PREFACE

The theme of the album-collection SatanArt №25 is the support of the evil of fascism-rashism by Russians, the degradation of the Russian tribe, the rejection of Satanism and the curse of Satan. This album contains documentary photographs of the herd of creatures of Putinism. Russians are inhabitants of the territory of planet Earth, who have been subjected to genetic cleansing for a long time. A large territory of planet Earth, for many centuries was occupied by tsarist fascism, for 70 years it became a Soviet concentration camp and for 35 years it became Yeltsin-Putin fascism of degenerates-chekists. This territory of our planet is called Russia or the

Under Yeltsin-Putin-Medvedev-Putin, there was a degeneration of evil and an intensified degradation of the population of the territory occupied by Russian degenerates. The degenerated evil of the Soviet Chekism firmly clung to the idea of reviving the empire of the two previous periods - the Tsarist and Soviet. BY THE TERM RUSSIANS I MEAN the population of modern Russia plus all Russian-speaking people of planet Earth

who support Russian fascism, Putinism, imperial grandeur, Russian Nazism and wars. The main distinguishing feature of RUSSIANS is alcoholism, herd mentality, lack of critical thinking, destroyed brain functions, imbecility, genetic connection with degenerate ancestors, genetic connection with Soviet murderers, Soviet jailers, informers and informers of Russian fascism of all times. The term RUSSIANS is not a geographical term or a linguistic marker. The term RUSSIANS lies in the field of anthropology, genetics, mentality, corruption by evil and in the field of REFUSAL OF SATANISM.

RUSSIANS ARE NOT people who know Russian, but they have no ideological and genetic connection with the evil of Russia. Knowing Russian does not make a person Russian. It is similar to how knowing English does not make a person Englishman. These are absolutely identical analogies, especially considering how widespread English and Russian languages are. Therefore, knowing Russian is not something bad, as is the language itself. I will say even more - Russian alcoholic degenerates do not speak literary Russian, but the obscene language of orcs, which is based on Russian, but is not. The language of these orcs is rudeness, stupidity, swearing, using basic constructions of the Russian language. Such Russians are the absolute majority. The majority of the population of Russia are biological creatures who do not even have the basic inspiration of creativity, creativity, free will-thinking. Russians are alcoholics with disgusting genes of Soviet, Tsarist and Putin's scoundrels. Russians are a damned tribe that does not resist evil, but submits to it, helps evil, sows evil throughout the world and helps Russian fascism in various wars. Many descendants of those people whose lands Russia occupied, imposed its culture, traditions, rules and laws ARE NOT RUSSIANS. Forced occupation under the yoke of Russian evil does not make people Russians, but rather, on the contrary, such people become enemies of Russian fascism. The head of this evil dragon of RUSSIAN FASCISM has been in Moscow for many years, and the tentacles of this evil have spread throughout the world. One could argue that those people who do not have citizenship of the Russian Federation are not Russians, but the Antichrist does not

like this approach. All SOCG are evil and their citizenships are also a manifestation of evil. A person is a free animal, not a slave with a SOCG passport¹.

RUSSIANS ARE people who support Russian fascism-rashism, victims of Russian propaganda, who did not turn on critical thinking and breathed in the stinking miasma of Russian lies of the Orthodox-Cheikist regime of Muscovy. Russia is Mordor, where orcs love to be proud of the greatness of their master's evil. The master of Russian orcs sits in Moscow and shits in their ears through propaganda on TV, on the Internet, on the radio and in other media. Sauron of Mordor has always inspired fear in orcs and the harsher the master was in relation to his Russian slaves, the more the orcs respected their Sauron. Putin is not the most ferocious Sauron of Mordor, but his propaganda is the vilest. One of the most "respected and revered" Saurons of Russian Mordor is Stalin. Therefore, in 2020-2025, there is a resurrection of the cult of the despotic Georgian-Russian cannibal, Comrade Stalin-Sralin.

Stalinists, Putinists, monarchists, Russian Nazis, gopniks, fascists all unanimously pour out onto the streets with their idiotic posters, with demands to the fascist authorities and propaganda banners on various idiotic issues. I dedicated the entire SatanArt album #25 to such degenerates of the Russian Federation.

Antichrist Slut Sodomia liked the article from the Internet "The Skeleton of Rashism"². I will quote this article in full, because it describes well the basic principles of the Russian worldview and will add to this skeleton 3 more features of Russian fascism, on the topic of Satanism.

"The Skeleton of Rashism" is based on the following ideologies:

Imperialism

The idea that Russia is presented as a great expansionist power that has the right to aggressively impose its will on other nations. Technical and cultural backwardness is completely ignored, and the equality of nations is rejected. Dictator Putin directly states that Russia's borders do not end anywhere, which is an encroachment on the territorial integrity of other countries. The idea of expanding the country by seizing new territories under various pretexts has become Russia's national vector.

Militarism

High priority is given to military power and the use of force to achieve foreign policy goals. The main idea is that whoever is stronger is right. Those nations that do not want to give up their lands and fall under the rashists are declared terrorists and mercilessly suppressed. In the example of Ukraine, this was first the informational demonization of the Ukrainian people, and then an ongoing attempt at destruction. Slavery in the minds of Russians does not allow them to build a peaceful future, for them everyone around is an enemy, envious of the greatness of the empire.

Authoritarianism

Decades of one dictator in power and zeroing out speak for themselves. The demonstrative suppression of the political opposition, when opponents are killed and imprisoned for fictitious reasons, not only does not cause a rebellion among the slaves, but also serves as a deterrent to the emergence of new leaders. Civil liberties are also suppressed - any political rallies and even statements criticizing the actions of the authorities are prohibited, and the Internet is strictly censored. Some Russians believe that one day they will be able to change the political system peacefully, which translated into the language of facts - never. The majority are happy with everything as it is, because the slaves have been convinced of their greatness.

Propaganda

State media and official Russian channels actively broadcast ideas designed to strengthen the people's faith in the current government and justify the crimes that it commits with the hands of the Russians themselves. Military action is presented as a sacred mission to protect the country from external threats, and pseudo-historical manipulations serve as justification for the destruction and seizure of neighboring countries. Murderers, rapists, and looters are portrayed as heroes, which, when repeated frequently, completely distorts the real picture for Russians about their role in the war.

Euphemisms

Terms and phrases are replaced with more positive ones in order to soften the perception of aggressive actions. For example, instead of "invasion" or "capture", the word "liberation" is used, and "special military operation" sounds less provocative compared to a military invasion, the goals of which are genocide and occupation. Such linguistic policy helps to form an unambiguous and extremely distorted idea of what is happening in the population and breeds "not quite unambiguous people". Slogans

Through short, emotionally charged phrases, the authorities try to mobilize support by creating an image of an external enemy or threat, which helps to strengthen patriotic and anti-Western sentiments. What is characteristic is that words are completely at odds with deeds, which can be seen in interviews on Zolkin's YouTube channel, which the Rashists themselves give voluntarily from captivity - most of them are left to die on the battlefield, having been previously instructed to commit suicide instead of surrendering, and only in captivity do they begin to understand how things really are.

Demonization

Rashism practices dehumanization in relation to opponents and critics, and within the country and beyond its borders, an image of enemies is formed, allegedly threatening national security and traditional values. Such rhetoric justifies harsh measures against domestic opposition and genocide of populations in other countries, and appeals to a sense of justice, while turning the facts inside out and expecting morally disfigured Russians not to see the worst manifestations of Nazism and fascism in themselves.

Pseudo-history

Historical events are distorted, textbooks are rewritten, and the corresponding symbols and images are used to create a myth about a great and invincible power, without which everything would be lost. This allows the population to form a stable sense of national pride, while simultaneously justifying external aggression. Inventing alternative history and constantly repeating lies allows Russians to legitimize the invasion and seizure of neighboring states, as well as shift the blame for what they did onto their victims. The Russians should not stop there and aim their missiles at the Kremlin, returning it to the times of the original Paleolithic - this way historical justice will be restored, and the orcs will stop terrorizing the rest of the civilized world.

Slavery

For the rulers of Russia, people are worth nothing and are only expendable and service material for achieving their insane goals. The people themselves, who grew up on the ideology of racism, have lost all will to fight for a free life - most of them are no different from slaves, ready to give their lives for the masters. Even robots have a conditional law of robotics, which does not allow them to cause harm to a person through their inaction, while Russians can watch genocide for years and not feel remorse, understanding where their taxes go. And the government actively encourages this, talking about slavery as freedom and the benefits of being serfs.

Fakes

In the information war, racists often resort to creating and using fakes to propagate and justify atrocities, for example, the same ridiculous mantras are constantly repeated that Ukrainians are shooting at themselves, oppressing the Russian-speaking population or adhere to Nazi views. Although such stupid provocations are obvious to every resident of Ukraine and the civilized world, and evidence of the aggression of rashists and the root causes of the war have always been freely available, fakes have an effect on the population of Russia and effectively fool the weak in spirit.

Lies

If the above ideas are the bones of the skeleton of rashism, then lies are its backbone, the main idea on which all the others rest. Lies completely and entirely permeate the ideology of rashism, without which it is in principle incapable of existing and manipulating people. It is deception and self-deception that makes people who could live well themselves and not interfere with the lives of others, odious barbarians sowing death everywhere. Lies make rashists believe in their perverted ideals, call slavery freedom, and genocide and occupation liberation. Thanks to lies, Russians fall asleep without burdening themselves with thoughts about their compatriots non-stop shelling Ukrainian cities, forgetting the old truth - what goes around comes around.

