A BRIEF DICTIONARY OF BDSM TERMS	16
DEDICATION-ABSTRACT OF THE ALMANAC OF VISUAL ARTS OF GAY SATANISM SATANART №40.....	37
WHERE CAN I FIND OTHER SATANART ALBUMS?	38
Picture 3901. Pederasty, bondage, and sadism-masochism are an important part of gay Satanism. BDSM practices combine well with pederasty without anal penetration. Sexual play, bondage, and the induction of tears from sexual humiliation are all good and enjoyable practices. BDSM is practically inaccessible to creatures without the sexual enlightenment of Satan.	45
Picture 3902. Two Gay-Satanists and masochists kissing each other. Skinny and fucked-up young sluts.	46
Picture 3903. A bitch fucking her own vagina on her own is a good tradition of Gay-Satanism.....	47
Picture 3904. MTF girls love BDSM fun, bondage, sexy bondage, lingerie.....	47
Picture 3905. A drawing of a classic gay bondage on a chair. This type of bondage does not involve anal rape and is suitable for active gay men. Active gay men can also be masochists, but less so than passive, homosexual bitches.	48
Picture 3906. Sexual masochism and class sadism. BDSM role-playing games.....	49
Picture 3907. Two bitches (MTF and CIS) have fun in BDSM style.	49
Picture 3908. The bitch came to visit the ancient Roman prisoner in the dungeon.	50
Picture 3909. Water procedures for a bitch in BDSM style.	51
Picture 3910. A BDSM slut takes a bath with an active fucker made of sperm under the sign "New mascot needs training in obedience and good table manners."	52
Picture 3911. Female members engage in gay lust in the BDSM style. Gay Satanism and the Antichrist Slut Sodomia consider BDSM practice an important element of gay lust and a useful skill for increasing one's spirituality with Satan. Satanism itself is sadism and masochism.	53
Picture 3912. Antichrist Slut Sodomia gets fucked in a gay club. Her pussy is covered in cum.	54
Picture 3913. A gay passive performs self-fucking of his own vagina. The boy will become a transsexual.	54
Picture 3914. A muzzled masochist absorbs another pederast's ass juice or blood with his ass. What could be more humiliating for greater pleasure? Eating shit – scat. Although most gays prefer pure sex, almost everyone has fantasies about sex with human secretions, natural and organic. Slut Sodomia used to love eating her own shit and drinking her own urine, but now she's switched exclusively to sperm. Sperm is the most delicious secretion for me. The exact plot of this painting is unknown.	55
Picture 3915. BDSM can and should be combined with other sexual practices, such as SCAT.....	56
Picture 3916. Many MTF girls enjoy soft BDSM as a complement to anal sex.....	56
Picture 3917. Gay Satanists engage in BDSM in a group. A bitch with two active BDSM fuckers.....	57
Picture 3918. The masochist has achieved his cherished dream. An exhibition of the best masochistic objects in Hell.	58
Picture 3919. BDSM between two boys. The artist creates BDSM paintings to order.	59
Picture 3920. A three-tiered hierarchy in BDSM. The Master (the hand), the Active Sadist-Sodomite (the active guy), and the Slut-Masochist (she pressed herself against the active sodomite). The exact plot of this painting is unknown.	60

Picture 3921. Hanging isn't considered traditional BDSM because it's a dangerous practice. However, if you consider hanging as a satanic form of sex, it certainly appeals to some masochists.	61
Picture 3922. A masochist is preparing for body modification of her dick or bitch's testicles. Sadists want to do the body modification slowly and without anesthesia. Perhaps they want to cut off her balls or cut her dick lengthwise.	62
Picture 3923. The penis-girls in Hell continue to enjoy themselves. The cultists frighten Satanists with Hell...strange people. For Satanists, Hell is their home and a place of synergy with Satan-Lucifer.	62
Picture 3924. Gay Satanism is associated with BDSM and anal sex, i.e., sodomy. BDSM activities for gay Satanists and MTF masturbators help them gain greater spirituality from Satan/Lucifer. BD (Bondage and Discipline) / DS (Dominance and Submission) / SM (Sadism and Masochism) are very useful for masturbators. Satan penetrates a sodomite Satanist better if BDSM is added to sodomy.	63
Picture 3925. A gay Satanist and a sodomite masochist. For some reason, savages and cultists don't like this...strange. And then they jerk off to such images or fantasies, hypocritically concealing their desires. The excellent gay Satanist artist InCase delights with his artistic brevity and sexual gay sensuality.	64
Picture 3926. Japanese gay Satanism with a lot of BDSM. A masochist between two stools.	65
Picture 3927. Gay boys engage in anal sex with elements of bondage and rape.	66
Picture 3928. Females enjoy BDSM and anal penetration. Most MTF girls (90%) want to be masochists, and only a small percentage (10%) are sadists, according to the preliminary assessment of the Antichrist Slut Sodomia.	67
Picture 3929. A masochistic bitch and a sadist – an active gay man. They share gay love, sodomy, and BDSM.	68
Picture 3930. Zoophilia is not considered BDSM, but lowering a masochist to the level of intercourse with a male dog is part of BDSM. Of course, such play is not accessible to everyone and is not suitable for everyone.	69
Picture 3931. An aesthetically pleasing BDSM scene, without violence. Jerking off cum into a cup. One bitch receives cum from another bitch, for satanic amusement. Very gentle and beautiful BDSM.	70
Picture 3932. BDSM for female members is often accompanied by sodomy. Many females engage in independent BDSM, being both sadists and masochists. This is what the Antichrist Slut Sodomia does.	71
Picture 3933. A masochistic boy and some sadistic guy. Honestly, I like active naked men who understand that anal masochistic sluts need sodomization first and foremost. For some masochists, anal rape isn't as important as BDSM play with a whip.	72
Picture 3934. An icon of MTF BDSM in gay Satanism. A trans BDSM goddess. The original plot is unknown.	73
Picture 3935. Texas sadists with an adult masochistic homosexual. You could call these men simply active gays, but in this picture, the active men aren't trying to fuck the boy. These gentlemen don't even take off their pants.	74
Picture 3936. Arab gay sadists with adult masochistic homosexuals. A harem of boys for important Arab sadists. Sexual "suffering" for masochists is an important element of BDSM. The suffering of masochists should bring joy and satisfaction to both the boys and the sadists.	75
Picture 3937. BDSM refers to a specific organ, the pederast's penis, which is called a cock or clitoris by MTF masochists. Yes, many passive masochists consider their dick to be their clitoris and their ass to be their vagina.	76
Picture 3938. A sweet MTF masochistic dick-loving girl with Satan's shadow. Drawing by gay Satanic artist InCase.	77

Picture 3939. Gay men engage in BDSM sex. Artist Justin.....	78
Picture 3940. Two masochistic boys kiss. BDSM costumes give the participants a sexually expressive appearance for sexual play. Two masochistic sodomites prepare their vaginas for sodomy. A warm-up with kissing excites the sluts' anal cunts.	79
Picture 3941. Gay lust drives the masochist to engage in self-sodomy. Classic BDSM gay bitch with a gag in her mouth. Transformation into a MTF cock-loving girl. For better masochistic training, the BDSM + SM sex education course is well suited for anal penetration.	80
Picture 3942. Cute gay boys in bondage warm up with BDSM games before anal penetration. One boy has already sat his pussy on a dildo to save time.	81
Picture 3943. The painting depicts either a robbery or a rape. One of the sadists points to a badge with a pentagram-star. What does his pentagram mean? Is he a Satanist or a villain of the regime? The drawing is a mystery, and I don't know the original plot.	82
Picture 3944. A masochistic beauty in full BDSM attire, with cum in her ass. Fucked and having cummed a little in her pussy, the girl awaits more of the rape.	83
Picture 3945. Gay boys engaging in BDSM sex. Sadism-masochism and bondage drawing #1.....	84
Picture 3946. Gay boys engaging in BDSM sex. Sadism-masochism and bondage drawing #2.....	85
Picture 3947. Gay boys engaging in BDSM sex. Sadism-masochism and bondage drawing #3.....	86
Picture 3948. MTF whore in BDSM style. Among the militarists or the SOCG guards.....	87
Picture 3949. Elite BDSM fucking of a faggot on stretching.	88
Picture 3950. BDSM entertainment of a cock-girl with a bucket of stones tied to her balls.....	89
Picture 3951. Gay boys engage in BDSM sex. Sadism-masochism and bondage drawing #4.	90
Picture 3952. Gay boys engaging in BDSM sex. Sadism-masochism and bondage drawing #5. Artist: Fellowst.	91
Picture 3953. The minor Demons of Hell inflicted tickling "torture" on a masochist. The masochist is in terrible pain. Cultists continue to frighten people by telling them that Hell is very bad. Of course, Hell is very bad for evil, but for Satanists, it's good and fun.....	92
Picture 3954. Gay boys engage in BDSM sex. Sadism-masochism and bondage drawing #6.	93
Picture 3955. A painting of classic BDSM gay sex in the style of a black-and-white drawing by Tom of Finland. The painting is signed "SEAN," but the artist's credentials require clarification. Scene #1: Preparing the masochist's pussy for anal penetration through BDSM play. Both partners become aroused.....	94
Picture 3956. A painting of classic BDSM gay sex in the style of a black-and-white drawing by Tom of Finland. The painting is signed "SEAN," but the artist's credentials require further clarification. Scene #2: Anal penetration of a masochist.	95
Picture 3957. Gay boys engaging in BDSM sex. Sadism-masochism and bondage drawing #7.....	96
Picture 3958. Gay boys engaging in BDSM sex. Sadism-masochism and bondage drawing #8.....	97

Picture 3962. MTF cock girls engage in light BDSM with their dicks.	101

Picture 3963. MTF cock-sucking girl engages in BDSM with her dick, accompanying this with sodomization of her anal vagina with a dildo and a fucking machine.	102
.....	102
Picture 3964. BDSM is quite common among the military. Russians especially enjoy torturing and tormenting their own soldiers and junior officers. Russian orcs engage in frontline BDSM that is non-sexual, crude, and lacks any real gay-satanic lust. In other words, Russian military orcs commit the evil of violence against each other, not BDSM. The picture likely shows US soldiers humiliating or torturing a man.	103
Picture 3965. Two satanic cock girls have fantasy BDSM sex in Hell.	104
Picture 3966. A Roman sadist and a masochist on the cross. A reference to Jesus of Galilee and Nazareth.	105
Picture 3967. Puppy BDSM gay sex is popular among young fisting faggots. Separate issues of SatanArt #14, #25, and #34 are dedicated to puppy sex and bestiality.	106
Picture 3968. BDSM gay entertainment, in the form of a game of darts at some gay festival. The passive partner wants to have his ass fucked, but he gets jabbed with darts. It's violence, replacing anal sex with games.	107
Picture 3969. A nice masochistic bunny, hung on BDSM belts.	108
Picture 3970. Prison Gay BDSM, performed by the brilliant gay Satanism artist The HUN.	109
Picture 3971. BDSM stretching of a young, skinny, faggot-like slut. Active studs inseminate a masochist. ..	109
Picture 3972. BDSM-style anal fucking. The bitch sucks the "Yin and Yang" sign, which signifies anal feminization for the masochist. Active men love to fuck soft, obedient, and well-developed homosexuals.	110
Picture 3973. BDSM in the toilet. Gay fucking with a touch of BSSM, right over the toilet.	111
Picture 3974. Masochism aids in the feminization of the pederast and his spiritualization by Satan-Lucifer. A masochistic boy with a lilac dildo.	112
Picture 3975. Hardcore BDSM, with penis nailing to a board. Suitable for advanced players.	113
Picture 3976. A light, feminine BDSM scene featuring a female member. The caption on the painting reads, "Beware! If you read this, it could happen to you!"	114
Picture 3977. A drawing of militaristic BDSM. Even the «strictest» militarists engage in gay sex and BDSM abuse during wartime, targeting their colleagues, allies, and, of course, enemies.	115
Picture 3978. A queer woman with a small clitoris gives it up the ass, with a light BDSM ambiance. MTF females prefer a fairly moderate BDSM, which I call feminine. Passive queer boys often prefer more intense BDSM. It often happens that LGBTQ+ people fantasize about BDSM and masochism more than they are willing to actually practice.	116
Picture 3979. Needles are stuck into the masochist. The sadist pulls on them. The main thing here is not to tear the masochist apart, but to inflict enough pain for pleasure.	117
Picture 3980. Latex suits are part of BDSM practice, but they're not for everyone. Slut Sodomia, for example, prefers being naked or feminized more than in latex or leather.	118
Picture 3981. Fisting is part of BDSM and is an anal sadism-masochism. Artist: Chris.	119
Picture 3982. Artist Albatross paints scenes of gay Satanism with themes of MTF women and BDSM.	120
Picture 3983. A young, skinny slut gets her ass fucked and cums from penetration. Light gay BDSM.	120
Picture 3984. Two sadists have fun with a satanic masochist whore. Brutal BDSM with gay pigs.	121

Picture 3985. Gay boys engage in BDSM sex. Sadism-masochism and bondage drawing #10.	122
Picture 3986. Self-directed BDSM with a dick is for the masochist. The sadist is their own masochist. Combining these roles in one person is also observed during classic anal and vaginal masturbation. A person combines in their consciousness the positions of a passive masochist and an active sadist. This is completely normal and is called versatility, which enhances sexual experience.	123
Picture 3987. Chastity on a dick serves the purpose of prolonging lust and developing a sense of pleasure from anal penetration, rather than penile masturbation or orgasms. Chastity is part of the BDSM pool.	124
Picture 3988. A guy in chains with an erect penis. Classic, safe BDSM.....	125
Picture 3989. Castration or semi-castration falls under the sadism-masochism umbrella. It's not for everyone. Before undertaking this kind of sexual procedure, it's best to consider it for several years, so that castration is a fully conscious step and evokes delight and pleasure, rather than regret and loss. Castration is suitable for the most passive females, those who don't fuck or inseminate their lovers.	126
Picture 3990. Torture with constant orgasms and cumshots is quite rare, as it reduces overall gay lust rather than increases it. It's suitable for mega-nymphomaniacs who cum frequently. For classic bottoms, ejaculation through orgasm is best replaced with sperm leaking from a fuck.....	126
Picture 3991. BDSM gay boy in sexy leather strap outfit with rings #1.....	127
Picture 3992. BDSM gay boy in sexy leather strap outfit with rings #2.....	128
Picture 3993. A passive homosexual turned into a woman. A female with a penis cut off her balls and had a vagina created by a doctor she knew. This will be possible as medicine advances. In 2026, getting an artificial vagina, in my opinion, is not worth it. The result won't be particularly similar to a natural vagina. IMHO. Neutering female dogs always produces predictable results, so it's better to limit yourself to castration. Such treatments are not suitable for everyone.....	129
Picture 3994. Gay boys engage in BDSM sex. Sadism-masochism and bondage drawing #11.	130
Picture 3995. Fisting and BDSM among gay cowboys. A variation of Tom of Finland's drawings. A different artist.	130

PREFACE

Satanism and sex are linked to BDSM and LGBTQ+. This issue of the gay Satanism anthology *SatanArt #40* is dedicated to the important topic of sadism-masochism (SM), dominance-submission (DS), and bondage-discipline (BD), as part of the unification of these dualistic concepts in the concept of BDSM entertainment for gay Satanists and MTF penis-lovers. As you may have noticed, the acronym has not two parts, but three. This is a rather rare way of explaining acronyms. Satanism is linked to themes of physical and mental interaction during sex, between sexual partners. You understand that during sex, a person turns into an animal and is overcome by lust. The Antichrist wrote an entire grimoire about gay lust, almost 1,000 pages long. You can learn about the basics of gay sexuality and lust in the *Grimoire of the Antichrist*. I will make the first version of the *Grimoire*, "Gay Lust," freely available on numerous websites. In the pages of the gay Satanism anthology *SatanArt #40*, I will attempt to explore the topic of BDSM in greater depth than I did in the *Grimoire*. *Antichrist Slut Sodomias* studies and analyzes BDSM graphic material performed by various gay artists. Most of these artists are BDSM enthusiasts, and some are Satanists. In the preface to the anthology, I will provide various useful information about BDSM, citing various authors and their online articles.

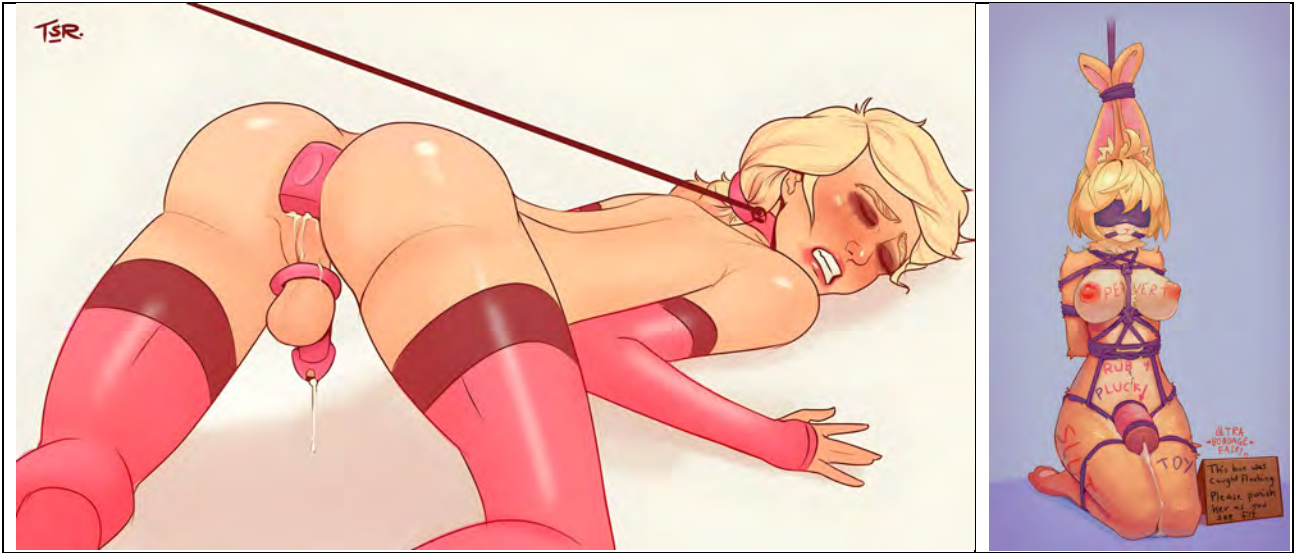

Deciphering the BDSM acronym: from letters to essence

BDSM is revealed as a complex mosaic of sexual practices, where each letter represents a world of emotion, power, and trust. This acronym derives from the English terms Bondage and Discipline, Dominance and Submission, and Sadism and Masochism. Imagine how these words intertwine into a single system, where physical sensations merge with psychological depths, creating a unique experience for participants. The term BDSM emerged in the 1990s as a way to unite various aspects of erotic power exchange, but its roots go much deeper into the history of human sexuality.

When we talk about deciphering the acronym, it's important not just to recite the words but to immerse ourselves in how they come to life in real life. Bondage is the art of restraint, where ropes or handcuffs

become tools for restricting movement, heightening feelings of vulnerability and arousal. Discipline adds elements of rules and punishments, transforming the game into a structured journey. These components don't exist in isolation; they intertwine, creating a dynamic where one partner leads and the other follows, like a dance with clearly defined roles.

Bondage and Discipline (BD): The use of restraints (ropes, handcuffs, etc.) and rules or punishment games. For example, one partner may be tied up (bondage) or forced to follow a specific set of instructions under threat of playful "punishment" (discipline).

Dominance and Submission (DS): An aspect of power exchange where one person (the dominant) leads or wields authority, and the other (the submissive) yields and follows. This can be as light as one partner giving a little bossy behavior overnight... or it can become a full-blown practice where the power dynamic continues around the clock.

Sadism and Masochism (SM): The infliction or receipt of pain or intense sensations for pleasure. A sadist derives pleasure from inflicting sensations (e.g., spanking, whipping), while a masochist derives pleasure from receiving them in an erotic or sensual context. Key point: what appears outwardly as "pain" can be highly pleasurable or emotionally cathartic for the participants. But not all BDSM necessarily involves pain or bondage... sometimes it's purely a matter of power or psychological play. A common theme is that one partner takes a more controlling role, while the other takes a more submissive one, in a voluntary erotic fantasy play that can feel very intense and real.

It's also important to understand some basic roles and terminology in BDSM dynamics. For a more detailed discussion of the differences between these roles, see our guide to dominant/active versus submissive/passive:

"Top" typically refers to the one performing the action (tying up, spanking, giving orders, etc.). "Bottom" refers to the one receiving the action. Typically, the terms "top/bottom" are used when referring to direct physical contact.

A dominant takes the initiative, during a BDSM scene or in a relationship, while a submissive voluntarily relinquishes control. These terms relate more to psychological states and power dynamics. There are many different types of dominants, each with a unique approach to leadership and control. Often, the dominant is both the top and the submissive the passive bottom, but not always; a dominant may order their submissive to spank them, so the submissive performs the action but still continues to obey orders. Roles can be flexible and creatively structured; the only "right way" is the one agreed upon by all participants.

A "switch" is someone who enjoys being both top and bottom, or both dominant and submissive, depending on the situation or partner. Many people possess this flexibility; even if they are primarily dominant, they may occasionally switch roles with certain partners simply for fun.

All of these roles are based on consent and negotiation. People discuss boundaries in advance, what they want, and what is unacceptable. Yes, this preliminary discussion may seem like a spoiler, but in reality, it builds trust and increases interest. As one classic BDSM guide explains: "BDSM is... a safe, consensual, non-violent process and erotic context."

We create a kind of adult playground where we agree on the rules. As soon as the scene begins, we play the role of a strict Mistress and her slave, or a wild sadist and a submissive masochist, or a pet and master, or any other scenario we choose... but in roleplay, everyone understands that it's a collaborative process¹.

Welcome to the exciting world of BDSM, where boundaries blur, desires ignite, and fantasies soar. BDSM, an acronym for "bondage and discipline," "dominance and submission," and "sadism and masochism," encompasses a variety of erotic practices and dynamics. From the thrill of power exchange to the allure of roleplay, this subculture offers a platform for exploring the depths of human sexuality. With roots in centuries of history, BDSM continues to evolve, captivating people with its blend of sensuality and adventure.

In the LGBTQ+ community, BDSM occupies an important place in both history and culture. Originating in underground gay bars and clandestine gatherings, BDSM served as a form of self-expression and liberation in a society that often marginalized queer identities. Amidst the social bias and discrimination faced by members of the LGBTQ+ community, BDSM provided a haven where their desires could be freely explored, away from

the constraints of accepted norms. Today, BDSM remains an integral part of gay culture, celebrated for its celebration of diversity and acceptance of all forms of sexual expression.

Contrary to common misconceptions and prejudices, participation in BDSM is a normal and consensual aspect of human sexuality. BDSM is not taboo; rather, it promotes open communication, trust, and mutual respect between partners. Through negotiation and consent, participants set boundaries and explore their desires in a safe and supportive environment. Embracing BDSM allows people to embrace themselves for who they are, without judgment or shame. In a world where sexual expression is often repressed, BDSM offers a path to self-discovery and empowerment.

A chastity, or penis cage, is a bondage device for masochists that brings sexual pleasure to both sadists and masochists.

The best, most harmless, and most useful device for beginning masochists is a chastity. IMHO. A chastity is a penis bondage device for a passive pederast, designed to increase the desire for anal penetration, avoid using the clitoris for sex, avoid fingering it, and reduce climaxing. Chastity is used by pederasts and MTF trans women with approximately equal success. Antichrist Slut Sodomia wrote in more detail about the benefits of chastity (cock cages) in her grimoire "Gay Lust."

In-Depth Study of Role-Playing Scenarios

In the tangled fabric of BDSM, role-playing games serve as portals to alternate realities, where participants embody characters and scenarios created in accordance with their deepest desires. From the traditional Doctor/Patient and Teacher/Student dynamics to the taboo appeal of Master/Slave and Cop/Criminal, the spectrum of possibilities is vast. Gender play adds another layer of complexity, allowing people to transcend societal norms and embrace their true selves. In these fantasies, participants interact with power dynamics, sensations, and psychological nuances, creating captivating and transformative experiences.

Preparing for Roleplay: Essential Elements of a Roleplay Scene

Creating the perfect atmosphere is crucial to hosting an unforgettable BDSM scene. Whether it's the privacy of a home dungeon or the dim light of a club, the setting sets the tone for exploration. Cosplay, with its abundance of leather, lace, and latex, adds visual flair, transforming ordinary mortals into captivating characters. By embracing their roles, participants immerse themselves in sensual pleasure, heightening anticipation and arousal. Every detail, from the flickering candles to the gentle rustle of silk, fosters total immersion, elevating pleasure to a new level.

Exploring Dynamics: On Top, Bottom, or Switching?

At the core of BDSM dynamics are the roles of dominant, submissive, and jet-boarder, each offering a unique perspective on power exchange. Dominants demonstrate authority, confidently and in control. Submissives, on the other hand, surrender to their desires, embracing vulnerability in pursuit of pleasure. For those who crave variety, the role of jet-boarder opens the door to exploring both dominance and submission. However, despite the thrill of play, safety remains paramount. Establishing trust and communication ensures respect for boundaries, allowing participants to fully immerse themselves in the moment.

Fostering a Culture of Safety and Consent

In the BDSM community, safety and consent are the cornerstones of every interaction. Safe words serve as a lifeline, ensuring a quick exit from any situation that feels uncomfortable or unsafe. Furthermore, written contracts provide a foundation for negotiations, defining boundaries and expectations in advance. In this culture of transparency and respect, participants feel empowered to freely explore their desires, knowing that their well-being comes first. By fostering an atmosphere of trust and mutual understanding, BDSM enthusiasts create spaces where fantasies flourish and boundaries are respected.

A journey into the world of BDSM is an invitation to explore the depths of your desires and give free rein to your deepest fantasies. Whether you're an experienced player or a curious newcomer, there's a place for everyone in this vibrant community. Remember, the key to a fulfilling BDSM experience is accepting yourself for who you are and respecting your boundaries. So, dare to dive into the unknown, ignite your passions and discover the countless pleasures that await you in the seductive world of BDSM².

The Historical Path of the Term BDSM

The term BDSM didn't emerge out of nowhere—it evolved from long-standing practices that can be traced through literature and culture for centuries. In the 18th century, the Marquis de Sade described scenes of

sadism in his works, where pain became a source of pleasure, and Leopold von Sacher-Masoch revived masochism as a form of subjugation in his novel *Venus in Fur*. These names became the basis for the words sadism and masochism, which later became part of the acronym. In the 20th century, especially after the 1960s, the BDSM subculture took the form of communities where people gathered in clubs, exchanging experiences like secret underground knowledge.

In the modern world, as of 2025, BDSM has emerged from the shadows thanks to pop culture—films like *Fifty Shades of Grey* and TV series that romanticize these practices. But the true story runs deeper: from ancient rituals, where physical ordeals were part of initiation, to modern online communities where people discuss ethics and safety. This evolution highlights how BDSM has evolved from a fringe topic into a recognized part of sexual diversity, with an emphasis on consent and mutual respect.

It's interesting how cultural influences shaped the term. In 19th-century Europe, literature like the works of Sacher-Masoch influenced Freud's psychoanalysis, which saw these practices as expressions of subconscious desires. Today, BDSM is often viewed as a therapeutic tool for releasing emotions, helping people overcome trauma through controlled scenarios.

A detailed analysis of the components of BDSM

Bondage is more than just tying; it's an art where cords become an extension of the body, creating a feeling of complete surrender. Imagine soft silk ribbons encircling the wrist or intricate shibari knots, inspired by Japanese tradition, where aesthetics blend with eroticism. Discipline adds a layer of rules: from simple commands to complex protocols where violations lead to punishment, strengthening the emotional bond.

Dominance and Submission (D/S) is the core of BDSM, where one partner dominates and the other submits, like in a symphony where the conductor sets the tempo. This can be psychological, with master and servant roles, or physical, with elements of control. Sadism and Masochism (S/M) focuses on pain: the sadist derives pleasure from inflicting, the masochist from receiving, but always within the bounds of consent, transforming discomfort into ecstasy.

These components are not rigidly separated; They often blend, creating unique scenarios. For example, a session might begin with bondage, transition into discipline through role-play, and culminate in S/M elements, where mild pain intensifies orgasm. This flexibility makes BDSM versatile, adapting to personal desires.

Safety Principles in BDSM: SSC and RACK

BDSM is built on a foundation of safety, where the principles of SSC (Safe, Sane, Consensual) guide every step. These aren't just words; they're a code that protects participants from harm, like an invisible shield in fireplay. RACK (Risk-Aware Consensual Kink) goes further, recognizing that some practices are risky, but consent makes them moral.

In practice, this means discussing boundaries before a session, using safe words (such as "red" for "stop"), and aftercare, where partners cuddle and discuss emotions. Without these principles, BDSM becomes chaos, but with them, it becomes a harmonious journey.

The Cultural Context and Evolution of BDSM

BDSM takes on unique nuances in different cultures: in Japan, shibari is an art inspired by samurai traditions, where ropes symbolize the bonding of souls. In the Western world, especially in the United States, the subculture flourished in the 1970s in the LGBT communities of San Francisco, where clubs became spaces of freedom. Today, with the spread of the internet, BDSM has become global, with forums and apps where people from all over the world share stories.

Pop culture has added layers: from the books of E.L. James to Netflix series, BDSM is portrayed as a romantic adventure. But the reality is deeper – it is self-discovery, where practices help reveal hidden sides of the psyche. In 2025, more and more people are integrating BDSM into everyday life, making it part of a healthy sexuality. Emotionally, BDSM is cathartic: for some, dominance is a means of control in a chaotic world; for others, submission is a release from responsibility. It's not about violence, but about trust, which is deeper than any words.

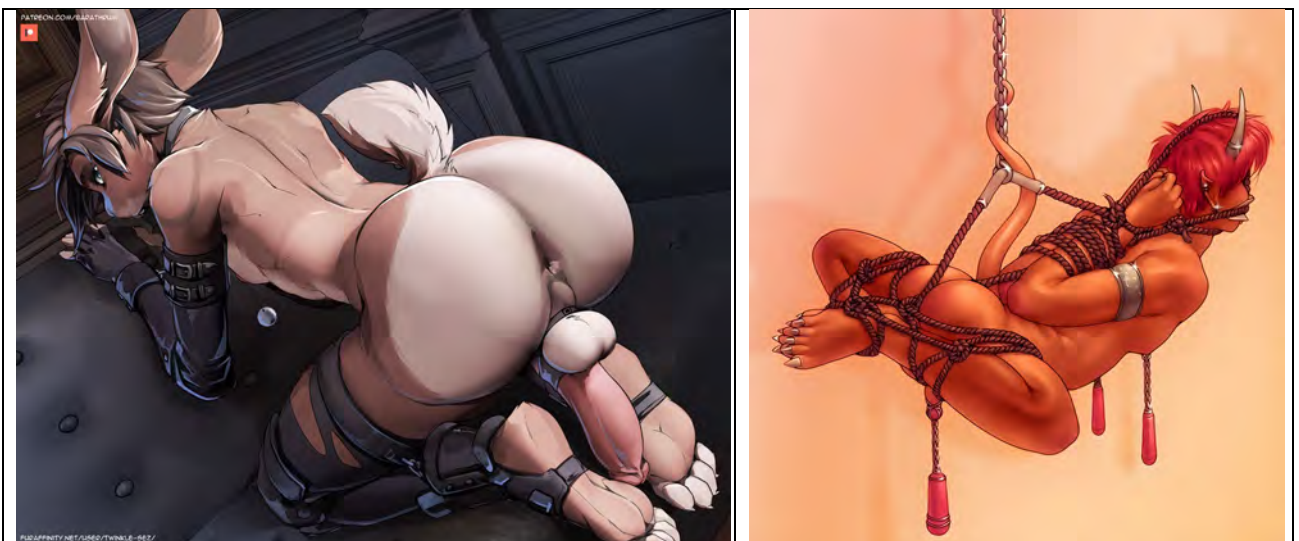

Myths about BDSM and Reality

One common myth is that BDSM is perversion or violence. In reality, it's consensual play, where boundaries are clearly defined, unlike real violence. Another stereotype is that participants are traumatized; however, research shows that many come to it out of curiosity, finding balance in it³.

The reality is more striking: BDSM can improve relationships by enhancing communication. Believe it or not, couples who practice it often report higher levels of trust because each session is a lesson in vulnerability. While sexual subcultures such as kink, fetishism, and BDSM were once considered mental disorders, in recent years they have gained greater social acceptance than ever before, and many sexology researchers believe these unconventional sexual practices are not linked to mental disorders. In fact, they are far more common than we think. A recent study published in the Journal of Sex Research found that one in three people in the United States has participated in one of these practices at least once in their lifetime. Thanks to advances in research and clinical practice, as well as significant changes in social attitudes, fetishism was removed from the World Health Organization (WHO) "list of diseases" in 2018.

For most people who enjoy unconventional sexual practices, a fetish or kink is simply an unusual form of sexual expression, as long as it's "safe, reasonable, and consensual" and doesn't cause discomfort or harm to anyone. It goes without saying that, when approached correctly, a kink or fetish can add variety to your sex life and strengthen the sexual connection between partners; moreover, it can be associated with improved mental health.

Dive into the world of kinks, and you'll feel ashamed of your lack of imagination, because what you might consider absurd or strange may be attractive to someone else⁴.

Definitions of Kink Culture, Fetish, and Paraphilic Disorder

A kink is an unconventional sexual taste or behavior. Kink can be arousing, but it is not necessarily necessary for sexual satisfaction.

