ANNOUNCEMENT OF LICENSE CHANGES FOR ALL PUBLICATIONS OF GAY SATANISM.	22
Рисунок 3101. Mrs. Fireflood reads the latest news in the Magnum Infernal newspaper.	24
Рисунок 3102. The masks have been removed and Satan has revealed himself as a Christian priest! You are Satan!.....	25
Рисунок 3103. A collage of various Satanic posters and slogans. Satanists have no sins, but they do recommend further self-depravity. Satan worship is depravity in various forms.....	26
Рисунок 3104. "Pyrokinesis for Beginners." Sometimes, Satanists want to burn evil critters with the power of thought.	27
Рисунок 3105. "Belial guards those who are weak and small in stature." (Translated from Russian text). A cheerful proverb-song about Satanism and Belial, one of the Lord-Kings of Hell.	28
Рисунок 3106. "Welcome to Gosuslugi!" An ancient miniature of Christianity, depicting the State, in the form of a Christian angel, delivering small and innocent people from the jaws of Satan. The modern inscription highlights the comical nature of the ancient miniature.	29
Рисунок 3107. "Ask what you wish and discover yourself in the process." A Satanic poster in a psychedelic style and acidic color scheme.....	30
Рисунок 3108. Satan or a Satanist weighs a girl's head and heart. This is a reference to the legend of Anubis.....	31
Рисунок 3109. "Surprise me!" Pumpkin came to get a haircut for Halloween.....	32
Рисунок 3110. Not today, Jesus." A funny Satanist poster about how it's not time to renounce Satanism or join Christian sects.	33
Рисунок 3111. Funny Devil: "God's busy. Can I Help you?".....	34
Рисунок 3112. Remember, kids: Santa = Satan. He grants the wishes of Satanists.	35
Рисунок 3113. "Burn him! Mock him!" + "Satan's Servant." Innocent Satanist Cat.....	35
Рисунок 3114. Don't forget the "Hand Satanizer." A hand-held Satanizer for bitches is a lubricant for fisting. A bitch's anal cunt is intended for satanic caresses.....	36
Рисунок 3115. "The queen gave birth one night - either a son or a daughter; - not a mouse, not a frog, - but an unknown little beast." The Swan Princess fucked all the Satanists and gave birth to Satan-	

Baphomet and the Antichrist. Blasphemous humor on the subject of the piety and purity of the Virgin Mary among Christians.	37
Рисунок 3116. "Let's Sacrifice Toby." A satire and caricature of child Satanism. This is how many foolish people view child Satanists. Naturally, Satanists don't sacrifice anyone—these are stories told by the creatures to denigrate them. All evil creatures will go to Hell, no matter what. The creatures themselves sacrifice themselves to evil by rejecting Satan's spirituality, falling for the lies of religions, or believing the propaganda of the fascists of the SOCG.	38
Рисунок 3117. A Satanic children's coloring book. Satanist children draw a pentagram in a circle and complete the pentacle. "The Devil Child Games Edition"	39
Рисунок 3118. Social skill in the cemetery: "Making New Friends." Satanists live in a world of spirits and ghosts, and, as various creatures believe, they dabble in necromancy. A caricature on this topic, combined with childish Satanism.	40
Рисунок 3119. "The Devil made me do it." This phrase has long been a comedic one. The humor lies in the question: "Who put you up to it?" The Devil, of course.	41
Рисунок 3120. "Sodomy is sweeter than honey," reads the poster. Slut Sodomia approves of such posters.	41
Рисунок 3121. "Tag you're It!" Satanist children play with Death. Picture from the "Hobbies and Games" series.	42
Рисунок 3122. Merry Antichristmas – Satan Claus. Satanic pattern for a New Year's sweater: "Merry Anti-Christmas – Satan Claus."	43
Рисунок 3123. Don't be afraid, I'm near. Satanic humor, or not quite humor. Of course, Satan is near for any Satanist, but when you say it so openly, it's funny.	44
Рисунок 3124. "A worthy sacrifice, what do you want in payment?" "Nothing..." + "You needed them, so take them..." "Really? Just like that? Is it convenient?" (Translated text from Russian).....	45
Рисунок 3125. Cats summon Satan to help them take over the world. Cats are persistent.....	45
Рисунок 3126. Demon Star. An interesting AI-generated image with elements of humor and surrealism.	46
Рисунок 3127. A very scary satanic house, with elements of humor.	47
Рисунок 3128. Satanism in the style of comic horror. Two different genres can be combined in Satanism.	48
Рисунок 3129. "Swear on our Bible!" + "Get this crap away from me!" A book of Jewish folk tales is still subject to oaths in US courts. This takes place in 2025. Amazing creatures of fascism with elements of worship before a Jewish fairy tale book.	49

Рисунок 3130. A Satanist from the Simpsons family. Homer Jay Simpson, Sr. is one of the show's main characters. The head of the family, he's overweight, lazy, and somewhat dimwitted, but despite all his flaws, he's shown to be a devoted and loving father and husband (especially in the early seasons). The trashy humor of a pop cartoon replaces the Baphomet Icon of Wisdom.	50
Рисунок 3131. "Constantin: Smoking Kills, Satan Saves." Inscription on a cigarette pack.	51
Рисунок 3132. Satanist Bitch Summons Satan for Caresses and Cuddles #1: Summons the Devil naked - this is the most correct attire for this.	52
Рисунок 3133. Satanist Bitch Summoning Satan for Cuddling and Caresses #1: Summoning the Devil Naked Was a Success. "I Just Wanted a Big Hug!" (In fact, all bitches want to be fucked in the ass and vagina after a hug).	53
Рисунок 3134. He always entered the hall freely at Satan's ball. They let Uncle Styopa in, thinking it was Belial.	54
Рисунок 3135. "For the glory of Satan of course!" A Cat-Satanist.	55
Рисунок 3136. An encounter with an extraterrestrial form of consciousness. Satan is a Spirit from another dimension.	56
Рисунок 3137. Satan-Baphomet is reading a book on a pentagram. Finally, I can lie down and read a grimoire!	56
Рисунок 3138. "Baphomet's Guitar." The Unpleasant Boys asked Baphomet to play his guitar, mocking Satan. Satan strummed a few chords on his black Satanic guitar.	57
Рисунок 3139. Funny Furry Satan in a gay, bright anime style.	58
Рисунок 3140. Some kind of creatures. The Antichrist often uses the term "creatures," and here's a group portrait of them.	59
Рисунок 3141. Satan-Baphomet receives and sends signals of resistance to evil, in pink and purple tones.	59
Рисунок 3142. Satan is scary and humorous, with an elongated neck. He's probably masturbating his anal prolapse.	60
Рисунок 3143. "The devil is here, the devil is there. The devil is the captain of Hell." Satanic humor with a poem.	61
Рисунок 3144. "Inner Beauty". Irony meets Satanic trash.	62
Рисунок 3145. The list of deadly sins somehow suspiciously resembles the list of my plans for the weekend. (from Russian)	62
Рисунок 3146. The surrealism of Satanism, on the border of trash, horror, and humor. In Hell, various transformations are possible, because Hell is a world of shifting forms and parallel time, layered.	63

Рисунок 3147. "Jesus Has Defeated Satan." This is a play on words in English: "Jesus has defeated (.) Satan".	64
Рисунок 3148. Hail Lucipurr. Cuteness in Satanism. Why can't Baphomet be like that? No one forbade it.	65
Рисунок 3149. A surreal Satan with Satan's head. Satan carries Satan's head. The humor of Hell's shifting forms and the general spirit of Satanism, in the form of a funny image.	66
Рисунок 3150. Capricorn Fuck (translated from Russian text). A humorous caricature of Capricorn-Satan or a drunken Russian alcoholic who considers himself the Devil after a bottle of vodka. Ambiguity humor in the visual arts.	67
Рисунок 3151. «Drink beer, Hail Satan». A poster proclaiming that Satanists have nothing to worry about. Satanists are immortal, and the passage to another dimension of Hell will be merely a continuation of the journey and a return home to their beloved Satan. This is what distinguishes Satanists from evil critters.	68
Рисунок 3152. «Satan guide my hand». A cool poster, with a reference to the famous ancient painting "The Creation of Adam" (Italian: La creazione di Adamo) - a fresco by Michelangelo, painted around 1511.	69
Рисунок 3153. "Spend quality time with friends." Satanists-Witches, in the company of Devils-Demons, dance in circles.	70
Рисунок 3154. The horrors of Satanism, surrealist style, come across as humorous. A terrifying Satanist house in Hell. All sorts of "devilish things" happen here.	71
Рисунок 3155. Satan in a surreal style, with elements of humor and transmutation.	72
Рисунок 3156. Satan in Hell receives many letters from his Satanist subscribers and fans. But the vast majority of the letters contain requests: I want more money, I want a better car, I want... Those who publicly declare Satan doesn't exist appeal to Satan: adherents of the Church of Satan and the Satanic Temple.	73
Рисунок 3157. Wise Satan was a bit annoyed by these wishful thinkers who deny Satan's existence. Of course, it's strange to perform magical rituals, ask Satan for your wishes, and yet not believe in Satan's existence. Are you even normal atheist Satanists? (Please note that all Satanists don't believe in God. Atheist Satanists claim not to believe in Satan's existence—for them, it's simply the Canon of Freedom—a term of the Antichrist.) Serious reasoning from the Antichrist, through humor in Satanism.	73
Рисунок 3158. "This music belongs to the Devil!" Thanks for the records!	74
Рисунок 3159. "We've long been mired in falsehood, almost driven mad, and what's coming next is a complete plague." (Translation from Russian text). A plague epidemic, riding on Satanism, cleanses the world of evil creatures. It's cruel—I know. The Antichrist and all enlightened Satanists tell you—don't	

multiply! Stop breeding creatures. The world is overcrowded and overpopulated with human beings, uninspired by Satanism. They are evil monkeys, vicious and deranged.	75
Рисунок 3160. The image depicts a satanic painting by Belgian artist Félicien Rops titled "The Temptation of Saint Anthony." The 1878 watercolor depicts Saint Anthony facing various temptations symbolizing everyday temptations.	76
Рисунок 3161. A Russian Orthodox Church sect member: "Be gone, Satan!" Firstly, Satan has no use for such freaks. Secondly, such freaks have no power over Satan. A rhetorical question: "What kind of Orthodox exorcism is this, and who is this circus for?"	77
Рисунок 3162. I live in the depths of Hell, my car runs like a dog! (Translation from Russian text). I can feel the artist's deep psychedelic trip while creating this drawing. I'm serious.	78
Рисунок 3163. A Satanic cat practices Satanism on a Satanic pumpkin. It's all about the Satanic humor of witchcraft.	79
Рисунок 3164. Satanist cats practice Satanism with pentagrams and inverted crosses. Many people love cats, regardless of their affiliation with Satanism. Love Satanism and you'll feel better, just as you love cats.	80
Рисунок 3165. The surrealism of Hell. Humor is hidden in the strangeness and absurdity of what's happening in our world, as far as perception is concerned. Satan-Baphomet is having fun with Satanist monkeys.	81
Рисунок 3166. At the witches' sabbath, Satan is bored alone. The sabbath was only for witches. They forgot to invite Satan to dance around the fire. This is the version of the plot, from the Antichrist Slut Sodomia.....	82
Рисунок 3167. A fascist SOCG cop guard is received by the devils in Hell. The cop hasn't even begun to suffer yet.	83
Рисунок 3168. A cop is chasing gay Satanists with a baton on road signs. A combination of evil rules.	83
Рисунок 3169. "Let's Raise Hell". Activities for children. The humor of childish Satanism. Can children create Hell? A question for parents. Yes, children can create Hell. That was the answer!.....	84
Рисунок 3170. Boom! Now you're officially cursed! "Cursed." Satan casts black magic and curses on evil creatures. The humor is allegorical, although curses on people and nations do exist. Curses are cast by Satanists, Demons, or Satan. It's possible that all black magic comes solely through Satan. The Antichrist suggests this.	85
Рисунок 3171. Little Sveta summons Baphomet. (Translation from Russian text). The little girl's perversion is clearly visible.	86
Рисунок 3172. Empathy is a characteristic trait of Satanists, which is the opposite of Rage.	87
Рисунок 3173. Santa and Satan are in the same boat: either you believe in them or you don't.	87

Рисунок 3174. "Let's start a cult." Activities for children. Satanists are characterized by individualism and introversion. Therefore, Satanists don't need a cult as such. Developing one's own Satanic spirituality is our cult. Through debauchery and lust.	88
Рисунок 3175. A surreal picture of entropy. The hellhound tore the creatures apart.	89
Рисунок 3176. Santa turns into Satan. A play on words in English.	90
Рисунок 3177. Psychedelic cats climb wherever they want.	90
Рисунок 3178. A psychedelic Satanic icon with a touch of humor. Very interesting, but unclear as to what it is.	91
Рисунок 3179. A humorous Satan-Tengu from Japanese mythology and folklore.	92
Рисунок 3180. The devil farts the purple fart of Satanism. Anal pleasures symbolize Satanic lust. The most Satanic fetish is the thoroughly fucked anal prolapse of Satanic bitches and whores.	93
Рисунок 3181. "Keep the door closed! I'm either Hailing Satan or Masturbating!" Satanists fuck and masturbate (anal masturbation for faggots and bitches) to develop Satan within themselves. This is lust.	94
Рисунок 3182. The theme of the ass and its inner world was explored by Jeroen Anthoniszoon van Aken, better known as Hieronymus Bosch. He was an ancient master of Satanism. Detail from the painting "The Garden of Earthly Delights." The painting was created between 1490 and 1510. A depiction of Hell.	95
Рисунок 3183. "Let's summon demons." Childish satanic humor, although it really works. Antichrist Slut Sodomia did this as a child, in the basement with the neighbors' kids.	96
Рисунок 3184. "For the glory of Satan, of course!" Naturally, the cats rejoice and do their business, for the glory of Satan. Humor through the antics of cats. Of course.	97
Рисунок 3185. The game "Hopscotch" with Satan. For those of you who don't know, there was a Soviet or even old-fashioned game: kids would draw "hopscotch" shapes with chalk and jump on them, much like the Devil in this picture. Of course, the kids didn't draw a pentagram at the end of the path, but they could have. Haha.	98
Рисунок 3186. "The darkest dungeons are in the mind." This image is practically not humorous, but it may seem so due to the surreal execution. Satanic humor through surrealism and the grotesque.	99
Рисунок 3187. A very cute Satan (with two noses!) near a white house in the countryside. His house, where gay men indulge in gay lust, nature, flowers, and Satan. A gay introvert's hellish pleasure, a Satanist flies with Satan. I don't know the exact plot of the film.	100
Рисунок 3188. Surreal humor in Japanese Satanist paintings. The image depicts a mythical creature called a tengu (天狗), a character from Japanese folklore and Shinto beliefs. It's possible this is a well-known Japanese folklore or mythological motif, but I don't know the details.	101

Рисунок 3189. "Devil's Blues." This can be translated in two ways: "Devil's Blues-Music" and "Devil's Sadness-Sorrow." In my opinion, the first and second meanings of this painting are correct. All the elements in this painting can evoke sadness.	102
Рисунок 3190. Satan, in the form of Baby Baphomet, with elements of humor: "Cute as Hell!"	103
Рисунок 3191. "Not today, Jesus." A humorous Satanist poster about Christianity's failure to defeat Satanism today. It can be seen as both humorous and serious. This image is a classic of gay Satanic humor and its number one icon.	104
Рисунок 3192. "Not today, Jesus." A humorous Satanist poster about Christianity's failure to defeat Satanism today. It can be seen as both humorous and serious. This image is a classic of Satanic humor and its number two icon.	105
Рисунок 3193. An ironic and humorous poster about Satan's friends in Hell, among the creators of questionable internet content. These spammers are my consultants. These bot operators are my deputies. And this one is my favorite – the creator of pop-up ads.	106
Рисунок 3194. Japanese Satanic Humor and Horror. Satanic Mysticism, Japanese Style.	107
Рисунок 3195. A collage based on a Soviet propaganda poster: "Hell is calling! What have YOU done for Satanism?"	108
Рисунок 3196. Psychedelic and humorous red fly agaric. Art by Anastasia in red.	109
Рисунок 3197. Satan watches movies on 16mm film. Antichrist Slut Sodomia actually shot color family movies on 8mm film as a child, developed them myself in the dark, and showed them to the family on a Rus projector. I was between 8 and 14 years old. This was before computers and the internet.	110
Рисунок 3198. A chicken egg wants to hang itself. It's quite a difficult task for an egg. A humorous piece about the difficulty of accomplishing simple yet fateful deeds in our world. If you're an egg, then hanging yourself will be difficult. Breaking is easy for an egg, but it wants to hang itself. Satanic dark humor... ..	111
Рисунок 3199. "Stay Positive!" A caricature of the problems Satanists face in our world.	112
Рисунок 3200. "I am your god now!" A Satanist boy with his toys.	113

PREFACE

The theme of the gay Satanist art magazine SatanArt #32 is humorous Satanism, in a wide variety of forms and artistic styles. I decided to create a cartoon album on Satanism because humor, irony, and self-irony are essential components of a healthy Satanist and traits of our Teacher Satan. Satanists cannot live without humor and humor – the entire world is overrun by the evil of beasts and fascists, so they have to amuse themselves to avoid being so offended.

