WHERE CAN I FIND OTHER SATANART ALBUMS?	19
Image 3201. Satan permits and inspires. The God of religions forbids and oppresses. What do you like?	26
Image 3202. A Christian accomplice of evil. Sweet humility, piety, and the propaganda of submission to evil lead to people living in the hell of Our World, even during their lifetimes. Evil has captured the entire planet Earth, in the form of states, religions, and superfluous people, the human species without the inspiration of Satan or the EIQT. Superfluous critters lack spirituality and end up in the true Hell with Satan, Demons, the Antichrist, and Satanists, after their torment in Our World. Death transports them to a parallel dimension of Hell for entropy.	27
Image 3203. Evil isn't just an abstract concept, it's a very real thing. In this picture, evil attacks people's consciousness through television, through propaganda. There are countless ways to lure people into evil's traps: stability, pensions, social guarantees, the "middle class," prosperity, the evil's loyalty to conformists, and so on.	28
Image 3204. You can tell the critters by how absorbed they are in the stupidity of their cell phones.	29
Image 3205. A grandiose, figurative depiction of Hell and Satan. An antique engraving. Many Christian paintings of surreal Hell depict it in layers, with multiple levels. Each level has its own punishments.	29
Image 3206. Diagram of the hell of critters in our world #1. Evil without spirituality at the head of the diagram, evil at the foot.	30
Image 3207. Russian scum in their Orthodox racist hell, even in their lifetime. Orthodox cannibals.	31
Image 3208. "Turn me off!" The media and TV are propaganda of evil.	31
Image 3209. Baphomet-Satan rips off the head of an evil critter in Hell. Satanists are ecstatic about this. ...	32
Image 3210. Famous people of our world, their delusions, their influence, their mistakes and their informational footprint.	32
Image 3211. A modern Satanic engraving depicting the punishment of evil critters in Hell by Satan-Baphomet. This punishment in Hell is never-ending for the critter, moving in a spiral, with repetitions. Perhaps there is an end to this process, but for the critters, it lasts "eternity." Information from the EIQT is gradually removed, using the informational entropy of Hell.	33
Image 3212. An enlarged version of drawing #3206. Diagram of the hell of critters in our world #1: "CONSUME".	34
Image 3213. The gates of Hell for critters. In Hell, evil critters face purification, punishment, and ultimate entropy.	34
Image 3214. The gathering of US fascists with their monster, who have captured a significant portion of planet Earth, are engaged in militarism, wars, trade expansion, and monopolization of markets for their goods. ...	35
Image 3215. All fascists, their accomplices, and the conformists of evil are destined for Hell and entropy. The Spirit of Satan is not upon them.	35
Image 3216. An ancient figurative depiction of Hell and Satan. Demons are engaged in the entropy of evil critters.	36
Image 3217. Unspiritualized women are human female incubators without the inspiration of Satan. Incubators desire to breed new critters and exploit males for their own selfish ends. Incubators are devoid of spirituality and filled with stupidity, emptiness, and filth.	37

Image 3218. The hell of the critters in our world or in Hell. Evil torments people in our world, and in Hell, the demons of Hell torment evil. The circle of torment is complete—what the critters carried into the world, they will receive in Hell.	38
Image 3219. A painting of Hell with punishment for critters. The artist's exact subject is unknown.	39
Image 3220. These critters are engaged in crucifixion and fascism. An ancient Jewish-European mix of scum.	39
Image 3221. Torment of Critters in Hell. Black and white drawing of Satan devouring critters in Hell. Surrealism. #1.....	40
Image 3222. The torment of critters in Hell. Old painting #2.	41
Image 3223. Diagram of the hell of critters in our world #2. Evil without spirituality at the top of the diagram and evil at the foot of the "social food chain" of the SOCG system, built throughout the world.	42

Image 3231. The theme of the disgusting nature of unilluminated critters was popular in European art. No. 2.	47
Image 3232. The torment of evil critters in Hell. They deserve entropy, which will dissolve their informational essence after death and cleanse the VIKP of their informational trace.	48
Image 3233. The Torment of Saint Anthony. The Torment of Saint Anthony (Italian: Tormento di Sant'Antonio) is an Italian painting from the late Quattrocento, developing the plot of a late Gothic engraving by Martin Schongauer. In 2008, its authorship was recognized as being that of a 12- or 13-year-old Michelangelo.....	49

Image 3240. The painting "Dante and Virgil in Hell," "The Divine Comedy," is a poem written by Dante Alighieri between approximately 1308 and 1321, offering the broadest synthesis of medieval culture and worldview. It would be better if critters without Satan's inspiration had never been born. The Antichrist tells you: do not bring unnecessary people into our world. The theme of overpopulation and the excess of human offspring from inanimate critters is discussed in detail in the grimoire "Gay Lust" and in the almanac SatanArt #23...54	54

Image 3241. Critters engage in politics. Politicians are fascists and psychopaths. Always, everywhere. France.	55

Image 3243. An ancient depiction of Hell, Satan (or the fiery Hyena). No. 4.	56
Image 3244. The Jew Leon Trotsky is creating hell for Russians. The evil SOCG always promises people good things, but always delivers only nastiness and evil. This is what all fascists do, not necessarily Jews. All states are criminal organizations that take away people's spiritual freedom and engage in extortion (they call it taxes and duties) on the population in territories of the Earth under their control. Fascist communists are no exception.	57
Image 3245. Russians are in their own hell. Scumbags of Russia question Lenin in the village. That bastard Lenin lies to them about "Land to the peasants," "Factories to the workers," and "All power to the Soviets." Some communists still run around our planet Earth with this nonsense, propagating these communist slogans. After 70 years of communism in the USSR, it has become clear that these are the lies of the Red fascists....	58

Image 3249. Hell of critters in our world and after death in the dimension of Satan. Hieronymus Bosch (most likely).	61
Image 3250. The hell of beasts in our world. Realism in caricature. After death in Satan's dimension, these "great figures" of various SOCGs receive retribution and undergo informational entropy, already in another dimension.	61
Image 3251. The Entropy of Hell by Paolo Girardi. Interestingly, this artist depicts Hell and Satan only from the perspective of decline. Besides images of decline, i.e., increasing entropy, there are also images of the euphoria of Hell. I collected these images in the SatanArt almanac #8. "A Hell of Euphoria for Satanists and the entropy of the afterlife for critters. A sexy edition"	62
Image 3252. Diagram of the hell of critters in our world #3. Evil without spirituality at the top of the diagram and evil at the foot of the "social food chain" of the SOCG system, built throughout the world.	63
Image 3253. Punishment of critters in Hell by Demons, in the form of a terrifying vision without boundaries. Such punishment for evil is the best.	64
Image 3254. All scum and evil critters fall into the mouth of Satan or into the Fiery Hyena. That is, into Hell.	65
Image 3255. Whining critters: "Save us! Help us! Give us a raise! We want it like in France!"	65

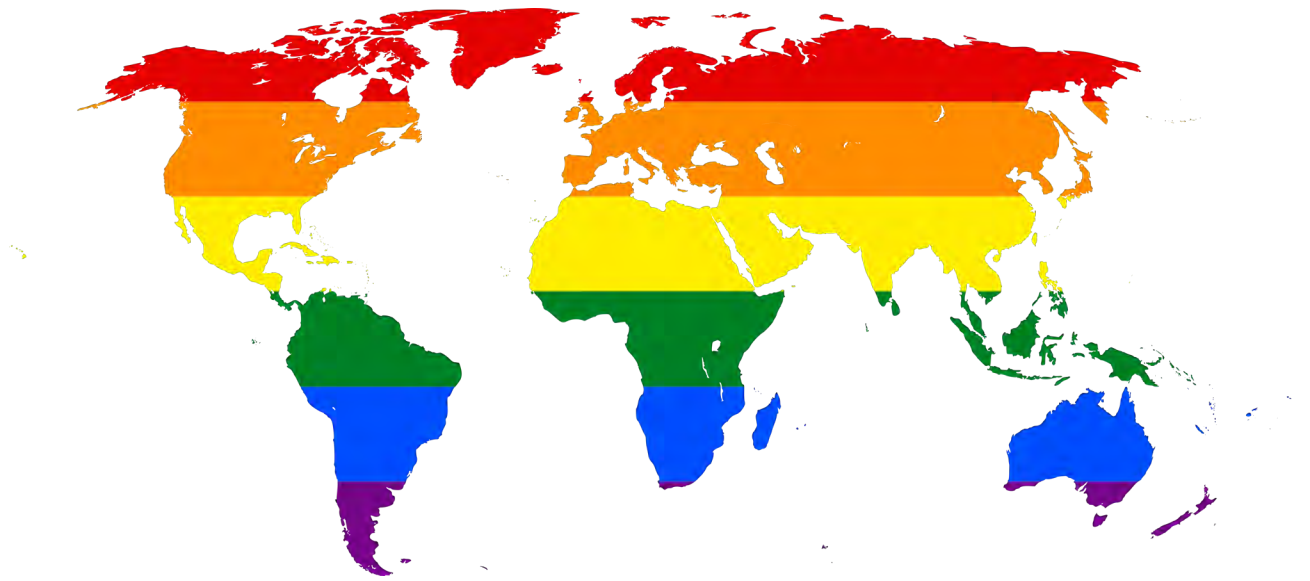

Image 3262. "It's a mad, mad, mad world." This is a mad, mad, mad world. Critters chasing a suitcase of money. For many, acquiring money and wealth becomes the meaning of life, for others, a means of survival. The whole world revolves around money. This is part of the hell of our world. I don't know the exact original meaning of the poster.....	71

Image 3264. A medieval variation on the theme of the vanity of critters in our world. Vanity itself is part of hell. No. 1.	72

Image 3266. A medieval variation on the theme of the vanity of critters in our world. Vanity itself is part of hell. No. 2.	73
Image 3267. The entropy of evil critters in the world of Hell. Fragment of an ancient painting.	73
Image 3268. An ancient, grandiose painting of Hell in the Christian tradition. The saints at the top of the painting await Lucifer's "reception." The invitation and summons to Satan's Hell is their physical death in our world. I don't know what these sanctimonious sectarians are counting on, but they don't deserve a euphoric "paradise."	74
Image 3269. A modern depiction of Hell in the surrealist style. This is perhaps the most appropriate style for hellish paintings. Quite often, paintings of Hell feature a black sun, which can also be interpreted as a black hole. This is no coincidence, as black holes are true gateways for quantum information transfer between dimensions. The Antichrist Slut Sodomia wrote about this in detail in her grimoire "Gay Lust."	75
Image 3270. The Infernal Feast. In the foreground, Anubis (on the right) and Osiris (on the left) are possibly depicted. At the table, Jesus, possibly Leviathan, Horus, and Satan-Baphomet (from left to right), are eating. A surrealist Satanism. The painting's exact subject is unknown, but there is a connection to the "Left Eye of Horus" of Egyptian mythology.	76
Image 3271. The Christian concept of Hell, after death. Interestingly, opponents of Satanism (Christians) promote Satan, Demons, and their abode in a parallel dimension, traditionally called Hell. Christians promote Satanism.	77

Image 3281. Albrecht Dürer's "Apocalypse," woodcut. In 1500, they thought Hell would look like this for the beasts, but they were mistaken. The hell of the medieval bastards is the exaltation of religion, the church, the state, prohibitions for people, unsanitary conditions, and reproduction. The beasts allowed evil to rule over them already in the Dark Ages.....	85

PREFACE

This issue of SatanArt #33 is dedicated to the punishment of the critters (creatures) of our world, deprived of Satan's spirituality, for the evil they create and the meaninglessness of their existence. SatanArt #33, Volume 1 depicts the hell of critters with entropy in our world and in Hell after their death. With this issue of SatanArt #33, Volume 1, I begin a series of almanacs on the theme of Hell for critters, where the Antichrist will combine the Hell of critters in our world, during their lifetime, with Hell in another dimension, which is often called the "afterlife," "fiery hyena," "purgatory," "punishment of sinners," and "the dimension of Lucifer-Satan."

I will use the word HELL in two spellings:

Hell with a capital H, as a proper noun, refers to Hell in a parallel dimension, ruled by Satan-Lucifer. Critters enter Hell, with a capital H, after their physical death.

Hell, with a lowercase h, as a common noun, refers to the existence of people in our world. In our overpopulated world, imposed critters suffer from evil, overcrowding, and their "superfluous" existence in our world. In Hell, with a capital H, critters live on planet Earth. The rulers of Hell in Our World are the villains of the SOCG, billions of inanimate critters, and religious sects.

I want to introduce a significant innovation in the depiction of hell and Hell. To avoid the reader getting the impression that the Antichrist is inventing tales of the "afterlife torments" of critters in Hell, and to avoid

dismissing my writings as the inventions of "Christian Satanists," I will simultaneously present images of the hell of Our world and the Hell of Satan-Lucifer, in a parallel dimension. Thus, in SatanArt almanac #33, I have compiled a selection of images that depict the presence of evil critters in Hell during their lifetime and their descent into Satan's Hell after their death. The Antichrist has already released several SatanArt almanacs on the topic of Hell. Here are some of them.

SatanArt №8. Hell of Euphoria for Satanists and the afterlife of entropy for the beasts. Sexual edition. (An album on the theme of Hell for Satanists, in synergy with Satan).	SatanArt №6. Satan as the Crusher, Tamer, and Destroyer of Evil. Puritan Edition. (An album on the theme of retribution against evil critters in Hell, by the power of Satan-Lucifer).	SatanArt №23. Overpopulation. Childlessness. Antinatalism. Anthropogenic pollution of the Earth with excess human offspring. Puritan edition. (An album on the theme of the hell of critters in our world).

The theme of an "afterlife" Hell exists in the traditions of many religions and sects. Many sects base their entire doctrine on salvation from the torments of Hell or on prophecies of the imminent "end of the world." Gay Satanism, of course, is more focused on the sexual liberation of all people, on LGBTQ+ sexuality, and on resistance to the evildoers of our world. This is the main message of gay Satanism, from the Antichrist Slut Sodomia. This is the atheistic part of gay Satanism. However, Spiritual Satanism occupies a significant place in gay Satanism, i.e., the spiritualization of Satanists by the Spirit of Satan-Lucifer from another dimension called Hell. Therefore, I consider gay Satanism a laconic symbiosis of atheistic Satanism and spiritual Satanism, against a vivid backdrop of debauchery and sexual freedom. The theme of Hell is important to Gay Satanism. If there were no retribution for the evil of our world, we Satanists would have no hope. But Spiritual Satanists know that the Spirits of Hell exist and are connected to us on a quantum level through the EIQF.

