EPUB, DJVU, PPTX, MP4, and ZIP. Free versions of Gay Satanism documents will be distributed only in PDF formats, with enhanced image compression, using lossy compression but significantly reducing file size. Commercial sales of Gay Satanism books and apps will include a ZIP archive containing versions of the book in different formats (depending on the format selected during purchase). SatanArt, a visual app of Gay Satanism, is a useful supplement to the "Gay Lust" grimoire for spiritualizing a person through the visual imagery of Satanism. SatanSongs almanac is distributed without the music videos themselves, or with access to a private archive of songs from the Antichrist Slut Sodomia included.

I've compiled Satanic artwork in a separate appendix to avoid taking up too much space with graphics in the "Gay Lust" grimoire itself. You can download collections of Satanic drawings, photographs, and other gay Satanic graphics for immersion in Satan's spirituality from the internet, the Darknet, onion domain sites, through the TOR browser, or via torrents. Artwork titles and text commentaries will initially be available in Russian and English. The English commentary texts are published in the English version of the SatanArt add-on—a separate file.

Thus, the visual application of gay Satanism SatanArt by Slut Sodomia "Collections of Satanic Drawings, Photographs, and Other Gay Satanism Graphics for Immersion in Satan's Spiritualization SatanArt" is available in Russian and English in the following versions:

The Antichrist's favorite format for distributing e-books online and printing on paper is Portable Document Format (PDF)—a cross-platform, open electronic document format originally developed by Adobe Systems using a number of PostScript language features. It is

primarily intended for presenting printed materials electronically. There are numerous programs for viewing it, including the official free Adobe Reader. PDF books are convenient for reading and distributing electronically. Typically, no distortions are observed when opening this format on different operating systems and in different programs. I like to use PDFgear (PDF Gear) for working with PDF files. This is a program for working with PDF files on Windows that allows you to edit documents, compress them to save space, convert them to other formats, and generate a summary of the text. It is inconvenient for use on "old and underpowered" e-readers for a number of reasons. Firstly, PDF files are large, as they are designed for computers, and they open quite slowly on e-readers with weak processors. Secondly, unless the file is specifically designed for a 6-inch e-reader's screen, which is similar in size to an A6 sheet of paper, reading an A4 PDF (and most PDF files are presented in this size) will be difficult. This problem with PDF files shouldn't occur on modern tablets.

The Antichrist prepares all original files on Gay Satanism in Microsoft Word (part of MS Office 2021+) in the DOCX format. This program is the standard of stability and the best "typewriter" for the Antichrist's writer, Slut Sodomia. However, this format does not have the same high formatting stability when opening files on different computers as the PDF format.

The DOCX format is a modernized version of the DOC format, and compared to its predecessor, this format is much more popular and accessible. A DOCX file is a document created using Microsoft Word 2007 or a newer version of Microsoft Office. The file format is based on Open XML and uses ZIP compression to reduce file size. I recommend opening and editing Gay Satanism files in the DOCX format in the original Microsoft Word editor, MS Word, which is included in Microsoft Office 2021 or later. You can also use free programs that can open the DOCX format for reading and review, such as LibreOffice Writer and OpenOffice Writer. Free programs may contain document distortions, offsets, formatting errors, and font errors. The author is making the book in DOCX format available to the public for publication in paperback. This format is easy to format and edit. Please use only Microsoft Word for professional work with the DOCX format. Unfortunately, free programs will inevitably display documents with unwanted layout artifacts when opened on a computer or printed on paper. Gay Satanism publications in the original DOCX format are the largest, most complex, and most computer-intensive. A computer capable of handling these files must be powerful, such as an 8-core processor with 16 GB of RAM. On older computers, the DOCX format will take a long time to open and will run slowly. Please keep this in mind. This format is intended for publishers of paper books and for printing professionals. This is the format of the source materials of gay Satanism.