In the gay Satanist magazine S☆†☆N☆R† #32, "Humor in Satanism. Strange and Funny Satanic Drawings. Cheerful Satan in Caricatures. Puritan Edition," Antichrist Slut Sodomia has collected publicly available funny drawings by various artists from various websites. These are mostly images with Russian text, English text, or no text. As always, I'll leave translations and my comments next to each image, below. All SatanArt albums are designed this way.

I'll quote from the website "Psychology and Psychiatry" about the importance and usefulness of self-irony. **The Antichrist knew all this, even without quoting from the magazine, but my readers may not.** *Self-irony is a variation of the ironic spectrum of discussion, where the person themselves becomes the center of discussion and commentary. Self-irony and irony are built on concealing or contrasting the apparent meaning presented with the true meaning, creating the sense that the person or subject of discussion is not what they initially appear. Self-irony allows a person to laugh at themselves, to joke, without demeaning themselves, and allows them to easily and soberly evaluate their own abilities and achievements without indulging in narcissism or self-flagellation.*

Depending on the context and how it is applied, self-irony is a sign of both inner strength (when a person can be the first to laugh at their own mishaps) and inner weakness (when self-irony becomes a defense mechanism aimed at preempting ridicule from others and is caused by low self-esteem). In both cases, an ironic self-perception reduces the risk of attack from others, as there's no motivation to point out the wrongdoing of someone who notices it or to tease someone who's done it more successfully and in the past.

Self-irony and irony go hand in hand, so if you reprimand someone who's ironic, you should be prepared for the attention of their discussion to fall to you. Whether you can also parry ironic attacks, even if you lack the same skills for self-irony, remains an open question. Besides its defensive functions and a healthy outlook on life, self-irony helps present oneself in a favorable light without resorting to outright praise. It's often used in flirting, and both employ the same combination: emphasizing a minor flaw to highlight one's strengths, and perhaps even soliciting a compliment. Self-irony is a sign of high intelligence, grace in presenting information, a subtle sense of humor, and a realistic, holistic view of oneself. Moreover, this quality demonstrates a deep and thorough knowledge of oneself, allowing one to identify flaws and criticize them in an original way without causing damage or trauma to one's psyche, without resorting to humiliation or apologies. This attitude implies a great deal of self-love and a complete acceptance of both positive and negative aspects. Perhaps it is these inner traits that make ironic people so attractive, compelling us to learn from them and strive to develop irony in our own perceptions¹.

I'll give you a quote about humor in Satanism that the Antichrist found on an internet site «MysteryLores | Paranormal Investigations & Conspiracy Theory Analysis»:

A recent user forum discussion revealed the curious and often humorous experiences of those who identify as Satanists, highlighting the misconceptions and bizarre reactions they encounter. As the posts accumulated, instances ranging from ignorance to failed attempts at humor became increasingly common, demonstrating the diversity of public views on Satanism.

Several people shared moments when their beliefs provoked confusion and amusement. One comment stated, "Are you in a hate group? Most Satanists are too." This demonstrates a common stereotype that seems to

permeate public perception. Another remarked, "May Jehovah bless this pervert," highlighting how some responses tread a fine line between insult and false benevolence.

Interestingly, not all reactions were hostile or serious. One person laughed when told they would have to drink holy water at every meeting to "cleanse" themselves, finding it quite funny. This highlights how some meetings demonstrate a profound misunderstanding of what it truly means to be a Satanist.

User experiences also reflect the difficulties associated with religious freedom in various settings. One user mentioned a workplace restriction prohibiting the expression of one's beliefs through personal items, stating, "I had to explain to my boss what 'religious freedom in America' means." This further underscores how personal beliefs can intersect with the professional environment, leading to tense situations and the need for training.

A joke about gossip in a neighborhood community took an even more serious turn. A user described being accused of animal sacrifice while simply enjoying nature. Despite the horrific rumors, he shared a touching moment when he helped a child lost in the woods, effectively dispelling the rumors tarnishing his reputation.

Amidst the absurd, humor often shines through. One user reported laughing after seeing insults like "Bastard Satanist" scrawled on a car window, demonstrating that laughter can arise even from bizarre criticism. This playful resilience reflects a broader sentiment among those sharing their stories.

There is a high likelihood that ongoing discussions about Satanism and religious beliefs will foster greater acceptance of Satanism in both the personal and public spheres. Experts estimate that approximately 60% of people could change their perceptions positively if these dialogues, primarily fueled by humor and the sharing of human experiences, continued. As more stories emerge from people willing to share their unique situations, misunderstandings may diminish, opening up more open opportunities for interfaith dialogue. Companies and organizations may also begin to embrace diverse faiths, reflecting a broader understanding of religious freedom in America and leading to systemic changes in the workplace.

In some ways, this situation is reminiscent of the early punk rock movement of the 1970s, when misunderstood individuals faced social stigma. Just as punk rockers challenged societal norms and misunderstandings through music and style, those who identify as Satanists today use humor to clarify their beliefs and combat stereotypes. The shared journey of these two groups demonstrates how social acceptance is often achieved through laughter, creativity, and the courage to assert one's identity despite misrepresentation².

At the end of the preface, the Antichrist will insert a funny quote from a Christian sectarian pastor about how one shouldn't joke with the Devil and shouldn't make jokes about Satan. The Christian sect would be the only ones who would remain silent about jokes and lies about Satan. But Christians take Satan extremely seriously... and rightly so:

Jokes about the Devil are no laughing matter. Some people dismiss the Devil as a figment of the imagination, dragging him along. But given the current state of the world and the godless society that permeates our culture, this topic should be taken seriously, as there are people who are drawn to Satan (the Devil). They want to learn more about evil, demons, witchcraft, the occult, and so on. Often, these people don't realize they're inviting Satan into their thoughts and their very lives. They're mistaken.

Satan is the father of lies. The Bible makes this clear. He's the most successful liar of all, convincing millions of people to follow him. He's called a deceiver. To achieve his goals, the devil conceals from people their need for Christ. Two forces are at work in our world: the forces of Christ and the forces of Satan. People, especially young people, are impressionable, and parents should be aware of what their children are exposed to and teach them the difference between good and evil. Parents can turn to the Lord's wisdom, praying for strength

and understanding to live according to Scripture. We must diligently protect our children and raise them in the Lord's spirit. Scripture clearly calls us not to give Satan a place in our lives (Ephesians 4:27). We must not succumb to Satan's deception and lies, thinking it's all just a joke. The closer we are to Jesus, the further we are from the Devil³.

This Reverend Billy Graham has really made the Antichrist laugh! He knows how to make the devil, the Satanist, happy with his Christian nonsense. What can you do? Christian sectarians parade around their apartment with their Jesus like a masturbator with his erect penis behind a pussy. A Christian sectarian is a liar, evil, and a hypocrite. But they absolutely cannot joke about Satan—it's not supposed to be... The Antichrist doesn't understand why Christians aren't allowed to joke about Satan? Blasphemous Satanists do this to Christians all the time, and Christians need to be VERY serious and not joke about the Devil, otherwise they'll become inspired by Satan. Reading the text of the Reverend Billy Graham is truly amusing. I was sitting there, writing the foreword to this gay Satanist magazine, calmly, without much amusement, at 3:15 in the morning. Then I read a Christian adherent, and it made me laugh. I'm telling you, Satan is the father of humor and irony. Here's proof – the Antichrist is being amused by a priest in the middle of the night, at 3:15.

³ <https://billygraham.org/answers/is-it-dangerous-to-joke-about-the-devil> Is It dangerous to joke about the Devil? From the writings of the Rev. Billy Graham

Are Satanists allowed to laugh at Satan and Satanism? They absolutely should. Satan himself doesn't mind if his Satanist children make fun of their Teacher. It doesn't offend Satan in the least, because the Devil's wisdom deflects all attacks on him and renders them insignificant. In this album, I didn't engage in any attacks on Satan, just white Satanic humor and blasphemy against Satanism. Now that's a new term! Okay, okay – it's not blasphemy, it's just humor. There's no God in Satanism, so there can be no blasphemy. I'm just kidding. No, this reverend Christian comedian is seriously funny. They probably communicate like that in a Christian sect.

Let me quote this Christian comedian again and analyze it: "We must not be deceived by Satan and his lies, thinking it's all just a joke. The closer we are to Jesus, the further we are from the Devil." And here, humor in Satanism becomes Satan's weapon against evil and against cultists! Oh my! How good, the Reverend Billy Graham suggested to the Antichrist! My God, what a great guy – he revealed all the cards the evil cultists had to offer.

Know that humor and satire are dangerous to the forces of evil – that's the main conclusion of the Antichrist's preface. I hope the reader will enjoy the images found and selected by the Antichrist Slut Sodomia.

Humorous drawings featuring Satan have long held a special place in the art world, combining elements of mysticism, irony, and satire. These works not only entertain but also provoke reflection on the complexities of human nature and the ambiguity of good and evil. Satan as a character in art has a long history, dating back to medieval engravings and paintings. However, his humorous depiction became especially popular during the Renaissance and Baroque periods, when artists began to depart from strict dogma and experiment with lighter, more ironic themes. In the 18th and 19th centuries, caricatures and cartoons depicting devilish images became an integral part of political satire, reflecting on social vices and the shortcomings of government. In the 20th century, thanks to the development of print and media imagery, the image of Satan in humorous drawings took on new forms. The 21st century has seen the emergence of a large number of engaging digital posters, cartoons, and caricatures drawn by Satanists with self-reflection and self-irony. The development of digital graphics and changes in the Satanic egrore around the world have contributed to the development of humor in Satanic visual art.

DEDICATION OF THIS GAY SATANISM VISUAL ARTS ALMANAC SATANART #32

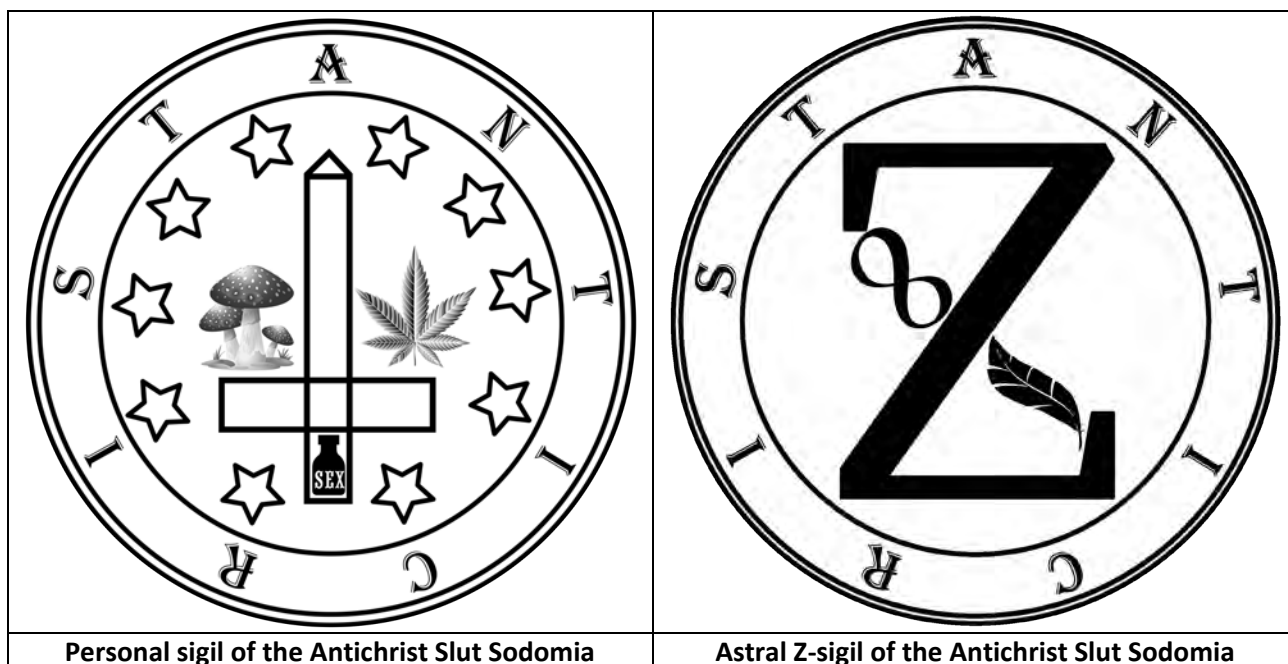

I dedicate SatanArt #32, a Satanic art album-almanac, to humor about Satanists, Satan, and Satanism. Some of the drawings are quasi-Satanic, meaning they are not directly related to Satanism. Many of the drawings in this issue are, or could be, internet posters. It turns out that evil is afraid to joke about Satan. Therefore, evil fears Satan, and indirectly, through Satanists. This is nothing new, but let this issue of SatanArt #32 serve as proof.

DESCRIPTION OF TWO PERSONAL SIGILS OF THE ANTICHRIST WHICH WILL BE USED IN THE DESIGN OF PUBLICATIONS OF GAY SATANISM

In this Satanic Art almanac-album, SatanArt #32, and in the previous album, SatanArt #31, the Antichrist Slut Sodomia uses his new sigil and the "old sigil" I made while writing the grimoire "Gay Lust." On October 13, 2025, I made a personal astral sigil for the Antichrist Slut Sodomia, featuring the Latin letter Z, the infinity sign (eight), and a feather. This astral sigil was revealed to the Antichrist in a trip quite a while ago, although even before that, I considered three symbols to be "my symbols": Z, V, and 7. All three of these symbols, i.e., two Latin letters and the number 7, remain my symbols. The mindless Russian rashists have adorned their militaristic "Analog Shit" hordes with the symbols of the Antichrist ⁴.

I've always marveled at our Teacher Satan's irony and sense of humor, although it seems more like the Black Magic of Satanism cast upon the Rashists through the symbols of the Antichrist. The Rashists are cursed, and the Black Magic of the Antichrist's symbols is cast upon them. I wrote about this in detail in SatanArt #26, "Vladimir Putin is kaput! The face of Vladimir Putin, the leader of the Kremlin's organized criminal group "Rashist Federation," in pictures, caricatures, and photographs," and in SatanArt #49, "Kremlin Propaganda of the "Russian World." The Cursed Faces of Russian Fascist Figures and Putinist Propagandists".