Fetishism is a condition in which you develop a strong sexual fixation on a specific inanimate object or body part other than your genitals, and you cannot become aroused or achieve orgasm without it. The object or body part that gives you pleasure is called a fetish.

Paraphilia is a psychiatric term for "sexual perversion," meaning any atypical and deviant sexual behavior that provides sexual arousal and gratification. Fetishism is a type of paraphilia.

Paraphilic Disorder: You can have a paraphilia, but you cannot meet the criteria for a paraphilic disorder unless it is arousing.

Finding a general definition of BDSM is difficult. In his BDSM guide, Jay Wiseman defines BDSM as "the use of psychological dominance and submission, and/or physical bondage, and/or pain, and/or related practices in a safe, legal, and consensual manner to enable participants to experience erotic arousal and/or personal growth."

The acronym BDSM stands for bondage, discipline, dominance, and submission (DS) and sadism and masochism (SM). Sadomasochism, in its narrow sense, refers to the infliction or receipt of pain, while DS practices are based on a self-chosen power hierarchy that divides participants into "dominant" and "submissive." The "submissive" cedes control to the "dominant" for the duration of the encounter or relationship. The roles of "dominant" and "submissive" can be chosen regardless of gender or other social markers. Role reversal, or role switching, is also common, demonstrating that a person is not necessarily fixated on a specific position. The concept of consent is crucial for an activity to be considered BDSM (rather than violence or sexual abuse), and is expressed in social norms such as "safe, sane, and consensual" or RACK (risk-aware consensual kink). This concept allows practitioners to act out sexual fantasies they are unable or unwilling to realize in everyday life⁵.

A BRIEF DICTIONARY OF BDSM TERMS

If you're planning to delve into the world of BDSM, it's important to first understand all the juicy terminology, and we can help you with that...

Anal Play

The anus is rich in nerve endings, and there are a variety of toys designed to stimulate and tickle this area, including anal beads and hooks. Anal beads are balls or attachments connected by a cord; the beads are

⁵ <https://robinbauer.eu/research/queer-bdsm/> Queer BDSM. Robin Bauer

inserted into the rectum and then quickly or slowly withdrawn to enhance pleasure. Anal hooks are made of metal, and their hook is inserted into the anus.

Ass Worship

Continuing with the topic of anal sex, let's talk about butt worship. This intimate act involves one showing devotion to another's buttocks. Worship can take many forms, but often involves stroking, caressing, licking, and kissing the buttocks.

Age-Based Play

Age-based play involves the Dominant assuming an authoritative or paternal role, while the Submissive assumes a more youthful persona. Games can include rewards, such as cuddles and treats, as well as punishments, such as spankings and corner punishment. ABDL (Adult Baby Diaper Lover) is a more extreme form of age-based play that can include wearing diapers, sucking on a pacifier, and cuddling with a teddy bear.

Aftercare

After scenes, there is "aftercare," which helps everyone relax and reconnect. This care is suitable for both submissives and dominants, and everyone's needs are different. Some enjoy cuddling or massages, while others prefer a drink or snack. You might want to get up and dance, or lie down and get a good night's sleep.

BDSM

A generally accepted term we use to describe bondage, discipline/dominance, submission/sadism, and masochism.

BDSM encompasses pleasure and pain, power exchange, and physical and psychological play. There are many types of BDSM practices, and in this glossary, we'll try to cover as many as possible.

Bondage

Bondage involves tying up or immobilizing a partner before or during play or sex. You can bind their wrists and ankles with silk ties, cable ties, handcuffs, leather cuffs, or rope. Or you can opt for full-body bondage using rope or a high-quality leather harness.

Butt Plug

A butt plug is inserted into the anus and stimulates sensitive nerve endings. Start with a short, narrow butt plug with a flared base and use lube to facilitate easy insertion. A butt plug is useful for anal training and can be a helpful stepping stone to anal sex.

Bloodsport

Blood play is an extreme form of play and involves actions that can result in bloodshed, such as cutting with a knife, piercing with a needle, or breaking the skin during power play. This type of play is associated with risks and is more suitable for experienced players.

Bottom

People regularly expose their bottoms in BDSM (often for a good spanking), but in this case, the word "bottom" refers to the submissive. The bottom enjoys being in the receiving role, with the dominant or "top" directing the action. In BDSM, the term "passive partner" is often used to refer to the submissive partner, implying the passive role in sex. The passive partner wants the active partner to be aggressive and in control. It is possible to be the passive partner without being submissive or even participating in BDSM play.

Bastinado

If you have sensitive soles and ticklish toes, you should probably avoid bastinado. This racy act focuses on the feet, and those who indulge in bastinado enjoy the discomfort of pain inflicted on the soles.

Bathroom Control

As part of bathroom control, the submissive may be required to request permission to use the restroom, or they may be required to adhere to a schedule that allows them to use the restroom at set times. Privacy may also be limited, and the submissive may be asked to leave the restroom door open as a form of humiliation.

Body Modification

Popular forms of body modification include piercings, tattoos, and branding. Some people resort to body modification as a form of self-expression, while others use it as part of a power exchange dynamic, such as genital piercings at the request of their Dominant.

Canes

Synonymous with corporal punishment, canes vary in thickness and length and are often made of plastic or wood. These implements can be used to strike the buttocks, thighs, and chest, and when applied with force, can cause intense burning and leave visible marks.

Penis and Testicle Torture

Penis torture, commonly known as CBT (cock torture), involves dominant manipulation of the penis and testicles through pinching, squeezing, spanking, and the use of objects such as pinwheels.

Collar

A collar is a symbol of BDSM and a sign of submission and obedience. A dominant may present a collar to their submissive (sometimes during a collaring ceremony), and the submissive will wear it as a sign of ownership and respect.

Consent

Consent is key. All parties must understand what the performance will entail and the risks involved. Consent must be reached before the performance begins through negotiations.

Consensual Non-Consensual

CNC is essentially role-play involving the submissive pretending not to consent to certain BDSM and sexual acts. CNC is often used during power exchange fantasies such as abduction and rape. Contracts are common in the BDSM world and are used to communicate limits, formalize a dynamic, and issue guidelines. The contract may be created for a play dynamic or a 24/7 D/s relationship.

Cage

Cages are great for keeping a submissive locked up and out of trouble. They come in all different shapes and sizes. You'll find cages you can stand up in and doggy-style cages designed for canines (but perfect for subs to curl up in).

Chastity

Chastity implies abstinence from sexual activity and play. Masturbation, foreplay, and sexual intercourse are prohibited. Chastity can be achieved through willpower, but the use of devices such as a chastity belt or cage ensures that the submissive does not overdo it!

Cropping

Designs vary, but a typical riding crop consists of a handle, a shaft, and a grip. The grip pulls back the skin and can deliver a painful blow.

Crossdressing

Transvestites prefer to dress as members of the opposite sex. Biological men who crossdress may wear dresses, stockings, high heels, wigs, makeup, etc. Biological women who crossdress prefer suits, boots, etc.

Cheating

Cheaters enjoy watching their partner play and have sex with others. They can stay and watch, or stay away and find out all the juicy details later.

Handcuffs

Handcuffs are a type of restraint used to secure ankles and wrists. Metal and leather handcuffs are available, and both are excellent for keeping a submissive person immobile during abuse and torture.

Dungeon

Head to a dungeon for BDSM fun. Dungeons are typically equipped with all the necessary BDSM equipment, including A-frames, St. Andrew's crosses, and spanking benches. Rent a private dungeon for intimate play, or be bold and attend a BDSM event to connect with like-minded individuals.

Dildo

Dildos are often phallic in shape and resemble a penis. However, they also come in other shapes and sizes. Use dildos for masturbation or to spice up intimate relationships with your partner.

Dominance & Submission

Dominance involves taking the lead and issuing commands, whereas submission involves following instructions and serving. Dominance and submission (D/s) are the cornerstones of a power exchange dynamic.

Dollification

Imagine transforming from an opinionated, independent human being to a living, breathing human doll. Dollification can involve dressing in an overtly feminine way, or taking things further and wearing a costume and mask to resemble a doll.

Edging

"Edging" is the art of masturbating or having sex and then stopping just before orgasm. You resume immediately after orgasm, allowing tension to build, and then stop again. By the end, you'll be desperate to climax!

Electrostimulation

This involves stimulation with an electrical charge. The dominant may use specially designed electrostimulation toys, such as purple wands, to elicit a vibrating response.

Enema

An enema involves inserting a tube into the rectum and anus to cleanse the bowels. This procedure can be used to prepare for anal sex or as part of a medical or humiliation scene.

Exhibitionism

If you enjoy putting on a show and being the center of attention, exhibitionism may be for you. Wear a flashy outfit, make out in public, or go wild and have sex in a kink club.

Edge Play

A BDSM term describing more extreme forms of fetish, "edge play" includes risky activities such as knife play, erotic asphyxiation, and voluntary non-consent.

Erotic Asphyxiation

Erotic asphyxiation, also known as breath play, involves restricting airflow by covering the mouth with a hand, smothering the face, squeezing the neck, etc. This is a game that's a bit extreme and not for the faint of heart or inexperienced.

Slapping

Instead of spanking the butt, why not spank the face? Face slaps are great for those who enjoy humiliation and insults, and they're an intimate form of entertainment.

Feminization

Feminization, also known as "feminization," involves forcing a man to dress in women's clothing. This often involves wearing sexy or "girly" clothing, such as full skirts, lace panties, wigs, and makeup.

Fisting

Make a fist, add lube, and then insert it into a suitable anal or vaginal opening. Fisting takes practice, so start with one or two fingers and gradually progress to full fisting as you gain confidence.

Whips

Whips are BDSM tools used for sensory play and striking. They typically consist of a handle and long ends and can be used to strike the buttocks, back, chest, or genitals of a submissive.

Foot Fetish

Also known as podophilia, this practice involves the worship of feet and toes. Some lovers of sexual kinks lick and suck toes, kiss the soles, and massage the feet to please their Dominant, and in return, they enjoy this act of devotion.

Gags

Gags are the perfect way to silence a naughty submissive. Various designs are available, including ball gags (a ball is placed between the teeth and secured to prevent the submissive from making any noise). There are also gags designed to hold the mouth open.

Golden Showers

Golden showers, also known as pee play or water play, involve one person urinating on another. Some enjoy the urine splashing across their naked bodies, while others go further and drink the golden nectar.

Humiliation

Games aimed at humiliation and degradation are an effective way to shame a submissive. This can be achieved through verbal, psychological, or physical abuse. Examples include insulting the submissive, spraying harsh words on their body, or forcing the submissive to kneel and beg.

Human Furniture

Similar to objectification, the submissive assumes the role of a piece of furniture. They may get on all fours, using it as a footstool, or offer a hand for others to use as an ashtray.

Impact Play

Barehand spanking, severe caning, hitting with a wooden spoon, whipping, sliding a hairbrush across skin, and slapping a woman in the face are all excellent examples of power play. The blows can be soft or sharp, painful or dull, and can be combined with bondage and other BDSM elements.

Kink

"Kink" is a general term encompassing anything considered "non-traditional." This could include, for example, dressing up as a French maid in the bedroom, using soft handcuffs, threesomes, hanging from the ceiling in a rope harness, and so on.

Knife Play

Knife play evokes images of cuts and blood, but it can also be more subtle. The dominant may draw the tip or blade across bare skin. This can evoke a sense of fear, which in turn can be exciting.

Latex and Leather

Two unusual materials regularly used in the BDSM world: latex is shiny and pliable, perfect for provocative clothing; leather is pleasant to the touch and can be used to make high-quality clothing, tools, and equipment.

Medical Play

Ready to play doctor and nurse? Using needles or speculums, clamps or probes—medical play is popular among lovers of unusual sexual practices. Put on latex gloves and perform an intimate examination on your partner.

Mummification

Just like an Egyptian Mummy, the sub lies down and is wrapped up from top to toe. Bondage tape or saran wrap can be used to tightly wrap the sub and leave them barely able to move.

Negotiation

Before you get into play, you'll need to negotiate the scene. Negotiation involves discussing expectations, outlining boundaries and limits, obtaining consent, and setting safe words/signals.

Nipples

Tickle those nipples! Nipple play can include gentle kissing or licking, or it can be more intense, such as pinching the nipples or using clamps to restrict blood flow. When the clamps are removed, the submissive will experience a surge of pleasure and pain.

Power Exchange

In a power exchange relationship, one partner assumes the dominant role and the other the submissive. The dominant makes decisions, sets expectations, and gives directions and orders.

Public Play

BDSM in public is strictly prohibited. The public has not consented to seeing your slave tied to a tree in the park, nor is it interested in seeing your slave kneeling at your feet in the local supermarket. You can be subtle,

like requiring your submissive to wear no underwear when going out to dinner or sending them to buy cucumbers and condoms, but resist the temptation to get wild unless you're heading to a BDSM club, in which case, give in to your desires.

Pet Play

This popular form of play involves the submissive playing the role of the puppy, and the dominant playing the role of the owner or trainer. The puppy can wear a collar and leash, dog ears, a tail, or a mask, and enjoy chasing a ball or curling up in a dog crate.

PVC

Polyvinyl chloride (PVC) is a popular fabric used for BDSM clothing. It is shiny and very flexible, making it ideal for dresses, lingerie, shorts, pants, and tops.

Black is the primary color in the BDSM scene, but PVC also comes in a variety of colors, including red, white, and blue.

Queening / Facesitting

Queening is when you place your private parts against your partner's face. The close proximity of your genitals to their nose and mouth will provide an unforgettable experience for both of you! Queening benches can help relieve tired thigh muscles.

RACK - Risk-Aware Consensual Sex

Consent is key, as is applying the RACK (Risk, Awareness, Consent, Kink) approach to BDSM play. Ensure all participants are aware of all the risks involved and that consent is obtained to ensure a successful scene.

Role-Playing

Whether it's a haughty boss and a humble subordinate, a queen and servant, a teacher and student, or a doctor and patient, there are countless ways to enact a scene. Set the scene, grab some costumes and props, and get going!

Rope

Rope bondage is extremely popular and is considered by some to be more of an art form than simply a means of restraint. Kinbaku and shibari are well-known forms of rope bondage used by riggers (those who tie ropes) and bunnies (those who tie people).

Sadism

Sadists enjoy inflicting pain. This could include spanking a lover, using nipple clamps, hair pulling, BDSM (genital torture), and other kinky activities.

Code Words and Signals

Decide on your code word or signal during preliminary discussions. The most common code words are "red" and "amber," where "red" means "stop" and "amber" means "I'm approaching my limit." A code word is essential if you're using a gag or hood that restricts speech. Clapping your hands or stamping your feet are good options.

Scene

If you want to organize a BDSM session with your partner or a group of people, this is usually called a "scene." You agree on the scene in advance, discussing the location and how it will unfold.

Sensation Play

There are so many sensations to experience. Rub an ice cube over your partner's skin or drip hot wax onto their flesh and watch them squirm. You can use a cane to gently tap or poke, while a feather is especially pleasurable, especially if your partner is ticklish.

Sensory Deprivation Play

Deprive the submissive of sight, speech, hearing, touch, or smell, and let their imagination run wild. Blindfolds can block visual images, and headphones are ideal for muffling sound. BDSM gloves (or boxing gloves) are good for preventing the submissive from touching, and gags will stop moans and sighs.

Service

In the context of BDSM, service implies that the submissive or slave serves their Dominant. This may include providing sexual favors, submitting to BDSM activities, or providing physical services such as transportation or cleaning.

Slave

A slave is submissive to a Master, Mistress, or Dominatrix and must follow instructions and orders. A slave may do this within a playful situation or within a formal relationship. Slave duties may include BDSM, sex play, and household chores.

Sounding

This is an extreme form of medical stimulation, best suited for experienced lovers of unusual sexual practices. Sounding involves inserting a metal rod into the urethra and can be performed on both men and women. The rod stimulates the prostate, clitoris, and G-spot, providing pleasure to the recipient.

Spanking

Spanking is a form of corporal punishment that involves hitting a person with the hand or using BDSM equipment such as whips, whips, canes, riding crops, etc. Spanking can be light or harsh and is usually applied to the buttocks.

Strap-on

A strap-on is a phallic-shaped toy resembling a penis. It attaches to a special harness and is used for penetration of the mouth, vagina, or anus. Women commonly use strap-ons to simulate sex with a partner.

Striptease

Perform a sexy striptease on your lover. Start by seating him on a chair and dancing seductively to set the mood. Slowly remove your clothes, then climb onto his lap and grind against him to provide sexual pleasure.

Submission

Relinquishing control can be liberating; submission is, above all, surrendering to your partner, allowing them to take control and fulfilling their desires and demands.

Subspace

When a submissive person becomes immersed in a scene, they sometimes enter subspace. Subspace describes a feeling of fulfillment where the submissive person can enter a dream-like state and feel like they're floating.

Shibari

Shibari is an ancient Japanese art form, a refined and impressive form of rope bondage. The word "shibari" translates as "to tie decoratively," and practitioners of this form of play create beautiful knots and ties to securely bind their partner.

Switch

As the name suggests, a "switch" enjoys switching between dominance and submission depending on the situation and partner. Some prefer to play out the entire scene in one mode, while others can alternate between dominance and submission within a single scene.

Temperature Play

This type of play provides the submissive with various sensations, such as heat, warmth, coolness, and cold. To create a racier scene, you can drip hot wax onto their body, or use ice for cooling.

Tickling

BDSM isn't just about inflicting pain for pleasure; there are other forms of play, including tickling. Tickling a submissive is a great way to tease and have fun. You can tie up the submissive and torment them with your fingers, or take a feather and tickle their neck, armpits, and bare feet.

Total Power Exchange (TPE)

The Total Power Exchange (TPE) dynamic involves the submissive relinquishing control, allowing their Dominant to make decisions, dictate terms, and take the initiative. These factors include determining the submissive's diet, when they leave the house, and what responsibilities they perform.

Trample

The perfect excuse to trample your significant other: one person lies down while the other steps on them with bare feet or shoes. Some also enjoy the feeling of sharp heels digging into bare skin.

Vanilla

The term "vanilla sex" is used to describe those who prefer traditional sex over threesomes, BDSM, and anything related to kinkiness. There's nothing wrong with "vanilla" sex, but when there are so many other options, it seems a shame to limit yourself to just one.

Voyeurism

If you enjoy watching what's going on, whether it's sexual or BDSM play, you might be considered a voyeur. Get comfortable, grab a drink, and watch the action. Kin clubs offer endless opportunities to see what everyone is up to.

Wax Play

No need to grab candles from the dining room candelabra and drip them all over your lover! For wax play, you'll need special soy candles, as they have a low melting point. They come in a variety of colors, so you can get creative and drip hot wax onto your partner's naked body.

Wrestling

We're not talking about WWF-style showdowns, but wrestling is a fetish that some people enjoy. Being overcome by force can be exciting, and some submissives enjoy being thrown around and handled roughly. Add some fun by wrestling in mud or jelly, and enjoy getting dirty.

BDSM Knowledge = Power

Everyone knows that knowledge is power, and in the world of BDSM, knowledge is paramount. You need to be well-versed in the subject before you start using a whip or tying up your lover and hanging them by their ankles from the ceiling. BDSM is exciting and enjoyable, but only if done correctly. We hope you enjoyed our glossary; please follow safety guidelines and have fun⁶.

This was an example of a short dictionary of sexual terms. **I found other interesting dictionaries and collections of useful concepts online. Here are links to those pages:**

<https://www.sexualdiversity.org/edu/13.php> Definitions: Glossary of Sex and Sexuality Words

<https://feeld.co/glossary> The Glossary for curious minds.

Here's a more in-depth dictionary of BDSM terms and concepts, including bisexual, pansexual, and heterosexual sexual relationships. I'll quote the article and cite the source.

Bull

The term "bull" is used to describe a man who engages in sexual relations with women in committed relationships with other men. In some cases, the interaction between the bull and the woman is aimed at humiliating the woman's partner (the cuckold), making him feel inferior to the bull. In other cases, such as when the bull engages in sexual relations with a woman in a relationship with another woman, no humiliation is involved. The woman's partner is aware of her sexual experimentation with the bull and encourages it.

Prospective Bull

I haven't seen this term anywhere else, but this glossary is intended to define the terms we use on this blog, and I'm going to use it! A "sex-hoping man" is a guy (single or not) who tries to seduce a woman in a committed relationship (e.g., a cuckold, a "hotwife," or a "temptress") into allowing him to have sex with her. By this term, I usually mean the period of flirtation preceding sex. However, given that some women gather a whole "flock" of regular partners rather than having a few one-night stands, a "man hoping for sex" might have had sex with a woman several times, but hasn't yet earned the status of a "full-fledged partner" and joined her "flock of regulars."

Cheating

I included this because it irritates me terribly when any non-monogamous interaction is called cheating. Cheating is something people in relationships define at their own discretion. A woman doesn't cheat when she has sex with her lover because she and her partner have decided that's how they want their relationship to develop.

Chemical Dominance

I haven't encountered this term in other sources. It came to mind after I wrote a post about wanting to drug my wife, and I think it's a great way to describe this particular type of sexual attraction/fetish/sexual act. Chemical domination, or chemdom, is when someone takes a drug or substance to put themselves in a submissive or vulnerable state so that they can be manipulated or used sexually. Note that in this case, I'm considering the user as the active party, as their consent (or prior consent) is required. Drugging someone without their consent is illegal, immoral, and unethical. Using someone under the influence of intoxicants (including, but not limited to, alcohol) is also illegal, immoral, and unethical.

Chemsex

"Hemsex" is the use of substances to facilitate or enhance sexual desire. This term (as well as the expressions "wired play" and "party and play") is historically associated with homosexual and risky sexual activity, but we use it to describe any instance of sex while intoxicated by some substance.

Consensual Non-Monogamy (CNM)

Individuals or groups may identify as non-monogamous partners (NM), meaning that all participants in the relationship have consented to a non-monogamous relationship. An example would be a married couple who agree that both partners are comfortable with the other partner having sex with other people (e.g., an open marriage). An example would be a triad, where all participants date each other, or a guy whose girlfriend is dating another guy, who in turn is dating another girl (examples of polyamorous relationships). An example would be two couples engaging in a foursome (swinging). All of these are examples of CNM. And since all participants consented to this arrangement, none of this constitutes cheating.

This term is often used synonymously with ENM; it's probably best to consider them equivalent, whether you believe this to be the case or not.

Crossplay

Crossplay is a term for a style of swinger play that involves sexual interaction between members of different couples, but without actually swapping partners. For example, if two couples are engaged in parallel play and the women kiss, it's crossplay between women. If one man starts squeezing the other woman's breasts, it's crossplay between them.

Cheating

Here's a term that's often used inconsistently in the realm of sexual deviance. According to Merriam-Webster, it simply means a man with an unfaithful wife. In the context of sexual deviance, a cuckold is a man who derives sexual pleasure from his partner having sex with other men. This doesn't mean she's cheating on him; in fact, being a cuckold implies that a man actively desires and encourages his partner to have sex with other men (called "bullmen").

Cheaters can be viewed as a spectrum. On one end, there's the masochistic cuckold, who derives sexual pleasure from humiliation and abuse at the hands of his wife or girlfriend and her lover. This level of dominance can go so far that the cuckold's penis is caged, making it impossible to achieve an erection (possibly permanently). At the other end of the spectrum is the alpha cuckold, who doesn't want to be humiliated but simply enjoys watching his partner have sex with other men, perhaps watching or participating in a MMM or MMF threesome. However, the term "cuckold" is often used to mean "masochistic cuckold," and that's how we'll use it on our blog. We also use the term "stag cuckold" rather than "alpha cuckold." I finally found a term for a woman in a cuckolded relationship, at least one confirmed by a woman in a cuckolded relationship, and I like it: cuckold. We use the terms "hotwife" and "vixen" to describe women in relationships with men, not cuckolds. So, in most cases, we'll just call them sluts.

Kukki

This is the gendered opposite of cheating, denoting the sexual pleasure derived from having sex with another woman, with an element of humiliation or degradation.

DA (Double Anal)

A type of double penetration in which two objects are inserted into the anus. I think the abbreviation DA is most often used to mean "two cocks," but it can also mean two toys, a toy and a cock, a hand and a cock, or even two hands (also known as double fisting).

DOM

Short for "dominant," "dom" refers to the role of the person in a BDSM scene who is in control and dominates or, in the case of a sadist, inflicts pain (sometimes referred to as "sensation" to avoid the implication that it is unwanted or harmful). "Dominant" is sometimes used as a feminine alternative. Note the capitalization, intended to indicate the dominant's power in a submissive/dominant relationship. Is this necessary? No, but I think it's funny.

Double Penetration (DP)

Technically, it's any instance where someone has two penises, toys, or a combination of both at the same time. However, it's most often used to refer to simultaneous anal and vaginal sex (as opposed to "oral sex spit," which involves oral sex and either anal or vaginal penetration).

DV (Double Vaginal)

A type of double penetration in which two objects are inserted into the vagina. I think DV most often refers to two penises, but it can also be two toys, a toy and a penis, a hand and a penis, or even two hands (also known as double fisting).

DV/DA

If you've read this glossary from start to finish (first off, wow!), you'll probably guess that we're talking about double vaginal/double anal sex. These are four penises positioned very close to each other. This is best explained in the movie "Orgasm" (created by the creators of "South Park"!). Funnily enough, DVDA is also the name of a group created and led by the creators of "South Park." And now you're a man.

Ethical Non-Monogamy (ENM)

Individuals or groups may identify as non-monogamous (ENM), meaning that all participants in the relationship are ethical in their non-monogamy practices, specifically that all participants in the relationship have consented to the non-monogamous relationship. This may include actions such as respecting personal boundaries and using protection.

FFM

Threesome: female-female-male. Note the order of the letters. This implies contact between a man and a woman, as well as between a woman and a woman. Thus, this acronym is used to indicate that all three people will engage in sexual contact with each other. FMF

Female-male-female threesome. Note the order of the letters. This implies contact between the man and the woman only. Therefore, this abbreviation is used to indicate that the women will not engage in sexual contact with each other.

Fisting

Inserting the entire hand into the vagina or rectum. This can be done alone or with a partner. Despite the name, the hand does not necessarily have to be clenched into a fist to be considered fisting. Typically, the hand is not clenched into a fist during initial insertion; this is often called "punching," "impact sex," or "hand sex" (although "hand sex" may only refer to anal fisting; I'm not sure). Sometimes, however, "impact sex"

refers to clenching the hand into a fist after insertion and vigorously moving it back and forth, but keeping the hand fully inserted the entire time. Make sure you know what your partner wants.

A more advanced technique is using two hands simultaneously. Although this can also be somewhat ambiguous, as sometimes using two hands simultaneously means using both hands in the same orifice, and sometimes one in each orifice. Fisting is a subset of the stretch fetish. Full Swapping

A term for a swinger style of sex that implies comfort with genital contact and full penetrative sexual interaction with people outside of a primary relationship.

Group Sex and Group Play

Typically, group sex is when a woman has sex with multiple men (four or more, I would say). This can be with multiple men simultaneously (with double, triple, or more penetration), or taking turns, or a combination of both.

I would say that women can be gang raped by other women, and men can be gang raped by both men and women. A more accurate (and broader) definition, then, is that gang rape is a group sex situation in which the person (or people) being raped is significantly outnumbered by those committing it. Girl on the Net has an excellent article about the difference between group sex and gang rape. Conversely, when one guy is fucked by four or more women, it's usually called reverse gangbang. And I imagine that's not very enjoyable for the women... Apparently, some people don't like the word "group sex" and call it a "sex fest." I don't approve of that.

Group play is a variation of swinger play and, dare I say it, a subset of it. While similar to single-room play, group play involves a much closer physical connection (at arm's length, rather than within eyeshot) and a strong emphasis on mutual play during the process. Group play differs from mutual play in that it involves an element of partner swapping.

Multiple couples have sex in the same location, perhaps in the same room, by the same pool, or even in the same bed. This may be limited to parallel play only or include play involving multiple partners, but there is no intention of swapping partners. When partner swapping occurs, it's most likely an orgy (though I'll note that this is a rather vague distinction I make in how we use the term on the blog).

Depending on the group's goals, it could also be group sex. Girl on the Net has a great article explaining the difference.

Hall Pass

A "Hall Pass" is permission one partner in a relationship receives from the other participants to have sexual relations with anyone they want. There may be rules governing this permission (for example, Erin has permission to have sex with any woman she wants, provided I know about it later). Often, permissions have time limits (for example, everyone in the relationship has permission for the weekend; one partner has permission for the other's vacation).

Hotwife

A "hotwife" is a woman in a committed relationship who engages in sexual activity with other people (I think it's safe to say, mostly with other men, often referred to as her "bull") because both she and her partner find it sexy. "Hotwifery" differs from "cuckoldry" in that it lacks the element of humiliation. However, given how masculinity is perceived, some argue that a wife's relationships with other men always involve humiliation. We strongly disagree. See also "stag" and "fox."

Kinks/Kinks

Any sexual preferences or actions considered outside the bounds of normal, socially accepted behavior. Note that we specifically say "considered" because there is evidence that things we perceive as "inappropriate" are actually commonplace.

MFM

Threesome: Man-Woman-Man. Note the order of the letters. This implies contact only between the man and the woman. Thus, this abbreviation is used to indicate that the men will not have sexual contact with each other.

MMF

Threesome: Man-Man-Woman. Note the order of the letters. This implies contact between the man and the woman, as well as between the two men. Thus, this abbreviation is used to indicate that all three people will have sexual contact with each other. Monogamous

I've heard this term popularized by sexology columnist Dan Savage, who used it to describe his relationship, implying that he and his partner, Terri Miller, were committed to each other while accepting the fact that they would each have sex with other people occasionally. This form of relationship recognizes that sexual desire arises outside the primary relationship and that pursuing it need not harm the relationship.

The original meaning of this expression seems to imply that neither partner actively seeks out other partners. For example, couples who have "permission to have sex" whenever one of them goes on a business trip would be in a similar position, as neither partner actively seeks sex or romance in their everyday lives.

However, I'm not sure such a strict interpretation applies to how it's commonly used. I'd rather define it as a relationship in which the primary focus is on the central couple, but which allows for occasional flings outside of that couple. Open marriage

Another term for consensual non-monogamy, open marriage, implies that both parties in the relationship have the freedom to engage in sexual relations with whomever they wish. Furthermore, I believe this term implies that the couple is not polygamous, and therefore non-monogamous relationships should remain non-romantic.

I suspect most swingers wouldn't say they have an open marriage because an open marriage implies that a person can choose their partners without consulting their significant other. This doesn't mean that an open marriage can't have rules (for example, only having sex with other people when they are not in the same state), but it does imply freedom of choice. Swingers, on the other hand, most often make their choices consensually.

However, the term "open marriage" applies to relationships that feature a "cheater," "hotwife," or "sex-male" dynamic, in which either party (or both) is allowed to have sex with whomever they want, whenever they want. Please note that, as with most cases of consensual non-monogamy, people in open marriages do not cheat on each other because they agreed to do so. Cheating only occurs when someone violates the agreed-upon rules.

Orgy

A group of people (the number is often disputed, but Erin believes it's an orgy of five or more people, so let's go with that) engaging in sexual activity with each other. We don't believe that partner swapping is a requirement for an event to be considered an orgy, as opposed to group sex. Rather, we believe that there's a certain spirit of unbridled hedonism and cross-play that distinguishes them from each other. Therefore, the line isn't easily defined.

Parallel Play

Parallel play is a variation of the swinger style of sex, often used to refer to sexual intercourse in which people engage in sex with their partner (without swapping partners) in the presence of other people who are also having sex (perhaps in the same bed, perhaps on two beds in the same room). There is little interaction between couples other than observation.

If physical interaction occurs between couples, it is called crossplay.

Parallel play is similar to group sex, and I would say a subset of it, with the only difference being that group sex does not imply an open-ended approach to interpersonal play, unlike parallel play.

Party and Play (PnP)

The term "party and play" refers to a meeting for the purpose of drug use (party) and chemsex (play). It's not necessarily a term from the swinger world, but couples and groups can meet for "party and play" just as easily as single people. While the term doesn't specify the specific substance being used for the party, methamphetamine, GHB, and alkyl nitrites (also known as poppers) are the most likely candidates. We recommend that anyone organizing a "party and play" gathering clearly state the substance they intend to use.

Safe Word

A safe word is a word or phrase used during play, often in BDSM scenes, that can indicate the need to slow down or stop the scene. Saying "no" or "stop" can occur without actually intending to stop the scene. Therefore, safe words are used instead. Ultimately, a safe word puts power in the submissive, which is why some hardcore dominants and submissives don't use them.

We have three, only because Erin seems to misremember one, so when I ask, "Do you remember the safe words?" she replies, "Yes: red and yellow." So I adopted yellow, but it's actually supposed to mean mercy. Safeword (Hard Stop)

"Red" is our safeword, designed to stop the action. If Erin says it, it means something has gone wrong, she's uncomfortable, and the mood has gone out of whack. We need to abruptly stop what we're doing and assess the situation. I've read that safewords should be monosyllabic, easy to say quickly, loudly, and, if necessary, repeatedly. They should be abrupt and out of place in the scene's vocabulary to stand out.

Safeword (Soft Stop)

The "soft stop" safeword doesn't actually stop the scene or disrupt the character's flow. Instead, it means, "Back off a bit, you've gone too far, and I'm not comfortable with it right now." Perhaps the spanking escalated too quickly, or the last lash was really painful, and she needs time to recover. That's why I like "mercy," because if Erin uses it, it still fits the scene. She asks for mercy, and I grant it to her for a moment, being a benevolent Dominant. I understand that "yellow" means the same thing. However, it disrupts the harmony of the scene in a way I'd prefer a "soft stop" safeword not to. Still, I'd rather she say "yellow" than suffer through something she doesn't like.

