Image 2901. Creature, - Would you like to live deliciously? Calm down! Baphomet does not harm small children, just like Satanists. Baphomet protects small children from harm. Satanists try to do the same, to the best of their earthly powers.....	15
Image 2902. A Satan-Monster and a little girl (or trans) are hugging. The girl likes the Monster.	16
Image 2903. The Child of Satan is a Satanist. This painting could also be called "The Birth of the Antichrist." The little child is in Satan's arms.	17
Image 2904. An idealistic picture of the birth of a Satanist or the birth of the Antichrist, among the demons of Hell	18
Image 2905. A child with Satanism isn't sad at all and gives an apple to an adult "auntie." Horror or comedy	18

Image 2908. Satanists in our world are Satan's "eyes and ears." Little Satanists are no exception.....	21
Image 2909. An icon of the satanic spiritualization of a child. A girl with Satan-Baphomet.	22
Image 2910. Satan-Baphomet closes the eyes of the Satanist girl. It's too early to see the world as it really is. It's too early to receive conscious inspiration from Satan... but the time will come and Baphomet will open the child's eyes.	23
Image 2911. An astral painting depicting the prohibition of the birth of evil creatures by the forces of Hell and in the dimension of Hell. A child's spirituality and potential are formed at birth. Our world, planet Earth, is overpopulated, and there is no point in producing more and more people. A surreal horror painting about overpopulation.....	24
Image 2912. Would you like to live deliciously? Yes. Do you want to live exquisitely (deliciously, delightfully, charmingly, delightfully)? Yes. (Translated from English). The black goat Baphomet offers a girl a conscious life by asking her if she wants to enjoy life. She agrees to Satan's offer. Can this be called a deal with Satan, or is it more of an alliance with the Benefactor? Satan provides spirituality and does not demand payment from children. Selling one's soul to evil is done in religions and sects, not in Satanism. Here there is only goodness.	25

Image 2918. Horror themes are a major theme in Satanism. The shifting forms of Hell and the image of Hell influence Satanists. Horror films are a favorite film genre for many Satanists. In the film, children dance in a circle around a monstrous tree. I don't know the exact plot.....	31

PREFACE

The theme of SatanArt #30, a gay Satanist art magazine, is the spiritualization of children by Satanism and the infusion of the Spirit of Satan into them. It's important to note that Satanists are born, but the spirit of Satanism enters a child gradually, and Satanism unfolds within a person, also gradually. Satanists are born Satanists, but they can also become Satanists as they grow up. This always happens, not out of nowhere, and the ability to be spiritualized by Satan is inherently present; it simply doesn't develop early in everyone. Natural-born Satanists, like Slut Sodomia, already understood that she was different from other people, and my sexual lust manifested very early – I began exploring myself sexually at around age three. Therefore, I call myself a natural-born Satanist. For Slut Sodomia, the Antichrist, Satanism was revealed through self-awareness, from childhood. In other children, Satanism does not manifest itself so quickly, and it takes years and entire periods of life for Satan to enter a person's consciousness as a real and tangible phenomenon.

The best scenario is when Satan enters a child from childhood. This period of childhood development is also a period of developing Satanism and awareness. Upon reaching adulthood, such children recognize themselves as Satanists and enter our world better prepared, with a solid foundation under their feet, formed by their satanic inspiration. It will be more difficult for evil to deceive such children, and it will be more difficult for religions to fool them. When children are inspired by Satan, their creative abilities are significantly enhanced; they gradually develop, and by adulthood, they produce a well-informed, creative individual whose consciousness can resist the evil of our world. When children are inspired by Satan, they develop critical

thinking, and even in childhood, they are already capable of evaluating the actions of parents, teachers, and the deeds and words of adults who seek to influence the minds of young people. There is nothing wrong with a child's early inspiration by Satan, just as there is nothing wrong with Satan or Satanism. All the tales about protecting children from Satanists and Satan are fabrications of the inanimate creatures that make up over 90% of the Earth's population.

SatanArt #30 is a puritanical publication about the spiritualization of children and for children, and does not contain explicit erotica. The puritanical publication SatanArt #30 may be posted on public puritanical online platforms because it does not violate the prudish norms of popular websites regarding erotica and "sensitive content".

I love the Baphomet statue in the United States, a monumental bronze statue commissioned by the Satanic Temple, which depicts not only the Black Goat itself but also sculptures of a boy and girl looking up at the figure¹. These sculptures symbolize all of humanity, especially children. Perhaps this statue best symbolizes the childlike spirituality of children of all the sculptures in our world.

The Antichrist Slut Sodomia will quote herself from the Grimoire of Gay Satanism, "Gay Lust," because I have already discussed important issues of spirituality by Satan in Chapter 21.12, "Stages of Satanist Development. Levels of Awareness and Acceptance of Satan":

¹ <https://thesatanictemple.com/pages/the-satanic-temple-salem> The Satanic Temple. THE BAPHOMET MONUMENT.

There are four main stages of Satanist development, based on the level of self-awareness and acceptance of Satan in one's consciousness.

1. **Initial spiritualization by Satan. This first level is typical for spiritualization in childhood**, when a child senses something but doesn't understand what's happening to them. Initial spiritualization by Satan can also occur in adulthood. If an adult doesn't fully understand what's happening to them, this will be the first level of a Satanist's development. The projection of Satan has entered consciousness, but it hasn't yet been fully realized.
2. **Awakening is the second level of a Satanist's development**, and it is associated with an understanding of the deception of our world, which occurs because only a few people receive spiritualization and, as it were, "awaken from sleep." They begin to see our world differently from how it is presented to us by authorities, religions, propaganda, the crowds of the unspiritualized, and their system of "barracks education" in schools. Awakening and the awareness of oneself as different from others is the foundation of this level of a Satanist's development.
3. **Becoming a conscious Satanist and strengthening the connection with Satan within one's consciousness is the third level of Satanist development.** This is a fairly high level, and all Satanists at this level are Satanic magicians. A Satanist at this level clearly sees inanimate people and recognizes other Satanists among the crowds of the inanimate. A love for Satan develops. The person sees all the deception of evil in our world, and Satan exposes all the deceptions of evil to the Satanist.
4. **The fourth and most powerful level of Satanism is synergy with Satan.** This level is characterized by the Satanist's desire to merge with Satan and become one with him. At this level, a person experiences a very strong spiritualization and is filled with wonderful energy. All the veils fly away from the façade of our world, and the Satanist no longer doubts the correctness of their choice. Merging with Satan fills a person with magic, love, lust, libertarianism, deviant behavior, and a desire to break the inhibitions imposed on people by evil in our world.

All spiritualization by Satan occurs within the Satanist's consciousness, and no churchgoing is necessary. No special rituals, chants, dancing with tambourines, or sacrifices are even necessary. The following can help a Satanist deepen their Satanic spiritualization:

1. Psychedelics and consciousness stimulants, known as entheogens.
2. A conscious Satanist mentor of levels 2-4 (from the list of levels in this subchapter).
3. Increased overall spirituality and awareness.
4. Increased life experience and experiencing suffering. This will increase your rage.

Thus, there are four stages of awareness and acceptance of Satan, differing in the level of understanding of one's spirituality and the level of acceptance thereof. All of these stages are pleasant and wonderful. They can take many years. These stages should not be rushed, just as one should not try to grow older at an accelerated pace. The goal of a Satanist is to become a 4th-level Satanist, i.e., to achieve synergy with Satan.

Antichrist Slut Sodomia will quote herself from the Grimoire of Gay Satanism, "Gay Lust," again from Chapter 21.6. "How to Come to the Understanding that You Are a Satanist?"

It's very strange that the one who gives happiness, love, sexual pleasure, and freedom has become a negatively charged character in various religious and literary hoaxes. And those vile forces of evil that manifest cruelty (religious gods and the state) have suddenly become sweet and lovable. Satan isn't afraid of vilification, yet many people view the very word "Satanist" with obvious caution and apprehension. This is also the "merit" of all those stupid pseudo-Satanist authors who equate Satanism with sacrifices and the worship of supposedly "evil." Lust, passion, hypersexuality, and sexual enjoyment are declared "evil," while abstinence from sex is somehow declared "good."

I want to ask a question to a society that hypocritically misrepresents good and bad: are you even normal? Where did you get the idea that Satan and his spirituality are something bad? I'll move on to the topic of this subchapter: how do you know if you're a Satanist? It's very simple: you'll differ from others in that your spirituality will allow you to discern which aspirations are good and which are actually forces of evil. A Satanist always knows they're a Satanist.

The most important thing is to gain initial spirituality from Satan, and then continually develop it. If you show signs of spirituality from Satan, then you're a Satanist. If you share Satanists' goals and beliefs, then you're a Satanist. But without spirituality, you can't be a Satanist, even if you shout from every corner that you're a Satanist and draw pentagrams on yourself. Therefore, I'll give you a precise definition of a Satanist. **A Satanist is someone spiritualized by Satan who shares and follows the principles of Satanism.**

There are signs that a person is a Satanist, but they themselves have not yet realized this due to age, insufficient experience of understanding the world, or insufficiently profound spiritualization by Satan:

1. The person possesses an autodiologue within their consciousness, and this autodiologue differs from the person's own thoughts;
2. The person senses magic. Primarily, they sense the magic of love and the magic of vengeance against evil;
3. The person begins to recognize the lies of state propaganda, the deception and hypocrisy of power and the prohibitions with which some completely unrelated officials and bureaucrats, of whom the person wants nothing, fetter a person's freedom;
4. The person begins to recognize the lie of religion about the need to obey gods, superiors, and dogmas, and to demonstratively worship deities through rituals. The person begins to understand that true spirituality is being replaced by a circus show with priests in evil churches, idols, saints, and religious martyrs;
5. The person begins to experience an unusual, perverted sexuality and a surge of sexual libido;
6. The person begins to enjoy the idea of breaking down inhibitions and deviant behavior;
7. The person begins to feel a special fervor of the soul, which resembles the inspiration of a particularly pleasant feeling of hypnotic love for something (aesthetics, crafts, science, romance novels). The person develops self-awareness in the form of satanic inspiration.

Understanding that you are a Satanist comes with age. Inspiration by Satan may be innate, but becoming a Satanist is a work in progress. Becoming a convinced Satanist is enjoyable. Deepening your infusion with Satan is very similar to deepening your sexual lust and even to the anal stretching that comes with fisting. It's a thrill and euphoria.

