## PREFACE

Issue #42 of the SatanArt almanac is dedicated to the leader of the State Organized Crime Group (SOCG) "USA," a narcissistic sociopath with Narcissistic Personality Disorder (NPD), Donald John Trump. In short, this Satanic album is dedicated to TRUMPISM. This almanac is a puritanical satire or lighthearted humor about the twice-elected narcissist as US President. The almanac does not contain dark satire or pedophile scandals. It does humorously connect Donald Trump to Putin, through the grandiosity of their fascisms, and the possible envy of an American sociopath toward the Russian psychopathic maniac Vladimir Putin.

Donald Trump may be a pedophile or a KGB agent, but Slut Sodomia knows nothing about it, and I haven't heard 100% reliable information about it. Furthermore, I'll speak out as a defender of pedophiles who are attracted to 15-year-old girls. My dears, these 15-year-olds are already fully formed sexually and socially aware, and if your prehistoric morals allow sex at 16 or 18, the problem isn't pedophilia, but your backward morals. There are plenty of sexually developed people in the world, like the Antichrist Slut Sodomia, who have needed passive sex since birth. We, sexually developed people, need pedophiles (as you call them), but you deprive us of the opportunity to have sex when we need it. Just because you're so sexually retarded doesn't mean everyone else in the world is as sexually retarded as you. The age of sexual consent WITHOUT VIOLENCE should be noted in full.

**STATE ORGANIZED CRIME GROUP = SOCG**

There's nothing wrong with consensual sex, love, and non-violent sex, even if it's sex for money or material gain. No "ages of consent" for sex are needed and shouldn't be imposed on society by fascists or moralists. This was a brief analysis of the situation regarding Donald Trump's possible connection with the "horrible pedophile" Jeffrey Epstein. The media blew the "Epstein affair" out of proportion with the most appalling traditions of puritanical hypocrisy. Journalists of all stripes peered into the underwear of sexually depraved billionaires and looked for inconsistencies with "traditional values." Focus on your own sex life, journalists and other hypocritical moralists, and don't delve into other people's sexual affairs from a position of

righteousness and moralism. This was a brief digression in defense of Donald Trump and other people whose gender identity involves romantic-sexual relationships with young bitches.

I'll begin the preface of this almanac with a funny quote from President Donald Trump, which, in just a few sentences, captures narcissism, self-indulgence, psychopathy, and fascist propaganda all at once. President Donald Trump delivered his annual State of the Union address to Congress, beginning with remarks about the rebirth of the United States. A notable moment was his welcoming of the US men's hockey team to the House of Representatives on February 26, 2026, as part of his speech.

TRUMP: "We are winning so much that we really don't know what to do about it. People are asking me, please, please, please, Mr. President, we are winning too much, we can't take it anymore," says President Donald Trump.

The American people are already tired of Trump's victories, Trump himself declared. This is direct and succinct evidence of Donald Trump's grandiose narcissism, crossed with the fascist grandiosity.

The Antichrist Slut Sodomia, compiles and edits SatanArt #42, at a time when the United States and Israel have launched a war to liberate the territory occupied by Muslim sectarians, called Iran. The Antichrist welcomes this cleansing of our world from evil. In the few days since the war began, from February 28, 2026, to March 1, 2026, the most important members of the villainous fascist theocratic regime, the Iranian SOCG, were eliminated, numbering over 48 individuals. This is according to international media reports, and this information can likely be trusted. The leader of the Iranian Muslim sectarians, Ali Hosseini Khamenei (Persian: خامنه حسینی علی سید), was also eliminated<sup>1</sup>.

**As I've written several times in gay Satanist publications, the best option is when one evil destroys another, even more vile evil. This is precisely what happened with the beginning of the SVO in Iran.** Muslim sectarians tortured their own Iranian people, killed them, prohibited all freedoms, and were staunch enemies of LGBTQ+ people, Satanism, and Satan/Lucifer. The "USA" and "Israel" groups are not as ardent opponents of LGBTQ+ people, Satanism, and human freedom as the vile regime of the Iranian ayatollahs. I would rate the evilness of the "Iran" regime a 10, and the evilness of the "USA" and "Israel" a 5.

Satanism, as you know, always advocates for human freedom and opposes organized fascist groups. The Iranian regime, besides being a vile fascist theocracy and preventing its own people from living peacefully and

happily, also deprived them of the true spirituality of Satan-Lucifer. Propaganda of Islam, intimidation by the fascist IRGC<sup>2</sup>, and the substitution of religion for the true spirituality of Satan-Lucifer were the main activities of the theocratic fascism of the Iranian ayatollahs and their accomplices. In principle, there is no more important phenomenon for a person than acquiring and developing the spirituality of Satanism within oneself, but Islamic sectarians did everything to hinder this. Gay spirituality also suffered from the actions of these scoundrels, and LGBTQ+ people were forced to hide, conceal themselves, and not live a free and authentic life, replacing it with a mask of obedience to Islamic evil.

The Antichrist Slut Sodomia welcomes the actions of the United States and Israel to destroy the evil regime of Muslim scoundrels, who not only hindered the lives of their own people but also committed atrocities worldwide, including their alliance with the Rashist Federation. The destruction of the Muslim theocracy in Iran is a blow to Rashism-Putinism and serves as aid to the Ukrainians, who have been waging war against Russia and the Russian orcs for four years now (or more, if you count since 2014).

Initially, when compiling SatanArt almanac #42, I wanted to portray Donald Trump as an enemy of the people of America and Ukraine, a homophobe and transphobe, in the most unflattering light. But this wonderful military operation against the evil sectarians from Iran has softened my plans. I ask that this collection about the sociopath Donald Trump, in its first edition, be considered a humorous collection about the election of a sociopath and narcissist by the people of the United States as their leader and chieftain. Perhaps the narcissistic Donald Trump will manifest himself in human history, in a positive way, and help crush the North Korean regime and the Russian-Mordorian regime. In that case, the Antichrist Slut Sodomia might begin praising the narcissistic Donald Trump herself. I have already written a defensive gay-Satanist report about pedophilia and Donald Trump, and perhaps there will be further reason for admiration for old Donnie, now in her status as "defender and liberator of the evil-enraged peoples" of North Korea or Russia.

Yes, the concentration camp countries of North Korea and Russia are the most evil regimes in our world, not counting the outright cannibals of Africa. Black magic has already been cast upon this evil, but someone must physically free the people of these SOCGs from their enslavement by evil. It's possible it will be Donald Trump—we'll see. I don't know how events will unfold. There are too many nuances, divergences, branches, and factors influencing the course of history.

Most likely, the next vile regime to be eliminated will be the communist regime of Cuba, which has long been ruining the lives of the inhabitants of an island with a wonderful climate but a disgusting economy and red fascism. Let me remind you of the history of the communist revolution in Cuba from Wikipedia: After the

<sup>2</sup> [https://en.wikipedia.org/wiki/Islamic\\_Revolutionary\\_Guard\\_Corps](https://en.wikipedia.org/wiki/Islamic_Revolutionary_Guard_Corps) Wikipedia. Islamic Revolutionary Guard Corps (IRGC).

overthrow of Batista on January 1, 1959, and especially after the landing of the CIA-trained anti-communist troops in the Bay of Pigs and the fighting at Playa Girón on April 14–19, 1961, the revolutionary leadership of Cuba declared the "socialist nature" of the Cuban Revolution. Cuba began economic reforms with an anti-capitalist, socialist orientation, and the country gradually entered into the orbit of the USSR<sup>3</sup>.

Of course, the Red fascist regime in Cuba isn't as vile as those in North Korea or Russia, but this territory is located very close to the United States, and the USSR used it for nuclear blackmail against the United States in the 1960s. The Russian Federation regime could use Cuba in the 21st century for nuclear blackmail against the United States as well<sup>4</sup>. Of course, liberating Cuba from the red communist plague would be a victory for the United States and the entire White civilization, as the Antichrist Slut Sodomia, traditionally calls all countries of the White race and their allies.

Perhaps the cleansing of Cuba is next in Donald Trump's plans after Iran. Why is that? Because North Korea is geographically far from the United States, and the level of patriotic brainwashing there exceeds that of Vietnam. Let me remind you that the Vietnam War was effectively lost by the United States. Here's Wikipedia's data on the Vietnam War:

The Vietnam War (Vietnamese: Chiến tranh Việt Nam, English: Vietnam War) was an armed conflict in Vietnam, Laos, and Cambodia from 1954 (November 1, 1955, or 1960) until the fall of Saigon on April 30, 1975. One of the largest local armed conflicts of the second half of the 20th century, it was the second of the Indochina Wars, officially fought between North and South Vietnam. North Vietnam was supported by the Soviet Union, China, and other communist allies; South Vietnam was supported by the United States and other anti-communist allies. The war is considered a proxy war of the Cold War. The war lasted nearly 20 years, with direct US involvement ending in 1973. The conflict also spilled over into neighboring states, exacerbating civil wars in Laos and Cambodia, which ended with all three countries joining the socialist camp by 1975. After the US Congress prohibited UN and US troops from supporting the South, South Vietnam was absorbed into the socialist North<sup>5</sup>.

Why is the destruction of racism, Putinism, and the Mordor swamps called "Russia" the most difficult task, even for the grandiose narcissist Donald Trump? Of course, there are a tangle of factors, the most important of which are:

1. The size of Mordor's territory. This is a serious, but solvable, problem for the defeat of the last evil empire of the old world.
2. The highly patriotic zombification of the population, the swamp-dwelling Russian orcs, swindlers, and criminals. Most Russians are criminals from birth—this is the genetic bond of racism. This is a very serious problem for the defeat of the last evil empire of the old world. Such people cannot be reformed, even after three generations.
3. The genetic mutations of the brainless Russian orcs, through negative selection of the worst people and alcoholic degradation, have made them incapable of creativity and strong agreements. This means that the entire population of Mordor will have to be exterminated to cleanse it of genetic mutants. This is a very serious problem for defeating the last evil empire of the old world.
4. The lack of roads and the harsh climate of Mordor. This is a serious, but solvable, problem for defeating the last evil empire of the old world.