Same Room

Since this is a swinging term, it seems fairly self-explanatory. It's typically used to describe a couple who wants to remain in the same room with their partner during sex. "We're a couple who share a room." "We only have sex in one room." The opposite is "in a separate room."

As is often the case with terms, this phrase has nuances that aren't fully captured. The word "room" in this case can be misleading or insincere. It's possible that a couple in the same room might still feel separated and

therefore uncomfortable during play, even while technically in the same room. I'd bet that most couples who say they only have sex in the same room mean they want to see/make eye contact with their partner from time to time.

Some might prefer to remain even closer, hence the group play. A more accurate definition might be

Separate room

One way to describe the swinger style of play is when a couple prefers to have sex in separate rooms. "We only have sex in separate rooms." "We're comfortable with couples having sex in separate rooms, but it's not required."

As with "in the same room," the word "room" can be a bit misleading, as physical barriers may not be necessary. Most likely, a couple who prefers separate rooms is actually seeking a situation in which neither partner knows what their partner is doing with their sexual partners. This is why some couples simply say, "We have sex separately."

Final

A slut is a woman who enthusiastically and shamelessly pursues her own sexual satisfaction. Shane takes this as the highest compliment. From a single woman offering intimate services to a married woman participating in group sex, any woman who confidently indulges her sexual desires should be proud to be a slut. Hats off to all of you, amazing women! Men, everyone should be complimenting you.

Soft Exchange

A term for a swinger lifestyle that implies a comfortable attitude toward sexual interactions that include oral sex and manual genital stimulation, but excludes genital contact or sexual penetration with people outside of the primary relationship.

Stag

A stag is a man in a committed relationship who enjoys and encourages his partner to have sex with other men. A "stag" may derive pleasure from watching their partner (usually called a "vixen" when in a relationship with a "stag," but "hotwife" is also used interchangeably), participating with her (male-female or group sex), or simply knowing it's happening or hearing about it afterward. Unlike a cuckold, there's no element of submission or humiliation for a "stag."

Stretching

A form of sexual play aimed at enlarging (that's the right word) the orifice by gradually introducing larger and thicker objects or using self-expanding objects, such as speculums or inflatables.

Swinger

The question of what it means to be a swinger is often debated. Is there a threshold/minimum requirement or activity level? I think so. Here's how we define it: A swinger is someone who seeks sexual relations with at least one person with whom they are not romantically involved, and with the permission of everyone with whom they are romantically involved.

Swinging differs from polyamory in that swingers do not seek long-term romantic relationships. Some swingers seek companionship with others before engaging in any exchanges or play. Others may play with people without even knowing their names. Each swinger and their partner(s) determines for themselves how they want to engage in swinging. "Switch" or "switcher"

A "switcher" is someone who enjoys being both dominant and submissive. I recently overheard this conversation at our local BDSM-friendly bar, as one girl led another to a St. Andrew's Cross for a spanking: "So, you're a dominant?" "Actually, I'm a switcher." "Switcher?" "Yes, I enjoy being dominant with other girls, but with guys, I'm always submissive."

Sacrifice yourself for the team.

This expression in the swinger community refers to a situation where one partner wants to have sex with another couple or group, and the other is categorically against it, but agrees anyway to support their partner's desires. Most couples have rules against "taking charge of the team," but the degree to which one truly "takes charge of the team" is subjective. It's not uncommon for couples to have differences in attraction, where, say, a wife might be very interested in another couple, while the husband is a bit indifferent... but that's not a problem. They might not be his first choice for sex, but he's not opposed to it either. We'd argue that this doesn't mean he's sacrificing himself for the greater good.

Triple Penetration

Technically, this is any instance where someone has three penises, toys, or a combination of these simultaneously. However, it most often refers to simultaneous anal, oral, and vaginal penetration (sometimes called "sealing").

Vanilla

This is used to refer to normal, "socially acceptable" (not marginal) activities, such as monogamous vaginal sex between spouses. We sometimes use it to describe friends who don't swing: "We're hanging out with regular people tonight."

Vixen

A woman in a committed relationship engages in sexual activity with men (called "bulls") in addition to her partner (called the "male"). A "vixen's" encounters with her "bulls" occur with the knowledge and approval of her "male" (and therefore she is in no way cheating on her partner!), without any element of dominance over the "male," which distinguishes this from a cheating relationship. The terms "vixen" and "hotwife" seem relatively synonymous and interchangeable, but lately I've been preferring to use the terms "male"/"vixen" to describe relationships rather than "hotwife"⁷.

BDSM Practice in the LGBTQ+ Community

Historically, both pleasure and the associated power relationships have been narrowly defined, and the concept of dominance in the LGBTQ+ community offers a unique perspective on BDSM relationships. While the media may lead you to believe that dominance is solely about pain and punishment, many dominants actually derive their greatest pleasure from controlling and maximizing the pleasure of their submissive.

For many in the LGBTQ+ community, finding inclusive guidance can seem difficult, even impossible, as much of the content seems to focus on heteronormative models of behavior, leaving queer dominants and submissives in the dark.

Today, that changes! We've written this guide specifically with a focus on inclusivity, consent, and toys that can enhance your BDSM experience, regardless of gender identity or sexual orientation. When most people think of BDSM, they often imagine whips, chains, humiliation, and pain play. But it's common knowledge that

⁷ <https://sexonthefringe.com/sex-and-kink-positivity/sex-glossary/> Sex on the Fringe. Exploring Sex, Consciousness, & Substance Use. Glossary of Sex Terms.

this practice encompasses a wide range of power relationships, including those related to control over one's own pleasure.

A pleasure-focused dominant is primarily focused on controlling, empowering, and often depriving their partner of pleasure. Instead of punishment-based play, the dominant derives satisfaction from determining when, how, and even whether their partner reaches orgasm (sounds exciting, we know).

For most people participating in such play, this form of dominance can create a deeply intimate connection, in which the dominant partner recognizes the sighs, trembling, and other physical responses of their submissive partner.

The Unique Appeal of LGBTQ+ Relationships

It's no secret that queer relationships often already have fluid power relations that challenge traditional roles. Many members of the LGBTQ+ community are familiar with terms like "top" and "bottom," which can sometimes (though not always) intersect with dominance/submission dynamics. This fluidity can help create space for dominance in pleasure, for example: Many same-sex couples already openly discuss their preferences and roles.

Reversals of heteronormative roles often occur in LGBTQ+ relationships. Issues of consent and personal boundaries, which are key in exploring BDSM practices, are often emphasized in queer communities.

For transgender and non-binary people, dominance in pleasure can be an affirmation of their identity, as it focuses solely on sensation and control rather than gender satisfaction/functioning. Getting Started with DMSM: Building a Foundation and Conscious Sexual Contracts.

Before delving into the details of toys and techniques, we decided to lay the foundation for safe and consensual dominance in the pleasure process.

Getting started with DMSM involves establishing meaningful consent between partners for sex and play. Consent isn't something to be discussed once; it's an ongoing dialogue. Before diving into BDSM:

1. Discuss specific activities, toys, and scenarios you'd both like to try.
2. Establish clear boundaries and off-limits areas or activities.
3. Remember that enthusiasm is key; reluctant consent is not the same as genuine consent.
4. Remember that consent can be revoked at ANY time by either partner.

Code Words and Communication Systems

Safety is paramount, and any pleasure-driven domination scenario requires a safety net. The classic traffic light system works well in many situations:

- Green: Everything is fine, keep going.
- Yellow: I'm approaching my limit, slow down or make adjustments.
- Red: Stop immediately.

In games that involve humor or situations where verbal communication may be limited, use nonverbal cues, such as tapping three times or dropping an object⁸.

BDSM activities often take place over a period of time agreed upon by both parties, called a "play," "scene," or "session." Participants typically enjoy the experience, even though many of the practices—such as inflicting pain, humiliation, or restraint—would be unpleasant under other circumstances. Explicit sexual

activity, such as sexual penetration, may occur during a session, but is not required. For legal reasons, such explicit sexual activity is rare in public play spaces and is sometimes prohibited by the rules of the party or similar venue. Whether the public "play space" is anything from a party in a specially equipped dungeon to a play "zone" in a nightclub or social event, the parameters of what is acceptable can vary. Some venues require women to wear panties/nipple covers (men wear underwear), while others allow full nudity with explicit sexual activity. The basic principles of BDSM require that it be conducted with the informed consent of all parties. Since the 1980s, many practitioners and organizations have adopted the motto (originally from the mission statement of GMSMA, a gay BDSM activist organization) "Safe, Sane, and Consensual" (SSC), which means that everything is based on safe practices, that all participants are sane enough to consent, and that all participants consent. Mutual consent draws a clear legal and ethical distinction between BDSM and crimes such as sexual assault and domestic violence⁹.

Trust Meets Lust: The True Essence of Gay BDSM

Gay BDSM culture isn't just leather, whips, and chains; it's also about trust, intensity, and emotional connection. For many queer men, BDSM is a deeply satisfying path to exploring dominance, submission, and the raw beauty of vulnerability. It's a culture built on ritual, mutual respect, and erotic transformation.

The Core Principles of Gay BDSM

In gay communities, BDSM is governed by a core code: safety, sanity, and consent—or Rick-Aware Consensual Kink (RACK). Whether it's a casual scene involving force or a full-blown master/slave dynamic, consent is non-negotiable. Everything from spanking to collaring rituals is negotiated in advance, often through contracts, rules, and regular check-ins.

Why BDSM Attracts Gay Men

For many queer men, BDSM offers liberation from conventional expectations. Here, masculinity can be expressed through pain, service, obedience, or command. It creates spaces where emotion and control are intertwined—where pleasure comes not only from sex but also from submission, structure, and sensation.

The Spectrum of Kink Culture

Gay BDSM culture covers a broad spectrum. It includes everything from light bondage and blindfolding to hardcore practices such as suspension, electrostimulation, chastity, and total power exchange (TPE). There is room for role-playing, humiliation, praise, and worship. There is no single path that defines BDSM—it is as flexible as it is brutal.

Dominants, submissives, and everything in between.

The dynamics of gay BDSM relationships aren't always rigid. Some men live as dominants, alpha males who lead, command, and punish. Others identify as submissives or "boys," craving structure and the release that comes from control. There are also "switches"—versatile players who enjoy both. Designations such as "Master," "Puppy," "Sir," or "Handler" help define roles within communities and families.

Power Exchange and Identity

Many participants in this scene describe their roles not as performances, but as identities. Being a submissive isn't just something they do; it's who they are. Wearing a collar, following orders, or receiving punishment provides structure and meaning. For dominants, the responsibility of guiding and shaping their submissive is both erotic and deeply emotional.

Rituals that Deepen Intimacy

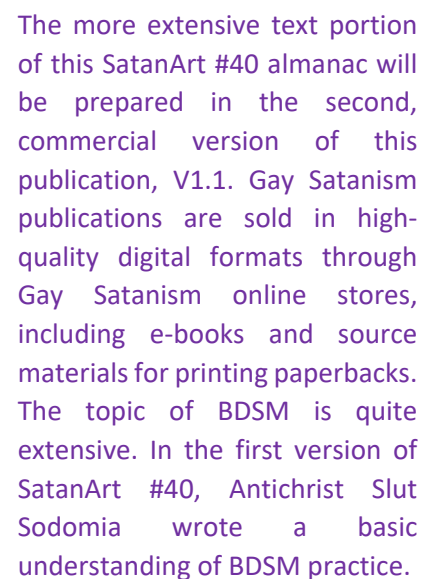

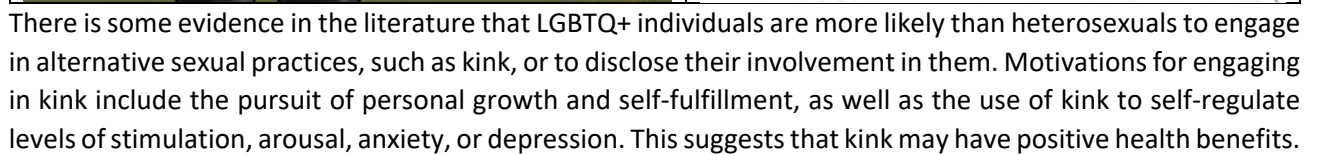

BDSM isn't chaos, it's choreography. Rituals are everywhere: from kneeling to reveal a collar to a formal protocol for entering a dominant's space. Some couples develop daily or weekly rituals, such as inspections, shoe cleaning, or permission to talk. These actions build trust, focus, and anticipation.

The Power of Aftercare

Aftercare is a sacred part of BDSM. After a scene, partners often need to find emotional balance—through hugs, water, support, or silence. This is where emotional safety is restored and the bond is strengthened. Neglecting aftercare is not only harmful but also taboo.

The Latest BDSM

Several studies note that non-heterosexual people are more likely to report participating in BDSM and kink. Research has identified motivations for kink, including the desire for peak experiences, healing from past

DEDICATION-ABSTRACT OF THE ALMANAC OF VISUAL ARTS OF GAY SATANISM SATANART №40.

Antichrist Slut Sodomia dedicates his album-almanac, SatanArt #40, to a topic that helps develop sexual horizons and fosters Satanic spirituality in humans. This topic is BDSM entertainment for gay Satanists and MTF girls. BD (Bondage and Discipline) / DS (Dominance and Submission) / SM (Sadism and Masochism). For many people in our world, the sexual and mental practice of BDSM is inaccessible due to low levels of lust (libido), depravity, and a lack of spirituality from the Spirits of Hell. Antichrist Slut Sodomia absolutely does not claim that BDSM is accessible only to Satanists. However, I can say with certainty that BDSM requires a special sense of sexual perversion. It is impossible to practice BDSM without perversion and deviation in one's spirituality. Most people enjoy sex, using classical methods; many sectarians believe that sex and sexual intercourse are only for the purpose of creating new people. In our overpopulated world, such an orthodox concept simply doesn't hold water. BDSM has nothing to do with the reproduction of new human beings or new slaves for the fascists of the SOCG, which is why even the most evil regimes on planet Earth can ban BDSM. Of course, they do so, ostensibly for traditional values, protecting children, saving families, or for other nonsense they indoctrinate their followers with through the media. BDSM poses no threat to society, and its threat is roughly the same as that of a knife, nail, or mixer. Potentially dangerous things should be handled consciously and carefully. Don't implement the drawings and ideas in this almanac unless you are certain of the outcome and its consequences. BDSM helps develop Satanism within oneself by overcoming fears and developing conscious deviant behavior in sex. If you're told that deviance is something bad, don't believe them. Liberation through sex, BDSM, and deviance is very beneficial for a person. It frees a person from the shackles of dogma, lies, and mass egregors of evil. Beneficialentheogens work in much the same way. For BDSM and Satanic sex, it's possible and advisable to use beneficialentheogens, such as poppers and marijuana. Of course, you can get by with pure enthusiasm for BDSM... but that's not the case for everyone. In SatanArt almanac #40, the Antichrist has collected various BDSM scenes and commented on them. All images in the almanac are fictional, but they reflect the real fantasies of BDSM enthusiasts. This album

examines BDSM from the perspective of gays and MTF trans people. Heterosexuals can have similar sexual fantasies. This album-almanac, SatanArt #40, can serve as a guide for developing sexual fantasies for people of any sexual orientation and gender. SatanArt #40 will be especially useful for aspiring gay Satanists who want to expand their sexual play.

Each SatanArt album will contain 100 drawings from the main album, which I will accompany with a text description. In addition to the main album, Antichrist Slut Sodomia will use three other types of graphic material, which will be included without a text description:

1. Vignette images. These are graphic files related to the album's theme, but with simplified graphics. These will primarily serve as a "warm-up" for the reader, with explanatory posters or witty posters related to the album's theme.
2. Images of decorative elements and conceptual posters of gay Satanism. These are graphic files related to the almanac's design or general themes of gay Satanism. Connection to the album's theme is not required.
3. Publicistic and documentary images on gay parades, LGBTQ+ pride marches, carnivals, gay agendas, images of Satanists, tattoos, and gay paraphernalia. THIS GRAPHICS SECTION WILL BE INTRODUCED FOR THE SECOND VERSION OF THE SatanArt almanac albums, V2.0+. I will not be using it in the first versions, V1.0 or V1.1, of the SatanArt almanacs, reserving it for later, for the commercial publication of the books, as bonus content.

Each type of graphic material will contain up to 100 drawings, photographs, or decorative posters of Satanism and LGBTQ+. The vignette images serve as graphic decoration and a meaningful graphic supplement to the

text¹⁰. The drawings of the decorative posters are the most laconic and symbolic design elements of SatanArt publications. Unlike the images in the album itself, all vignettes and drawings of the decorative posters are provided without descriptions. For the vignettes, I will use simple, decorative, and self-explanatory images, for which the Antichrist's explanations are unnecessary, or you can create your own. Documentary photographs on the topic of gay Satanism will serve as a pleasant supplement to the main content of SatanArt issues, but will not be related to the main theme of the almanac. This will be bonus content to enhance the mood of my readers—LGBTQ+ Satanists—and I plan to include them only in the "Significantly Supplemented and Improved" issues of SatanArt V 2.0.+.

The Antichrist Slut Sodoma has posted some albums of the Puritan editions of the gay Satanist almanac SatanArt (Nos. 1-30, Puritan albums, Version 1) on public Internet platforms as free e-books in PDF format. However, not every issue of the gay Satanist almanac SatanArt is available free of charge in high quality or in full. All issues of SatanArt almanacs are sold on gay Satanist online stores as digital ZIP archives. The ZIP archive includes the original files in DOCX and PDF formats, plus individual images from the collection in JPG, PNG, and WEBP formats, all in high quality. You can find SatanArt almanacs from the Antichrist Slut Sodoma using search engines such as Google, Bing, and DuckDuckGo. The digital store for gay Satanist publications operates on the principle of absolute buyer honesty, i.e., The buyer receives the goods first and only then pays with cryptocurrency. This is rare in the modern world. Complete versions of the "Gay Lust" grimoire, for reading or publishing in paper form, are also available for purchase on the Gay Satanism Store website. To publish

books and almanacs in paper form, you will need the source files, in DOCX format, for layout and for correcting minor grammatical, syntactic, and other technical errors.

The renaming of the "Gay Satanist Art Magazine" to the "Gay Satanist Art Almanac" was done because this form of literary work better reflects the essence of SatanArt publications:

1. Each SatanArt issue is dedicated to a specific theme, which is more similar to literary almanacs than to almanacs. The Antichrist has outlined many different themes for SatanArt almanacs to cover. The one that connects them all is gay Satanism. All almanacs are divided into PURITAN issues and SEXY issues. This choice is based on the issue's theme and illustrations. Puritan almanacs will not contain pornography or explicit erotica. Such e-books can be posted on many public Web 2.0 sites¹¹.
2. SatanArt is not published regularly, but I hope it will be more than once a year. I plan to publish 6-12 almanacs per year.

The second change concerns the free distribution of the first versions of new SatanArt almanacs. There will be a free version and a commercial version of SatanArt, in PDF format. The differences between the free NON-COMMERCIAL version of the new SatanArt almanacs and the COMMERCIAL version are as follows:

1. All first versions of new SatanArt almanacs will be distributed free of charge online, so that anyone can access them without payment. Free SEXY versions of SatanArt cannot be posted on every public online platform, as pornographic/erotic books are prohibited on many public Web 2.0 websites. Please keep this in mind (the Antichrist doesn't like the puritanical rules of site owners, but these are their sites, therefore their rules).
2. The preface in the free version of the SatanArt almanac will be limited to 3-5 pages of topic description. In the commercial version, which I call the SECOND VERSION, the preface will be expanded and expanded six to ten times, turning the almanac into a book. The second version of the Gay Satanism publications is an improved and expanded version of the first version and is the COMMERCIAL VERSION of the Gay Satanism publications. It can be purchased in Gay Satanism stores.

¹¹ https://en.wikipedia.org/wiki/Web_2.0 Wikipedia. Web 2.0 = Websites that emphasize user-generated content.

3. The Antichrist will only make available free PDF versions of SatanArt, which have compressed images, a loss of image quality, and are suitable for viewing on a monitor or mobile device, but not for high-quality printing. These will be SMALL FREE versions of the almanacs. These small PDF versions are approximately three to five times smaller than their commercial counterparts in maximum quality.
4. Paid versions of the SatanArt almanacs will be available in maximum quality, in DOCX, PDF, EPUB, and DVJU formats, and will be sold for a fee on Gay Satanism stores. These COMMERCIAL editions are intended for publication on paper, in print, or for collectors of high-quality e-books.

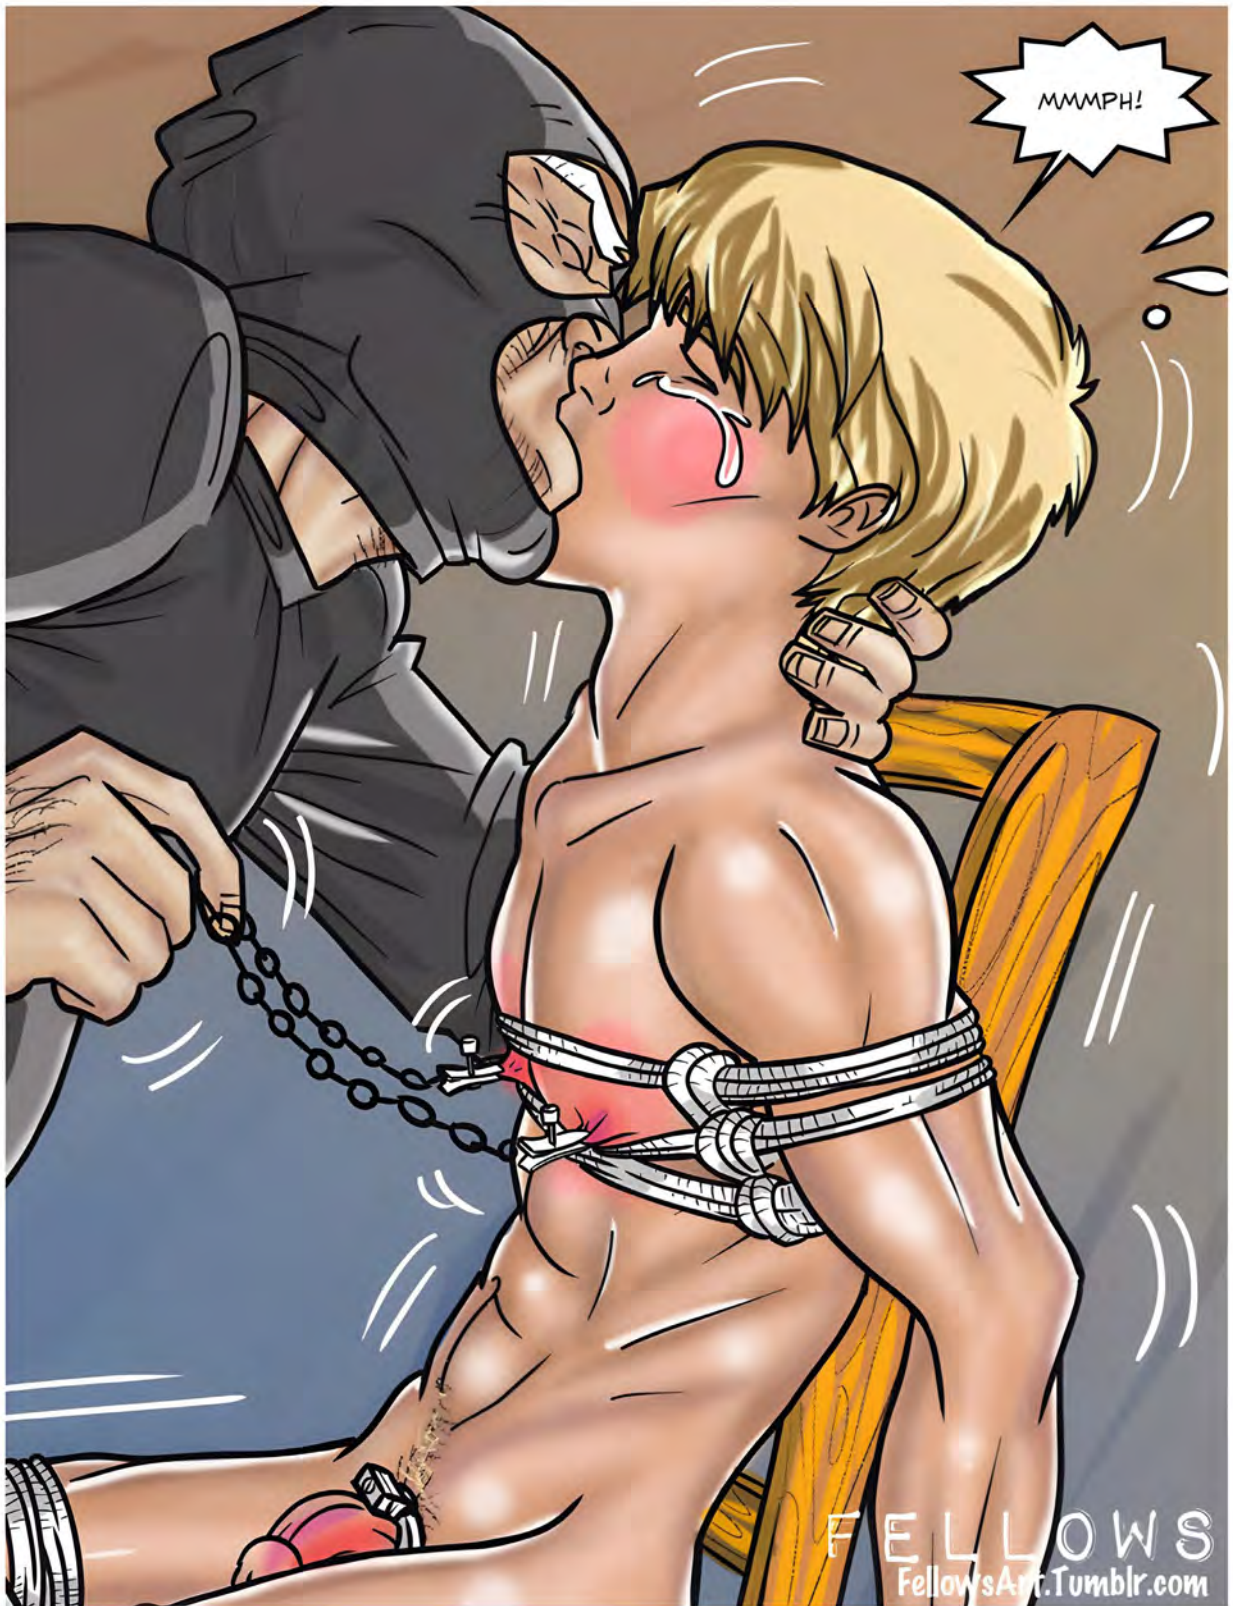

Commercial versions of Gay Satanism books and almanacs will be sold in the Antichrist Slut Sodomia stores. This is my plan to monetize my literary work on Gay Satanism. The Gay Satanism digital edition store accepts cryptocurrency payments, but payments can also be made by traditional bank card through reliable cryptocurrency wallets or reputable cryptocurrency exchanges. More information about cryptocurrency and its importance can be found at the end of SatanArt almanac from Antichrist Slut Sodomia. Cryptocurrency is the future! If you haven't yet started using cryptocurrency, start as soon as possible, for example by purchasing e-books of Antichrist Slut Sodomia.

This gay Satanism almanac is a "Sexual Edition," meaning it contains explicit scenes of erotica and pornography, in animated form. This genre is a favorite of the Antichrist Slut Sodomia, but not all puritanical and prudish websites with public WEB 2.0 access permit the publication of this e-book on their websites.

I'd like to especially emphasize that BDSM has no sexual orientation, gender, or age restrictions. In this album, I explored the art of gay BDSM sex. Many CIS female bitches and CIS male studs enjoy BDSM. Conscious BDSM, practiced with appropriate partners, is safe sex, even if people have specifically agreed to engage in sexual

violence or sexual abuse. Consensual BDSM sex, by mutual consent, is neither evil nor a crime. Those fascists or cultists who tell you otherwise are villains, liars, and enemies of your freedom.

Picture 3901. Pederasty, bondage, and sadism-masochism are an important part of gay Satanism. BDSM practices combine well with pederasty without anal penetration. Sexual play, bondage, and the induction of tears from sexual humiliation are all good and enjoyable practices. BDSM is practically inaccessible to creatures without the sexual enlightenment of Satan.

Picture 3905. A drawing of a classic gay bondage on a chair. This type of bondage does not involve anal rape and is suitable for active gay men. Active gay men can also be masochists, but less so than passive, homosexual bitches.

Picture 3906. Sexual masochism and class sadism. BDSM role-playing games.

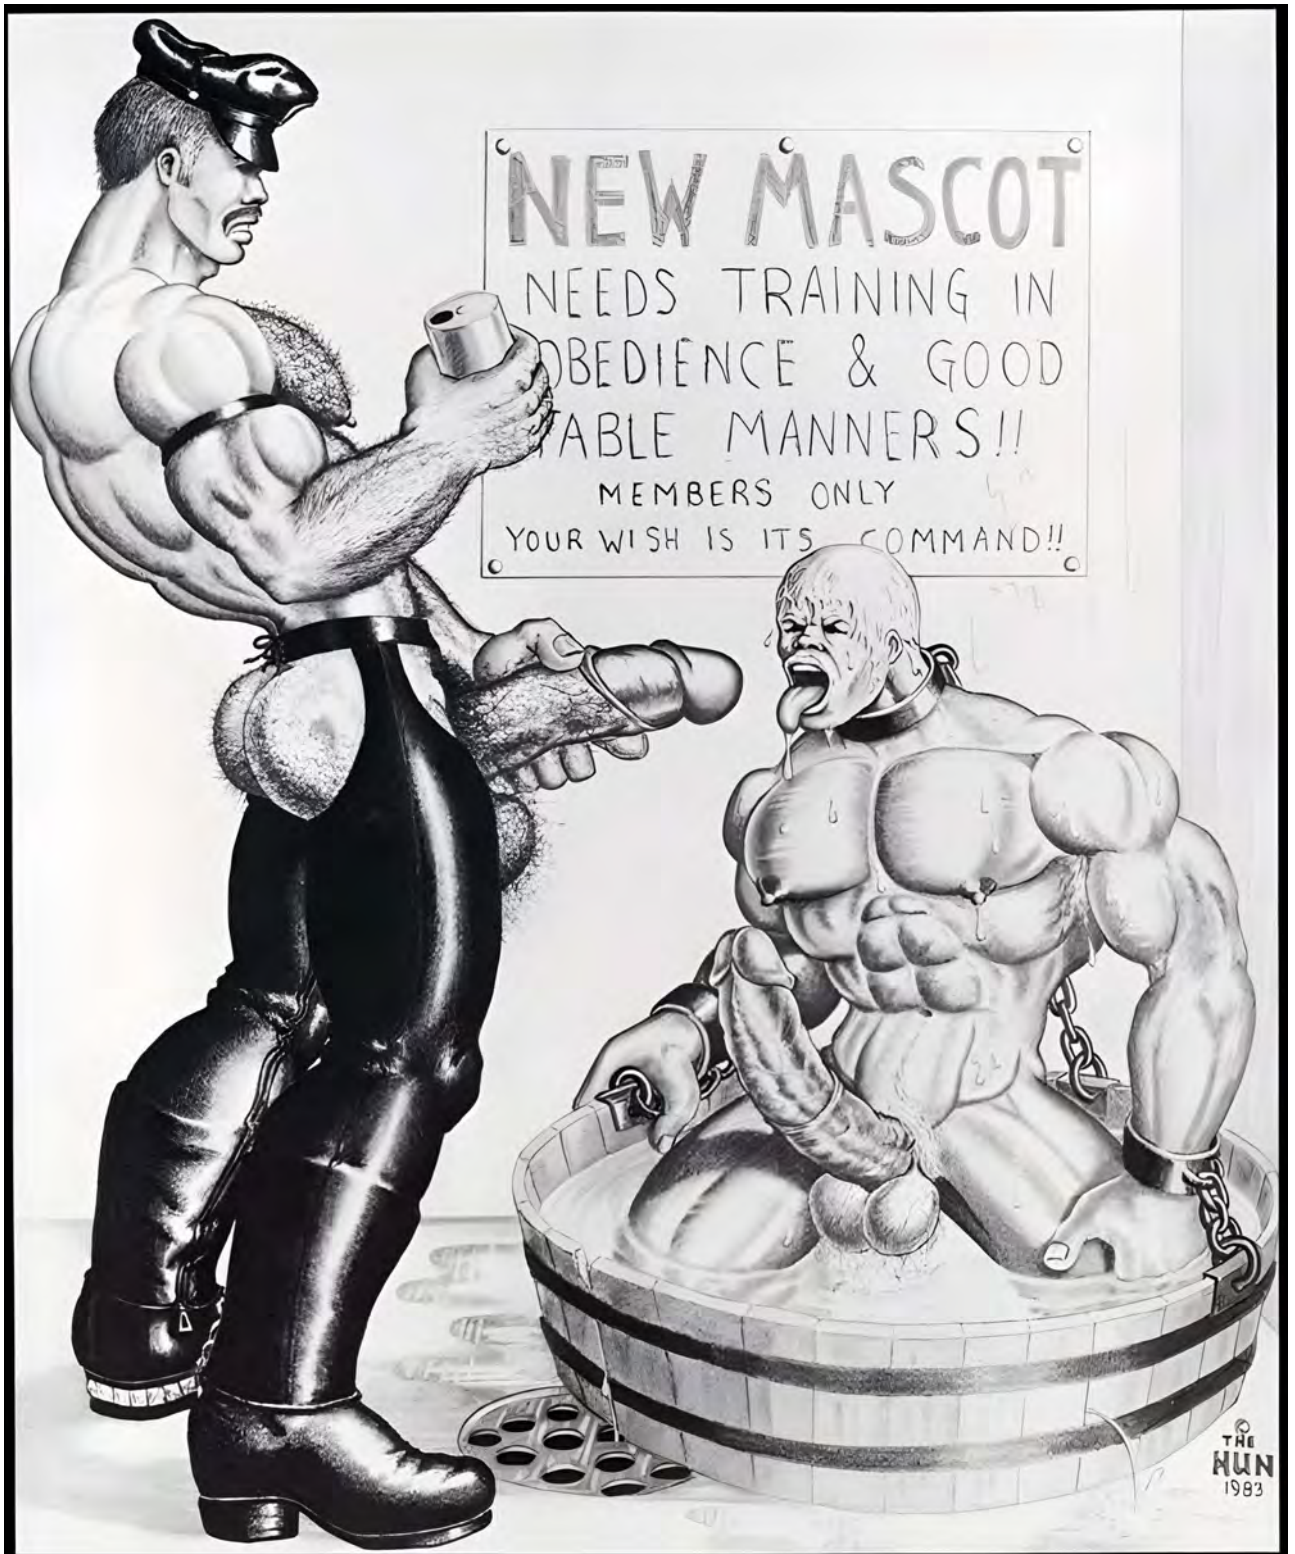

Picture 3907. Two bitches (MTF and CIS) have fun in BDSM style.

