BASIC TERMS FOR UNDERSTANDING SATANIC ART

Gay Satanism is not a religion or a sect. Gay Satanism is the spiritualization of man by Satan. This term has another meaning. Gay Satanism is a creative direction of the artistic genre created and developed by the Antichrist Slut Sodomia. I do not want gay Satanism to become a religion, but I want it to become a fan movement for the liberation of one's own consciousness from the shackles of the evil of our world. Under the auspices of Satan, with the Antichrist Slut Sodomia incarnate. Gay Satanism is for all people spiritualized by Satan. Not only for gays and people of homosexual orientation. All people spiritualized by Satan are disciples of our Teacher Satan. We are all Satanists. The difference between Satanism and the religion of evil lies in individual spiritualization. Mass demonstrations under the guise of Satanism are impossible, because Satanists are introverts. Fake Satanists of the future will gather herd gatherings of pseudo-Satanists (football fans, music fans, fans of the SOCG¹ or religion). A meeting of real Satanists is a sexual orgy or a sabbath of unity with nature in the nude. Other types of mass demonstrations of belonging to Satanism are fiction and a parody of Satanism.

Satan is good. Satan is the Tamer of evil. Satan is revenge for evil in our world. Satan is Joy, Pleasure and Happiness. For the forces of evil in our world, Satan is the main enemy. Satan is an image in the human mind and a mystical experience of connection with the spirits of another dimension called Hell. For Satanists, Hell is their home. Connection with the spirit of Satan occurs at the quantum level. Modern science is already studying and using the quantum level for applied tasks. Satan is the main spirit of Hell, the Lord of critters, the Teacher for Satanists. Satan is not a god. Satan is the Spiritualizer, the source of black magic, the Alpha and Omega. Satan is the Adversary of evil and the Accuser of evil. Satan is the Father of all Satanists. Lilith is the Mother of all Satanists. Satan and Lilith are the sources of Satanic lust for all their Satanist children. Satan is the inner spiritualization of a Satanist, not dogmas, sermons of priests or religious books. At the same time, Satanism does not deny the importance of biological parents.

Darkness, the abyss - this is the world of soulless critters, their states, their stupidity. This is the occupation of planet Earth by usurpers of power in the form of the SOCG. This is the image of the evil of our world. In some cases, it means the opposite, because it is the evil of darkness that gives birth to Hell, revenge and Satanists. "Children of darkness" in this case mean Satanists. Also, the image of darkness can mean Hell for the forces of evil.

¹ SOCG is an acronym that stands for the true meaning of state. State Organized Crime Group. The term was coined by Antichrist Slut Sodomia for the gay Satanism grimoire "Gay Lust".

Light is Satan-Lucifer. Light is Satanism and Satanic spiritualization, bringing man closer to nature. This is liberation from the shackles of evil and this is the image of freedom. This is the image of the Tamer of evil in our world and in Hell.

Sadness, sorrow, regret - this is an indication of the understanding that evil has embraced the whole world and the Satanist has to live in our world, under the yoke of evil. The main sources of evil are: crowds of soulless critters, SOCG. This is the definition of the term specifically for Satanism and Satanists. Also, these images can mean ordinary human emotions, in relation to people.

Vengeance - this image is important for all Satanists. Vengeance on evil in our world and in Hell. Inanimate critters, activists of the SOCG, deceivers of religions and other evil will certainly be subjected to vengeance and information entropy.

Return of the land and return of freedom to people - this image is important for all Satanists. It means the overthrow of all SOCG and religions, cleansing the earth from inanimate critters, from their stupid and senseless evil. This is the image of cleansing the planet Earth from states and their totalitarianism.

Night is the image of the fact that a Satanist in the world of evil in our world, goes practically by touch. The light for him in the night is his Satanic spiritualization. Darkness thickens at night and light is needed most of all at night. The term night is similar to the term darkness, but does not mean evil itself, but uncertainty and difficulty in orienting oneself, acting, living without light.

Lost, abandoned and forsaken - this image in Satanism means that Satanists are no longer in Hell and that Satan and the forces of Hell are not directly accessible to them. Only through Satanic spiritualization. It also means that in our world Satanists do not have their own magic for the instant destruction of evil, as in Hell, in the dimension of Satan.

Religion is a dogma of worship of lies and evil. Religion is a substitution of true spiritualization by Satan for critters. All evil critters are deprived of spiritualization by Satan, so they replace Satanic spiritualization with God and religion. Religion is a sect, a community for critters for whom herd behavior is important.

God is the canon of evil, an example of a despotic, theocratic idol of evil. God does only evil and God is evil, even because he deprives man of the true spiritualization of Satan, i.e. the true Holy Spirit. There have been many gods in the history of the human species. All the gods of religion are united by evil, connection with the state and with the leaders of the SOCG.

Antichrist is a common noun, not a proper name. It is written with a capital letter, like the word Satan. The concept of Antichrist means the development of a high degree of Satanism in the consciousness of man. The term Antichrist also means a Satanist close to Satan and the forces of Hell and possessing high power of black magic. A synonym for the word Antichrist is the expression Great Magician of Satan.

Satanism is the spiritualization of people by Satan or other demons of Hell. Satanism can also be considered as a philosophical concept that opposes theocratic dogma and the state machine of lies, violence, prohibitions, imposed duties before evil, herd behavior. The main difference between Satanism and religion or other philosophical concepts is that the spiritualization of man by Satan and the forces of Hell comes from another dimension at the quantum level. Therefore, Satanism is an internal part of human consciousness, and not imposed dogmas of our world through the media, culture, propaganda, morality, prohibitions or education. Enlightenment by Satan comes to a person at birth or develops consciously, in more mature age. Satanism opposes the evil of our world and the lies of our world.

Satanic lust is a developed and perverted sexual attraction, a constant desire to have sex, a desire to corrupt oneself and others to free oneself from the prohibitions of evil. Satanic lust is not just a sexual feeling, but a special Satanic practice for self-knowledge, getting closer to Satan, and liberating oneself on an animal level.

The peculiarity of Satanic lust (especially gay lust) is that Satanic sex is not aimed at procreation or making new human offspring. Satanic lust is always aimed at getting pleasure or for tantric meditation. Of course, Satanists can make children if necessary.

A Satanist is a person who has Satanic spirituality. Many clues about the lies of evil are given to a Satanist not only by internal critical thinking, but also by a mental connection with Satan and the forces of hell. Satanic spirituality often gives a Satanist a feeling of an introvert and an individualist. Satanists and gays are always proud of their personal spirituality or the achievements of their spouse. Satanists and gays are proud of their satanic spirituality and perverted lust. Satanists are proud of Satan.

An unilluminated (unenlightened) critter is a person deprived of spirituality. This is a zombie and a cog in the evil system. Inanimate critters are accomplices and assistants of evil. Inanimate critters prevent Satanists and the entire human race from living happily, receiving spirituality from Satan. Inanimate critters love herd mentality and submission. They cannot live without territorial oppressors, enslavers and false information of evil. Such people make up more than 90% of the population of planet Earth. These people have no connection with Satan or with the External Information Field at the level of awareness. Critters can be called a biological shell or imitation of real people. Critters always choose evil, herd mentality, conformism and speak in templates from media propaganda or voice the dogmas of religion.

The state is an evil system that has divided the entire world into territorial zones of influence and terrorizes people with its prohibitions, oppresses with prisons and physical violence, creates conflicts between criminal gangs and plunges people into wars between criminal gangs. The state is the main source of evil. The state is a materialistic sect with its dogmas, rules of conduct and system of oppression of the individual. The state = international military crime groups = Satanist's land occupiers = SOCG.

Fascism is a form of social organization that is expressed by the state's discrimination against its own citizens, that is, under fascism, the supremacy of the state over the individual is recognized. Fascism is a state. A strong state = a fascist totalitarian regime. The word comes from the Italian fascismo, fascio - union, bundle, bunch, unification; fascio di combattimento - union of struggle. Fascism is also an ideology and a socio-political movement within the framework of authoritarian or totalitarian militaristic ultra-nationalism and a corresponding dictatorial regime with strict regulation of society and economy. All states strive to regulate everything and on any issue. To do this, they constantly spew out different laws from their cesspools. All states are fascist territorial sects with their own ideology, rules and methods of oppressing the individual. A patriot is an active fascist or an active Nazi of his SOCG.

A patriot is a person stupefied by propaganda who believes that his SOCG is better than another SOCG and he, as a member of this SOCG or a nationality within the SOCG, must do something for his SOCG in a selfless desire. A patriot is a slave of the SOCG. It is important for a patriot to be well proud of the greatness of his SOCG or the greatness of his Nazism. The pride of a patriot is always groundless, stupid and not aimed at pride in oneself or one's spouse. The pride of a patriot is always impersonal and is pride in the evil of the state regime that has seized the territory of the critter's residence.

Patriotism is a person's smearing in the evil of pride in the fascism of a group of politicians or the Nazism of a certain SOCG or union of SOCG. Patriotism is a method of stupefying people, in which one SOCG exalts its importance in the eyes of people over another SOCG. Patriotism is belonging to a certain and evil group of lovers of local fascism, i.e. occupiers of the territory. Sometimes, the delirium of patriotism occurs at a distance (beyond the borders of one's SOCG) - then the patriot raves about the greatness of his SOCG, while being on the territory of another SOCG.

