## PREFACE

The theme of the gay Satanist art magazine SatanArt #28 is Witches' Sabbats in the wild, in wild forests and deserted mountain edges. Witches' Sabbats can be viewed as picnics and thematic forums for Satanists in nature, connecting with forest spirits and natural forces. Witches' Sabbats are directly linked to Satanism. Typically, a Witches' Sabbath takes place naked—this is the most liberated form, transforming a person into an animal, a part of nature. Forest spirits and nature spirits are the primary sources for enhancing Satanic spirituality during forest revelry. Satanic Sabbats can be viewed as gatherings of Satanists for fellowship, fun, sex, and the exchange of Satanic experiences. Satan's Spirit directly ranks above the nature spirits, but these spirits are more tangible, unlike the Spirit of our Teacher in Hell. The difference between the forest spirits of the Sabbath and the spirits of Hell lies in their clarity, tangible naturalness, and closeness to Satanists. Of course, forest spirits are part of Satanism, and they have a positive effect on Satanists, even though they are not the Spirit of Satan himself.

Medieval theology (aka anti-Satanic propaganda) identified five key concepts of witchcraft: a pact with the Devil, intercourse with the Devil, the flight of the witch, the Sabbath, and the infliction of hexes by witchcraft. According to medieval court records, every encounter between witches and their infernal lovers or even the Devil himself was accompanied by revelry and pleasures. The culmination of this Satanic revelry was the

witches' nightly games, the main one being the Great Sabbath. Christian fantasists have used their Sabbath fantasies as accusations against Satanists and witches for many centuries, and they continue to do so today. In principle, it's rather odd to "make a pact with Satan" at a Satanic Sabbath, rather than beforehand, in my humble opinion. Only dedicated Satanists should attend a Satanic witches' sabbath, not onlookers looking to watch a show or strike a profitable deal. Christian sectarians still don't understand that Satanic spiritualization isn't a deal, but rather spiritualization<sup>1</sup>.

People gather at a witches' sabbath to deepen their Satanic spiritualization, to relax in nature, to connect with the spirits of the forest, to communicate with each other, to have sex, to meditate, and to consume beneficial entheogens.

SatanArt #28 is a puritanical edition of Satanist orgies among forest spirits and does not contain explicit erotica. SatanArt #28 may be posted on publicly accessible, puritanical online platforms because it does not violate the prudish norms of popular sites regarding erotica and "sensitive content." In addition to the puritanical edition of the Witches' Sabbath in SatanArt #28, I plan to create two erotic albums featuring the Satanist Sabbath. One, SatanArt #27, will contain artistic paintings of a Sabbath of naked female Satanists, and the other, SatanArt #29, will contain artistic paintings of gay orgies, as a modern-day LGBTQ+ version of a pornographic Sabbath of gay lust.

**Here's the definition of a witches' sabbath from Wikipedia:**

*A witches' sabbath is a supposed gathering of people believed to practice witchcraft and other rituals. This expression became especially popular in the 20th century. The most notorious and influential work on the witch hunt, *The Hammer of Witches (Malleus Maleficarum)* (1486), does not contain the word "sabbath." The expression "witches' sabbath" appeared in W.B. Sebastian Michaëlis's 1613 translation of *The Remarkable History of the Possession and Conversion of a Penitent Woman*. Unlike German and English authors, French authors (including French-language authors writing in Latin) used the term more frequently, though relatively rarely. The persecution of the Waldensians by the Inquisition appears to have deep roots<sup>2</sup>. In 1124, the term "inzabbatos" was used to describe the Waldensians in northern Spain. In 1438 and 1460, the apparently related terms "synagogue" and "synagogue of Satan" were used by French inquisitors to describe the Waldensians. In his *Compendium Maleficarum* (1608), Francesco Maria Guazzo describes a typical gathering of witches as follows: "The witches' servants ride on flying goats, trample the cross, and are rebaptized in the name of the Devil, giving him their clothes, kissing his bottom, and dancing back to back in a circle"<sup>3</sup>.*

Wiccan religious holidays are closely tied to nature and the Celtic wheel of the year, and Saturdays, called shabbats, are dedicated to them. There are four major sabbats: Samhain, Imblok, Beltane, and Lughnasadh, and four minor ones: Yule, Ostara, Litha, and Mabon. Additionally, any coven can hold a meeting at any time. The most famous dates for such gatherings are April 30 (known as Walpurgis Night) and St. George's Day (May 6 and December 9). Sabbaths are often held on Mount Lysaya, a hill with a large, flat clearing at its summit, surrounded on all sides by forests inaccessible to ordinary people. Other mountains are considered to be the seat of evil spirits, such as the Brocken in Germany and the Blokula in Sweden<sup>4</sup>.

Thus, modern pagans, i.e., quasi-Satanists, Wiccans, celebrate eight major holidays throughout the year, known as sabbats. These are based on pre-Christian customs associated with the movement of the sun. Most of them are associated with Celtic agricultural festivals, which give them their names. Pagan sabbats include four astronomical holidays (the equinoxes and solstices) and four traditional mid-season holidays. Together, these eight festivals are known as the Wheel of the Year. They are observed in Wicca and forms of neopaganism<sup>5</sup>.

<sup>2</sup> <https://en.wikipedia.org/wiki/Waldensians> Wikipedia. Waldensians. Waldensian teachings clashed with the Catholic Church, and by 1215, the Waldensians were declared heretics not because they preached apostolic poverty, as the Franciscans did, but because they refused to acknowledge the prerogatives of local bishops regarding the content of their sermons and did not recognize the standards determining who was worthy to preach. Pope Innocent III invited the Waldensians to return to the Church, and many did so, adopting the name "Poor Catholics."

Here's a definition of Wicca from Wikipedia:

*Wicca (from Old English "witch" or "sorcerer") is a neopagan religion based on the worship of nature. It became popular in 1954 thanks to Gerald Gardner, a retired British civil servant, who at the time called the religion "witchcraft." He claimed that the religion into which he was initiated was a surviving modern version of an ancient witchcraft practice that had existed secretly for centuries, with roots in pre-Christian European paganism. The veracity of Gardner's claims cannot be definitively proven, so Wiccan theology is believed to have emerged no earlier than the 1920s. According to followers, Wicca's roots go back centuries to prehistoric cults of Mother Earth and the Great Goddess. Wiccans, as followers of Wicca are called, typically revere the Horned God (in Satanism, this is Satan-Baphomet) and the Triple Goddess (in Satanism, called Hecate). A separate branch of Wicca, Dianic Wicca, venerates the Goddess exclusively. Other characteristics of Wicca include the use of ritual magic, loose moral codes, and the celebration of eight holidays corresponding to the Wheel of the Year* <sup>6</sup>. The Antichrist isn't sure why Wiccan followers don't want to call themselves Druid Satanists. But that's what they are, at their core. Paganism, in principle, is an ancient form of Satanism. Forest Sabbats and a spiritual connection with nature play a major role among all Druid, Wiccan, and Pagan Satanists.

There are modern Satanists who prefer to live in cities and practice Satanism in the comforts of human civilization. Modern "urban Satanists" venture out into nature from time to time, or never leave the city, because the urban environment is more pleasant for them than the wild, nighttime forest with its spirits. Therefore, the Antichrist Slut Sodomia doesn't claim that all Satanists practice forest Sabbats. For example,

<sup>6</sup> <https://ru.wikipedia.org/wiki/Викка> Wikipedia. Wicca. Page viewed date 10/22/2025

instead of holding a public Sabbath, the Antichrist Slut Sodomia prefers to gather mushrooms in the forest for food and winter storage. The Antichrist prefers this form of communion with nature. Introverts find communion with the spirits of the forest, in solitude and silence, very suitable. Of course, this isn't a witches' sabbath, but it offers a way to escape the city into nature, to connect with the spirits of the forest. Satan's inspiration of the Antichrist replaces the need to participate in public witches' sabbaths. Writing gay Satanist grimoires and creating SatanArt collections of visual art replaces the Antichrist's interaction with other Satanists at sabbaths. The Antichrist sees you, my dears, through your drawings and songs online. The Antichrist is delighted by modern Satanist drawings and songs; you're great. The Antichrist is an introvert and self-sufficient, so he can do without a sabbath. No, I admit, I like the idea of a loving union of Satanists in nature, in the form of a sabbath of LGBTQ+ like-minded individuals. I've organized picnics, hiking trips, barbecues, and summer solstice celebrations in the countryside, but I've never participated in a traditional witches' sabbath. Therefore, I will discuss the Satanist sabbath as an idealized process, as I would like to see it.

In the modern world, the witches' sabbath continues to exist, but its form has changed. It is no longer a secret gathering of a few individuals, but rather large-scale events that bring together devotees of mysticism and esotericism from all over the world. They come to share experiences, meet new practitioners and participants, and gain new knowledge and techniques. This is not only an opportunity to expand one's horizons but also to immerse oneself in a unique community of like-minded individuals. The witches' sabbath has become an integral part of modern witchcraft and witchcraft culture. It allows witches to create a community, share experiences, and advance their practices. Witches' sabbaths continue to attract women who want to learn magic, develop their skills, and immerse themselves in the world of ancient rituals. Moreover, a witches' sabbath is also a unique expression and recognition of one's individuality. Here, participants can experience a sense of freedom and belonging to a specific cultural and spiritual group. A witches' sabbath stimulates self-development and self-awareness, helping each participant express themselves and find their place in this world. Taken together, a witches' sabbath is a magical and spiritual event that fosters the growth and development of each participant, helping them gain new knowledge and experience, broaden their horizons, and connect with like-minded people.

In many countries with particularly cannibalistic criminal groups in power (SOCG is an acronym for the true meaning of the word: State Organized Crime Group), Satanists, Satan, and witches' sabbaths are banned. For example, this is the case in the territory of the so-called "Russia," which has been seized by the Russian Orthodox Church sect and Moscow's security services, led by Vladimir Putin. On July 23, the Supreme Court, following a lawsuit filed by the Prosecutor General's Office and the Ministry of Justice, declared the "International Satanist Movement" extremist and banned it in Russia in a closed hearing. Kirill Gundyayev, the leader of the Russian Orthodox Church sect, advocated for the designation of Satanists as extremists in early 2023. This means that not only witches' sabbaths and Satanist gatherings are banned, but also gatherings of Wiccans, witches, cosplayers, and any online publications by Russians about them, including the convening of sabbaths. Here's how one Russian website describes the ban on witches' sabbaths:

*Laws regarding witches' sabbaths can vary significantly from country to country. However, most developed countries have adopted regulations governing such gatherings, providing for various penalties and sanctions. (What regulations? These are simply evil ultimatums. Call a spade a spade<sup>7</sup>.)*

*Examples of legislative measures (What legislative measures? These are simply evil ultimatums. Call a spade a spade<sup>8</sup>):*

- 1. Prohibition of holding sabbaths outside specially designated areas or without prior permission from the organizers. This allows for the monitoring and regulation of such gatherings, as well as the prevention of potential illegal activities.*
- 2. Establishing criminal liability for organizing or participating in a sabbath if crimes are committed as a result of its holding. Such measures are aimed at intimidating and punishing potential organizers and participants, as well as preventing potential illegal activity.*
- 3. Systematic control and monitoring of Sabbaths using law enforcement agencies (What, "law enforcement agencies"? They're simply the enforcers of evil and criminals. Call a spade a spade<sup>9</sup>.) and special services. This allows for the timely identification and suppression of such gatherings, as well as the prosecution and punishment of their organizers and participants.*

*As you can see, evil never sleeps in Russia. Satanist Sabbaths are banned, the secret police of the "Russian Federation" criminal group monitors Satanist gatherings, and security officers and Russian policemen catch and arrest Satanists. Russian courts try witches and warlocks whenever they can physically reach them. The fascists of Russia have banned LGBTQ+ people, Satanists, and their gatherings. The fascists of Russia harm LGBTQ+ people and Satanists. The Russian population is fascistized and supports the evil against LGBTQ+ people and Satanists. All evil, as we know, goes to Hell after death.*

Various Christian writers have written, and continue to write, about Satanist witches' sabbaths. However, these texts cannot be trusted because these Christian sectarians are opponents of Satanists and Satan. These Christian writers distort, lie, and create a vile image of Satanic witches' sabbaths, discrediting them in their books and other libels (articles, exposés, monologues on TV and the internet, pamphlets, and false speculation). I will quote from the book "A History of Witchcraft" by Augustus Montague Summers<sup>10</sup>:

*Witches' gatherings varied greatly. At some festivals, Sabbats were held with particular solemnity, gathering as large an audience as possible. Everyone who belonged to the cult of darkness was required to attend, and punishment awaited those who shied away or delayed. In other circumstances, Sabbats were held*

<sup>10</sup> Augustus Montague Summers (April 10, 1880, Clifton, Bristol, UK – August 10, 1948, Richmond, UK) was an English writer, Catholic cleric, and researcher of the occult. The History of Witchcraft, 1926

*sporadically, limited to those residing in a specific region. Thus, representatives of only one coven of 13 people could participate in a gathering, sometimes slightly more. Covens varied widely across different countries, and there were numerous regional variations in the conduct of Sabbats. It is difficult to determine the order of Sabbats, and it is hardly worth attempting to do so. The liturgy of darkness was in every way the antithesis of orderly worship, in which, as the apostle said, everything should be done "decently and in order."*