ZIP is a widely used file archiving format used to compress one or more files into a single location, reducing their overall size and simplifying data transfer. This archive will contain two book files in both PDF and DOCX formats, plus the gay Satanic drawings as raster images. Specialized utilities can be used to create ZIP archives and extract (unpack) the files they contain,

such as the terminal-based PKZIP and PKUNZIP, or the graphical utilities WinZip, WinRAR, Info-ZIP, 7-Zip, PeaZip, and many others. Currently, the ZIP format is considered a generally accepted format for many applications that include compression, backup, and data sharing functions. Along with numerous utilities that work with ZIP files from the command line, graphical programs for working with them also appeared in the mid-1990s. Support for the ZIP format is included in many modern operating systems. Many competing archivers, in addition to their own format, also support the ZIP format. This format will be used to upload gay Satanist music videos from the personal collection of Antichrist Suki, as supplements to SatanSongs' Satanic music albums.

Videos for disseminating gay Satanism in MP4 format and compressed with the H265 codec can be a powerful PR tool. Antichrist Slut Sodomia sees great potential in spreading gay Satanism by creating videos from static PDF e-books, PPTX presentations, and videos created using artificial intelligence technologies, using the method of "animating static images" with the addition of prompts, i.e., text instructions. All gay Satanist videos should be distributed in the latest digital video format, 4K resolution. Preference should be given to videos created using AI rather than slideshows. This is especially true for promotion through YouTube, as all video hosting sites "dislike" slideshow videos (this is a strange limitation, but I see it). Yes, I agree that AI videos are more captivating, but why such disdain for slides of Satanist paintings? This was the Antichrist's empirical explanation, based on personal experience. SatanSongs music videos from the Antichrist's personal collection will be available in MP4 format as a supplement to the SatanSongs almanac.

Additional file formats for publishing and distributing gay Satanism ELECTRONIC BOOKS:

The EPUB file format is an open, royalty-free e-book standard developed by the International Digital Publishing Forum (IDPF). It is licensed under the Creative Commons Attribution-NoDerivs 3.0 Unported license, and IDPF owns the license. The format allows publishers to produce and distribute a digital publication in a single file, ensuring compatibility between the software and hardware required to play digital books and other fluid publications. It is the official format of Apple Books. The original version, the Open eBook Publication Structure or "OEB," was conceived in 1999, and ePub was released in 2007. EPUB is based on open standards and is supported by most devices and e-book readers. This format also provides responsive layout and scaling for optimal readability on a variety of screens. The PDF format preserves the original layout of the publication, while EPUB books can be customized to suit your needs (for example, by scaling text, changing fonts, and making content more comfortable to view on different screen sizes). Most major e-book publishers offer EPUB files. EPUB files work well with EPUB eBooks Reader, Thorium Reader, Adobe Digital Editions, Google Books, Moon Reader, and Amazon Kindle.

DJVU (DejaVu) is an e-book format designed for scanning and saving high-resolution images. I like this format for its compact size, speed, and stable page formatting. DJVU is, technically speaking, a "lightweight" version of PDF. It is commonly used for saving scanned documents, including books, almanacs, and newspapers, and provides high image quality at a relatively small file size. The format supports many features, such as layers, text highlighting, and hyperlinks, making it convenient for use in scientific and technical publications. However, not all devices and software support this format, so viewing it may require specialized programs such as DjVu Reader or Sumatra. DJVU is optimized for network transfer, so the page can be viewed even before the file has finished downloading. A DjVu file can contain a text (OCR) layer, allowing full-text searching within the file. In addition, a DjVu file can contain a built-in interactive table of contents and active areas (links), which allows for convenient navigation in DjVu books.

Antichrist Slut Sodomia may be a bit old-fashioned, but I like the PPTX slideshow format and consider it an e-book format. Files with the PPTX extension are presentation files created with the popular Microsoft PowerPoint application. Unlike the previous version of the PPT presentation file format, which was binary, the PPTX format is based on the Microsoft PowerPoint Open XML presentation file format. A presentation file is a collection of slides, each of which can contain text, images, formatting, animation, and other media. These slides are presented to an audience as a slideshow with custom presentation settings. The PPTX file format was introduced in 2007 and uses the Open XML standard, adopted by Microsoft back in 2000. Before PPTX, the most common file format was PPT, which was a purely binary file format. The new file type adds the advantages of smaller file sizes, less corruption, and well-formatted image presentation. It was in early 2000 that Microsoft decided to make changes to accommodate the Office Open XML standard. By 2007, this new file format had become part of Office 2007 and is supported in newer versions of Microsoft Office. Presentation files are organized collections of slides used to visually accompany presentations and lectures. I tried using the video presentation format for gay Satanist art albums on YouTube, but YouTube absolutely refuses to show such videos (PPTX → MP4) to the general public, presumably due to restrictions on serving such videos through their algorithms. Perhaps there are other reasons for the low audience reach... it is Satanism, after all... who knows what "these Satanists" and the Antichrist might have "written and filmed"☺.