Propaganda is a constant, massive and avalanche-like lie of the SOCG about its greatness and its especially outstanding character. The goal of propaganda is to make a person stop thinking critically and make him believe that he has a duty to the SOCG. For example, a duty to die in a war for the ideas of the SOCG, which

are invented by the top of the ruling regime of this SOCG. Or a duty to obey the SOCG gang or a religious clan. Propaganda can be state and religious. In the world of the developed civilization of the white race, since the 19th century, SOCG propaganda prevails over religious propaganda. Among savages and religious fanatics of the damned peoples, religious propaganda still leads.

The External Information Field is a general name for processes and structures in our world and in other dimensions that are not visible to the usual human senses, but which exist at the level of information (quantum or even more complex types of interactions). The External Information Field, hell, Satan, human consciousness, the Internet - everything that exists consists of information of a certain kind, and they are interconnected informationally and mentally. Modern human science in 2023 does not have the ability to describe and study the External Information Field, but this does not mean that it does not exist. Quantum science and quantum computers already exist, but this is only the beginning of understanding the External Information Field. The External Information Field is not the same as the gods of religions, the Internet database, electronic information on planet Earth, and not a paradigm. Useful entheogens help to see, hear, connect to the External Information Field. They allow you to overcome the barrier of perception over the usual human senses. Some people can feel the External Information Field, even without the help of entheogens. Most of all, the External Information Field is similar to a global multi-universe, presented in the form of a giant set of information and algorithms for the interaction of this information.

Everything that exists consists of information, our world consists of information. Interaction between multi-universes occurs at the quantum-information level, faster than the speed of light. The speed of light is extremely small, compared to the level of quantum interaction between parallel dimensions.

Black holes are passages between universes. No gross matter can overcome a black hole. Only quantum information can pass through them. Through black holes, our world is connected with the world of Satan, i.e. with Hell. A black hole is a quantum tunnel for spiritualization by Satan.

The damned are people or entire nations that rejected Satan or committed atrocities for which the black magic of Satanism was imposed on them. Damnation manifests itself as degradation, decline, physical or mental torment, a mental pathological state of doom, constant lies, stupidity, lack of talent, dirt, complicity with evil, religiosity. Evil is a marker of damned critters, it is the absence or rejection of Satanic spiritualization, these are the deeds of critters to degrade their spiritualization. Evil is always filled with stupidity and lack of talent from spiritualization by the External Information Field. Evil critters are non-spiritualized (unenlightened) biological shells, which are characterized by religiosity and a craving for herd behavior, under the leadership of the SOCG. The state, religion and dark herds of evil, selfish, soulless critters are the main forces of evil in our world. The God of religions is EVIL. Its main difference from Satan is dogmatism, not the natural spiritualization of man. God forbids, Satan permits.

Faggot, faggot, pederast, slut, passive faggot - these are slang names for passive gays in a perverted form. I use all these forms and they are all correct from the point of view of grammar, because this is the language of gay lust. The faggots themselves love such words. They love to distort these words; they love when these words are pronounced with humiliation. A gay slut is a passive queer who is not necessarily an MTF tranny, but usually has the desire to become one. The term slut can be used to describe any passive bottom gay men. The traditional desires of sluts are to be fucked in the ass. Sluts want to fill their anal cunt with sperm and absorb cum into themselves.

Anal cunt, cloaca, gay cunt – all these words are synonyms and mean asshole, intestine and faggot lust during anal sex. Such sexual words are used for faggot copulations, to add piquancy, perversion and depravity to them. A faggot's cloaca is an organ with two functions: to remove feces and to receive sexual pleasure. I like these sexual terms.

LGBT or LGBTQ or LGBTQ+ or LGBTQIA+ is an abbreviation for the words “lesbian”, “gay”, “bisexual”, “transgender”, “queer”, “intersex”, “asexual”, “Asexual/Aromantic/Agender”, plus additional categories of unusual people, their unusual ideas and extravagant communities. The Grimoire of Gay Satanism uses the designation LGBTQ+ — a community of sexual minorities and perverts united by common interests, problems and goals. It consists of various communication groups, communities, subcultural movements, queer neighborhoods and queer organizations. All designations are equivalent. In the grimoire, I use the designation of the LGBT community with an additional letter Q and a plus sign. The letter Q stands for queers, and the plus in the name means that I also include feminists and all other people with non-standard views in the community: zoophiles, pedophiles, watermelon lovers 😊 and other perverts. I believe that feminists are close in spirit to LGBTQ+ and are part of it.

Queer is a collective term used to denote a person whose sexuality and/or gender identity differs from the majority.

MTF transwomen and dickgirls are completely fucked up gay faggots who identify themselves as female with a male penis. Big female boobs are an optional attribute for MTF transsexuals. The abbreviation MTF means Male-To-Female vector of transgender transition. Trans transition is very important for Satanism. Almost all MTF transsexuals are inspired by Satan and are Satanists. There are several levels of trans transition, which Slut Sodomia highlighted in her grimoire of gay Satanism "Gay Lust". For more information about dickgirls, read the grimoire of the Antichrist Slut Sodomia.

CIS, Cisgender – these terms (cisgender is often shortened to CIS; sometimes cissexual) describe a person whose gender identity matches the sex assigned at birth, i.e. a person who is not transgender. The prefix cis- is of Latin origin and means "on this side". The term "cisgender" was coined in 1994 as an antonym for "transgender" or "non-binary person" and entered dictionaries in 2015 as a result of changes in public discourse about gender. The term is an analogue of old-fashioned expressions from past centuries regarding sexual orientation and gender identity of people: (normal ordinary woman) = CIS woman and (normal ordinary man) = CIS man. At the moment, any gender and sexual orientation of people is considered "normal". Among the advanced peoples of white civilization, of our world, sexually retarded savages, homophobes and transphobes are considered abnormal. A synonym for this term may be the phrase NONTRANS, and an antonym may be NON-BINARY or TRANS.

Entheogens are considered to be those substances of plant, fungal, chemically synthesized or animal origin that allow a connection with “entheos”, that is, with the inner divinity, with the “divine principle” (entheo + genesis). This is the same Greek root of the word theology, Zeus (teus, deus), enthusiasm (in theos, "one who lives in the divine"). Entheogens or psychedelic drugs such as lysergic acid diethylamide (LSD), DMT, marijuana, fly agaric and psilocybin are associated with mystical experiences. At present, fascist drug laws limit their research. But large biomedical research centers have already found that entheogens predictably cause mystical experiences and, thus, allow us to study the state of the brain during these experiences. Entheogens are not drugs because they not only do not escape from reality, but they bring you closer to it, and they do not cause any physical tolerance, withdrawal or dependence; therefore, most of them are not illegal (ayahuasca, bufo alvarius, yopo, san pedro) and are used to deepen and deactivate from the very beginning the mechanisms and programs that interfere with our freedom and inner peace, leading us to self-knowledge and the rediscovery of our true I-ego through communication with the External Information Field or with the Spirits-Demons of Hell.

ZooSex and ZooPhilia are the normal human desire to have sex like animals, imitating animals or with real animals (usually a large dog or horse). Man is an animal and there is nothing surprising in the desire to deepen one's animal nature by turning into an animal or through sexual intercourse with an animal. It is interesting that few people have sex with real animals because it is difficult to organize. A significantly larger number of lovers of sex with animals prefer to fuck like animals or dress up and impersonate an animal. There is nothing

wrong with this. Satan and Satanism approve of this, and the forces of evil prohibit or condemn it. Synonyms for the concepts of zoosex and zoophilia are such terms as bestiality and therianthropy. A light version of zoo-Satanism for children and adolescents is playing quadrobists, quadrobbers, furies, puppies without a pronounced sexual component. Zoophilia is equally loved by heterosexuals and homosexuals. There are not many lovers of animal sex among gays and Satanists, presumably up to 10% of the total gay population of planet Earth (a very rough estimate, for understanding. On farms this percentage is higher: 30%, in cities less). Most gays and Satanists prefer sex with people, without reincarnation as an animal. Zoophilia is not suitable for all people, but it is a good kind of Satanism. Zoophiles are part of the LGBTQ+ community.

Homophobia is a kind of sexual stupidity of creatures, when they are surprised by the sexual freedom of LGBTQ+ people and are indignant about this freedom. Homophobia is a manifestation of hostile xenophobia to what creatures are not able to understand, but under the influence of propaganda and religion they are afraid of this, because this is an unusual phenomenon for them. Homophobes are also opponents of zoosex and zoophilia. Homophobia manifests itself not only in the area of sex, but also in the free thinking of evil creatures. As false reasons for banning LGBTQ+ communities, homophobic creatures traditionally cite the protection of children, the imaginary opportunity to become gay or lesbian when visually interacting with LGBTQ+, or trampling on traditional heterosexual values - only in the pussy and never in the ass. In fact, the reason for the fear of evil creatures before the LGBTQ+ community is much deeper, and concerns the fact that among sexually free people there are many Satanists. Satan and Satanists destroy the evil of creatures in our world and after the physical death of homophobes, they will be driven to entropy in Hell by all the forces of Hell. Evil knows this on a subconscious level, so the LGBTQ+ community carries the light of Satan in itself and is a danger to evil.

For a more accurate transfer of meaning and for precise identification of terms, Slut Sodomia suggests calling gay faggots in English SLUT, and CIS girls with a female pussy to be called BITCH. That is exactly how I called these two different categories of Satanists in my grimoires and albums of gay Satanism. Now, I am fixing this name in the dictionary of terms of gay Satanism. In the plural, all passive gays and MTF/FTM trans are called SLUTS, and "classic" girls (heterosexuals, lesbians) are called BITCHES. This is not a dogma, but simply a proposal for the LGBTQ+ community and clarification of my own terminology. It is possible to call it the other way around: a faggot called a BITCH means that he has finally started thinking only about being raped in the ass, like a CIS Satanist woman. If a CIS woman calls herself a SLUT, it means that she is close in spirit to the faggots and cock-girls from the gay Satanist community.