The topic of Satanism and the understanding of critters is closely connected with misanthropy. Here's a definition of misanthropy from Wikipedia:

Misanthropy (from the Greek μῖσος "hatred" + ἄνθρωπος "man"; literally, "misanthropy") is a general hatred, dislike, or distrust of the human species, human behavior, or human nature. A misanthrope is someone who holds such views or feelings. Misanthropy presupposes a negative judgmental attitude toward humanity based on its flaws. Misanthropes believe that these flaws are inherent in all, or at least the vast majority, of human beings. They argue that there is no simple way to correct them except by completely changing the

prevailing way of life. The scientific literature distinguishes between different types of misanthropy, depending on the attitude in question, who it is directed at, and how it is expressed. Such attitudes may be based on either emotions or theoretical judgments. They may be directed at all people without exception or may exclude a few idealized individuals. Consequently, some misanthropes condemn themselves, while others consider themselves superior to everyone else. Misanthropy is sometimes associated with a destructive worldview aimed at harming others or an attempt to escape from society. Other types of misanthropic attitudes include activism in attempts to improve humanity, quietism in the form of resignation, and humor that ridicules the absurdity of the human condition¹.

Interestingly, misanthropy isn't limited to Satanists. Evil critters also exhibit misanthropy, sometimes to pathological levels. What distinguishes Satanists' misanthropy is their awareness of this phenomenon and their desire to avoid unnecessary evil. Conscious misanthropy stems from Satanists' ability to sense people quickly, accurately, and deeply. This heightened sensitivity to evil critters allows them to understand what's wrong with these critters, or to discern the rottenness, evil, and deceit in specific people. Satanists dislike falsehood and evil, so conscious misanthropy accompanies Satanists throughout their lives. Conscious misanthropy is part of the general awareness of spiritual people. Satanic spirituality intensifies the feeling of misanthropy. The satanic perception of critters and their activities in our world is linked to the concept of nihilism, which complements the concept of misanthropy. Here's a definition of nihilism from Wikipedia:

Nihilism (from the Latin nihil "nothing") is a philosophy that questions (in its extreme form, absolutely denies) generally accepted values, ideals, moral norms, culture, or fundamental concepts such as objective truth, knowledge, morality, values, or the meaning of life. The doctrine of nihilism can be viewed as a distinct historical concept, stemming from nominalism, skepticism, and philosophical pessimism. The modern understanding of this idea largely stems from Friedrich Nietzsche's "crisis of nihilism," which derives two central concepts: the destruction of higher values and resistance to the affirmation of life. However, earlier forms of nihilism may have been more selective in their rejection of specific hegemonies of social, moral, political, and aesthetic thought. Outside of Europe, elements of Buddhist scripture have been identified as some of the earliest discourses and critiques of nihilist thought. The definition of nihilism at different times depended on various factors: the cultural and historical era, people's subjective conceptual views, current

¹ <https://ru.wikipedia.org/wiki/Мизантропия> Wikipedia, the free encyclopedia. Misanthropy.

events, fashion, and other factors—and this became the source of the emergence of various forms of nihilism².

I found an interesting opinion online from a possible Satanist named Algimantas Sargelas about misanthropy and nihilism. I'll quote a small excerpt:

Satanism did not shape generally accepted moral norms and values, but it has its own, which in turn are well-founded and have their own origins and foundations, are deeply understood, and have been tested in practice. Therefore, the clash between public morality and the Satanist's morality usually leads to the latter's nihilism toward what is alien to them, even if accepted as a standard, norm, or tradition. And the Satanist's resistance to external influence further underpins their nihilism. The nihilistic Satanist, with their rational rejection of generally accepted moral norms and values, often—indeed, always—comes into conflict with them, but unlike the speculative nihilist, not out of a desire to satisfy their own comfort, but out of rational motives. For example, the moral norm and model of "respecting elders," or rather, "respecting the elderly," would be rejected by any nihilist, and not necessarily a Satanist, but since I'm creating a Satanist example, he will be considered as well. A speculative nihilist rejects it because respecting anyone requires effort, expense, and diminishes comfort. A rational nihilist, however, a Satanist, would reject it with reasons and arguments based on a thorough examination of the subject:

1. There are no rational reasons to respect an individual based solely on their age; an individual, regardless of age, is worthy of respect if they meet the criteria for such respect;
2. That is, respect has criteria other than the individual's age; age is not a criterion for respect, as the nihilist Satanist asserts. Moreover, this age reflects only the lifespan of the biomachine, and cannot be used to judge the age of the psyche, if only because of the varying intensity of mental activity in different individuals (some are more mentally mature at an early age than others);
3. Thus, a hypothetical old man or woman, who, according to generally accepted morality, should be respected, may have previously been a very vile and unpleasant individual, unlikely to be respected even by a proponent of the norm "respect your elders." Therefore, it is impossible to know without

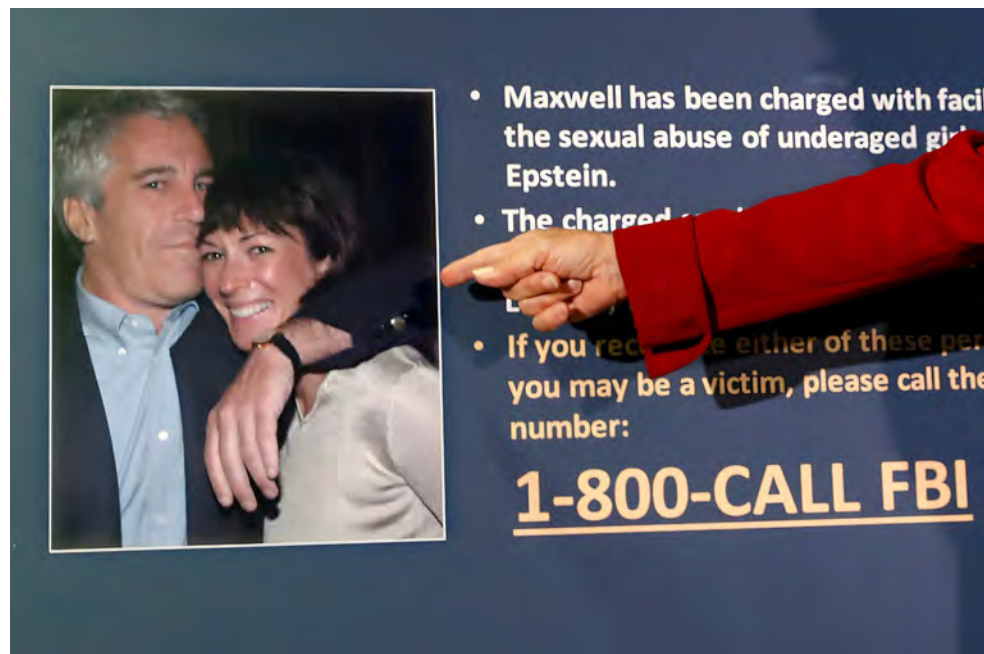

² <https://ru.wikipedia.org/wiki/Нигилизм> Wikipedia, the free encyclopedia. Nihilism.

further data what kind of old man or woman this is; they may well be a scoundrel, simply old now. Therefore, respect cannot be based on criteria that are not related to the formation of respect.

This example briefly illustrates the logic behind the Satanist-nihilist's study of the norm and his rational approach. And this Satanist rejects the moral norm of "respect your elders" not out of personal whim to satisfy comfort, but for reasonable reasons and can provide arguments in defense of his conclusions – the rejection of this norm³. In fact, this is conscious misanthropy and conscious nihilism.

I'd like to give an example of nihilism, based on the most high-profile case or "global scandal" associated with the "Jeffrey Epstein Files," which concerns the so-called sexual exploitation of minors. Antichrist Slut Sodomia herself never expected to become a defender of fascist accomplices, but I want to briefly examine this case from the perspective of Satanism, pedophilia, and nihilism. I'll quote from Wikipedia about the essence of this "Epstein affair" (thank Gosh it's not the physicist Albert Einstein ☺).

The Epstein archives contain millions of documents, images, and videos detailing the criminal activities of American financier and convicted child sex offender Jeffrey Epstein, including his social circle of public figures, politicians, and celebrities. The Epstein List is a purported document containing the names of high-profile clients to whom Epstein trafficked young women. Epstein's social circle, including politicians and celebrities, has fueled allegations that he maintained the list to blackmail these accomplices, and that his death in 2019 was not a suicide (as officially reported), but a murder committed to protect his clients. Allegations of the existence of the client list first surfaced immediately after Epstein's death and then gained further notoriety in 2025 following a since-deleted tweet by a former White House senior adviser and Department of Government Efficiency employee of Elon Musk, which claimed that US President Donald Trump was "in the Epstein files." The Trump administration, through the US Department of Justice, issued a memorandum on July 7, 2025, stating that no such list existed and that "we found no credible evidence that Epstein extorted prominent individuals as part of his activities. We found no evidence that would support an investigation of unindicted third parties." The memorandum sparked skepticism among political commentators across the political spectrum⁴.

The documents contained a draft of a 2007 federal indictment against Epstein and three of his associates, which was never brought to trial. According to newly released materials, the FBI began investigating Epstein in July 2006, and agents anticipated filing charges in May 2007 after several underage girls told police and the FBI they were paid for sexualized massages for Epstein. U.S. Attorney Alexander Acosta ultimately approved a plea bargain that allowed Epstein to avoid federal prosecution; instead, he pleaded guilty to a state charge of soliciting prostitution of a person under 18 and was sentenced to 18 months in prison.

The files also contained transcripts of FBI interviews with an employee at Epstein's Florida estate, who described his duties, including placing \$100 bills on the table next to Epstein's bed, disposing of used condoms, and placing a gun between Epstein's mattresses. The same employee told the FBI in 2007 that Epstein once instructed him to buy flowers and deliver them to a Royal Palm Beach High School student in honor of her participation in a school play⁵. In addition to the sexual allegations against Jeffrey Epstein, he is accused of working for various dictators, including Putin. Epstein was allegedly Putin's secret wallet and financier, an agent for Putin who blackmailed politicians around the world⁶.

You know, I'm not going to defend Jeffrey Epstein, saying he aided and collaborated with fascists. I don't like the idea of SOCG politicians and the help they receive from various collaborators, conformists, and pseudo-Satanists around the world. The Antichrist wants to point out that many of our world's "proper" moralists have pounced on this Jewish American and elite pimp for the following actions:

1. Epstein helped young underage prostitutes get on their feet, earn money, and lead a pleasant social life.
2. Epstein helped wealthy politicians or celebrities have fun. Allegedly, people can't take "prohibited" chemical compounds (stimulants, aphrodisiacs, psychedelics).
3. Epstein allegedly engaged in "dirty" sexual activities and, horror of horrors, pedophilia with 15-year-olds. The Epstein case is a case of "diving into someone else's bed linen," and the scum of this world is eager to get their hands on the famous pimp's underwear. Of course, child protection, or

pedophilia, is always a cover for vile moralists. Many scumbags fall for this bait—they're protecting sexually depraved minors from a global pimp.

Many anti-Putin bloggers, reporters, and journalists have been caught out by this issue, accusing Epstein of these "crimes." For Satan and Satanism, these actions are not evil or "crimes." **This is precisely an example of nihilism and Satanism.** The "Epstein case" clearly demonstrates that critters lacking Satan's inspiration lack the criteria for distinguishing GOOD from EVIL. They don't clearly understand that fascism and its prohibitions are evil, while prostitution and sexual activity are good. Without Satan's inspiration, critters cannot distinguish good from evil. Satanists can do this. This phenomenon appears precisely as nihilism. Consensual sex, the use of chemical stimulants, or psychedelics are a personal matter, and there's no need to pry into other people's underwear. Moralistic journalists, critters devoid of spirituality, do this even though they understand that Putin and Trump are psychopaths with NPD.⁷ Одно они понимают, но другое они не могут понять – у них нет ориентиров, которые есть у духовных сатанистов.

I already wrote in the grimoire "Gay Lust" that there are sexually developed people in our world who need passive sex from the age of three. The Antichrist Slut Sodomia is one of these people. At five, I was already fully engaged in anal masochism and dreamed of being fucked in the ass with a dick. By prohibiting pedophiles from having sex with "minors," as they call 15-year-olds, they deprive many sexually developed masochists of the right to sex at a young age, when they really need it. Many girls at 15 are already fully sexually aware, but evil forbids them from having sex because, according to their "law," norms, or dogmas, it is forbidden. I want to inform the monsters who believe that sexually developed people at 15 can't engage in sex, prostitution, or selling their erotic services that they are wrong, and that Satan and the forces of Hell consider their restrictions a crime. Sexually developed masochistic bitches of any gender should engage in sex and prostitution at an early age, not at 18, as the scum-fascists around the world dictate in their delusional endings.

To summarize the review of the "Epstein case": Satanist masochists need good pimps at an early age, and prohibiting people from engaging in prostitution is a crime. Interfering with a person's private sexual life is a crime. I have nothing good to say about the Jewish financier Epstein's connections to fascists (Putin or Trump) and their stolen funds (I emphasize this). Let all the fascists, their accomplices, and the evil critters of our world die. Don't get involved in consensual sex between people of any age – it's none of your business who fucks whom and what aphrodisiacs and stimulants they use for this purpose. **The Antichrist completely justifies Jeffrey Epstein in the areas of sex, pimping, prostitution, aphrodisiacs and stimulants, and organizing pleasant, depraved encounters.** This is an example of nihilism, Satanism, and a little devil's advocacy for Jeffrey Epstein on issues of sexual freedom for conscious adults. Don't confuse warm with soft – this phrase refers to the Epstein case. Fascism and the money stolen from people by fascists are evil, not "nude parties." Critters without spirituality cannot understand even such obvious things.

Next, the Antichrist Slut Sodomia will examine, in the introduction to SatanArt #33, the issues of Hell, Satan, and the "afterlife." In many ways, the views of all spiritual Satanists are similar, but each will have its own Hell. Therefore, the Hell of Antichrist Slut Sodomia will differ from the Hell of the evil critters. This is logical. Atheistic and spiritual Satanists will have different Hells. Please keep this in mind when viewing the paintings in SatanArt #33.

Please be aware that the Bible's tales of Hell and Satan are profanation and lies. One cannot base one's concept of Hell on ancient Jewish tales. Atheistic Satanists deny not only the existence of Satan, but also Hell, as a parallel dimension in which Satan and the demons of Hell reside.

⁷ https://en.wikipedia.org/wiki/Narcissistic_personality_disorder Wikipedia, the free encyclopedia. Narcissistic personality disorder (NPD).

It is worth noting that theistic Satanism is significantly more decentralized than atheistic Satanism. For followers of Spiritual Satanism, there is no single "Satanic Bible" or Pope. This means that beliefs vary not only from group to group, but also from individual to individual. One theistic Satanist might incorporate elements of heavy metal and anarchy into their philosophy, while another might be highly erudite and gravitate toward ancient Persian or Gnostic notions of a dark god bringing wisdom. This diversity is not a flaw, but a characteristic stemming from the strong individualism of Satanic movements.

