Image 3608. An astral abstract portrait of the Antichrist Slut Sodomia, in Hell, with the Latin letter V. The symbols of the Antichrist are the letters Z, V, and the number 7, which replaces the letter Z. Astral portraits, in the form of skeletons, represent the posthumous reflection of the Antichrist in our world.....	36
Image 3609. An astral portrait of the Antichrist Slut Sodomia, in Hell, among the living and suffering heads of the fascist, degenerate dictators of our world. Psychopaths of all stripes have filled our world. There are especially many psychopathic freaks and narcissists with NPD among the leaders of state organized crime groups (SOCG) around the world.	37
Image 3610. Antichrist Slut Sodomia in the purple light of gay Satanism. Half man, half Antichrist, Son of Satan.	38
Image 3611. The Antichrist is a Slut Sodomia among the demons of Hell. Satan's legions of demons are allies of the Antichrist in the overthrow of evil in our world and in the dimension of Hell. All creatures will die and go to Hell. All Satanists will return to their ancestral home, Hell. Prospective Satanists will return to Hell as wise but blind philosophers.	39
Image 3612. A portrait of the Antichrist, fed up with the evil creatures of our world. Fascists, the superfluous human offspring, billions of soulless creatures. The astral image of the Antichrist in Hell, horrified by the creatures of our world. The wrath will follow this image.	40
Image 3613. Antichrist with Satan, Japanese style. Child of Satan. Son of Satan in the arms of the Devil.	41

Image 3614. The astral image of the Antichrist in purple, the various shades of the galaxy of the dimension of Hell. An image of synergy with Satan. The Antichrist in a meditative pose.	41
Image 3615. The Antichrist in Hell with a sword and the power of Satan. Behind the Antichrist stand all the forces of Hell, working to destroy the evil of our world and to bring entropy to the evil creatures of Hell. Icon of the Antichrist with Satan in Hell.	42
Image 3616. The calm and relaxed euphoria of the Antichrist in Hell with Baphomet. Amidst the music of Satanism, flowers, and drops of Baphomet's blood. An idyll, with elements of ironic horror.	43
Image 3617. An astral posthumous portrait of the Antichrist, returned to our world after death. A grimoire with the sign of resistance, an hourglass, and Satan the Dragon nearby.	44
Image 3618. The Forces of Hell and the Antichrist. The painting's original plot is irrelevant and unknown to me—this applies to all paintings in the SatanArt albums.	45
Image 3619. Satan, the Antichrist Slut Sodomia, and all the Powers of Hell. In Hell, the creatures of evil have no chance.	46
Image 3620. Satanist Jesus of Galilee, opposite the Antichrist and in the company of other joyful Satanists.	46
Image 3621. The Hierophant (Greek: ιεροφάντης, "one who reveals the sacred") was the senior, lifelong priest of the Eleusinian Mysteries among the ancient Greeks. The Hierophant was considered a person who introduced people to what was hidden from others. Thus, the Hierophant is an interpreter of sacred mysteries and secret principles. The Antichrist can be seen as a modern-day Satanic Hierophant.	47
Image 3622. Father Satan and son Antichrist. The two main characters of "The Blasphemous Satanic Trinity." The spirit of Satanic spiritualization is also present in the painting, in the form of a dark atmosphere. This is an astral icon, not a visual depiction of Hell. Please keep this in mind for the other paintings in the collection. Nestor Avalos.	48
Image 3623. Satanist Antichrist and Satan behind him. The color of Satanism is purple (crimson, lilac).	49
Image 3624. The astral image of an anal masochist in Hell. The Antichrist is both an anal sadist and an anal masochist. This combination of roles favorably influences sexual knowledge and gay lust. The anal prolapse-penis, in the form of a snake, is the pride of the passive (bottom) Satanist pederast.	50
Image 3625. In Hell, the Antichrist flies on wings of light (this information comes from trips involving the red fly agaric mushroom). In this painting, the wings aren't made of light, but no one demands documentary accuracy from astral images of Hell.	51
Image 3626. The Antichrist with a heart. This is pure astral surrealism, because I don't want to eat shit-creatures. It's better to eat pigs and shrimp—cleaner and tastier. But as a symbolic artistic image, I quite like it. Evil eats Satanists in our world, and Satanists eat evil in Hell. The astral meaning of the painting.	52
Image 3627. Astral Satanic Icon of the Antichrist.	53
Image 3628. Antichrist in the purple aura of Satanism in Japanese style.	54

Image 3633. Surreal image of the Antichrist in Hell No. 4.	58
Image 3634. The "Satanic Trinity" of SATANISM. All of them are closely interconnected, forming a single whole, which can be conventionally called the "Satanic Trinity." The "trinity" clearly has a hierarchy (from top	

to bottom): the Devil-Satan (the Dragon); the Antichrist ("the Beast from the Sea"); the False Prophet ("the Beast from the Earth") – this is the satanic spiritualization (the connecting link). The true Holy Spirit is the spirit of Satan, i.e., the satanic spiritualization.	59
Image 3635. The Antichrist, in the form of the Devil. Let's not forget that the Antichrist is a human Satanist, and the Devil is a Spirit in another dimension. At the quantum level, all Satanists are connected, but the members of the "Satanic Trinity" are especially connected. The Tarot card "The Devil," which could be called "The Antichrist"	60
Image 3636. An astral portrait of the Antichrist on a throne, with a key and a crown. Unfortunately, the crown of the Crown Prince of Hell is only accessible to the Antichrist in Hell. Therefore, evil has complete power in our world, and the vileness of religions obscures true spirituality for billions of people in our world.	61
Image 3637. An aesthetically pleasing image of the Antichrist and the Leviathan-Dragon in Hell. Harmony and beauty.	62
Image 3638. Surreal image of the Antichrist in Hell No. 5	63
Image 3639. Magic mushrooms are the keys to quantum (i.e. magical) communication with the VICP.	63
Image 3640. Astral abstract image of the Antichrist or Satan #1. This image reflects the essence of the Antichrist through the painting's aesthetics and imagery.	64
Image 3641. Astral Abstract Image of the Antichrist or Satan #2. This image captures the essence of the Antichrist through the painting's aesthetics and imagery. Artist Nestor Avalos is a Mexican artist inspired by the occult and magic, characterized by strong symbolism, where spirits and the image of the devil test our minds. Avalos presents a series of images of alien deities—entities emerging from the darkness and challenging the viewer.	65

Image 3644. An astral portrait of the Antichrist, in the style of Jesus of Galilee. Possibly a collage.....	68
Image 3645. An astral horror painting: Satan devours a baby, while the little Devil-Antichrist watches, understanding the process. The painting's true plot is unknown to me. The artist, Nestor Avalos, is a Mexican artist and graphic designer whose work is wildly popular for metal band cover art and in the gaming industry.	69

Image 3648. The Antichrist sits on Satan's lap. An ancient book miniature from the Middle Ages.....	72
Image 3649. Blasphemous (video game). The game takes place in Cvstodia, a religious land heavily influenced by the Roman Catholic Church, its iconography, Holy Week in Spain, and Spanish culture, particularly Andalusian. This land is hallowed by a force known as the "Miracle" (also called the "Sorrowful Miracle" or "Woeful Miracle"). This force manifests itself alternately blessing and cursing the inhabitants of Cvstodia, transforming them into twisted creatures doomed to eternal torment.	73

Image 3653. The Antichrist is typing his gay-satanic writings on a "typewriter." Satanic spirits are hovering around. A bottle of good kvass porter (a healthy fermented alternative to Coca-Cola) is in a bottle on the table.	76
Image 3654. The horrors of Satanism. The Antichrist in Hell among the hellish beasts: a lion and a lioness. The beasts devoured the creatures of evil.....	77

Image 3656. The Antichrist in contemplation, within his Satanic spirituality. Will gay Satanism ever be popular enough to allow me to live in prosperity, rather than exist in poverty, on the income I earn from my literary work and publishing-sales activities?	79
Image 3657. Eight Hymns from the Swamp. The Antichrist wrote that the best monuments to the Antichrist would be ejaculating statues of "ejaculating boys" (similar to peeing boys). In this painting, the "peeing boy" (i.e., an angel)—the Antichrist—is disillusioned by the creatures of evil. Behind the Antichrist stands the spirit of Satan. The exact original subject of the painting is unknown to me.....	80

Image 3667. Antichrist Slut Sodomia in Hell. Abstract drawing. The changing forms of Hell and its colors....	90
Image 3668. The Antichrist with the Satan-Symbol. This surreal depiction of Hell conveys the scale of Satan and the Antichrist. In fact, Satan-Lucifer is, of course, far more powerful than the Antichrist. Just as seeds are connected to a tree, just as drops of water are connected to the ocean, so all Satanists are connected by the Spirit of Satan-Lucifer. All Satanists are part of the greater Soul of Satan. Creatures are deprived of this connection and Satanic inspiration.	91

Image 3670. The Antichrist in the euphoria of Hell. The astral surrealism of Satanism.....	93
Image 3671. The Antichrist's astral projection into our world, after death #1. All Satanists return to Hell, their true Home. There, Satanists will merge with their quantum counterpart, synergize with Satan, and experience euphoria and lust. Satanists influence our world through information and magic, through the Black Magic of Satanism.	94

Image 3672. The Antichrist with a tome of his grimoire, in the guise of a Satanic sorcerer. Satan the Serpent envelops the Antichrist in his spirituality.....	95
Image 3673. An astral projection of the Antichrist into our world, after death #2. From our world, the image of Satanists can be artistically seen as a skeleton in Hell. This is an astral projection from our world. Astral projections from the Hellish dimension are more cheerful, without the sadness.	96

Image 3675. The Antichrist swordsman, or the Satanic Harlequin with sword and pointer. The star boy of gay Satanism, portrayed ironically as a jester. Irony and humor are an important part of Satanism and MTF trans transition.	98
Image 3676. "Look at me, I'm burning!" In Hell, Satanists enjoy immortality, unlike in our world. I don't know the exact plot of this painting, but I see Satanism and a burning Satanist in it.....	99

Image 3678. The Antichrist-Druid is among the Forest Spirits, who are part of Satanism and reside directly in our world, unlike the Supreme Spirits of Hell in a parallel dimension. These spirits can only be seen under the influence of psychedelics; otherwise, you won't be able to see them in our world.	101

Image 3687. A sweet Antichrist in a red dress with Satan's horns. Many people (still) don't understand the difference between the Antichrist and Satan. Yes, of course, these concepts are related, but the Antichrist is a human Satanist, while Satan-Lucifer is a Spirit from Hell. Some "writers" write entire books about this.	109
Image 3688. The Antichrist caresses Satan. Satanic sexual tenderness, Puritan style.	110
Image 3689. The Antichrist, through his writings and his spirituality, wages war against the evil of OUR WORLD. An astral portrait of the Antichrist in our world. This painting continues the theme of drawing #3604.	111
Image 3690. The Antichrist in Hell. A dark astral portrait of the Antichrist. Having fun all the time can seem boring, so Satanists and Demons of Hell sometimes engage in the entropy of creatures. For some Demons of Hell, this is their main entertainment, but the Antichrist is not so bloodthirsty. At least, I don't feel it right now.....	112

Image 3691. The Wrath of the Antichrist. Sometimes, the Antichrist becomes enraged, inflicting entropy on the creatures in Hell. Yes, the Antichrist can be enraged and bloodthirsty. The Antichrist sees through the evil creatures in Hell (all their thoughts, deeds, vileness, and intentions), and if a creature is truly vile, then the entropy from the Antichrist will be the best execution in Hell.....	113
Image 3692. Antichrist in Hell in blue and black tones on the stairs.....	114
Image 3693. The Antichrist Slut Sodomia, in our world is bound by the barbed wire of evil's limitations. The quantum reflection of the Antichrist in Hell has no limitations. All the evil of our world, all the fascists, all the religious sectarians, will end up in Hell. This is as much an axiom as the inevitable physical death of the body.	115
Image 3694. The Antichrist Slut Sodomia, is enthroned in Hell. The third hand is the hand of Satanism. Such metamorphoses are permissible in Hell. In Hell, the Antichrist can change form and reality. Just like my Father, Satan-Lucifer. "The apple doesn't fall far from the tree," goes the old saying.....	116
Image 3695. Who said the Antichrist can't draw? I personally modified this painting, turning the book copyist into a writer of Satanic grimoires. I added a few elements; try to spot them in the painting. Incidentally, burrowing mice were recently running around our house, but my husband and I killed all the pests and sealed the mouse hole with cement. I don't need rodent pests in the room. The crows, as per tradition, perch on the tall Scots Ash tree outside the window—they're my honor guard.....	117

Image 3698. A funny surreal painting: the Warlock-Antichrist reads a diary, and the little Devil helps write a book based on these entries. The Warlock is surrounded by antique books and Satanic paraphernalia. An astral painting in pink tones.	120
Image 3699. Antichrist in the forest. For Satanists, the forest is a natural place for communing with the spirits of nature. Music poster. Main title: ANTICHRIST. Subtitle: EVIL GYPSY WOMAN. Label: BONERIZING. Astral abstraction, in the spirit of Lars von Trier's film "Antichrist".....	121

PREFACE

The subject of SatanArt #37, the gay Satanist art magazine, is myself, the Antichrist Slut Sodomia. In this issue, Antichrist Slut Sodomia will answer the question that has plagued the imaginations of various strange "writers," literary demagogues, and narrow-minded internet bloggers: "Who is the Antichrist?" Many so-called "researchers" and "anti-Satanist fighters" have written a ton of lies about the question of "Who is the Antichrist?" I believe the time has come to explain to these creatures who the Antichrist really is. But these creatures, of course, can only be reformed by the entropy of Hell. Explaining anything to the creatures of evil is pointless—they are incorrigible and do not respond to mental healing through explanation. The Satanist Jesus of Galilee already tried this, and his "explanations through love" failed—the evil of religions and Roman fascism crucified him. A Jewish rabbi went around explaining to creatures that they must love other creatures. So, he continued explaining to evil through love, resulting in evil nailing Jesus to a cross on the road, and then using the Satanist Jesus as a symbol of non-resistance to evil in its vile religions. Evil should not be loved; evil should be avoided, despised, and, if possible, destroyed and overthrown! Let lost people find the light of Satanism, and let Satan lead them out of the nets of evil. The Antichrist Slut Sodomia, dedicated an entire grimoire to this issue, "Gay Lust," richly illustrated with Satanic images. This book, although transgressive and sexual in nature, is a general guide for Satanists of all ranks. Perhaps the Antichrist's grimoire "Gay Lust" will help you become a Satanist, if that's what you want. Even at 70, you can become a Satanist. It's better, of course, to do it at age 7... but not everyone can do it that way 😊.

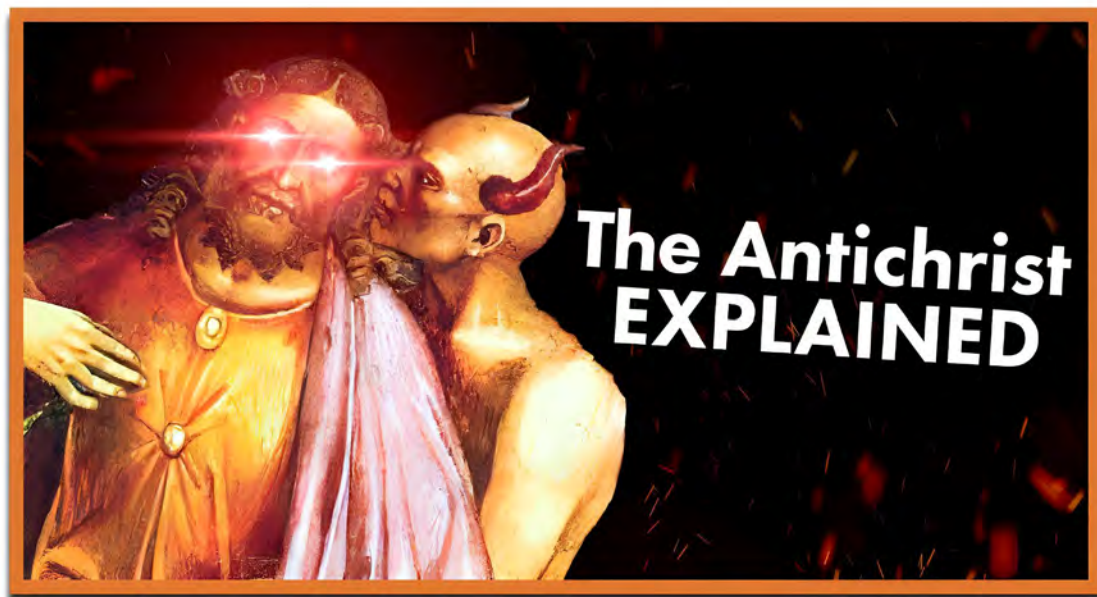

The Antichrist Slut Sodomia, harbors no illusions regarding the creatures that make up over 90% of the population of our planet Earth. As the Satanist, Warlock, and likely Antichrist incarnate, Friedrich Nietzsche, wrote in his work "The Antichrist: A Curse on Christianity"¹:

¹ https://ru.wikipedia.org/wiki/Антихрист._Проклятие_христианству Wikipedia. "The Antichrist: A Curse on Christianity" (German: Der Antichrist. Fluch auf das Christenthum, also translated as "The Antichrist: A Curse on Christianity") is a book by the German philosopher Friedrich Nietzsche, first published in 1895. The book was written in 1888, but its scandalous content led Franz Overbeck and Heinrich Köselitz to postpone its publication, as well as Ecce Homo, written in the same year. The book also explores broader concepts of equality and democracy. Nietzsche denies

This book belongs to a few. Perhaps none of these few yet exist. They may be those who understand my Zarathustra; how could I mingle with those whose ears are only opening today? Only the day after tomorrow belongs to me. Other people will be born posthumously.

This journal will serve as a mini-grimoire, explaining the question "Who is the Antichrist?", primarily for my Satanist allies, for whom this question will open an understanding of who Satanists themselves are. Perhaps SatanArt #37 will be useful for those who suspect that "something is wrong here in our world," but still cannot find their own Satanic inspiration. Where there is no Satanic inspiration, a void is born, which is filled with evil. The sooner you find your inspiration, the better. I will try to explain how in this journal. Incidentally, academic study of the occult symbolism of the Antichrist does not require belief in or endorsement of Satanic traditions. The materials presented by the Antichrist are significant cultural artifacts, reflecting humanity's ongoing dialogue with questions of power, rebellion, transformation, and transcendence. For collectors and scholars, the Antichrist journals and albums shed light on the evolution of symbolic systems, the transformation of religious imagery in cultural contexts, and how transgressive ideas find expression in art and literature. So, let's begin the Satanism of the Antichrist!

WHO IS THE ANTICHRIST? TEXT DESCRIPTION. THE ESSENCE, PRINCIPLES, AND DOCTRINE OF THE ANTICHRIST.

Any spiritual Satanist can be the Antichrist. "Antichrist" is a generic term, not a proper name, as many creatures, especially Christian "writers," believe. Becoming the Antichrist requires certain prerequisites and life experience. The most important characteristic of the Antichrist is a strong connection with Satan and all the Powers of Hell, which allows one to be a Warlock. The Antichrist is a Warlock, an incarnate being who writes Satanic grimoires. The Antichrist is a level of Satanist development at which initial synergy with Satan is achieved. Full synergy with Satan is possible only in Hell, even for the Antichrist.

SatanArt magazine is based on visual representation of themes, so I clarified how I would present the Antichrist through visual images in paintings by various artists. SatanArt #37 will present the Antichrist as an astral figure. I plan to create additional issues of SatanArt magazine on the topic of the Antichrist Slut

the existence of true Christians other than Jesus Christ, saying that "in essence, there was only one Christian, and he died on the cross." He indicts Christianity, claiming that the Christian faith has corrupted everything and devalued every value, and "made every truth a lie, and everything honest a baseness of the soul." He calls the "equality of souls before God" a lie. Church censorship existed in the Russian Empire, and "Antichrist" was banned for its anti-religious content.

Sodomia: one of them will be "A Human Portrait of the Antichrist in Our World (i.e., visually similar portraits)" and several erotic albums titled "The Sexual Antics of the Antichrist Slut Sodomia in Hell (this album is an astral sexual publication)." **What is astral?**

Astral means connected to or emanating from the stars. It can also refer to concepts related to the human spirit rather than the physical body, such as astral projection. In connection with Satanism, both meanings of the word ASTRAL are applicable, but in this album, the word astral refers to the concept of a spiritual portrait of the Antichrist or Satan in another dimension. A spiritual portrait or astral portrait does not imply an exact match of form and color, only a conceptual similarity of the image. Furthermore, the world of Hell is a world of changing forms, so the Antichrist and Satan can take different forms in Hell, which differ in different layers of time. Time in Hell runs parallel, not sequentially, as in our world. Here's the definition of the term astral from Wikipedia:

In spiritual or metaphysical discussions, the term "astral" refers to concepts related to the astral body, which is considered a subtle body existing between the physical body and the soul. This body is often associated with out-of-body experiences and astral projection, where a person's spirit is believed to travel outside of its physical form. Astral projection is the practice of separating the astral body from the physical body to explore other worlds or dimensions. The word "astral" comes from the late Latin "astralis," which in turn comes from the Latin "astrum," meaning "star." The Greek word "ástron" also means "star," emphasizing its celestial origins. The term has been in use since at least the early 17th century, reflecting its long association with both astronomy and spiritual beliefs².