FREEDOM OF DISTRIBUTION OF ANY INFORMATION

Any information should be disseminated freely, openly and without interference from the evil of our world. No copyright should interfere with this. Each work has a true author and no copyright is needed, just as no legislation in the field of information dissemination or copyright is needed. Anyone who interferes with the freedom of information dissemination is criminals and enemies of your personal freedom. Self-balancing of the information field of our world will not allow evil, harmful and false information to spread. All this happens without censorship from the state, automatically in the space of the information field of our world. Good and necessary information will be in demand, and bad and harmful information will become unnecessary. Also, the distribution of this book-album should be completely free. I know for sure that the evil of our world will recognize the main grimoire of gay Satanism as "illegal" and ban my book "Gay Lust", as well as the music albums of Satanic songs and hymns SatanSongs and the albums of paintings of gay Satanism SatanArt.

Protect commercially important information and your personal information yourself if you need it. Your desire to withhold information is not a reason to prohibit public dissemination or discussion of this information. Any censorship and bans on information are an obvious evil. TRANSLATION OF THE ALBUM OF SATANIC DRAWINGS SATANART INTO OTHER LANGUAGES OF THE WORLD

The album SatanArt in the original (i.e. by Slut Sodomia) is written in Russian and English. Translate the book-album SatanArt into all languages of the world and distribute it in your language environment. The author of the book will be very happy about this. The more people can see satanic paintings and read the text titles-comments to them, from the SatanArt album, the better people will become and the more crushing the blow we will deal to the evil of our world. The visual power of art and the words of the Antichrist in the SatanArt

album have a strong effect on the consciousness of man and his spiritualization by Satan. On the title page of my book, write your name as a translator or proofreader of my book if you will translate or correct errors.

DONATIONS TO THE AUTHOR AND COPYRATES WHEN SALES OF A BOOK IN PRINT AND ELECTRONIC FORM

Antichrist Slut Sodomia has done a lot of work creating art albums of paintings of gay Satanism SatanArt, working on compiling this e-book, searching for drawings on the Internet and compiling their descriptions for you. Four reasons to support the author financially:

The first reason is if you share the ideas of Satanism. This book is a guide and grimoire for established Satanists and for people just beginning to gain insight. Let their path be illuminated by my literary work and help them receive the spiritualization of Satan in full, using my grimoire as a navigator.

The second reason - if you think that the book is useful and valuable for members of the gay fraternity, Satanists and the entire LGBTQ+ community - support the author with any donation. The book about gay Satanism exposes the evil of our world and shows why it is the state, religion and the dark herds of evil, selfish, unspiritualized souls that are the main forces of evil in our world. It is not Satan and not man's spirituality with joy, pleasure, sexual lust that is evil, but evil is located precisely in our world itself. It was evil, in the form of the state and religion, that destroyed Jesus of Nazareth, who was a disciple of Satan, a spiritualized man, and this evil still oppresses your freedom 2000 years later since the life of Jesus of Nazareth in our world.

The third reason - if you want to see a new and expanded version of this book or new books by the author - support the author with any donation. You can make all donations using cryptocurrency - this way you and the author of the book will remain anonymous. What is very important in the world of total censorship and a total ban on freedom of speech throughout the world at the moment on issues that do not coincide with the official propaganda of states and the ideals imposed by these states.

The fourth reason is if you make money from my literary work by selling it.

You can sell my book; you can translate it and sell translations of my book. You can do this freely, and I will be only happy about that. If you sell the book in print, I ask for a modest 20% of the profit. My written or oral permission is not required to sell the book - you can publish and sell this book. For example, you can publish this book in the form of registered or numbered copies on high-quality paper bound in leather with gold embossing at a high price. Or you can publish the book as a mass edition with a large circulation to spread knowledge about gay sex and gay Satanism at an affordable price.