What can the Antichrist Slut Sodomia advise children to accept Satanic inspiration without fear and with joy, and to resist the evil of our world:

1. Child, don't you think Satan exists in autodialogue, within your consciousness? This voice may not yet be clear, but it is Satan's voice. Over time, this voice will become more understandable and conscious.
2. Child, if you think you live among nasty children, unpleasant adults, and an evil society, you are not imagining it. That's exactly how it is. Develop Satanism, and Satan will show you everything, in more detail. A child needs this to understand the essence of things in our world and to deal with evil in Hell.
3. Child, if you are scolded, beaten, or humiliated by other children or adult "uncles and aunts" for your different behavior, opinions, or peculiarities, it's not always your fault. I'll even say more. If you have already realized you are a full-fledged Satanist, then you are not guilty, and all the blame lies with the creatures who harm you. The peculiarity of Satanists is that they are antibodies and antipodes to the inanimate evil of creatures.
4. Child, don't rush to receive all of Satan's spirituality. Do it gradually and harmoniously. You will receive full Satanic spirituality only after death. The most powerful 4th level of Satanism, "Synergy with Satan," is only available in our world after significant life experience (for example, after 35+ years or after 50+ years). For natural-born Satanists, this process occurs more quickly, but such people are very rare in our world.
5. Child, if they want to impose rules of obedience and behavior on you, and especially lure you into a religion or a cult, then know that evil always imposes its stereotypical dogmas of behavior, which are the enemy of your freedom and your personal will.
6. Children, know that if your parents force you to go to kindergarten, school, or any other institution against your will, then they are committing evil against you. If your parents say, "If you don't want to study, GO TO WORK!" they are vile creatures of evil.
7. Child, know that you owe your parents nothing, and you didn't ask to be born. Your parents brought you into existence, and they are obligated to provide you with everything you need. If evil beings gave birth to children unknowingly, without the ability to provide material goods, land, or real estate for the child to live on, then such parents are evil beings. They brought you into this world without a reason to do so.
8. Child, it's important for parents to be mental teachers for their children, and not simply write them off to strangers, like kindergarten teachers, nannies, or school teachers. If parents do this, they are handing their child over to evil. Even if the parents themselves aren't true Satanists, they shouldn't treat their children this way. All so-called state (or municipal) institutions for the upbringing and education of children are factories of evil, designed to corrupt children and impose mental shackles on small children. All these institutions commit evil, instilling fascism and patriotism in children's minds, dumbing them down with THEIR dogmas, THEIR frameworks, THEIR morals.

Thus, the Antichrist, Slut Sodomia, calls for not having children in our overpopulated world, if parents can't give their children anything, can't provide for them financially, and can't develop their inner spirituality mentally. Slut Sodomia wrote about this in the grimoire "Gay Lust" and in many SatanArt albums. Stop breeding fascist slaves, superfluous people, poor people, proletarians who have nowhere to live and nothing to eat. The Antichrist developed not thanks to his parents, but in spite of them. Praise be to Satan, I had and still have the guiding star of Satanism. But not all children are spiritualized by Satan at the onset of consciousness, in very early childhood.

In addition to these problems, the issue of divorce arises when raising children. Statistics show that many heterosexual couples divorce, even though the children are still minors. This was the case with the Antichrist Slut Sodomia, when the couple was unstable and the father cheated on the mother for many years with a woman at his workplace. Children suffer during divorce—children from a previous marriage become a burden or unwanted offspring. My father told me after the divorce, "And now it's up to you!" You understand that minor children abandoned by their parents to their fate in our world deserve nothing good. Meanwhile, divorced parents have absolutely no idea how the child will survive or where they will live in our overpopulated world. Children are forced to fend for themselves, like abandoned dogs. Believe it or not, such cases are rampant in our world, and they occur not only during the divorce of heterosexual spouses. I've told you my personal story, and it's not the most horrific. My story strengthened the Antichrist's Satanism, even though it was unpleasant for me. It wasn't necessary for the development of my Satanism. I already saw through the creatures, from early childhood.

Many people procreate, bringing children into our world, while they themselves are alcoholics, drug addicts, degenerates, empty-headed creatures. Many of these worthless creatures send their children to orphanages, i.e., shelters for abandoned children. Such places cripple the psyche and spirituality of children. Not all Satanist children can cope with being in the embrace of evil and among child-creatures, who are the unconscious offspring of alcoholics and degenerates who spawned their soulless offspring. Children of Satanists need to be provided with the most comfortable conditions possible for receiving a Satanic education and spiritualization. What are these conditions? I will list the optimal conditions:

1. Access to information and knowledge. This includes the Internet and a good library of useful scientific books, philosophical publications, and books on natural science. The least useful books are fiction, i.e., the inventions of various writers that mislead the little one.
2. Access to a well-equipped workshop for technical creativity (technology, electronics), for artistic pursuits (painting, sculpture, music), and access to a garden and nature for gardening.
3. Access to all the child's basic needs, including nutritious food, privacy, and a place to socialize with peers and have sex with them.
4. Inviting a master teacher to teach a child at home is the most appropriate form of education. This is an expensive pleasure, as is having children in the first place. Only a private, master-tutor can teach a child. This is usually the privilege of the elite or aristocrats, so this valuable option is generally unavailable to the proletariat. I'll describe what a MASTER TEACHER is: a highly spiritualized master of their craft, perhaps a Satanist or a genius. Such people can be hired as a teacher-tutor and master-mentor for a child only for a very substantial fee. I wrote this point in response to critics' question: "How will a child live without school and without university?" In principle, the internet and books should replace this kind of master-tutor for spiritually introverted children. Please consider this point of my story as the ideal option for educating a child, involving an outsider or group of people. Of course, the child must like their mentor. No mentor can replace parents.

To summarize what the Antichrist Slut Sodomia, said about the spiritualization of children: parents are responsible for the spiritualization of their children and are obligated to assist them in every way possible with obtaining a high-quality spiritualization and knowledge base. Sending a child to fascist public schools (state schools) is an atrocity against one's own child. Sending a child to orphanages or homeless shelters is an even greater crime.

Those Satanists who have the material and mental resources to spiritualize a child well may have children, but keep in mind that Satanists' children may not be Satanists. This is a very important point, and an extremely likely one. Overall, in 2025 and beyond, planet Earth is overpopulated and does not require the replenishment of the human species with new offspring. The biggest savages and beasts have the most children, and the

question is how to stop this. There are already over 8 billion people in the world, and very soon there will be 10 billion—this is global overpopulation.

DEDICATION OF THIS GAY SATANISM VISUAL ARTS JOURNAL SATANART #30

I dedicate SatanArt #30, a visual art magazine about gay Satanism, to the initial spiritualization of children by Satan. Over time, spiritualization by Satanism develops in a child. Through the twists and turns of life and the chain of events in a Satanist's life, the contours of Satanism take shape into a more tangible form. Initial spiritualization by Satan is an important part of a Satanist's spiritualization. Satanism NEVER appears out of nowhere, but develops gradually. The powers of Satanism can lie dormant within a person and not manifest, or they can be suppressed by the evil that surrounds a Satanist. I hope that my selection of images in this issue will give children and adults clues as to what the spiritualization of children by Satan is and why it is necessary. I hope it's clear to everyone by now that spiritualized children are beacons of light in our world, not a gray mass of creatures. Please don't confuse childhood illnesses or mental disorders with Satanism—they are completely different things. Moron, autism, and epilepsy are conditions that are the opposite of Satanism and are defects of spiritualization, like many other mental illnesses or neurological diseases. Inspiring children with Satanism fosters awareness, creativity, critical thinking, and the ability to resist evil through the black magic of Satanism, through simple understanding, and through action to free our world from the forces of evil.

Image 2901. Creature, - Would you like to live deliciously? Calm down! Baphomet does not harm small children, just like Satanists. Baphomet protects small children from harm. Satanists try to do the same, to the best of their earthly powers.

Image 2903. The Child of Satan is a Satanist. This painting could also be called "The Birth of the Antichrist." The little child is in Satan's arms.

In principle, any Satanist could be the Antichrist, but in practice, this rarely happens. "Antichrist" is a generic term denoting a high level of connection with the forces of Hell, with Satan, which allows for the writing of grimoires and a precise understanding of Satanism. A more understandable term for the Antichrist and a synonym for this word is the Great Magician of Satan. Not all Satanists are Great Magicians of Satan, but each Satanist is valuable to Satan and to the forces of Satanism in our world and in Hell. A Great Magician of Satan is a natural-born Satanist, but even such people need time and life experience to develop Satanism. A quantum connection with the forces of Hell is formed over the course of a Satanist's life. The sooner one begins practicing Satanism, the greater the strength of this quantum connection.

Image 2906. The girls run with Satan-Baphomet into the forest.

Forests and nature are part of Satanism. Baphomet personifies a part of nature. Children love to play outdoors. The spirits of the forest and wild nature assist in the satanic spiritualization of children. Antichrist Slut Sodomia wrote about this in more detail in SatanArt #28, "A Satanic Witches' Sabbath in the Forest, Among Trees and Nature. A Puritan Edition of Satanist Orgies." It is advisable to introduce children to Satanism from an early age. There is no age limit for this. Perhaps a child's awareness is the best criterion for readiness for satanic spiritualization.

Image 2907. The Baphomet Statue is a monumental statue commissioned by the Satanic Temple.

The statue was assembled in 2014 and unveiled in 2015. It depicts Baphomet, a goat-headed devil with wings. The statue stands 2.6 meters tall and weighs over 1,400 kg. It also includes a pentagram on the goat's forehead and sculptures of a boy and girl looking up at the figure. This version of the statue is possibly a model or a replica of the original.

Image 2908. Satanists in our world are Satan's "eyes and ears." Little Satanists are no exception.

Baphomet is the name for Satan, represented by a black goat. It is an allegorical representation of Satan's wisdom. This image also represents Satan's uniqueness and symbolizes the harmlessness of Satan's spiritualization. Ordinary goats and he-goats in our world are harmless and beneficial animals—this is beyond the scope of even Christian sectarians. Satan's uniqueness lies in the fact that he exists in another dimension and is not accessible to ordinary visual contact. Satan resides in the dimension of Hell—a parallel dimension to ours, or even several parallel universes. Time and events in Hell run parallel, not sequentially, as in our world. Satanists of all ages communicate with Satan through satanic spiritualization, which is called Satanism, or the spiritualization of a person by Satan.

