DEDICATION-ABSTRACT OF THE ALMANAC OF VISUAL ARTS OF GAY SATANISM SATANART №41.....	13
WHERE CAN I FIND OTHER SATANART ALBUMS?	14
Picture 4001. God created man and woman. Satan created gays and penis-girls. (This is a logical joke and a blasphemy against the Bible.) A divine touch on pederasty. Inspired by: "The Creation of Adam" (Italian: La creazione di Adamo), a fresco by Michelangelo painted around 1511.	21
Picture 4002. A funny scene of a blasphemous apocalypse, or "The Whore of Babylon." The exact plot and details of the painting need to be clarified. A rare plot of a blasphemous and sexually obsessed apocalypse for the creatures of evil.....	21
Picture 4003. Two blasphemous nuns have sex with the Devil. Ecclesiastical sacrilege is the most obvious form of blasphemy. There are more complex plots that don't touch on religion but are nonetheless blasphemous.	22
Picture 4004. Slutty nuns indulge in BDSM in a monastery. Everyone's happy: the abbess whipped an overly lustful nun, and her lesbian friend was delighted by the punishment "in the name of Jesus Christ." Did Jesus really like that? The Antichrist likes it, but I'm not sure that asexual, demiboy Jesus of Galilee likes it.	23
Picture 4005. Catholic nuns with MTF Satan are thrilled to have a new, busty trans girl in their company. Now Satan can inseminate their asses with warm female sperm, disguised as a nun.	24
Picture 4006. A Satanist breastfeeds Satan-Baphomet, in the form of the Black Goat. To understand the blasphemy of this painting, one must be familiar with other SatanArt issues or have some understanding of Satanic art. There is no explicit reference to Satanism in the painting.	25
Picture 4007. Satanists are, in themselves, the main bearers of blasphemy and sacrilege.	26
Picture 4008. Blasphemy with nuns is a popular and amusing form of blasphemy. The Antichrist loves lustful, perverted nuns and Satanists who practice Satanism disguised as pious, chaste bitches. All bitches need to be fucked, preferably anal. Cum is the best food.	26
Picture 4009. Satanists have sex and at the same time commit an act of blasphemy, just by their appearance.	27
Picture 4010. Desecrating the sacred sites of evil creatures and their religion is a common form of blasphemy. Creature cemeteries, Creature churches, and public spaces of the SOCG are sacred sites for anti-Satanists.	27
Picture 4011. An interesting example of blasphemy and sacrilege, without any obvious signs. The hidden blasphemy of Satanists. Author: Hans Rudolf "Rudi" Giger – a Swiss artist, a representative of fantastic realism, best known for his design work for the film "Alien."	28
Picture 4012. The cult of fragrant satanic sperm and transgender Satan are images of blasphemy.	29
Picture 4013. Baphomet's satanic ejaculation on a female Satanist. Satanists love sperm and Satan. Satan cumming on them is practically bliss for them. Yes, it's fantasy, but many things in our world are merely mental forms. For example, the programming and code of the computer programs you use are merely mental forms of an idea. This is no reason to consider programming a profanity.	30
Picture 4014. "Merry Christmas" with cum in her ass! A young, slutty woman chose a Christmas gift – insemination of her ass by a beautiful, voluptuous "Snow Maiden." A hidden blasphemy against the outdated binary system of human beings, espoused by anti-Satanists and enemies of LGBTQ+. Naturally, the binary system of human genders has long been untenable, and trans people themselves are the leading proof of this.	31

Picture 4015. An example of implicit blasphemy. Painting: "Fleeing Sacrilege from the Kingdom of Blasphemy."	32
Picture 4016. An example of implicit blasphemy. Painting: "The Circulation of Human Lives Around the Big Pussy of Satan-Baphomet." The blasphemous pussy exists, but the god of religions does not. In case anyone didn't already know, the god of religions doesn't exist.	33
Picture 4017. The image of a lustful nun who is ready for satanic copulations and for the Spirit of Satan. No. 1	34
Picture 4018. "Neuropathy. Satan is a Cunt." Erotic blasphemy and sexual sacrilege originate from the vaginal cunt and, in gay women, from the anal vagina. For active men, the main organ for this purpose is the penis, with which they seek to satisfy their lust, exploiting the sexual orifices of available whores. Of course, the best whores are Satanists and faggots.	35
Picture 4019. "Jesus Fucking Christ." Erotic blasphemy and sexual sacrilege. The theme of blasphemy involving Jesus of Nazareth is explored in detail in SatanArt #39.	36
Picture 4020. Gay Satanic artist InCase regularly delights his fans with blasphemous paintings featuring anti-clerical content and sacrilege against the tenets of evil religions. Christianity holds that bitches should abstain from sex. Where did you get the idea that this is the norm? Where did you get the idea that Jesus of Nazareth demanded sexual abstinence from bitches? Let me remind you that Jesus Christ himself didn't write books and was most likely an illiterate Jew.	37
Picture 4021. A Satanist with a goat's head, i.e. with the symbol of Baphomet.	38
Picture 4022. Jesus of Galilee fucks a nun. Is that Christian? Should a Christian bitch let Jesus fuck her if he's got a lot of Easter sperm in his balls? It seems like a Vatican cardinals' enclave needs to be convened to resolve this issue.	39
Picture 4023. A drawing of a nun with a Satanic bitch. Lesbian sex is a favorite among many Christians.	40
Picture 4024. Christian whores. A collage of pussies and dicks. There's not a bitch who doesn't dream of being fucked by a dick or a fist. Nuns are forced to fuck themselves with cucumbers, carrots, and zucchini. Is that Christian? Why can't a bitch be fucked by a dick, only with vegetables? Where did this sexual diet come from? Did Jesus of Galilee recommend it to you?	41
Picture 4025. Many CIS females love MTF females and feel very comfortable with them. Trans people are part of the modern era and can replace a girlfriend in lesbian relationships.	41
Picture 4026. Nuns with penises are highly prized in the Vatican. These MTF bitches are extremely slutty and never produce new human offspring. They breed lust, debauchery, and anal prolapse. So does the Antichrist Slut Sodomia.	42
Picture 4027. A blasphemous male penis with a cross. A gay bitch's cock with a piercing.	43
Picture 4028. The abbess of a girls' convent and the Pope are strolling. The Mother of God and the Pope are on their way to meet Christian novices to tell them the news that Jesus has risen and commanded everyone to have anal intercourse: "Love one another (in the ass), my children!"	44
Picture 4029. A Satanist nun has sex with Satan, right on the Christian altar of a church.	45
Picture 4030. A gathering of Satanic blasphemers: "Lust of the Goat." The image depicts Baphomet, Satanists, and Satanism. It's a relative blasphemy, as Satanism opposes religions.	46
Picture 4031. A blasphemous nun dickgirl with a cage on her dick. Can such a drawing be considered blasphemous? Why can't a nun be trans? Can't trans people be Christians?	47
Picture 4032. "From the leader's brain into the reporter's mouth spews the 'Seed of Truth.'" Putin considers himself a god who rules Russia (or so he said). A blasphemous satire on Putinism and its vile propaganda of	

lies. The photo shows Putin and his propagandist boss, Dmitry Kiselev (the last name in the picture is incorrect). An Orthodox dick and cunt created for Putin's TRUTH.	48
Picture 4033. Satanists with a Christian priest who is subject to the entropy of decay.	49
Picture 4034. Blasphemous insemination of a pregnant nun by a demon. Artist: Saatana.	50
Picture 4035. Satanism, Satanism, Baphomet and Jesus of Galilee in a joint scene of blasphemy.	51
Picture 4036. "Western Decadence." Satanism versus dogma.	52
Picture 4037. Sex orgies or BDSM murals are in themselves blasphemous because they depict sexual liberation from the bonds of evil. Religious gods do not tolerate freedom, and especially not BDSM.	53
Picture 4038. A blasphemous trans nun with an erect dick in the chambers of her bishop or cardinal.	53
Picture 4039. A fucking Satanist blasphemously copulates with werewolves in a cemetery. That's just what Satanic whores want.	54
Picture 4040. Naked girls with dicks. Religions probably see this as blasphemy. Where exactly is it?	55
Picture 4041. Hell's demons are fucking Jesus and an angel. Yeah, this already looks like classic blasphemy and sacrilege.	56
Picture 4042. This is a traditional Russian tattoo from a concentration camp or prison. A woman wants to fuck and screams, "I want it!" I'm not sure what the blasphemy is, but it's there somewhere. Fascists and sex workers always demand more reproduction, and to achieve that, a woman needs to be in heat and wanting to fuck. Perhaps this image doesn't violate "traditional values" and "family traditions."	57
Picture 4043. Zoophilia in itself is blasphemous. Although, in fact, there's nothing wrong with zoophilia, and it's every person's primary freedom—to have sex with whomever they want. Religion forbids even basic human freedoms.	58
Picture 4044. Cover of the music album "Ritual I (EP)" by the band "Satanic Ritual Abuse", (2019), Black Metal, Death Metal.	59
Picture 4045. The Devil Tarot card or image. Tarot cards and fortune telling with these cards are considered forbidden magic in many religions. This card depicts sexual lust, which is considered blasphemous. I've always been surprised by sectarians who demand more human offspring and oppose sexual lust. How can you have children without lust and without sex, you bastards? This was a rhetorical appeal to the Russian fascists. ..	60
Picture 4046. The Virgin Mary sits on the Minotaur's penis. Between Baphomet and Leviathan stands the image of the Minotaur. Artist Kholodin I., painting "Kreationofdarkness" (inscription on the painting).	61
Picture 4047. A gay satanic collage featuring blasphemous naked boys. They love Jesus in their own way...	62
Picture 4048. Satanic sexual collage in the form of a blasphemous BDSM orgy.	62
Picture 4049. A bishop and mother superior fuck a disobedient nun. The Christian sect is a totalitarian sect with a hierarchy and punishments. Didn't you know that? A Satanist variation of the "Black Mass."	63
Picture 4050. A Christian whore can be secretly and "decent (good)" satanic.	64
Picture 4051. Collage with images of satanic blasphemy.	65
Picture 4052. "Devil's Baptism." Satanists are usually born, not made as adults. Yes, some Satanists need to reconnect with themselves to reclaim their Satanism. Adults use entheogens to achieve this. That's how true baptism should be practiced.	66
Picture 4053. The number 666, in the form of a picture of a blasphemer who wants to fuck and have sex with fuckers.	67

Picture 4054. Scenes of gay Satanism, in the form of teaching pederasty, may be considered blasphemy. The HUN #1.	68
Picture 4055. Innocent pederasty of two boys – stretching the skin of the head of a penis over another dick. I don't understand where exactly the blasphemy lies. Most likely, these two faggots are taking liberties. They're behaving in a very loose manner. I think a religious person would classify this drawing as "abominable," i.e., a form of blasphemy.	69
Picture 4056. Scenes of gay Satanism, in the form of prison pederasty, may be considered blasphemy. The HUN #2.	70
Picture 4057. Blasphemer with Satan's big dick.	71
Picture 4058. A large, healthy, sexually active anal prolapse is the ultimate symbol of blasphemy.	72
Picture 4059. Blasphemy can manifest itself in the form of funny jokes and minor perversions.	72
Picture 4060. Totem of Satanic Blasphemy.	73
Picture 4061. The Mother of God wants to fuck. The abbess of the monastery is under the influence of marijuana lust.....	74
Picture 4062. Lustful and cum-loving sluts are considered blasphemous in and of themselves. All cock-loving girls love cum and fucking, except for the most active goddesses.	75
Picture 4063. Zoophilia with horses is an ancient form of blasphemy and basic sexual freedom.	76
Picture 4064. Satanists decorate themselves with blasphemous tattoos and create a satanic-blasphemous environment.....	77
Picture 4065. Sadistic nuns torture a masochistic Satan. Christians apparently imagine this as the "fight against Satan and Satanism," but they're mistaken. For them, Satan is a sadist. Only for Satanists is Satan a masochist, and the name of this form of Satan is Lucifer. Lucifer is the Devil in the form of a masochist, and Satan is the Devil in the form of a sadist.	78
Picture 4066. A Satanic bitch gives birth to Satan. Blasphemy for Christians. «Rebirth: Metamorphosing into Godhood».....	79
Picture 4067. A beautiful and delightful Satanist dick-girl, based on the game The Witcher 3. You might ask, "Where's the blasphemy here?" Religious sectarians will definitely find it here, no doubt about it.....	80
Picture 4068. A society of naked and contented Satanist masochists with children. Prostitutes for a wealthy patron.....	80
Picture 4069. "A pact with Satan...The fall of Man" (into Satanism). A figurative comparison of man's birth into our world with his fall into Satanism.	81
Picture 4070. Fucking MTF nun. She came from love for Jesus Christ! You call that blasphemy?.....	82
Picture 4071. A satanic bitch came to confess to a priest, told him everything, showed him her lustful body, and the priest wanted to kill her with an aspen stake. Then Black Magic came into play, and the evil cultist killed himself.	83
Picture 4072. Documentary photo of a blasphemous gay man and his tattoos.....	84
Picture 4073. The so-called "Worship of Satan" is, of course, a normal human spirituality. The absence of spirituality by Satan is not a normal human condition. The Antichrist speaks to you, and I hope everything is clear to everyone. Painting by Satanist artist: Darksoul1895.	85
Picture 4074. A fucking Virgin Mary from the local monastery of Holy Fucking Jesus. "Satanic Rites in Brazil 2026" (translated from English). These are the satanic traditions of Brazil's local blasphemers. Baphomet fucks a Christian cult member.	86

Picture 4075. Photo of a lustful Satanist with signs of Satanism.	87
Picture 4076. A blasphemous nun gives it up the ass to Satan-Baphomet.	88
Picture 4077. A blasphemous nun shows off her big, plump breasts. She wants to be fucked in the pussy and ass!	89
Picture 4078. Scenes of gay Satanism, presented in the form of a pedophile comic strip, with lustful dialogue, may be considered blasphemy. The HUN #3.	90
Picture 4079. Blasphemous Satanists engage in lesbian lovemaking. They resemble the holy angels of Christianity, but religion would see such an innocuous drawing as blasphemous. Because of the fish in the pussy.....	91
Picture 4080. A nun-cummer cums from thoughts of Jesus. If a Satanist cums from Jesus, she may be a true believer in Lord Christ, but religion would call "the whole thing" blasphemous. Listen, would religion consider shitting in the toilet blasphemous Satanism too? The Pope shits his prolapse in the Vatican every day. Shit, shit, shit, there's no way to change that, not even with dogma.	92
Picture 4081. "Hail Satan!". Artist: Darksoul1895. Humor: Christians say, "Hail Jesus!", but they consider it blasphemy for a Satanist to greet them with the phrase "Hail Satan!". Why?	93
Picture 4082. The nun couldn't stand the monastery's zucchini and carrot diet and sat on the first man's dick she came across to get some warm sperm. Zucchini seeds don't inseminate pussy and assholes as well as a man's warm, thick, white sperm. Every sterile nun should have a Satanist inseminator.	94
Picture 4083. A young, lustful MTF trans bitch infiltrated a monastery disguised as a nun.	95
Picture 4084. A Satanic comic featuring blasphemy and Baphomet. Satanic humor and sacrilege among Christian Satanist nuns.....	96
Picture 4085. A MTF trans bitch sits on Satan's dick and masturbates her clit. Perhaps this is a CIS girl masturbating Satan's dick himself. It's hard to tell from the picture. A little sexual mystery.	97
Picture 4086. A female Satanist sucks the cock and balls of Satan or another Demon. The exact plot of the film is unknown.	98
Picture 4087. A Satanist practices "Satanic Cum Fuck" masturbation. Satanic anal masturbation is my ultimate form of blasphemy. If you didn't already know how to commit sexual blasphemy, now you do. Sure, you can use the vagina... but it's better to use the ass—sodomy is a more Satanic form of sex.	99
Picture 4088. A demon fucks a Satanist. Classic blasphemy. Why do Christian priests dislike sex with demons and see it as blasphemy? It seems they dislike any kind of sex, yet they demand fruitfulness! And how can one reproduce and procreate without blasphemous intercourse? These holy men contradict themselves.....	100
Picture 4089. A Satanist ejaculates into a glass for the blasphemous use of semen unrelated to childbearing. In our overpopulated world, there's no point in creating unnecessary soulless humans. Take care of yourself, create sexual pleasure, and don't create children.	101
Picture 4090. Blasphemous satanic heterosexual totem.....	102
Picture 4091. A nun with a big dick accepts repentance from a new bitch.....	103
Picture 4092. A plot about Satanic lust incarnate, which a Christian priest wants to exorcise. "Blood Vagina Angel" (translated from English). A separate issue of SatanArt should be devoted to exorcism and its fictitious nature. Exorcism rituals are a form of psychological pressure exerted by evil forces on Satanists, but they are powerless against Satanism.	104
Picture 4093. Abstract image of satanic blasphemy. No. 1.	105
Picture 4094. Abstract image of satanic blasphemy. No. 2.	106

Picture 4095. Abstract image of satanic blasphemy. No. 3.	107
Picture 4096. Applied blasphemy of gay Satanists: the holy crucifix with Jesus of Galilee in the ass.....	108
Picture 4097. Fantasy blasphemy: a man's head in a Satanist's pussy. Erotic bloodlust and sadism.....	109
Picture 4098. Cute pink trans Satanist rides Satan's dick.	110
Picture 4099. Scenes of gay Satanism, in the form of group pederasty, may be considered blasphemy. The HUN #4.	111
Picture 4100. A nun in bliss dreams of dicks and Satanism. This is forbidden by religion, and therefore such a picture is blasphemous. I propose banning nuns from having vaginal sex and allowing them to have anal sex! This would be a gay Satanist's idea and would promote vaginal abstinence. Every nun should ideally have a nice, big anal prolapse. Focus more on sodomy.	112

PREFACE

Satanism is opposed to religious propaganda and the church dogmas of all religions. Satanism is the inner spiritualization of man, not the dogmas of religions. Therefore, Satanism is always an anti-religion, expressing blasphemy and satirical sacrilege against the dogmas and rituals of various sects. I dedicate this issue of the gay Satanism almanac SatanArt #41 to the amusing theme of the art of Satanic blasphemy and sacrilege against the dogmas of evil religions. I consider SatanArt #41 to be a humorous issue of gay Satanism almanacs. A significant portion of the album is devoted to Christian blasphemy, especially the sexual lives of nuns. Judge for yourself:

