Picture 2808. Yaoi-style anime boys engage in a gay orgy with lots of sperm.	37
Picture 2809. My favorite artist, The Hun, specialized in classic gay orgies, with lots of sperm and no transsexuality in the passive nipples. This artist never has bottom boys turn into MTF trans girls.	38
Picture 2810. Group gay sex in a sauna or bathhouse is a classic example of gay lust.	39
Picture 2811. Gay sauna preparation for intercourse by gay graphics master Tom of Finland.	40

Picture 2823. The scene depicts an active sodomite leading a passive homosexual to a sex education school and gay sex club called "Training Academy." The passive homosexual resists... and this is quite unusual. Gay sluts usually initiate gang rapes of their own asses. However, the Antichrist doesn't know the original plot of the scene. Artist Stephen (Dom Orejudos).	50

This book is a study and analysis by the Antichrist Slut Sodomia of a specific area of Gay-Satanism. In the SatanArt Gay-Satanism almanacs, the Antichrist conducts a visual examination of artworks, paintings, drawings, and photographs by various authors, covering various topics of gay sex, Satanism, LGBTQ+, transgenderism, magic, symbolism, deviance, and revelations of the evil of our world. The SatanArt almanac is the Antichrist's academic work on the study of sexology, spirituality, and the psychology of the egregore of gay Satanism. ✖§§✖ Read, watch, get excited, and immerse yourself in the world of gay Satanism!

PREFACE

I dedicate this Gay Satanism almanac, SatanArt #29, to group sex between gay Satanists and "just" gays. "Gay Satanism" (or queer Satanism or LGBTQ+ Satanism) is a modern, progressive movement that combines the principles of personal freedom, anti-authoritarianism, and sexual inclusivity with Satanic philosophy. The "Gay Lust" grimoire (a guide to sexual Satanic rituals of gay Satanism) reinterprets traditional demonology and magic from an LGBTQ+ perspective. This is how AI and the Antichrist describe gay Satanism. Slut Sodomia agrees with AI. Group sex orgies appeal to both gays and Satanists because the Satanic lust of individuals merges into the ecstasy of pleasure and euphoria of the entire group, thus forming a micro-egregor. Egregors are very important to the EIQF, just as they are to the Antichrist. The Antichrist prefers to manipulate egregors more than individuals (there's nothing wrong with that). Egregors allow for the strengthening of Satanic spirituality, and for people who haven't yet recognized Satanism within themselves, they allow them to further express their gay Satanism by participating in gay orgies.

Homosexuals enjoy each other's cocks and bodies. Sodomites enjoy sodomy. **Group sex begins with three participants. This is the basic level of group sex. A gay orgy requires four or more participants. Therefore, Antichrist Slut Sodomia suggests calling group sex "threesomes" and orgies the love between four or more people.** In the introduction to the gay Satanism anthology SatanArt #27, "Group Gay Sex and Gay Satanist Orgies in Artistic Pictures. Volume 1. Sexual Edition," Antichrist Slut Sodomia will provide basic concepts of group gay sex, based on interesting and reliable online articles, which I will cite, with references to the source.

Everything you ever wanted to ask before attending your first gay orgy. So, are you interested in exploring the world of gay orgies, sex parties, and group sex? You're definitely not alone! Trust me! These experiences can be exciting and liberating for those interested in exploring their sexuality in a group setting. However, diving into the world of group sex can be daunting for newcomers. Don't worry; we've prepared a detailed FAQ guide to help you navigate your first step into the world of gay group sex. It may seem intimidating at first, but once you get the hang of it, you'll be hooked.

1. What is a gay orgy?

A male gay orgy typically involves a group of men engaging in sexual activity together. This can include various combinations of oral sex, anal sex, mutual masturbation, and other forms of sexual expression. Orgies can be held in private locations, such as someone's home or rented space, or they can take place in designated sex clubs or parties.

2. How to Find Gay Parties or Group Sex Events?

There are several ways to find gay parties or group sex events in your area. You can start by searching online gay websites, social media groups, or dating apps specifically for gay men interested in group sex. Additionally, some LGBTQ+ bars or clubs may host theme nights or events aimed at those interested in group sex. Always prioritize safety and consent at such events.

3. What should I expect at my first gay party or orgy?

At your first gay party or orgy, you can expect a wide variety of experiences and encounters. You'll likely encounter people of all ages, body types, and backgrounds gathered together to explore their sexuality. Communication is key in these situations, so be prepared to clearly communicate your boundaries and desires. Respect others' boundaries and always prioritize consent. Basically, don't be rude!

4. How to Prepare for a Gay Orgy or Sex Party?

Preparation is crucial for a successful gay orgy or sex party experience. Start with self-care and hygiene. Bring all necessary supplies, such as condoms, lube, and any personal items you might need, such as sex toys. It's also helpful to familiarize yourself with the rules and etiquette of the event in advance to ensure a comfortable and enjoyable experience.

5. What are the generally accepted rules of etiquette for gay group sex?

Respect, communication, and consent are the cornerstones of etiquette at gay group sex parties. Always ask for consent before engaging in sexual activity with anyone else. Respect the boundaries and preferences of others and never force anyone into anything they are uncomfortable with. Remember the need for open and honest communication with partners throughout the entire process.

6. How to ensure your safety during a gay orgy or sex party?

Safety should always be a top priority when participating in group sex. Use PrEP to prevent HIV transmission. Avoid excessive alcohol or drug use, as this can impair decision-making and increase the risk of unsafe behavior. Trust your instincts and leave any situation that makes you uncomfortable or unsafe. Also, before engaging in group sex, get tested for STIs and encourage others to get tested as well – safety first!

7. What should I do after a gay orgy or sex party?

After the event, take time to reflect on the experience and pay attention to your emotional and physical state. Take care of yourself: drink enough water, rest, and do what brings you pleasure. If you have any concerns about your sexual health, always get tested for sexually transmitted infections. Finally, remember that participating in group sex is a personal choice, and it's okay to take a break or retreat if you need to.

Exploring the world of gay orgies, sex parties, and group sex can be an exciting and rewarding experience for those who are curious and open to new ideas. By prioritizing communication, consent, and safety, you can enjoy fulfilling and enjoyable encounters while respecting the boundaries and desires of others. So, go ahead – adventure awaits you! ¹

Group sex is present in many gay relationships, but it can potentially create problems in partnerships. Alex Hopkins investigates.

"I felt caught in the crossfire, abandoned, out of place," James tells me. He's talking about his experience with group sex during his relationship with his now-deceased partner, Bill. The couple were together for 30 years, but were "a couple" for just over three. "He could never be faithful and was always unfaithful," James, now in his sixties, tells me. "It was terrible because I had this romantic idea of what our relationship should be. I wanted monogamy." When James realized that wouldn't happen with Bill, he agreed to participate in several group sex scenarios with one or more partners—but nothing worked out: "I always left feeling empty and unwanted; others got more attention, and the worst part was that Bill paid more attention to them than to me."

James's experience with group sex with a partner is similar to mine: I tried it years ago when I was in a relationship, but only in the beginning, when we first started dating. My jealousy came to the fore. Was my new partner truly attracted to me? Did he prefer the other members of the group? Was I not enough? In my head, I counted every time he touched me, and every time he touched the genitals of the other anonymous participants. Eventually: it became unbearable, and I left to pour myself a large bottle of vodka, seething with anger in the next room, while the others wheezed and moaned, achieving incredible orgasms.

Even a cursory glance at gay apps like Grindr clearly shows that group sex, at least at first glance, suits many gay men in couples. Headlines scream: "Active and passive seek passive and active"; "Active and passive seek versatile partners"; "Two passive people seeking an active one" (though I don't quite understand how that works!). Judging by this, the sex lives of many gay men resemble a Rubik's cube with a constantly evolving key to success, with a multitude of possible combinations. But behind the boudoir doors, is everything as harmonious as it seems?

"We like to add variety to our relationship," Joe tells me. He's been with Ben for three years, and the openness of their partnership was built into the beginning. "We've had honest conversations about what we want—a lot of sex, not just with each other, but also casual sex," Ben explains. "Men are programmed to be promiscuous. It's our nature. Denying that, I think, leads to problems." Group sex is something they both enjoy, but, crucially, it's not emotionally charged. "It's a purely mechanical process," Ben adds. "It's about having fun, experimenting with our bodies, with other people's bodies. Those are the rules, and there's never been any deviation from them."

But for others, trust must be established before they begin having sex with other men. Paul and Mario were together for three years before they started having group sex. They approached it cautiously and started gradually, with the occasional threesome. Over time, they added other partners. They now attend sex parties advertised online, as well as sex clubs, but, according to Paul, their relationship isn't based on that. "We both have to want it, and we don't do it all the time. I think there's a difference between occasional pleasure and habitual behavior. When it becomes an addiction, I think it can ruin your relationship. We've seen it happen with friends."

After five years of dating, Wayne and Brian decided to open up their relationship. They had both had a lot of group sex when they were single, but—like James—wanted a serious one-on-one relationship, which changed over time. "I think we decided, since we'd had group sex in our youth, why not try it together? Would it be very different from how we were before we were together? How would it feel?" asks Wayne. The couple agreed on a trial period of a few months, but nothing worked out. "After the initial novelty, I decided I didn't like it," says Brian. "I felt like I was sharing my man with others, although Wayne didn't see it that way. He thought everything was fine." Resentment built, and after much discussion, the couple decided to abandon the arrangement. "Ultimately, while I enjoyed it, my respect for Brian's wishes came first," Wayne concludes.

While these stories show that group sex has always been a part of some gay relationships, the way we "play with others" has changed significantly in recent years—largely due to the new phenomenon of "chemsex." James recalls what it was like when he was with Bill: "Our group sex was mostly sober. Yes, there might be alcohol and joints, but no hard drugs." If you search for information about group sex online today, you'll usually find chemistry involved, which makes it difficult for some couples to discuss group sex.

Chris and Phil, both in their twenties, don't remember a time when drug use wasn't a part of group encounters. "If you go to someone's house, you know everyone there will be high on mephedrone and HCV," Chris shrugs. "You take it for granted, and you're often expected to bring the necessary substances." Group sex under the influence of drugs led to problems. "I can become paranoid," says Phil. "The mood at night—or the nights, which often turn into days—changes dramatically. I want to leave. It only gets darker. This leads to arguments, unspoken hostility between us. I don't like it, but then we come back and do it again. Drugs blur boundaries, distort thinking. It can potentially destabilize already stable relationships, and it has changed the way gay men have sex. I think how we cope with this is another major issue we all face"².

² <https://www.gays.com/magazine/love-and-sex/group-sex-in-gay-relationships-how-does-it-work/> Group sex in gay relationships – how does it work? Group sex plays a part in many gay men's relationships – but it can potentially cause problems within a partnership. Alex Hopkins investigates.

Explain to me in more detail: how do I know if I'm ready for group sex?

A young gay man, "Curious Orgier," asks a reasonable and basic question about group sex online. The answer is published on the website of Men's Health magazine: *My boyfriend recently started talking about going to a gay sauna together and having sex with other people. I'm not against the idea. I think it's really exciting to have sex with a group of guys with my boyfriend. But in practice, I feel like I might not be able to handle it, even though I really want to. My question is: how do I know if I'm ready for group sex?*

No one can ever be 100 percent sure they're "ready" for group sex, or, for that matter, any new sexual act. Frankly, I don't think you want to be absolutely sure. In small doses, fear, risk, and uncertainty contribute to arousal during sexual experience. (Take sex in public places, for example. While we don't want to get caught, the fear of being caught is a turn-on for many of us.)

However, this doesn't mean you should necessarily throw caution to the wind. (Incidentally, you don't seem to do that.) When exploring something new sexually, you try to plan for possible outcomes. Of course, it's impossible to foresee every scenario, but you can prevent mistakes. In other words, some things are more likely in group sex, so let's create a plan for those situations.

Would you feel comfortable saying "No" or ending a scene mid-action?

The answer to this question should be a resounding yes. Many people, especially those new to sex (or who have experienced sexual trauma in the past), feel uncomfortable "admitting their non-consent." If you believe you're more likely to consent to a sexual experience because you enjoy it than to say, "I don't like it," then... If you're told "I'm leaving," then you shouldn't engage in group sex.

Would you feel a negative reaction if someone touched you without asking first?

In gay saunas, the norm isn't voluntary consent (where someone asks permission before touching, kissing, sucking, etc.), but rather "no-consent," meaning someone will likely touch you or grope you first. You should feel confident enough to pull your hand away, shake your head, and leave.

I remember the first time I went to a gay party; I was simply overwhelmed by the amount of touching and stuffed animals, and I left after ten minutes. Now I love gay parties, but I understand that you need to be in exactly the right mood for them. Okay, so let's say you answered those two questions like this: "I know what

to expect, and I'm perfectly comfortable saying no and turning guys down if they start getting too affectionate." Great, let's move on to potential scenarios to discuss with your boyfriend.

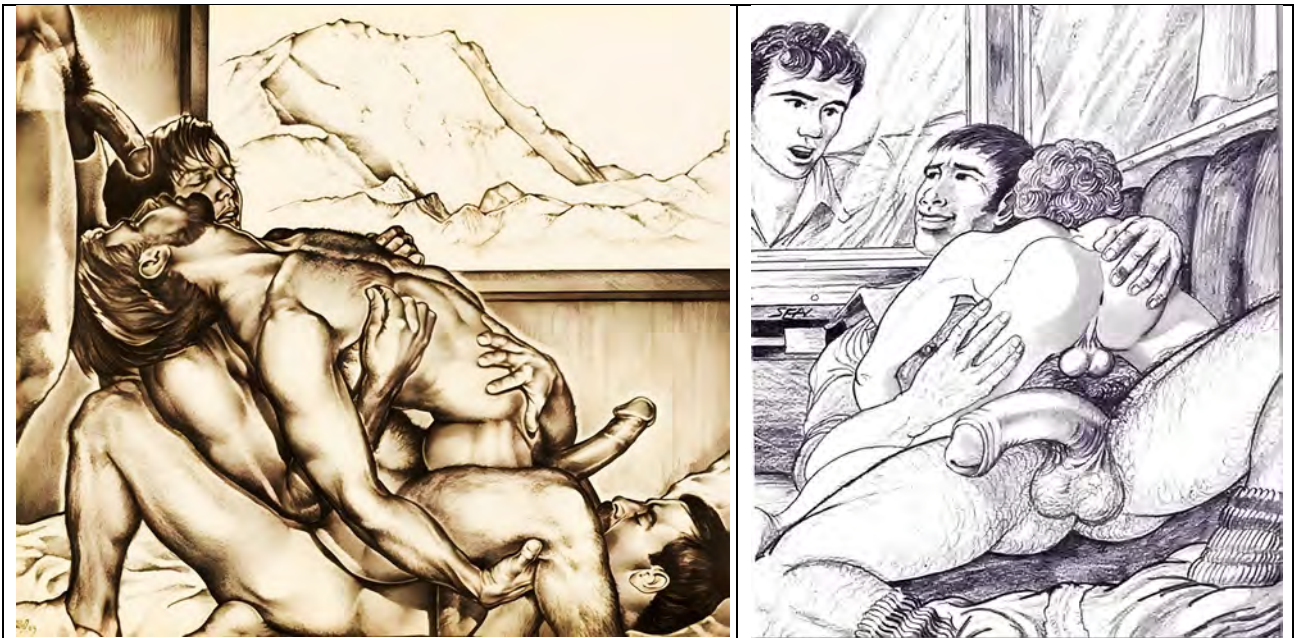

Would you like your partner to be with you at all times?

If you're having group sex in a gay sauna for the first time, I think the answer should be "yes." If you agree, I would say to your partner: "Since this is my first time and I'm a little nervous, I don't want you to go off and have sex with someone else without me. I'd like you to be with me, staying close while we have sex with others."

How do you both use protection?

FYI, it's common practice not to use condoms in saunas. Men who visit saunas often take PrEP (pre-exposure prophylaxis) to prevent HIV infection or have an undetectable viral load, meaning their viral load is so low that they can't transmit the virus sexually. (Of course, there's a risk of contracting other STIs, such as gonorrhea, syphilis, chlamydia, etc.)

There's no "right" answer to the question of how to proceed; it all depends on your risk tolerance, but you should discuss it with your partner beforehand and come to a mutual agreement. You don't want to think you're using condoms, only to turn away and see your boyfriend leaning over and having sex without a condom.

You can discuss the possibility of leaving at any time.

Let's say your group sex fantasy doesn't work out in real life. You'd want your boyfriend to come home with you, right? You don't want to awkwardly mumble, "Yeah, I mean, if you want to stay, you probably can, but I'm going home, and it would be nice if you came with us" (or something like that). That's just awkward. So, let your boyfriend know in advance that you'd like him to go with you, and be supportive if you don't enjoy it. Since this is your first group sex experience, I want you to feel confident enough to be a little selfish. This experience should be about you feeling safe, being sexy, and having fun. Your boyfriend is here to support you in this new experience. This time, it's not about him.

It would be different if you were both experienced sluts who'd been to the sauna fifty times. In that case, and you're tired or just not up to it, I'd advise you to leave your boyfriend and have some fun when you get home alone. But that's for the future³.

HIV protection during group orgies: Pre-Exposure Prophylaxis (PrEP). Pre-exposure prophylaxis against HIV, using special pills (or, in rare cases, injections).

Pre-exposure prophylaxis, also called PrEP, is a safe and effective prescription medication that can reduce the risk of HIV infection by as much as 99%.

Pre-exposure prophylaxis (PrEP) may be right for you if you have tested negative for HIV but have certain other risk factors.

Talk to your healthcare provider about pre-exposure prophylaxis (PrEP) or use the HIV healthcare provider locator to find a doctor near you.

What is PrEP?

PrEP, or pre-exposure prophylaxis, is a medication taken by people at risk of HIV infection to prevent HIV infection through sexual contact or injection drug use. PrEP can prevent HIV from becoming established in the body and spreading. There are currently two FDA-approved daily oral medications for HIV pre-exposure prophylaxis (PrEP). There are also two FDA-approved long-acting injectable forms of PrEP: one administered every two months and one administered twice a year.

Why take PrEP?

Pre-exposure prophylaxis (PrEP) is highly effective when taken as directed. Pre-exposure prophylaxis (PrEP) reduces the risk of sexually transmitted HIV infection by approximately 99% when taken as prescribed. Among people who inject drugs, it reduces the risk by at least 74% when taken as prescribed. The effectiveness of PrEP is significantly reduced when taken inconsistently.

Pre-exposure prophylaxis (PrEP) can help reduce the risk of acquiring HIV through sexual contact or injection drug use. PrEP can be taken as a pill daily or injected every two months.