The images of these two sigils came to me during a fly agaric trip (approximately 100 ml of red fly agaric tincture in alcohol). I will now explain in detail the meaning of these seals of the Antichrist, i.e., my personal signs. There is also a general sigil of Gay Satanism, but it is not my personal sigil. Gay Satanism sigils come in normal and inverted versions, i.e., upside down. I described their meaning in detail in the grimoire "Gay Lust." The personal sigils of the Antichrist, when inverted, are logically no different from their normal form.

The personal sigil of the Antichrist Slut Sodomia, consists of several elements. In the central part of the "classic" or "old" sigil of the Antichrist Slut Sodomia, is a cross-sword with a triangular, sharp tip. This cross

⁴ [https://ru.wikipedia.org/wiki/Аналоговнет_\(значения\)](https://ru.wikipedia.org/wiki/Аналоговнет_(значения)) Wikipedia. Analogovnet (disambiguation). Analogovnet (from "no analogs," meaning "having no analogues in the world") is an internet meme. ANTICHRIST'S EXPLANATION: Rashists constantly boast in the media, in speeches, and on camera that no one else in the world has technologies like theirs, and that they are the only ones who have them. In Russian, this phrase is very common in Russian fascist media and is often used by various Putinist creatures. In reality, this is a lie that Putinists feed to the Russian population to make them proud of the greatness of Russia's pseudo-achievements. In Russian, the expression "no analogs" sounds like "Analog Govnet," which corresponds to the English phrase "Anal Shit".

symbolizes the rejection of the suffering imposed by Christianity, other religions, and fascists. The inverted cross of the Antichrist is a symbol of the overthrow of evil. This cross also symbolizes a missile weapon and a good old sword from ancient times. The triangle at the end of the sword is a symbol that appeared to the Antichrist Slut Sodomia, in a trip. My husband had a spherical halo during the trip, while the Antichrist had a halo in the form of a triangular aura. We both saw this in the trip on different days.

The personal "classic" sigil of the Antichrist Slut Sodomia, is "driven" by three elements: a red fly agaric mushroom, marijuana, and a bottle of poppers, which represents sex. These elements are arranged like three engines on the Antichrist's satanic cross. Ten stars are arranged in a circle around the satanic cross, symbolizing the Antichrist's self-sufficiency, significance, and completeness. These small pentagrams also symbolize the magical protection and spiritualization of the Antichrist by Satanism. Along the outer edge of both sigils of the Antichrist Slut Sodomia is written in Latin, clockwise: ANTICHRIST.

The Z-sigil of the Antichrist signifies the astral essence of the Antichrist. The sigil's general appearance resembles an hourglass—a symbol of the infinity of time, but with varying periods. The number 7 appears on the sigil and signifies the "Death Scythe" against all evil in our world. The number 8, or the infinity sign, signifies the Antichrist's eternity, both in our world and in Hell. The feather signifies a subtle quantum leap between the dimensions of our world and Hell and the ease of spiritualization by the forces of Hell. There is no Latin letter V in this sigil, but believe me, this is also "my symbol." The Latin letter Z itself is a symbol of the crossing out of evil in our world and is a reference to the sign of the avenger Zorro in Spain ⁵. Of course, the Antichrist burns this symbol into the forces of evil, more informationally and astrally than with a rapier. There are too many soulless freaks in our world to chase after each one with a sword or katana. Informational resistance to the evil of the Antichrist allows us to brand more of our world's evil creatures. In future issues of the gay Satanism magazine SatanArt, I will use four sigils of gay Satanism:

1. Two official personal sigils of the Antichrist. The first, with an inverted cross-sword or a rocket image, is drawn to sex, the red fly agaric mushroom, and cannabis. It is surrounded by 10 stars. I created this sigil quite a long time ago. The second sigil is in the form of the astral Z-sigil of the Antichrist Slut Sodomia, with a feather and the infinity symbol. You can use these sigils as the seals of the Antichrist Slut Sodomia when quoting Gay-Satanism publications.
2. Two official sigils of Gay Satanism. The first is a protective sigil of Gay Satanism, in the form of a star, supported by two stable rays-corners of a pentagram. The second is a 180-degree inverted sigil, a sign of Satanic spiritualization and quantum entanglement (a sigil with a pentagram resting on one ray-corner of the pentagram). These are inverted sigils. You can use these sigils as seals of Gay Satanism.

⁵ <https://en.wikipedia.org/wiki/Zorro> Wikipedia. Zorro. Zorro is an acrobat and master of various weapons. However, he most often uses a rapier, which he uses to carve the initial "Z" into the bodies of his defeated enemies and other objects, "signing" his work.

THE ART ALBUM COMPILED BY ANTICHRIST SLUT SODOMIA

The Antichrist Slut Sodomia has posted some albums of the Puritan editions of the gay Satanist almanac SatanArt (Nos. 1-30, Puritan albums, Version 1) on public Internet platforms as free e-books in PDF format. However, not every issue of the gay Satanist almanac SatanArt is available free of charge in high quality or in full. All issues of SatanArt almanacs are sold on gay Satanist online stores as digital ZIP archives. The ZIP archive includes the original files in DOCX and PDF formats, plus individual images from the collection in JPG, PNG, and WEBP formats, all in high quality. You can find SatanArt almanacs from the Antichrist Slut Sodomia using search engines such as Google, Bing, and DuckDuckGo. The digital store for gay Satanist publications operates on the principle of absolute buyer honesty, i.e., The buyer receives the goods first and only then pays with cryptocurrency. This is rare in the modern world. Complete versions of the "Gay Lust" grimoire, for reading or publishing in paper form, are also available for purchase on the Gay Satanism Store website. To publish books and almanacs in paper form, you will need the source files, in DOCX format, for layout and for correcting minor grammatical, syntactic, and other technical errors.

I would like to announce two changes in the publication and free distribution of SatanArt releases, for all subsequent issues of the Puritan publications, i.e. starting with SatanArt issue #31 of the first version and for all second versions of SatanArt of the old releases.

The first change is a change in the name of the SatanArt form itself. The Antichrist will refer to this and all subsequent issues of SatanArt magazine as Almanacs. An almanac (from Arabic: **أَلْمَنَاخ** "astronomical calendar") is a type of serial publication, an ongoing collection of literary, artistic, and/or popular science works, united by some characteristic (thematic, genre, ideological, artistic, etc.). Unlike a almanac, it is usually published annually, not always with the same frequency, or is a non-periodical collection altogether, containing information from various areas of social activity, usually highlighting literary novelties, scientific achievements, legislative changes, etc. ⁶.

THE PRINCIPLE OF RECEIVING A DIGITAL EDITION FROM THE GAY SATANISM STORE:

PRODUCT FIRST, PAYMENT LATER!

PAY FOR ALMANACS, BOOKS, AND ALBUMS UPON RECEIPT IF YOU ARE SATISFIED WITH THEM.

THE DOCTRINE OF ABSOLUTE HONESTY OF BUYERS

BY THE ANTICHRIST SLUT SODOMIA.

The renaming of the "Gay Satanist Art Magazine" to the "Gay Satanist Art Almanac" was done because this form of literary work better reflects the essence of SatanArt publications:

1. Each SatanArt issue is dedicated to a specific theme, which is more similar to literary almanacs than to almanacs. The Antichrist has outlined many different themes for SatanArt almanacs to cover. The one that connects them all is gay Satanism. All almanacs are divided into PURITAN issues and SEXY issues. This choice is based on the issue's theme and illustrations. Puritan almanacs will not contain pornography or explicit erotica. Such e-books can be posted on many public Web 2.0 sites⁷.
2. SatanArt is not published regularly, but I hope it will be more than once a year. I plan to publish 6-12 almanacs per year.

The second change concerns the free distribution of the first versions of new SatanArt almanacs. There will be a free version and a commercial version of SatanArt, in PDF format. The differences between the free NON-COMMERCIAL version of the new SatanArt almanacs and the COMMERCIAL version are as follows:

1. All first versions of new SatanArt almanacs will be NON-COMMERCIAL, distributed free of charge online, so that anyone can access them without payment. Free SEXY versions of SatanArt cannot be

⁶ <https://ru.wikipedia.org/wiki/Альманах> Wikipedia. Almanac. View date 12/11/2025.

⁷ https://en.wikipedia.org/wiki/Web_2.0 Wikipedia. Web 2.0 = Websites that emphasize user-generated content.

posted on every public online platform, as pornographic/erotic books are prohibited on many public Web 2.0 websites. Please keep this in mind (the Antichrist doesn't like the puritanical rules of site owners, but these are their sites, therefore their rules).

2. The preface in the free version of the SatanArt almanac will be limited to 3-5 pages of topic description. In the commercial version, which I call the SECOND VERSION, the preface will be expanded and expanded six to ten times, turning the almanac into a book. The second version of the Gay Satanism publications is an improved and expanded version of the first version and is the COMMERCIAL VERSION of the Gay Satanism publications. It can be purchased in Gay Satanism stores.
3. The Antichrist will only make available free PDF versions of SatanArt, which have compressed images, a loss of image quality, and are suitable for viewing on a monitor or mobile device, but not for high-quality printing. These will be SMALL FREE versions of the almanacs. These small PDF versions are approximately three to five times smaller than their commercial counterparts in maximum quality.
4. Paid versions of the SatanArt almanacs will be available in maximum quality, in DOCX, PDF, EPUB, and DVJU formats, and will be sold for a fee on Gay Satanism stores. These COMMERCIAL editions are intended for publication on paper, in print, or for collectors of high-quality e-books.

Commercial versions of Gay Satanism books and almanacs will be sold in the Antichrist Slut Sodomia stores. This is my plan to monetize my literary work on Gay Satanism. The Gay Satanism digital edition store accepts cryptocurrency payments, but payments can also be made by traditional bank card through reliable cryptocurrency wallets or reputable cryptocurrency exchanges. More information about cryptocurrency and its importance can be found at the end of SatanArt almanac from Antichrist Slut Sodomia. Cryptocurrency is the future! If you haven't yet started using cryptocurrency, start as soon as possible, for example by purchasing e-books of Antichrist Slut Sodomia.

ANNOUNCEMENT OF LICENSE CHANGES FOR ALL PUBLICATIONS OF GAY SATANISM.

Antichrist Slut Sodomia completed the free publication of her works on the Internet under a Creative Commons CC BY-NC-ND 4.0 International license in December 2025 ⁸. This NON-COMMERCIAL license was intended for the free distribution of gay Satanist publications online by the author himself, i.e., the Antichrist Slut Sodomia:

1. for the first version of the Grimoire "Gay Lust,"
2. for the first versions of the visual albums of the gay Satanist almanac SatanArt #1-30 + #49,
3. for the first versions of the Satanic music collections SatanSongs #1-4 + #1Q.

The Antichrist Slut Sodomia introduced his gay Satanist publications to the world public free of charge. During this time, I honed my skill in compiling e-books in PDF format. These books are now worthy of commercial sale and publication in paperback. **In order to monetize and commercialize gay satanism publications, I am transferring all gay satanism publications to the new Creative Commons CC BY-ND 4.0 International license⁹. This new COMMERCIAL license applies to all Gay Satanism publications.** You can still distribute Gay Satanism publications and sell Gay Satanism publications for 20% of the profits (for paperback editions) or revenue (for ebooks), but now with an officially applicable commercial license.

⁸ <https://creativecommons.org/licenses/by-nc-nd/4.0/deed.en> Creative Commons CC BY-NC-ND Attribution-Non-Commercial-NoDerivatives 4.0 International License Description.

⁹ <https://creativecommons.org/licenses/by-nd/4.0/deed.en> Creative Commons CC BY-ND Attribution-Non-Derivatives 4.0 International License Description.

Starting with this edition of SatanArt #31, all subsequent editions of Gay Satanism, including the first editions, will be distributed under the new **COMMERCIAL** Creative Commons CC BY-ND 4.0 license. All previous first editions of Gay Satanism will be updated to version 2.0:

1. The cover design of the first editions will be changed. I will update the first editions of older editions by adding four sigils to each corner of the cover image, similar to the one in SatanArt #31. This will be a characteristic feature of the commercial versions of the publications under the CC BY-ND 4.0 license.
2. The content of the first editions of the Gay Satanist books, or parts of it, will be changed; for example, the introduction will be significantly expanded, with a significantly larger text analysis.
3. The graphics of the first editions of the Gay Satanist books will be changed, in terms of image quality. I will endeavor to improve the images that need it.

Non-commercial license

Commercial license

The second versions of The Antichrist Slut Sodomia's e-books receive design improvements, expanded content, and a new, commercially-compatible license.

On November 13, 2025, Antichrist Slut Sodomia received her first Bitcoin donation to her cryptocurrency wallet. Thanks to my first sponsor, who transferred \$20 USD to my account. It was a nice bonus for my efforts. Bitcoin transfer fees are quite high. For a \$20 transfer, the fee was \$3-4 USD. For many altcoins, the transfer fee can be significantly lower, even tens of times lower. Altcoins are all cryptocurrencies created after Bitcoin.

Рисунок 3102. The masks have been removed and Satan has revealed himself as a Christian priest! You are Satan!

As you already know from previous issues of SatanArt magazines or from the "Gay Lust" grimoire, Jesus of Nazareth was a Satanist experimenter who wanted to improve evil creatures through love. Christians believe in the Satanist Jesus of Nazareth, and it's not surprising that some Christians are misunderstood Satanists. The Christian religion, though founded on lies, believes in the Satanist Jesus, and indirectly in Satan. Christians know that Jesus rejected Satan's proposals to end his experiment in reforming evil people through love. Satan isn't opposed to such experiments; he simply knew that evil could use Jesus' image as a means to prevent people from resisting evil, allowing it to grow and take over the world. Right now, planet Earth is engulfed in the evil of fascism, everywhere, and there's no place on earth that the fascists wouldn't want to control and use for evil. The Antichrist calls on Christians who sense the falsehood of religion to convert to Satanism. All the instructions are given in the grimoire "Gay Lust," and they are suitable even for heterosexuals. All people are truly pansexual, and Satanic spiritualization is available to potential Satanists.

Рисунок 3103. A collage of various Satanic posters and slogans. Satanists have no sins, but they do recommend further self-depravation. Satan worship is depravity in various forms.