Image 2910. Satan-Baphomet closes the eyes of the Satanist girl. It's too early to see the world as it really is. It's too early to receive conscious inspiration from Satan... but the time will come and Baphomet will open the child's eyes.

Image 2912. Would you like to live deliciously? Yes. Do you want to live exquisitely (deliciously, delightfully, charmingly, delightfully)? Yes. (Translated from English). The black goat Baphomet offers a girl a conscious life by asking her if she wants to enjoy life. She agrees to Satan's offer. Can this be called a deal with Satan, or is it more of an alliance with the Benefactor? Satan provides spirituality and does not demand payment from children. Selling one's soul to evil is done in religions and sects, not in Satanism. Here there is only goodness.

Image 2918. Horror themes are a major theme in Satanism. The shifting forms of Hell and the image of Hell influence Satanists. Horror films are a favorite film genre for many Satanists. In the film, children dance in a circle around a monstrous tree. I don't know the exact plot.

Image 2921. A Japanese Satanist child with an Oni mask, a variation of Satan's image in Japan.

Japanese Satanists made their own adjustments and created their own unique form of Satanism. They combined elements of magic, occultism, exotic dances and rituals, and also used symbolism from Japanese mythology. The word Oni (鬼) was historically translated as demon, ogre, devil, or troll. However, its meaning and representation have changed significantly over time. Oni demons are a type of yokai, or supernatural creatures, from Japanese folklore. During the Heian period (794-1185), Oni demons began to acquire their modern appearance, with horns and colored skin, thanks to a syncretism between local cosmology and elements borrowed from China and India. They are ferocious demons who bring disaster, sow disease, and punish sinners in Hell. When truly wicked people die and end up in one of the Buddhist Hells, they gradually transform into demons there. They become cruel servants of the Great Lord Emma, the master of Hell, delighting in beating people with their iron clubs. The Oni Demons' primary duties are to mete out terrible punishments to sinners (who, however, were not evil enough to become demons). They flay skin, crush bones, and commit many other acts too horrific to describe. Hell is literally teeming with demons, from which the supreme commanders of the underworld draw their armies. So goes Japanese quasi-Satanic mythology and folklore.

In modern history, the symbol of Satan-Baphomet was "resurrected" by Eliphas Levi, who depicted it on the 15th Arcana of his Tarot deck, the card corresponding to the Devil. It first appeared in open source in Christian history in his book, "Ritual and Dogma of High Magic." It was an androgynous creature, with the alchemical motto "Solve et Coagula" inscribed on its hands, which translates as "dissolve and condense." Satan can take any form, so the image of Baphomet is canonical based on its historical origins in modern Satanism. It's not because Satan looks the way Eliphas Levi depicted him.

The great love for koi carp has profoundly influenced Japanese culture. These fish are a symbol of friendship and love. It's no coincidence that even the word "koi" sounds similar to the Japanese word for "love" and "affection." The composure exhibited by koi carp while awaiting their fate in the kitchen so impressed the Japanese that they became the main symbol of "Boys' Day," celebrated annually on May 5th. On this day, all families with boys hang "koinobori"—paper or fabric images of koi carp symbolizing sons—in front of their homes. The older the son, the longer the figure. There are several legends about the origins of this tradition. According to one, a courageous koi carp overcame all obstacles during its journey to the source of a sacred river and was transformed into a mighty and wise dragon.

Symbols like Baphomet transcend fear and superstition. We open the door to deeper spiritual awareness and inner unity. Baphomet calls us to look beyond appearances—to see unity in duality, the sacred in the strange, and light in the darkness. Thus, it captures the very essence of mystical traditions of all times. Modern Satanic movements, such as the Church of Satan, have appropriated the image of Baphomet (specifically, its symbol—a goat inside an inverted pentagram). However, most Satanic groups use it as a symbol of rebellion, individualism, and nonconformity, rather than literal devil worship. Gay Satanism combines theistic, atheistic, and Hermetic visions of Satanism, as the Antichrist Slut Sodomia wrote about in the *Grimoire of Gay Lust*. For most Satanists, Baphomet is a symbol of protection through spiritualization. It helps one understand good and evil and protects against the evil world and its propaganda.

The Antichrist illustrated the theme of Satan's sacrifice in the Anthem of Satan and Satanists, which I posted in the Satanic Music and Songs album SatanSongs #3, "201-Aviators - Song of the Abyss (Anthem of Satan & Satanists)." Figure #2949 also illustrates Satan's sacrifice. Most Satanists devote little space to this theme. Satan can be seen as a symbol of ultimate harmony, light, and purity. Satan's power was forced to leave our world because evil and darkness had overtaken it, in the form of god, fascists, creatures, and the **SOCG (State Organized Crime Group)**. Satan cried rain; he did not want to leave our world, nor did he want to abandon Satanists, but he was defeated by darkness. Departing from our world, into the realm of Hell, Satan left us, Satanists, his spirituality, and it serves as a sacrificial shield against the evil of our world. The Antichrist sees that this story took place a very long time ago, and some aspects of it are even published in the Bible, but from a completely false perspective. Satan is good, and good was defeated by evil in our world. After death, all evil goes to Hell, Satan's dimension. This is the quantum fortress of our Teacher Satan, and all the forces of Hell protect it from evil.

For centuries, the image of Satan has been a symbol of rebellion, empowerment, and liberation, often shrouded in mystery and controversy. Books on Satanic rituals serve as a gateway for those seeking to explore the deeper aspects of Satanism, offering practical tools, philosophical insights, and ceremonial practices that challenge societal norms. These books contain detailed instructions on conducting rituals, using powerful symbols, and understanding the philosophy of worshiping Satan as a symbol of personal freedom. Modern Satanism focuses on Satanic rituals and symbolic practices that celebrate individuality, rebellion, and personal development ². As for gay Satanism and the opinion of the Antichrist Bitch Sodomy regarding the rituals of Satan worship, the best ritual is Satanic sex, which I wrote about in detail in the Grimoire "Gay Lust".

An exploration into the spiritual meaning of Satan brings about a rich tapestry of symbols, stories, and interpretations that offer a greater understanding of spiritual growth and personal transformation. Encountering Satan spiritually or visually often represents one's hidden fears or inner shadow. Rather than representing literal evil, in new-age spirituality these experiences are considered a call to introspection; to acknowledge and overcome negative traits or behaviors that hinder personal growth. It symbolizes an opportunity for self-improvement by acknowledging our darkest fears. Interpreting Satan from a spiritual lens is essentially acknowledging existence of negative undercurrents in human psyche. Rather than evoking fear, the character invites introspection and confrontation with these darker aspects of our selves ³.

Quote about mental interaction with Satan: Spiritual Satanism is the practice of living, as a Satanist through spiritual expression. Spiritual Satanists are not obligated to worship Satan. That is because Spiritual Satanism is not a religion. Spiritual Satanism provides the Satanist with a spiritual GATES without being trapped by religious dogma and ideals. Spiritual Satanists do not have a bible. They do not have a universal creation myth, nor do they have a unifying belief in the age of Satanism as a spiritual practice. This makes Spiritual Satanism compatible with modern living, allowing the Satanist to use their common sense without losing their spiritual self. Satan was and still is a figure of evil, darkness, and deceit for many in Christianity. Satanists, however, have their own views on what Satan represents. Oftentimes it is a personal representation based on the relationship that the theistic (religious) or Spiritual Satanist has with Satan⁴.

Satanic Spirituality is the development of the spiritual self through ritual, magic, the occult, religion, meditation or any other activity that allows the self to connect to spiritual experiences. The purpose of these practices is to discover meaning in one's life from a spiritual perspective. Spirituality is often contrasted with materialism, where the only desire is to experience the physical aspects of life. Spirituality is an entire practice that relates to self-development. In satanism, spirituality can include the worship of, or closer personal relationship with Satan where a person has a deeper understanding of Satan through spiritual experiences and ideals. Satanic spirituality can be expressed in many ways. Spirituality is a practice, not a belief. So if you have no real experience in spirituality you may feel that you have to believe in something in order to feel spiritual. Spirituality is a development that comes through practice. It is development in self-awareness, awareness of self and how you are connected to life from a spiritual perspective, understanding the spiritual aspects of gods and demons, or whatever you choose as a means of self-development⁵.

Image 2097. An icon of child Satanism. The many-armed Baphomet with a child Satanist "REX MAXIMUS".

Baphomet embodies several important aspects of occult philosophy:

Balance and Duality: His androgynous nature symbolizes the unity of opposites—male and female, light and dark, good and evil. His raised and lowered arms reflect the Hermetic principle, "As above, so below."

Knowledge and Enlightenment: Baphomet is often associated with hidden wisdom, like Lucifer, the Lightbringer. Those seeking knowledge beyond traditional teachings often turn to him for guidance.

Rebellion and Freedom: As a figure who challenges traditional religious restrictions, Baphomet symbolizes the power of free will, self-knowledge, and the destruction of social norms.

Magic and Power: Many occultists work with Baphomet to enhance their magical powers, particularly in rituals involving transformation, strength, and vengeance.

Image 2998. Childish Satanism, in the style of pleasant horror. Not scary, but a very unusual Satan. This is not surprising, because Satan resides in another dimension called Hell. This is the natural home of Satanists.

Image 2999. A Satanist girl with a large pentagram (or pentacle). Look, this is who I am. My astral father is Satan.

One of the most recognizable symbols of Satanism, the pentagram is prominently displayed both on Baphomet's forehead and on the throne behind him. Often depicted inverted, the pentagram is a symbol of Satanic thinking, embodying a rejection of traditional religious norms. An inverted pentagram encourages the viewer to reexamine their values, question established religion, and reflect on their own moral compass. This symbol represents an invitation to explore new perspectives and challenge existing worldviews. In gay Satanism, the pentagram represents protection from evil by Satan and the forces of Satan, while an inverted pentagram signifies spiritualization by Satan. A pentagram enclosed in a circle is called a pentacle, although this symbol can also be called a pentagram within a circle.