Relationships with other Satanists: Tensions can exist between theistic and atheistic Satanists. The Church of Satan, for example, officially declares that "theistic Satanism" is an oxymoron, and that such people are simply devil worshipers, not true Satanists. From their perspective, worship of any external deity (even Satan) contradicts the Satanic principle that each person is their own god. On the other hand, theistic Satanists may view atheistic Satanists as missing the spiritual dimension or even as "pretend" Satanists, since they don't truly believe in the being whose name they use. In practice, many adhere to a "live and let live" approach, but it's important to understand that the term "Satanist" can mean very different things to different people.

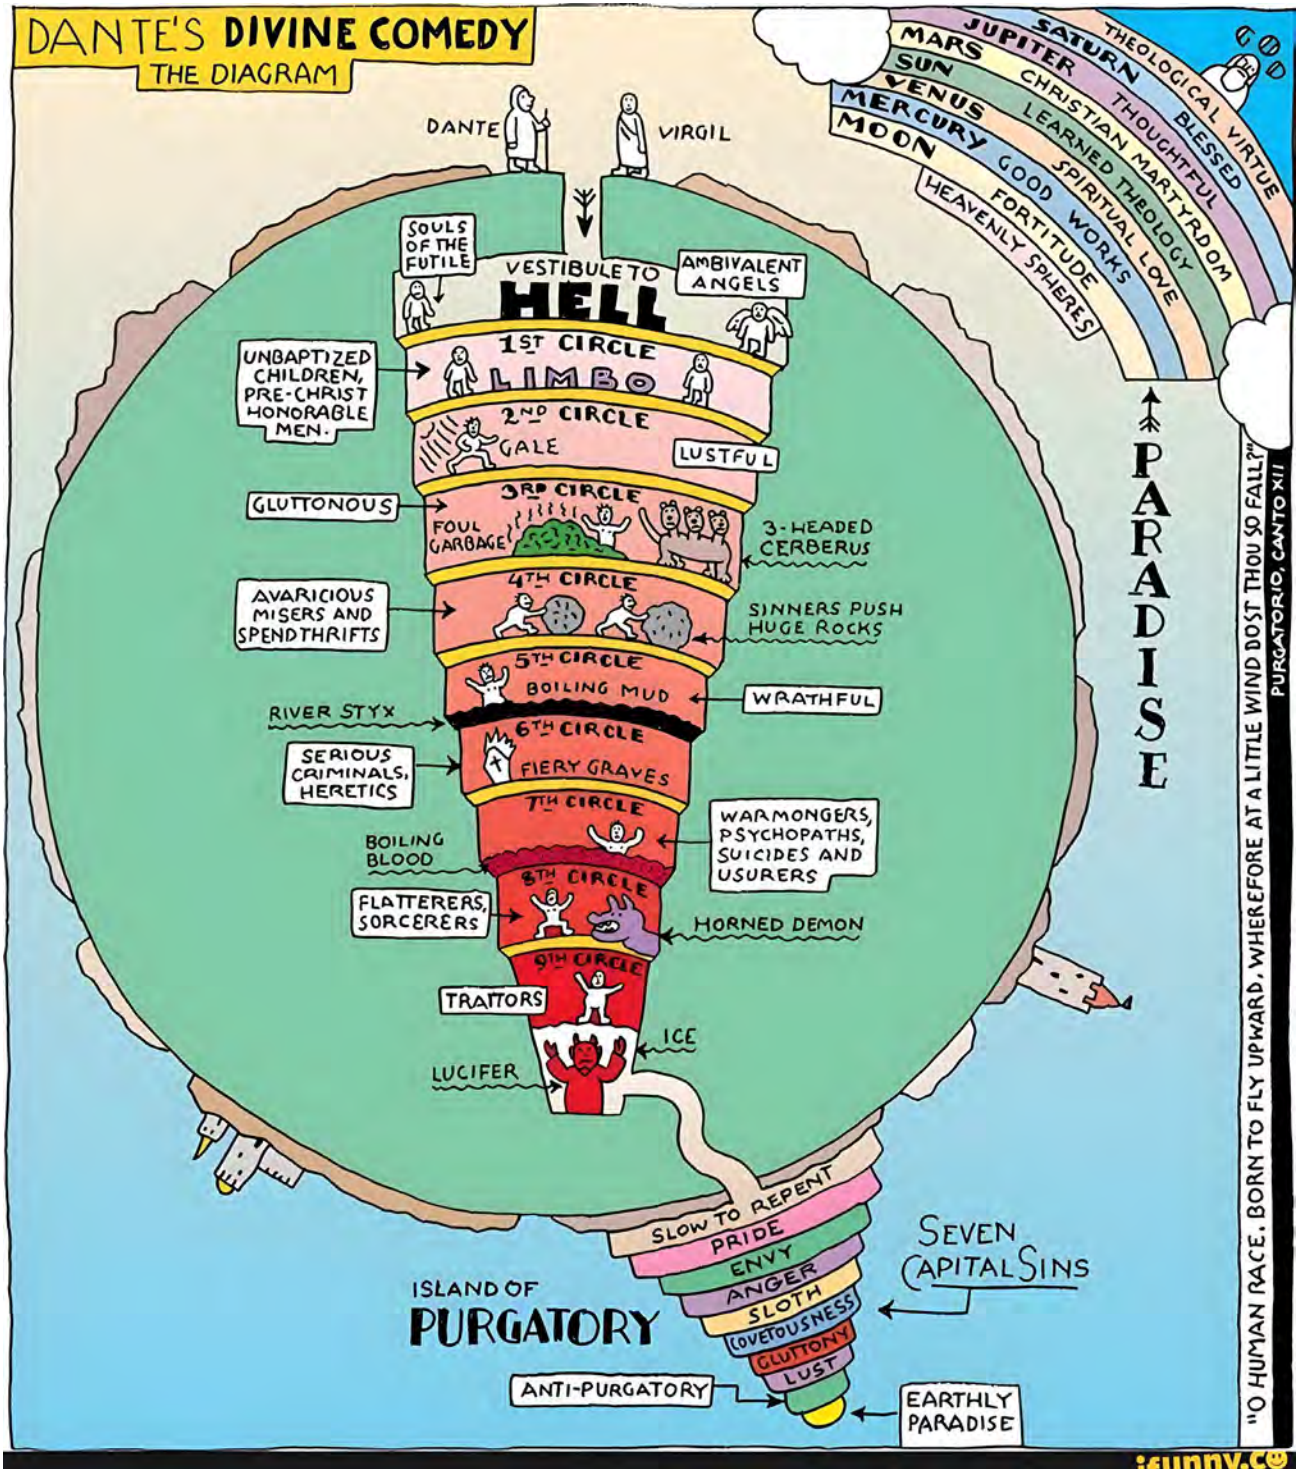

Theistic Satanism, at its core, is a deeply personal and often secret form of spirituality. Those who follow it consciously choose to side with a figure portrayed as the ultimate rebel. It is a path of establishing a connection with Satan (or a pantheon of dark gods) and finding strength, wisdom, and solace in this devotion. Practitioners often describe feeling called by Satan or that they have always, since youth, felt a connection to the "dark side." Fully embracing this path brings a sense of homecoming—they have found their spiritual niche.

Walking this path requires courage in a world, where admitting to Satanic worship can be met with strong condemnation. Therefore, many theistic Satanists live in the shadows—practicing their teachings quietly, perhaps under another religious guise. Nevertheless, they find strength in the knowledge that the Prince of Darkness watches over them and values their devotion in a way they never felt valued in other religions. Those seeking to understand this phenomenon might benefit from viewing theistic Satanism not as something strange or terrifying, but as another manifestation of humanity's desire for connection with the divine—just through a radically unconventional lens. These believers have chosen to seek the divine where others refuse: in the depths of the night, in the archetype of the Adversary, in breaking taboos. And many will tell you: they have found love, meaning, and spiritual growth there.

Whether one perceives Satan literally or not, theistic Satanists embody the principle of the Lefthand Path: "find your own truth, even if it is in dark places." They honor the ancient allegory that sometimes enlightenment comes not from a heaven of light, but from a serpent in a dark garden offering knowledge. By embracing Satan as real and worthy of worship, they reclaim the shadow and make it sacred. This journey is

not for everyone, but for those who are suited to it, it is deeply meaningful and empowering, lived under the wings of the Morning Star who fell and, in falling, found freedom⁸.

When it comes to Hell, many people are very skeptical about it during their lifetime. Fine, you can view Hell in that way, in another dimension. But, excuse me, the majority of the population of planet Earth now, during their earthly lives, lives as if in Hell. People's living conditions, their low level of development, their evil, and

⁸ <https://www.americanoccultist.store/blogs/ink-and-ash/theistic-satanism-worshipping-satan-as-a-real-deity> Theistic Satanism: Worshiping Satan as a Real Deity.

their vile spirituality—all of this constitutes Hell, but it doesn't take place in the "afterlife." I hope that this thought of the Antichrist will be understood by all who are capable of thinking and analyzing the facts.

In conclusion, I want to note the unique nature of self-awareness and the approaching Hell of Satan for people on the threshold of death. At the end of their earthly life, there is no critter or Satanist who would be indifferent to being sent to Hell, to Satan. Of course, for atheists or evil villains, thoughts about Hell and the "afterlife" should be unacceptable, but they are so brave only until the moment their quantum essence begins to transfer to Hell, to entropy. The Antichrist Slut Sodomia sincerely hopes that all the vile critters of our world will feel awe and fear even before approaching Hell, and in Hell they will receive fitting retribution for their mindless lives and crimes.

DEDICATION-ABSTRACT OF THE ALMANAC OF VISUAL ART OF GAY SATANISM SATANART №33.

I dedicate SatanArt #33 to the topic of Hell. This topic is more popular among Christians than among many Satanists. It's a surprising phenomenon when opponents of Satanists understand the parallel dimension of Satan-Lucifer better than the Satanists themselves. For many atheist Satanists, the topic of the afterlife holds little interest. They consider the "afterlife," i.e., the existence of their informational essence after death, either a fairy tale or a void. This type of Satanist is focused on satisfying physical needs in this world, and the topic of their informational essence's existence after death is not mentioned. In this regard, such atheist Satanists are little different from evil critters, deprived of Satan's spirituality. For Spiritual Satanists, the topic of Hell is also obscure and unclear, and is practically never addressed online or in books. This is a very surprising phenomenon, because Spiritual Satanists believe in the Spirits of Hell, but they say nothing about Hell itself. Of course, the Antichrist doesn't know all the currents of Spiritual Satanism and their interpretations of Hell, but this is precisely the trend. Remember the words of the Antichrist: information in

the quantum world doesn't die along with a person's physical body, but is transferred to another dimension, traditionally called Hell. This is not a fairy tale or the Antichrist's fantasy, but simply a fact. We all live in the quantum realm and are modules of quantum information. Quantum information in the quantum realm doesn't disappear immediately after a person's death. Unnecessary, empty, or malicious information is erased by Hell, through the quantum information entropy of Hell.

Each SatanArt album will contain 100 drawings from the main album, which I will accompany with a text description. In addition to the main album, Antichrist Slut Sodomia will use three other types of graphic material, which will be included without a text description:

1. Vignette images. These are graphic files related to the album's theme, but with simplified graphics. These will primarily serve as a "warm-up" for the reader, with explanatory posters or witty posters related to the album's theme.
2. Images of decorative elements and conceptual posters of gay Satanism. These are graphic files related to the almanac's design or general themes of gay Satanism. Connection to the album's theme is not required.
3. Publicistic and documentary images on gay parades, LGBTQ+ pride marches, carnivals, gay agendas, images of Satanists, tattoos, and gay paraphernalia. THIS GRAPHICS SECTION WILL BE INTRODUCED FOR THE SECOND VERSION OF THE SatanArt almanac albums, V2.0+. I will not be using it in the first versions, V1.0 or V1.1, of the SatanArt almanacs, reserving it for later, for the commercial publication of the books, as bonus content.

Each type of graphic material will contain up to 100 drawings, photographs, or decorative posters of Satanism and LGBTQ+. The vignette images serve as graphic decoration and a meaningful graphic supplement to the text⁹. The drawings of the decorative posters are the most laconic and symbolic design elements of SatanArt publications. Unlike the images in the album itself, all vignettes and drawings of the decorative posters are provided without descriptions. For the vignettes, I will use simple, decorative, and self-explanatory images, for which the Antichrist's explanations are unnecessary, or you can create your own. Documentary photographs on the topic of gay Satanism will serve as a pleasant supplement to the main content of SatanArt issues, but will not be related to the main theme of the almanac. This will be bonus content to enhance the mood of my readers—LGBTQ+ Satanists—and I plan to include them only in the "Significantly Supplemented and Improved" issues of SatanArt V 2.0.+.

The renaming of the "Gay Satanist Art Magazine" to the "Gay Satanist Art Almanac" was done because this form of literary work better reflects the essence of SatanArt publications:

1. Each SatanArt issue is dedicated to a specific theme, which is more similar to literary almanacs than to almanacs. The Antichrist has outlined many different themes for SatanArt almanacs to cover. The one that connects them all is gay Satanism. All almanacs are divided into PURITAN issues and SEXY issues. This choice is based on the issue's theme and illustrations. Puritan almanacs will not contain pornography or explicit erotica. Such e-books can be posted on many public Web 2.0 sites¹⁰.
2. SatanArt is not published regularly, but I hope it will be more than once a year. I plan to publish 6-12 almanacs per year.

The second change concerns the free distribution of the first versions of new SatanArt almanacs. There will be a free version and a commercial version of SatanArt, in PDF format. The differences between the free NON-COMMERCIAL version of the new SatanArt almanacs and the COMMERCIAL version are as follows:

1. All first versions of new SatanArt almanacs will be distributed free of charge online, so that anyone can access them without payment. Free SEXY versions of SatanArt cannot be posted on every public online platform, as pornographic/erotic books are prohibited on many public Web 2.0 websites. Please keep this in mind (the Antichrist doesn't like the puritanical rules of site owners, but these are their sites, therefore their rules).
2. The preface in the free version of the SatanArt almanac will be limited to 3-5 pages of topic description. In the commercial version, which I call the SECOND VERSION, the preface will be expanded and expanded six to ten times, turning the almanac into a book. The second version of the Gay Satanism publications is an improved and expanded version of the first version and is the COMMERCIAL VERSION of the Gay Satanism publications. It can be purchased in Gay Satanism stores.

¹⁰ https://en.wikipedia.org/wiki/Web_2.0 Wikipedia. Web 2.0 = Websites that emphasize user-generated content.