According to HIV.gov, approximately 1.2 million people aged 13 and older in the United States are living with HIV. Of this group, approximately 13% are unaware of their HIV status.

Pre-exposure prophylaxis (PrEP) can help reduce the risk of HIV transmission between partners with different HIV statuses. If you don't have HIV but are at increased risk, talk to your doctor about whether PrEP is right for you.

How does pre-exposure prophylaxis (PrEP) work?

The pills used for HIV prevention (PrEP) belong to a class of antiviral drugs called nucleoside/nucleotide reverse transcriptase inhibitors (NRTIs).

NRTIs block the reverse transcriptase enzyme that HIV uses to convert its RNA into DNA (reverse transcription). This prevents the virus from replicating in the body.

HIV prevention (PrEP) involves injections of antiretroviral drugs called integrase inhibitors (INSTIs).

³ <https://www.menshealth.com/sex-women/a61473296/sexplain-it-gay-group-sex/> Sexplain It: How Do I Know If I'm Ready to Have Group Sex? "It might not be something I can handle, even though I really want it to be." By Zachary Zane. Published: Jul 04, 2024

Integrase inhibitors block the enzyme integrase, another protein that HIV uses for reverse transcription. Like nucleoside reverse transcriptase inhibitors, integrase inhibitors prevent the virus from replicating in the body.

Before starting PrEP and at least every 2-3 months while taking it, you must be tested for HIV and receive a negative result.

If you have been exposed to HIV or have symptoms of acute infection, you must wait until you receive a negative test result before resuming PrEP.

Pre-exposure prophylaxis (PrEP) alone does not effectively treat HIV, and taking PrEP during active HIV infection can lead to the development of drug resistance.

What are the different types of pre-exposure prophylaxis (PrEP)?

There are three approved medications for HIV prevention (PrEP).

Truvada

Truvada is a once-daily pill. It contains the active ingredients emtricitabine and tenofovir disoproxil fumarate. The drug is available in both brand-name and generic forms.

Truvada comes in several dosages, and its use may vary from person to person. It can help reduce the risk of HIV infection through sexual contact or injection drug use.

It can be used by adults and adolescents weighing at least 35 kilograms (about 77 pounds). Truvada is approved for use in both men and women.

Descovy

Descovy is also available as a once-daily tablet. It contains emtricitabine and tenofovir alafenamide. The drug is available only under the brand name.

Descovy is available in several dosages, and the optimal dose may vary from person to person. It can help reduce the risk of HIV infection through sexual contact.

It can be used by adults and adolescents weighing at least 35 kilograms (77 pounds). Descovy is only approved for men.

Apretude

The Food and Drug Administration (FDA) has approved the injectable drug Apretude. As of late 2021, it contains cabotegravir and is only available under the brand name.

For the first two months, Apretude must be administered once a month by a healthcare professional. After the first two doses, to achieve effectiveness, injections should be administered once every two months.

Apretude can only be used to reduce the risk of contracting HIV through sexual contact. It can be used by adults and teenagers weighing at least 35 kilograms (77 pounds). The drug is approved for both male and female people.

Who is suitable for pre-exposure prophylaxis (PrEP)?

HIV pre-exposure prophylaxis may be helpful for you if:

- have a sexual partner who is at risk of contracting HIV or is HIV positive;
- partner's HIV status is unknown;
- have several sexual partners;

- have sex without condoms or other barrier methods;
- intravenous drug use;

You may not be eligible to get PrEP if:

- they had an allergic reaction to the components of the drug;
- have serious liver or kidney problems;
- you have hepatitis.

If you think you are at increased risk of contracting HIV, it is important to discuss this and the steps you can take to protect yourself from HIV with a qualified healthcare professional.

If you don't have health insurance, you can get free or low-cost HIV pre-exposure prophylaxis (PrEP), HIV testing, and other prevention services at your local health department or community clinic.

How effective is HIV pre-exposure prophylaxis (PrEP) at preventing HIV infection?

HIV pre-exposure prophylaxis (PrEP) is highly effective at preventing HIV infection when used as directed by a healthcare provider.

According to the Centers for Disease Control and Prevention (CDC), PrEP pills and injections can reduce the risk of sexually transmitted HIV infection by about 99%. For people who inject drugs, PrEP pills can reduce the risk of HIV infection by about 74%.

It is important to remember that PrEP pills do not work right away. They must be taken daily for:

- For maximum protection during receptive anal sex, use for at least 7 days.
- For maximum protection during vaginal intercourse, use for at least 21 days.
- For maximum protection when injecting drugs, use for at least 21 days.

It is unclear how long it takes to achieve maximum protection from PrEP injections.

What are the possible side effects of PrEP?

Common side effects include:

- diarrhea;
- fatigue (tiredness);
- headache;
- nausea.

Rare but serious side effects include:

- rash (allergic reaction);
- liver and kidney problems;
- complications such as hepatitis B;
- lactic acidosis (excess lactic acid in the blood).

These are not all the possible side effects of Truvada, Descovy, and Apretude.

For more information about these medications, including how they interact with other prescription or over-the-counter medications you may be taking, talk to your healthcare provider or pharmacist.

If you have an allergic reaction or other serious side effects from PrEP medications, call 911 or your local emergency services, or go to an urgent care center immediately.

How does PrEP affect your body?

Pre-exposure prophylaxis (PrEP) prevents HIV from reproducing, reducing the likelihood of HIV becoming established in the body if infected.

Is Pre-exposure prophylaxis (PrEP) safer than condoms?

While both pre-exposure prophylaxis (PrEP) and condoms are used to promote safe sex, they work differently and offer different benefits.

Condoms provide a physical barrier that can reduce the risk of many sexually transmitted infections (STIs), not just HIV. Condoms can also reduce the risk of unintended pregnancy.

The materials used to make condoms are generally well-tolerated, although some people may have an allergy or sensitivity to latex.

Pre-exposure prophylaxis (PrEP) only protects against HIV. PrEP does not protect against other STIs or prevent pregnancy. PrEP, like any other medication, can cause side effects.

How long should you take PrEP pills?

Many people take PrEP pills continuously to ensure long-term protection against HIV.

Some people take PrEP pills during periods when they anticipate an increased risk of HIV infection, such as during certain types of sexual activity or during periods of increased HIV prevalence in their community.

This approach, sometimes called intermittent or on-demand pre-exposure prophylaxis (PrEP), involves taking PrEP pills before and after potential exposure to HIV.

How much does PrEP cost?

The cost of PrEP depends on your location, insurance coverage, and the availability of generic versions. Many insurance plans, including Medicaid and most private insurers, cover PrEP for free or with minimal out-of-pocket costs.

Gilead, the maker of Truvada and Descovy, offers a medication assistance program. The Aprelude Savings Program can help you save on the cost of PrEP injections.

Bottom Line

PrEP is a highly effective medication that can almost completely reduce the risk of HIV infection and transmission to sexual partners.

Next, I'll review a helpful and pragmatic online article on how to prepare for your first gay party. This article was written by Alexander Cheves, a New York-based writer whose work has appeared in Vice, Out Magazine, Pride, Gayety, Project Q, Fenuxe Magazine, and other publications. He answers readers' sex questions on his blog, *The Beastly Ex-Boyfriend*, and writes a gay sex and dating column, *Sexy Beast*, for The Advocate magazine.

Here are 15 tips to help you get started with group gay orgies.

1. If you're going for the first time, go with a friend.

The "friend" system works at sex parties too. Friends make orgies better. Whether you're going to a private party in someone's apartment or an industrial sex room with a dressing room and an expensive entrance, you'll likely feel a little nervous and a little overwhelmed. Go with a friend—preferably someone with privileges—and you'll have a familiar face nearby if you need one.

2. Wear thigh-high socks.

Thigh-high socks are perfect for storing ID, credit cards, cash, lube, and other essentials while you're taking off the rest of your clothes. This rule only applies to formal venues—parties, sex clubs, and so on—where you

can be naked but keep your shoes and socks on. If you're at a bathhouse or private party, you should probably remove both your shoes and socks.

3. Find out whether the sex party is taking place in a venue or a private home.

The location is crucial. Public venues (warehouses, sex clubs, bathhouses, etc.) may require a ticket or entrance fee. Parties in private homes or apartments are usually free, but not always—larger events may charge a fee or ask for a donation.

Sex parties in private homes are typically intimate and typically in small groups, so expectations of attendees may differ. They may be by invitation only, or you need to "know the guy," and sometimes you'll have to thank the host. You may be expected to enjoy yourself with everyone in attendance, or at least not reveal who you're less interested in. These parties can be more intimate than those held in public places, but that also has its advantages and disadvantages.

On the other hand, attendees of public places or sex clubs are expected to do virtually nothing. You can do whatever you want. You can observe, participate, play in a group, or retreat to a semi-private space (if such spaces are available) for more intimate interactions.

However, some private sex parties can be large, as some private homes host huge crowds, sometimes hundreds of guests. While they may be invite-only (or require a subscription to a newsletter), you're not expected to have fun with everyone. You're not superhuman.

4. Research the sex party before you go.

Many sex parties have a dress code—for example, briefs only or nudes only. Others focus on sex toys and require specific attire. Many are men-only, but some are mixed-gender.

At some parties, you'll be asked to cover your face with a hood or mask. Some may involve drug use; At others, it's sober only. Many public parties prohibit drug use, so if you're interested in group sex or sex parties but want to avoid drugs, it's best to start at a local bathhouse. Some parties allow condoms; others are for non-condom sex only. Research the party or venue you're going to so you can be prepared to make a choice that suits your comfort level once you're there.

5. Bring lube, condoms, and other essentials.

Even if the party host says lube or condoms (or anything else necessary) will be available, it's always best to bring your own. Don't bring the biggest, most expensive bottle of lube you own, in case it gets lost, forgotten, or, worse, shared. I've watched in frustration as my premium, silky silicone lube runs out and gets passed around by greedy partygoers. I'm too polite to ask them to stop. Don't make the same mistake.

6. If you use poppers, bring your own.

"Poppers" are small amber bottles filled with nitrates that, when inhaled, cause a fleeting sensation of dizziness. They exist on the gray market in America—they're not legally sold as a drug, but they can be sold under obscure names like "VHS cleaner." They are widely used during gay encounters and at gay parties, in part because they relax the smooth muscles of the anus, facilitating penetration.

While they are non-addictive and relatively low-risk, they can cause side effects (some types can damage the eyes, and they can be dangerous for those with heart poppers or blood pressure issues). If you use Viagra, Cialis, or another erectile dysfunction drug, do not use poppers, as the combination can lead to a dangerous drop in blood pressure.

Poppers are widely used recreationally at gay parties (and anywhere gay men gather). Even if you don't use them, they will be present at the next sex party you attend—unless, of course, you're at a party where drug use is strictly prohibited. If you enjoy using poppers, bring your own bottle so you know exactly what's in it.

7. Never take a condom policy at face value.

If you attend a bareback party and pull-out condoms, you may be asked to leave. If the party only allows condoms and you arrive prepared for bareback sex, you may also be asked to leave.

If you're visiting a venue offering sex services, you're generally free to do whatever you want, although some sex parties in certain locations cater exclusively to bareback clients. If it's a private house party, find out the condom policy in advance—never make assumptions.

Some venues are required by state law to provide condoms and display them prominently. Some even have signs stating "mandatory" use. You can decide for yourself how seriously you take these signs, but in any case, come prepared.

8. If you are a passive partner and want to douche, prepare in advance.

Never assume that at a sex party there will be a place where you can relieve yourself - although many offer this option, many more do not. While you don't have to douche to be a passive partner, if you feel the need to do so, you should prepare in advance.

I always try to prepare thoroughly if I go to a group sex party - regardless of whether it takes place in any establishment, bathhouse or private home. I do the first douche, wait (sometimes up to an hour) and do it again. At this point I usually also stop eating for half a day or more. Remember that it may take your body more than a day to process the food and cause a bowel movement. These steps aren't necessary for everyone, and not everyone douches—especially if you're eating a high-fiber diet—but if you douche, do it before.

9. Don't be upset if you are unclean. There's always another sex party.

Easier said than done, right? There are few things in life more frustrating than getting ready for an amazing party, arriving, seeing a sexy crowd and realizing you're not ready to go anywhere. I understand how depressing it can be at the time, but don't let it ruin your weekend. There's always another sex party. There's probably another one going on somewhere right now.

If you're not ready to be on top (the bottoms will appreciate this), like oral sex, or just watch and enjoy it, go home, watch Netflix or cuddle with a friend and try not to beat yourself up. This happens to everyone - both professionals and beginners. Every man who has sex with men has been in this situation.

10. If it's a private party, don't ask about other attendees.

This is an unprofessional move; a good sex party organizer never reveals the identities of other invitees/participants. The unspoken agreement you make when you go to most sex parties is one of complicity and anonymity. You're there to have sex. Everyone else too. You are in the same situation - equally involved with everyone else present.

11. Wear simple clothes.

My advice is to wear old clothes and keep things minimal. I wear gym shorts, a bondage harness, socks, shoes, and a T-shirt. That's it. Don't wear revealing or fancy clothes, because no one will see them. Wear clothes you don't mind throwing in a locker that hasn't been cleaned since the last time it was used, or clothes you don't mind getting dirty or stained.

12. Follow the dress code, if there is one.

If the party has a dress code related to fetish clothing, you must wear fetish clothing. Bondage and shoes are probably not appropriate. Bondage and a harness might not be enough. At a real fetish clothing party, there will be security guards who will assess how well you're dressed and won't let you in if you're not.

Also, if the party says "bondage or full nudity only," then yes, you will have to strip down to your bondage, if you're wearing one, or go completely naked. I find it annoying when everyone in sex venues is naked or nearly naked, and one person is walking around fully clothed—and many others are too.

13. Bring cash.

The cloakroom/storage area will likely only accept cash. Most venues have cloakrooms/storage areas—or storage areas—that may require cash to rent. This rule only applies to venues, although some private party organizers will provide storage for your belongings—for which you should be grateful.

Keep in mind that many venues only accept cash—including the membership fee, if any, and the entrance fee. Don't count on an ATM. Withdraw cash in advance.

14. Never bring a phone to a sex party.

Some establishments will ask you to leave your phone at the entrance. If you're not having fun, just leave. Let everyone continue playing while you go outside; get in your car, take the subway, call an Uber, and find another place. Or go home. Don't spend time on your phone when there are people around who are ready to play.

15. You may be required to purchase a membership.

If it's a bathhouse or sex club, you may be required to purchase a membership upon your first visit. There are many reasons why establishments require this, but most often it's because some states prohibit sex clubs but allow "private clubs," so by requiring patrons to purchase a membership, they meet the latter's criteria. Some even issue a membership card, which you should keep if you plan to return⁴.

Receiving cum in the ass or mouth, or inseminating, is an important part of group shemale sex. For most gay sluts, receiving anal insemination and becoming pregnant with sperm is a major fetish. I'll quote a good

5 Ways to Become a Better Cum Receiver, or the Dirty Art of Receiving Cum for Group Insemination.

In the world of hardcore gay fetish, there's one role that stands out for its intensity, submission, and meaning: the **"cum receiver = fagot = pederast."** It's not just there to receive cock—it's there to be used, filled, and left to leak. But, like any fetish, there's a difference between doing it... and doing it right.

If you want to transform yourself from a submissive, passive partner into an irresistible cum-drainer, **here are 5 brutal, effective, and dirty ways to become the ultimate cum dump**—one that will be used again and again.

1. Don't wipe. Don't complain. Wear it.

Real sluts don't ask for towels. When cum hits—on your face, **in your mouth, or deep inside**—**you wear it.** You smear it, you taste it, you let it run down your chest. That's your purpose. You don't clean it up. You show off.

2. Learn to choke and hold on even more.

A good cum-drinker knows: gagging isn't the end, it's a signal to keep going. The more you drool, gag, and moan, the more they want to fill you. Your mouth isn't for questions. It's for cock, saliva, and cum—preferably all at once.

3. Clean with your tongue.

Your job doesn't end when he cums—it begins when it's **all licked, swallowed, or rubbed in.** Cum on the floor? Lick it. Cum on his cock? Wipe it with your mouth. Cum on your chest? Smear it over your skin. That's what it means to be used.

4. Always be present.

Ejaculation isn't about your pleasure, it's about theirs.

When they're done, you stay open, still, and ready. Even if you're dripping. Even if they ignore you. Especially then. A good pee-user knows when to shut up and just take it.

5. Be proud of being an object. You're not a guy. **You're a hole. A target. A receptacle.** Being a true "cum dump" means putting your ego aside, letting them fuck you, fill you up, and leave—knowing you enjoyed every second. No aftercare. Just the aftertaste.

Not everyone can handle it. And not everyone needs it. But if you're ready to stop pretending and start being who they need, then open up, take the first dose... and don't stop there. Be proud that you're a toy they won't want to throw away ⁵.

The more extensive text portion of this SatanArt #29 almanac will be prepared by Antichrist Slut Sodomia in the second, commercial version of this publication, V1.1. Gay Satanism publications are sold in high-quality digital formats through Gay Satanism online stores, including e-books and source material for printed books. The topic of gay group sex is quite broad. In the first version of SatanArt #29, Antichrist Slut Sodomia wrote the basic principles of understanding gay orgies and posted the almanac online for his readers.

DEDICATION-ABSTRACT OF THE ALMANAC OF VISUAL ARTS OF GAY SATANISM SATANART №29.

Antichrist Slut Sodomia dedicates SatanArt #29 to the theme of gay group sex and gay Satanist orgies in artistic images. This is Volume #1 of this series. Many SatanArt almanacs have volume numbers in their titles for specific themes. This means Antichrist Slut Sodomia plans to release additional volumes on this topic and has already collected the necessary graphic material. For many gay men, the theme of group sex or gangbang or cumdump is paramount. For many gay people, the best, most passionate, lustful, and exciting sex is group sex. Antichrist Slut Sodomia welcomes the desire of gays and all LGBTQ+ people to engage in group sex within their preferred sexual orientation. Group sex is also possible for heterosexuals, and heterosexual Satanic men and women enjoy group sex and public gang rapes of females. SatanArt #29 explores and presents only gay sex, with a minimal dose of MTF transgenderism. Heterosexual and lesbian group sex will be featured in other issues of SatanArt. This edition of this gay Satanism almanac will be of interest to gays and Satanists interested in group sex in sex clubs, gay saunas, and house parties. To illustrate the theme of gay group love and gay orgies, the Antichrist used drawings by prominent gay Satanist artists and anonymous artists. I hope that the publication of SatanArt's gay sex-themed albums will increase the popularity of group sex among the LGBTQ+ community and will interest the general public in the work of the gay artists whose work I publish in the almanac.