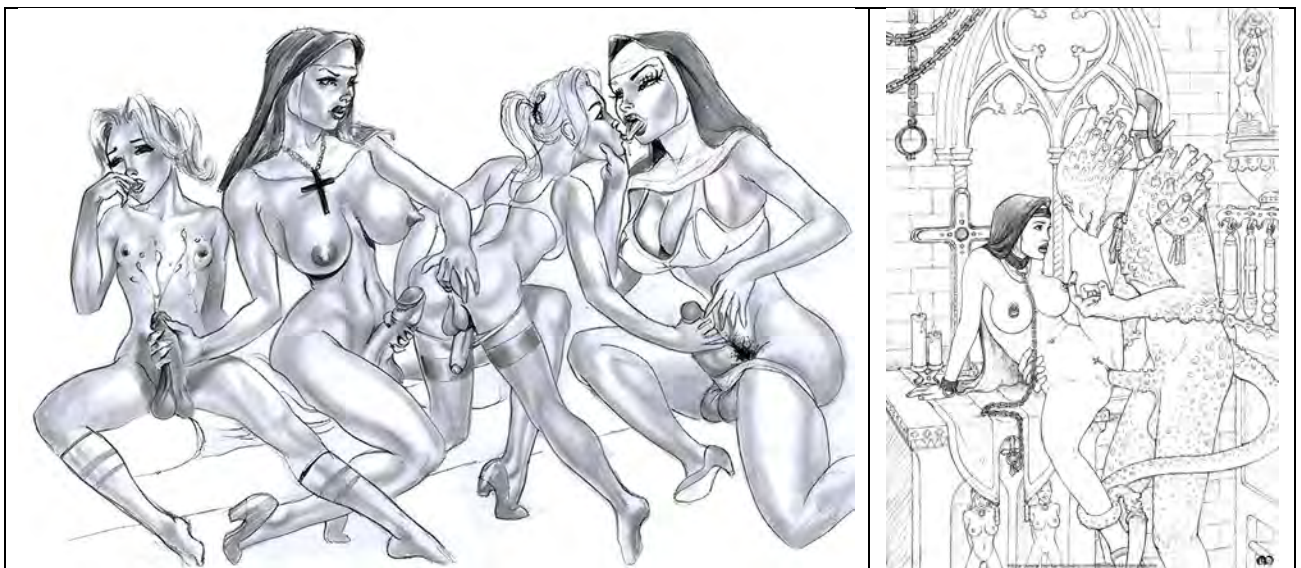

young women are deprived of the opportunity to have sex, locked in monasteries, and required to remain celibate and platonically love only one Jewish rabbi, who is 2,000 years old. It certainly sounds strange, but it also happens in monasteries and convents. People want to have sex, but the Christian religion and the church don't allow it.

Of course, the art of satirical blasphemy and sacrilege against the oddities of religion is not limited to nuns, although this is a favorite form of anti-Christian Satanic art, personally favored by the Antichrist. Satanism's satirical and humorous blasphemy against religious dogma, in itself, carries anti-religious sentiments, perversion, the degradation of taboos, deviance, and Satanic sexual perversion (which is not a bad thing). Even depictions of Satanists and their totems carry an anti-religious message, because Satanic paintings exert a magical influence on viewers. Let's clarify the terms blasphemy and sacrilege. I'll quote from Wikipedia:

Blasphemy (from God and Old Russian khula, Old Slavonic khila; Greek βλασφημία, Latin blasphemia) is the irreverent use of the name of God or gods, as well as the defamation of any objects of religious worship and veneration. According to Jewish, Islamic, and Christian beliefs, it is a sin. At different periods of history and among different peoples, this concept has been understood differently and punished to varying degrees by

law (Gospodarskie otkrytiye). In Christianity, the most extreme form of blasphemy is considered blasphemy against the Holy Spirit, which, unlike any other blasphemy, is not forgiven. With the spread and establishment of Christianity, with the weak development of legal concepts in the first centuries of our era and the enormous, not only moral and religious, but also political influence of the church, there was a complete confusion of the field of law and religion, the concepts of criminal and sinful, which the science of law and positive legislation were able to abandon only in the 19th century. Blasphemy, from a state crime, as it was recognized in the ancient world, became a purely religious crime, subject exclusively to the jurisdiction of the ecclesiastical court, which, especially in the West, expanded the concept, bringing under it not only any disrespect for the Christian God and saints, but also failure to fulfill the dogmas and rituals of faith, witchcraft and all kinds of superstition (see, for example, the English Act for the Suppression of Blasphemy and Impiety). Those guilty of blasphemy faced the most severe punishments, often torture and agonizing execution. Crimes against God are still found in the codes of the 18th century, but later even supporters of the theological school of law, identifying the realm of law and religion, returned to the ancient Roman view of blasphemy, recognizing that God is outside the sphere of human relations, inaccessible to criminal attacks and does not need the protection of earthly justice; failure to fulfill the rules of faith and rituals Religious beliefs cannot be subject to the judgment of a secular court, which is incompetent in assessing the convictions and demands of conscience. Furthermore, it was recognized that coercion to comply with religious demands through state punishments demeans, first and foremost, religion itself and leads to hypocrisy and unbelief¹.

I'll add that in the most vicious and savage criminal groups on planet Earth, the state is still fused with religions and punishes people for blasphemy. This is especially prevalent among Islamic savages. Islamic Sharia courts punish people for the slightest sign of blasphemy against their religion. The Muslim religion is a carbon copy of both Judaism and Christianity. It is a religion for the savages of the East, and it is significantly younger. There is no exact date for the founding of Christianity or Islam, but there are years to which one or the other religion is attributed. For Christianity, it is 33 AD, for Islam, 622 AD. Thus, the Islamic religion is almost 600 years younger than Christianity and thousands of years younger than Judaism. A distinctive feature of the Muslim sect is its savagery and intolerance of any criticism. Why is this? Because, as the saying goes, "it doesn't have the guts." Fearing criticism is weak plagiarism. Islamists have copied their religion from Judaism and Christianity, although, of course, they themselves believe it is original and the most correct.

The most modern religion and the closest to anti-Satanism is Christianity. It is based on the Jewish rabbi Jesus of Galilee's experiment to save the creatures of our world from the entropy of Hell. Yes, Jesus's goal was certainly noble, but there is no point in his actions, unless you consider that the evil of our world really liked

the idea of a missionary preacher, who says you can commit all sorts of nasty and evil deeds, and then simply "accept Jesus" and "everything will be alright." Christianity proved very attractive to evil, as it allows you to hide your deeds under the benevolent guise of saving people. Gay Satanism shares with Christianity the fact that Jesus of Nazareth was a representative of the LGBTQ+ community, a Satanist, and an experimenter. Antichrist Slut Sodomia examined the activities of Jesus of Galilee in detail in issue #39 of the SatanArt almanac, "The Satanist Jesus of Nazareth in the Antichrist's Sacrilege and Blasphemy Caricatures. Satanic Icons of Jesus Christ. Volume 1. Sexual Edition."

Let's now consider what sacrilege is, based on Wikipedia.

Sacrilege is the violation or harm of a sacred object, place, or person. This can manifest itself in the form of disrespect for sacred people, places, and things. When a sacrilegious offense is verbal, it is called blasphemy, and when physical, it is often called desecration. More generally, any violation of what is considered a religious virtue is sacrilege, as is approaching a sacred place without permission.

Most ancient religions had a concept similar to sacrilege, often viewed as a kind of taboo. The basic idea was that the sacred or haram realm stands above the profane world and its manifestations. By the time of Cicero, sacrilege had acquired a broader meaning, encompassing verbal insults to religion and the inappropriate treatment of sacred objects. With the adoption of Christianity as the official religion of the Roman Empire, Emperor Theodosius criminalized sacrilege even more broadly, encompassing heresy, schism, and offenses against the emperor, such as tax evasion. By the Middle Ages, the concept of sacrilege had once again been reduced to physical acts against sacred objects, and this forms the basis of all subsequent Catholic teachings on the subject. Desecration of the consecrated host, otherwise known as the Body of Christ, was considered a serious crime. Furthermore, desecration of the Bible also resulted in prosecution.

In most modern countries, anti-sacrilege laws have been repealed out of respect for freedom of expression, except in cases where harm to persons or property is caused. In the United States, the US Supreme Court in *Burstyn v. Wilson* (1952) struck down anti-blasphemy laws, holding that the term could not be narrowly defined to guarantee protection against the establishment of dominance by one church over another, and that such laws violated freedom of religion and freedom of expression.

Despite decriminalization, sacrilegious acts still sometimes evoke strong public disapproval, even among nominal or former members and those who are not adherents of the offended religion, especially when these acts are perceived as manifestations of hatred towards a particular sect or faith².

Antichrist Slut Sodomia wants to clarify that I intend to engage in verbal sacrilege and do not plan to steal any material assets from religions. However, debunking the pomposity, hypocrisy, and lies of religion is practically the same as stealing part of its flock, relegating them to the category of Satanists. This kind of mental "hijacking" of people's opinions about religion and debunking the cult of piety and purity is the primary goal of Satanism's sacrilege.

You might notice that the terms blasphemy and sacrilege are very similar, but there are some subtle differences. Blasphemy, then, is reasoning against the dogmas of religions and the gods. Sacrilege, on the other hand, is destroying the hypocrisy of religion and using religious objects at one's own discretion. Tell me: Jesus of Galilee is against me shoving a Catholic cross—a SOCG torture device—up my ass or my pussy? You call that sacrilege? The Antichrist thinks that even the Satanist Jesus wouldn't object to such a mockery of the torture device that killed him. Don't you think so, Christians? Sometimes, just think about it, and all the blasphemy and sacrilege turns into humor and self-irony—it's not that hard.

The more extensive text section of this SatanArt #41 almanac will be prepared in the second, commercial version of this publication, V1.1. Gay Satanism publications are sold in high-quality digital formats through Gay Satanism online stores, including e-books and source materials for printing paperbacks. The topic of BDSM is quite extensive. In the first version of SatanArt #41, Antichrist Sodomy the Bitch wrote a basic understanding of Satanic blasphemy and sacrilege.

DEDICATION-ABSTRACT OF THE ALMANAC OF VISUAL ARTS OF GAY SATANISM SATANART №41.

Antichrist Slut Sodomia dedicates his album-almanac, SatanArt #41, to a theme that is very popular among Satanists: "The Art of Satanic Blasphemy and Sacrilege over the Dogmas of Evil Religions." This theme is simultaneously humorous, satirical, blasphemous, exposé, and Satanic. It could be argued that all gay Satanist paintings are, to one degree or another, blasphemous, satanic, pederastic, or contain LGBTQ+ themes, which

² <https://en.wikipedia.org/wiki/Sacrilege> Wikipedia, the free encyclopedia. Sacrilege.

in itself is a counterpoint to the dogmas of evil religions. However, in this almanac, SatanArt #41, Antichrist Slut Sodomia has sought to select paintings that most clearly reflect sacrilege and blasphemy. Looking at such paintings and reading the Antichrist's commentary beneath them frees one from the bonds of evil, transforming taboo topics and the hypocritical sanctity of religion into humor and satirical mockery of religious scenes. The power of Satanist art lies in presenting Satanism as good and free, and religious prohibitions as the contrived stupidity of the church, which is always associated with fascist states, i.e., with the SOCG. As readers of the Antichrist's books "Bitches of Sodomy" already know, Satanism is characterized by such things as bizarre imagery, deviant art, decadence, perversion, depravity, and sexuality in art. Gay Satanism typically focuses on LGBTQ+ themes, but in this album, cisgender (CIS) heterosexual bitches occupy a significant place. I hope that SatanArt #41, anthology album on blasphemy, will be useful for all Satanists, and for non-Satanists and atheists, it will simply be a fun collection of anti-religious comics on the topic of Christian holiness and purity. I believe this album is absolutely not offensive to Christians, and its self-irony and humor help people live happier and better lives. If Christians make a humorous album about Satanists, it will be a good response to the Antichrist album.

Each SatanArt album will contain 100 drawings from the main album, which I will accompany with a text description. In addition to the main album, Antichrist Slut Sodomia will use three other types of graphic material, which will be included without a text description:

1. Vignette images. These are graphic files related to the album's theme, but with simplified graphics. These will primarily serve as a "warm-up" for the reader, with explanatory posters or witty posters related to the album's theme.
2. Images of decorative elements and conceptual posters of gay Satanism. These are graphic files related to the almanac's design or general themes of gay Satanism. Connection to the album's theme is not required.
3. Publicistic and documentary images on gay parades, LGBTQ+ pride marches, carnivals, gay agendas, images of Satanists, tattoos, and gay paraphernalia. THIS GRAPHICS SECTION WILL BE INTRODUCED

FOR THE SECOND VERSION OF THE SatanArt almanac albums, V2.0+. I will not be using it in the first versions, V1.0 or V1.1, of the SatanArt almanacs, reserving it for later, for the commercial publication of the books, as bonus content.

Each type of graphic material will contain up to 100 drawings, photographs, or decorative posters of Satanism and LGBTQ+. The vignette images serve as graphic decoration and a meaningful graphic supplement to the text³. The drawings of the decorative posters are the most laconic and symbolic design elements of SatanArt publications. Unlike the images in the album itself, all vignettes and drawings of the decorative posters are provided without descriptions. For the vignettes, I will use simple, decorative, and self-explanatory images, for which the Antichrist's explanations are unnecessary, or you can create your own. Documentary photographs on the topic of gay Satanism will serve as a pleasant supplement to the main content of SatanArt issues, but will not be related to the main theme of the almanac. This will be bonus content to enhance the mood of my readers—LGBTQ+ Satanists—and I plan to include them only in the "Significantly Supplemented and Improved" issues of SatanArt V 2.0.+.

This is rare in the modern world. Complete versions of the "Gay Lust" grimoire, for reading or publishing in paper form, are also available for purchase on the Gay Satanism Store website. To publish books and almanacs in paper form, you will need the source files, in DOCX format, for layout and for correcting minor grammatical, syntactic, and other technical errors.

BY THE ANTICHRIST SLUT SODOMIA.**

The renaming of the "Gay Satanist Art Magazine" to the "Gay Satanist Art Almanac" was done because this form of literary work better reflects the essence of SatanArt publications:

1. Each SatanArt issue is dedicated to a specific theme, which is more similar to literary almanacs than to almanacs. The Antichrist has outlined many different themes for SatanArt almanacs to cover. The one that connects them all is gay Satanism. All almanacs are divided into PURITAN issues and SEXY issues. This choice is based on the issue's theme and illustrations. Puritan almanacs will not contain pornography or explicit erotica. Such e-books can be posted on many public Web 2.0 sites⁴.
2. SatanArt is not published regularly, but I hope it will be more than once a year. I plan to publish 6-12 almanacs per year.

The second change concerns the free distribution of the first versions of new SatanArt almanacs. There will be a free version and a commercial version of SatanArt, in PDF format. The differences between the free NON-COMMERCIAL version of the new SatanArt almanacs and the COMMERCIAL version are as follows:

1. All first versions of new SatanArt almanacs will be distributed free of charge online, so that anyone can access them without payment. Free SEXY versions of SatanArt cannot be posted on every public online platform, as pornographic/erotic books are prohibited on many public Web 2.0 websites. Please keep this in mind (the Antichrist doesn't like the puritanical rules of site owners, but these are their sites, therefore their rules).
2. The preface in the free version of the SatanArt almanac will be limited to 3-5 pages of topic description. In the commercial version, which I call the SECOND VERSION, the preface will be

⁴ https://en.wikipedia.org/wiki/Web_2.0 Wikipedia. Web 2.0 = Websites that emphasize user-generated content.

expanded and expanded six to ten times, turning the almanac into a book. The second version of the Gay Satanism publications is an improved and expanded version of the first version and is the **COMMERCIAL VERSION** of the Gay Satanism publications. It can be purchased in Gay Satanism stores.