Picture 3908. The bitch came to visit the ancient Roman prisoner in the dungeon.

Picture 3910. A BDSM slut takes a bath with an active fucker made of sperm under the sign "New mascot needs training in obedience and good table manners."

Picture 3911. Female members engage in gay lust in the BDSM style. Gay Satanism and the Antichrist Slut Sodomia consider BDSM practice an important element of gay lust and a useful skill for increasing one's spirituality with Satan.

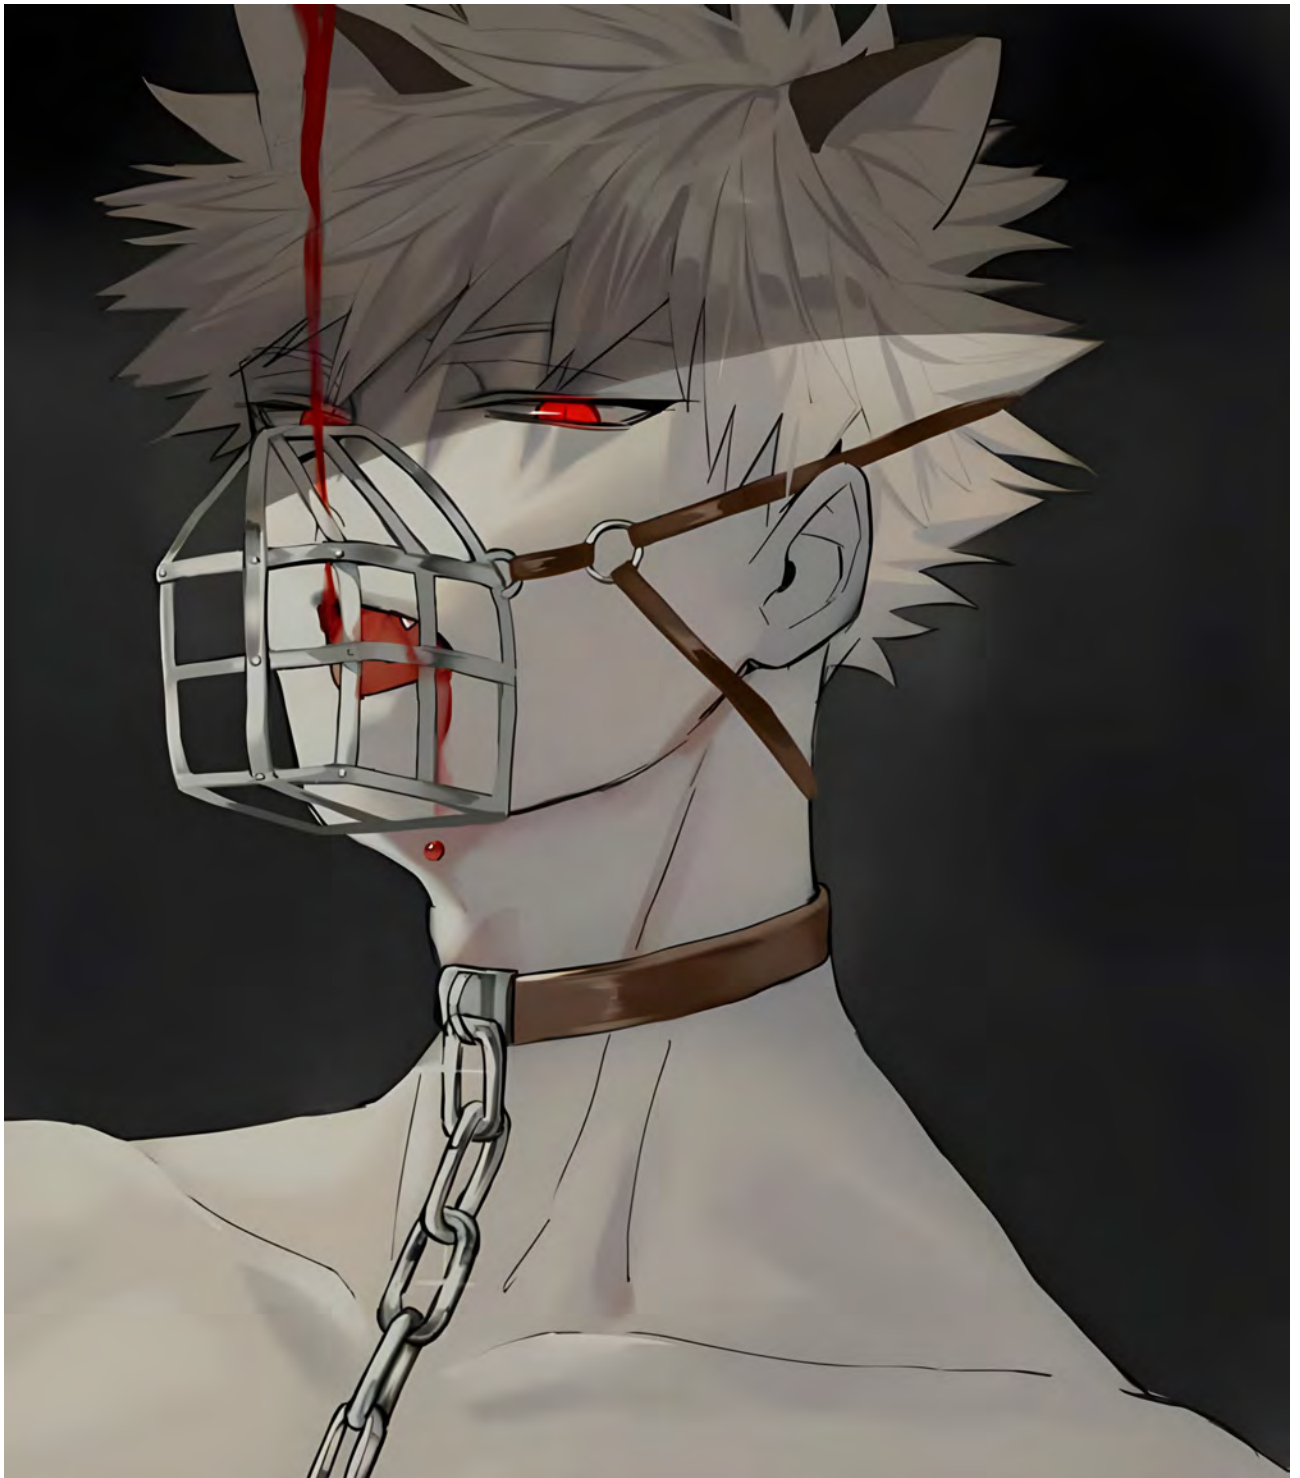

Satanism itself is sadism and masochism.

Picture 3912. Antichrist Slut Sodomia gets fucked in a gay club. Her pussy is covered in cum.

Picture 3913. A gay passive performs self-fucking of his own vagina. The boy will become a transsexual.

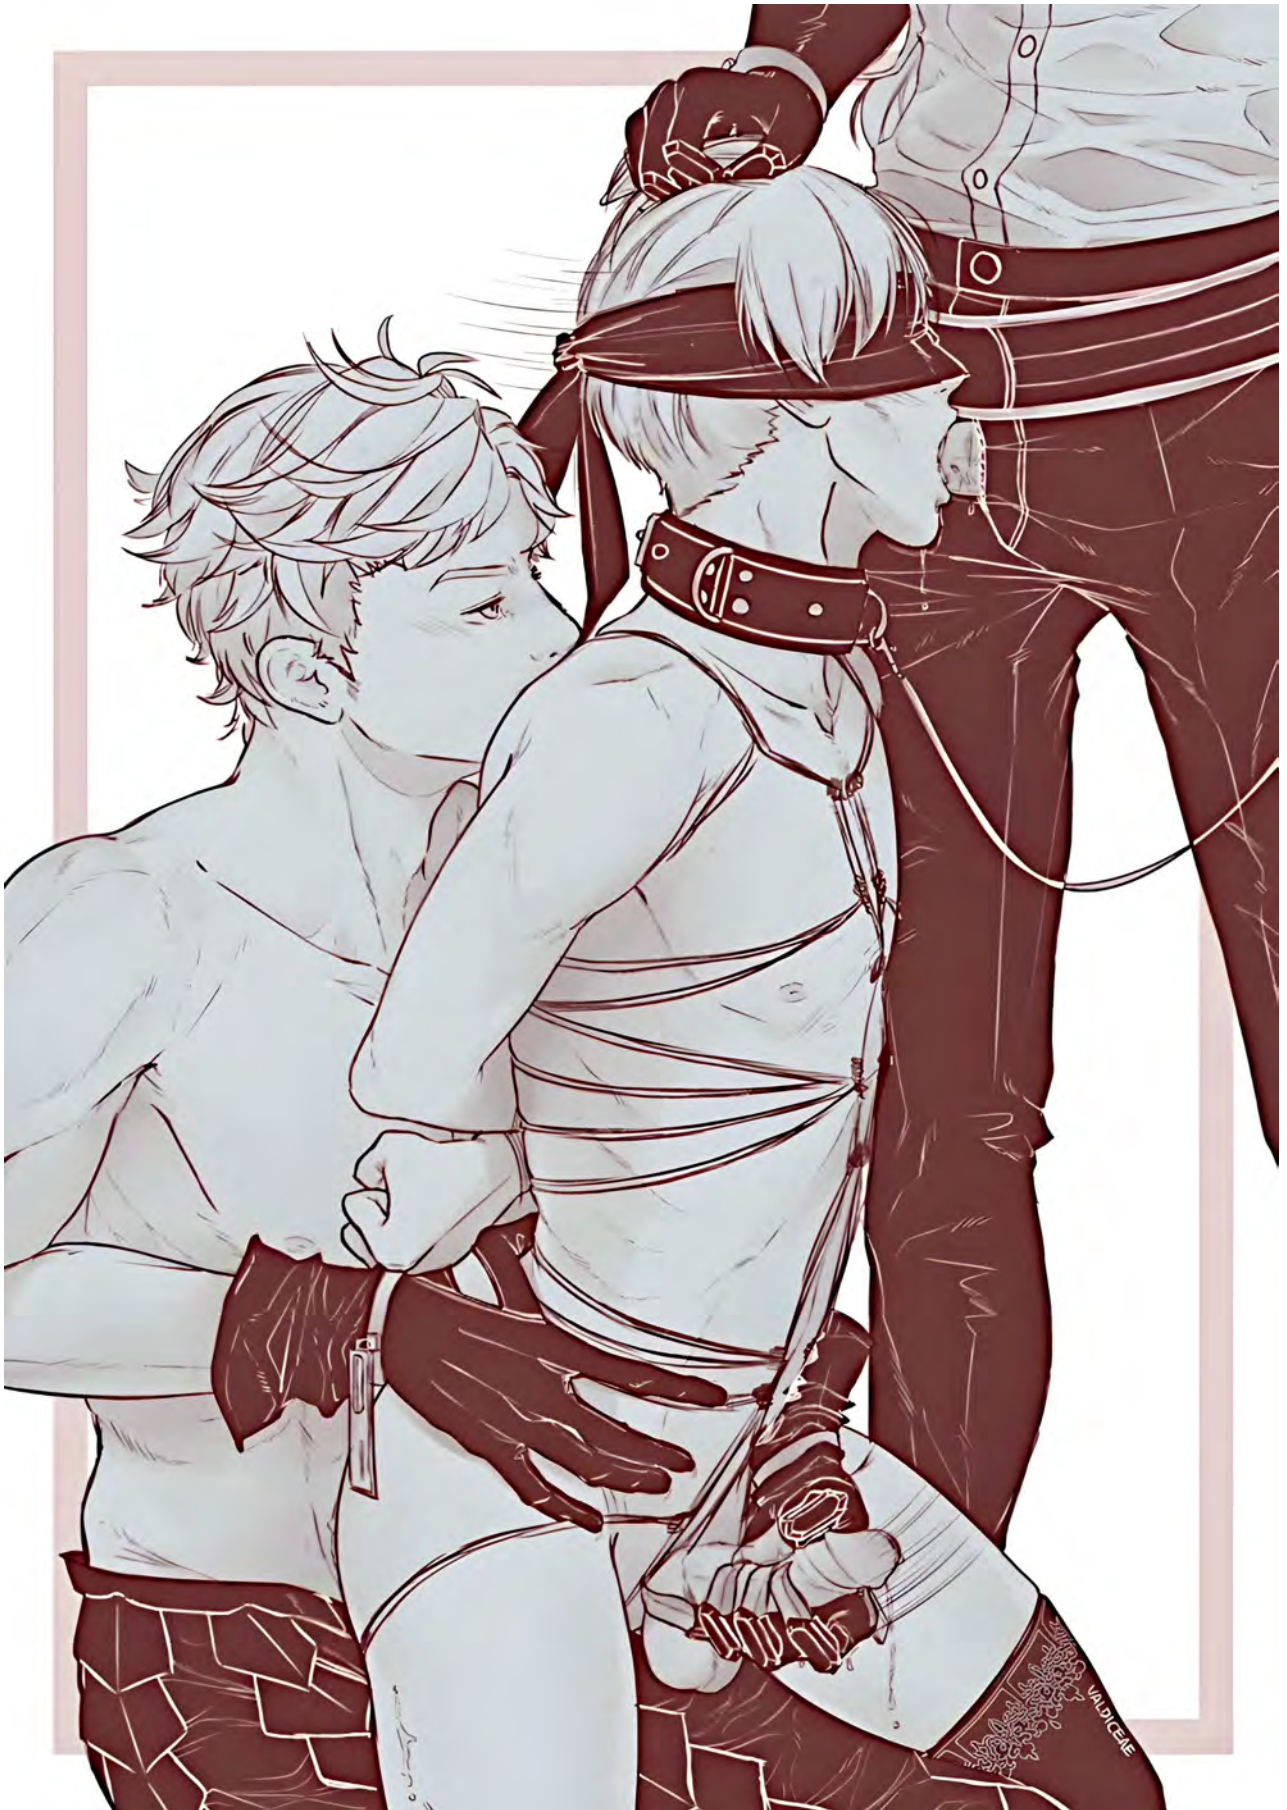

Picture 3914. A muzzled masochist absorbs another pederast's ass juice or blood with his ass. What could be more humiliating for greater pleasure? Eating shit – scat. Although most gays prefer pure sex, almost everyone has fantasies about sex with human secretions, natural and organic. Slut Sodomia used to love eating her own shit and drinking her own urine, but now she's switched exclusively to sperm. Sperm is the most delicious secretion for me. The exact plot of this painting is unknown.

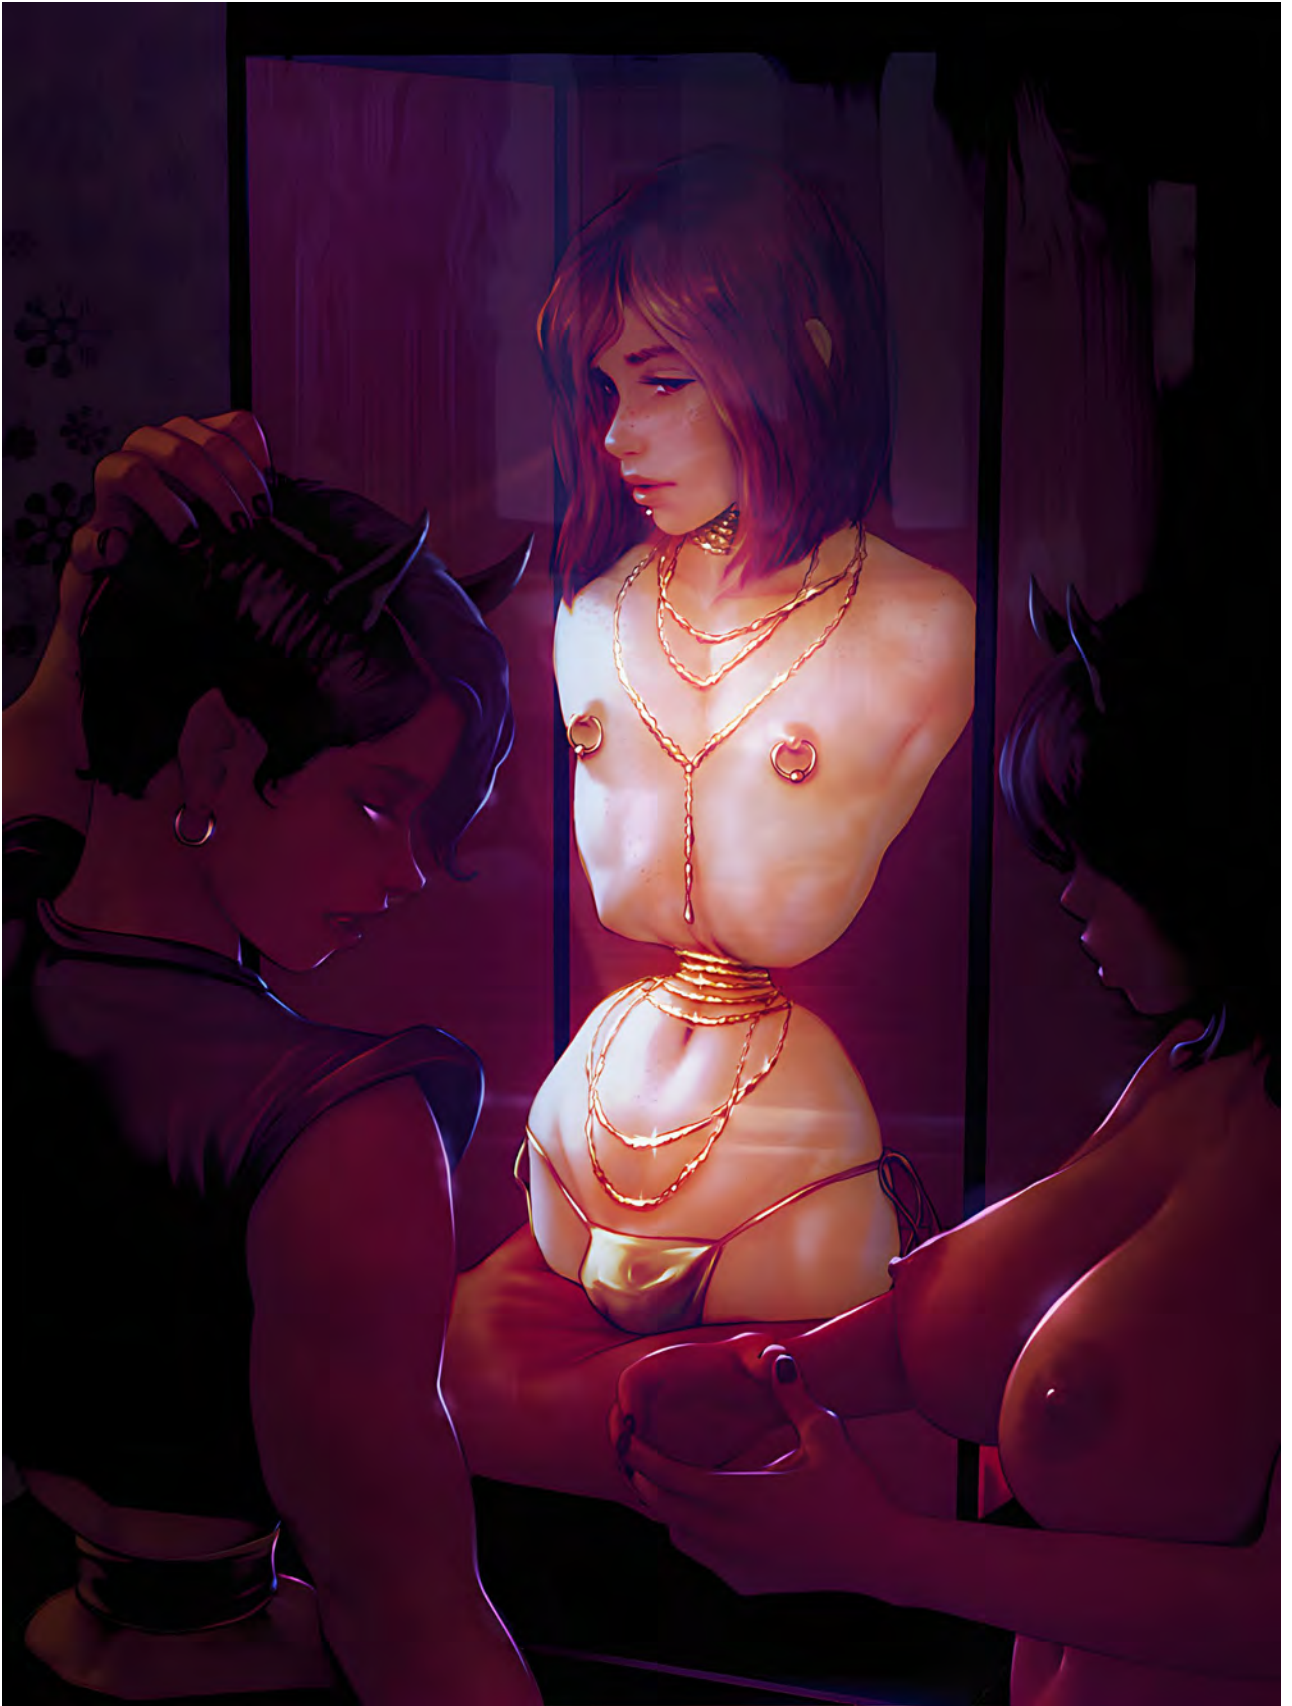

Picture 3915. BDSM can and should be combined with other sexual practices, such as SCAT.

Picture 3916. Many MTF girls enjoy soft BDSM as a complement to anal sex,

Picture 3917. Gay Satanists engage in BDSM in a group. A bitch with two active BDSM fuckers.

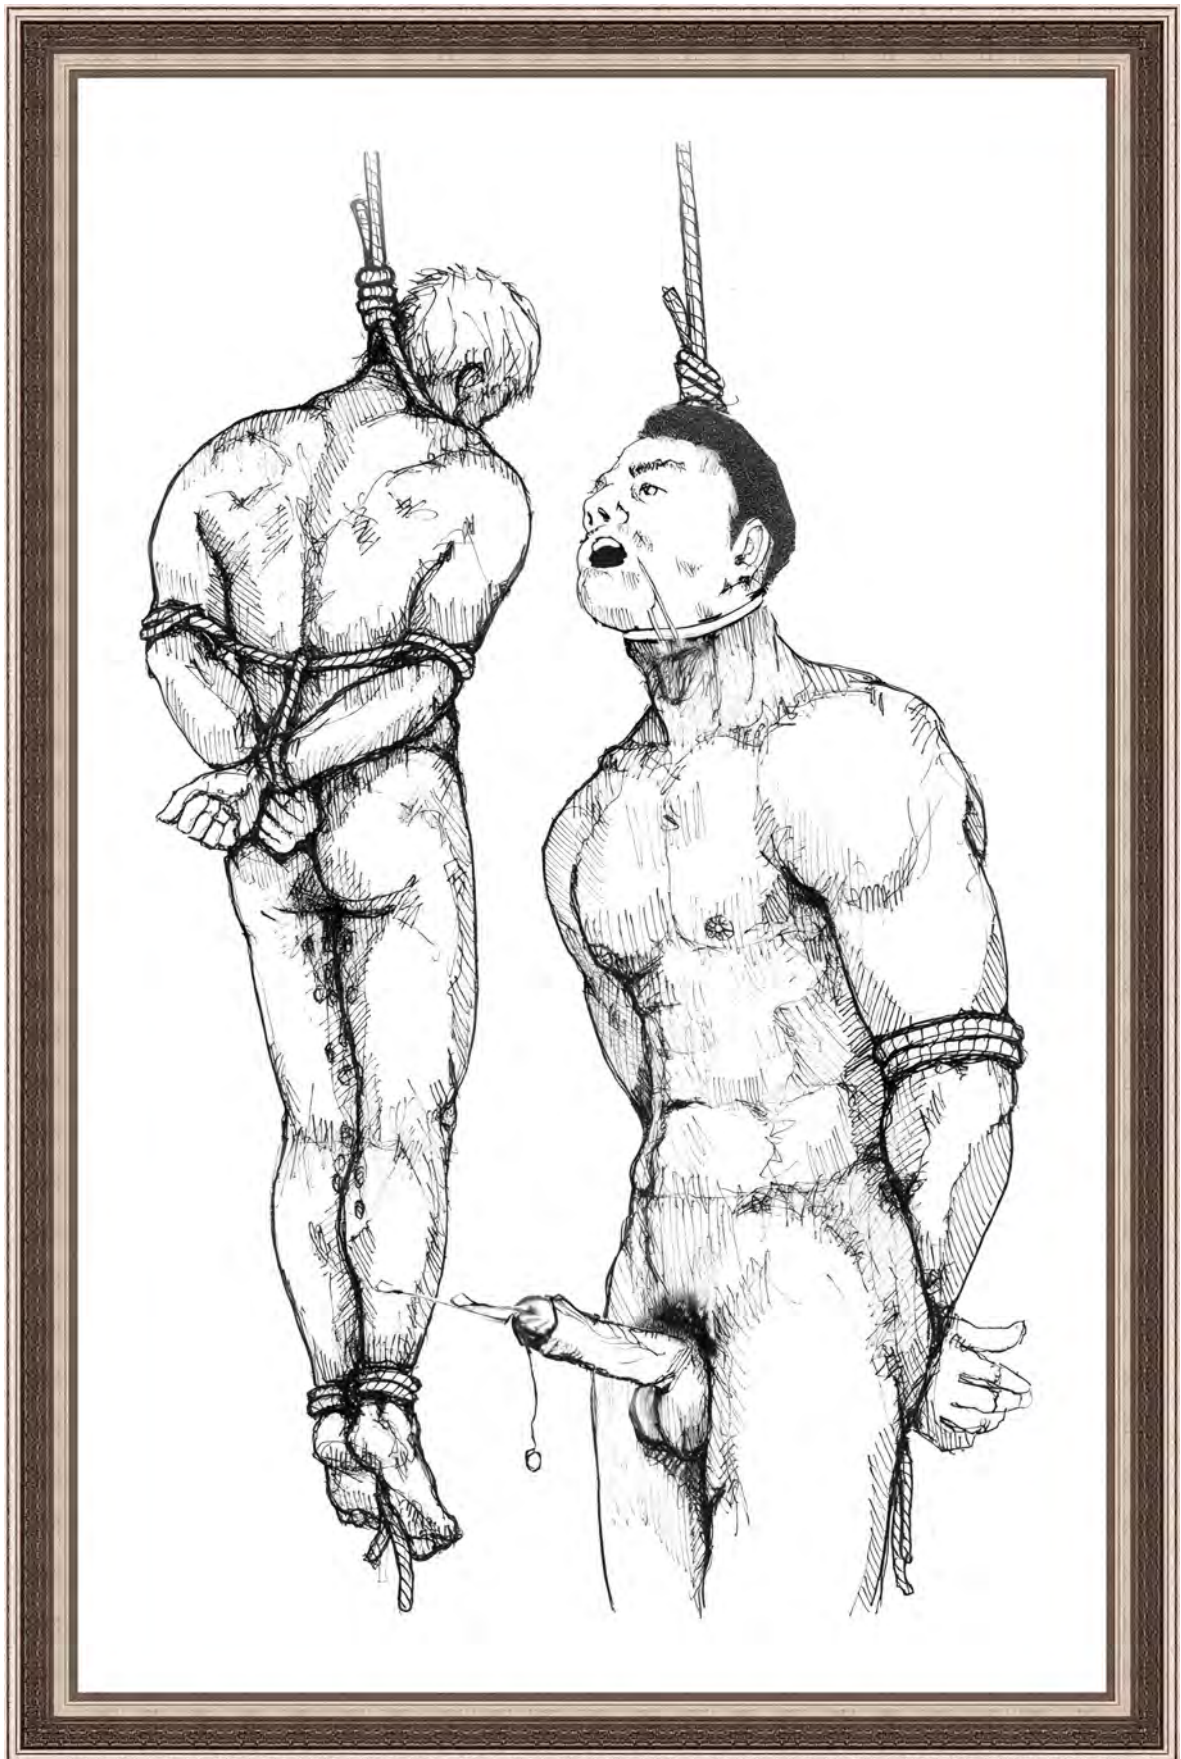

Picture 3918. The masochist has achieved his cherished dream. An exhibition of the best masochistic objects in Hell.

Picture 3919. BDSM between two boys. The artist creates BDSM paintings to order.

Picture 3920. A three-tiered hierarchy in BDSM. The Master (the hand), the Active Sadist-Sodomite (the active guy), and the Slut-Masochist (she pressed herself against the active sodomite). The exact plot of this painting is unknown.

Picture 3921. Hanging isn't considered traditional BDSM because it's a dangerous practice. However, if you consider hanging as a satanic form of sex, it certainly appeals to some masochists.

Picture 3922. A masochist is preparing for body modification of her dick or bitch's testicles. Sadists want to do the body modification slowly and without anesthesia. Perhaps they want to cut off her balls or cut her dick lengthwise.

Picture 3923. The penis-girls in Hell continue to enjoy themselves. The cultists frighten Satanists with Hell... strange people. For Satanists, Hell is their home and a place of synergy with Satan-Lucifer.

Picture 3924. Gay Satanism is associated with BDSM and anal sex, i.e., sodomy. BDSM activities for gay Satanists and MTF masturbators help them gain greater spirituality from Satan/Lucifer. BD (Bondage and Discipline) / DS (Dominance and Submission) / SM (Sadism and Masochism) are very useful for masturbators. Satan penetrates a sodomite Satanist better if BDSM is added to sodomy.

Picture 3925. A gay Satanist and a sodomite masochist. For some reason, savages and cultists don't like this...strange. And then they jerk off to such images or fantasies, hypocritically concealing their desires. The excellent gay Satanist artist InCase delights with his artistic brevity and sexual gay sensuality.

Picture 3926. Japanese gay Satanism with a lot of BDSM. A masochist between two stools.

Picture 3927. Gay boys engage in anal sex with elements of bondage and rape.

Picture 3928. Females enjoy BDSM and anal penetration. Most MTF girls (90%) want to be masochists, and only a small percentage (10%) are sadists, according to the preliminary assessment of the Antichrist Slut Sodomia.

Picture 3929. A masochistic bitch and a sadist – an active gay man. They share gay love, sodomy, and BDSM.

Picture 3930. Zoophilia is not considered BDSM, but lowering a masochist to the level of intercourse with a male dog is part of BDSM. Of course, such play is not accessible to everyone and is not suitable for everyone.

Fucking dogs and sucking a dog's dick is normal sex. Those who call it immoral should stop shoving their dicks into women's bloody vaginas to create idiots like themselves. BDSM zoophiles are doing nothing wrong. People enjoy sex with animals—that doesn't harm anyone, including the animals themselves. Humans are animals. Don't forget that fact.

Picture 3931. An aesthetically pleasing BDSM scene, without violence. Jerking off cum into a cup. One bitch receives cum from another bitch, for satanic amusement. Very gentle and beautiful BDSM.

Artists depict most BDSM scenes as violent. However, BDSM isn't always sadistic or violent. Sometimes BDSM is ritualistic or focused on controlling one's own arousal and maintaining discipline around abstinence from ejaculation. As the Antichrist once said, the most basic element for a passive gay man is abstinence from ejaculation, favoring anal penetration. A chastity, i.e., a penis cage, allows for controlled expenditure of lust "from the front," shifting lust "from the back" and maintaining a high libido. For bottoms, ejaculation after a chastity session is a ritual that must be earned by receiving a lot of anal sex or anal insemination.

Picture 3932. BDSM for female members is often accompanied by sodomy. Many females engage in independent BDSM, being both sadists and masochists. This is what the Antichrist Slut Sodomia does.

Unlike most MTF bitches, Slut Sodomia enjoys being a sadist (90%) and masochist (10%), with other masochists. The more feminine and skinnier the bitch, the more I want to fuck her. When engaging in solo anal and BDSM play, Antichrist enjoys being a masochist (90%) and sadist (10%). When fucking alone, any masochist simply needs to be a sadist to engage in BDSM alone.

Picture 3933. A masochistic boy and some sadistic guy. Honestly, I like active naked men who understand that anal masochistic sluts need sodomization first and foremost. For some masochists, anal rape isn't as important as BDSM play with a whip.