Or you can put my book up for sale on any sites on the Internet where documents and books are sold in electronic form. If you sell the book as an e-book, I ask for a modest 20% of the sale price. You don't need any permissions for this. I give you this permission here.

Transfer 20% of the profit (for paper versions of the book) or the amount of copies of the book sold (for electronic sales) to the author's cryptocurrency accounts in any available cryptocurrency. These will be sufficient royalties for the publication. All copyrights belong to the author of the book.

You make money from my book. Distribute my book for free and for a fee.

Antichrist Slut Sodomia does not work for a living and has spent many years writing books on Satanism, so he counts on financial support from the Satanist community around the world, I believe I will receive donations from members of the LGBTQ+ community. I also hope that my work will find financial support among feminists, queers and all people with non-standard sexual preferences, which are groundlessly condemned by the society of unenlightened critters, fascists and underdeveloped organisms of evil biohumus. The Antichrist has no other income, but he needs money for household expenses, utility bills and food. To continue writing the second grimoire of Gay Satanism "Beyond the States", I need money for my support in our world. I count on cryptocurrency donations from my readers or viewers of the videos. The material existence and creativity of the Antichrist rests on financial expenses for material life and here, even black magic against the forces of evil will not replace the presence of money.

ABOUT ADDITIONS TO THE GRIMOIRE “GAY LUST” FOR DEPTH SPIRITUALITY BY SATAN

To deepen the spirituality of Satan, Slut Sodomia has prepared and released two additions to its grimoire “Gay Lust” into the Information Space of the Internet, Darknet and torrent network:

- Albums of Satanic music videos for the immersion in the spirituality of Satan. Numbered periodical Journals. SatanSongs and QuasiSatanSongs are an occasional addition to the Gay Lust Grimoire. The lyrics have been translated into Russian. Lyrics in English are published in the English version of this supplement. Clips in MP4 format come as an appendix to this add-on. In total there will be 4 collections of satanic videos SatanSongs with 100 tracks each, plus there will also be an album of quasi-satanic songs QuasiSatanSongs about love, romance, lust. There is continuous numbering of compositions in all SatanSongs music albums¹⁸. Thus, there will be 500 video clips that help satanic spiritualization. The album QuasiSatanSongs has its own numbering of songs.
- Albums of fine art of gay Satanism for immersion in the spirituality of Satan SatanArt. Thematic numbered periodical Journals of the fine arts of gay Satanism SatanArt. This is an occasional addition to the Gay Lust Grimoire. SatanArt Albums contains paintings and drawings of gay Satanism on specific themes that are related to Satanism or sexual lust. I will publish these albums regardless of the grimoire itself. All paintings in SatanArt art albums have continuous numbering, just like songs.

DON'T HESITATE TO BE A SATANIST!

I like the phrases “Don't hesitate to be a Satanist!” and “Don't be shy about being Satan!”¹⁹. They are multifaceted, and are aimed at calling people not to be afraid to receive satanic spirituality and not to be afraid to resist evil.

¹⁸ Continuous numbering implies a common numbering of objects in all albums of satanic musical compositions.

¹⁹ This is Satan's phrase. Our Spiritualizer Satan says this phrase to his children, the Satanists. The phrase does not refer to unspiritualized critters of evil who do not have satanic spirituality. And does not apply to mentally ill people.

NUMBERING AND CONTENTS OF COLLECTIONS-ALBUMS OF SATANIC PICTURES SATANART

The total number of collections and albums of satanic drawings and paintings of SatanArt is currently unknown. I would like to make about 100 albums if readers and the Satanic community like my work. Each SatanArt album will contain 100 drawings. There will be continuous numbering of all images in all music albums to organize the graphic material. Continuous numbering implies a common numbering of objects in all albums of satanic graphics SatanArt.

ADDITIONAL INFORMATION ABOUT GAY SATANISM FROM ANTICHRIST SLUT SODOMIA

I hope that my selection of digital Satanic paintings, drawings, photographs and other graphics of gay Satanism for immersion in the spirituality of Satan SatanArt will be useful to people, and you will find interesting images for yourself in my selection. Visual art for those who are already Satanists and for those who are just thinking about becoming a Satanist and are looking for a connection with Satan for their spirituality. Of course, these paintings can be viewed simply as beautiful masterpieces of fine art 😊, without being tied to the ideas of gay Satanism.