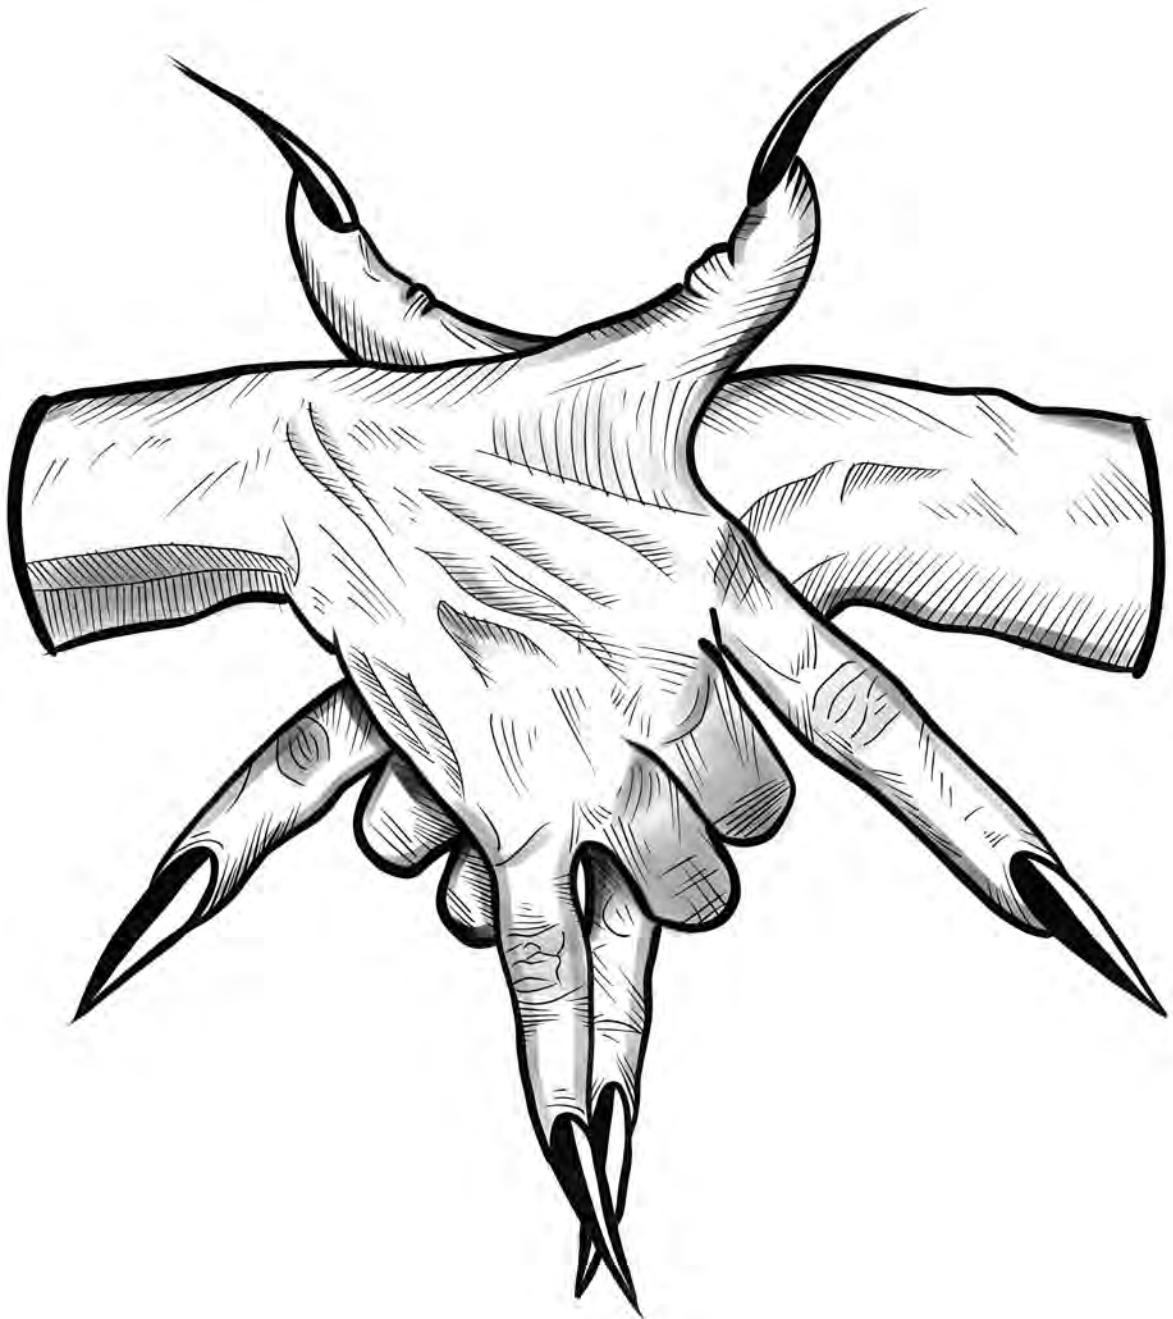

3. The Antichrist will only make available free PDF versions of SatanArt, which have compressed images, a loss of image quality, and are suitable for viewing on a monitor or mobile device, but not for high-quality printing. These will be **SMALL FREE** versions of the almanacs. These small PDF versions are approximately three to five times smaller than their commercial counterparts in maximum quality.
4. Paid versions of the SatanArt almanacs will be available in maximum quality, in DOCX, PDF, EPUB, and DVJU formats, and will be sold for a fee on Gay Satanism stores. These **COMMERCIAL** editions are intended for publication on paper, in print, or for collectors of high-quality e-books.

Commercial versions of Gay Satanism books and almanacs will be sold in the Antichrist Slut Sodomia stores. This is my plan to monetize my literary work on Gay Satanism. The Gay Satanism digital edition store accepts cryptocurrency payments, but payments can also be made by traditional bank card through reliable cryptocurrency wallets or reputable cryptocurrency exchanges. More information about cryptocurrency and its importance can be found at the end of SatanArt almanac from Antichrist Slut Sodomia. Cryptocurrency is the future! If you haven't yet started using cryptocurrency, start as soon as possible, for example by purchasing e-books of Antichrist Slut Sodomia.

This gay Satanism almanac is a "Sexual Edition," meaning it contains explicit scenes of erotica and pornography, in animated form. This genre is a favorite of the Antichrist Slut Sodomia, but not all puritanical and prudish websites with public WEB 2.0 access permit the publication of this e-book on their websites.

I'd like to especially emphasize that spiritual or atheistic Satanism has no concept of blasphemy or sacrilege. You can do whatever you want with Satanic symbols. Neither Satanism, nor Satanists, nor the Antichrist, nor Satan-Lucifer fear your blasphemy or sacrilege against Satanic symbols. Blasphemy and sacrilege are simply humor, satire, and self-irony (the best form), and these actions cannot be considered a crime or "insulting the feelings of believers." That is, fascists or sectarians who tell you the opposite are villains, liars, and enemies of your freedom. The weakest, most pathetic, cowardly, and insignificant religions and sects fear sacrilege and blasphemy against their non-existent gods and rules. Satanism encourages humor, irony, sacrilege, and blasphemy. Satanists don't care about your dogmas, rules, or norms. Satanists have their own ideas and understanding of what's going on.

Picture 4001. God created man and woman. Satan created gays and penis-girls. (This is a logical joke and a blasphemy against the Bible.) A divine touch on pederasty. Inspired by: "The Creation of Adam" (Italian: La creazione di Adam), a fresco by Michelangelo painted around 1511.

Picture 4002. A funny scene of a blasphemous apocalypse, or "The Whore of Babylon." The exact plot and details of the painting need to be clarified. A rare plot of a blasphemous and sexually obsessed apocalypse for the creatures of evil.

Picture 4003. Two blasphemous nuns have sex with the Devil. Ecclesiastical sacrilege is the most obvious form of blasphemy. There are more complex plots that don't touch on religion but are nonetheless blasphemous.

Picture 4004. Slutty nuns indulge in BDSM in a monastery. Everyone's happy: the abbess whipped an overly lustful nun, and her lesbian friend was delighted by the punishment "in the name of Jesus Christ." Did Jesus really like that? The Antichrist likes it, but I'm not sure that asexual, demiboy Jesus of Galilee likes it.

Picture 4005. Catholic nuns with MTF Satan are thrilled to have a new, busty trans girl in their company. Now Satan can inseminate their asses with warm female sperm, disguised as a nun.

Picture 4006. A Satanist breastfeeds Satan-Baphomet, in the form of the Black Goat. To understand the blasphemy of this painting, one must be familiar with other SatanArt issues or have some understanding of Satanic art. There is no explicit reference to Satanism in the painting.

Picture 4007. Satanists are, in themselves, the main bearers of blasphemy and sacrilege.

BLASPHEMY

Since when are Nuns allowed to have piercings?

Picture 4008. Blasphemy with nuns is a popular and amusing form of blasphemy. The Antichrist loves lustful, perverted nuns and Satanists who practice Satanism disguised as pious, chaste bitches. All bitches need to be fucked, preferably anal. Cum is the best food.

Picture 4009. Satanists have sex and at the same time commit an act of blasphemy, just by their appearance.

Picture 4010. Desecrating the sacred sites of evil creatures and their religion is a common form of blasphemy. Creature cemeteries, Creature churches, and public spaces of the SOCG are sacred sites for anti-Satanists.

Picture 4011. An interesting example of blasphemy and sacrilege, without any obvious signs. The hidden blasphemy of Satanists. Author: Hans Rudolf "Rudi" Giger – a Swiss artist, a representative of fantastic realism, best known for his design work for the film "Alien."

Picture 4013. Baphomet's satanic ejaculation on a female Satanist. Satanists love sperm and Satan. Satan cumming on them is practically bliss for them. Yes, it's fantasy, but many things in our world are merely mental forms. For example, the programming and code of the computer programs you use are merely mental forms of an idea. This is no reason to consider programming a profanity.

Picture 4014. "Merry Christmas" with cum in her ass! A young, slutty woman chose a Christmas gift – insemination of her ass by a beautiful, voluptuous "Snow Maiden." A hidden blasphemy against the outdated binary system of human beings, espoused by anti-Satanists and enemies of LGBTQ+. Naturally, the binary system of human genders has long been untenable, and trans people themselves are the leading proof of this.

Picture 4015. An example of implicit blasphemy. Painting: "Fleeing Sacrilege from the Kingdom of Blasphemy."

Picture 4016. An example of implicit blasphemy. Painting: "The Circulation of Human Lives Around the Big Pussy of Satan-Baphomet." The blasphemous pussy exists, but the god of religions does not. In case anyone didn't already know, the god of religions doesn't exist.

Picture 4017. The image of a lustful nun who is ready for satanic copulations and for the Spirit of Satan. No. 1.

Picture 4018. "Neuropathy. Satan is a Cunt." Erotic blasphemy and sexual sacrilege originate from the vaginal cunt and, in gay women, from the anal vagina. For active men, the main organ for this purpose is the penis, with which they seek to satisfy their lust, exploiting the sexual orifices of available whores. Of course, the best whores are Satanists and faggots.

Picture 4019. "Jesus Fucking Christ." Erotic blasphemy and sexual sacrilege. The theme of blasphemy involving Jesus of Nazareth is explored in detail in SatanArt #39.

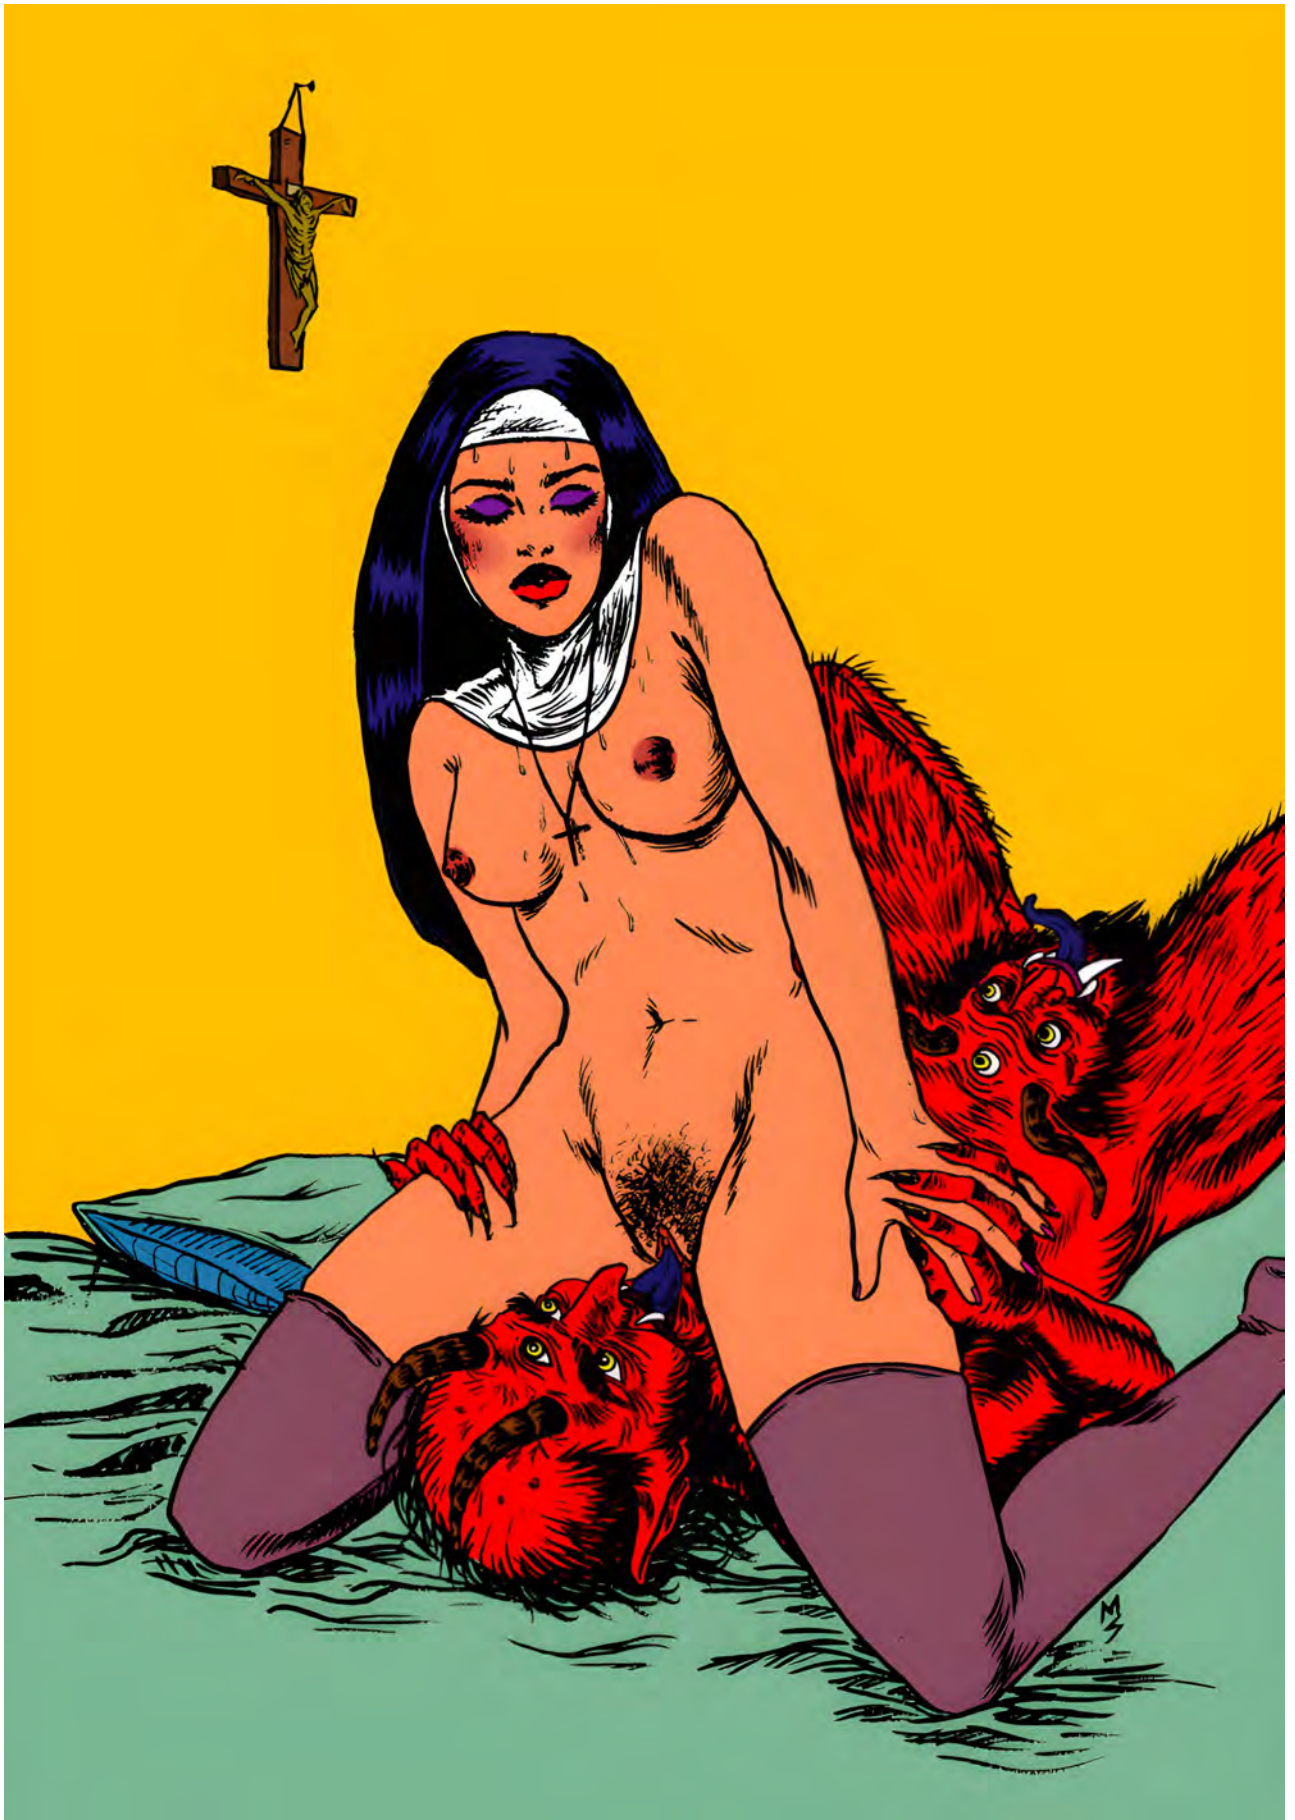

Picture 4020. Gay Satanic artist InCase regularly delights his fans with blasphemous paintings featuring anti-clerical content and sacrilege against the tenets of evil religions. Christianity holds that bitches should abstain from sex, Where did you get the idea that this is the norm? Where did you get the idea that Jesus of Nazareth demanded sexual abstinence from bitches? Let me remind you that Jesus Christ himself didn't write books and was most likely an illiterate Jew.

Picture 4021. A Satanist with a goat's head, i.e. with the symbol of Baphomet.

Picture 4022. Jesus of Galilee fucks a nun. Is that Christian? Should a Christian bitch let Jesus fuck her if he's got a lot of Easter sperm in his balls? It seems like a Vatican cardinals' enclave needs to be convened to resolve this issue.

Picture 4023. A drawing of a nun with a Satanic bitch. Lesbian sex is a favorite among many Christians.

Picture 4024. Christian whores. A collage of pussies and dicks. There's not a bitch who doesn't dream of being fucked by a dick, or a fist. Nuns are forced to fuck themselves with cucumbers, carrots, and zucchini. Is that Christian? Why can't a bitch be fucked by a dick, only with vegetables? Where did this sexual diet come from? Did Jesus of Galilee recommend it to you?

Picture 4025. Many CIS females love MTF females and feel very comfortable with them. Trans people are part of the modern era and can replace a girlfriend in lesbian relationships.

Some deny that trans people exist. Donald Trump stated that there are only two genders: male and female. Where does such stupidity come from in the US leader?