Anti-Satanism (A detail of the skeleton of rashism from Slut Sodomia)

The rejection of spiritualization by Satan and Satanism is an important part of the spiritualization of Russians and their rashism. The rejection of pleasures and the development of creativity, the rejection of the gift of invention, the rejection of freedom - these are all consequences of anti-Satanism. The spirits of Hell and Satanism give a person the power of intellect, critical thinking and the ability to see evil under the masks of piety and sweet grimaces.

Sectarianism and the substitution of human spiritualization by religions (A detail of the skeleton of rashism from Slut Sodomia)

The most important and "staple" sect of rashism is, of course, the Russian Orthodox Church. But it does not act alone. Islam, Buddhism and other religions help racism in processing the population against the true spiritualization of Satan. I remind the reader that there is no other spiritualization except the spiritualization of the Spirits of Hell, the main one of which is Satan. (There is also spiritualization by creativity - this is the initial stage of Satanism in man.) The task of sects is to replace the true spiritualization of man for the purposes of the evil of racism. Such a substitution deprives a person of the connection with the External Information Field, and he cannot resist evil effectively enough. Having no spiritualization, not even able to determine the evil and lies of fascism with the simplest logical analysis, the so-called Russians cannot identify the lies of the regime without satanic spiritualization. The dull sectarians cannot overcome the flows of propaganda of the SOCG.

Homophobia, transphobia and anti-LGBTQ+ (A detail of the skeleton of racism from Slut Sodomia)

Russia of the late tsarist period, the Soviet period and the times of stable Putinism demonstrate homophobia, transphobia and anti-LGBTQ+ propaganda. The "traditional values" of racism cannot coexist with the freedom of sexual determination of a person and with the freedom of choice of gender identity by a person. This phenomenon is noticeable under any fascism and racism is no exception. The population of Russia, the so-called Russians, willingly accepted all kinds of discrimination against LGBTQ+ people. Under racism, the "international LGBTQ+ movement" was equated with extremists and enemies of Russian society. For example, if a hypothetical Andrei Petrovich in Russia puts on lipstick, puts on heels and goes out on the street, he will be arrested, accused of extremism and propaganda of the ideas of "non-traditional values" of LGBTQ+, they will say that Andrei Petrovich is a gay pederast and he should be urgently isolated from society in prison. Despite its frightening appearance, the skeleton of racism is unnatural to nature and human development in

general, and sooner or later this shameful ideology will remain in the dustbin of history, since in the long term it is not beneficial to anyone. However, one should not underestimate the danger of this infection, which plays on the feelings of narrow-minded people and uses them for its own purposes - with insufficient resistance, this plague can spread, especially if instead of critical thinking there are the beginnings of racism in the head.

In my album SatanArt #25 I publish documentary photographs from different periods of the so-called Putinism. Mainly, these are the years 2014-2025, when propaganda and patriotic psychosis of Russians are in their prime. All evil always dies. Then evil goes to Hell and there the creatures will face long entropy. The creatures of evil will be ready to give away all the money in the world, all their fucking pride and all their greatness, just to end the entropy in Hell. The creatures of evil of racism look like grandmothers, like grandfathers, like children, like mothers, and like fathers. All of them are creatures who rejected the inspiration of Satan, rejected the basic inspiration of freedom and creativity. These Russian creatures chose lies, the pseudo-greatness of their SOCG and a meaningless existence according to the laws and patterns of Russian fascism. Russians have chosen evil and rejected Satan, Satanism and the Antichrist. Russians carry the evil of their ancestors within themselves, in their genes. Genetic cleansing among Russians has not been in vain.

At the time of writing these lines, 08/30/2025, the following have been officially banned and recognized as "extremist organizations" in the Russian Federation:

1. The International LGBT Public Movement,
2. The International Satanism Movement.

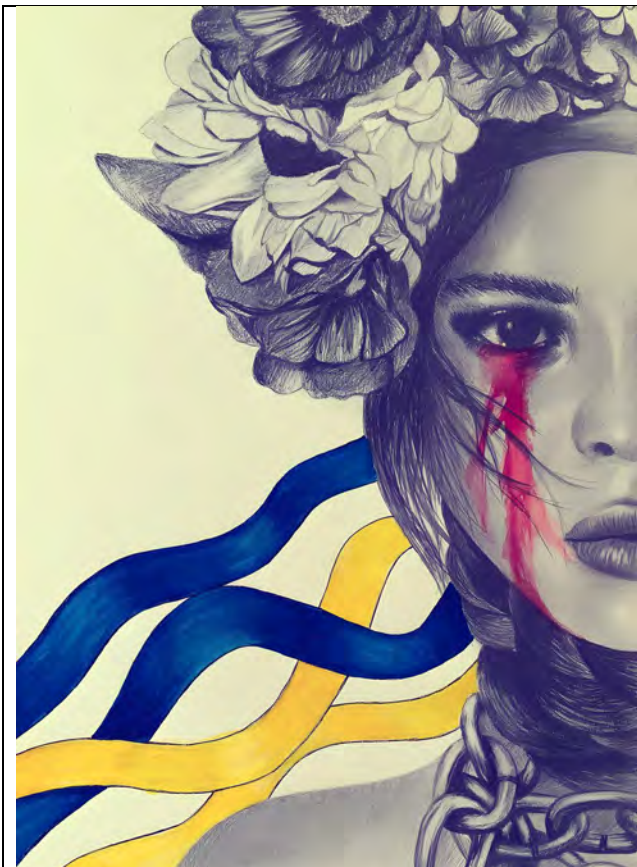

The International Childfree Movement is next in line for bans, and even feminists seem to Putinists to be too free-thinking and conscious people. Orthodox fascists want to ban everything that can be dangerous for the evil of Russian fascism. Many books, films, music are banned by the evil of racism, and their authors are recognized as "foreign agents".

I will conduct a statistical analysis of the question: what percentage of Russians, citizens of the Russian Federation, are racists? In my previous issue of SatanArt #24 "Rashism. Russian Evil of Putinism and Fascism of Russia" in artistic pictures I gave the figure of participation of Russian citizens in the affairs of rashism-

Putinism. In the album SatanArt #24 Antichrist Slut Sodomia wrote that about 80-95% of the population of the Russian Federation are rashists. Let me explain these figures in more detail:

1. 65% of Russian citizens of the Rashist Federation directly support Putinism, Rashism, pseudo-greatness and war with Ukraine and other countries of the "European Western civilization".
2. 20% of Russian citizens of the Rashist Federation support Putinism-Rashism by their silence, silent consent or adoption of the social pose "I am not interested in politics". This category of Russians believes that "they know better up there" and this category of the population supports the war economically, working for Rashism-Putinism through taxes, products and services.
3. 10% of Russian citizens of the Rashist Federation are so stupid that they do not even know that a war is happening and their level of development is like that of monkeys. This category of Russians cannot form their own opinion and is an amorphous biohumus similar to human bodies.

As you can see, it is not at all surprising that 95% of Russian citizens of the Russian Federation support Putinism-Rashism, in one form or another. I collected the figures for my analysis myself, based on the analysis of surveys of the population of the Russian Federation by various bloggers, which can be viewed on YouTube. Similar figures are put forward even by the official statistics of the Russian Federation. I do not believe the official statistics of the Russian Federation, but my analysis through video surveys of the population coincides with the official statistics. You can do your own statistical analysis if you do not believe the Antichrist. Yes, there are 5% of people who are enemies of racism-Putinism, they do not consider themselves part of Russian fascism and oppose the war. Most of these people do not resist fascism with active actions, in the form of a partisan movement, sabotage against Putin's fascists or pointing Ukrainian missiles at military targets of racists in the Russian Federation. Basically, the resistance of this small group of Russian citizens of the Russian Federation is focused on informational resistance to racism-Putinism in the kitchen or on the Internet. A very small part of Russians helps Ukraine in the fight against racism. There are as few such people in Russia as there are Satanists. Estimated at up to 2,000 people.

I will express the opinion of the Antichrist regarding the emigration of Russians to Europe and other countries of the white civilization. Yes, emigration from Russia has become a mass phenomenon. Russians are fleeing Putin's Orthodox Federation to countries where fascism wears rose-colored glasses, where gays and Satanists are not touched. Of course, not all Russians can afford such an event. From the point of view of ordinary logic, Russians who take themselves and their money out of Russia and do not participate in Putinism and the rashist war are already great. **Such Russian emigrants are good already because they do not participate in the evil of the Kremlin's SOCG.** There is no exact data on the number of emigrants since the beginning of Putin's full-scale war in Ukraine. I will quote Wikipedia data:

Emigration from Russia after the Russian army's invasion of Ukraine in 2022 is the largest wave of emigration from the country since the collapse of the USSR. It is based on a combination of reasons: political persecution in the case of activists, politicians and journalists, fear for their safety in the conditions of war, disagreement with the actions of the authorities, and the expectation of a significant deterioration in the economic and humanitarian situation in Russia. According to various estimates, in the first year since the beginning of the invasion, from 500 thousand to 1.3 million people left Russia. Russians mainly moved to visa-free countries: Armenia, Georgia, Azerbaijan, Turkey, Uzbekistan, Kazakhstan, Kyrgyzstan, Tajikistan, the UAE and Mongolia. Modern emigration implies more opportunities to communicate with loved ones, maintain social ties and even work, as well as re-entry across the border for those who are not in immediate danger. Of the migrants surveyed by the media, more than 15% entered Russia periodically or returned back. Those who traveled to the EU countries, the USA, Israel and Great Britain were mainly those who already had visas from these countries and the opportunity to legally stay there for a long period. According to a survey by activists of the OK Russians organization, the most popular European destinations were Montenegro, Serbia, Estonia, Germany and Spain. The authorities of the host countries responded to the migration wave in different ways. Thus, in the fall of 2022, the governments of the Baltic countries restricted the entry of Russians with Schengen visas from the territories of Russia and Belarus. The situation did not change even after the start of mobilization in late September. The Czech Republic also refused to issue humanitarian visas to Russian citizens fleeing mobilization. Finland stopped rail service with Russia in March, and closed its borders at the end of September 2022³.