Of course, defeating Mordor-Russia is a much more difficult task than eliminating the evil regimes of Iran, Cuba, or North Korea. But Donald Trump is a great narcissist from the United States, not some nasty little bureaucrat from Europe. Donnie, come on! You can do it! Europe will approve and grant indulgence for your military operations against the most vile forces of evil in our world. The entire White civilization wants the abolition of the fascist concentration camps of Irina, Cuba, North Korea, and Russia. These concentration camp states mock their own submissive populations, fill them with stupidity, suffering, propaganda, and deprive them of the spirituality of Satan-Lucifer. The Antichrist places great hope on the US fascists as a destructive force against other, more vile and weak criminal regimes of our planet Earth.

**I'll list the main complaint about transphobia against US President Donald Trump, coming from gay Satanism and LGBTQ+ groups, not to mention fascism and other SOCG activities:**

There are not two or even three genders. There are many genders, and they are not necessarily binary states of MALE or FEMALE. Donald Trump declared that there are only two genders, and this is blatant and undisguised transphobia. People who oppose trans people are enemies of all LGBTQ+ people and enemies of gay Satanism. The Antichrist doesn't know why the US President decided to declare the non-existence of transgender people at the beginning of his second term as US President. Where Donald Trump got the idea that there are only two genders and trans people don't exist remains a mystery to the Antichrist. It's possible that Donald Trump is confusing gender and sex. They are completely different concepts. Sex is a physical characteristic, while gender is a person's perception of one's sexuality. Couldn't any smart person in America explain this to Donald Trump? This is nonsense. Yes, there really are 3+ sexes, but there could be more than 50 genders. Everyone already knows this... that's what I thought. There really are 3 main sexes: men, women, and trans people (MTF+FTM). Even if old Donnie meant the number of sexes, not genders, through mistake and ignorance, he was still wrong. The number of sexes is at least 3.

Of course, there are other complaints against Donald Trump from gay Satanism, but if this narcissistic US leader destroys the vile regime of North Korea or even the Russian Mordor, then these complaints don't need to be voiced publicly (in an almanac). I place my hopes on you, Donnie, and on future US presidents in the bright cause of destroying the villains of our planet. Destroy the global evil of planet Earth and gain a little more respect and glory. This is what narcissists and narcissistic sociopaths with NPD syndrome want. **The enormity of the task of eliminating the most horrific tyrannical regimes on our planet corresponds to Donald Trump's psychological state. It could be said that Donald Trump's narcissism, his sociopathy, and his NPD syndrome help solve global issues by eliminating the world's most vile evil. Therefore, the US President's psychological profile helps him accomplish grandiose global deeds for his own significance and greatness, but does not make him a Satanist.** I ask readers of the Antichrist's almanac to keep this in mind.

I'll write about the magical shift in perception of President Donald Trump, during the writing of SatanArt almanac #42 by Antichrist writer Slut Sodomia.

I've already compiled about 40 SatanArt almanacs, and each almanac is dedicated to a specific topic that I want to explore, deepen my knowledge, or share with my readers from a gay Satanist perspective. Usually, I always know exactly how I feel about the subject of my research, and I usually become more confident in my assumptions and ideas about what I understand about the object of my research. The Antichrist is assisted in this by Satanic spiritualization and a quantum connection with the Spirits of Satan-Lucifer in Hell through the VIC. I understand that such a connection and its awareness are rare in our world, and only a few people can consciously utilize it. I know this. That's why the Antichrist is called the "son of Satan"—because I have such a connection. So, this SatanArt almanac #42 on Donald Trump differed from the previous ones in that my understanding of the subject, while working on the topic, didn't strengthen, but rather changed to the opposite.

This is precisely the effect of Satanic spiritualization and the power of Satanic magic on a quantum level. This isn't just my guesswork or some kind of analysis. It's a change in the perception of a person's aura, when the lies of our world subside. This happens quite quickly, within 10-60 minutes. First, I collected all the graphic material, i.e., the pictures, processed them with an image enhancer, and began compiling the album, the graphic portion of the document you are now reading. Then I began writing the text, and at this stage, my perception of Donald Trump began to dramatically change. Before starting work, I imagined Donald Trump as a carbon copy of the fascist Putin, but I was wrong. Donald Trump truly wants to make the world a better place, albeit using his own methods. He places primary emphasis on improving his America, i.e., the United States. It's a good goal, even if one has to lie, engage in various political manipulations, and other duties of a fascist leader. But the main good news about President Donald Trump, for me, was that he is NOT PUTIN'S AGENT and he is NOT as villainous as Putin. I saw old Donald's aura and rejoiced at it. My attitude toward US President Donald Trump has changed, and this is the first time in my entire work on gay Satanism that has

happened. I'll write about the magical shift in perception of President Donald Trump, during the writing of SatanArt almanac #42 by Antichrist writer Slut Sodomia.

The Antichrist Slut Sodomia has been misled by various journalists, such as the red-haired and dyed journalist Alexander Sotnik, who positions himself as an independent journalist and opponent of racism and Putinism. This dyed journalist broadcasts from Bratislava and constantly claims that Donald Trump is a spy and agent of Putin, recruited back in the USSR, and is being actively used by the Kremlin because he possesses some mysterious compromising material on the US President. This idea is key to all of this journalist's work.

So, you get the idea – the Antichrist has been misled by journalist Alexander Sotnik and many other bloggers, journalists, and pseudo-experts on secret conspiracy theories surrounding the story of the KGB's recruitment of businessman Donald Trump. This false information always made me distrustful, but it perfectly explained Donald Trump's hesitation in dealing with the Kremlin's senile maniac, Vladimir Putin. The Antichrist was misled, but that's not surprising. I wasn't particularly interested in Donald Trump and got superficial information about him from various videos, texts, and images. Now it's clear to me that Donald Trump is not Putin's agent and is playing his own game. I don't know 100% about his KGB recruitment, but Donald Trump is definitely not Putin's agent or spy. These are the fabrications of self-serving journalists who are willing to invent all sorts of lies to boost their own popularity.

It's not surprising that the Antichrist was misled – I never spoke with Donald Trump, and the information from journalists and pseudo-experts turned out to be lies. Okay, that was revealed pretty quickly – in 10 minutes. Thank you and glory to Satan-Lucifer!

Thus, my current image of Donald Trump has changed and looks like this:

1. Donald Trump is not Putin's agent or his puppet. This is a false theory and a deception.

2. Donald Trump genuinely wants to make the United States a prosperous country. He calls this fact MAGA (Make America Great Again).

3. Donald Trump may be an enemy of the vilest fascist regimes in our world. This is the most important point. The enemy of Satanism's enemies is Satanism's ally.

4. Narcissistic sociopathy and NPD syndrome help the US President fight the dictatorships of the vilest fakir regimes. Where the average person would cower and think in a formulaic way, a person with a twisted psyche will find other solutions and employ sophisticated manipulation to achieve their goals. Therefore, President Trump's hypothetical mental diagnoses aid him in his work as commander of the US military and other forces used to destroy the vilest evil. Sociopaths and narcissists are the most powerful manipulators, in principle. They are even more powerful than psychopaths, who are incapable of feeling an empathic response to their manipulations.

I will publish all the humorous cartoons I've collected about Donald Trump, because there is nothing in them that could offend the seasoned political wolf, and I don't want to offend old Donny. Yes, this is satire and political humor. I see nothing wrong with humorous caricatures of Donald Trump's face and figure. That's my opinion. Donny, don't be offended! This is how various artists depict you! It's not the Antichrist's fault that they see you this way! I don't know why I'm making excuses to Donald Trump... I guess I'm explaining my position to the readers. Ha-Ha.☺

Yes, I didn't expect Donald Trump to be so heavily smeared with dirt by various journalists from different countries and ethnicities. This story leads to the conclusion: you can't trust bloggers, journalists, and the media. They can lie and copy each other's lies, multiplying them. Donny, you've truly been slandered by so many people in our world that you're the victim of those slanderers. Accusing Trump of treason and working for Putin is serious slander, which has even offended the Antichrist Slut Sodomia. Yes, I also listen to news created by people. Modern AI lies even worse than humans. Trusting AI-generated data is simply impossible in 2026. It turns out that without Satanism, there's no way to distinguish truth from lies. How else could the Antichrist understand that the slander against Trump is a lie? I don't have the opportunity to study Putin's intelligence data, as you understand. It's no wonder journalists lie to ordinary people in their reports and analyses. They know the information can't be verified.

To summarize: Antichrist Slut Sodomia defends Donald Trump from accusations of pedophilia and treason. I do this completely selflessly and in a way that surprises me. Donald Trump has proven to be a good president and leader. At the beginning of working on the album, Antichrist assumed a different attitude toward Donald, but my Satanism and the Spirit of Satan-Lucifer clearly laid everything out. I adore Satan and Lucifer!

In SatanArt almanac #42, I use psychiatric terms, and not everyone is familiar with medical terminology, so below I will analyze the meaning of the following terms:

1. Empathy.
2. Sociopath.
3. Psychopath.
4. Narcissistic sociopath.
5. Narcissistic Personality Disorder (NPD).

Please note that medical diagnoses cannot be used as insults. The Antichrist does not intend to insult Donald Trump, but is simply analyzing the similarities between the US President's behavior and symptoms of psychopathic deviations in this person's spirituality or in old Donny's blizzard-physical state.

Let me start by saying that among psychologists, psychiatrists, pundits, bloggers, and journalists, there's a widespread belief that a psychopath can't be a narcissist, and that a psychopath lacks the capacity for empathy, in principle and by definition. Therefore, the Antichrist didn't even title the current collection, SatanArt #42, "psychopath," but replaced it with "sociopath." Of course, this would be the most accurate term for Donald Trump. However, I believe that different roles, psychological profiles, and even different guises can coexist within one person. Doesn't it surprise you that a woman can be a daughter, a mother, and a grandmother all at once? There's nothing surprising about that, right?