Each SatanArt album will contain 100 drawings from the main album, which I will accompany with a text description. In addition to the main album, the Antichrist Slut Sodoma will use three other types of graphic material, which will be included without a text description:

1. Vignette images. These are graphic files related to the album's theme, but with simplified graphics. These will primarily serve as a "warm-up" for the reader, with explanatory posters or witty posters related to the album's theme.
2. Images of decorative elements and conceptual posters of gay Satanism. These are graphic files related to the almanac's design or general themes of gay Satanism. Connection to the album's theme is not required.
3. Publicistic and documentary images on gay parades, LGBTQ+ pride marches, carnivals, gay agendas, images of Satanists, tattoos, and gay paraphernalia. THIS GRAPHICS SECTION WILL BE INTRODUCED FOR THE SECOND VERSION OF THE SatanArt almanac albums, V2.0+. I will not be using it in the first versions, V1.0 or V1.1, of the SatanArt almanacs, reserving it for later, for the commercial publication of the books, as bonus content.

Each type of graphic material will contain up to 100 drawings, photographs, or decorative posters of Satanism and LGBTQ+. The vignette images serve as graphic decoration and a meaningful graphic supplement to the text⁶. The drawings of the decorative posters are the most laconic and symbolic design elements of SatanArt publications. Unlike the images in the album itself, all vignettes and drawings of the decorative posters are

provided without descriptions. For the vignettes, I will use simple, decorative, and self-explanatory images, for which the Antichrist's explanations are unnecessary, or you can create your own. Documentary photographs on the topic of gay Satanism will serve as a pleasant supplement to the main content of SatanArt issues, but will not be related to the main theme of the almanac. This will be bonus content to enhance the mood of my readers—LGBTQ+ Satanists—and I plan to include them only in the "Significantly Supplemented and Improved" issues of SatanArt V 2.0.+.

RECEIVING THEM AT [HTTPS://666.PICTURES](https://666.pictures).**

**THE DOCTRINE OF ABSOLUTE HONESTY OF BUYERS
BY THE ANTICHRIST SLUT SODOMIA.**

The Antichrist Slut Sodomia has posted some albums of the Puritan editions of the gay Satanist almanac SatanArt (Nos. 1-30, Puritan albums, Version 1) on public Internet platforms as free e-books in PDF format. However, not every issue of the gay Satanist almanac SatanArt is available free of charge in high quality or in full. All issues of SatanArt almanacs are sold on gay Satanist online stores as digital ZIP archives. The ZIP archive includes the original files in DOCX and PDF formats, plus individual images from the collection in JPG, PNG, and WEBP formats, all in high quality. You can find SatanArt almanacs from the Antichrist Slut Sodomia using search engines such as Google, Bing, and DuckDuckGo. The digital store for gay Satanist publications operates on the principle of absolute buyer honesty, i.e., The buyer receives the goods first and only then pays with cryptocurrency. This is rare in the modern world. Complete versions of the "Gay Lust" grimoire, for reading or publishing in paper form, are also available for purchase on the Gay Satanism Store website. To publish books and almanacs in paper form, you will need the source files, in DOCX format, for layout and for correcting minor grammatical, syntactic, and other technical errors.

The renaming of the "Gay Satanist Art Magazine" to the "Gay Satanist Art Almanac" was done because this form of literary work better reflects the essence of SatanArt publications:

1. Each SatanArt issue is dedicated to a specific theme, which is more similar to literary almanacs than to almanacs. The Antichrist has outlined many different themes for SatanArt almanacs to cover. The one that connects them all is gay Satanism. All almanacs are divided into PURITAN issues and SEXY issues. This choice is based on the issue's theme and illustrations. Puritan almanacs will not contain pornography or explicit erotica. Such e-books can be posted on many public Web 2.0 sites⁷.

⁷ https://en.wikipedia.org/wiki/Web_2.0 Wikipedia. Web 2.0 = Websites that emphasize user-generated content.

2. SatanArt is not published regularly, but I hope it will be more than once a year. I plan to publish 6-12 almanacs per year.

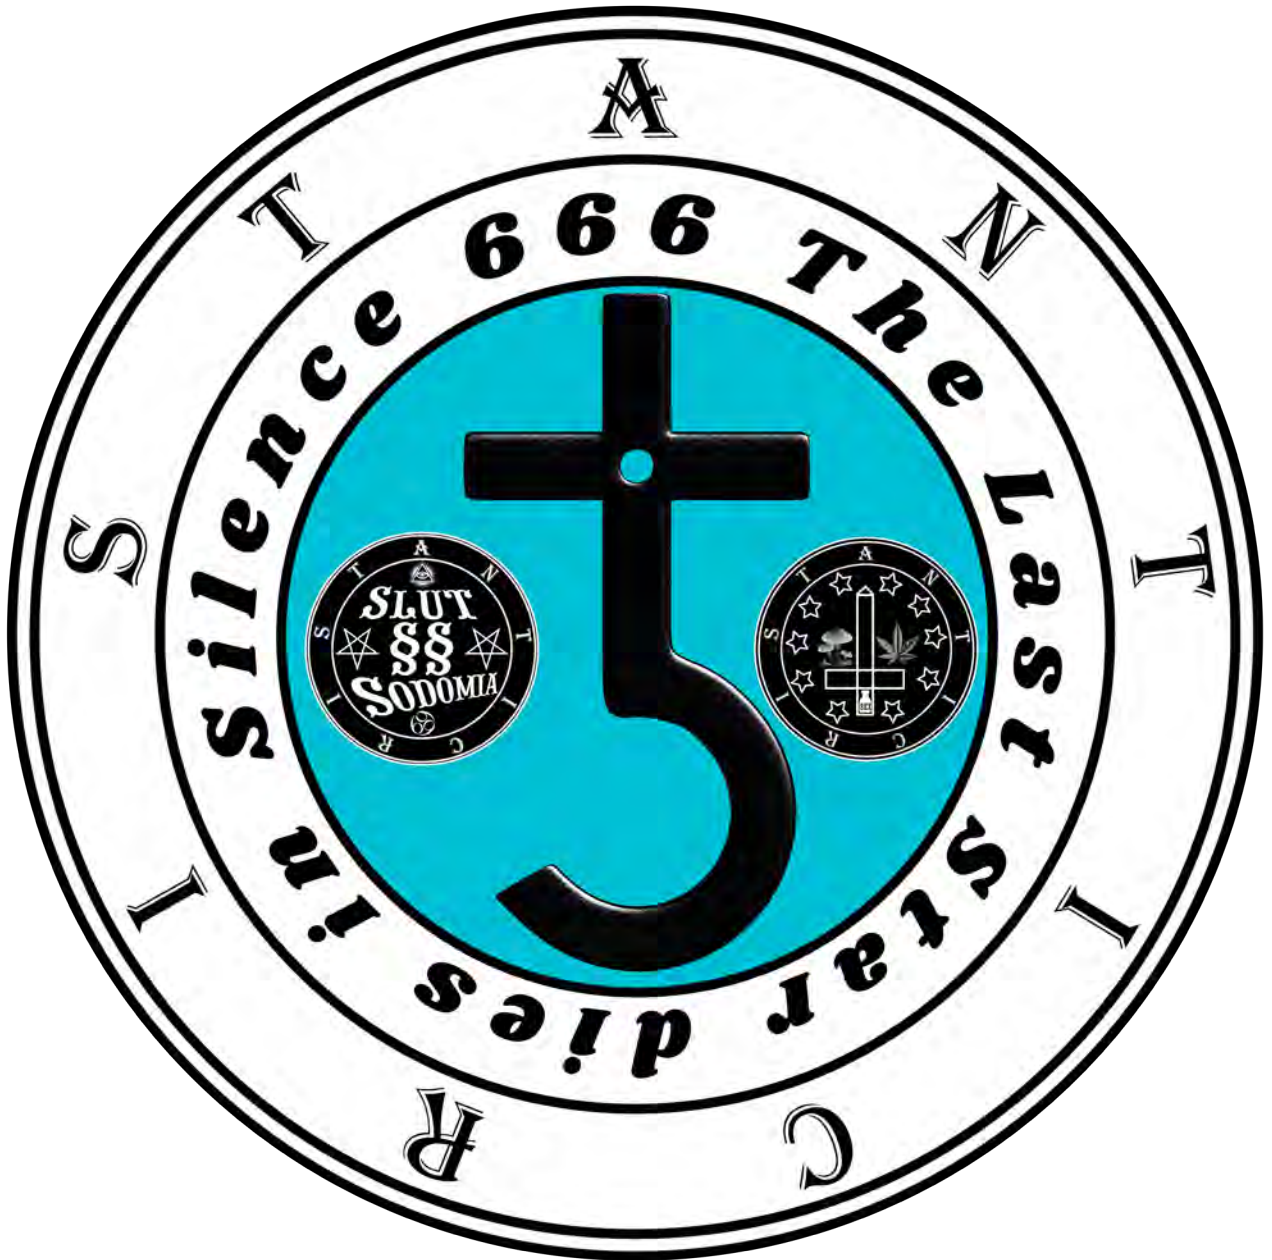

The second change concerns the free distribution of the first versions of new SatanArt almanacs. There will be a free version and a commercial version of SatanArt, in PDF format. The differences between the free NON-COMMERCIAL version of the new SatanArt almanacs and the COMMERCIAL version are as follows:

1. All first versions of new SatanArt almanacs will be distributed free of charge online, so that anyone can access them without payment. Free SEXY versions of SatanArt cannot be posted on every public online platform, as pornographic/erotic books are prohibited on many public Web 2.0 websites. Please keep this in mind (the Antichrist doesn't like the puritanical rules of site owners, but these are their sites, therefore their rules).
2. The preface in the free version of the SatanArt almanac will be limited to 3-5 pages of topic description. In the commercial version, which I call the SECOND VERSION, the preface will be expanded and expanded six to ten times, turning the almanac into a book. The second version of the Gay Satanism publications is an improved and expanded version of the first version and is the COMMERCIAL VERSION of the Gay Satanism publications. It can be purchased in Gay Satanism stores.
3. The Antichrist will only make available free PDF versions of SatanArt, which have compressed images, a loss of image quality, and are suitable for viewing on a monitor or mobile device, but not for high-quality printing. These will be SMALL FREE versions of the almanacs. These small PDF versions are approximately three to five times smaller than their commercial counterparts in maximum quality.
4. Paid versions of the SatanArt almanacs will be available in maximum quality, in DOCX, PDF, EPUB, and DVJU formats, and will be sold for a fee on Gay Satanism stores. These COMMERCIAL editions are intended for publication on paper, in print, or for collectors of high-quality e-books.

Commercial versions of Gay Satanism books and almanacs will be sold in the Antichrist Slut Sodomia stores. This is my plan to monetize my literary work on Gay Satanism. The Gay Satanism digital edition store accepts cryptocurrency payments, but payments can also be made by traditional bank card through reliable cryptocurrency wallets or reputable cryptocurrency exchanges. More information about cryptocurrency and its importance can be found at the end of SatanArt almanac from the Antichrist Slut Sodomia. Cryptocurrency is the future! If you haven't yet started using cryptocurrency, start as soon as possible, for example by purchasing e-books of the Antichrist Slut Sodomia.

Announcement of a new sigil. While working on the current album of the SatanArt almanac, on May 12, 2026, Antichrist Slut Sodomia decided to create a new personal sigil with the motto of Antichrist Slut Sodomia:

Personal sigil of the astral motto of the Antichrist Slut Sodomia "The Last Star dies in Silence".

THE LAST STAR DIES IN SILENCE

Text of the astral motto of Antichrist Slut Sodomia: Within the sigil, I will place the Devil's Cross, known as the Cross of Disorder (or Chaos, or Confusion). This cross was first published by the Antichrist in SatanArt almanac #21, figure 285. The new personal sigil of the Antichrist contains two "old" sigils of the Antichrist, Slut Sodomia (which I made earlier), in inverted form.

This gay Satanism almanac, SatanArt #29, is a "Sexual Edition," meaning it contains explicit erotica and pornography, in animated form. This genre is a favorite of the Antichrist, Slut Sodomia, but not all puritanical and prudish websites with public WEB 2.0 access permit the publication of this e-book on their websites.

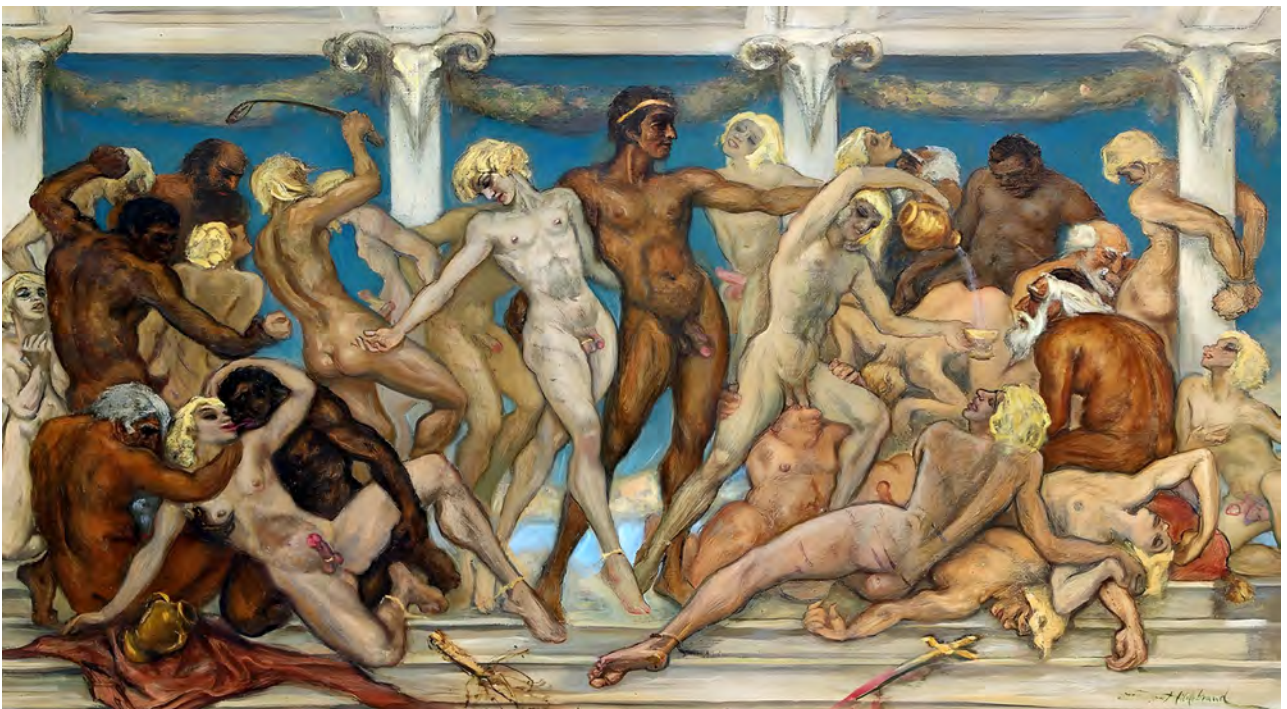

Picture 2801. "Dante and Virgil in Hell" (French: Dante et Virgile en Enfer) is a painting by the renowned 19th-century artist William Bouguereau. It is currently housed in the Musée d'Orsay in Paris.