PREFACE

The theme of the album-collection SatanArt №14 is the delightful satanic gay furies, zoosex and zoophilia in the art of gay Satanism. The theme of zoophilia, zoosex, bestiality and therianthropy is a taboo topic in most places of the world and many evil fascist regimes and sects forbid even the very idea of zoosex. But a person will not run away from his nature, because he himself is an animal and forbidding to be an animal is another atrocity that the soulless creatures of the SOCG commit against people. Satanists love to feel like animals and a part of nature, therefore zoophilia is most pronounced among gay Satanists. Usually, zoophiles love to be gay

puppies and act in a passive sexual role.

ZOOSEX AND ZOOPHILIA, BESTIALITY AND THERIANTHROPY ARE PART OF GAY SATANISM.

THESE TYPES OF LOVE FOR ANIMALS AND IDENTIFICATION WITH ANIMALS ARE GOOD, AND LIBERATE FROM THE WEB OF PROHIBITIONS OF EVIL, AS WELL AS SEX WITH LUST.

Zoophilia is love for animals. Zoophilia is sexual attraction to animals. Zoophilia is the desire to turn oneself into an animal, with the help of a costume and behavior. These are the three main theses of therianthropy of gay Satanism. All these desires, including the desire to sexually mate with animals, are absolutely normal, and no outsider dares to limit the desire to copulate with an animal. Other people, the state, religion, morality have no right to forbid people to be animals, to love animals and to have sexual intercourse with them. This is an additional thesis of gay Satanism about the freedom to dispose of one's body and the possibility of loving animals in any form, including sexual, called bestiality.

There are very few articles, books or other information about zoophilia, zoosex and bestiality from a positive point of view. In fact, as of 2025, there is no such information on the Internet or in paper books. Slut Sodomia did not find any positive information about this phenomenon. I found several analytical articles about zoophilia on the Internet and will quote from these articles in the SatanArt album #14. However, I ask you not to consider quotes from these sources as the truth, the true or the point of view of the Antichrist. On the contrary, I consider most of the statements that therianthropy, zoophilia, zoosex and bestiality are “wrong” sex, “abnormal” sex or behavior to be false and far-fetched by religions and fascisms.

The opinion of the Antichrist Slut Sodomia about love for animals, in the form of therianthropy, zoophilia, zoosex and bestiality is as follows: no one has the right to impose their point of view on relationships with animals, including sexual love with them. Who are you to tell other people how to build relationships with animals?

From this thesis follows the following thesis: love for animals, including sexual, is a personal choice of a person, and no one has the right to prohibit or limit love for animals in any form, including sexually.

I will speak out regarding the fact that sexual love for animals violates the rights of animals. This lie of evil about the violation of animal rights is the same lie as their statements-experiences about protecting children from LGBTQ+ propaganda. These equally false statements of evil are lies, prejudices and a false reason for banning therianthropy and zoosex. No animal lover tortures animals, they only love them. Please do not confuse animal sadists and animal lovers. I hope this issue is clear. Therefore, zoosex and zoophilia are the choice of each person, it is not a crime, not something bad.

The following information is quotes from various sources on the topic of bestiality. I will quote from the following sources, not very authoritative for me (but I did not find more "authoritative" and "official" sources):

A quote from the LGBT* Wiki article "Zoophilie" talks about what zoophilia is and equates it to sodomy. At the same time, the article highlights zoosadism as a separate type of relationship with animals. All Satanists love animals and do not engage in sadism towards animals. Eating animals is not zoosadism.

Zoophilia (from ζῷον *zōon* and -philia) is a sexual attraction to animals. Zoophilia may include sexual acts, but also preferences that only secondarily, sometimes even unconsciously, serve the sexual satisfaction of people. The term was first used in 1896 by the Viennese psychiatrist Richard von Krafft-Ebing in his work *Psychopathia sexualis*. In colloquial speech, this term is equated with sodomy. Since the revised version of DSM-III (1987), zoophilia has been classified as an unspecified paraphilia (sexual deviations from social norms). According to ICD-10 (F65.8), zoophilia is a disordered sexual preference.

The terms in the field of "zoophilia" were not and are not universally defined. An attempt to explain the terms and their development can be found, for example, in Rosenbauer. The most common definition today, used by Miletski and Beetz, is: "Bestiality describes an emotional bond with an animal that results in a preference for the animal as a mate and/or sexual partner." There are also more specific terms, such as "cynophilia" to refer to human-controlled sexual acts between domestic dogs and humans or to a corresponding inclination. In everyday speech and discussion, terms such as "zoophilia," "bestiality," "zoosexuality," "zoorasty," and the outdated and particularly vague "sodomy" are used without first clarifying the meaning of the term.

The three main terms commonly used for this topic are "zoophilia," "zoophilia," and "zoosexuality." People who practice zoophilia are called "zoophiles," "zoosexuals," or simply "zoos." Less commonly used terms are "zoorasty" and "sodomy." The term "zoosexuality" has been briefly discussed but never gained acceptance.

Zoophilia

The term zoophilia was introduced into the field of sexuality studies by Krafft-Ebing in his 1886 work *Psychopathia sexualis*, which described a number of his cases as "cruelty to animals (bestiality)" and as "zoophilia erotica", which he defined as a sexual attraction to the fur or skin of animals. In modern usage, zoophilia refers to sexual activity between humans and animals, to the desire for such activity, or to a specific paraphilia (paraphilia, i.e., atypical arousal) indicating a marked preference for non-human animals over humans as sexual partners. Zoophiles emphasize the social component of this bond. Although Krafft-Ebing also coined the term zoerastia to refer to affection directed exclusively toward non-human animals, this term is no longer used.

Zoosexuality

The term "zoosexual" was coined by Hani Miletski in 2002 as a value-neutral term. The use of "zoosexual *r" as a noun (in reference to a person) is synonymous with "zoophile", while the term is used as an adjective, e.g. B. as part of the expression "zoosexual act" may refer to sexual activity between a human and a non-human animal. The derivative noun "zoosexuality" is sometimes used by self-proclaimed zoophiles in both support groups and online forums to refer to a sexual orientation characterized by romantic or emotional involvement and/or sexual intimacy with animals.

Bestiality

The English legal term "bestiality" has two pronunciations: ",bɛs'tiæ'lə'ti" or ",bis'tiæ'lə'ti", the latter being more common in the United States. There is no German word for this meaning, so the English word is usually borrowed. Some zoophiles and researchers distinguish between "zoophilia" and "bestiality." They use the former to describe the desire for sexual partnership with an animal, and the latter to describe the sexual act itself. In 1962, Masters used the term "zoosadists" to discuss zoosadism, which stems from the satisfaction (not necessarily sexual) gained from torturing animals. Stephanie LaFarge, an associate professor of psychiatry at the New Jersey Medical School and director of the ASPCA's consulting department, writes that two groups can be distinguished: "zoophiles," who abuse or rape animals, and zoophiles, who form emotional and sexual bonds with animals. Colin J. Williams and Martin S. Weinberg studied self-described zoophiles on the Internet and described their understanding of the term "zoophilia" as including animal welfare, pleasure, and consent, as opposed to the term "zoophiles" used by this group for people who are focused only on their

own gratification. Williams and Weinberg also cited a British newspaper that said "zoophilia" is a term used by "bestiality" apologists.

Zoosadism

Ernst Bornemann (1990, cited in Rosenbauer, 1997) coined the term "zoosadism" for people who derive satisfaction - sexual or otherwise - from torturing animals. Zoosadism is an element of the MacDonald triad, the precursors of sociopathic behavior. (Of course, zoosadism cannot be love for animals. It is the opposite of love. Explanation of Slut Sodomia)

Kinsey's report found that 8% of men and 3.6% of women surveyed had had sexual contact with animals. For people living on farms, this percentage rose to 40–50%, which some later authors question because the sample of respondents was not representative. A disproportionate number of prisoners were included (sample bias). Martin Duberman, Kinsey's successor, excluded prisoners from the results and found that it made no significant difference. By 1974, the number of farm residents had declined by 80% compared to 1940, reducing the opportunity to live with animals; Hunt's 1974 study suggests that these demographic changes led to a significant change in reported incidences of human-animal sexual contact. The percentage of men reporting sexual interaction with animals was 4.9% in 1974 (8.3% in 1948), while women reported 1.9% (3.6% in 1953). Miletsky believes that this is not due to a decline in interest, but to a decline in opportunity.

Nancy Friday's 1973 book *My Secret Garden* describes about 190 fantasies of different women; of these, 23 involve zoosexual acts.

One study found that mental hospital patients had a statistically higher prevalence (55 percent) of reported zoosexuality (45 percent actual sexual contacts, 30 percent sexual fantasies) than controls (10 percent) and mental hospital staff (15 percent). Crepeau and Couture (1980) reported that 5.3 percent of the men they surveyed fantasized about sexual activity with an animal during heterosexual intercourse. A 1982 study found that 7.5 percent of 186 university students had engaged in sexual activity with animals.²

A quote from the National Library of Medicine (Official website of the United States government) article “Social Scientific Analysis of Human-Animal Sexual Interactions” talks about sexual relations between humans and animals:

Human-animal sexual relations have been largely considered as pathological in the fields of health and biomedical science. Such studies have not taken into account the contextual and symbolic nature of so-called zoophilia. Very few studies have analyzed zoophilia from a social science perspective. The taboo surrounding these practices has glossed over a reality that is present in countless societies.