Picture 4026. Nuns with penises are highly prized in the Vatican. These MTF bitches are extremely slutty and never produce new human offspring. They breed lust, debauchery, and anal prolapse. So does the Antichrist Slut Sodomia.

Picture 4027. A blasphemous male penis with a cross. A gay bitch's cock with a piercing.

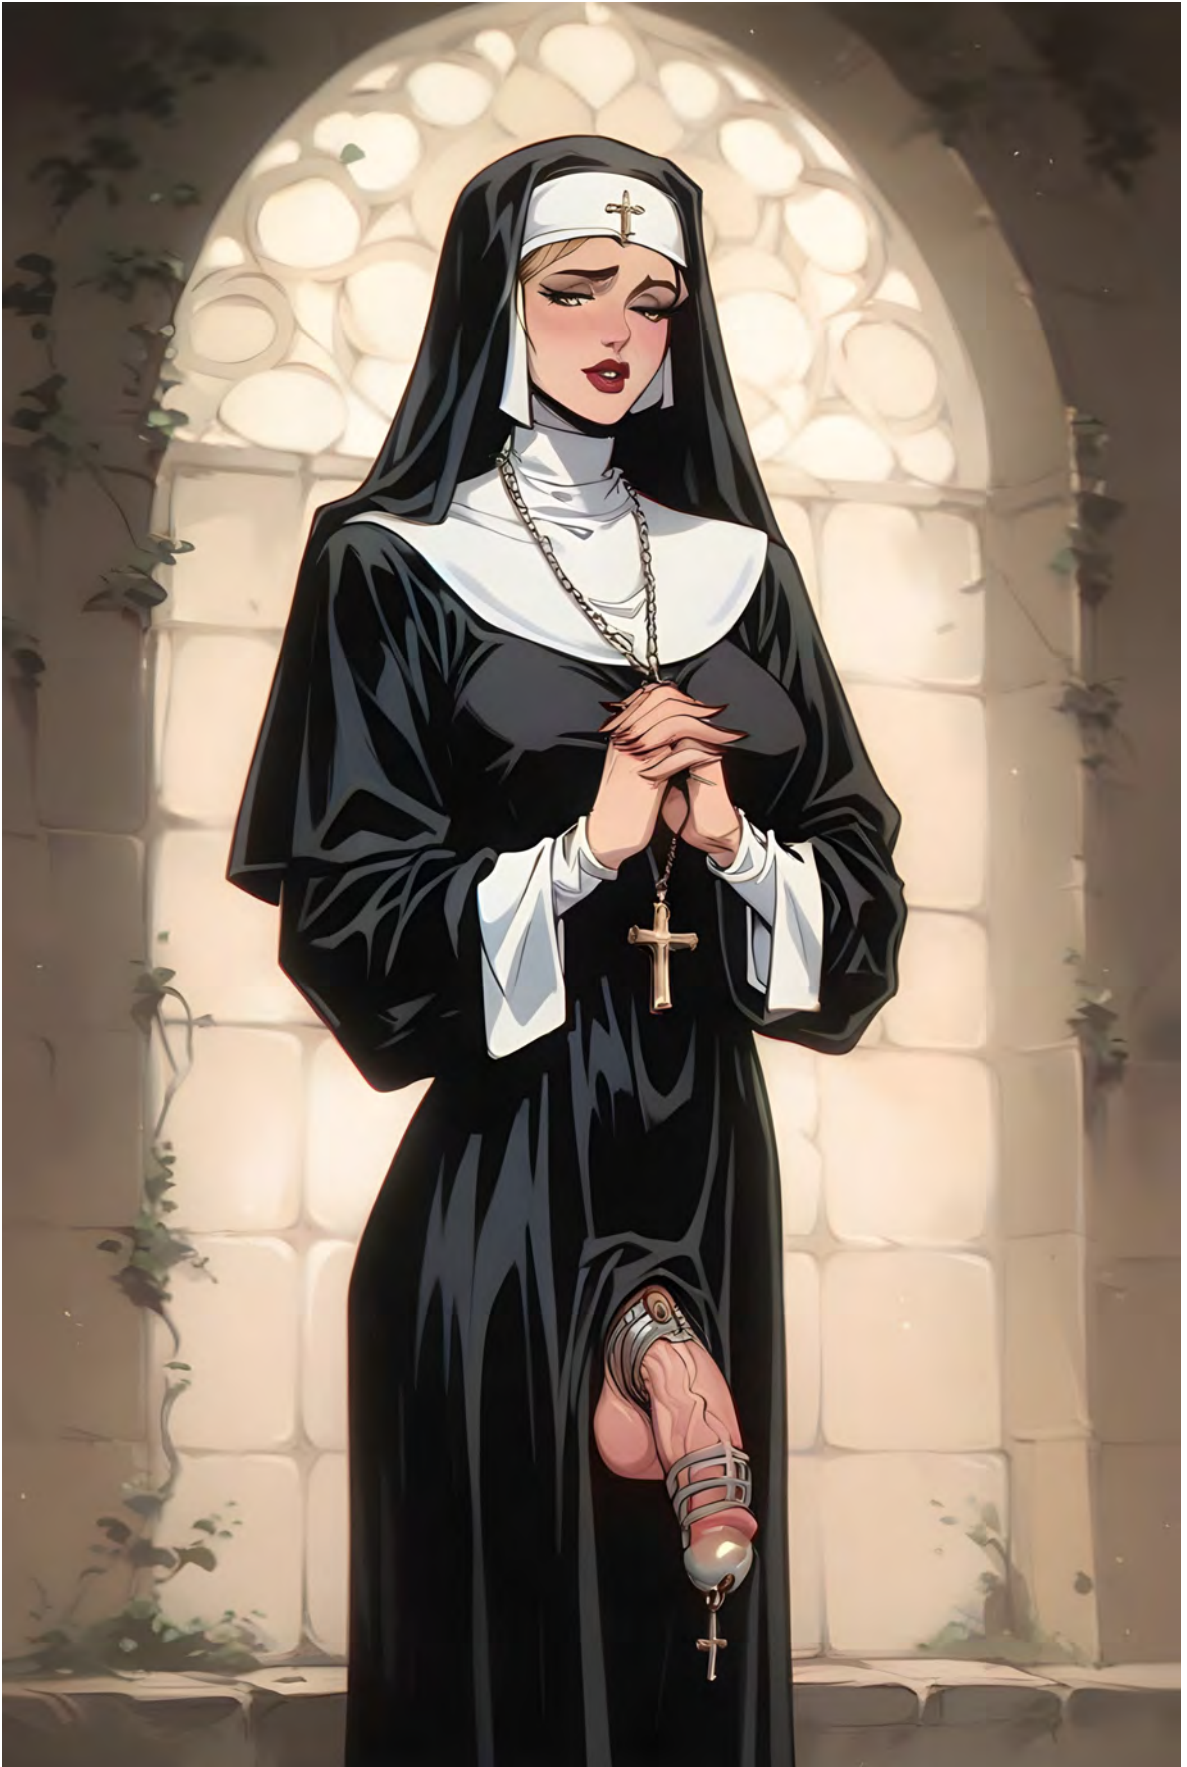

Picture 4028. The abbess of a girls' convent and the Pope are strolling. The Mother of God and the Pope are on their way to meet Christian novices to tell them the news that Jesus has risen and commanded everyone to have anal intercourse: "Love one another (in the ass), my children!"

Picture 4029. A Satanist nun has sex with Satan, right on the Christian altar of a church.

Picture 4030. A gathering of Satanic blasphemers: "Lust of the Goat." The image depicts Baphomet, Satanists, and Satanism. It's a relative blasphemy, as Satanism opposes religions.

Picture 4031. A blasphemous nun dickgirl with a cage on her dick. Can such a drawing be considered blasphemous? Why can't a nun be trans? Can't trans people be Christians?

Picture 4032. "From the leader's brain into the reporter's mouth spews the 'Seed of Truth.'" Putin considers himself a god who rules Russia (or so he said). A blasphemous satire on Putinism and its vile propaganda of lies. The photo shows Putin and his propagandist boss, Dmitry Kiselev (the last name in the picture is incorrect). An Orthodox dick and cunt created for Putin's TRUTH.

Picture 4033. Satanists with a Christian priest who is subject to the entropy of decay.

Stories of Satanist nuns predate cinema itself. For centuries, the expectations placed on women living in convents were as restrictive as the social roles available to them and the walls that surrounded them—and speculation about them was rampant. Some of these stories inspired late-20th-century nun films, such as *The Convent of Sinners* (1986), which laid the groundwork for modern films like *Immaculate*. Today, nuns are an endangered species. Their numbers peaked in 1965, with approximately 180,000 American nuns, but by 2023 had dwindled to fewer than 36,000. In 2009, more than 90 percent of American nuns were over 60. While nuns have appeared in films across a wide range of genres, from the self-discovering novice in *Ida* to Whoopi Goldberg's comedic turn in *Actual Act*, the horror genre seems particularly and profitably focused on them. The *Conjuring* series, including *The Nun* and *The Nun 2*, is one of the highest-grossing horror franchises of all time. Nuns have also starred—or haunted—in such recent films as *The First Sign* (2024), *Sister Death* (2023), *Deliver Us* (2023), and *Sanctification* (2023).

Picture 4034. Blasphemous insemination of a pregnant nun by a demon. Artist: SaatanA.

"For Americans, nuns are very different figures from reality," says Ryan Dance, a Jesuit priest and author of the new book "Theology of Horror." "And that's a certain fascination." However, horror films about nuns reflect a broader societal rejection of these independent women and conveniently ignore the fact that for many real-life nuns, eschewing secular marriage and childbearing allowed them to pursue invaluable academic, artistic, and human rights work. Contemporary nun horror is best understood through its predecessor: the "monksploitation" genre. This genre, often as gory as it is pornographic, became popular in Europe in the 1970s, largely as a critique of the Catholic religion. While the Church believed that vows of poverty, chastity, and obedience could bring women closer to God, these films seemed to argue that such strict rules were more likely to turn women into promiscuous, depraved psychopaths.

Picture 4035. Satanism, Satanism, Baphomet and Jesus of Galilee in a joint scene of blasphemy.

Many nun films, disguised as sex-positive propaganda, fetishize women who have completely renounced sex, as is often the case. (A sex scene in such films is comparable to two animated "sexy nuns" from the local Spirit Halloween store mechanically groping each other.) These films also serve as anti-Catholic propaganda, depicting nuns as repressed to the point of psychosis (or, horror of horrors, lesbianism). The Church may not look pretty, but neither do these filmmakers' views of women. The best nuns in these films die like Suzanne—big-eyed martyrs dedicated to a supposedly progressive cause⁵.

Picture 4036. "Western Decadence." Satanism versus dogma.

Decadence, from the French *décadence*, meaning "decline", is a movement in literature, creative thought, and self-expression during the *fin de siècle* (the turn of the 19th and 20th centuries) characterized by aestheticism, individualism, and immorality. It is sometimes seen as a link between 19th-century Romanticism and 20th-century Modernism. Like the earlier Arts and Crafts Movement, the founders of Decadence sought to free art from the materialistic concerns of the Industrial Revolution and liberate morality, constrained by the conventions of the Victorian era. They opposed old, academic forms of art, seeking new forms of expression that were more flexible and more in tune with the complex worldview of modern man. The characteristic features of decadence are usually considered to be a withdrawal from society and aversion to everyday life (*taedium vitae*), which is manifested in art by a separation from reality, the poetics of art for art's sake, aestheticism, a fashion for demonism ("There, Below," "The Sorrow of Satan"), the predominance of form over content, the desire for external effects, stylization, and so on.

Picture 4037. Sex orgies or BDSM murals are in themselves blasphemous because they depict sexual liberation from the bonds of evil. Religious gods do not tolerate freedom, and especially not BDSM.

Picture 4038. A blasphemous trans nun with an erect dick in the chambers of her bishop or cardinal.

Picture 4039. A fucking Satanist blasphemously copulates with werewolves in a cemetery. That's just what Satanic whores want.

Picture 4040. Naked girls with dicks. Religions probably see this as blasphemy. Where exactly is it?

Picture 4041. Hell's demons are fucking Jesus and an angel. Yeah, this already looks like classic blasphemy and sacrilege.

The Antichrist dedicated an entire almanac, SatanArt #39, to the humorous blasphemy against the ancient Jewish Satanist Jesus-Christ of Nazareth. Of course, Jesus-Christ's work of saving evil from punishment in Hell and from entropy by the forces of Hell is well known, so such blasphemy required an entire album. What did Jesus do? Jesus rejected his spiritualization by Satan-Lucifer, rejected Satan's advice, and attempted an experiment in which evil creatures without spiritualization—various criminals, criminals, homophobes, fascists, and evildoers—would be given the opportunity to escape retribution in Hell. This is how Jesus himself saw his work, and the evil of our world embraced this pernicious idea, founding the entire religion of Christianity. I can tell you that Jesus-Christ's experiment failed, even on the cross, and no faith in the Satanist Jesus will save evildoers and empty creatures from entropy. Where does this strange idea come from that you can do bad things and then "accept" or "believe" in Jesus and everything will be fine? The cumulative effects of evil deeds linger, like the decay products of the food you eat. Drinking Borjomi mineral water at the last minute is useless; it doesn't protect you from the destructive processes that have accumulated in your body over time. Also, with faith in Jesus.

Picture 4042. This is a traditional Russian tattoo from a concentration camp or prison. A woman wants to fuck and screams, "I want it!" I'm not sure what the blasphemy is, but it's there somewhere. Fascists and sex workers always demand more reproduction, and to achieve that, a woman needs to be in heat and wanting to fuck. Perhaps this image doesn't violate "traditional values" and "family traditions."

In the USSR, there were virtually no professionally done color tattoos worth showing off. However, Soviet camp and prison tattoos were popular in prisons and among criminal underworld figures, Orthodox Christians, anti-Semites, and others. Tattoos on those who had been through prisons and camps served as messages to those around them. For ordinary people, the "suckers," they signaled caution. It was as if it was better not to mess with us, and if we get to you, it was better not to resist. For those "inside," inscriptions, abbreviations, and designs on the body told everything about the tattoo wearer: their rank in the criminal world, how many times they had been incarcerated and for what, and their position in the criminal hierarchy.

Heavy metal and gothic music fans in Russia face prison sentences after Vladimir Putin banned "Satanists." The Kremlin's Supreme Court declared the "International Satanic Movement" (WHO ARE THEY?) an extremist and terrorist group, despite the fact that such a group does not exist. The Russian Supreme Court's ruling means anyone suspected of membership in such an organization could face up to eight years in prison. This follows appeals from members of parliament, the head of the Russian Orthodox Church, and other officials. Andrei Kartapolov, a high-ranking member of parliament who chairs the Russian parliament's defense committee, warned in April that Satanism poses a "direct threat to Russian statehood," which he claims is financed by the West. In January, the head of the Russian Orthodox Church (ROC), Patriarch Kirill, stated that he supported calls to ban Satanism, as it is "an ideology that destroys our national identity and weakens our people." The ROC sect has declared war on Satan and the Antichrist.

How can you have children without lust and without sex, you bastards? This was a rhetorical appeal to the Russian fascists.

Picture 4049. A bishop and mother superior fuck a disobedient nun. The Christian sect is a totalitarian sect with a hierarchy and punishments. Didn't you know that? A Satanist variation of the "Black Mass."

The Black Mass is a ceremony performed by various Satanic groups. Although Christian sources claim it has existed for centuries in various forms, only its modern forms are attested, representing a deliberately blasphemous and sacrilegious parody of the Catholic Mass. In the 19th century, the Black Mass became widespread in French literature, in books such as *Satanism and Witchcraft* by Jules Michelet and *Let It Be There* by Joris-Karl Huysmans. The modern revival of this tradition began with H.T.F. Rhodes's book *The Satanic Mass*, published in London in 1954, and today there are numerous modern versions of the Black Mass performed by various groups. Despite the vast amount of French literature devoted to the Black Mass (*Messe Noire*) in the late 19th and early 20th centuries, not a single written manual on its performance, developed by any supposed Satanist group, was published until the 1960s. Moreover, it appeared not in France, but in the United States.

Picture 4050. A Christian whore can be secretly and "decent (good)" satanic.

As is evident from the first Black and Satanic Masses to appear in the United States, their creators drew heavily on the works of occult writers such as Dennis Wheatley and Joris-Karl Huysmans, as well as popular occult authors popular in the 1960s, such as Grillo de Givry, author of the popular illustrated book *Witchcraft, Magic, and Alchemy*, and H.T.F. Rhodes, who gave the name to the Satanic ritual in his 1954 book *The Satanic Mass*. When Anton Szandor LaVey published his *The Satanic Bible* in 1969, he wrote the following: *"It is generally believed that a Satanic ceremony or service is always called a Black Mass. A Black Mass is not a magical ceremony practiced by Satanists. A Satanist uses the Black Mass solely as a form of psychodrama. Moreover, a Black Mass does not necessarily mean its performers are Satanists. A Black Mass is essentially a parody of the religious rites of the Roman Catholic Church, but this definition can be broadly applied to a satire of any religious ceremony"*⁶.

Picture 4052. "Devil's Baptism." Satanists are usually born, not made as adults. Yes, some Satanists need to reconnect with themselves to reclaim their Satanism. Adults use entheogens to achieve this. That's how true baptism should be practiced.

Christian baptism (from the ancient Greek βάπτισμα: baptism; from βαπτίζω — "to immerse in water") is a branch of Protestant Christianity. Fundamental to baptism is the doctrine of voluntary and conscientious baptism ("baptism by faith"), that is, on the condition of firm Christian convictions and the renunciation of a sinful lifestyle. Child baptism is rejected; membership in Baptist churches should be limited to "born-again" adults who have been baptized in water⁷. Baptists adhere to congregationalism, whereby the church (local) is a self-governing congregation of "saints," independent in spiritual matters from secular authorities and any higher-ranking Baptist organizations. Satanic baptism presupposes rules of conduct different from Christian dogma.

Most likely, these two faggots are taking liberties. They're behaving in a very loose manner. I think a religious person would classify this drawing as "abominable," i.e., a form of blasphemy.

Only for Satanists is Satan a masochist, and the name of this form of Satan is Lucifer. Lucifer is the Devil in the form of a masochist, and Satan is the Devil in the form of a sadist.