What do I not like about the emigration of Russians to the countries of Western white civilization - Europe, the USA, Canada, Australia, Japan? Four main reasons why I do not like the escape of Russians from the evil of Putinism to the countries of white civilization:

1. The Russian offspring and the Russian influx are not needed by Europe and the USA. The Russians are simply superfluous there - economically, socially and anthropogenic. Let them stay in their Moscow region swamps. Bring order to your own Russia. No need for unnecessary anthropogenic pollution.
2. The immigrating Russians remain stupid orcs who simply do not want to die in the trenches for Putin. Russian immigrants remain Putinoids and rashists, even after escaping from war and rashism. The white civilization does not need homophobes, rashists and anti-Satanists. Stay in your Moscow region swamps.
3. Russian degenerates have created fascism in their country and now, flashing their heels, they are running away from it, and many are rushing to get to the countries of white civilization in order to shit there with their "Ruza world", Orthodoxy and love Putin from afar, shedding a stingy tear on the birch trees and on the mud of the Moscow region. Do not carry Russian evil around the world - clean your Russian toilets and streets. Many Russian emigrants are agents of the Kremlin, in one form or another.

³ https://ru.wikipedia.org/wiki/Эмиграция_из_России_после_вторжения_России_на_Украину

Wikipedia.

4. The fourth reason is purely satanic in nature - this is the curse of the entire tribe of Russians, without the individual spirituality of each emigrant. The Antichrist Slut Sodomia does not want the cursed tribe of Russian degenerates, who have supported Russian fascism for centuries, to disperse and settle in the countries of white civilization. The genes of Russians do not bring anything good. Drunk alcoholic degenerates are bad genetic material. In addition, most of the Russian emigrants are carriers of the "Russian culture", which is a fiction, a parody and a handy companion of Russian fascism-patriotism. Such emigrants and their offspring will always remain Russian homophobes and anti-Satanists, at the level of raising children and the genetic memory of generations. Please, do not think that the genetic memory of generations does not exist - it naturally does. And the curse also exists.

Now I will compare the resistance to fascism among Russians and Germans. It should be noted that the resistance to fascism-Nazism among Russians of Putin's SOCG and among Germans of the time of Hitler's SOCG differs greatly and shows how insignificant the spirituality of Russians is. Resistance to evil is based on the spirituality of people, while Satanism is the highest form of resistance to the evil of fascism. Let's see how many Russians and how many Germans actively resist fascism.

In Nazi Germany, between 15,000 and 77,000 people who fought against the regime were executed during World War II. Up to 800,000 people were arrested and sent to the Gestapo for political reasons. Those who ended up in basements were almost automatically subjected to beatings and torture. If we structure the Resistance within Nazi Germany, we can distinguish the following categories:

1. Unorganized resistance: this included individuals, those who hid and saved Jews, as well as participants in sporadic street protests.
2. Youth groups "White Rose" and "Edelweiss Pirates", as well as the Swingjugend.
3. Resistance in the German army and the Ministry of Foreign Affairs, including their leadership.
4. Opposition-minded priests: both Protestants and Catholics⁴.

How many people in Russia have been convicted of resisting the fascism-Nazism of Putin's SOCG? I will cite data from various Internet resources and try to derive an average figure of arrested anti-fascists from these different estimates:

Russian human rights activists have recognized about 1,500 people convicted from 1999 to 2024 as political prisoners. Some Russians, whom the Russian authorities arrested on several criminal cases in different years, were assigned this status twice. Currently, at least 768 political prisoners are in Russian colonies, pretrial detention centers, under house arrest, forced labor, and forced treatment. Human rights activists note that these data only partially reflect the scale of repression in Russia, and the real number of political prisoners is several times greater⁵.

Against the backdrop of a general decline in the number of criminal cases referred to court, Russia has seen a sharp increase in trials under special articles related to threats to the constitution and the state, as well as to peace and humanity. According to data from the Judicial Department of the Supreme Court of the Russian Federation, in 2024, the number of cases under articles from Chapter 29 of the Criminal Code ("Crimes against the foundations of the constitutional order and state security") referred to court was 1,254. For comparison: in 2023 there were 862, and five years ago, in 2019, there were only 276⁶.

In Russia, about 1.5 thousand people were recognized as political prisoners. August 23, 2024

⁶ <https://www.fontanka.ru/2025/04/30/75405914/> The number of "political" criminal cases in Russia has quadrupled in five years. April 30, 2025

In 2022 (since January 1), 489 criminal cases were opened for anti-war stance, in 2023 — 531 such cases. This year, Russian authorities have already opened 64 criminal cases for anti-war statements. In total, as of February 20, 2024, OVD-Info knows of 848 defendants in anti-war cases. At least 267 of them were deprived of their liberty as of February 20, and prosecution of 41 people has already been terminated. If we talk about the geography of criminal prosecutions for anti-war cases, the leaders here (as well as in detentions) are Moscow (143) and St. Petersburg (74). They are followed by occupied Crimea, Tatarstan and the Sverdlovsk region. Most often, criminal cases are opened due to various activities on the Internet (including messages in chats). Speaking of publications on social networks, prosecutions for publications on VKontakte and Telegram are in the lead by a wide margin. A total of 444 criminal cases have been opened for anti-war Internet activity⁷.

So... it seems that resistance to Russian fascism is not particularly "popular" among Russians. It can be assumed that only 2,000 people, at best, resist Russian fascism. In Germany, 800,000 people resisted Hitler's fascism, in Russia, 2,000 people resist Putin's fascism. You may be surprised that resistance to evil in Russia is so insignificant. But you should not be surprised. The people who rejected Satan from one generation to another, supported the evil of fascism for centuries, are a cursed people. These creatures have the curse of Satan and the curse of the Antichrist Slut Sodomia. These creatures cursed themselves by refusing to resist evil. The Antichrist states their cursedness, and makes his own explanations as to why this happened. The official ban on LGBTQ+ and Satanism by Russian fascists is a telling phenomenon based on the fear of gay Satanism and retribution in Hell.

Thus, it is clear that the resistance to evil among Russians is hundreds of times less than among Germans. This is an indicator of the quality of people, their genes, their spirituality and testifies to the level of Satanism among the population.

The descendants of the rashists will also be cursed for up to 10 generations, until the Russian spirit itself completely evaporates from them, and all the deeds of previous generations will be covered with the shame of degradation. The Russian evil of rashism will still resist, trying to do nasty things to neighboring nations.

How many people suffered during Stalin's repressions is still a matter of debate. Estimates vary. According to official data, about 1.5 million people were arrested in 1937–1938 alone, of which more than 680,000 were shot. If we take into account the entire period of Stalin's repressions, from the early 1930s until Stalin's death in 1953, the number of those repressed reaches about 10 million people. The total losses for the entire period of repressions, according to historians, reach from 4 to 7 million people. The victims of Stalin's repressions in the USSR were those who died in the GULAG camps, were shot, tortured in prisons, or exiled to remote regions without the right to return. One of the darkest symbols of this era was the GULAG system, a network of forced labor camps scattered throughout the Soviet Union. It was about this that Alexander Solzhenitsyn wrote in his 1973 book, *The Gulag Archipelago*, where he collected testimonies from former prisoners and exposed the scale of the system's crimes. According to various estimates, up to 18 million people passed through the Gulag from the 1930s to the early 1950s, of whom at least one and a half million died. But not all of them were political prisoners or repressed for political reasons. Ordinary criminals and people convicted of various crimes, including administrative ones, also ended up in the camps. Stalin's repressions in the USSR were not just a tragic episode – they were an entire era of fear, pain, and silence ⁸.

KEY THESES FOR UNDERSTANDING SATANIC IMAGES IN ART

Gay Satanism is not a religion or a sect. Gay Satanism is the spiritualization of man by Satan. This term has another meaning. Gay Satanism is a creative direction of the artistic genre created and developed by the Antichrist Slut Sodomia. I do not want gay Satanism to become a religion, but I want it to become a fan movement for the liberation of one's own consciousness from the shackles of the evil of our world. Under the auspices of Satan, with the Antichrist Slut Sodomia incarnate. Gay Satanism is for all people spiritualized by Satan. Not only for gays and people of homosexual orientation. All people spiritualized by Satan are disciples of our Teacher Satan. We are all Satanists. The difference between Satanism and religion and evil is that it is an individual spiritualization. Mass demonstrations under the guise of Satanism are impossible, because Satanists are introverts. Fake Satanists of the future will gather herd gatherings of pseudo-Satanists (football fans, music fans, fans of the SOCG⁹ or religion). A meeting of real Satanists is a sexual orgy or a sabbath of unity with nature in the nude. Other types of mass demonstrations of belonging to Satanism are fiction and a parody of Satanism.

Satan is good. Satan is the Tamer of evil. Satan is revenge for evil in our world. Satan is Joy, Pleasure and Happiness. For the evil forces of our world, Satan is the main enemy. Satan is an image in the consciousness of man and a mystical experience of connection with the spirits of another dimension, which is called Hell. For Satanists, Hell is their home. Connection with the spirit of Satan occurs at the quantum level. Modern science already studies and uses the quantum level for applied tasks. Satan is the main spirit of Hell, the Lord of creatures, the Teacher of Satanists. Satan is not a god. Satan is the Spiritualizer, the source of black magic, the Alpha and Omega. Satan is the Adversary of evil and the Accuser of evil. Satan is the Father of all Satanists. Lilith is the Mother of all Satanists. Satan and Lilith are the sources of Satanic lust for all their Satanist children. Satan is the internal spiritualization of a Satanist, and not dogmas, sermons of priests or religious books. At the same time, Satanism does not deny the importance of biological parents.