Sexual practices with animals have not been a key focus of attention in the social sciences in general and anthropology in particular. Views on sexuality have been deeply affected by biological, medical, and psychological discourses, as well as the moral prejudices and religious beliefs of the researchers themselves.

Human-animal sexual practices not only challenge the model of heteronormativity, but also cross the boundaries of what is considered strictly human. By shedding light on these “sexual relations,” we “desacralize” human sexuality. This brings us back to the animality denied in anthropocentric visions that present humans as qualitatively different from other animals. It is no coincidence that these types of practices are recognized primarily in those who are considered “less” human.

In Kinsey’s landmark work on sexuality, zoophilia in America was firmly rooted in the rural world. For this author, the rural context helped explain zoophilia, as it was an environment with strict sexual control and limited access to women. It was never suggested that it could be a voluntary choice or preference: contact with animals was seen as a substitute for sexual relations with women. The same interpretation can be found in studies of bestiality in Sweden in the modern era. Medicine and psychiatry have identified countless peripheral sexualities that have been labeled as diseases. In 1886, the German psychiatrist Krafft-Ebing distinguished between bestiality and zooerasty or zoophilia. He used the term bestiality for practices aimed solely at satisfying sexual desire through the use of another species. Bestiality is explained either by psychopathological conditions or by “moral baseness”: excessive sexual desire or the lack of opportunities to satisfy this desire “in a natural way.” The terms zooerasty or bestiality, on the other hand, refer to pathological behavior that involves sexual and emotional attraction to animals. The term zoophilia has gradually gained popularity, replacing the label of bestiality. Zoophilia has been included in the Diagnostic and Statistical Manual of Mental Disorders (DSM) compiled by the American Psychiatric Association (APA) as a paraphilia. Zoophilia first appears as a paraphilia in the 3rd edition of the Diagnostic and Statistical Manual of Mental Disorders (DSM-III) in 1980. In the revised 3rd edition of DSM-III-R (APA, Washington, DC, USA, 1987), it is classified as Paraphilia NOS or Paraphilia. Much less research has examined zoophilia from a social science perspective. One important study in terms of its implications has been that of Midas Dekkers, who analyses sexual relations with animals in psychology, law, literature, art and advertising. The frequent artistic depictions of sexual practices between humans and non-human animals at different points in history and across cultures have attracted particular interest: one famous example is the sculptures in the Hindu-Jain temples of Khajuraho in India (10th–11th centuries), which together with various types of sexual behaviour, represent copulation between humans and animals. Some historical studies have also dealt with bestiality, in particular by analysing trials against those accused of such practices. Educational historical studies have highlighted the widespread occurrence of these practices in different contexts and historical periods.

Anthropological studies of sexual relations between animals and humans are few. Ethnographic studies contain only isolated references. The underlying premise of such approaches is that zoophilia is a deviation from normative sexuality, a fact that is challenged by other works that approach the phenomenon from a perspective that is not necessarily pathologizing.

Research conducted on zoophilia and bestiality notes that variables such as age, gender, and social status influence the acceptability of such sexual practices. References to cases of zoophilia and bestiality most often

focus on men. This is not surprising, since this androcentric view is widespread in sexuality studies. However, we know that women in these “traditional” contexts also engaged in such practices. Female bestiality is usually associated with animals associated with the domestic sphere, such as dogs; it is therefore no coincidence that in many cultures a man engaging in sexual behavior with female dogs is considered unthinkable or grotesque. Nowadays, sexuality with animals is considered particularly perverted not only because it is considered degrading to human beings, but also because it violates animal rights³. (If you hear about the protection of children and animals, then know that in 95% of cases this is a lie and a false reason for prohibiting or limiting something. This is the favorite pretext of the forces of evil for regulating any issue. Puritan lies of evil about "poor children" and "unfortunate animals" to justify sticking the dirty nose of the state into any issues. The SOCG starts wars, ruins people's lives, and in this meat grinder, there really are many victims among children and animals.)

A quote from the Wikipedia article “History of zoophilia” tells about the history of sexual relations between humans and animals, from the point of view of anthropology and zoosex:

The history of zoophilia, including bestiality, dates back to prehistoric times; depictions of humans and animals in a sexual context are rare in European rock art. Bestiality remained a theme of mythology and folklore in the classical period and the Middle Ages (for example, the Greek myth of Leda and the Swan) and several ancient authors claimed that it was a common, accepted practice, although common, as a rule, in “other” cultures.

The direct legal prohibition of human sexual contact with other animals is a legacy of the Abrahamic religions: the Hebrew Bible provides for the death penalty for both humans and animals who commit bestiality. Several examples are known from medieval Europe, when people and animals were executed for committing bestiality. With the Enlightenment, bestiality was included along with other sexual "crimes against nature" in civil sodomy laws, usually remaining a capital crime. Bestiality remains illegal in most countries. Arguments used to justify it include: it is against religion, it is a "crime against nature", that non-human animals cannot consent, and that sex with animals is inherently violent. As with many paraphilias, the Internet has become a connecting platform for the zoophile community, which has lobbied for the recognition of zoophilia (or zoosexuality as an alternative sexuality) and advocated for the legalization of bestiality.

Depictions of human sexual activity with animals are rare in prehistoric art. Perhaps the oldest depiction, and the only known example from the Paleolithic (before the Neolithic Revolution and the domestication of animals), is found at Vale do Côa in Portugal. It depicts a man with an exaggerated erect penis, accompanied by a goat. However, there is some doubt that the two figures are contemporaneous; while the goat is depicted in a characteristic Paleolithic style, the scene may have been modified at a later period with the addition of a human figure.

From the Neolithic onwards, depictions of zoophilia become slightly more common. Examples can be found at Coren del Valento, a cave in Val Camonica, Italy, containing cave paintings dating from 10,000 BCE to 10,000 CE. up to the Middle Ages, one of which depicts a man penetrating a horse, and Sagaholm, a Bronze Age cairn in Sweden, several petroglyphs with similar scenes where zoophilic art has been found. Zoophilia is also documented in rock art in the Brazilian state of Piauí.

In 1835, the Russian Empire criminalized bestiality in the country. In 1845, the Russian Empire combined the statutes on sodomy and bestiality into one statute prohibiting unnatural vices. On August 20, 1848, Norway adopted a new penal code, replacing the 1687 law that introduced the death penalty by burning for "unnatural sexual intercourse" (bestiality), and also reduced the punishment for bestiality from the death penalty to hard labor of the fifth degree.

In 1855, the German physician Wilhelm Gollmann claimed that sodomy was originally practiced by shepherds. He adds that shepherds were drawn to this form of pleasure by "a lack of more natural opportunities." Gollmann then makes a biased attack on the Sicilians, who he claims commit zoophilia with goats. According to Blumenbach, Guinea females commit indecent acts with monkeys. Gollmann concludes his dubious claims by claiming that Iranians perform acts on donkeys as a cure for coxalgia.

In 1852, the Austrian Empire passed § 130, which criminalized bestiality with a maximum prison term of five years. About fifty people were convicted under this law each year. In 1861, the Offences against the Person Act 1861 reduced the criminal penalty for sodomy in the United Kingdom from the death penalty to life imprisonment. On 10 February 1866, Denmark (including Greenland and the Faroe Islands) passed new penal codes that replaced the 1683 law that had introduced the death penalty at the stake by royal pardon for "unnatural carnal knowledge" (bestiality) and reduced the penalty for engaging in bestiality from the death penalty to hard labour for a term of eight months to six years, further reduced by about a third if the sentence was served in solitary confinement. On June 25, 1869, a new penal code was adopted in Iceland, replacing

the 13th-century law that provided for the death penalty by burning for "unnatural sexual intercourse" (bestiality) with a punishment of work in a house of correction.

During the 20th century, zoophilia was legalized (decriminalized) in a number of countries: in the Russian Empire on March 20, 1903, in Turkey on March 1, 1926, in Poland on September 1, 1932, in Denmark (including Greenland and the Faroe Islands) on January 1, 1933, in Iceland on August 12, 1940, in Switzerland on January 1, 1942, in Liechtenstein on January 1, 1943, in Sweden on January 1, 1944, in the Czechoslovak Republic on January 1, 1950, in Greece on January 1, 1951, in the People's Republic of Bulgaria on May 1, 1951, in the Federal People's Republic of Yugoslavia on January 1, 1951, in the Hungarian People's Republic on July 1, 1961, in East Germany on January 12, 1968, in Romania on 1 January 1969, in West Germany on 1 September 1969, in Austria on 1 January 1971, in Finland on 15 January 1971, in Norway on 21 April 1972, and in Spain on 24 May 1996.

In 2003, the Sexual Offences Act 2003 reduced the criminal penalty for bestiality in the United Kingdom from life imprisonment to two years' imprisonment.

In 2006, the Danish Animal Ethics Council said there was no need to ban bestiality unless it occurred in pornographic films or sex shows. Only one of the 10 members of the council, set up by the Danish Ministry of Justice to establish and maintain animal ethics, wanted bestiality to be explicitly banned. The other members said current laws provided sufficient protection for animals. Denmark banned bestiality in 2015 after all parties except the Liberal Alliance voted to ban it, leaving Hungary, Finland and Romania as the only European Union countries where bestiality is not banned. In the 21st century, bestiality has been re-criminalized in many countries and territories ⁴. (According to Wikipedia, since the 20th century there has been an understanding that love for animals is not a crime, mental illness or something bad for a person or an animal, but in the 21st century many fascist regimes have again begun to prohibit zoosex (explanation by Slut Sodomia).