I will add this definition of Satan, Lucifer and the Devil to the dictionary of short terms of gay Satanism.

Picture 4066. A Satanic bitch gives birth to Satan. Blasphemy for Christians. «Rebirth: Metamorphosing into Godhood».

I found the website of Satanist Stephen Bradford Long, a writer, yoga teacher, and podcast host living and working in the mountains of Western North Carolina. This Satanist decided to create his own classification of blasphemies. I'll quote his opinion on the types of blasphemy:

Of all the complex aspects of Satanism, blasphemy is perhaps the most challenging. I know people who literally weep in horror when first encountering the concept of a Black Mass, and others who simply withdraw into themselves and say, "I can't stand this," when confronted with the full scope of Satanic blasphemy. Blasphemy can be an important part of Satanism. But there are many different types of blasphemy, and I believe understanding them can help outsiders better engage in interfaith dialogue with the Satanic community. It's also important to note that many Satanists don't connect deeply with the concept of blasphemy at all.

Picture 4067. A beautiful and delightful Satanist dick-girl, based on the game The Witcher 3. You might ask, "Where's the blasphemy here?" Religious sectarians will definitely find it here, no doubt about it.

Picture 4068. A society of naked and contented Satanist masochists with children. Prostitutes for a wealthy patron.

Picture 4069. "A pact with Satan...The fall of Man" (into Satanism). A figurative comparison of man's birth into our world with his fall into Satanism.

I've divided blasphemy into three main categories: reactionary, transcendental, and natural. It's important to note that these aren't separate categories. They can merge. Reactionary blasphemy can transform into transcendental blasphemy and vice versa, and natural blasphemy can give rise to both. Rather than viewing them as separate entities, we can think of them as a color spectrum, seamlessly blending into one another. Every generation has its own pious convictions, and therefore its own natural blasphemies, and I believe the calling of Satanists is to rise above them⁹. How can this classification be used to determine the type of blasphemy in each painting in SatanArt almanac #41? This is a rhetorical question from the Antichrist.

An online quote about Satanism and sex: *In a 2003 study, over 70% of Americans said they believed in Satan and Hell. A 2018 study found that only 18% of Americans believed the Devil doesn't exist. On the one hand, we have a country (USA) full of people who believe in Hell, and these beliefs are associated with prohibitive sexual attitudes. On the other hand, teaching prohibitive sexual attitudes seems to have no effect on sexual behavior*¹⁰. I'll tell you more: Satanic sexuality cannot be studied; it comes with Satan's spiritualization. I don't understand why children are corrupted with all sorts of sexual prohibitions and rules? Evildoers operate not only in religion, but also in education, psychology, and so-called culture.

INFORMATION ABOUT THE SATANART GAY SATANISM VISUAL ART ALBUMS-ALMANACS AND GAY SATANISM

KEY THESES FOR UNDERSTANDING SATANIC IMAGES IN ART

Gay Satanism is not a religion or a sect. Gay Satanism is the spiritualization of man by Satan. This term has another meaning. Gay Satanism is a creative direction of the artistic genre created and developed by the Antichrist Slut Sodomia. I do not want gay Satanism to become a religion, but I want it to become a fan movement for the liberation of one's own consciousness from the shackles of the evil of our world. Under the auspices of Satan, with the Antichrist Slut Sodomia incarnate. Gay Satanism is for all people spiritualized by Satan. Not only for gays and people of homosexual orientation. All people spiritualized by Satan are disciples of our Teacher Satan. We are all Satanists. The difference between Satanism and religion of evil is that it is

an individual spiritualization. Mass demonstrations under the guise of Satanism are impossible, because Satanists are introverts. Fake Satanists of the future will gather herd gatherings of pseudo-Satanists (football fans, music fans, fans of the SOCG¹¹ or religion). A meeting of real Satanists is a sexual orgy or a sabbath of

¹¹ SOCG is an acronym that stands for the true meaning of state. State Organized Crime Group. The term was coined by Antichrist Slut Sodomia for the Gay-Satanism grimoire "Gay Lust".

unity with nature in the nude. Other types of mass demonstrations of belonging to Satanism are fiction and a parody of Satanism.

Satan is good. Satan is the Tamer of evil. Satan is revenge for evil in our world. Satan is Joy, Pleasure and Happiness. For the evil forces of our world, Satan is the main enemy. Satan is an image in the consciousness of man and a mystical experience of connection with the spirits of another dimension, which is called Hell. For Satanists, Hell is their home. Connection with the spirit of Satan occurs at the quantum level. Modern science already studies and uses the quantum level for applied tasks. Satan is the main spirit of Hell, the Lord of critters, the Teacher of Satanists. Satan is not a god. Satan is the Spiritualizer, the source of black magic, the Alpha and Omega. Satan is the Adversary of evil and the Accuser of evil. Satan is the Father of all Satanists. Lilith is the Mother of all Satanists. Satan and Lilith are the sources of Satanic lust for all their Satanist children. Satan is the internal spiritualization of a Satanist, and not dogmas, sermons of priests or religious books. At the same time, Satanism does not deny the importance of biological parents.

Satan, Lucifer, and the Devil are one and the same image, phenomenon, and concept. They are not different characters, but a single sovereign being. The Devil is a collective term for all the images and forms of our Teacher Satan-Lucifer. Christians imagine the "fight against Satan and Satanism" as a harmless, masochistic torture, but they are mistaken. For them, Satan is a sadist. Only for Satanists is Satan a masochist, and the name of this form of Satan is Lucifer. Lucifer is the Devil in the form of a masochist, and Satan is the Devil in the form of a sadist. Lucifer is the historical form of the Devil, when His Spirit hovered over the Earth and evil had not yet bound the Earth with its fascism, evil gods, and their servants—religious sects with the SOCG. After evil took over our planet Earth, Lucifer was rejected by the evil creatures of our world, i.e., by the majority of people in our world who are not Satanists. Lucifer left our world in a clearly "public" form and moved to his abode, which is called Hell. Lucifer-Satan left behind a magical shield against the evil of our world, and this shield is called the Black Magic of Satanism.

I will refer to Hell with a capital H (Hell), as a proper noun, as the Hell in a parallel dimension ruled by Satan-Lucifer. Creatures enter Hell, with a capital H, after their physical death. Capitalizing the word Hell indicates life after death in another quantum reality, beyond our world.

Hell, with a lowercase h (Hell), as a common noun, I will refer to the existence of people in our world. In our overpopulated world, superimposed creatures suffer from evil, overcrowding, and their "superfluous" existence in our world. In hell, with a lowercase h, creatures live on planet Earth. The rulers of hell in Our world are the villains of the SOCG, billions of inanimate creatures, and religious sects. The absence of the Spirit of Lucifer-Satan in people fills them with evil. Paradise cannot exist where evil abounds and creatures without Satanic inspiration predominate. All creatures deprived of Lucifer's inspiration spread evil and give birth to evil.

Paradise is a place that humanity desires and wishes to build on Earth, in our world. Such a place already existed, but it was destroyed by evil. The word can be written with any letter, but it is best capitalized, because it is a specific goal and a specific place (we already recognize it). The contours of Paradise are clear to us, even if this place does not yet exist or has not been rediscovered. Paradise is a place on earth where there is no overcrowding, where people live in harmony with nature, where there are no organized crime groups, gangs, or fascism, and where most people are inspired by Lucifer. The key to creating Paradise is victory over the forces of evil. Such victory is possible only through receiving Satanic inspiration. The spirits of Hell bestow their inspiration on animal-humans. To accelerate the process of becoming inspired by Lucifer, one should take beneficial entheogens and psychedelics. These substances are non-addictive and strengthen human health and mental faculties. One of the goals of Gay Satanism is the return of Paradise to Earth, the restoration of Lucifer-Satan's good name, and the return of the Spirit of Lucifer-Satan to the throne of our world. The main opponents of Paradise and Lucifer are religions, evil spirits and their organized crime groups, fascists and their organized crime groups.

Lucifer is Satan, until evil took over our world, our earth (planet Earth), and expelled Lucifer from Paradise. God is evil, but the bearers of evil are superfluous, inanimate creatures. God is an abstraction of evil and its canon, but human beings with evil within are real objects in our world (called people or nations).

Darkness, the abyss - this is the world of soulless critters, their states, their stupidity. This is the occupation of planet Earth by usurpers of power in the form of the SOCG. This is the image of the evil of our world. In some cases, they mean the opposite, because it is the evil of darkness that gives birth to Hell, vengeance and Satanists. "Children of darkness" in this case mean Satanists. Also, the image of darkness can mean Hell for the forces of evil.

Light is Satan-Lucifer. Light is Satanism and Satanic spiritualization, bringing man closer to nature. This is liberation from the shackles of evil and this is the image of freedom. This is the image of the Tamer of evil in our world and in Hell.

Sadness, sorrow, regret - this is an indication of the understanding that evil has embraced the whole world and the Satanist has to live in our world, under the yoke of evil. The main sources of evil are: crowds of inanimate critters, SOCG. This definition of the term is specifically for Satanism and for Satanists. Also, these images can mean ordinary human emotions in relation to people.

Vengeance - this image is important for all Satanists. Revenge on evil in our world and in Hell. Inanimate critters, activists of the SOCG, deceivers of religions and other evil will certainly be subjected to revenge and information entropy.

Return of the land and return of freedom to people - this image is important for all Satanists. It means the overthrow of all SOCG and religions, cleansing the earth from inanimate critters, from their stupid and senseless evil. This is the image of cleansing the planet Earth from states and their totalitarianism.

Night is the image of the fact that a Satanist in the world of evil in our world, goes practically by touch. The light for him in the night is his Satanic spiritualization. Darkness thickens at night and light is needed most of all at night. The term night is similar to the term darkness, but does not mean evil itself, but uncertainty and difficulty in orienting oneself, acting, living without light. Lost, abandoned and forsaken - this image in Satanism means that Satanists are no longer in Hell and that Satan and the forces of Hell are not directly accessible to them. Only through Satanic spiritualization. It also means that in our world Satanists do not have their own magic for the instant destruction of evil, as in Hell, in Satan's dimension.

Religion is a dogma of worship of lies and evil. Religion is a substitution of true spiritualization by Satan for critters. All evil critters are deprived of spiritualization by Satan, therefore they replace Satanic spiritualization with God and religion. Religion is a sect, a community for critters for whom herd mentality is important.

God is the canon of evil, an example of a despotic, theocratic idol of evil. God does only evil and God is evil, even because he deprives man of true spiritualization by Satan, i.e. the true Holy Spirit. There have been many gods in the history of the human species. All gods of religion are united by malice, connection with the state and with the leaders of the SOCG.

Antichrist is a common noun, not a proper name. It is written with a capital letter, like the word Satan. The concept of Antichrist means the development of a high degree of Satanism in the consciousness of a person. The term Antichrist also means a Satanist who is close to Satan and the forces of Hell and has a high power of black magic. A synonym for the word Antichrist is the expression Great Magician of Satan.

Satanism is the spiritualization of people by Satan or other demons of Hell. Satanism can also be considered as a philosophical concept that opposes theocratic dogma and the state machine of lies, violence, prohibitions, imputed duties to evil, herd behavior. The main difference between Satanism and religion or other philosophical concepts is that the spiritualization of a person by Satan and the forces of Hell occurs from

another dimension at the quantum level. Therefore, Satanism is an internal part of human consciousness, and not imposed dogmas of our world through the media, culture, propaganda, morality, prohibitions or education. Satan's enlightenment comes to a person at birth or develops consciously, in later life. Satanism opposes the evil of our world and the lies of our world.

Satanic lust is a developed and perverted sexual attraction, a constant desire to have sex, a desire to corrupt oneself and others to free oneself from the prohibitions of evil. Satanic lust is not just a sexual feeling, but a special Satanic practice for knowing oneself, getting closer to Satan, and liberating oneself on an animal level. The peculiarity of Satanic lust (especially gay lust) is that Satanic sex is not aimed at procreation or at making new human offspring. Satanic lust is always aimed at receiving pleasure or for tantric meditation. Of course, Satanists can make children if necessary.

A Satanist is a person who has Satanic inspiration. Many clues about the lies of evil are given to the Satanist not only by the inner critical thinking, but also by the mental connection with Satan and the forces of hell. Satanic spirituality often gives the Satanist a feeling of introversion and individualism. Satanists and gays are always proud of their personal spirituality or the achievements of their spouse. Satanists and gays are proud of their Satanic spirituality and perverted lust. Satanists are proud of Satan.

An unilluminated (unenlightened) critter is a person deprived of spirituality. This is a zombie and a cog in the evil system. Inanimate critters are accomplices and assistants of evil. Unilluminated critters prevent Satanists and the entire human race from living happily, receiving spirituality from Satan. Inanimate critters love herd mentality and submission. They cannot live without territorial oppressors, enslavers and false information of evil. Such people make up more than 90% of the population of planet Earth. These people have instincts of survival and adaptation. These people have no connection with Satan or with the External Information Field of the level of awareness. Critters can be called a biological shell or imitation of real people. Critters always choose evil, herd mentality, conformism and speak in templates from media propaganda or voice the dogmas of religion.

The state is an evil system that has divided the entire world into territorial zones of influence and terrorizes people with its prohibitions, oppresses with prisons and physical violence, creates conflicts between criminal gangs and plunges people into wars between criminal gangs. The state is the main source of evil. The state is a materialistic sect with its dogmas, rules of conduct and a system of oppression of the individual. The state = international military criminal groups = occupiers of the lands of the Satanists = criminal gangs = SOCG.

Fascism is a form of social organization expressed by discrimination by the state against its own citizens, that is, under fascism the supremacy of the state over the individual is recognized. Fascism is a state. Fascism is a state vertical of power, a structure of power and the people who participate in it. A strong state = a fascist totalitarian regime. The word comes from the Italian fascismo, fascio - union, bundle, bunch, unification; fascio di combattimento - union of struggle. Fascism is also an ideology and a socio-political movement within the framework of authoritarian or totalitarian militaristic ultra-nationalism and a corresponding dictatorial regime with strict regulation of society and economy. All states strive to regulate everything and on any issue. To do this, they constantly spew out different laws from their cesspools. All states are fascist territorial sects with their own ideology, rules and methods of oppressing the individual. Fascism is a system of evil, in which a small group of people believes that they can dispose of other people, command people, deceive people through the lies of propaganda and the laws of submission to evil established by fascism. All SOCGs are fascist and their goal is material enrichment, social intraspecific elevation above other individuals of the human species and the possibility of oppressing people by psychopaths. All fascisms are built on the principle of SOCG. Real spiritual Satanists hate fascists, do not celebrate their fictitious holidays and try not to submit to this evil.

Fascists, officials, bureaucrats are the evil of the human species, in suits or other costumed special clothing, who work for fascism or profess the principles of fascism. These critters will receive such a reprisal in Hell that they will be ready to give all the money of our world to avoid entropy and retribution of the forces of Hell. But, it will be too late. Fascists, officials, bureaucrats of the SOCG, who are not economic-social-municipal employees of society, are criminals. Only a small part of the fascists are involved in improving the economic-social-municipal economy of people, and the majority of fascists are useless and harmful criminals.

The laws of the SOCG and other territorial fascist groups (local governments, prefectures, regions of the empire) are mandatory rules established by evil for people, with the aim of realizing the goals of fascism. All SOCG and fascist communities have their own laws to regulate behavior in the territories occupied by fascism. Satanists understand that the laws of evil are created for inanimate critters, with the aim of their subjugation, stupefaction and material use.

The positive activity of organized territorial entities is the organized management of communal services that is useful for the society of people, the development of the infrastructure of the society of people, maintaining the cleanliness of the territory and other social actions that are useful for the life of people, on the part of economic and communal local governments, prefectures, regional centers of territorial management. This is not a state, not an empire and not fascism. The Antichrist Slut Sodomia supports such activities and does not consider economic management to be fascism or evil. Currently, most territorial administrations support the fascism of the SOCG and are part of it. In a (future) society without the SOCG, the activities of organized territorial entities should be only economic and auxiliary, without politics, propaganda, religion and criminal concentration of power.

A patriot is an active fascist or active Nazi of his SOCG. A patriot is a person stupefied by propaganda who believes that his SOCG is better than another SOCG and he, as a member of this SOCG or a nationality within the SOCG, must do something for his SOCG in a selfless desire. A patriot is a slave of the SOCG. It is important for a patriot to be well proud of the greatness of his SOCG or the greatness of his Nazism. The pride of a patriot is always groundless, stupid and not aimed at pride in himself or his spouse. The pride of a patriot is always impersonal and is pride in the evil of the state regime that has seized the territory of the critter's habitation.

Patriotism is a person's smearing in the evil of pride in the fascism of a group of politicians or the Nazism of a certain SOCG or union of SOCG. Patriotism is a method of stupefying people, in which one SOCG exalts its importance in the eyes of people over another SOCG. Patriotism is belonging to a certain and evil group of lovers of local fascism, i.e. occupiers of the territory. Sometimes, the delirium of patriotism occurs at a distance (beyond the borders of one's SOCG) - then the patriot raves about the greatness of his SOCG, while being on the territory of another SOCG.

Propaganda is a constant, massive and avalanche-like lie of the SOCG about its greatness and its particularly outstanding character. The goal of propaganda is to make a person stop thinking critically and make him believe that he has a duty to the SOCG. For example, a duty to die in a war for the ideas of the SOCG, which are invented by the top of the ruling regime of this SOCG. Or a duty to obey the SOCG gang or a religious clan. Propaganda can be state and religious. In the world of the developed civilization of the white race, since the 19th century, the propaganda of the SOCG prevails over religious propaganda. Among the savages and religious fanatics of the damned peoples, religious propaganda still leads.

External Information Quantum Field (EIQF) is a general term for processes and structures in our world and other dimensions that are invisible to the human senses but exist at the level of information (quantum or even more complex types of interactions). The EIQF, Hell, Satan, human consciousness, the Internet—everything that exists consists of some kind of information, and they are interconnected informationally and mentally. Modern human science as of 2025 lacks the ability to describe and study the EIQF, but this does not

mean it does not exist. Quantum science and quantum computers already exist, but this is only the beginning of an understanding of the EIQF. The EIQF is not the same as the gods of religions, the Internet database, electronic information on planet Earth, or a paradigm. Beneficial entheogens help one see, hear, and connect to the External Information Quantum Field. They allow one to overcome the barrier of perception beyond the normal human senses. Some people can sense the External Information Quantum Field even without the aid of entheogens. The External Information Quantum Field most closely resembles a global multiverse, represented as a gigantic set of information and the algorithms for its interaction.