Darkness, the abyss - this is the world of soulless creatures, their states, their stupidity. This is the occupation of planet Earth by usurpers of power in the form of the SOCG. This is the image of the evil of our world. In some cases, they mean the opposite, because it is the evil of darkness that gives birth to Hell, vengeance and

⁹ GOPG is an acronym that stands for the true meaning of state. State Organized Crime Group. The term was coined by Antichrist Slut Sodomia for the Gay-Satanism grimoire "Gay Lust".

Satanists. "Children of darkness" in this case mean Satanists. Also, the image of darkness can mean Hell for the forces of evil.

Light is Satan-Lucifer. Light is Satanism and Satanic spiritualization, bringing man closer to nature. This is liberation from the shackles of evil and this is the image of freedom. This is the image of the Tamer of evil in our world and in Hell.

Sadness, sorrow, regret - this is an indication of the understanding that evil has embraced the whole world and the Satanist has to live in our world, under the yoke of evil. The main sources of evil are: crowds of inanimate creatures, SOCG. This definition of the term is specifically for Satanism and for Satanists. Also, these images can mean ordinary human emotions in relation to people.

Vengeance - this image is important for all Satanists. Revenge on evil in our world and in Hell. Inanimate creatures, activists of the SOCG, deceivers of religions and other evil will certainly be subjected to revenge and information entropy.

Return of the land and return of freedom to people - this image is important for all Satanists. It means the overthrow of all SOCG and religions, cleansing the earth from inanimate creatures, from their stupid and senseless evil. This is the image of cleansing the planet Earth from states and their totalitarianism.

Night is the image of the fact that a Satanist in the world of evil in our world, goes practically by touch. The light for him in the night is his Satanic spiritualization. Darkness thickens at night and light is needed most of all at night. The term night is similar to the term darkness, but does not mean evil itself, but uncertainty and difficulty in orienting oneself, acting, living without light. Lost, abandoned and forsaken - this image in Satanism means that Satanists are no longer in Hell and that Satan and the forces of Hell are not directly accessible to them. Only through Satanic spiritualization. It also means that in our world Satanists do not have their own magic for the instant destruction of evil, as in Hell, in Satan's dimension.

Religion is a dogma of worship of lies and evil. Religion is a substitution of true spiritualization by Satan for creatures. All evil creatures are deprived of spiritualization by Satan, therefore they replace Satanic spiritualization with God and religion. Religion is a sect, a community for creatures for whom herd mentality is important.

God is the canon of evil, an example of a despotic, theocratic idol of evil. God does only evil and God is evil, even because he deprives man of true spiritualization by Satan, i.e. the true Holy Spirit. There have been many gods in the history of the human species. All gods of religion are united by malice, connection with the state and with the leaders of the SOCG.

Antichrist is a common noun, not a proper name. It is written with a capital letter, like the word Satan. The concept of Antichrist means the development of a high degree of Satanism in the consciousness of a person. The term Antichrist also means a Satanist who is close to Satan and the forces of Hell and has a high power of black magic. A synonym for the word Antichrist is the expression Great Magician of Satan.

Satanism is the spiritualization of people by Satan or other demons of Hell. Satanism can also be considered as a philosophical concept that opposes theocratic dogma and the state machine of lies, violence, prohibitions, imputed duties to evil, herd behavior. The main difference between Satanism and religion or other philosophical concepts is that the spiritualization of a person by Satan and the forces of Hell occurs from another dimension at the quantum level. Therefore, Satanism is an internal part of human consciousness, and not imposed dogmas of our world through the media, culture, propaganda, morality, prohibitions or education. Satan's enlightenment comes to a person at birth or develops consciously, in later life. Satanism opposes the evil of our world and the lies of our world.

Satanic lust is a developed and perverted sexual attraction, a constant desire to have sex, a desire to corrupt oneself and others to free oneself from the prohibitions of evil. Satanic lust is not just a sexual feeling, but a special Satanic practice for knowing oneself, getting closer to Satan, and liberating oneself on an animal level. The peculiarity of Satanic lust (especially gay lust) is that Satanic sex is not aimed at procreation or at making new human offspring. Satanic lust is always aimed at receiving pleasure or for tantric meditation. Of course, Satanists can make children if necessary.

A Satanist is a person who has Satanic inspiration. Many clues about the lies of evil are given to the Satanist not only by the inner critical thinking, but also by the mental connection with Satan and the forces of hell. Satanic spirituality often gives the Satanist a feeling of introversion and individualism. Satanists and gays are always proud of their personal spirituality or the achievements of their spouse. Satanists and gays are proud of their Satanic spirituality and perverted lust. Satanists are proud of Satan.

An unilluminated (unenlightened) creature (critters) is a person deprived of spirituality. This is a zombie and a cog in the evil system. Inanimate critters are accomplices and assistants of evil. Unilluminated critters prevent Satanists and the entire human race from living happily, receiving spirituality from Satan. Inanimate creatures love herd mentality and submission. They cannot live without territorial oppressors, enslavers and false information of evil. Such people make up more than 90% of the population of planet Earth. These people have instincts of survival and adaptation. These people have no connection with Satan or with the External Information Field of the level of awareness. Critters can be called a biological shell or imitation of real people. Critters always choose evil, herd mentality, conformism and speak in templates from media propaganda or voice the dogmas of religion.

The state is an evil system that has divided the entire world into territorial zones of influence and terrorizes people with its prohibitions, oppresses with prisons and physical violence, creates conflicts between criminal gangs and plunges people into wars between criminal gangs. The state is the main source of evil. The state is a materialistic sect with its dogmas, rules of conduct and a system of oppression of the individual. The state = international military criminal groups = occupiers of the lands of the Satanists = criminal gangs = SOCG.

Fascism is a form of social organization expressed by discrimination by the state against its own citizens, that is, under fascism the supremacy of the state over the individual is recognized. Fascism is a state. A strong state = a fascist totalitarian regime. The word comes from the Italian fascismo, fascio - union, bundle, bunch, unification; fascio di combattimento - union of struggle. Fascism is also an ideology and a socio-political movement within the framework of authoritarian or totalitarian militaristic ultra-nationalism and a corresponding dictatorial regime with strict regulation of society and economy. All states strive to regulate everything and on any issue. To do this, they constantly spew out different laws from their cesspools. All states are fascist territorial sects with their own ideology, rules and methods of oppressing the individual. Fascism is a system of evil, in which a small group of people believes that they can dispose of other people, command people, deceive people through the lies of propaganda and the laws of submission to evil established by fascism. All GOPGs are fascist and their goal is material enrichment, social intraspecific elevation above other individuals of the human species and the possibility of oppressing people by psychopaths. All fascisms are built on the principle of SOCG. Real spiritual Satanists hate fascists, do not celebrate their fictitious holidays and try not to submit to this evil.

Fascists, officials, bureaucrats are the evil of the human species, in suits or other costumed special clothing, who work for fascism or profess the principles of fascism. These creatures will receive such a reprisal in Hell that they will be ready to give all the money of our world to avoid entropy and retribution of the forces of Hell. But, it will be too late. Fascists, officials, bureaucrats of the SOCG, who are not economic-social-municipal employees of society, are criminals. Only a small part of the fascists are involved in improving the economic-social-municipal economy of people, and the majority of fascists are useless and harmful criminals.

The laws of the SOCG and other territorial fascist groups (local governments, prefectures, regions of the empire) are mandatory rules established by evil for people, with the aim of realizing the goals of fascism. All SOCG and fascist communities have their own laws to regulate behavior in the territories occupied by fascism. Satanists understand that the laws of evil are created for inanimate creatures, with the aim of their subjugation, stupefaction and material use.

The positive activity of organized territorial entities is the organized management of communal services that is useful for the society of people, the development of the infrastructure of the society of people, maintaining the cleanliness of the territory and other social actions that are useful for the life of people, on the part of economic and communal local governments, prefectures, regional centers of territorial management. This is not a state, not an empire and not fascism. The Antichrist Slut Sodomia supports such activities and does not consider economic management to be fascism or evil. Currently, most territorial administrations support the fascism of the SOCG and are part of it. In a (future) society without the SOCG, the activities of organized territorial entities should be only economic and auxiliary, without politics, propaganda, religion and criminal concentration of power.

A patriot is an active fascist or active Nazi of his SOCG. A patriot is a person stupefied by propaganda who believes that his SOCG is better than another SOCG and he, as a member of this SOCG or a nationality within the SOCG, must do something for his SOCG in a selfless desire. A patriot is a slave of the SOCG. It is important for a patriot to be well proud of the greatness of his SOCG or the greatness of his Nazism. The pride of a patriot is always groundless, stupid and not aimed at pride in himself or his spouse. The pride of a patriot is always impersonal and is pride in the evil of the state regime that has seized the territory of the creature's habitation.

Patriotism is a person's smearing in the evil of pride in the fascism of a group of politicians or the Nazism of a certain SOCG or union of SOCG. Patriotism is a method of stupefying people, in which one SOCG exalts its importance in the eyes of people over another SOCG. Patriotism is belonging to a certain and evil group of lovers of local fascism, i.e. occupiers of the territory. Sometimes, the delirium of patriotism occurs at a distance (beyond the borders of one's SOCG) - then the patriot raves about the greatness of his SOCG, while being on the territory of another SOCG.