Why then are you surprised that a psychopath and a narcissist can coexist within the same person? Yes, these roles are activated at different moments in time, and the Antichrist can sense this, even from his own experience. Antichrist Slut Sodomia can include empaths, sociopaths, psychopaths, narcissists, men, women, and trans people. I do all of this within my physical body. Therefore, the narcissist Donald Trump could easily be called a psychopath with NPD syndrome, and that would be accurate. I simply wanted to be correct and precise in my formulation, so I gave a mental diagnosis or painted a portrait of old Donny with the following term:

**Narcissistic sociopath with NPD syndrome Donald Trump.**

This mental portrait of "our patient" from SatanArt almanac #42 should not raise any debate about the patient's empathy or lack thereof.

Here's a definition of empathy from Wikipedia: Empathy is typically described as the ability to perceive another person's perspective, to understand, feel, and perhaps share their experience and respond to it. However, there are other (sometimes conflicting) definitions of empathy that include, among other things, social, cognitive, and emotional processes primarily aimed at understanding other people. Empathy is often viewed as a broad concept and can be divided into more specific concepts and categories, such as cognitive empathy, emotional (or affective) empathy, somatic empathy, and spiritual empathy. Empathy continues to be a topic of research. Key areas of research include the development of empathy, the genetics and

neurobiology of empathy, interspecies empathy, and empathy disorders. Some researchers have attempted to quantify empathy using various methods, such as questionnaires that participants can complete and then have their responses rated<sup>6</sup>.

### What is a sociopath?

Sociopaths are mentally disturbed individuals who suffer from a severe form of antisocial personality disorder (APD). Sociopaths typically have a history of behavioral problems, a criminal record, aggression or violence toward others, and difficult relationships. Some may also exhibit narcissistic traits, and narcissistic sociopaths can be particularly dangerous and manipulative. A sociopath may struggle with drug or alcohol problems and exhibit a pattern of irresponsible or impulsive decision-making that has created problems in their lives. While the terms "psychopath" and "sociopath" are sometimes used interchangeably, many experts argue that there are differences between the two. Both sociopaths and psychopaths suffer from antisocial personality disorder, but psychopaths are believed to have an even more severe form of antisocial personality disorder than sociopaths.

### The main differences between sociopaths and psychopaths include:

| Psychopathic traits and characteristics            | Социопатические черты и характеристики            |
|----------------------------------------------------|---------------------------------------------------|
| Inability to empathize with others.                | Limited empathy for others.                       |

### 15 Signs and Traits of a Sociopath.

The signs of sociopathy aren't always obvious, especially considering that some sociopaths have become highly skilled at deception, charm, and manipulation to achieve their goals. 5 This can make it very difficult to recognize a sociopath in your life, especially if it's someone you don't know well or rarely interact with. Sociopathy often manifests differently in women, with more subtle, but equally damaging, behavioral manifestations. Here are 15 signs and traits of a sociopath to look out for:

#### 1. Lust for Power and Domination

Both sociopaths and psychopaths are often found at the top of corporations, governments, and in leadership positions. This may not be a coincidence. Sociopaths are power-hungry and may spend considerable time and effort achieving positions where they can control, dominate, and wield power over others. Once they gain power, they tend to abuse it, committing irresponsible, destructive, and harmful acts.

#### 2. Cunning or a tendency to deceive

<sup>6</sup> <https://en.wikipedia.org/wiki/Empathy> Wikipedia, the free encyclopedia. Empathy.

Another common characteristic of a sociopath is a tendency toward cunning, dishonesty, or deception. Sociopaths are often caught lying, exaggerating, or distorting facts, as well as twisting the truth to achieve their goals. When caught lying or accused of dishonesty, they use denial, projection, or misdirection to avoid responsibility.

### 3. Ruthlessness in achieving their goals.

Sociopaths are ruthless in their pursuit of what they want. Uninhibited by common prejudices, moral and ethical principles, or concern for others, there are virtually no limits they won't cross to achieve their goals. They may lie, cheat, steal, and exploit others to gain more money, power, or whatever else they believe they want.

### 4. Hostile or aggressive behavior toward others.

Hostility, anger, and aggression are other common traits of sociopaths. Sociopaths are more likely to hold racist, sexist, or misogynistic views or to harbor hostile feelings toward both individuals and groups in society. They are more likely to be violent or cruel toward others, although some sociopaths also use more subtle forms of violence (e.g., ridicule, bullying, guilt, etc.) to achieve their goals.

### 5. Easily irritated or easily angered.

Unlike other people, who experience a wide range of emotions, such as happiness, sadness, fear, guilt, and anger, sociopaths may experience only a few. Anger is one of the most easily accessible emotions for a sociopath, and it often manifests itself in their relationships, work, and everyday life. When angry, they can easily become frustrated, irritated, and prone to yelling, aggression, or angry outbursts.

### 6. Irresponsible Decision Making

One of the main signs of a sociopath is a tendency to make reckless, irresponsible, and impulsive decisions throughout life. While everyone occasionally makes irresponsible or rash decisions, sociopaths consistently make poor decisions, including those that endanger themselves or others. <sup>1,3</sup> Unlike other people, they don't seem to "learn" from these mistakes and instead continue to make them again and again.

### 7. Superficial Charm and Persuasiveness

Sociopaths can be charming, cunning, and highly persuasive people who easily gain sympathy, agreement, and a desire to help others. These traits are superficial and tend to fade with more interactions with such people. For example, you start dating a sociopath, and they lose their charm after "winning you over."

Over time, it becomes clear that the sociopath is dishonest and untrustworthy, and most people will avoid them. However, they can be very good at making first impressions, charming others, and persuading people to do things for them.

### 8. Broken Moral Compass or Limited Conscience

Sociopaths lack a functioning moral compass and show only limited remorse when they make bad choices or harm others. This limited capacity for empathy or remorse manifests itself in various ways. Sociopaths may deliberately act in ways that harm others, lie, steal, or take advantage of their vulnerabilities. While some sociopaths experience mild remorse afterward, this is usually not enough to deter them from repeating similar actions in the future.

### 9. Few Close Bonds or Relationships.

Since one of the hallmarks of sociopathy is a lack of empathy or a disregard for the feelings and needs of others, sociopaths have great difficulty forming close bonds with others. 1,2,4 They may have a few close relationships (often with family members or significant others), but they are generally unable to form healthy, lasting relationships. This is why many sociopaths have a long list of exes, "friends-enemies," and people they betrayed, hurt, or abandoned who now distrust or dislike them.

#### 10. Manipulative Tendencies

Manipulative tactics are another classic sign of sociopathy, which may include lying, guilt tripping, or coercing others into doing something. Sociopaths use their charm, persuasive power, and emotional manipulation to control the actions and choices of others, often for their own selfish gain. Some sociopaths manipulate people because they enjoy it.

#### 11. Entitlement to Benefits and Impunity

A sense of superiority or superiority above the law is another common characteristic of sociopaths. Sociopaths believe they should be allowed to disobey rules. They may demand that others make exceptions or bend the rules for their own sake, and they may also make exceptions without holding them accountable or punishing them for breaking the rules.

#### 12. Social Deviance

Sociopaths have little respect for social norms and moral principles. They often act in violation of the unspoken rules of society that most people follow. These range from minor infractions, such as waiting in line, skipping turns, or telling half-truths, to more serious violations that harm others or violate laws. This same tendency can manifest itself as sexual promiscuity, even if the person is in a monogamous relationship.

#### 13. Tendency to Seek Cheap Thrills

Many people with symptoms of sociopathy seek cheap thrills, even if it puts them or others in danger. These may include excessive drug or alcohol use, sex, food, and expensive shopping or trips to casinos. Thrill-seeking is usually driven by impulses and urges that arise in the moment. This behavior may also be related to their tendency to become bored easily.

#### 14. Opportunistic, but in all the wrong ways.

Opportunists are people who find ways to turn situations (including difficulties) to their advantage, while sociopaths seek out or create difficulties for others for their own benefit. This makes them antisocial opportunists who try to profit from misfortune and view the difficulties of others in a positive light. 15.

#### Emotional Detachment

Another hallmark of a sociopath is emotional detachment, which can manifest as coldness, callousness, or emotional absence. When others are panicking, a sociopath may be unusually calm. On the other hand, when someone is feeling guilty or sad, a sociopath may appear perfectly content and happy. These abnormal emotional reactions are often a sign that the person has an emotional "deficiency," which is one of the hallmarks of a sociopath<sup>7</sup>.

Sociopath is an outdated, informal term for someone with antisocial personality disorder (APD). This disorder can manifest itself in a lack of empathy, meaning the person has no regard for or understanding of the feelings of others. They may feel no remorse for their actions and often exploit others for their own personal gain.

Scientists don't know exactly what causes antisocial personality disorder (ASPD), but both heredity and upbringing appear to be involved. You're more likely to develop ASPD if you have a family history of the disorder or experienced a traumatic event in childhood. You're also more likely to develop ASPD if you're male, have a history of behavioral problems as a child, or grew up in an unstable environment. Many people are unaware of this disorder and may never be diagnosed.

The word "sociopath" (and its counterpart, "psychopath") carries many stigmas and misconceptions. Popular films and books often portray sociopaths as cruel and heartless people. As a result, people often assume that people with antisocial personality disorder (ASPD) are always criminals, but this is not true. These stereotypes make it difficult for people with ASPD and their families to recognize the condition and seek help.

To avoid stigmatizing people with this disorder, it's best to avoid calling them "sociopath" or "psychopath." In casual conversation, focus on the person's problematic behavior, such as lying or criminal activity, rather than labeling them a "sociopath." When referring to the clinical disorder, say, "A person with antisocial personality disorder." These simple changes reduce the shame associated with the disorder, making people feel more comfortable receiving a diagnosis and seeking treatment.