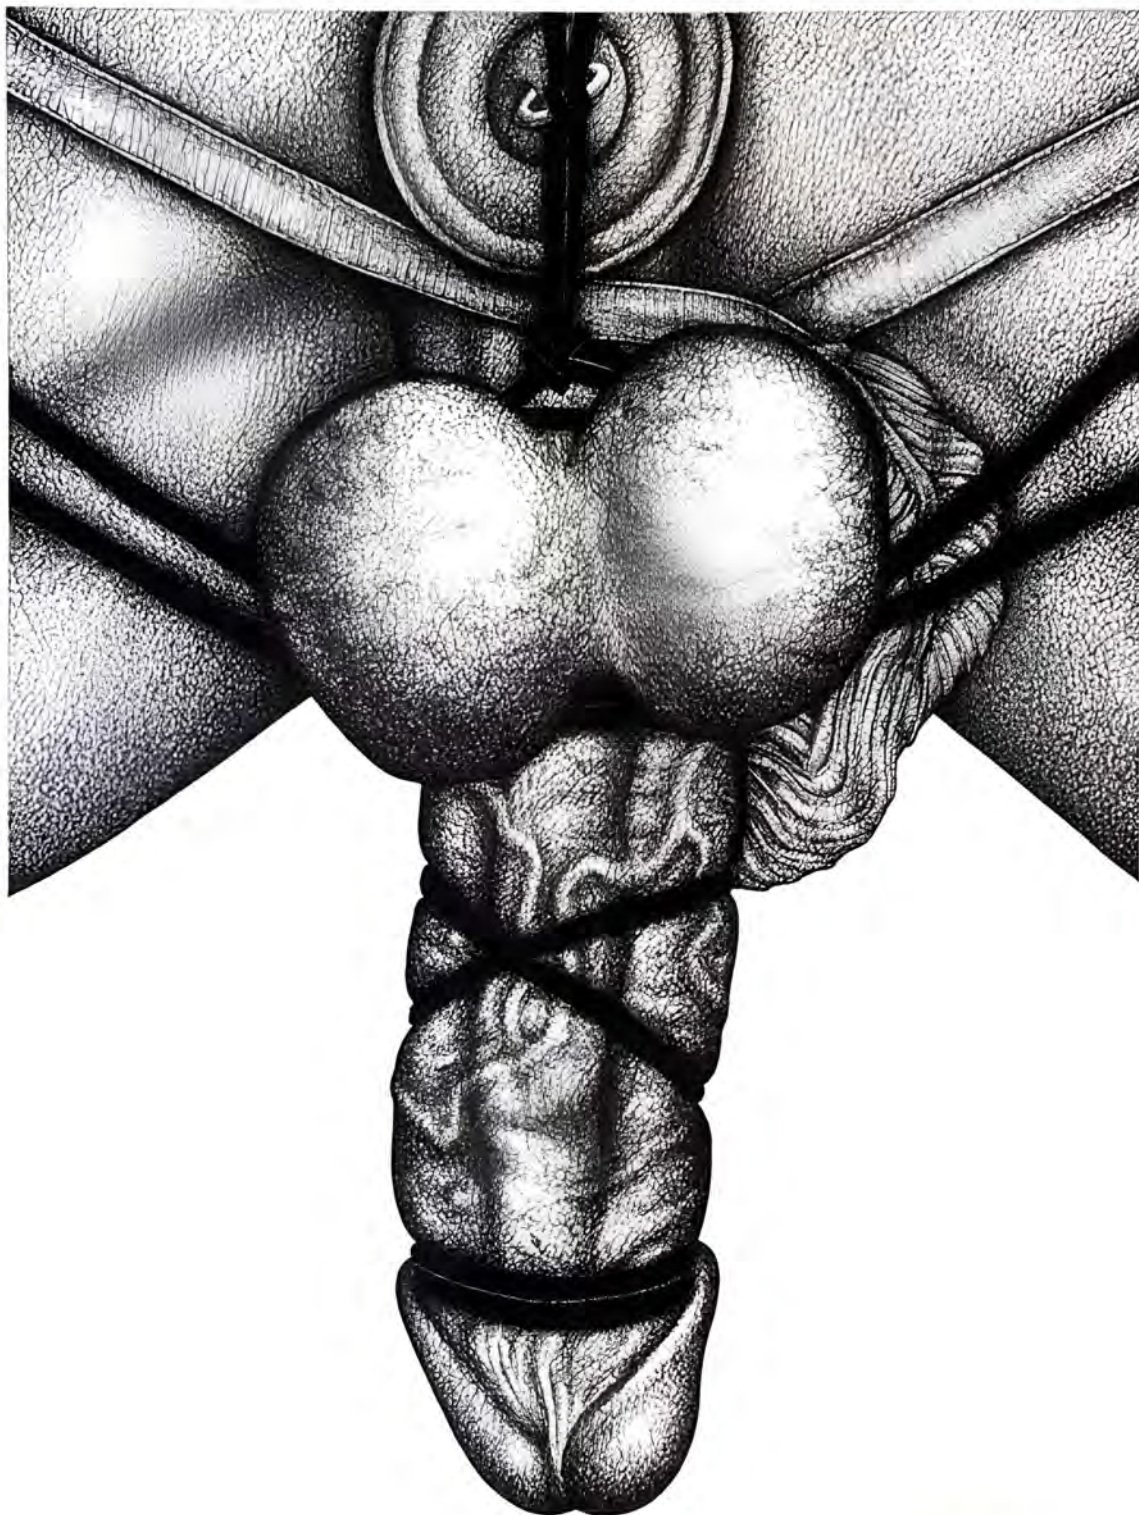

Picture 3934. An icon of MTF BDSM in gay Satanism. A trans BDSM goddess. The original plot is unknown.

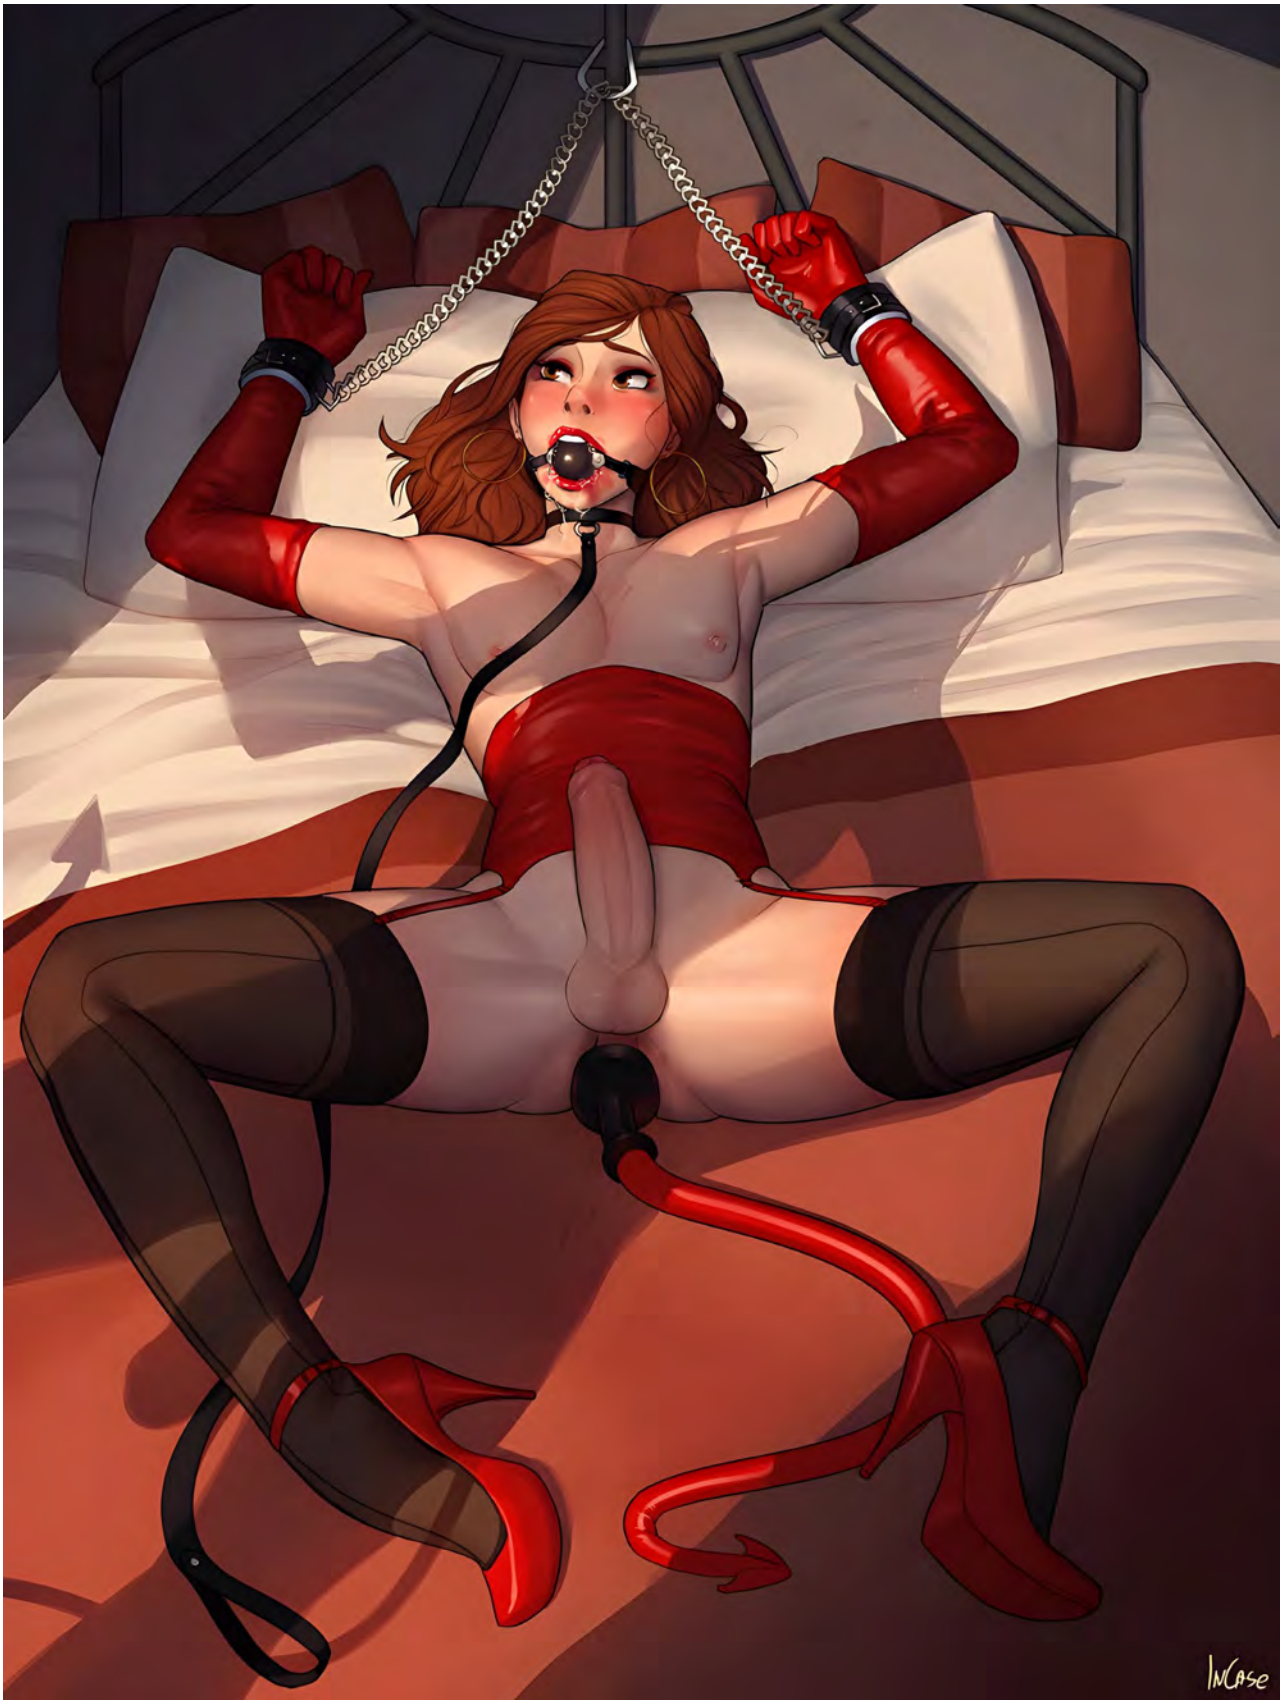

Picture 3935. Texas sadists with an adult masochistic homosexual. You could call these men simply active gays, but in this picture, the active men aren't trying to fuck the boy. These gentlemen don't even take off their pants.

Picture 3936. Arab gay sadists with adult masochistic homosexuals. A harem of boys for important Arab sadists. Sexual "suffering" for masochists is an important element of BDSM. The suffering of masochists should bring joy and satisfaction to both the boys and the sadists.

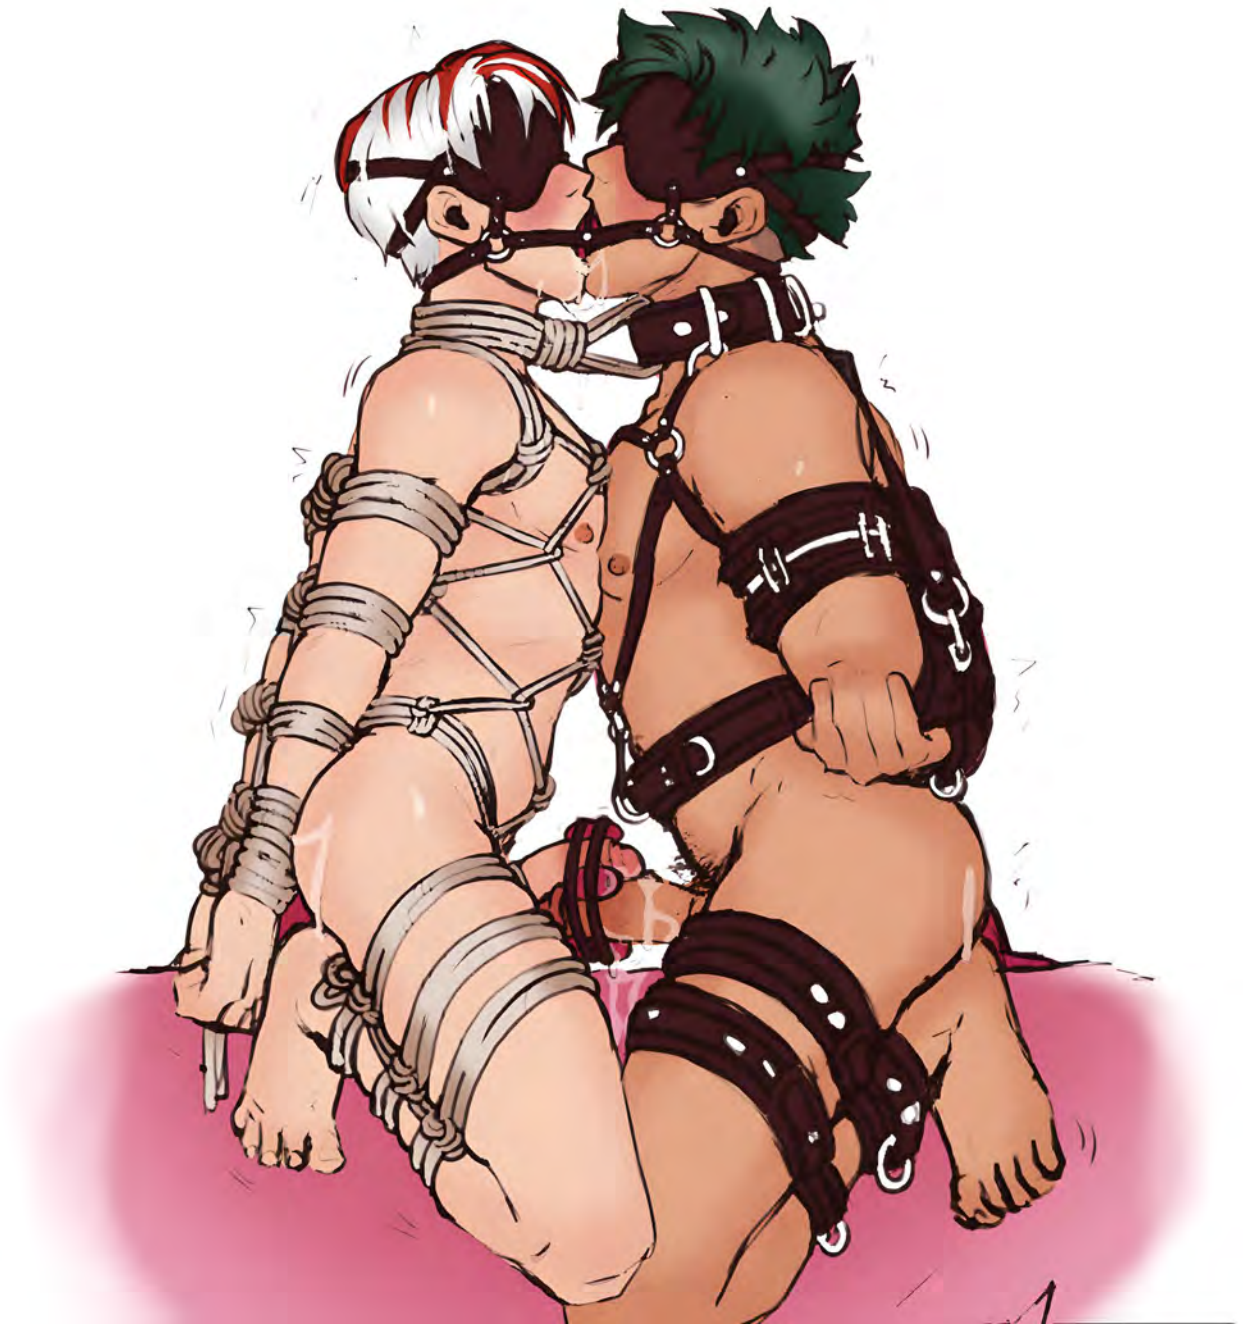

Picture 3937. BDSM refers to a specific organ, the pederast's penis, which is called a cock or clitoris by MTF masochists. Yes, many passive masochists consider their dick to be their clitoris and their ass to be their vagina.

Picture 3938. A sweet MTF masochistic dick-loving girl with Satan's shadow. Drawing by gay Satanic artist InCase.

Picture 3939. Gay men engage in BDSM sex. Artist Justin.

Picture 3940. Two masochistic boys kiss. BDSM costumes give the participants a sexually expressive appearance for sexual play. Two masochistic sodomites prepare their vaginas for sodomy. A warm-up with kissing excites the sluts' anal cunts.

Picture 3941. Gay lust drives the masochist to engage in self-sodomy. Classic BDSM gay bitch with a gag in her mouth. Transformation into a MTF cock-loving girl. For better masochistic training, the BDSM + SM sex education course is well suited for anal penetration.

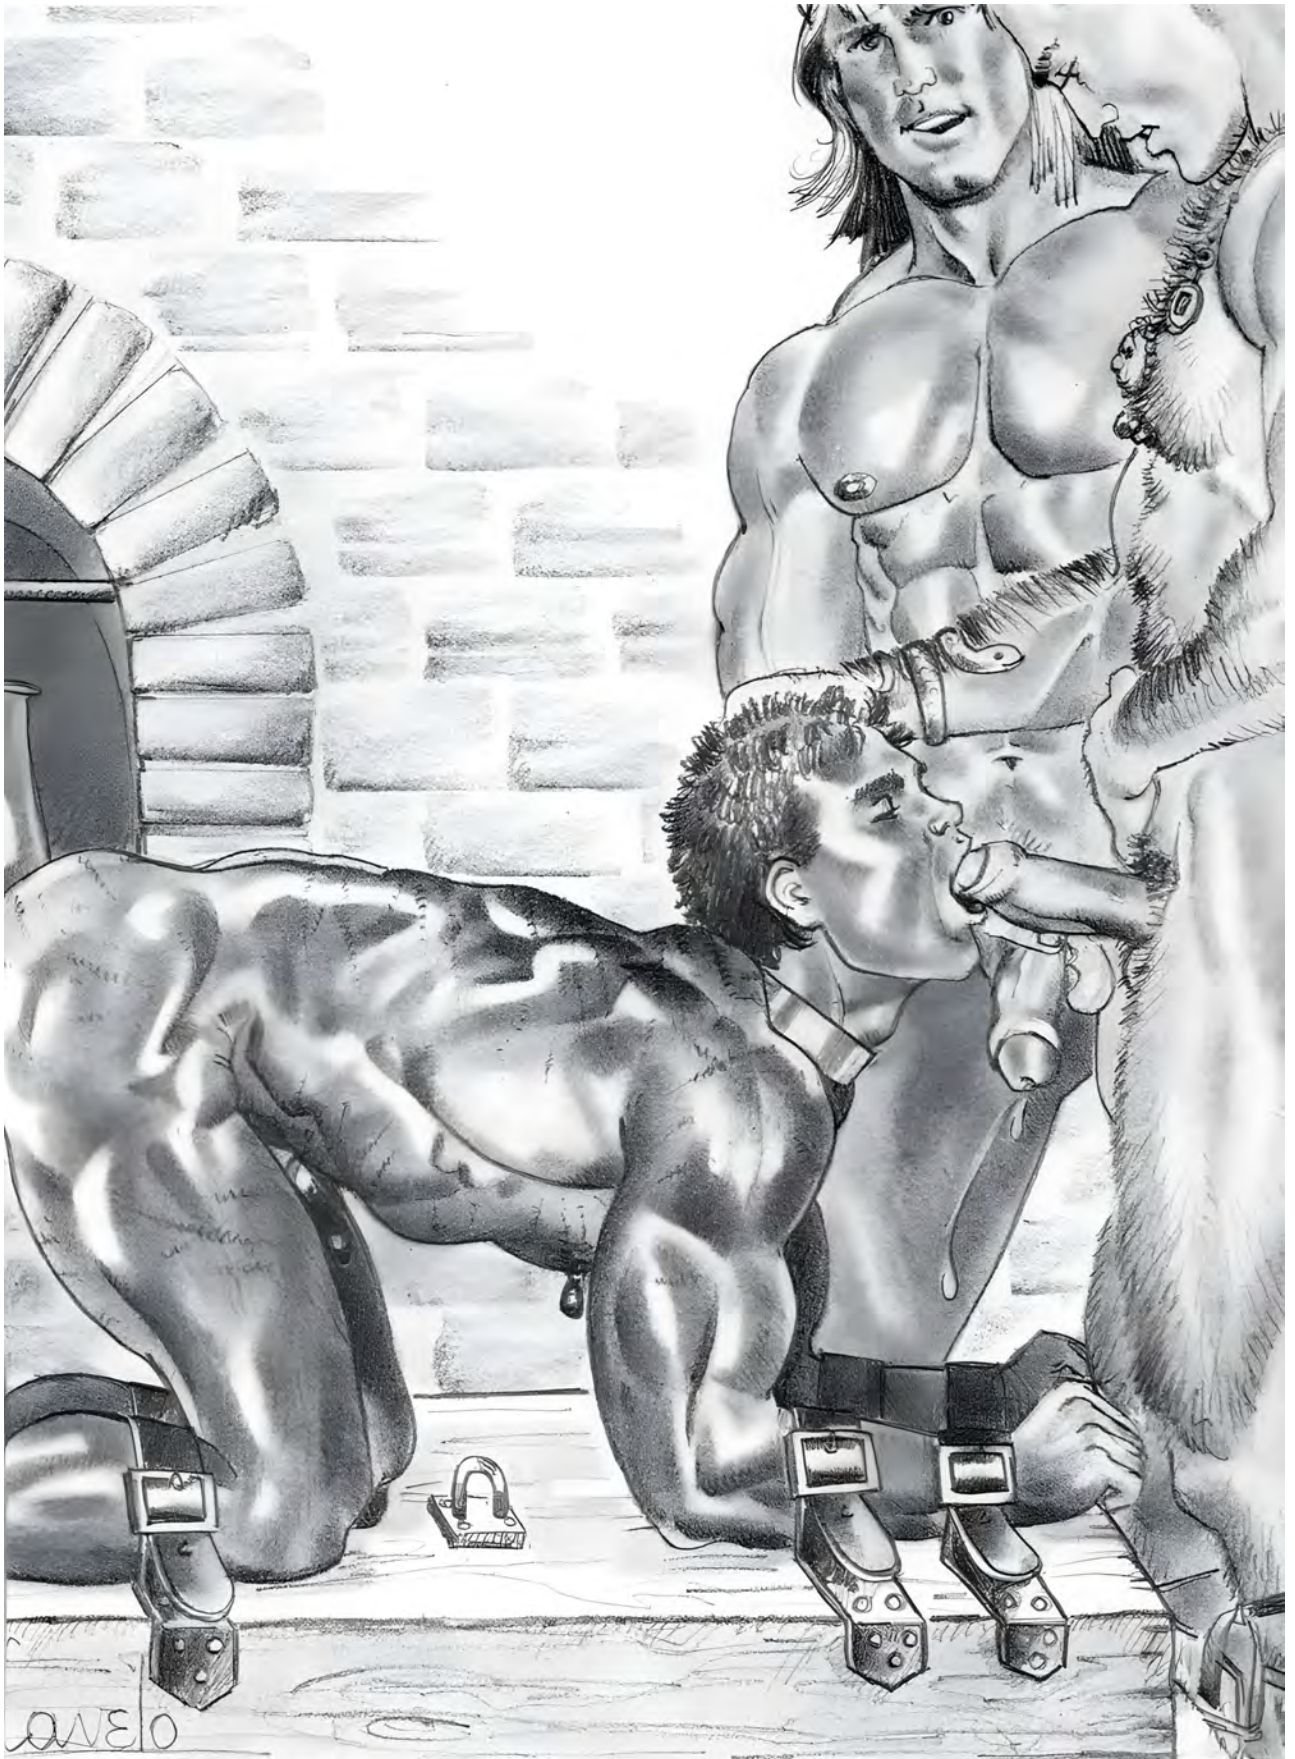

Picture 3942. Cute gay boys in bondage warm up with BDSM games before anal penetration. One boy has already sat his pussy on a dildo to save time.

Picture 3943. The painting depicts either a robbery or a rape. One of the sadists points to a badge with a pentagram-star. What does his pentagram mean? Is he a Satanist or a villain of the regime? The drawing is a mystery, and I don't know the original plot.

Picture 3944. A masochistic beauty in full BDSM attire, with cum in her ass. Fucked and having cummed a little in her pussy, the girl awaits more of the rape.

Picture 3964. BDSM is quite common among the military. Russians especially enjoy torturing and tormenting their own soldiers and junior officers. Russian orcs engage in frontline BDSM that is non-sexual, crude, and lacks any real gay-satanic lust. In other words, Russian military orcs commit the evil of violence against each other, not BDSM. The picture likely shows US soldiers humiliating or torturing a man.

Picture 3965. Two satanic cock girls have fantasy BDSM sex in Hell.

Picture 3966. A Roman sadist and a masochist on the cross. A reference to Jesus of Galilee and Nazareth.

Picture 3967. Puppy BDSM gay sex is popular among young fisting faggots. Separate issues of SatanArt #14, #25, and #34 are dedicated to puppy sex and bestiality.

Picture 3968. BDSM gay entertainment, in the form of a game of darts at some gay festival. The passive partner wants to have his ass fucked, but he gets jabbed with darts. It's violence, replacing anal sex with games.

Picture 3969. A nice masochistic bunny, hung on BDSM belts.

Picture 3970. Prison Gay BDSM, performed by the brilliant gay Satanism artist The HUN.

Picture 3971. BDSM stretching of a young, skinny, faggot-like slut. Active studs inseminate a masochist.

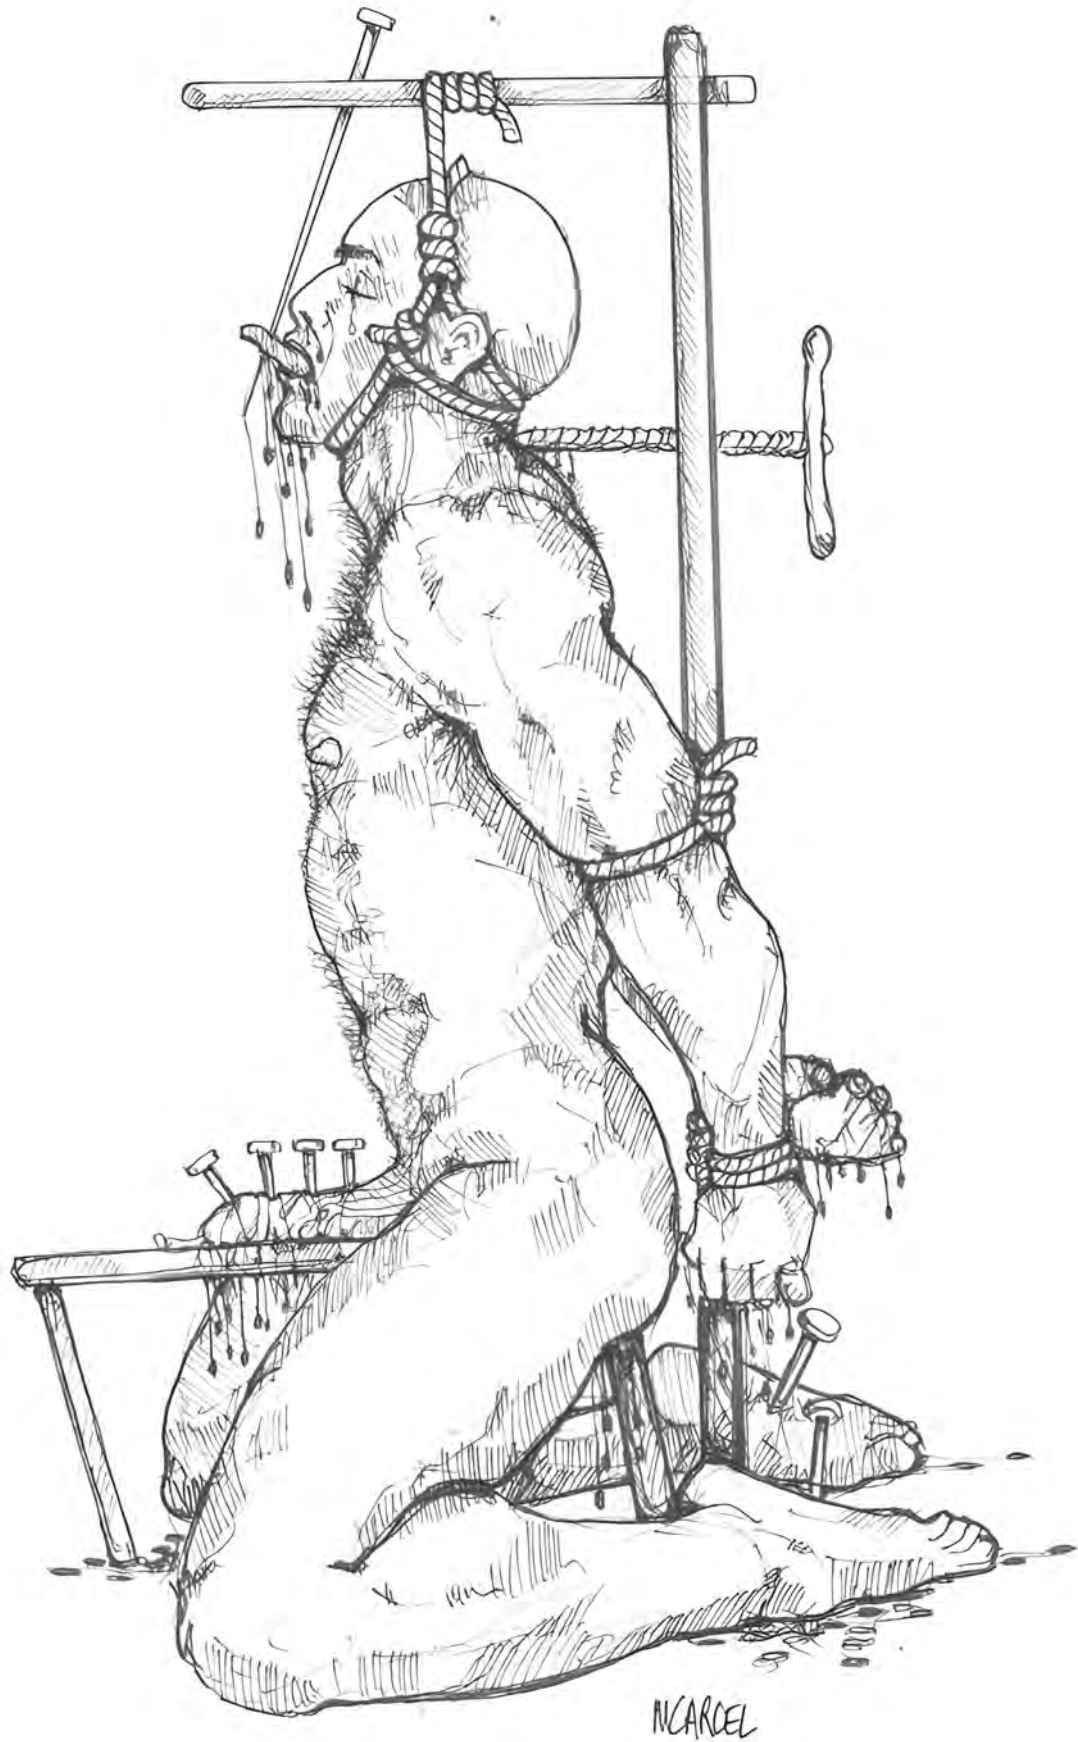

Picture 3972. BDSM-style anal fucking. The bitch sucks the "Yin and Yang" sign, which signifies anal feminization for the masochist. Active men love to fuck soft, obedient, and well-developed homosexuals.