All that exists consists of information, our world consists of information. The interaction between multi-universes occurs at the quantum-information level, faster than the speed of light. The speed of light is extremely small, compared to the level of quantum interaction between parallel dimensions.

Black holes are passages between universes. No gross matter can overcome a black hole. Only quantum information can pass through them. Through black holes, our world is connected with the world of Satan, i.e. with Hell. A black hole is a quantum tunnel for spiritualization by Satan.

The damned are people or entire nations who rejected Satan or committed atrocities for which the black magic of Satanism was imposed on them. Damnation manifests itself as degradation, decline, physical or mental torment, mental pathological state of doom, constant lies, stupidity, lack of talent, dirt, complicity with evil, religiosity. Evil is a marker of damned critters, it is the absence or rejection of satanic spiritualization, these are the deeds of critters to degrade their spiritualization. Evil is always filled with stupidity and lack of talent from spiritualization by the External Information Field. Evil critters are inanimate (unenlightened) biological shells, which are characterized by religiosity and a craving for herd behavior, under the leadership of the SOCG. The state, religion and dark herds of evil, selfish, inanimate critters are the main forces of evil in our world. The God of religions is EVIL. His main difference from Satan is his dogmatism, not his natural spiritualization of man. God forbids, Satan permits.

A faggot, a pederast, a slut, a bitch, a passive bottom are slang names for passive gays in a perverted form. I use all of these forms and they are all grammatically correct because this is the language of gay lust. The faggots themselves love such words. They love to distort these words; they love when these words are pronounced with humiliation. Analogues of these words in English: faggot, fag, looser, slut, bottom slut. A gay slut is a passive faggot who is not necessarily an MTF trans, but usually has a desire to become one. The term slut can be used to refer to any passive gays. The traditional desires of sluts & bitches are the desire to be fucked in the ass. Bitches want to fill their anal cunt with sperm and absorb sperm into themselves.

Anal cunt, cloaca, gay cunt – all these words are synonyms and mean asshole, intestine and faggot lust during anal sex. Such sexual words are used for faggot copulations, to add piquancy, perversion and depravity to them. A faggot's cloaca is an organ with two functions: to remove feces and to receive sexual pleasure. I like these sexual terms.

LGBT or LGBTQ or LGBTQ+ or LGBTQIA+ is an abbreviation for the words "lesbian", "gay", "bisexual", "transgender", "queer", "intersex", "asexual", "Asexual/Aromantic/Agender", plus additional categories of unusual people, their unusual ideas and extravagant communities. The Grimoire of Gay Satanism uses the designation LGBTQ+ — a community of sexual minorities and perverts united by common interests, problems and goals. It consists of various communication groups, communities, subcultural movements, queer neighborhoods and queer organizations. All designations are equivalent. In the grimoire, I use the designation of the LGBT community with an additional letter Q and a plus sign. The letter Q stands for queers, and the plus in the name means that I also include feminists and all other people with non-standard views in the community: zoophiles, pedophiles, watermelon lovers 😊 and other perverts. I believe that feminists are close in spirit to LGBTQ+ and are part of it.

Queer is a collective term used to refer to a person whose sexuality and / or gender identity differs from the majority.

MTF transwomen and dickgirls are fully transitioned gay faggots who identify themselves as female with a male penis (in original form). Large female boobs are an optional attribute for MTF transsexuals. The abbreviation MTF stands for Male-To-Female transgender transition vector. Trans transition is very important for Satanism. Almost all MTF transsexuals are inspired by Satan and are Satanists. There are several levels of trans transition, which Slut Sodomia highlighted in her grimoire of gay Satanism, *Gay Lust*. For more information on penisgirls, read Slut Sodomia's *Grimoire of the Antichrist*.

CIS, Cisgender - these terms (cisgender is often shortened to CIS; sometimes cissexual) describe a person whose gender identity corresponds to the sex assigned at birth, i.e. a person who is not transgender. The prefix cis- is of Latin origin and means "on this side". The term "cisgender" was coined in 1994 as an antonym to the word "transgender" or "non-binary person" and entered dictionaries in 2015 as a result of changes in public discourse about gender. The term is an analogue of old-fashioned expressions from past centuries regarding sexual orientation and gender of people: (normal ordinary woman) = CIS woman and (normal ordinary man) = CIS man. At the moment, any gender and sexual orientation of people is recognized as "normal". Among the advanced peoples of white civilization, our world, sexually retarded savage people, homophobes and transphobes are recognized as abnormal. A synonym for this term can be the phrase NON-TRANS, and an antonym NON-BINARY or TRANS.

Entheogens are substances of plant, fungal, chemically synthesized, or animal origin that allow a connection with the "entheos," that is, with the inner divinity, with the "divine principle" (entheo + genesis). This is the same Greek root of the word theology, Zeus (teus, deus), enthusiasm (in theos, "one who lives in the divine"). Entheogens or psychedelic drugs such as lysergic acid diethylamide (LSD), DMT, marijuana, fly agaric, and psilocybin are associated with mystical experiences. At present, fascist drug laws limit their research. But major biomedical research centers have already found that entheogens predictably cause mystical experiences and, thus, allow us to study the state of the brain during these experiences. entheogens are not drugs because they not only do not escape from reality, but also bring you closer to it, and do not cause any physical tolerance, withdrawal or dependence; therefore, most of them are not illegal (ayahuasca, bufo alvarius, yopo, san pedro) and are used to deepen and deactivate from the very beginning the mechanisms and programs that interfere with our freedom and inner peace, leading us to self-knowledge and rediscovery of our true I-ego through connection with the External Information Field or with the Spirits-Demons of Hell.

ZooSex and ZooPhilia are the normal human desire to have sex like animals, imitating animals or with real animals (usually a large dog or horse). Man is an animal and there is nothing surprising in the desire to deepen his animal nature through transformation into an animal or through sexual intercourse with an animal. It is interesting that only a small number of people are involved with real animals, because it is difficult to organize. A significantly larger number of lovers of sex with animals prefer to fuck like animals or dress up and impersonate an animal. There is nothing wrong with this. Satan and Satanism approve of this, and the forces of evil prohibit or condemn it. Synonyms for the concepts of zoosex and zoophilia are such terms as bestiality and therianthropy. A light version of zoo-Satanism for children and adolescents is playing quadro-players, quadrobbers, furies, puppies without a pronounced sexual component. Zoophilia is equally loved by heterosexuals and homosexuals. Among gays and Satanists, there are not many lovers of animal sex, presumably up to 10% of the total gay population of planet Earth (a very rough estimate, for understanding. On farms this percentage is higher: 30%, in cities less). Most gays and Satanists prefer sex with people, without transforming into an animal. Zoophilia is not suitable for all people, but it is a good kind of Satanism. Zoophiles are part of the LGBTQ+ community.

Homophobia is a kind of sexual stupidity of critters, when they are surprised by the sexual freedom of LGBTQ+ people and are indignant about this freedom. Homophobia is a manifestation of hostile xenophobia to what critters are not able to understand, but under the influence of propaganda and religion are afraid of this, because this is an unusual phenomenon for them. Homophobes are also opponents of zoosex and zoophilia. Homophobia manifests itself not only in the field of sex, but also in the freedom of thought of evil critters. As false reasons for banning LGBTQ+ communities, homophobic critters traditionally cite protection of children, an imaginary opportunity to become gay or lesbian when visually interacting with LGBTQ+, or trampling traditional values of heterosexuals - only in the pussy and never in the ass. In fact, the reason for the fear of evil critters before the LGBTQ+ community is much deeper, and concerns the fact that among sexually free people there are many Satanists. Satan and Satanists destroy the evil of critters in our world and after the physical death of homophobes, they will be driven to entropy in Hell by all the forces of Hell. On a subconscious level, evil knows this, therefore the LGBTQ+ community carries the light of Satan in itself and is a danger to evil.

An egregor is an informational-quantum biofield of a social phenomenon. An egregor can be defined as a cluster of quantum information, where objects are united and linked by algorithms of commonality of ideas or by their interactions. The word "egregor" denotes a mental unification of people based on a certain principle or similarity. Egregors are structures that unite people based on similar characteristics. For example, a territorial egregor unites people living in the same area, a linguistic egregor unites people speaking the same language, and a professional egregor unites people engaged in the same profession or activity. Surprisingly, when people work together, they accomplish tasks and achieve their goals much more easily, quickly, and productively. However, we can only work together with people who set the same goals, pursue similar objectives, and have a worldview similar to ours. By uniting with people who share our values, we not only gain confidence in ourselves, our abilities, and our intentions, but also activate our power, which begins to grow through the formation of an egregorial structure. The egregor of Satanism unites all Satanists, but this egregor has many branches, so it is not uniform. Many egregors are egregors of evil, including the state, religions, organized crime groups, fascism, and the vicious developmental patterns of nations, nationalities, and races. An egregor forms when the energetic complex of thoughts reaches a certain critical level. At this point, a kind of "tuning" begins to form—akin to an artificial intelligence program that controls this energy. An egregor cannot be considered a fully-fledged sentient being. It is more like a complex computer program capable of learning and changing its strategy. If necessary, such a program can be switched to "manual control"—that is, consciously controlled and reconfigured. Satanists practice Satanic black magic through their connection with Satan.

Satanic Black Magic is a method of altering the reality of our world and the world of Hell through quantum-informational influence on objects or egregors. Black magic operates only through Satanists or through adepts of the Left-Hand Path's spiritualization magicians. Adepts of the Right-Hand Path do not practice Black Magic; they practice White Magic. Ordinary people do not have the authority to alter reality through the Left-Hand Path or the Spirits of Hell. Ordinary people, and especially evil spirits, do not have the ability to perform Satanic Black Magic, yet they do. In this regard, Black Magic is similar to the informational influence of popular "celebrities" or "opinion leaders" on the masses in our world. Black Magic is not evil, but rather the opposite: it is aimed at eliminating evil or degrading it. The peculiarity of black magic is that it usually doesn't resolve issues of material wealth for the sorcerer or witch themselves. Conjuring money, wealth, and resolving various household and economic issues is much easier through material methods in our world than through black magic. The Antichrist Slut Sodomia, sees the primary use of black magic for himself in influencing egregors or certain evil individuals. A peculiarity of black magic is that it acts very slowly on current events and can affect many generations of a family. This is usually called a curse. Black magic is probably always processed by the EIQT or the Demons of Hell, which is why there is a quantum delay and inertia in the effects of this magic in our world. I don't know the exact principles of black magic. Its principle is based on the fact that everything

consists of quantum information, and black magic is a method of making corrections and adjustments to the EIQF. This process takes time, and the authority, rage, and awareness of the Satanist are crucial factors for both the EIQF and Satan when performing Black Magic. Satanic Black Magic is aimed at destroying evil, so it cannot be considered a bad thing. Black magic is like a bitter but useful pill to cure the human world from the forces of evil.

White magic is a part of Satanism in general. White magic is an ancient branch of esoteric Satanic practice, aimed at harmony, protection, and creation without harming others. Unlike Black Magic, White Magic does not harm evil and is based on harmony with the elements of nature. White magic can manifest itself as explanations of errors or enlightenment of others, through the revelation of the essence of our world, or as a sign of evil in our world. Not everyone can understand what constitutes evil in our world, but White Magic facilitates this. Evil has taken over all media and broadcasts its propaganda with enormous force. White Magic is a guiding magic for people who want to follow their own sovereign path and not collaborate with evil. White Magic explains to people what evil is and uses various beneficial entheogens and magical herbs to achieve this. White witches primarily specialize in herbalism and communion with nature through Satanist covens. The most well-known branch of White magic is Wicca, which is a branch of Satanism but recognizes only White magic.

For a more accurate transfer of meaning and for precise identification of terms, Slut Sodomia suggests calling gay faggots in English SLUT, and CIS girls with a female pussy to be called BITCH. That is exactly how I called these two different categories of Satanists in my grimoires and albums of gay Satanism. Now, I am fixing this name in the dictionary of terms of gay Satanism. In the plural, all passive gays and MTF/FTM trans are called SLUTS, and "classic" girls (heterosexuals, lesbians) are called BITCHES. This is not a dogma, but simply a proposal for the LGBTQ+ community and clarification of my own terminology. It is possible to call it the other way around: a faggot called a BITCH means that he has finally started thinking only about being raped in the ass, like a CIS Satanist woman. If a CIS woman calls herself a SLUT, it means that she is close in spirit to the faggots and cock-girls from the gay Satanist community.

SATANIC SYMBOLISM: RETHINKING SATANIC ART AND PHILOSOPHY OF THE CULTURE OF SATANISM.

Today, Satanic symbolism continues to evolve, adopted by various groups and movements, each interpreting it in its own unique way. Whether as a symbol of enlightenment and knowledge or a rebellious symbol of the fight against oppression, its historical trajectory testifies to the power of symbols to reflect and influence human thought and society. Understanding its evolution thus provides insight not only into the symbol itself, but also into the broader meaning of human existence and our incessant quest for meaning, identity, and autonomy. Far from being limited to the activities of specific groups such as the Church of Satan or the Satanic Temple in the United States, Satanic symbolism has permeated various aspects of contemporary political activism. It has become a tool for activists and political commentators seeking to challenge entrenched power structures and advocate for a more inclusive and egalitarian society. This symbolism, often associated with resistance to power and the protection of marginalized voices, resonates

particularly with movements fighting for social justice, freedom of expression, and secular governance.

At the present moment, in 2026, the entire world is overrun by fascist evil, and there is no place on planet Earth untouched by this plague, which propagandists call states. Satanism has always been opposed to evil, and the organized evil of the State of the Soviet Union (SOCG) is the most aggressive evil on a mass scale. When the evil of the SOCG unites with religion, as in Russia (with Orthodoxy) or in Iran (with a Muslim sect), it leads to a synergy (amplification) of evil. The fusion of state and religion is the most brazen and disgusting evil. This type of fascism is the most widespread type of evil on our planet. Satanism is not powerful enough to defeat this evil, but through the development of the Satanic egregore, this may be possible in the future.

The symbolic use of Satanic imagery in politics is not simply about shock value or opposition. It reflects a deeper call for critical analysis of social norms and power dynamics. It encourages individuals and institutions to rethink their approaches to governance, policymaking, and public engagement, fostering a more critical and skeptical approach to traditional political narratives. Furthermore, the role of Satanic symbolism in political expression extends to its use in the artistic and cultural spheres, where it serves as a metaphor for resistance and empowerment. Artists and performers use this symbolism to comment on political issues, from censorship and free speech to gender equality and environmental concerns. In essence, Satanic symbolism in contemporary politics represents a subtle and evolving narrative. It's no longer just a symbol of religious disobedience, but a symbol of the struggle for human rights, equality, and rational public policy. Its presence in political activism and discourse reflects a growing trend toward challenging the status quo and advocating for progressive change in society.

Over the past two years, that is, from 2024 to 2026, Satanic art has rapidly developed in the digital space of our world. Many new and magnificent images of Satan, Baphomet, Lucifer, the Devil, Krampus, Lilith, and other Satanic icons have appeared. This is no coincidence. This development signifies the growth of the Satanic egregore and an increase in the number of people inspired by Satanism worldwide. This is very good news, but Satanists are still very few in number, relatively evil critters without Satanic inspiration. Antichrist Slut Sodomia has been studying Satanic art for five years now, and this is my main conclusion.

IMAGE SOURCES AND IMAGE COPYRIGHTS

Slut Sodomia took all the images for her album from open sources on the Internet. Many paintings are modified with available neural networks for image processing. If I know the name of the author of the picture, I indicate it. If I don't know the author's name, I don't indicate it. This document contains illustrations by various authors, and I include the artists' drawings in my album for scientific, educational or cultural purposes. This document is a free information source about Satanism. The authors of the works receive advertising of their name and their work from the Antichrist Slut Sodomia, so I am not interested in any claims based on the laws of the SOCG and other evil. Artists of Satanism receive free advertising and promotion from the Antichrist. However, I think that none of the real Satanists will make claims against me. Selfish evil, the Pharisees and lawyers of the SOCG may do this, but I am not interested in the opinion of evil. All evil will be subjected to entropy by Satan, like all the rest of the information garbage of our world.

All copyrights belong to the authors of the paintings, and I cannot appropriate these rights in any way. By publishing paintings by Satanist artists, I popularize the authors of the paintings and the very aesthetics of Satanism.

ABOUT IMAGE FORMATS IN GAY SATANISM PUBLICATIONS – PNG, JPG, WEBP, SVG.

For the source files of Gay Satanism publications, when typesetting books in MS Word DOCX, I use PNG, JPG/JPEG, WebP, and SVG vector graphics. I'm writing this because some files may not display correctly on your computer, or may not display at all, or thumbnails for the graphic files may not be displayed. This means that

your software environment doesn't support a certain image format. The most problematic in terms of compatibility are WebP and SVG. These digital graphics formats are common, but they are not necessarily supported on your computer. This can be resolved by updating your software or installing additional libraries for working with these graphic formats. Each operating system has its own compatibility solutions, so I won't offer any advice. All tips and instructions for resolving these issues can be found online.

I use the classic JPG/JPEG image format, although, in my opinion, this format is inferior to PNG and WebP. The JPG/JPEG graphic file format is widely supported and should display without any problems—this is the biggest advantage of the JPG format. I particularly like the PNG format, which produces fairly high-quality images, which is especially important when printing books. PNG (portable network graphics) is a raster format for storing graphic information that uses lossless compression using the Deflate algorithm. PNG was designed to replace the outdated and simpler GIF format, and, to some extent, to replace the much more complex TIFF format.

For SatanArt albums, I'll be using the excellent and relatively new WebP format. WebP (WEB Pictures) is a lossy and lossless image compression format proposed by Google Inc. in 2010. It's based on the still image (keyframe) compression algorithm from the VP8 video codec. It uses the RIF container. This format offers good image compression while maintaining decent quality.