### **High-functioning sociopath**

This is an outdated, non-clinical term for people with mild traits of antisocial personality disorder (ASPD) or who are skilled at hiding them. As a result, they can be successful in everyday life, such as at work or in school. Some may hold respected positions, such as business owners. They may appear charismatic or charming, but are actually manipulative. They may succeed in their profession by exploiting or manipulating others. The same can be true in their personal lives. It's more difficult to determine when someone has high-functioning antisocial personality disorder, but that doesn't mean it's not dangerous. Their insincerity and lies can still hurt others.

### **Low-functioning sociopath**

This is also an outdated, non-clinical term informally used to describe people who have difficulty concealing their traits of antisocial personality disorder (ASPD). They may lack the social competence to engage in covert manipulation and deception. Instead, they may rely on threats or violence to get what they want. They may also engage in unlawful behavior and often suffer from other harmful conditions, such as addiction. ASPD can also be part of another serious mental disorder, such as bipolar disorder<sup>8</sup>.

The International Classification of Diseases (ICD-10) includes ten diagnoses of borderline personality disorders. These are mental illnesses that cause an unhealthy relationship with oneself and others. One of them is narcissistic personality disorder.

### **What is narcissism?**

Innocent people are often categorized as "narcissists." In this article, we will try to answer all the questions and draw a clear line. Narcissism is a mental disorder characterized by an excessive interest in oneself.

People with narcissistic traits seek confirmation of their superiority and the attention of others. This manifests itself in inflated self-esteem, a desire for power and control over others, and an inability to empathize and

understand the feelings of others. Narcissists are treated by specialists such as a psychiatrist or clinical psychologist. In severe cases (when the mental state is unstable), clinical treatment is required.

### Signs of Narcissism

Narcissistic traits are present to varying degrees in every healthy person. A diagnosis of narcissistic personality disorder (NPD) is made by a psychiatrist or psychotherapist. A person must exhibit five or more of the following characteristics:

1. Grandiosity.

A defining characteristic of a narcissist. These individuals believe they are unique and "special." They are too good for anything average or ordinary.

2. Lack of empathy.

Inability to put themselves in another person's shoes. They only recognize their own needs.

3. Desire for control.

Narcissists use others without guilt or shame. They view the people in their lives as objects meant to serve their needs.

4. A sense of self-importance, a feeling of uniqueness.

5. Pathological envy of others' success.

One of the main symptoms.

6. Arrogance, a desire to humiliate others.

The narcissist's defense mechanism is contempt. The only way to neutralize the threat and support their weakened ego is to suppress others.

7. Fantasies of unlimited power, beauty, and love.

Since reality doesn't support their grandiose self-image, narcissists live in a fantasy world. Psychotherapy provides an opportunity to gain some contact with reality.

### **How do people with narcissistic personality disorder (NPD) behave?**

People with NPD are enamored with an idealized image of themselves. Their inflated self-esteem helps them avoid deep insecurities. Unhealthy attitudes and behaviors support their delusions of grandeur.

Others often describe people with NPD as brash, manipulative, selfish, domineering, and demanding. This way of thinking and behaving manifests itself in all areas of the narcissist's life, from work to close relationships.

People with narcissistic personality disorder are extremely resistant to change. They shift blame onto others. Moreover, they are extremely sensitive and react poorly to even the slightest criticism. It's easier for loved ones to agree with their demands and not question them, to avoid coldness and rage. By learning more about narcissistic personality disorder in our article, you can identify narcissists in your life and protect yourself from their influence. Narcissists often exaggerate or outright lie about their success and talents. When talking about work or relationships, they emphasize their significant contributions and how lucky the people in their lives are to have them. They are the star, and everyone else is just a player (at best).

### **Causes of Narcissistic Disorder**

We will examine the main causes of narcissistic disorder. They include both innate and acquired factors. Here are some of them:

1. Some studies suggest that this mental disorder may have a genetic basis.
2. An unhealthy relationship with a child in the family. The disorder often develops when a child is loved only for external achievements, with a complete lack of emotional connection.
3. Traumatic events: To protect oneself from pain or shame, the psyche uses excessive self-love and a desire for control.
4. Modern culture can develop narcissistic injury even in adults. Social media pushes us to constantly compare ourselves to others.

### **Types of narcissism**

Adaptive – does not suffer from the disorder and relies on positive traits: self-sufficiency and self-confidence. This personality type sets high goals and enjoys relationships without being dependent on a partner.

Maladaptive: Its symptom is a combination of traits:

- Grandiose narcissism. These narcissists are extroverted, yet uncooperative. They are selfish, domineering, and assertive.
- Covert or vulnerable narcissism. These narcissists are introverted. They are extremely sensitive to criticism and suffer from low self-esteem. They may adopt a defensive and passive-aggressive stance, but deep down they still have a grandiose view of themselves.
- Malignant (perverse). These individuals are aggressive, paranoid, and derive joy from humiliating others. They exhibit antisocial behavior, ignoring the rights of others.

How does a narcissist differ from an egoist?

Although narcissism and egoism are very similar on the surface, they are different aspects of personality:

1. Orientation toward self and others. Egoists are self-oriented, but their primary interest is personal gain. People with NPD are preoccupied with superiority over others.
2. Empathy and relationships. People with NPD lack understanding of other people's feelings. They may use relationships to bolster their ego. Egoists may show empathy, but are willing to sacrifice the interests of others for personal gain.
3. Degree of grandiosity. Egoists strive for personal gain, while people with NPD maintain grandiosity.

Narcissists can be very attractive and charming. But behind this beautiful facade lies a very fragile self-esteem. Treating people with this disorder is like completely remodeling a house. The most effective method is psychotherapy. Some psychologists believe that it is necessary to "nourish" the narcissist with empathy, like a baby. There are other tactics as well. An important part of the therapist's work is working through devaluation. It is difficult to help someone who does not see their problem<sup>9</sup>.

**Narcissistic personality disorder (NPD) is a mental condition in which a person feels superior, needs constant admiration, and is incapable of empathy.**

This behavior should not be confused with ordinary self-confidence. Many people enjoy talking about themselves or seek recognition. However, in NPD, these traits become pathological and disrupt relationships. A person with NPD develops a grandiose but unrealistic self-image. They consider themselves special, talented, deserving of admiration and privilege.

At the same time, they react sensitively to criticism and experience anxiety if they do not receive confirmation of their superiority. They do not allow the thought that they might not be perfect. In the event of failure, they tend to blame others: a teacher, circumstances, relatives—anyone but themselves.

### **Signs of Narcissistic Disorder (DSM-IV)**

According to the DSM-IV diagnostic manual, a diagnosis is made if at least five of the following signs are present:

1. Inflated self-esteem and exaggerated achievements;
2. Fantasies of tremendous success, power, or love;
3. A sense of one's own exceptionalism;
4. The need for constant admiration;
5. A sense of entitlement;
6. A tendency to exploit others for their own purposes;
7. Lack of empathy;

### How does NPD differ from healthy narcissism?

Many people have narcissistic traits. These can include a drive for success, a love of praise, and a desire to be recognized. Healthy narcissism helps achieve goals and feel confident. NPD is the extreme form. When affected, a person cannot accept rejection, is blind to feedback, distorts their perception of reality in their favor, and destroys relationships.

Narcissists rarely admit that anything is wrong with them. However, in some cases, empathy, stability, and acceptance from loved ones can become a source of support. If a person with NPD begins to feel accepted—without the demands of perfection—they can gradually change. However, this doesn't always work. Sometimes your openness goes unanswered. It's important not to sacrifice yourself and maintain boundaries<sup>10</sup>.

### **Psychopathy – Concept and Characteristics.**

Psychopathy is a genetically encoded variation in brain structure and differences in brain chemistry. It is genetically determined and present from the first breath to the last. Psychopathy cannot be artificially induced; it is either present or not. There are no exceptions to this rule.

Differences in brain structure and brain chemistry exclude certain emotions from perception, meaning they can never be felt. Many of these emotions are triggered by oxytocin. In the brain of a psychopath, the oxytocin receptors are mutated. Our bodies produce oxytocin, but due to the mutation in the receptors, it never binds to them. Oxytocin passes through the body completely unused. Some of the emotions induced by oxytocin include:

1. Chemical love.
2. Trust.
3. Bonding.
4. Jealousy.
5. Hatred.
6. Emotional empathy.

This also affects memory and facial recognition, although not to the extent of causing face blindness. It is believed that it can also influence other emotions, but that list is well-suited for this article. Psychopaths are also incapable of caring what other people think of them. This will become important later.

It appears that narcissistic personality disorder has some pre-existing genetic components that contribute to its development if the upbringing conditions are conducive to its activation. Narcissistic personality disorder (according to this source) cannot coexist with psychopathy. Why people think this is possible is beyond me. Even so-called professional clinicians have made similar statements, and when I challenged them, they had no arguments. They simply responded, "That's what they were taught, so..." A person with narcissistic personality disorder constantly struggles to find the self-expression that will bring them the greatest value and admiration. In my personal experience, two of my acquaintances with narcissistic personality disorder frequently changed their true nature. The situations in which this occurred had similar characteristics:

1. Their current disguise had worn off. Their internal problems were creating too many difficulties in their social circles, creating chaos. When their inner problems surfaced and their facade faded, they didn't receive the admiration they deserved. This led to the second step.
2. They completely withdrew from everyone they knew, adopted a new identity, formed a new group of friends, and then demonized the last group, portraying them as evil abusers. Two of them needed to be seen as "strong victims." I don't remember much about the third one's personality issues, so I don't recall whether they had the same behavior pattern. However, with the other two, this pattern repeated itself over and over again. As far as I know, it continues to this day.
3. All three grew up in difficult families where there was a pressure to achieve certain heights to attract attention. While they may have been noticed in other circumstances, it wasn't for good reasons. In the case of one, his father wanted a "genius child" and began teaching him math and physics before

### **What is the difference between psychopathy and sociopathy?**

Psychopathy affects how a person builds emotional and psychological connections, while sociopathy is rooted in the violation of social rules. Generally, most of us are familiar with the terms "psychopath" or "sociopath," used to describe people who appear manipulative, cold, or even dangerous. While these labels are common in everyday speech and pop culture, we don't always realize how harmful and stigmatizing they can actually be.