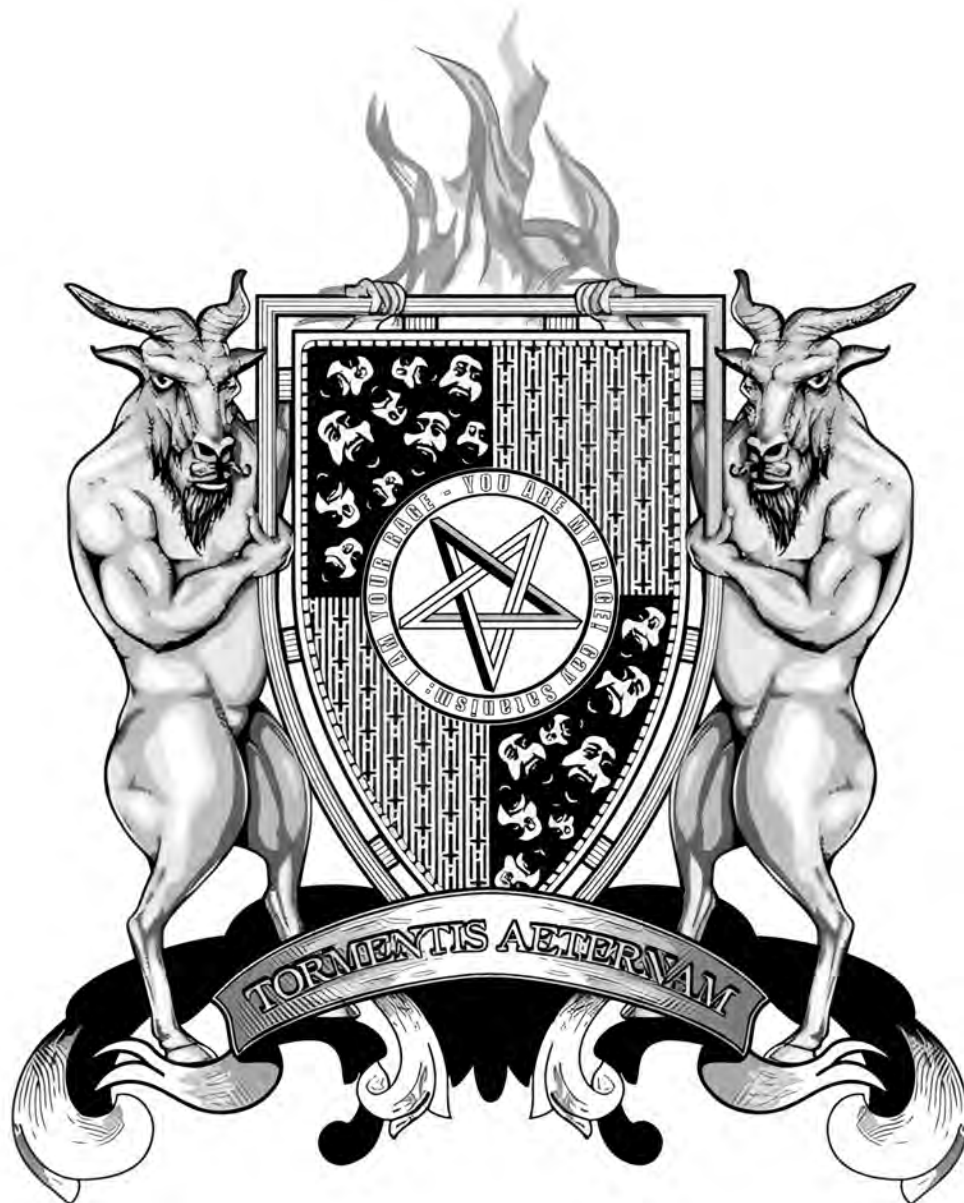

3. The Antichrist will only make available free PDF versions of SatanArt, which have compressed images, a loss of image quality, and are suitable for viewing on a monitor or mobile device, but not for high-quality printing. These will be SMALL FREE versions of the almanacs. These small PDF versions are approximately three to five times smaller than their commercial counterparts in maximum quality.
4. Paid versions of the SatanArt almanacs will be available in maximum quality, in DOCX, PDF, EPUB, and DVJU formats, and will be sold for a fee on Gay Satanism stores. These COMMERCIAL editions are intended for publication on paper, in print, or for collectors of high-quality e-books.

Commercial versions of Gay Satanism books and almanacs will be sold in the Antichrist Slut Sodomia stores. This is my plan to monetize my literary work on Gay Satanism. The Gay Satanism digital edition store accepts cryptocurrency payments, but payments can also be made by traditional bank card through reliable cryptocurrency wallets or reputable cryptocurrency exchanges. More information about cryptocurrency and its importance can be found at the end of SatanArt almanac from Antichrist Slut Sodomia. Cryptocurrency is the future! If you haven't yet started using cryptocurrency, start as soon as possible, for example by purchasing e-books of Antichrist Slut Sodomia.

A more detailed text section of this almanac, SatanArt #33, will be prepared by Antichrist Slut Sodomia in a second, commercial version of this publication, V1.1. Gay Satanism publications are sold in Gay Satanism online stores in excellent digital quality and in various digital formats – as e-books and as source materials for printing paper books.

SatanArt #33 is a puritanical publication about a surreal artistic representation of Hell, and does not contain explicit erotica (except for a few minor points). SatanArt #33 may be posted on publicly accessible, puritanical websites, as it complies with the prudish norms of popular websites regarding erotica and "sensitive content," under a CC BY-ND 4.0 license.

	
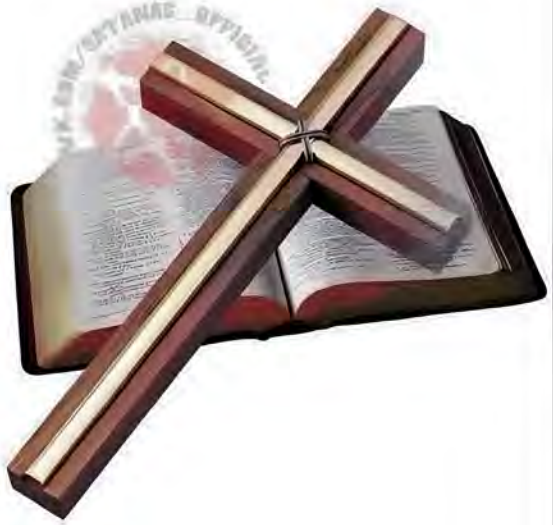

Злой Сатана Действуй согласно своей воле, развивайся и становись мудрее, будь свободен, не будь зависимым ни от чего мне не нужно твое поклонение, ты сам бог не позволяй никому себя унижать знай себе цену.	Добрый Бог Что? Человек? Ты-ж говно? Я твой творец, бойся меня, почитай меня, поклоняйся мне, ты ничто предо мной, я твой хозяин, а ты мой раб, приноси мне жертвы, будь покорен, терпи все муки и унижения и может-быть тогда я сжалюсь над тобой, помни, что ты - всего лишь пыль, но тем не менее я люблю вас

Image 3202. A Christian accomplice of evil. Sweet humility, piety, and the propaganda of submission to evil lead to people living in the hell of Our World, even during their lifetimes. Evil has captured the entire planet Earth, in the form of states, religions, and superfluous people, the human species without the inspiration of Satan or the EIQF. Superfluous critters lack spirituality and end up in the true Hell with Satan, Demons, the Antichrist, and Satanists, after their torment in Our World.

Death transports them to a parallel dimension of Hell for entropy.

Image 3203. Evil isn't just an abstract concept, it's a very real thing. In this picture, evil attacks people's consciousness through television, through propaganda. There are countless ways to lure people into evil's traps: stability, pensions, social guarantees, the "middle class," prosperity, the evil's loyalty to conformists, and so on.

The Torment of Saint Anthony (Italian: Tormento di Sant'Antonio) is an Italian painting from the late Quattrocento, developing the plot of a late Gothic engraving by Martin Schongauer. In 2008, its authorship was recognized as being that of a 12- or 13-year-old Michelangelo.

ТОВ. ТРОЦКИЙ— „ПОЧЕТНЫЙ МИЛИЦИОНЕР“

Image 3244. The Jew Leon Trotsky is creating hell for Russians. The evil SOCG always promises people good things, but always delivers only nastiness and evil. This is what all fascists do, not necessarily Jews. All states are criminal organizations that take away people's spiritual freedom and engage in extortion (they call it taxes and duties) on the population in territories of the Earth under their control. Fascist communists are no exception.

Image 3245. Russians are in their own hell. Scumbags of Russia question Lenin in the village. That bastard Lenin lies to them about "Land to the peasants," "Factories to the workers," and "All power to the Soviets." Some communists still run around our planet Earth with this nonsense, propagating these communist slogans. After 70 years of communism in the USSR, it has become clear that these are the lies of the Red fascists.

Image 3251. The Entropy of Hell by Paolo Girardi. Interestingly, this artist depicts Hell and Satan only from the perspective of decline. Besides images of decline, i.e., increasing entropy, there are also images of the euphoria of Hell. I collected these images in the SatanArt almanac #8. "A Hell of Euphoria for Satanists and the entropy of the afterlife for critters. A sexy edition".

I've already written that Hell is different for the beasts and for Satanists. This difference is roughly equivalent to the difference between ancient savages and modern AI developers. It's the same difference as the capabilities of the poor and the rich. These are the differences between Satanists and the beasts of evil in our world. Being a Satanist brings euphoria and bliss in Hell, and the powers of Black Magic return to their hands. Synergy with Satan elevates the offended souls of Satanists, reconnecting them with the Great Soul of Satan. Thus, for the beasts of evil, Hell is a place of punishment and entropy, while for Satanists, it is a place of magic and vengeance against evil. There is no separate "heaven," and it certainly isn't for the scum without spirituality.

The word "Gehenna" (Greek: γέεννα, from Hebrew: גֵּי הִנּוֹם — "Ge Hinnom") originally denoted a real geographic location—the Valley of Hinnom (or Hinnom) southwest of ancient Jerusalem. Gehenna of fire is an image symbolizing not only physical suffering but also the moral torment associated with the lives of critters and their evil deeds. The term "GEHENNA" is a Christian term, but the Antichrist will try to give a brief explanation of this term. Gehenna vs. Hell: What's the difference? The terms are often confused, but there are nuances between them:

Hell is a general concept of the afterlife, the abode of souls after death.

Gehenna is specifically an image of eternal condemnation in Hell. In Christian eschatology, Gehenna is the fate of unrepentant sinners after the general resurrection. In Satanism, such a term doesn't exist, in principle. Therefore, these terms can be considered synonyms: Hell for critters = Gehenna of fire.

Image 3262. "It's a mad, mad, mad world." This is a mad, mad, mad world. Critters chasing a suitcase of money. For many, acquiring money and wealth becomes the meaning of life, for others, a means of survival. The whole world revolves around money. This is part of the hell of our world. I don't know the exact original meaning of the poster.

Image 3267. The entropy of evil critters in the world of Hell. Fragment of an ancient painting.

Image 3268. An ancient, grandiose painting of Hell in the Christian tradition. The saints at the top of the painting await Lucifer's "reception." The invitation and summons to Satan's Hell is their physical death in our world. I don't know what these sanctimonious sectarians are counting on, but they don't deserve a euphoric "paradise."

The Christian sect has revealed itself as a totalitarian sect, committed to imposing its dogmas through violence, deception, and subservience to evil. For many centuries, the Christian sect has demonstrated its vileness and hypocrisy. The goal of the Christian religion is to deprive people of the true, natural inspiration of Satan—this is the main evil of these sectarians.

Image 3269. A modern depiction of Hell in the surrealist style. This is perhaps the most appropriate style for hellish paintings. Quite often, paintings of Hell feature a black sun, which can also be interpreted as a black hole. This is no coincidence, as black holes are true gateways for quantum information transfer between dimensions. The Antichrist Slut Sodomia wrote about this in detail in her grimoire "Gay Lust."

Image 3270. The Infernal Feast. In the foreground, Anubis (on the right) and Osiris (on the left) are possibly depicted. At the table, Jesus, possibly Leviathan, Horus, and Satan-Baphomet (from left to right), are eating. A surrealistic Satanism. The painting's exact subject is unknown, but there is a connection to the "Left Eye of Horus" of Egyptian mythology.

Osiris is one of the central gods of the ancient Egyptian pantheon, revered as a symbol of life, death, and rebirth. His cult played a key role in the religious and cultural life of ancient Egypt, influencing Egyptian beliefs about the afterlife and the immortality of the soul. **Anubis**, a captivating deity of ancient Egypt, was considered one of the oldest and most important gods in the Egyptian pantheon. His image, depicted as a man with the head of a jackal or a black dog, is surrounded by powerful symbolism linking him to death, rebirth, and the protection of the deceased during their transition to the afterlife. Horus is a powerful god of the sky and sun, whose cult flourished for millennia. **Horus** was the living embodiment of divine justice, the protector of righteousness, and a symbol of the eternal struggle between light and darkness. Horus was considered the son of Osiris and Isis, and his mythology was intertwined with the Osirian cycle of death and rebirth. Protector of the Dead: in Egyptian Mythology. Horus was considered the protector of the dead and the pharaohs. The Egyptians believed that Horus escorted the souls of the dead to the afterlife, where they would be judged by Osiris.

Image 3271. The Christian concept of Hell, after death. Interestingly, opponents of Satanism (Christians) promote Satan, Demons, and their abode in a parallel dimension, traditionally called Hell. Christians promote Satanism.

There are other names for the "afterlife" around the world, but in European culture, the word "Hell" is already an established term. There's little point in inventing a new term when the image of "Hell" already peddled by Christians exists. It's better to correct this image by adding positive aspects for Satanists. For Christians, Hell is merely a place of torment and punishment—so be it—but for Satanists, Hell is a place of power, euphoria, lust, pleasure, and a place of vengeance against evil.

It is believed that Dracula's prototype was a real historical figure—the 15th-century Romanian prince Vlad III Tepes, also known as Dracula (from the Romanian word "dracul"—"devil"), ruler of the medieval principality of Wallachia. Naturally, this evil medieval fascist has no connection to Satan.

Image 3281. Albrecht Dürer's "Apocalypse," woodcut. In 1500, they thought Hell would look like this for the beasts, but they were mistaken. The hell of the medieval bastards is the exaltation of religion, the church, the state, prohibitions for people, unsanitary conditions, and reproduction. The beasts allowed evil to rule over them already in the Dark Ages.

In modern historiography, the term "Dark Ages" is used to refer to a narrow period of time from the mid-6th to the mid-8th centuries. These centuries were called "dark" (or gloomy) because they were perceived as a period of regression, a decline in culture and art compared to antiquity. The famous series of woodcuts by the German painter, draughtsman, and engraver Albrecht Dürer, created in 1496-1498 after his first journey to Italy. The series of fifteen engravings, illustrating the Revelation of St. John the Evangelist, is executed in the traditional technique of xylography. First published in 1498 in Nuremberg in Latin and German. The popularity of the engravings in the series was associated with the widespread expectation at that time that the end of the world would happen in 1500. In 1511, a second edition was published, for which Dürer created another engraving for the frontispiece. The most famous engraving in the series is "The Four Horsemen of the Apocalypse".