KEY THESES FOR UNDERSTANDING SATANIC IMAGES IN ART

Gay Satanism is not a religion or a sect. Gay Satanism is the spiritualization of man by Satan. This term has another meaning. Gay Satanism is a creative direction of the artistic genre created and developed by the Antichrist Slut Sodomia. I do not want gay Satanism to become a religion, but I want it to become a fan movement for the liberation of one's own consciousness from the shackles of the evil of our world. Under the auspices of Satan, with the Antichrist Slut Sodomia incarnate. Gay Satanism is for all people spiritualized by Satan. Not only for gays and people of homosexual orientation. All people spiritualized by Satan are disciples of our Teacher Satan. We are all Satanists. The difference between Satanism and religion and evil is that it is an individual spiritualization. Mass demonstrations under the guise of Satanism are impossible, because Satanists are introverts. Fake Satanists of the future will gather herd gatherings of pseudo-Satanists (football fans, music fans, fans of the SOCG⁶ or religion). A meeting of real Satanists is a sexual orgy or a sabbath of unity with nature in the nude. Other types of mass demonstrations of belonging to Satanism are fiction and a parody of Satanism.

⁶ SOCG is an acronym that stands for the true meaning of state. State Organized Crime Group. The term was coined by Antichrist Slut Sodomia for the Gay-Satanism grimoire "Gay Lust".

Satan is good. Satan is the Tamer of evil. Satan is revenge for evil in our world. Satan is Joy, Pleasure and Happiness. For the evil forces of our world, Satan is the main enemy. Satan is an image in the consciousness of man and a mystical experience of connection with the spirits of another dimension, which is called Hell. For Satanists, Hell is their home. Connection with the spirit of Satan occurs at the quantum level. Modern science already studies and uses the quantum level for applied tasks. Satan is the main spirit of Hell, the Lord of critters, the Teacher of Satanists. Satan is not a god. Satan is the Spiritualizer, the source of black magic, the Alpha and Omega. Satan is the Adversary of evil and the Accuser of evil. Satan is the Father of all Satanists. Lilith is the Mother of all Satanists. Satan and Lilith are the sources of Satanic lust for all their Satanist children. Satan is the internal spiritualization of a Satanist, and not dogmas, sermons of priests or religious books. At the same time, Satanism does not deny the importance of biological parents.

Darkness, the abyss - this is the world of soulless critters, their states, their stupidity. This is the occupation of planet Earth by usurpers of power in the form of the SOCG. This is the image of the evil of our world. In some cases, they mean the opposite, because it is the evil of darkness that gives birth to Hell, vengeance and Satanists. "Children of darkness" in this case mean Satanists. Also, the image of darkness can mean Hell for the forces of evil.

Light is Satan-Lucifer. Light is Satanism and Satanic spiritualization, bringing man closer to nature. This is liberation from the shackles of evil and this is the image of freedom. This is the image of the Tamer of evil in our world and in Hell.

Sadness, sorrow, regret - this is an indication of the understanding that evil has embraced the whole world and the Satanist has to live in our world, under the yoke of evil. The main sources of evil are: crowds of inanimate critters, SOCG. This definition of the term is specifically for Satanism and for Satanists. Also, these images can mean ordinary human emotions in relation to people.

Vengeance - this image is important for all Satanists. Revenge on evil in our world and in Hell. Inanimate critters, activists of the SOCG, deceivers of religions and other evil will certainly be subjected to revenge and information entropy.

Return of the land and return of freedom to people - this image is important for all Satanists. It means the overthrow of all SOCG and religions, cleansing the earth from inanimate critters, from their stupid and senseless evil. This is the image of cleansing the planet Earth from states and their totalitarianism.

Night is the image of the fact that a Satanist in the world of evil in our world, goes practically by touch. The light for him in the night is his Satanic spiritualization. Darkness thickens at night and light is needed most of all at night. The term night is similar to the term darkness, but does not mean evil itself, but uncertainty and difficulty in orienting oneself, acting, living without light. Lost, abandoned and forsaken - this image in Satanism means that Satanists are no longer in Hell and that Satan and the forces of Hell are not directly accessible to them. Only through Satanic spiritualization. It also means that in our world Satanists do not have their own magic for the instant destruction of evil, as in Hell, in Satan's dimension.

Religion is a dogma of worship of lies and evil. Religion is a substitution of true spiritualization by Satan for critters. All evil critters are deprived of spiritualization by Satan, therefore they replace Satanic spiritualization with God and religion. Religion is a sect, a community for critters for whom herd mentality is important.

God is the canon of evil, an example of a despotic, theocratic idol of evil. God does only evil and God is evil, even because he deprives man of true spiritualization by Satan, i.e. the true Holy Spirit. There have been many gods in the history of the human species. All gods of religion are united by malice, connection with the state and with the leaders of the SOCG.

Antichrist is a common noun, not a proper name. It is written with a capital letter, like the word Satan. The concept of Antichrist means the development of a high degree of Satanism in the consciousness of a person. The term Antichrist also means a Satanist who is close to Satan and the forces of Hell and has a high power of black magic. A synonym for the word Antichrist is the expression Great Magician of Satan.

Satanism is the spiritualization of people by Satan or other demons of Hell. Satanism can also be considered as a philosophical concept that opposes theocratic dogma and the state machine of lies, violence, prohibitions, imputed duties to evil, herd behavior. The main difference between Satanism and religion or other philosophical concepts is that the spiritualization of a person by Satan and the forces of Hell occurs from another dimension at the quantum level. Therefore, Satanism is an internal part of human consciousness, and not imposed dogmas of our world through the media, culture, propaganda, morality, prohibitions or education. Satan's enlightenment comes to a person at birth or develops consciously, in later life. Satanism opposes the evil of our world and the lies of our world.

Satanic lust is a developed and perverted sexual attraction, a constant desire to have sex, a desire to corrupt oneself and others to free oneself from the prohibitions of evil. Satanic lust is not just a sexual feeling, but a special Satanic practice for knowing oneself, getting closer to Satan, and liberating oneself on an animal level. The peculiarity of Satanic lust (especially gay lust) is that Satanic sex is not aimed at procreation or at making new human offspring. Satanic lust is always aimed at receiving pleasure or for tantric meditation. Of course, Satanists can make children if necessary.

A Satanist is a person who has Satanic inspiration. Many clues about the lies of evil are given to the Satanist not only by the inner critical thinking, but also by the mental connection with Satan and the forces of hell. Satanic spirituality often gives the Satanist a feeling of introversion and individualism. Satanists and gays are always proud of their personal spirituality or the achievements of their spouse. Satanists and gays are proud of their Satanic spirituality and perverted lust. Satanists are proud of Satan.

An unilluminated (unenlightened) critter is a person deprived of spirituality. This is a zombie and a cog in the evil system. Inanimate critters are accomplices and assistants of evil. Unilluminated critters prevent Satanists and the entire human race from living happily, receiving spirituality from Satan. Inanimate critters love herd mentality and submission. They cannot live without territorial oppressors, enslavers and false information of evil. Such people make up more than 90% of the population of planet Earth. These people have instincts of survival and adaptation. These people have no connection with Satan or with the External Information Field of the level of awareness. Critters can be called a biological shell or imitation of real people. Critters always choose evil, herd mentality, conformism and speak in templates from media propaganda or voice the dogmas of religion.

The state is an evil system that has divided the entire world into territorial zones of influence and terrorizes people with its prohibitions, oppresses with prisons and physical violence, creates conflicts between criminal gangs and plunges people into wars between criminal gangs. The state is the main source of evil. The state is a materialistic sect with its dogmas, rules of conduct and a system of oppression of the individual. The state = international military criminal groups = occupiers of the lands of the Satanists = criminal gangs = SOCG.

Fascism is a form of social organization expressed by discrimination by the state against its own citizens, that is, under fascism the supremacy of the state over the individual is recognized. Fascism is a state. A strong state = a fascist totalitarian regime. The word comes from the Italian fascismo, fascio - union, bundle, bunch, unification; fascio di combattimento - union of struggle. Fascism is also an ideology and a socio-political movement within the framework of authoritarian or totalitarian militaristic ultra-nationalism and a corresponding dictatorial regime with strict regulation of society and economy. All states strive to regulate everything and on any issue. To do this, they constantly spew out different laws from their cesspools. All states are fascist territorial sects with their own ideology, rules and methods of oppressing the individual.

Fascism is a system of evil, in which a small group of people believes that they can dispose of other people, command people, deceive people through the lies of propaganda and the laws of submission to evil established by fascism. All SOCGs are fascist and their goal is material enrichment, social intraspecific elevation above other individuals of the human species and the possibility of oppressing people by psychopaths. All fascisms are built on the principle of SOCG. Real spiritual Satanists hate fascists, do not celebrate their fictitious holidays and try not to submit to this evil.

Fascists, officials, bureaucrats are the evil of the human species, in suits or other costumed special clothing, who work for fascism or profess the principles of fascism. These critters will receive such a reprisal in Hell that they will be ready to give all the money of our world to avoid entropy and retribution of the forces of Hell. But, it will be too late. Fascists, officials, bureaucrats of the SOCG, who are not economic-social-municipal employees of society, are criminals. Only a small part of the fascists are involved in improving the economic-social-municipal economy of people, and the majority of fascists are useless and harmful criminals.

The laws of the SOCG and other territorial fascist groups (local governments, prefectures, regions of the empire) are mandatory rules established by evil for people, with the aim of realizing the goals of fascism. All SOCG and fascist communities have their own laws to regulate behavior in the territories occupied by fascism. Satanists understand that the laws of evil are created for inanimate critters, with the aim of their subjugation, stupefaction and material use.

The positive activity of organized territorial entities is the organized management of communal services that is useful for the society of people, the development of the infrastructure of the society of people, maintaining the cleanliness of the territory and other social actions that are useful for the life of people, on the part of economic and communal local governments, prefectures, regional centers of territorial management. This is not a state, not an empire and not fascism. The Antichrist Slut Sodomia supports such activities and does not consider economic management to be fascism or evil. Currently, most territorial administrations support the fascism of the SOCG and are part of it. In a (future) society without the SOCG, the activities of organized territorial entities should be only economic and auxiliary, without politics, propaganda, religion and criminal concentration of power.

A patriot is an active fascist or active Nazi of his SOCG. A patriot is a person stupefied by propaganda who believes that his SOCG is better than another SOCG and he, as a member of this SOCG or a nationality within the SOCG, must do something for his SOCG in a selfless desire. A patriot is a slave of the SOCG. It is important for a patriot to be well proud of the greatness of his SOCG or the greatness of his Nazism. The pride of a patriot is always groundless, stupid and not aimed at pride in himself or his spouse. The pride of a patriot is always impersonal and is pride in the evil of the state regime that has seized the territory of the critter's habitation.