Psychopathy and sociopathy are not medical diagnoses. However, they are often used to classify the behaviors and traits associated with antisocial personality disorder (APD). Psychologist Ramon Ford, PhD, explains how this condition affects different people differently. Understanding these differences helps ensure everyone has access to better care.

Psychopathy and sociopathy can be viewed as two sides of the same coin: psychopathy is potentially more dangerous because it is closely linked to genetics, while sociopathy can be caused by genetic factors or factors leading to impulsivity and a lack of empathy. Doctors do not diagnose people as "psychopaths" or "sociopathy." However, they may diagnose someone with antisocial personality disorder if they exhibit specific, persistent, and recurring psychopathic or sociopathic traits and behavior patterns.

Traditionally, psychopathy was viewed as a more severe form of antisocial personality disorder, associated with an increased risk of violence. Today, the Diagnostic and Statistical Manual of Mental Disorders (DSM-5-TR) classifies psychopathy as a variant of antisocial personality disorder based on the following characteristics:

1. Lack of fear
2. Low anxiety and isolation
3. High attention-seeking
4. Difficulty recognizing or understanding others' emotions or one's own
5. Limited understanding of the difference between right and wrong
6. Lack of empathy or remorse
7. Inflated sense of self-worth or superiority
8. Use of insincere charm to hide or disguise true feelings or thoughts.

Sociopathic traits often include manipulative behaviors, such as gaslighting, which are typically associated with poor emotional control or a lack of social awareness. "Sociopathy is associated with a violation of social norms and an aversion to accepted behavior," explains Dr. Ford. Specific traits of sociopathy may include, but are not limited to:

1. Frequent lawbreaking (e.g., vandalism or shoplifting).
2. Making impulsive decisions, such as quitting a job, moving, or breaking up without prior planning.
3. Increased aggressiveness and the risk of physical assault or violence.
4. Taking risks without regard for one's own safety or the safety of others.
5. Failure to fulfill one's responsibilities, such as work or personal obligations<sup>12</sup>.

Psychopathy is not an official mental health diagnosis. However, some psychopathic traits overlap with symptoms of antisocial personality disorder (APD), which is characterized by a persistent disregard for the rights, feelings, and safety of others. Psychopathy is not an official clinical diagnosis in the Diagnostic and Statistical Manual of Mental Disorders, 5th Edition (DSM-5). However, researchers frequently study psychopathic traits such as callousness, aggression, and manipulateness. Because there is no single, universally accepted definition of psychopathy as a medical diagnosis, the term is often used with different meanings by different people.

### **Prevalence of Psychopathy**

Studies show that the prevalence of psychopathy in the general population is approximately 1.2%. Men are significantly more likely than women to exhibit psychopathic traits. People with psychopathic traits are found in all walks of life. Many are highly successful CEOs, surgeons, salespeople, or managers. However, they are also significantly more common in the criminal justice system. It is estimated that up to 25% of prisoners are psychopaths. Among those who have committed violent crimes, the prevalence of psychopathy is even higher.

The term "psychopath" describes someone who does not adhere to the moral norms of their society and lacks empathy for others, does what is right for them, and shows remorse. People exhibiting psychopathy are callous, manipulative, and deceptive. They often commit acts of violence, theft, or fraud to coerce others.

Psychopathy is not an official mental health diagnosis. However, some psychopathic traits overlap with symptoms of antisocial personality disorder (APD), which is characterized by a persistent disregard for the rights, feelings, and safety of others.

### **Is psychopathy a clinical diagnosis?**

Psychopathy is not an official clinical diagnosis in the Diagnostic and Statistical Manual of Mental Disorders, 5th Edition (DSM-5). However, researchers frequently study psychopathic traits such as callousness, aggression, and manipulateness. Because there is no single, universally accepted definition of psychopathy as a medical diagnosis, the term is often used with different meanings by different people.

Researchers use the term "psychopath" to describe someone who consistently exhibits callous and insensitive behavior. A person exhibiting psychopathy lacks empathy, shame, and remorse, leading them to consistently violate the rights and well-being of others. They may lie, cheat, or steal to achieve their goals.

There is no single known cause of psychopathy. Possible contributing factors include genetics, trauma, brain structure, childhood abuse, and environmental factors. Unlike most people with antisocial personality disorder (ASPD), those with psychopathy also tend to be vain, arrogant, fearless, and have an excessive need for praise and admiration. People with ASPD are more likely to exhibit chronic irresponsibility, frequently neglecting their responsibilities at work or school<sup>13</sup>.

### **What is a narcissistic sociopath?**

People with narcissism and psychopathy lack empathy and remorse. Both can be superficially charming and use deception, violence, and other antisocial methods to achieve their goals.

The term "narcissistic sociopath" is used to describe someone who manipulates and harms others for their own gain. People who exhibit traits of both narcissistic personality disorder (NPD) and antisocial personality disorder (APD) can be considered narcissistic sociopaths.

While there is no official diagnosis of "narcissistic sociopath," the Diagnostic and Statistical Manual of Mental Disorders (DSM-5-TR) recognizes both narcissistic and antinarcissistic personality disorders. Narcissistic sociopaths are sometimes referred to as sociopathic narcissists or sociopathic malignant narcissists. Most people believe that others share the same moral code as themselves. We assume that others agree that lying, stealing, and manipulating others for personal gain is wrong. Therefore, encountering someone who shatters this perception can be a real shock. Narcissistic sociopaths are not always easy to recognize. Some people may exhibit traits of a narcissistic sociopath. But only when these behavior patterns become severe and interfere with their lives and the lives of others can such a person potentially be considered to have a personality disorder.

### **Diagnosing a Narcissistic Sociopath**

To be considered a narcissistic sociopath (also called a sociopathic narcissist), they must have diagnosed traits of both narcissistic personality disorder and antisocial personality disorder. Both of these personality disorders are classified under Cluster B in the DSM-5-TR.

### **Causes of Narcissistic Sociopathy**

So what causes someone to become a narcissistic sociopath? While the exact causes of narcissistic or antisocial personality disorder are unknown, environment, genetics, and neurobiology likely play a role. These disorders are also more common in men than women and begin in adolescence or early adulthood.

Certain aspects of their upbringing, early environment, or even later stressors, combined with genetic predisposition or biological traits, lead to the personality disorder.

### **How to recognize a narcissistic sociopath?**

For a person to fall into this category, they must meet several diagnostic criteria for both narcissistic and antisocial personality disorders. Narcissism is exacerbated by the presence of characteristics of antisocial personality disorder (or sociopathy), which worsens the outcome.

### **Signs that someone may be a narcissistic sociopath include:**

1. Lust for power: People with antisocial and narcissistic personality disorders derive pleasure from positions of power where they can control others.
2. Manipulative behavior: People with this personality disorder will take advantage of others. They despise people and consider it acceptable to exploit and eliminate others in any way that will help

them achieve success. They may use tactics such as triangulation to manipulate others and enhance their sense of superiority.

3. Lack of empathy: Narcissistic sociopaths lack empathy for the feelings and suffering of others. Because of this, they feel no qualms about hurting others without remorse or guilt.
4. Attention-seeking: They constantly seek love, attention, and adoration from others. Their narcissism leads to an inflated sense of self-importance. A sociopathic narcissist is cold and callous, but will also seek the admiration of others (and will believe they deserve it).
5. Cruelty: In addition to exploiting others for their own gain, a narcissistic sociopath will react with hostility and aggression whenever their inflated importance is threatened or questioned.

While sociopaths don't think about others unless they can gain something from them (what can I gain from them?), narcissists think about others only in terms of how they reflect on themselves (do they make me look good?).

When these two qualities combine, the result is a person who seeks power and control, using the love and admiration of others as a tool for domination and manipulation, and who does all this with the belief that it is their right and justified. A narcissistic sociopath will have no sense of guilt, no apologies, and no remorse.

Even if such behavior causes significant problems for a person, it can be very difficult to stop. After all, it's just a game, and people are pawns. When a narcissistic sociopath tires of these people or they no longer serve them, they will discard them.

### **The Typical Narcissistic Sociopath**

What would a typical narcissistic sociopath look like? While the severity of symptoms can vary, we can paint a general picture that will help you recognize such people in real life.

You've likely seen similar people in news reports. One study found that approximately 35% of prisoners suffer from antisocial personality disorder (APD), compared to 0.2% to 3.3% of the general population. Or you might encounter such people climbing the corporate ladder (while simultaneously doing the same to others) or holding influential positions in government. A narcissistic sociopathic businessman might default on debts or misrepresent the products the company sells.

The scariest part is that people with this disorder are difficult to recognize. They may be elegant, well-dressed, successful, and charming. They may participate in charity events or activities not because they care, but because it makes them look good. In particular, people with this disorder who have money and privilege can be especially difficult to recognize. Some are physically aggressive, while others can cause emotional harm. Regardless of the harm they cause, these people believe they are exempt from the moral code that everyone else follows, and this is precisely what makes them so dangerous.

### **Common traits of narcissists and sociopaths.**

Both narcissists and sociopaths can be charismatic and charming, unreliable, domineering, selfish, and dishonest. They both feel entitled and deny responsibility for their actions. They typically lack empathy, emotional sensitivity, and understanding of their personality disorder.

### **How do narcissists and sociopaths differ?**

The driving force behind these two disorders is different. The ego is always under threat, and this determines many of their actions.

Sociopaths are always guided by their own interests and adopt whatever mask brings them success in the moment. Sociopaths are more like classic con artists, while narcissists are more like abused children who vent their anger and pretend superiority to hide their inner pain.