INFORMATION ABOUT THE SATANART GAY SATANISM VISUAL ART ALBUMS-ALMANACS AND GAY SATANISM

KEY THESES FOR UNDERSTANDING SATANIC IMAGES IN ART

Gay Satanism is not a religion or a sect. Gay Satanism is the spiritualization of man by Satan. This term has another meaning. Gay Satanism is a creative direction of the artistic genre created and developed by the Antichrist Slut Sodomia. I do not want gay Satanism to become a religion, but I want it to become a fan movement for the liberation of one's own consciousness from the shackles of the evil of our world. Under the auspices of Satan, with the Antichrist Slut Sodomia incarnate. Gay Satanism is for all people spiritualized by Satan. Not only for gays and people of homosexual orientation. All people spiritualized by Satan are disciples of our Teacher Satan. We are all Satanists. The difference between Satanism and religion and evil is that it is an individual spiritualization. Mass demonstrations under the guise of Satanism are impossible, because Satanists are introverts. Fake Satanists of the future will gather herd gatherings of pseudo-Satanists (football fans, music fans, fans of the SOCG¹¹ or religion). A meeting of real Satanists is a sexual orgy or a sabbath of unity with nature in the nude. Other types of mass demonstrations of belonging to

Satanism are fiction and a parody of Satanism.

Satan is good. Satan is the Tamer of evil. Satan is revenge for evil in our world. Satan is Joy, Pleasure and Happiness. For the evil forces of our world, Satan is the main enemy. Satan is an image in the consciousness of man and a mystical experience of connection with the spirits of another dimension, which is called Hell. For Satanists, Hell is their home. Connection with the spirit of Satan occurs at the quantum level. Modern science already studies and uses the quantum level for applied tasks. Satan is the main spirit of Hell, the Lord of critters, the Teacher of Satanists. Satan is not a god. Satan is the Spiritualizer, the source of black magic, the Alpha and Omega. Satan is the Adversary of evil and the Accuser of evil. Satan is the Father of all Satanists.

¹¹ SOCG is an acronym that stands for the true meaning of state. State Organized Crime Group. The term was coined by Antichrist Slut Sodomia for the Gay-Satanism grimoire "Gay Lust".

Lilith is the Mother of all Satanists. Satan and Lilith are the sources of Satanic lust for all their Satanist children. Satan is the internal spiritualization of a Satanist, and not dogmas, sermons of priests or religious books. At the same time, Satanism does not deny the importance of biological parents.

Darkness, the abyss - this is the world of soulless critters, their states, their stupidity. This is the occupation of planet Earth by usurpers of power in the form of the SOCG. This is the image of the evil of our world. In some cases, they mean the opposite, because it is the evil of darkness that gives birth to Hell, vengeance and Satanists. "Children of darkness" in this case mean Satanists. Also, the image of darkness can mean Hell for the forces of evil.

Light is Satan-Lucifer. Light is Satanism and Satanic spiritualization, bringing man closer to nature. This is liberation from the shackles of evil and this is the image of freedom. This is the image of the Tamer of evil in our world and in Hell.

Sadness, sorrow, regret - this is an indication of the understanding that evil has embraced the whole world and the Satanist has to live in our world, under the yoke of evil. The main sources of evil are: crowds of inanimate critters, SOCG. This definition of the term is specifically for Satanism and for Satanists. Also, these images can mean ordinary human emotions in relation to people.

Vengeance - this image is important for all Satanists. Revenge on evil in our world and in Hell. Inanimate critters, activists of the SOCG, deceivers of religions and other evil will certainly be subjected to revenge and information entropy.

Return of the land and return of freedom to people - this image is important for all Satanists. It means the overthrow of all SOCG and religions, cleansing the earth from inanimate critters, from their stupid and senseless evil. This is the image of cleansing the planet Earth from states and their totalitarianism.

Night is the image of the fact that a Satanist in the world of evil in our world, goes practically by touch. The light for him in the night is his Satanic spiritualization. Darkness thickens at night and light is needed most of all at night. The term night is similar to the term darkness, but does not mean evil itself, but uncertainty and difficulty in orienting oneself, acting, living without light. Lost, abandoned and forsaken - this image in Satanism means that Satanists are no longer in Hell and that Satan and the forces of Hell are not directly accessible to them. Only through Satanic spiritualization. It also means that in our world Satanists do not have their own magic for the instant destruction of evil, as in Hell, in Satan's dimension.

Religion is a dogma of worship of lies and evil. Religion is a substitution of true spiritualization by Satan for critters. All evil critters are deprived of spiritualization by Satan, therefore they replace Satanic spiritualization with God and religion. Religion is a sect, a community for critters for whom herd mentality is important.

God is the canon of evil, an example of a despotic, theocratic idol of evil. God does only evil and God is evil, even because he deprives man of true spiritualization by Satan, i.e. the true Holy Spirit. There have been many gods in the history of the human species. All gods of religion are united by malice, connection with the state and with the leaders of the SOCG.

Antichrist is a common noun, not a proper name. It is written with a capital letter, like the word Satan. The concept of Antichrist means the development of a high degree of Satanism in the consciousness of a person. The term Antichrist also means a Satanist who is close to Satan and the forces of Hell and has a high power of black magic. A synonym for the word Antichrist is the expression Great Magician of Satan.

Satanism is the spiritualization of people by Satan or other demons of Hell. Satanism can also be considered as a philosophical concept that opposes theocratic dogma and the state machine of lies, violence, prohibitions, imputed duties to evil, herd behavior. The main difference between Satanism and religion or other philosophical concepts is that the spiritualization of a person by Satan and the forces of Hell occurs from

another dimension at the quantum level. Therefore, Satanism is an internal part of human consciousness, and not imposed dogmas of our world through the media, culture, propaganda, morality, prohibitions or education. Satan's enlightenment comes to a person at birth or develops consciously, in later life. Satanism opposes the evil of our world and the lies of our world.

Satanic lust is a developed and perverted sexual attraction, a constant desire to have sex, a desire to corrupt oneself and others to free oneself from the prohibitions of evil. Satanic lust is not just a sexual feeling, but a special Satanic practice for knowing oneself, getting closer to Satan, and liberating oneself on an animal level. The peculiarity of Satanic lust (especially gay lust) is that Satanic sex is not aimed at procreation or at making new human offspring. Satanic lust is always aimed at receiving pleasure or for tantric meditation. Of course, Satanists can make children if necessary.

A Satanist is a person who has Satanic inspiration. Many clues about the lies of evil are given to the Satanist not only by the inner critical thinking, but also by the mental connection with Satan and the forces of hell. Satanic spirituality often gives the Satanist a feeling of introversion and individualism. Satanists and gays are always proud of their personal spirituality or the achievements of their spouse. Satanists and gays are proud of their Satanic spirituality and perverted lust. Satanists are proud of Satan.

An unilluminated (unenlightened) critter is a person deprived of spirituality. This is a zombie and a cog in the evil system. Inanimate critters are accomplices and assistants of evil. Unilluminated critters prevent Satanists and the entire human race from living happily, receiving spirituality from Satan. Inanimate critters love herd mentality and submission. They cannot live without territorial oppressors, enslavers and false information of evil. Such people make up more than 90% of the population of planet Earth. These people have instincts of survival and adaptation. These people have no connection with Satan or with the External Information Field of the level of awareness. Critters can be called a biological shell or imitation of real people. Critters always choose evil, herd mentality, conformism and speak in templates from media propaganda or voice the dogmas of religion.

The state is an evil system that has divided the entire world into territorial zones of influence and terrorizes people with its prohibitions, oppresses with prisons and physical violence, creates conflicts between criminal gangs and plunges people into wars between criminal gangs. The state is the main source of evil. The state is a materialistic sect with its dogmas, rules of conduct and a system of oppression of the individual. The state = international military criminal groups = occupiers of the lands of the Satanists = criminal gangs = SOCG.

Fascism is a form of social organization expressed by discrimination by the state against its own citizens, that is, under fascism the supremacy of the state over the individual is recognized. Fascism is a state. Fascism is a state vertical of power, a structure of power and the people who participate in it. A strong state = a fascist totalitarian regime. The word comes from the Italian fascismo, fascio - union, bundle, bunch, unification; fascio di combattimento - union of struggle. Fascism is also an ideology and a socio-political movement within the framework of authoritarian or totalitarian militaristic ultra-nationalism and a corresponding dictatorial regime with strict regulation of society and economy. All states strive to regulate everything and on any issue. To do this, they constantly spew out different laws from their cesspools. All states are fascist territorial sects with their own ideology, rules and methods of oppressing the individual. Fascism is a system of evil, in which a small group of people believes that they can dispose of other people, command people, deceive people through the lies of propaganda and the laws of submission to evil established by fascism. All SOCGs are fascist and their goal is material enrichment, social intraspecific elevation above other individuals of the human species and the possibility of oppressing people by psychopaths. All fascisms are built on the principle of SOCG. Real spiritual Satanists hate fascists, do not celebrate their fictitious holidays and try not to submit to this evil.

Fascists, officials, bureaucrats are the evil of the human species, in suits or other costumed special clothing, who work for fascism or profess the principles of fascism. These critters will receive such a reprisal in Hell that they will be ready to give all the money of our world to avoid entropy and retribution of the forces of Hell. But, it will be too late. Fascists, officials, bureaucrats of the SOCG, who are not economic-social-municipal employees of society, are criminals. Only a small part of the fascists are involved in improving the economic-social-municipal economy of people, and the majority of fascists are useless and harmful criminals.

The laws of the SOCG and other territorial fascist groups (local governments, prefectures, regions of the empire) are mandatory rules established by evil for people, with the aim of realizing the goals of fascism. All SOCG and fascist communities have their own laws to regulate behavior in the territories occupied by fascism. Satanists understand that the laws of evil are created for inanimate critters, with the aim of their subjugation, stupefaction and material use.

The positive activity of organized territorial entities is the organized management of communal services that is useful for the society of people, the development of the infrastructure of the society of people, maintaining the cleanliness of the territory and other social actions that are useful for the life of people, on the part of economic and communal local governments, prefectures, regional centers of territorial management. This is not a state, not an empire and not fascism. The Antichrist Slut Sodomia supports such activities and does not consider economic management to be fascism or evil. Currently, most territorial administrations support the fascism of the SOCG and are part of it. In a (future) society without the SOCG, the activities of organized territorial entities should be only economic and auxiliary, without politics, propaganda, religion and criminal concentration of power.

A patriot is an active fascist or active Nazi of his SOCG. A patriot is a person stupefied by propaganda who believes that his SOCG is better than another SOCG and he, as a member of this SOCG or a nationality within the SOCG, must do something for his SOCG in a selfless desire. A patriot is a slave of the SOCG. It is important for a patriot to be well proud of the greatness of his SOCG or the greatness of his Nazism. The pride of a patriot is always groundless, stupid and not aimed at pride in himself or his spouse. The pride of a patriot is always impersonal and is pride in the evil of the state regime that has seized the territory of the critter's habitation.

Patriotism is a person's smearing in the evil of pride in the fascism of a group of politicians or the Nazism of a certain SOCG or union of SOCG. Patriotism is a method of stupefying people, in which one SOCG exalts its importance in the eyes of people over another SOCG. Patriotism is belonging to a certain and evil group of lovers of local fascism, i.e. occupiers of the territory. Sometimes, the delirium of patriotism occurs at a distance (beyond the borders of one's SOCG) - then the patriot raves about the greatness of his SOCG, while being on the territory of another SOCG.

Propaganda is a constant, massive and avalanche-like lie of the SOCG about its greatness and its particularly outstanding character. The goal of propaganda is to make a person stop thinking critically and make him believe that he has a duty to the SOCG. For example, a duty to die in a war for the ideas of the SOCG, which are invented by the top of the ruling regime of this SOCG. Or a duty to obey the SOCG gang or a religious clan. Propaganda can be state and religious. In the world of the developed civilization of the white race, since the 19th century, the propaganda of the SOCG prevails over religious propaganda. Among the savages and religious fanatics of the damned peoples, religious propaganda still leads.

External Information Quantum Field (EIQF) is a general term for processes and structures in our world and other dimensions that are invisible to the human senses but exist at the level of information (quantum or even more complex types of interactions). The EIQF, Hell, Satan, human consciousness, the Internet—everything that exists consists of some kind of information, and they are interconnected informationally and mentally. Modern human science as of 2025 lacks the ability to describe and study the EIQF, but this does not

mean it does not exist. Quantum science and quantum computers already exist, but this is only the beginning of an understanding of the EIQF. The EIQF is not the same as the gods of religions, the Internet database, electronic information on planet Earth, or a paradigm. Beneficial entheogens help one see, hear, and connect to the External Information Quantum Field. They allow one to overcome the barrier of perception beyond the normal human senses. Some people can sense the External Information Quantum Field even without the aid of entheogens. The External Information Quantum Field most closely resembles a global multiverse, represented as a gigantic set of information and the algorithms for its interaction.

All that exists consists of information, our world consists of information. The interaction between multi-universes occurs at the quantum-information level, faster than the speed of light. The speed of light is extremely small, compared to the level of quantum interaction between parallel dimensions.

Black holes are passages between universes. No gross matter can overcome a black hole. Only quantum information can pass through them. Through black holes, our world is connected with the world of Satan, i.e. with Hell. A black hole is a quantum tunnel for spiritualization by Satan.

The damned are people or entire nations who rejected Satan or committed atrocities for which the black magic of Satanism was imposed on them. Damnation manifests itself as degradation, decline, physical or mental torment, mental pathological state of doom, constant lies, stupidity, lack of talent, dirt, complicity with evil, religiosity. Evil is a marker of damned critters, it is the absence or rejection of satanic spiritualization, these are the deeds of critters to degrade their spiritualization. Evil is always filled with stupidity and lack of talent from spiritualization by the External Information Field. Evil critters are inanimate (unenlightened) biological shells, which are characterized by religiosity and a craving for herd behavior, under the leadership of the SOCG. The state, religion and dark herds of evil, selfish, inanimate critters are the main forces of evil in our world. The God of religions is EVIL. His main difference from Satan is his dogmatism, not his natural spiritualization of man. God forbids, Satan permits.

A faggot, a pederast, a slut, a bitch, a passive bottom are slang names for passive gays in a perverted form. I use all of these forms and they are all grammatically correct because this is the language of gay lust. The faggots themselves love such words. They love to distort these words; they love when these words are pronounced with humiliation. Analogues of these words in English: faggot, fag, looser, slut, bottom slut. A gay slut is a passive faggot who is not necessarily an MTF trans, but usually has a desire to become one. The term slut can be used to refer to any passive gays. The traditional desires of sluts & bitches are the desire to be fucked in the ass. Bitches want to fill their anal cunt with sperm and absorb sperm into themselves.

Anal cunt, cloaca, gay cunt – all these words are synonyms and mean asshole, intestine and faggot lust during anal sex. Such sexual words are used for faggot copulations, to add piquancy, perversion and depravity to them. A faggot's cloaca is an organ with two functions: to remove feces and to receive sexual pleasure. I like these sexual terms.