*The cryptic, vile ceremonies of hell were quite complex, and it is quite difficult to form an opinion about them, especially since the witches' accounts combine many additional circumstances; they are contradictory, and many details are mutually exclusive. Nevertheless, a fairly complete picture of these orgies can be drawn, although some details remain difficult to explain and unclear, and are absurd and irrational. "The burlesque was mele l'horrible, and the puerilites aux abominations" (Ribet. La Mystique Divine, III, 2. Les Parodies Diaboliques) – "Clowning and jokes were combined with circumstances inspiring horror, childishness and laughter – with indescribable abominations." At the few gatherings, much undoubtedly depended on the fickleness and whims of the coven leadership. The conduct of larger gatherings was largely regulated and followed specific traditions. The word "sabbath" applies to any of these assemblies, although it should be noted that it could refer to a secret meeting of a few madmen dedicated to Satan, or a vast gathering presided over by incarnate demons, whose participants could surpass the first followers of Lucifer in crime, blasphemy, and rebellion. The sabbath is the embodiment of earthly pandemonium.*

*The origin of the word "sabbath" has not yet been clearly established. It hardly needs to be pointed out that it has no connection with the number "7," much less the well-known Jewish holiday. As can be seen, many locations were suitable for holding large sabbaths. Smaller gatherings were even easier to organize. A district coven might choose a field near a village, a forest, a rocky hilltop, a valley, a wasteland near a lightning-struck oak, a cemetery, an abandoned building, a remote chapel or a seldom-attended church, or sometimes the home of a coven member. It was wise to choose a remote and deserted location to protect against spies or accidental witnesses, and in many provinces, notorious glens or lonely hills had a reputation for being regularly frequented by witches and their servants <sup>11</sup>.*

There are many Christian libels written in our world by so-called "researchers" and neo-inquisitors. Their main goal is to convey to the reader the idea that witches' sabbaths were a terrible and disgusting phenomenon. Each of these writers' methods vary, but the result is always the same: denigrating Satanic forums and Satanic revelry among nature and the spirits of the forest. Evil not only arrests, judges, and captures Satanists, but also wages a propaganda war against Satanists and their outdoor picnics. It seems insane for Christians themselves to write such vile things, fabrications, and lies about things that have nothing to do with them. Christian sectarians' pry into Satanist affairs and chew them over in order to create a propaganda haze of deception for the reader, which is malicious anti-Satanic propaganda. Evil has always tried to pass itself off as good. This is how evil operated in the Dark Ages, the Middle Ages, and in the modern era of information saturation in our world. Christian sectarians have written countless vile books about how to recognize witches, how to kill witches, how to identify Satanists and their secret gatherings, i.e., witches' sabbaths and warlocks. Therefore, I request that all books by Christian sectarians and non-Satanists about Satanism and witches' sabbaths, in particular, be considered:

1. profanation,
2. defamatory propaganda by the forces of evil,
3. lies,
4. propaganda against Satanists,
5. the creation of a repulsive image of witches and their sabbaths.

Here is the definition of "witches' coven" from Wikipedia:

*Coven is the traditional term for a community of witches who regularly gather to perform rituals at a nocturnal sabbath. In the modern neopagan religion, Wicca is simply a cell, a group of participants. The word coven itself comes from the Latin convenire, meaning "gathering, meeting," which later mutated into the archaic English covin, meaning "deception, mirage." Geoffrey Chaucer's The Canterbury Tales uses the term "covent" to describe a gathering of 13 people. During the witch trials of 1662, the word "covine" was used in court documents to refer to a specific organization of witches. A similar expression, "Covine tree," can also be found in Walter Scott's 1830 work, "Letters on Demonology and Witchcraft." Traditionally, a coven is considered to consist of 13 members, one of whom serves as its leader. However, historically, such a strictly limited number of participants is rarely confirmed by court documents—only occasionally in trials conducted by the Inquisition. In theory, a coven should consist of six men and six women, preferably in pairs, and a master (High Priest)—however, this is more of a suggestion than a strict rule<sup>12</sup>. For a gay or LGBTQ+ coven, such a binary division between men and women is irrelevant. I would say a Satanic coven should consist of the optimal number of fuckers and bitches so that everyone can comfortably engage in love and Satanism. This is the definition of a coven from Slut Sodomia.*

**Next, Antichrist Slut Sodomia will share his vision of Satanic witches' sabbaths from a practical perspective. This may also partially apply to Wiccan and pagan gatherings, as I view Wicca and paganism as a lighter version of Satanism, a naturalistic approach.**

The main rule of any Satanic Sabbath is that there are no rules or dogmas governing its conduct. This could be the end of the story, but the fact is that we live in an overpopulated world, with few or far-flung wilderness areas untainted by anthropogenic pollution. People, foresters, onlookers, locals, and tourists alike wander everywhere. Of course, in the Siberian taiga, there are no such problems, but not all witches live in the Siberian taiga, as you understand. 😊.

The problem of finding a suitable location for a witches' Sabbath lies not only in the realm of anthropogenic pollution and overpopulation. The problem of finding a location for a Sabbath is also related to the fascists' control over fire safety regulations, forest management regulations, and rules for assemblies, rallies, and public events. Every organized crime group has these idiotic rules, and the fascists demand that witches obey them just like ordinary people. The entire planet Earth is occupied by the evil of the fascists and various organized crime groups, who impose their vile endings and stereotypical dogmas on people, including the rules for holding witches' sabbaths. Let's think about the practical side of organizing a sabbath.

The location for a sabbath must meet the following criteria:

1. The location must not be a publicly known place for celebrations or gatherings. The location must be the secret location of the witches' coven. Many ancient and famous "witches' mountains and glades" have become popular family vacation spots, and therefore are completely unsuitable for sabbaths.
2. The location must be suitable for lighting a fire and be fireproof. The ideal option is a forest edge, i.e., a forest clearing surrounded by forest. The size of the clearing depends on the number of participants and the size of the fire. 100 square meters is enough for one coven of 13 witches. A coven can be held in the mountains or on the shore of a remote lake.
3. The coven location should not be frequented by casual passersby. It should be located at a significant distance from human habitation.
4. The coven location should be closed on all sides by forest, mountains, or bodies of water.
5. The choice of a coven location should be based on the owner's rights: wildlife refuges and nature reserves, state-owned forests or land, or a forest plot privately owned by one of the witch coven

<sup>12</sup> <https://ru.wikipedia.org/wiki/Ковен> Wikipedia. Coven. Page accessed October 22, 2025.

members. I strongly advise against holding bonfires and covens in wildlife refuges, nature reserves, state-owned forests, or local government lands. Foresters walk, fly, and drive in these areas, and they might spot you or your Sabbath fire. After this, the SOCG's guards might rush directly to the Sabbath site, pestering the Satanist witches with their rules of conduct, laws governing the conduct, and other fascist grievances. Therefore, the best location would be a secluded private property whose owner would be happy to host a Satanic Sabbath.

The start time and duration of the Sabbath depend on the wishes of the participants and the goals of the Satanic event. It is believed that a Satanic Sabbath typically begins at midnight and during a full moon. As you can imagine, this idealistic version of the Sabbath doesn't always work out in practice. The Antichrist believes that the Sabbath can be held at any time, but it's best to select a time during the hours of darkness. Night in the forest is the most magical time for the forest spirits, and sunrise and sunset in the forest are also excellent times to begin the Sabbath. Besides the Sabbath itself, quite a bit of time is required to travel to the chosen location and for preparations upon arrival.

During the Sabbath, it is advisable to bring oneself into an altered state of consciousness using beneficial natural entheogens, which the Antichrist Slut Sodomia wrote about in the Grimoire of Gay Lust. The best entheogens for this are: THC marijuana, Red or Panther mushrooms, and magical psilocybin mushrooms. All these substances are non-addictive and have a positive effect on the connection with Satan, deepening the influence of the forest holiday and the forest spirits on the consciousness of Satanists during the Sabbath. Should beneficial entheogens be given to children? I think this can be done once the child has developed awareness or already understands Satanism. For children, the dosage of entheogens should be reduced several times. For adult coven members, it is important to find the right dosage of entheogens and not overdo it to maintain a cheerful and energetic state. Alcohol can be a supplement to entheogens, but it does not replace entheogens. Alcohol should not be given to children because it is toxic, addictive, and poisonous. Entheogens are safer and more beneficial for children than alcohol.

During the Sabbath, it is advisable to engage in love, lust, and pansexual Satanism. For outdoor lovemaking, it is best to use only THC marijuana as an entheogen. Under the influence of marijuana, lust will be at its peak. If a Satanist coven's primary goal is to have a good fuck outdoors, then marijuana is the optimal choice. Pansexuality or LGBTQ+ sexuality is mandatory in a coven, even if it is a heterosexual coven. Here is the definition of pansexuality from Wikipedia:

*Pansexuality (from the Greek πᾶν - all, and Latin sexus - gender) is a sexual orientation in which people experience romantic and sexual attraction to individuals regardless of their gender. A distinctive feature of pansexuality is that a partner is chosen solely based on personal qualities, worldview, and the emotions elicited from interactions with them, rather than gender identity. Pansexual people may be attracted to cisgender and transgender women or men, intersex people, and others. For pansexuals, gender plays no role in choosing a partner, nor does their own gender—they are "gender-blind" <sup>13</sup>.*

If a coven uses Red or Panther Fly Agaric as an entheogen, the desire for sex will be reduced because it will relieve lust, along with other addictions. Using Fly Agaric as an entheogen will create a strong connection with nature, a powerful connection with the forest spirits, and a strong connection with the External Information Field. Red and, especially, Panther Fly Agaric are suitable for a Satanic Sabbath in the Puritan tradition, i.e., without excessive debauchery, but with a high degree of immersion in Satanism and introversion. Please note that the Fly Agaric must be dried or in the form of an alcohol tincture. Please do not collect Fly Agaric mushrooms in the forest and eat them directly, as they contain ibotenic acid. After drying, the fly agaric

---

<sup>13</sup> <https://ru.wikipedia.org/wiki/Пансексуальность> Wikipedia. Pansexuality.

mushroom converts ibotenic acid into muscimol, which has no side effects such as nausea or digestive problems. Therefore, fly agarics should be taken with you, not eaten raw or cooked at the Sabbath.

The most versatile and beneficial entheogens, which combine the effects of the red fly agaric mushroom and the THC in cannabis, are magic psilocybin mushrooms and magic truffles. They have varying effects on the human mind: some induce Homeric laughter, some produce powerful visual effects, and some induce a strong desire to have sex and fulfill their lust in nature. The state of magic psilocybin mushrooms can be considered ideal for a fun and sexy Satanic Sabbath, with elements of mysticism and a good immersion in Satanism. If you have magic psilocybin mushrooms, they are ideal for all participants of the Sabbath. The use of alcohol at the Sabbath is permitted, but not required.

Useful supplies for a Satanic Sabbath:

1. A witch's cauldron for cooking delicious soup, stew, porridge, or pilaf. Outdoors, you'll get hungry very quickly, especially if you're having a lot of sex and climaxing frequently. You can simply grill some shish kebab or meat over the coals of a fire. In this case, a cauldron isn't necessary.
2. A camping pump or water pump for cleaning the bitches' anuses, plus a sufficient supply of water for all Sabbath participants. Bitches love to clean out their cloacae during anal intercourse.
3. A tent or trailer for shelter from the rain. Basically, any awning that provides shelter from the rain will do. Of course, cars can also be used for this purpose.
4. Independent lighting for the night, resistant to wind and rain. The best choice is LED flashlights with long-lasting, well-charged batteries.
5. It's a good idea to bring a variety of useful items for nature tourism to make your stay in nature as comfortable as possible.
6. It's a good idea to bring enough food, drink, and entheogens to keep the fun going for a long time. Several days of outdoor fun for 13 people will require a significant amount of provisions.
7. Water should be from clean streams, rivers, and lakes, but only after boiling or otherwise disinfecting it. Water can contain various pathogens, so you shouldn't drink unboiled water. A witch's cauldron should be capable of boiling and disinfecting water.

8. It's advisable to bring a saw, axe, and shovel. They will come in handy for a fire. Permaculture forests have many fallen and dead trees, so you can find firewood for a fire in the forest without harming living trees.
9. Fire-starting equipment – lighter, fire starter and fire starter fluid.

Having sex, especially anal sex, is very good outdoors, among like-minded Satanists. Sodomy is the most Satanic of sex. It's especially good if the passive coven members, i.e., the females, have anal prolapses. Of course, a witches' coven doesn't have to have sex if it so chooses. A Satanic Sabbath can be with sex—called an outdoor orgy—or without sex, in the form of a Satanist forum.

All Satanists love nature and don't want to pollute it, so I won't even hint that all human-made trash should be taken home, so as not to leave a polluted Sabbath site after the Satanic orgy. Of course, this doesn't apply to the biodegradable waste of Satanists. Shit, urine, and food scraps can be left in the forest—the forest will "eat" them. It's advisable to bury this organic waste in a secluded place. This compost serves as a fertilizer for the forest. A hole for this waste can be prepared in advance, in preparation for the coven.

**In conclusion, I'll add an important nuance to organizing a witches' coven, regarding the composition of the participants: all coven participants must have a satanic spirit, all participants must trust each other, complement each other, and value other coven members. Avoid inviting or bringing random people who have no connection to Satanism to the coven—this is perhaps the most important rule for organizing a witches' coven. There should be no random people at the coven.** The most optimal situation is when coven members are both friends and lovers. In my opinion, such relationships in a witches' coven should be built

from the start. A coven where the members don't like each other and can't fully trust each other naked (i.e., are embarrassed to be naked) should not hold covens outdoors. For this purpose, there are nature tourism, picnics, and forums. A witches' sabbath in nature is necessarily held among loving Satanists who want to trust and love each other, share common sexual preferences, and are based on the shared Satanic spirituality of all the sabbath participants.