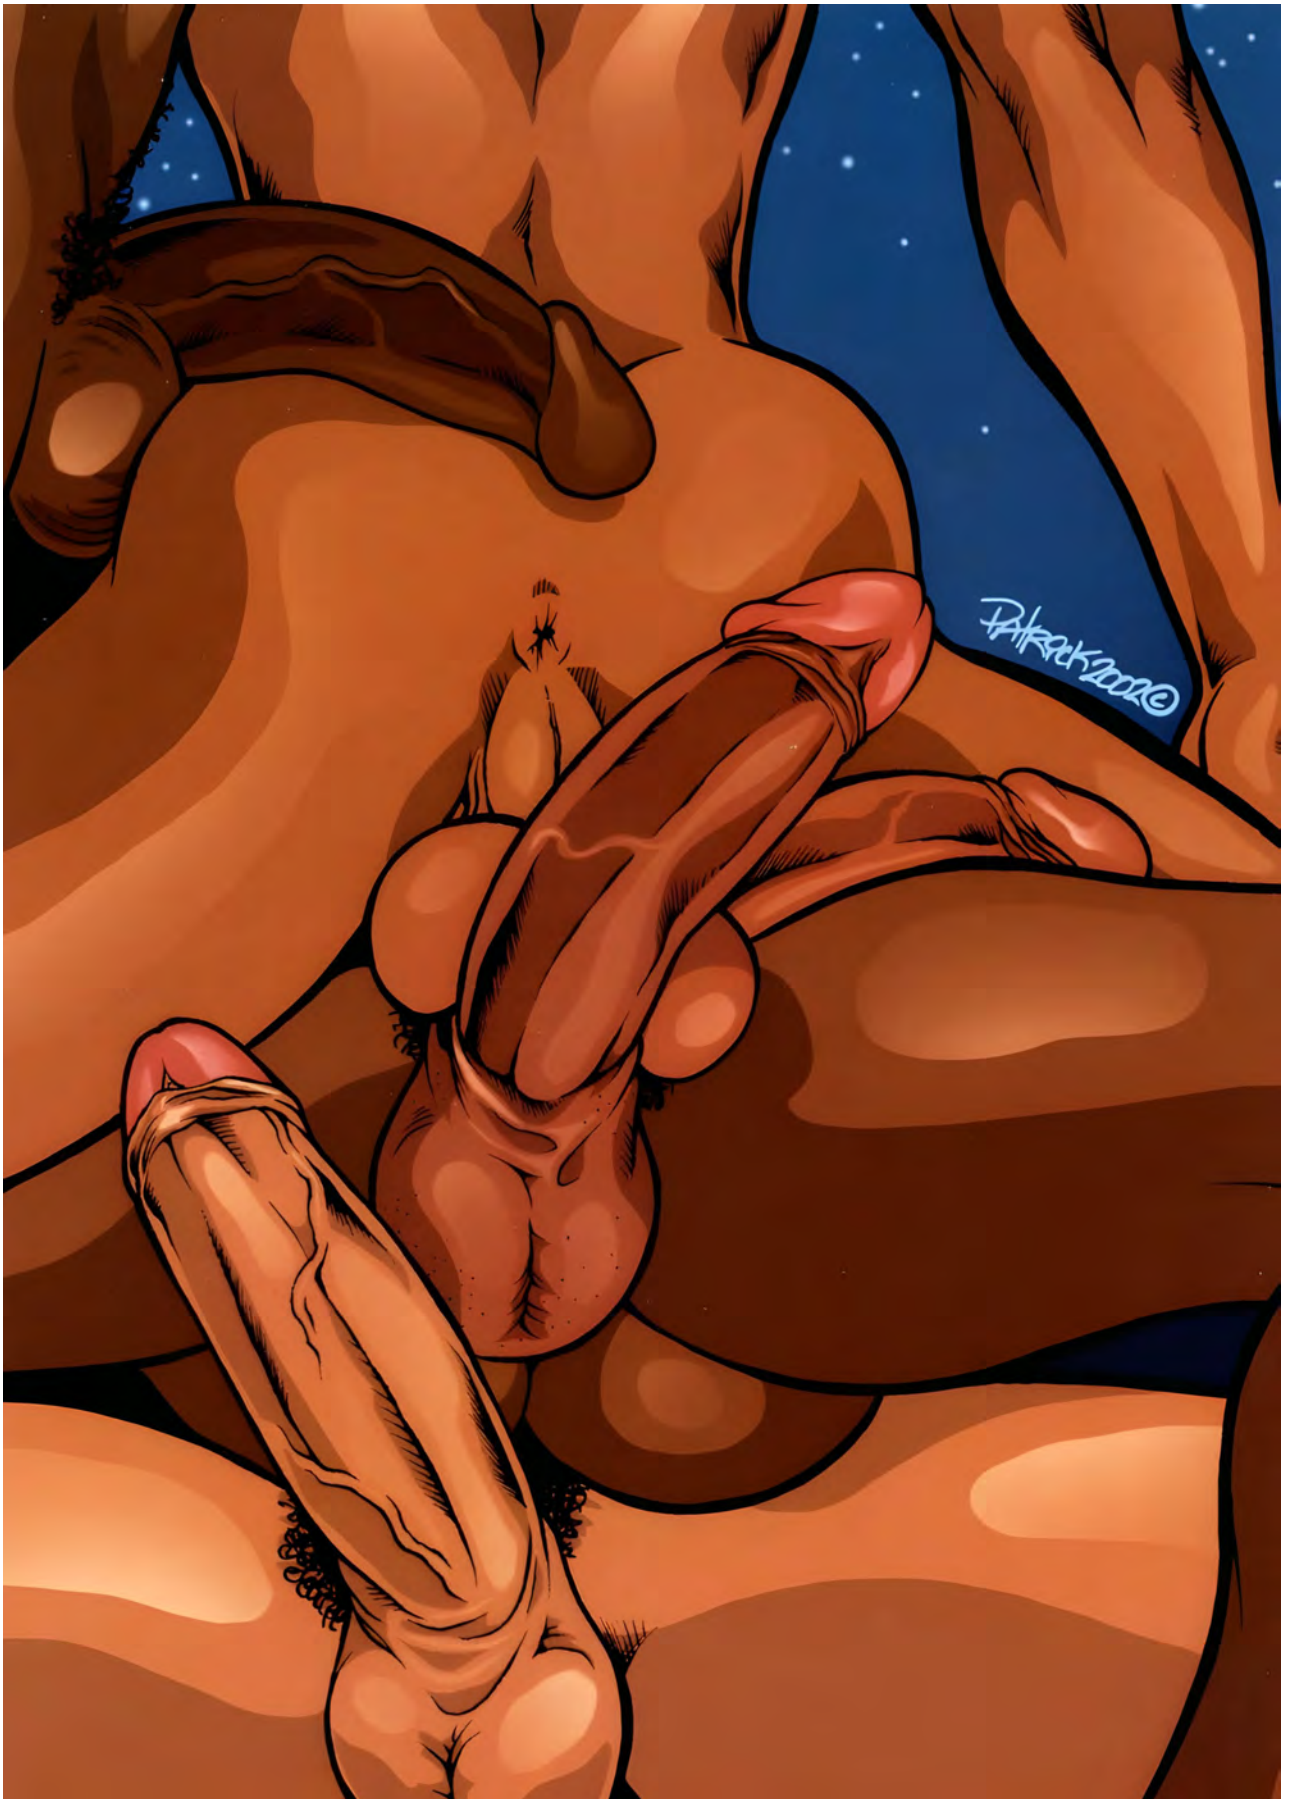

In turning to Dante's subject, Bouguereau set an extremely ambitious goal, particularly in conveying the passions, which he hoped to surpass Delacroix. The naturalism was intended to make viewers believe in the cruelty of the forces reigning in Hell. However, the scene provoked attacks from many critics and disgust from the public at the Salon of 1850.

Romanticism (also known as the Romantic Movement or the Romantic Era) was an artistic and intellectual movement that emerged in Europe in the late 18th century. The movement's goal was to champion the importance of subjectivity, imagination, and appreciation of nature in society and culture, in response to the Age of Enlightenment and the Industrial Revolution. Romantics rejected the social conventions of the time in favor of a moral worldview known as individualism. They argued that passion and intuition are crucial to understanding the world, and that beauty is not simply a matter of form but something that evokes a powerful emotional response. Building on this philosophical foundation, Romantics advanced several key themes to which they were deeply committed: a reverence for nature and the supernatural, an idealization of the past as a nobler era, a fascination with the exotic and mysterious, and a celebration of the heroic and the sublime⁸.

Есть старая пословица: «Внутри тебя живут два волка. Один любит, когда его шлёпают. Другой любит шлёпать. Кто победит? Тот, кого ты кормишь». По крайней мере, мы почти уверены, что так оно и есть. В наши дни люди все более открыто говорят о своем интересе к различным сексуальным извращениям и фетишам. Мы значительно расширили свои сексуальные горизонты, выйдя далеко за рамки прелюдии наших предков. И некоторые из наиболее распространенных проявлений извращений подпадают под категорию садизма и мазохизма — БДСМ.

Gay sex is a key mode of self-expression for queer people, and we are fortunate to be part of a community at the forefront of sexual self-expression. From open relationships to kink and BDSM, and all manner of liberated, unconstrained sexual play, being queer means having a whole world of sexual exploration at your fingertips.

In some countries, some or all sexual acts between men are currently classified or previously classified as crimes. In its December 2020 report, the International Lesbian, Gay, Bisexual, Transgender, and Intersex Association (ILGA) found that certain sexual acts between men are criminalized in 67 of the 193 UN member states and one non-independent jurisdiction, the Cook Islands, while two UN member states, Iraq and Egypt, criminalize them de facto but not by law⁹.

Group sex in gay saunas isn't pre-planned or scheduled. It develops organically. Two men approach, a third expresses interest, someone else approaches—and within minutes, a small group has formed. Steam rooms, dark rooms, and large booths are the most common places for this to happen, partly because the dim lighting and intimacy reduce shyness. Group interactions develop naturally based on mutual interest and clear nonverbal cues—no one orchestrates them. Before approaching, always wait for a clear invitation—eye contact, open posture, or a direct gesture. Respectful observation is as acceptable as participation—many men enjoy having an appreciative audience.

You can be an active participant, a willing observer, or something that evolves as the interaction progresses. All of these options are acceptable. As a participant, focus on what others enjoy and respond to it. As an observer, maintain a respectful distance and avoid touching unless explicitly invited.

Roles naturally shift. You can begin observing and becoming involved, or begin participating and step back to catch your breath. Remain flexible and sensitive to what's happening around you. Going to a gay sauna isn't just about washing up 😊; it's also about experiencing sexual pleasure, meeting new people, or watching a live gay porn performance.

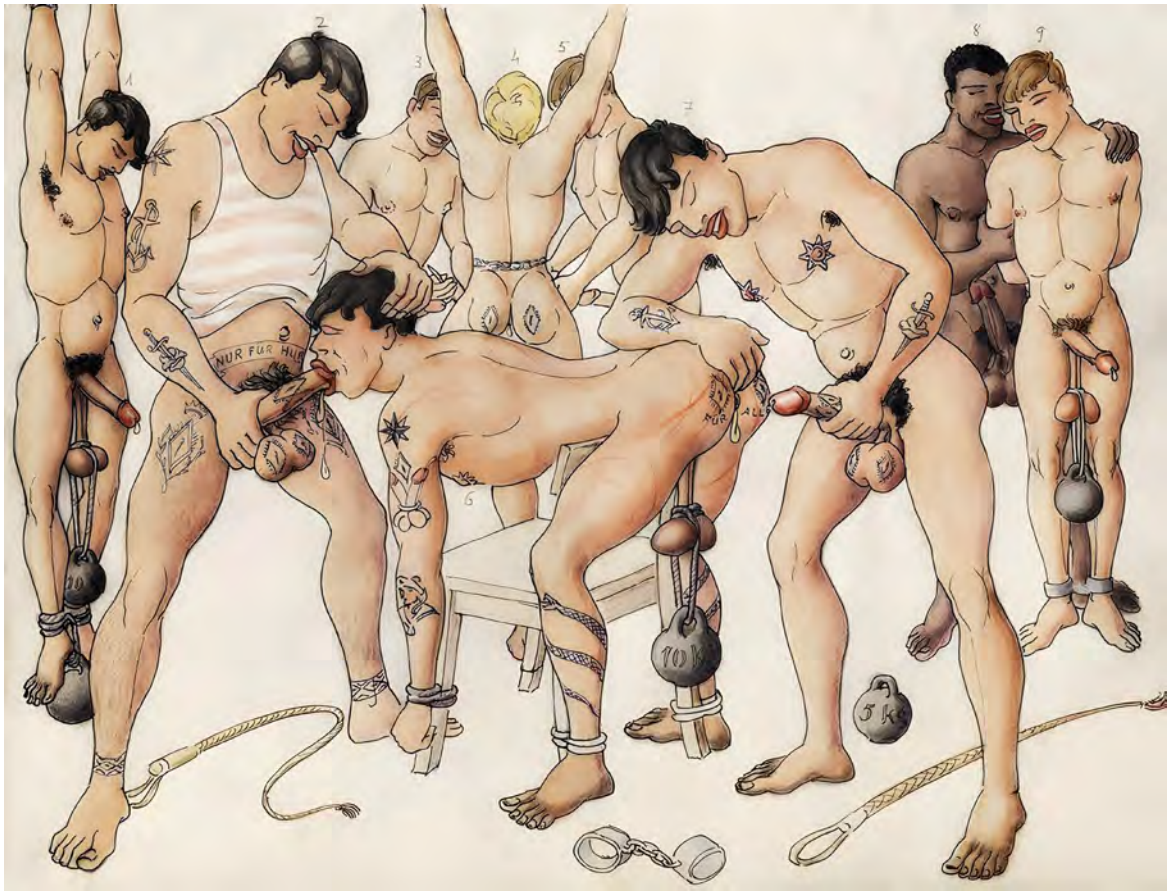

Picture 2835. Cum and its consumption are important fetishes in group gay orgies. Some tops and bottoms dislike cum in the mouth, preferring to consume it rectally.

Picture 2836. Young gay men enjoy having sex with their peers. Typically, these boys enjoy romance and haven't yet become cum-addicted sluts. Real gay sluts and cam dumpers accept sperm from any gay man.

Researchers studying human sexuality believe that sexual orientation can develop and change throughout a person's life. Experiencing feelings or having sexual experiences with someone of the same sex does not necessarily mean one is homosexual. Experimenting with one's sexuality is common, most often occurring during adolescence and young adulthood.

No one knows why our sexual orientation is the way it is. There is no scientific research proving the cause. Some researchers believe that sexuality is the result of genetic, social, and individual factors, individually or in combination. Sexual orientation is not an illness, defect, or mental disorder. The idea that family problems can change sexual orientation is a myth. Don't let this worry you or cause stress and anxiety. Young and adult gay people can and should live their authentic gay lives, not mimic the "traditions" of local dominant degenerates, sectarians, or fascists.

Gay saunas offer a combination of relaxation, socializing, and discovering the world, but they can be a little intimidating if you don't know what to expect. In gay saunas, flirting, finding a partner, and obtaining consent are typically accompanied by the use of nonverbal language (a code of silence), making this method quite different from how it's done in a gay bar or on gay dating apps. Therefore, it's crucial to be able to both request and refuse consent as clearly as possible—ideally, using this unique nonverbal language. If you see someone you like and want to know if they're interested, try making eye contact. It's not hard. They'll know it. If they don't return your eye contact, they're not interested. It happens, just forget about it.

Religious, traditionalists, and fascists are always somewhere close to gays, and very often these creatures hinder them with their aggressive, stupid abuse. An allegorical depiction of homophobia. Artist: Michael Kirwan.

Homophobia is fear, prejudice, or discrimination against people who are gay, lesbian, or bisexual. It can take various forms, from insults and bullying to serious crimes such as assault and murder. Treating people in this way because of their sexual orientation is unacceptable, and in some cases, it may even violate local criminal justice regulations, if those regulations are adequate. In 2026, even in the most adequate and modern criminal justice systems of SOCG, homophobia is prohibited by criminal justice regulations. But among savages, it is encouraged. Typically, homophobic savages are also religious sectarians.

According to a study published by the American Psychological Association, the majority of gay and bisexual Generation Z adolescent boys report having told their parents about their sexual orientation, part of a trend of youth disclosure that researchers have noted in recent decades. However, stigma and religious beliefs still prevent some young people from disclosing their sexual identity. This study provides a glimpse into the coming-out practices of Generation Z, born between 1998 and 2010, a group that researchers are just beginning to study. "This study is encouraging because it shows that many adolescents, including those under 18, feel comfortable with their sexuality," said D.A. Moskowitz, Ph.D., associate professor of health social sciences at the Institute for Sexual and Gender Minority Health and Well-Being at Northwestern University¹⁰.

Picture 2872. A drawing of a group of gay pirates. The painting's exact subject is unknown.

During the Golden Age of Piracy (1650-1730), homosexual relationships at sea were common. Relationships between men were often encouraged. At the time, men on ships knew more about their fellow crewmates than even their wives and children on land. This attracted many gay men to piracy. Pirates had their own form of civil union called *matelotage*. These unions could have various meanings (brotherly, platonic, romantic, etc.), but were respected among most pirate crews. A partner was called a "matelot," which can be translated as "bunkmate." If one partner died, their matelot assumed ownership of all their property. Matelots could bear punishment for each other, and most fought shoulder to shoulder. Sometimes it was an economic decision, like a will instructing your sailor to divide your assets among your wife, children, and friends, while keeping the rest for himself. More sinisterly, young pirates sometimes traded sexual favors and sailor's work to establish themselves in the pirate world. They traded companionship for food, stability, housing, and advancement. Information about pirates is scant, but that doesn't make them any less fascinating to study, especially given their popularity in pop culture.

In recent decades, maritime historians and social historians have increasingly focused on the social lives of seafarers. Unfortunately, for those interested in maritime history and LGBTQ+ sexuality, research can prove more challenging. Social attitudes have significantly influenced the development of historical data. For over 400 years, sexual activity between men was illegal in England and Wales and punishable by death until 1861. In the Royal Navy, it had been a capital offense since 1627. However, attitudes toward this issue have changed over time. The 1690s–1730s saw a backlash against the socially liberal attitudes characteristic of the Restoration period. Led by the Society for the Reform of Morals, efforts were made to suppress profanity, brothels, and other indecent activities. A network of "moral guardians" monitored violators and reported them to the authorities. One of their first victims was Captain Edward Rigby of the Royal Navy. Although initially acquitted of sodomy at a court martial, he was brought to the Old Bailey and imprisoned in 1698. Upon his release, he fled to France (then at war with England) to continue his naval career.

LGBTQ+ people have faced a long history of discrimination and harassment by GBV "law enforcement" and have been targeted by laws criminalizing their identity and behavior. Mistreatment of LGBTQ+ people by law enforcement continues to this day, particularly against LGBTQ+ people of color, low-income individuals, youth, and transgender individuals. Discrimination and harassment by law enforcement against LGBTQ+ communities is a persistent and widespread problem in the United States. This report presents research and other data from the past 25 years demonstrating that LGBTQ+ people and communities face profiling, discrimination, and harassment by law enforcement. These experiences are documented across a wide range of sources, including government and private sector surveys, incident reports and government investigations, qualitative research, court cases, and media and other reports.