Patriotism is a person's smearing in the evil of pride in the fascism of a group of politicians or the Nazism of a certain SOCG or union of SOCG. Patriotism is a method of stupefying people, in which one SOCG exalts its importance in the eyes of people over another SOCG. Patriotism is belonging to a certain and evil group of lovers of local fascism, i.e. occupiers of the territory. Sometimes, the delirium of patriotism occurs at a distance (beyond the borders of one's SOCG) - then the patriot raves about the greatness of his SOCG, while being on the territory of another SOCG.

Propaganda is a constant, massive and avalanche-like lie of the SOCG about its greatness and its particularly outstanding character. The goal of propaganda is to make a person stop thinking critically and make him believe that he has a duty to the SOCG. For example, a duty to die in a war for the ideas of the SOCG, which are invented by the top of the ruling regime of this SOCG. Or a duty to obey the SOCG gang or a religious clan. Propaganda can be state and religious. In the world of the developed civilization of the white race, since the

19th century, the propaganda of the SOCG prevails over religious propaganda. Among the savages and religious fanatics of the damned peoples, religious propaganda still leads.

External Information Field is a general name for processes and structures in our world and in other dimensions that are not visible to the usual human senses, but which exist at the level of information (quantum or even more complex types of interactions). The External Information Field, hell, Satan, human consciousness, the Internet - everything that exists consists of information of a certain kind, and they are interconnected informationally and mentally. Modern human science in 2023 does not have the ability to describe and study the External Information Field, but this does not mean that it does not exist. Quantum science and quantum computers already exist, but this is only the beginning of understanding the External Information Field. The External Information Field is not the same as the gods of religions, the Internet database, electronic information on planet Earth, and it is not a paradigm. Usefulentheogens help to see, hear, connect to the External Information Field. They allow you to overcome the barrier of perception over the usual human senses. Some people can feel the External Information Field, even without the help ofentheogens. The External Information Field is most similar to a global multi-universe, presented as a gigantic set of information and algorithms for the interaction of this information.

All that exists consists of information, our world consists of information. The interaction between multi-universes occurs at the quantum-information level, faster than the speed of light. The speed of light is extremely small, compared to the level of quantum interaction between parallel dimensions.

Black holes are passages between universes. No gross matter can overcome a black hole. Only quantum information can pass through them. Through black holes, our world is connected with the world of Satan, i.e. with Hell. A black hole is a quantum tunnel for spiritualization by Satan.

The damned are people or entire nations who rejected Satan or committed atrocities for which the black magic of Satanism was imposed on them. Damnation manifests itself as degradation, decline, physical or mental torment, mental pathological state of doom, constant lies, stupidity, lack of talent, dirt, complicity with evil, religiosity. Evil is a marker of damned critters, it is the absence or rejection of satanic spiritualization, these are the deeds of critters to degrade their spiritualization. Evil is always filled with stupidity and lack of talent from spiritualization by the External Information Field. Evil critters are inanimate (unenlightened) biological shells, which are characterized by religiosity and a craving for herd behavior, under the leadership of the SOCG. The state, religion and dark herds of evil, selfish, inanimate critters are the main forces of evil in our world. The God of religions is EVIL. His main difference from Satan is his dogmatism, not his natural spiritualization of man. God forbids, Satan permits.

A faggot, a pederast, a slut, a bitch, a passive bottom are slang names for passive gays in a perverted form. I use all of these forms and they are all grammatically correct because this is the language of gay lust. The faggots themselves love such words. They love to distort these words; they love when these words are pronounced with humiliation. Analogues of these words in English: faggot, fag, looser, slut, bottom slut. A gay slut is a passive faggot who is not necessarily an MTF trans, but usually has a desire to become one. The term slut can be used to refer to any passive gays. The traditional desires of sluts & bitches are the desire to be fucked in the ass. Bitches want to fill their anal cunt with sperm and absorb sperm into themselves.

Anal cunt, cloaca, gay cunt – all these words are synonyms and mean asshole, intestine and faggot lust during anal sex. Such sexual words are used for faggot copulations, to add piquancy, perversion and depravity to them. A faggot's cloaca is an organ with two functions: to remove feces and to receive sexual pleasure. I like these sexual terms.

LGBT or LGBTQ or LGBTQ+ or LGBTQIA+ is an abbreviation for the words "lesbian", "gay", "bisexual", "transgender", "queer", "intersex", "asexual", "Asexual/Aromantic/Agender", plus additional categories of unusual people, their unusual ideas and extravagant communities. The Grimoire of Gay Satanism uses the

designation LGBTQ+ — a community of sexual minorities and perverts united by common interests, problems and goals. It consists of various communication groups, communities, subcultural movements, queer neighborhoods and queer organizations. All designations are equivalent. In the grimoire, I use the designation of the LGBT community with an additional letter Q and a plus sign. The letter Q stands for queers, and the plus in the name means that I also include feminists and all other people with non-standard views in the community: zoophiles, pedophiles, watermelon lovers 😊 and other perverts. I believe that feminists are close in spirit to LGBTQ+ and are part of it.

Queer is a collective term used to refer to a person whose sexuality and / or gender identity differs from the majority.

MTF transwomen and dickgirls are fully transitioned gay faggots who identify themselves as female with a male penis (in original form). Large female boobs are an optional attribute for MTF transsexuals. The abbreviation MTF stands for Male-To-Female transgender transition vector. Trans transition is very important for Satanism. Almost all MTF transsexuals are inspired by Satan and are Satanists. There are several levels of trans transition, which Slut Sodomia highlighted in her grimoire of gay Satanism, Gay Lust. For more information on penisgirls, read Slut Sodomia's Grimoire of the Antichrist.

CIS, Cisgender - these terms (cisgender is often shortened to CIS; sometimes cissexual) describe a person whose gender identity corresponds to the sex assigned at birth, i.e. a person who is not transgender. The prefix cis- is of Latin origin and means "on this side". The term "cisgender" was coined in 1994 as an antonym to the word "transgender" or "non-binary person" and entered dictionaries in 2015 as a result of changes in public discourse about gender. The term is an analogue of old-fashioned expressions from past centuries regarding sexual orientation and gender of people: (normal ordinary woman) = CIS woman and (normal ordinary man) = CIS man. At the moment, any gender and sexual orientation of people is recognized as "normal". Among the advanced peoples of white civilization, our world, sexually retarded savage people, homophobes and transphobes are recognized as abnormal. A synonym for this term can be the phrase NON-TRANS, and an antonym NON-BINARY or TRANS.

Entheogens are substances of plant, fungal, chemically synthesized, or animal origin that allow a connection with the "entheos," that is, with the inner divinity, with the "divine principle" (entheo + genesis). This is the same Greek root of the word theology, Zeus (teus, deus), enthusiasm (in theos, "one who lives in the divine"). Entheogens or psychedelic drugs such as lysergic acid diethylamide (LSD), DMT, marijuana, fly agaric, and psilocybin are associated with mystical experiences. At present, fascist drug laws limit their research. But major biomedical research centers have already found that entheogens predictably cause mystical experiences and, thus, allow us to study the state of the brain during these experiences. entheogens are not drugs because they not only do not escape from reality, but also bring you closer to it, and do not cause any physical tolerance, withdrawal or dependence; therefore, most of them are not illegal (ayahuasca, bufo alvarius, yopo, san pedro) and are used to deepen and deactivate from the very beginning the mechanisms and programs that interfere with our freedom and inner peace, leading us to self-knowledge and rediscovery of our true I-ego through connection with the External Information Field or with the Spirits-Demons of Hell.

ZooSex and ZooPhilia are the normal human desire to have sex like animals, imitating animals or with real animals (usually a large dog or horse). Man is an animal and there is nothing surprising in the desire to deepen his animal nature through transformation into an animal or through sexual intercourse with an animal. It is interesting that only a small number of people are involved with real animals, because it is difficult to organize. A significantly larger number of lovers of sex with animals prefer to fuck like animals or dress up and impersonate an animal. There is nothing wrong with this. Satan and Satanism approve of this, and the forces of evil prohibit or condemn it. Synonyms for the concepts of zoosex and zoophilia are such terms as bestiality and therianthropy. A light version of zoo-Satanism for children and adolescents is playing quadro-players,

quadrobers, furies, puppies without a pronounced sexual component. Zoophilia is equally loved by heterosexuals and homosexuals. Among gays and Satanists, there are not many lovers of animal sex, presumably up to 10% of the total gay population of planet Earth (a very rough estimate, for understanding. On farms this percentage is higher: 30%, in cities less). Most gays and Satanists prefer sex with people, without transforming into an animal. Zoophilia is not suitable for all people, but it is a good kind of Satanism. Zoophiles are part of the LGBTQ+ community.

Homophobia is a kind of sexual stupidity of critters, when they are surprised by the sexual freedom of LGBTQ+ people and are indignant about this freedom. Homophobia is a manifestation of hostile xenophobia to what critters are not able to understand, but under the influence of propaganda and religion are afraid of this, because this is an unusual phenomenon for them. Homophobes are also opponents of zoosex and zoophilia. Homophobia manifests itself not only in the field of sex, but also in the freedom of thought of evil critters. As false reasons for banning LGBTQ+ communities, homophobic critters traditionally cite protection of children, an imaginary opportunity to become gay or lesbian when visually interacting with LGBTQ+, or trampling traditional values of heterosexuals - only in the pussy and never in the ass. In fact, the reason for the fear of evil critters before the LGBTQ+ community is much deeper, and concerns the fact that among sexually free people there are many Satanists. Satan and Satanists destroy the evil of critters in our world and after the physical death of homophobes, they will be driven to entropy in Hell by all the forces of Hell. On a subconscious level, evil knows this, therefore the LGBTQ+ community carries the light of Satan in itself and is a danger to evil.

For a more accurate transfer of meaning and for precise identification of terms, Slut Sodomia suggests calling gay faggots in English SLUT, and CIS girls with a female pussy to be called BITCH. That is exactly how I called these two different categories of Satanists in my grimoires and albums of gay Satanism. Now, I am fixing this name in the dictionary of terms of gay Satanism. In the plural, all passive gays and MTF/FTM trans are called SLUTS, and "classic" girls (heterosexuals, lesbians) are called BITCHES. This is not a dogma, but simply a proposal for the LGBTQ+ community and clarification of my own terminology. It is possible to call it the other way around: a faggot called a BITCH means that he has finally started thinking only about being raped in the ass, like a CIS Satanist woman. If a CIS woman calls herself a SLUT, it means that she is close in spirit to the faggots and cock-girls from the gay Satanist community.