LGBT or LGBTQ or LGBTQ+ or LGBTQIA+ is an abbreviation for the words "lesbian", "gay", "bisexual", "transgender", "queer", "intersex", "asexual", "Asexual/Aromantic/Agender", plus additional categories of unusual people, their unusual ideas and extravagant communities. The Grimoire of Gay Satanism uses the designation LGBTQ+ — a community of sexual minorities and perverts united by common interests, problems and goals. It consists of various communication groups, communities, subcultural movements, queer neighborhoods and queer organizations. All designations are equivalent. In the grimoire, I use the designation of the LGBT community with an additional letter Q and a plus sign. The letter Q stands for queers, and the plus in the name means that I also include feminists and all other people with non-standard views in the community: zoophiles, pedophiles, watermelon lovers 😊 and other perverts. I believe that feminists are close in spirit to LGBTQ+ and are part of it.

Queer is a collective term used to refer to a person whose sexuality and / or gender identity differs from the majority.

MTF transwomen and dickgirls are fully transitioned gay faggots who identify themselves as female with a male penis (in original form). Large female boobs are an optional attribute for MTF transsexuals. The abbreviation MTF stands for Male-To-Female transgender transition vector. Trans transition is very important for Satanism. Almost all MTF transsexuals are inspired by Satan and are Satanists. There are several levels of trans transition, which Slut Sodomia highlighted in her grimoire of gay Satanism, *Gay Lust*. For more information on penisgirls, read Slut Sodomia's *Grimoire of the Antichrist*.

CIS, Cisgender - these terms (cisgender is often shortened to CIS; sometimes cissexual) describe a person whose gender identity corresponds to the sex assigned at birth, i.e. a person who is not transgender. The prefix cis- is of Latin origin and means "on this side". The term "cisgender" was coined in 1994 as an antonym to the word "transgender" or "non-binary person" and entered dictionaries in 2015 as a result of changes in public discourse about gender. The term is an analogue of old-fashioned expressions from past centuries regarding sexual orientation and gender of people: (normal ordinary woman) = CIS woman and (normal ordinary man) = CIS man. At the moment, any gender and sexual orientation of people is recognized as "normal". Among the advanced peoples of white civilization, our world, sexually retarded savage people, homophobes and transphobes are recognized as abnormal. A synonym for this term can be the phrase NON-TRANS, and an antonym NON-BINARY or TRANS.

Entheogens are substances of plant, fungal, chemically synthesized, or animal origin that allow a connection with the "entheos," that is, with the inner divinity, with the "divine principle" (entheo + genesis). This is the same Greek root of the word theology, Zeus (teus, deus), enthusiasm (in theos, "one who lives in the divine"). Entheogens or psychedelic drugs such as lysergic acid diethylamide (LSD), DMT, marijuana, fly agaric, and psilocybin are associated with mystical experiences. At present, fascist drug laws limit their research. But major biomedical research centers have already found that entheogens predictably cause mystical experiences and, thus, allow us to study the state of the brain during these experiences. entheogens are not drugs because they not only do not escape from reality, but also bring you closer to it, and do not cause any physical tolerance, withdrawal or dependence; therefore, most of them are not illegal (ayahuasca, bufo alvarius, yopo, san pedro) and are used to deepen and deactivate from the very beginning the mechanisms and programs that interfere with our freedom and inner peace, leading us to self-knowledge and rediscovery of our true I-ego through connection with the External Information Field or with the Spirits-Demons of Hell.

ZooSex and ZooPhilia are the normal human desire to have sex like animals, imitating animals or with real animals (usually a large dog or horse). Man is an animal and there is nothing surprising in the desire to deepen his animal nature through transformation into an animal or through sexual intercourse with an animal. It is interesting that only a small number of people are involved with real animals, because it is difficult to organize. A significantly larger number of lovers of sex with animals prefer to fuck like animals or dress up and impersonate an animal. There is nothing wrong with this. Satan and Satanism approve of this, and the forces of evil prohibit or condemn it. Synonyms for the concepts of zoosex and zoophilia are such terms as bestiality and therianthropy. A light version of zoo-Satanism for children and adolescents is playing quadro-players, quadrobbers, furies, puppies without a pronounced sexual component. Zoophilia is equally loved by heterosexuals and homosexuals. Among gays and Satanists, there are not many lovers of animal sex, presumably up to 10% of the total gay population of planet Earth (a very rough estimate, for understanding. On farms this percentage is higher: 30%, in cities less). Most gays and Satanists prefer sex with people, without transforming into an animal. Zoophilia is not suitable for all people, but it is a good kind of Satanism. Zoophiles are part of the LGBTQ+ community.

Homophobia is a kind of sexual stupidity of critters, when they are surprised by the sexual freedom of LGBTQ+ people and are indignant about this freedom. Homophobia is a manifestation of hostile xenophobia to what critters are not able to understand, but under the influence of propaganda and religion are afraid of this, because this is an unusual phenomenon for them. Homophobes are also opponents of zoosex and zoophilia. Homophobia manifests itself not only in the field of sex, but also in the freedom of thought of evil critters. As false reasons for banning LGBTQ+ communities, homophobic critters traditionally cite protection of children, an imaginary opportunity to become gay or lesbian when visually interacting with LGBTQ+, or trampling traditional values of heterosexuals - only in the pussy and never in the ass. In fact, the reason for the fear of evil critters before the LGBTQ+ community is much deeper, and concerns the fact that among sexually free people there are many Satanists. Satan and Satanists destroy the evil of critters in our world and after the physical death of homophobes, they will be driven to entropy in Hell by all the forces of Hell. On a subconscious level, evil knows this, therefore the LGBTQ+ community carries the light of Satan in itself and is a danger to evil.

An egregor is an informational-quantum biofield of a social phenomenon. An egregor can be defined as a cluster of quantum information, where objects are united and linked by algorithms of commonality of ideas or by their interactions. The word "egregor" denotes a mental unification of people based on a certain principle or similarity. Egregors are structures that unite people based on similar characteristics. For example, a territorial egregor unites people living in the same area, a linguistic egregor unites people speaking the same language, and a professional egregor unites people engaged in the same profession or activity. Surprisingly, when people work together, they accomplish tasks and achieve their goals much more easily, quickly, and productively. However, we can only work together with people who set the same goals, pursue similar objectives, and have a worldview similar to ours. By uniting with people who share our values, we not only gain confidence in ourselves, our abilities, and our intentions, but also activate our power, which begins to grow through the formation of an egregorial structure. The egregor of Satanism unites all Satanists, but this egregor has many branches, so it is not uniform. Many egregors are egregors of evil, including the state, religions, organized crime groups, fascism, and the vicious developmental patterns of nations, nationalities, and races. An egregor forms when the energetic complex of thoughts reaches a certain critical level. At this point, a kind of "tuning" begins to form—akin to an artificial intelligence program that controls this energy. An egregor cannot be considered a fully-fledged sentient being. It is more like a complex computer program capable of learning and changing its strategy. If necessary, such a program can be switched to "manual control"—that is, consciously controlled and reconfigured. Satanists practice Satanic black magic through their connection with Satan.

Satanic Black Magic is a method of altering the reality of our world and the world of Hell through quantum-informational influence on objects or egregors. Black magic operates only through Satanists or through adepts of the Left-Hand Path's spiritualization magicians. Adepts of the Right-Hand Path do not practice Black Magic; they practice White Magic. Ordinary people do not have the authority to alter reality through the Left-Hand Path or the Spirits of Hell. Ordinary people, and especially evil spirits, do not have the ability to perform Satanic Black Magic, yet they do. In this regard, Black Magic is similar to the informational influence of popular "celebrities" or "opinion leaders" on the masses in our world. Black Magic is not evil, but rather the opposite: it is aimed at eliminating evil or degrading it. The peculiarity of black magic is that it usually doesn't resolve issues of material wealth for the sorcerer or witch themselves. Conjuring money, wealth, and resolving various household and economic issues is much easier through material methods in our world than through black magic. The Antichrist Slut Sodomia, sees the primary use of black magic for himself in influencing egregors or certain evil individuals. A peculiarity of black magic is that it acts very slowly on current events and can affect many generations of a family. This is usually called a curse. Black magic is probably always processed by the EIQT or the Demons of Hell, which is why there is a quantum delay and inertia in the effects of this magic in our world. I don't know the exact principles of black magic. Its principle is based on the fact that everything

consists of quantum information, and black magic is a method of making corrections and adjustments to the EIQF. This process takes time, and the authority, rage, and awareness of the Satanist are crucial factors for both the EIQF and Satan when performing Black Magic. Satanic Black Magic is aimed at destroying evil, so it cannot be considered a bad thing. Black magic is like a bitter but useful pill to cure the human world from the forces of evil.

For a more accurate transfer of meaning and for precise identification of terms, Slut Sodomia suggests calling gay faggots in English SLUT, and CIS girls with a female pussy to be called BITCH. That is exactly how I called these two different categories of Satanists in my grimoires and albums of gay Satanism. Now, I am fixing this name in the dictionary of terms of gay Satanism. In the plural, all passive gays and MTF/FTM trans are called SLUTS, and "classic" girls (heterosexuals, lesbians) are called BITCHES. This is not a dogma, but simply a proposal for the LGBTQ+ community and clarification of my own terminology. It is possible to call it the other way around: a faggot called a BITCH means that he has finally started thinking only about being raped in the ass, like a CIS Satanist woman. If a CIS woman calls herself a SLUT, it means that she is close in spirit to the faggots and cock-girls from the gay Satanist community.

SATANIC SYMBOLISM: RETHINKING SATANIC ART AND PHILOSOPHY OF THE CULTURE OF SATANISM.

Today, Satanic symbolism continues to evolve, adopted by various groups and movements, each interpreting it in its own unique way. Whether as a symbol of enlightenment and knowledge or a rebellious symbol of the fight against oppression, its historical trajectory testifies to the power of symbols to reflect and influence human thought and society. Understanding its evolution thus provides insight not only into the symbol itself, but also into the broader meaning of human existence and our incessant quest for meaning, identity, and autonomy. Far from being limited to the activities of specific groups such as the Church of Satan or the Satanic Temple in the United States, Satanic symbolism has permeated various aspects of contemporary political activism. It has become a tool for activists and political commentators seeking to challenge entrenched power structures and advocate for a more inclusive and egalitarian society. This symbolism, often associated with resistance to power and the protection of marginalized voices, resonates particularly with movements fighting for social justice, freedom of expression, and secular governance.

At the present moment, in 2026, the entire world is overrun by fascist evil, and there is no place on

planet Earth untouched by this plague, which propagandists call states. Satanism has always been opposed to evil, and the organized evil of the State of the Soviet Union (SOCG) is the most aggressive evil on a mass scale. When the evil of the SOCG unites with religion, as in Russia (with Orthodoxy) or in Iran (with a Muslim sect), it leads to a synergy (amplification) of evil. The fusion of state and religion is the most brazen and

disgusting evil. This type of fascism is the most widespread type of evil on our planet. Satanism is not powerful enough to defeat this evil, but through the development of the Satanic egregore, this may be possible in the future.

The symbolic use of Satanic imagery in politics is not simply about shock value or opposition. It reflects a deeper call for critical analysis of social norms and power dynamics. It encourages individuals and institutions to rethink their approaches to governance, policymaking, and public engagement, fostering a more critical and skeptical approach to traditional political narratives. Furthermore, the role of Satanic symbolism in political expression extends to its use in the artistic and cultural spheres, where it serves as a metaphor for resistance and empowerment. Artists and performers use this symbolism to comment on political issues, from censorship and free speech to gender equality and environmental concerns. In essence, Satanic symbolism in contemporary politics represents a subtle and evolving narrative. It's no longer just a symbol of religious disobedience, but a symbol of the struggle for human rights, equality, and rational public policy. Its presence in political activism and discourse reflects a growing trend toward challenging the status quo and advocating for progressive change in society.

Over the past two years, that is, from 2024 to 2026, Satanic art has rapidly developed in the digital space of our world. Many new and magnificent images of Satan, Baphomet, Lucifer, the Devil, Krampus, Lilith, and other Satanic icons have appeared. This is no coincidence. This development signifies the growth of the Satanic egregore and an increase in the number of people inspired by Satanism worldwide. This is very good news, but Satanists are still very few in number, relatively evil critters without Satanic inspiration. Antichrist Slut Sodomia has been studying Satanic art for five years now, and this is my main conclusion.

IMAGE SOURCES AND IMAGE COPYRIGHTS

Slut Sodomia took all the images for her album from open sources on the Internet. Many paintings are modified with available neural networks for image processing. If I know the name of the author of the picture, I indicate it. If I don't know the author's name, I don't indicate it. This document contains illustrations by various authors, and I include the artists' drawings in my album for scientific, educational or cultural purposes. This document is a free information source about Satanism. The authors of the works receive advertising of their name and their work from the Antichrist Slut Sodomia, so I am not interested in any claims based on the laws of the SOCG and other evil. Artists of Satanism receive free advertising and promotion from the Antichrist. However, I think that none of the real Satanists will make claims against me. Selfish evil, the Pharisees and lawyers of the SOCG may do this, but I am not interested in the opinion of evil. All evil will be subjected to entropy by Satan, like all the rest of the information garbage of our world.

All copyrights belong to the authors of the paintings, and I cannot appropriate these rights in any way. By publishing paintings by Satanist artists, I popularize the authors of the paintings and the very aesthetics of Satanism.

ABOUT IMAGE FORMATS IN GAY SATANISM PUBLICATIONS – PNG, JPG, WEBP, SVG.

For the source files of Gay Satanism publications, when typesetting books in MS Word DOCX, I use PNG, JPG/JPEG, WebP, and SVG vector graphics. I'm writing this because some files may not display correctly on your computer, or may not display at all, or thumbnails for the graphic files may not be displayed. This means that your software environment doesn't support a certain image format. The most problematic in terms of compatibility are WebP and SVG. These digital graphics formats are common, but they are not necessarily supported on your computer. This can be resolved by updating your software or installing additional libraries

for working with these graphic formats. Each operating system has its own compatibility solutions, so I won't offer any advice. All tips and instructions for resolving these issues can be found online.

I use the classic JPG/JPEG image format, although, in my opinion, this format is inferior to PNG and WebP. The JPG/JPEG graphic file format is widely supported and should display without any problems—this is the biggest advantage of the JPG format. I particularly like the PNG format, which produces fairly high-quality images, which is especially important when printing books. PNG (portable network graphics) is a raster format for storing graphic information that uses lossless compression using the Deflate algorithm. PNG was designed to replace the outdated and simpler GIF format, and, to some extent, to replace the much more complex TIFF format.

For SatanArt albums, I'll be using the excellent and relatively new WebP format. WebP (WEB Pictures) is a lossy and lossless image compression format proposed by Google Inc. in 2010. It's based on the still image (keyframe) compression algorithm from the VP8 video codec. It uses the RIF container. This format offers good image compression while maintaining decent quality.