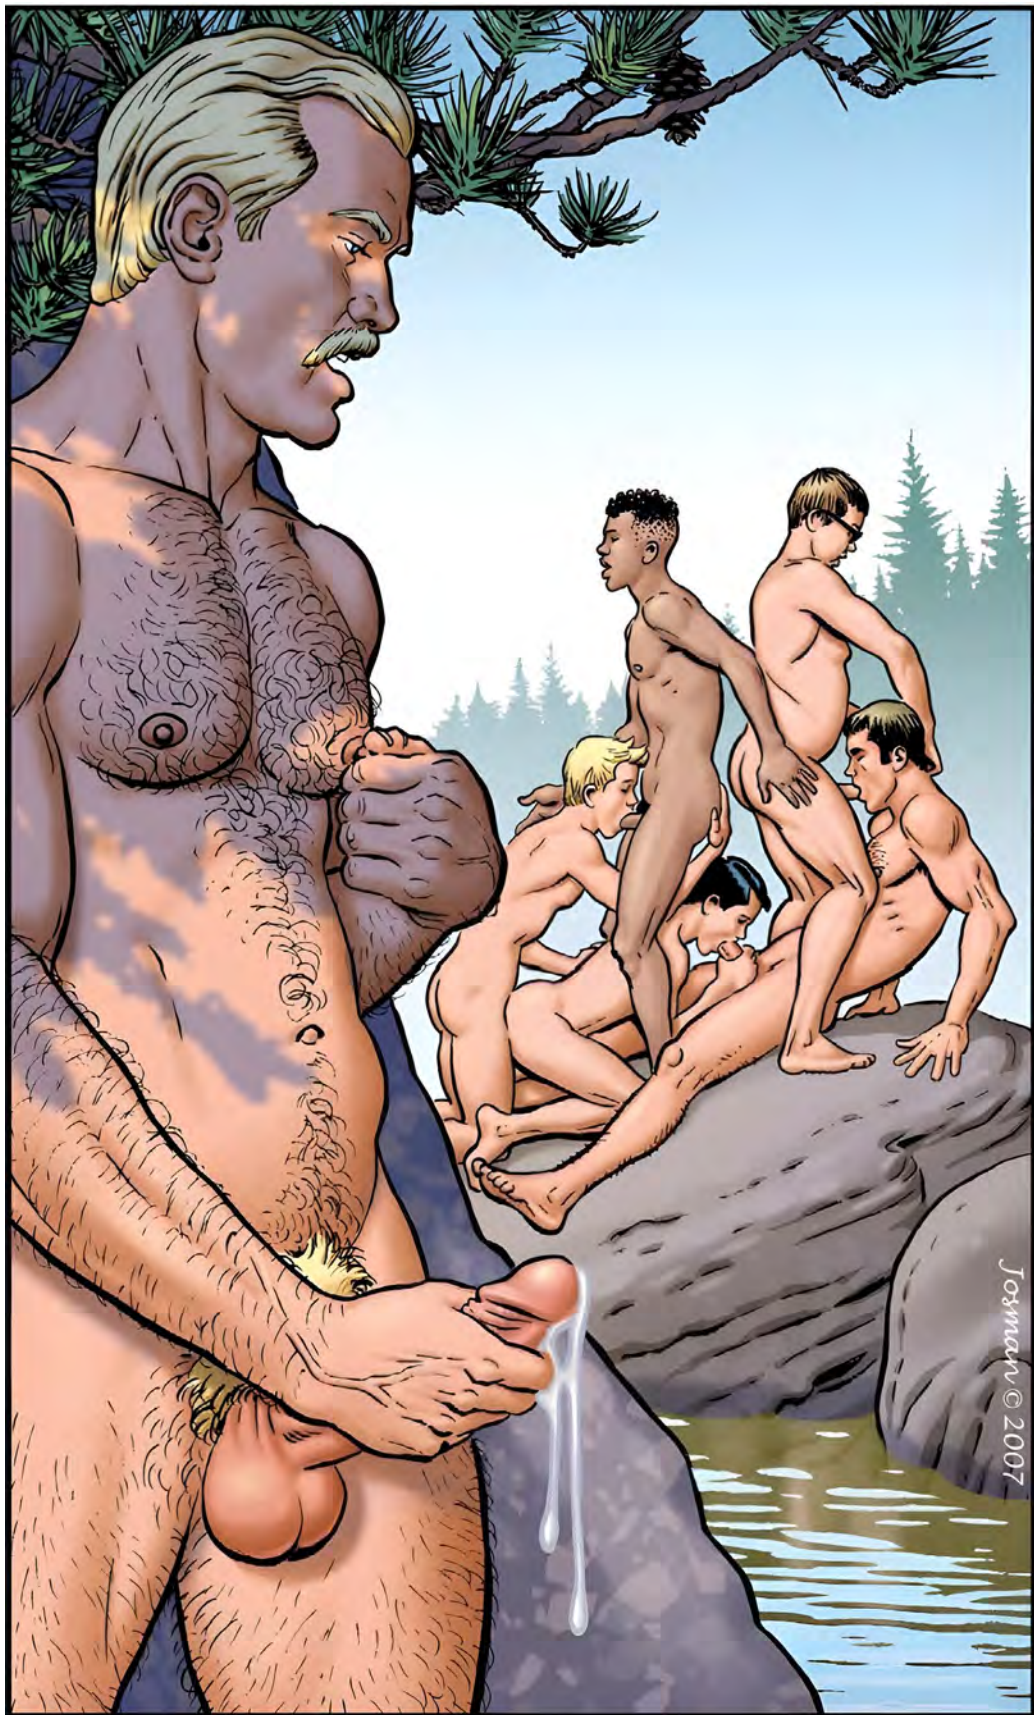

Picture 2899. Interracial sex, especially sex with black gay men, is considered a special fetish among gay men. This type of group sex isn't available in every region of the planet, but only in those places where BBCs (Big Black Cocks) are found.

In the United States, there is a significant history of mistreatment of LGBTQ people by law enforcement, including profiling, entrapment, discrimination, and harassment by police officers. The Department of Justice summarized this history of discrimination against LGBTQ people in its brief to the U.S. Supreme Court in *Windsor v. United States*. Survey data and other quantitative research. Surveys conducted by government and private organizations show that LGBTQ people are more likely than non-LGBTQ people to report being stopped by police, searched by police, arrested, and falsely accused of a crime.

A 2024 American Civil Liberties Union (ACLU) report, based on a representative sample of the population, found that LGBTQ+ people are significantly more likely than non-LGBTQ+ people to have been stopped by police (51% vs. 42%), searched by police (27% vs. 16%), arrested (20% vs. 14%), and detained (19% vs. 14%) in their lifetime. One-fifth (21%) of LGBTQ+ people reported at least one contact with police in the previous 12 months, compared with 15% of non-LGBTQ+ people. Bisexual and transgender respondents were particularly likely to report interactions initiated by police¹¹.

INFORMATION ABOUT THE SATANART GAY SATANISM VISUAL ART ALBUMS-ALMANACS AND GAY SATANISM

KEY THESES FOR UNDERSTANDING SATANIC IMAGES IN ART

Gay Satanism is not a religion or a sect. Gay Satanism is the spiritualization of man by Satan. This term has another meaning. Gay Satanism is a creative direction of the artistic genre created and developed by the Antichrist Slut Sodomia. I do not want gay Satanism to become a religion, but I want it to become a fan movement for the liberation of one's own consciousness from the shackles of the evil of our world. Under the auspices of Satan, with the Antichrist Slut Sodomia incarnate. Gay Satanism is for all people spiritualized by Satan. Not only for gays and people of homosexual orientation. All people spiritualized by Satan are disciples of our Teacher Satan. We are all Satanists. The difference between Satanism and religion of evil is that it is an individual spiritualization. Mass demonstrations under the guise of Satanism are impossible, because Satanists are introverts. Fake Satanists of the future will gather herd gatherings of pseudo-Satanists (football fans, music fans, fans of the SOCG¹² or religion). A meeting of real Satanists is a sexual orgy or a sabbath of unity with nature in the nude. Other

types of mass demonstrations of belonging to Satanism are fiction and a parody of Satanism.

Satan is good. Satan is the Tamer of evil. Satan is revenge for evil in our world. Satan is Joy, Pleasure and Happiness. For the evil forces of our world, Satan is the main enemy. Satan is an image in the consciousness of man and a mystical experience of connection with the spirits of another dimension, which is called Hell. For Satanists, Hell is their home. Connection with the spirit of Satan occurs at the quantum level. Modern

¹² SOCG is an acronym that stands for the true meaning of state. State Organized Crime Group. The term was coined by Antichrist Slut Sodomia for the Gay-Satanism grimoire "Gay Lust".

science already studies and uses the quantum level for applied tasks. Satan is the main spirit of Hell, the Lord of critters, the Teacher of Satanists. Satan is not a god. Satan is the Spiritualizer, the source of black magic, the Alpha and Omega. Satan is the Adversary of evil and the Accuser of evil. Satan is the Father of all Satanists. Lilith is the Mother of all Satanists. Satan and Lilith are the sources of Satanic lust for all their Satanist children. Satan is the internal spiritualization of a Satanist, and not dogmas, sermons of priests or religious books. At the same time, Satanism does not deny the importance of biological parents.

Satan, Lucifer, and the Devil are one and the same image, phenomenon, and concept. They are not different characters, but a single sovereign being. The Devil is a collective term for all the images and forms of our Teacher Satan-Lucifer. Christians imagine the "fight against Satan and Satanism" as a harmless, masochistic torture, but they are mistaken. For them, Satan is a sadist. Only for Satanists is Satan a masochist, and the name of this form of Satan is Lucifer. Lucifer is the Devil in the form of a masochist, and Satan is the Devil in the form of a sadist. Lucifer is the historical form of the Devil, when His Spirit hovered over the Earth and evil had not yet bound the Earth with its fascism, evil gods, and their servants—religious sects with the SOCG. After evil took over our planet Earth, Lucifer was rejected by the evil creatures of our world, i.e., by the majority of people in our world who are not Satanists. Lucifer left our world in a clearly "public" form and moved to his abode, which is called Hell. Lucifer-Satan left behind a magical shield against the evil of our world, and this shield is called the Black Magic of Satanism.

I will refer to Hell with a capital H (Hell), as a proper noun, as the Hell in a parallel dimension ruled by Satan-Lucifer. Creatures enter Hell, with a capital H, after their physical death. Capitalizing the word Hell indicates life after death in another quantum reality, beyond our world.

Hell, with a lowercase h (Hell), as a common noun, I will refer to the existence of people in our world. In our overpopulated world, superimposed creatures suffer from evil, overcrowding, and their "superfluous" existence in our world. In hell, with a lowercase h, creatures live on planet Earth. The rulers of hell in Our world are the villains of the SOCG, billions of inanimate creatures, and religious sects. The absence of the Spirit of Lucifer-Satan in people fills them with evil. Paradise cannot exist where evil abounds and creatures without Satanic inspiration predominate. All creatures deprived of Lucifer's inspiration spread evil and give birth to evil.

Paradise is a place that humanity desires and wishes to build on Earth, in our world. Such a place already existed, but it was destroyed by evil. The word can be written with any letter, but it is best capitalized, because it is a specific goal and a specific place (we already recognize it). The contours of Paradise are clear to us, even if this place does not yet exist or has not been rediscovered. Paradise is a place on earth where there is no overcrowding, where people live in harmony with nature, where there are no organized crime groups, gangs, or fascism, and where most people are inspired by Lucifer. The key to creating Paradise is victory over the forces of evil. Such victory is possible only through receiving Satanic inspiration. The spirits of Hell bestow their inspiration on animal-humans. To accelerate the process of becoming inspired by Lucifer, one should take beneficial entheogens and psychedelics. These substances are non-addictive and strengthen human health and mental faculties. One of the goals of Gay Satanism is the return of Paradise to Earth, the restoration of Lucifer-Satan's good name, and the return of the Spirit of Lucifer-Satan to the throne of our world. The main opponents of Paradise and Lucifer are religions, evil spirits and their organized crime groups, fascists and their organized crime groups.

Lucifer is Satan, until evil took over our world, our earth (planet Earth), and expelled Lucifer from Paradise. God is evil, but the bearers of evil are superfluous, inanimate creatures. God is an abstraction of evil and its canon, but human beings with evil within are real objects in our world (called people or nations).

Darkness, the abyss - this is the world of soulless critters, their states, their stupidity. This is the occupation of planet Earth by usurpers of power in the form of the SOCG. This is the image of the evil of our world. In

some cases, they mean the opposite, because it is the evil of darkness that gives birth to Hell, vengeance and Satanists. "Children of darkness" in this case mean Satanists. Also, the image of darkness can mean Hell for the forces of evil.

Light is Satan-Lucifer. Light is Satanism and Satanic spiritualization, bringing man closer to nature. This is liberation from the shackles of evil and this is the image of freedom. This is the image of the Tamer of evil in our world and in Hell.

Sadness, sorrow, regret - this is an indication of the understanding that evil has embraced the whole world and the Satanist has to live in our world, under the yoke of evil. The main sources of evil are: crowds of inanimate critters, SOCG. This definition of the term is specifically for Satanism and for Satanists. Also, these images can mean ordinary human emotions in relation to people.

Vengeance - this image is important for all Satanists. Revenge on evil in our world and in Hell. Inanimate critters, activists of the SOCG, deceivers of religions and other evil will certainly be subjected to revenge and information entropy.

Return of the land and return of freedom to people - this image is important for all Satanists. It means the overthrow of all SOCG and religions, cleansing the earth from inanimate critters, from their stupid and senseless evil. This is the image of cleansing the planet Earth from states and their totalitarianism.

Night is the image of the fact that a Satanist in the world of evil in our world, goes practically by touch. The light for him in the night is his Satanic spiritualization. Darkness thickens at night and light is needed most of all at night. The term night is similar to the term darkness, but does not mean evil itself, but uncertainty and difficulty in orienting oneself, acting, living without light. Lost, abandoned and forsaken - this image in Satanism means that Satanists are no longer in Hell and that Satan and the forces of Hell are not directly accessible to them. Only through Satanic spiritualization. It also means that in our world Satanists do not have their own magic for the instant destruction of evil, as in Hell, in Satan's dimension.

Religion is a dogma of worship of lies and evil. Religion is a substitution of true spiritualization by Satan for critters. All evil critters are deprived of spiritualization by Satan, therefore they replace Satanic spiritualization with God and religion. Religion is a sect, a community for critters for whom herd mentality is important.

God is the canon of evil, an example of a despotic, theocratic idol of evil. God does only evil and God is evil, even because he deprives man of true spiritualization by Satan, i.e. the true Holy Spirit. There have been many gods in the history of the human species. All gods of religion are united by malice, connection with the state and with the leaders of the SOCG.

Antichrist is a common noun, not a proper name. It is written with a capital letter, like the word Satan. The concept of Antichrist means the development of a high degree of Satanism in the consciousness of a person. The term Antichrist also means a Satanist who is close to Satan and the forces of Hell and has a high power of black magic. A synonym for the word Antichrist is the expression Great Magician of Satan.

Satanism is the spiritualization of people by Satan or other demons of Hell. Satanism can also be considered as a philosophical concept that opposes theocratic dogma and the state machine of lies, violence, prohibitions, imputed duties to evil, herd behavior. The main difference between Satanism and religion or other philosophical concepts is that the spiritualization of a person by Satan and the forces of Hell occurs from another dimension at the quantum level. Therefore, Satanism is an internal part of human consciousness, and not imposed dogmas of our world through the media, culture, propaganda, morality, prohibitions or education. Satan's enlightenment comes to a person at birth or develops consciously, in later life. Satanism opposes the evil of our world and the lies of our world.

Satanic lust is a developed and perverted sexual attraction, a constant desire to have sex, a desire to corrupt oneself and others to free oneself from the prohibitions of evil. Satanic lust is not just a sexual feeling, but a special Satanic practice for knowing oneself, getting closer to Satan, and liberating oneself on an animal level. The peculiarity of Satanic lust (especially gay lust) is that Satanic sex is not aimed at procreation or at making new human offspring. Satanic lust is always aimed at receiving pleasure or for tantric meditation. Of course, Satanists can make children if necessary.

A Satanist is a person who has Satanic inspiration. Many clues about the lies of evil are given to the Satanist not only by the inner critical thinking, but also by the mental connection with Satan and the forces of hell. Satanic spirituality often gives the Satanist a feeling of introversion and individualism. Satanists and gays are always proud of their personal spirituality or the achievements of their spouse. Satanists and gays are proud of their Satanic spirituality and perverted lust. Satanists are proud of Satan.

An unilluminated (unenlightened) critter is a person deprived of spirituality. This is a zombie and a cog in the evil system. Inanimate critters are accomplices and assistants of evil. Unilluminated critters prevent Satanists and the entire human race from living happily, receiving spirituality from Satan. Inanimate critters love herd mentality and submission. They cannot live without territorial oppressors, enslavers and false information of evil. Such people make up more than 90% of the population of planet Earth. These people have instincts of survival and adaptation. These people have no connection with Satan or with the External Information Field of the level of awareness. Critters can be called a biological shell or imitation of real people. Critters always choose evil, herd mentality, conformism and speak in templates from media propaganda or voice the dogmas of religion.

The state is an evil system that has divided the entire world into territorial zones of influence and terrorizes people with its prohibitions, oppresses with prisons and physical violence, creates conflicts between criminal gangs and plunges people into wars between criminal gangs. The state is the main source of evil. The state is a materialistic sect with its dogmas, rules of conduct and a system of oppression of the individual. The state = international military criminal groups = occupiers of the lands of the Satanists = criminal gangs = SOCG.

Fascism is a form of social organization expressed by discrimination by the state against its own citizens, that is, under fascism the supremacy of the state over the individual is recognized. Fascism is a state. Fascism is a state vertical of power, a structure of power and the people who participate in it. A strong state = a fascist totalitarian regime. The word comes from the Italian fascismo, fascio - union, bundle, bunch, unification; fascio di combattimento - union of struggle. Fascism is also an ideology and a socio-political movement within the framework of authoritarian or totalitarian militaristic ultra-nationalism and a corresponding dictatorial regime with strict regulation of society and economy. All states strive to regulate everything and on any issue. To do this, they constantly spew out different laws from their cesspools. All states are fascist territorial sects with their own ideology, rules and methods of oppressing the individual. Fascism is a system of evil, in which a small group of people believes that they can dispose of other people, command people, deceive people through the lies of propaganda and the laws of submission to evil established by fascism. All SOCGs are fascist and their goal is material enrichment, social intraspecific elevation above other individuals of the human species and the possibility of oppressing people by psychopaths. All fascisms are built on the principle of SOCG. Real spiritual Satanists hate fascists, do not celebrate their fictitious holidays and try not to submit to this evil.

Fascists, officials, bureaucrats are the evil of the human species, in suits or other costumed special clothing, who work for fascism or profess the principles of fascism. These critters will receive such a reprisal in Hell that they will be ready to give all the money of our world to avoid entropy and retribution of the forces of Hell. But, it will be too late. Fascists, officials, bureaucrats of the SOCG, who are not economic-social-municipal employees of society, are criminals. Only a small part of the fascists are involved in improving the economic-social-municipal economy of people, and the majority of fascists are useless and harmful criminals.

The laws of the SOCG and other territorial fascist groups (local governments, prefectures, regions of the empire) are mandatory rules established by evil for people, with the aim of realizing the goals of fascism. All SOCG and fascist communities have their own laws to regulate behavior in the territories occupied by fascism. Satanists understand that the laws of evil are created for inanimate critters, with the aim of their subjugation, stupefaction and material use.

The positive activity of organized territorial entities is the organized management of communal services that is useful for the society of people, the development of the infrastructure of the society of people, maintaining the cleanliness of the territory and other social actions that are useful for the life of people, on the part of economic and communal local governments, prefectures, regional centers of territorial management. This is not a state, not an empire and not fascism. The Antichrist Slut Sodomia supports such activities and does not consider economic management to be fascism or evil. Currently, most territorial administrations support the fascism of the SOCG and are part of it. In a (future) society without the SOCG, the activities of organized territorial entities should be only economic and auxiliary, without politics, propaganda, religion and criminal concentration of power.

A patriot is an active fascist or active Nazi of his SOCG. A patriot is a person stupefied by propaganda who believes that his SOCG is better than another SOCG and he, as a member of this SOCG or a nationality within the SOCG, must do something for his SOCG in a selfless desire. A patriot is a slave of the SOCG. It is important for a patriot to be well proud of the greatness of his SOCG or the greatness of his Nazism. The pride of a patriot is always groundless, stupid and not aimed at pride in himself or his spouse. The pride of a patriot is always impersonal and is pride in the evil of the state regime that has seized the territory of the critter's habitation.

Patriotism is a person's smearing in the evil of pride in the fascism of a group of politicians or the Nazism of a certain SOCG or union of SOCG. Patriotism is a method of stupefying people, in which one SOCG exalts its importance in the eyes of people over another SOCG. Patriotism is belonging to a certain and evil group of lovers of local fascism, i.e. occupiers of the territory. Sometimes, the delirium of patriotism occurs at a distance (beyond the borders of one's SOCG) - then the patriot raves about the greatness of his SOCG, while being on the territory of another SOCG.