Propaganda is a constant, massive and avalanche-like lie of the SOCG about its greatness and its particularly outstanding character. The goal of propaganda is to make a person stop thinking critically and make him believe that he has a duty to the SOCG. For example, a duty to die in a war for the ideas of the SOCG, which are invented by the top of the ruling regime of this SOCG. Or a duty to obey the SOCG gang or a religious clan. Propaganda can be state and religious. In the world of the developed civilization of the white race, since the 19th century, the propaganda of the SOCG prevails over religious propaganda. Among the savages and religious fanatics of the damned peoples, religious propaganda still leads.

External Information Field is a general name for processes and structures in our world and in other dimensions that are not visible to the usual human senses, but which exist at the level of information (quantum or even more complex types of interactions). The External Information Field, hell, Satan, human consciousness, the Internet - everything that exists consists of information of a certain kind, and they are interconnected informationally and mentally. Modern human science in 2023 does not have the ability to describe and study the External Information Field, but this does not mean that it does not exist. Quantum science and quantum computers already exist, but this is only the beginning of understanding the External Information Field. The External Information Field is not the same as the gods of religions, the Internet database, electronic information on planet Earth, and it is not a paradigm. Useful entheogens help to see, hear, connect to the External Information Field. They allow you to overcome the barrier of perception over the usual human senses. Some people can feel the External Information Field, even without the help of

entheogens. The External Information Field is most similar to a global multi-universe, presented as a gigantic set of information and algorithms for the interaction of this information.

All that exists consists of information, our world consists of information. The interaction between multi-universes occurs at the quantum-information level, faster than the speed of light. The speed of light is extremely small, compared to the level of quantum interaction between parallel dimensions.

Black holes are passages between universes. No gross matter can overcome a black hole. Only quantum information can pass through them. Through black holes, our world is connected with the world of Satan, i.e. with Hell. A black hole is a quantum tunnel for spiritualization by Satan.

The damned are people or entire nations who rejected Satan or committed atrocities for which the black magic of Satanism was imposed on them. Damnation manifests itself as degradation, decline, physical or mental torment, mental pathological state of doom, constant lies, stupidity, lack of talent, dirt, complicity with evil, religiosity. Evil is a marker of damned creatures, it is the absence or rejection of satanic spiritualization, these are the deeds of creatures to degrade their spiritualization. Evil is always filled with stupidity and lack of talent from spiritualization by the External Information Field. Evil creatures are inanimate (unenlightened) biological shells, which are characterized by religiosity and a craving for herd behavior, under the leadership of the SOCG. The state, religion and dark herds of evil, selfish, inanimate creatures are the main forces of evil in our world. The God of religions is EVIL. His main difference from Satan is his dogmatism, not his natural spiritualization of man. God forbids, Satan permits.

A faggot, a pederast, a bitch, a passive faggot are slang names for passive gays in a perverted form. I use all of these forms and they are all grammatically correct because this is the language of gay lust. The faggots themselves love such words. They love to distort these words, they love when these words are pronounced with humiliation. Analogues of these words in English: faggot, fag, looser, slut, bottom slut. A gay bitch is a passive faggot who is not necessarily an MTF trans, but usually has a desire to become one. The term bitch can be used to refer to any passive gays. The traditional desires of bitches are the desire to be fucked in the ass. Bitches want to fill their anal cunt with sperm and absorb sperm into themselves.

Anal cunt, cloaca, gay cunt – all these words are synonyms and mean asshole, intestine and faggot lust during anal sex. Such sexual words are used for faggot copulations, to add piquancy, perversion and depravity to them. A faggot's cloaca is an organ with two functions: to remove feces and to receive sexual pleasure. I like these sexual terms.

LGBT or LGBTQ or LGBTQ+ or LGBTQIA+ is an abbreviation for the words "lesbian", "gay", "bisexual", "transgender", "queer", "intersex", "asexual", "Asexual/Aromantic/Agender", plus additional categories of unusual people, their unusual ideas and extravagant communities. The Grimoire of Gay Satanism uses the designation LGBTQ+ — a community of sexual minorities and perverts united by common interests, problems and goals. It consists of various communication groups, communities, subcultural movements, queer neighborhoods and queer organizations. All designations are equivalent. In the grimoire, I use the designation of the LGBT community with an additional letter Q and a plus sign. The letter Q stands for queers, and the plus in the name means that I also include feminists and all other people with non-standard views in the community: zoophiles, pedophiles, watermelon lovers 😊 and other perverts. I believe that feminists are close in spirit to LGBTQ+ and are part of it.

Queer is a collective term used to refer to a person whose sexuality and / or gender identity differs from the majority.

MTF transwomen and dickgirls are fully transitioned gay faggots who identify themselves as female with a male penis (in original form). Large female boobs are an optional attribute for MTF transsexuals. The abbreviation MTF stands for Male-To-Female transgender transition vector. Trans transition is very important

for Satanism. Almost all MTF transsexuals are inspired by Satan and are Satanists. There are several levels of trans transition, which Slut Sodomia highlighted in her grimoire of gay Satanism, *Gay Lust*. For more information on penisgirs, read Slut Sodomia's Grimoire of the Antichrist.

CIS, Cisgender - these terms (cisgender is often shortened to CIS; sometimes cissexual) describe a person whose gender identity corresponds to the sex assigned at birth, i.e. a person who is not transgender. The prefix cis- is of Latin origin and means "on this side". The term "cisgender" was coined in 1994 as an antonym to the word "transgender" or "non-binary person" and entered dictionaries in 2015 as a result of changes in public discourse about gender. The term is an analogue of old-fashioned expressions from past centuries regarding sexual orientation and gender of people: (normal ordinary woman) = CIS woman and (normal ordinary man) = CIS man. At the moment, any gender and sexual orientation of people is recognized as "normal". Among the advanced peoples of white civilization, our world, sexually retarded savage people, homophobes and transphobes are recognized as abnormal. A synonym for this term can be the phrase NON-TRANS, and an antonym NON-BINARY or TRANS.

Entheogens are substances of plant, fungal, chemically synthesized, or animal origin that allow a connection with the "entheos," that is, with the inner divinity, with the "divine principle" (entheo + genesis). This is the same Greek root of the word theology, Zeus (teus, deus), enthusiasm (in theos, "one who lives in the divine"). Entheogens or psychedelic drugs such as lysergic acid diethylamide (LSD), DMT, marijuana, fly agaric, and psilocybin are associated with mystical experiences. At present, fascist drug laws limit their research. But major biomedical research centers have already found that entheogens predictably cause mystical experiences and, thus, allow us to study the state of the brain during these experiences. entheogens are not drugs because they not only do not escape from reality, but also bring you closer to it, and do not cause any physical tolerance, withdrawal or dependence; therefore, most of them are not illegal (ayahuasca, bufo alvarius, yopo, san pedro) and are used to deepen and deactivate from the very beginning the mechanisms and programs that interfere with our freedom and inner peace, leading us to self-knowledge and rediscovery of our true I-ego through connection with the External Information Field or with the Spirits-Demons of Hell.

ZooSex and ZooPhilia are the normal human desire to have sex like animals, imitating animals or with real animals (usually a large dog or horse). Man is an animal and there is nothing surprising in the desire to deepen his animal nature through transformation into an animal or through sexual intercourse with an animal. It is interesting that only a small number of people are involved with real animals, because it is difficult to organize. A significantly larger number of lovers of sex with animals prefer to fuck like animals or dress up and impersonate an animal. There is nothing wrong with this. Satan and Satanism approve of this, and the forces of evil prohibit or condemn it. Synonyms for the concepts of zoosex and zoophilia are such terms as bestiality and therianthropy. A light version of zoo-Satanism for children and adolescents is playing quadro-players, quadrobers, furies, puppies without a pronounced sexual component. Zoophilia is equally loved by heterosexuals and homosexuals. Among gays and Satanists, there are not many lovers of animal sex, presumably up to 10% of the total gay population of planet Earth (a very rough estimate, for understanding. On farms this percentage is higher: 30%, in cities less). Most gays and Satanists prefer sex with people, without transforming into an animal. Zoophilia is not suitable for all people, but it is a good kind of Satanism. Zoophiles are part of the LGBTQ+ community.

Homophobia is a kind of sexual stupidity of critters, when they are surprised by the sexual freedom of LGBTQ+ people and are indignant about this freedom. Homophobia is a manifestation of hostile xenophobia to what creatures are not able to understand, but under the influence of propaganda and religion are afraid of this, because this is an unusual phenomenon for them. Homophobes are also opponents of zoosex and zoophilia. Homophobia manifests itself not only in the field of sex, but also in the freedom of thought of evil creatures. As false reasons for banning LGBTQ+ communities, homophobic creatures traditionally cite

protection of children, an imaginary opportunity to become gay or lesbian when visually interacting with LGBTQ+, or trampling traditional values of heterosexuals - only in the pussy and never in the ass. In fact, the reason for the fear of evil creatures before the LGBTQ+ community is much deeper, and concerns the fact that among sexually free people there are many Satanists. Satan and Satanists destroy the evil of creatures in our world and after the physical death of homophobes, they will be driven to entropy in Hell by all the forces of Hell. On a subconscious level, evil knows this, therefore the LGBTQ+ community carries the light of Satan in itself and is a danger to evil.