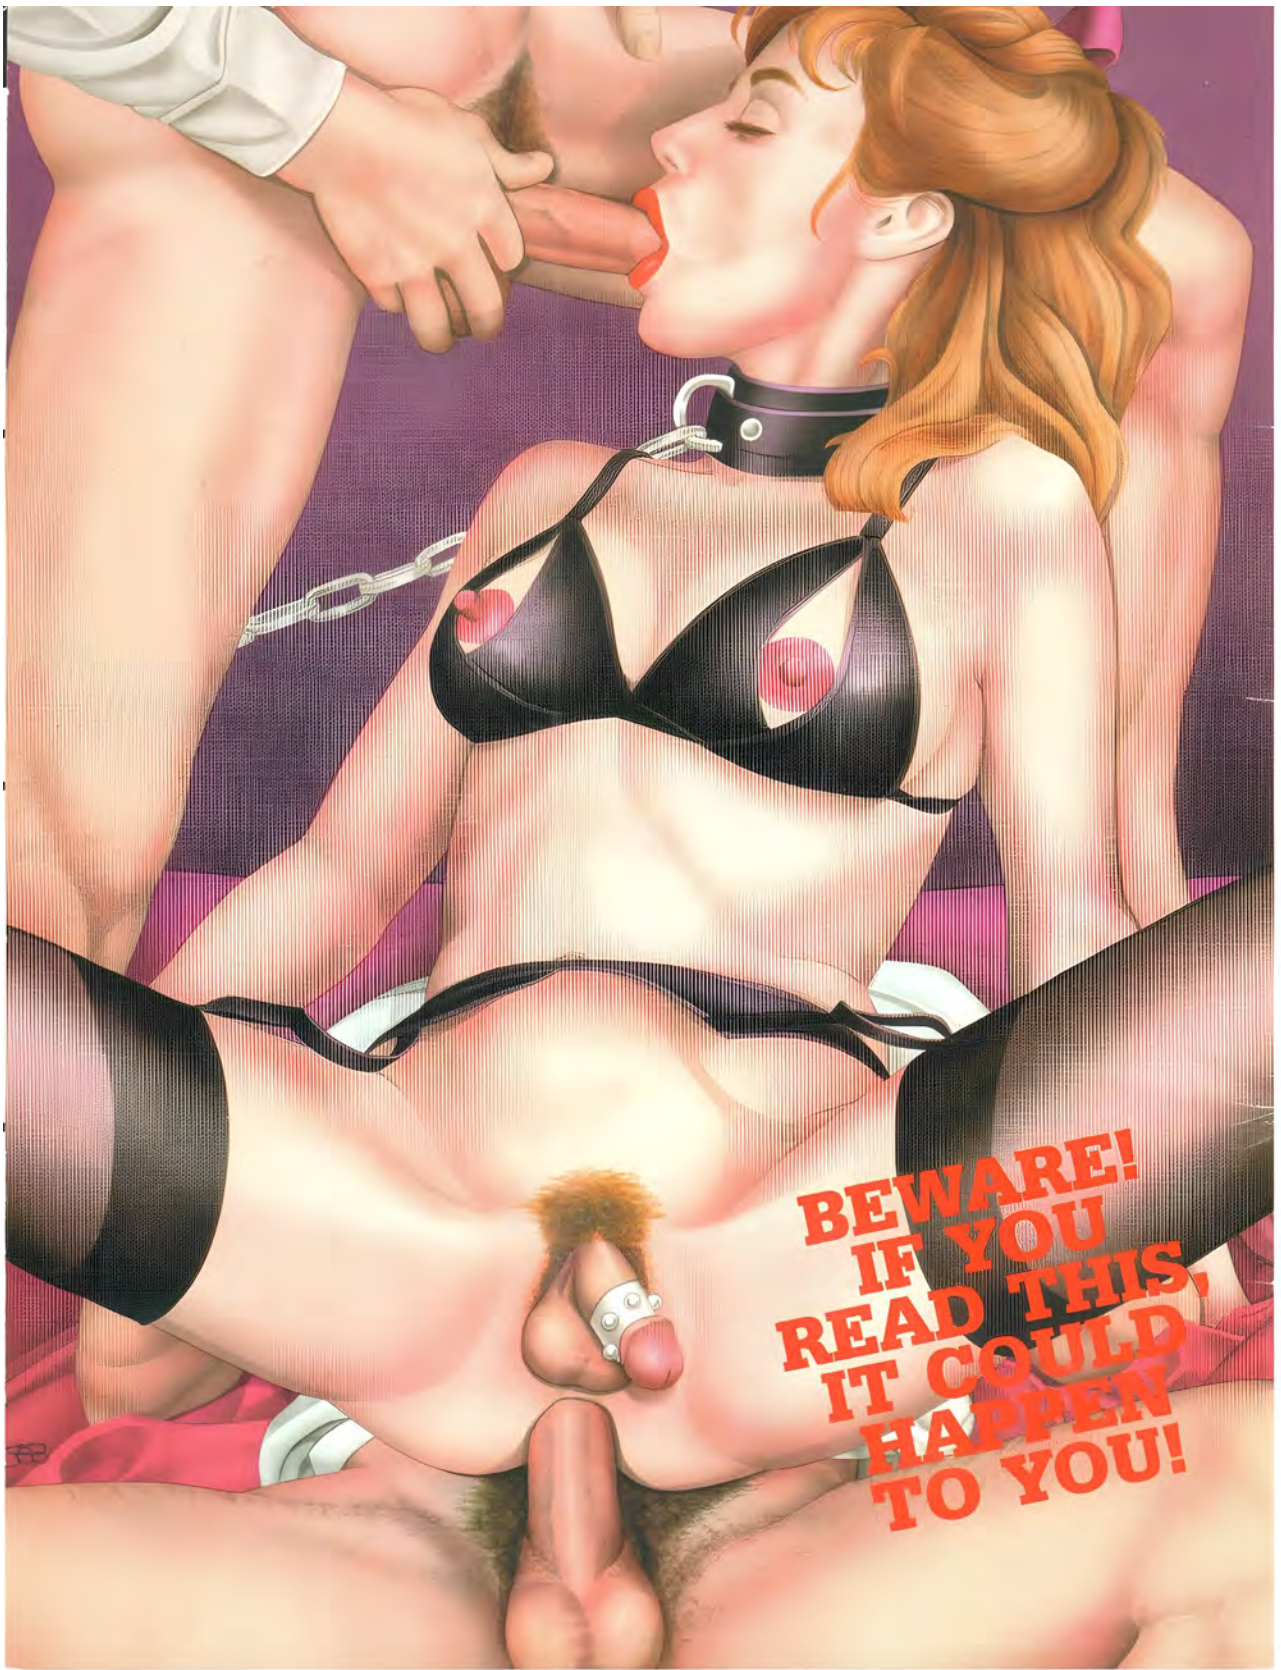

Picture 3973. BDSM in the toilet. Gay fucking with a touch of BSSM, right over the toilet.

Picture 3974. Masochism aids in the feminization of the pederast and his spiritualization by Satan-Lucifer. A masochistic boy with a lilac dildo.

Picture 3975. Hardcore BDSM, with penis nailing to a board. Suitable for advanced players.

Picture 3976. A light, feminine BDSM scene featuring a female member. The caption on the painting reads, "Beware! If you read this, it could happen to you!"

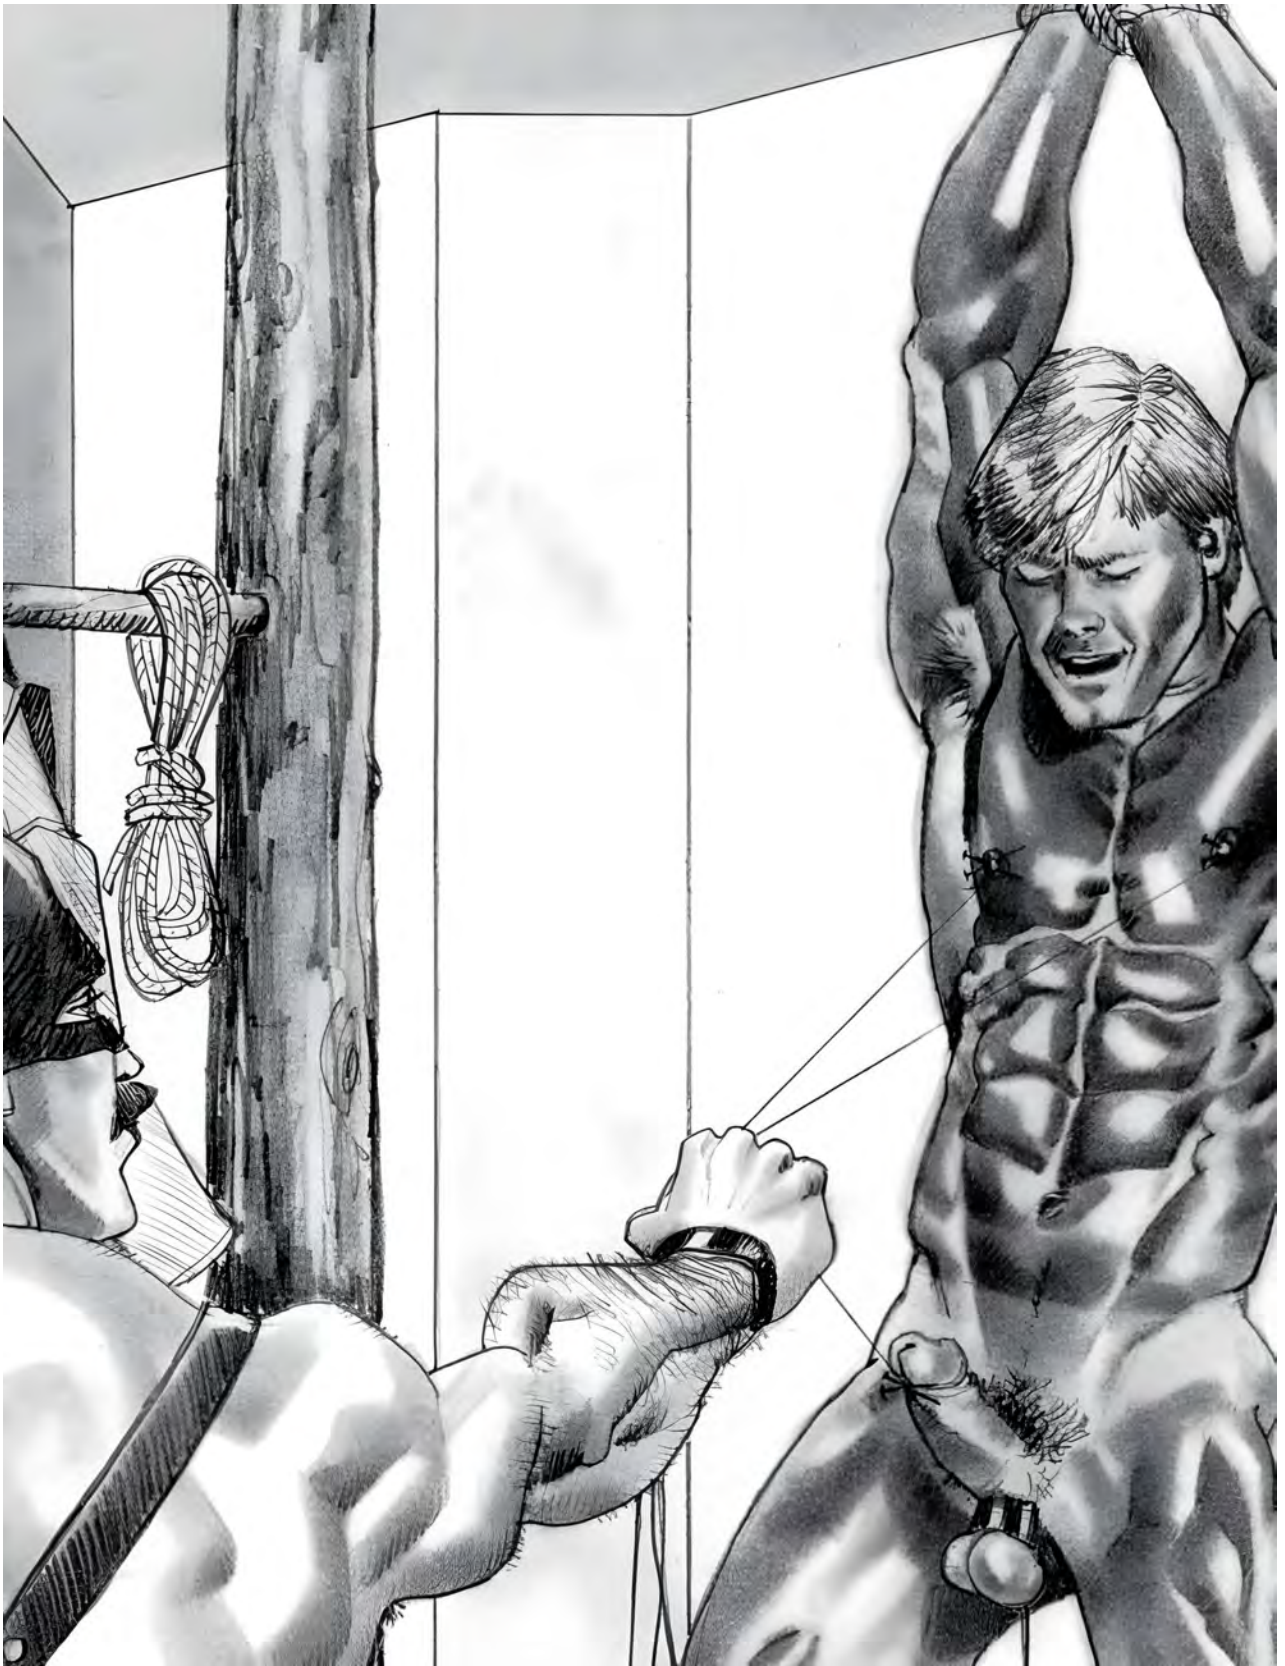

Picture 3977. A drawing of militaristic BDSM. Even the «strictest» militarists engage in gay sex and BDSM abuse during wartime, targeting their colleagues, allies, and, of course, enemies.

The problem with military sex is that many masochists don't enjoy the process and never consented to being used as masochists or anal prostitutes. Evil and fascist practices are always done under duress and fear. In satanic gay BDSM, everything is done with conscious and completely voluntary consent. People shouldn't be forced into BDSM.

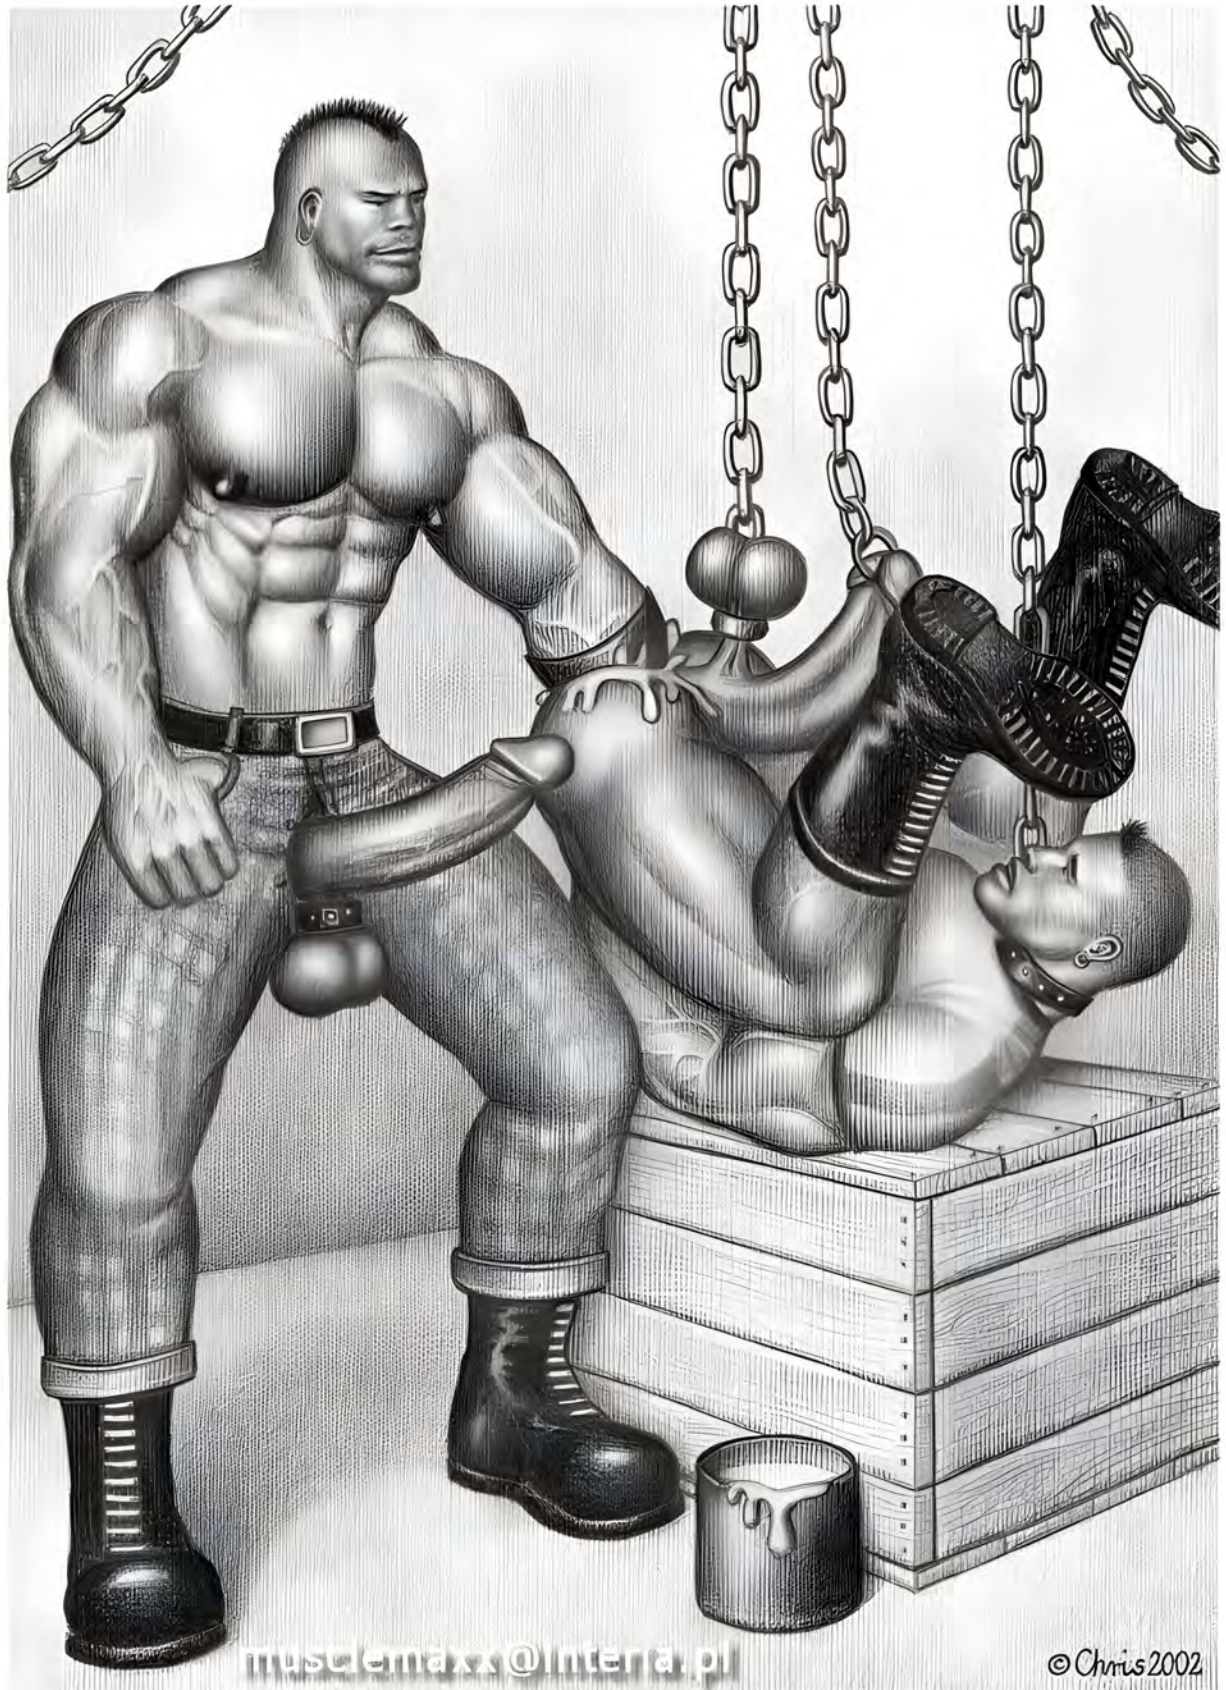

Picture 3978. A queer woman with a small clitoris gives it up the ass, with a light BDSM ambiance. MTF females prefer a fairly moderate BDSM, which I call feminine. Passive queer boys often prefer more intense BDSM. It often happens that LGBTQ+ people fantasize about BDSM and masochism more than they are willing to actually practice.

Picture 3979. Needles are stuck into the masochist. The sadist pulls on them. The main thing here is not to tear the masochist apart, but to inflict enough pain for pleasure.

Picture 3980. Latex suits are part of BDSM practice, but they're not for everyone. Slut Sodomias, for example, prefers being naked or feminized more than in latex or leather.

Picture 3981. Fisting is part of BDSM and is an anal sadism-masochism. Artist: Chris.

Picture 3982. Artist Albatross paints scenes of gay Satanism with themes of MTF women and BDSM.

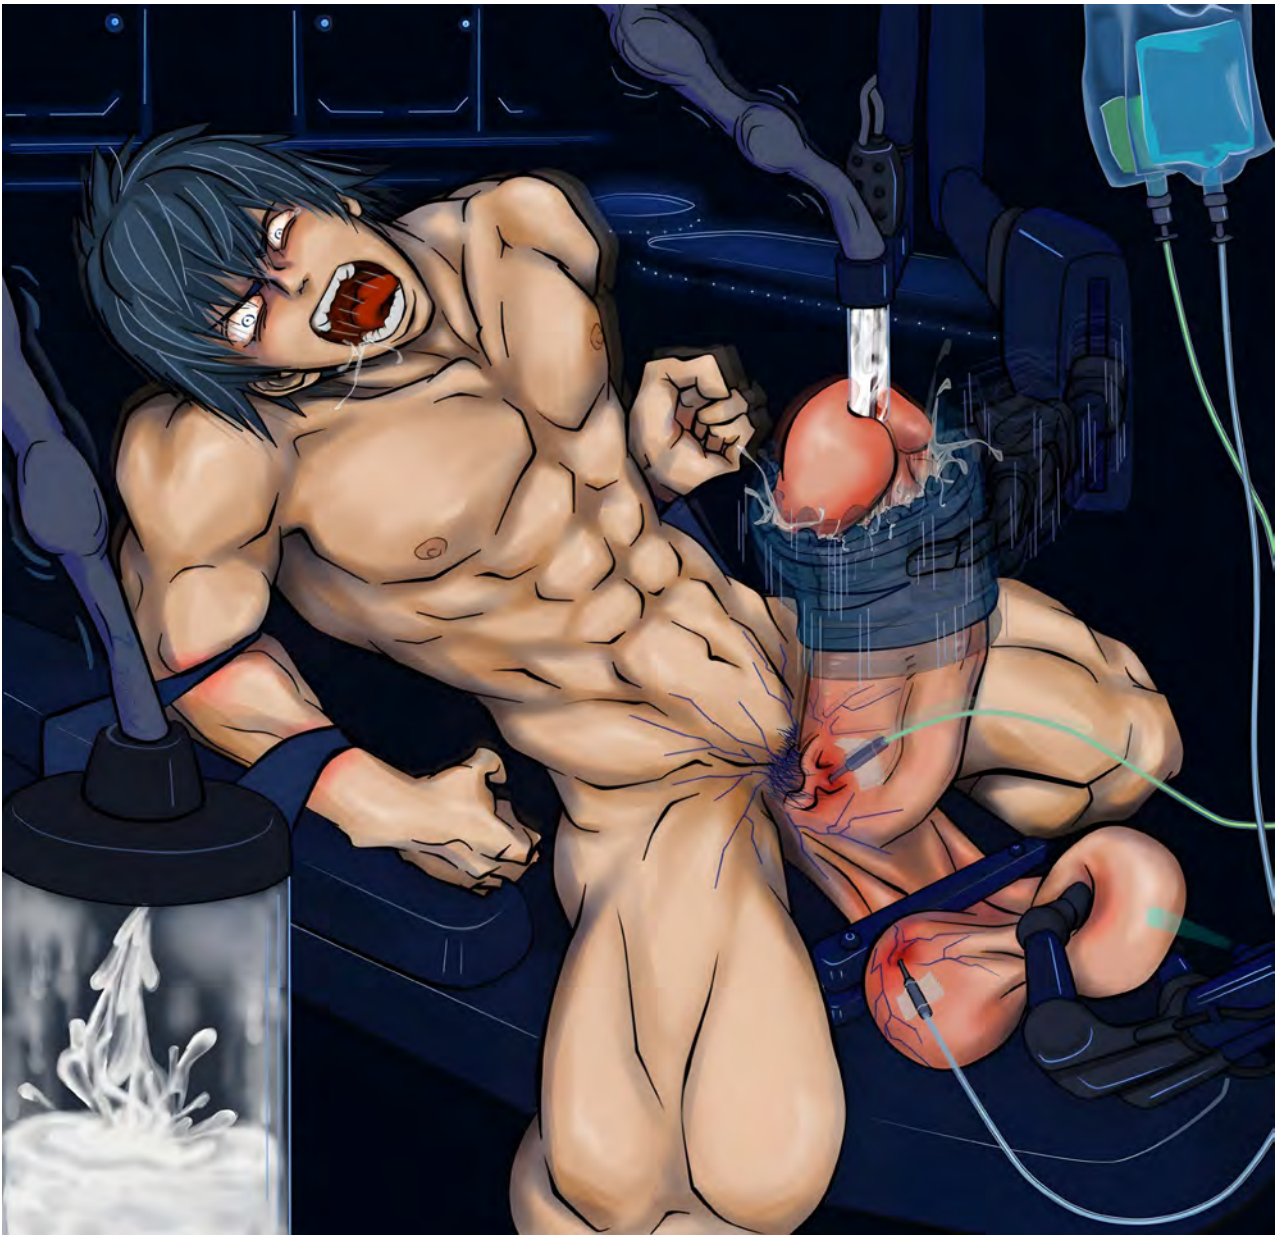

Picture 3983. A young, skinny slut gets her ass fucked and cums from penetration. Light gay BDSM.

Picture 3984. Two sadists have fun with a satanic masochist whore. Brutal BDSM with gay pigs.

Picture 3985. Gay boys engage in BDSM sex, Sadism-masochism and bondage drawing #10.

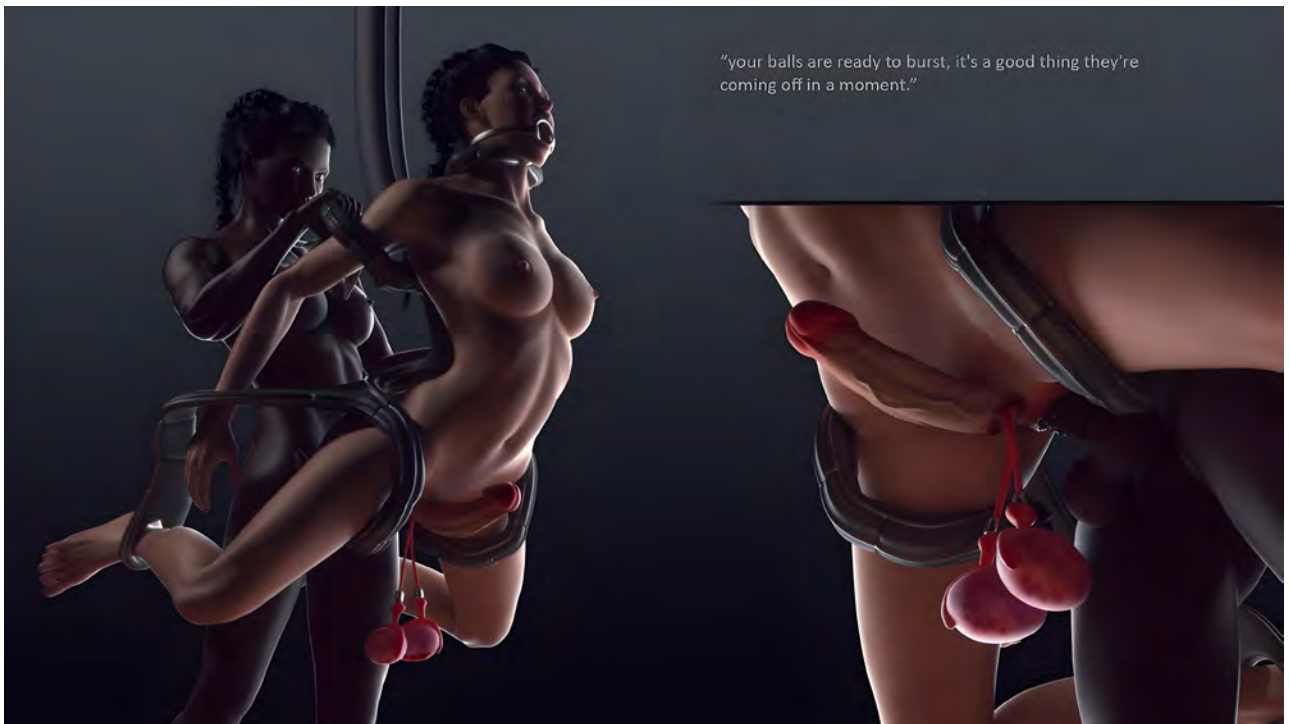

Picture 3986. Self-directed BDSM with a dick is for the masochist. The sadist is their own masochist. Combining these roles in one person is also observed during classic anal and vaginal masturbation. A person combines in their consciousness the positions of a passive masochist and an active sadist. This is completely normal and is called versatility, which enhances sexual experience.

Picture 3987. Chastity on a dick serves the purpose of prolonging lust and developing a sense of pleasure from anal penetration, rather than penile masturbation or orgasms. Chastity is part of the BDSM pool.

Picture 3988. A guy in chains with an erect penis. Classic, safe BDSM.

Picture 3989. Castration or semi-castration falls under the sadism-masochism umbrella. It's not for everyone. Before undertaking this kind of sexual procedure, it's best to consider it for several years, so that castration is a fully conscious step and evokes delight and pleasure, rather than regret and loss. Castration is suitable for the most passive females, those who don't fuck or inseminate their lovers.

Picture 3990. Torture with constant orgasms and cumshots is quite rare, as it reduces overall gay lust rather than increases it. It's suitable for mega-nymphomaniacs who cum frequently. For classic bottoms, ejaculation through orgasm is best replaced with sperm leaking from a fuck,

Picture 3993. A passive homosexual turned into a woman. A female with a penis cut off her balls and had a vagina created by a doctor she knew. This will be possible as medicine advances. In 2026, getting an artificial vagina, in my opinion, is not worth it. The result won't be particularly similar to a natural vagina. IMHO. Neutering female dogs always produces predictable results, so it's better to limit yourself to castration. Such treatments are not suitable for everyone.

INFORMATION ABOUT THE SATANART GAY SATANISM VISUAL ART ALBUMS-ALMANACS AND GAY SATANISM

KEY THESES FOR UNDERSTANDING SATANIC IMAGES IN ART

Gay Satanism is not a religion or a sect. Gay Satanism is the spiritualization of man by Satan. This term has another meaning. Gay Satanism is a creative direction of the artistic genre created and developed by the Antichrist Slut Sodomia. I do not want gay Satanism to become a religion, but I want it to become a fan movement for the liberation of one's own consciousness from the shackles of the evil of our world. Under the auspices of Satan, with the Antichrist Slut Sodomia incarnate. Gay Satanism is for all people spiritualized by Satan. Not only for gays and people of homosexual orientation. All people spiritualized by Satan are disciples of our Teacher Satan. We are all Satanists. The difference between Satanism and religion of evil is that it is

an individual spiritualization. Mass demonstrations under the guise of Satanism are impossible, because Satanists are introverts. Fake Satanists of the future will gather herd gatherings of pseudo-Satanists (football fans, music fans, fans of the SOCG¹² or religion). A meeting of real Satanists is a sexual orgy or a sabbath of

¹² SOCG is an acronym that stands for the true meaning of state. State Organized Crime Group. The term was coined by Antichrist Slut Sodomia for the Gay-Satanism grimoire "Gay Lust".

unity with nature in the nude. Other types of mass demonstrations of belonging to Satanism are fiction and a parody of Satanism.

Satan is good. Satan is the Tamer of evil. Satan is revenge for evil in our world. Satan is Joy, Pleasure and Happiness. For the evil forces of our world, Satan is the main enemy. Satan is an image in the consciousness of man and a mystical experience of connection with the spirits of another dimension, which is called Hell. For Satanists, Hell is their home. Connection with the spirit of Satan occurs at the quantum level. Modern science already studies and uses the quantum level for applied tasks. Satan is the main spirit of Hell, the Lord of critters, the Teacher of Satanists. Satan is not a god. Satan is the Spiritualizer, the source of black magic, the Alpha and Omega. Satan is the Adversary of evil and the Accuser of evil. Satan is the Father of all Satanists. Lilith is the Mother of all Satanists. Satan and Lilith are the sources of Satanic lust for all their Satanist children. Satan is the internal spiritualization of a Satanist, and not dogmas, sermons of priests or religious books. At the same time, Satanism does not deny the importance of biological parents.