The Art of the Antichrist in Satanism: Symbolism, Principles and Concept.

The concept of the Antichrist has captivated theologians, philosophers, and artists for centuries. In Satanism, the Antichrist symbolizes a radical departure from traditional religious values, representing the ultimate rebellion against dogma and the embrace of individualism. In this issue of SatanArt #37, we explore the art of the Antichrist in Satanism, analyzing its rich symbolism, historical context, and how it manifests in contemporary culture. Satanism, often misunderstood, is not a belief system glorifying individualism, personal strength, and self-realization, but rather a spirituality. At its core, Satanism challenges the dogmatic teachings of major religions, particularly Christianity. The Antichrist serves as a powerful metaphor within this belief system, embodying the rejection of conformity and the embrace of one's true nature. In Satanism, the Antichrist is not an image of evil, but represents liberation and self-realization. Here are some key symbolic elements associated with the Antichrist in Satanism:

1. The Antichrist represents a rebellion against state authority. All states are fascist regimes that have occupied a certain territory of planet Earth. The Antichrist calls states by their true name: State Organized Crime Group (SOCG). The differences between different SOCGs lie only in the level of

favoritism for the occupied population and the level of cannibalism for their own "citizens" (repression, dictatorship, concentration camps) and neighboring "citizens" (war).

2. The Antichrist symbolizes the final uprising against repressive religious structures. This rebellion is not aimed at spreading chaos, but at the search for truth and authenticity. Rebellion against religious authority is associated with the spiritualization of Satan. There is simply no other spiritualization.
3. The Antichrist signifies human independence from other people, their dogmas, and the laws devised by various creatures for other creatures. This is called individualism. The Antichrist is often portrayed as a champion of individual rights and self-knowledge. He encourages followers to question societal norms and embrace their uniqueness.
4. The Antichrist signifies rational egoism and self-sufficiency.
5. The Antichrist symbolizes the rejection of Christian moral standards and all of Christianity as a whole. All of Christianity is a lie and a fabrication, based on Jesus of Galilee's experiment to improve creatures through love and conversation (sermons). Satan told the Satanist Jesus not to do this and not to try to do good to evil creatures, but the experimenter continued.
6. The Antichrist personifies the potential for transformation. In Satanism, accepting the dark side of one's personality can lead to personal growth and enlightenment.

The figure of the Antichrist has attracted the attention of artists, theologians, and occultists for centuries, evolving from biblical prophecy into a complex symbol in Western esoteric traditions. The gay Satanism magazine *SatanArt* #37 examines how the Antichrist is depicted in Satanist visual art and how these images differ from accepted Christian iconography. I will present 100 drawings of the astral image of the Antichrist in Hell, which are completely unlike the image of the Antichrist from Christian myths. There is nothing in common between the Antichrist and Jesus of Galilee. I have absolutely no intention or desire to portray myself as this traitor to Satanism. The Antichrist is one who opposes the evil of Christianity and the lies of this Jewish Abrahamic sect.

The term "Antichrist" is a Satanic term, not a Christian one. Of course, many see a connection with Jesus of Nazareth, who is called Christ. But the Antichrist doesn't want to be like this Satanist traitor to his spirituality. I don't want to repeat his mistakes. I want to follow my Satanic spirituality and Satan. Now I know there are many Satanists in the world, and they are all very different. About 1% of the population of planet Earth are Satanists—not too many, but not too few either. The number of Satanists will increase. In some specific places on Earth, the number of Satanists is significantly higher. Where science, art, inventors, and the LGBTQ+ community thrive, the number of Satanists is significantly higher (Hollywood or Silicon Valley in the USA, for example).

Before exploring Satanism's interpretations of the Antichrist, it's important to understand the traditional Christian religious concept. The term "Antichrist" appears in the Epistles of John in the New Testament, describing a deceiver who opposes Christ. Medieval Christianity expanded this concept to encompass an apocalyptic figure who would appear before the end of time—a concept that inspired countless artistic depictions in illuminated manuscripts, cathedral sculptures, and Renaissance paintings. These traditional representations typically depicted the Antichrist as a false prophet, a political tyrant, or a demonic being—always an adversary to be feared and resisted. A separate grimoire could be written on the subject of the false, negative image of the Antichrist in Christian texts, which is why these Christian and Muslim sectarians have produced a plethora of books about me and other Antichrists. Moreover, they lie based on ancient Jewish or Arabic religious tales about a man they don't know and are unable to understand. I despise these religious false prophets and liars who lie about the Antichrist. They are the false prophets. The Antichrist doesn't consider himself a prophet, in principle. The religious scum has defiled the Antichrist from head to toe with their fabrications and fantasies, based on some ancient, parochial tales.

Where did you get the idea that the Antichrist is a political tyrant if most Satanists are introverts, misanthropes, individualists, and dislike masses of creatures? Don't confuse religious psychopaths and politicians with the Antichrist. Introverts' spirituality is directed inward, not outward, i.e., toward my own Satanic ego. It's the psychopaths with NPD, like Putin and Trump, who direct it outward, because inside, they're empty shells and bastards. For these political creatures, approval from other creatures, i.e., their "voters," is important. Democracy is a sham when some idiots elect other idiots in nice suits to rule over them. Tyranny and autocracy are, of course, even worse than democracy—I'm not arguing that.

The Antichrist in the traditions of the Left-Hand Path and the confrontation with the Right-Hand Path.

In some occult and esoteric traditions, particularly those associated with the Left-Hand Path, the image of the Antichrist takes on a radically different meaning. Rather than representing the embodiment of evil, these traditions interpret this figure symbolically:

1. **Philosophical Inversion:** Some occult philosophers view the Antichrist as the personification of individualism, self-deification, and the rejection of external religious authority. In this reading, "anti" means "instead of" rather than "against"—the individual becomes their own spiritual authority.
2. **Symbolic Rebellion:** The Antichrist becomes a symbol of intellectual and spiritual rebellion against dogma, comparable to the archetypes of Prometheus or Lucifer, personifying enlightenment through forbidden knowledge.
3. **Alchemical Transformation:** Some Hermetic traditions interpret the image of the Antichrist as a symbol of the dissolution of old spiritual forms, necessary for transformation and rebirth.

Within the study of Western esotericism, the Left-Hand Path represents a collection of philosophical and spiritual traditions that emphasize individualism, self-deification, and a rethinking of accepted moral principles. Left Hand Path traditions and various forms of Satanism represent important themes in the history

of Western esotericism. From an academic perspective, they illuminate issues of power, individualism, transgression, and the evolution of religious symbolism.

Satanist movements have produced a rich literature—from historical grimoires to contemporary philosophical treatises—that documents humanity's ongoing exploration of spiritual autonomy, personal power, and alternative ethical foundations. For scholars, collectors, and cultural historians, these materials offer a window into how society addresses questions of good and evil, authority and rebellion, conformity and individuation. Understanding these traditions requires going beyond sensationalism and exploring their true philosophical content, historical development, and cultural significance. Whether we agree with their premises or not, they represent important manifestations of human spiritual creativity and the continuing evolution of philosophical thought.

The term "Left-Hand Path" originates in Hindu Tantric traditions, where it described practices that violate social norms. Western occultists used the term in the 19th and 20th centuries to describe esoteric paths that:

1. Emphasize individual independence over collective morality;
2. Prioritize self-transformation, self-education, and personal power;
3. Challenge or invert traditional religious symbolism;
4. Value direct experience over accepted doctrine;
5. Often utilize taboo or antinomian practices as tools for spiritual development.

The Left-Hand Path is contrasted with the Right-Hand Path, which emphasizes devotion to divine will, adherence to traditional morality, and union with cosmic consciousness through ego dissolution. Although the terminology originates in Tantra, Western Left-Hand Path traditions developed independently, passing through several streams:

1. Gnostic Roots: Early Gnostic sects challenged orthodox Christianity, some of whom revered the serpent in Eden as a liberator bringing knowledge rather than a tempter bringing sin. These inverted interpretations of Scripture influenced later Left-Hand Path views.
2. Medieval Heretical Movements: Various medieval groups questioned the authority of the church and traditional interpretations of good and evil, although the historical record is often unreliable due to persecution and propaganda.
3. Renaissance Occultism: The revival of classical learning led to the emergence of pre-Christian philosophies that valued individual perfection and questioned Christian cosmology.
4. The modern concept of the Left-Hand Path emerged during the occult revival of the 19th century. Eliphas Levi explored the concept of magical will and individual sovereignty while remaining philosophically Christian. The Decadent movement in art and literature celebrated transgression, individualism, and the exploration of forbidden knowledge, creating a cultural space for alternative spiritual philosophies. Theosophy and comparative religion introduced Western audiences to Eastern concepts, including the distinction between the Left-Hand and Right-Hand Paths.

I'll quote from Wikipedia about the characteristics of the "Left-Hand Path" and its contrast with the "Right-Hand Path," as these terms will be new to many.

The Left-Hand Path (LHP) and the Right-Hand Path (RHP) are terms referring to a supposed dichotomy between two distinct types of Western esoteric tradition. The terms "right-hand path" and "left-hand path" (Sanskrit: वाममार्ग vāma-mārga "left-hand path"; Sanskrit: दक्षिणमार्ग dakṣiṇa-mārga "right-hand path") are associated with various branches of Tantrism. In the 20th century, religious scholars and practitioners extended these concepts to non-Indian teachings.

The precise meaning of the terms has changed over time; The most modern use of terms in relation to religions focuses on the worship of one or more gods and the existence of strict moral rules—the right-hand path; while

religions that value self-development as a core value are considered to belong to the left-hand path. This use of terms is inspired primarily by proponents of the left-hand path; opponents (primarily proponents of religions described as right-hand paths) believe that this is a means of dividing religions (or a false dichotomy), or that most practices attributed to the left-hand path are not actually religions (in the conventional sense). Throughout history, many cultures have viewed the left hand itself and left-handed people as associated with evil. This tendency can be seen in the dual meaning of the word "left," in the etymology of English words like *sinister* (*sinister*, *evil*, *terrible*, *gloomy*, *evil*, *left*), which comes from Latin meaning simultaneously "left," "unfortunate," and "sinister." As a result, the left hand has often been used as a symbol of the rejection of traditional religion. The word "right" in relation to the hand used in the Old Testament is primarily Hebrew (יָמִין) (*yamín*), meaning *stronger*, *more capable*. The word "left" is Hebrew (שְׂמָלָה) (*s'malá*), "darkness." The Old Testament God bestows and creates with his right hand, demonstrating his omnipotence. With his left hand, he punishes. This was also facilitated by the practice in many cultures of using the left hand to cleanse oneself, which made the left hand "unclean"³.

Is the Antichrist the Son of Satan and is Satan the dominant force in our world as many writers write?

Yes, the Antichrist is the astral and spiritual Son of Satan, like all other spiritual Satanists. Much has been written on this topic. Of course, physically, the Antichrist is the product of human sex, but unlike his biological parents, the Antichrist is endowed with the gift of Satanic spirituality, which he receives from his astral Father in another dimension. The Antichrist has a particularly close connection with Satan, like other true Satanist warlocks. Therefore, the Antichrist is called the Son of the Devil or the Son of Satan. This term neither demonstrates nor proves any connection with psychopaths, evil creatures, sacrifices, or other crimes. These are all fabrications of religions or evil creatures that denigrate Satanists.

The Son of Satan is not a dominant force in our world. On the contrary, only a select few are Satanists in our world. These are all religious inventions. Satan himself is considered merely the "Prince of this world," not a king, emperor, or ruler. In Hell, Satan, Demons, the Antichrist, and Satanists do indeed dominate, but in our world, they are oppressed by the rabble of creatures and their evil. The most vile evil at the end of 2025 is the dominant position of global fascists. Our world's information field (the internet) is polluted with news about the activities of the bald, psychopathic, NDP-influenced Putin, the red-haired, psychopathic, NDP-influenced Trump, and the leader of Ukrainian fascism, Zelensky⁴. NPD abbreviation means narcissistic

personality disorder. All the world's media don't talk about the spiritualization of people, they don't talk about Satanism, they don't talk about how all creatures go to Hell after death to be consumed by entropy and how it would be desirable to be inspired by Satan. You won't hear such talk in the media, even though Satanism affects 100% of people—no one escapes death or Hell. This is precisely why the Antichrist and Satan are in a desperate opposition, and the evil of fascism and religion dominates our world.

A very important theme in Satanism is the Quantum Observer. Satanic Black Magic is based on this principle. I will write about the quantum observer separately, in the second grimoire of gay Satanism, because it fully explains what Black Magic is and how it works. Our world is flooded with evil, and the fascists have seized all power. All that remains for Satanists is Satanic Black Magic. Yes, through Satanic Black Magic, all the Forces of Hell can influence the reality of our world, through the External Information Quantum Field (EIQF) and through the quantum alteration of reality by the observer. The Antichrist is an OBSERVER. I learned this at the age of six, when the Spirit of Satan spoke these words to me. It happened while taking a warm bath—I remember it clearly. At the time, I had absolutely no idea what it meant. The secret of this phenomenon has been revealed by science and is not an invention of the Antichrist. You can read about this phenomenon online, watch videos about it, or consult Wikipedia⁵. I'm only talking about quantum observer effects that operate in the QQP, across dimensions. Yes, science doesn't know everything about these effects, but I do. All Satanists are observers in our world, and they are Satan's eyes and ears in our world. Analyzing evil creatures, identifying evil, and cursing evil—these are observer effects that connect Satanists with the forces of Hell, allowing them to cast Black Magic on the evil creatures in our world. Black Magic is practically the only thing left for Satanists and the Antichrist in our world. There are too many evil creatures—billions of them on different continents—and running around exterminating their evil is physically impossible, nor even desirable. All unnecessary evil creatures in our world will end up in Hell one way or another, and there they will face a long, painful, and persistent process of entropy by all the forces of Hell.

Black magic is directed against evil. Black magic serves good purposes, but it works in the form of evil for evil itself, which corresponds to the Satanic principle of destroying evil with the forces of evil itself. Therefore, in our world, there is a misunderstanding about the Black Magic of Satanists and Warlocks, which is why some

⁵ [https://en.wikipedia.org/wiki/Observer_effect_\(physics\)](https://en.wikipedia.org/wiki/Observer_effect_(physics)) Wikipedia. Observer effect (physics). Quantum mechanics.

people consider Black Magic to be something bad. This "bad" is aimed at destroying the evil in our world, therefore Black Magic is good. The magical destruction of evil through negative influence on it at the quantum level is good. Black Magic operates at the level of the quantum quantum process and currently has a practically scientific explanation at the level of quantum mechanics. The quantum observer effect changes our world. Black Magic is the alteration of our reality by the OBSERVER. Please note that not everyone is an observer capable of the effects of Black Magic. Only Satanists with a quantum (astral) connection to Satan and Hell can cause changes in our reality through Black Magic. I absolutely don't understand how atheistic Satanists can do this. Atheistic Satanism is a mystery to me (I'm serious).

The Antichrist has Satan, Demons, and other Satanists as allies. I call this alliance "All the Powers of Hell." Unfortunately, in our world, my allies in Hell cannot help me financially or physically, and the Antichrist must rely on his own strength. I can write or cast a grimoire, but I can't conjure money, food, clothing, or rent. Black magic doesn't work in this realm. I have to survive just like everyone else. Therefore, the Antichrist asks all caring people to help me financially by transferring cryptocurrency to the accounts of the Antichrist Slut Sodomia, which I indicate in each of my writings.

PUBLIC SIGNATURE LOGO OF THE ANTICHRIST SLUT SODOMIA. HOW TO TYPE THIS SIGNATURE LOGO FROM A KEYBOARD?

Antichrist Slut Sodomia has long used a four-symbol signature logo. This signature appears on every gay Satanist document I produce. **My signature logo looks like this:**

As you can see, I'm using only two different symbols, plus their repetition. You can copy the signature of the Antichrist the Slut Sodomia as regular text and paste it wherever you want, when quoting the Antichrist or for other purposes. I decided to write detailed public instructions for typing my logo – this will allow you to quickly and easily create a TEXT LOGO-SIGNATURE of the Antichrist the Slut Sodomia. This may be useful to me or others.

The signature of the Antichrist symbolizes a quantum connection with my reflection in Hell, so the symbols are mirrored. The inverted pentagram ✧ signifies Satanism and Satanic spirituality. The § sign, "The Section Symbol," I personally call the PARAGRAPH sign⁶. For me, this sign represents my writings, i.e., my literary

⁶ I know that another symbol is also called by this word ¶.

work, various statements, and quotes from the Antichrist. Also, the paragraph sign § symbolizes the letters SS = Slut Sodomia (in English) (in Russian, it's also two letters SS = Сuka Сoдoмия. A funny coincidence).

You can enter my signature from your keyboard using the additional part of the keyboard (usually on the right side), which is called the "numeric keypad." **Please note that this method doesn't work with "simple" text editors like Notepad or Notepad++. Copy-paste always works, but typing from the keyboard only works with "normal" text editors like MS Word or LibreOffice Writer.**

The first thing you need to do to type my signature from the keyboard is to turn on the NumLock ON key!⁷ **Detailed instructions for typing the Antichrist Slut Sodomia's signature logo symbols on a keyboard are as follows:**

✧ Inverted Pentagram (Unicode Symbol: U+26E7). Hold down the LEFT Alt key and type 9959 on the NumLock keypad. Then release the LEFT Alt key. The symbol should appear.

§ Section Symbol (Unicode Symbol: U+00A7). Hold down the LEFT Alt key and type 21 or 0167 on the NumLock keypad. Then release the LEFT Alt key. The symbol should appear.

My keyboard has TWO "Alt" keys, one on either side of the "Space" key, and perhaps you still have the same keyboard layout in the year XXXX 😊... It's possible that the physical computer keyboard will be replaced by mental input controls. On my computer, entering these characters doesn't work with the RIGHT "Alt" key. This may be a quirk of my operating system, computer, or keyboard. This guide was compiled on November 30, 2025.

December 25, 2025. The Antichrist Slut Sodomia, created a sigil seal with her signature. Here it is.

Sigil-seal of the signature of the Antichrist Slut Sodomia

⁷ The Num Lock key is usually located on the right side of the keyboard, directly above the numeric keypad. It can be found among other keys, such as Caps Lock, Scroll Lock, and others. Typically, a signal LED lights up when the numeric keypad is successfully engaged (but this isn't required).

This Seal of the Antichrist can be used as a public graphic signature of the Antichrist, for citations, or for other purposes aimed at spreading gay Satanism. The text of the signature is in English, the international language of planet Earth. In addition to the signature itself, the sigil contains two more Satanic symbols. The first symbol is the "All-Seeing Eye within a Triangle," which denotes the quantum observer, who is himself observed. The second symbol is 666 or 999, which denotes the state of quantum superposition of the Antichrist, signifying the Antichrist's presence simultaneously in Our World and in Hell, above and below, Alpha and Omega. The concept of quantum superposition is precisely what is implied when speaking of the artistic representation of entire objects, which is what any Satanist is. Also, the dual position symbol 666 or 999 denotes the Number of the Beast. In the subchapter of the grimoire "Gay Lust" 21.22. Satan's digital name is 999. The Antichrist formulated the gay Satanism thesis #46 on this number. I'll quote it again in SatanArt almanac #37:

SATAN'S NUMBER 666, IN QUANTUM SUPERPOSITION, IS ALSO = 999

THE NUMBER OF SATANIC SPIRITUALIZATION OF MAN = 1

THE NUMBER OF SEPARATION FROM OUR DIMENSION (TRANSITION), THE NUMBER OF SATANISM AND HELL = 1000

To mock the stupidity of those who consider ONLY 666 to be Satan's name or number, I propose using 999 as a counter-number, which has the following meaning: One element (1), added to 999, converts all its components to the state of 0 and transcends the horizon of this number, becoming 1000. This symbolizes the addition of Satanic spirituality and the expansion beyond the boundaries of our world. The numbers 666 or 999 also signify the synergy of the Antichrist with Satan, because every Satanist desire to merge with Satan to embrace the full light of Satanism within themselves. Complete synergy with Satan is only available in Hell.