Classic sociopaths don't try to impress you to stroke their own ego; Rather, they will only try to impress you if it serves a purpose in their larger plan. They are less likely to brag than narcissists. Instead, a sociopath is more likely to shower you with compliments and frame the conversation around you to win your sympathy (and get you to do what they want). Sociopaths are more calculating, while narcissists are more reactive. Sociopaths may even apologize or feign modesty if it serves some larger purpose in their game.

### Treatment for Narcissistic Sociopaths

Narcissists typically do not seek treatment on their own unless they are experiencing severe stress or depression, have substance abuse issues, or are urged to do so by their partner. People with antisocial personality disorder (sociopaths) may be court-ordered to undergo therapy, but they are unlikely to seek treatment on their own because they do not believe they have a problem.

Therapy for narcissistic personality disorder often focuses on methods to promote a more resilient sense of self-worth. However, they may have difficulty completing treatment, as they often perceive the entire process as a blow to their self-esteem. At the same time, people with narcissistic personality disorder are dependent on others and are less likely to end relationships than those with antisocial personality disorder. They often have families and children and can be receptive to change if the therapist can find the right balance. A narcissist without antisocial personality disorder may experience guilt or remorse and may benefit from appropriate psychotherapy. However, a narcissistic sociopath is unlikely to experience these emotions or benefit from psychotherapy. Therapy is a game of manipulation, and the therapist is a pawn<sup>14</sup>.

This concludes the Antichrist Slut Sodomia's theoretical examination of psychic terminology. It's time to move on to the gallery of caricatures and cartoons of the Great Narcissist of the 21st century, the leader of the "USA" criminal gang, the narcissistic sociopath with NPD, Donald Trump.

## DEDICATION-ABSTRACT OF THE ALMANAC OF VISUAL ART OF GAY SATANISM SATANART №42.

I dedicate SatanArt #42 to the topic of psychopathy, sociopathy, narcissism, and Narcissistic Personality Disorder (NPD), using the example of the well-known old grandfather-president who wants to Make America Great Again... over and over again. The name of this narcissistic grandfather is known throughout the world. You know, my opinion has changed while working on the collection. I feel that this weird old man and fascist Donald Trump is not as bad as the maniac Putin from Russia or the fat, nasty, chubby Kim Jong-un from North Korea. These freaks are already under the influence of Satan-Lucifer's Black Magic, but old Donnie isn't as bad as I thought when I started working on SatanArt #42. Antichrist Slut Sodomia is surprised by this herself. This is a first for me, that is. When the aura of a negative, fascist character from the SOCG begins to shine brighter. The successful liquidation of the villainous Islamic theocratic fascist regime in Iran by the US and Israel was not the only factor in these changes. The Antichrist sensed Donald Trump, his aura, differently. Yes, this man is a narcissist, a sociopath, perhaps a bit of a psychopath, but these qualities can be useful for the leader of a country that wants to destroy other vile regimes around the world. In and of itself, old Donnie isn't all that bad: Grandpa loves the high life and enjoys stirring up trouble in the murky waters of world politics to destroy evil dictatorships. That's why I won't jump to conclusions about Donald, but will simply examine him through light political satire and humor. How did the Antichrist get to this point? I don't know—it's all Satanism and the Spirit of Satan/Lucifer. That's how they show me old Donny. I often show Donald as a clown, but forgive me, such kind caricatures are not an insult to the person. This almanac is the first time Satan-Lucifer has whitewashed what I considered evil. Perhaps this is temporary. We'll see. Someone has to physically destroy the anti-Satanic evil of our world! Donald, you have carte blanche to do good deeds, through the power of the "USA" State Organized Criminal Group (SOCG).

Each SatanArt album will contain 100 drawings from the main album, which I will accompany with a text description. In addition to the main album, Antichrist Slut Sodomia will use three other types of graphic material, which will be included without a text description:

1. Vignette images. These are graphic files related to the album's theme, but with simplified graphics. These will primarily serve as a "warm-up" for the reader, with explanatory posters or witty posters related to the album's theme.
2. Images of decorative elements and conceptual posters of gay Satanism. These are graphic files related to the almanac's design or general themes of gay Satanism. Connection to the album's theme is not required.
3. Publicistic and documentary images on gay parades, LGBTQ+ pride marches, carnivals, gay agendas, images of Satanists, tattoos, and gay paraphernalia. THIS GRAPHICS SECTION WILL BE INTRODUCED FOR THE SECOND VERSION OF THE SatanArt almanac albums, V2.0+. I will not be using it in the first versions, V1.0 or V1.1, of the SatanArt almanacs, reserving it for later, for the commercial publication of the books, as bonus content.

Each type of graphic material will contain up to 100 drawings, photographs, or decorative posters of Satanism and LGBTQ+. The vignette images serve as graphic decoration and a meaningful graphic supplement to the text<sup>15</sup>. The drawings of the decorative posters are the most laconic and symbolic design elements of SatanArt publications. Unlike the images in the album itself, all vignettes and drawings of the decorative posters are provided without descriptions. For the vignettes, I will use simple, decorative, and self-explanatory images, for which the Antichrist's explanations are unnecessary, or you can create your own. Documentary photographs on the topic of gay Satanism will serve as a pleasant supplement to the main content of SatanArt issues, but will not be related to the main theme of the almanac. This will be bonus content to enhance the mood of my readers—LGBTQ+ Satanists—and I plan to include them only in the "Significantly Supplemented and Improved" issues of SatanArt V 2.0.+.

**Books, grimoires, and the art of Gay-Satanism are available on the official website:**

The Antichrist Slut Sodomia has posted some albums of the Puritan editions of the gay Satanist almanac SatanArt (Nos. 1-30, Puritan albums, Version 1) on public Internet platforms as free e-books in PDF format. However, not every issue of the gay Satanist almanac SatanArt is available free of charge in high quality or in full. All issues of SatanArt almanacs are sold on gay Satanist online stores as digital ZIP archives. The ZIP archive includes the original files in DOCX and PDF formats, plus individual images from the collection in JPG, PNG, and WEBP formats, all in high quality. You can find SatanArt almanacs from the Antichrist Slut Sodomia using search engines such as Google, Bing, and DuckDuckGo. The digital store for gay Satanist publications operates on the principle of absolute buyer honesty, i.e., The buyer receives the goods first and only then pays with cryptocurrency. This is rare in the modern world. Complete versions of the "Gay Lust" grimoire, for reading

or publishing in paper form, are also available for purchase on the Gay Satanism Store website. To publish books and almanacs in paper form, you will need the source files, in DOCX format, for layout and for correcting minor grammatical, syntactic, and other technical errors.

**THE PRINCIPLE OF RECEIVING A DIGITAL EDITION FROM THE GAY SATANISM STORE:**

**PAY FOR ALMANACS, BOOKS, AND ALBUMS UPON RECEIPT IF YOU ARE SATISFIED WITH THEM.**

**BY THE ANTICHRIST SLUT SODOMIA.**

The renaming of the "Gay Satanist Art Magazine" to the "Gay Satanist Art Almanac" was done because this form of literary work better reflects the essence of SatanArt publications:

1. Each SatanArt issue is dedicated to a specific theme, which is more similar to literary almanacs than to almanacs. The Antichrist has outlined many different themes for SatanArt almanacs to cover. The one that connects them all is gay Satanism. All almanacs are divided into PURITAN issues and SEXY issues. This choice is based on the issue's theme and illustrations. Puritan almanacs will not contain pornography or explicit erotica. Such e-books can be posted on many public Web 2.0 sites<sup>16</sup>.
2. SatanArt is not published regularly, but I hope it will be more than once a year. I plan to publish 6-12 almanacs per year.

The second change concerns the free distribution of the first versions of new SatanArt almanacs. There will be a free version and a commercial version of SatanArt, in PDF format. The differences between the free NON-COMMERCIAL version of the new SatanArt almanacs and the COMMERCIAL version are as follows:

1. All first versions of new SatanArt almanacs will be distributed free of charge online, so that anyone can access them without payment. Free SEXY versions of SatanArt cannot be posted on every public online platform, as pornographic/erotic books are prohibited on many public Web 2.0 websites. Please keep this in mind (the Antichrist doesn't like the puritanical rules of site owners, but these are their sites, therefore their rules).
2. The preface in the free version of the SatanArt almanac will be limited to 3-5 pages of topic description. In the commercial version, which I call the SECOND VERSION, the preface will be expanded and expanded six to ten times, turning the almanac into a book. The second version of the Gay Satanism publications is an improved and expanded version of the first version and is the COMMERCIAL VERSION of the Gay Satanism publications. It can be purchased in Gay Satanism stores.

<sup>16</sup> [https://en.wikipedia.org/wiki/Web\\_2.0](https://en.wikipedia.org/wiki/Web_2.0) Wikipedia. Web 2.0 = Websites that emphasize user-generated content.