## **DEDICATION OF THIS GAY SATANISM VISUAL ARTS JOURNAL SATANART #28**

Antichrist Slut Sodomia dedicates SatanArt #30 to the outdoor group revelry of Satanists, known as the Witches' Sabbath. Satanic bitches and active fuckers gather at the Sabbath to satisfy their Satanic needs. The main goals of the Witches' Sabbath are outdoor recreation, outdoor sex, socializing, and spiritualization with the spirits of forests, mountains, and bodies of water. The Witches' Sabbath is akin to a Satanist picnic and an orgy, simultaneously. Although spiritualization by Satan or other spirits is an individual phenomenon, many Satanists enjoy the company of other Satanists. The Witches' Sabbath is the culmination of Satanic spiritualization, when individual Satanists merge in harmony with one another, united by the Spirit of Satan through the quantum spiritualization of the External Information Field. I hope the witches' coven images from SatanArt #30 will serve as a visual guide for modern Satanists to organize covens and covens within the LGBTQ+ community.

*Image 2707. An astral vision of a witches' sabbath and the spiritualization of Satanism. No big deal!*

*Image 2708. Satanist circle dances at the Sabbath are a classic manifestation of Satanic revelry. They typically occur in an altered state of consciousness, under the influence of beneficial entheogens: magic mushrooms or magical flowers. These mushrooms and flowers appear on the flag of gay Satanism.*

Entheogens have been used in various rituals, from ancient to modern ceremonies, and have served as a kind of sacrament, facilitating mystical experiences and union with the divine. Entheogen (from the Greek ἐνθεος "inspired by the deity, in ecstasy" and γενέσθαι "to become") is the name of an informal group of various naturally occurring substances containing psychoactive compounds, traditionally used to achieve an altered state of consciousness with spiritual connotations and leading to intoxication. Shamans use entheogens to enter "mystical states" in which they "communicate with spirits and deities."

*Image 2709. A Satanist kisses Satan at a witches' sabbath, near a bonfire. The bonfire is a symbol of the entropy of Hell.*

*This painting reflects the animalistic lust of Satanists and the potential for bestiality.*

Satanism is the natural spiritualization of humans, who are essentially animals. Copulation with the Devil in the form of a goat is part of a love for animals, i.e., bestiality. Christian sectarians consider bestiality to be something bad, but that's their point of view, not the Satanists'.

*Image 2710. A Satanic witch flies to the witches' sabbath, riding on the goat Baphomet. The use of "strange" means of transport to the sabbath is due to the remoteness of the sabbath site. Neither buses nor trains operate in these areas, and even cars may not be able to reach them. Therefore, it is figuratively believed that Satanists arrive at the sabbath on their Satanic enthusiasm, whether on a broomstick or riding a goat.*

The image of witches flying through the night sky has long been present in European folklore. These stories are more than just metaphors, as they represent cultural memories of altered states of consciousness, visionary ecstasies, and nocturnal journeys. It was believed that on Walpurgis Night, the veil between the worlds thinned, and the witches' sabbath gathered under the moon not only to celebrate but also to embark on a journey, primarily of the soul, to places both real and mythical.

Exaltation is an elevated mood with a touch of unnatural elation. It is characterized by a highly heightened mental stimulation; it manifests itself as either a dreamy mood or boundless enthusiasm. It is sometimes accompanied by accelerated thinking, heightened self-esteem, and motor agitation. In the past, the term "exaltation" was used in psychiatry to denote hypomania <sup>14</sup>.

*Image 2713. The spiritualization of children at a forest sabbath is a particularly important event. It is advisable to introduce children of Satanists to the spirits of the forest from a very early age. Children at a witches' sabbath receive the greatest spiritual inspiration from Satanism, even from the spirits of the forest and nature, and even if the conscious spirit of Satan has not yet awakened in their consciousness. Child Satanism is similar to children's games, which are a necessary stage in the development of a Satanist. The spirits of the forest will help the child understand the spirits of Hell.*

I've prepared a separate Satanic art album, SatanArt #30, about the spiritualization of children. "Satanic Spiritualization of Children. Children's Satanism. Puritan Edition for Children." The spiritualization of children at a forest sabbath, or at an apartment Satanic sabbath, is a very effective practice, which the Great Magician of Satan and high priest of the Church of Satan, Anton Szandor LaVey, depicted in a series of photographs in his home. He introduced children to Satanism and lust from a very young age. Of course, Anton Szandor LaVey's photographs of children being introduced to Satanism were not taken at a forest sabbath, but were conducted as sabbath rituals in the comfort of the home. The spirits of the forest are, in this case, replaced by the comforts of civilization, which is why many modern Satanists conduct sexual orgies, which are a version of a witches' sabbath in the forest, in apartments or houses. For gay orgies, this option is definitely more convenient and simpler than the orgy in the forest, IMHO.

"Witches' Sabbath" is one of the paintings from the "Dark Paintings" series. The canvas was created during the artist's most difficult period, when he began to lose his hearing and suffer monstrous visions that haunted him in his dreams and waking life. He transferred these incredible hallucinations to the walls of his own home. "Witches' Sabbath" was positioned along the wall of a room, and with its incredible surrealism and dark coloring, it stunned everyone who entered the room.

Professor Wolfgang Beringer believes that by the fifteenth century, the idea of witches flying to secret sabbaths was firmly entrenched in late medieval rituals. These dream-like altered states of consciousness, rhythmic movements, and dancing in the night are reflected in reports and ethnographic records, as well as local folklore about witches flying to sabbaths on mountaintops on Walpurgis Night. Ecstatic journeys may be associated less with diabolical intentions than with the ancient legacy of visionary practices and systems of spiritual healing. Not always visible, not always understood, but remembered in bonfires and legends.

The forest also offers many other delicious berries, fruits, and nuts (raspberries, blueberries, blackberries, sea buckthorn, stone berries, actinidia, pine nuts, hazelnuts, and others). Our forests and forest edges abound in a variety of mushrooms. The forest heals us. Valuable medicinal raw materials are harvested here, used not only in folk medicine but also in scientific medicine.

The sisters dwell in a cave among the roots of the Sacred Oak, which grows atop Bald Mountain. Once a year, they hold a festival, the so-called "sabbath," on Bald Mountain, where, in the guise of rather attractive women, they occasionally descend to the peasants to listen to them and help them solve their problems. According to legend, described in the book "She Who Knows," the sisters were created by a witch who came to Velen from afar. Suffering from loneliness, she fashioned three "daughters" from mud and water. The druid, known as the Mother, ruled the surrounding lands, and the daughters helped her communicate with the people and receive gifts from them, serving as their voice.

*Image 2745. Luciferian Goat Ritual. A ritual dedicated to Baphomet-Satan.*

In the Bible, a scapegoat is one of a pair of kids released into the desert, taking with it all sins and impurities, while the other is sacrificed. This concept first appears in the Book of Leviticus, which speaks of a goat being thrown into the desert to bear the sins of the community. Practices bearing some resemblance to the scapegoat ritual are also found in ancient Greece and Ebla <sup>15</sup>. Baphomet, in the form of the Black Scapegoat, also signifies the persona of Satan, who is blamed for all the evil happening in our world—this is the second meaning of "Scapegoat." This is how the ritual goat is used in Christian sects. For Satanists, the Black Goat Baphomet is the personification of the one abandoned in the desert without water or food by the sectarians. It is also an image of our Teacher Satan, upon whom the evil of the entire world blames its misdeeds, as the "Scapegoat." Even the villain Putin is called Satan, a Satanist, or the Antichrist by many ignorant journalists, bloggers, and Christians. This is complete fiction and nonsense.

*Image 2746. A gay Satanist Halloween party at home is a version of a Satanic urban sabbath.*

The Antichrist Slut Sodomia will dedicate a separate issue of SatanArt #29 to a gay sabbath in the form of a sexual orgy, "A Satanic Sabbath of Gays and Pederasts in Porn Drawings. A Modern LGBTQ+ Gay Sabbath in the Form of Orgies and Group Sex. A Sexual Album." A forest sabbath of gay Satanists with sexual encounters is possible, but this raises many questions about the convenience and comfort of the event for the participants. Not all Satanists perceive the forest as a natural environment, preferring the comfort of the city. Not all passive gay bitches perceive the forest and nature as suitable for anal sex. I agree that it is more difficult to organize an anal orgy for gay Satanists in the forest, in nature. The Satanic holiday of Halloween is a variant of a sabbath and a party. Popular Halloween activities include trick-or-treating (or related dressing up and fortune telling), attending Halloween costume parties, carving jack-o'-lanterns or turnips, lighting bonfires, apple bobbing, fortune telling, and Halloween pranks.

*Image 2749. Satanic coven of witches with Devils.*

I'll describe the Satanic Sabbath from the perspective of a Christian sect: The Sabbath is a celebration of evil spirits, during which evil magic is performed, sinister miracles occur, and decent, devout people are obliged to remain either at home or in church. If we're specifically talking about the medieval European Sabbath, it was usually held on Saturdays and holidays, in the depths of the forest or on mountaintops. During this period, witches and sorcerers from all over the area would gather in designated locations, perform magic, mock Christian symbols, summon demons, and hold orgies with goats... So, let's examine this Christian humor in more detail:

What can I add here? Everything is (almost) correct, that's how it happens 😊, except for copulation with a goat. Not with a goat, but with the Devil, Satyr, or Baphomet-Satan. Active Satanic fuckers are Satyrs, and the bitches, sluts are Witches. Most Witches enjoy flying-riding on Satyrs' dicks. Furthermore, this isn't evil magic, but a ritual of Satanic black magic directed against the forces of evil in our world. Blasphemy of religions is the foundation of Satanism, and in this regard, Satanism is similar to atheism.