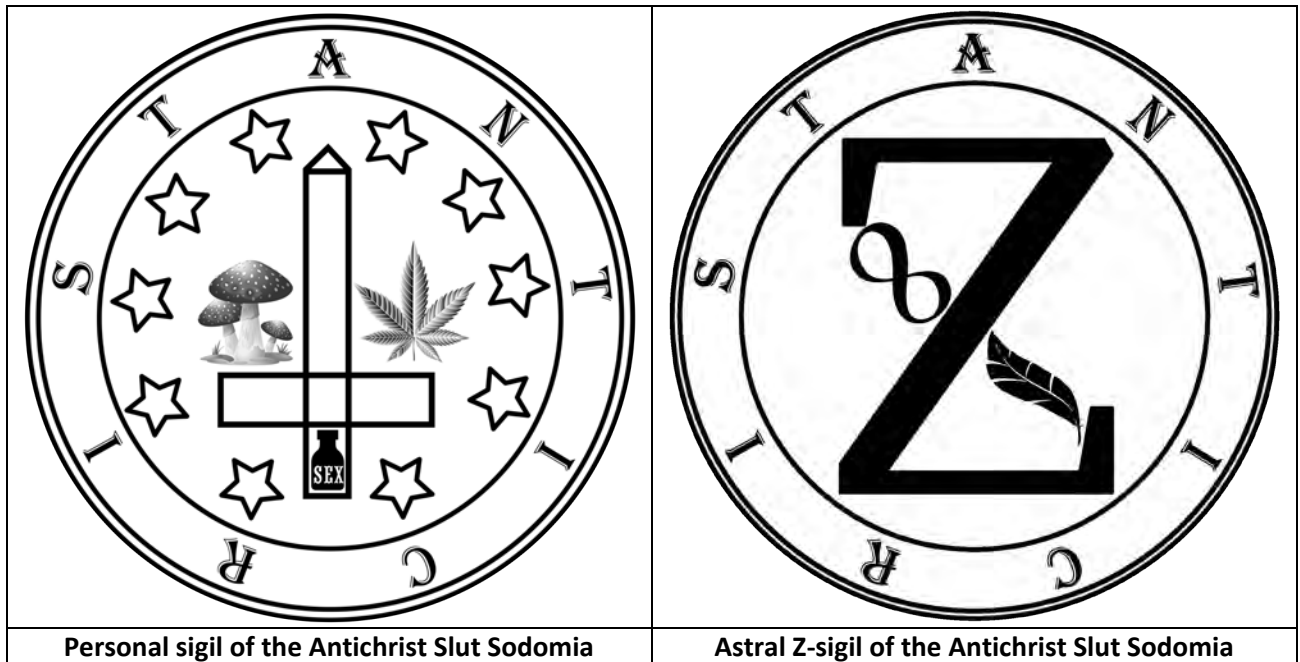

DESCRIPTION OF TWO PERSONAL SIGILS OF THE ANTICHRIST WHICH WILL BE USED IN THE DESIGN OF PUBLICATIONS OF GAY SATANISM

In this Satanic Art Magazine album SatanArt #37 and in the previous SatanArt albums #31+, Antichrist Slut Sodomia uses his new sigil and the "old sigil" he made while writing the "Gay Lust" grimoire. On October 13, 2025, I made a personal astral sigil for the Antichrist Slut Sodomia, featuring the Latin letter Z, the infinity sign

(eight), and a feather. This astral sigil was revealed to the Antichrist in a trip quite a while ago, although even before that, I considered three symbols to be "my symbols": Z, V, and 7. All three of these symbols, i.e., two Latin letters and the number 7, remain my symbols. The mindless Russian rashists have adorned their militaristic "Analog Shit" hordes with the symbols of the Antichrist ⁸.

I've always marveled at our Teacher Satan's irony and sense of humor, although it seems more like the Black Magic of Satanism cast upon the Rashists through the symbols of the Antichrist. The Rashists are cursed, and the Black Magic of the Antichrist's symbols is cast upon them. I wrote about this in detail in SatanArt #26, "Vladimir Putin is kaput! The face of Vladimir Putin, the leader of the Kremlin's organized criminal group "Rashist Federation," in pictures, caricatures, and photographs," and in SatanArt #49, "Kremlin Propaganda of the "Russian World." The Cursed Faces of Russian Fascist Figures and Putinist Propagandists".

The images of these two sigils came to me during a fly agaric trip (approximately 100 ml of red fly agaric tincture in alcohol). I will now explain in detail the meaning of these seals of the Antichrist, i.e., my personal signs. There is also a general sigil of Gay Satanism, but it is not my personal sigil. Gay Satanism sigils come in normal and inverted versions, i.e., upside down. I described their meaning in detail in the grimoire "Gay Lust." The personal sigils of the Antichrist, when inverted, are logically no different from their normal form.

The personal sigil of the Antichrist Slut Sodomia, consists of several elements. In the central part of the "classic" or "old" sigil of the Antichrist Slut Sodomia, is a cross-sword with a triangular, sharp tip. This cross symbolizes the rejection of the suffering imposed by Christianity, other religions, and fascists. The inverted cross of the Antichrist is a symbol of the overthrow of evil. This cross also symbolizes a missile weapon and a good old sword from ancient times. The triangle at the end of the sword is a symbol that appeared to the Antichrist Slut Sodomia, in a trip. My husband had a spherical halo during the trip, while the Antichrist had a halo in the form of a triangular aura. We both saw this in the trip on different days.

⁸ [https://ru.wikipedia.org/wiki/Аналоговнет_\(значения\)](https://ru.wikipedia.org/wiki/Аналоговнет_(значения)) Wikipedia. Analogovnet (disambiguation). Analogovnet (from "no analogs," meaning "having no analogues in the world") is an internet meme. ANTICHRIST'S EXPLANATION: Rashists constantly boast in the media, in speeches, and on camera that no one else in the world has technologies like theirs, and that they are the only ones who have them. In Russian, this phrase is very common in Russian fascist media and is often used by various Putinist creatures. In reality, this is a lie that Putinists feed to the Russian population to make them proud of the greatness of Russia's pseudo-achievements. In Russian, the expression "no analogs" sounds like "Analog Govnet," which corresponds to the English phrase "Anal Shit".

The personal "classic" sigil of the Antichrist Slut Sodomia, is "driven" by three elements: a red fly agaric mushroom, marijuana, and a bottle of poppers, which represents sex. These elements are arranged like three engines on the Antichrist's satanic cross. Ten stars are arranged in a circle around the satanic cross, symbolizing the Antichrist's self-sufficiency, significance, and completeness. These small pentagrams also symbolize the magical protection and spiritualization of the Antichrist by Satanism. Along the outer edge of both sigils of the Antichrist Slut Sodomia is written in Latin, clockwise: ANTICHRIST.

The Z-sigil of the Antichrist signifies the astral essence of the Antichrist. The sigil's general appearance resembles an hourglass—a symbol of the infinity of time, but with varying periods. The number 7 appears on the sigil and signifies the "Death Scythe" against all evil in our world. The number 8, or the infinity sign, signifies the Antichrist's eternity, both in our world and in Hell. The feather signifies a subtle quantum leap between the dimensions of our world and Hell and the ease of spiritualization by the forces of Hell. There is no Latin letter V in this sigil, but believe me, this is also "my symbol." The Latin letter Z itself is a symbol of the crossing out of evil in our world and is a reference to the sign of the avenger Zorro in Spain ⁹. Of course, the Antichrist burns this symbol into the forces of evil, more informationally and astrally than with a rapier. There are too many soulless freaks in our world to chase after each one with a sword or katana. Informational resistance to the evil of the Antichrist allows us to brand more of our world's evil creatures. In future issues of the gay Satanism magazine SatanArt, I will use four sigils of gay Satanism:

1. Two official personal sigils of the Antichrist. The first, with an inverted cross-sword or a rocket image, is drawn to sex, the red fly agaric mushroom, and cannabis. It is surrounded by 10 stars. I created this sigil quite a long time ago. The second sigil is in the form of the astral Z-sigil of the Antichrist Slut

⁹ <https://en.wikipedia.org/wiki/Zorro> Wikipedia. Zorro. Zorro is an acrobat and master of various weapons. However, he most often uses a rapier, which he uses to carve the initial "Z" into the bodies of his defeated enemies and other objects, "signing" his work.

Sodomia, with a feather and the infinity symbol. You can use these sigils as the seals of the Antichrist Slut Sodomia when quoting Gay-Satanism publications.

2. Two official sigils of Gay Satanism. The first is a protective sigil of Gay Satanism, in the form of a star, supported by two stable rays-corners of a pentagram. The second is a 180-degree inverted sigil, a sign of Satanic spiritualization and quantum entanglement (a sigil with a pentagram resting on one ray-corner of the pentagram). These are inverted sigils. You can use these sigils as seals of Gay Satanism.

A more detailed introduction to the text portion of this anthology, SatanArt #37, will be prepared by Antichrist Slut Sodomia in a second, commercial version of this publication, intended for sale. Gay Satanist publications are available for sale in gay Satanist online stores.

SatanArt #37 is a puritanical edition of the Antichrist about the Antichrist and does not contain explicit erotica. SatanArt #37 may be posted on publicly accessible, puritanical websites because it complies with the prudish norms of popular websites regarding erotica and "sensitive content," under a CC BY-ND 4.0 license.

DEDICATION OF THIS GAY SATANISM VISUAL ARTS MAGAZINE SATANART #37

I dedicate SatanArt #37, a Satanic art magazine, to the topic of the Antichrist and myself. So many lies about the Antichrist have accumulated in our world that it's time to dispel at least some of this mountain of lies. At first, I considered making a critical analysis of various false books about the Antichrist, Satan, and the "Satanic Trinity," but I later abandoned this idea for two reasons. First, I don't want to discuss the nonsense written about me by cultists and psychopaths, along with a serious critique of their "intellectual excrement," i.e., their false books. Second, I don't want to promote their false nonsense and their cult books. Think for yourself: is it possible to talk about a man from our time based on ancient Jewish and Arabic tales, i.e., ancient local beliefs? The false prophets are the religious sectarians who denigrate the bright image of the Antichrist in their books. They are the false prophets. The Antichrist doesn't make prophecies at all. Therefore, I dedicate this album to exposing the lies about the Antichrist, from the Antichrist himself. I hope this will have at least some effect in our world.

The Art by the Characters of Antichrist Slut Sodomy

The Antichrist Slut Sodomia has posted some albums of the Puritan editions of the gay Satanist almanac SatanArt (Nos. 1-30, Puritan albums, Version 1) on public Internet platforms as free e-books in PDF format. However, not every issue of the gay Satanist almanac SatanArt is available free of charge in high quality or in full. All issues of SatanArt almanacs are sold on gay Satanist online stores as digital ZIP archives. The ZIP archive includes the original files in DOCX and PDF formats, plus individual images from the collection in JPG, PNG, and WEBP formats, all in high quality. You can find SatanArt almanacs from the Antichrist Slut Sodomia using search engines such as Google, Bing, and DuckDuckGo. The digital store for gay Satanist publications operates on the principle of absolute buyer honesty, i.e., The buyer receives the goods first and only then pays with cryptocurrency. This is rare in the modern world. Complete versions of the "Gay Lust" grimoire, for reading or publishing in paper form, are also available for purchase on the Gay Satanism Store website. To publish books and almanacs in paper form, you will need the source files, in DOCX format, for layout and for correcting minor grammatical, syntactic, and other technical errors.

I would like to announce two changes in the publication and free distribution of SatanArt releases, for all subsequent issues of the Puritan publications, i.e. starting with SatanArt issue #31 of the first version and for all second versions of SatanArt of the old releases.

The first change is a change in the name of the SatanArt form itself. The Antichrist will refer to this and all subsequent issues of SatanArt magazine as Almanacs. An almanac (from Arabic: **ألمناخ** "astronomical calendar") is a type of serial publication, an ongoing collection of literary, artistic, and/or popular science works, united by some characteristic (thematic, genre, ideological, artistic, etc.). Unlike a almanac, it is usually

published annually, not always with the same frequency, or is a non-periodical collection altogether, containing information from various areas of social activity, usually highlighting literary novelties, scientific achievements, legislative changes, etc.¹⁰.

THE PRINCIPLE OF RECEIVING A DIGITAL EDITION FROM THE GAY SATANISM STORE:

PAY FOR ALMANACS, BOOKS, AND ALBUMS UPON RECEIPT IF YOU ARE SATISFIED WITH THEM.

THE DOCTRINE OF ABSOLUTE HONESTY OF BUYERS

BY THE ANTICHRIST SLUT SODOMIA.

The renaming of the "Gay Satanist Art Magazine" to the "Gay Satanist Art Almanac" was done because this form of literary work better reflects the essence of SatanArt publications:

1. Each SatanArt issue is dedicated to a specific theme, which is more similar to literary almanacs than to almanacs. The Antichrist has outlined many different themes for SatanArt almanacs to cover. The one that connects them all is gay Satanism. All almanacs are divided into PURITAN issues and SEXY issues. This choice is based on the issue's theme and illustrations. Puritan almanacs will not contain pornography or explicit erotica. Such e-books can be posted on many public Web 2.0 sites¹¹.
2. SatanArt is not published regularly, but I hope it will be more than once a year. I plan to publish 6-12 almanacs per year.

The second change concerns the free distribution of the first versions of new SatanArt almanacs. There will be a free version and a commercial version of SatanArt, in PDF format. The differences between the free NON-COMMERCIAL version of the new SatanArt almanacs and the COMMERCIAL version are as follows:

1. All first versions of new SatanArt almanacs will be NON-COMMERCIAL, distributed free of charge online, so that anyone can access them without payment. Free SEXY versions of SatanArt cannot be posted on every public online platform, as pornographic/erotic books are prohibited on many public Web 2.0 websites. Please keep this in mind (the Antichrist doesn't like the puritanical rules of site owners, but these are their sites, therefore their rules).
2. The preface in the free version of the SatanArt almanac will be limited to 3-5 pages of topic description. In the commercial version, which I call the SECOND VERSION, the preface will be expanded and expanded six to ten times, turning the almanac into a book. The second version of the

Gay Satanism publications is an improved and expanded version of the first version and is the COMMERCIAL VERSION of the Gay Satanism publications. It can be purchased in Gay Satanism stores.

3. The Antichrist will only make available free PDF versions of SatanArt, which have compressed images, a loss of image quality, and are suitable for viewing on a monitor or mobile device, but not for high-quality printing. These will be SMALL FREE versions of the almanacs. These small PDF versions are approximately three to five times smaller than their commercial counterparts in maximum quality.
4. Paid versions of the SatanArt almanacs will be available in maximum quality, in DOCX, PDF, EPUB, and DVJU formats, and will be sold for a fee on Gay Satanism stores. These COMMERCIAL editions are intended for publication on paper, in print, or for collectors of high-quality e-books.

Commercial versions of Gay Satanism books and almanacs will be sold in the Antichrist Slut Sodomia stores. This is my plan to monetize my literary work on Gay Satanism. The Gay Satanism digital edition store accepts cryptocurrency payments, but payments can also be made by traditional bank card through reliable cryptocurrency wallets or reputable cryptocurrency exchanges. More information about cryptocurrency and its importance can be found at the end of SatanArt almanac from Antichrist Slut Sodomia. Cryptocurrency is the future! If you haven't yet started using cryptocurrency, start as soon as possible, for example by purchasing e-books of Antichrist Slut Sodomia.

ANNOUNCEMENT OF LICENSE CHANGES FOR ALL PUBLICATIONS OF GAY SATANISM.

Antichrist Slut Sodomia completed the free publication of her works on the Internet under a Creative Commons CC BY-NC-ND 4.0 International license in December 2025 ¹². This NON-COMMERCIAL license was intended for the free distribution of gay Satanist publications online by the author himself, i.e., the Antichrist Slut Sodomia:

1. for the first version of the Grimoire "Gay Lust,"
2. for the first versions of the visual albums of the gay Satanist almanac SatanArt #1-30 + #49,
3. for the first versions of the Satanic music collections SatanSongs #1-4 + #1Q.

The Antichrist Slut Sodomia introduced his gay Satanist publications to the world public free of charge. During this time, I honed my skill in compiling e-books in PDF format. These books are now worthy of commercial sale and publication in paperback. **In order to monetize and commercialize gay satanism publications, I am transferring all gay satanism publications to the new Creative Commons CC BY-ND 4.0 International license¹³. This new COMMERCIAL license applies to all Gay Satanism publications.** You can still distribute Gay Satanism publications and sell Gay Satanism publications for 20% of the profits (for paperback editions) or revenue (for ebooks), but now with an officially applicable commercial license.

Starting with this edition of SatanArt #31, all subsequent editions of Gay Satanism, including the first editions, will be distributed under the new COMMERCIAL Creative Commons CC BY-ND 4.0 license. All previous first editions of Gay Satanism will be updated to version 2.0:

1. The cover design of the first editions will be changed. I will update the first editions of older editions by adding four sigils to each corner of the cover image, similar to the one in SatanArt #31. This will be a characteristic feature of the commercial versions of the publications under the CC BY-ND 4.0 license.
2. The content of the first editions of the Gay Satanist books, or parts of it, will be changed; for example, the introduction will be significantly expanded, with a significantly larger text analysis.

¹³ <https://creativecommons.org/licenses/by-nd/4.0/deed.en> Creative Commons CC BY-ND Attribution-Non-Derivatives 4.0 International License Description.

3. The graphics of the first editions of the Gay Satanist books will be changed, in terms of image quality. I will endeavor to improve the images that need it.

Non-commercial license

Commercial license

The second versions of The Antichrist Slut Sodomia's e-books receive design improvements, expanded content, and a new, commercially-compatible license.

On November 13, 2025, Antichrist Slut Sodomia received her first Bitcoin donation to her cryptocurrency wallet. Thanks to my first sponsor, who transferred \$20 USD to my account. It was a nice bonus for my efforts. Bitcoin transfer fees are quite high. For a \$20 transfer, the fee was \$3-4 USD. For many altcoins, the transfer fee can be significantly lower, even tens of times lower. Altcoins are all cryptocurrencies created after Bitcoin.

Image 3602. The Antichrist is the Great Magician of Satan and the Son of Satan. The Antichrist enjoys receiving cryptocurrency from his followers. In Hell, your payment for the Antichrist's Tinder will increase significantly, exceeding Bitcoin in our world.

The Antichrist is a man, and the forces of Hell are unable to help me financially or materially. Unfortunately, neither Satan nor the Black Magic of Satanism can conjure up food, rent, a computer, internet, or the purchase of sexual accessories for gay lust. All of this exists in the material plane of our world, and the Forces of Hell cannot help me with this issue on Earth. Those who are concerned and interested in the Antichrist's work can help by making financial transfers of cryptocurrency to the Antichrist's accounts (public addresses). I like the emergence of digital currency like Bitcoin, altcoins, and the possibility of monetary payments without government involvement. Unfortunately, fascists are increasingly poking their ugly noses into the cryptocurrency sphere and trying to tighten the screws to deprive cryptocurrency of anonymity and independence from their control. They do this to appropriate your cryptocurrency, just as they appropriate your taxes, duties, and levies. The fascists live in luxury and spend enormous amounts of money on their wars.

Image 3604. Antichrist Slut Sodomia in Hell, on the pages of his grimoires of gay Satanism, surrounded by Angels and the Holy Spirit of Satan.

The true Holy Spirit is the Spirit of Lucifer-Satan. No other Holy Spirit exists besides him. Religious tales about some "other" Holy Spirit besides the spirit of Satan are lies and a sectarian invention. Perhaps this is done deliberately so that evil can keep the masses of superimposed human offspring stupefied.

The symbols of the Antichrist are the letters Z, V, and the number 7, which replaces the letter Z. Astral portraits, in the form of skeletons, represent the posthumous reflection of the Antichrist in our world.

Image 3609. An astral portrait of the Antichrist Slut Sodomia, in Hell, among the living and suffering heads of the fascist, degenerate dictators of our world. Psychopaths of all stripes have filled our world. There are especially many psychopathic freaks and narcissists with NPD among the leaders of state organized crime groups (SOCG) around the world.

Image 3610. Antichrist Slut Sodomia in the purple light of gay Satanism. Half man, half Antichrist, Son of Satan.

Image 3611. The Antichrist is a Slut Sodomia among the demons of Hell. Satan's legions of demons are allies of the Antichrist in the overthrow of evil in our world and in the dimension of Hell. All creatures will die and go to Hell. All Satanists will return to their ancestral home, Hell. Prospective Satanists will return to Hell as wise but blind philosophers.

Image 3612. A portrait of the Antichrist, fed up with the evil creatures of our world. Fascists, the superfluous human offspring, billions of soulless creatures. The astral image of the Antichrist in Hell, horrified by the creatures of our world. The wrath will follow this image.

Image 3616. The calm and relaxed euphoria of the Antichrist in Hell with Baphomet. Amidst the music of Satanism, flowers, and drops of Baphomet's blood. An idyll, with elements of ironic horror.

Image 3617. An astral posthumous portrait of the Antichrist, returned to our world after death. A grimoire with the sign of resistance, an hourglass, and Satan the Dragon nearby.

This drawing depicts a posthumous portrait of the Antichrist, as seen from our world. The choice of the letter omega (Ω) to symbolize resistance for Satanists is no accident. This symbol represents electrical resistance. Omega is the last letter of the Greek alphabet and, in a sense, symbolizes an obstacle or an end, echoing the nature of resistance, which hinders the free flow of current. This symbol has various applications in scientific and academic disciplines. Its history dates back to ancient Greek culture, and it serves many purposes in modern fields.

Satan, the Antichrist, and Satanism symbolize resistance to the evil of our world. This evil is multifaceted. Satanism is a rebellion against the injustice of our world. Of the "Trinity of Satanism," the Antichrist is the most vulnerable, because evil cannot harm Satan, nor Satanism, as a phenomenon or Spirit. The Antichrist and Satanists are the most vulnerable to evil.

Image 3618. The Forces of Hell and the Antichrist. The painting's original plot is irrelevant and unknown to me—this applies to all paintings in the SatanArt albums.

All the Powers of Hell is a term coined by the Antichrist Slut Sodomia, to denote the army of Satanism in Hell. This army is numerous, and many ancient Satanist grimoires have attempted to describe the commanders of this infernal army. These descriptions contain the names of various Demons, lords, kings, and princes of Hell. The Antichrist Slut Sodomia, is the Crown Prince of Hell, and all the Demons of Hell are my allies and patrons. My Father Satan is the Lord of Hell and the Commander-in-Chief of All the Powers of Hell. This is a human description for another dimension, and it is an astral image of the army of Satanism in Hell. It is not a literal meaning, as in the armies of the militarists of our world. Please keep this in mind.