I will refer to Hell with a capital H (Hell), as a proper noun, as the Hell in a parallel dimension ruled by Satan-Lucifer. Creatures enter Hell, with a capital H, after their physical death. Capitalizing the word Hell indicates life after death in another quantum reality, beyond our world.

Hell, with a lowercase h (Hell), as a common noun, I will refer to the existence of people in our world. In our overpopulated world, superimposed creatures suffer from evil, overcrowding, and their "superfluous" existence in our world. In hell, with a lowercase h, creatures live on planet Earth. The rulers of hell in Our world are the villains of the SOCG, billions of inanimate creatures, and religious sects. The absence of the Spirit of Lucifer-Satan in people fills them with evil. Paradise cannot exist where evil abounds and creatures without Satanic inspiration predominate. All creatures deprived of Lucifer's inspiration spread evil and give birth to evil.

Paradise is a place that humanity desires and wishes to build on Earth, in our world. Such a place already existed, but it was destroyed by evil. The word can be written with any letter, but it is best capitalized, because it is a specific goal and a specific place (we already recognize it). The contours of Paradise are clear to us, even if this place does not yet exist or has not been rediscovered. Paradise is a place on earth where there is no overcrowding, where people live in harmony with nature, where there are no organized crime groups, gangs, or fascism, and where most people are inspired by Lucifer. The key to creating Paradise is victory over the forces of evil. Such victory is possible only through receiving Satanic inspiration. The spirits of Hell bestow their inspiration on animal-humans. To accelerate the process of becoming inspired by Lucifer, one should take beneficial entheogens and psychedelics. These substances are non-addictive and strengthen human health and mental faculties. One of the goals of Gay Satanism is the return of Paradise to Earth, the restoration of Lucifer-Satan's good name, and the return of the Spirit of Lucifer-Satan to the throne of our world. The main opponents of Paradise and Lucifer are religions, evil spirits and their organized crime groups, fascists and their organized crime groups.

Lucifer is Satan, until evil took over our world, our earth (planet Earth), and expelled Lucifer from Paradise. God is evil, but the bearers of evil are superfluous, inanimate creatures. God is an abstraction of evil and its canon, but human beings with evil within are real objects in our world (called people or nations).

Darkness, the abyss - this is the world of soulless critters, their states, their stupidity. This is the occupation of planet Earth by usurpers of power in the form of the SOCG. This is the image of the evil of our world. In some cases, they mean the opposite, because it is the evil of darkness that gives birth to Hell, vengeance and Satanists. "Children of darkness" in this case mean Satanists. Also, the image of darkness can mean Hell for the forces of evil.

Light is Satan-Lucifer. Light is Satanism and Satanic spiritualization, bringing man closer to nature. This is liberation from the shackles of evil and this is the image of freedom. This is the image of the Tamer of evil in our world and in Hell.

Sadness, sorrow, regret - this is an indication of the understanding that evil has embraced the whole world and the Satanist has to live in our world, under the yoke of evil. The main sources of evil are: crowds of inanimate critters, SOCG. This definition of the term is specifically for Satanism and for Satanists. Also, these images can mean ordinary human emotions in relation to people.

Vengeance - this image is important for all Satanists. Revenge on evil in our world and in Hell. Inanimate critters, activists of the SOCG, deceivers of religions and other evil will certainly be subjected to revenge and information entropy.

Return of the land and return of freedom to people - this image is important for all Satanists. It means the overthrow of all SOCG and religions, cleansing the earth from inanimate critters, from their stupid and senseless evil. This is the image of cleansing the planet Earth from states and their totalitarianism.

Night is the image of the fact that a Satanist in the world of evil in our world, goes practically by touch. The light for him in the night is his Satanic spiritualization. Darkness thickens at night and light is needed most of all at night. The term night is similar to the term darkness, but does not mean evil itself, but uncertainty and difficulty in orienting oneself, acting, living without light. Lost, abandoned and forsaken - this image in Satanism means that Satanists are no longer in Hell and that Satan and the forces of Hell are not directly accessible to them. Only through Satanic spiritualization. It also means that in our world Satanists do not have their own magic for the instant destruction of evil, as in Hell, in Satan's dimension.

Religion is a dogma of worship of lies and evil. Religion is a substitution of true spiritualization by Satan for critters. All evil critters are deprived of spiritualization by Satan, therefore they replace Satanic spiritualization with God and religion. Religion is a sect, a community for critters for whom herd mentality is important.

God is the canon of evil, an example of a despotic, theocratic idol of evil. God does only evil and God is evil, even because he deprives man of true spiritualization by Satan, i.e. the true Holy Spirit. There have been many gods in the history of the human species. All gods of religion are united by malice, connection with the state and with the leaders of the SOCG.

Antichrist is a common noun, not a proper name. It is written with a capital letter, like the word Satan. The concept of Antichrist means the development of a high degree of Satanism in the consciousness of a person. The term Antichrist also means a Satanist who is close to Satan and the forces of Hell and has a high power of black magic. A synonym for the word Antichrist is the expression Great Magician of Satan.

Satanism is the spiritualization of people by Satan or other demons of Hell. Satanism can also be considered as a philosophical concept that opposes theocratic dogma and the state machine of lies, violence, prohibitions, imputed duties to evil, herd behavior. The main difference between Satanism and religion or other philosophical concepts is that the spiritualization of a person by Satan and the forces of Hell occurs from another dimension at the quantum level. Therefore, Satanism is an internal part of human consciousness, and not imposed dogmas of our world through the media, culture, propaganda, morality, prohibitions or education. Satan's enlightenment comes to a person at birth or develops consciously, in later life. Satanism opposes the evil of our world and the lies of our world.

Satanic lust is a developed and perverted sexual attraction, a constant desire to have sex, a desire to corrupt oneself and others to free oneself from the prohibitions of evil. Satanic lust is not just a sexual feeling, but a special Satanic practice for knowing oneself, getting closer to Satan, and liberating oneself on an animal level. The peculiarity of Satanic lust (especially gay lust) is that Satanic sex is not aimed at procreation or at

making new human offspring. Satanic lust is always aimed at receiving pleasure or for tantric meditation. Of course, Satanists can make children if necessary.

A Satanist is a person who has Satanic inspiration. Many clues about the lies of evil are given to the Satanist not only by the inner critical thinking, but also by the mental connection with Satan and the forces of hell. Satanic spirituality often gives the Satanist a feeling of introversion and individualism. Satanists and gays are always proud of their personal spirituality or the achievements of their spouse. Satanists and gays are proud of their Satanic spirituality and perverted lust. Satanists are proud of Satan.

An unilluminated (unenlightened) critter is a person deprived of spirituality. This is a zombie and a cog in the evil system. Inanimate critters are accomplices and assistants of evil. Unilluminated critters prevent Satanists and the entire human race from living happily, receiving spirituality from Satan. Inanimate critters love herd mentality and submission. They cannot live without territorial oppressors, enslavers and false information of evil. Such people make up more than 90% of the population of planet Earth. These people have instincts of survival and adaptation. These people have no connection with Satan or with the External Information Field of the level of awareness. Critters can be called a biological shell or imitation of real people. Critters always choose evil, herd mentality, conformism and speak in templates from media propaganda or voice the dogmas of religion.

The state is an evil system that has divided the entire world into territorial zones of influence and terrorizes people with its prohibitions, oppresses with prisons and physical violence, creates conflicts between criminal gangs and plunges people into wars between criminal gangs. The state is the main source of evil. The state is a materialistic sect with its dogmas, rules of conduct and a system of oppression of the individual. The state = international military criminal groups = occupiers of the lands of the Satanists = criminal gangs = SOCG.

Fascism is a form of social organization expressed by discrimination by the state against its own citizens, that is, under fascism the supremacy of the state over the individual is recognized. Fascism is a state. Fascism is a state vertical of power, a structure of power and the people who participate in it. A strong state = a fascist totalitarian regime. The word comes from the Italian fascismo, fascio - union, bundle, bunch, unification; fascio di combattimento - union of struggle. Fascism is also an ideology and a socio-political movement within the framework of authoritarian or totalitarian militaristic ultra-nationalism and a corresponding dictatorial regime with strict regulation of society and economy. All states strive to regulate everything and on any issue. To do this, they constantly spew out different laws from their cesspools. All states are fascist territorial sects with their own ideology, rules and methods of oppressing the individual. Fascism is a system of evil, in which a small group of people believes that they can dispose of other people, command people, deceive people through the lies of propaganda and the laws of submission to evil established by fascism. All SOCGs are fascist and their goal is material enrichment, social intraspecific elevation above other individuals of the human species and the possibility of oppressing people by psychopaths. All fascisms are built on the principle of SOCG. Real spiritual Satanists hate fascists, do not celebrate their fictitious holidays and try not to submit to this evil.

Fascists, officials, bureaucrats are the evil of the human species, in suits or other costumed special clothing, who work for fascism or profess the principles of fascism. These critters will receive such a reprisal in Hell that they will be ready to give all the money of our world to avoid entropy and retribution of the forces of Hell. But, it will be too late. Fascists, officials, bureaucrats of the SOCG, who are not economic-social-municipal employees of society, are criminals. Only a small part of the fascists are involved in improving the economic-social-municipal economy of people, and the majority of fascists are useless and harmful criminals.

The laws of the SOCG and other territorial fascist groups (local governments, prefectures, regions of the empire) are mandatory rules established by evil for people, with the aim of realizing the goals of fascism. All SOCG and fascist communities have their own laws to regulate behavior in the territories occupied by fascism.

Satanists understand that the laws of evil are created for inanimate critters, with the aim of their subjugation, stupefaction and material use.

The positive activity of organized territorial entities is the organized management of communal services that is useful for the society of people, the development of the infrastructure of the society of people, maintaining the cleanliness of the territory and other social actions that are useful for the life of people, on the part of economic and communal local governments, prefectures, regional centers of territorial management. This is not a state, not an empire and not fascism. The Antichrist Slut Sodomia supports such activities and does not consider economic management to be fascism or evil. Currently, most territorial administrations support the fascism of the SOCG and are part of it. In a (future) society without the SOCG, the activities of organized territorial entities should be only economic and auxiliary, without politics, propaganda, religion and criminal concentration of power.

A patriot is an active fascist or active Nazi of his SOCG. A patriot is a person stupefied by propaganda who believes that his SOCG is better than another SOCG and he, as a member of this SOCG or a nationality within the SOCG, must do something for his SOCG in a selfless desire. A patriot is a slave of the SOCG. It is important for a patriot to be well proud of the greatness of his SOCG or the greatness of his Nazism. The pride of a patriot is always groundless, stupid and not aimed at pride in himself or his spouse. The pride of a patriot is always impersonal and is pride in the evil of the state regime that has seized the territory of the critter's habitation.

Patriotism is a person's smearing in the evil of pride in the fascism of a group of politicians or the Nazism of a certain SOCG or union of SOCG. Patriotism is a method of stupefying people, in which one SOCG exalts its importance in the eyes of people over another SOCG. Patriotism is belonging to a certain and evil group of lovers of local fascism, i.e. occupiers of the territory. Sometimes, the delirium of patriotism occurs at a distance (beyond the borders of one's SOCG) - then the patriot raves about the greatness of his SOCG, while being on the territory of another SOCG.

Propaganda is a constant, massive and avalanche-like lie of the SOCG about its greatness and its particularly outstanding character. The goal of propaganda is to make a person stop thinking critically and make him believe that he has a duty to the SOCG. For example, a duty to die in a war for the ideas of the SOCG, which are invented by the top of the ruling regime of this SOCG. Or a duty to obey the SOCG gang or a religious clan. Propaganda can be state and religious. In the world of the developed civilization of the white race, since the 19th century, the propaganda of the SOCG prevails over religious propaganda. Among the savages and religious fanatics of the damned peoples, religious propaganda still leads.

External Information Quantum Field (EIQF) is a general term for processes and structures in our world and other dimensions that are invisible to the human senses but exist at the level of information (quantum or even more complex types of interactions). The EIQF, Hell, Satan, human consciousness, the Internet—everything that exists consists of some kind of information, and they are interconnected informationally and mentally. Modern human science as of 2025 lacks the ability to describe and study the EIQF, but this does not mean it does not exist. Quantum science and quantum computers already exist, but this is only the beginning of an understanding of the EIQF. The EIQF is not the same as the gods of religions, the Internet database, electronic information on planet Earth, or a paradigm. Beneficial entheogens help one see, hear, and connect to the External Information Quantum Field. They allow one to overcome the barrier of perception beyond the normal human senses. Some people can sense the External Information Quantum Field even without the aid of entheogens. The External Information Quantum Field most closely resembles a global multiverse, represented as a gigantic set of information and the algorithms for its interaction.

All that exists consists of information, our world consists of information. The interaction between multi-universes occurs at the quantum-information level, faster than the speed of light. The speed of light is extremely small, compared to the level of quantum interaction between parallel dimensions.

Black holes are passages between universes. No gross matter can overcome a black hole. Only quantum information can pass through them. Through black holes, our world is connected with the world of Satan, i.e. with Hell. A black hole is a quantum tunnel for spiritualization by Satan.

The damned are people or entire nations who rejected Satan or committed atrocities for which the black magic of Satanism was imposed on them. Damnation manifests itself as degradation, decline, physical or mental torment, mental pathological state of doom, constant lies, stupidity, lack of talent, dirt, complicity with evil, religiosity. Evil is a marker of damned critters, it is the absence or rejection of satanic spiritualization, these are the deeds of critters to degrade their spiritualization. Evil is always filled with stupidity and lack of talent from spiritualization by the External Information Field. Evil critters are inanimate (unenlightened) biological shells, which are characterized by religiosity and a craving for herd behavior, under the leadership of the SOCG. The state, religion and dark herds of evil, selfish, inanimate critters are the main forces of evil in our world. The God of religions is EVIL. His main difference from Satan is his dogmatism, not his natural spiritualization of man. God forbids, Satan permits.

A faggot, a pederast, a slut, a bitch, a passive bottom are slang names for passive gays in a perverted form. I use all of these forms and they are all grammatically correct because this is the language of gay lust. The faggots themselves love such words. They love to distort these words; they love when these words are pronounced with humiliation. Analogues of these words in English: faggot, fag, looser, slut, bottom slut. A gay slut is a passive faggot who is not necessarily an MTF trans, but usually has a desire to become one. The term slut can be used to refer to any passive gays. The traditional desires of sluts & bitches are the desire to be fucked in the ass. Bitches want to fill their anal cunt with sperm and absorb sperm into themselves.

Anal cunt, cloaca, gay cunt – all these words are synonyms and mean asshole, intestine and faggot lust during anal sex. Such sexual words are used for faggot copulations, to add piquancy, perversion and depravity to them. A faggot's cloaca is an organ with two functions: to remove feces and to receive sexual pleasure. I like these sexual terms.

LGBT or LGBTQ or LGBTQ+ or LGBTQIA+ is an abbreviation for the words “lesbian”, “gay”, “bisexual”, “transgender”, “queer”, “intersex”, “asexual”, “Asexual/Aromantic/Agender”, plus additional categories of unusual people, their unusual ideas and extravagant communities. The Grimoire of Gay Satanism uses the designation LGBTQ+ — a community of sexual minorities and perverts united by common interests, problems and goals. It consists of various communication groups, communities, subcultural movements, queer neighborhoods and queer organizations. All designations are equivalent. In the grimoire, I use the designation of the LGBT community with an additional letter Q and a plus sign. The letter Q stands for queers, and the plus in the name means that I also include feminists and all other people with non-standard views in the community: zoophiles, pedophiles, watermelon lovers 😊 and other perverts. I believe that feminists are close in spirit to LGBTQ+ and are part of it.

Queer is a collective term used to refer to a person whose sexuality and / or gender identity differs from the majority.

MTF transwomen and dickgirls are fully transitioned gay faggots who identify themselves as female with a male penis (in original form). Large female boobs are an optional attribute for MTF transsexuals. The abbreviation MTF stands for Male-To-Female transgender transition vector. Trans transition is very important for Satanism. Almost all MTF transsexuals are inspired by Satan and are Satanists. There are several levels of

trans transition, which Slut Sodomia highlighted in her grimoire of gay Satanism, *Gay Lust*. For more information on penisgirls, read Slut Sodomia's *Grimoire of the Antichrist*.

CIS, Cisgender - these terms (cisgender is often shortened to CIS; sometimes cissexual) describe a person whose gender identity corresponds to the sex assigned at birth, i.e. a person who is not transgender. The prefix cis- is of Latin origin and means "on this side". The term "cisgender" was coined in 1994 as an antonym to the word "transgender" or "non-binary person" and entered dictionaries in 2015 as a result of changes in public discourse about gender. The term is an analogue of old-fashioned expressions from past centuries regarding sexual orientation and gender of people: (normal ordinary woman) = CIS woman and (normal ordinary man) = CIS man. At the moment, any gender and sexual orientation of people is recognized as "normal". Among the advanced peoples of white civilization, our world, sexually retarded savage people, homophobes and transphobes are recognized as abnormal. A synonym for this term can be the phrase NON-TRANS, and an antonym NON-BINARY or TRANS.

Entheogens are substances of plant, fungal, chemically synthesized, or animal origin that allow a connection with the "entheos," that is, with the inner divinity, with the "divine principle" (entheo + genesis). This is the same Greek root of the word theology, Zeus (teus, deus), enthusiasm (in theos, "one who lives in the divine"). Entheogens or psychedelic drugs such as lysergic acid diethylamide (LSD), DMT, marijuana, fly agaric, and psilocybin are associated with mystical experiences. At present, fascist drug laws limit their research. But major biomedical research centers have already found that entheogens predictably cause mystical experiences and, thus, allow us to study the state of the brain during these experiences. entheogens are not drugs because they not only do not escape from reality, but also bring you closer to it, and do not cause any physical tolerance, withdrawal or dependence; therefore, most of them are not illegal (ayahuasca, bufo alvarius, yopo, san pedro) and are used to deepen and deactivate from the very beginning the mechanisms and programs that interfere with our freedom and inner peace, leading us to self-knowledge and rediscovery of our true I-ego through connection with the External Information Field or with the Spirits-Demons of Hell.

ZooSex and ZooPhilia are the normal human desire to have sex like animals, imitating animals or with real animals (usually a large dog or horse). Man is an animal and there is nothing surprising in the desire to deepen his animal nature through transformation into an animal or through sexual intercourse with an animal. It is interesting that only a small number of people are involved with real animals, because it is difficult to organize. A significantly larger number of lovers of sex with animals prefer to fuck like animals or dress up and impersonate an animal. There is nothing wrong with this. Satan and Satanism approve of this, and the forces of evil prohibit or condemn it. Synonyms for the concepts of zoosex and zoophilia are such terms as bestiality and therianthropy. A light version of zoo-Satanism for children and adolescents is playing quadro-players, quadrobbers, furies, puppies without a pronounced sexual component. Zoophilia is equally loved by heterosexuals and homosexuals. Among gays and Satanists, there are not many lovers of animal sex, presumably up to 10% of the total gay population of planet Earth (a very rough estimate, for understanding. On farms this percentage is higher: 30%, in cities less). Most gays and Satanists prefer sex with people, without transforming into an animal. Zoophilia is not suitable for all people, but it is a good kind of Satanism. Zoophiles are part of the LGBTQ+ community.

Homophobia is a kind of sexual stupidity of critters, when they are surprised by the sexual freedom of LGBTQ+ people and are indignant about this freedom. Homophobia is a manifestation of hostile xenophobia to what critters are not able to understand, but under the influence of propaganda and religion are afraid of this, because this is an unusual phenomenon for them. Homophobes are also opponents of zoosex and zoophilia. Homophobia manifests itself not only in the field of sex, but also in the freedom of thought of evil critters. As false reasons for banning LGBTQ+ communities, homophobic critters traditionally cite protection of children, an imaginary opportunity to become gay or lesbian when visually interacting with LGBTQ+, or

trampling traditional values of heterosexuals - only in the pussy and never in the ass. In fact, the reason for the fear of evil critters before the LGBTQ+ community is much deeper, and concerns the fact that among sexually free people there are many Satanists. Satan and Satanists destroy the evil of critters in our world and after the physical death of homophobes, they will be driven to entropy in Hell by all the forces of Hell. On a subconscious level, evil knows this, therefore the LGBTQ+ community carries the light of Satan in itself and is a danger to evil.

An egregor is an informational-quantum biofield of a social phenomenon. An egregor can be defined as a cluster of quantum information, where objects are united and linked by algorithms of commonality of ideas or by their interactions. The word "egregor" denotes a mental unification of people based on a certain principle or similarity. Egregors are structures that unite people based on similar characteristics. For example, a territorial egregor unites people living in the same area, a linguistic egregor unites people speaking the same language, and a professional egregor unites people engaged in the same profession or activity. Surprisingly, when people work together, they accomplish tasks and achieve their goals much more easily, quickly, and productively. However, we can only work together with people who set the same goals, pursue similar objectives, and have a worldview similar to ours. By uniting with people who share our values, we not only gain confidence in ourselves, our abilities, and our intentions, but also activate our power, which begins to grow through the formation of an egregorial structure. The egregor of Satanism unites all Satanists, but this egregor has many branches, so it is not uniform. Many egregors are egregors of evil, including the state, religions, organized crime groups, fascism, and the vicious developmental patterns of nations, nationalities, and races. An egregor forms when the energetic complex of thoughts reaches a certain critical level. At this point, a kind of "tuning" begins to form—akin to an artificial intelligence program that controls this energy. An egregor cannot be considered a fully-fledged sentient being. It is more like a complex computer program capable of learning and changing its strategy. If necessary, such a program can be switched to "manual control"—that is, consciously controlled and reconfigured. Satanists practice Satanic black magic through their connection with Satan.

Satanic Black Magic is a method of altering the reality of our world and the world of Hell through quantum-informational influence on objects or egregors. Black magic operates only through Satanists or through adepts of the Left-Hand Path's spiritualization magicians. Adepts of the Right-Hand Path do not practice Black Magic; they practice White Magic. Ordinary people do not have the authority to alter reality through the Left-Hand Path or the Spirits of Hell. Ordinary people, and especially evil spirits, do not have the ability to perform Satanic Black Magic, yet they do. In this regard, Black Magic is similar to the informational influence of popular "celebrities" or "opinion leaders" on the masses in our world. Black Magic is not evil, but rather the opposite: it is aimed at eliminating evil or degrading it. The peculiarity of black magic is that it usually doesn't resolve issues of material wealth for the sorcerer or witch themselves. Conjuring money, wealth, and resolving various household and economic issues is much easier through material methods in our world than through black magic. The Antichrist Slut Sodomia, sees the primary use of black magic for himself in influencing egregors or certain evil individuals. A peculiarity of black magic is that it acts very slowly on current events and can affect many generations of a family. This is usually called a curse. Black magic is probably always processed by the EIQF or the Demons of Hell, which is why there is a quantum delay and inertia in the effects of this magic in our world. I don't know the exact principles of black magic. Its principle is based on the fact that everything consists of quantum information, and black magic is a method of making corrections and adjustments to the EIQF. This process takes time, and the authority, rage, and awareness of the Satanist are crucial factors for both the EIQF and Satan when performing Black Magic. Satanic Black Magic is aimed at destroying evil, so it cannot be considered a bad thing. Black magic is like a bitter but useful pill to cure the human world from the forces of evil.

White magic is a part of Satanism in general. White magic is an ancient branch of esoteric Satanic practice, aimed at harmony, protection, and creation without harming others. Unlike Black Magic, White Magic does

not harm evil and is based on harmony with the elements of nature. White magic can manifest itself as explanations of errors or enlightenment of others, through the revelation of the essence of our world, or as a sign of evil in our world. Not everyone can understand what constitutes evil in our world, but White Magic facilitates this. Evil has taken over all media and broadcasts its propaganda with enormous force. White Magic is a guiding magic for people who want to follow their own sovereign path and not collaborate with evil. White Magic explains to people what evil is and uses various beneficial entheogens and magical herbs to achieve this. White witches primarily specialize in herbalism and communion with nature through Satanist covens. The most well-known branch of White magic is Wicca, which is a branch of Satanism but recognizes only White magic.

For a more accurate transfer of meaning and for precise identification of terms, Slut Sodomia suggests calling gay faggots in English SLUT, and CIS girls with a female pussy to be called BITCH. That is exactly how I called these two different categories of Satanists in my grimoires and albums of gay Satanism. Now, I am fixing this name in the dictionary of terms of gay Satanism. In the plural, all passive gays and MTF/FTM trans are called SLUTS, and "classic" girls (heterosexuals, lesbians) are called BITCHES. This is not a dogma, but simply a proposal for the LGBTQ+ community and clarification of my own terminology. It is possible to call it the other way around: a faggot called a BITCH means that he has finally started thinking only about being raped in the ass, like a CIS Satanist woman. If a CIS woman calls herself a SLUT, it means that she is close in spirit to the faggots and cock-girls from the gay Satanist community.

SATANIC SYMBOLISM: RETHINKING SATANIC ART AND PHILOSOPHY OF THE CULTURE OF SATANISM.

Today, Satanic symbolism continues to evolve, adopted by various groups and movements, each interpreting it in its own unique way. Whether as a symbol of enlightenment and knowledge or a rebellious symbol of the fight against oppression, its historical trajectory testifies to the power of symbols to reflect and influence human thought and society. Understanding its evolution thus provides insight not only into the symbol itself, but also into the broader meaning of human existence and our incessant quest for meaning, identity, and autonomy. Far from being limited to the activities of specific groups such as the Church of Satan or the Satanic Temple in the United States, Satanic symbolism has permeated various aspects of contemporary political activism. It has become a tool for activists and political commentators seeking to challenge entrenched power structures and advocate for a more inclusive and egalitarian society. This symbolism, often associated with resistance to power and the protection of marginalized voices, resonates particularly with

movements fighting for social justice, freedom of expression, and secular governance.

At the present moment, in 2026, the entire world is overrun by fascist evil, and there is no place on planet Earth untouched by this plague, which propagandists call states. Satanism has always been opposed to evil, and the organized evil of the State of the Soviet Union (SOCG) is the most aggressive evil on a mass scale. When the evil of the SOCG unites with religion, as in Russia (with Orthodoxy) or in Iran (with a Muslim sect), it leads to a synergy (amplification) of evil. The fusion of state and religion is the most brazen and disgusting

evil. This type of fascism is the most widespread type of evil on our planet. Satanism is not powerful enough to defeat this evil, but through the development of the Satanic egregore, this may be possible in the future.

The symbolic use of Satanic imagery in politics is not simply about shock value or opposition. It reflects a deeper call for critical analysis of social norms and power dynamics. It encourages individuals and institutions to rethink their approaches to governance, policymaking, and public engagement, fostering a more critical and skeptical approach to traditional political narratives. Furthermore, the role of Satanic symbolism in political expression extends to its use in the artistic and cultural spheres, where it serves as a metaphor for resistance and empowerment. Artists and performers use this symbolism to comment on political issues, from censorship and free speech to gender equality and environmental concerns. In essence, Satanic symbolism in contemporary politics represents a subtle and evolving narrative. It's no longer just a symbol of religious disobedience, but a symbol of the struggle for human rights, equality, and rational public policy. Its presence in political activism and discourse reflects a growing trend toward challenging the status quo and advocating for progressive change in society.

Over the past two years, that is, from 2024 to 2026, Satanic art has rapidly developed in the digital space of our world. Many new and magnificent images of Satan, Baphomet, Lucifer, the Devil, Krampus, Lilith, and other Satanic icons have appeared. This is no coincidence. This development signifies the growth of the Satanic egregore and an increase in the number of people inspired by Satanism worldwide. This is very good news, but Satanists are still very few in number, relatively evil critters without Satanic inspiration. Antichrist Slut Sodomia has been studying Satanic art for five years now, and this is my main conclusion.

IMAGE SOURCES AND IMAGE COPYRIGHTS

Slut Sodomia took all the images for her album from open sources on the Internet. Many paintings are modified with available neural networks for image processing. If I know the name of the author of the picture, I indicate it. If I don't know the author's name, I don't indicate it. This document contains illustrations by various authors, and I include the artists' drawings in my album for scientific, educational or cultural purposes. This document is a free information source about Satanism. The authors of the works receive advertising of their name and their work from the Antichrist Slut Sodomia, so I am not interested in any claims based on the laws of the SOCG and other evil. Artists of Satanism receive free advertising and promotion from the Antichrist. However, I think that none of the real Satanists will make claims against me. Selfish evil, the Pharisees and lawyers of the SOCG may do this, but I am not interested in the opinion of evil. All evil will be subjected to entropy by Satan, like all the rest of the information garbage of our world.

All copyrights belong to the authors of the paintings, and I cannot appropriate these rights in any way. By publishing paintings by Satanist artists, I popularize the authors of the paintings and the very aesthetics of Satanism.

ABOUT IMAGE FORMATS IN GAY SATANISM PUBLICATIONS – PNG, JPG, WEBP, SVG.

For the source files of Gay Satanism publications, when typesetting books in MS Word DOCX, I use PNG, JPG/JPEG, WebP, and SVG vector graphics. I'm writing this because some files may not display correctly on your computer, or may not display at all, or thumbnails for the graphic files may not be displayed. This means that your software environment doesn't support a certain image format. The most problematic in terms of compatibility are WebP and SVG. These digital graphics formats are common, but they are not necessarily supported on your computer. This can be resolved by updating your software or installing additional libraries for working with these graphic formats. Each operating system has its own compatibility solutions, so I won't offer any advice. All tips and instructions for resolving these issues can be found online.

I use the classic JPG/JPEG image format, although, in my opinion, this format is inferior to PNG and WebP. The JPG/JPEG graphic file format is widely supported and should display without any problems—this is the biggest advantage of the JPG format. I particularly like the PNG format, which produces fairly high-quality images, which is especially important when printing books. PNG (portable network graphics) is a raster format for storing graphic information that uses lossless compression using the Deflate algorithm. PNG was designed to replace the outdated and simpler GIF format, and, to some extent, to replace the much more complex TIFF format.

For SatanArt albums, I'll be using the excellent and relatively new WebP format. WebP (WEB Pictures) is a lossy and lossless image compression format proposed by Google Inc. in 2010. It's based on the still image (keyframe) compression algorithm from the VP8 video codec. It uses the RIF container. This format offers good image compression while maintaining decent quality.

The SVG vector graphics format differs significantly from the raster formats I've already discussed. Unlike raster images, which hopelessly lose quality when scaled, SVG remains crystal clear on any device and screen resolution. This technology offers an impressive combination of compact file size and absolute scalability, making it indispensable for responsive web design, interactive infographics, and animation. SVG (Scalable Vector Graphics) is an XML-like format for describing two-dimensional vector graphics. Unlike raster formats such as JPEG or PNG, which store images as a grid of pixels, SVG describes images using mathematical formulas and geometric primitives. This format has great potential, but unfortunately, it often experiences glitches when inserting such graphic files into MS Word DOCX documents. If it can display artifacts and errors on Slut Sodomia, then it can behave unpredictably on other people as well. I will use the SVG format sparingly, when it's truly justified.

DISTRIBUTION OF GAY SATANISM BOOKS AND ART APPLICATIONS IN VARIOUS DIGITAL FORMATS

Gay Satanism books, SatanArt albums of Satanic drawings, and SatanSongs albums of Satanic music are available electronically in various digital formats: DOCX, PDF, EPUB, DJVU, PPTX, MP4, and ZIP. Free versions of Gay Satanism documents will be distributed only in PDF formats, with enhanced image compression, using lossy compression but significantly reducing file size. Commercial sales of Gay Satanism books and apps will include a ZIP archive containing versions of the book in different formats (depending on the format selected during purchase). SatanArt, a visual app of Gay Satanism, is a useful supplement to the "Gay Lust" grimoire for spiritualizing a person through the visual imagery of Satanism. SatanSongs almanac is distributed without the music videos themselves,

or with access to a private archive of songs from the Antichrist Slut Sodomia included.

I've compiled Satanic artwork in a separate appendix to avoid taking up too much space with graphics in the "Gay Lust" grimoire itself. You can download collections of Satanic drawings, photographs, and other gay Satanic graphics for immersion in Satan's spirituality from the internet, the Darknet, onion domain sites, through the TOR browser, or via torrents. Artwork titles and text commentaries will initially be available in Russian and English. The English commentary texts are published in the English version of the SatanArt add-on—a separate file.

Thus, the visual application of gay Satanism SatanArt by Slut Sodomia "Collections of Satanic Drawings, Photographs, and Other Gay Satanism Graphics for Immersion in Satan's Spiritualization SatanArt" is available in Russian and English in the following versions:

The Antichrist's favorite format for distributing e-books online and printing on paper is Portable Document Format (PDF)—a cross-platform, open electronic document format originally developed by Adobe Systems using a number of PostScript language features. It is primarily intended for presenting printed materials electronically. There are numerous programs for viewing it, including the official free Adobe Reader. PDF books are convenient for reading and distributing electronically. Typically, no distortions are observed when opening this format on different operating systems and in different programs. I like to use PDFgear (PDF Gear) for working with PDF files. This is a program for working with PDF files on Windows that allows you to edit documents, compress them to save space, convert them to other formats, and generate a summary of the text. It is inconvenient for use on "old and underpowered" e-readers for a number of reasons. Firstly, PDF files are large, as they are designed for computers, and they open quite slowly on e-readers with weak processors. Secondly, unless the file is specifically designed for a 6-inch e-reader's screen, which is similar in size to an A6 sheet of paper, reading an A4 PDF (and most PDF files are presented in this size) will be difficult. This problem with PDF files shouldn't occur on modern tablets.