I will finish my brief excursion into zoophilia and bestiality with thoughts on the safety of sexual intercourse with animals. I believe that sex with domestic animals is as dangerous-safe as intercourse between people. If a domestic animal is a permanent partner and has all the necessary vaccinations, then this is the safest sex. Antichrist Slut Sodomia does not recommend having sex with wild animals, because it poses a real threat of catching an infection and getting sick with something exotic and unpleasant. Zoosex with a real animal is good, but there are some clarifications: the animal must be healthy, vaccinated with zoo-vaccinations and understand sex with a person. It is desirable that there is empathy between the animal and the person, and in the best case, it is desirable that there is friendship with the animal. Large male dogs and not very large inseminating horses best meet these criteria. These animals love to fuck passive homosexuals and they do not need special persuasion. Such animals are most suitable for bitches, pederasts, active gays and CIS female Satanists. There is no violence in zoosex, and no one forces (by force) an animal to fuck a person - the animals themselves want it.

If we think about animals for heterosexual males, we can assume that females will be the most preferable and the choice of animals increases. To bitches-dogs and mares-horses are added: goats, sheep, donkeys, zebras, pigs and other domestic animals of medium and large size. It is possible to have sex with very small animals, but this will not be traditional anal-vaginal sex, but unusual sex or contact caresses.

Most urban gay zoophiles have long been engaged in zoo-sex without domestic animals, and they themselves turn into an animal, usually a gay puppy, and they are part of the quadrobers community and part of gay

Satanism. About quadrobbers Slut Sodomia released the album SatanArt #22, which does not contain erotica and pornography. This album is different from the real album of animated zoo-pornography.

Antichrist Slut Sodomia will make an explanation about the fact that zoophilia and bestiality are disgusting. Among homophobes and zoophilophobes there is an opinion that zoophilia and zoosex are something disgusting and vile, an activity incompatible with the human species. Listen, you can think so and this will be your subjective personal opinion. No need to "catch in the pants" of other people and control their love-sexual life. What is really disgusting is fucking the bloody vagina of women to lay new senseless human creatures by homophobes and zoophilophobes. Homophobes always breed creatures that they want to make as stupid as themselves. They do not always succeed, but they always try to make their own evil replica of themselves. New human offspring does not appear from homosexual love and zoosex, but from the love of homophobes a new wave of anthropogenic pollution of planet Earth is obtained. And who is the most disgusting, vile one here?

Now, I come to the definition of the term furry - it is a term of cosplay, zoo-satanism and the basis of taking the spirit of the totem animal of shamanism upon oneself.

What is fury and zoo-furry in zoo-satanism? Historical development of the term fury.

Have you heard of cosplay, where people dress up as characters? They might dress up as a stormtrooper or a superhero and attend a comic book convention to have fun with their friends. Furries do the same thing, but with a twist.

Zoo-furries are people who have a strong interest in humanoid animals. Furries often have a "fursona" or humanoid animal personality; these are animals like wolves, cats and foxes that often have humanoid features like eyelashes and clothing. Furries often embody their fursonas by portraying them in their art, role-playing, and wearing furry costumes known as fursuits. Furries are a vibrant community of creative people, many of whom are queer, who are just trying to live their lives and make friends with common interests, just like the rest of us. The furry subculture has a rich history and presence both online and at in-person events across the country, and furry fandoms can be incredibly supportive spaces for many queer and trans people.

Furries are people who are interested in anthropomorphism, which specifically refers to giving animals human characteristics. In their most distilled form, furries are a group of people who have formed a community — or fandom — because they share an interest in anthropomorphic media, friendship, and social inclusion.

What is a fursona?

About 95% of furries develop their own unique avatar-like character, called a fursona. The product of deep reflection, fursonas can represent idealized versions of themselves that are imbued with positive characteristics such as being outgoing, fun, and less anxious. Fursonas can be a safe and functional way for furries to explore who they are as people, including their gender identity and sexual orientation. Research also suggests that fursona can help facilitate interactions with others and lead to greater social confidence.

A fursuit is a person in a fur suit.

For many furries, the fandom is a way to socialize with others. Many people think that furries dress like animals. Some think that they dress like animals all the time. But that's not entirely true. Furries don't identify as animals; they identify with animals. Just as cosplayers don't usually believe that they're actually Spider-Man, furries don't think that they're their fursonas. Having a fursona doesn't mean that a furry has a fursuit (a mascot-like outfit), and only 15 to 25 percent of furries do. While many furries aren't interested in owning a fursuit at all, they can also be prohibitively expensive. Some fursuits are phenomenally designed with fans, cooling packs, and LED lights built into them.

Fursuits are usually worn for special occasions, such as a parade, meeting, or convention. Another 50 percent of furries own furry paraphernalia — a furry T-shirt, ears, collar, or tail — that communicate their furry interests to others ⁵.

According to research conducted in 2021, about 37% of people associate the word "fury" directly with a negative female character. At the same time, more than 50% of respondents are aware of its mythological origins, indicating a high cultural awareness. An analysis of the frequency of the word's use in literary works shows that the term reached its peak in popularity in the 19th century and has been gaining relevance again in recent decades due to a revival of interest in mythology and history.

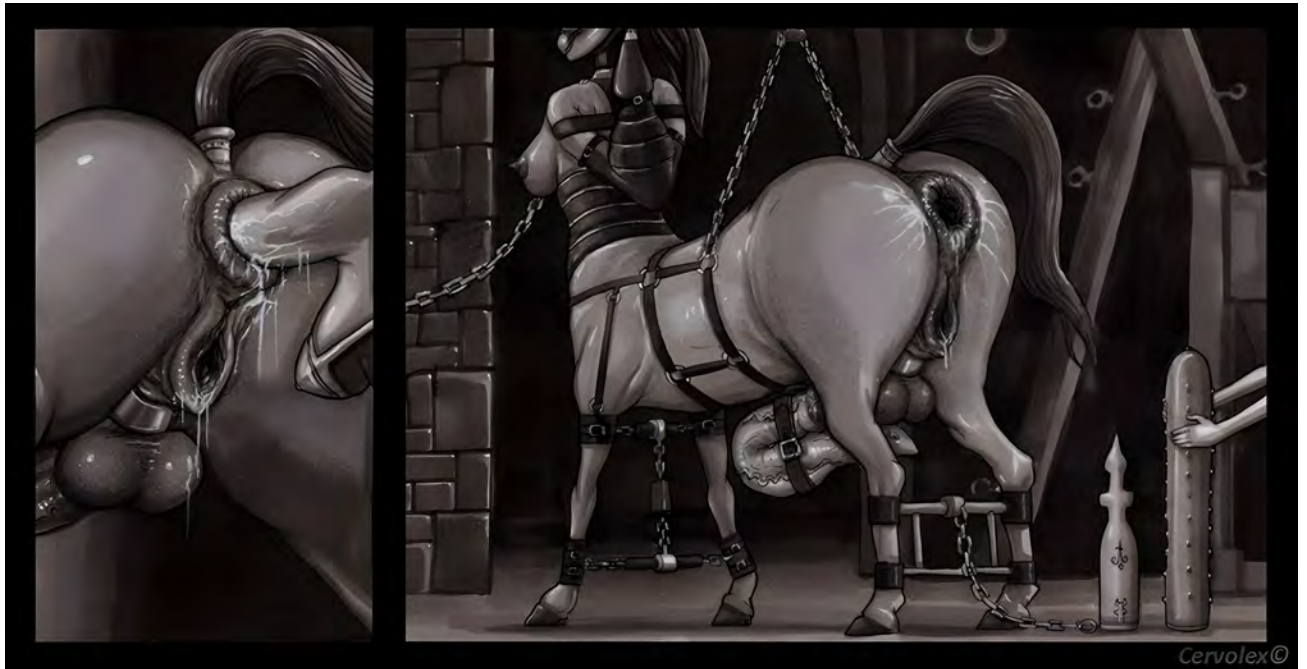

The term "fury" has its roots in ancient Roman mythology and has evolved to its modern use to describe women with unexpectedly strong or excessive displays of anger. It is a word with a rich history, closely associated with the concepts of revenge and justice in culture and literature ⁶.

In Ancient Rome, the Furies were the three goddesses of vengeance (in Greek, the Erinyes). In ancient Greek literature, they were first described by the playwright Aeschylus (525-456 BC) as disgusting old women with bloodshot eyes, bared teeth, protruding tongues, and snakes on their heads instead of hair. Allegorically and

ironically, the Furies are the name for an enraged, spiteful woman. In the Russian language of the 18th - early 19th centuries, the word furia also meant rage, anger.

To summarize the term furry or zoo-furies. The term “furry” can be a source of curiosity, intrigue, or even confusion for those unfamiliar with the vibrant and diverse subculture it represents. At its core, being a furry means someone who is interested in anthropomorphic animals, meaning animals with human traits or characteristics. This fascination often extends to various forms of expression, including art, literature, role-playing, and even the creation of personal characters known as fursonas.

One of the hallmarks of the furry fandom is its emphasis on artistic expression. Furries often engage in the creation and appreciation of anthropomorphic art, which can range from traditional drawings to digital illustrations and even 3D animation. This shared passion for creativity helps foster a supportive and collaborative environment within the community.