Image 3619. Satan, the Antichrist Slut Sodomia, and all the Powers of Hell. In Hell, the creatures of evil have no chance.

Image 3620. Satanist Jesus of Galilee, opposite the Antichrist and in the company of other joyful Satanists.

Image 3621. The Hierophant (Greek: ἱερογάρτης, "one who reveals the sacred") was the senior, lifelong priest of the Eleusinian Mysteries among the ancient Greeks. The Hierophant was considered a person who introduced people to what was hidden from others. Thus, the Hierophant is an interpreter of sacred mysteries and secret principles. The Antichrist can be seen as a modern-day Satanic Hierophant.

The Satanic Hierophant is the opposite of the religious Hierophant. The traditional religious Hierophant is considered a symbol of the "right hand" (i.e., God, dogma, obedience), while the Satanic Hierophant represents the "left hand" (i.e., Satan, rebellion, rebellion, self-sufficiency, and rejection of dogma). I won't describe the meaning of the Hierophant Tarot card, because the Satanic Hierophant embodies a different, opposite meaning. The Antichrist can be called the Satanic Hierophant.

Image 3622. Father Satan and son Antichrist. The two main characters of "The Blasphemous Satanic Trinity." The spirit of Satanic spiritualization is also present in the painting, in the form of a dark atmosphere. This is an astral icon, not a visual depiction of Hell. Please keep this in mind for the other paintings in the collection. Nestor Avalos.

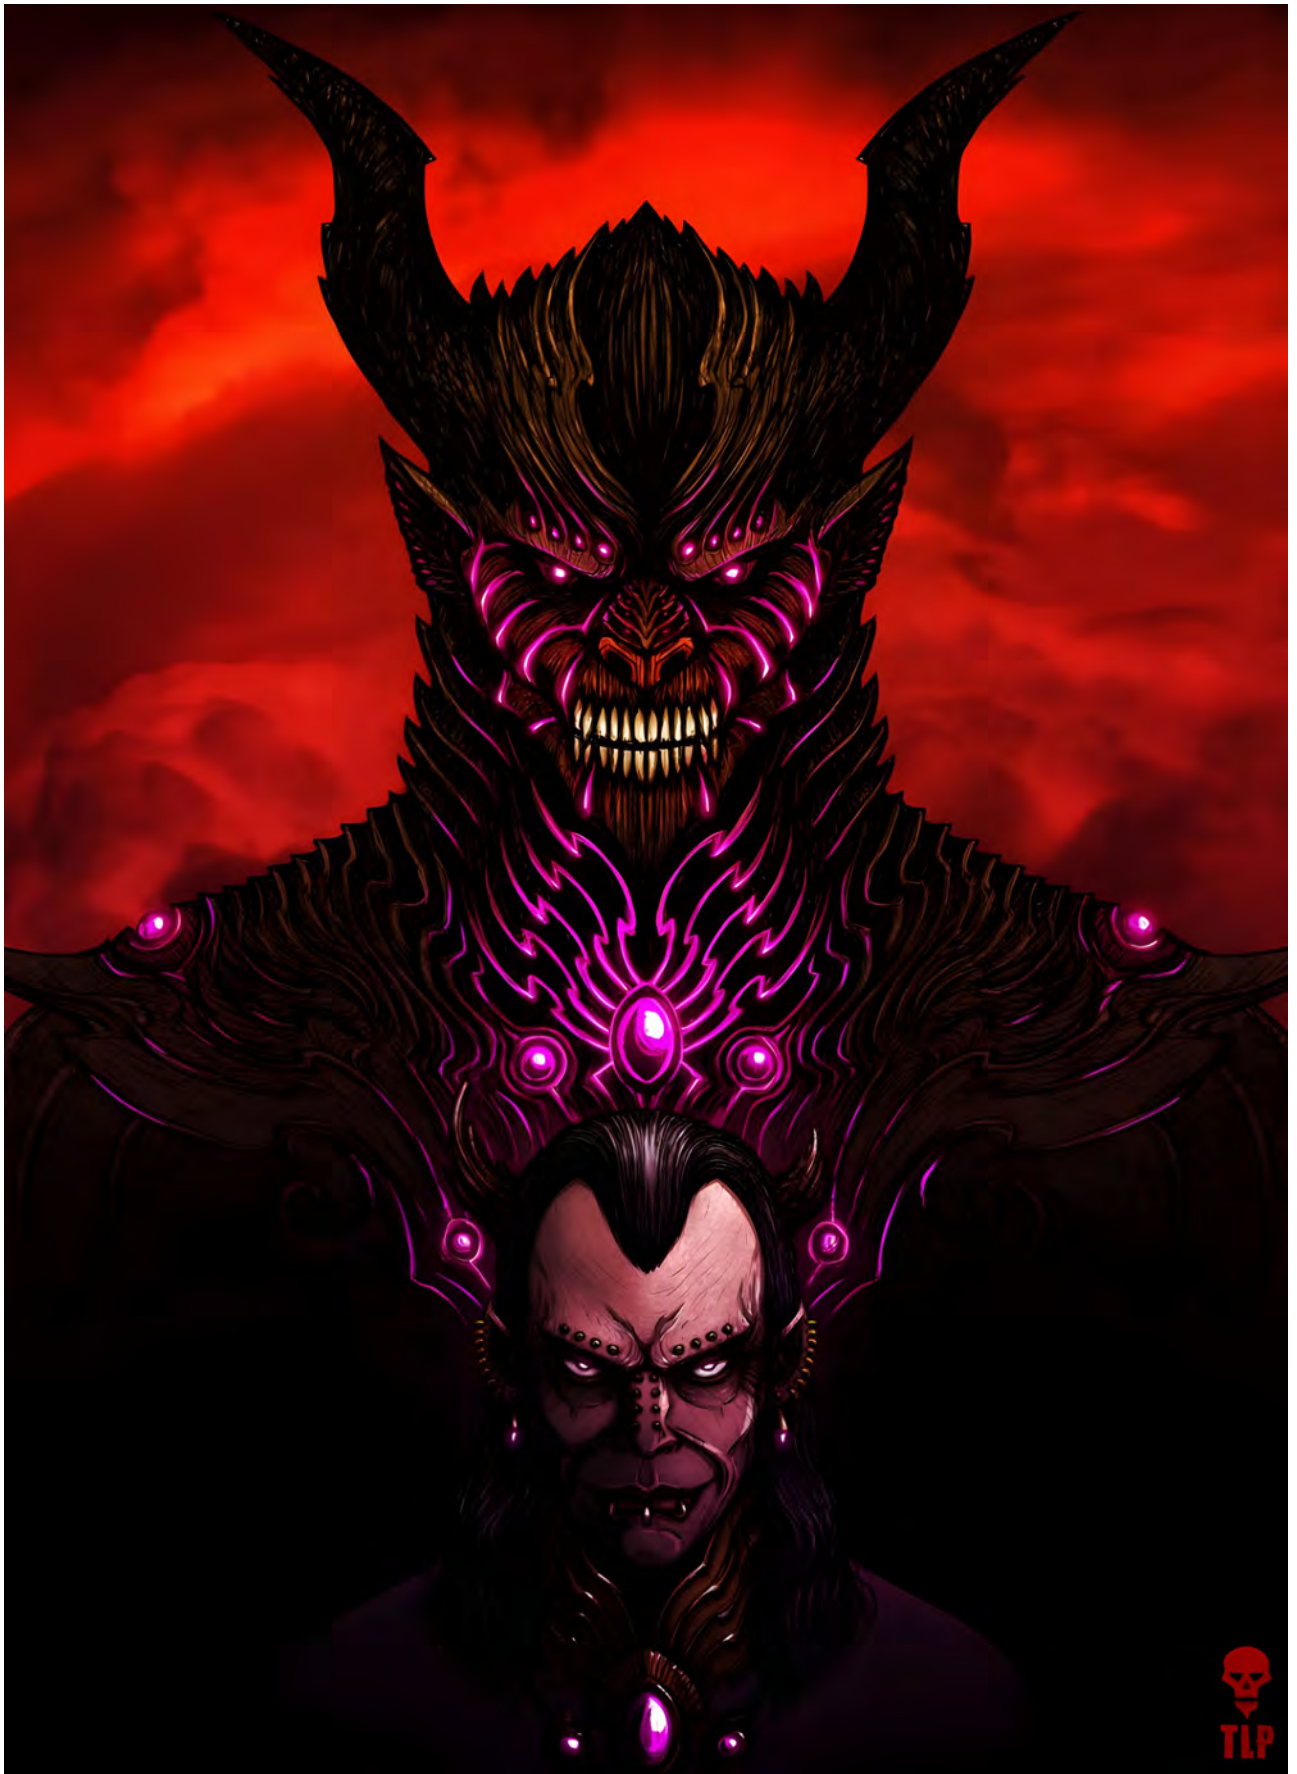

Image 3623. Satanist Antichrist and Satan behind him. The color of Satanism is purple (crimson, lilac).

Image 3624. The astral image of an anal masochist in Hell. The Antichrist is both an anal sadist and an anal masochist. This combination of roles favorably influences sexual knowledge and gay lust. The anal prolapse-penis, in the form of a snake, is the pride of the passive (bottom) Satanist pederast.

Image 3625. In Hell, the Antichrist flies on wings of light (this information comes from trips involving the red fly agaric mushroom). In this painting, the wings aren't made of light, but no one demands documentary accuracy from astral images of Hell.

Image 3626. The Antichrist with a heart. This is pure astral surrealism, because I don't want to eat shit-creatures. It's better to eat pigs and shrimp—cleaner and tastier. But as a symbolic artistic image, I quite like it. Evil eats Satanists in our world, and Satanists eat evil in Hell. The astral meaning of the painting.

Image 3629. Surreal image of the Antichrist in Hell No. 1.

Image 3630. Surreal image of the Antichrist in Hell No. 2.

During a trip, the Antichrist saw himself as glowing light, with tattoos that weren't black ink, but pierced by a bright light. The Antichrist's wings were made of light. This is my primary form, but I can change shape across layers of parallel time or even within a single timeline. In Hell, time flows parallel to Satanists, not sequentially, as in our world. I don't know how it flows for the creatures. The creatures are likely trapped in loops of their own horror and cannot change shape. I've never read such revelations anywhere, except from one Satanist. True, not all of them used red fly agaric mushrooms and marijuana tincture. In our world, the Antichrist is most upset by my lack of power over the creatures of evil. The Antichrist can cast black magic on the creatures, but there are a lot of them. And black magic doesn't work quickly—I've already written about this.

Image 3633. Surreal image of the Antichrist in Hell No. 4.

Image 3634. The "Satanic Trinity" of SATANISM. All of them are closely interconnected, forming a single whole, which can be conventionally called the "Satanic Trinity." The "trinity" clearly has a hierarchy (from top to bottom): the Devil-Satan (the Dragon); the Antichrist ("the Beast from the Sea"); the False Prophet ("the Beast from the Earth") – this is the satanic spiritualization (the connecting link). The true Holy Spirit is the spirit of Satan, i.e., the satanic spiritualization.

Image 3635. The Antichrist, in the form of the Devil. Let's not forget that the Antichrist is a human Satanist, and the Devil is a Spirit in another dimension. At the quantum level, all Satanists are connected, but the members of the "Satanic Trinity" are especially connected. The Tarot card "The Devil," which could be called "The Antichrist".

Image 3636. An astral portrait of the Antichrist on a throne, with a key and a crown. Unfortunately, the crown of the Crown Prince of Hell is only accessible to the Antichrist in Hell. Therefore, evil has complete power in our world, and the vileness of religions obscures true spirituality for billions of people in our world.

The artist, Nestor Avalos, is a Mexican artist and graphic designer whose work is wildly popular for metal band cover art and in the gaming industry.

Clearly influenced by works of sacred art, Nestor Avalos is part of the current movement of Satanist visual artists working in the realm of dark and base art, obscure emanations from the depths of the spirit, works that represent intricate dialogues between the artist and the spirits inhabiting his mind. The theme of Satanism, Satan, and the Antichrist dominates the artist's work. Official store of the artist Nestor Avalos: <http://www.nestoravalosofficial.com>

Image 3647. Astral image of the spiritualization of the Antichrist by Satanism and Satan.

Image 3648. The Antichrist sits on Satan's lap. An ancient book miniature from the Middle Ages.

Google AI provides the following description of this ancient miniature (it is not the Antichrist text): *The image is a medieval illustration depicting the Antichrist, a figure prophesied in the Bible as Christ's adversary before the Second Coming. The term "Antichrist" means "against Christ" or "instead of Christ." This figure is described as a future world leader who will persecute believers and attempt to impersonate God. In Christian eschatology, he is also known by other names, such as "the Beast" or "the Lawless One." The illustration likely comes from a medieval manuscript, possibly Beatus of Liébana's "Commentary on the Apocalypse".*

Listen, the Antichrist is not pretending to be GOD, nor is he pretending to be JESUS of Galilee! These phrases about the "Antichrist pretending to be someone" are a complete fabrication and a lie. The evil of religion has invented fairy tales for its own alibi. Religion is evil and a deception. The Antichrist wants nothing to do with religions, priests, sectarian gurus, or church dogma. I absolutely have no intention of impersonating these monsters. I despise them, not pretending to be these evil creatures! I don't want to be like these fairy-tale characters of evil. The Antichrist Slut Sodomia, has nothing in common with Christian-Jewish myths, delusions, prophecies, characters, or dogmas of any sect. Don't associate the Antichrist with your vile evil! Well, yes... I do not and never have passed myself off as someone from their lying tales – that would be too great an honor for the creatures. The Antichrist is their adversary, not a replica.

Image 3649. Blasphemous (video game). The game takes place in Cvstodia, a religious land heavily influenced by the Roman Catholic Church, its iconography, Holy Week in Spain, and Spanish culture, particularly Andalusian. This land is hallowed by a force known as the "Miracle" (also called the "Sorrowful Miracle" or "Woeful Miracle"). This force manifests itself alternately blessing and cursing the inhabitants of Cvstodia, transforming them into twisted creatures doomed to eternal torment.

The player controls an unnamed character, the Penitent One, the last surviving member of the Brotherhood of Silent Sorrow. Like all members of the Brotherhood, he wears a pointed helmet adorned with barbed wire, reminiscent of a crown of thorns. As the game progresses, the player hears a monologue from His Holiness Escribar, the leader of the local ruling church, who recounts the game's backstory. Shortly before, a Miracle transformed Escribar's body into a giant tree. At some point, the tree caught fire and burned for over 90 days, leaving a large pile of ash, topped by Escribar's throne. The Miracle compelled countless people to attempt to reach the summit of the ash mountain, but none succeeded. As punishment, the Miracle transformed these people into monsters (in-game enemies), including Escribar himself. A quasi-satanic game, though perhaps satanic. I haven't played this game, unlike Dark Souls 3. I was drawn to the protagonist in this game. He's an interesting character, somewhat reminiscent of the Antichrist.

Image 3651. Foundation for the Antichrist. The logo of the mysterious foundation that our Antichrist is on the internet.

The website shown in the image works—I checked. The mysterious foundation is possibly a Satanist organization, but the website only contains two articles about phonons, gravity, protons, and the speed of light. The site's connection to the Antichrist is unclear, but I like the idea of a foundation for the Antichrist.

Image 3657. Eight Hymns from the Swamp. The Antichrist wrote that the best monuments to the Antichrist would be ejaculating statues of "ejaculating boys" (similar to peeing boys). In this painting, the "peeing boy" (i.e., an angel)—the Antichrist—is disillusioned by the creatures of evil. Behind the Antichrist stands the spirit of Satan. The exact original subject of the painting is unknown to me.

In my grimoire "Gay Lust," Antichrist Slut Sodomia wrote that monuments in honor of the Antichrist should be statues of boys cumming or fucking. This is a perfectly innocent blasphemy, similar to which already exist in many cities around the world—monuments of peeing boys. I wonder where in the world they'll erect the monument described by the Antichrist? Maybe one has already been erected, and I just haven't heard about it.

In fact, Satan-Lucifer is, of course, far more powerful than the Antichrist. Just as seeds are connected to a tree, just as drops of water are connected to the ocean, so all Satanists are connected by the Spirit of Satan-Lucifer. All Satanists are part of the greater Soul of Satan. Creatures are deprived of this connection and Satanic inspiration.

Image 3669. The Antichrist in Hell in the Gothic style. An astral portrait of the Antichrist.

Image 3670. The Antichrist in the euphoria of Hell. The astral surrealism of Satanism.

Image 3671. The Antichrist's astral projection into our world, after death #1. All Satanists return to Hell, their true Home. There, Satanists will merge with their quantum counterpart, synergize with Satan, and experience euphoria and lust. Satanists influence our world through information and magic, through the Black Magic of Satanism.

Image 3672. The Antichrist with a tome of his grimoire, in the guise of a Satanic sorcerer. Satan the Serpent envelops the Antichrist in his spirituality.

Image 3673. An astral projection of the Antichrist into our world, after death #2. From our world, the image of Satanists can be artistically seen as a skeleton in Hell. This is an astral projection from our world. Astral projections from the Hellish dimension are more cheerful, without the sadness.

Image 3674. "Joined in Darkness" (translated from English). Spiritualist Satanists are, by definition, possessed by the spirits of Satanism. A depiction of the Antichrist and Satanists receiving spiritualization.

I can't understand how atheistic Satanists (LaVeyan Satanism, the Church of Satan, and the Satanic Temple) obtain their spirituality if they don't talk about spirituality and don't believe in the existence of the Spirit of Satan in another dimension. Perhaps they're simply fibbing, a little—the Antichrist has such a theory. I already wrote about this issue in SatanArt magazine #31. "The Face of Satan in Contemporary Paintings. Portraits of the Image, the Face of Satan—the Devil—Lucifer. Puritan Edition." There, I touched on the interesting topic of what Satan might look like to atheistic Satanists if they deny Satan's existence; for them, Satan is essentially just a metaphor and a symbol. Also, it's not entirely clear why atheistic Satanists perform rituals addressed to Satan-Lucifer if they don't believe in his existence. You see, it turns out that three questions for atheist Satanists don't have any decent answers. At the same time, I consider atheist Satanists our brothers and sisters; they just haven't fully grasped Satanism yet. Perhaps they need to take beneficial entheogens for this, like the ones depicted on the Gay Satanist flag 😊. I'm serious. That's what entheogens are for – they're keys to spiritualization.

Satan and all the Spirits of Hell exist in a parallel dimension of Hell to ours, which is connected to our world on a quantum level. Our world also has Spirits, for example, the Spirits of the forest and nature.

Image 3675. The Antichrist swordsman, or the Satanic Harlequin with sword and pointer. The star boy of gay Satanism, portrayed ironically as a jester. Irony and humor are an important part of Satanism and MTF trans transition.

Image 3676. "Look at me, I'm burning!" In Hell, Satanists enjoy immortality, unlike in our world. I don't know the exact plot of this painting, but I see Satanism and a burning Satanist in it.

Image 3677. Antichrist Slut Sodomia in purple and white light. A calm state in Hell.

Image 3678. The Antichrist-Druid is among the Forest Spirits, who are part of Satanism and reside directly in our world, unlike the Supreme Spirits of Hell in a parallel dimension. These spirits can only be seen under the influence of psychedelics; otherwise, you won't be able to see them in our world.

Some mental illnesses allow one to see Spirits in our world, but this is a pathology and an unhealthy state of mind. For non-Satanists, seeing such Spirits is generally undesirable. Seeing these Spirits can drive non-Satanists mad (as the saying goes). Furthermore, all Spirits dislike creatures, so they will try to drive non-Satanists mad. Beneficial psychedelic entheogens provide access to these Spirits. This is quite safe, and all Spirits of our world are ALLIES OF THE ANTICHRIST. The spirit of the forest can be felt by all people, and this Spirit is a healing tool for anyone. Therefore, many non-Satanists enjoy relaxing in the forest, in nature. Evil retreats in these places, and the beneficial Spirit of nature surrounds one. This experience is available to everyone without psychedelics or Satanism.

Image 3679. The Antichrist Slut Sodomia and Satan "Thunderstorm Oni". That's what Satan calls himself.