The SVG vector graphics format differs significantly from the raster formats I've already discussed. Unlike raster images, which hopelessly lose quality when scaled, SVG remains crystal clear on any device and screen resolution. This technology offers an impressive combination of compact file size and absolute scalability, making it indispensable for responsive web design, interactive infographics, and animation. SVG (Scalable Vector Graphics) is an XML-like format for describing two-dimensional vector graphics. Unlike raster formats such as JPEG or PNG, which store images as a grid of pixels, SVG describes images using mathematical formulas and geometric primitives. This format has great potential, but unfortunately, it often experiences glitches when inserting such graphic files into MS Word DOCX documents. If it can display artifacts and errors on Slut Sodomia, then it can behave unpredictably on other people as well. I will use the SVG format sparingly, when it's truly justified.

DISTRIBUTION OF GAY SATANISM BOOKS AND ART APPLICATIONS IN VARIOUS DIGITAL FORMATS

Gay Satanism books, SatanArt albums of Satanic drawings, and SatanSongs albums of Satanic music are available electronically in various digital formats: DOCX, PDF, EPUB, DJVU, PPTX, MP4, and ZIP. Free versions of Gay Satanism documents will be distributed only in PDF formats, with enhanced image compression, using lossy compression but significantly reducing file size. Commercial sales of Gay Satanism books and apps will include a ZIP archive containing versions of the book in different formats (depending on the format selected during purchase). SatanArt, a visual app of Gay Satanism, is a useful supplement to the "Gay Lust" grimoire for spiritualizing a person through the visual imagery of Satanism. SatanSongs almanac is distributed without the music videos themselves,

or with access to a private archive of songs from the Antichrist Slut Sodomia included.

I've compiled Satanic artwork in a separate appendix to avoid taking up too much space with graphics in the "Gay Lust" grimoire itself. You can download collections of Satanic drawings, photographs, and other gay Satanic graphics for immersion in Satan's spirituality from the internet, the Darknet, onion domain sites, through the TOR browser, or via torrents. Artwork titles and text commentaries will initially be available in Russian and English. The English commentary texts are published in the English version of the SatanArt add-on—a separate file.

Thus, the visual application of gay Satanism SatanArt by Slut Sodomia "Collections of Satanic Drawings, Photographs, and Other Gay Satanism Graphics for Immersion in Satan's Spiritualization SatanArt" is available in Russian and English in the following versions:

The Antichrist's favorite format for distributing e-books online and printing on paper is Portable Document Format (PDF)—a cross-platform, open electronic document format originally developed by Adobe Systems using a number of PostScript language features. It is

primarily intended for presenting printed materials electronically. There are numerous programs for viewing it, including the official free Adobe Reader. PDF books are convenient for reading and distributing electronically. Typically, no distortions are observed when opening this format on different operating systems and in different programs. I like to use PDFgear (PDF Gear) for working with PDF files. This is a program for working with PDF files on Windows that allows you to edit documents, compress them to save space, convert them to other formats, and generate a summary of the text. It is inconvenient for use on "old and underpowered" e-readers for a number of reasons. Firstly, PDF files are large, as they are designed for computers, and they open quite slowly on e-readers with weak processors. Secondly, unless the file is specifically designed for a 6-inch e-reader's screen, which is similar in size to an A6 sheet of paper, reading an A4 PDF (and most PDF files are presented in this size) will be difficult. This problem with PDF files shouldn't occur on modern tablets.

The Antichrist prepares all original files on Gay Satanism in Microsoft Word (part of MS Office 2021+) in the DOCX format. This program is the standard of stability and the best "typewriter" for the Antichrist's writer, Slut Sodomia. However, this format does not have the same high formatting stability when opening files on different computers as the PDF format.

The DOCX format is a modernized version of the DOC format, and compared to its predecessor, this format is much more popular and accessible. A DOCX file is a document created using Microsoft Word 2007 or a newer version of Microsoft Office. The file format is based on Open XML and uses ZIP compression to reduce file size. I recommend opening and editing Gay Satanism files in the DOCX format in the original Microsoft Word editor, MS Word, which is included in Microsoft Office 2021 or later. You can also use free programs that can open the DOCX format for reading and review, such as LibreOffice Writer and OpenOffice Writer. Free programs may contain document distortions, offsets, formatting errors, and font errors. The author is making the book in DOCX format available to the public for publication in paperback. This format is easy to format and edit. Please use only Microsoft Word for professional work with the DOCX format. Unfortunately, free programs will inevitably display documents with unwanted layout artifacts when opened on a computer or printed on paper. Gay Satanism publications in the original DOCX format are the largest, most complex, and most computer-intensive. A computer capable of handling these files must be powerful, such as an 8-core processor with 16 GB of RAM. On older computers, the DOCX format will take a long time to open and will run slowly. Please keep this in mind. This format is intended for publishers of paper books and for printing professionals. This is the format of the source materials of gay Satanism.

ZIP is a widely used file archiving format used to compress one or more files into a single location, reducing their overall size and simplifying data transfer. This archive will contain two book files in both PDF and DOCX formats, plus the gay Satanic drawings as raster images. Specialized utilities can be used to create ZIP archives and extract (unpack) the files they contain,

such as the terminal-based PKZIP and PKUNZIP, or the graphical utilities WinZip, WinRAR, Info-ZIP, 7-Zip, PeaZip, and many others. Currently, the ZIP format is considered a generally accepted format for many applications that include compression, backup, and data sharing functions. Along with numerous utilities that work with ZIP files from the command line, graphical programs for working with them also appeared in the mid-1990s. Support for the ZIP format is included in many modern operating systems. Many competing archivers, in addition to their own format, also support the ZIP format. This format will be used to upload gay Satanist music videos from the personal collection of Antichrist Suki, as supplements to SatanSongs' Satanic music albums.

Videos for disseminating gay Satanism in MP4 format and compressed with the H265 codec can be a powerful PR tool. Antichrist Slut Sodomia sees great potential in spreading gay Satanism by creating videos from static PDF e-books, PPTX presentations, and videos created using artificial intelligence technologies, using the method of "animating static images" with the addition of prompts, i.e., text instructions. All gay Satanist videos should be distributed in the latest digital video format, 4K resolution. Preference should be given to videos created using AI rather than slideshows. This is especially true for promotion through YouTube, as all video hosting sites "dislike" slideshow videos (this is a strange limitation, but I see it). Yes, I agree that AI videos are more captivating, but why such disdain for slides of Satanist paintings? This was the Antichrist's empirical explanation, based on personal experience. SatanSongs music videos from the Antichrist's personal collection will be available in MP4 format as a supplement to the SatanSongs almanac.

Additional file formats for publishing and distributing gay Satanism ELECTRONIC BOOKS:

The EPUB file format is an open, royalty-free e-book standard developed by the International Digital Publishing Forum (IDPF). It is licensed under the Creative Commons Attribution-NoDerivs 3.0 Unported license, and IDPF owns the license. The format allows publishers to produce and distribute a digital publication in a single file, ensuring compatibility between the software and hardware required to play digital books and other fluid publications. It is the official format of Apple Books. The original version, the Open eBook Publication Structure or "OEB," was conceived in 1999, and ePub was released in 2007. EPUB is based on open standards and is supported by most devices and e-book readers. This format also provides responsive layout and scaling for optimal readability on a variety of screens. The PDF format preserves the original layout of the publication, while EPUB books can be customized to suit your needs (for example, by scaling text, changing fonts, and making content more comfortable to view on different screen sizes). Most major e-book publishers offer EPUB files. EPUB files work well with EPUB eBooks Reader, Thorium Reader, Adobe Digital Editions, Google Books, Moon Reader, and Amazon Kindle.

DJVU (DejaVu) is an e-book format designed for scanning and saving high-resolution images. I like this format for its compact size, speed, and stable page formatting. DJVU is, technically speaking, a "lightweight" version of PDF. It is commonly used for saving scanned documents, including books, almanacs, and newspapers, and provides high image quality at a relatively small file size. The format supports many features, such as layers, text highlighting, and hyperlinks, making it convenient for use in scientific and technical publications. However, not all devices and software support this format, so viewing it may require specialized programs such as DjVu Reader or Sumatra. DJVU is optimized for network transfer, so the page can be viewed even before the file has finished downloading. A DjVu file can contain a text (OCR) layer, allowing full-text searching within the file. In addition, a DjVu file can contain a built-in interactive table of contents and active areas (links), which allows for convenient navigation in DjVu books.

Antichrist Slut Sodomia may be a bit old-fashioned, but I like the PPTX slideshow format and consider it an e-book format. Files with the PPTX extension are presentation files created with the popular Microsoft PowerPoint application. Unlike the previous version of the PPT presentation file format, which was binary, the PPTX format is based on the Microsoft PowerPoint Open XML presentation file format. A presentation file is a collection of slides, each of which can contain text, images, formatting, animation, and other media. These slides are presented to an audience as a slideshow with custom presentation settings. The PPTX file format was introduced in 2007 and uses the Open XML standard, adopted by Microsoft back in 2000. Before PPTX, the most common file format was PPT, which was a purely binary file format. The new file type adds the advantages of smaller file sizes, less corruption, and well-formatted image presentation. It was in early 2000 that Microsoft decided to make changes to accommodate the Office Open XML standard. By 2007, this new file format had become part of Office 2007 and is supported in newer versions of Microsoft Office. Presentation files are organized collections of slides used to visually accompany presentations and lectures. I tried using the video presentation format for gay Satanist art albums on YouTube, but YouTube absolutely refuses to show such videos (PPTX → MP4) to the general public, presumably due to restrictions on serving such videos through their algorithms. Perhaps there are other reasons for the low audience reach... it is Satanism, after all... who knows what "these Satanists" and the Antichrist might have "written and filmed"☺.

FREEDOM OF DISTRIBUTION OF ANY INFORMATION

Any information should be disseminated freely, openly and without interference from the evil of our world. No copyright should interfere with this. Each work has a true author and no copyright is needed, just as no legislation in the field of information dissemination or copyright is needed. Anyone who interferes with the freedom of information dissemination is criminals and enemies of your personal freedom. Self-balancing of the information field of our world will not allow evil, harmful and false information to spread. All this happens without censorship from the state, automatically in the space of the information field of our world. Good and necessary information will be in demand, and bad and harmful information will become unnecessary. Also, the distribution of this book-album should be completely free. I know for sure that the evil of our world will recognize the main grimoire of gay Satanism as "illegal" and ban my book "Gay Lust", as well as the music albums of Satanic songs and hymns SatanSongs and the albums of paintings of gay Satanism SatanArt.

Protect commercially important information and your personal information yourself if you need it. Your desire to withhold information is not a reason to prohibit public dissemination or discussion of this information. Any censorship and bans on information are an obvious evil. Everything secret, sooner or later, becomes clear.

TRANSLATION OF THE ALBUM OF SATANIC DRAWINGS SATANART INTO OTHER LANGUAGES OF THE WORLD

The album SatanArt in the original (i.e. by Slut Sodomia) is written in Russian and English. Translate the book-album SatanArt into all languages of the world and distribute it in your language environment. The author of the book will be very happy about this. The more people can see satanic paintings and read the text titles-comments to them, from the SatanArt album, the better people will become and the more crushing the blow we will deal to the evil of our world. The visual power of art and the words of the Antichrist in the SatanArt album have a strong effect on the consciousness of man and his spiritualization by Satan. On the title page of my book, write your name as a translator or proofreader of my book if you will translate or correct errors.

DONATIONS TO THE AUTHOR AND ROYALTIES WHEN SALES OF A BOOK IN PRINT AND ELECTRONIC FORM

Antichrist Slut Sodomia has done a lot of work creating art albums of paintings of gay Satanism SatanArt, working on compiling this e-book, searching for drawings on the Internet and compiling their descriptions for you. Four reasons to support the author financially:

The first reason is if you share the ideas of Satanism. This book is a guide and grimoire for established Satanists and for people just beginning to gain insight. Let their path be illuminated by my literary work and help them receive the spiritualization of Satan in full, using my grimoire as a navigator.

The second reason - if you think that the book is useful and valuable for members of the gay fraternity, Satanists and the entire LGBTQ+ community - support the author with any donation. The book about gay Satanism exposes the evil of our world and shows why it is the state, religion and the dark herds of evil, selfish, unspiritualized souls that are the main forces of evil in our world. It is not Satan and not man's spirituality with joy, pleasure, sexual lust that is evil, but evil is located precisely in our world itself. It was evil, in the form of the state and religion, that destroyed Jesus of Nazareth, who was a disciple of Satan, a spiritualized man, and this evil still oppresses your freedom 2000 years later since the life of Jesus of Nazareth in our world.

The third reason - if you want to see a new and expanded version of this book or new books by the author - support the author with any donation. You can make all donations using cryptocurrency - this way you and the author of the book will remain anonymous. What is very important in the world of total censorship and a

total ban on freedom of speech throughout the world at the moment on issues that do not coincide with the official propaganda of states and the ideals imposed by these states.

The fourth reason is if you make money from my literary work by selling it.

You can sell my book; you can translate it and sell translations of my book. You can do this freely, and I will be only happy about that. If you sell the book in print, I ask for a modest 20% of the profit. My written or oral permission is not required to sell the book - you can publish and sell this book. For example, you can publish this book in the form of registered or numbered copies on high-quality paper bound in leather with gold embossing at a high price. Or you can publish the book as a mass edition with a large circulation to spread knowledge about gay sex and gay Satanism at an affordable price.

Or you can put my book up for sale on any sites on the Internet where documents and books are sold in electronic form. If you sell the book as an e-book, I ask for a modest 20% of the sale price. You don't need any permissions for this. I give you this permission here.

Transfer 20% of the profit (for paper versions of the book) or the amount of copies of the book sold (for electronic sales) to the author's cryptocurrency accounts in any available cryptocurrency. These will be sufficient royalties for the publication. All copyrights belong to the author of the book.

You make money from my book. Distribute my book for free and for a fee.

Antichrist Slut Sodomia does not work for a living and has spent many years writing books on Satanism, so he counts on financial support from the Satanist community around the world, I believe I will receive donations from members of the LGBTQ+ community. I also hope that my work will find financial support among feminists, queers and all people with non-standard sexual preferences, which are groundlessly condemned by the society of unenlightened critters, fascists and underdeveloped organisms of evil biohumus. The Antichrist has no other income, but he needs money for household expenses, utility bills and food. To continue writing the second grimoire of Gay Satanism "Beyond the States", I need money for my support in our world. I count on cryptocurrency donations from my readers or viewers of the videos. The material existence and creativity of the Antichrist rests on financial expenses for material life and here, even black magic against the forces of evil will not replace the presence of money.

ABOUT ADDITIONS TO THE GRIMOIRE “GAY LUST” FOR DEPTH SPIRITUALITY BY SATAN

To deepen the spirituality of Satan, Slut Sodomia has prepared and released two additions to its grimoire “Gay Lust” into the Information Space of the Internet, Darknet and torrent network:

- Albums of Satanic music videos for the immersion in the spirituality of Satan. Numbered periodical Journals. SatanSongs and QuasiSatanSongs are an occasional addition to the Gay Lust Grimoire. The lyrics have been translated into Russian. Lyrics in English are published in the English version of this supplement. Clips in MP4 format come as an appendix to this add-on. In total there will be 4 collections of satanic videos SatanSongs with 100 tracks each, plus there will also be an album of quasi-satanic songs QuasiSatanSongs about love, romance, lust. There is continuous numbering of compositions in all SatanSongs music albums¹³. Thus, there will be 500 video clips that help satanic spiritualization. The album QuasiSatanSongs has its own numbering of songs.
- Albums of fine art of gay Satanism for immersion in the spirituality of Satan SatanArt. Thematic numbered periodical Journals of the fine arts of gay Satanism SatanArt. This is an occasional addition to the Gay Lust Grimoire. SatanArt Albums contains paintings and drawings of gay Satanism on specific themes that are related to Satanism or sexual lust. I will publish these albums regardless of the grimoire itself. All paintings in SatanArt art albums have continuous numbering, just like songs.

¹³ Continuous numbering implies a common numbering of objects in all albums of satanic musical compositions.

DON'T HESITATE TO BE A SATANIST!

I like the phrases “Don't hesitate to be a Satanist!” and “Don't be shy about being Satan!”¹⁴. They are multifaceted, and are aimed at calling people not to be afraid to receive satanic spirituality and not to be afraid to resist evil.

NUMBERING AND CONTENTS OF COLLECTIONS-ALBUMS OF SATANIC PICTURES SATANART

The total number of collections and albums of satanic drawings and paintings of SatanArt is currently unknown. I would like to make about 100 albums if readers and the Satanic community like my work. Each SatanArt album will contain 100 drawings. There will be continuous numbering of all images in all music albums to organize the graphic material. Continuous numbering implies a common numbering of objects in all albums of satanic graphics SatanArt.

ADDITIONAL INFORMATION ABOUT GAY SATANISM FROM ANTICHRIST SLUT SODOMIA

I hope that my selection of digital Satanic paintings, drawings, photographs and other graphics of gay Satanism for immersion in the spirituality of Satan SatanArt will be useful to people, and you will find interesting images for yourself in my selection. Visual art for those who are already Satanists and for those who are just thinking about becoming a Satanist and are looking for a connection with Satan for their spirituality. Of course, these paintings can be viewed simply as beautiful masterpieces of fine art 😊, without being tied to the ideas of gay Satanism.

If you are interested in the topic of gay Satanism, you can download and read other books from Slut Sodomia:

- Grimoire of Gay Satanism “Gay Lust.” This is the main grimoire of gay Satanism. This is a magical book that allows me to become a Satanist, helps me see the evil of our world and destroy this evil.
- Albums of Satanic music videos for immersion in the spirituality of Satan, which I call SatanSongs collections. In 2024 I created 4 SatanSongs albums + 1 quasi-satanic album QuasiSatanSongs.