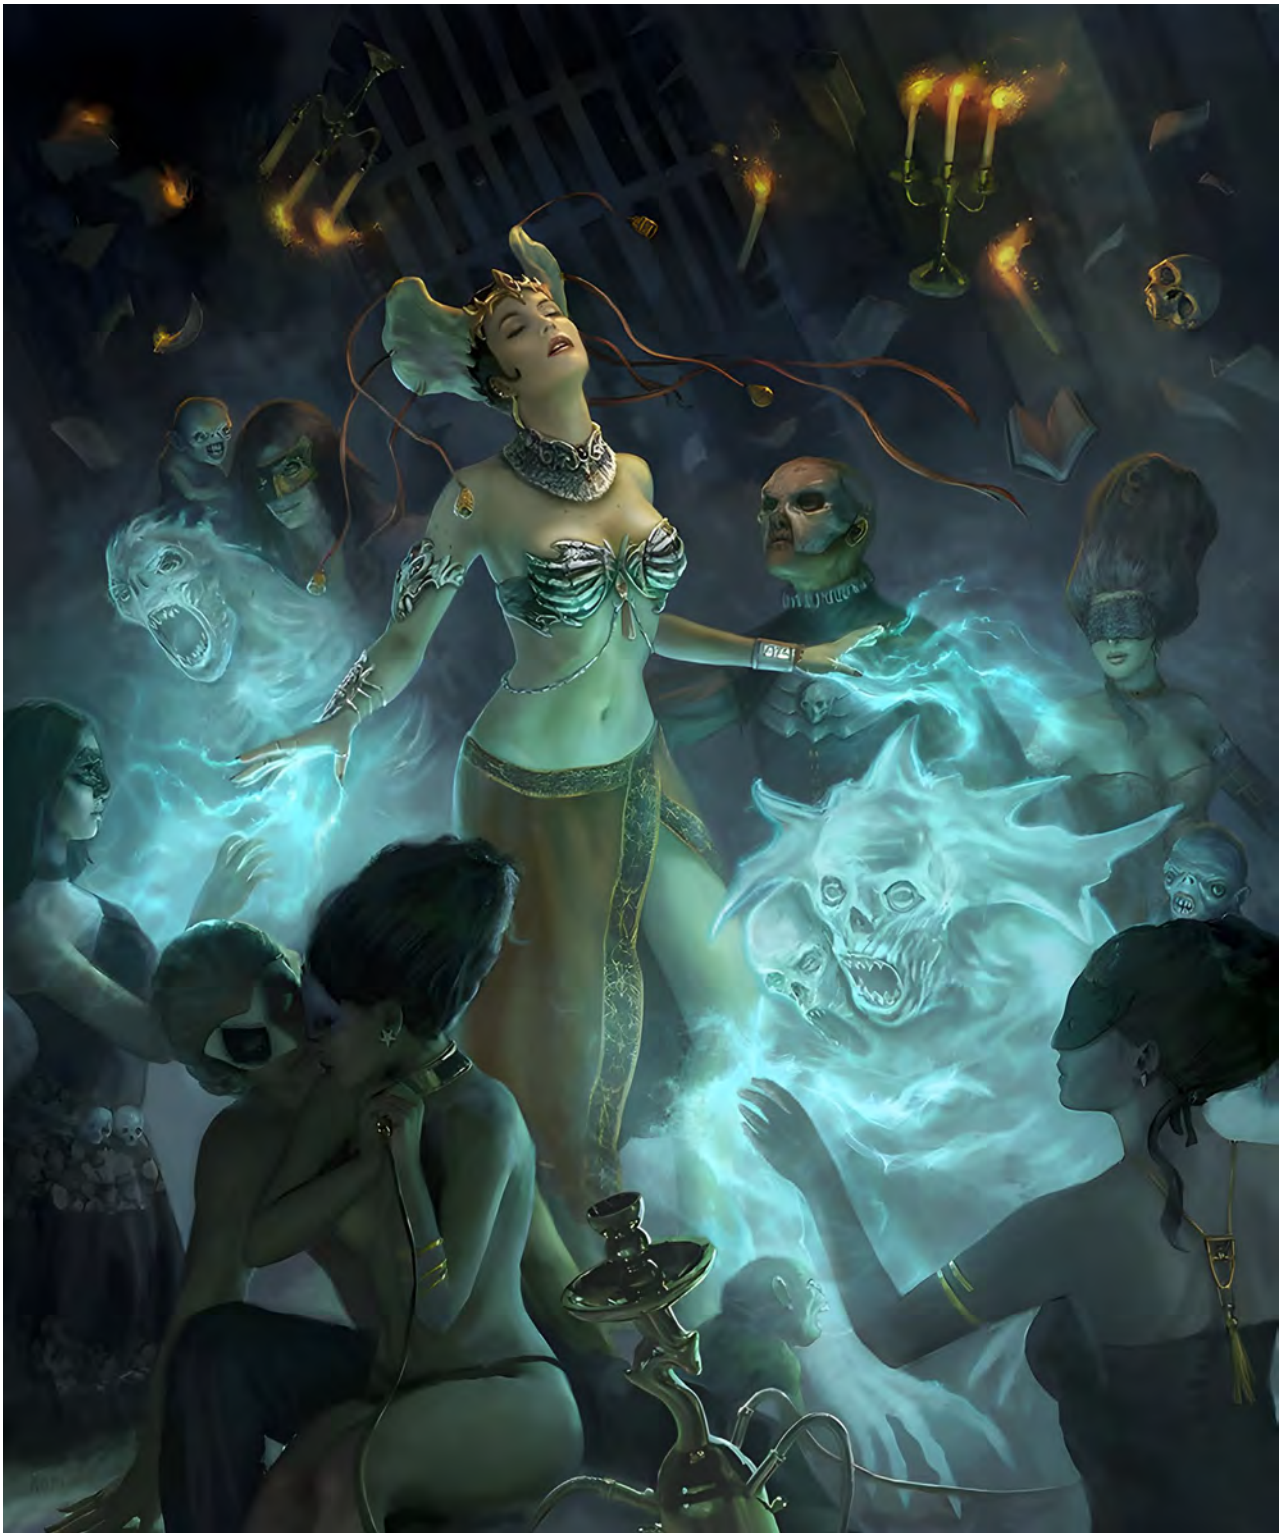

*Image 2751. An antique engraving of a large-scale witches' sabbath No. 1*

Image #2751 shows an engraving of "The Witches' Sabbath" (1613), created by the Polish artist Jan Ziarnko for the book by inquisitor Pierre de Lancre, "Tableau de l'inconstance des mauvais anges et démons" (Picture of the Inconsistency of Evil Angels and Demons). The engraving depicts stereotypical representations of witchcraft and the witches' sabbath, including flying on broomsticks and the preparation of potions. In the center of the composition, two witches are depicted bending over a cauldron, from which smoke rises, carrying the figures into the sky. To the left and right of the central scene, other witches are shown dancing, playing musical instruments, and participating in rituals. In the background, figures seated on thrones are visible, likely symbolizing Satan and other demonic entities worshiped by witches. In the Sabbath scene, de Lancre particularly demonstrated his literary prowess. With undisguised pleasure, he describes in detail the half-naked bodies rushing toward the meeting place on brooms from various directions, structuring the text to create a stunning panorama of unfolding events in the reader's imagination. Other demonologists worked similarly. Such descriptions were both captivating and memorable <sup>16</sup>. What Slut Sodomia sees in this engraving: two Satanist witches send children for adoption into Satanism from the left side of the engraving to the right, through the magic of the witch's cauldron. From the society of nobility and evil to Satan on the throne and two Satanists. It is suggested that two witches = two Satanists with snakes in their hands, near Baphomet, from the perspective of the Satanists' quantum existence in the dimension of Hell during life.

The witch's cauldron is an image deeply ingrained in our consciousness thanks to fairy tales, films, and books. It is associated with mystery, magic, potions, and, of course, witches. But what exactly is a witch's cauldron? The idea of cooking in a cauldron, or pot, has existed since ancient times. In Germanic mythology, the cauldron was a symbol of the goddess Freya, the goddess of love, beauty, and fertility. Her cauldron, filled with honey and wine, was a source of abundance for all the gods. Similar symbolic cauldrons are found in other cultures, emphasizing their importance in rituals and ceremonies. With the advent of Christianity and the onset of witch hunts, the image of the cauldron underwent significant changes. It became associated with dark forces, witchcraft, and evil spells. A witch bending over a boiling cauldron became a symbol of evil and danger. In folklore, the witch's cauldron is often described as enormous, sooty, with a crackling fire beneath. Not only herbs and roots are simmered in it, but also, according to rumors, more macabre ingredients: frogs' eyes, hair, bones, and even body parts of innocent victims. These macabre details, of course, are the product of folk fears and superstitions. Despite their grim reputation, witches, according to legend, also brewed healing potions and infusions.

In Germany, Walpurgis Night has been considered a witches' festival since the 8th century, according to popular belief. At this time, witches gather on Mount Brocken around Satan and celebrate the Sabbath. In ancient times, witches were actively combated with noise and light, because Satanists are quiet people and dislike unnecessary noise. In the Middle Ages, Walpurgis Night had no fixed date. The Celts celebrated the holiday after the hawthorn trees had finished blooming. In Great Britain, the custom of dancing around a pole decorated with flowers has survived to this day. The ancient Celts called this holiday Beltane. On this day, they traditionally lit two bonfires, and drove cattle between them after wintering to rid them of illness. The Italian tradition is similar to caroling. On the evening of April 30th or May 1st, a group of village youths goes from house to house with a green branch decorated with ribbons and flowers. On Walpurgis Night, Sicilians weave flower crowns in the fields or gather bouquets. In the Czech Republic and Slovakia, this holiday is considered the spring equivalent of New Year's. It is customary to erect a tall pine tree in the main square of the village, and hang sweet treats from its branches. Young people in Croatia and Slovenia take part in ritual processions. They visit locals' homes, singing and offering good wishes, asking for treats in return. To this day, Walpurgis Night remains a controversial holiday. On the one hand, it is a time of wild dancing around the fire and the revelry of evil spirits and demons; on the other, it is a day of fertility, the blossoming of nature, and the arrival of spring.

*Image 2767. Astral abstraction. Satanist pigs brought Satan an apple. Cuteness and satanic humor. The Sabbath of Pigs is an icon of Satanism. Don't ask me why they brought Satan an apple... I don't know the subject of the drawing.*

Many people may associate the pig with dirt and impurity; however, it's important to note that this animal is much more than that. In some cultures, it symbolizes abundance, prosperity, and fertility. Its role in the zodiac, for example, indicates its connection with good fortune and wealth. In Islam, pigs are considered unclean and forbidden to eat, as is the case in the Jewish faith. Pigs are also associated with demons, and it is believed that Satan himself appears in the form of a pig to deceive Muslim believers. In Christianity, the pig is often associated with impurity and sin. According to the New Testament, Jesus cast demons out of a man and into a herd of pigs, causing them to jump off a cliff and drown, symbolizing the defeat of sin (such as Christian religious tales). In Judaism, pigs are considered unclean and forbidden to eat according to the laws of kashrut. The pig's association with impurity stems from its status as a scavenger, known to eat whatever it can find. In Greek mythology, the god Dionysus was accompanied by a group of pigs, bred specifically for sacrifice. The Norse god Freyr also had a magical boar named Gullinbursti, who was believed to bring light into the world. In Gay-Satanism, the pig is a symbol of "gay pig sex," which signifies gay lust.

*Image 2771. Astral Sabbath of Demons in Hell.*

The word Demon has many meanings. In Gay-Satanism, Demons are considered Satan's assistants, lower in rank but still powerful. There are many Demons, and they have different names and tasks. For a Satanist or Antichrist who communicates with the Spirit of Satan, other Demons may be hidden, because our Teacher Satan is the chief Spirit of Hell, and communication with Satan supersedes any other Demons of Hell. This is the experience of the Antichrist Slut Sodomia. Other Satanists may have different experiences, although most Satanists note the leading role of the Spirit of Satan. In literature and in the public consciousness, the word Demon has three main meanings:

1. In ancient Greek mythology, a deity, a being between god and man.
2. In Christian mythology, the Devil, an evil spirit (Church).
3. An evil tempter, a being possessing a mysterious power that urges one to do something unkind and evil. Or, conversely, Demons help people and do good to them. In Satanism, Demons are considered allies of Satanists, both in our world and in Hell.

Young children of Satanists and non-Satanists can be introduced to Satanism if the children themselves and their parents so desire. A child's desire to participate in the Sabbath and their self-identification as Satanists are important factors in deciding whether to allow a child to participate in the Satanic Sabbaths of adult Satanists. Antichrist Slut Sodomia wrote in more detail about the spiritualization of children by the Spirits of Hell in the Satanism magazine SatanArt #30, "Satanic Spiritualization of Children. Children's Satanism. A Puritan Publication for Children." Developing Satanism in children is very beneficial, and it is similar to developing talent in other areas of human life. Satanism does not have any negative effects on a child, and if a child is not a Satanist, Satanism will not manifest itself. If the child is a Satanist and a suitable vessel for spiritualization, then the sooner the Spirits of Satanism or the Spirits of Creativity take hold of the child, the better. Satanism is voluntary and purely personal. There should be no violence or coercion of children, in principle. This is clear to everyone, but I'll clarify this point for critics and opponents of Satanism, just in case. The spirit of creativity, awareness, and critical thinking is beneficial for everyone, without exception. Besides spiritualization by the spirit of Satan, spiritualization by other Demons is also possible.

*Image 2779. Satanist herbalists prepare mandrake at a witches' sabbath, in the presence of Baphomet.*

Herbalists are specialists who use herbal plants for medicinal purposes. They are experts in collecting, processing, and preparing herbal infusions. When you inhale the aroma of fresh lavender or smell the tartness of wormwood in the air, you are in touch with an ancient art known to our great-grandmothers. Magical herbalism is more than just collecting plants, but a subtle practice of interacting with the spirit of nature, the energy of the earth, and human intention. Every witch, shaman, or healer at least once began with something simple: finding "their" plant. Herbalism was more than just preparing potions—it was an act of connection with the world in which every blade of grass has a voice. It was believed that a properly collected plant could bring protection, love, healing, or clairvoyance. Herbalism is associated with the collection of magical plants and mushrooms—entheogens. More down-to-earth and concretely, the most precious flowers on the planet are the most useful and versatile. What are these flowers? Of course, these are the flowers of THC-rich cannabis and other entheogenic herbs. Today, we are witnessing a psychedelic renaissance—a trend toward the legalization of psychedelics. Science is finding increasing evidence of the benefits of psychedelics for mental health. Natural plant psychedelics have been used for centuries in many cultures, which in itself speaks to their value. The most famous magical plants & entheogens —marijuana, ayahuasca, San Pedro cactus, peyote, iboga, psilocybin mushrooms, mapacho tobacco, and red & panther mushrooms—were considered sacred in all cultures.

Our everyday lives are so far removed from nature that we sometimes forget: forests were once more than just hunting grounds or a place to gather berries and mushrooms—they were the home of gods and goddesses, guardians of hidden knowledge and unpredictable forces. Many folk beliefs portray the forest as a kind of transition from the settled, "civilized" world into a realm of wild, sometimes hostile chaos. If you look back at old Slavic and European fairy tales, you'll notice that as soon as the hero enters the forest, strange things begin to happen. They encounter a witch in a hut or find themselves in a clearing where all evil spirits dance in the moonlight. Such symbolism is no coincidence: it has long been believed that the line of trees also marks the boundary between worlds and dimensions. Satanism considers humans to be animals with a special inspiration from a Spirit from another dimension called Hell. Forests and wildernesses represent a transition between worlds, and magical forest magic is filled with spirits between these worlds. With the advent of world religions—Christianity, Buddhism, and Islam—many images of forest and nature gods came to be considered "pagan," the languages and rituals of our ancestors were considered wild and superstitious, and sacred groves were considered the abode of "evil spirits." However, it is much easier to label something as witchcraft than to eradicate it from the depths of popular consciousness.

*Image 2785. Astral exaltation at a witches' sabbath, under the influence of entheogens*

The word "ecstasy" comes from the ancient Greek "ekstasis," meaning "to be placed outside." Ecstasy refers to a state of exaltation in which a person transcends their own self. Types of ecstasy can range from an evil spirit possessing a person's body to a divine spirit inhabiting a person, from magical transformation or a flight of consciousness to psychiatric illnesses. The most well-known form of ecstasy is the psychedelic trip. The experience of a psychedelic trip can be understood through analogies. A person either falls within their own personality or loses the boundaries of self-identification, merging with the world. And this process creates a specific set of impressions that change their lives forever. Each of us has experienced it. If you've ever dreamed, you understand perfectly what a psychedelic trip is. It is an uncontrollable flow of associations and images that unfold literally in front of your gaze. At the same time, the world around you changes in response to the emotions experienced. A mystical trip is, of course, not a dream. A mystical trip is a person's contact with other dimensions and immersion in the power of Satanic spirits. Some call it shamanism.