For a more accurate transfer of meaning and for precise identification of terms, Slut Sodomia suggests calling gay faggots in English SLUT, and CIS girls with a female pussy to be called BITCH. That is exactly how I called these two different categories of Satanists in my grimoires and albums of gay Satanism. Now, I am fixing this name in the dictionary of terms of gay Satanism. In the plural, all passive gays and MTF/FTM trans are called SLUTS, and "classic" girls (heterosexuals, lesbians) are called BITCHES. This is not a dogma, but simply a proposal for the LGBTQ+ community and clarification of my own terminology. It is possible to call it the other way around: a faggot called a BITCH means that he has finally started thinking only about being raped in the ass, like a CIS Satanist woman. If a CIS woman calls herself a SLUT, it means that she is close in spirit to the faggots and cock-girls from the gay Satanist community.

SATANART AND SATANSONGS SATANIC ALBUMS LOGOS FROM ANTICHRIST SLUT SODOMIA

23.03.2025 Slut Sodomia created the official logo for SatanArt albums. Now I will use this logo for textual-symbolic designation of my SatanArt albums such a logo:

Everyone who has the fire of Satan in them loves special Satanic art. **Therefore, with the help of SatanArt albums of paintings from Slut Sodomia, you can check yourself and other people for belonging to Satanism and the presence of Satanic spirituality in you. The result is 100%, unless, of course, a person tries to masterfully hide it, i.e. lie. Moreover, they can lie not only to others, but also to themselves.**

SATANART - TEST YOURSELF FOR SATANISM!

Slut Sodomia realized that with the help of the SatanArt album, which she edits, you can make a test for belonging to Satanism and the presence of inspiration by Satan. Yes, this idea was "in the air" with me ..., but I could not formulate it. Now I have done it. Therefore, SatanArt albums are a litmus test for determining Satanism in a person.

I believe that visual paintings, as well as music, are able to enhance immersion in Satanism and give Satanic inspiration to people of different ages and nations. They are universal messengers of the ideas of gay Satanism and Slut Sodomia is very glad that so many talented graphic artists work in the field of Satanic painting. Especially in the last 20+ years, since 2000, there has been a mass appearance of magnificent works about

Satan, Satanism and Satanists. Literally, in two decades, there was a rapid birth and development of modern Satanic art. A very large role in this was played by the computer, graphic programs and digitalization of art. I think that in the future, artificial intelligence and neural networks will also become assistants for many Satanic artists.

ABOUT THE ANTHROPOMORPHIC AND ALLEGORICAL IMAGE OF SATAN IN THE ART OF SATANISM

Anthropomorphism and allegory in art have a rich and ancient tradition. Depictions of Satan are always anthropomorphic and allegorical because Satan can take any form. No one knows what Satan looks like in his canonical form and such a form does not exist. For a Satanist there may be a personal favorite form of Satan, and this is the form the Devil takes for the Satanist. I have already written about this in detail in the grimoire "Gay Lust".

Allegory (from ancient Greek ἀλληγορία - allegory) is an artistic representation of ideas (concepts) through a specific artistic image or dialogue. Allegory is an artistic representation of abstract concepts and generalizations using specific figurative embodiments. The artist depicts and represents faith, love, soul, justice, discord, glory, war, peace, spring, summer, autumn, winter, death and similar concepts with living beings and specific images¹⁰. Anthropomorphism is a worldview concept expressed by nominative means of language, fine arts, etc. According to this principle, inanimate objects, living beings and fictional entities that do not have human nature can be endowed with human qualities, physical and emotional¹¹.

Therefore, all artistic depictions of Satan are allegorical representations of our Teacher. More important than the painted image itself is the person's perception of the painting. It could be surprise, lust, delight and other feelings. It is precisely these feelings that are born from viewing the paintings in the SatanArt album that are important. It is these feelings that give spirituality to Satan or immerse the beholder in Satanism. Also, the paintings in the album convey the general aesthetics of Satanism - this is a special sensual satanic beauty. Therefore, in addition to immersion in satanic spirituality, albums of paintings instill in a person an aesthetic sense of beauty.

IMAGE SOURCES AND IMAGE COPYRIGHTS

Slut Sodomia took all the images for her album from open sources on the Internet. Many paintings are modified with available neural networks for image processing. If I know the name of the author of the picture, I indicate it. If I don't know the author's name, I don't indicate it. This document contains illustrations by various authors, and I include the artists' drawings in my album for scientific, educational or cultural purposes. This document is a free information source about Satanism. The authors of the works receive advertising of their name and their work from the Antichrist Slut Sodomia, so I am not interested in any claims based on the laws of the SOCG and other evil. Artists of Satanism receive free advertising and promotion from the Antichrist. However, I think that none of the real Satanists will make claims against me. Selfish evil, the Pharisees and lawyers of the SOCG may do this, but I am not interested in the opinion of evil. All evil will be subjected to entropy by Satan, like all the rest of the information garbage of our world.

All copyrights belong to the authors of the paintings, and I cannot appropriate these rights in any way. By publishing paintings by Satanist artists, I popularize the authors of the paintings and the very aesthetics of Satanism.

ABOUT IMAGE FORMATS FOR SATANART ALBUM – PNG, WEBP, JPG

I published all the images for the grimoire of gay Satanism in PNG or JPG/JPEG format. For SatanArt albums of satanic art, I will additionally use the good and relatively new WebP format. WebP - (English WEB Pictures) image compression format, both lossy and lossless, proposed by Google Inc. in 2010 year. Based on the still image (key frame) compression algorithm from the VP8 video codec. Uses RIF container¹². This format provides good image compression with decent quality. If you can't open WebP images, either update your software or install codecs that will allow you to see these images on your computer.

Most of all, I like the PNG format, which produces fairly high-quality images, which is especially important when printing books in a printing house or on a printer. PNG (portable network graphics) is a raster format for storing graphic information that uses lossless compression using the Deflate algorithm. The PNG format is designed to replace the older and simpler GIF format, and to some extent to replace the much more complex TIFF format¹³.

I also use the classic JPG/JPEG photo format, although, in my opinion, this format is inferior to PNG and WebP formats. Thus, for the collection albums of Satanic drawings, photographs and other graphics of gay Satanism for immersion in the spirituality of Satan SatanArt, I will use three image formats PNG, WebP and JPG/JPEG. I will not use other image formats in 2025, although new and better formats for digital graphics may appear in the future and then it is worth using new products if necessary.

DISTRIBUTION OF THE ART APPLICATION OF GAY SATANISM SATANART IN DIFFERENT DIGITAL FORMATS

Albums-collections of satanic drawings of gay Satanism SatanArt in electronic form are released by the author in two formats PDF and DOCX¹⁴. The e-book is free to download in any of these formats. Also, the graphical application of gay Satanism SatanArt is distributed in the form of a single ZIP archive file, which contains versions of the book in both PDF and DOCX formats. These are formats for publishing the images themselves with text titles and comments on satanic graphics from Slut Sodomia. Applications of Gay Satanism SatanArt is a useful addition to the Gay Lust grimoire for spiritualizing a person through the visual images of Satanism.

I have collected the satanic art pictures in a separate appendix so as not to take up a lot of graphics space in the Gay Lust Grimoire itself. You can download collections of Satanic drawings, photographs and other graphics of gay Satanism for immersion in the spirituality of Satan SatanArt on the Internet, on the Darknet on sites in the onion domain zone through the TOR browser or through torrents. Titles of paintings

¹⁴ According to their purpose, electronic document formats can be divided into those that can be viewed and edited, as well as those that can only be viewed or only edited. For example, the PDF format is intended for viewing documents, and DOCX is intended for both viewing and editing.

and text comments will initially be available in Russian and English. The texts of the comments in English are published in the English version of the SatanArt add-on - this is a separate file.

Thus, the visual application of gay Satanism SatanArt by Slut Sodomia "Collections of Satanic drawings, photographs and other graphics of gay Satanism for immersion in the spiritualization of Satan SatanArt" is available in the following options:

- In Russian – with titles and comments of satanic paintings in Russian in DOCX, PDF formats and their packaged version in ZIP format.
- In English – with titles and comments of satanic paintings in English in DOCX, PDF formats and their packaged version in ZIP format.
- The full version of the visual application of gay Satanism SatanArt with separately located pictures in PNG, WebP and JPG/JPEG formats, packed in a fairly large ZIP archive. DOCX, PDF + separate picture files in PNG, WebP and JPG/JPEG formats.

Portable Document Format (PDF) is a cross-platform open electronic document format originally developed by Adobe Systems using a number of PostScript language features. Primarily intended for presenting printed products in electronic form. There are many programs for viewing, as well as the official free Adobe Reader program. The book format as a PDF file is convenient to read and distribute electronically. Typically, no distortion is observed when opening this format on different operating systems and in different programs.

The DOCX format is a modernized version of the DOC format, and compared to its predecessor, this format is much more popular and accessible. A DOCX file is a document created using Microsoft Word 2007 or a newer version of Office from Microsoft. The file format is based on Open XML and uses ZIP compression to reduce file size. I recommend opening the DOCX file for work and editing in the original MS Word editor of this format from Microsoft, which is included in Microsoft Office 2019 and later. For reading and review, you can also use free programs that can open the DOCX format - LibreOffice Writer, OpenOffice Writer. Free programs may contain distortions in the document, offsets, errors in formatting and fonts. The author puts the book in DOCX format into the public domain for the purpose of publishing the book in paper form. This format can be conveniently formatted and edited.

ZIP is a widely used file archiving format that is used to compress one or more files in one location, reducing their overall size and making it easier to transfer data. Inside this archive there will be two book files in both PDF and DOCX formats, plus drawings of gay Satanism in the form of raster images.