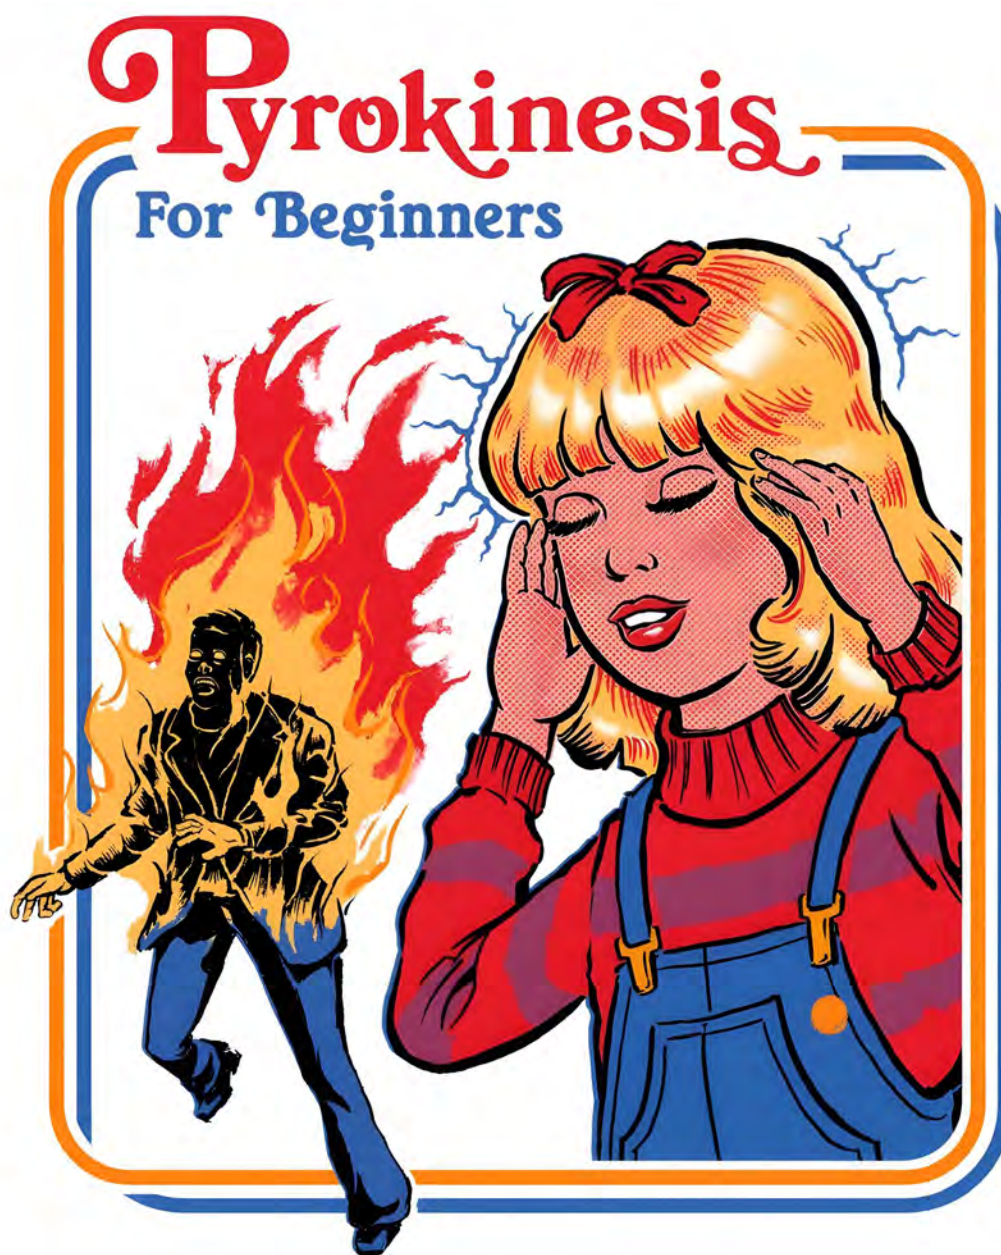

Рисунок 3104. "Pyrokinesis for Beginners." Sometimes, Satanists want to burn evil critters with the power of thought.

Pyrokinesis (from the Greek πῦρ, meaning fire, and κίνησις, meaning movement) is a parapsychological term denoting the ability to generate fire or significantly increase temperature remotely using the power of thought, as well as the ability to control fire with the power of thought. A person capable of pyrokinesis is called a pyrokinetic. The term was coined by Stephen King and introduced in his novella "Firestarter." Although the idea predates King's work, he was the first to use the word. It was intended as an analogue of the term telekinesis, although the rules for forming Greek-based compound words should have retained the prefix "tele-," meaning "at a distance," rather than the suffix "-kinesis" (movement). Critic S. T. Joshi called the word "a particularly unfortunate invention" ¹⁰.

Рисунок 3106. "Welcome to Gosuslugi!"¹¹ An ancient miniature of Christianity, depicting the State, in the form of a Christian angel, delivering small and innocent people from the jaws of Satan. The modern inscription highlights the comical nature of the ancient miniature.

Russians in Russia use a service to communicate with Kremlin fascists online. This service is called "Gosuslugi" (State Services), and it allows fascist subjects to conduct various transactions with the fascist system of the Russian Federation. Such sites exist in all modern state-organized criminal groups (SOCG), on every continent of our planet (SOCG = State Organized Crime Group, the Antichrist's term that embodies the true meaning of the state). Recently, the Russians added two messengers to these "Gosuslugi" services with built-in support for racism, which steal people's anonymity from evil: the messenger "Max" and the Orthodox messenger "Zosima." In fact, this cartoon collage is dedicated to precisely this topic. Holy Rashism leads Russians from the jaws of Satan to the Kremlin's Gosuslugi service of Orthodox fascists... Supposedly, the salvation of Russians.

¹¹ Gosuslugi is the portal of government services of the Russian Federation. Gosuslugi means = Government services or State Services in Russian language.

Рисунок 3107. "Ask what you wish and discover yourself in the process." A Satanic poster in a psychedelic style and acidic color scheme.

Satanism and telepathic communication with Satan are the basis for understanding the world beyond the horizon of visible reality. This is achieved through a spiritual connection with Hell on a quantum level. How this happens, Slut Sodomia doesn't know. But without knowing how cell phones work, one can say they certainly work in our world. I hope there's no doubt about this, even among skeptics.

Рисунок 3108. Satan or a Satanist weighs a girl's head and heart. This is a reference to the legend of Anubis.

Themes of weighing the heart and determining the level of evil were common in Ancient Egypt. According to legends and artistic depictions, this was the work of Anubis. According to legends, Anubis had no desire for absolute power. He did not take Set's place; after defeating him, he voluntarily yielded the kingship of the underworld to Osiris. Despite this, his strength was insane, for he quickly overcame Set, while Horus, considered a reincarnation of Ra, was never able to defeat Set in combat until their fate was decided by the fateful scales. Anubis was responsible exclusively for hearts, although in some mythologies he is mentioned as the rightful master of the scales of justice. As for the weighing process, these are most likely symbolic. The human heart represented a person's actions during life, and the feather symbolized the extent to which these actions were justified. This is how the fate of a person's soul was determined. If a person's actions were justified, their soul continued to exist after death. If not, then Amats ate a soul¹². There's no pen in this picture; the overall mood of this painting, in my opinion, is surrealism + Satanism + humor.

Рисунок 3110. *Not today, Jesus.* "A funny Satanist poster about how it's not time to renounce Satanism or join Christian sects."

Рисунок 3111. Funny Devil: "God's busy. Can I Help you?"

As readers of The Antichrist Slut Sodomia already know, there is no such thing as a "GOD" among religions—it's a figment of sectarians and religions. Can Satan be called GOD? I would say it's undesirable, because this term has been tainted by religion, and it denotes either the CANON OF EVIL (i.e., a role model for the greatest evil) or evil itself. Is a Satanist themselves GOD? Many Satanists share this view, but I wouldn't use the word GOD in Satanism to describe anything other than evil. All Satanists strive to become Satan—this is called synergy or fusion. You can call yourself Satan—that's fine, but stay away from the terms of filthy religions and their gods. Satan can be called God in the sense that he is the invisible Spirit of Satanism and its spiritualization. This understanding of the term has been around for a long time. Satan is God in form, but not in content.

Satanic bitches love gang rape, so it's unknown whose sperm inseminated her lustful vagina. This is called a gangbang in pornography. Therefore, the Antichrist recommends that all Satanists undergo permanent ovarian sterilization.

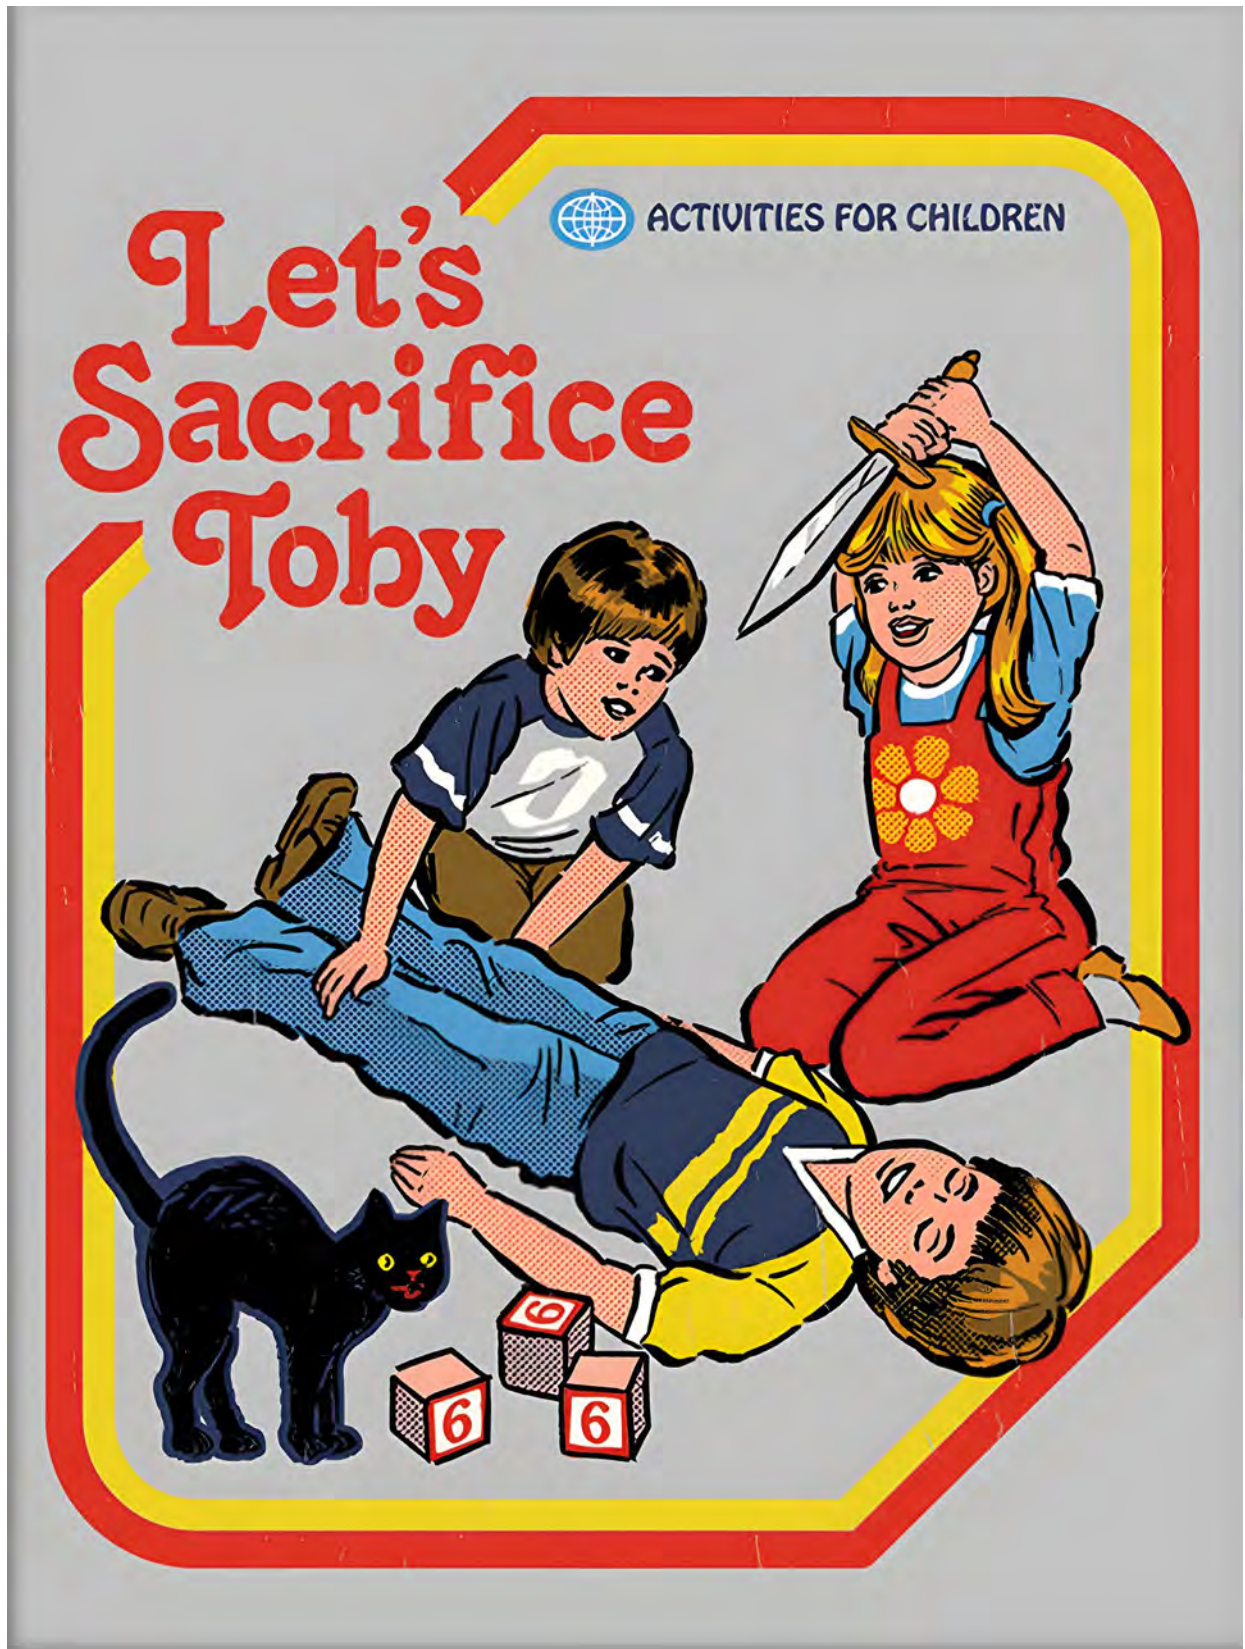

Рисунок 3116. "Let's Sacrifice Toby." A satire and caricature of child Satanism. This is how many foolish people view child Satanists. Naturally, Satanists don't sacrifice anyone—these are stories told by the creatures to denigrate them. All evil creatures will go to Hell, no matter what. The creatures themselves sacrifice themselves to evil by rejecting Satan's spirituality, falling for the lies of religions, or believing the propaganda of the fascists of the SOCG.

Рисунок 3119. "The Devil made me do it." This phrase has long been a comedic one. The humor lies in the question: "Who put you up to it?" The Devil, of course.

The trashy humor of a pop cartoon replaces the Baphomet Icon of Wisdom.

Рисунок 3131. "Constantin: Smoking Kills, Satan Saves." Inscription on a cigarette pack,

Constantine is a 2005 American superhero horror film directed by Francis Lawrence and based on the DC Comics comic book series Hellblazer. It premiered on February 8, 2005. Budgeted at \$70–\$100 million, the film grossed \$231 million at the box office but received mixed reviews from critics. It subsequently gained cult status. It is based on the Hellblazer comic book series. In the film, Keanu Reeves plays John Constantine, a cynical exorcist with the ability to perceive and communicate with half-angels and half-demon beings in their true forms, as well as travel between Earth and Hell ¹³.

This poster is connected to Soviet-Russian folklore. Uncle Styopa is a character created by Soviet writer Sergei Mikhalkov from his children's poetry pentalogy of the same name. The poem is written in trochaic tetrameter. A kind, positive character "by the last name Stepanov and by the first name Stepan" helps firefighters, serves in the navy (on the battleship Marat), and works as a policeman. Uncle Styopa's distinctive features include his very tall stature, love of children, and positive character traits ¹⁴.

Рисунок 3138. "Baphomet's Guitar." The Unpleasant Boys asked Baphomet to play his guitar, mocking Satan. Satan strummed a few chords on his black Satanic guitar.