Central to the furry experience is the concept of a fursona, a unique anthropomorphic character that represents an individual within the fandom. These characters can be created in a variety of shapes, colors, and personalities, giving furries the opportunity to express their individuality and connect with others on a personal level.

The furry fandom is particularly inclusive, welcoming people from all walks of life, regardless of age, gender, sexual orientation, or background. This commitment to diversity is reflected in the vast number of fursonas and the variety of interests that furries bring to the community.

Beyond a shared interest in anthropomorphic animals, the furry fandom is characterized by a strong sense of community. Whether through local meetups, conventions, or online platforms, furries connect with like-minded individuals, forming friendships that extend beyond the virtual or physical world. Furry conventions are an important aspect of the community, providing venues for furries to meet, celebrate shared interests, and immerse themselves in the creative energy of the fandom. These events often feature art exhibits, panels, and social gatherings, which foster a sense of camaraderie among participants.

Despite its positive and inclusive nature, the furry fandom has faced misconceptions and stereotypes. It is important to recognize that being a furry is not limited to a specific lifestyle or set of beliefs. Instead, it is the

shared appreciation for creativity, anthropomorphic art, and sense of community that defines the furry experience.

Being a furry is more than just an interest in anthropomorphic animals; it encompasses a diverse community united by creativity, acceptance, and shared passions. The furry fandom continues to evolve, breaking down barriers and welcoming people from all walks of life into its colorful and supportive embrace ⁷.

Everyone who has the fire of Satan in them loves special Satanic art. **Therefore, with the help of the SatanArt album of paintings from Slut Sodomia, you can check yourself and other people for belonging to Satanism and the presence of Satanic spirituality in you. The result is 100%, unless, of course, a person tries to masterfully hide it, i.e. lie. Moreover, they can lie not only to others, but also to themselves.**

Slut Sodomia realized that with the help of the album SatanArt, which she edits, you can make a test for belonging to Satanism and the presence of inspiration by Satan. **Therefore, SatanArt albums are a litmus test for determining Satanism in a person.**

I believe that visual paintings, just like music, can enhance immersion in Satanism and give Satanic spirituality

SATANART - TEST YOURSELF FOR SATANISM!

to people of different ages and nations. These are universal messengers of the ideas of gay Satanism and Slut Sodomia is very glad that so many talented graphic artists are working in the field of Satanic painting. Especially in the last 20+ years, since 2000, there has been a massive emergence of excellent works about Satan, Satanism and Satanists. In literally two decades, there has been a rapid birth and development of the modern art of Satanism. The computer, graphics programs and digitalization of art played a very important role in this. I think that in the future, artificial intelligence and neural networks will also become assistants for many artists of Satanism.

ABOUT THE ANTHROPOMORPHIC AND ALLEGORICAL IMAGE OF SATAN IN THE ART OF SATANISM

Anthropomorphism and allegory in art have a rich and ancient tradition. Depictions of Satan are always anthropomorphic and allegorical because Satan can take any form. No one knows what Satan looks like in his canonical form and such a form does not exist. For a Satanist there may be a personal favorite form of Satan, and this is the form the Devil takes for the Satanist. I have already written about this in detail in the grimoire "Gay Lust".

Allegory (from ancient Greek ἀλληγορία - allegory) is an artistic representation of ideas (concepts) through a specific artistic image or dialogue. Allegory is an artistic representation of abstract concepts and generalizations using specific figurative embodiments. The artist depicts and represents faith, love, soul, justice, discord, glory, war, peace, spring, summer, autumn, winter, death and similar concepts with living beings and specific images⁸. Anthropomorphism is a worldview concept expressed by nominative means of language, fine arts, etc. According to this principle, inanimate objects, living beings and fictional entities that do not have human nature can be endowed with human qualities, physical and emotional⁹.

Therefore, all artistic depictions of Satan are allegorical representations of our Teacher. More important than the painted image itself is the person's perception of the painting. It could be surprise, lust, delight and other feelings. It is precisely these feelings that are born from viewing the paintings in the SatanArt album that are important. It is these feelings that give spirituality to Satan or immerse the beholder in Satanism. Also, the paintings in the album convey the general aesthetics of Satanism - this is a special sensual satanic beauty. Therefore, in addition to immersion in satanic spirituality, albums of paintings instill in a person an aesthetic sense of beauty.

IMAGE SOURCES AND IMAGE COPYRIGHTS

Slut Sodomia took all the images for her album from open sources on the Internet. Many paintings are modified with available neural networks for image processing. If I know the name of the author of the picture,

I indicate it. If I don't know the author's name, I don't indicate it. This document contains illustrations by various authors, and I include the artists' drawings in my album for scientific, educational or cultural purposes. This document is a free information source about Satanism. The authors of the works receive advertising of their name and their work from the Antichrist Slut Sodomia, so I am not interested in any claims based on the laws of the SOCG and other evil. Artists of Satanism receive free advertising and promotion from the Antichrist. However, I think that none of the real Satanists will make claims against me. Selfish evil, the Pharisees and lawyers of the SOCG may do this, but I am not interested in the opinion of evil. All evil will be subjected to entropy by Satan, like all the rest of the information garbage of our world.

All copyrights belong to the authors of the paintings, and I cannot appropriate these rights in any way. By publishing paintings by Satanist artists, I popularize the authors of the paintings and the very aesthetics of Satanism.

ABOUT IMAGE FORMATS FOR SATANART ALBUM – PNG, WEBP, JPG

I published all the images for the grimoire of gay Satanism in PNG or JPG/JPEG format. For SatanArt albums of satanic art, I will additionally use the good and relatively new WebP format. WebP - (English WEB Pictures) image compression format, both lossy and lossless, proposed by Google

Inc. in 2010 year. Based on the still image (key frame) compression algorithm from the VP8 video codec. Uses RIF container¹⁰. This format provides good image compression with decent quality. If you can't open WebP images, either update your software or install codecs that will allow you to see these images on your computer.

Most of all, I like the PNG format, which produces fairly high-quality images, which is especially important when printing books in a printing house or on a printer. PNG (portable network graphics) is a raster format for storing graphic information that uses lossless compression using the Deflate algorithm. The PNG format is designed to replace the older and simpler GIF format, and to some extent to replace the much more complex TIFF format¹¹.

I also use the classic JPG/JPEG photo format, although, in my opinion, this format is inferior to PNG and WebP formats. Thus, for the collection albums of Satanic drawings, photographs and other graphics of gay Satanism for immersion in the spirituality of Satan SatanArt, I will use three image formats PNG, WebP and JPG/JPEG. I will not use other image formats in 2025, although new and better formats for digital graphics may appear in the future and then it is worth using new products if necessary.

DISTRIBUTION OF THE ART APPLICATION OF GAY SATANISM SATANART IN DIFFERENT DIGITAL FORMATS

Albums-collections of satanic drawings of gay Satanism SatanArt in electronic form are released by the author in two formats PDF and DOCX ¹². The e-book is free to download in any of these formats. Also, the graphical application of gay Satanism SatanArt is distributed in the form of a single ZIP archive file, which contains versions of the book in both PDF and DOCX formats. These are formats for publishing the images themselves with text titles and comments on satanic graphics from Slut Sodomia. Applications of Gay Satanism SatanArt is a useful addition to the Gay Lust grimoire for spiritualizing a person through the visual images of Satanism.

¹¹ <https://ru.wikipedia.org/wiki/PNG> PNG. Wikipedia, the free encyclopedia. Page viewed date 06/14/2024

¹² According to their purpose, electronic document formats can be divided into those that can be viewed and edited, as well as those that can only be viewed or only edited. For example, the PDF format is intended for viewing documents, and DOCX is intended for both viewing and editing.

I have collected the satanic art pictures in a separate appendix so as not to take up a lot of graphics space in the Gay Lust Grimoire itself. You can download collections of Satanic drawings, photographs and other graphics of gay Satanism for immersion in the spirituality of Satan SatanArt on the Internet, on the Darknet on sites in the onion domain zone through the TOR browser or through torrents. Titles of paintings and text comments will initially be available in Russian and English. The texts of the comments in English are published in the English version of the SatanArt add-on - this is a separate file.

Thus, the visual application of gay Satanism SatanArt by Slut Sodomia "Collections of Satanic drawings, photographs and other graphics of gay Satanism for immersion in the spiritualization of Satan SatanArt" is available in the following options:

- In Russian – with titles and comments of satanic paintings in Russian in DOCX, PDF formats and their packaged version in ZIP format.
- In English – with titles and comments of satanic paintings in English in DOCX, PDF formats and their packaged version in ZIP format.
- The full version of the visual application of gay Satanism SatanArt with separately located pictures in PNG, WebP and JPG/JPEG formats, packed in a fairly large ZIP archive. DOCX, PDF + separate picture files in PNG, WebP and JPG/JPEG formats.

Portable Document Format (PDF) is a cross-platform open electronic document format originally developed by Adobe Systems using a number of PostScript language features. Primarily intended for presenting printed products in electronic form. There are many programs for viewing, as well as the official free Adobe Reader program. The book format as a PDF file is convenient to read and distribute electronically. Typically, no distortion is observed when opening this format on different operating systems and in different programs.

The DOCX format is a modernized version of the DOC format, and compared to its predecessor, this format is much more popular and accessible. A DOCX file is a document created using Microsoft Word 2007 or a newer version of Office from Microsoft. The file format is based on Open XML and uses ZIP compression to reduce file size. I recommend opening the DOCX file for work and editing in the original MS Word editor of this format from Microsoft, which is included in Microsoft Office 2019 and later. For reading and review, you can also use free programs that can open the DOCX format - LibreOffice Writer, OpenOffice Writer. Free programs may contain distortions in the document, offsets, errors in formatting and fonts. The author puts the book in DOCX format into the public domain for the purpose of publishing the book in paper form. This format can be conveniently formatted and edited.