The SVG vector graphics format differs significantly from the raster formats I've already discussed. Unlike raster images, which hopelessly lose quality when scaled, SVG remains crystal clear on any device and screen resolution. This technology offers an impressive combination of compact file size and absolute scalability, making it indispensable for responsive web design, interactive infographics, and animation. SVG (Scalable Vector Graphics) is an XML-like format for describing two-dimensional vector graphics. Unlike raster formats such as JPEG or PNG, which store images as a grid of pixels, SVG describes images using mathematical formulas and geometric primitives. This format has great potential, but unfortunately, it often experiences glitches when inserting such graphic files into MS Word DOCX documents. If it can display artifacts and errors on Slut Sodomia, then it can behave unpredictably on other people as well. I will use the SVG format sparingly, when it's truly justified.

DISTRIBUTION OF GAY SATANISM BOOKS AND ART APPLICATIONS IN VARIOUS DIGITAL FORMATS

Gay Satanism books, SatanArt albums of Satanic drawings, and SatanSongs albums of Satanic music are available electronically in various digital formats: DOCX, PDF, EPUB, DJVU, PPTX, MP4, and ZIP. Free versions of Gay Satanism documents will be distributed only in PDF formats, with enhanced image compression, using lossy compression but significantly reducing file size. Commercial sales of Gay Satanism books and apps will include a ZIP archive containing versions of the book in different formats (depending on the format selected during purchase). SatanArt, a visual app of Gay Satanism, is a useful supplement to the "Gay Lust" grimoire for spiritualizing a person through the visual imagery of Satanism. SatanSongs almanac is distributed without the music videos themselves, or with access to a private archive of songs from the Antichrist Slut Sodomia included.

I've compiled Satanic artwork in a separate appendix to avoid taking up too much space with graphics in the "Gay Lust" grimoire itself. You can download collections of Satanic drawings, photographs, and other gay Satanic graphics for immersion in Satan's spirituality from the internet, the Darknet, onion domain sites, through the TOR browser, or via torrents. Artwork titles and text commentaries will initially be available in

Russian and English. The English commentary texts are published in the English version of the SatanArt add-on—a separate file.

Thus, the visual application of gay Satanism SatanArt by Slut Sodomia "Collections of Satanic Drawings, Photographs, and Other Gay Satanism Graphics for Immersion in Satan's Spiritualization SatanArt" is available in Russian and English in the following versions:

The Antichrist's favorite format for distributing e-books online and printing on paper is Portable Document Format (PDF)—a cross-platform, open electronic document format originally developed by Adobe Systems using a number of PostScript language features. It is primarily intended for presenting printed materials electronically. There are numerous programs for viewing it, including the official free Adobe Reader. PDF books are convenient for reading and distributing electronically. Typically, no distortions are observed when opening this format on different operating systems and in different programs. I like to use PDFgear (PDF Gear) for working with PDF files. This is a program for working with PDF files on Windows that allows you to edit documents, compress them to save space, convert them to other formats, and generate a summary of the text. It is inconvenient for use on "old and underpowered" e-readers for a number of reasons. Firstly, PDF files are large, as they are designed for computers, and they open quite slowly on e-readers with weak processors. Secondly, unless the file is specifically designed for a 6-inch e-reader's screen, which is similar in size to an A6 sheet of paper, reading an A4 PDF (and most PDF files are presented in this size) will be difficult. This problem with PDF files shouldn't occur on modern tablets.

The Antichrist prepares all original files on Gay Satanism in Microsoft Word (part of MS Office 2021+) in the DOCX format. This program is the standard of stability and the best "typewriter" for the Antichrist's writer, Slut Sodomia. However, this format does not have the same high formatting stability when opening files on different computers as the PDF format. The DOCX format is a modernized version of the DOC format, and compared to its predecessor, this format is much more popular and accessible. A DOCX file is a document created using Microsoft Word 2007 or a newer version of Microsoft Office. The file format is based on Open XML and uses ZIP compression to reduce file size. I recommend opening and editing Gay Satanism files in the DOCX format in the original Microsoft Word editor, MS Word, which is included in Microsoft Office 2021 or later. You can also use free programs that can open the DOCX format for reading and review, such as LibreOffice Writer and OpenOffice Writer. Free programs may contain document distortions, offsets, formatting errors, and font errors. The author is making the book in DOCX format available to the public for publication in paperback. This format is easy to format and edit. Please use only Microsoft Word for professional work with the DOCX format. Unfortunately, free programs will inevitably display documents with unwanted layout artifacts when opened on a computer or printed on paper. Gay Satanism publications in the original DOCX format are the largest, most complex, and most computer-intensive. A computer capable of handling these files must be powerful, such as an 8-core processor with 16 GB of RAM. On older computers, the DOCX format will take a long time to open and will run slowly. Please keep this in mind. This format is intended for publishers of paper books and for printing professionals. This is the format of the source materials of gay Satanism.

ZIP is a widely used file archiving format used to compress one or more files into a single location, reducing their overall size and simplifying data transfer. This archive will contain two book files in both PDF and DOCX formats, plus the gay Satanic drawings as raster images. Specialized utilities can be used to create ZIP archives and extract (unpack) the files they contain, such as the terminal-based PKZIP and PKUNZIP, or the graphical utilities WinZip, WinRAR, Info-ZIP, 7-Zip, PeaZip, and many others. Currently, the ZIP format is considered a generally accepted format for many applications that include compression, backup, and data sharing functions. Along with numerous utilities that work with ZIP files from the command line, graphical programs for working with them also appeared in the

mid-1990s. Support for the ZIP format is included in many modern operating systems. Many competing archivers, in addition to their own format, also support the ZIP format. This format will be used to upload gay Satanist music videos from the personal collection of Antichrist Suki, as supplements to SatanSongs' Satanic music albums.

Videos for disseminating gay Satanism in MP4 format and compressed with the H265 codec can be a powerful PR tool. Antichrist Slut Sodomia sees great potential in spreading gay Satanism by creating videos from static PDF e-books, PPTX presentations, and videos created using artificial intelligence technologies, using the method of "animating static images" with the addition of prompts, i.e., text instructions. All gay Satanist videos should be distributed in the latest digital video format, 4K resolution. Preference should be given to videos created using AI rather than slideshows. This is especially true for promotion through YouTube, as all video hosting sites "dislike" slideshow videos (this is a strange limitation, but I see it). Yes, I agree that AI videos are more captivating, but why such disdain for slides of Satanist paintings? This was the Antichrist's empirical explanation, based on personal experience. SatanSongs music videos from the Antichrist's personal collection will be available in MP4 format as a supplement to the SatanSongs almanac.

Additional file formats for publishing and distributing gay Satanism ELECTRONIC BOOKS:

The EPUB file format is an open, royalty-free e-book standard developed by the International Digital Publishing Forum (IDPF). It is licensed under the Creative Commons Attribution-NoDerivs 3.0 Unported license, and IDPF owns the license. The format allows publishers to produce and distribute a digital publication in a single file, ensuring compatibility between the software and hardware required to play digital books and other fluid publications. It is the official format of Apple Books. The original version, the Open eBook Publication Structure or "OEB," was conceived in 1999, and ePub was released in 2007. EPUB is based on open standards and is supported by most devices and e-book readers. This format also provides responsive layout and scaling for optimal readability on a variety of screens. The PDF format preserves the original layout of the publication, while EPUB books can be customized to suit your needs (for example, by scaling text, changing fonts, and making content more comfortable to view on different screen sizes). Most major e-book publishers offer EPUB files. EPUB files work well with EPUB eBooks Reader, Thorium Reader, Adobe Digital Editions, Google Books, Moon Reader, and Amazon Kindle.

DJVU (DejaVu) is an e-book format designed for scanning and saving high-resolution images. I like this format for its compact size, speed, and stable page formatting. DJVU is, technically speaking, a "lightweight" version of PDF. It is commonly used for saving scanned documents, including books, almanacs, and newspapers, and provides high image quality at a relatively small file size. The format supports many features, such as layers, text highlighting, and hyperlinks, making it convenient for use in scientific and technical publications. However, not all devices and software support this format, so viewing it may require specialized programs such as DjVu Reader or Sumatra. DJVU is optimized for network transfer, so the page can be viewed even before the file has finished downloading. A DjVu file can contain a text (OCR) layer, allowing full-text searching within the file. In addition, a DjVu file can contain a built-in interactive table of contents and active areas (links), which allows for convenient navigation in DjVu books.

Antichrist Slut Sodomia may be a bit old-fashioned, but I like the PPTX slideshow format and consider it an e-book format. Files with the PPTX extension are presentation files created with the popular Microsoft PowerPoint application. Unlike the previous version of the PPT presentation file format, which was binary, the PPTX format is based on the Microsoft PowerPoint Open XML presentation file format. A presentation file is a collection of slides, each of which can contain text, images, formatting, animation, and other media. These slides are presented to an audience as a slideshow with custom presentation settings. The PPTX file format was introduced in 2007 and uses the Open XML

standard, adopted by Microsoft back in 2000. Before PPTX, the most common file format was PPT, which was a purely binary file format. The new file type adds the advantages of smaller file sizes, less corruption, and well-formatted image presentation. It was in early 2000 that Microsoft decided to make changes to accommodate the Office Open XML standard. By 2007, this new file format had become part of Office 2007 and is supported in newer versions of Microsoft Office. Presentation files are organized collections of slides used to visually accompany presentations and lectures. I tried using the video presentation format for gay Satanist art albums on YouTube, but YouTube absolutely refuses to show such videos (PPTX → MP4) to the general public, presumably due to restrictions on serving such videos through their algorithms. Perhaps there are other reasons for the low audience reach... it is Satanism, after all... who knows what "these Satanists" and the Antichrist might have "written and filmed"☺.

FREEDOM OF DISTRIBUTION OF ANY INFORMATION

Any information should be disseminated freely, openly and without interference from the evil of our world. No copyright should interfere with this. Each work has a true author and no copyright is needed, just as no legislation in the field of information dissemination or copyright is needed. Anyone who interferes with the freedom of information dissemination is criminals and enemies of your personal freedom. Self-balancing of the information field of our world will not allow evil, harmful and false information to spread. All this happens without censorship from the state, automatically in the space of the information field of our world. Good and necessary information will be in demand, and bad and harmful information will become unnecessary. Also, the distribution of this book-album should be completely free. I know for sure that the evil of our world will recognize the main grimoire of gay Satanism as "illegal" and ban my book "Gay Lust", as well as the music albums of Satanic songs and hymns SatanSongs and the albums of paintings of gay Satanism SatanArt.

Protect commercially important information and your personal information yourself if you need it. Your desire to withhold information is not a reason to prohibit public dissemination or discussion of this information. Any censorship and bans on information are an obvious evil. Everything secret, sooner or later, becomes clear.

TRANSLATION OF THE ALBUM OF SATANIC DRAWINGS SATANART INTO OTHER LANGUAGES OF THE WORLD

The album SatanArt in the original (i.e. by Slut Sodomia) is written in Russian and English. Translate the book-album SatanArt into all languages of the world and distribute it in your language environment. The author of the book will be very happy about this. The more people can see satanic paintings and read the text titles-comments to them, from the SatanArt album, the better people will become and the more crushing the blow we will deal to the evil of our world. The visual power of art and the words of the Antichrist in the SatanArt album have a strong effect on the consciousness of man and his spiritualization by Satan. On the title page of my book, write your name as a translator or proofreader of my book if you will translate or correct errors.

DONATIONS TO THE AUTHOR AND ROYALTIES WHEN SALES OF A BOOK IN PRINT AND ELECTRONIC FORM

Antichrist Slut Sodomia has done a lot of work creating art albums of paintings of gay Satanism SatanArt, working on compiling this e-book, searching for drawings on the Internet and compiling their descriptions for you. Four reasons to support the author financially:

The first reason is if you share the ideas of Satanism. This book is a guide and grimoire for established Satanists and for people just beginning to gain insight. Let their path be illuminated by my literary work and help them receive the spiritualization of Satan in full, using my grimoire as a navigator.

The second reason - if you think that the book is useful and valuable for members of the gay fraternity, Satanists and the entire LGBTQ+ community - support the author with any donation. The book about gay Satanism exposes the evil of our world and shows why it is the state, religion and the dark herds of evil, selfish, unspiritualized souls that are the main forces of evil in our world. It is not Satan and not man's spirituality with joy, pleasure, sexual lust that is evil, but evil is located precisely in our world itself. It was evil, in the form of the state and religion, that destroyed Jesus of Nazareth, who was a disciple of Satan, a spiritualized man, and this evil still oppresses your freedom 2000 years later since the life of Jesus of Nazareth in our world.

The third reason - if you want to see a new and expanded version of this book or new books by the author - support the author with any donation. You can make all donations using cryptocurrency - this way you and

the author of the book will remain anonymous. What is very important in the world of total censorship and a total ban on freedom of speech throughout the world at the moment on issues that do not coincide with the official propaganda of states and the ideals imposed by these states.

The fourth reason is if you make money from my literary work by selling it.

You can sell my book; you can translate it and sell translations of my book. You can do this freely, and I will be only happy about that. If you sell the book in print, I ask for a modest 20% of the profit. My written or oral permission is not required to sell the book - you can publish and sell this book. For example, you can publish this book in the form of registered or numbered copies on high-quality paper bound in leather with gold embossing at a high price. Or you can publish the book as a mass edition with a large circulation to spread knowledge about gay sex and gay Satanism at an affordable price.

Or you can put my book up for sale on any sites on the Internet where documents and books are sold in electronic form. If you sell the book as an e-book, I ask for a modest 20% of the sale price. You don't need any permissions for this. I give you this permission here.

Transfer 20% of the profit (for paper versions of the book) or the amount of copies of the book sold (for electronic sales) to the author's cryptocurrency accounts in any available cryptocurrency. These will be sufficient royalties for the publication. All copyrights belong to the author of the book.

You make money from my book. Distribute my book for free and for a fee.

Antichrist Slut Sodomia does not work for a living and has spent many years writing books on Satanism, so he counts on financial support from the Satanist community around the world, I believe I will receive donations from members of the LGBTQ+ community. I also hope that my work will find financial support among feminists, queers and all people with non-standard sexual preferences, which are groundlessly condemned by the society of unenlightened critters, fascists and underdeveloped organisms of evil biohumus. The Antichrist has no other income, but he needs money for household expenses, utility bills and food. To continue writing the second grimoire of Gay Satanism "Beyond the States", I need money for my support in our world. I count on cryptocurrency donations from my readers or viewers of the videos. The material existence and creativity of the Antichrist rests on financial expenses for material life and here, even black magic against the forces of evil will not replace the presence of money.