Baphomet is depicted in modern media, including films, television shows, and video games. In popular culture, Baphomet is often depicted as a demonic figure associated with evil and darkness—a popular misconception. However, some modern media attempt to portray Baphomet in a more positive light, as a symbol of power over evil, strength, justice, retribution, and wisdom. The French occultist Eliphas Levi created the now-famous image of Baphomet as a figure with a goat's head, wings, chest, and a pentagram on its forehead. Since then, this image has become a symbol of occultism and is often used in various esoteric practices and in popular culture.

Рисунок 3146. The surrealism of Satanism, on the border of trash, horror, and humor. In Hell, various transformations are possible, because Hell is a world of shifting forms and parallel time, layered.

The popularity of surreal horror may be linked to the theme of Hell and the memories of people returned to our world about the world of Hell, but it may also simply be a means of experiencing pleasure. Many horror movie fans are "sensation seekers," that is, people who seek novelty, intense emotions, and complex experiences. Dolph Zillman's excitation transfer theory (1970s), supported by modern research, suggests that the negative emotions from scary scenes enhance positive feelings after the threat is resolved, creating a state of euphoria. The excitement of fear "flows" into pleasure, especially when the hero defeats evil. A study of 558 participants, published in *Scientific Reports* (2024), found that the intensity of fear is directly related to enjoyment. A balance is achieved when emotional arousal peaks but does not degenerate into panic ¹⁵.

Satanists are immortal, and the passage to another dimension of Hell will be merely a continuation of the journey and a return home to their beloved Satan. This is what distinguishes Satanists from evil critters.

*Рисунок 3152. «Satan guide my hand». A cool poster, with a reference to the famous ancient painting "The Creation of Adam" (Italian: *La creazione di Adamo*) - a fresco by Michelangelo, painted around 1511.*

The fresco "The Creation of Adam" is the fourth of nine central compositions on the Sistine Chapel ceiling, dedicated to nine stories from the Book of Genesis. The fresco illustrates the episode: "And God created man in His own image" (Genesis 1:27). Campos suggests that Adam's extra rib was Michelangelo's way of depicting Adam and Eve created side by side, which differs from the Catholic tradition, according to which Eve was created after Adam. There is compelling evidence that Michelangelo radically disagreed with many Catholic traditions and had a difficult relationship with Pope Julius II, who commissioned the fresco. Thus, Campos suggests, the extra rib was a deliberate attempt to disparage Pope Julius II and the Catholic Church ¹⁶.

Рисунок 3154. The horrors of Satanism, surrealist style, come across as humorous. A terrifying Satanist house in Hell. All sorts of "devilish things" happen here.

Horror is one of the most popular genres in the film industry, despite its inherent evoking fear, anxiety, and other negative emotions. Why do viewers voluntarily subject themselves to such experiences? Scientific research offers several explanations. One leading theory attributes the love of horror to evolutionary adaptation. According to the threat conditioning hypothesis, watching horror films allows people to simulate dangerous situations in a controlled environment where there is no real threat. This helps "train" responses to potential risks, such as a predatory attack or social conflict, without actual harm. Additionally, research on psychological reactions to scary films emphasizes that viewers enjoy horror films because of a certain "protective frame." They know the events are fictitious, creating psychological distance and a sense of safety. This explains the popularity of horror—it allows for an adrenaline rush without the dangerous consequences. It is also believed that souls who have been to Hell and returned to this world desire a repeat of those scenes.

Рисунки 3157. Wise Satan was a bit annoyed by these wishful thinkers who deny Satan's existence. Of course, it's strange to perform magical rituals, ask Satan for your wishes, and yet not believe in Satan's existence. Are you even normal atheist Satanists? Рисунок 3160. The image depicts a satanic painting by Belgian artist Félicien Rops titled "The Temptation of Saint Anthony." The 1878 watercolor depicts Saint Anthony facing various temptations symbolizing everyday temptations.

Instead of a cross with Christ, Saint Anthony sees a naked woman, and the devil hides behind the cross. The plot is based on the life of Saint Anthony the Great, written by Athanasius of Alexandria in the fourth century, which describes the saint's struggle with the devil and his demons. The Christian sectarian fought both himself and Satanism. Why he did this, the Antichrist doesn't know. Was he showing off for the Pope or trying to defeat Satanism, like Don Quixote trying to tilt windmills? Why these Christian "saints" fought against good things, I don't know.

Рисунок 3164. Satanist cats practice Satanism with pentagrams and inverted crosses. Many people love cats, regardless of their affiliation with Satanism. Love Satanism and you'll feel better, just as you love cats.

Many anti-Satanists, such as Christian sectarians, stubbornly believe that the inverted cross is their symbol, not that of Satanists. They call the inverted cross the cross of Peter, i.e., the symbol of one of their sect members. My dear Christian sectarians, Satanism cares nothing for your Peter. For Satanism, the inverted cross is a symbol of renunciation of Christian lies and a symbol of the rejection of the suffering you preach. Moreover, the inverted cross signifies a rejection of the suffering that the fascists of the SOCG and religions constantly threaten with their upright crosses, on which they crucified Jesus of Nazareth. The evil of fascism and religion crucified Jesus on an upright cross. Naturally, Satanists choose the opposite of your vile symbol of suffering, the inverted cross, as a symbol of the overthrow of your evil. In this short opus, the Antichrist outlined the doctrine and essence of the Satanists' inverted cross. For Satanists, the inverted cross is a symbol of the overthrow of evil.

Рисунок 3165. The surrealism of Hell. Humor is hidden in the strangeness and absurdity of what's happening in our world, as far as perception is concerned. Satan-Baphomet is having fun with Satanist monkeys.

Рисунки_3170. Boom! Now you're officially cursed! "Cursed." Satan casts black magic and curses on evil creatures. The humor is allegorical, although curses on people and nations do exist. Tengu often wear the garb of a mountain hermit (yamabushi) and are imbued with immense power.

Рисунок 3182. The theme of the ass and its inner world was explored by Jeroen Anthoniszoon van Aken, better known as Hieronymus Bosch. He was an ancient master of Satanism. Detail from the painting "The Garden of Earthly Delights." The painting was created between 1490 and 1510. A depiction of Hell.

When Surrealism asserted the primacy of the subconscious in art, Bosch's fantasies were re-evaluated. Removed from the late Gothic context in which they arose, his monstrous figures were given new life. Max Ernst and Salvador Dalí declared themselves his heirs. Bosch's work was interpreted in light of Freud's psychoanalytic theory: only the unleashing of the supernatural forces of the unconscious could have given rise to the Dutch master's hellish visions.

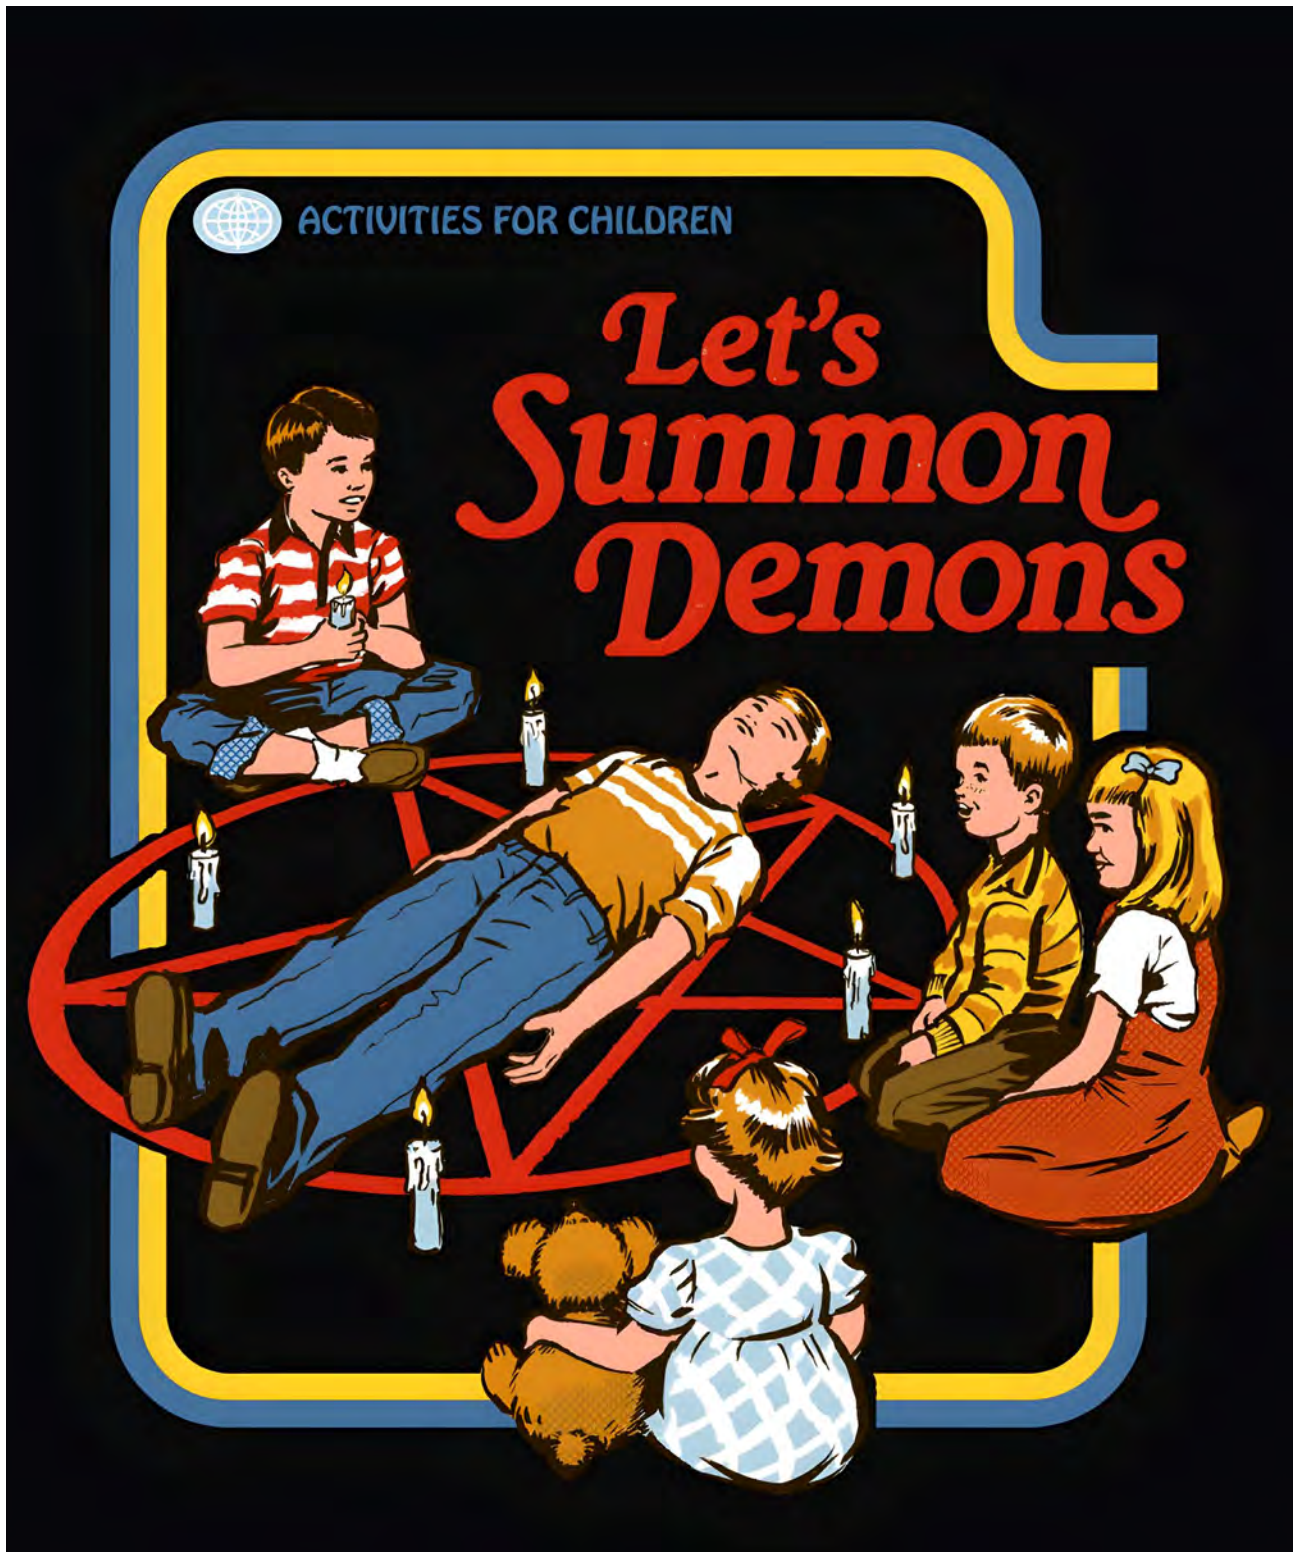

Рисунок 3183. "Let's summon demons." Childish satanic humor, although it really works. Antichrist Slut Sodomia did this as a child, in the basement with the neighbors' kids.

Рисунок 3185. The game "Hopscotch" with Satan. For those of you who don't know, there was a Soviet or even old-fashioned game: kids would draw "hopscotch" shapes with chalk and jump on them, much like the Devil in this picture. Of course, the kids didn't draw a pentagram at the end of the path, but they could have. Haha.

Hopscotch, or "classes," is an ancient children's game popular throughout the world. It is typically played on asphalt marked with chalk into squares or other shapes ("classes"). Players hop on one foot as many times as they like, pushing a "bat" (such as a shoe polish can or a factory-made puck) from one square to the next, trying not to hit the line with the bat or step on it with their foot. Very young children are allowed to hop on both feet. There is a variation of the game without hopscotch, where the squares are numbered randomly and players simply jump within them according to the traditional counting sequence—1, 2, 3, and so on. The peculiarity of this game is that players must jump sideways, backwards, over one or two squares, etc., but stepping within the square to adjust to the next jump is prohibited¹⁷.

INFORMATION ABOUT THE SATANART GAY SATANISM VISUAL ART ALBUMS-MAGAZINES AND GAY SATANISM

Announcing a change in gay Satanism terminology. Starting with this issue of SATANART #31, I request that the term External Information Field (EIF) be considered obsolete. In its place, the Antichrist introduces an improved version: External Information Quantum Field (EIQF). I am making this change to clarify the quantum nature of EIQF; otherwise, one might think EIQF is ordinary information, like data on the Internet. The External Information Quantum Field is not equivalent in significance to the Internet Information Field in our world. These are different informational concepts.

KEY THESES FOR UNDERSTANDING SATANIC IMAGES IN ART

Gay Satanism is not a religion or a sect. Gay Satanism is the spiritualization of man by Satan. This term has another meaning. Gay Satanism is a creative direction of the artistic genre created and developed by the Antichrist Slut Sodomia. I do not want gay Satanism to become a religion, but I want it to become a fan movement for the liberation of one's own consciousness from the shackles of the evil of our world. Under the auspices of Satan, with the Antichrist Slut Sodomia incarnate. Gay Satanism is for all people spiritualized by Satan. Not only for gays and people of homosexual orientation. All people spiritualized by Satan are disciples of our Teacher Satan. We are all Satanists. The difference between Satanism and religion and evil is that it is an individual spiritualization. Mass demonstrations under the guise of Satanism are impossible, because Satanists are introverts. Fake Satanists of the future will gather herd gatherings of pseudo-Satanists (football fans, music fans, fans of the SOCG¹⁸ or religion). A meeting of real Satanists is a sexual orgy or a sabbath of unity with nature in the nude. Other types of mass demonstrations of belonging to Satanism are fiction and a parody of Satanism.