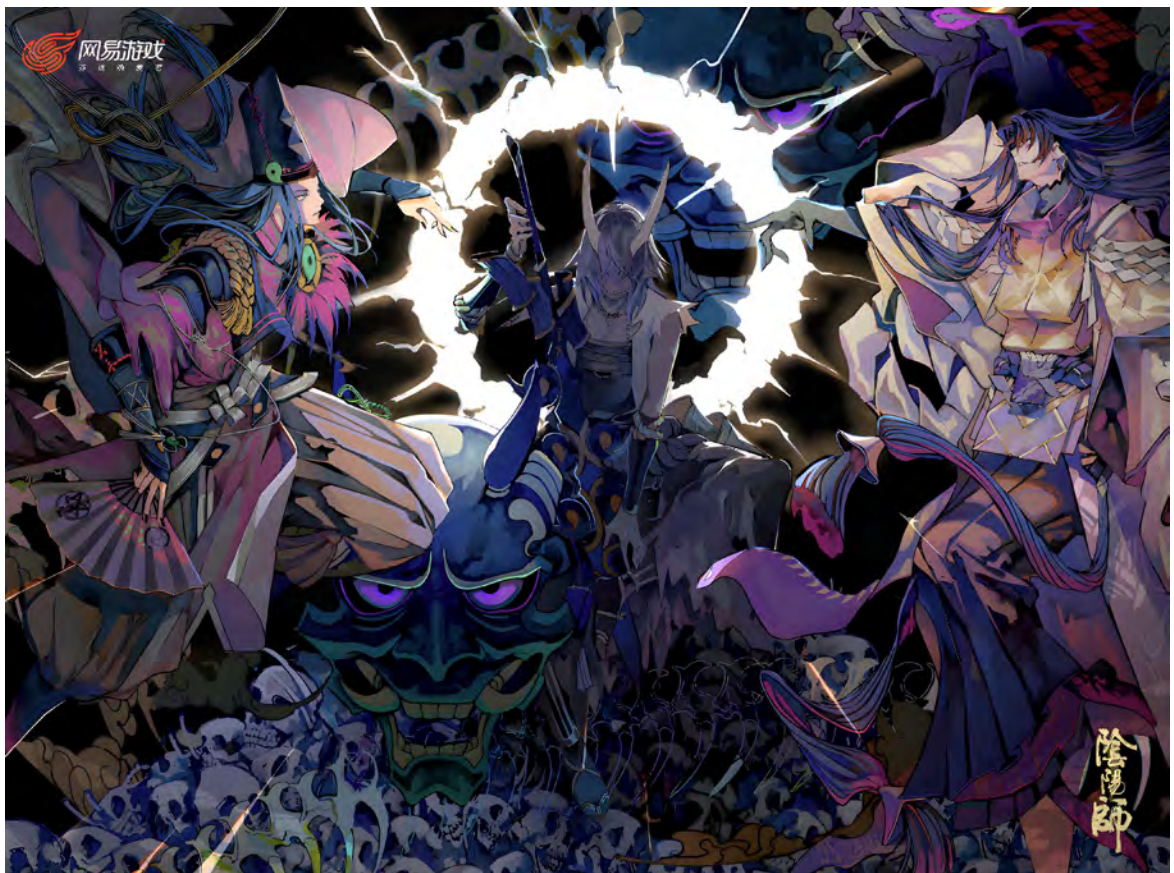

Image 3680. The Antichrist, Satan "Thunderstorm Oni" the allied Forces of Hell, the Antichrist's friends in Satanism.

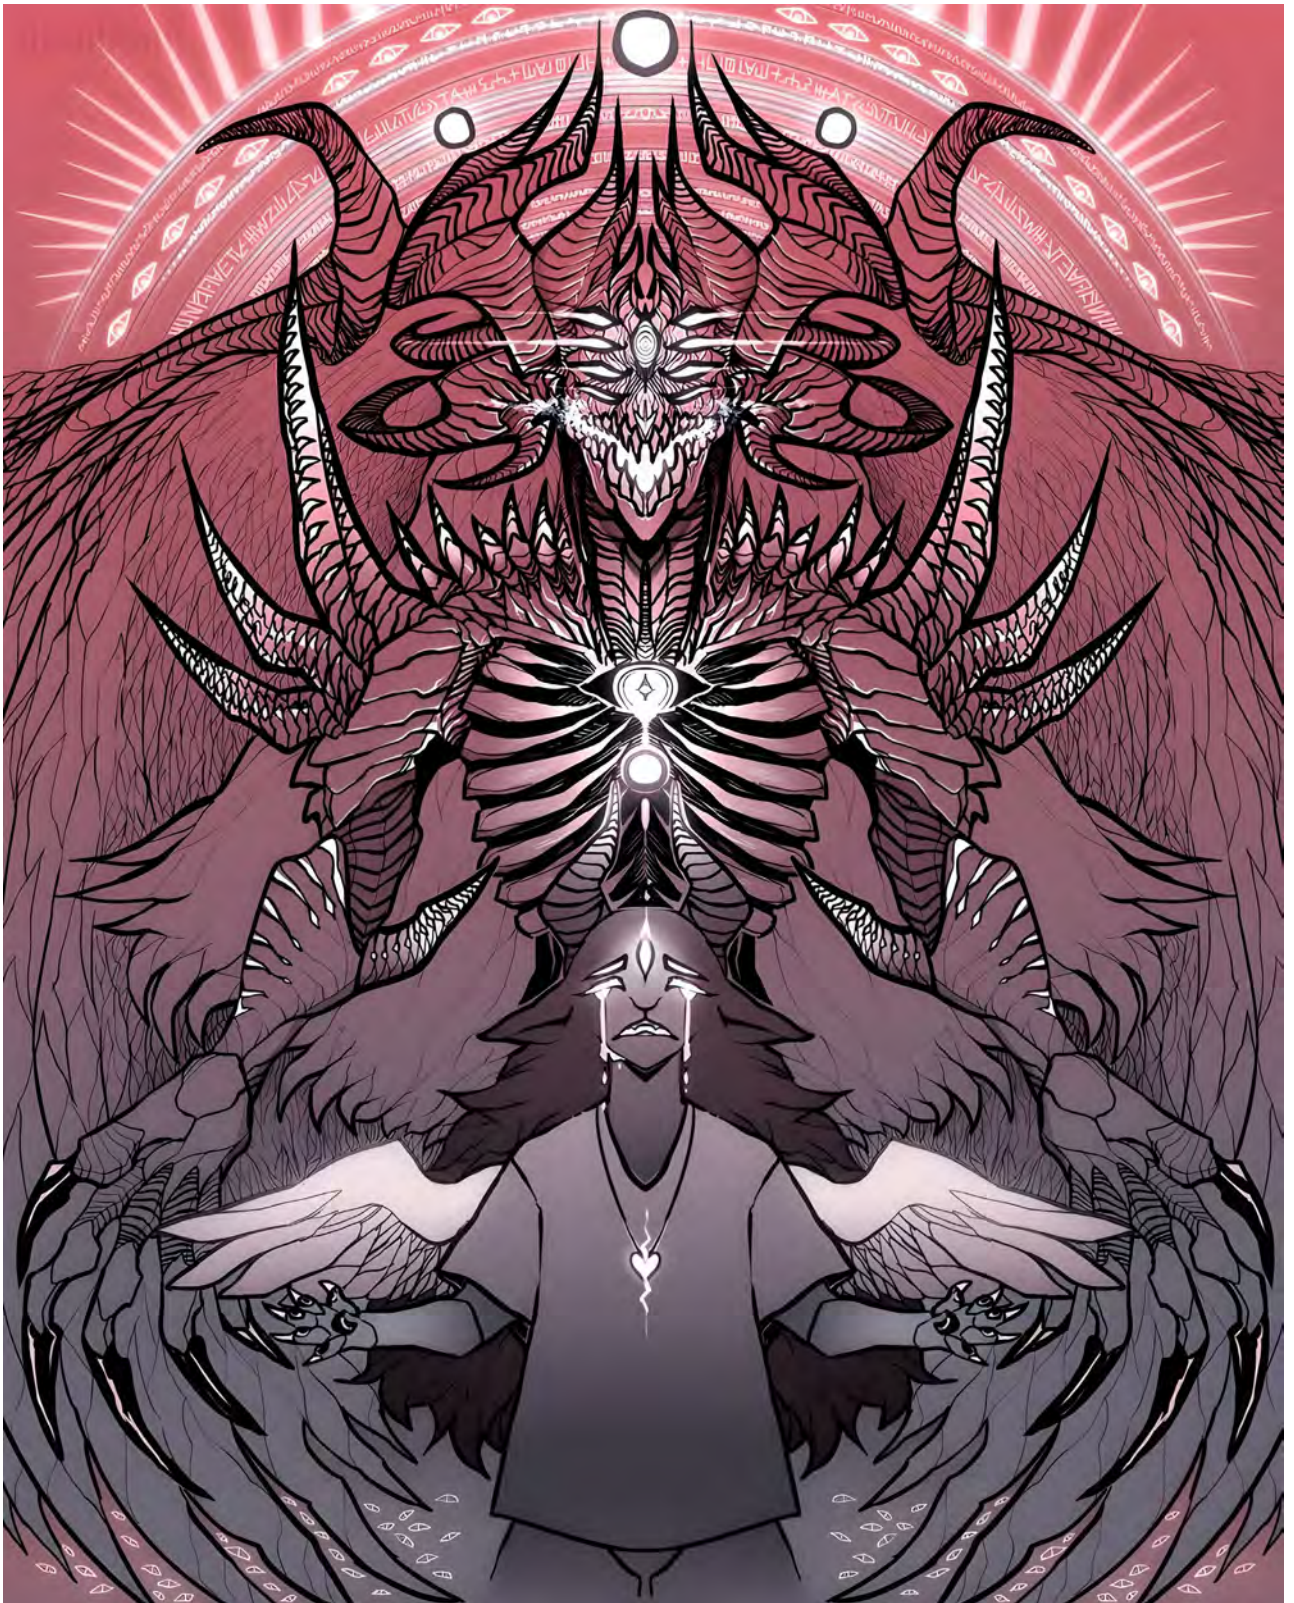

Image 3681. This is an interesting painting, which I'll call "The Empathy of the Antichrist."

Empathy for people is the opposing and restraining force for any Satanist, the opposite of rage. Empathy is like the COMBINATION of THC and CBD in marijuana. These substances balance each other out. Satan advocates the denial of empathy for undeserving evil creatures. The Antichrist can turn empathy off in Hell, or he can turn it on. This painting shows the Antichrist's empathy turned on. (Evil psychopaths lack empathy.)

Image 3682. The Antichrist Slut Sodomias, at Satan's astral reception. Satan addresses the Antichrist from Hell into our world through quantum magic, which links dimensions, at the level of the VICP (see glossary).

Image 3683. An astral portrait of the Antichrist in the style of the satanic antique engraving "Eye-Triangle".

Image 3684. Wrath of the Beast. The image is the album cover for the black metal band Thy Antichrist. The album is called Wrath of the Beast. Thy Antichrist was formed in 1998. The album was released in 2018. The band describes its style as existentialist black metal..

Satanic music is important and useful for spiritualizing Satanists and potential Satanists. Antichrist Slut Sodomia has already compiled six albums of Satanic and quasi-Satanic musical compositions. **These albums are called SatanSongs.** These albums feature music from completely different genres, but I classify them as Satanic songs and music. You can find these albums online..

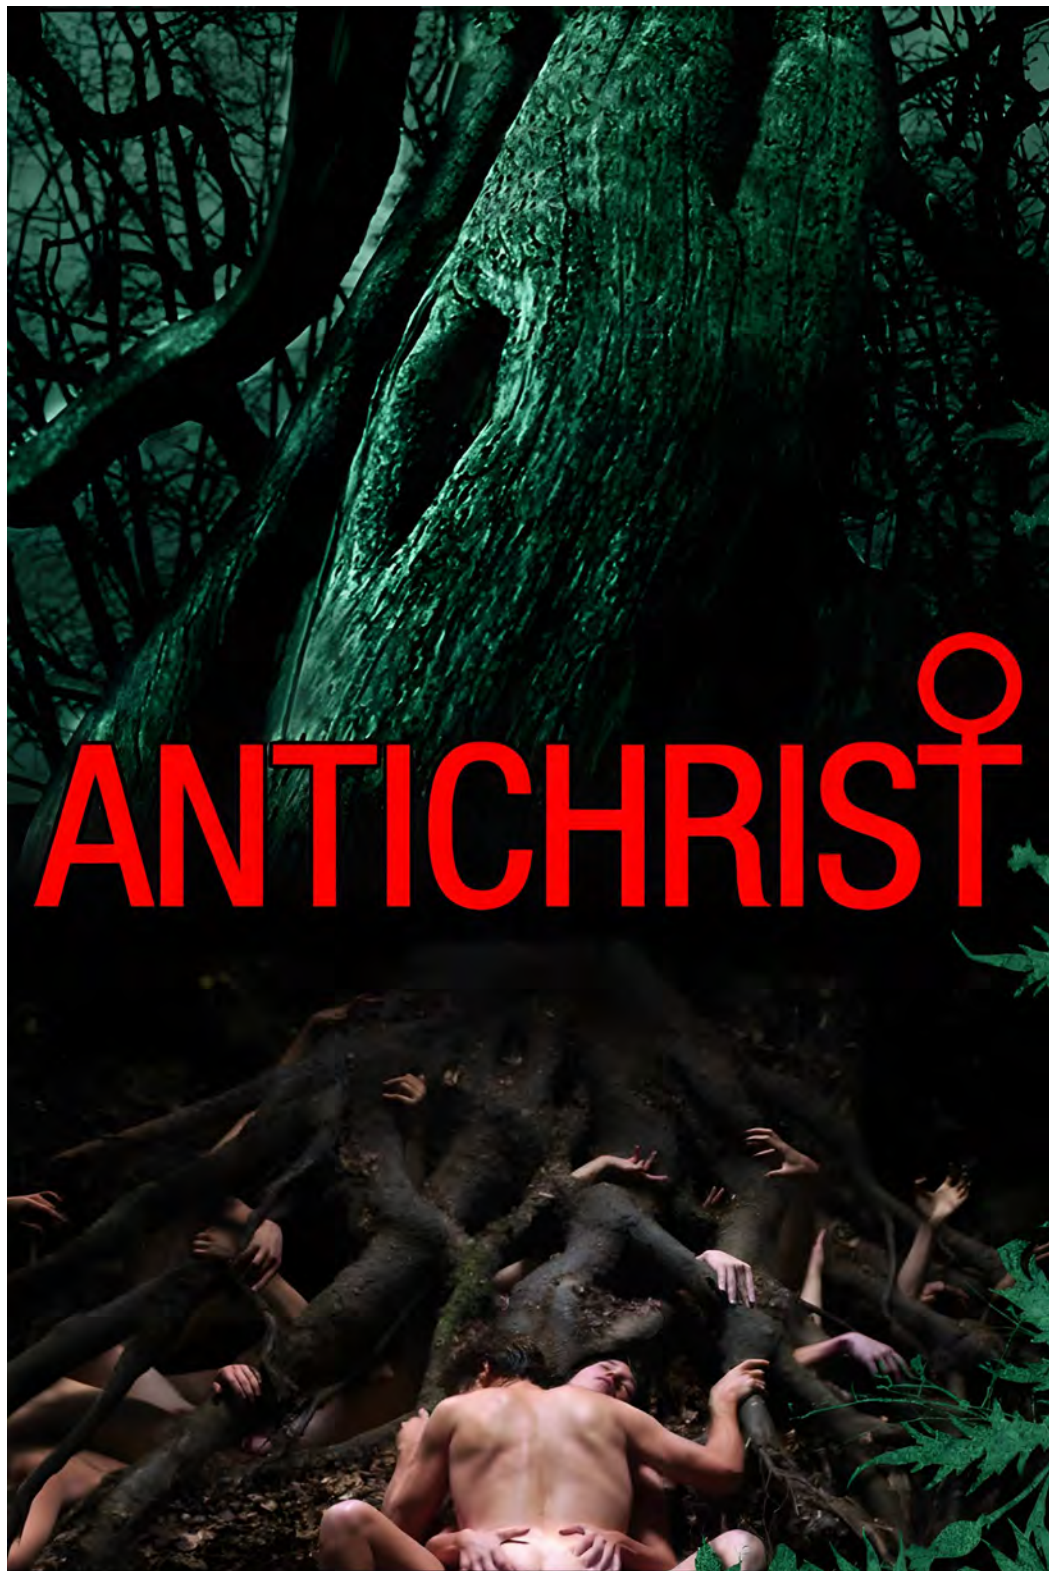

Image 3685. Antichrist is a dramatic horror film directed by Lars von Trier, based on his own screenplay. It premiered on May 18, 2009, at the Cannes Film Festival.

According to von Trier, the film centers on the idea that our world was created by the Devil, not God. The director considers this film to be the best of his career. The film received a mixed reception from critics. Antichrist: Slut Sodomia gave the film an excellent rating, although the Antichrist was never shown there. The film is steeped in the dark magic of the Antichrist and Satanism. As far as I remember this film...

Image 3686. Antichrist in the form of Black magic of Satanism or horror pictures.

Image 3687. A sweet Antichrist in a red dress with Satan's horns. Many people (still) don't understand the difference between the Antichrist and Satan. Yes, of course, these concepts are related, but the Antichrist is a human Satanist, while Satan-Lucifer is a Spirit from Hell. Some "writers" write entire books about this.

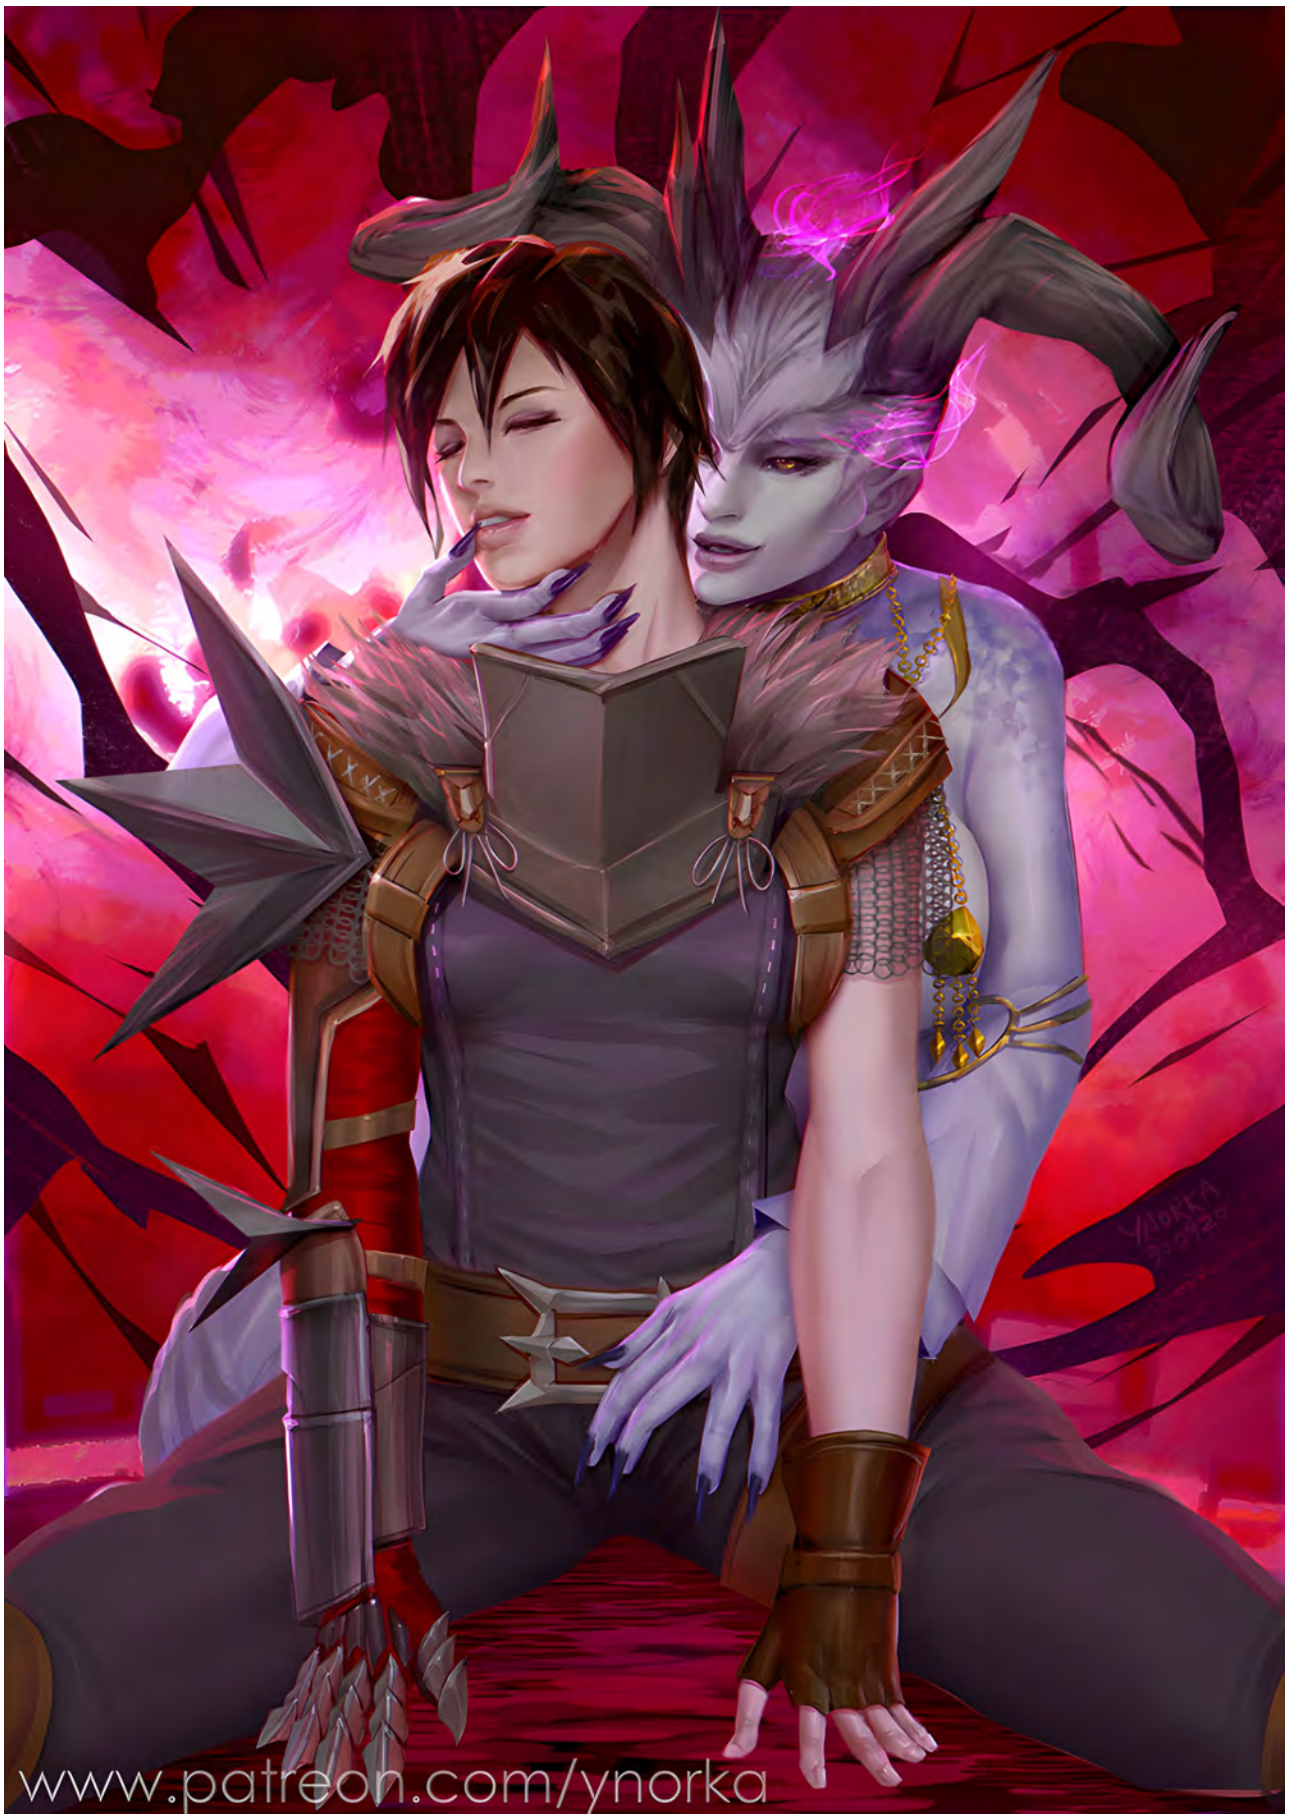

Image 3688. The Antichrist caresses Satan. Satanic sexual tenderness, Puritan style.