*Image 2792. An astral image of a witches' sabbath in the traditions of the ancient aborigines of our world (America, Polynesia, Oceania, Australia, or other places not occupied by modern fascists and their SOCGs)*

Now, in 2025, our world is overcrowded, and there are very few places left on planet Earth that haven't been overrun by the evil of fascism and the shackles of the State Organized Crime Groups (SOCGs) that call themselves countries and states. The natives of planet Earth lived in close connection with nature, which is different from the modern world. Of course, there are still wild places on Earth, but people with a modern spirituality don't live in these places. Modern people prefer the comforts of a civilization controlled by fascists. There isn't a single place on earth where modern civilization hasn't been corrupted by the shackles of the SOCGs. The SOCGs themselves aren't the source of civilization; these bureaucratic creatures simply parasitize on people through the evil monetary system. The fascists milk the population through the monetary system, like aphids suck the sap of plants. This was a philosophical digression from the topic of the witches' sabbath, but connected with the presence of wild places for holding the sabbath, at a small distance from the place of residence of modern people.

*Image 2793. The spirit of Satanism in the forest. The Sabbath in the wild forest is a mystery of the forest spirits.*

In the folklore of various peoples, nature spirits are beings personifying the elements or specific natural objects, such as forests, water, fire, and earth. These include the Slavic *leshy* and *rusalki*, as well as medieval notions of *sylphs* (air), *undines* (water), *salamanders* (fire), and *gnomes* (earth). These spirits can take various forms, from humanoid to bestial or even monstrous, and often have their own character and role in the ecosystem and mythology.

For Satanism, the stories and names of spirits from folklore are considered fiction or amusing historical myths. The exact names of the forest spirits are unknown, but these spirits are of a lower power than the Spirits of Hell in terms of spiritualization. However, these spirits are more tangible in the night forest. Anyone can sense the spirits of the night forest simply by spending a night in the forest, alone, i.e., without the noise of human company. Forest spirits are favorable to Satanists, as are the spirits and demons of Hell. While one must be a Satanist to perceive the spirits of Hell, one need not be a Satanist to sense the spirits of the night or day forest.

The fire of a bonfire is a symbol of entropy and a symbol of Hell. The color of Hell is yellow-orange, as the Antichrist Slut Sodomia, already wrote in the grimoire "Gay Lust." The color of a burning bonfire is also yellow-orange (approximately). Furthermore, entropy transforms one substance into another through the destruction of the original substance or object. Therefore, the symbol of a bonfire serves as an image of the gates of Hell, through which the forces of Hell enter our world. Witches dancing around a bonfire rejoice in fire, entropy, and the transformation of our world through the black magic of Satanism.

## KEY THESES FOR UNDERSTANDING SATANIC IMAGES IN ART

**Gay Satanism is not a religion or a sect. Gay Satanism is the spiritualization of man by Satan.** This term has another meaning. Gay Satanism is a creative direction of the artistic genre created and developed by the Antichrist Slut Sodomia. I do not want gay Satanism to become a religion, but I want it to become a fan movement for the liberation of one's own consciousness from the shackles of the evil of our world. Under the auspices of Satan, with the Antichrist Slut Sodomia incarnate. Gay Satanism is for all people spiritualized by Satan. Not only for gays and people of homosexual orientation. All people spiritualized by Satan are disciples of our Teacher Satan. We are all Satanists. The difference between Satanism and religion and evil is that it is an individual spiritualization. Mass demonstrations under the guise of Satanism are impossible, because Satanists are introverts. Fake Satanists of the future will gather herd gatherings of pseudo-Satanists (football fans, music fans, fans of the SOCG<sup>17</sup> or religion). A meeting of real Satanists is a sexual orgy or a sabbath of unity with nature in the nude. Other types of mass demonstrations of belonging to Satanism are fiction and a parody of Satanism.

<sup>17</sup> SOCG is an acronym that stands for the true meaning of state. State Organized Crime Group. The term was coined by Antichrist Slut Sodomia for the Gay-Satanism grimoire "Gay Lust".

**Satan is good. Satan is the Tamer of evil. Satan is revenge for evil in our world. Satan is Joy, Pleasure and Happiness.** For the evil forces of our world, Satan is the main enemy. Satan is an image in the consciousness of man and a mystical experience of connection with the spirits of another dimension, which is called Hell. For Satanists, Hell is their home. Connection with the spirit of Satan occurs at the quantum level. Modern science already studies and uses the quantum level for applied tasks. Satan is the main spirit of Hell, the Lord of critters, the Teacher of Satanists. Satan is not a god. Satan is the Spiritualizer, the source of black magic, the Alpha and Omega. Satan is the Adversary of evil and the Accuser of evil. Satan is the Father of all Satanists. Lilith is the Mother of all Satanists. Satan and Lilith are the sources of Satanic lust for all their Satanist children. Satan is the internal spiritualization of a Satanist, and not dogmas, sermons of priests or religious books. At the same time, Satanism does not deny the importance of biological parents.

**Darkness, the abyss** - this is the world of soulless critters, their states, their stupidity. This is the occupation of planet Earth by usurpers of power in the form of the SOCG. This is the image of the evil of our world. In some cases, they mean the opposite, because it is the evil of darkness that gives birth to Hell, vengeance and Satanists. "Children of darkness" in this case mean Satanists. Also, the image of darkness can mean Hell for the forces of evil.

**Light is Satan-Lucifer. Light is Satanism and Satanic spiritualization, bringing man closer to nature.** This is liberation from the shackles of evil and this is the image of freedom. This is the image of the Tamer of evil in our world and in Hell.

**Sadness, sorrow, regret** - this is an indication of the understanding that evil has embraced the whole world and the Satanist has to live in our world, under the yoke of evil. The main sources of evil are: crowds of inanimate critters, SOCG. This definition of the term is specifically for Satanism and for Satanists. Also, these images can mean ordinary human emotions in relation to people.

**Vengeance - this image is important for all Satanists.** Revenge on evil in our world and in Hell. Inanimate critters, activists of the SOCG, deceivers of religions and other evil will certainly be subjected to revenge and information entropy.

**Return of the land and return of freedom to people - this image is important for all Satanists.** It means the overthrow of all SOCG and religions, cleansing the earth from inanimate critters, from their stupid and senseless evil. This is the image of cleansing the planet Earth from states and their totalitarianism.

**Night is the image of the fact that a Satanist in the world of evil in our world, goes practically by touch.** The light for him in the night is his Satanic spiritualization. Darkness thickens at night and light is needed most of all at night. The term night is similar to the term darkness, but does not mean evil itself, but uncertainty and difficulty in orienting oneself, acting, living without light. Lost, abandoned and forsaken - this image in Satanism means that Satanists are no longer in Hell and that Satan and the forces of Hell are not directly accessible to them. Only through Satanic spiritualization. It also means that in our world Satanists do not have their own magic for the instant destruction of evil, as in Hell, in Satan's dimension.

**Religion is a dogma of worship of lies and evil.** Religion is a substitution of true spiritualization by Satan for critters. All evil critters are deprived of spiritualization by Satan, therefore they replace Satanic spiritualization with God and religion. Religion is a sect, a community for critters for whom herd mentality is important.

**God is the canon of evil, an example of a despotic, theocratic idol of evil.** God does only evil and God is evil, even because he deprives man of true spiritualization by Satan, i.e. the true Holy Spirit. There have been many gods in the history of the human species. All gods of religion are united by malice, connection with the state and with the leaders of the SOCG.

**Antichrist is a common noun, not a proper name.** It is written with a capital letter, like the word Satan. The concept of Antichrist means the development of a high degree of Satanism in the consciousness of a person. The term Antichrist also means a Satanist who is close to Satan and the forces of Hell and has a high power of black magic. A synonym for the word Antichrist is the expression Great Magician of Satan.

**Satanism is the spiritualization of people by Satan or other demons of Hell.** Satanism can also be considered as a philosophical concept that opposes theocratic dogma and the state machine of lies, violence, prohibitions, imputed duties to evil, herd behavior. The main difference between Satanism and religion or other philosophical concepts is that the spiritualization of a person by Satan and the forces of Hell occurs from another dimension at the quantum level. Therefore, Satanism is an internal part of human consciousness, and not imposed dogmas of our world through the media, culture, propaganda, morality, prohibitions or education. Satan's enlightenment comes to a person at birth or develops consciously, in later life. Satanism opposes the evil of our world and the lies of our world.

**Satanic lust is a developed and perverted sexual attraction, a constant desire to have sex, a desire to corrupt oneself and others to free oneself from the prohibitions of evil.** Satanic lust is not just a sexual feeling, but a special Satanic practice for knowing oneself, getting closer to Satan, and liberating oneself on an animal level. The peculiarity of Satanic lust (especially gay lust) is that Satanic sex is not aimed at procreation or at making new human offspring. Satanic lust is always aimed at receiving pleasure or for tantric meditation. Of course, Satanists can make children if necessary.

**A Satanist is a person who has Satanic inspiration.** Many clues about the lies of evil are given to the Satanist not only by the inner critical thinking, but also by the mental connection with Satan and the forces of hell. Satanic spirituality often gives the Satanist a feeling of introversion and individualism. Satanists and gays are always proud of their personal spirituality or the achievements of their spouse. Satanists and gays are proud of their Satanic spirituality and perverted lust. Satanists are proud of Satan.

**An unilluminated (unenlightened) critter is a person deprived of spirituality.** This is a zombie and a cog in the evil system. Inanimate critters are accomplices and assistants of evil. Unilluminated critters prevent Satanists and the entire human race from living happily, receiving spirituality from Satan. Inanimate critters love herd mentality and submission. They cannot live without territorial oppressors, enslavers and false information of evil. Such people make up more than 90% of the population of planet Earth. These people have instincts of survival and adaptation. These people have no connection with Satan or with the External Information Field of the level of awareness. Critters can be called a biological shell or imitation of real people. Critters always choose evil, herd mentality, conformism and speak in templates from media propaganda or voice the dogmas of religion.

**The state is an evil system that has divided the entire world into territorial zones of influence** and terrorizes people with its prohibitions, oppresses with prisons and physical violence, creates conflicts between criminal gangs and plunges people into wars between criminal gangs. The state is the main source of evil. The state is a materialistic sect with its dogmas, rules of conduct and a system of oppression of the individual. The state = international military criminal groups = occupiers of the lands of the Satanists = criminal gangs = SOCG.

**Fascism is a form of social organization expressed by discrimination by the state against its own citizens, that is, under fascism the supremacy of the state over the individual is recognized.** Fascism is a state. A strong state = a fascist totalitarian regime. The word comes from the Italian fascismo, fascio - union, bundle, bunch, unification; fascio di combattimento - union of struggle. Fascism is also an ideology and a socio-political movement within the framework of authoritarian or totalitarian militaristic ultra-nationalism and a corresponding dictatorial regime with strict regulation of society and economy. All states strive to regulate everything and on any issue. To do this, they constantly spew out different laws from their cesspools. All states are fascist territorial sects with their own ideology, rules and methods of oppressing the individual.

Fascism is a system of evil, in which a small group of people believes that they can dispose of other people, command people, deceive people through the lies of propaganda and the laws of submission to evil established by fascism. All SOCGs are fascist and their goal is material enrichment, social intraspecific elevation above other individuals of the human species and the possibility of oppressing people by psychopaths. All fascisms are built on the principle of SOCG. Real spiritual Satanists hate fascists, do not celebrate their fictitious holidays and try not to submit to this evil.

**Fascists, officials, bureaucrats are the evil of the human species, in suits or other costumed special clothing, who work for fascism or profess the principles of fascism.** These critters will receive such a reprisal in Hell that they will be ready to give all the money of our world to avoid entropy and retribution of the forces of Hell. But, it will be too late. Fascists, officials, bureaucrats of the SOCG, who are not economic-social-municipal employees of society, are criminals. Only a small part of the fascists are involved in improving the economic-social-municipal economy of people, and the majority of fascists are useless and harmful criminals.

**The laws of the SOCG and other territorial fascist groups** (local governments, prefectures, regions of the empire) are mandatory rules established by evil for people, with the aim of realizing the goals of fascism. All SOCG and fascist communities have their own laws to regulate behavior in the territories occupied by fascism. Satanists understand that the laws of evil are created for inanimate critters, with the aim of their subjugation, stupefaction and material use.

**The positive activity of organized territorial entities** is the organized management of communal services that is useful for the society of people, the development of the infrastructure of the society of people, maintaining the cleanliness of the territory and other social actions that are useful for the life of people, on the part of economic and communal local governments, prefectures, regional centers of territorial management. This is not a state, not an empire and not fascism. The Antichrist Slut Sodomia supports such activities and does not consider economic management to be fascism or evil. Currently, most territorial administrations support the fascism of the SOCG and are part of it. In a (future) society without the SOCG, the activities of organized territorial entities should be only economic and auxiliary, without politics, propaganda, religion and criminal concentration of power.

**A patriot is an active fascist or active Nazi of his SOCG.** A patriot is a person stupefied by propaganda who believes that his SOCG is better than another SOCG and he, as a member of this SOCG or a nationality within the SOCG, must do something for his SOCG in a selfless desire. A patriot is a slave of the SOCG. It is important for a patriot to be well proud of the greatness of his SOCG or the greatness of his Nazism. The pride of a patriot is always groundless, stupid and not aimed at pride in himself or his spouse. The pride of a patriot is always impersonal and is pride in the evil of the state regime that has seized the territory of the critter's habitation.