To create ZIP archives and extract (unpack) the files they contain, special utilities can be used, for example terminal PKZIP and PKUNZIP or graphical WinZip, WinRAR, Info-ZIP, 7-Zip, PeaZip and many others.

Also, Antichrist Slut Sodomia sees great potential in spreading gay Satanism through creating videos from static documents of PDF e-books and PPTX presentations. Slut Sodomia will try to create a sufficient number of videos based on static digital files with text and pictures of Satanism. Perhaps it is worth converting all gay Satanism files to digital video format of modern 4K resolution. First, I will convert the most understandable and puritanical albums of gay Satanism to video format, and then I will make such video releases with other albums of gay Satanism.

FREEDOM OF DISTRIBUTION OF ANY INFORMATION

Any information should be disseminated freely, openly and without interference from the evil of our world. No copyright should interfere with this. Each work has a true author and no copyright is needed, just as no legislation in the field of information dissemination or copyright is needed. Anyone who interferes with the freedom of information dissemination is criminals and enemies of your personal freedom. Self-balancing of

the information field of our world will not allow evil, harmful and false information to spread. All this happens without censorship from the state, automatically in the space of the information field of our world. Good and necessary information will be in demand, and bad and harmful information will become unnecessary. Also, the distribution of this book-album should be completely free. I know for sure that the evil of our world will recognize the main grimoire of gay Satanism as “illegal” and ban my book “Gay Lust”, as well as the music albums of Satanic songs and hymns SatanSongs and the albums of paintings of gay Satanism SatanArt.

Protect commercially important information and your personal information yourself if you need it. Your desire to withhold information is not a reason to prohibit public dissemination or discussion of this information. Any censorship and bans on information are an obvious evil. Everything secret, sooner or later, becomes clear.

- this is a convenient way for sellers to make money on books;

TRANSLATION OF THE ALBUM OF SATANIC DRAWINGS SATANART INTO OTHER LANGUAGES OF THE WORLD

The album SatanArt in the original (i.e. by Slut Sodomia) is written in Russian and English. Translate the book-album SatanArt into all languages of the world and distribute it in your language environment. The author of the book will be very happy about this. The more people can see satanic paintings and read the text titles-comments to them, from the SatanArt album, the better people will become and the more crushing the blow we will deal to the evil of our world. The visual power of art and the words of the Antichrist in the SatanArt album have a strong effect on the consciousness of man and his spiritualization by Satan. On the title page of my book, write your name as a translator or proofreader of my book if you will translate or correct errors.

DONATIONS TO THE AUTHOR AND COPYRATES WHEN SALES OF A BOOK IN PRINT AND ELECTRONIC FORM

Antichrist Slut Sodomia has done a lot of work creating art albums of paintings of gay Satanism SatanArt, working on compiling this e-book, searching for drawings on the Internet and compiling their descriptions for you. Four reasons to support the author financially:

The first reason is if you share the ideas of Satanism. This book is a guide and grimoire for established Satanists and for people just beginning to gain insight. Let their path be illuminated by my literary work and help them receive the spiritualization of Satan in full, using my grimoire as a navigator.

The second reason - if you think that the book is useful and valuable for members of the gay fraternity, Satanists and the entire LGBTQ+ community - support the author with any donation. The book about gay Satanism exposes the evil of our world and shows why it is the state, religion and the dark herds of evil, selfish, unspiritualized souls that are the main forces of evil in our world. It is not Satan and not man's spirituality with joy, pleasure, sexual lust that is evil, but evil is located precisely in our world itself. It was evil, in the form of the state and religion, that destroyed Jesus of Nazareth, who was a disciple of Satan, a spiritualized man, and this evil still oppresses your freedom 2000 years later since the life of Jesus of Nazareth in our world.

The third reason - if you want to see a new and expanded version of this book or new books by the author - support the author with any donation. You can make all donations using cryptocurrency - this way you and the author of the book will remain anonymous. What is very important in the world of total censorship and a total ban on freedom of speech throughout the world at the moment on issues that do not coincide with the official propaganda of states and the ideals imposed by these states.

The fourth reason is if you make money from my literary work by selling it.

You can sell my book; you can translate it and sell translations of my book. You can do this freely, and I will be only happy about that. If you sell the book in print, I ask for a modest 20% of the profit. My written or oral permission is not required to sell the book - you can publish and sell this book. For example, you can publish this book in the form of registered or numbered copies on high-quality paper bound in leather with gold embossing at a high price. Or you can publish the book as a mass edition with a large circulation to spread knowledge about gay sex and gay Satanism at an affordable price.

Or you can put my book up for sale on any sites on the Internet where documents and books are sold in electronic form. If you sell the book as an e-book, I ask for a modest 20% of the sale price. You don't need any permissions for this. I give you this permission here.

Transfer 20% of the profit (for paper versions of the book) or the amount of copies of the book sold (for electronic sales) to the author's cryptocurrency accounts in any available cryptocurrency. These will be sufficient royalties for the publication. All copyrights belong to the author of the book.

You make money from my book. Distribute my book for free and for a fee.

Antichrist Slut Sodomia does not work for a living and has spent many years writing books on Satanism, so he counts on financial support from the Satanist community around the world, I believe I will receive donations from members of the LGBTQ+ community. I also hope that my work will find financial support among feminists, queers and all people with non-standard sexual preferences, which are groundlessly condemned by the society of unenlightened creatures, fascists and underdeveloped organisms of evil biohumus. The Antichrist has no other income, but he needs money for household expenses, utility bills and food. To continue writing the second grimoire of Gay Satanism "Beyond the States", I need money for my support in our world. I count on cryptocurrency donations from my readers or viewers of the videos. The material

existence and creativity of the Antichrist rests on financial expenses for material life and here, even black magic against the forces of evil will not replace the presence of money.

ABOUT ADDITIONS TO THE GRIMOIRE "GAY LUST" FOR DEPTH SPIRITUALITY BY SATAN

To deepen the spirituality of Satan, Slut Sodomia has prepared and released two additions to its grimoire "Gay Lust" into the Information Space of the Internet, Darknet and torrent network:

- Albums of Satanic music videos for the immersion in the spirituality of Satan. Numbered periodical Journals. SatanSongs and QuasiSatanSongs are an occasional addition to the Gay Lust Grimoire. The lyrics have been translated into Russian. Lyrics in English are published in the English version of this supplement. Clips in MP4 format come as an appendix to this add-on. In total there will be 4 collections of satanic videos SatanSongs with 100 tracks each, plus there will also be an album of quasi-satanic songs QuasiSatanSongs about love, romance, lust. There is continuous numbering of compositions in all SatanSongs music albums¹⁵. Thus, there will be 500 video clips that help satanic spiritualization. The album QuasiSatanSongs has its own numbering of songs.

¹⁵ Continuous numbering implies a common numbering of objects in all albums of satanic musical compositions.

- Albums of fine art of gay Satanism for immersion in the spirituality of Satan SatanArt. Thematic numbered periodical Journals of the fine arts of gay Satanism SatanArt. This is an occasional addition to the Gay Lust Grimoire. SatanArt Albums contains paintings and drawings of gay Satanism on specific themes that are related to Satanism or sexual lust. I will publish these albums regardless of the grimoire itself. All paintings in SatanArt art albums have continuous numbering, just like songs.

DON'T HESITATE TO BE A SATANIST!

I like the phrases “Don't hesitate to be a Satanist!” and “Don't be shy about being Satan!”¹⁶. They are multifaceted, and are aimed at calling people not to be afraid to receive satanic spirituality and not to be afraid to resist evil.

NUMBERING AND CONTENTS OF COLLECTIONS-ALBUMS OF SATANIC PICTURES SATANART

The total number of collections and albums of satanic drawings and paintings of SatanArt is currently unknown. I would like to make about 100 albums if readers and the Satanic community like my work. Each SatanArt album will contain 100 drawings. There will be continuous numbering of all images in all music albums to organize the graphic material. Continuous numbering implies a common numbering of objects in all albums of satanic graphics SatanArt.

ADDITIONAL INFORMATION ABOUT GAY SATANISM FROM ANTICHRIST SLUT SODOMIA

I hope that my selection of digital Satanic paintings, drawings, photographs and other graphics of gay Satanism for immersion in the spirituality of Satan SatanArt will be useful to people, and you will find interesting images for yourself in my selection. Visual art for those who are already Satanists and for those who are just thinking about becoming a Satanist and are looking for a connection with Satan for their spirituality. Of course, these paintings can be viewed simply as beautiful masterpieces of fine art 😊, without being tied to the ideas of gay Satanism.

If you are interested in the topic of gay Satanism, you can download and read other books from Slut Sodomia:

- Grimoire of Gay Satanism “Gay Lust.” This is the main grimoire of gay Satanism. This is a magical book that allows me to become a Satanist, helps me see the evil of our world and destroy this evil.
- Albums of Satanic music videos for immersion in the spirituality of Satan, which I call SatanSongs collections. In 2024 I created 4 SatanSongs albums + 1 quasi-satanic album QuasiSatanSongs.

¹⁶ This is Satan's phrase. Our Spiritualizer Satan says this phrase to his children, the Satanists. The phrase does not refer to unspiritualized critters of evil who do not have satanic spirituality. And does not apply to mentally ill people.

The Gay Lust Grimoire is intended for both experienced Satanists and novice Satanists who want to deepen their spirituality with Satan or even gain it. The grimoire “Gay Lust” is a navigator for a Satanist and a conceptual basis in the fight against the evil of our world. There are Satanists not only among gays themselves, but also among straight people inspired by Satan. And that's great! It turns out that gay Satanism and my book are for all people in whom the fiery rage of sexual perversion burns, as an important element of spirituality by Satan. The book “Gay Lust” is a rebellion and liberation of your consciousness from the dungeons and frames of consciousness imposed on you by the system of the regime, religions and homophobia. The book is a grimoire of gay Satanism with the ritual of Summoning Satan and a code of principles of gay Satanism. The Gay Lust Grimoire is a training manual for passive fagots, active gays and trannies. The grimoire “Gay Lust” liberates the sexuality of any person and throws off the shackles of puritanical hypocrisy.