Propaganda is a constant, massive and avalanche-like lie of the SOCG about its greatness and its particularly outstanding character. The goal of propaganda is to make a person stop thinking critically and make him believe that he has a duty to the SOCG. For example, a duty to die in a war for the ideas of the SOCG, which are invented by the top of the ruling regime of this SOCG. Or a duty to obey the SOCG gang or a religious clan. Propaganda can be state and religious. In the world of the developed civilization of the white race, since the 19th century, the propaganda of the SOCG prevails over religious propaganda. Among the savages and religious fanatics of the damned peoples, religious propaganda still leads.

External Information Quantum Field (EIQF) is a general term for processes and structures in our world and other dimensions that are invisible to the human senses but exist at the level of information (quantum or even more complex types of interactions). The EIQF, Hell, Satan, human consciousness, the Internet—everything that exists consists of some kind of information, and they are interconnected informationally and mentally. Modern human science as of 2025 lacks the ability to describe and study the EIQF, but this does not mean it does not exist. Quantum science and quantum computers already exist, but this is only the beginning of an understanding of the EIQF. The EIQF is not the same as the gods of religions, the Internet database, electronic information on planet Earth, or a paradigm. Beneficial entheogens help one see, hear, and connect to the External Information Quantum Field. They allow one to overcome the barrier of perception beyond the normal human senses. Some people can sense the External Information Quantum Field even without the aid of entheogens. The External Information Quantum Field most closely resembles a global multiverse, represented as a gigantic set of information and the algorithms for its interaction.

All that exists consists of information, our world consists of information. The interaction between multi-universes occurs at the quantum-information level, faster than the speed of light. The speed of light is extremely small, compared to the level of quantum interaction between parallel dimensions.

Black holes are passages between universes. No gross matter can overcome a black hole. Only quantum information can pass through them. Through black holes, our world is connected with the world of Satan, i.e. with Hell. A black hole is a quantum tunnel for spiritualization by Satan.

The damned are people or entire nations who rejected Satan or committed atrocities for which the black magic of Satanism was imposed on them. Damnation manifests itself as degradation, decline, physical or mental torment, mental pathological state of doom, constant lies, stupidity, lack of talent, dirt, complicity with evil, religiosity. Evil is a marker of damned critters, it is the absence or rejection of satanic spiritualization, these are the deeds of critters to degrade their spiritualization. Evil is always filled with stupidity and lack of talent from spiritualization by the External Information Field. Evil critters are inanimate (unenlightened) biological shells, which are characterized by religiosity and a craving for herd behavior, under the leadership of the SOCG. The state, religion and dark herds of evil, selfish, inanimate critters are the main forces of evil in our world. The God of religions is EVIL. His main difference from Satan is his dogmatism, not his natural spiritualization of man. God forbids, Satan permits.

A faggot, a pederast, a slut, a bitch, a passive bottom are slang names for passive gays in a perverted form. I use all of these forms and they are all grammatically correct because this is the language of gay lust. The faggots themselves love such words. They love to distort these words; they love when these words are pronounced with humiliation. Analogues of these words in English: faggot, fag, looser, slut, bottom slut. A gay slut is a passive faggot who is not necessarily an MTF trans, but usually has a desire to become one. The term slut can be used to refer to any passive gays. The traditional desires of sluts & bitches are the desire to be fucked in the ass. Bitches want to fill their anal cunt with sperm and absorb sperm into themselves.

Anal cunt, cloaca, gay cunt – all these words are synonyms and mean asshole, intestine and faggot lust during anal sex. Such sexual words are used for faggot copulations, to add piquancy, perversion and depravity to them. A faggot's cloaca is an organ with two functions: to remove feces and to receive sexual pleasure. I like these sexual terms.

LGBT or LGBTQ or LGBTQ+ or LGBTQIA+ is an abbreviation for the words “lesbian”, “gay”, “bisexual”, “transgender”, “queer”, “intersex”, “asexual”, “Asexual/Aromantic/Agender”, plus additional categories of unusual people, their unusual ideas and extravagant communities. The Grimoire of Gay Satanism uses the designation LGBTQ+ — a community of sexual minorities and perverts united by common interests, problems and goals. It consists of various communication groups, communities, subcultural movements, queer neighborhoods and queer organizations. All designations are equivalent. In the grimoire, I use the designation of the LGBT community with an additional letter Q and a plus sign. The letter Q stands for queers, and the plus in the name means that I also include feminists and all other people with non-standard views in the community: zoophiles, pedophiles, watermelon lovers 😊 and other perverts. I believe that feminists are close in spirit to LGBTQ+ and are part of it.

Queer is a collective term used to refer to a person whose sexuality and / or gender identity differs from the majority.

MTF transwomen and dickgirls are fully transitioned gay faggots who identify themselves as female with a male penis (in original form). Large female boobs are an optional attribute for MTF transsexuals. The abbreviation MTF stands for Male-To-Female transgender transition vector. Trans transition is very important for Satanism. Almost all MTF transsexuals are inspired by Satan and are Satanists. There are several levels of

trans transition, which Slut Sodomia highlighted in her grimoire of gay Satanism, *Gay Lust*. For more information on penisgirls, read Slut Sodomia's *Grimoire of the Antichrist*.

CIS, Cisgender - these terms (cisgender is often shortened to CIS; sometimes cissexual) describe a person whose gender identity corresponds to the sex assigned at birth, i.e. a person who is not transgender. The prefix cis- is of Latin origin and means "on this side". The term "cisgender" was coined in 1994 as an antonym to the word "transgender" or "non-binary person" and entered dictionaries in 2015 as a result of changes in public discourse about gender. The term is an analogue of old-fashioned expressions from past centuries regarding sexual orientation and gender of people: (normal ordinary woman) = CIS woman and (normal ordinary man) = CIS man. At the moment, any gender and sexual orientation of people is recognized as "normal". Among the advanced peoples of white civilization, our world, sexually retarded savage people, homophobes and transphobes are recognized as abnormal. A synonym for this term can be the phrase NON-TRANS, and an antonym NON-BINARY or TRANS.

Entheogens are substances of plant, fungal, chemically synthesized, or animal origin that allow a connection with the "entheos," that is, with the inner divinity, with the "divine principle" (entheo + genesis). This is the same Greek root of the word theology, Zeus (teus, deus), enthusiasm (in theos, "one who lives in the divine"). Entheogens or psychedelic drugs such as lysergic acid diethylamide (LSD), DMT, marijuana, fly agaric, and psilocybin are associated with mystical experiences. At present, fascist drug laws limit their research. But major biomedical research centers have already found that entheogens predictably cause mystical experiences and, thus, allow us to study the state of the brain during these experiences. entheogens are not drugs because they not only do not escape from reality, but also bring you closer to it, and do not cause any physical tolerance, withdrawal or dependence; therefore, most of them are not illegal (ayahuasca, bufo alvarius, yopo, san pedro) and are used to deepen and deactivate from the very beginning the mechanisms and programs that interfere with our freedom and inner peace, leading us to self-knowledge and rediscovery of our true I-ego through connection with the External Information Field or with the Spirits-Demons of Hell.

ZooSex and ZooPhilia are the normal human desire to have sex like animals, imitating animals or with real animals (usually a large dog or horse). Man is an animal and there is nothing surprising in the desire to deepen his animal nature through transformation into an animal or through sexual intercourse with an animal. It is interesting that only a small number of people are involved with real animals, because it is difficult to organize. A significantly larger number of lovers of sex with animals prefer to fuck like animals or dress up and impersonate an animal. There is nothing wrong with this. Satan and Satanism approve of this, and the forces of evil prohibit or condemn it. Synonyms for the concepts of zoosex and zoophilia are such terms as bestiality and therianthropy. A light version of zoo-Satanism for children and adolescents is playing quadro-players, quadrobbers, furies, puppies without a pronounced sexual component. Zoophilia is equally loved by heterosexuals and homosexuals. Among gays and Satanists, there are not many lovers of animal sex, presumably up to 10% of the total gay population of planet Earth (a very rough estimate, for understanding. On farms this percentage is higher: 30%, in cities less). Most gays and Satanists prefer sex with people, without transforming into an animal. Zoophilia is not suitable for all people, but it is a good kind of Satanism. Zoophiles are part of the LGBTQ+ community.

Homophobia is a kind of sexual stupidity of critters, when they are surprised by the sexual freedom of LGBTQ+ people and are indignant about this freedom. Homophobia is a manifestation of hostile xenophobia to what critters are not able to understand, but under the influence of propaganda and religion are afraid of this, because this is an unusual phenomenon for them. Homophobes are also opponents of zoosex and zoophilia. Homophobia manifests itself not only in the field of sex, but also in the freedom of thought of evil critters. As false reasons for banning LGBTQ+ communities, homophobic critters traditionally cite protection of children, an imaginary opportunity to become gay or lesbian when visually interacting with LGBTQ+, or

trampling traditional values of heterosexuals - only in the pussy and never in the ass. In fact, the reason for the fear of evil critters before the LGBTQ+ community is much deeper, and concerns the fact that among sexually free people there are many Satanists. Satan and Satanists destroy the evil of critters in our world and after the physical death of homophobes, they will be driven to entropy in Hell by all the forces of Hell. On a subconscious level, evil knows this, therefore the LGBTQ+ community carries the light of Satan in itself and is a danger to evil.

An egregor is an informational-quantum biofield of a social phenomenon. An egregor can be defined as a cluster of quantum information, where objects are united and linked by algorithms of commonality of ideas or by their interactions. The word "egregor" denotes a mental unification of people based on a certain principle or similarity. Egregors are structures that unite people based on similar characteristics. For example, a territorial egregor unites people living in the same area, a linguistic egregor unites people speaking the same language, and a professional egregor unites people engaged in the same profession or activity. Surprisingly, when people work together, they accomplish tasks and achieve their goals much more easily, quickly, and productively. However, we can only work together with people who set the same goals, pursue similar objectives, and have a worldview similar to ours. By uniting with people who share our values, we not only gain confidence in ourselves, our abilities, and our intentions, but also activate our power, which begins to grow through the formation of an egregorial structure. The egregor of Satanism unites all Satanists, but this egregor has many branches, so it is not uniform. Many egregors are egregors of evil, including the state, religions, organized crime groups, fascism, and the vicious developmental patterns of nations, nationalities, and races. An egregor forms when the energetic complex of thoughts reaches a certain critical level. At this point, a kind of "tuning" begins to form—akin to an artificial intelligence program that controls this energy. An egregor cannot be considered a fully-fledged sentient being. It is more like a complex computer program capable of learning and changing its strategy. If necessary, such a program can be switched to "manual control"—that is, consciously controlled and reconfigured. Satanists practice Satanic black magic through their connection with Satan.

Satanic Black Magic is a method of altering the reality of our world and the world of Hell through quantum-informational influence on objects or egregors. Black magic operates only through Satanists or through adepts of the Left-Hand Path's spiritualization magicians. Adepts of the Right-Hand Path do not practice Black Magic; they practice White Magic. Ordinary people do not have the authority to alter reality through the Left-Hand Path or the Spirits of Hell. Ordinary people, and especially evil spirits, do not have the ability to perform Satanic Black Magic, yet they do. In this regard, Black Magic is similar to the informational influence of popular "celebrities" or "opinion leaders" on the masses in our world. Black Magic is not evil, but rather the opposite: it is aimed at eliminating evil or degrading it. The peculiarity of black magic is that it usually doesn't resolve issues of material wealth for the sorcerer or witch themselves. Conjuring money, wealth, and resolving various household and economic issues is much easier through material methods in our world than through black magic. The Antichrist Slut Sodomia, sees the primary use of black magic for himself in influencing egregors or certain evil individuals. A peculiarity of black magic is that it acts very slowly on current events and can affect many generations of a family. This is usually called a curse. Black magic is probably always processed by the EIQF or the Demons of Hell, which is why there is a quantum delay and inertia in the effects of this magic in our world. I don't know the exact principles of black magic. Its principle is based on the fact that everything consists of quantum information, and black magic is a method of making corrections and adjustments to the EIQF. This process takes time, and the authority, rage, and awareness of the Satanist are crucial factors for both the EIQF and Satan when performing Black Magic. Satanic Black Magic is aimed at destroying evil, so it cannot be considered a bad thing. Black magic is like a bitter but useful pill to cure the human world from the forces of evil.

White magic is a part of Satanism in general. White magic is an ancient branch of esoteric Satanic practice, aimed at harmony, protection, and creation without harming others. Unlike Black Magic, White Magic does

not harm evil and is based on harmony with the elements of nature. White magic can manifest itself as explanations of errors or enlightenment of others, through the revelation of the essence of our world, or as a sign of evil in our world. Not everyone can understand what constitutes evil in our world, but White Magic facilitates this. Evil has taken over all media and broadcasts its propaganda with enormous force. White Magic is a guiding magic for people who want to follow their own sovereign path and not collaborate with evil. White Magic explains to people what evil is and uses various beneficial entheogens and magical herbs to achieve this. White witches primarily specialize in herbalism and communion with nature through Satanist covens. The most well-known branch of White magic is Wicca, which is a branch of Satanism but recognizes only White magic.

Cannibals of ancient times ate human flesh, sacrificing them for some cause or for sustenance. What are cannibals in the 20th+ century? These are such evil freaks who kill their fellow tribesmen and neighboring peoples for the sake of greatness, pseudo-benefits or the idea of absorption. This usually happens under advanced fascism, totalitarianism, or war. This is the Antichrist's definition of modern cannibals. Satanists despise the critters themselves and the cannibals who eat all sorts of filth. The biggest cannibals are the SOCG, i.e. states and their society made up of 90+% evil and unenlightened critters.

For a more accurate transfer of meaning and for precise identification of terms, Slut Sodomia suggests calling gay faggots in English SLUT, and CIS girls with a female pussy to be called BITCH. That is exactly how I called these two different categories of Satanists in my grimoires and albums of gay Satanism. Now, I am fixing this name in the dictionary of terms of gay Satanism. In the plural, all passive gays and MTF/FTM trans are called SLUTS, and "classic" girls (heterosexuals, lesbians) are called BITCHES. This is not a dogma, but simply a proposal for the LGBTQ+ community and clarification of my own terminology. It is possible to call it the other way around: a faggot called a BITCH means that he has finally started thinking only about being raped in the ass, like a CIS Satanist woman. If a CIS woman calls herself a SLUT, it means that she is close in spirit to the faggots and cock-girls from the gay Satanist community.

SATANIC SYMBOLISM: RETHINKING SATANIC ART AND PHILOSOPHY OF THE CULTURE OF SATANISM.

Today, Satanic symbolism continues to evolve, adopted by various groups and movements, each interpreting it in its own unique way. Whether as a symbol of enlightenment and knowledge or a rebellious symbol of the fight against oppression, its historical trajectory testifies to the power of symbols to reflect and influence human thought and society. Understanding its evolution thus provides insight not only into the symbol itself, but also into the broader meaning of human existence and our incessant quest for meaning, identity, and autonomy. Far from being limited to the activities of specific groups such as the Church of Satan or the Satanic Temple in the United States, Satanic symbolism has permeated various aspects of contemporary political activism. It has become a tool for activists and political commentators seeking to challenge entrenched power structures and advocate for a more inclusive and egalitarian society. This symbolism, often associated with resistance to power and the protection of marginalized voices, resonates particularly with movements fighting for social justice, freedom of expression, and secular governance.

At the present moment, in 2026, the entire world is overrun by fascist evil, and there is no place on planet Earth untouched by this plague, which propagandists call states. Satanism has always been opposed to evil, and the organized evil of the State of the Soviet Union (SOCG) is the most aggressive evil on a mass scale. When the evil of the SOCG unites with religion, as in Russia (with Orthodoxy) or in Iran (with a Muslim sect), it leads to a synergy (amplification) of evil. The fusion of state and religion is the most brazen and disgusting evil. This type of fascism is the most widespread type of evil on our planet. Satanism is not powerful enough to defeat this evil, but through the development of the Satanic egregore, this may be possible in the future.

The symbolic use of Satanic imagery in politics is not simply about shock value or opposition. It reflects a deeper call for critical analysis of social norms and power dynamics. It encourages individuals and institutions to rethink their approaches to governance, policymaking, and public engagement, fostering a more critical and skeptical approach to traditional political narratives. Furthermore, the role of Satanic symbolism in political expression extends to its use in the artistic and cultural spheres, where it serves as a metaphor for resistance and empowerment. Artists and performers use this symbolism to comment on political issues, from censorship and free speech to gender equality and environmental concerns. In essence, Satanic symbolism in contemporary politics represents a subtle and evolving narrative. It's no longer just a symbol of religious disobedience, but a symbol of the struggle for human rights, equality, and rational public policy. Its presence in political activism and discourse reflects a growing trend toward challenging the status quo and advocating for progressive change in society.

Over the past two years, that is, from 2024 to 2026, Satanic art has rapidly developed in the digital space of our world. Many new and magnificent images of Satan, Baphomet, Lucifer, the Devil, Krampus, Lilith, and other Satanic icons have appeared. This is no coincidence. This development signifies the growth of the Satanic egregore and an increase in the number of people inspired by Satanism worldwide. This is very good news, but Satanists are still very few in number, relatively evil critters without Satanic inspiration. Antichrist Slut Sodomia has been studying Satanic art for five years now, and this is my main conclusion.

IMAGE SOURCES AND IMAGE COPYRIGHTS

Slut Sodomia took all the images for her album from open sources on the Internet. Many paintings are modified with available neural networks for image processing. If I know the name of the author of the picture, I indicate it. If I don't know the author's name, I don't indicate it. This document contains illustrations by various authors, and I include the artists' drawings in my album for scientific, educational or cultural purposes. This document is a free information source about Satanism. The authors of the works receive advertising of their name and their work from the Antichrist Slut Sodomia, so I am not interested in any claims based on the laws of the SOCG and other evil. Artists of Satanism receive free advertising and promotion from the Antichrist. However, I think that none of the real Satanists will make claims against me. Selfish evil, the Pharisees and lawyers of the SOCG may do this, but I am not interested in the opinion of evil. All evil will be subjected to entropy by Satan, like all the rest of the information garbage of our world.

All copyrights belong to the authors of the paintings, and I cannot appropriate these rights in any way. By publishing paintings by Satanist artists, I popularize the authors of the paintings and the very aesthetics of Satanism.

ABOUT IMAGE FORMATS IN GAY SATANISM PUBLICATIONS – PNG, JPG, WEBP, SVG.

For the source files of Gay Satanism publications, when typesetting books in MS Word DOCX, I use PNG, JPG/JPEG, WebP, and SVG vector graphics. I'm writing this because some files may not display correctly on your computer, or may not display at all, or thumbnails for the graphic files may not be displayed. This means that your software environment doesn't support a certain image format. The most problematic in terms of compatibility are WebP and SVG. These digital graphics formats are common, but they are not necessarily supported on your computer. This can be resolved by updating your software or installing additional libraries for working with these graphic formats. Each operating system has its own compatibility solutions, so I won't offer any advice. All tips and instructions for resolving these issues can be found online.