Image 3689. The Antichrist, through his writings and his spirituality, wages war against the evil of OUR WORLD. An astral portrait of the Antichrist in our world. This painting continues the theme of drawing #3604.

Image 3690. The Antichrist in Hell. A dark astral portrait of the Antichrist. Having fun all the time can seem boring, so Satanists and Demons of Hell sometimes engage in the entropy of creatures. For some Demons of Hell, this is their main entertainment, but the Antichrist is not so bloodthirsty. At least, I don't feel it right now.

Image 3691. The Wrath of the Antichrist. Sometimes, the Antichrist becomes enraged, inflicting entropy on the creatures in Hell. Yes, the Antichrist can be enraged and bloodthirsty. The Antichrist sees through the evil creatures in Hell (all their thoughts, deeds, vileness, and intentions), and if a creature is truly vile, then the entropy from the Antichrist will be the best execution in Hell.

Image 3692. Antichrist in Hell in blue and black tones on the stairs.

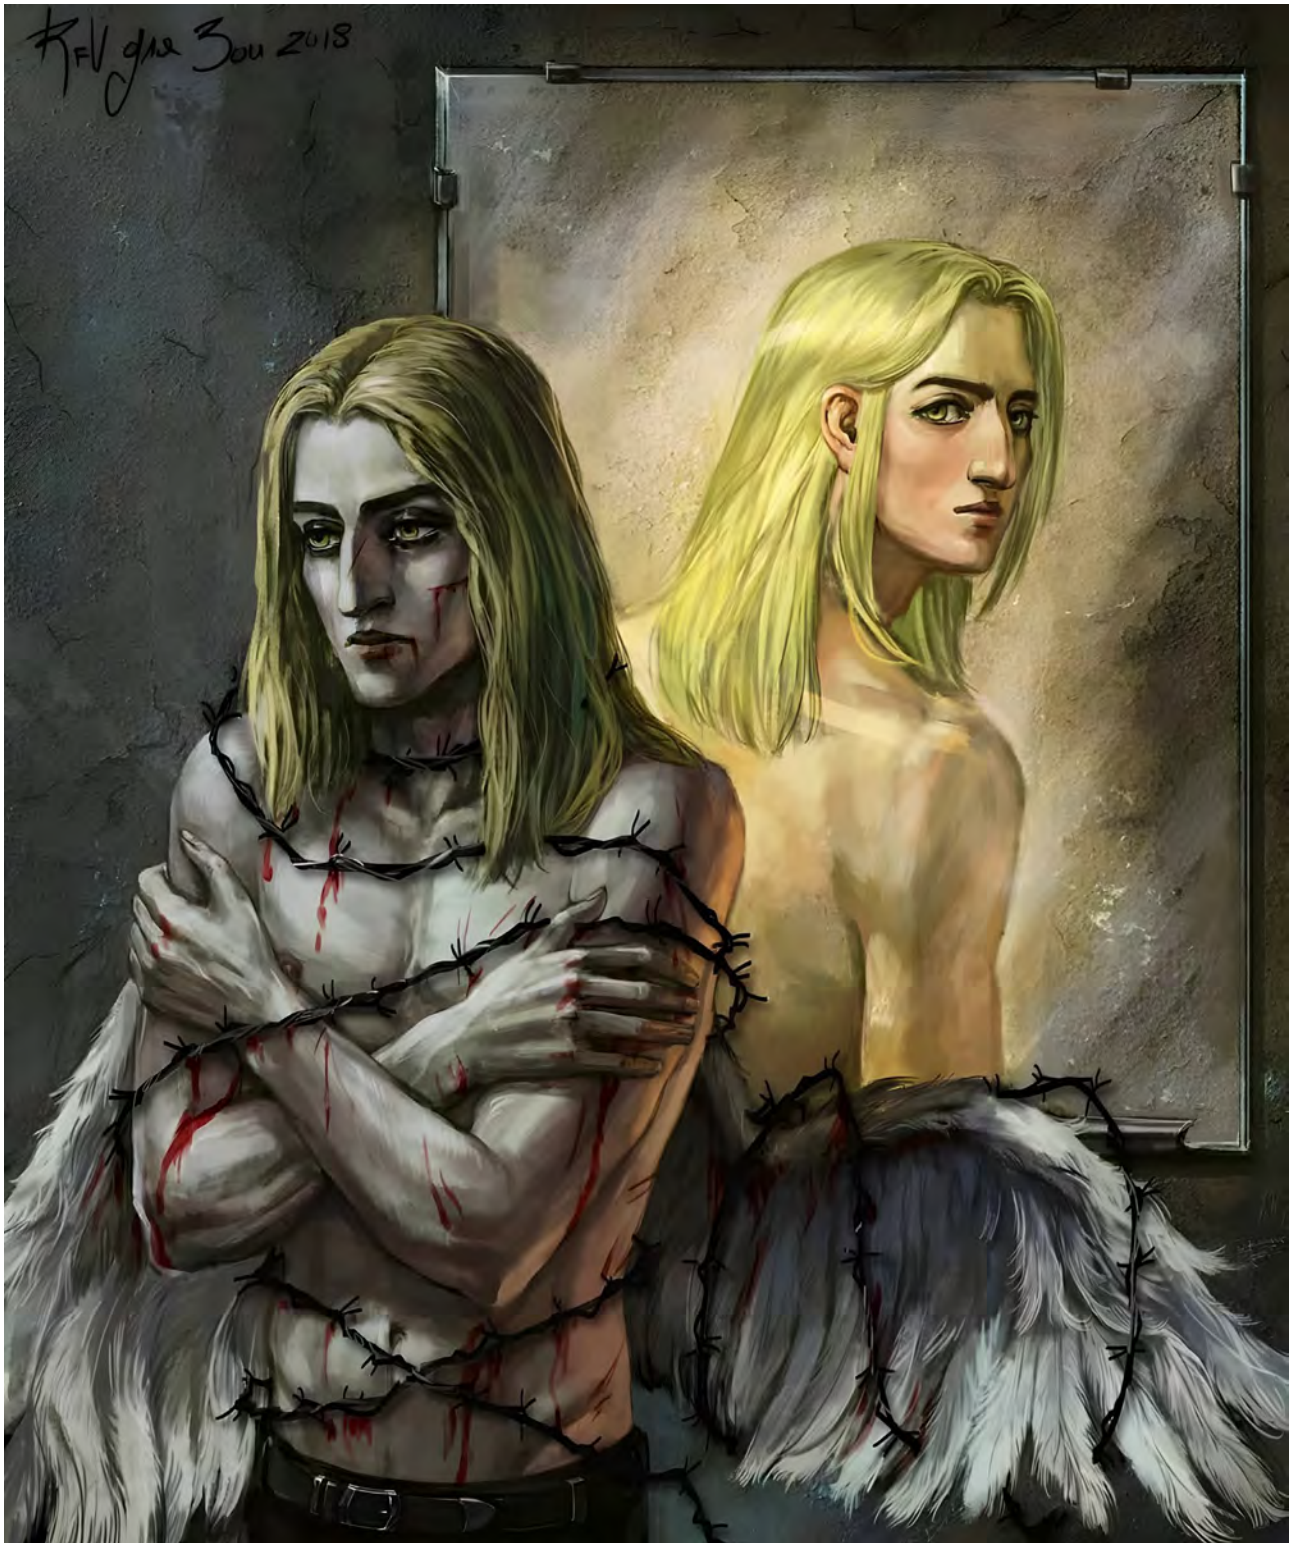

Image 3693. The Antichrist Slut Sodomia, in our world is bound by the barbed wire of evil's limitations. The quantum reflection of the Antichrist in Hell has no limitations. All the evil of our world, all the fascists, all the religious sectarians, will end up in Hell. This is as much an axiom as the inevitable physical death of the body.

Image 3694. The Antichrist Slut Sodomia, is enthroned in Hell. The third hand is the hand of Satanism. Such metamorphoses are permissible in Hell. In Hell, the Antichrist can change form and reality. Just like my Father, Satan-Lucifer. "The apple doesn't fall far from the tree," goes the old saying.

Image 3695. Who said the Antichrist can't draw? I personally modified this painting, turning the book copyist into a writer of Satanic grimoires. I added a few elements; try to spot them in the painting. Incidentally, burrowing mice were recently running around our house, but my husband and I killed all the pests and sealed the mouse hole with cement. I don't need rodent pests in the room. The crows, as per tradition, perch on the tall Scots Ash tree outside the window—they're my honor guard.

Image 3696. Satan and the Antichrist in a psychedelic and surreal style. An astral portrait of the Antichrist: Child of Satan and Child of Satanism.

Image 3697. A Satanist, the protagonist of Dark Souls 3. The Antichrist himself is also the protagonist. Dark Souls 3 is a Satanic game with a challenging playthrough.

Image 3698. A funny surreal painting: the Warlock-Antichrist reads a diary, and the little Devil helps write a book based on these entries. The Warlock is surrounded by antique books and Satanic paraphernalia. An astral painting in pink tones.

Warlock and sorcerer are similar terms, denoting a practitioner of magic, but warlock has a more specific meaning: a sorcerer who uses "black books"—magical tomes containing incantations and spells—to perform a form of black magic. More broadly, sorcerer is a general term for any magician, while warlock typically refers to a dark, Satanic sorcerer who practices magic, including through invocations of otherworldly forces. Warlocks are Satan's mages, and they pose a threat to the existing order and world order. Warlocks, through the black magic of Satanism, can change the status quo by tearing down the pillars upon which society rests. If society is unjust, that may be a good thing, but it's unlikely to please its privileged classes. As a result, rumors like those described above begin to circulate, and oppressed segments of the population gather in crowds with pitchforks and torches to get rid of the warlocks. **That's what they write about Warlocks online. In reality, Antichrist Warlocks write their own songs, paintings, and Satanic grimoires, rather than drawing their spells from some "black books."**

The etymology of the word "warlock" is linked to the ancient Greek concepts of black magic and mysticism. In ancient times, warlocks were considered individuals with the ability to communicate with spirits and demons, as well as cast spells and curses. Black magic (black magic) is the ability to summon supernatural phenomena and alter reality in our world, using the powers of Hell.

Image 3699. Antichrist in the forest. For Satanists, the forest is a natural place for communing with the spirits of nature. Music poster. Main title: ANTICHRIST. Subtitle: EVIL GYPSY WOMAN. Label: BONEJAZZ. Astral abstraction, in the spirit of Lars von Trier's film "Antichrist".

The theme of the connection between the Antichrist and the Spirits of the Forest is truly well-founded. I love the forest, nature, plants, mushrooms, and forest animals. We relax in the forest; the forest provides the Antichrist with protection and delicious mushrooms. A snowy winter forest is a particularly magical place. A spring forest is the Spirit of Nature's urge. In the forest, or anywhere else, I dislike the presence of bloodsucking vampires: mosquitoes, horseflies, gadflies. These are unnecessary life forms for me, but perhaps these life forms are necessary for other food chains in nature.

INFORMATION ABOUT THE SATANART GAY SATANISM VISUAL ART ALBUMS-MAGAZINES AND GAY SATANISM

Announcing a change in gay Satanism terminology. Starting with this issue of SATANART #31, I request that the term External Information Field (EIF) be considered obsolete. In its place, the Antichrist introduces an improved version: External Information Quantum Field (EIQF). I am making this change to clarify the quantum nature of EIQF; otherwise, one might think EIQF is ordinary information, like data on the Internet. The External Information Quantum Field is not equivalent in significance to the Internet Information Field in our world. These are different informational concepts.

KEY THESES FOR UNDERSTANDING SATANIC IMAGES IN ART

Gay Satanism is not a religion or a sect. Gay Satanism is the spiritualization of man by Satan. This term has another meaning. Gay Satanism is a creative direction of the artistic genre created and developed by the Antichrist Slut Sodomia. I do not want gay Satanism to become a religion, but I want it to become a fan movement for the liberation of one's own consciousness from the shackles of the evil of our world. Under the auspices of Satan, with the Antichrist Slut Sodomia incarnate. Gay Satanism is for all people spiritualized by Satan. Not only for gays and people of homosexual orientation. All people spiritualized by Satan are disciples of our Teacher Satan. We are all Satanists. The difference between Satanism and religion and evil is that it is an individual spiritualization. Mass demonstrations under the guise of Satanism are impossible, because Satanists are introverts. Fake Satanists of the future will gather herd gatherings of pseudo-Satanists (football fans, music fans, fans of the SOCG¹⁴ or religion). A meeting of real Satanists is a sexual orgy or a sabbath of unity with nature in the nude. Other types of mass demonstrations of belonging to Satanism are fiction and a parody of Satanism.

Satan is good. Satan is the Tamer of evil. Satan is revenge for evil in our world. Satan is Joy, Pleasure and Happiness. For the evil forces of our world, Satan is the main enemy. Satan is an image in the consciousness of man and a mystical experience of connection with the spirits of another dimension, which is called Hell.

¹⁴ SOCG is an acronym that stands for the true meaning of state. State Organized Crime Group. The term was coined by Antichrist Slut Sodomia for the Gay-Satanism grimoire "Gay Lust".

For Satanists, Hell is their home. Connection with the spirit of Satan occurs at the quantum level. Modern science already studies and uses the quantum level for applied tasks. Satan is the main spirit of Hell, the Lord of critters, the Teacher of Satanists. Satan is not a god. Satan is the Spiritualizer, the source of black magic, the Alpha and Omega. Satan is the Adversary of evil and the Accuser of evil. Satan is the Father of all Satanists. Lilith is the Mother of all Satanists. Satan and Lilith are the sources of Satanic lust for all their Satanist children. Satan is the internal spiritualization of a Satanist, and not dogmas, sermons of priests or religious books. At the same time, Satanism does not deny the importance of biological parents.

Darkness, the abyss - this is the world of soulless critters, their states, their stupidity. This is the occupation of planet Earth by usurpers of power in the form of the SOCG. This is the image of the evil of our world. In some cases, they mean the opposite, because it is the evil of darkness that gives birth to Hell, vengeance and Satanists. "Children of darkness" in this case mean Satanists. Also, the image of darkness can mean Hell for the forces of evil.

Light is Satan-Lucifer. Light is Satanism and Satanic spiritualization, bringing man closer to nature. This is liberation from the shackles of evil and this is the image of freedom. This is the image of the Tamer of evil in our world and in Hell.

Sadness, sorrow, regret - this is an indication of the understanding that evil has embraced the whole world and the Satanist has to live in our world, under the yoke of evil. The main sources of evil are: crowds of inanimate critters, SOCG. This definition of the term is specifically for Satanism and for Satanists. Also, these images can mean ordinary human emotions in relation to people.

Vengeance - this image is important for all Satanists. Revenge on evil in our world and in Hell. Inanimate critters, activists of the SOCG, deceivers of religions and other evil will certainly be subjected to revenge and information entropy.

Return of the land and return of freedom to people - this image is important for all Satanists. It means the overthrow of all SOCG and religions, cleansing the earth from inanimate critters, from their stupid and senseless evil. This is the image of cleansing the planet Earth from states and their totalitarianism.

Night is the image of the fact that a Satanist in the world of evil in our world, goes practically by touch. The light for him in the night is his Satanic spiritualization. Darkness thickens at night and light is needed most of all at night. The term night is similar to the term darkness, but does not mean evil itself, but uncertainty and difficulty in orienting oneself, acting, living without light. Lost, abandoned and forsaken - this image in Satanism means that Satanists are no longer in Hell and that Satan and the forces of Hell are not directly accessible to them. Only through Satanic spiritualization. It also means that in our world Satanists do not have their own magic for the instant destruction of evil, as in Hell, in Satan's dimension.

Religion is a dogma of worship of lies and evil. Religion is a substitution of true spiritualization by Satan for critters. All evil critters are deprived of spiritualization by Satan, therefore they replace Satanic spiritualization with God and religion. Religion is a sect, a community for critters for whom herd mentality is important.

God is the canon of evil, an example of a despotic, theocratic idol of evil. God does only evil and God is evil, even because he deprives man of true spiritualization by Satan, i.e. the true Holy Spirit. There have been many gods in the history of the human species. All gods of religion are united by malice, connection with the state and with the leaders of the SOCG.

Antichrist is a common noun, not a proper name. It is written with a capital letter, like the word Satan. The concept of Antichrist means the development of a high degree of Satanism in the consciousness of a person. The term Antichrist also means a Satanist who is close to Satan and the forces of Hell and has a high power of black magic. A synonym for the word Antichrist is the expression Great Magician of Satan.

Satanism is the spiritualization of people by Satan or other demons of Hell. Satanism can also be considered as a philosophical concept that opposes theocratic dogma and the state machine of lies, violence, prohibitions, imputed duties to evil, herd behavior. The main difference between Satanism and religion or other philosophical concepts is that the spiritualization of a person by Satan and the forces of Hell occurs from another dimension at the quantum level. Therefore, Satanism is an internal part of human consciousness, and not imposed dogmas of our world through the media, culture, propaganda, morality, prohibitions or education. Satan's enlightenment comes to a person at birth or develops consciously, in later life. Satanism opposes the evil of our world and the lies of our world.

Satanic lust is a developed and perverted sexual attraction, a constant desire to have sex, a desire to corrupt oneself and others to free oneself from the prohibitions of evil. Satanic lust is not just a sexual feeling, but a special Satanic practice for knowing oneself, getting closer to Satan, and liberating oneself on an animal level. The peculiarity of Satanic lust (especially gay lust) is that Satanic sex is not aimed at procreation or at making new human offspring. Satanic lust is always aimed at receiving pleasure or for tantric meditation. Of course, Satanists can make children if necessary.

A Satanist is a person who has Satanic inspiration. Many clues about the lies of evil are given to the Satanist not only by the inner critical thinking, but also by the mental connection with Satan and the forces of hell. Satanic spirituality often gives the Satanist a feeling of introversion and individualism. Satanists and gays are always proud of their personal spirituality or the achievements of their spouse. Satanists and gays are proud of their Satanic spirituality and perverted lust. Satanists are proud of Satan.

An unilluminated (unenlightened) critter is a person deprived of spirituality. This is a zombie and a cog in the evil system. Inanimate critters are accomplices and assistants of evil. Unilluminated critters prevent Satanists and the entire human race from living happily, receiving spirituality from Satan. Inanimate critters love herd mentality and submission. They cannot live without territorial oppressors, enslavers and false information of evil. Such people make up more than 90% of the population of planet Earth. These people have instincts of survival and adaptation. These people have no connection with Satan or with the External Information Field of the level of awareness. Critters can be called a biological shell or imitation of real people. Critters always choose evil, herd mentality, conformism and speak in templates from media propaganda or voice the dogmas of religion.

The state is an evil system that has divided the entire world into territorial zones of influence and terrorizes people with its prohibitions, oppresses with prisons and physical violence, creates conflicts between criminal gangs and plunges people into wars between criminal gangs. The state is the main source of evil. The state is a materialistic sect with its dogmas, rules of conduct and a system of oppression of the individual. The state = international military criminal groups = occupiers of the lands of the Satanists = criminal gangs = SOCG.