The Gay Lust Grimoire is intended for both experienced Satanists and novice Satanists who want to deepen their spirituality with Satan or even gain it. The grimoire “Gay Lust” is a navigator for a Satanist and a conceptual basis in the fight against the evil of our world. There are Satanists not only among gays themselves, but also among straight people inspired by Satan. And that's great! It turns out that gay Satanism and my book are for all people in whom the fiery rage of sexual perversion burns, as an important element of spirituality by Satan. The book “Gay Lust” is a rebellion and liberation of your consciousness from the dungeons and frames of consciousness imposed on you by the system of the regime, religions and homophobia. The book is a grimoire of gay Satanism with the ritual of Summoning Satan and a code of principles of gay Satanism. The Gay Lust Grimoire is a training manual for passive fagots, active gays and trannies. The grimoire “Gay Lust” liberates the sexuality of any person and throws off the shackles of puritanical hypocrisy.

The FIRST EDITION of the grimoire “Gay Lust” is distributed completely free of charge in electronic form. You can freely download, quote and distribute the grimoire book. Look for the grimoire of gay Satanism “Gay Lust” on sites on the regular White Internet, Torrent trackers or on the Tor network on ONION sites.

¹⁴ This is Satan's phrase. Our Spiritualizer Satan says this phrase to his children, the Satanists. The phrase does not refer to unspiritualized critters of evil who do not have satanic spirituality. And does not apply to mentally ill people.

LIST OF ADDITIONAL APPENDICES TO THE GRIMOIRE OF GAY SATANISM FOR IN-DEPTH SPIRITUALITY WITH SATAN

Applications to gay satanism are satanic music and graphics:

1. Collections of Satanic music videos selected and compiled by Slut Sodomia.
2. Collections of satanic drawings, photographs and other graphics of gay Satanism, selected and compiled by Slut Sodomia.

Collections of Satanic music videos, created either by Satanists or non-Satanists, but they are devoted to the theme of Satanism, in the understanding of Slut Sodomia. The words of these songs are about Satan, or about Satanists, or about the liberation of people from the power of evil, or other quasi-Satanic themes. Songs of completely different genres! Their main feature is that good music inspires. At the time of completion of the first version of the grimoire, Slut Sodomia had collected 500 gay Satanism music videos:

1. Album of Satanic music videos for immersion in the spirituality of Satan. SatanSongS Nr. 1
2. Album of Satanic music videos for immersion in the spirituality of Satan. SatanSongS Nr. 2

6. Album of quasi-Satanic music videos for immersion in the spiritualization of Satan. QuasiSatanSongs Nr. 1

ANNOUNCEMENT OF THE RELEASE OF THE NEW ALMANAC-ALBUM OF SATANIC MUSIC SATANSONGS №5 FROM THE ANTICHRIST SLUT SODOMIA.

On February 22, 2026, the Antichrist prepared a new issue of the Satanic music almanac, SatanSongs #5, which contains 100 new and fresh musical compositions of gay Satanism or quasi-Satanism. I dedicated SatanSongs #5 to contemporary gay Satanist music in various styles, genres, and visual imagery. The music in SatanSongs #5 is intended to enhance one's spirituality with Satan or to introduce newcomers to Satanism. Therefore, the SatanSongs almanacs are suitable for both established Satanists and those who want to become Satanists. The music album SatanSongs #5 contains a wealth of rock, gothic, metal, psychedelic, and songs that help us understand

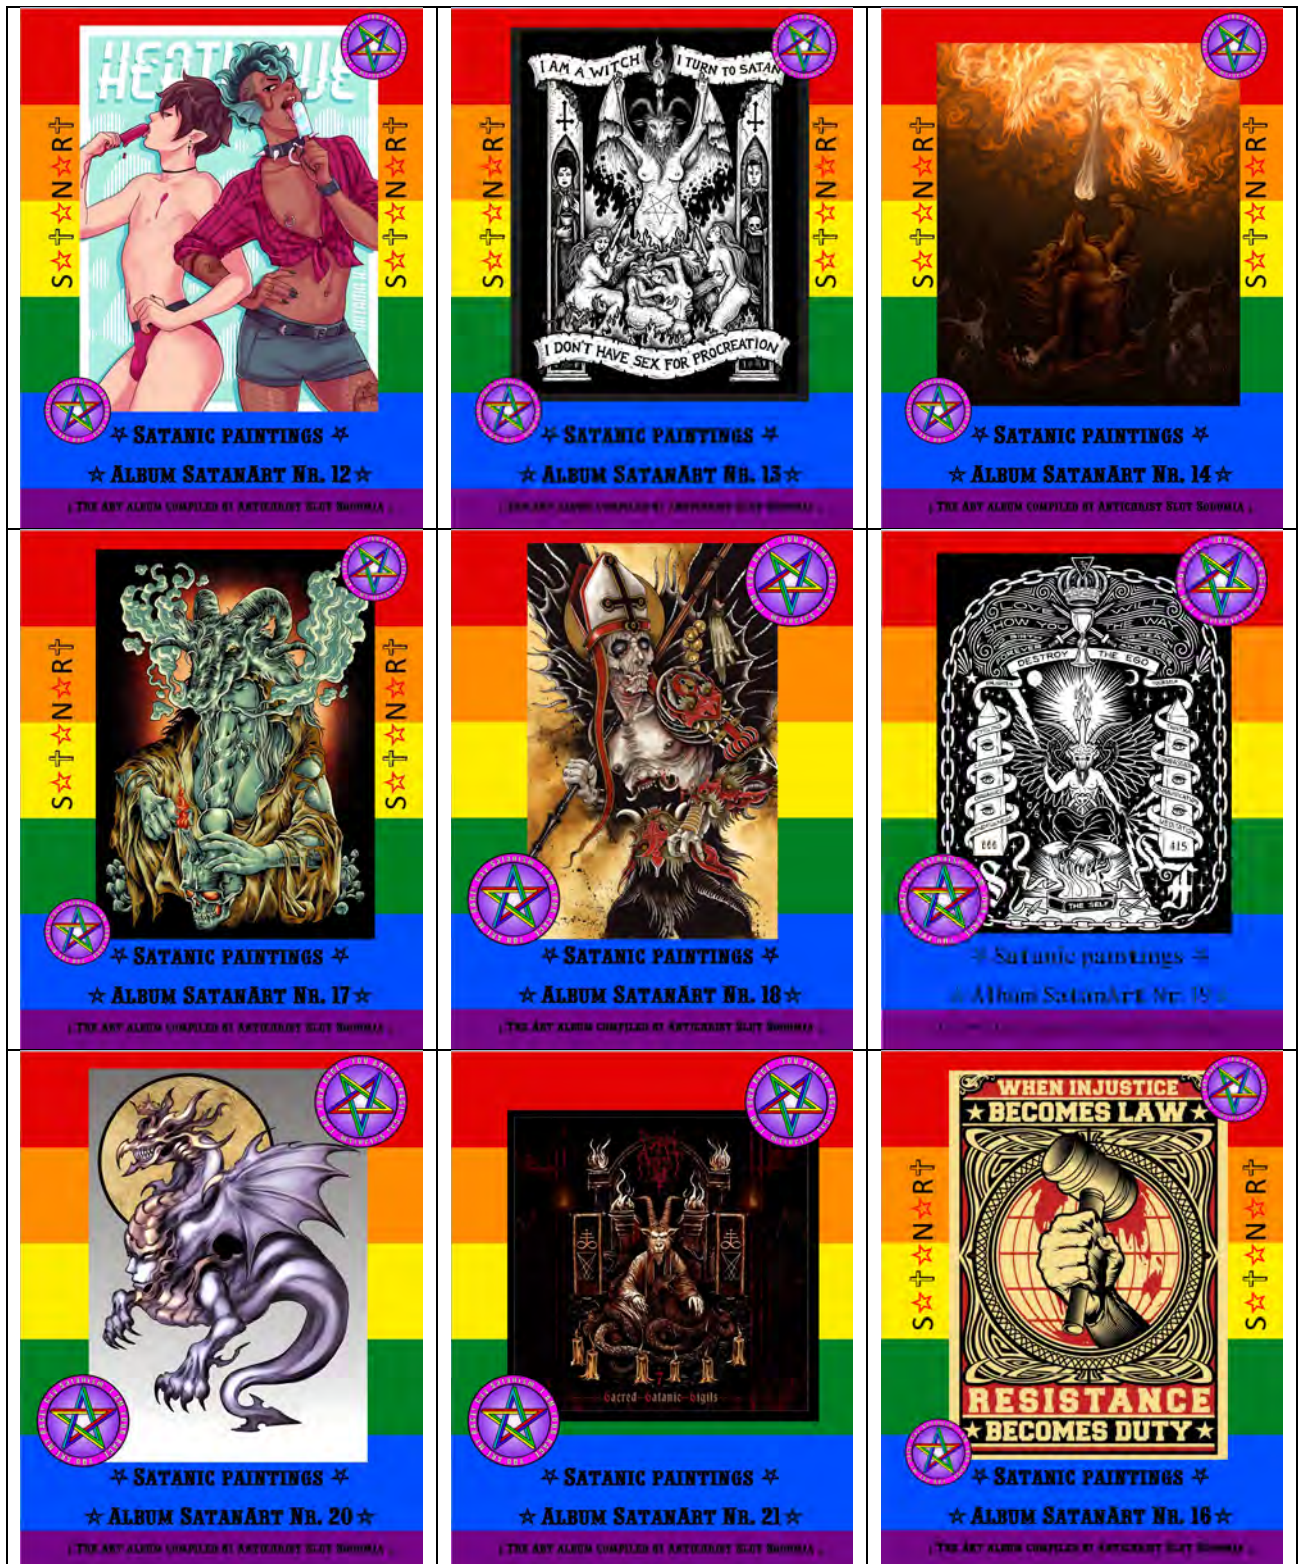

the evil of the fascists of the State Organized Crime Group (SOCG). The almanac SatanSongs #5 contains three hymns of the Antichrist Slut Sodomia, and several other hymns of gay Satanism, which I have specifically noted. I will publish the Satanic music album SatanSongs #5 online. A high-quality version of SatanSongs #5 in PDF and DOCX formats, along with the music videos themselves in MP4 format, is available exclusively to purchasers at <http://666.pictures>.

Gay Satanism graphic art, collected and designed in the form of SatanArt collections, suitable for publication on paper and in book form, will reveal the aesthetics of Satanism and help Slut Sodomia in the development of gay Satanism around the world. Your purchase of graphic albums-collections of gay Satanism graphics SatanArt, in DOCX / PDF format, will support Slut Sodomia financially, and I will know that my work is in demand by people. Let the publication of SatanArt albums allow Satan to enter the souls of more people, let there be more Satanists and less evil from soulless critters.

ABOUT THE DEVELOPMENT, IMPORTANCE AND USE OF CRYPTOCURRENCY

I am writing this chapter about the development, meaning and use of cryptocurrency in 2026. Now, cryptocurrencies, as a means of speculation, investment and payments, are already working quite well, although for most people on planet Earth, crypto-coins are more of a mysterious

phenomenon than an applied financial instrument. Slut Sodoma is very glad that a wonderful alternative to fiat money¹⁵ issued and controlled by SOCG has appeared. The name of this alternative is cryptocurrencies, Bitcoin and all the altcoins of the world¹⁶. Cryptocurrency opens up enormous opportunities to get rid of the evil of SOCG on our planet Earth. It is control over material values that allows the SOCG to rule, mock people, dictate their laws and do various evils in our world (including wars, prisons and collecting tribute from the population). The material wealth of the SOCG is based on: power, evil and money. If the SOCG is stripped of its power over the financial control of money, it could significantly undermine the SOCG's power throughout the world. Cryptocurrencies operate outside of the SOCGs and do not need them.

Lately (since about 2015), the vilest SOCG's have been trying to stick their ugly nose into the control of cryptocurrency, its circulation and use. SOCG began to choke cryptocurrency enthusiasts and large financial speculators in cryptocurrency around the world. SOCG of the USA and Europe require registration and verification of the identity of people who use cryptocurrency on public platforms online and offline. Evil really wants to take control of cryptocurrency, and thereby strangle people's financial freedom. Evil does not want people to leave the orbit of the influence of the SOCG over money. Evil wants to destroy the very idea of freedom of cryptocurrency and the anonymity of its users.

¹⁵ https://ru.wikipedia.org/wiki/Фидуциарные_деньги Wikipedia. Fiduciary (from the Latin fiducia - trust), fiat (from the Latin fiat - decree, instruction, "so be it"), symbolic, paper, credit, unsecured money - money not backed by gold and other precious metals, the nominal value of which is established and is guaranteed by the state regardless of the cost of the material used for their manufacture. As a rule, irredeemable for gold or silver. Often, fiduciary money is used as a means of payment on the basis of state laws obliging it to be accepted at face value. The value of fiduciary money is maintained by people's belief that they can exchange it for something of value. The decline in the authority of state power leads to a decrease in the purchasing power of fiduciary money, that is, to devaluation, "flight from money" (attempts to maintain its purchasing power through investment), etc.

¹⁶ Bitcoin started the era of digital crypto assets in 2009. The shortcomings and limitations of the first cryptocurrency, as well as its open-source code, led to the fact that developers began to create other coins. They are called altcoins.

It is very bad that many financial speculators - exchanges, exchangers and crypto-wallets have followed the requirements of the SOCG and force users to play by their rules. It's very bad that among crypto enthusiasts there is little talk about refusing collaboration with the evil SOCG. More and more cryptocurrency circulation is becoming dependent on the evil of the SOCG and its directives.

BITCOIN IS MONEY THAT

BITCOIN
Simplified

I urge the community of cryptocurrency developers at any level not to collaborate with the state and not to obey their gangster rules. SOCG is simply an evil crook in the field of cryptocurrency technology who wants to rape and subjugate this technology and the users of this technology. Don't let the evil of SOCG deprive you of financial freedom and an alternative financial future outside of states and without states. This was a philosophical preface about cryptocurrency, let me move on to the practice of using crypto-coins.

For beginners, I recommend entering cryptocurrency by opening and creating a non-custodial crypto wallet, which allows you to ensure security and convenient management of your cryptocurrency. Such wallets provide users with complete control over their funds, eliminating the participation of third parties and minimizing the risks associated with hacking or fraud. A non-custodial wallet is a computer program and a

type of cryptocurrency wallet in which only the owner has full control over his funds and private keys. The wallet does not store personal information and does not have access to assets. When you create a non-custodial wallet, you are usually given a private key or a seed phrase (a series of words that can be used to generate a private key). This information is not stored by third parties and it is important that you keep it secure. If you lose it, you will lose access to your funds and there is no way to recover it.

In 2024-2025, the most popular, convenient, reliable software crypto-wallets, in my subjective opinion, are the following non-custodial wallets:

1. Exodus <https://www.exodus.com/>
2. MetaMask <https://metamask.io/>
3. Trust Wallet <https://trustwallet.com/>

Install these programs (one or more), downloaded from official websites, on your computer and begin to master entering the new era of electronic money, outside of states. These programs allow you to buy cryptocurrency with fiat money (dollars, euros and other currencies), make payments to other people's cryptocurrency addresses, and receive payments to your crypto wallet. Installation of these programs is quite simple and available for the most popular operating systems. After successfully creating a crypto wallet, you can send some crypto coins to Slut Sodomia to the details provided in this document if you like Gay-Satanism and the work of Slut Sodomia. I will be happy, and you will check your crypto wallet in action 😊.

To enter the world of cryptocurrency, you can use online services called crypto exchanges. A crypto exchange is a less reliable means of storing cryptocurrency than non-custodial crypto wallets, but some people may find it easier to work with crypto exchanges. Access and work with crypto exchanges occurs through a computer Internet browser, like with any other sites. Please note that crypto exchanges have full control over your finances and can block your money, at the request of fascists from different countries. There are many crypto exchanges and Antichrist Slut Sodomia cannot guarantee which of them is the best, most reliable and convenient. I will recommend four crypto exchanges that have been operating for a long time and with the help of these exchanges you can send donations, donations or royalties in cryptocurrency to Antichrist Slut Sodomia:

Kraken. <https://www.kraken.com>

Kraken is an American cryptocurrency exchange founded in 2011. It was one of the first Bitcoin exchanges to be listed on Bloomberg Terminal.

Binance. <https://www.binance.com>

Binance is the world's leading cryptocurrency exchange, serving 235 million registered users in over 180 countries.

Coinbase. <https://www.coinbase.com>

Coinbase is one of the most well-known names in the crypto industry. Launched in 2012, it offers an intuitive and beginner-friendly platform for buying, selling, exchanging, and storing cryptocurrencies.

SwissBorg. <https://swissborg.com>

SwissBorg is Europe's #1 app for securely buying and selling cryptocurrency with low fees, available in 47 countries and 16 currencies.

Best Wallet. <https://bestwallet.com>

Best Wallet is a non-custodial app that offers wallet and exchange services in a single secure decentralized environment.

The methods recommended by Antichrist Slut Sodomia for selling, buying and transferring cryptocurrencies cooperate with states, i.e. with fascists and SOCG. I do not guarantee the reliability of these trading platforms. Crypto wallets and crypto exchanges require people to provide documents when registering, require them to show themselves through photo or video filming. Cryptocurrency exchanges implement a Know Your Customer (KYC) policy to comply with anti-money laundering (AML) and counter-terrorism financing (CTF) regulations, ensuring the legality of transactions and the safety of users. To register on a cryptocurrency exchange, you need to provide personal data, confirm your identity with documents and a selfie, and wait for approval to access all functions. Exactly the same story when registering in regular banks. On the one hand, it gets rid of scammers, but on the other hand, it is control by various SOCG and loss of anonymity. If I find more anonymous and reliable options for making cryptocurrency transfers, I will write about it in the next versions of the documents.

The Antichrist Slut Sodomia dedicates SatanArt #41 to a topic that is very popular among Satanists: "The Art of Satanic Blasphemy and Sacrilege against the Dogmas of Evil Religions." This theme is simultaneously humorous, satirical, blasphemous, exposé, and Satanic. In this SatanArt #41, the Antichrist Slut Sodomia has sought to select paintings that most effectively reflect this sacrilege and blasphemy. I hope that SatanArt #41, on the topic of blasphemy, will be useful for all Satanists, and for non-Satanists and atheists, it will simply be a fun collection of anti-religious comics on the theme of Christian holiness and purity. I believe that this album does not offend Christians at all, and self-irony and humor help people live more joyfully and better.