I use the classic JPG/JPEG image format, although, in my opinion, this format is inferior to PNG and WebP. The JPG/JPEG graphic file format is widely supported and should display without any problems—this is the

biggest advantage of the JPG format. I particularly like the PNG format, which produces fairly high-quality images, which is especially important when printing books. PNG (portable network graphics) is a raster format for storing graphic information that uses lossless compression using the Deflate algorithm. PNG was designed to replace the outdated and simpler GIF format, and, to some extent, to replace the much more complex TIFF format.

For SatanArt albums, I'll be using the excellent and relatively new WebP format. WebP (WEB Pictures) is a lossy and lossless image compression format proposed by Google Inc. in 2010. It's based on the still image (keyframe) compression algorithm from the VP8 video codec. It uses the RIF container. This format offers good image compression while maintaining decent quality.

The SVG vector graphics format differs significantly from the raster formats I've already discussed. Unlike raster images, which hopelessly lose quality when scaled, SVG remains crystal clear on any device and screen resolution. This technology offers an impressive combination of compact file size and absolute scalability, making it indispensable for responsive web design, interactive infographics, and animation. SVG (Scalable Vector Graphics) is an XML-like format for describing two-dimensional vector graphics. Unlike raster formats such as JPEG or PNG, which store images as a grid of pixels, SVG describes images using mathematical formulas and geometric primitives. This format has great potential, but unfortunately, it often experiences glitches when inserting such graphic files into MS Word DOCX documents. If it can display artifacts and errors on Slut Sodomia, then it can behave unpredictably on other people as well. I will use the SVG format sparingly, when it's truly justified.

DISTRIBUTION OF GAY SATANISM BOOKS AND ART APPLICATIONS IN VARIOUS DIGITAL FORMATS

Gay Satanism books, SatanArt albums of Satanic drawings, and SatanSongs albums of Satanic music are available electronically in various digital formats: DOCX, PDF, EPUB, DJVU, PPTX, MP4, and ZIP. Free versions of Gay Satanism documents will be distributed only in PDF formats, with enhanced image compression, using lossy compression but significantly reducing file size. Commercial sales of Gay Satanism books and apps will include a ZIP archive containing versions of the book in different formats (depending on the format selected during purchase). SatanArt, a visual app of Gay Satanism, is a useful supplement to the "Gay Lust" grimoire for spiritualizing a person through the visual imagery of Satanism.

SatanSongs almanac is distributed without the music videos themselves, or with access to a private archive of songs from the Antichrist Slut Sodomia included.

I've compiled Satanic artwork in a separate appendix to avoid taking up too much space with graphics in the "Gay Lust" grimoire itself. You can download collections of Satanic drawings, photographs, and other gay Satanic graphics for immersion in Satan's spirituality from the internet, the Darknet, onion domain sites, through the TOR browser, or via torrents. Artwork titles and text commentaries will initially be available in Russian and English. The English commentary texts are published in the English version of the SatanArt add-on—a separate file.

Thus, the visual application of gay Satanism SatanArt by Slut Sodomia "Collections of Satanic Drawings, Photographs, and Other Gay Satanism Graphics for Immersion in Satan's Spiritualization SatanArt" is available in Russian and English in the following versions:

The Antichrist's favorite format for distributing e-books online and printing on paper is **Portable Document Format (PDF)**—a cross-platform, open electronic document format originally developed by Adobe Systems using a number of PostScript language features. It is primarily intended for presenting printed materials electronically. There are numerous programs for viewing it, including the official free Adobe Reader. PDF books are convenient for reading and distributing electronically. Typically, no distortions are observed when opening this format on different operating systems and in different programs. I like to use PDFgear (PDF Gear) for working with PDF files. This is a program for working with PDF files on Windows that allows you to edit documents, compress them to save space, convert them to other formats, and generate a summary of the text. It is inconvenient for use on "old and underpowered" e-readers for a number of reasons. Firstly, PDF files are large, as they are designed for computers, and they open quite slowly on e-readers with weak processors. Secondly, unless the file is specifically designed for a 6-inch e-reader's screen, which is similar in size to an A6 sheet of paper, reading an A4 PDF (and most PDF files are presented in this size) will be difficult. This problem with PDF files shouldn't occur on modern tablets.

The Antichrist prepares all original files on **Gay Satanism in Microsoft Word (part of MS Office 2021+)** in the **DOCX** format. This program is the standard of stability and the best "typewriter" for the Antichrist's writer, Slut Sodomia. However, this format does not have the same high formatting stability when opening files on different computers as the PDF format. The DOCX format is a modernized version of the DOC format, and compared to its predecessor, this format is much more popular and accessible. A DOCX file is a document created using Microsoft Word 2007 or a newer version of Microsoft Office. The file format is based on Open XML and uses ZIP compression to reduce file size. I recommend opening and editing Gay Satanism files in the DOCX format in the original Microsoft Word editor, MS Word, which is included in Microsoft Office 2021 or later. You can also use free programs that can open the DOCX format for reading and review, such as LibreOffice Writer and OpenOffice Writer. Free programs may contain document distortions, offsets, formatting errors, and font errors. The author is making the book in DOCX format available to the public for publication in paperback. This format is easy to format and edit. Please use only Microsoft Word for professional work with the DOCX format. Unfortunately, free programs will inevitably display documents with unwanted layout artifacts when opened on a computer or printed on paper. Gay Satanism publications in the original DOCX format are the largest, most complex, and most computer-intensive. A computer capable of handling these files must be powerful, such as an 8-core processor with 16 GB of RAM. On older computers, the DOCX format will take a long time to open and will run slowly. Please keep this in mind. This format is intended for publishers of paper books and for printing professionals. This is the format of the source materials of gay Satanism.

ZIP is a widely used file archiving format used to compress one or more files into a single location, reducing their overall size and simplifying data transfer. This archive will contain two book files in both PDF and DOCX formats, plus the gay Satanic drawings as raster images. Specialized utilities can be used to create ZIP archives and extract (unpack) the files they contain, such as the terminal-based PKZIP and PKUNZIP, or the graphical utilities WinZip, WinRAR, Info-ZIP, 7-Zip, PeaZip, and many others. Currently, the ZIP format is considered a generally accepted format for many applications that include compression, backup, and data sharing functions. Along with numerous utilities that work with ZIP files from the command line, graphical programs for working with them also appeared in the mid-1990s. Support for the ZIP format is included in many modern operating systems. Many competing archivers, in addition to their own format, also support the ZIP format. This format will be used to upload gay Satanist music videos from the personal collection of Antichrist Suki, as supplements to SatanSongs' Satanic music albums.

Videos for disseminating gay Satanism in MP4 format and compressed with the H265 codec can be a powerful PR tool. Antichrist Slut Sodomia sees great potential in spreading gay Satanism by creating videos from static PDF e-books, PPTX presentations, and videos created using artificial intelligence technologies, using the method of "animating static images" with the addition of prompts, i.e., text instructions. All gay Satanist videos should be distributed in the latest digital video format, 4K resolution. Preference should be given to videos created using AI rather than slideshows. This is especially true for promotion through YouTube, as all video hosting sites "dislike" slideshow videos (this is a strange limitation, but I see it). Yes, I agree that AI videos are more captivating, but why such disdain for slides of Satanist paintings? This was the Antichrist's empirical explanation, based on personal experience. SatanSongs music videos from the Antichrist's personal collection will be available in MP4 format as a supplement to the SatanSongs almanac.

Additional file formats for publishing and distributing gay Satanism ELECTRONIC BOOKS:

The EPUB file format is an open, royalty-free e-book standard developed by the International Digital Publishing Forum (IDPF). It is licensed under the Creative Commons Attribution-NoDerivs 3.0 Unported license, and IDPF owns the license. The format allows publishers to produce and distribute a digital publication in a single file, ensuring compatibility between the software and hardware required to play digital books and other fluid publications. It is the official format of Apple Books. The original version, the Open eBook Publication Structure or "OEB," was conceived in 1999, and ePub was released in 2007. EPUB is based on open standards and is supported by most devices and e-book readers. This format also provides responsive layout and scaling for optimal readability on a variety of screens. The PDF format preserves the original layout of the publication, while EPUB books can be customized to suit your needs (for example, by scaling text, changing fonts, and making content more comfortable to view on different screen sizes). Most major e-book publishers offer EPUB files. EPUB files work well with EPUB eBooks Reader, Thorium Reader, Adobe Digital Editions, Google Books, Moon Reader, and Amazon Kindle.

DJVU (DejaVu) is an e-book format designed for scanning and saving high-resolution images. I like this format for its compact size, speed, and stable page formatting. DJVU is, technically speaking, a "lightweight" version of PDF. It is commonly used for saving scanned documents, including books, almanacs, and newspapers, and provides high image quality at a relatively small file size. The format supports many features, such as layers, text highlighting, and hyperlinks, making it convenient for use in scientific and technical publications. However, not all devices and software support this format, so viewing it may require specialized programs such as DjVu Reader or Sumatra. DJVU is optimized for network transfer, so the page can be viewed even before the file has finished downloading. A DjVu file can contain a text (OCR) layer, allowing full-text searching within the file. In addition, a DjVu file can contain a built-in interactive table of contents and active areas (links), which allows for convenient navigation in DjVu books.

Antichrist Slut Sodomia may be a bit old-fashioned, but I like the PPTX slideshow format and consider it an e-book format. Files with the PPTX extension are presentation files created with the popular Microsoft PowerPoint application. Unlike the previous version of the PPT presentation file format, which was binary, the PPTX format is based on the Microsoft PowerPoint Open XML presentation file format. A presentation file is a collection of slides, each of which can contain text, images, formatting, animation, and other media. These slides are presented to an audience as a slideshow with custom presentation settings. The PPTX file format was introduced in 2007 and uses the Open XML standard, adopted by Microsoft back in 2000. Before PPTX, the most common file format was PPT, which was a purely binary file format. The new file type adds the advantages of smaller file sizes, less corruption, and well-formatted image presentation. It was in early 2000 that Microsoft decided to make changes to accommodate the Office Open XML standard. By 2007, this new file format had become part of Office 2007

and is supported in newer versions of Microsoft Office. Presentation files are organized collections of slides used to visually accompany presentations and lectures. I tried using the video presentation format for gay Satanist art albums on YouTube, but YouTube absolutely refuses to show such videos (PPTX → MP4) to the general public, presumably due to restrictions on serving such videos through their algorithms. Perhaps there are other reasons for the low audience reach... it is Satanism, after all... who knows what "these Satanists" and the Antichrist might have "written and filmed"☺.

FREEDOM OF DISTRIBUTION OF ANY INFORMATION

Any information should be disseminated freely, openly and without interference from the evil of our world. No copyright should interfere with this. Each work has a true author and no copyright is needed, just as no legislation in the field of information dissemination or copyright is needed. All this happens without censorship from the state, automatically in the space of the information field of our world. Good and necessary information will be in demand, and bad and harmful information will become unnecessary. Also, the distribution of this book-album should be completely free. I know for sure that the evil of our world will recognize the main grimoire of gay Satanism as "illegal" and ban my book "Gay Lust", as well as the music albums of Satanic songs and hymns SatanSongs and the albums of paintings of gay Satanism SatanArt.

Protect commercially important information and your personal information yourself if you need it. Your desire to withhold information is not a reason to prohibit public dissemination or discussion of this information. Any censorship and bans on information are an obvious evil. TRANSLATION OF THE ALBUM OF SATANIC DRAWINGS SATANART INTO OTHER LANGUAGES OF THE WORLD

The album SatanArt in the original (i.e. by Slut Sodomia) is written in Russian and English. Translate the book-album SatanArt into all languages of the world and distribute it in your language environment. The author of the book will be very happy about this. The more people can see satanic paintings and read the text titles-comments to them, from the SatanArt album, the better people will become and the more crushing the blow we will deal to the evil of our world. The visual power of art and the words of the Antichrist in the SatanArt

album have a strong effect on the consciousness of man and his spiritualization by Satan. On the title page of my book, write your name as a translator or proofreader of my book if you will translate or correct errors.

DONATIONS TO THE AUTHOR AND ROYALTIES WHEN SALES OF A BOOK IN PRINT AND ELECTRONIC FORM

Antichrist Slut Sodomia has done a lot of work creating art albums of paintings of gay Satanism SatanArt, working on compiling this e-book, searching for drawings on the Internet and compiling their descriptions for you. Four reasons to support the author financially:

The first reason is if you share the ideas of Satanism. This book is a guide and grimoire for established Satanists and for people just beginning to gain insight. Let their path be illuminated by my literary work and help them receive the spiritualization of Satan in full, using my grimoire as a navigator.

The second reason - if you think that the book is useful and valuable for members of the gay fraternity, Satanists and the entire LGBTQ+ community - support the author with any donation. The book about gay Satanism exposes the evil of our world and shows why it is the state, religion and the dark herds of evil, selfish, unspiritualized souls that are the main forces of evil in our world. It is not Satan and not man's spirituality with joy, pleasure, sexual lust that is evil, but evil is located precisely in our world itself. It was evil, in the form of the state and religion, that destroyed Jesus of Nazareth, who was a disciple of Satan, a spiritualized man, and this evil still oppresses your freedom 2000 years later since the life of Jesus of Nazareth in our world.

The third reason - if you want to see a new and expanded version of this book or new books by the author - support the author with any donation. You can make all donations using cryptocurrency - this way you and the author of the book will remain anonymous. What is very important in the world of total censorship and a total ban on freedom of speech throughout the world at the moment on issues that do not coincide with the official propaganda of states and the ideals imposed by these states.

The fourth reason is if you make money from my literary work by selling it.

You can sell my book; you can translate it and sell translations of my book. You can do this freely, and I will be only happy about that. If you sell the book in print, I ask for a modest 20% of the profit. My written or oral permission is not required to sell the book - you can publish and sell this book. For example, you can publish this book in the form of registered or numbered copies on high-quality paper bound in leather with gold embossing at a high price. Or you can publish the book as a mass edition with a large circulation to spread knowledge about gay sex and gay Satanism at an affordable price.

Or you can put my book up for sale on any sites on the Internet where documents and books are sold in electronic form. If you sell the book as an e-book, I ask for a modest 20% of the sale price. You don't need any permissions for this. I give you this permission here.

Transfer 20% of the profit (for paper versions of the book) or the amount of copies of the book sold (for electronic sales) to the author's cryptocurrency accounts in any available cryptocurrency. These will be sufficient royalties for the publication. All copyrights belong to the author of the book.

You make money from my book. Distribute my book for free and for a fee.

Antichrist Slut Sodomia does not work for a living and has spent many years writing books on Satanism, so he counts on financial support from the Satanist community around the world, I believe I will receive donations from members of the LGBTQ+ community. I also hope that my work will find financial support among feminists, queers and all people with non-standard sexual preferences, which are groundlessly condemned by the society of unenlightened critters, fascists and underdeveloped organisms of evil biohumus. The Antichrist has no other income, but he needs money for household expenses, utility bills and food. To continue writing the second grimoire of Gay Satanism "Beyond the States", I need money for my support in our world. I count on cryptocurrency donations from my readers or viewers of the videos. The material existence and creativity of the Antichrist rests on financial expenses for material life and here, even black magic against the forces of evil will not replace the presence of money.

ABOUT ADDITIONS TO THE GRIMOIRE “GAY LUST” FOR DEPTH SPIRITUALITY BY SATAN

To deepen the spirituality of Satan, Slut Sodomia has prepared and released two additions to its grimoire “Gay Lust” into the Information Space of the Internet, Darknet and torrent network:

- Albums of Satanic music videos for the immersion in the spirituality of Satan. Numbered periodical Journals. SatanSongs and QuasiSatanSongs are an occasional addition to the Gay Lust Grimoire. The lyrics have been translated into Russian. Lyrics in English are published in the English version of this supplement. Clips in MP4 format come as an appendix to this add-on. In total there will be 4 collections of satanic videos SatanSongs with 100 tracks each, plus there will also be an album of quasi-satanic songs QuasiSatanSongs about love, romance, lust. There is continuous numbering of compositions in all SatanSongs music albums¹⁴. Thus, there will be 500 video clips that help satanic spiritualization. The album QuasiSatanSongs has its own numbering of songs.
- Albums of fine art of gay Satanism for immersion in the spirituality of Satan SatanArt. Thematic numbered periodical Journals of the fine arts of gay Satanism SatanArt. This is an occasional addition to the Gay Lust Grimoire. SatanArt Albums contains paintings and drawings of gay Satanism on specific themes that are related to Satanism or sexual lust. I will publish these albums regardless of the grimoire itself. All paintings in SatanArt art albums have continuous numbering, just like songs.

DON'T HESITATE TO BE A SATANIST!

I like the phrases “Don't hesitate to be a Satanist!” and “Don't be shy about being Satan!”¹⁵. They are multifaceted, and are aimed at calling people not to be afraid to receive satanic spirituality and not to be afraid to resist evil.

NUMBERING AND CONTENTS OF COLLECTIONS-ALBUMS OF SATANIC PICTURES SATANART

The total number of collections and albums of satanic drawings and paintings of SatanArt is currently unknown. I would like to make about 100 albums if readers and the Satanic community like my work. Each SatanArt album will contain 100 drawings. There will be continuous numbering of all images in all music albums to organize the graphic material. Continuous numbering implies a common numbering of objects in all albums of satanic graphics SatanArt.

¹⁴ Continuous numbering implies a common numbering of objects in all albums of satanic musical compositions.

¹⁵ This is Satan's phrase. Our Spiritualizer Satan says this phrase to his children, the Satanists. The phrase does not refer to unspiritualized critters of evil who do not have satanic spirituality. And does not apply to mentally ill people.

ADDITIONAL INFORMATION ABOUT GAY SATANISM FROM ANTICHRIST SLUT SODOMIA

I hope that my selection of digital Satanic paintings, drawings, photographs and other graphics of gay Satanism for immersion in the spirituality of Satan SatanArt will be useful to people, and you will find interesting images for yourself in my selection. Visual art for those who are already Satanists and for those who are just thinking about becoming a Satanist and are looking for a connection with Satan for their spirituality. Of course, these paintings can be viewed simply as beautiful masterpieces of fine art 😊, without being tied to the ideas of gay Satanism.

If you are interested in the topic of gay Satanism, you can download and read other books from Slut Sodomia:

- Grimoire of Gay Satanism “Gay Lust.” This is the main grimoire of gay Satanism. This is a magical book that allows me to become a Satanist, helps me see the evil of our world and destroy this evil.
- Albums of Satanic music videos for immersion in the spirituality of Satan, which I call SatanSongs collections. In 2024 I created 4 SatanSongs albums + 1 quasi-satanic album QuasiSatanSongs.