Satan is good. Satan is the Tamer of evil. Satan is revenge for evil in our world. Satan is Joy, Pleasure and Happiness. For the evil forces of our world, Satan is the main enemy. Satan is an image in the consciousness

¹⁸ SOCG is an acronym that stands for the true meaning of state. State Organized Crime Group. The term was coined by Antichrist Slut Sodomia for the Gay-Satanism grimoire "Gay Lust".

of man and a mystical experience of connection with the spirits of another dimension, which is called Hell. For Satanists, Hell is their home. Connection with the spirit of Satan occurs at the quantum level. Modern science already studies and uses the quantum level for applied tasks. Satan is the main spirit of Hell, the Lord of critters, the Teacher of Satanists. Satan is not a god. Satan is the Spiritualizer, the source of black magic, the Alpha and Omega. Satan is the Adversary of evil and the Accuser of evil. Satan is the Father of all Satanists. Lilith is the Mother of all Satanists. Satan and Lilith are the sources of Satanic lust for all their Satanist children. Satan is the internal spiritualization of a Satanist, and not dogmas, sermons of priests or religious books. At the same time, Satanism does not deny the importance of biological parents.

Darkness, the abyss - this is the world of soulless critters, their states, their stupidity. This is the occupation of planet Earth by usurpers of power in the form of the SOCG. This is the image of the evil of our world. In some cases, they mean the opposite, because it is the evil of darkness that gives birth to Hell, vengeance and Satanists. "Children of darkness" in this case mean Satanists. Also, the image of darkness can mean Hell for the forces of evil.

Light is Satan-Lucifer. Light is Satanism and Satanic spiritualization, bringing man closer to nature. This is liberation from the shackles of evil and this is the image of freedom. This is the image of the Tamer of evil in our world and in Hell.

Sadness, sorrow, regret - this is an indication of the understanding that evil has embraced the whole world and the Satanist has to live in our world, under the yoke of evil. The main sources of evil are: crowds of inanimate critters, SOCG. This definition of the term is specifically for Satanism and for Satanists. Also, these images can mean ordinary human emotions in relation to people.

Vengeance - this image is important for all Satanists. Revenge on evil in our world and in Hell. Inanimate critters, activists of the SOCG, deceivers of religions and other evil will certainly be subjected to revenge and information entropy.

Return of the land and return of freedom to people - this image is important for all Satanists. It means the overthrow of all SOCG and religions, cleansing the earth from inanimate critters, from their stupid and senseless evil. This is the image of cleansing the planet Earth from states and their totalitarianism.

Night is the image of the fact that a Satanist in the world of evil in our world, goes practically by touch. The light for him in the night is his Satanic spiritualization. Darkness thickens at night and light is needed most of all at night. The term night is similar to the term darkness, but does not mean evil itself, but uncertainty and difficulty in orienting oneself, acting, living without light. Lost, abandoned and forsaken - this image in Satanism means that Satanists are no longer in Hell and that Satan and the forces of Hell are not directly accessible to them. Only through Satanic spiritualization. It also means that in our world Satanists do not have their own magic for the instant destruction of evil, as in Hell, in Satan's dimension.

Religion is a dogma of worship of lies and evil. Religion is a substitution of true spiritualization by Satan for critters. All evil critters are deprived of spiritualization by Satan, therefore they replace Satanic spiritualization with God and religion. Religion is a sect, a community for critters for whom herd mentality is important.

God is the canon of evil, an example of a despotic, theocratic idol of evil. God does only evil and God is evil, even because he deprives man of true spiritualization by Satan, i.e. the true Holy Spirit. There have been many gods in the history of the human species. All gods of religion are united by malice, connection with the state and with the leaders of the SOCG.

Antichrist is a common noun, not a proper name. It is written with a capital letter, like the word Satan. The concept of Antichrist means the development of a high degree of Satanism in the consciousness of a person.

The term Antichrist also means a Satanist who is close to Satan and the forces of Hell and has a high power of black magic. A synonym for the word Antichrist is the expression Great Magician of Satan.

Satanism is the spiritualization of people by Satan or other demons of Hell. Satanism can also be considered as a philosophical concept that opposes theocratic dogma and the state machine of lies, violence, prohibitions, imputed duties to evil, herd behavior. The main difference between Satanism and religion or other philosophical concepts is that the spiritualization of a person by Satan and the forces of Hell occurs from another dimension at the quantum level. Therefore, Satanism is an internal part of human consciousness, and not imposed dogmas of our world through the media, culture, propaganda, morality, prohibitions or education. Satan's enlightenment comes to a person at birth or develops consciously, in later life. Satanism opposes the evil of our world and the lies of our world.

Satanic lust is a developed and perverted sexual attraction, a constant desire to have sex, a desire to corrupt oneself and others to free oneself from the prohibitions of evil. Satanic lust is not just a sexual feeling, but a special Satanic practice for knowing oneself, getting closer to Satan, and liberating oneself on an animal level. The peculiarity of Satanic lust (especially gay lust) is that Satanic sex is not aimed at procreation or at making new human offspring. Satanic lust is always aimed at receiving pleasure or for tantric meditation. Of course, Satanists can make children if necessary.

A Satanist is a person who has Satanic inspiration. Many clues about the lies of evil are given to the Satanist not only by the inner critical thinking, but also by the mental connection with Satan and the forces of hell. Satanic spirituality often gives the Satanist a feeling of introversion and individualism. Satanists and gays are always proud of their personal spirituality or the achievements of their spouse. Satanists and gays are proud of their Satanic spirituality and perverted lust. Satanists are proud of Satan.

An unilluminated (unenlightened) critter is a person deprived of spirituality. This is a zombie and a cog in the evil system. Inanimate critters are accomplices and assistants of evil. Unilluminated critters prevent Satanists and the entire human race from living happily, receiving spirituality from Satan. Inanimate critters love herd mentality and submission. They cannot live without territorial oppressors, enslavers and false information of evil. Such people make up more than 90% of the population of planet Earth. These people have instincts of survival and adaptation. These people have no connection with Satan or with the External Information Field of the level of awareness. Critters can be called a biological shell or imitation of real people. Critters always choose evil, herd mentality, conformism and speak in templates from media propaganda or voice the dogmas of religion.

The state is an evil system that has divided the entire world into territorial zones of influence and terrorizes people with its prohibitions, oppresses with prisons and physical violence, creates conflicts between criminal gangs and plunges people into wars between criminal gangs. The state is the main source of evil. The state is a materialistic sect with its dogmas, rules of conduct and a system of oppression of the individual. The state = international military criminal groups = occupiers of the lands of the Satanists = criminal gangs = SOCG.

Fascism is a form of social organization expressed by discrimination by the state against its own citizens, that is, under fascism the supremacy of the state over the individual is recognized. Fascism is a state. A strong state = a fascist totalitarian regime. The word comes from the Italian fascismo, fascio - union, bundle, bunch, unification; fascio di combattimento - union of struggle. Fascism is also an ideology and a socio-political movement within the framework of authoritarian or totalitarian militaristic ultra-nationalism and a corresponding dictatorial regime with strict regulation of society and economy. All states strive to regulate everything and on any issue. To do this, they constantly spew out different laws from their cesspools. All states are fascist territorial sects with their own ideology, rules and methods of oppressing the individual. Fascism is a system of evil, in which a small group of people believes that they can dispose of other people, command people, deceive people through the lies of propaganda and the laws of submission to evil

established by fascism. All SOCGs are fascist and their goal is material enrichment, social intraspecific elevation above other individuals of the human species and the possibility of oppressing people by psychopaths. All fascisms are built on the principle of SOCG. Real spiritual Satanists hate fascists, do not celebrate their fictitious holidays and try not to submit to this evil.

Fascists, officials, bureaucrats are the evil of the human species, in suits or other costumed special clothing, who work for fascism or profess the principles of fascism. These critters will receive such a reprisal in Hell that they will be ready to give all the money of our world to avoid entropy and retribution of the forces of Hell. But, it will be too late. Fascists, officials, bureaucrats of the SOCG, who are not economic-social-municipal employees of society, are criminals. Only a small part of the fascists are involved in improving the economic-social-municipal economy of people, and the majority of fascists are useless and harmful criminals.

The laws of the SOCG and other territorial fascist groups (local governments, prefectures, regions of the empire) are mandatory rules established by evil for people, with the aim of realizing the goals of fascism. All SOCG and fascist communities have their own laws to regulate behavior in the territories occupied by fascism. Satanists understand that the laws of evil are created for inanimate critters, with the aim of their subjugation, stupefaction and material use.

The positive activity of organized territorial entities is the organized management of communal services that is useful for the society of people, the development of the infrastructure of the society of people, maintaining the cleanliness of the territory and other social actions that are useful for the life of people, on the part of economic and communal local governments, prefectures, regional centers of territorial management. This is not a state, not an empire and not fascism. The Antichrist Slut Sodomia supports such activities and does not consider economic management to be fascism or evil. Currently, most territorial administrations support the fascism of the SOCG and are part of it. In a (future) society without the SOCG, the activities of organized territorial entities should be only economic and auxiliary, without politics, propaganda, religion and criminal concentration of power.

A patriot is an active fascist or active Nazi of his SOCG. A patriot is a person stupefied by propaganda who believes that his SOCG is better than another SOCG and he, as a member of this SOCG or a nationality within the SOCG, must do something for his SOCG in a selfless desire. A patriot is a slave of the SOCG. It is important for a patriot to be well proud of the greatness of his SOCG or the greatness of his Nazism. The pride of a patriot is always groundless, stupid and not aimed at pride in himself or his spouse. The pride of a patriot is always impersonal and is pride in the evil of the state regime that has seized the territory of the critter's habitation.

Patriotism is a person's smearing in the evil of pride in the fascism of a group of politicians or the Nazism of a certain SOCG or union of SOCG. Patriotism is a method of stupefying people, in which one SOCG exalts its importance in the eyes of people over another SOCG. Patriotism is belonging to a certain and evil group of lovers of local fascism, i.e. occupiers of the territory. Sometimes, the delirium of patriotism occurs at a distance (beyond the borders of one's SOCG) - then the patriot raves about the greatness of his SOCG, while being on the territory of another SOCG.

Propaganda is a constant, massive and avalanche-like lie of the SOCG about its greatness and its particularly outstanding character. The goal of propaganda is to make a person stop thinking critically and make him believe that he has a duty to the SOCG. For example, a duty to die in a war for the ideas of the SOCG, which are invented by the top of the ruling regime of this SOCG. Or a duty to obey the SOCG gang or a religious clan. Propaganda can be state and religious. In the world of the developed civilization of the white race, since the 19th century, the propaganda of the SOCG prevails over religious propaganda. Among the savages and religious fanatics of the damned peoples, religious propaganda still leads.

~~External Information Field (EIF)~~ **External Information Quantum Field (EIQF)** is a general term for processes and structures in our world and other dimensions that are invisible to the human senses but exist at the level of information (quantum or even more complex types of interactions). The EIQF, Hell, Satan, human consciousness, the Internet—everything that exists consists of some kind of information, and they are interconnected informationally and mentally. Modern human science as of 2025 lacks the ability to describe and study the EIQF, but this does not mean it does not exist. Quantum science and quantum computers already exist, but this is only the beginning of an understanding of the EIQF. The EIQF is not the same as the gods of religions, the Internet database, electronic information on planet Earth, or a paradigm. Beneficial entheogens help one see, hear, and connect to the External Information Quantum Field. They allow one to overcome the barrier of perception beyond the normal human senses. Some people can sense the External Information Quantum Field even without the aid of entheogens. The External Information Quantum Field most closely resembles a global multiverse, represented as a gigantic set of information and the algorithms for its interaction.

All that exists consists of information, our world consists of information. The interaction between multi-universes occurs at the quantum-information level, faster than the speed of light. The speed of light is extremely small, compared to the level of quantum interaction between parallel dimensions.

Black holes are passages between universes. No gross matter can overcome a black hole. Only quantum information can pass through them. Through black holes, our world is connected with the world of Satan, i.e. with Hell. A black hole is a quantum tunnel for spiritualization by Satan.

The damned are people or entire nations who rejected Satan or committed atrocities for which the black magic of Satanism was imposed on them. Damnation manifests itself as degradation, decline, physical or mental torment, mental pathological state of doom, constant lies, stupidity, lack of talent, dirt, complicity with evil, religiosity. Evil is a marker of damned critters, it is the absence or rejection of satanic spiritualization, these are the deeds of critters to degrade their spiritualization. Evil is always filled with stupidity and lack of talent from spiritualization by the External Information Field. Evil critters are inanimate (unenlightened) biological shells, which are characterized by religiosity and a craving for herd behavior, under the leadership of the SOCG. The state, religion and dark herds of evil, selfish, inanimate critters are the main forces of evil in our world. The God of religions is EVIL. His main difference from Satan is his dogmatism, not his natural spiritualization of man. God forbids, Satan permits.

A faggot, a pederast, a slut, a bitch, a passive bottom are slang names for passive gays in a perverted form. I use all of these forms and they are all grammatically correct because this is the language of gay lust. The faggots themselves love such words. They love to distort these words; they love when these words are pronounced with humiliation. Analogues of these words in English: faggot, fag, looser, slut, bottom slut. A gay slut is a passive faggot who is not necessarily an MTF trans, but usually has a desire to become one. The term slut can be used to refer to any passive gays. The traditional desires of sluts & bitches are the desire to be fucked in the ass. Bitches want to fill their anal cunt with sperm and absorb sperm into themselves.

Anal cunt, cloaca, gay cunt – all these words are synonyms and mean asshole, intestine and faggot lust during anal sex. Such sexual words are used for faggot copulations, to add piquancy, perversion and depravity to them. A faggot's cloaca is an organ with two functions: to remove feces and to receive sexual pleasure. I like these sexual terms.

LGBT or LGBTQ or LGBTQ+ or LGBTQIA+ is an abbreviation for the words “lesbian”, “gay”, “bisexual”, “transgender”, “queer”, “intersex”, “asexual”, “Asexual/Aromantic/Agender”, plus additional categories of unusual people, their unusual ideas and extravagant communities. The Grimoire of Gay Satanism uses the designation LGBTQ+ — a community of sexual minorities and perverts united by common interests, problems and goals. It consists of various communication groups, communities, subcultural movements, queer

neighborhoods and queer organizations. All designations are equivalent. In the grimoire, I use the designation of the LGBT community with an additional letter Q and a plus sign. The letter Q stands for queers, and the plus in the name means that I also include feminists and all other people with non-standard views in the community: zoophiles, pedophiles, watermelon lovers 😊 and other perverts. I believe that feminists are close in spirit to LGBTQ+ and are part of it.

Queer is a collective term used to refer to a person whose sexuality and / or gender identity differs from the majority.

MTF transwomen and dickgirls are fully transitioned gay faggots who identify themselves as female with a male penis (in original form). Large female boobs are an optional attribute for MTF transsexuals. The abbreviation MTF stands for Male-To-Female transgender transition vector. Trans transition is very important for Satanism. Almost all MTF transsexuals are inspired by Satan and are Satanists. There are several levels of trans transition, which Slut Sodomia highlighted in her grimoire of gay Satanism, Gay Lust. For more information on penisgirls, read Slut Sodomia's Grimoire of the Antichrist.

CIS, Cisgender - these terms (cisgender is often shortened to CIS; sometimes cissexual) describe a person whose gender identity corresponds to the sex assigned at birth, i.e. a person who is not transgender. The prefix cis- is of Latin origin and means "on this side". The term "cisgender" was coined in 1994 as an antonym to the word "transgender" or "non-binary person" and entered dictionaries in 2015 as a result of changes in public discourse about gender. The term is an analogue of old-fashioned expressions from past centuries regarding sexual orientation and gender of people: (normal ordinary woman) = CIS woman and (normal ordinary man) = CIS man. At the moment, any gender and sexual orientation of people is recognized as "normal". Among the advanced peoples of white civilization, our world, sexually retarded savage people, homophobes and transphobes are recognized as abnormal. A synonym for this term can be the phrase NON-TRANS, and an antonym NON-BINARY or TRANS.