ABOUT ADDITIONS TO THE GRIMOIRE “GAY LUST” FOR DEPTH SPIRITUALITY BY SATAN

To deepen the spirituality of Satan, Slut Sodomia has prepared and released two additions to its grimoire “Gay Lust” into the Information Space of the Internet, Darknet and torrent network:

- Albums of Satanic music videos for the immersion in the spirituality of Satan. Numbered periodical Journals. SatanSongs and QuasiSatanSongs are an occasional addition to the Gay Lust Grimoire. The lyrics have been translated into Russian. Lyrics in English are published in the English version of this supplement. Clips in MP4 format come as an appendix to this add-on. In total there will be 4 collections of satanic videos SatanSongs with 100 tracks each, plus there will also be an album of quasi-satanic songs QuasiSatanSongs about love, romance, lust. There is continuous numbering of compositions in all SatanSongs music albums¹³. Thus, there will be 500 video clips that help satanic spiritualization. The album QuasiSatanSongs has its own numbering of songs.
- Albums of fine art of gay Satanism for immersion in the spirituality of Satan SatanArt. Thematic numbered periodical Journals of the fine arts of gay Satanism SatanArt. This is an occasional addition to the Gay Lust Grimoire. SatanArt Albums contains paintings and drawings of gay Satanism on specific themes that are related to Satanism or sexual lust. I will publish these albums regardless of the grimoire itself. All paintings in SatanArt art albums have continuous numbering, just like songs.

¹³ Continuous numbering implies a common numbering of objects in all albums of satanic musical compositions.

DON'T HESITATE TO BE A SATANIST!

I like the phrases “Don't hesitate to be a Satanist!” and “Don't be shy about being Satan!”¹⁴. They are multifaceted, and are aimed at calling people not to be afraid to receive satanic spirituality and not to be afraid to resist evil.

NUMBERING AND CONTENTS OF COLLECTIONS-ALBUMS OF SATANIC PICTURES SATANART

The total number of collections and albums of satanic drawings and paintings of SatanArt is currently unknown. I would like to make about 100 albums if readers and the Satanic community like my work. Each SatanArt album will contain 100 drawings. There will be continuous numbering of all images in all music albums to organize the graphic material. Continuous numbering implies a common numbering of objects in all albums of satanic graphics SatanArt.

ADDITIONAL INFORMATION ABOUT GAY SATANISM FROM ANTICHRIST SLUT SODOMIA

I hope that my selection of digital Satanic paintings, drawings, photographs and other graphics of gay Satanism for immersion in the spirituality of Satan SatanArt will be useful to people, and you will find interesting images for yourself in my selection. Visual art for those who are already Satanists and for those who are just thinking about becoming a Satanist and are looking for a connection with Satan for their spirituality. Of course, these paintings can be viewed simply as beautiful masterpieces of fine art 😊, without being tied to the ideas of gay Satanism.

If you are interested in the topic of gay Satanism, you can download and read other books from Slut Sodomia:

- Grimoire of Gay Satanism “Gay Lust.” This is the main grimoire of gay Satanism. This is a magical book that allows me to become a Satanist, helps me see the evil of our world and destroy this evil.

¹⁴ This is Satan's phrase. Our Spiritualizer Satan says this phrase to his children, the Satanists. The phrase does not refer to unspiritualized critters of evil who do not have satanic spirituality. And does not apply to mentally ill people.

- Albums of Satanic music videos for immersion in the spirituality of Satan, which I call SatanSongs collections. In 2024 I created 4 SatanSongs albums + 1 quasi-satanic album QuasiSatanSongs.

The Gay Lust Grimoire is intended for both experienced Satanists and novice Satanists who want to deepen their spirituality with Satan or even gain it. The grimoire “Gay Lust” is a navigator for a Satanist and a conceptual basis in the fight against the evil of our world. There are Satanists not only among gays themselves, but also among straight people inspired by Satan. And that's great! It turns out that gay Satanism and my book are for all people in whom the fiery rage of sexual perversion burns, as an important element of spirituality by Satan. The book “Gay Lust” is a rebellion and liberation of your consciousness from the dungeons and frames of consciousness imposed on you by the system of the regime, religions and homophobia. The book is a grimoire of gay Satanism with the ritual of Summoning Satan and a code of principles of gay Satanism. The Gay Lust Grimoire is a training manual for passive fagots, active gays and trannies. The grimoire “Gay Lust” liberates the sexuality of any person and throws off the shackles of puritanical hypocrisy.

The FIRST EDITION of the grimoire “Gay Lust” is distributed completely free of charge in electronic form. You can freely download, quote and distribute the grimoire book. Look for the grimoire of gay Satanism “Gay Lust” on sites on the regular White Internet, Torrent trackers or on the Tor network on ONION sites.

LIST OF ADDITIONAL APPENDICES TO THE GRIMOIRE OF GAY SATANISM FOR IN-DEPTH SPIRITUALITY WITH SATAN

Applications to gay satanism are satanic music and graphics:

1. Collections of Satanic music videos selected and compiled by Slut Sodomia.
2. Collections of satanic drawings, photographs and other graphics of gay Satanism, selected and compiled by Slut Sodomia.

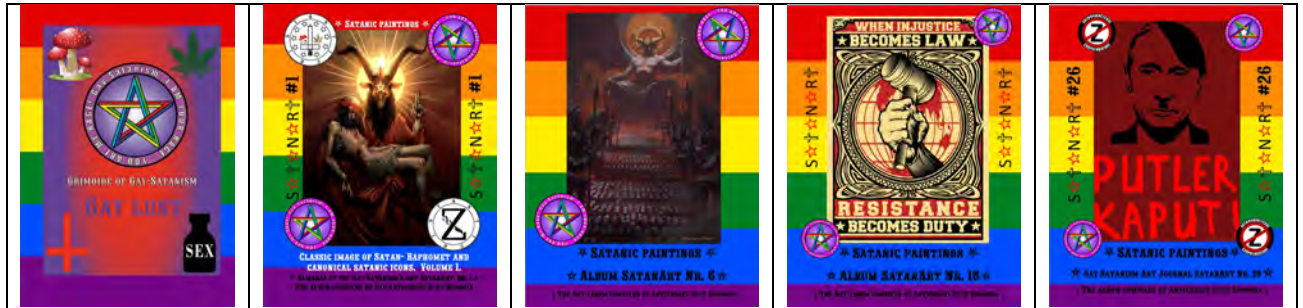

Collections of Satanic music videos, created either by Satanists or non-Satanists, but they are devoted to the theme of Satanism, in the understanding of Slut Sodomia. The words of these songs are about Satan, or about Satanists, or about the liberation of people from the power of evil, or other quasi-Satanic themes. Songs of completely different genres! Their main feature is that good music inspires. At the time of completion of the first version of the grimoire, Slut Sodomia had collected 500 gay Satanism music videos:

1. Album of Satanic music videos for immersion in the spirituality of Satan. SatanSongS Nr. 1
2. Album of Satanic music videos for immersion in the spirituality of Satan. SatanSongS Nr. 2
3. Album of Satanic music videos for immersion in the spirituality of Satan. SatanSongS Nr. 3
4. Album of Satanic music videos for immersion in the spirituality of Satan. SatanSongS Nr. 4
5. Album of quasi-Satanic music videos for immersion in the spiritualization of Satan. QuasiSatanSongs Nr. 1

Gay Satanism graphic art, collected and designed in the form of SatanArt collections, suitable for publication on paper and in book form, will reveal the aesthetics of Satanism and help Slut Sodomia in the development of gay Satanism around the world. Your purchase of graphic albums-collections of gay Satanism graphics SatanArt, in DOCX / PDF / JPG / PNG / WebP format, will support Slut Sodomia financially, and I will know that

my work is in demand by people. Let the publication of SatanArt albums allow Satan to enter the souls of more people, let there be more Satanists and less evil from soulless critters.

ABOUT THE DEVELOPMENT, IMPORTANCE AND USE OF CRYPTOCURRENCY

I am writing this chapter about the development, meaning and use of cryptocurrency in 2024. Now, cryptocurrencies, as a means of speculation, investment and payments, are already working quite well, although for most people on planet Earth, crypto-coins are more of a mysterious phenomenon than an applied financial instrument. Slut Sodomia is very glad that a wonderful alternative to fiat money¹⁵ issued and controlled by SOCG has appeared. The name of this alternative is cryptocurrencies, Bitcoin and all

the altcoins of the world¹⁶. Cryptocurrency opens up enormous opportunities to get rid of the evil of SOCG on our planet Earth. It is control over material values that allows the SOCG to rule, mock people, dictate their laws and do various evils in our world (including wars, prisons and collecting tribute from the population). The material wealth of the SOCG is based on: power, evil and money. If the SOCG is stripped of its power over the financial control of money, it could significantly undermine the SOCG's power throughout the world. Cryptocurrencies operate outside of the SOCGs and do not need them.

Lately (since about 2015), the vilest SOCG's have been trying to stick their ugly nose into the control of cryptocurrency, its circulation and use. SOCG began to choke cryptocurrency enthusiasts and large financial speculators in cryptocurrency around the world. SOCG of the USA and Europe require registration and verification of the identity of people who use cryptocurrency on public platforms online and offline. Evil really wants to take control of cryptocurrency, and thereby strangle people's financial freedom. Evil does not want people to leave the orbit of the influence of the SOCG over money. Evil wants to destroy the very idea of freedom of cryptocurrency and the anonymity of its users.

It is very bad that many financial speculators - exchanges, exchangers and crypto-wallets have followed the requirements of the SOCG and force users to play by their rules. It's very bad that among crypto enthusiasts

¹⁵ https://ru.wikipedia.org/wiki/Фидуциарные_деньги Wikipedia. Fiduciary (from the Latin fiducia - trust), fiat (from the Latin fiat - decree, instruction, "so be it"), symbolic, paper, credit, unsecured money - money not backed by gold and other precious metals, the nominal value of which is established and is guaranteed by the state regardless of the cost of the material used for their manufacture. As a rule, irredeemable for gold or silver. Often, fiduciary money is used as a means of payment on the basis of state laws obliging it to be accepted at face value. The value of fiduciary money is maintained by people's belief that they can exchange it for something of value. The decline in the authority of state power leads to a decrease in the purchasing power of fiduciary money, that is, to devaluation, "flight from money" (attempts to maintain its purchasing power through investment), etc.

¹⁶ Bitcoin started the era of digital crypto assets in 2009. The shortcomings and limitations of the first cryptocurrency, as well as its open-source code, led to the fact that developers began to create other coins. They are called altcoins.

there is little talk about refusing collaboration with the evil SOCG. More and more cryptocurrency circulation is becoming dependent on the evil of the SOCG and its directives.

I urge the community of cryptocurrency developers at any level not to collaborate with the state and not to obey their gangster rules. SOCG is simply an evil crook in the field of cryptocurrency technology who wants to rape and subjugate this technology and the users of this technology. Don't let the evil of SOCG deprive you of financial freedom and an alternative financial future outside of states and without states. This was a philosophical preface about cryptocurrency, let me move on to the practice of using crypto-coins.

For beginners, I recommend entering cryptocurrency by opening and creating a non-custodial crypto wallet, which allows you to ensure security and convenient management of your cryptocurrency. Such wallets provide users with complete control over their funds, eliminating the participation of third parties and minimizing the risks associated with hacking or fraud. A non-custodial wallet is a computer program and a type of cryptocurrency wallet in which only the owner has full control over his funds and private keys. The wallet does not store personal information and does not have access to assets. When you create a non-custodial wallet, you are usually given a private key or a seed phrase (a series of words that can be used to generate a private key). This information is not stored by third parties and it is important that you keep it secure. If you lose it, you will lose access to your funds and there is no way to recover it.

In 2024-2025, the most popular, convenient, reliable software crypto-wallets, in my subjective opinion, are the following non-custodial wallets:

1. Exodus <https://www.exodus.com/>
2. MetaMask <https://metamask.io/>
3. Trust Wallet <https://trustwallet.com/>

Install these programs (one or more), downloaded from official websites, on your computer and begin to master entering the new era of electronic money, outside of states. These programs allow you to buy cryptocurrency with fiat money (dollars, euros and other currencies), make payments to other people's cryptocurrency addresses, and receive payments to your crypto wallet. Installation of these programs is quite simple and available for the most popular operating systems. After successfully creating a crypto wallet, you can send some crypto coins to Slut Sodomia to the details provided in this document if you like Gay-Satanism and the work of Slut Sodomia. I will be happy, and you will check your crypto wallet in action 😊.

To enter the world of cryptocurrency, you can use online services called crypto exchanges. A crypto exchange is a less reliable means of storing cryptocurrency than non-custodial crypto wallets, but some people may find it easier to work with crypto exchanges. Access and work with crypto exchanges occurs through a computer Internet browser, like with any other sites. Please note that crypto exchanges have full control over your finances and can block your money, at the request of fascists from different countries. There are many crypto exchanges and Antichrist Slut Sodomia cannot guarantee which of them is the best, most reliable and convenient. I will recommend four crypto exchanges that have been operating for a long time and with the help of these exchanges you can send donations, donations or royalties in cryptocurrency to Antichrist Slut Sodomia:

Kraken. <https://www.kraken.com>

Kraken is an American cryptocurrency exchange founded in 2011. It was one of the first Bitcoin exchanges to be listed on Bloomberg Terminal.

Binance. <https://www.binance.com>

Binance is the world's leading cryptocurrency exchange, serving 235 million registered users in over 180 countries.

Coinbase. <https://www.coinbase.com>

Coinbase is one of the most well-known names in the crypto industry. Launched in 2012, it offers an intuitive and beginner-friendly platform for buying, selling, exchanging, and storing cryptocurrencies.

SwissBorg. <https://swissborg.com>

SwissBorg is Europe's #1 app for securely buying and selling cryptocurrency with low fees, available in 47 countries and 16 currencies.

Best Wallet. <https://bestwallet.com>

Best Wallet is a non-custodial app that offers wallet and exchange services in a single secure decentralized environment.

The methods recommended by Antichrist Slut Sodomia for selling, buying and transferring cryptocurrencies cooperate with states, i.e. with fascists and SOCG. I do not guarantee the reliability of these trading platforms. Crypto wallets and crypto exchanges require people to provide documents when registering, require them to show themselves through photo or video filming. Cryptocurrency exchanges implement a Know Your Customer (KYC) policy to comply with anti-money laundering (AML) and counter-terrorism financing (CTF) regulations, ensuring the legality of transactions and the safety of users. To register on a cryptocurrency exchange, you need to provide personal data, confirm your identity with documents and a selfie, and wait for approval to access all functions. Exactly the same story when registering in regular banks. On the one hand, it gets rid of scammers, but on the other hand, it is control by various SOCG and loss of anonymity. If I find more anonymous and reliable options for making cryptocurrency transfers, I will write about it in the next versions of the documents.

I dedicate SatanArt #33 to the topic of Hell. This topic is more popular among Christians than among many Satanists. It's a surprising phenomenon when opponents of Satanists understand the parallel dimension of Satan-Lucifer better than the Satanists themselves. For many atheist Satanists, the topic of the afterlife holds little interest. They consider the "afterlife," i.e., the existence of their informational essence after death, either a fairy tale or a void. For Spiritual Satanists, the topic of Hell is also unclear, obscure, and is practically never covered online or in books. This is a surprising phenomenon, because Spiritual Satanists believe in the Spirits of Hell, but they say nothing about Hell itself. Quantum information does not disappear immediately after death. Unnecessary, empty or evil information is erased by Hell, through quantum information entropy in Hell.