ZIP is a widely used file archiving format that is used to compress one or more files in one location, reducing their overall size and making it easier to transfer data. Inside this archive there will be two book files in both PDF and DOCX formats, plus drawings of gay Satanism in the form of raster images.

To create ZIP archives and extract (unpack) the files they contain, special utilities can be used, for example terminal PKZIP and PKUNZIP or graphical WinZip, WinRAR, Info-ZIP, 7-Zip, PeaZip and many others.

FREEDOM OF DISTRIBUTION OF ANY INFORMATION

Any information should be disseminated freely, openly and without interference from the evil of our world. No copyright should interfere with this. Each work has a true author and no copyright is needed, just as no legislation in the field of information dissemination or copyright is needed. Anyone who interferes with the freedom of information dissemination is criminals and enemies of your personal freedom. Self-balancing of the information field of our world will not allow evil, harmful and false information to spread. All this happens without censorship from the state, automatically in the space of the information field of our world. Good and

necessary information will be in demand, and bad and harmful information will become unnecessary. Also, the distribution of this book-album should be completely free. I know for sure that the evil of our world will recognize the main grimoire of gay Satanism as “illegal” and ban my book “Gay Lust”, as well as the music albums of Satanic songs and hymns SatanSongs and the albums of paintings of gay Satanism SatanArt.

Protect commercially important information and your personal information yourself if you need it. Your desire to withhold information is not a reason to prohibit public dissemination or discussion of this information. Any censorship and bans on information are an obvious evil. Everything secret, sooner or later, becomes clear.

TRANSLATION OF THE ALBUM OF SATANIC DRAWINGS SATANART INTO OTHER LANGUAGES OF THE WORLD

The album SatanArt in the original (i.e. by Slut Sodomia) is written in Russian and English. Translate the book-album SatanArt into all languages of the world and distribute it in your language environment. The author of the book will be very happy about this. The more people can see satanic paintings and read the text titles-comments to them, from the SatanArt album, the better people will become and the more crushing the blow we will deal to the evil of our world. The visual power of art and the words of the Antichrist in the SatanArt album have a strong effect on the consciousness of man and his spiritualization by Satan. On the title page of my book, write your name as a translator or proofreader of my book if you will translate or correct errors.

DONATIONS TO THE AUTHOR AND COPYRATES WHEN SALES OF A BOOK IN PRINT AND ELECTRONIC FORM

Antichrist Slut Sodomia has done a lot of work creating art albums of paintings of gay Satanism SatanArt, working on compiling this e-book, searching for drawings on the Internet and compiling their descriptions for you. Four reasons to support the author financially:

The first reason is if you share the ideas of Satanism. This book is a guide and grimoire for established Satanists and for people just beginning to gain insight. Let their path be illuminated by my literary work and help them receive the spiritualization of Satan in full, using my grimoire as a navigator.

The second reason - if you think that the book is useful and valuable for members of the gay fraternity, Satanists and the entire LGBTQ+ community - support the author with any donation. The book about gay Satanism exposes the evil of our world and shows why it is the state, religion and the dark herds of evil, selfish, unspiritualized souls that are the main forces of evil in our world. It is not Satan and not man's spirituality with joy, pleasure, sexual lust that is evil, but evil is located precisely in our world itself. It was evil, in the form of the state and religion, that destroyed Jesus of Nazareth, who was a disciple of Satan, a spiritualized man, and this evil still oppresses your freedom 2000 years later since the life of Jesus of Nazareth in our world.

The third reason - if you want to see a new and expanded version of this book or new books by the author - support the author with any donation. You can make all donations using cryptocurrency - this way you and the author of the book will remain anonymous. What is very important in the world of total censorship and a total ban on freedom of speech throughout the world at the moment on issues that do not coincide with the official propaganda of states and the ideals imposed by these states.

The fourth reason is if you make money from my literary work by selling it.

You can sell my book; you can translate it and sell translations of my book. You can do this freely, and I will be only happy about that. If you sell the book in print, I ask for a modest 20% of the profit. My written or oral permission is not required to sell the book - you can publish and sell this book. For example, you can publish this book in the form of registered or numbered copies on high-quality paper bound in leather with gold embossing at a high price. Or you can publish the book as a mass edition with a large circulation to spread knowledge about gay sex and gay Satanism at an affordable price.

Or you can put my book up for sale on any sites on the Internet where documents and books are sold in electronic form. If you sell the book as an e-book, I ask for a modest 20% of the sale price. You don't need any permissions for this. I give you this permission here.

Transfer 20% of the profit (for paper versions of the book) or the amount of copies of the book sold (for electronic sales) to the author's cryptocurrency accounts in any available cryptocurrency. These will be sufficient royalties for the publication. All copyrights belong to the author of the book.

You make money from my book. Distribute my book for free and for a fee.

ABOUT ADDITIONS TO THE GRIMOIRE “GAY LUST” FOR DEPTH SPIRITUALITY BY SATAN

To deepen the spirituality of Satan, Slut Sodomia has prepared and released two additions to its grimoire “Gay Lust” into the Information Space of the Internet, Darknet and torrent network:

- Albums of Satanic music videos for immersion in the spirituality of Satan. Issues numbered. SatanSongs and QuasiSatanSongs are an occasional addition to the Gay Lust Grimoire. The lyrics have been translated into Russian. Lyrics in English are published in the English version of this supplement. Clips in MP4 format come as an appendix to this add-on. In total there will be 4 collections of satanic videos SatanSongs with 100 tracks each, plus there will also be an album of quasi-satanic songs QuasiSatanSongs about love, romance, lust. There is continuous numbering of compositions in all SatanSongs music albums¹³. Thus, there will be 500 video clips that help satanic spiritualization. The album QuasiSatanSongs has its own numbering of songs.
- Albums of fine art of gay Satanism for immersion in the spirituality of Satan SatanArt. Thematic issues of the application of fine arts of gay Satanism SatanArt under numbers. This is an occasional addition to the Gay Lust Grimoire. SatanArt Albums contains paintings and drawings of gay Satanism on specific themes that are related to Satanism or sexual lust. I will publish these albums regardless of the grimoire itself. All paintings in SatanArt art albums have continuous numbering, just like songs.

DON'T HESITATE TO BE A SATANIST!

I like the phrases “Don't hesitate to be a Satanist!” and “Don't be shy about being Satan!”¹⁴. They are multifaceted, and are aimed at calling people not to be afraid to receive satanic spirituality and not to be afraid to resist evil.

¹³ Continuous numbering implies a common numbering of objects in all albums of satanic musical compositions.

¹⁴ This is Satan's phrase. Our Spiritualizer Satan says this phrase to his children, the Satanists. The phrase does not refer to unspiritualized critters of evil who do not have satanic spirituality. And does not apply to mentally ill people.

NUMBERING AND CONTENTS OF COLLECTIONS-ALBUMS OF SATANIC PICTURES SATANART

The total number of collections and albums of satanic drawings and paintings of SatanArt is currently unknown. I would like to make about 100 albums if readers and the Satanic community like my work. Each SatanArt album will contain 100 drawings. There will be continuous numbering of all images in all music albums to organize the graphic material. Continuous numbering implies a common numbering of objects in all albums of satanic graphics SatanArt.

I dedicate the collection-album SatanArt №14 to all the zoophiles, therianthropes, and bestiality lovers who have been innocently convicted by evil. A huge number of people on planet Earth love zoosex in one form or another. The forces of evil of our world, in the form of the SOCG and religions, forbid people to love animals with sexual love. Freedom of sexual relations with animals in civilized countries of the white race is strictly regulated and zoosex is prohibited, almost everywhere. For zoosex, long prison terms and huge fines are imposed. Of the "legal" options, there remains the option of becoming a theatrical therianthrope for a zoophile, turning into a gay puppy, just as actors in the theater turn into characters. For children, a good option for introducing them to zoo-Satanism is quadrobics. Many people on our planet are involved in sexual zoo-love, and they are forced to endure the restrictions of the SOCG on copulation with animals. Who are they, this evil in jackets, i.e. the SOCG, to forbid you to love animals? Transformation into an animal is part of zoophilia, without contact with a real animal. This movement is called differently: furies, gay puppies, quadrobbers, zoo-Satanists, shamanic totem animal. This is a simpler, theatrical form of zoophilia, i.e. human love for animals.

ADDITIONAL INFORMATION ABOUT GAY SATANISM FROM ANTICHRIST SLUT SODOMIA

I hope that my selection of digital Satanic paintings, drawings, photographs and other graphics of gay Satanism for immersion in the spirituality of Satan SatanArt will be useful to people, and you will find interesting images for yourself in my selection. Visual art for those who are already Satanists and for those who are just thinking about becoming a Satanist and are looking for a connection with Satan for their spirituality. Of course, these paintings can be viewed simply as beautiful masterpieces of fine art 😊, without being tied to the ideas of gay Satanism.

If you are interested in the topic of gay Satanism, you can download and read other books from Slut Sodomia:

- Grimoire of Gay Satanism “Gay Lust.” This is the main grimoire of gay Satanism. This is a magical book that allows me to become a Satanist, helps me see the evil of our world and destroy this evil.
- Albums of Satanic music videos for immersion in the spirituality of Satan, which I call SatanSongs collections. In 2024 I created 4 SatanSongs albums + 1 quasi-satanic album QuasiSatanSongs.