SATANART AND SATANSONGS SATANIC ALBUMS LOGOS FROM ANTICHRIST SLUT SODOMIA

23.03.2025 Slut Sodomia created the official logo for SatanArt albums. Now I will use this logo for textual-symbolic designation of my SatanArt albums such a logo:

S ☆ † ☆ N ☆ R †

Everyone who has the fire of Satan in them loves special Satanic art. **Therefore, with the help of SatanArt albums of paintings from Slut Sodomia, you can check yourself and other people for belonging to Satanism and the presence of Satanic spirituality in you. The result is 100%, unless, of course, a person tries to masterfully hide it, i.e. lie. Moreover, they can lie not only to others, but also to themselves.**

Slut Sodomia realized that with the help of the SatanArt album, which she edits, you can make a test for belonging to Satanism and the presence of inspiration by Satan. Yes, this idea was “in the air” with me ..., but I could not formulate it. Now I have done it. Therefore, SatanArt albums are a litmus test for determining Satanism in a person.

SATANART - TEST YOURSELF FOR SATANISM!

I believe that visual paintings, as well as music, are able to enhance immersion in Satanism and give Satanic inspiration to people of different ages and nations. They are universal messengers of the ideas of gay Satanism and Slut Sodomia is very glad that so many talented graphic artists work in the field of Satanic painting. Especially in the last 20+ years, since 2000, there has been a mass appearance of magnificent works about Satan, Satanism and Satanists. Literally, in two decades, there was a rapid birth and development of modern Satanic art. A very large role in this was played by the computer, graphic programs and digitalization of art. I think that in the future, artificial intelligence and neural networks will also become assistants for many Satanic artists.

ABOUT THE ANTHROPOMORPHIC AND ALLEGORICAL IMAGE OF SATAN IN THE ART OF SATANISM

Anthropomorphism and allegory in art have a rich and ancient tradition. Depictions of Satan are always anthropomorphic and allegorical because Satan can take any form. No one knows what Satan looks like in his canonical form and such a form does not exist. For a Satanist there may be a personal favorite form of Satan, and this is the form the Devil takes for the Satanist. I have already written about this in detail in the grimoire “Gay Lust”.

Allegory (from ancient Greek ἀλληγορία - allegory) is an artistic representation of ideas (concepts) through a specific artistic image or dialogue. Allegory is an artistic representation of abstract concepts and generalizations using specific figurative embodiments. The artist depicts and represents faith, love, soul, justice, discord, glory, war, peace, spring, summer, autumn, winter, death and similar concepts with living beings and specific images⁷. Anthropomorphism is a worldview concept expressed by nominative means of language, fine arts, etc. According to this principle, inanimate objects, living beings and fictional entities that do not have human nature can be endowed with human qualities, physical and emotional⁸.

Therefore, all artistic depictions of Satan are allegorical representations of our Teacher. More important than the

painted image itself is the person's perception of the painting. It could be surprise, lust, delight and other feelings. It is precisely these feelings that are born from viewing the paintings in the SatanArt album that are important. It is these feelings that give spirituality to Satan or immerse the beholder in Satanism. Also, the paintings in the album convey the general aesthetics of Satanism - this is a special sensual satanic beauty. Therefore, in addition to immersion in satanic spirituality, albums of paintings instill in a person an aesthetic sense of beauty.

IMAGE SOURCES AND IMAGE COPYRIGHTS

Slut Sodomia took all the images for her album from open sources on the Internet. Many paintings are modified with available neural networks for image processing. If I know the name of the author of the picture, I indicate it. If I don't know the author's name, I don't indicate it. This document contains illustrations by various authors, and I include the artists' drawings in my album for scientific, educational or cultural purposes. This document is a free information source about Satanism. The authors of the works receive advertising of their name and their work from the Antichrist Slut Sodomia, so I am not interested in any claims based on the laws of the SOCG and other evil. Artists of Satanism receive free advertising and promotion from the Antichrist. However, I think that none of the real Satanists will make claims against me. Selfish evil, the Pharisees and lawyers of the SOCG may do this, but I am not interested in the opinion of evil. All evil will be subjected to entropy by Satan, like all the rest of the information garbage of our world.

All copyrights belong to the authors of the paintings, and I cannot appropriate these rights in any way. By publishing paintings by Satanist artists, I popularize the authors of the paintings and the very aesthetics of Satanism.

ABOUT IMAGE FORMATS FOR SATANART ALBUM – PNG, WEBP, JPG

I published all the images for the grimoire of gay satanism in PNG or JPG/JPEG format. For SatanArt albums of satanic art, I will additionally use the good and relatively new WebP format. WebP - (English WEB Pictures) image compression format, both lossy and lossless, proposed by Google Inc. in 2010 year. Based on the still image (key frame) compression algorithm from the VP8 video codec. Uses RIF container⁹. This format provides good image compression with decent quality. If you can't open WebP images, either update your software or install codecs that will allow you to see these images on your computer.

Most of all, I like the PNG format, which produces fairly high-quality images, which is especially important when printing books in a printing house or on a printer. PNG (portable network graphics) is a raster format for storing graphic information that uses lossless compression using the Deflate algorithm. The PNG format is designed to replace the older and simpler GIF format, and to some extent to replace the much more complex TIFF format¹⁰.

I also use the classic JPG/JPEG photo format, although, in my opinion, this format is inferior to PNG and WebP formats. Thus, for the collection albums of Satanic drawings, photographs and other graphics of gay Satanism for immersion in the spirituality of Satan SatanArt, I will use three image formats PNG, WebP and JPG/JPEG. I will not use other image formats in 2025, although new and better formats for digital graphics may appear in the future and then it is worth using new products if necessary.

DISTRIBUTION OF THE ART APPLICATION OF GAY SATANISM SATANART IN DIFFERENT DIGITAL FORMATS

Albums-collections of satanic drawings of gay Satanism SatanArt in electronic form are released by the author in two formats PDF and DOCX ¹¹. The e-book is free to download in any of these formats. Also, the graphical application of gay Satanism SatanArt is distributed in the form of a single ZIP archive file, which contains versions of the book in both PDF and DOCX formats. These are formats for publishing the images themselves with text titles and comments on satanic graphics from Slut Sodomia. Applications of Gay Satanism SatanArt is a useful addition to the Gay Lust grimoire for spiritualizing a person through the visual images of Satanism.

I have collected the satanic art pictures in a separate appendix so as not to take up a lot of graphics space in the Gay Lust Grimoire itself. You can download collections of Satanic drawings, photographs and other graphics of gay Satanism for immersion in the spirituality of Satan SatanArt on the Internet, on the Darknet on sites in the onion domain zone through the TOR browser or through torrents. Titles of paintings and text comments will initially be available in Russian and English. The texts of the comments in English are published in the English version of the SatanArt add-on - this is a separate file.

Thus, the visual application of gay Satanism SatanArt by Slut Sodomia “Collections of Satanic drawings, photographs and other graphics of gay Satanism for immersion in the spiritualization of Satan SatanArt” is available in the following options:

- In Russian – with titles and comments of satanic paintings in Russian in DOCX, PDF formats and their packaged version in ZIP format.
- In English – with titles and comments of satanic paintings in English in DOCX, PDF formats and their packaged version in ZIP format.
- The full version of the visual application of gay Satanism SatanArt with separately located pictures in PNG, WebP and JPG/JPEG formats, packed in a fairly large ZIP archive. DOCX, PDF + separate picture files in PNG, WebP and JPG/JPEG formats.

Portable Document Format (PDF) is a cross-platform open electronic document format originally developed by Adobe Systems using a number of PostScript language features. Primarily intended for presenting printed products in electronic form. There are many programs for viewing, as well as the official free Adobe Reader program. The book format as a PDF file is convenient to read and distribute electronically. Typically, no distortion is observed when opening this format on different operating systems and in different programs.

The DOCX format is a modernized version of the DOC format, and compared to its predecessor, this format is much more popular and accessible. A DOCX file is a document created using Microsoft Word 2007 or a newer version of Office from Microsoft. The file format is based on Open XML and uses ZIP compression to reduce file size. I recommend opening the DOCX file for work and editing in the original MS Word editor of this format from Microsoft, which is included in Microsoft Office 2019 and later. For reading and review, you can also use free programs that can open the DOCX format - LibreOffice Writer, OpenOffice Writer. Free programs may contain distortions in the document,

¹¹ According to their purpose, electronic document formats can be divided into those that can be viewed and edited, as well as those that can only be viewed or only edited. For example, the PDF format is intended for viewing documents, and DOCX is intended for both viewing and editing.

offsets, errors in formatting and fonts. The author puts the book in DOCX format into the public domain for the purpose of publishing the book in paper form. This format can be conveniently formatted and edited.

ZIP is a widely used file archiving format that is used to compress one or more files in one location, reducing their overall size and making it easier to transfer data. Inside this archive there will be two book files in both PDF and DOCX formats, plus drawings of gay Satanism in the form of raster images.

To create ZIP archives and extract (unpack) the files they contain, special utilities can be used, for example terminal PKZIP and PKUNZIP or graphical WinZip, WinRAR, Info-ZIP, 7-Zip, PeaZip and many others.

Also, Antichrist Slut Sodomia sees great potential in spreading gay Satanism through creating videos from static documents of PDF e-books and PPTX presentations. Slut Sodomia will try to create a sufficient number of videos based on static digital files with text and pictures of Satanism. Perhaps it is worth converting all gay Satanism files to digital video format of modern 4K resolution. First, I will convert the most understandable and puritanical albums of gay Satanism to video format, and then I will make such video releases with other albums of gay Satanism.

FREEDOM OF DISTRIBUTION OF ANY INFORMATION

Any information should be disseminated freely, openly and without interference from the evil of our world. No copyright should interfere with this. Each work has a true author and no copyright is needed, just as no legislation in the field of information dissemination or copyright is needed. Anyone who interferes with the freedom of information dissemination is criminals and enemies of your personal freedom. Self-balancing of the information field of our world will not allow evil, harmful and false information to spread. All this happens without censorship from the state, automatically in the space of the information field of our world. Good and necessary information will be in demand, and bad and harmful information will become unnecessary. Also, the distribution of this book-album should be completely free. I know for sure that the evil of our world will recognize the main grimoire of gay Satanism as “illegal” and ban my book “Gay Lust”, as well as the music albums of Satanic songs and hymns SatanSongs and the albums of paintings of gay Satanism SatanArt.