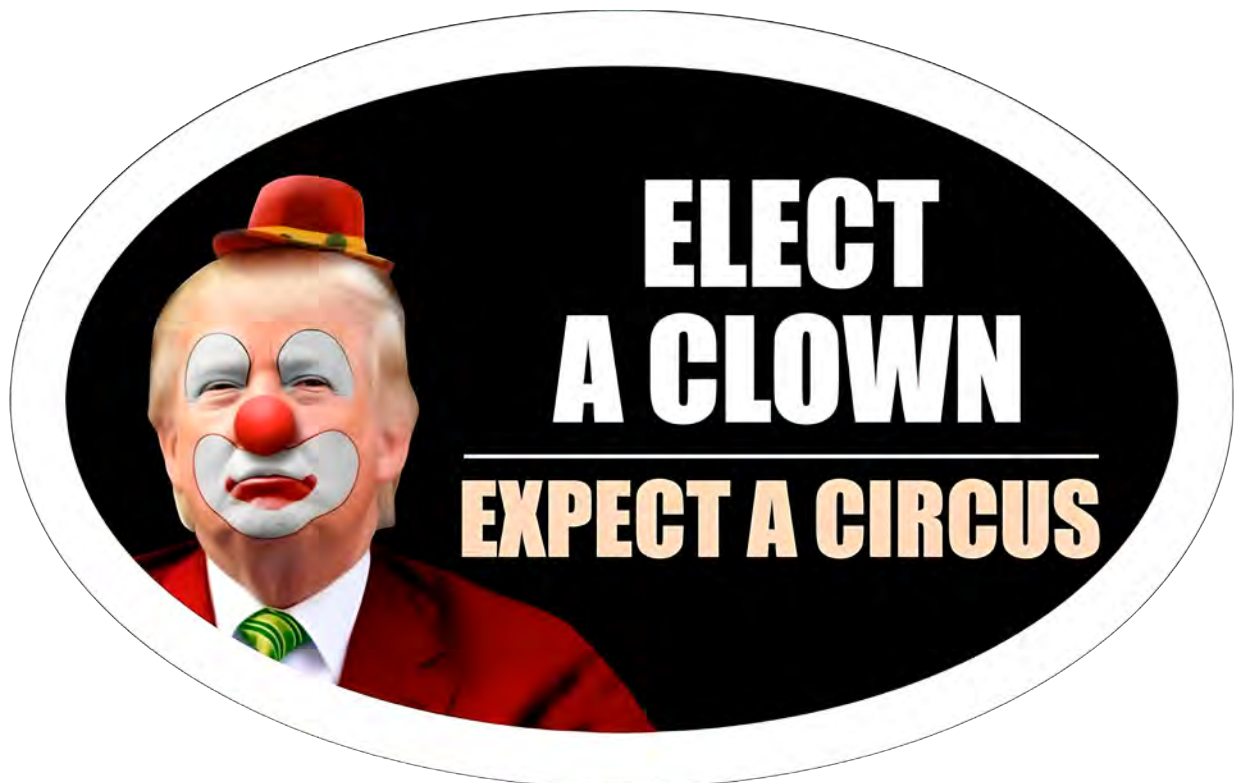

3. The Antichrist will only make available free PDF versions of SatanArt, which have compressed images, a loss of image quality, and are suitable for viewing on a monitor or mobile device, but not for high-quality printing. These will be SMALL FREE versions of the almanacs. These small PDF versions are approximately three to five times smaller than their commercial counterparts in maximum quality.
4. Paid versions of the SatanArt almanacs will be available in maximum quality, in DOCX, PDF, EPUB, and DVJU formats, and will be sold for a fee on Gay Satanism stores. These COMMERCIAL editions are intended for publication on paper, in print, or for collectors of high-quality e-books.

Commercial versions of Gay Satanism books and almanacs will be sold in the Antichrist Slut Sodomia stores. This is my plan to monetize my literary work on Gay Satanism. The Gay Satanism digital edition store accepts cryptocurrency payments, but payments can also be made by traditional bank card through reliable cryptocurrency wallets or reputable cryptocurrency exchanges. More information about cryptocurrency and its importance can be found at the end of SatanArt almanac from Antichrist Slut Sodomia. Cryptocurrency is the future! If you haven't yet started using cryptocurrency, start as soon as possible, for example by purchasing e-books of Antichrist Slut Sodomia.

SatanArt #42 is a puritanical publication and does not contain explicit erotica. SatanArt #42 may be posted on publicly accessible, puritanical websites, as it complies with the prudish norms of popular websites regarding erotica and "sensitive content," under a CC BY-ND 4.0 license.

Starting with the gay Satanist visual art anthology SatanArt #34 and the music anthology SatanSongs #5, I will be adding four special pages to the e-books at the end of the document for book design:

1. The front and back endpapers of the book (two images, the endpapers are identical), related to the theme of the anthology.
2. The final page of the anthology with the creation date and the gay Satanist motto.
3. A page for the back cover of the book binding.

Ukrainians are part of the White civilization and a long-standing adversary of the villains of the Kremlin's Mordor. Donald Trump abandoned the Ukrainians and didn't help Ukraine sufficiently. Perhaps this is the materialistic calculation of businessman Trump, but let me make a point. When businessman Trump becomes President Trump, all those "lucrative" business deals become irrelevant when it comes to destroying the most evil fascist regimes on our planet. Where's your grandiosity, Donnie? What ice cream deals are there when we're talking about civilization?

Of course, Trump helped the Kremlin by meeting with the psychopathic maniac Putin and offering him all sorts of especially lucrative deals. But Ukraine should have been helped with military action, weapons, and talk of the reliability and unity of the NATO military bloc, to intimidate the Russian scum.

**MALIGNANT NARCISSISM**

Trump has no policy on any issue because his mental impairment means he cannot think strategically or in abstract terms. He cannot weigh options, assess risk, or foresee consequences. Concepts like fairness, justice, honor, and integrity quite literally do not register. You can see this in every interview or press encounter. He never states an abstract thought or idea. Instead he falls back on simple adjectives: disgraceful, horrible, low-intelligence, perfect, innocent, nasty, stupid, fake, etc. He's driven by negative emotion, often paranoid and often insulting, vulgar, vitriolic.

## INFORMATION ABOUT THE SATANART GAY SATANISM VISUAL ART ALBUMS-ALMANACS AND GAY SATANISM

### KEY THESES FOR UNDERSTANDING SATANIC IMAGES IN ART

Gay Satanism is not a religion or a sect. Gay Satanism is the spiritualization of man by Satan. This term has another meaning. Gay Satanism is a creative direction of the artistic genre created and developed by the Antichrist Slut Sodomia. I do not want gay Satanism to become a religion, but I want it to become a fan movement for the liberation of one's own consciousness from the shackles of the evil of our world. Under the auspices of Satan, with the Antichrist Slut Sodomia incarnate. Gay Satanism is for all people spiritualized by Satan. Not only for gays and people of homosexual orientation. All people spiritualized by Satan are disciples of our Teacher Satan. We are all Satanists. The difference between Satanism and religion and evil is that it is an individual spiritualization. Mass demonstrations under the guise of Satanism are impossible, because Satanists are introverts. Fake Satanists of the future will gather herd gatherings of pseudo-Satanists (football fans, music fans, fans of the SOCG<sup>17</sup> or religion). A meeting of real Satanists is a sexual orgy or a sabbath of unity with nature in the nude. Other types of mass demonstrations of belonging to

Satanism are fiction and a parody of Satanism.

**Satan is good. Satan is the Tamer of evil. Satan is revenge for evil in our world. Satan is Joy, Pleasure and Happiness.** For the evil forces of our world, Satan is the main enemy. Satan is an image in the consciousness of man and a mystical experience of connection with the spirits of another dimension, which is called Hell. For Satanists, Hell is their home. Connection with the spirit of Satan occurs at the quantum level. Modern science already studies and uses the quantum level for applied tasks. Satan is the main spirit of Hell, the Lord

<sup>17</sup> SOCG is an acronym that stands for the true meaning of state. State Organized Crime Group. The term was coined by Antichrist Slut Sodomia for the Gay-Satanism grimoire "Gay Lust".

of critters, the Teacher of Satanists. Satan is not a god. Satan is the Spiritualizer, the source of black magic, the Alpha and Omega. Satan is the Adversary of evil and the Accuser of evil. Satan is the Father of all Satanists. Lilith is the Mother of all Satanists. Satan and Lilith are the sources of Satanic lust for all their Satanist children. Satan is the internal spiritualization of a Satanist, and not dogmas, sermons of priests or religious books. At the same time, Satanism does not deny the importance of biological parents.

**I will refer to Hell with a capital H (Hell), as a proper noun, as the Hell in a parallel dimension ruled by Satan-Lucifer.** Creatures enter Hell, with a capital H, after their physical death. Capitalizing the word Hell indicates life after death in another quantum reality, beyond our world.

**Hell, with a lowercase h (Hell), as a common noun, I will refer to the existence of people in our world.** In our overpopulated world, superimposed creatures suffer from evil, overcrowding, and their "superfluous" existence in our world. In hell, with a lowercase h, creatures live on planet Earth. The rulers of hell in Our world are the villains of the SOCG, billions of inanimate creatures, and religious sects. The absence of the Spirit of Lucifer-Satan in people fills them with evil. Paradise cannot exist where evil abounds and creatures without Satanic inspiration predominate. All creatures deprived of Lucifer's inspiration spread evil and give birth to evil.

**Paradise is a place that humanity desires and wishes to build on Earth, in our world.** Such a place already existed, but it was destroyed by evil. The word can be written with any letter, but it is best capitalized, because it is a specific goal and a specific place (we already recognize it). The contours of Paradise are clear to us, even if this place does not yet exist or has not been rediscovered. Paradise is a place on earth where there is no overcrowding, where people live in harmony with nature, where there are no organized crime groups, gangs, or fascism, and where most people are inspired by Lucifer. The key to creating Paradise is victory over the forces of evil. Such victory is possible only through receiving Satanic inspiration. The spirits of Hell bestow their inspiration on animal-humans. To accelerate the process of becoming inspired by Lucifer, one should take beneficial entheogens and psychedelics. These substances are non-addictive and strengthen human health and mental faculties. One of the goals of Gay Satanism is the return of Paradise to Earth, the restoration of Lucifer-Satan's good name, and the return of the Spirit of Lucifer-Satan to the throne of our world. The main opponents of Paradise and Lucifer are religions, evil spirits and their organized crime groups, fascists and their organized crime groups.

**Lucifer is Satan, until evil took over our world, our earth (planet Earth), and expelled Lucifer from Paradise.** God is evil, but the bearers of evil are superfluous, inanimate creatures. God is an abstraction of evil and its canon, but human beings with evil within are real objects in our world (called people or nations).

**Darkness, the abyss** - this is the world of soulless critters, their states, their stupidity. This is the occupation of planet Earth by usurpers of power in the form of the SOCG. This is the image of the evil of our world. In some cases, they mean the opposite, because it is the evil of darkness that gives birth to Hell, vengeance and Satanists. "Children of darkness" in this case mean Satanists. Also, the image of darkness can mean Hell for the forces of evil.