The Gay Lust Grimoire is intended for both experienced Satanists and novice Satanists who want to deepen their spirituality with Satan or even gain it. The grimoire “Gay Lust” is a navigator for a Satanist and a conceptual basis in the fight against the evil of our world. There are Satanists not only among gays themselves, but also among straight people inspired by Satan. And that's great! It turns out that gay Satanism and my book are for all people in whom the fiery rage of sexual perversion burns, as an important element of spirituality by Satan. The book “Gay Lust” is a rebellion and liberation of your consciousness from the dungeons and frames of consciousness imposed on you by the system of the regime, religions and homophobia. The book is a grimoire of gay Satanism with the ritual of Summoning Satan and a code of principles of gay Satanism. The Gay Lust Grimoire is a training manual for passive fagots, active gays and trannies. The grimoire “Gay Lust” liberates the sexuality of any person and throws off the shackles of puritanical hypocrisy.

The grimoire “Gay Lust” is distributed completely free of charge in electronic form. You can freely download, quote and distribute the grimoire book. Look for the grimoire of gay Satanism “Gay Lust” on sites on the regular White Internet, Torrent trackers or on the Tor network on ONION sites.

LIST OF ADDITIONAL APPENDICES TO THE GRIMOIRE OF GAY SATANISM FOR IN-DEPTH SPIRITUALITY WITH SATAN

Applications to gay satanism are satanic music and graphics:

1. Collections of Satanic music videos selected and compiled by Slut Sodomia.
2. Collections of satanic drawings, photographs and other graphics of gay Satanism, selected and compiled by Slut Sodomia.

Collections of Satanic music videos, created either by Satanists or non-Satanists, but they are devoted to the theme of Satanism, in the understanding of Slut Sodomia. The words of these songs are about Satan, or about Satanists, or about the liberation of people from the power of evil, or other quasi-Satanic themes. Songs of completely different genres! Their main feature is that good music inspires. At the time of completion of the first version of the grimoire, Slut Sodomia had collected 500 gay Satanism music videos:

1. Album of Satanic music videos for immersion in the spirituality of Satan. SatanSongS Nr. 1
2. Album of Satanic music videos for immersion in the spirituality of Satan. SatanSongS Nr. 2
3. Album of Satanic music videos for immersion in the spirituality of Satan. SatanSongS Nr. 3
4. Album of Satanic music videos for immersion in the spirituality of Satan. SatanSongS Nr. 4

There will be free and paid placement of clips of gay Satanism:

1. I will post all the clips for free on the Internet, on the Darknet, in torrents and in Telegram. All music videos from Slut Sodomia in these first five collections will be free. The clips will be posted on video hosting sites with the gay Satanism logo.
2. I will post text albums with these songs for free, in the form of DOCX and PDF files. You will be able to read the lyrics and a list of these songs.
3. For a fee, I will sell archival video compilations of Satanic music videos, each containing 100 songs. Initially there will be 5 archival collections of satanic music videos. Having a local copy of Slut Sodomia's satanic music videos on your computer or music media center is convenient. You don't have to search for these songs on the Internet yourself. The paid version with the archive was made in order to support Slut Sodomia, as the author of this collection and as the author of gay Satanism. Therefore, the payment for this musical content is conditional and voluntary 😊. Paid versions of music videos will be available without the logo and with the gay Satanism logo, and in maximum quality.

It is possible that I will create additional music albums of satanic videos if necessary.

Collections of satanic drawings, photographs and other graphics of gay Satanism were created for the most part by spiritual people, most of whom are Satanists or LGBTQ+ people. The themes and genres of these drawings are completely different, but they are united by the fact that viewing these drawings spiritualizes a person with Satan on a subconscious and conscious level. More precisely, these collections of satanic drawings can be called the visual aesthetics of gay Satanism. Of course, visual aesthetics spiritualizes a person.

There will be free and paid placement of drawings of gay Satanism:

1. For free, Slut Sodomia will publish satanic pictures with the logo of gay Satanism on the Internet, on the Darknet, in torrents and in Telegram. These pictures will be posted, each separately. The quality of these drawings will be lower than in paid collections.
2. DOCX and PDF collections of satanic drawings of gay Satanism, each containing 500 drawings, will be sold for a fee. In paid DOCX and PDF collections of graphics of gay Satanism, the quality of the drawings will be maximum. There will also be no gay Satanism logo on the drawings themselves. The collections will be thematic and periodic. The annex to the collections will include ZIP archives with individual images in JPG / PNG / WebP formats.

The drawings in paid collections will be divided into thematic sections. I will give an approximate composition of the topics to which the drawings of gay Satanism will be devoted, in accordance with the short names of the directories (in order to roughly understand the composition of the graphics of gay Satanism):

ABOUT THE DEVELOPMENT, IMPORTANCE AND USE OF CRYPTOCURRENCY

I am writing this chapter about the development, meaning and use of cryptocurrency in 2024. Now, cryptocurrencies, as a means of speculation, investment and payments, are already working quite well, although for most people on planet Earth, crypto-coins are more of a mysterious phenomenon than an applied financial instrument. Slut Sodomia is very glad that a wonderful alternative to fiat money¹⁵ issued and controlled by SOCG has appeared. The name of this alternative is cryptocurrencies, Bitcoin and all the altcoins of the world¹⁶.

Cryptocurrency opens up enormous opportunities to get rid of the evil of SOCG on our planet Earth. It is control over material values that allows the SOCG to rule, mock people, dictate their laws and do various evils in our world (including wars, prisons and collecting tribute from the population). The material wealth of the SOCG is based on: power, evil and money. If the SOCG is stripped of its power over the financial control of money, it could significantly undermine the SOCG's power throughout the world. Cryptocurrencies operate outside of the SOCGs and do not need them.

Lately (since about 2015), the vilest SOCG's have been trying to stick their ugly nose into the control of cryptocurrency, its circulation and use. SOCG began to choke cryptocurrency enthusiasts and large financial speculators in cryptocurrency around the world. SOCG of the USA and Europe require registration and verification of the identity of people who use cryptocurrency on public platforms online and offline. Evil really wants to take control of cryptocurrency, and thereby strangle people's financial freedom. Evil does not want people to leave the orbit of the influence of the SOCG over money. Evil wants to destroy the very idea of freedom of cryptocurrency and the anonymity of its users.

It is very bad that many financial speculators - exchanges, exchangers and crypto-wallets have followed the requirements of the SOCG and force users to play by their rules. It's very bad that among crypto enthusiasts there is little talk about refusing collaboration with the evil SOCG. More and more cryptocurrency circulation is becoming dependent on the evil of the SOCG and its directives.

¹⁵ https://ru.wikipedia.org/wiki/Фидуциарные_деньги Wikipedia. Fiduciary (from the Latin fiducia - trust), fiat (from the Latin fiat - decree, instruction, "so be it"), symbolic, paper, credit, unsecured money - money not backed by gold and other precious metals, the nominal value of which is established and is guaranteed by the state regardless of the cost of the material used for their manufacture. As a rule, irredeemable for gold or silver. Often, fiduciary money is used as a means of payment on the basis of state laws obliging it to be accepted at face value. The value of fiduciary money is maintained by people's belief that they can exchange it for something of value. The decline in the authority of state power leads to a decrease in the purchasing power of fiduciary money, that is, to devaluation, "flight from money" (attempts to maintain its purchasing power through investment), etc.

¹⁶ Bitcoin started the era of digital crypto assets in 2009. The shortcomings and limitations of the first cryptocurrency, as well as its open-source code, led to the fact that developers began to create other coins. They are called altcoins.

I urge the community of cryptocurrency developers at any level not to collaborate with the state and not to obey their gangster rules. SOCG is simply an evil crook in the field of cryptocurrency technology who wants to rape and subjugate this technology and the users of this technology. Don't let the evil of SOCG deprive you of financial freedom and an alternative financial future outside of states and without states. This was a philosophical preface about cryptocurrency, let me move on to the practice of using crypto-coins.

For beginners, I recommend entering cryptocurrency by opening and creating a non-custodial crypto wallet, which allows you to ensure security and convenient management of your cryptocurrency. Such wallets provide users with complete control over their funds, eliminating the participation of third parties and minimizing the risks associated with hacking or fraud. A non-custodial wallet is a computer program and a type of cryptocurrency wallet in which only the owner has full control over his funds and private keys. The wallet does not store personal information and does not have access to assets. When you create a non-custodial wallet, you are usually given a private key or a seed phrase (a series of words that can be used to generate a private key). This information is not stored by third parties and it is important that you keep it secure. If you lose it, you will lose access to your funds and there is no way to recover it.

In 2024-2025, the most popular, convenient, reliable software crypto-wallets, in my subjective opinion, are the following non-custodial wallets:

1. Exodus <https://www.exodus.com/>
2. MetaMask <https://metamask.io/>
3. Trust Wallet <https://trustwallet.com/>

Install these programs (one or more), downloaded from official websites, on your computer and begin to master entering the new era of electronic money, outside of states. These programs allow you to buy

cryptocurrency with fiat money (dollars, euros and other currencies), make payments to other people's cryptocurrency addresses, and receive payments to your crypto wallet. Installation of these programs is quite simple and available for the most popular operating systems. After successfully creating a crypto wallet, you can send some crypto coins to Slut Sodomia to the details provided in this document if you like Gay-Satanism and the work of Slut Sodomia. I will be happy, and you will check your crypto wallet in action 😊.