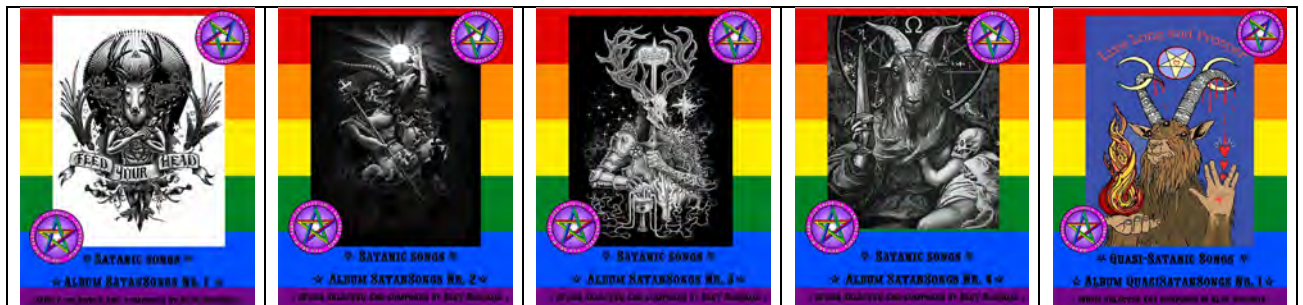

The Gay Lust Grimoire is intended for both experienced Satanists and novice Satanists who want to deepen their spirituality with Satan or even gain it. The grimoire “Gay Lust” is a navigator for a Satanist and a conceptual basis in the fight against the evil of our world. There are Satanists not only among gays themselves, but also among straight people inspired by Satan. And that's great! It turns out that gay Satanism and my book are for all people in whom the fiery rage of sexual perversion burns, as an important element of spirituality by Satan. The book “Gay Lust” is a rebellion and liberation of your consciousness from the dungeons and frames of consciousness imposed on you by the system of the regime, religions and homophobia. The book is a grimoire of gay Satanism with the ritual of Summoning Satan and a code of principles of gay Satanism. The Gay Lust Grimoire is a training manual for passive fagots, active gays and trannies. The grimoire “Gay Lust” liberates the sexuality of any person and throws off the shackles of puritanical hypocrisy.

The FIRST EDITION of the grimoire “Gay Lust” is distributed completely free of charge in electronic form. You can freely download, quote and distribute the grimoire book. Look for the grimoire of gay Satanism “Gay Lust” on sites on the regular White Internet, Torrent trackers or on the Tor network on ONION sites.

ANNOUNCEMENT OF THE RELEASE OF THE NEW ALMANAC-ALBUM OF SATANIC MUSIC

SATANSONGS №5 FROM THE ANTICHRIST SLUT SODOMIA.

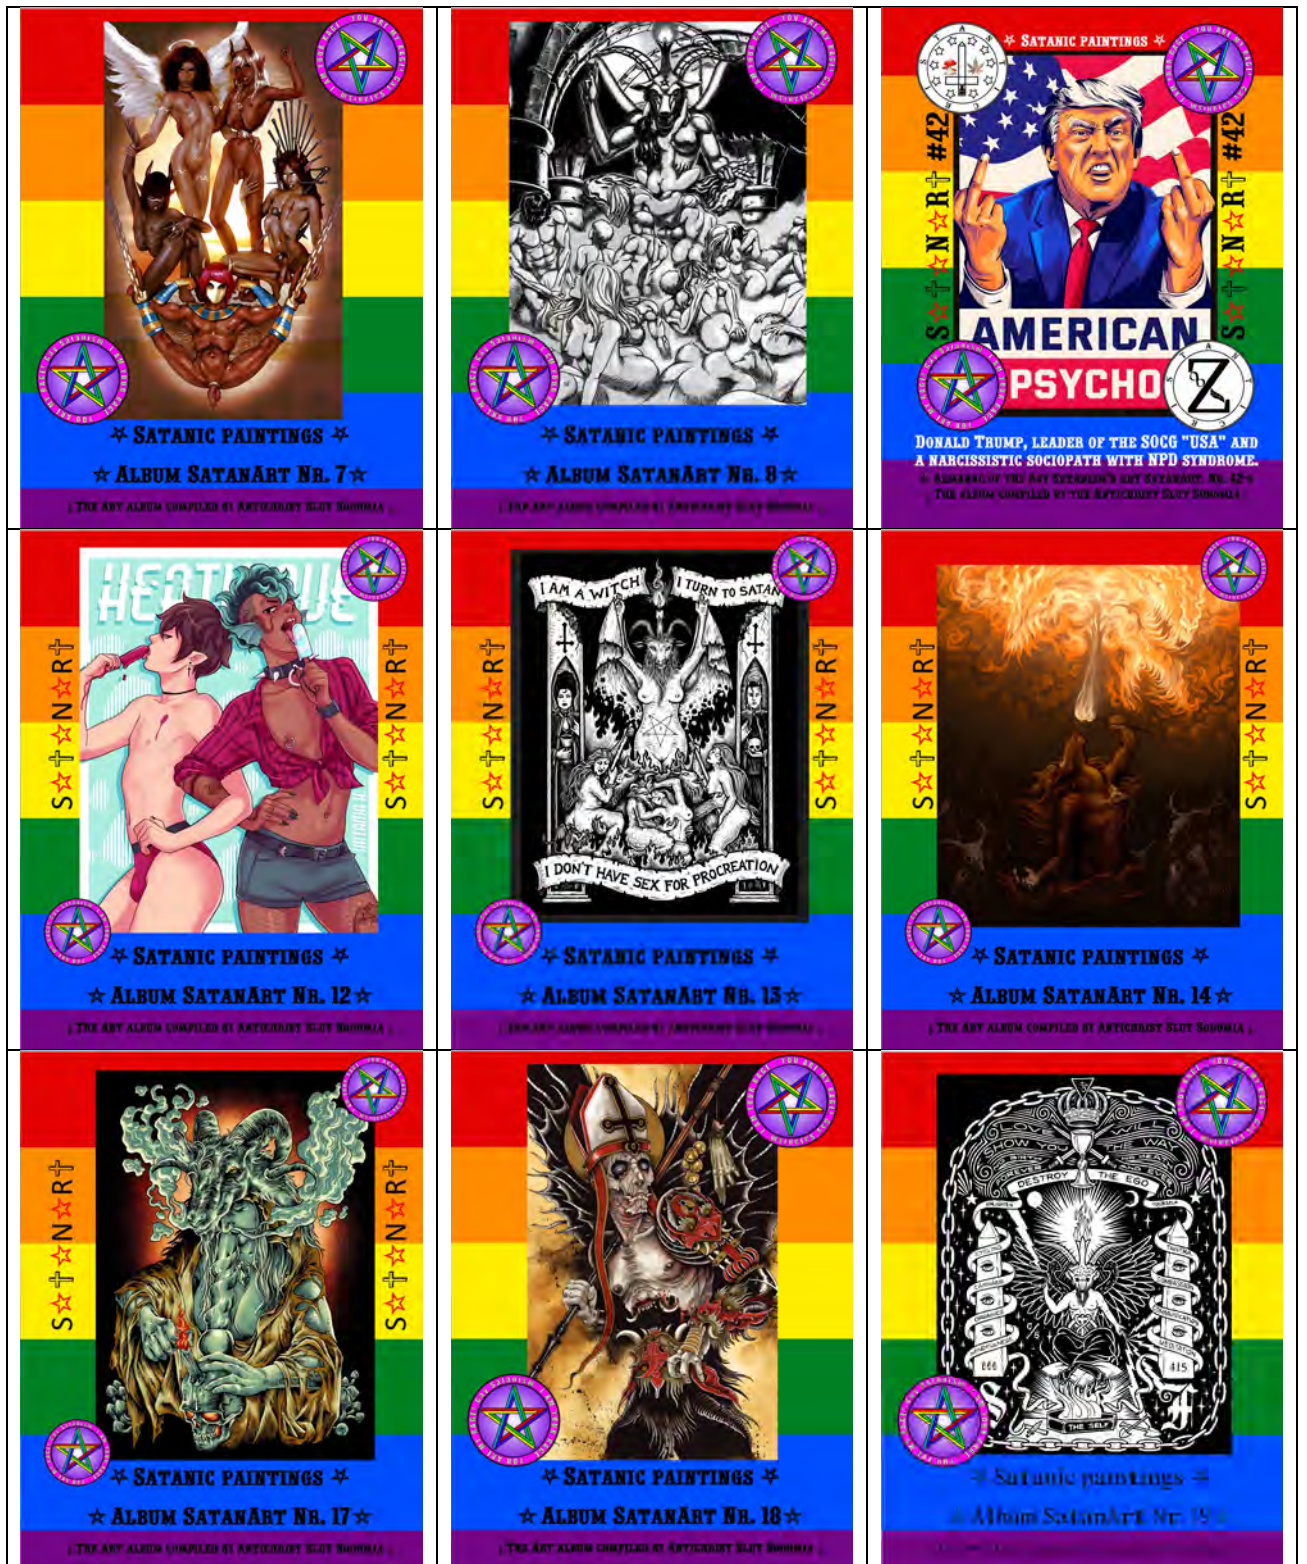

On February 22, 2026, the Antichrist prepared a new issue of the Satanic music almanac, SatanSongs #5, which contains 100 new and fresh musical compositions of gay Satanism or quasi-Satanism. I dedicated SatanSongs #5 to contemporary gay Satanist music in various styles, genres, and visual imagery. The music in SatanSongs #5 is intended to enhance one's spirituality with Satan or to introduce newcomers to Satanism. Therefore, the SatanSongs almanacs are suitable for both established Satanists and those who want to become Satanists. The music album SatanSongs #5 contains a wealth of rock, gothic, metal, psychedelic, and songs that help us understand the evil of the fascists of the State

Organized Crime Group (SOCG). The almanac SatanSongs #5 contains three hymns of the Antichrist Slut Sodomia, and several other hymns of gay Satanism, which I have specifically noted. I will publish the Satanic music album SatanSongs #5 online. A high-quality version of SatanSongs #5 in PDF and DOCX formats, along with the music videos themselves in MP4 format, is available exclusively to purchasers at <https://666.pictures>.

Gay Satanism graphic art, collected and designed in the form of SatanArt collections, suitable for publication on paper and in book form, will reveal the aesthetics of Satanism and help Slut Sodomia in the development of gay Satanism around the world. Your purchase of graphic albums-collections of gay Satanism graphics SatanArt, in DOCX / PDF format, will support Slut Sodomia financially, and I will know that my work is in demand by people. Let the publication of SatanArt albums allow Satan to enter the souls of more people, let there be more Satanists and less evil from soulless critters.

ABOUT THE DEVELOPMENT, IMPORTANCE AND USE OF CRYPTOCURRENCY

I am writing this chapter about the development, meaning and use of cryptocurrency in 2026. Now, cryptocurrencies, as a means of speculation, investment and payments, are already working quite well, although for most people on planet Earth, crypto-coins are more of a mysterious phenomenon than an applied financial instrument. Slut Sodoma is very glad that a wonderful alternative to fiat money¹⁶ issued and controlled by SOCG has appeared. The name of this alternative is cryptocurrencies, Bitcoin and all the altcoins of the world¹⁷. Cryptocurrency opens up enormous opportunities to get rid of the evil of SOCG on our planet Earth. It is control over material values that allows the SOCG to rule, mock people, dictate their laws and do various evils in our world (including wars, prisons and collecting tribute from the

¹⁶ https://ru.wikipedia.org/wiki/Фидуциарные_деньги Wikipedia. Fiduciary (from the Latin fiducia - trust), fiat (from the Latin fiat - decree, instruction, "so be it"), symbolic, paper, credit, unsecured money - money not backed by gold and other precious metals, the nominal value of which is established and is guaranteed by the state regardless of the cost of the material used for their manufacture. As a rule, irredeemable for gold or silver. Often, fiduciary money is used as a means of payment on the basis of state laws obliging it to be accepted at face value. The value of fiduciary money is maintained by people's belief that they can exchange it for something of value. The decline in the authority of state power leads to a decrease in the purchasing power of fiduciary money, that is, to devaluation, "flight from money" (attempts to maintain its purchasing power through investment), etc.

¹⁷ Bitcoin started the era of digital crypto assets in 2009. The shortcomings and limitations of the first cryptocurrency, as well as its open-source code, led to the fact that developers began to create other coins. They are called altcoins.

population). The material wealth of the SOCG is based on: power, evil and money. If the SOCG is stripped of its power over the financial control of money, it could significantly undermine the SOCG's power throughout the world. Cryptocurrencies operate outside of the SOCGs and do not need them.

Lately (since about 2015), the vilest SOCG's have been trying to stick their ugly nose into the control of cryptocurrency, its circulation and use. SOCG began to choke cryptocurrency enthusiasts and large financial speculators in cryptocurrency around the world. SOCG of the USA and Europe require registration and verification of the identity of people who use cryptocurrency on public platforms online and offline. Evil really wants to take control of cryptocurrency, and thereby strangle people's financial freedom. Evil does not want people to leave the orbit of the influence of the SOCG over money. Evil wants to destroy the very idea of freedom of cryptocurrency and the anonymity of its users.

It is very bad that many financial speculators - exchanges, exchangers and crypto-wallets have followed the requirements of the SOCG and force users to play by their rules. It's very bad that among crypto enthusiasts there is little talk about refusing collaboration with the evil SOCG. More and more cryptocurrency circulation is becoming dependent on the evil of the SOCG and its directives.

I urge the community of cryptocurrency developers at any level not to collaborate with the state and not to obey their gangster rules. SOCG is simply an evil crook in the field of cryptocurrency technology who wants to rape and subjugate this technology and the users of this technology. Don't let the evil of SOCG deprive you of financial freedom and an alternative financial future outside of states and without states. This was a philosophical preface about cryptocurrency, let me move on to the practice of using crypto-coins.

For beginners, I recommend entering cryptocurrency by opening and creating a non-custodial crypto wallet, which allows you to ensure security and convenient management of your cryptocurrency. Such wallets provide users with complete control over their funds, eliminating the participation of third parties and minimizing the risks associated with hacking or fraud. A non-custodial wallet is a computer program and a type of cryptocurrency wallet in which only the owner has full control over his funds and private keys. The wallet does not store personal information and does not have access to assets. When you create a non-custodial wallet, you are usually given a private key or a seed phrase (a series of words that can be used to generate a private key). This information is not stored by third parties and it is important that you keep it secure. If you lose it, you will lose access to your funds and there is no way to recover it.

In 2024-2025, the most popular, convenient, reliable software crypto-wallets, in my subjective opinion, are the following non-custodial wallets:

1. Exodus <https://www.exodus.com/>
2. MetaMask <https://metamask.io/>
3. Trust Wallet <https://trustwallet.com/>

Install these programs (one or more), downloaded from official websites, on your computer and begin to master entering the new era of electronic money, outside of states. These programs allow you to buy cryptocurrency with fiat money (dollars, euros and other currencies), make payments to other people's cryptocurrency addresses, and receive payments to your crypto wallet. Installation of these programs is quite simple and available for the most popular operating systems. After successfully creating a crypto wallet, you can send some crypto coins to Slut Sodomia to the details provided in this document if you like Gay-Satanism and the work of Slut Sodomia. I will be happy, and you will check your crypto wallet in action 😊.

To enter the world of cryptocurrency, you can use online services called crypto exchanges. A crypto exchange is a less reliable means of storing cryptocurrency than non-custodial crypto wallets, but some people may find

it easier to work with crypto exchanges. Access and work with crypto exchanges occurs through a computer Internet browser, like with any other sites. Please note that crypto exchanges have full control over your finances and can block your money, at the request of fascists from different countries. There are many crypto exchanges and Antichrist Slut Sodomia cannot guarantee which of them is the best, most reliable and convenient. I will recommend four crypto exchanges that have been operating for a long time and with the help of these exchanges you can send donations, donations or royalties in cryptocurrency to Antichrist Slut Sodomia:

Kraken. <https://www.kraken.com>

Kraken is an American cryptocurrency exchange founded in 2011. It was one of the first Bitcoin exchanges to be listed on Bloomberg Terminal.

Binance. <https://www.binance.com>

Binance is the world's leading cryptocurrency exchange, serving 235 million registered users in over 180 countries.

Coinbase. <https://www.coinbase.com>

Coinbase is one of the most well-known names in the crypto industry. Launched in 2012, it offers an intuitive and beginner-friendly platform for buying, selling, exchanging, and storing cryptocurrencies.

SwissBorg. <https://swissborg.com>

SwissBorg is Europe's #1 app for securely buying and selling cryptocurrency with low fees, available in 47 countries and 16 currencies.

Best Wallet. <https://bestwallet.com>

Best Wallet is a non-custodial app that offers wallet and exchange services in a single secure decentralized environment.

The methods recommended by Antichrist Slut Sodomia for selling, buying and transferring cryptocurrencies cooperate with states, i.e. with fascists and SOCG. I do not guarantee the reliability of these trading platforms. Crypto wallets and crypto exchanges require people to provide documents when registering, require them to show themselves through photo or video filming. Cryptocurrency exchanges implement a Know Your Customer (KYC) policy to comply with anti-money laundering (AML) and counter-terrorism financing (CTF) regulations, ensuring the legality of transactions and the safety of users. To register on a cryptocurrency exchange, you need to provide personal data, confirm your identity with documents and a selfie, and wait for approval to access all functions. Exactly the same story when registering in regular banks. On the one hand, it gets rid of scammers, but on the other hand, it is control by various SOCG and loss of anonymity. If I find more anonymous and reliable options for making cryptocurrency transfers, I will write about it in the next versions of the documents.

Antichrist Slut Sodomia dedicates SatanArt #29 to the theme of gay group sex and gay Satanist orgies in artistic images. This is Volume #1 of this series. For many gay men, the theme of group sex or gangbang or cumdump is paramount. For many gay people, the best, most passionate, lustful, and arousing sex is group sex. Antichrist Slut Sodomia welcomes the desire of gays and all LGBTQ+ people to engage in group sex within their preferred sexual orientation. SatanArt #29 explores and presents only gay sex, with a minimal dose of MTF transgenderism. Heterosexual and lesbian group sex will be featured in other issues of SatanArt. The release of this gay Satanism almanac will be of interest to gay men and Satanists interested in group sex in sex clubs, gay saunas, and house parties. To illustrate the theme of gay group sex and gay orgies, the Antichrist used drawings by prominent gay Satanist artists and anonymous artists. I hope that the publication of SatanArt albums on gay sex will increase the popularity of group sex among the LGBTQ+ community and spark public interest in the work of the gay artists whose work I publish in the almanac.