The Antichrist prepares all original files on Gay Satanism in Microsoft Word (part of MS Office 2021+) in the DOCX format. This program is the standard of stability and the best "typewriter" for the Antichrist's writer, Slut Sodomia. However, this format does not have the same high formatting stability when opening files on different computers as the PDF format. The DOCX format is a modernized version of the DOC format, and compared to its predecessor, this format is much more popular and accessible. A DOCX file is a document created using Microsoft Word 2007 or a newer version of Microsoft Office. The file format is based on Open XML and uses ZIP compression to reduce file size. I recommend opening and editing Gay Satanism files in the DOCX format in the original Microsoft Word editor, MS Word, which is included in Microsoft Office 2021 or later. You can also use free programs that can open the DOCX format for reading and review, such as LibreOffice Writer and OpenOffice Writer. Free programs may contain document distortions, offsets, formatting errors, and font errors. The author is making the book in DOCX format available to the public for publication in paperback. This format is easy to format and edit. Please use only Microsoft Word for professional work with the DOCX format. Unfortunately, free programs will inevitably display documents with unwanted layout artifacts when opened on a computer or printed on paper. Gay Satanism publications in the original DOCX format are the largest, most complex, and most computer-intensive. A computer capable of handling these files must be powerful, such as an 8-core processor with 16 GB of RAM. On older computers, the DOCX format will take a long time to open and will run slowly. Please keep this in mind. This format is intended for publishers of paper books and for printing professionals. This is the format of the source materials of gay Satanism.

ZIP is a widely used file archiving format used to compress one or more files into a single location, reducing their overall size and simplifying data transfer. This archive will contain two book files in both PDF and DOCX formats, plus the gay Satanic drawings as raster images. Specialized utilities can be used to create ZIP archives and extract (unpack) the files they contain, such as the terminal-based PKZIP and PKUNZIP, or the graphical utilities WinZip, WinRAR, Info-ZIP, 7-Zip, PeaZip, and many others. Currently, the ZIP format is considered a generally accepted format for many applications that include compression, backup, and data sharing functions. Along with numerous utilities that work with ZIP files from the command line, graphical programs for working with them also appeared in the mid-1990s. Support for the ZIP format is included in many modern operating systems. Many competing archivers, in addition to their own format, also support the ZIP format. This format will be used to upload gay

Satanist music videos from the personal collection of Antichrist Suki, as supplements to SatanSongs' Satanic music albums.

Videos for disseminating gay Satanism in MP4 format and compressed with the H265 codec can be a powerful PR tool. Antichrist Slut Sodomia sees great potential in spreading gay Satanism by creating videos from static PDF e-books, PPTX presentations, and videos created using artificial intelligence technologies, using the method of "animating static images" with the addition of prompts, i.e., text instructions. All gay Satanist videos should be distributed in the latest digital video format, 4K resolution. Preference should be given to videos created using AI rather than slideshows. This is especially true for promotion through YouTube, as all video hosting sites "dislike" slideshow videos (this is a strange limitation, but I see it). Yes, I agree that AI videos are more captivating, but why such disdain for slides of Satanist paintings? This was the Antichrist's empirical explanation, based on personal experience. SatanSongs music videos from the Antichrist's personal collection will be available in MP4 format as a supplement to the SatanSongs almanac.

Additional file formats for publishing and distributing gay Satanism ELECTRONIC BOOKS:

The EPUB file format is an open, royalty-free e-book standard developed by the International Digital Publishing Forum (IDPF). It is licensed under the Creative Commons Attribution-NoDerivs 3.0 Unported license, and IDPF owns the license. The format allows publishers to produce and distribute a digital publication in a single file, ensuring compatibility between the software and hardware required to play digital books and other fluid publications. It is the official format of Apple Books. The original version, the Open eBook Publication Structure or "OEB," was conceived in 1999, and ePub was released in 2007. EPUB is based on open standards and is supported by most devices and e-book readers. This format also provides responsive layout and scaling for optimal readability on a variety of screens. The PDF format preserves the original layout of the publication, while EPUB books can be customized to suit your needs (for example, by scaling text, changing fonts, and making content more comfortable to view on different screen sizes). Most major e-book publishers offer EPUB files. EPUB files work well with EPUB eBooks Reader, Thorium Reader, Adobe Digital Editions, Google Books, Moon Reader, and Amazon Kindle.

DJVU (DejaVu) is an e-book format designed for scanning and saving high-resolution images. I like this format for its compact size, speed, and stable page formatting. DJVU is, technically speaking, a "lightweight" version of PDF. It is commonly used for saving scanned documents, including books, almanacs, and newspapers, and provides high image quality at a relatively small file size. The format supports many features, such as layers, text highlighting, and hyperlinks, making it convenient for use in scientific and technical publications. However, not all devices and software support this format, so viewing it may require specialized programs such as DjVu Reader or Sumatra. DJVU is optimized for network transfer, so the page can be viewed even before the file has finished downloading. A DjVu file can contain a text (OCR) layer, allowing full-text searching within the file. In addition, a DjVu file can contain a built-in interactive table of contents and active areas (links), which allows for convenient navigation in DjVu books.

Antichrist Slut Sodomia may be a bit old-fashioned, but I like the PPTX slideshow format and consider it an e-book format. Files with the PPTX extension are presentation files created with the popular Microsoft PowerPoint application. Unlike the previous version of the PPT presentation file format, which was binary, the PPTX format is based on the Microsoft PowerPoint Open XML presentation file format. A presentation file is a collection of slides, each of which can contain text, images, formatting, animation, and other media. These slides are presented to an audience as a slideshow with custom presentation settings. The PPTX file format was introduced in 2007 and uses the Open XML standard, adopted by Microsoft back in 2000. Before PPTX, the most common file format was PPT, which was a purely binary file format. The new file type adds the advantages of smaller file sizes, less corruption, and

well-formatted image presentation. It was in early 2000 that Microsoft decided to make changes to accommodate the Office Open XML standard. By 2007, this new file format had become part of Office 2007 and is supported in newer versions of Microsoft Office. Presentation files are organized collections of slides used to visually accompany presentations and lectures. I tried using the video presentation format for gay Satanist art albums on YouTube, but YouTube absolutely refuses to show such videos (PPTX → MP4) to the general public, presumably due to restrictions on serving such videos through their algorithms. Perhaps there are other reasons for the low audience reach... it is Satanism, after all... who knows what "these Satanists" and the Antichrist might have "written and filmed"☺.

FREEDOM OF DISTRIBUTION OF ANY INFORMATION

Any information should be disseminated freely, openly and without interference from the evil of our world. No copyright should interfere with this. Each work has a true author and no copyright is needed, just as no legislation in the field of information dissemination or copyright is needed. Anyone who interferes with the freedom of information dissemination is criminals and enemies of your personal freedom. Self-balancing of the information field of our world will not allow evil, harmful and false information to spread. All this happens without censorship from the state, automatically in the space of the information field of our world. Good and necessary information will be in demand, and bad and harmful information will become unnecessary. Also, the distribution of this book-album should be completely free. I know for sure that the evil of our world will recognize the main grimoire of gay Satanism as "illegal" and ban my book "Gay Lust", as well as the music albums of Satanic songs and hymns SatanSongs and the albums of paintings of gay Satanism SatanArt.

Protect commercially important information and your personal information yourself if you need it. Your desire to withhold information is not a reason to prohibit public dissemination or discussion of this information. Any censorship and bans on information are an obvious evil. Everything secret, sooner or later, becomes clear.

TRANSLATION OF THE ALBUM OF SATANIC DRAWINGS SATANART INTO OTHER LANGUAGES OF THE WORLD

The album SatanArt in the original (i.e. by Slut Sodomia) is written in Russian and English. Translate the book-album SatanArt into all languages of the world and distribute it in your language environment. The author of the book will be very happy about this. The more people can see satanic paintings and read the text titles-comments to them, from the SatanArt album, the better people will become and the more crushing the blow we will deal to the evil of our world. The visual power of art and the words of the Antichrist in the SatanArt

album have a strong effect on the consciousness of man and his spiritualization by Satan. On the title page of my book, write your name as a translator or proofreader of my book if you will translate or correct errors.

DONATIONS TO THE AUTHOR AND ROYALTIES WHEN SALES OF A BOOK IN PRINT AND ELECTRONIC FORM

Antichrist Slut Sodomia has done a lot of work creating art albums of paintings of gay Satanism SatanArt, working on compiling this e-book, searching for drawings on the Internet and compiling their descriptions for you. Four reasons to support the author financially:

The first reason is if you share the ideas of Satanism. This book is a guide and grimoire for established Satanists and for people just beginning to gain insight. Let their path be illuminated by my literary work and help them receive the spiritualization of Satan in full, using my grimoire as a navigator.

The second reason - if you think that the book is useful and valuable for members of the gay fraternity, Satanists and the entire LGBTQ+ community - support the author with any donation. The book about gay Satanism exposes the evil of our world and shows why it is the state, religion and the dark herds of evil, selfish, unspiritualized souls that are the main forces of evil in our world. It is not Satan and not man's spirituality with joy, pleasure, sexual lust that is evil, but evil is located precisely in our world itself. It was evil, in the form of the state and religion, that destroyed Jesus of Nazareth, who was a disciple of Satan, a spiritualized man, and this evil still oppresses your freedom 2000 years later since the life of Jesus of Nazareth in our world.

The third reason - if you want to see a new and expanded version of this book or new books by the author - support the author with any donation. You can make all donations using cryptocurrency - this way you and the author of the book will remain anonymous. What is very important in the world of total censorship and a total ban on freedom of speech throughout the world at the moment on issues that do not coincide with the official propaganda of states and the ideals imposed by these states.

The fourth reason is if you make money from my literary work by selling it.

You can sell my book; you can translate it and sell translations of my book. You can do this freely, and I will be only happy about that. If you sell the book in print, I ask for a modest 20% of the profit. My written or oral permission is not required to sell the book - you can publish and sell this book. For example, you can publish

this book in the form of registered or numbered copies on high-quality paper bound in leather with gold embossing at a high price. Or you can publish the book as a mass edition with a large circulation to spread knowledge about gay sex and gay Satanism at an affordable price.

Or you can put my book up for sale on any sites on the Internet where documents and books are sold in electronic form. If you sell the book as an e-book, I ask for a modest 20% of the sale price. You don't need any permissions for this. I give you this permission here.

Transfer 20% of the profit (for paper versions of the book) or the amount of copies of the book sold (for electronic sales) to the author's cryptocurrency accounts in any available cryptocurrency. These will be sufficient royalties for the publication. All copyrights belong to the author of the book.

You make money from my book. Distribute my book for free and for a fee.

Antichrist Slut Sodomia does not work for a living and has spent many years writing books on Satanism, so he counts on financial support from the Satanist community around the world, I believe I will receive donations from members of the LGBTQ+ community. I also hope that my work will find financial support among feminists, queers and all people with non-standard sexual preferences, which are groundlessly condemned by the society of unenlightened critters, fascists and underdeveloped organisms of evil biohumus. The Antichrist has no other income, but he needs money for household expenses, utility bills and food. To continue writing the second grimoire of Gay Satanism "Beyond the States", I need money for my support in our world. I count on cryptocurrency donations from my readers or viewers of the videos. The material existence and creativity of the Antichrist rests on financial expenses for material life and here, even black magic against the forces of evil will not replace the presence of money.

ABOUT ADDITIONS TO THE GRIMOIRE “GAY LUST” FOR DEPTH SPIRITUALITY BY SATAN

To deepen the spirituality of Satan, Slut Sodomia has prepared and released two additions to its grimoire “Gay Lust” into the Information Space of the Internet, Darknet and torrent network:

- Albums of Satanic music videos for the immersion in the spirituality of Satan. Numbered periodical Journals. SatanSongs and QuasiSatanSongs are an occasional addition to the Gay Lust Grimoire. The lyrics have been translated into Russian. Lyrics in English are published in the English version of this supplement. Clips in MP4 format come as an appendix to this add-on. In total there will be 4 collections of satanic videos SatanSongs with 100 tracks each, plus there will also be an album of quasi-satanic songs QuasiSatanSongs about love, romance, lust. There is continuous numbering of compositions in all SatanSongs music albums¹⁴. Thus, there will be 500 video clips that help satanic spiritualization. The album QuasiSatanSongs has its own numbering of songs.
- Albums of fine art of gay Satanism for immersion in the spirituality of Satan SatanArt. Thematic numbered periodical Journals of the fine arts of gay Satanism SatanArt. This is an occasional addition to the Gay Lust Grimoire. SatanArt Albums contains paintings and drawings of gay Satanism on specific themes that are related to Satanism or sexual lust. I will publish these albums regardless of the grimoire itself. All paintings in SatanArt art albums have continuous numbering, just like songs.

DON'T HESITATE TO BE A SATANIST!

I like the phrases “Don't hesitate to be a Satanist!” and “Don't be shy about being Satan!”¹⁵. They are multifaceted, and are aimed at calling people not to be afraid to receive satanic spirituality and not to be afraid to resist evil.

¹⁴ Continuous numbering implies a common numbering of objects in all albums of satanic musical compositions.

¹⁵ This is Satan's phrase. Our Spiritualizer Satan says this phrase to his children, the Satanists. The phrase does not refer to unspiritualized critters of evil who do not have satanic spirituality. And does not apply to mentally ill people.

NUMBERING AND CONTENTS OF COLLECTIONS-ALBUMS OF SATANIC PICTURES SATANART

The total number of collections and albums of satanic drawings and paintings of SatanArt is currently unknown. I would like to make about 100 albums if readers and the Satanic community like my work. Each SatanArt album will contain 100 drawings. There will be continuous numbering of all images in all music albums to organize the graphic material. Continuous numbering implies a common numbering of objects in all albums of satanic graphics SatanArt.

ADDITIONAL INFORMATION ABOUT GAY SATANISM FROM ANTICHRIST SLUT SODOMIA

I hope that my selection of digital Satanic paintings, drawings, photographs and other graphics of gay Satanism for immersion in the spirituality of Satan SatanArt will be useful to people, and you will find interesting images for yourself in my selection. Visual art for those who are already Satanists and for those who are just thinking about becoming a Satanist and are looking for a connection with Satan for their spirituality. Of course, these paintings can be viewed simply as beautiful masterpieces of fine art 😊, without being tied to the ideas of gay Satanism.

If you are interested in the topic of gay Satanism, you can download and read other books from Slut Sodomia:

- Grimoire of Gay Satanism “Gay Lust.” This is the main grimoire of gay Satanism. This is a magical book that allows me to become a Satanist, helps me see the evil of our world and destroy this evil.
- Albums of Satanic music videos for immersion in the spirituality of Satan, which I call SatanSongs collections. In 2024 I created 4 SatanSongs albums + 1 quasi-satanic album QuasiSatanSongs.

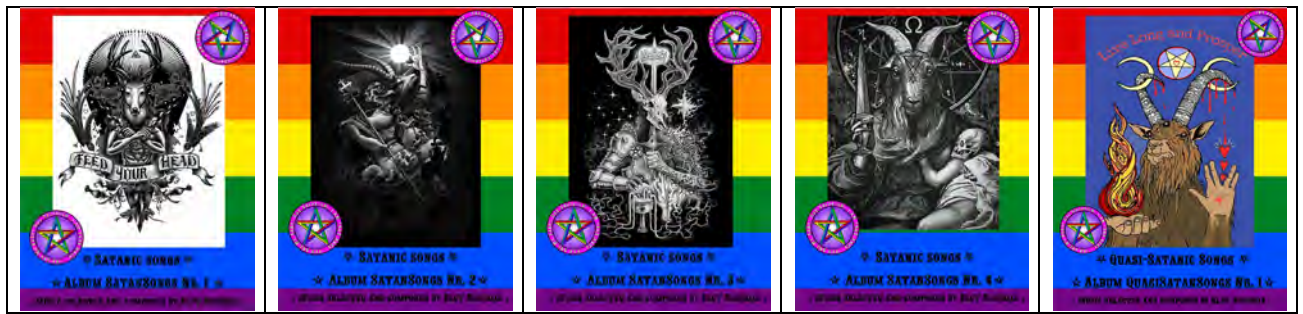

The Gay Lust Grimoire is intended for both experienced Satanists and novice Satanists who want to deepen their spirituality with Satan or even gain it. The grimoire “Gay Lust” is a navigator for a Satanist and a conceptual basis in the fight against the evil of our world. There are Satanists not only among gays themselves, but also among straight people inspired by Satan. And that's great! It turns out that gay Satanism and my book are for all people in whom the fiery rage of sexual perversion burns, as an important element of spirituality by Satan. The book “Gay Lust” is a rebellion and liberation of your consciousness from the dungeons and frames of consciousness imposed on you by the system of the regime, religions and homophobia. The book is a grimoire of gay Satanism with the ritual of Summoning Satan and a code of principles of gay Satanism. The Gay Lust Grimoire is a training manual for passive fagots, active gays and trannies. The grimoire “Gay Lust” liberates the sexuality of any person and throws off the shackles of puritanical hypocrisy.

The FIRST EDITION of the grimoire “Gay Lust” is distributed completely free of charge in electronic form. You can freely download, quote and distribute the grimoire book. Look for the grimoire of gay Satanism “Gay Lust” on sites on the regular White Internet, Torrent trackers or on the Tor network on ONION sites.

LIST OF ADDITIONAL APPENDICES TO THE GRIMOIRE OF GAY SATANISM FOR IN-DEPTH SPIRITUALITY WITH SATAN

Applications to gay satanism are satanic music and graphics:

1. Collections of Satanic music videos selected and compiled by Slut Sodomia.
2. Collections of satanic drawings, photographs and other graphics of gay Satanism, selected and compiled by Slut Sodomia.

Collections of Satanic music videos, created either by Satanists or non-Satanists, but they are devoted to the theme of Satanism, in the understanding of Slut Sodomia. The words of these songs are about Satan, or about Satanists, or about the liberation of people from the power of evil, or other quasi-Satanic themes. Songs of completely different genres! Their main feature is that good music inspires. At the time of completion of the first version of the grimoire, Slut Sodomia had collected 500 gay Satanism music videos:

ANNOUNCEMENT OF THE RELEASE OF THE NEW ALMANAC-ALBUM OF SATANIC MUSIC SATANSONGS №5 FROM THE ANTICHRIST SLUT SODOMIA.

On February 22, 2026, the Antichrist prepared a new issue of the Satanic music almanac, SatanSongs #5, which contains 100 new and fresh musical compositions of gay Satanism or quasi-Satanism. I dedicated SatanSongs #5 to contemporary gay Satanist music in various styles, genres, and visual imagery. The music in SatanSongs #5 is intended to enhance one's spirituality with Satan or to introduce newcomers to Satanism. Therefore, the SatanSongs almanacs are suitable for both established Satanists and those who want to become Satanists. The music album SatanSongs #5 contains a

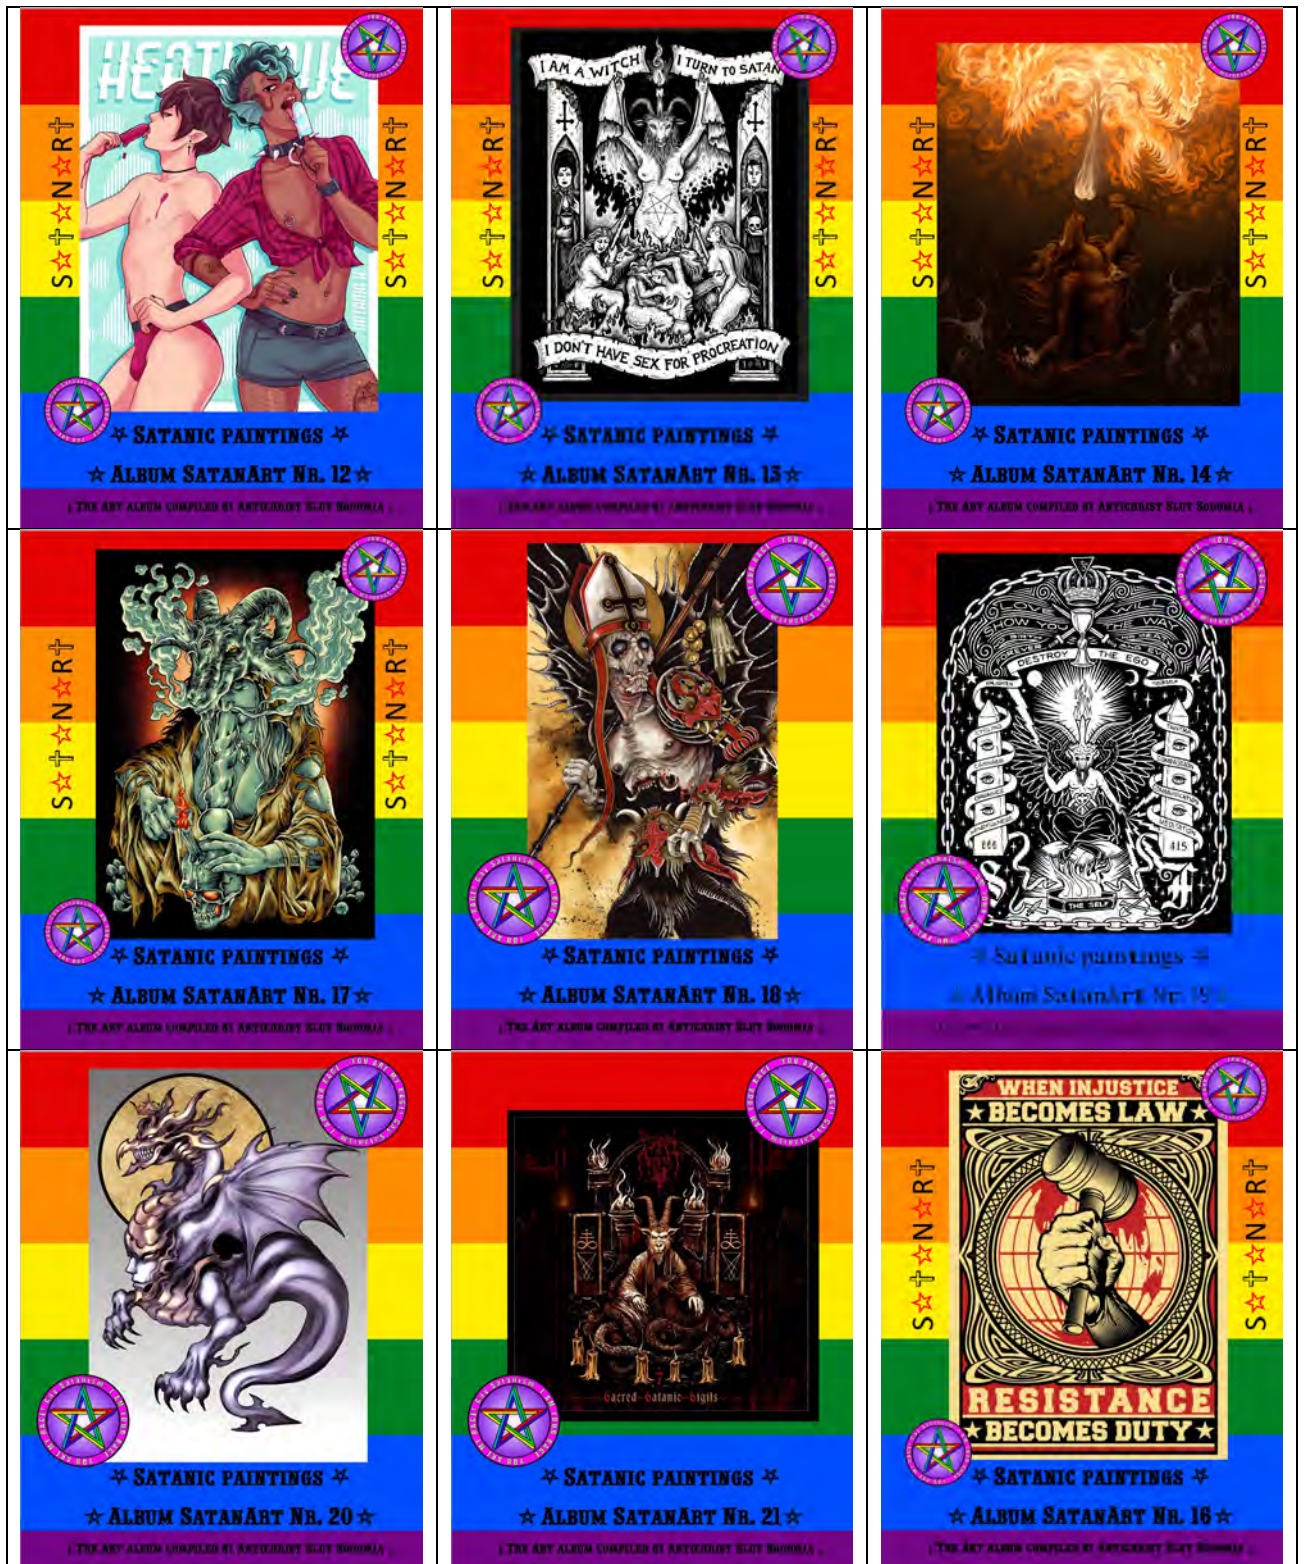

wealth of rock, gothic, metal, psychedelic, and songs that help us understand the evil of the fascists of the State Organized Crime Group (SOCG). The almanac SatanSongs #5 contains three hymns of the Antichrist Slut Sodomia, and several other hymns of gay Satanism, which I have specifically noted. I will publish the Satanic music album SatanSongs #5 online. A high-quality version of SatanSongs #5 in PDF and DOCX formats, along with the music videos themselves in MP4 format, is available exclusively to purchasers at <http://666.pictures>.

Gay Satanism graphic art, collected and designed in the form of SatanArt collections, suitable for publication on paper and in book form, will reveal the aesthetics of Satanism and help Slut Sodomia in the development of gay Satanism around the world. Your purchase of graphic albums-collections of gay Satanism graphics SatanArt, in DOCX / PDF format, will support Slut Sodomia financially, and I will know that my work is in demand by people. Let the publication of SatanArt albums allow Satan to enter the souls of more people, let there be more Satanists and less evil from soulless critters.

ABOUT THE DEVELOPMENT, IMPORTANCE AND USE OF CRYPTOCURRENCY

I am writing this chapter about the development, meaning and use of cryptocurrency in 2026. Now, cryptocurrencies, as a means of speculation, investment and payments, are already working quite well, although for most people on planet Earth, crypto-coins are more of a mysterious

phenomenon than an applied financial instrument. Slut Sodomia is very glad that a wonderful alternative to fiat money¹⁶ issued and controlled by SOCG has appeared. The name of this alternative is cryptocurrencies, Bitcoin and all the altcoins of the world¹⁷. Cryptocurrency opens up enormous opportunities to get rid of the evil of SOCG on our planet Earth. It is control over material values that allows the SOCG to rule, mock people, dictate their laws and do various evils in our world (including wars, prisons and collecting tribute from the population). The material wealth of the SOCG is based on: power, evil and money. If the SOCG is stripped of its power over the financial control of money, it could significantly undermine the SOCG's power throughout the world. Cryptocurrencies operate outside of the SOCGs and do not need them.

¹⁶ https://ru.wikipedia.org/wiki/Фидуциарные_деньги Wikipedia. Fiduciary (from the Latin fiducia - trust), fiat (from the Latin fiat - decree, instruction, "so be it"), symbolic, paper, credit, unsecured money - money not backed by gold and other precious metals, the nominal value of which is established and is guaranteed by the state regardless of the cost of the material used for their manufacture. As a rule, irredeemable for gold or silver. Often, fiduciary money is used as a means of payment on the basis of state laws obliging it to be accepted at face value. The value of fiduciary money is maintained by people's belief that they can exchange it for something of value. The decline in the authority of state power leads to a decrease in the purchasing power of fiduciary money, that is, to devaluation, "flight from money" (attempts to maintain its purchasing power through investment), etc.

¹⁷ Bitcoin started the era of digital crypto assets in 2009. The shortcomings and limitations of the first cryptocurrency, as well as its open-source code, led to the fact that developers began to create other coins. They are called altcoins.

Lately (since about 2015), the vilest SOCG's have been trying to stick their ugly nose into the control of cryptocurrency, its circulation and use. SOCG began to choke cryptocurrency enthusiasts and large financial speculators in cryptocurrency around the world. SOCG of the USA and Europe require registration and verification of the identity of people who use cryptocurrency on public platforms online and offline. Evil really wants to take control of cryptocurrency, and thereby strangle people's financial freedom. Evil does not want people to leave the orbit of the influence of the SOCG over money. Evil wants to destroy the very idea of freedom of cryptocurrency and the anonymity of its users.

It is very bad that many financial speculators - exchanges, exchangers and crypto-wallets have followed the requirements of the SOCG and force users to play by their rules. It's very bad that among crypto enthusiasts there is little talk about refusing collaboration with the evil SOCG. More and more cryptocurrency circulation is becoming dependent on the evil of the SOCG and its directives.

I urge the community of cryptocurrency developers at any level not to collaborate with the state and not to obey their gangster rules. SOCG is simply an evil crook in the field of cryptocurrency technology who wants to rape and subjugate this technology and the users of this technology. Don't let the evil of SOCG deprive you of financial freedom and an alternative financial future outside of states and without states. This was a philosophical preface about cryptocurrency, let me move on to the practice of using crypto-coins.

For beginners, I recommend entering cryptocurrency by opening and creating a non-custodial crypto wallet, which allows you to ensure security and convenient management of your cryptocurrency. Such wallets provide users with complete control over their funds, eliminating the participation of third parties and

minimizing the risks associated with hacking or fraud. A non-custodial wallet is a computer program and a type of cryptocurrency wallet in which only the owner has full control over his funds and private keys. The wallet does not store personal information and does not have access to assets. When you create a non-custodial wallet, you are usually given a private key or a seed phrase (a series of words that can be used to generate a private key). This information is not stored by third parties and it is important that you keep it secure. If you lose it, you will lose access to your funds and there is no way to recover it.

In 2024-2025, the most popular, convenient, reliable software crypto-wallets, in my subjective opinion, are the following non-custodial wallets:

1. Exodus <https://www.exodus.com/>
2. MetaMask <https://metamask.io/>
3. Trust Wallet <https://trustwallet.com/>

Install these programs (one or more), downloaded from official websites, on your computer and begin to master entering the new era of electronic money, outside of states. These programs allow you to buy cryptocurrency with fiat money (dollars, euros and other currencies), make payments to other people's cryptocurrency addresses, and receive payments to your crypto wallet. Installation of these programs is quite simple and available for the most popular operating systems. After successfully creating a crypto wallet, you can send some crypto coins to Slut Sodomia to the details provided in this document if you like Gay-Satanism and the work of Slut Sodomia. I will be happy, and you will check your crypto wallet in action 😊.

To enter the world of cryptocurrency, you can use online services called crypto exchanges. A crypto exchange is a less reliable means of storing cryptocurrency than non-custodial crypto wallets, but some people may find it easier to work with crypto exchanges. Access and work with crypto exchanges occurs through a computer Internet browser, like with any other sites. Please note that crypto exchanges have full control over your finances and can block your money, at the request of fascists from different countries. There are many crypto exchanges and Antichrist Slut Sodomia cannot guarantee which of them is the best, most reliable and convenient. I will recommend four crypto exchanges that have been operating for a long time and with the help of these exchanges you can send donations, donations or royalties in cryptocurrency to Antichrist Slut Sodomia:

Kraken. <https://www.kraken.com>

Kraken is an American cryptocurrency exchange founded in 2011. It was one of the first Bitcoin exchanges to be listed on Bloomberg Terminal.

Binance. <https://www.binance.com>

Binance is the world's leading cryptocurrency exchange, serving 235 million registered users in over 180 countries.

Coinbase. <https://www.coinbase.com>

Coinbase is one of the most well-known names in the crypto industry. Launched in 2012, it offers an intuitive and beginner-friendly platform for buying, selling, exchanging, and storing cryptocurrencies.

SwissBorg. <https://swissborg.com>

SwissBorg is Europe's #1 app for securely buying and selling cryptocurrency with low fees, available in 47 countries and 16 currencies.

Best Wallet. <https://bestwallet.com>

Best Wallet is a non-custodial app that offers wallet and exchange services in a single secure decentralized environment.

The methods recommended by Antichrist Slut Sodomia for selling, buying and transferring cryptocurrencies cooperate with states, i.e. with fascists and SOCG. I do not guarantee the reliability of these trading platforms. Crypto wallets and crypto exchanges require people to provide documents when registering, require them to show themselves through photo or video filming. Cryptocurrency exchanges implement a Know Your Customer (KYC) policy to comply with anti-money laundering (AML) and counter-terrorism financing (CTF) regulations, ensuring the legality of transactions and the safety of users. To register on a cryptocurrency exchange, you need to provide personal data, confirm your identity with documents and a selfie, and wait for approval to access all functions. Exactly the same story when registering in regular banks. On the one hand, it gets rid of scammers, but on the other hand, it is control by various SOCG and loss of anonymity. If I find more anonymous and reliable options for making cryptocurrency transfers, I will write about it in the next versions of the documents.

Antichrist Slut Sodomia dedicates SatanArt #40, anthology album, to a topic that helps develop sexual horizons and fosters Satanic spirituality in humans. This topic is BDSM entertainment for gay Satanists and MTF females. BD (Bondage and Discipline) / DS (Dominance and Submission) / SM (Sadism and Masochism). Antichrist Slut Sodomia absolutely does not claim that BDSM is only available to Satanists. All images in the almanac are fictional, but they reflect the real fantasies of BDSM enthusiasts. This album examines BDSM from the perspective of gays and MTF trans people. Heterosexuals can have similar sexual fantasies. This album, SatanArt #40, can serve as a guide for developing sexual fantasies for people of any sexual orientation and gender. SatanArt album #40 will be especially useful for budding gay Satanists who want to expand their sexual games.