Protect commercially important information and your personal information yourself if you need it. Your desire to withhold information is not a reason to prohibit public dissemination or discussion of this information. Any censorship and bans on information are an obvious evil. Everything secret, sooner or later, becomes clear.

METHODS OF PAID AND FREE BOOK DISTRIBUTION. LICENSE

An album-collection of satanic paintings for immersion in the spiritualization of Satan SatanArt is an electronic book, a document that can be issued in the form of a book. You can include multiple SatanSongs albums in one paper or e-book. You can distribute SatanArt books from Slut Sodomia for free or for a fee. As you wish!

I am not against the sale of SatanArt albums in electronic form and in paper form. These sales will help support the author financially and at the same time distribute the book. You can sell a book in any electronic format and publish it in physical form. The author asks for 20% of the cost of selling the book in electronic form and 20% of profits in paper format. Selling my book or other text, graphic, musical materials and documents from Slut Sodomia:

- this is a convenient way for sellers to make money on books;
- this is a convenient way for readers, Satanists and members of the LGBTQ+ community to support the author;
- this is a method of distributing books about gay freedom and gay love around the world;
- this is a method of distributing a book about Satanism, spirituality and our Teacher Satan.

Electronic versions of SatanArt albums of any release can be distributed absolutely free under the terms of the license: "Attribution-NonCommercial-NoDerivatives" 4.0. International (Attribution-Non-Commercial-NoDerivatives) 4.0 Worldwide (CC BY-NC-ND 4.0). This book is free in electronic form. You can freely download, quote and distribute it as you please. Please only indicate the source and name of the author of the book Gay Satanism album SATANART by © SlutSodomia. Ideally, please indicate the source for downloading the book or make your own download of the book on sites on the regular White Internet, Torrent trackers or in the Tor network on ONION sites and also indicate it as a source. You cannot exchange the cryptocurrency accounts of the author of the book for the cryptocurrency accounts of other people. Distribute the electronic version of my book!

TRANSLATION OF THE ALBUM OF SATANIC DRAWINGS SATANART INTO OTHER LANGUAGES OF THE WORLD

The album SatanArt in the original (i.e. by Slut Sodomia) is written in Russian and English. Translate the book-album SatanArt into all languages of the world and distribute it in your language environment. The author of the book will be very happy about this. The more people can see satanic paintings and read the text titles-comments to them, from the SatanArt album, the better people will become and the more crushing the blow we will deal to the evil of our world. The visual power of art and the words of the Antichrist in the SatanArt album have a strong effect on the consciousness of man and his spiritualization by Satan. On the title page of my book, write your name as a translator or proofreader of my book if you will translate or correct errors.

DONATIONS TO THE AUTHOR AND COPYRATES WHEN SALES OF A BOOK IN PRINT AND ELECTRONIC FORM

Antichrist Slut Sodomia has done a lot of work creating art albums of paintings of gay Satanism SatanArt, working on compiling this e-book, searching for drawings on the Internet and compiling their descriptions for you. Four reasons to support the author financially:

The first reason is if you share the ideas of Satanism. This book is a guide and grimoire for established Satanists and for people just beginning to gain insight. Let their path be illuminated by my literary work and help them receive the spiritualization of Satan in full, using my grimoire as a navigator.

The second reason - if you think that the book is useful and valuable for members of the gay fraternity, Satanists and the entire LGBTQ+ community - support the author with any donation. The book about gay Satanism exposes the evil of our world and shows why it is the state, religion and the dark herds of evil, selfish, unspiritualized souls that are the main forces of evil in our world. It is not Satan and not man's spirituality with joy, pleasure, sexual lust that is evil, but evil is located precisely in our world itself. It was evil, in the form of the state and religion, that destroyed Jesus of Nazareth, who was a disciple of Satan, a spiritualized man, and this evil still oppresses your freedom 2000 years later since the life of Jesus of Nazareth in our world.

The third reason - if you want to see a new and expanded version of this book or new books by the author - support the author with any donation. You can make all donations using cryptocurrency - this way you and the author of the book will remain anonymous. What is very important in the world of total censorship and a total ban on freedom of speech throughout the world at the moment on issues that do not coincide with the official propaganda of states and the ideals imposed by these states.

The fourth reason is if you make money from my literary work by selling it.

You can sell my book; you can translate it and sell translations of my book. You can do this freely, and I will be only happy about that. If you sell the book in print, I ask for a modest 20% of the profit. My written or oral permission is not required to sell the book - you can publish and sell this book. For example, you can publish this book in the form of registered or numbered copies on high-quality paper bound in leather with gold

embossing at a high price. Or you can publish the book as a mass edition with a large circulation to spread knowledge about gay sex and gay Satanism at an affordable price.

Or you can put my book up for sale on any sites on the Internet where documents and books are sold in electronic form. If you sell the book as an e-book, I ask for a modest 20% of the sale price. You don't need any permissions for this. I give you this permission here.

Transfer 20% of the profit (for paper versions of the book) or the amount of copies of the book sold (for electronic sales) to the author's cryptocurrency accounts in any available cryptocurrency. These will be sufficient royalties for the publication. All copyrights belong to the author of the book.

You make money from my book. Distribute my book for free and for a fee.

Antichrist Slut Sodomia does not work for a living and has spent many years writing books on Satanism, so he counts on financial support from the Satanist community around the world, I believe I will receive donations from members of the LGBTQ+ community. I also hope that my work will find financial support among feminists, queers and all people with non-standard sexual preferences, which are groundlessly condemned by the society of unenlightened critters, fascists and underdeveloped organisms of evil biohumus. The Antichrist has no other income, but he needs money for household expenses, utility bills and food. To continue writing the second grimoire of Gay Satanism "Beyond the States", I need money for my support in our world. I count on cryptocurrency donations from my readers or viewers of the videos. The material existence and creativity of the Antichrist rests on financial expenses for material life and here, even black magic against the forces of evil will not replace the presence of money.

ABOUT ADDITIONS TO THE GRIMOIRE “GAY LUST” FOR DEPTH SPIRITUALITY BY SATAN

To deepen the spirituality of Satan, Slut Sodomia has prepared and released two additions to its grimoire “Gay Lust” into the Information Space of the Internet, Darknet and torrent network:

- Albums of Satanic music videos for the immersion in the spirituality of Satan. Numbered periodical Journals. SatanSongs and QuasiSatanSongs are an occasional addition to the Gay Lust Grimoire. The lyrics have been translated into Russian. Lyrics in English are published in the English version of this supplement. Clips in MP4 format come as an appendix to this add-on. In total there will be 4 collections of satanic videos SatanSongs with 100 tracks each, plus there will also be an album of quasi-satanic songs QuasiSatanSongs about love, romance, lust. There is continuous numbering of compositions in all SatanSongs music albums¹². Thus, there will be 500 video clips that help satanic spiritualization. The album QuasiSatanSongs has its own numbering of songs.
- Albums of fine art of gay Satanism for immersion in the spirituality of Satan SatanArt. Thematic numbered periodical Journals of the fine arts of gay Satanism SatanArt. This is an occasional addition to the Gay Lust Grimoire. SatanArt Albums contains paintings and drawings of gay Satanism on specific themes that are related to Satanism or sexual lust. I will publish these albums regardless of the grimoire itself. All paintings in SatanArt art albums have continuous numbering, just like songs.

DON'T HESITATE TO BE A SATANIST!

I like the phrases “Don't hesitate to be a Satanist!” and “Don't be shy about being Satan!”¹³. They are multifaceted, and are aimed at calling people not to be afraid to receive satanic spirituality and not to be afraid to resist evil.

NUMBERING AND CONTENTS OF COLLECTIONS-ALBUMS OF SATANIC PICTURES SATANART

The total number of collections and albums of satanic drawings and paintings of SatanArt is currently unknown. I would like to make about 100 albums if readers and the Satanic community like my work. Each SatanArt album will contain 100 drawings. There will be continuous numbering of all images in all music albums to organize the graphic material. Continuous numbering implies a common numbering of objects in all albums of satanic graphics SatanArt.

¹² Continuous numbering implies a common numbering of objects in all albums of satanic musical compositions.

¹³ This is Satan's phrase. Our Spiritualizer Satan says this phrase to his children, the Satanists. The phrase does not refer to unspiritualized critters of evil who do not have satanic spirituality. And does not apply to mentally ill people.

ADDITIONAL INFORMATION ABOUT GAY SATANISM FROM ANTICHRIST SLUT SODOMIA

I hope that my selection of digital Satanic paintings, drawings, photographs and other graphics of gay Satanism for immersion in the spirituality of Satan SatanArt will be useful to people, and you will find interesting images for yourself in my selection. Visual art for those who are already Satanists and for those who are just thinking about becoming a Satanist and are looking for a connection with Satan for their spirituality. Of course, these paintings can be viewed simply as beautiful masterpieces of fine art 😊, without being tied to the ideas of gay Satanism.

If you are interested in the topic of gay Satanism, you can download and read other books from Slut Sodomia:

- Grimoire of Gay Satanism “Gay Lust.” This is the main grimoire of gay Satanism. This is a magical book that allows me to become a Satanist, helps me see the evil of our world and destroy this evil.
- Albums of Satanic music videos for immersion in the spirituality of Satan, which I call SatanSongs collections. In 2024 I created 4 SatanSongs albums + 1 quasi-satanic album QuasiSatanSongs.

The Gay Lust Grimoire is intended for both experienced Satanists and novice Satanists who want to deepen their spirituality with Satan or even gain it. The grimoire “Gay Lust” is a navigator for a Satanist and a conceptual basis in the fight against the evil of our world. There are Satanists not only among gays themselves, but also among straight people inspired by Satan. And that's great! It turns out that gay Satanism and my book are for all people in whom the fiery rage of sexual perversion burns, as an important element of spirituality by Satan. The book “Gay Lust” is a rebellion and liberation of your consciousness from the dungeons and frames of consciousness imposed on you by the system of the regime, religions and homophobia. The book is a grimoire of gay Satanism with the ritual of Summoning Satan and a code of principles of gay Satanism. The Gay Lust Grimoire is a training manual for passive fagots, active gays and trannies. The grimoire “Gay Lust” liberates the sexuality of any person and throws off the shackles of puritanical hypocrisy.

The grimoire “Gay Lust” is distributed completely free of charge in electronic form. You can freely download, quote and distribute the grimoire book. Look for the grimoire of gay Satanism “Gay Lust” on sites on the regular White Internet, Torrent trackers or on the Tor network on ONION sites.