Fascism is a form of social organization expressed by discrimination by the state against its own citizens, that is, under fascism the supremacy of the state over the individual is recognized. Fascism is a state. A strong state = a fascist totalitarian regime. The word comes from the Italian fascismo, fascio - union, bundle, bunch, unification; fascio di combattimento - union of struggle. Fascism is also an ideology and a socio-political movement within the framework of authoritarian or totalitarian militaristic ultra-nationalism and a corresponding dictatorial regime with strict regulation of society and economy. All states strive to regulate everything and on any issue. To do this, they constantly spew out different laws from their cesspools. All states are fascist territorial sects with their own ideology, rules and methods of oppressing the individual. Fascism is a system of evil, in which a small group of people believes that they can dispose of other people, command people, deceive people through the lies of propaganda and the laws of submission to evil established by fascism. All SOCGs are fascist and their goal is material enrichment, social intraspecific elevation above other individuals of the human species and the possibility of oppressing people by

psychopaths. All fascisms are built on the principle of SOCG. Real spiritual Satanists hate fascists, do not celebrate their fictitious holidays and try not to submit to this evil.

Fascists, officials, bureaucrats are the evil of the human species, in suits or other costumed special clothing, who work for fascism or profess the principles of fascism. These critters will receive such a reprisal in Hell that they will be ready to give all the money of our world to avoid entropy and retribution of the forces of Hell. But, it will be too late. Fascists, officials, bureaucrats of the SOCG, who are not economic-social-municipal employees of society, are criminals. Only a small part of the fascists are involved in improving the economic-social-municipal economy of people, and the majority of fascists are useless and harmful criminals.

The laws of the SOCG and other territorial fascist groups (local governments, prefectures, regions of the empire) are mandatory rules established by evil for people, with the aim of realizing the goals of fascism. All SOCG and fascist communities have their own laws to regulate behavior in the territories occupied by fascism. Satanists understand that the laws of evil are created for inanimate critters, with the aim of their subjugation, stupefaction and material use.

The positive activity of organized territorial entities is the organized management of communal services that is useful for the society of people, the development of the infrastructure of the society of people, maintaining the cleanliness of the territory and other social actions that are useful for the life of people, on the part of economic and communal local governments, prefectures, regional centers of territorial management. This is not a state, not an empire and not fascism. The Antichrist Slut Sodomia supports such activities and does not consider economic management to be fascism or evil. Currently, most territorial administrations support the fascism of the SOCG and are part of it. In a (future) society without the SOCG, the activities of organized territorial entities should be only economic and auxiliary, without politics, propaganda, religion and criminal concentration of power.

A patriot is an active fascist or active Nazi of his SOCG. A patriot is a person stupefied by propaganda who believes that his SOCG is better than another SOCG and he, as a member of this SOCG or a nationality within the SOCG, must do something for his SOCG in a selfless desire. A patriot is a slave of the SOCG. It is important for a patriot to be well proud of the greatness of his SOCG or the greatness of his Nazism. The pride of a patriot is always groundless, stupid and not aimed at pride in himself or his spouse. The pride of a patriot is always impersonal and is pride in the evil of the state regime that has seized the territory of the critter's habitation.

Patriotism is a person's smearing in the evil of pride in the fascism of a group of politicians or the Nazism of a certain SOCG or union of SOCG. Patriotism is a method of stupefying people, in which one SOCG exalts its importance in the eyes of people over another SOCG. Patriotism is belonging to a certain and evil group of lovers of local fascism, i.e. occupiers of the territory. Sometimes, the delirium of patriotism occurs at a distance (beyond the borders of one's SOCG) - then the patriot raves about the greatness of his SOCG, while being on the territory of another SOCG.

Propaganda is a constant, massive and avalanche-like lie of the SOCG about its greatness and its particularly outstanding character. The goal of propaganda is to make a person stop thinking critically and make him believe that he has a duty to the SOCG. For example, a duty to die in a war for the ideas of the SOCG, which are invented by the top of the ruling regime of this SOCG. Or a duty to obey the SOCG gang or a religious clan. Propaganda can be state and religious. In the world of the developed civilization of the white race, since the 19th century, the propaganda of the SOCG prevails over religious propaganda. Among the savages and religious fanatics of the damned peoples, religious propaganda still leads.

~~External Information Field (EIF)~~ **External Information Quantum Field (EIQF)** is a general term for processes and structures in our world and other dimensions that are invisible to the human senses but exist at the level of information (quantum or even more complex types of interactions). The EIQF, Hell, Satan, human

consciousness, the Internet—everything that exists consists of some kind of information, and they are interconnected informationally and mentally. Modern human science as of 2025 lacks the ability to describe and study the EIQF, but this does not mean it does not exist. Quantum science and quantum computers already exist, but this is only the beginning of an understanding of the EIQF. The EIQF is not the same as the gods of religions, the Internet database, electronic information on planet Earth, or a paradigm. Beneficial entheogens help one see, hear, and connect to the External Information Quantum Field. They allow one to overcome the barrier of perception beyond the normal human senses. Some people can sense the External Information Quantum Field even without the aid of entheogens. The External Information Quantum Field most closely resembles a global multiverse, represented as a gigantic set of information and the algorithms for its interaction.

All that exists consists of information, our world consists of information. The interaction between multi-universes occurs at the quantum-information level, faster than the speed of light. The speed of light is extremely small, compared to the level of quantum interaction between parallel dimensions.

Black holes are passages between universes. No gross matter can overcome a black hole. Only quantum information can pass through them. Through black holes, our world is connected with the world of Satan, i.e. with Hell. A black hole is a quantum tunnel for spiritualization by Satan.

The damned are people or entire nations who rejected Satan or committed atrocities for which the black magic of Satanism was imposed on them. Damnation manifests itself as degradation, decline, physical or mental torment, mental pathological state of doom, constant lies, stupidity, lack of talent, dirt, complicity with evil, religiosity. Evil is a marker of damned critters, it is the absence or rejection of satanic spiritualization, these are the deeds of critters to degrade their spiritualization. Evil is always filled with stupidity and lack of talent from spiritualization by the External Information Field. Evil critters are inanimate (unenlightened) biological shells, which are characterized by religiosity and a craving for herd behavior, under the leadership of the SOCG. The state, religion and dark herds of evil, selfish, inanimate critters are the main forces of evil in our world. The God of religions is EVIL. His main difference from Satan is his dogmatism, not his natural spiritualization of man. God forbids, Satan permits.

A faggot, a pederast, a slut, a bitch, a passive bottom are slang names for passive gays in a perverted form. I use all of these forms and they are all grammatically correct because this is the language of gay lust. The faggots themselves love such words. They love to distort these words; they love when these words are pronounced with humiliation. Analogues of these words in English: faggot, fag, looser, slut, bottom slut. A gay slut is a passive faggot who is not necessarily an MTF trans, but usually has a desire to become one. The term slut can be used to refer to any passive gays. The traditional desires of sluts & bitches are the desire to be fucked in the ass. Bitches want to fill their anal cunt with sperm and absorb sperm into themselves.

Anal cunt, cloaca, gay cunt – all these words are synonyms and mean asshole, intestine and faggot lust during anal sex. Such sexual words are used for faggot copulations, to add piquancy, perversion and depravity to them. A faggot's cloaca is an organ with two functions: to remove feces and to receive sexual pleasure. I like these sexual terms.

LGBT or LGBTQ or LGBTQ+ or LGBTQIA+ is an abbreviation for the words “lesbian”, “gay”, “bisexual”, “transgender”, “queer”, “intersex”, “asexual”, “Asexual/Aromantic/Agender”, plus additional categories of unusual people, their unusual ideas and extravagant communities. The Grimoire of Gay Satanism uses the designation LGBTQ+ — a community of sexual minorities and perverts united by common interests, problems and goals. It consists of various communication groups, communities, subcultural movements, queer neighborhoods and queer organizations. All designations are equivalent. In the grimoire, I use the designation of the LGBT community with an additional letter Q and a plus sign. The letter Q stands for queers, and the plus in the name means that I also include feminists and all other people with non-standard views in the

community: zoophiles, pedophiles, watermelon lovers 😊 and other perverts. I believe that feminists are close in spirit to LGBTQ+ and are part of it.

Queer is a collective term used to refer to a person whose sexuality and / or gender identity differs from the majority.

MTF transwomen and dickgirls are fully transitioned gay faggots who identify themselves as female with a male penis (in original form). Large female boobs are an optional attribute for MTF transsexuals. The abbreviation MTF stands for Male-To-Female transgender transition vector. Trans transition is very important for Satanism. Almost all MTF transsexuals are inspired by Satan and are Satanists. There are several levels of trans transition, which Slut Sodomia highlighted in her grimoire of gay Satanism, Gay Lust. For more information on penisgirls, read Slut Sodomia's Grimoire of the Antichrist.

CIS, Cisgender - these terms (cisgender is often shortened to CIS; sometimes cissexual) describe a person whose gender identity corresponds to the sex assigned at birth, i.e. a person who is not transgender. The prefix cis- is of Latin origin and means "on this side". The term "cisgender" was coined in 1994 as an antonym to the word "transgender" or "non-binary person" and entered dictionaries in 2015 as a result of changes in public discourse about gender. The term is an analogue of old-fashioned expressions from past centuries regarding sexual orientation and gender of people: (normal ordinary woman) = CIS woman and (normal ordinary man) = CIS man. At the moment, any gender and sexual orientation of people is recognized as "normal". Among the advanced peoples of white civilization, our world, sexually retarded savage people, homophobes and transphobes are recognized as abnormal. A synonym for this term can be the phrase NON-TRANS, and an antonym NON-BINARY or TRANS.

Entheogens are substances of plant, fungal, chemically synthesized, or animal origin that allow a connection with the "entheos," that is, with the inner divinity, with the "divine principle" (entheo + genesis). This is the same Greek root of the word theology, Zeus (teus, deus), enthusiasm (in theos, "one who lives in the divine"). Entheogens or psychedelic drugs such as lysergic acid diethylamide (LSD), DMT, marijuana, fly agaric, and psilocybin are associated with mystical experiences. At present, fascist drug laws limit their research. But major biomedical research centers have already found that entheogens predictably cause mystical experiences and, thus, allow us to study the state of the brain during these experiences. entheogens are not drugs because they not only do not escape from reality, but also bring you closer to it, and do not cause any physical tolerance, withdrawal or dependence; therefore, most of them are not illegal (ayahuasca, bufo alvarius, yopo, san pedro) and are used to deepen and deactivate from the very beginning the mechanisms and programs that interfere with our freedom and inner peace, leading us to self-knowledge and rediscovery of our true I-ego through connection with the External Information Field or with the Spirits-Demons of Hell.

ZooSex and ZooPhilia are the normal human desire to have sex like animals, imitating animals or with real animals (usually a large dog or horse). Man is an animal and there is nothing surprising in the desire to deepen his animal nature through transformation into an animal or through sexual intercourse with an animal. It is interesting that only a small number of people are involved with real animals, because it is difficult to organize. A significantly larger number of lovers of sex with animals prefer to fuck like animals or dress up and impersonate an animal. There is nothing wrong with this. Satan and Satanism approve of this, and the forces of evil prohibit or condemn it. Synonyms for the concepts of zoosex and zoophilia are such terms as bestiality and therianthropy. A light version of zoo-Satanism for children and adolescents is playing quadro-players, quadrobers, furies, puppies without a pronounced sexual component. Zoophilia is equally loved by heterosexuals and homosexuals. Among gays and Satanists, there are not many lovers of animal sex, presumably up to 10% of the total gay population of planet Earth (a very rough estimate, for understanding. On farms this percentage is higher: 30%, in cities less). Most gays and Satanists prefer sex with people, without

transforming into an animal. Zoophilia is not suitable for all people, but it is a good kind of Satanism. Zoophiles are part of the LGBTQ+ community.

Homophobia is a kind of sexual stupidity of critters, when they are surprised by the sexual freedom of LGBTQ+ people and are indignant about this freedom. Homophobia is a manifestation of hostile xenophobia to what critters are not able to understand, but under the influence of propaganda and religion are afraid of this, because this is an unusual phenomenon for them. Homophobes are also opponents of zoosex and zoophilia. Homophobia manifests itself not only in the field of sex, but also in the freedom of thought of evil critters. As false reasons for banning LGBTQ+ communities, homophobic critters traditionally cite protection of children, an imaginary opportunity to become gay or lesbian when visually interacting with LGBTQ+, or trampling traditional values of heterosexuals - only in the pussy and never in the ass. In fact, the reason for the fear of evil critters before the LGBTQ+ community is much deeper, and concerns the fact that among sexually free people there are many Satanists. Satan and Satanists destroy the evil of critters in our world and after the physical death of homophobes, they will be driven to entropy in Hell by all the forces of Hell. On a subconscious level, evil knows this, therefore the LGBTQ+ community carries the light of Satan in itself and is a danger to evil.

For a more accurate transfer of meaning and for precise identification of terms, Slut Sodomia suggests calling gay faggots in English SLUT, and CIS girls with a female pussy to be called BITCH. That is exactly how I called these two different categories of Satanists in my grimoires and albums of gay Satanism. Now, I am fixing this name in the dictionary of terms of gay Satanism. In the plural, all passive gays and MTF/FTM trans are called SLUTS, and "classic" girls (heterosexuals, lesbians) are called BITCHES. This is not a dogma, but simply a proposal for the LGBTQ+ community and clarification of my own terminology. It is possible to call it the other way around: a faggot called a BITCH means that he has finally started thinking only about being raped in the ass, like a CIS Satanist woman. If a CIS woman calls herself a SLUT, it means that she is close in spirit to the faggots and cock-girls from the gay Satanist community.

ABOUT THE ANTHROPOMORPHIC AND ALLEGORICAL IMAGE OF SATAN IN THE ART OF SATANISM

Anthropomorphism and allegory in art have a rich and ancient tradition. Depictions of Satan are always anthropomorphic and allegorical because Satan can take any form. No one knows what Satan looks like in his canonical form and such a form does not exist. For a Satanist there may be a personal favorite form of Satan, and this is the form the Devil takes for the Satanist. I have already written about this in detail in the grimoire “Gay Lust”.

Allegory (from ancient Greek ἀλληγορία - allegory) is an artistic representation of ideas (concepts) through a specific artistic image or dialogue. Allegory is an artistic representation of abstract concepts and generalizations using specific figurative embodiments. The artist depicts and represents faith, love, soul, justice, discord, glory, war, peace, spring, summer, autumn, winter, death and similar concepts with living beings and specific images¹⁵. Anthropomorphism is a worldview concept expressed by nominative means of language, fine arts, etc. According to this principle, inanimate objects, living beings and fictional entities that do not have human nature can be endowed with human qualities, physical and emotional¹⁶.

Therefore, all artistic depictions of Satan are allegorical representations of our Teacher. More important than the

painted image itself is the person's perception of the painting. It could be surprise, lust, delight and other feelings. It is precisely these feelings that are born from viewing the paintings in the SatanArt album that are important. It is these feelings that give spirituality to Satan or immerse the beholder in Satanism. Also, the paintings in the album convey the general aesthetics of Satanism - this is a special sensual satanic beauty. Therefore, in addition to immersion in satanic spirituality, albums of paintings instill in a person an aesthetic sense of beauty.

IMAGE SOURCES AND IMAGE COPYRIGHTS

Slut Sodomia took all the images for her album from open sources on the Internet. Many paintings are modified with available neural networks for image processing. If I know the name of the author of the picture, I indicate it. If I don't know the author's name, I don't indicate it. This document contains illustrations by various authors, and I include the artists' drawings in my album for scientific, educational or cultural purposes. This document is a free information source about Satanism. The authors of the works receive advertising of their name and their work from the Antichrist Slut Sodomia, so I am not interested in any claims based on the laws of the SOCG and other evil. Artists of Satanism receive free advertising and promotion from the Antichrist. However, I think that none of the real Satanists will make claims against me. Selfish evil, the Pharisees and lawyers of the SOCG may do this, but I am not interested in the opinion of evil. All evil will be subjected to entropy by Satan, like all the rest of the information garbage of our world.

All copyrights belong to the authors of the paintings, and I cannot appropriate these rights in any way. By publishing paintings by Satanist artists, I popularize the authors of the paintings and the very aesthetics of Satanism.

ABOUT IMAGE FORMATS FOR SATANART ALBUM – PNG, WEBP, JPG

I published all the images for the grimoire of gay Satanism in PNG or JPG/JPEG format. For SatanArt albums of satanic art, I will additionally use the good and relatively new WebP format. WebP - (English WEB Pictures) image compression format, both lossy and lossless, proposed by Google Inc. in 2010 year. Based on the still image (key frame) compression algorithm from the VP8 video codec. Uses RIF container¹⁷. This format provides good image compression with decent quality. If you can't open WebP images, either update your software or install codecs that will allow you to see these images on your computer.

Most of all, I like the PNG format, which produces fairly high-quality images, which is especially important when printing books in a printing house or on a printer. PNG (portable network graphics) is a raster format for storing graphic information that uses lossless compression using the Deflate algorithm. The PNG format is designed to replace the older and simpler GIF format, and to some extent to replace the much more complex TIFF format¹⁸.

I also use the classic JPG/JPEG photo format, although, in my opinion, this format is inferior to PNG and WebP formats. Thus, for the collection albums of Satanic drawings, photographs and other graphics of gay Satanism for immersion in the spirituality of Satan SatanArt, I will use three image formats PNG, WebP and JPG/JPEG. I will not use other image formats in 2025, although new and better formats for digital graphics may appear in the future and then it is worth using new products if necessary.

DISTRIBUTION OF THE ART APPLICATION OF GAY SATANISM SATANART IN DIFFERENT DIGITAL FORMATS

Albums-collections of satanic drawings of gay Satanism SatanArt in electronic form are released by the author in two formats PDF and DOCX¹⁹. The e-book is free to download in any of these formats. Also, the graphical application of gay Satanism SatanArt is distributed in the form of a single ZIP archive file, which contains versions of the book in both PDF and DOCX formats. These are formats for publishing the images themselves with text titles and comments on satanic graphics from Slut Sodomia. Applications of Gay Satanism SatanArt is a useful addition to the Gay Lust grimoire for spiritualizing a person through the visual images of Satanism.

I have collected the satanic art pictures in a separate appendix so as not to take up a lot of graphics space in the Gay Lust Grimoire itself. You can download collections of Satanic drawings, photographs and other graphics of gay Satanism for immersion in the spirituality of Satan SatanArt on the Internet, on the Darknet on sites in the onion domain zone through the TOR browser or through torrents. Titles of paintings

¹⁹ According to their purpose, electronic document formats can be divided into those that can be viewed and edited, as well as those that can only be viewed or only edited. For example, the PDF format is intended for viewing documents, and DOCX is intended for both viewing and editing.

and text comments will initially be available in Russian and English. The texts of the comments in English are published in the English version of the SatanArt add-on - this is a separate file.

Thus, the visual application of gay Satanism SatanArt by Slut Sodomia "Collections of Satanic drawings, photographs and other graphics of gay Satanism for immersion in the spiritualization of Satan SatanArt" is available in the following options:

- In Russian – with titles and comments of satanic paintings in Russian in DOCX, PDF formats and their packaged version in ZIP format.
- In English – with titles and comments of satanic paintings in English in DOCX, PDF formats and their packaged version in ZIP format.
- The full version of the visual application of gay Satanism SatanArt with separately located pictures in PNG, WebP and JPG/JPEG formats, packed in a fairly large ZIP archive. DOCX, PDF + separate picture files in PNG, WebP and JPG/JPEG formats.

Portable Document Format (PDF) is a cross-platform open electronic document format originally developed by Adobe Systems using a number of PostScript language features. Primarily intended for presenting printed products in electronic form. There are many programs for viewing, as well as the official free Adobe Reader program. The book format as a PDF file is convenient to read and distribute electronically. Typically, no distortion is observed when opening this format on different operating systems and in different programs.

The DOCX format is a modernized version of the DOC format, and compared to its predecessor, this format is much more popular and accessible. A DOCX file is a document created using Microsoft Word 2007 or a newer version of Office from Microsoft. The file format is based on Open XML and uses ZIP compression to reduce file size. I recommend opening the DOCX file for work and editing in the original MS Word editor of this format from Microsoft, which is included in Microsoft Office 2019 and later. For reading and review, you can also use free programs that can open the DOCX format - LibreOffice Writer, OpenOffice Writer. Free programs may contain distortions in the document, offsets, errors in formatting and fonts. The author puts the book in DOCX format into the public domain for the purpose of publishing the book in paper form. This format can be conveniently formatted and edited.

ZIP is a widely used file archiving format that is used to compress one or more files in one location, reducing their overall size and making it easier to transfer data. Inside this archive there will be two book files in both PDF and DOCX formats, plus drawings of gay Satanism in the form of raster images.

To create ZIP archives and extract (unpack) the files they contain, special utilities can be used, for example terminal PKZIP and PKUNZIP or graphical WinZip, WinRAR, Info-ZIP, 7-Zip, PeaZip and many others.