If you are interested in the topic of gay Satanism, you can download and read other books from Slut Sodomia:

- Grimoire of Gay Satanism "Gay Lust." This is the main grimoire of gay Satanism. This is a magical book that allows me to become a Satanist, helps me see the evil of our world and destroy this evil.
- Albums of Satanic music videos for immersion in the spirituality of Satan, which I call SatanSongs collections. In 2024 I created 4 SatanSongs albums + 1 quasi-satanic album QuasiSatanSongs.

The Gay Lust Grimoire is intended for both experienced Satanists and novice Satanists who want to deepen their spirituality with Satan or even gain it. The grimoire "Gay Lust" is a navigator for a Satanist and a conceptual basis in the fight against the evil of our world. There are Satanists not only among gays themselves, but also among straight people inspired by Satan. And that's great! It turns out that gay Satanism and my book are for all people in whom the fiery rage of sexual perversion burns, as an important element of spirituality by Satan. The book "Gay Lust" is a rebellion and liberation of your consciousness from the dungeons and frames of consciousness imposed on you by the system of the regime, religions and homophobia. The book is a grimoire of gay Satanism with the ritual of Summoning Satan and a code of principles of gay Satanism. The Gay Lust Grimoire is a training manual for passive fagots, active gays and trannies. The grimoire "Gay Lust" liberates the sexuality of any person and throws off the shackles of puritanical hypocrisy.

The grimoire “Gay Lust” is distributed completely free of charge in electronic form. You can freely download, quote and distribute the grimoire book. Look for the grimoire of gay Satanism “Gay Lust” on sites on the regular White Internet, Torrent trackers or on the Tor network on ONION sites.

LIST OF ADDITIONAL APPENDICES TO THE GRIMOIRE OF GAY SATANISM FOR IN-DEPTH SPIRITUALITY WITH SATAN

Applications to gay Satanism are satanic music and graphics:

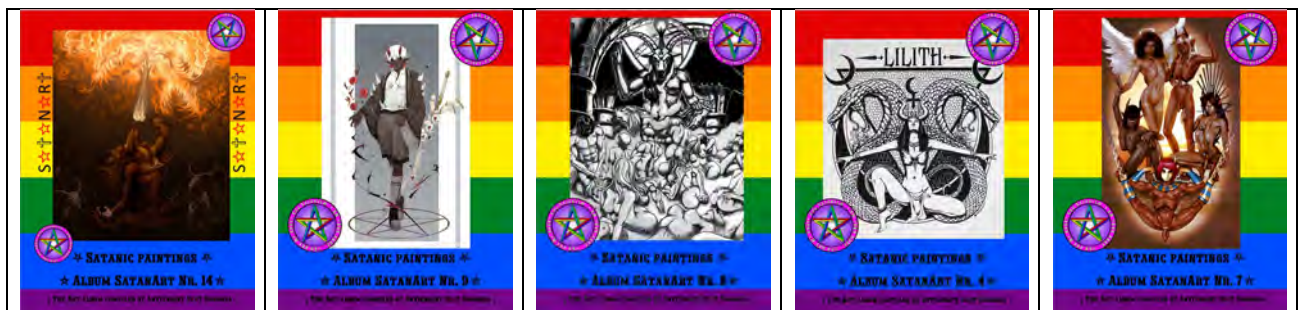

1. Collections of Satanic music videos selected and compiled by Slut Sodomia.
2. Collections of satanic drawings, photographs and other graphics of gay Satanism, selected and compiled by Slut Sodomia.

Collections of Satanic music videos, created either by Satanists or non-Satanists, but they are devoted to the theme of Satanism, in the understanding of Slut Sodomia. The words of these songs are about Satan, or about Satanists, or about the liberation of people from the power of evil, or other quasi-Satanic themes. Songs of completely different genres! Their main feature is that good music inspires. At the time of completion of the first version of the grimoire, Slut Sodomia had collected 500 gay Satanism music videos:

1. Album of Satanic music videos for immersion in the spirituality of Satan. SatanSongS Nr. 1
2. Album of Satanic music videos for immersion in the spirituality of Satan. SatanSongS Nr. 2
3. Album of Satanic music videos for immersion in the spirituality of Satan. SatanSongS Nr. 3
4. Album of Satanic music videos for immersion in the spirituality of Satan. SatanSongS Nr. 4