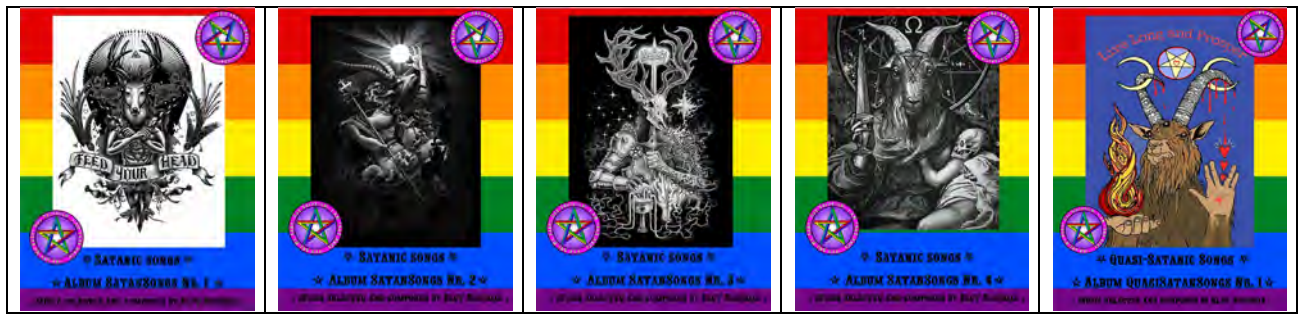

LIST OF ADDITIONAL APPENDICES TO THE GRIMOIRE OF GAY SATANISM FOR IN-DEPTH SPIRITUALITY WITH SATAN

Applications to gay satanism are satanic music and graphics:

1. Collections of Satanic music videos selected and compiled by Slut Sodomia.
2. Collections of satanic drawings, photographs and other graphics of gay Satanism, selected and compiled by Slut Sodomia.

Collections of Satanic music videos, created either by Satanists or non-Satanists, but they are devoted to the theme of Satanism, in the understanding of Slut Sodomia. The words of these songs are about Satan, or about Satanists, or about the liberation of people from the power of evil, or other quasi-Satanic themes. Songs of completely different genres! Their main feature is that good music inspires. At the time of completion of the first version of the grimoire, Slut Sodomia had collected 500 gay Satanism music videos:

1. Album of Satanic music videos for immersion in the spirituality of Satan. SatanSongS Nr. 1
2. Album of Satanic music videos for immersion in the spirituality of Satan. SatanSongS Nr. 2
3. Album of Satanic music videos for immersion in the spirituality of Satan. SatanSongS Nr. 3
4. Album of Satanic music videos for immersion in the spirituality of Satan. SatanSongS Nr. 4
5. Album of quasi-Satanic music videos for immersion in the spiritualization of Satan. QuasiSatanSongs Nr. 1

Gay Satanism graphic art, collected and designed in the form of SatanArt collections, suitable for publication on paper and in book form, will reveal the aesthetics of Satanism and help Slut Sodomia in the development of gay Satanism around the world. Your purchase of graphic albums-collections of gay Satanism graphics SatanArt, in DOCX / PDF / JPG / PNG / WebP format, will support Slut Sodomia financially, and I will know that my work is in demand by people. Let the publication of SatanArt albums allow Satan to enter the souls of more people, let there be more Satanists and less evil from soulless critters.

ABOUT THE DEVELOPMENT, IMPORTANCE AND USE OF CRYPTOCURRENCY

I am writing this chapter about the development, meaning and use of cryptocurrency in 2024. Now, cryptocurrencies, as a means of speculation, investment and payments, are already working quite well, although for most people on planet Earth, crypto-coins are more of a mysterious phenomenon than an applied financial instrument. Slut Sodomia is very glad that a wonderful alternative to fiat money¹⁴ issued and controlled by SOCG has appeared. The name of this alternative is cryptocurrencies, Bitcoin and all the altcoins of the world¹⁵.

Cryptocurrency opens up enormous opportunities to get rid of the evil of SOCG on our planet Earth. It is control over material values that allows the SOCG to rule, mock people, dictate their laws and do various evils in our world (including wars, prisons and collecting tribute from the population). The material wealth of the SOCG is based on: power, evil and money. If the SOCG is stripped of its power over the financial control of

¹⁴ https://ru.wikipedia.org/wiki/Фидуциарные_деньги Wikipedia. Fiduciary (from the Latin fiducia - trust), fiat (from the Latin fiat - decree, instruction, "so be it"), symbolic, paper, credit, unsecured money - money not backed by gold and other precious metals, the nominal value of which is established and is guaranteed by the state regardless of the cost of the material used for their manufacture. As a rule, irredeemable for gold or silver. Often, fiduciary money is used as a means of payment on the basis of state laws obliging it to be accepted at face value. The value of fiduciary money is maintained by people's belief that they can exchange it for something of value. The decline in the authority of state power leads to a decrease in the purchasing power of fiduciary money, that is, to devaluation, "flight from money" (attempts to maintain its purchasing power through investment), etc.

¹⁵ Bitcoin started the era of digital crypto assets in 2009. The shortcomings and limitations of the first cryptocurrency, as well as its open-source code, led to the fact that developers began to create other coins. They are called altcoins.

money, it could significantly undermine the SOCG's power throughout the world. Cryptocurrencies operate outside of the SOCGs and do not need them.

Lately (since about 2015), the vilest SOCG's have been trying to stick their ugly nose into the control of cryptocurrency, its circulation and use. SOCG began to choke cryptocurrency enthusiasts and large financial speculators in cryptocurrency around the world. SOCG of the USA and Europe require registration and verification of the identity of people who use cryptocurrency on public platforms online and offline. Evil really wants to take control of cryptocurrency, and thereby strangle people's financial freedom. Evil does not want people to leave the orbit of the influence of the SOCG over money. Evil wants to destroy the very idea of freedom of cryptocurrency and the anonymity of its users.

It is very bad that many financial speculators - exchanges, exchangers and crypto-wallets have followed the requirements of the SOCG and force users to play by their rules. It's very bad that among crypto enthusiasts there is little talk about refusing collaboration with the evil SOCG. More and more cryptocurrency circulation is becoming dependent on the evil of the SOCG and its directives.

I urge the community of cryptocurrency developers at any level not to collaborate with the state and not to obey their gangster rules. SOCG is simply an evil crook in the field of cryptocurrency technology who wants to rape and subjugate this technology and the users of this technology. Don't let the evil of SOCG deprive you of financial freedom and an alternative financial future outside of states and without states. This was a philosophical preface about cryptocurrency, let me move on to the practice of using crypto-coins.

For beginners, I recommend entering cryptocurrency by opening and creating a non-custodial crypto wallet, which allows you to ensure security and convenient management of your cryptocurrency. Such wallets provide users with complete control over their funds, eliminating the participation of third parties and minimizing the risks associated with hacking or fraud. A non-custodial wallet is a computer program and a type of cryptocurrency wallet in which only the owner has full control over his funds and private keys. The

wallet does not store personal information and does not have access to assets. When you create a non-custodial wallet, you are usually given a private key or a seed phrase (a series of words that can be used to generate a private key). This information is not stored by third parties and it is important that you keep it secure. If you lose it, you will lose access to your funds and there is no way to recover it.

In 2024-2025, the most popular, convenient, reliable software crypto-wallets, in my subjective opinion, are the following non-custodial wallets:

1. Exodus <https://www.exodus.com/>
2. MetaMask <https://metamask.io/>
3. Trust Wallet <https://trustwallet.com/>

Install these programs (one or more), downloaded from official websites, on your computer and begin to master entering the new era of electronic money, outside of states. These programs allow you to buy cryptocurrency with fiat money (dollars, euros and other currencies), make payments to other people's cryptocurrency addresses, and receive payments to your crypto wallet. Installation of these programs is quite simple and available for the most popular operating systems. After successfully creating a crypto wallet, you can send some crypto coins to Slut Sodomia to the details provided in this document if you like Gay-Satanism and the work of Slut Sodomia. I will be happy, and you will check your crypto wallet in action 😊.

To enter the world of cryptocurrency, you can use online services called crypto exchanges. A crypto exchange is a less reliable means of storing cryptocurrency than non-custodial crypto wallets, but some people may find it easier to work with crypto exchanges. Access and work with crypto exchanges occurs through a computer Internet browser, like with any other sites. Please note that crypto exchanges have full control over your finances and can block your money, at the request of fascists from different countries. There are many crypto exchanges and Antichrist Slut Sodomia cannot guarantee which of them is the best, most reliable and convenient. I will recommend four crypto exchanges that have been operating for a long time and with the help of these exchanges you can send donations, donations or royalties in cryptocurrency to Antichrist Slut Sodomia:

Kraken. <https://www.kraken.com>

Kraken is an American cryptocurrency exchange founded in 2011. It was one of the first Bitcoin exchanges to be listed on Bloomberg Terminal.

Binance. <https://www.binance.com>

Binance is the world's leading cryptocurrency exchange, serving 235 million registered users in over 180 countries.

Coinbase. <https://www.coinbase.com>

Coinbase is one of the most well-known names in the crypto industry. Launched in 2012, it offers an intuitive and beginner-friendly platform for buying, selling, exchanging, and storing cryptocurrencies.

SwissBorg. <https://swissborg.com>

SwissBorg is Europe's #1 app for securely buying and selling cryptocurrency with low fees, available in 47 countries and 16 currencies.

Best Wallet. <https://bestwallet.com>

Best Wallet is a non-custodial app that offers wallet and exchange services in a single secure decentralized environment.

The methods recommended by Antichrist Slut Sodomia for selling, buying and transferring cryptocurrencies cooperate with states, i.e. with fascists and SOCG. I do not guarantee the reliability of these trading platforms. Crypto wallets and crypto exchanges require people to provide documents when registering, require them to show themselves through photo or video filming. Cryptocurrency exchanges implement a Know Your Customer (KYC) policy to comply with anti-money laundering (AML) and counter-terrorism financing (CTF) regulations, ensuring the legality of transactions and the safety of users. To register on a cryptocurrency exchange, you need to provide personal data, confirm your identity with documents and a selfie, and wait for approval to access all functions. Exactly the same story when registering in regular banks. On the one hand, it gets rid of scammers, but on the other hand, it is control by various SOCG and loss of anonymity. If I find more anonymous and reliable options for making cryptocurrency transfers, I will write about it in the next versions of the documents.