**Patriotism is a person's smearing in the evil of pride in the fascism of a group of politicians or the Nazism of a certain SOCG or union of SOCG.** Patriotism is a method of stupefying people, in which one SOCG exalts its importance in the eyes of people over another SOCG. Patriotism is belonging to a certain and evil group of lovers of local fascism, i.e. occupiers of the territory. Sometimes, the delirium of patriotism occurs at a distance (beyond the borders of one's SOCG) - then the patriot raves about the greatness of his SOCG, while being on the territory of another SOCG.

**Propaganda is a constant, massive and avalanche-like lie of the SOCG about its greatness and its particularly outstanding character.** The goal of propaganda is to make a person stop thinking critically and make him believe that he has a duty to the SOCG. For example, a duty to die in a war for the ideas of the SOCG, which are invented by the top of the ruling regime of this SOCG. Or a duty to obey the SOCG gang or a religious clan. Propaganda can be state and religious. In the world of the developed civilization of the white race, since the

19th century, the propaganda of the SOCG prevails over religious propaganda. Among the savages and religious fanatics of the damned peoples, religious propaganda still leads.

**External Information Field is a general name for processes and structures in our world and in other dimensions that are not visible to the usual human senses, but which exist at the level of information (quantum or even more complex types of interactions).** The External Information Field, hell, Satan, human consciousness, the Internet - everything that exists consists of information of a certain kind, and they are interconnected informationally and mentally. Modern human science in 2023 does not have the ability to describe and study the External Information Field, but this does not mean that it does not exist. Quantum science and quantum computers already exist, but this is only the beginning of understanding the External Information Field. The External Information Field is not the same as the gods of religions, the Internet database, electronic information on planet Earth, and it is not a paradigm. Usefulentheogens help to see, hear, connect to the External Information Field. They allow you to overcome the barrier of perception over the usual human senses. Some people can feel the External Information Field, even without the help ofentheogens. The External Information Field is most similar to a global multi-universe, presented as a gigantic set of information and algorithms for the interaction of this information.

**All that exists consists of information, our world consists of information.** The interaction between multi-universes occurs at the quantum-information level, faster than the speed of light. The speed of light is extremely small, compared to the level of quantum interaction between parallel dimensions.

**Black holes are passages between universes.** No gross matter can overcome a black hole. Only quantum information can pass through them. Through black holes, our world is connected with the world of Satan, i.e. with Hell. A black hole is a quantum tunnel for spiritualization by Satan.

**The damned are people or entire nations who rejected Satan or committed atrocities for which the black magic of Satanism was imposed on them.** Damnation manifests itself as degradation, decline, physical or mental torment, mental pathological state of doom, constant lies, stupidity, lack of talent, dirt, complicity with evil, religiosity. Evil is a marker of damned critters, it is the absence or rejection of satanic spiritualization, these are the deeds of critters to degrade their spiritualization. Evil is always filled with stupidity and lack of talent from spiritualization by the External Information Field. Evil critters are inanimate (unenlightened) biological shells, which are characterized by religiosity and a craving for herd behavior, under the leadership of the SOCG. The state, religion and dark herds of evil, selfish, inanimate critters are the main forces of evil in our world. The God of religions is EVIL. His main difference from Satan is his dogmatism, not his natural spiritualization of man. God forbids, Satan permits.

**A faggot, a pederast, a slut, a bitch, a passive bottom are slang names for passive gays in a perverted form.** I use all of these forms and they are all grammatically correct because this is the language of gay lust. The faggots themselves love such words. They love to distort these words; they love when these words are pronounced with humiliation. Analogues of these words in English: faggot, fag, looser, slut, bottom slut. A gay slut is a passive faggot who is not necessarily an MTF trans, but usually has a desire to become one. The term slut can be used to refer to any passive gays. The traditional desires of sluts & bitches are the desire to be fucked in the ass. Bitches want to fill their anal cunt with sperm and absorb sperm into themselves.

**Anal cunt, cloaca, gay cunt – all these words are synonyms and mean asshole, intestine and faggot lust during anal sex.** Such sexual words are used for faggot copulations, to add piquancy, perversion and depravity to them. A faggot's cloaca is an organ with two functions: to remove feces and to receive sexual pleasure. I like these sexual terms.

**LGBT or LGBTQ or LGBTQ+ or LGBTQIA+ is an abbreviation** for the words "lesbian", "gay", "bisexual", "transgender", "queer", "intersex", "asexual", "Asexual/Aromantic/Agender", plus additional categories of unusual people, their unusual ideas and extravagant communities. The Grimoire of Gay Satanism uses the

designation LGBTQ+ — a community of sexual minorities and perverts united by common interests, problems and goals. It consists of various communication groups, communities, subcultural movements, queer neighborhoods and queer organizations. All designations are equivalent. In the grimoire, I use the designation of the LGBT community with an additional letter Q and a plus sign. The letter Q stands for queers, and the plus in the name means that I also include feminists and all other people with non-standard views in the community: zoophiles, pedophiles, watermelon lovers 😊 and other perverts. I believe that feminists are close in spirit to LGBTQ+ and are part of it.

**Queer** is a collective term used to refer to a person whose sexuality and / or gender identity differs from the majority.

**MTF transwomen and dickgirls** are fully transitioned gay faggots who identify themselves as female with a male penis (in original form). Large female boobs are an optional attribute for MTF transsexuals. The abbreviation MTF stands for Male-To-Female transgender transition vector. Trans transition is very important for Satanism. Almost all MTF transsexuals are inspired by Satan and are Satanists. There are several levels of trans transition, which Slut Sodomia highlighted in her grimoire of gay Satanism, Gay Lust. For more information on penisgirls, read Slut Sodomia's Grimoire of the Antichrist.

**CIS, Cisgender** - these terms (cisgender is often shortened to CIS; sometimes cissexual) describe a person whose gender identity corresponds to the sex assigned at birth, i.e. a person who is not transgender. The prefix cis- is of Latin origin and means "on this side". The term "cisgender" was coined in 1994 as an antonym to the word "transgender" or "non-binary person" and entered dictionaries in 2015 as a result of changes in public discourse about gender. The term is an analogue of old-fashioned expressions from past centuries regarding sexual orientation and gender of people: (normal ordinary woman) = CIS woman and (normal ordinary man) = CIS man. At the moment, any gender and sexual orientation of people is recognized as "normal". Among the advanced peoples of white civilization, our world, sexually retarded savage people, homophobes and transphobes are recognized as abnormal. A synonym for this term can be the phrase NON-TRANS, and an antonym NON-BINARY or TRANS.

**Entheogens are substances of plant, fungal, chemically synthesized, or animal origin that allow a connection with the "entheos," that is, with the inner divinity, with the "divine principle" (entheo + genesis).** This is the same Greek root of the word theology, Zeus (teus, deus), enthusiasm (in theos, "one who lives in the divine"). Entheogens or psychedelic drugs such as lysergic acid diethylamide (LSD), DMT, marijuana, fly agaric, and psilocybin are associated with mystical experiences. At present, fascist drug laws limit their research. But major biomedical research centers have already found that entheogens predictably cause mystical experiences and, thus, allow us to study the state of the brain during these experiences. entheogens are not drugs because they not only do not escape from reality, but also bring you closer to it, and do not cause any physical tolerance, withdrawal or dependence; therefore, most of them are not illegal (ayahuasca, bufo alvarius, yopo, san pedro) and are used to deepen and deactivate from the very beginning the mechanisms and programs that interfere with our freedom and inner peace, leading us to self-knowledge and rediscovery of our true I-ego through connection with the External Information Field or with the Spirits-Demons of Hell.

**ZooSex and ZooPhilia are the normal human desire to have sex like animals, imitating animals or with real animals (usually a large dog or horse).** Man is an animal and there is nothing surprising in the desire to deepen his animal nature through transformation into an animal or through sexual intercourse with an animal. It is interesting that only a small number of people are involved with real animals, because it is difficult to organize. A significantly larger number of lovers of sex with animals prefer to fuck like animals or dress up and impersonate an animal. There is nothing wrong with this. Satan and Satanism approve of this, and the forces of evil prohibit or condemn it. Synonyms for the concepts of zoosex and zoophilia are such terms as bestiality and therianthropy. A light version of zoo-Satanism for children and adolescents is playing quadro-players,

quadrobers, furies, puppies without a pronounced sexual component. Zoophilia is equally loved by heterosexuals and homosexuals. Among gays and Satanists, there are not many lovers of animal sex, presumably up to 10% of the total gay population of planet Earth (a very rough estimate, for understanding. On farms this percentage is higher: 30%, in cities less). Most gays and Satanists prefer sex with people, without transforming into an animal. Zoophilia is not suitable for all people, but it is a good kind of Satanism. Zoophiles are part of the LGBTQ+ community.

**Homophobia is a kind of sexual stupidity of critters**, when they are surprised by the sexual freedom of LGBTQ+ people and are indignant about this freedom. Homophobia is a manifestation of hostile xenophobia to what critters are not able to understand, but under the influence of propaganda and religion are afraid of this, because this is an unusual phenomenon for them. Homophobes are also opponents of zoosex and zoophilia. Homophobia manifests itself not only in the field of sex, but also in the freedom of thought of evil critters. As false reasons for banning LGBTQ+ communities, homophobic critters traditionally cite protection of children, an imaginary opportunity to become gay or lesbian when visually interacting with LGBTQ+, or trampling traditional values of heterosexuals - only in the pussy and never in the ass. In fact, the reason for the fear of evil critters before the LGBTQ+ community is much deeper, and concerns the fact that among sexually free people there are many Satanists. Satan and Satanists destroy the evil of critters in our world and after the physical death of homophobes, they will be driven to entropy in Hell by all the forces of Hell. On a subconscious level, evil knows this, therefore the LGBTQ+ community carries the light of Satan in itself and is a danger to evil.

**For a more accurate transfer of meaning and for precise identification of terms, Slut Sodomia suggests calling gay faggots in English SLUT, and CIS girls with a female pussy to be called BITCH.** That is exactly how I called these two different categories of Satanists in my grimoires and albums of gay Satanism. Now, I am fixing this name in the dictionary of terms of gay Satanism. In the plural, all passive gays and MTF/FTM trans are called SLUTS, and "classic" girls (heterosexuals, lesbians) are called BITCHES. This is not a dogma, but simply a proposal for the LGBTQ+ community and clarification of my own terminology. It is possible to call it the other way around: a faggot called a BITCH means that he has finally started thinking only about being raped in the ass, like a CIS Satanist woman. If a CIS woman calls herself a SLUT, it means that she is close in spirit to the faggots and cock-girls from the gay Satanist community.

## SATANART AND SATANSONGS SATANIC ALBUMS LOGOS FROM ANTICHRIST SLUT SODOMIA

23.03.2025 Slut Sodomia created the official logo for SatanArt albums. Now I will use this logo for textual-symbolic designation of my SatanArt albums such a logo:

Everyone who has the fire of Satan in them loves special Satanic art. **Therefore, with the help of SatanArt albums of paintings from Slut Sodomia, you can check yourself and other people for belonging to Satanism and the presence of Satanic spirituality in you. The result is 100%, unless, of course, a person tries to masterfully hide it, i.e. lie. Moreover, they can lie not only to others, but also to themselves.**

Slut Sodomia realized that with the help of the SatanArt album, which she edits, you can make a test for belonging to Satanism and the presence of inspiration by Satan. Yes, this idea was “in the air” with me ..., but I could not formulate it. Now I have done it. Therefore, SatanArt albums are a litmus test for determining Satanism in a person.

**SATANART - TEST YOURSELF FOR SATANISM!**

I believe that visual paintings, as well as music, are able to enhance immersion in Satanism and give Satanic inspiration to people of different ages and nations. They are universal messengers of the ideas of gay Satanism and Slut Sodomia is very glad that so many talented graphic artists work in the field of Satanic painting. Especially in the last 20+ years, since 2000, there has been a mass appearance of magnificent works about Satan, Satanism and Satanists. Literally, in two decades, there was a rapid birth and development of modern Satanic art. A very large role in this was played by the computer, graphic programs and digitalization of art. I think that in the future, artificial intelligence and neural networks will also become assistants for many Satanic artists.

## ABOUT THE ANTHROPOMORPHIC AND ALLEGORICAL IMAGE OF SATAN IN THE ART OF SATANISM

Anthropomorphism and allegory in art have a rich and ancient tradition. Depictions of Satan are always anthropomorphic and allegorical because Satan can take any form. No one knows what Satan looks like in his canonical form and such a form does not exist. For a Satanist there may be a personal favorite form of Satan, and this is the form the Devil takes for the Satanist. I have already written about this in detail in the grimoire “Gay Lust”.

Allegory (from ancient Greek ἀλληγορία - allegory) is an artistic representation of ideas (concepts) through a specific artistic image or dialogue. Allegory is an artistic representation of abstract concepts and generalizations using specific figurative embodiments. The artist depicts and represents faith, love, soul, justice, discord, glory, war, peace, spring, summer, autumn, winter, death and similar concepts with living beings and specific images<sup>18</sup>. Anthropomorphism is a worldview concept expressed by nominative means of language, fine arts, etc. According to this principle, inanimate objects, living beings and fictional entities that do not have human nature can be endowed with human qualities, physical and emotional<sup>19</sup>.

Therefore, all artistic depictions of Satan are allegorical representations of our Teacher. More important than the

painted image itself is the person's perception of the painting. It could be surprise, lust, delight and other feelings. It is precisely these feelings that are born from viewing the paintings in the SatanArt album that are important. It is these feelings that give spirituality to Satan or immerse the beholder in Satanism. Also, the paintings in the album convey the general aesthetics of Satanism - this is a special sensual satanic beauty. Therefore, in addition to immersion in satanic spirituality, albums of paintings instill in a person an aesthetic sense of beauty.