Gay Satanism graphic art, collected and designed in the form of SatanArt collections, suitable for publication on paper and in book form, will reveal the aesthetics of Satanism and help Slut Sodomia in the development of gay Satanism around the world. Your purchase of graphic albums-collections of gay Satanism graphics SatanArt, in DOCX / PDF / JPG / PNG / WebP format, will support Slut Sodomia financially, and I will know that my work is in demand by people. Let the publication of SatanArt albums allow Satan to enter the souls of more people, let there be more Satanists and less evil from soulless critters.

ABOUT THE DEVELOPMENT, IMPORTANCE AND USE OF CRYPTOCURRENCY

I am writing this chapter about the development, meaning and use of cryptocurrency in 2024. Now, cryptocurrencies, as a means of speculation, investment and payments, are already working quite well, although for most people on planet Earth, crypto-coins are more of a mysterious phenomenon than an applied financial instrument. Slut Sodomia is very glad that a wonderful alternative to fiat money²⁰ issued and controlled by SOCG has appeared. The name of this alternative is cryptocurrencies, Bitcoin and all the altcoins of the world²¹.

Cryptocurrency opens up enormous opportunities to get rid of the evil of SOCG on our planet Earth. It is control over material values that allows the SOCG to rule, mock people, dictate their laws and do various evils in our world (including wars, prisons and collecting tribute from the population). The material wealth of the SOCG is based on: power, evil and money. If the SOCG is stripped of its power over the financial control of money, it could significantly undermine the SOCG's power throughout the world. Cryptocurrencies operate outside of the SOCGs and do not need them.

Lately (since about 2015), the vilest SOCG's have been trying to stick their ugly nose into the control of cryptocurrency, its circulation and use. SOCG began to choke cryptocurrency enthusiasts and large financial speculators in cryptocurrency around the world. SOCG of the USA and Europe require registration and

²⁰ https://ru.wikipedia.org/wiki/Фидуциарные_деньги Wikipedia. Fiduciary (from the Latin fiducia - trust), fiat (from the Latin fiat - decree, instruction, "so be it"), symbolic, paper, credit, unsecured money - money not backed by gold and other precious metals, the nominal value of which is established and is guaranteed by the state regardless of the cost of the material used for their manufacture. As a rule, irredeemable for gold or silver. Often, fiduciary money is used as a means of payment on the basis of state laws obliging it to be accepted at face value. The value of fiduciary money is maintained by people's belief that they can exchange it for something of value. The decline in the authority of state power leads to a decrease in the purchasing power of fiduciary money, that is, to devaluation, "flight from money" (attempts to maintain its purchasing power through investment), etc.

²¹ Bitcoin started the era of digital crypto assets in 2009. The shortcomings and limitations of the first cryptocurrency, as well as its open-source code, led to the fact that developers began to create other coins. They are called altcoins.

verification of the identity of people who use cryptocurrency on public platforms online and offline. Evil really wants to take control of cryptocurrency, and thereby strangle people's financial freedom. Evil does not want people to leave the orbit of the influence of the SOCG over money. Evil wants to destroy the very idea of freedom of cryptocurrency and the anonymity of its users.

It is very bad that many financial speculators - exchanges, exchangers and crypto-wallets have followed the requirements of the SOCG and force users to play by their rules. It's very bad that among crypto enthusiasts there is little talk about refusing collaboration with the evil SOCG. More and more cryptocurrency circulation is becoming dependent on the evil of the SOCG and its directives.

I urge the community of cryptocurrency developers at any level not to collaborate with the state and not to obey their gangster rules. SOCG is simply an evil crook in the field of cryptocurrency technology who wants to rape and subjugate this technology and the users of this technology. Don't let the evil of SOCG deprive you of financial freedom and an alternative financial future outside of states and without states. This was a philosophical preface about cryptocurrency, let me move on to the practice of using crypto-coins.