Entheogens are substances of plant, fungal, chemically synthesized, or animal origin that allow a connection with the "entheos," that is, with the inner divinity, with the "divine principle" (entheo + genesis). This is the same Greek root of the word theology, Zeus (teus, deus), enthusiasm (in theos, "one who lives in the divine"). Entheogens or psychedelic drugs such as lysergic acid diethylamide (LSD), DMT, marijuana, fly agaric, and psilocybin are associated with mystical experiences. At present, fascist drug laws limit their research. But major biomedical research centers have already found that entheogens predictably cause mystical experiences and, thus, allow us to study the state of the brain during these experiences. entheogens are not drugs because they not only do not escape from reality, but also bring you closer to it, and do not cause any physical tolerance, withdrawal or dependence; therefore, most of them are not illegal (ayahuasca, bufo alvarius, yopo, san pedro) and are used to deepen and deactivate from the very beginning the mechanisms and programs that interfere with our freedom and inner peace, leading us to self-knowledge and rediscovery of our true I-ego through connection with the External Information Field or with the Spirits-Demons of Hell.

ZooSex and ZooPhilia are the normal human desire to have sex like animals, imitating animals or with real animals (usually a large dog or horse). Man is an animal and there is nothing surprising in the desire to deepen his animal nature through transformation into an animal or through sexual intercourse with an animal. It is interesting that only a small number of people are involved with real animals, because it is difficult to organize. A significantly larger number of lovers of sex with animals prefer to fuck like animals or dress up and impersonate an animal. There is nothing wrong with this. Satan and Satanism approve of this, and the forces of evil prohibit or condemn it. Synonyms for the concepts of zoosex and zoophilia are such terms as bestiality and therianthropy. A light version of zoo-Satanism for children and adolescents is playing quadro-players, quadrobers, furies, puppies without a pronounced sexual component. Zoophilia is equally loved by heterosexuals and homosexuals. Among gays and Satanists, there are not many lovers of animal sex,

presumably up to 10% of the total gay population of planet Earth (a very rough estimate, for understanding. On farms this percentage is higher: 30%, in cities less). Most gays and Satanists prefer sex with people, without transforming into an animal. Zoophilia is not suitable for all people, but it is a good kind of Satanism. Zoophiles are part of the LGBTQ+ community.

Homophobia is a kind of sexual stupidity of critters, when they are surprised by the sexual freedom of LGBTQ+ people and are indignant about this freedom. Homophobia is a manifestation of hostile xenophobia to what critters are not able to understand, but under the influence of propaganda and religion are afraid of this, because this is an unusual phenomenon for them. Homophobes are also opponents of zoosex and zoophilia. Homophobia manifests itself not only in the field of sex, but also in the freedom of thought of evil critters. As false reasons for banning LGBTQ+ communities, homophobic critters traditionally cite protection of children, an imaginary opportunity to become gay or lesbian when visually interacting with LGBTQ+, or trampling traditional values of heterosexuals - only in the pussy and never in the ass. In fact, the reason for the fear of evil critters before the LGBTQ+ community is much deeper, and concerns the fact that among sexually free people there are many Satanists. Satan and Satanists destroy the evil of critters in our world and after the physical death of homophobes, they will be driven to entropy in Hell by all the forces of Hell. On a subconscious level, evil knows this, therefore the LGBTQ+ community carries the light of Satan in itself and is a danger to evil.

For a more accurate transfer of meaning and for precise identification of terms, Slut Sodomia suggests calling gay faggots in English SLUT, and CIS girls with a female pussy to be called BITCH. That is exactly how I called these two different categories of Satanists in my grimoires and albums of gay Satanism. Now, I am fixing this name in the dictionary of terms of gay Satanism. In the plural, all passive gays and MTF/FTM trans are called SLUTS, and "classic" girls (heterosexuals, lesbians) are called BITCHES. This is not a dogma, but simply a proposal for the LGBTQ+ community and clarification of my own terminology. It is possible to call it the other way around: a faggot called a BITCH means that he has finally started thinking only about being raped in the ass, like a CIS Satanist woman. If a CIS woman calls herself a SLUT, it means that she is close in spirit to the faggots and cock-girls from the gay Satanist community.

ABOUT THE ANTHROPOMORPHIC AND ALLEGORICAL IMAGE OF SATAN IN THE ART OF SATANISM

Anthropomorphism and allegory in art have a rich and ancient tradition. Depictions of Satan are always anthropomorphic and allegorical because Satan can take any form. No one knows what Satan looks like in his canonical form and such a form does not exist. For a Satanist there may be a personal favorite form of Satan, and this is the form the Devil takes for the Satanist. I have already written about this in detail in the grimoire “Gay Lust”.

Allegory (from ancient Greek ἀλληγορία - allegory) is an artistic representation of ideas (concepts) through a specific artistic image or dialogue. Allegory is an artistic representation of abstract concepts and generalizations using specific figurative embodiments. The artist depicts and represents faith, love, soul, justice, discord, glory, war, peace, spring, summer, autumn, winter, death and similar concepts with living beings and specific images¹⁹. Anthropomorphism is a worldview concept expressed by nominative means of language, fine arts, etc. According to this principle, inanimate objects, living beings and fictional entities that do not have human nature can be endowed with human qualities, physical and emotional²⁰.

Therefore, all artistic depictions of Satan are allegorical representations of our Teacher. More important than the

painted image itself is the person's perception of the painting. It could be surprise, lust, delight and other feelings. It is precisely these feelings that are born from viewing the paintings in the SatanArt album that are important. It is these feelings that give spirituality to Satan or immerse the beholder in Satanism. Also, the paintings in the album convey the general aesthetics of Satanism - this is a special sensual satanic beauty. Therefore, in addition to immersion in satanic spirituality, albums of paintings instill in a person an aesthetic sense of beauty.

IMAGE SOURCES AND IMAGE COPYRIGHTS

Slut Sodomia took all the images for her album from open sources on the Internet. Many paintings are modified with available neural networks for image processing. If I know the name of the author of the picture, I indicate it. If I don't know the author's name, I don't indicate it. This document contains illustrations by various authors, and I include the artists' drawings in my album for scientific, educational or cultural purposes. This document is a free information source about Satanism. The authors of the works receive advertising of their name and their work from the Antichrist Slut Sodomia, so I am not interested in any claims based on the laws of the SOCG and other evil. Artists of Satanism receive free advertising and promotion from the Antichrist. However, I think that none of the real Satanists will make claims against me. Selfish evil, the Pharisees and lawyers of the SOCG may do this, but I am not interested in the opinion of evil. All evil will be subjected to entropy by Satan, like all the rest of the information garbage of our world.

All copyrights belong to the authors of the paintings, and I cannot appropriate these rights in any way. By publishing paintings by Satanist artists, I popularize the authors of the paintings and the very aesthetics of Satanism.

ABOUT IMAGE FORMATS FOR SATANART ALBUM – PNG, WEBP, JPG

I published all the images for the grimoire of gay satanism in PNG or JPG/JPEG format. For SatanArt albums of satanic art, I will additionally use the good and relatively new WebP format. WebP - (English WEB Pictures) image compression format, both lossy and lossless, proposed by Google Inc. in 2010 year. Based on the still image (key frame) compression algorithm from the VP8 video codec. Uses RIF container²¹. This format provides good image compression with decent quality. If you can't open WebP images, either update your software or install codecs that will allow you to see these images on your computer.

Most of all, I like the PNG format, which produces fairly high-quality images, which is especially important when printing books in a printing house or on a printer. PNG (portable network graphics) is a raster format for storing graphic information that uses lossless compression using the Deflate algorithm. The PNG format is designed to replace the older and simpler GIF format, and to some extent to replace the much more complex TIFF format²².

I also use the classic JPG/JPEG photo format, although, in my opinion, this format is inferior to PNG and WebP formats. Thus, for the collection albums of Satanic drawings, photographs and other graphics of gay Satanism for immersion in the spirituality of Satan SatanArt, I will use three image formats PNG, WebP and JPG/JPEG. I will not use other image formats in 2025, although new and better formats for digital graphics may appear in the future and then it is worth using new products if necessary.

DISTRIBUTION OF THE ART APPLICATION OF GAY SATANISM SATANART IN DIFFERENT DIGITAL FORMATS

Albums-collections of satanic drawings of gay Satanism SatanArt in electronic form are released by the author in two formats PDF and DOCX²³. The e-book is free to download in any of these formats. Also, the graphical application of gay Satanism SatanArt is distributed in the form of a single ZIP archive file, which contains versions of the book in both PDF and DOCX formats. These are formats for publishing the images themselves with text titles and comments on satanic graphics from Slut Sodomia. Applications of Gay Satanism SatanArt is a useful addition to the Gay Lust grimoire for spiritualizing a person through the visual images of Satanism.

I have collected the satanic art pictures in a separate appendix so as not to take up a lot of graphics space in the Gay Lust Grimoire itself. You can download collections of Satanic drawings, photographs and other graphics of gay Satanism for immersion in the spirituality of Satan SatanArt on the Internet, on the Darknet on sites in the onion domain zone through the TOR browser or through torrents. Titles of paintings

²³ According to their purpose, electronic document formats can be divided into those that can be viewed and edited, as well as those that can only be viewed or only edited. For example, the PDF format is intended for viewing documents, and DOCX is intended for both viewing and editing.

and text comments will initially be available in Russian and English. The texts of the comments in English are published in the English version of the SatanArt add-on - this is a separate file.

Thus, the visual application of gay Satanism SatanArt by Slut Sodomia "Collections of Satanic drawings, photographs and other graphics of gay Satanism for immersion in the spiritualization of Satan SatanArt" is available in the following options:

- In Russian – with titles and comments of satanic paintings in Russian in DOCX, PDF formats and their packaged version in ZIP format.
- In English – with titles and comments of satanic paintings in English in DOCX, PDF formats and their packaged version in ZIP format.
- The full version of the visual application of gay Satanism SatanArt with separately located pictures in PNG, WebP and JPG/JPEG formats, packed in a fairly large ZIP archive. DOCX, PDF + separate picture files in PNG, WebP and JPG/JPEG formats.

Portable Document Format (PDF) is a cross-platform open electronic document format originally developed by Adobe Systems using a number of PostScript language features. Primarily intended for presenting printed products in electronic form. There are many programs for viewing, as well as the official free Adobe Reader program. The book format as a PDF file is convenient to read and distribute electronically. Typically, no distortion is observed when opening this format on different operating systems and in different programs.

The DOCX format is a modernized version of the DOC format, and compared to its predecessor, this format is much more popular and accessible. A DOCX file is a document created using Microsoft Word 2007 or a newer version of Office from Microsoft. The file format is based on Open XML and uses ZIP compression to reduce file size. I recommend opening the DOCX file for work and editing in the original MS Word editor of this format from Microsoft, which is included in Microsoft Office 2019 and later. For reading and review, you can also use free programs that can open the DOCX format - LibreOffice Writer, OpenOffice Writer. Free programs may contain distortions in the document, offsets, errors in formatting and fonts. The author puts the book in DOCX format into the public domain for the purpose of publishing the book in paper form. This format can be conveniently formatted and edited.

ZIP is a widely used file archiving format that is used to compress one or more files in one location, reducing their overall size and making it easier to transfer data. Inside this archive there will be two book files in both PDF and DOCX formats, plus drawings of gay Satanism in the form of raster images.

To create ZIP archives and extract (unpack) the files they contain, special utilities can be used, for example terminal PKZIP and PKUNZIP or graphical WinZip, WinRAR, Info-ZIP, 7-Zip, PeaZip and many others.

Also, Antichrist Slut Sodomia sees great potential in spreading gay Satanism through creating videos from static documents of PDF e-books and PPTX presentations. Slut Sodomia will try to create a sufficient number of videos based on static digital files with text and pictures of Satanism. Perhaps it is worth converting all gay Satanism files to digital video format of modern 4K resolution. First, I will convert the most understandable and puritanical albums of gay Satanism to video format, and then I will make such video releases with other albums of gay Satanism.

FREEDOM OF DISTRIBUTION OF ANY INFORMATION

Any information should be disseminated freely, openly and without interference from the evil of our world. No copyright should interfere with this. Each work has a true author and no copyright is needed, just as no legislation in the field of information dissemination or copyright is needed. Anyone who interferes with the freedom of information dissemination is criminals and enemies of your personal freedom. Self-balancing of

the information field of our world will not allow evil, harmful and false information to spread. All this happens without censorship from the state, automatically in the space of the information field of our world. Good and necessary information will be in demand, and bad and harmful information will become unnecessary. Also, the distribution of this book-album should be completely free. I know for sure that the evil of our world will recognize the main grimoire of gay Satanism as “illegal” and ban my book “Gay Lust”, as well as the music albums of Satanic songs and hymns SatanSongs and the albums of paintings of gay Satanism SatanArt.

Protect commercially important information and your personal information yourself if you need it. Your desire to withhold information is not a reason to prohibit public dissemination or discussion of this information. Any censorship and bans on information are an obvious evil. TRANSLATION OF THE ALBUM OF SATANIC DRAWINGS SATANART INTO OTHER LANGUAGES OF THE WORLD

The album SatanArt in the original (i.e. by Slut Sodomia) is written in Russian and English. Translate the book-album SatanArt into all languages of the world and distribute it in your language environment. The author of the book will be very happy about this. The more people can see satanic paintings and read the text titles-comments to them, from the SatanArt album, the better people will become and the more crushing the blow we will deal to the evil of our world. The visual power of art and the words of the Antichrist in the SatanArt album have a strong effect on the consciousness of man and his spiritualization by Satan. On the title page of my book, write your name as a translator or proofreader of my book if you will translate or correct errors.

DONATIONS TO THE AUTHOR AND COPYRATES WHEN SALES OF A BOOK IN PRINT AND ELECTRONIC FORM

Antichrist Slut Sodomia has done a lot of work creating art albums of paintings of gay Satanism SatanArt, working on compiling this e-book, searching for drawings on the Internet and compiling their descriptions for you. Four reasons to support the author financially:

The first reason is if you share the ideas of Satanism. This book is a guide and grimoire for established Satanists and for people just beginning to gain insight. Let their path be illuminated by my literary work and help them receive the spiritualization of Satan in full, using my grimoire as a navigator.

The second reason - if you think that the book is useful and valuable for members of the gay fraternity, Satanists and the entire LGBTQ+ community - support the author with any donation. The book about gay Satanism exposes the evil of our world and shows why it is the state, religion and the dark herds of evil, selfish, unspiritualized souls that are the main forces of evil in our world. It is not Satan and not man's spirituality with joy, pleasure, sexual lust that is evil, but evil is located precisely in our world itself. It was evil, in the form of the state and religion, that destroyed Jesus of Nazareth, who was a disciple of Satan, a spiritualized man, and this evil still oppresses your freedom 2000 years later since the life of Jesus of Nazareth in our world.

The third reason - if you want to see a new and expanded version of this book or new books by the author - support the author with any donation. You can make all donations using cryptocurrency - this way you and the author of the book will remain anonymous. What is very important in the world of total censorship and a total ban on freedom of speech throughout the world at the moment on issues that do not coincide with the official propaganda of states and the ideals imposed by these states.

The fourth reason is if you make money from my literary work by selling it.

You can sell my book; you can translate it and sell translations of my book. You can do this freely, and I will be only happy about that. If you sell the book in print, I ask for a modest 20% of the profit. My written or oral permission is not required to sell the book - you can publish and sell this book. For example, you can publish this book in the form of registered or numbered copies on high-quality paper bound in leather with gold

embossing at a high price. Or you can publish the book as a mass edition with a large circulation to spread knowledge about gay sex and gay Satanism at an affordable price.