The grimoire “Gay Lust” is distributed completely free of charge in electronic form. You can freely download, quote and distribute the grimoire book. Look for the grimoire of gay Satanism “Gay Lust” on sites on the regular White Internet, Torrent trackers or on the Tor network on ONION sites.

The words of these songs are about Satan, or about Satanists, or about the liberation of people from the power of evil, or other quasi-Satanic themes. Songs of completely different genres! Their main feature is that good music inspires. At the time of completion of the first version of the grimoire, Slut Sodomia had collected 500 gay Satanism music videos:

ABOUT THE DEVELOPMENT, IMPORTANCE AND USE OF CRYPTOCURRENCY

I am writing this chapter about the development, meaning and use of cryptocurrency in 2024. Now, cryptocurrencies, as a means of speculation, investment and payments, are already working quite well, although for most people on planet Earth, crypto-coins are more of a mysterious phenomenon than an applied financial instrument. Slut Sodomia is very glad that a wonderful alternative to fiat money¹⁷ issued and controlled by SOCG has appeared. The name of this alternative is cryptocurrencies, Bitcoin and all the altcoins of the world¹⁸.

Cryptocurrency opens up enormous opportunities to get rid of the evil of SOCG on our planet Earth. It is control over material values that allows the SOCG to rule, mock people, dictate their laws and do various evils in our world (including wars, prisons and collecting tribute from the population). The material wealth of the SOCG is based on: power, evil and money. If the SOCG is stripped of its power over the financial control of money, it could significantly undermine the SOCG's power throughout the world. Cryptocurrencies operate outside of the SOCGs and do not need them.

Lately (since about 2015), the vilest SOCG's have been trying to stick their ugly nose into the control of cryptocurrency, its circulation and use. SOCG began to choke cryptocurrency enthusiasts and large financial speculators in cryptocurrency around the world. SOCG of the USA and Europe require registration and verification of the identity of people who use cryptocurrency on public platforms online and offline. Evil really wants to take control of cryptocurrency, and thereby strangle people's financial freedom. Evil does not want people to leave the orbit of the influence of the SOCG over money. Evil wants to destroy the very idea of freedom of cryptocurrency and the anonymity of its users.

It is very bad that many financial speculators - exchanges, exchangers and crypto-wallets have followed the requirements of the SOCG and force users to play by their rules. It's very bad that among crypto enthusiasts

¹⁷ https://ru.wikipedia.org/wiki/Фидуциарные_деньги Wikipedia. Fiduciary (from the Latin fiducia - trust), fiat (from the Latin fiat - decree, instruction, "so be it"), symbolic, paper, credit, unsecured money - money not backed by gold and other precious metals, the nominal value of which is established and is guaranteed by the state regardless of the cost of the material used for their manufacture. As a rule, irredeemable for gold or silver. Often, fiduciary money is used as a means of payment on the basis of state laws obliging it to be accepted at face value. The value of fiduciary money is maintained by people's belief that they can exchange it for something of value. The decline in the authority of state power leads to a decrease in the purchasing power of fiduciary money, that is, to devaluation, "flight from money" (attempts to maintain its purchasing power through investment), etc.

¹⁸ Bitcoin started the era of digital crypto assets in 2009. The shortcomings and limitations of the first cryptocurrency, as well as its open-source code, led to the fact that developers began to create other coins. They are called altcoins.

there is little talk about refusing collaboration with the evil SOCG. More and more cryptocurrency circulation is becoming dependent on the evil of the SOCG and its directives.

I urge the community of cryptocurrency developers at any level not to collaborate with the state and not to obey their gangster rules. SOCG is simply an evil crook in the field of cryptocurrency technology who wants to rape and subjugate this technology and the users of this technology. Don't let the evil of SOCG deprive you of financial freedom and an alternative financial future outside of states and without states. This was a philosophical preface about cryptocurrency, let me move on to the practice of using crypto-coins.

For beginners, I recommend entering cryptocurrency by opening and creating a non-custodial crypto wallet, which allows you to ensure security and convenient management of your cryptocurrency. Such wallets provide users with complete control over their funds, eliminating the participation of third parties and minimizing the risks associated with hacking or fraud. A non-custodial wallet is a computer program and a type of cryptocurrency wallet in which only the owner has full control over his funds and private keys. The wallet does not store personal information and does not have access to assets. When you create a non-custodial wallet, you are usually given a private key or a seed phrase (a series of words that can be used to generate a private key). This information is not stored by third parties and it is important that you keep it secure. If you lose it, you will lose access to your funds and there is no way to recover it.

In 2024-2025, the most popular, convenient, reliable software crypto-wallets, in my subjective opinion, are the following non-custodial wallets:

1. Exodus <https://www.exodus.com/>
2. MetaMask <https://metamask.io/>
3. Trust Wallet <https://trustwallet.com/>

Install these programs (one or more), downloaded from official websites, on your computer and begin to master entering the new era of electronic money, outside of states. These programs allow you to buy cryptocurrency with fiat money (dollars, euros and other currencies), make payments to other people's cryptocurrency addresses, and receive payments to your crypto wallet. Installation of these programs is quite simple and available for the most popular operating systems. After successfully creating a crypto wallet, you can send some crypto coins to Slut Sodomia to the details provided in this document if you like Gay-Satanism and the work of Slut Sodomia. I will be happy, and you will check your crypto wallet in action 😊.

To enter the world of cryptocurrency, you can use online services called crypto exchanges. A crypto exchange is a less reliable means of storing cryptocurrency than non-custodial crypto wallets, but some people may find it easier to work with crypto exchanges. Access and work with crypto exchanges occurs through a computer Internet browser, like with any other sites. Please note that crypto exchanges have full control over your finances and can block your money, at the request of fascists from different countries. There are many crypto exchanges and Antichrist Slut Sodomia cannot guarantee which of them is the best, most reliable and convenient. I will recommend four crypto exchanges that have been operating for a long time and with the help of these exchanges you can send donations, donations or royalties in cryptocurrency to Antichrist Slut Sodomia:

Kraken. <https://www.kraken.com>

Kraken is an American cryptocurrency exchange founded in 2011. It was one of the first Bitcoin exchanges to be listed on Bloomberg Terminal.

Binance. <https://www.binance.com>

Binance is the world's leading cryptocurrency exchange, serving 235 million registered users in over 180 countries.

Coinbase. <https://www.coinbase.com>

Coinbase is one of the most well-known names in the crypto industry. Launched in 2012, it offers an intuitive and beginner-friendly platform for buying, selling, exchanging, and storing cryptocurrencies.

SwissBorg. <https://swissborg.com>

SwissBorg is Europe's #1 app for securely buying and selling cryptocurrency with low fees, available in 47 countries and 16 currencies.

Best Wallet. <https://bestwallet.com>

Best Wallet is a non-custodial app that offers wallet and exchange services in a single secure decentralized environment.

The methods recommended by Antichrist Slut Sodomia for selling, buying and transferring cryptocurrencies cooperate with states, i.e. with fascists and SOCG. I do not guarantee the reliability of these trading platforms. Crypto wallets and crypto exchanges require people to provide documents when registering, require them to show themselves through photo or video filming. Cryptocurrency exchanges implement a Know Your Customer (KYC) policy to comply with anti-money laundering (AML) and counter-terrorism financing (CTF) regulations, ensuring the legality of transactions and the safety of users. To register on a cryptocurrency exchange, you need to provide personal data, confirm your identity with documents and a selfie, and wait for approval to access all functions. Exactly the same story when registering in regular banks. On the one hand, it gets rid of scammers, but on the other hand, it is control by various SOCG and loss of anonymity. If I find more anonymous and reliable options for making cryptocurrency transfers, I will write about it in the next versions of the documents.

DEDICATION TO THE CURRENT ALBUM OF GAY SATANISM SATANART #25

I dedicate SatanArt #25 to the fight against the evil of fascism. Let the damnation of Russians be a reminder of what happens to nations that support evil, are proud of evil and want to spread their degradation among other nations through war and propaganda. Russians are herd animals that live like the orcs of Mordor and worship the most harmful Sauron. The creatures of Russian Mordor do not need freedom and spirituality. Russians have rejected Satan and Satanism. The documentary album SatanArt #25 is a continuation of the artistic album SatanArt #24. Both of these albums are dedicated to racism and Russian evil, but the form of the images is different. SatanArt #25 presents documentary photographs of various Russian rallies in support of Putinism, rashism, SWO - i.e. war with Ukraine and with the entire civilization of "Western Europe + USA". Rashists are against LGBTQ+ and against Satanism. Rashists are for Orthodoxy, imperialism and traditional values of the fascist SOCG. The term "Russian" is not defined geographically or by a person's knowledge of the Russian language. The term "Russian" is associated with a person's support for Russian fascism and its mental dogmas. Orthodoxy, traditional values of rashism and Russian evil are the enemies of Satan, Satanists and the Antichrist. It is not entirely clear what the Russian fascist orcs are counting on, because they themselves will definitely go to Hell, their earthly deeds are damned, their offspring is damned for many generations. Russian degenerate alcoholics rejected Satan, choosing evil and lies. Their degradation is captured in the documentary selection of photographs in the SatanArt album #25.