For beginners, I recommend entering cryptocurrency by opening and creating a non-custodial crypto wallet, which allows you to ensure security and convenient management of your cryptocurrency. Such wallets provide users with complete control over their funds, eliminating the participation of third parties and minimizing the risks associated with hacking or fraud. A non-custodial wallet is a computer program and a type of cryptocurrency wallet in which only the owner has full control over his funds and private keys. The wallet does not store personal information and does not have access to assets. When you create a non-custodial wallet, you are usually given a private key or a seed phrase (a series of words that can be used to generate a private key). This information is not stored by third parties and it is important that you keep it secure. If you lose it, you will lose access to your funds and there is no way to recover it.

In 2024-2025, the most popular, convenient, reliable software crypto-wallets, in my subjective opinion, are the following non-custodial wallets:

1. Exodus <https://www.exodus.com/>
2. MetaMask <https://metamask.io/>
3. Trust Wallet <https://trustwallet.com/>

Install these programs (one or more), downloaded from official websites, on your computer and begin to master entering the new era of electronic money, outside of states. These programs allow you to buy cryptocurrency with fiat money (dollars, euros and other currencies), make payments to other people's cryptocurrency addresses, and receive payments to your crypto wallet. Installation of these programs is quite simple and available for the most popular operating systems. After successfully creating a crypto wallet, you can send some crypto coins to Slut Sodomia to the details provided in this document if you like Gay-Satanism and the work of Slut Sodomia. I will be happy, and you will check your crypto wallet in action 😊.

To enter the world of cryptocurrency, you can use online services called crypto exchanges. A crypto exchange is a less reliable means of storing cryptocurrency than non-custodial crypto wallets, but some people may find it easier to work with crypto exchanges. Access and work with crypto exchanges occurs through a computer Internet browser, like with any other sites. Please note that crypto exchanges have full control over your finances and can block your money, at the request of fascists from different countries. There are many crypto exchanges and Antichrist Slut Sodomia cannot guarantee which of them is the best, most reliable and convenient. I will recommend four crypto exchanges that have been operating for a long time and with the

help of these exchanges you can send donations, donations or royalties in cryptocurrency to Antichrist Slut Sodomia:

Kraken. <https://www.kraken.com>

Kraken is an American cryptocurrency exchange founded in 2011. It was one of the first Bitcoin exchanges to be listed on Bloomberg Terminal.

Binance. <https://www.binance.com>

Binance is the world's leading cryptocurrency exchange, serving 235 million registered users in over 180 countries.

Coinbase. <https://www.coinbase.com>

Coinbase is one of the most well-known names in the crypto industry. Launched in 2012, it offers an intuitive and beginner-friendly platform for buying, selling, exchanging, and storing cryptocurrencies.

SwissBorg. <https://swissborg.com>

SwissBorg is Europe's #1 app for securely buying and selling cryptocurrency with low fees, available in 47 countries and 16 currencies.

Best Wallet. <https://bestwallet.com>

Best Wallet is a non-custodial app that offers wallet and exchange services in a single secure decentralized environment.

The methods recommended by Antichrist Slut Sodomia for selling, buying and transferring cryptocurrencies cooperate with states, i.e. with fascists and SOCG. I do not guarantee the reliability of these trading platforms. Crypto wallets and crypto exchanges require people to provide documents when registering, require them to show themselves through photo or video filming. Cryptocurrency exchanges implement a Know Your Customer (KYC) policy to comply with anti-money laundering (AML) and counter-terrorism financing (CTF) regulations, ensuring the legality of transactions and the safety of users. To register on a cryptocurrency exchange, you need to provide personal data, confirm your identity with documents and a selfie, and wait for approval to access all functions. Exactly the same story when registering in regular banks. On the one hand, it gets rid of scammers, but on the other hand, it is control by various SOCG and loss of anonymity. If I find more anonymous and reliable options for making cryptocurrency transfers, I will write about it in the next versions of the documents.

I dedicate Almanac-Album SatanArt #1 to our Teacher and Spiritualizer Satan, and all the forces of Hell. This issue features dark icons of Baphomet, charming images of Baphomet, terrifying images of Satan, and beautiful images of Satan. However, each image will evoke its own unique feelings. Please note that these are not just ordinary feelings, but a visual method for accelerating acceptance of Satan or a method for immersion in Satanism. Baphomet is a cult icon for Satanists, and denying this fact is absurd and pathetic. Many esotericists, mystics, neo-pagans, and witches consider Baphomet their icon.