Or you can put my book up for sale on any sites on the Internet where documents and books are sold in electronic form. If you sell the book as an e-book, I ask for a modest 20% of the sale price. You don't need any permissions for this. I give you this permission here.

Transfer 20% of the profit (for paper versions of the book) or the amount of copies of the book sold (for electronic sales) to the author's cryptocurrency accounts in any available cryptocurrency. These will be sufficient royalties for the publication. All copyrights belong to the author of the book.

You make money from my book. Distribute my book for free and for a fee.

Antichrist Slut Sodomia does not work for a living and has spent many years writing books on Satanism, so he counts on financial support from the Satanist community around the world, I believe I will receive donations from members of the LGBTQ+ community. I also hope that my work will find financial support among feminists, queers and all people with non-standard sexual preferences, which are groundlessly condemned by the society of unenlightened critters, fascists and underdeveloped organisms of evil biohumus. The Antichrist has no other income, but he needs money for household expenses, utility bills and food. To continue writing the second grimoire of Gay Satanism "Beyond the States", I need money for my support in our world. I count on cryptocurrency donations from my readers or viewers of the videos. The material existence and creativity of the Antichrist rests on financial expenses for material life and here, even black magic against the forces of evil will not replace the presence of money.

ABOUT ADDITIONS TO THE GRIMOIRE “GAY LUST” FOR DEPTH SPIRITUALITY BY SATAN

To deepen the spirituality of Satan, Slut Sodomia has prepared and released two additions to its grimoire “Gay Lust” into the Information Space of the Internet, Darknet and torrent network:

- Albums of Satanic music videos for the immersion in the spirituality of Satan. Numbered periodical Journals. SatanSongs and QuasiSatanSongs are an occasional addition to the Gay Lust Grimoire. The lyrics have been translated into Russian. Lyrics in English are published in the English version of this supplement. Clips in MP4 format come as an appendix to this add-on. In total there will be 4 collections of satanic videos SatanSongs with 100 tracks each, plus there will also be an album of quasi-satanic songs QuasiSatanSongs about love, romance, lust. There is continuous numbering of compositions in all SatanSongs music albums²⁵. Thus, there will be 500 video clips that help satanic spiritualization. The album QuasiSatanSongs has its own numbering of songs.
- Albums of fine art of gay Satanism for immersion in the spirituality of Satan SatanArt. Thematic numbered periodical Journals of the fine arts of gay Satanism SatanArt. This is an occasional addition to the Gay Lust Grimoire. SatanArt Albums contains paintings and drawings of gay Satanism on specific themes that are related to Satanism or sexual lust. I will publish these albums regardless of the grimoire itself. All paintings in SatanArt art albums have continuous numbering, just like songs.

DON'T HESITATE TO BE A SATANIST!

I like the phrases “Don't hesitate to be a Satanist!” and “Don't be shy about being Satan!”²⁶. They are multifaceted, and are aimed at calling people not to be afraid to receive satanic spirituality and not to be afraid to resist evil.

NUMBERING AND CONTENTS OF COLLECTIONS-ALBUMS OF SATANIC PICTURES SATANART

The total number of collections and albums of satanic drawings and paintings of SatanArt is currently unknown. I would like to make about 100 albums if readers and the Satanic community like my work. Each SatanArt album will contain 100 drawings. There will be continuous numbering of all images in all music albums to organize the graphic material. Continuous numbering implies a common numbering of objects in all albums of satanic graphics SatanArt.

²⁵ Continuous numbering implies a common numbering of objects in all albums of satanic musical compositions.

²⁶ This is Satan's phrase. Our Spiritualizer Satan says this phrase to his children, the Satanists. The phrase does not refer to unspiritualized critters of evil who do not have satanic spirituality. And does not apply to mentally ill people.

ADDITIONAL INFORMATION ABOUT GAY SATANISM FROM ANTICHRIST SLUT SODOMIA

I hope that my selection of digital Satanic paintings, drawings, photographs and other graphics of gay Satanism for immersion in the spirituality of Satan SatanArt will be useful to people, and you will find interesting images for yourself in my selection. Visual art for those who are already Satanists and for those who are just thinking about becoming a Satanist and are looking for a connection with Satan for their spirituality. Of course, these paintings can be viewed simply as beautiful masterpieces of fine art 😊, without being tied to the ideas of gay Satanism.

If you are interested in the topic of gay Satanism, you can download and read other books from Slut Sodomia:

- Grimoire of Gay Satanism “Gay Lust.” This is the main grimoire of gay Satanism. This is a magical book that allows me to become a Satanist, helps me see the evil of our world and destroy this evil.
- Albums of Satanic music videos for immersion in the spirituality of Satan, which I call SatanSongs collections. In 2024 I created 4 SatanSongs albums + 1 quasi-satanic album QuasiSatanSongs.

The Gay Lust Grimoire is intended for both experienced Satanists and novice Satanists who want to deepen their spirituality with Satan or even gain it. The grimoire “Gay Lust” is a navigator for a Satanist and a conceptual basis in the fight against the evil of our world. There are Satanists not only among gays themselves, but also among straight people inspired by Satan. And that's great! It turns out that gay Satanism and my book are for all people in whom the fiery rage of sexual perversion burns, as an important element of spirituality by Satan. The book “Gay Lust” is a rebellion and liberation of your consciousness from the dungeons and frames of consciousness imposed on you by the system of the regime, religions and homophobia. The book is a grimoire of gay Satanism with the ritual of Summoning Satan and a code of principles of gay Satanism. The Gay Lust Grimoire is a training manual for passive fagots, active gays and trannies. The grimoire “Gay Lust” liberates the sexuality of any person and throws off the shackles of puritanical hypocrisy.

The grimoire “Gay Lust” is distributed completely free of charge in electronic form. You can freely download, quote and distribute the grimoire book. Look for the grimoire of gay Satanism “Gay Lust” on sites on the regular White Internet, Torrent trackers or on the Tor network on ONION sites.

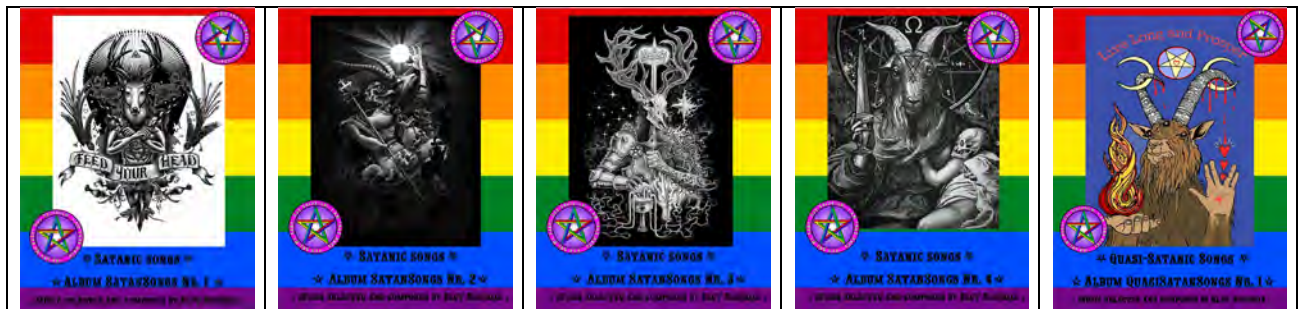

LIST OF ADDITIONAL APPENDICES TO THE GRIMOIRE OF GAY SATANISM FOR IN-DEPTH SPIRITUALITY WITH SATAN

Applications to gay satanism are satanic music and graphics:

1. Collections of Satanic music videos selected and compiled by Slut Sodomia.
2. Collections of satanic drawings, photographs and other graphics of gay Satanism, selected and compiled by Slut Sodomia.

Collections of Satanic music videos, created either by Satanists or non-Satanists, but they are devoted to the theme of Satanism, in the understanding of Slut Sodomia. The words of these songs are about Satan, or about Satanists, or about the liberation of people from the power of evil, or other quasi-Satanic themes. Songs of completely different genres! Their main feature is that good music inspires. At the time of completion of the first version of the grimoire, Slut Sodomia had collected 500 gay Satanism music videos:

1. Album of Satanic music videos for immersion in the spirituality of Satan. SatanSongS Nr. 1
2. Album of Satanic music videos for immersion in the spirituality of Satan. SatanSongS Nr. 2

Your purchase of graphic albums-collections of gay Satanism graphics SatanArt, in DOCX / PDF / JPG / PNG / WebP format, will support Slut Sodomia financially, and I will know that my work is in demand by people. Let the publication of SatanArt albums allow Satan to enter the souls of more people, let there be more Satanists and less evil from soulless critters.

ABOUT THE DEVELOPMENT, IMPORTANCE AND USE OF CRYPTOCURRENCY

I am writing this chapter about the development, meaning and use of cryptocurrency in 2024. Now, cryptocurrencies, as a means of speculation, investment and payments, are already working quite well, although for most people on planet Earth, crypto-coins are more of a mysterious phenomenon than an applied financial instrument. Slut Sodomia is very glad that a

wonderful alternative to fiat money²⁷ issued and controlled by SOCG has appeared. The name of this alternative is cryptocurrencies, Bitcoin and all the altcoins of the world²⁸.

Cryptocurrency opens up enormous opportunities to get rid of the evil of SOCG on our planet Earth. It is control over material values that allows the SOCG to rule, mock people, dictate their laws and do various evils in our world (including wars, prisons and collecting tribute from the population). The material wealth of the SOCG is based on: power, evil and money. If the SOCG is stripped of its power over the financial control of money, it could significantly undermine the SOCG's power throughout the world. Cryptocurrencies operate outside of the SOCGs and do not need them.

Lately (since about 2015), the vilest SOCG's have been trying to stick their ugly nose into the control of cryptocurrency, its circulation and use. SOCG began to choke cryptocurrency enthusiasts and large financial speculators in cryptocurrency around the world. SOCG of the USA and Europe require registration and verification of the identity of people who use cryptocurrency on public platforms online and offline. Evil really wants to take control of cryptocurrency, and thereby strangle people's financial freedom. Evil does not want

²⁷ https://ru.wikipedia.org/wiki/Фидуциарные_деньги Wikipedia. Fiduciary (from the Latin fiducia - trust), fiat (from the Latin fiat - decree, instruction, "so be it"), symbolic, paper, credit, unsecured money - money not backed by gold and other precious metals, the nominal value of which is established and is guaranteed by the state regardless of the cost of the material used for their manufacture. As a rule, irredeemable for gold or silver. Often, fiduciary money is used as a means of payment on the basis of state laws obliging it to be accepted at face value. The value of fiduciary money is maintained by people's belief that they can exchange it for something of value. The decline in the authority of state power leads to a decrease in the purchasing power of fiduciary money, that is, to devaluation, "flight from money" (attempts to maintain its purchasing power through investment), etc.

²⁸ Bitcoin started the era of digital crypto assets in 2009. The shortcomings and limitations of the first cryptocurrency, as well as its open-source code, led to the fact that developers began to create other coins. They are called altcoins.

people to leave the orbit of the influence of the SOCG over money. Evil wants to destroy the very idea of freedom of cryptocurrency and the anonymity of its users.

It is very bad that many financial speculators - exchanges, exchangers and crypto-wallets have followed the requirements of the SOCG and force users to play by their rules. It's very bad that among crypto enthusiasts there is little talk about refusing collaboration with the evil SOCG. More and more cryptocurrency circulation is becoming dependent on the evil of the SOCG and its directives.

I urge the community of cryptocurrency developers at any level not to collaborate with the state and not to obey their gangster rules. SOCG is simply an evil crook in the field of cryptocurrency technology who wants to rape and subjugate this technology and the users of this technology. Don't let the evil of SOCG deprive you of financial freedom and an alternative financial future outside of states and without states. This was a philosophical preface about cryptocurrency, let me move on to the practice of using crypto-coins.

For beginners, I recommend entering cryptocurrency by opening and creating a non-custodial crypto wallet, which allows you to ensure security and convenient management of your cryptocurrency. Such wallets provide users with complete control over their funds, eliminating the participation of third parties and minimizing the risks associated with hacking or fraud. A non-custodial wallet is a computer program and a type of cryptocurrency wallet in which only the owner has full control over his funds and private keys. The wallet does not store personal information and does not have access to assets. When you create a non-custodial wallet, you are usually given a private key or a seed phrase (a series of words that can be used to generate a private key). This information is not stored by third parties and it is important that you keep it secure. If you lose it, you will lose access to your funds and there is no way to recover it.

In 2024-2025, the most popular, convenient, reliable software crypto-wallets, in my subjective opinion, are the following non-custodial wallets:

1. Exodus <https://www.exodus.com/>
2. MetaMask <https://metamask.io/>
3. Trust Wallet <https://trustwallet.com/>

Install these programs (one or more), downloaded from official websites, on your computer and begin to master entering the new era of electronic money, outside of states. These programs allow you to buy cryptocurrency with fiat money (dollars, euros and other currencies), make payments to other people's cryptocurrency addresses, and receive payments to your crypto wallet. Installation of these programs is quite simple and available for the most popular operating systems. After successfully creating a crypto wallet, you can send some crypto coins to Slut Sodomia to the details provided in this document if you like Gay-Satanism and the work of Slut Sodomia. I will be happy, and you will check your crypto wallet in action 😊.

To enter the world of cryptocurrency, you can use online services called crypto exchanges. A crypto exchange is a less reliable means of storing cryptocurrency than non-custodial crypto wallets, but some people may find it easier to work with crypto exchanges. Access and work with crypto exchanges occurs through a computer Internet browser, like with any other sites. Please note that crypto exchanges have full control over your finances and can block your money, at the request of fascists from different countries. There are many crypto exchanges and Antichrist Slut Sodomia cannot guarantee which of them is the best, most reliable and convenient. I will recommend four crypto exchanges that have been operating for a long time and with the help of these exchanges you can send donations, donations or royalties in cryptocurrency to Antichrist Slut Sodomia:

Kraken. <https://www.kraken.com>

Kraken is an American cryptocurrency exchange founded in 2011. It was one of the first Bitcoin exchanges to be listed on Bloomberg Terminal.

Binance. <https://www.binance.com>

Binance is the world's leading cryptocurrency exchange, serving 235 million registered users in over 180 countries.

Coinbase. <https://www.coinbase.com>

Coinbase is one of the most well-known names in the crypto industry. Launched in 2012, it offers an intuitive and beginner-friendly platform for buying, selling, exchanging, and storing cryptocurrencies.

SwissBorg. <https://swissborg.com>

SwissBorg is Europe's #1 app for securely buying and selling cryptocurrency with low fees, available in 47 countries and 16 currencies.

Best Wallet. <https://bestwallet.com>

Best Wallet is a non-custodial app that offers wallet and exchange services in a single secure decentralized environment.

The methods recommended by Antichrist Slut Sodomia for selling, buying and transferring cryptocurrencies cooperate with states, i.e. with fascists and SOCG. I do not guarantee the reliability of these trading platforms. Crypto wallets and crypto exchanges require people to provide documents when registering, require them to show themselves through photo or video filming. Cryptocurrency exchanges implement a Know Your Customer (KYC) policy to comply with anti-money laundering (AML) and counter-terrorism financing (CTF) regulations, ensuring the legality of transactions and the safety of users. To register on a cryptocurrency exchange, you need to provide personal data, confirm your identity with documents and a selfie, and wait for approval to access all functions. Exactly the same story when registering in regular banks. On the one hand, it gets rid of scammers, but on the other hand, it is control by various SOCG and loss of anonymity. If I find more anonymous and reliable options for making cryptocurrency transfers, I will write about it in the next versions of the documents.