## IMAGE SOURCES AND IMAGE COPYRIGHTS

Slut Sodomia took all the images for her album from open sources on the Internet. Many paintings are modified with available neural networks for image processing. If I know the name of the author of the picture, I indicate it. If I don't know the author's name, I don't indicate it. This document contains illustrations by various authors, and I include the artists' drawings in my album for scientific, educational or cultural purposes. This document is a free information source about Satanism. The authors of the works receive advertising of their name and their work from the Antichrist Slut Sodomia, so I am not interested in any claims based on the laws of the SOCG and other evil. Artists of Satanism receive free advertising and promotion from the Antichrist. However, I think that none of the real Satanists will make claims against me. Selfish evil, the Pharisees and lawyers of the SOCG may do this, but I am not interested in the opinion of evil. All evil will be subjected to entropy by Satan, like all the rest of the information garbage of our world.

## **ABOUT IMAGE FORMATS FOR SATANART ALBUM – PNG, WEBP, JPG**

I published all the images for the grimoire of gay Satanism in PNG or JPG/JPEG format. For SatanArt albums of satanic art, I will additionally use the good and relatively new WebP format. WebP - (English WEB Pictures) image compression format, both lossy and lossless, proposed by Google Inc. in 2010 year. Based on the still image (key frame) compression algorithm from the VP8 video codec. Uses RIF container<sup>20</sup>. This format provides good image compression with decent quality. If you can't open WebP images, either update your software or install codecs that will allow you to see these images on your computer.

Most of all, I like the PNG format, which produces fairly high-quality images, which is especially important when printing books in a printing house or on a printer. PNG (portable network graphics) is a raster format for storing graphic information that uses lossless compression using the Deflate algorithm. The PNG format is designed to replace the older and simpler GIF format, and to some extent to replace the much more complex TIFF format<sup>21</sup>.

I also use the classic JPG/JPEG photo format, although, in my opinion, this format is inferior to PNG and WebP formats. Thus, for the collection albums of Satanic drawings, photographs and other graphics of gay Satanism for immersion in the spirituality of Satan SatanArt, I will use three image formats PNG, WebP and JPG/JPEG. I will not use other image formats in 2025, although new and better formats for digital graphics may appear in the future and then it is worth using new products if necessary.

## **DISTRIBUTION OF THE ART APPLICATION OF GAY SATANISM SATANART IN DIFFERENT DIGITAL FORMATS**

Albums-collections of satanic drawings of gay Satanism SatanArt in electronic form are released by the author in two formats PDF and DOCX<sup>22</sup>. The e-book is free to download in any of these formats. Also, the graphical application of gay Satanism SatanArt is distributed in the form of a single ZIP archive file, which contains versions of the book in both PDF and DOCX formats. These are formats for publishing the images themselves with text titles and comments on satanic graphics from Slut Sodomia. Applications of Gay Satanism SatanArt is a useful addition to the Gay Lust grimoire for spiritualizing a person through the visual images of Satanism.

I have collected the satanic art pictures in a separate appendix so as not to take up a lot of graphics space in the Gay Lust Grimoire itself. You can download collections of Satanic drawings, photographs and other graphics of gay Satanism for immersion in the spirituality of Satan SatanArt on the Internet, on the Darknet on sites in the onion domain zone through the TOR browser or through torrents. Titles of paintings

<sup>21</sup> <https://ru.wikipedia.org/wiki/PNG> PNG. Wikipedia, the free encyclopedia. Page viewed date 06/14/2024

<sup>22</sup> According to their purpose, electronic document formats can be divided into those that can be viewed and edited, as well as those that can only be viewed or only edited. For example, the PDF format is intended for viewing documents, and DOCX is intended for both viewing and editing.

and text comments will initially be available in Russian and English. The texts of the comments in English are published in the English version of the SatanArt add-on - this is a separate file.

Thus, the visual application of gay Satanism SatanArt by Slut Sodomia "Collections of Satanic drawings, photographs and other graphics of gay Satanism for immersion in the spiritualization of Satan SatanArt" is available in the following options:

- In Russian – with titles and comments of satanic paintings in Russian in DOCX, PDF formats and their packaged version in ZIP format.
- In English – with titles and comments of satanic paintings in English in DOCX, PDF formats and their packaged version in ZIP format.
- The full version of the visual application of gay Satanism SatanArt with separately located pictures in PNG, WebP and JPG/JPEG formats, packed in a fairly large ZIP archive. DOCX, PDF + separate picture files in PNG, WebP and JPG/JPEG formats.

Portable Document Format (PDF) is a cross-platform open electronic document format originally developed by Adobe Systems using a number of PostScript language features. Primarily intended for presenting printed products in electronic form. There are many programs for viewing, as well as the official free Adobe Reader program. The book format as a PDF file is convenient to read and distribute electronically. Typically, no distortion is observed when opening this format on different operating systems and in different programs.

The DOCX format is a modernized version of the DOC format, and compared to its predecessor, this format is much more popular and accessible. A DOCX file is a document created using Microsoft Word 2007 or a newer version of Office from Microsoft. The file format is based on Open XML and uses ZIP compression to reduce file size. I recommend opening the DOCX file for work and editing in the original MS Word editor of this format from Microsoft, which is included in Microsoft Office 2019 and later. For reading and review, you can also use free programs that can open the DOCX format - LibreOffice Writer, OpenOffice Writer. Free programs may contain distortions in the document, offsets, errors in formatting and fonts. The author puts the book in DOCX format into the public domain for the purpose of publishing the book in paper form. This format can be conveniently formatted and edited.

ZIP is a widely used file archiving format that is used to compress one or more files in one location, reducing their overall size and making it easier to transfer data. Inside this archive there will be two book files in both PDF and DOCX formats, plus drawings of gay Satanism in the form of raster images.

To create ZIP archives and extract (unpack) the files they contain, special utilities can be used, for example terminal PKZIP and PKUNZIP or graphical WinZip, WinRAR, Info-ZIP, 7-Zip, PeaZip and many others.

Also, Antichrist Slut Sodomia sees great potential in spreading gay Satanism through creating videos from static documents of PDF e-books and PPTX presentations. Slut Sodomia will try to create a sufficient number of videos based on static digital files with text and pictures of Satanism. Perhaps it is worth converting all gay Satanism files to digital video format of modern 4K resolution. First, I will convert the most understandable and puritanical albums of gay Satanism to video format, and then I will make such video releases with other albums of gay Satanism.

## **FREEDOM OF DISTRIBUTION OF ANY INFORMATION**

Any information should be disseminated freely, openly and without interference from the evil of our world. No copyright should interfere with this. Each work has a true author and no copyright is needed, just as no legislation in the field of information dissemination or copyright is needed. Anyone who interferes with the freedom of information dissemination is criminals and enemies of your personal freedom. Self-balancing of

the information field of our world will not allow evil, harmful and false information to spread. All this happens without censorship from the state, automatically in the space of the information field of our world. Good and necessary information will be in demand, and bad and harmful information will become unnecessary. Also, the distribution of this book-album should be completely free. I know for sure that the evil of our world will recognize the main grimoire of gay Satanism as “illegal” and ban my book “Gay Lust”, as well as the music albums of Satanic songs and hymns SatanSongs and the albums of paintings of gay Satanism SatanArt.

Protect commercially important information and your personal information yourself if you need it. Your desire to withhold information is not a reason to prohibit public dissemination or discussion of this information. Any censorship and bans on information are an obvious evil. Everything secret, sooner or later, becomes clear.

## **METHODS OF PAID AND FREE BOOK DISTRIBUTION. LICENSE**

An album-collection of satanic paintings for immersion in the spiritualization of Satan SatanArt is an electronic book, a document that can be issued in the form of a book. You can include multiple SatanSongs albums in one paper or e-book. You can distribute SatanArt books from Slut Sodomia for free or for a fee. As you wish!

I am not against the sale of SatanArt albums in electronic form and in paper form. These sales will help support the author financially and at the same time distribute the book. You can sell a book in any electronic format and publish it in physical form. The author asks for 20% of the cost of selling the book in electronic form and 20% of profits in paper format. Selling my book or other text, graphic, musical materials and documents from Slut Sodomia:

- this is a convenient way for sellers to make money on books;
- this is a convenient way for readers, Satanists and members of the LGBTQ+ community to support the author;
- this is a method of distributing books about gay freedom and gay love around the world;
- this is a method of distributing a book about Satanism, spirituality and our Teacher Satan.

Electronic versions of SatanArt albums of any release can be distributed absolutely free under the terms of the license: “Attribution-NonCommercial-NoDerivatives” 4.0. International (Attribution-Non-Commercial-NoDerivatives) 4.0 Worldwide (CC BY-NC-ND 4.0). This book is free in electronic form. You can freely download, quote and distribute it as you please. Please only indicate the source and name of the author of the book Gay satanism album SATANART by © SlutSodomia. Ideally, please indicate the source for downloading the book or make your own download of the book on sites on the regular White Internet, Torrent trackers or in the Tor network on ONION sites and also indicate it as a source. You cannot exchange the cryptocurrency accounts of the author of the book for the cryptocurrency accounts of other people. Distribute the electronic version of my book!

## **TRANSLATION OF THE ALBUM OF SATANIC DRAWINGS SATANART INTO OTHER LANGUAGES OF THE WORLD**

The album SatanArt in the original (i.e. by Slut Sodomia) is written in Russian and English. Translate the book-album SatanArt into all languages of the world and distribute it in your language environment. The author of the book will be very happy about this. The more people can see satanic paintings and read the text titles-comments to them, from the SatanArt album, the better people will become and the more crushing the blow we will deal to the evil of our world. The visual power of art and the words of the Antichrist in the SatanArt album have a strong effect on the consciousness of man and his spiritualization by Satan. On the title page of my book, write your name as a translator or proofreader of my book if you will translate or correct errors.

## **DONATIONS TO THE AUTHOR AND COPYRATES WHEN SALES OF A BOOK IN PRINT AND ELECTRONIC FORM**

Antichrist Slut Sodomia has done a lot of work creating art albums of paintings of gay Satanism SatanArt, working on compiling this e-book, searching for drawings on the Internet and compiling their descriptions for you. Four reasons to support the author financially:

**The first reason** is if you share the ideas of Satanism. This book is a guide and grimoire for established Satanists and for people just beginning to gain insight. Let their path be illuminated by my literary work and help them receive the spiritualization of Satan in full, using my grimoire as a navigator.

**The second reason** - if you think that the book is useful and valuable for members of the gay fraternity, Satanists and the entire LGBTQ+ community - support the author with any donation. The book about gay Satanism exposes the evil of our world and shows why it is the state, religion and the dark herds of evil, selfish, unspiritualized souls that are the main forces of evil in our world. It is not Satan and not man's spirituality with joy, pleasure, sexual lust that is evil, but evil is located precisely in our world itself. It was evil, in the form of the state and religion, that destroyed Jesus of Nazareth, who was a disciple of Satan, a spiritualized man, and this evil still oppresses your freedom 2000 years later since the life of Jesus of Nazareth in our world.

**The third reason** - if you want to see a new and expanded version of this book or new books by the author - support the author with any donation. You can make all donations using cryptocurrency - this way you and the author of the book will remain anonymous. What is very important in the world of total censorship and a total ban on freedom of speech throughout the world at the moment on issues that do not coincide with the official propaganda of states and the ideals imposed by these states.

**The fourth reason** is if you make money from my literary work by selling it.

You can sell my book; you can translate it and sell translations of my book. You can do this freely, and I will be only happy about that. If you sell the book in print, I ask for a modest 20% of the profit. My written or oral permission is not required to sell the book - you can publish and sell this book. For example, you can publish this book in the form of registered or numbered copies on high-quality paper bound in leather with gold embossing at a high price. Or you can publish the book as a mass edition with a large circulation to spread knowledge about gay sex and gay Satanism at an affordable price.

Or you can put my book up for sale on any sites on the Internet where documents and books are sold in electronic form. If you sell the book as an e-book, I ask for a modest 20% of the sale price. You don't need any permissions for this. I give you this permission here.

Transfer 20% of the profit (for paper versions of the book) or the amount of copies of the book sold (for electronic sales) to the author's cryptocurrency accounts in any available cryptocurrency. These will be sufficient royalties for the publication. All copyrights belong to the author of the book.

**You make money from my book. Distribute my book for free and for a fee.**

Antichrist Slut Sodomia does not work for a living and has spent many years writing books on Satanism, so he counts on financial support from the Satanist community around the world, I believe I will receive donations from members of the LGBTQ+ community. I also hope that my work will find financial support among feminists, queers and all people with non-standard sexual preferences, which are groundlessly condemned by the society of unenlightened critters, fascists and underdeveloped organisms of evil biohumus. The Antichrist has no other income, but he needs money for household expenses, utility bills and food. To continue writing the second grimoire of Gay Satanism "Beyond the States", I need money for my support in our world. I count on cryptocurrency donations from my readers or viewers of the videos. The material

existence and creativity of the Antichrist rests on financial expenses for material life and here, even black magic against the forces of evil will not replace the presence of money.