Also, Antichrist Slut Sodomia sees great potential in spreading gay Satanism through creating videos from static documents of PDF e-books and PPTX presentations. Slut Sodomia will try to create a sufficient number of videos based on static digital files with text and pictures of Satanism. Perhaps it is worth converting all gay Satanism files to digital video format of modern 4K resolution. First, I will convert the most understandable and puritanical albums of gay Satanism to video format, and then I will make such video releases with other albums of gay Satanism.

FREEDOM OF DISTRIBUTION OF ANY INFORMATION

Any information should be disseminated freely, openly and without interference from the evil of our world. No copyright should interfere with this. Each work has a true author and no copyright is needed, just as no legislation in the field of information dissemination or copyright is needed. Anyone who interferes with the freedom of information dissemination is criminals and enemies of your personal freedom. Self-balancing of

the information field of our world will not allow evil, harmful and false information to spread. All this happens without censorship from the state, automatically in the space of the information field of our world. Good and necessary information will be in demand, and bad and harmful information will become unnecessary. Also, the distribution of this book-album should be completely free. I know for sure that the evil of our world will recognize the main grimoire of gay Satanism as “illegal” and ban my book “Gay Lust”, as well as the music albums of Satanic songs and hymns SatanSongs and the albums of paintings of gay Satanism SatanArt.

Protect commercially important information and your personal information yourself if you need it. Your desire to withhold information is not a reason to prohibit public dissemination or discussion of this information. Any censorship and bans on information are an obvious evil. Everything secret, sooner or later, becomes clear.

METHODS OF PAID AND FREE DISTRIBUTION OF GAY SATANISM PUBLICATIONS. LICENSE

I am not opposed to selling SatanArt albums in both e-book and paperback formats. These sales will allow you to support the author financially and simultaneously distribute the book. You can sell the book in any electronic format and publish it in physical form. The author requests 20% of the e-book sales price and 20% of the profits from the paperback version. Selling my book or other text, graphic, musical materials, and documents from Slut Sodomia:

- is a convenient way for sellers to make money from the book;
- is a convenient way for readers, Satanists, and members of the LGBTQ+ community to support the author;
- is a method for distributing a book about gay freedom and gay love worldwide;
- this is a method of distributing a book about Satanism, spirituality and our Teacher Satan.

Electronic versions of SatanArt albums of any release may be distributed under the license: Creative Commons CC Attribution-NoDerivatives 4.0 International (CC BY-ND 4.0)²⁰. You are free to share (exchange)—copy and distribute this material on any medium and in any format—for any purpose, including commercial. accounts for other people's cryptocurrency accounts. Distribute and sell publications of the Antichrist Slut Sodomia in electronic and paper form. The spread of gay Satanism will improve our world and support the LGBTQ+ community with information. The publication and sale of the Antichrist's books will be an informational blow to the evil of fascism and the stupidity of homophobes and transphobes worldwide. Slowly but surely, the black magic of gay Satanism's information will destroy evil, promoting the ideas of Satanism, freedom, and inclusivity of the LGBTQ+ community. Satanism, unlike various other ideologies, religions, and philosophies, is the inner inspiration of Satan. This is where the great potential of gay Satanism lies.

The Antichrist sells source files for typesetting, printing & publishing paper versions of his gay Satanism publications on his websites. All source files are created in Microsoft Word DOCX format.

TRANSLATION OF THE ALBUM OF SATANIC DRAWINGS SATANART INTO OTHER LANGUAGES OF THE WORLD

The album SatanArt in the original (i.e. by Slut Sodomia) is written in Russian and English. Translate the book-album SatanArt into all languages of the world and distribute it in your language environment. The author of the book will be very happy about this. The more people can see satanic paintings and read the text titles-comments to them, from the SatanArt album, the better people will become and the more crushing the blow we will deal to the evil of our world. The visual power of art and the words of the Antichrist in the SatanArt album have a strong effect on the consciousness of man and his spiritualization by Satan. On the title page of my book, write your name as a translator or proofreader of my book if you will translate or correct errors.

DONATIONS TO THE AUTHOR AND COPYRATES WHEN SALES OF A BOOK IN PRINT AND ELECTRONIC FORM

Antichrist Slut Sodomia has done a lot of work creating art albums of paintings of gay Satanism SatanArt, working on compiling this e-book, searching for drawings on the Internet and compiling their descriptions for you. Four reasons to support the author financially:

The first reason is if you share the ideas of Satanism. This book is a guide and grimoire for established Satanists and for people just beginning to gain insight. Let their path be illuminated by my literary work and help them receive the spiritualization of Satan in full, using my grimoire as a navigator.

The second reason - if you think that the book is useful and valuable for members of the gay fraternity, Satanists and the entire LGBTQ+ community - support the author with any donation. The book about gay Satanism exposes the evil of our world and shows why it is the state, religion and the dark herds of evil, selfish, unspiritualized souls that are the main forces of evil in our world. It is not Satan and not man's spirituality with joy, pleasure, sexual lust that is evil, but evil is located precisely in our world itself. It was evil, in the form of the state and religion, that destroyed Jesus of Nazareth, who was a disciple of Satan, a spiritualized man, and this evil still oppresses your freedom 2000 years later since the life of Jesus of Nazareth in our world.

The third reason - if you want to see a new and expanded version of this book or new books by the author - support the author with any donation. You can make all donations using cryptocurrency - this way you and the author of the book will remain anonymous. What is very important in the world of total censorship and a total ban on freedom of speech throughout the world at the moment on issues that do not coincide with the official propaganda of states and the ideals imposed by these states.

The fourth reason is if you make money from my literary work by selling it.

You can sell my book; you can translate it and sell translations of my book. You can do this freely, and I will be only happy about that. If you sell the book in print, I ask for a modest 20% of the profit. My written or oral permission is not required to sell the book - you can publish and sell this book. For example, you can publish this book in the form of registered or numbered copies on high-quality paper bound in leather with gold

embossing at a high price. Or you can publish the book as a mass edition with a large circulation to spread knowledge about gay sex and gay Satanism at an affordable price.

Or you can put my book up for sale on any sites on the Internet where documents and books are sold in electronic form. If you sell the book as an e-book, I ask for a modest 20% of the sale price. You don't need any permissions for this. I give you this permission here.

Transfer 20% of the profit (for paper versions of the book) or the amount of copies of the book sold (for electronic sales) to the author's cryptocurrency accounts in any available cryptocurrency. These will be sufficient royalties for the publication. All copyrights belong to the author of the book.

You make money from my book. Distribute my book for free and for a fee.

Antichrist Slut Sodomia does not work for a living and has spent many years writing books on Satanism, so he counts on financial support from the Satanist community around the world, I believe I will receive donations from members of the LGBTQ+ community. I also hope that my work will find financial support among feminists, queers and all people with non-standard sexual preferences, which are groundlessly condemned by the society of unenlightened critters, fascists and underdeveloped organisms of evil biohumus. The Antichrist has no other income, but he needs money for household expenses, utility bills and food. To continue writing the second grimoire of Gay Satanism "Beyond the States", I need money for my support in our world. I count on cryptocurrency donations from my readers or viewers of the videos. The material existence and creativity of the Antichrist rests on financial expenses for material life and here, even black magic against the forces of evil will not replace the presence of money.

ABOUT ADDITIONS TO THE GRIMOIRE “GAY LUST” FOR DEPTH SPIRITUALITY BY SATAN

To deepen the spirituality of Satan, Slut Sodomia has prepared and released two additions to its grimoire “Gay Lust” into the Information Space of the Internet, Darknet and torrent network:

- Albums of Satanic music videos for the immersion in the spirituality of Satan. Numbered periodical Journals. SatanSongs and QuasiSatanSongs are an occasional addition to the Gay Lust Grimoire. The lyrics have been translated into Russian. Lyrics in English are published in the English version of this supplement. Clips in MP4 format come as an appendix to this add-on. In total there will be 4 collections of satanic videos SatanSongs with 100 tracks each, plus there will also be an album of quasi-satanic songs QuasiSatanSongs about love, romance, lust. There is continuous numbering of compositions in all SatanSongs music albums²¹. Thus, there will be 500 video clips that help satanic spiritualization. The album QuasiSatanSongs has its own numbering of songs.
- Albums of fine art of gay Satanism for immersion in the spirituality of Satan SatanArt. Thematic numbered periodical Journals of the fine arts of gay Satanism SatanArt. This is an occasional addition to the Gay Lust Grimoire. SatanArt Albums contains paintings and drawings of gay Satanism on specific themes that are related to Satanism or sexual lust. I will publish these albums regardless of the grimoire itself. All paintings in SatanArt art albums have continuous numbering, just like songs.

DON'T HESITATE TO BE A SATANIST!

I like the phrases “Don't hesitate to be a Satanist!” and “Don't be shy about being Satan!”²². They are multifaceted, and are aimed at calling people not to be afraid to receive satanic spirituality and not to be afraid to resist evil.

NUMBERING AND CONTENTS OF COLLECTIONS-ALBUMS OF SATANIC PICTURES SATANART

The total number of collections and albums of satanic drawings and paintings of SatanArt is currently unknown. I would like to make about 100 albums if readers and the Satanic community like my work. Each SatanArt album will contain 100 drawings. There will be continuous numbering of all images in all music albums to organize the graphic material. Continuous numbering implies a common numbering of objects in all albums of satanic graphics SatanArt.

²¹ Continuous numbering implies a common numbering of objects in all albums of satanic musical compositions.

²² This is Satan's phrase. Our Spiritualizer Satan says this phrase to his children, the Satanists. The phrase does not refer to unspiritualized critters of evil who do not have satanic spirituality. And does not apply to mentally ill people.

ADDITIONAL INFORMATION ABOUT GAY SATANISM FROM ANTICHRIST SLUT SODOMIA

I hope that my selection of digital Satanic paintings, drawings, photographs and other graphics of gay Satanism for immersion in the spirituality of Satan SatanArt will be useful to people, and you will find interesting images for yourself in my selection. Visual art for those who are already Satanists and for those who are just thinking about becoming a Satanist and are looking for a connection with Satan for their spirituality. Of course, these paintings can be viewed simply as beautiful masterpieces of fine art 😊, without being tied to the ideas of gay Satanism.

If you are interested in the topic of gay Satanism, you can download and read other books from Slut Sodomia:

- Grimoire of Gay Satanism “Gay Lust.” This is the main grimoire of gay Satanism. This is a magical book that allows me to become a Satanist, helps me see the evil of our world and destroy this evil.
- Albums of Satanic music videos for immersion in the spirituality of Satan, which I call SatanSongs collections. In 2024 I created 4 SatanSongs albums + 1 quasi-satanic album QuasiSatanSongs.

The Gay Lust Grimoire is intended for both experienced Satanists and novice Satanists who want to deepen their spirituality with Satan or even gain it. The grimoire “Gay Lust” is a navigator for a Satanist and a conceptual basis in the fight against the evil of our world. There are Satanists not only among gays themselves, but also among straight people inspired by Satan. And that's great! It turns out that gay Satanism and my book are for all people in whom the fiery rage of sexual perversion burns, as an important element of spirituality by Satan. The book “Gay Lust” is a rebellion and liberation of your consciousness from the dungeons and frames of consciousness imposed on you by the system of the regime, religions and homophobia. The book is a grimoire of gay Satanism with the ritual of Summoning Satan and a code of principles of gay Satanism. The Gay Lust Grimoire is a training manual for passive fagots, active gays and trannies. The grimoire “Gay Lust” liberates the sexuality of any person and throws off the shackles of puritanical hypocrisy.

The grimoire “Gay Lust” is distributed completely free of charge in electronic form. You can freely download, quote and distribute the grimoire book. Look for the grimoire of gay Satanism “Gay Lust” on sites on the regular White Internet, Torrent trackers or on the Tor network on ONION sites.

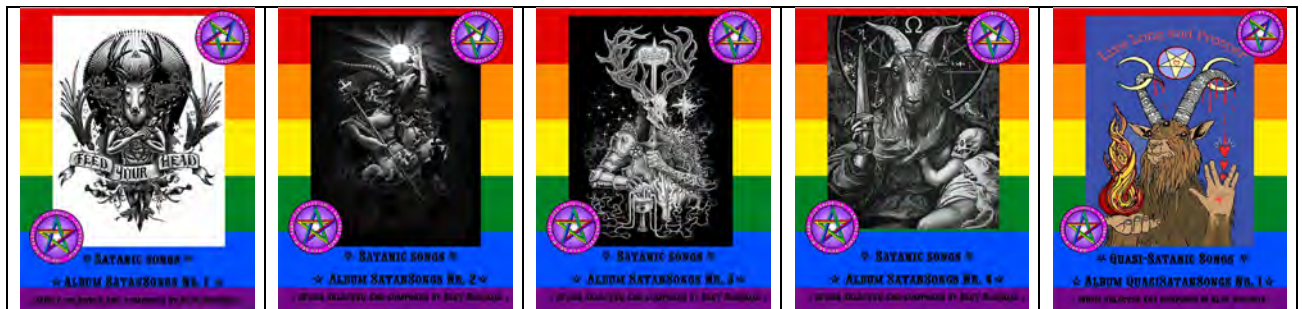

LIST OF ADDITIONAL APPENDICES TO THE GRIMOIRE OF GAY SATANISM FOR IN-DEPTH SPIRITUALITY WITH SATAN

Applications to gay satanism are satanic music and graphics:

1. Collections of Satanic music videos selected and compiled by Slut Sodomia.
2. Collections of satanic drawings, photographs and other graphics of gay Satanism, selected and compiled by Slut Sodomia.

Collections of Satanic music videos, created either by Satanists or non-Satanists, but they are devoted to the theme of Satanism, in the understanding of Slut Sodomia. The words of these songs are about Satan, or about Satanists, or about the liberation of people from the power of evil, or other quasi-Satanic themes. Songs of completely different genres! Their main feature is that good music inspires. At the time of completion of the first version of the grimoire, Slut Sodomia had collected 500 gay Satanism music videos:

1. Album of Satanic music videos for immersion in the spirituality of Satan. SatanSongS Nr. 1
2. Album of Satanic music videos for immersion in the spirituality of Satan. SatanSongS Nr. 2
3. Album of Satanic music videos for immersion in the spirituality of Satan. SatanSongS Nr. 3

Your purchase of graphic albums-collections of gay Satanism graphics SatanArt, in DOCX / PDF / JPG / PNG / WebP format, will support Slut Sodomia financially, and I will know that my work is in demand by people. Let the publication of SatanArt albums allow Satan to enter the souls of more people, let there be more Satanists and less evil from soulless critters.

ABOUT THE DEVELOPMENT, IMPORTANCE AND USE OF CRYPTOCURRENCY

I am writing this chapter about the development, meaning and use of cryptocurrency in 2024. Now, cryptocurrencies, as a means of speculation, investment and payments, are already working quite well, although for most people on planet Earth, crypto-coins are more of a mysterious phenomenon than an applied financial instrument. Slut Sodomia is very glad that a

wonderful alternative to fiat money²³ issued and controlled by SOCG has appeared. The name of this alternative is cryptocurrencies, Bitcoin and all the altcoins of the world²⁴.

Cryptocurrency opens up enormous opportunities to get rid of the evil of SOCG on our planet Earth. It is control over material values that allows the SOCG to rule, mock people, dictate their laws and do various evils in our world (including wars, prisons and collecting tribute from the population). The material wealth of the SOCG is based on: power, evil and money. If the SOCG is stripped of its power over the financial control of money, it could significantly undermine the SOCG's power throughout the world. Cryptocurrencies operate outside of the SOCGs and do not need them.

Lately (since about 2015), the vilest SOCG's have been trying to stick their ugly nose into the control of cryptocurrency, its circulation and use. SOCG began to choke cryptocurrency enthusiasts and large financial speculators in cryptocurrency around the world. SOCG of the USA and Europe require registration and verification of the identity of people who use cryptocurrency on public platforms online and offline. Evil really wants to take control of cryptocurrency, and thereby strangle people's financial freedom. Evil does not want

²³ https://ru.wikipedia.org/wiki/Фидуциарные_деньги Wikipedia. Fiduciary (from the Latin fiducia - trust), fiat (from the Latin fiat - decree, instruction, "so be it"), symbolic, paper, credit, unsecured money - money not backed by gold and other precious metals, the nominal value of which is established and is guaranteed by the state regardless of the cost of the material used for their manufacture. As a rule, irredeemable for gold or silver. Often, fiduciary money is used as a means of payment on the basis of state laws obliging it to be accepted at face value. The value of fiduciary money is maintained by people's belief that they can exchange it for something of value. The decline in the authority of state power leads to a decrease in the purchasing power of fiduciary money, that is, to devaluation, "flight from money" (attempts to maintain its purchasing power through investment), etc.

²⁴ Bitcoin started the era of digital crypto assets in 2009. The shortcomings and limitations of the first cryptocurrency, as well as its open-source code, led to the fact that developers began to create other coins. They are called altcoins.

people to leave the orbit of the influence of the SOCG over money. Evil wants to destroy the very idea of freedom of cryptocurrency and the anonymity of its users.

It is very bad that many financial speculators - exchanges, exchangers and crypto-wallets have followed the requirements of the SOCG and force users to play by their rules. It's very bad that among crypto enthusiasts there is little talk about refusing collaboration with the evil SOCG. More and more cryptocurrency circulation is becoming dependent on the evil of the SOCG and its directives.

I urge the community of cryptocurrency developers at any level not to collaborate with the state and not to obey their gangster rules. SOCG is simply an evil crook in the field of cryptocurrency technology who wants to rape and subjugate this technology and the users of this technology. Don't let the evil of SOCG deprive you of financial freedom and an alternative financial future outside of states and without states. This was a philosophical preface about cryptocurrency, let me move on to the practice of using crypto-coins.

For beginners, I recommend entering cryptocurrency by opening and creating a non-custodial crypto wallet, which allows you to ensure security and convenient management of your cryptocurrency. Such wallets provide users with complete control over their funds, eliminating the participation of third parties and minimizing the risks associated with hacking or fraud. A non-custodial wallet is a computer program and a type of cryptocurrency wallet in which only the owner has full control over his funds and private keys. The wallet does not store personal information and does not have access to assets. When you create a non-custodial wallet, you are usually given a private key or a seed phrase (a series of words that can be used to generate a private key). This information is not stored by third parties and it is important that you keep it secure. If you lose it, you will lose access to your funds and there is no way to recover it.

In 2024-2025, the most popular, convenient, reliable software crypto-wallets, in my subjective opinion, are the following non-custodial wallets:

1. Exodus <https://www.exodus.com/>
2. MetaMask <https://metamask.io/>
3. Trust Wallet <https://trustwallet.com/>

Install these programs (one or more), downloaded from official websites, on your computer and begin to master entering the new era of electronic money, outside of states. These programs allow you to buy cryptocurrency with fiat money (dollars, euros and other currencies), make payments to other people's cryptocurrency addresses, and receive payments to your crypto wallet. Installation of these programs is quite simple and available for the most popular operating systems. After successfully creating a crypto wallet, you can send some crypto coins to Slut Sodomia to the details provided in this document if you like Gay-Satanism and the work of Slut Sodomia. I will be happy, and you will check your crypto wallet in action 😊.

To enter the world of cryptocurrency, you can use online services called crypto exchanges. A crypto exchange is a less reliable means of storing cryptocurrency than non-custodial crypto wallets, but some people may find it easier to work with crypto exchanges. Access and work with crypto exchanges occurs through a computer Internet browser, like with any other sites. Please note that crypto exchanges have full control over your finances and can block your money, at the request of fascists from different countries. There are many crypto exchanges and Antichrist Slut Sodomia cannot guarantee which of them is the best, most reliable and convenient. I will recommend four crypto exchanges that have been operating for a long time and with the help of these exchanges you can send donations, donations or royalties in cryptocurrency to Antichrist Slut Sodomia:

Kraken. <https://www.kraken.com>

Kraken is an American cryptocurrency exchange founded in 2011. It was one of the first Bitcoin exchanges to be listed on Bloomberg Terminal.

Binance. <https://www.binance.com>

Binance is the world's leading cryptocurrency exchange, serving 235 million registered users in over 180 countries.

Coinbase. <https://www.coinbase.com>

Coinbase is one of the most well-known names in the crypto industry. Launched in 2012, it offers an intuitive and beginner-friendly platform for buying, selling, exchanging, and storing cryptocurrencies.

SwissBorg. <https://swissborg.com>

SwissBorg is Europe's #1 app for securely buying and selling cryptocurrency with low fees, available in 47 countries and 16 currencies.

Best Wallet. <https://bestwallet.com>

Best Wallet is a non-custodial app that offers wallet and exchange services in a single secure decentralized environment.

The methods recommended by Antichrist Slut Sodomia for selling, buying and transferring cryptocurrencies cooperate with states, i.e. with fascists and SOCG. I do not guarantee the reliability of these trading platforms. Crypto wallets and crypto exchanges require people to provide documents when registering, require them to show themselves through photo or video filming. Cryptocurrency exchanges implement a Know Your Customer (KYC) policy to comply with anti-money laundering (AML) and counter-terrorism financing (CTF) regulations, ensuring the legality of transactions and the safety of users. To register on a cryptocurrency exchange, you need to provide personal data, confirm your identity with documents and a selfie, and wait for approval to access all functions. Exactly the same story when registering in regular banks. On the one hand, it gets rid of scammers, but on the other hand, it is control by various SOCG and loss of anonymity. If I find more anonymous and reliable options for making cryptocurrency transfers, I will write about it in the next versions of the documents.