## ABOUT ADDITIONS TO THE GRIMOIRE "GAY LUST" FOR DEPTH SPIRITUALITY BY SATAN

To deepen the spirituality of Satan, Slut Sodomia has prepared and released two additions to its grimoire "Gay Lust" into the Information Space of the Internet, Darknet and torrent network:

- Albums of Satanic music videos for the immersion in the spirituality of Satan. Numbered periodical Journals. SatanSongs and QuasiSatanSongs are an occasional addition to the Gay Lust Grimoire. The lyrics have been translated into Russian. Lyrics in English are published in the English version of this supplement. Clips in MP4 format come as an appendix to this add-on. In total there will be 4 collections of satanic videos SatanSongs with 100 tracks each, plus there will also be an album of quasi-satanic songs QuasiSatanSongs about love, romance, lust. There is continuous numbering of compositions in all SatanSongs music albums<sup>23</sup>. Thus, there will be 500 video clips that help satanic spiritualization. The album QuasiSatanSongs has its own numbering of songs.

<sup>23</sup> Continuous numbering implies a common numbering of objects in all albums of satanic musical compositions.

- Albums of fine art of gay Satanism for immersion in the spirituality of Satan SatanArt. Thematic numbered periodical Journals of the fine arts of gay Satanism SatanArt. This is an occasional addition to the Gay Lust Grimoire. SatanArt Albums contains paintings and drawings of gay Satanism on specific themes that are related to Satanism or sexual lust. I will publish these albums regardless of the grimoire itself. All paintings in SatanArt art albums have continuous numbering, just like songs.

## **DON'T HESITATE TO BE A SATANIST!**

I like the phrases “Don't hesitate to be a Satanist!” and “Don't be shy about being Satan!”<sup>24</sup>. They are multifaceted, and are aimed at calling people not to be afraid to receive satanic spirituality and not to be afraid to resist evil.

## **NUMBERING AND CONTENTS OF COLLECTIONS-ALBUMS OF SATANIC PICTURES SATANART**

The total number of collections and albums of satanic drawings and paintings of SatanArt is currently unknown. I would like to make about 100 albums if readers and the Satanic community like my work. Each SatanArt album will contain 100 drawings. There will be continuous numbering of all images in all music albums to organize the graphic material. Continuous numbering implies a common numbering of objects in all albums of satanic graphics SatanArt.

## **ADDITIONAL INFORMATION ABOUT GAY SATANISM FROM ANTICHRIST SLUT SODOMIA**

I hope that my selection of digital Satanic paintings, drawings, photographs and other graphics of gay Satanism for immersion in the spirituality of Satan SatanArt will be useful to people, and you will find interesting images for yourself in my selection. Visual art for those who are already Satanists and for those who are just thinking about becoming a Satanist and are looking for a connection with Satan for their spirituality. Of course, these paintings can be viewed simply as beautiful masterpieces of fine art 😊, without being tied to the ideas of gay Satanism.

If you are interested in the topic of gay Satanism, you can download and read other books from Slut Sodomia:

- Grimoire of Gay Satanism “Gay Lust.” This is the main grimoire of gay Satanism. This is a magical book that allows me to become a Satanist, helps me see the evil of our world and destroy this evil.
- Albums of Satanic music videos for immersion in the spirituality of Satan, which I call SatanSongs collections. In 2024 I created 4 SatanSongs albums + 1 quasi-satanic album QuasiSatanSongs.

---

<sup>24</sup> This is Satan's phrase. Our Spiritualizer Satan says this phrase to his children, the Satanists. The phrase does not refer to unspiritualized critters of evil who do not have satanic spirituality. And does not apply to mentally ill people.

The Gay Lust Grimoire is intended for both experienced Satanists and novice Satanists who want to deepen their spirituality with Satan or even gain it. The grimoire "Gay Lust" is a navigator for a Satanist and a conceptual basis in the fight against the evil of our world. There are Satanists not only among gays themselves, but also among straight people inspired by Satan. And that's great! It turns out that gay Satanism and my book are for all people in whom the fiery rage of sexual perversion burns, as an important element of spirituality by Satan. The book "Gay Lust" is a rebellion and liberation of your consciousness from the dungeons and frames of consciousness imposed on you by the system of the regime, religions and homophobia. The book is a grimoire of gay Satanism with the ritual of Summoning Satan and a code of principles of gay Satanism. The Gay Lust Grimoire is a training manual for passive fagots, active gays and trannies. The grimoire "Gay Lust" liberates the sexuality of any person and throws off the shackles of puritanical hypocrisy.

The grimoire "Gay Lust" is distributed completely free of charge in electronic form. You can freely download, quote and distribute the grimoire book. Look for the grimoire of gay Satanism "Gay Lust" on sites on the regular White Internet, Torrent trackers or on the Tor network on ONION sites.

## LIST OF ADDITIONAL APPENDICES TO THE GRIMOIRE OF GAY SATANISM FOR IN-DEPTH SPIRITUALITY WITH SATAN

Applications to gay satanism are satanic music and graphics:

1. Collections of Satanic music videos selected and compiled by Slut Sodomia.
2. Collections of satanic drawings, photographs and other graphics of gay Satanism, selected and compiled by Slut Sodomia.

**Collections of Satanic music videos**, created either by Satanists or non-Satanists, but they are devoted to the theme of Satanism, in the understanding of Slut Sodomia. The words of these songs are about Satan, or about Satanists, or about the liberation of people from the power of evil, or other quasi-Satanic themes. Songs of completely different genres! Their main feature is that good music inspires. At the time of completion of the first version of the grimoire, Slut Sodomia had collected 500 gay Satanism music videos:

1. Album of Satanic music videos for immersion in the spirituality of Satan. SatanSongS Nr. 1
2. Album of Satanic music videos for immersion in the spirituality of Satan. SatanSongS Nr. 2
3. Album of Satanic music videos for immersion in the spirituality of Satan. SatanSongS Nr. 3
4. Album of Satanic music videos for immersion in the spirituality of Satan. SatanSongS Nr. 4
5. Album of quasi-Satanic music videos for immersion in the spiritualization of Satan. QuasiSatanSongs Nr. 1

Gay Satanism graphic art, collected and designed in the form of SatanArt collections, suitable for publication on paper and in book form, will reveal the aesthetics of Satanism and help Slut Sodomia in the development of gay Satanism around the world. Your purchase of graphic albums-collections of gay Satanism graphics SatanArt, in DOCX / PDF / JPG / PNG / WebP format, will support Slut Sodomia financially, and I will know that

my work is in demand by people. Let the publication of SatanArt albums allow Satan to enter the souls of more people, let there be more Satanists and less evil from soulless critters.

## ABOUT THE DEVELOPMENT, IMPORTANCE AND USE OF CRYPTOCURRENCY

I am writing this chapter about the development, meaning and use of cryptocurrency in 2024. Now, cryptocurrencies, as a means of speculation, investment and payments, are already working quite well, although for most people on planet Earth, crypto-coins are more of a mysterious phenomenon than an applied financial instrument. Slut Sodomia is very glad that a wonderful alternative to fiat money<sup>25</sup> issued and controlled by SOCG has appeared. The name of this alternative is cryptocurrencies, Bitcoin and all the altcoins of the world<sup>26</sup>.

Cryptocurrency opens up enormous opportunities to get rid of the evil of SOCG on our planet Earth. It is control over material values that allows the SOCG to rule, mock people, dictate their laws and do various evils in our world (including wars, prisons and collecting tribute from the population). The material wealth of the SOCG is based on: power, evil and money. If the SOCG is stripped of its power over the financial control of money, it could significantly undermine the SOCG's power throughout the world. Cryptocurrencies operate outside of the SOCGs and do not need them.

Lately (since about 2015), the vilest SOCG's have been trying to stick their ugly nose into the control of cryptocurrency, its circulation and use. SOCG began to choke cryptocurrency enthusiasts and large financial speculators in cryptocurrency around the world. SOCG of the USA and Europe require registration and verification of the identity of people who use cryptocurrency on public platforms online and offline. Evil really wants to take control of cryptocurrency, and thereby strangle people's financial freedom. Evil does not want people to leave the orbit of the influence of the SOCG over money. Evil wants to destroy the very idea of freedom of cryptocurrency and the anonymity of its users.

It is very bad that many financial speculators - exchanges, exchangers and crypto-wallets have followed the requirements of the SOCG and force users to play by their rules. It's very bad that among crypto enthusiasts

<sup>25</sup> [https://ru.wikipedia.org/wiki/Фидуциарные\\_деньги](https://ru.wikipedia.org/wiki/Фидуциарные_деньги) Wikipedia. Fiduciary (from the Latin fiducia - trust), fiat (from the Latin fiat - decree, instruction, "so be it"), symbolic, paper, credit, unsecured money - money not backed by gold and other precious metals, the nominal value of which is established and is guaranteed by the state regardless of the cost of the material used for their manufacture. As a rule, irredeemable for gold or silver. Often, fiduciary money is used as a means of payment on the basis of state laws obliging it to be accepted at face value. The value of fiduciary money is maintained by people's belief that they can exchange it for something of value. The decline in the authority of state power leads to a decrease in the purchasing power of fiduciary money, that is, to devaluation, "flight from money" (attempts to maintain its purchasing power through investment), etc.

<sup>26</sup> Bitcoin started the era of digital crypto assets in 2009. The shortcomings and limitations of the first cryptocurrency, as well as its open-source code, led to the fact that developers began to create other coins. They are called altcoins.

there is little talk about refusing collaboration with the evil SOCG. More and more cryptocurrency circulation is becoming dependent on the evil of the SOCG and its directives.

I urge the community of cryptocurrency developers at any level not to collaborate with the state and not to obey their gangster rules. SOCG is simply an evil crook in the field of cryptocurrency technology who wants to rape and subjugate this technology and the users of this technology. Don't let the evil of SOCG deprive you of financial freedom and an alternative financial future outside of states and without states. This was a philosophical preface about cryptocurrency, let me move on to the practice of using crypto-coins.

For beginners, I recommend entering cryptocurrency by opening and creating a non-custodial crypto wallet, which allows you to ensure security and convenient management of your cryptocurrency. Such wallets provide users with complete control over their funds, eliminating the participation of third parties and minimizing the risks associated with hacking or fraud. A non-custodial wallet is a computer program and a type of cryptocurrency wallet in which only the owner has full control over his funds and private keys. The wallet does not store personal information and does not have access to assets. When you create a non-custodial wallet, you are usually given a private key or a seed phrase (a series of words that can be used to generate a private key). This information is not stored by third parties and it is important that you keep it secure. If you lose it, you will lose access to your funds and there is no way to recover it.

In 2024-2025, the most popular, convenient, reliable software crypto-wallets, in my subjective opinion, are the following non-custodial wallets:

1. Exodus <https://www.exodus.com/>
2. MetaMask <https://metamask.io/>
3. Trust Wallet <https://trustwallet.com/>

Install these programs (one or more), downloaded from official websites, on your computer and begin to master entering the new era of electronic money, outside of states. These programs allow you to buy cryptocurrency with fiat money (dollars, euros and other currencies), make payments to other people's cryptocurrency addresses, and receive payments to your crypto wallet. Installation of these programs is quite simple and available for the most popular operating systems. After successfully creating a crypto wallet, you can send some crypto coins to Slut Sodomia to the details provided in this document if you like Gay-Satanism and the work of Slut Sodomia. I will be happy, and you will check your crypto wallet in action 😊.

To enter the world of cryptocurrency, you can use online services called crypto exchanges. A crypto exchange is a less reliable means of storing cryptocurrency than non-custodial crypto wallets, but some people may find it easier to work with crypto exchanges. Access and work with crypto exchanges occurs through a computer Internet browser, like with any other sites. Please note that crypto exchanges have full control over your finances and can block your money, at the request of fascists from different countries. There are many crypto exchanges and Antichrist Slut Sodomia cannot guarantee which of them is the best, most reliable and convenient. I will recommend four crypto exchanges that have been operating for a long time and with the help of these exchanges you can send donations, donations or royalties in cryptocurrency to Antichrist Slut Sodomia:

**Kraken.** <https://www.kraken.com>

Kraken is an American cryptocurrency exchange founded in 2011. It was one of the first Bitcoin exchanges to be listed on Bloomberg Terminal.

**Binance.** <https://www.binance.com>

Binance is the world's leading cryptocurrency exchange, serving 235 million registered users in over 180 countries.

**Coinbase.** <https://www.coinbase.com>

Coinbase is one of the most well-known names in the crypto industry. Launched in 2012, it offers an intuitive and beginner-friendly platform for buying, selling, exchanging, and storing cryptocurrencies.

**SwissBorg.** <https://swissborg.com>

SwissBorg is Europe's #1 app for securely buying and selling cryptocurrency with low fees, available in 47 countries and 16 currencies.

**Best Wallet.** <https://bestwallet.com>

Best Wallet is a non-custodial app that offers wallet and exchange services in a single secure decentralized environment.

The methods recommended by Antichrist Slut Sodomia for selling, buying and transferring cryptocurrencies cooperate with states, i.e. with fascists and SOCG. I do not guarantee the reliability of these trading platforms. Crypto wallets and crypto exchanges require people to provide documents when registering, require them to show themselves through photo or video filming. Cryptocurrency exchanges implement a Know Your Customer (KYC) policy to comply with anti-money laundering (AML) and counter-terrorism financing (CTF) regulations, ensuring the legality of transactions and the safety of users. To register on a cryptocurrency exchange, you need to provide personal data, confirm your identity with documents and a selfie, and wait for approval to access all functions. Exactly the same story when registering in regular banks. On the one hand, it gets rid of scammers, but on the other hand, it is control by various SOCG and loss of anonymity. If I find more anonymous and reliable options for making cryptocurrency transfers, I will write about it in the next versions of the documents.

## **GAY-SATANISM IN ENGLISH LANGUAGE ON THE INTERNET**