**Light is Satan-Lucifer. Light is Satanism and Satanic spiritualization, bringing man closer to nature.** This is liberation from the shackles of evil and this is the image of freedom. This is the image of the Tamer of evil in our world and in Hell.

**Sadness, sorrow, regret** - this is an indication of the understanding that evil has embraced the whole world and the Satanist has to live in our world, under the yoke of evil. The main sources of evil are: crowds of inanimate critters, SOCG. This definition of the term is specifically for Satanism and for Satanists. Also, these images can mean ordinary human emotions in relation to people.

**Vengeance - this image is important for all Satanists.** Revenge on evil in our world and in Hell. Inanimate critters, activists of the SOCG, deceivers of religions and other evil will certainly be subjected to revenge and information entropy.

**Return of the land and return of freedom to people - this image is important for all Satanists.** It means the overthrow of all SOCG and religions, cleansing the earth from inanimate critters, from their stupid and senseless evil. This is the image of cleansing the planet Earth from states and their totalitarianism.

**Night is the image of the fact that a Satanist in the world of evil in our world, goes practically by touch.** The light for him in the night is his Satanic spiritualization. Darkness thickens at night and light is needed most of all at night. The term night is similar to the term darkness, but does not mean evil itself, but uncertainty and difficulty in orienting oneself, acting, living without light. Lost, abandoned and forsaken - this image in Satanism means that Satanists are no longer in Hell and that Satan and the forces of Hell are not directly accessible to them. Only through Satanic spiritualization. It also means that in our world Satanists do not have their own magic for the instant destruction of evil, as in Hell, in Satan's dimension.

**Religion is a dogma of worship of lies and evil.** Religion is a substitution of true spiritualization by Satan for critters. All evil critters are deprived of spiritualization by Satan, therefore they replace Satanic spiritualization with God and religion. Religion is a sect, a community for critters for whom herd mentality is important.

**God is the canon of evil, an example of a despotic, theocratic idol of evil.** God does only evil and God is evil, even because he deprives man of true spiritualization by Satan, i.e. the true Holy Spirit. There have been many gods in the history of the human species. All gods of religion are united by malice, connection with the state and with the leaders of the SOCG.

**Antichrist is a common noun, not a proper name.** It is written with a capital letter, like the word Satan. The concept of Antichrist means the development of a high degree of Satanism in the consciousness of a person. The term Antichrist also means a Satanist who is close to Satan and the forces of Hell and has a high power of black magic. A synonym for the word Antichrist is the expression Great Magician of Satan.

**Satanism is the spiritualization of people by Satan or other demons of Hell.** Satanism can also be considered as a philosophical concept that opposes theocratic dogma and the state machine of lies, violence, prohibitions, imputed duties to evil, herd behavior. The main difference between Satanism and religion or other philosophical concepts is that the spiritualization of a person by Satan and the forces of Hell occurs from another dimension at the quantum level. Therefore, Satanism is an internal part of human consciousness, and not imposed dogmas of our world through the media, culture, propaganda, morality, prohibitions or education. Satan's enlightenment comes to a person at birth or develops consciously, in later life. Satanism opposes the evil of our world and the lies of our world.

**Satanic lust is a developed and perverted sexual attraction, a constant desire to have sex, a desire to corrupt oneself and others to free oneself from the prohibitions of evil.** Satanic lust is not just a sexual feeling, but a special Satanic practice for knowing oneself, getting closer to Satan, and liberating oneself on an animal level. The peculiarity of Satanic lust (especially gay lust) is that Satanic sex is not aimed at procreation or at making new human offspring. Satanic lust is always aimed at receiving pleasure or for tantric meditation. Of course, Satanists can make children if necessary.

**A Satanist is a person who has Satanic inspiration.** Many clues about the lies of evil are given to the Satanist not only by the inner critical thinking, but also by the mental connection with Satan and the forces of hell. Satanic spirituality often gives the Satanist a feeling of introversion and individualism. Satanists and gays are always proud of their personal spirituality or the achievements of their spouse. Satanists and gays are proud of their Satanic spirituality and perverted lust. Satanists are proud of Satan.

**An unilluminated (unenlightened) critter is a person deprived of spirituality.** This is a zombie and a cog in the evil system. Inanimate critters are accomplices and assistants of evil. Unilluminated critters prevent Satanists and the entire human race from living happily, receiving spirituality from Satan. Inanimate critters love herd mentality and submission. They cannot live without territorial oppressors, enslavers and false information of evil. Such people make up more than 90% of the population of planet Earth. These people have instincts of survival and adaptation. These people have no connection with Satan or with the External Information Field of the level of awareness. Critters can be called a biological shell or imitation of real people. Critters always choose evil, herd mentality, conformism and speak in templates from media propaganda or voice the dogmas of religion.

**The state is an evil system that has divided the entire world into territorial zones of influence** and terrorizes people with its prohibitions, oppresses with prisons and physical violence, creates conflicts between criminal gangs and plunges people into wars between criminal gangs. The state is the main source of evil. The state is a materialistic sect with its dogmas, rules of conduct and a system of oppression of the individual. The state = international military criminal groups = occupiers of the lands of the Satanists = criminal gangs = SOCG.

**Fascism** is a form of social organization expressed by discrimination by the state against its own citizens, that is, under fascism the supremacy of the state over the individual is recognized. Fascism is a state. Fascism is a state vertical of power, a structure of power and the people who participate in it. A strong state = a fascist totalitarian regime. The word comes from the Italian fascismo, fascio - union, bundle, bunch, unification; fascio di combattimento - union of struggle. Fascism is also an ideology and a socio-political movement within the framework of authoritarian or totalitarian militaristic ultra-nationalism and a corresponding dictatorial regime with strict regulation of society and economy. All states strive to regulate everything and on any issue. To do this, they constantly spew out different laws from their cesspools. All states are fascist territorial sects with their own ideology, rules and methods of oppressing the individual. Fascism is a system of evil, in which a small group of people believes that they can dispose of other people, command people, deceive people through the lies of propaganda and the laws of submission to evil established by fascism. All SOCGs are fascist and their goal is material enrichment, social intraspecific elevation above other individuals of the human species and the possibility of oppressing people by psychopaths. All fascisms are built on the principle of SOCG. Real spiritual Satanists hate fascists, do not celebrate their fictitious holidays and try not to submit to this evil.

**Fascists, officials, bureaucrats are the evil of the human species, in suits or other costumed special clothing, who work for fascism or profess the principles of fascism.** These critters will receive such a reprisal in Hell that they will be ready to give all the money of our world to avoid entropy and retribution of the forces of Hell. But, it will be too late. Fascists, officials, bureaucrats of the SOCG, who are not economic-social-municipal employees of society, are criminals. Only a small part of the fascists are involved in improving the economic-social-municipal economy of people, and the majority of fascists are useless and harmful criminals.

**The laws of the SOCG and other territorial fascist groups** (local governments, prefectures, regions of the empire) are mandatory rules established by evil for people, with the aim of realizing the goals of fascism. All SOCG and fascist communities have their own laws to regulate behavior in the territories occupied by fascism. Satanists understand that the laws of evil are created for inanimate critters, with the aim of their subjugation, stupefaction and material use.

**The positive activity of organized territorial entities** is the organized management of communal services that is useful for the society of people, the development of the infrastructure of the society of people, maintaining the cleanliness of the territory and other social actions that are useful for the life of people, on the part of economic and communal local governments, prefectures, regional centers of territorial management. This is not a state, not an empire and not fascism. The Antichrist Slut Sodomia supports such activities and does not consider economic management to be fascism or evil. Currently, most territorial administrations support the

fascism of the SOCG and are part of it. In a (future) society without the SOCG, the activities of organized territorial entities should be only economic and auxiliary, without politics, propaganda, religion and criminal concentration of power.

**A patriot is an active fascist or active Nazi of his SOCG.** A patriot is a person stupefied by propaganda who believes that his SOCG is better than another SOCG and he, as a member of this SOCG or a nationality within the SOCG, must do something for his SOCG in a selfless desire. A patriot is a slave of the SOCG. It is important for a patriot to be well proud of the greatness of his SOCG or the greatness of his Nazism. The pride of a patriot is always groundless, stupid and not aimed at pride in himself or his spouse. The pride of a patriot is always impersonal and is pride in the evil of the state regime that has seized the territory of the critter's habitation.

**Patriotism is a person's smearing in the evil of pride in the fascism of a group of politicians or the Nazism of a certain SOCG or union of SOCG.** Patriotism is a method of stupefying people, in which one SOCG exalts its importance in the eyes of people over another SOCG. Patriotism is belonging to a certain and evil group of lovers of local fascism, i.e. occupiers of the territory. Sometimes, the delirium of patriotism occurs at a distance (beyond the borders of one's SOCG) - then the patriot raves about the greatness of his SOCG, while being on the territory of another SOCG.

**Propaganda is a constant, massive and avalanche-like lie of the SOCG about its greatness and its particularly outstanding character.** The goal of propaganda is to make a person stop thinking critically and make him believe that he has a duty to the SOCG. For example, a duty to die in a war for the ideas of the SOCG, which are invented by the top of the ruling regime of this SOCG. Or a duty to obey the SOCG gang or a religious clan. Propaganda can be state and religious. In the world of the developed civilization of the white race, since the 19th century, the propaganda of the SOCG prevails over religious propaganda. Among the savages and religious fanatics of the damned peoples, religious propaganda still leads.

**External Information Quantum Field (EIQF)** is a general term for processes and structures in our world and other dimensions that are invisible to the human senses but exist at the level of information (quantum or even more complex types of interactions). The EIQF, Hell, Satan, human consciousness, the Internet—everything that exists consists of some kind of information, and they are interconnected informationally and mentally. Modern human science as of 2025 lacks the ability to describe and study the EIQF, but this does not mean it does not exist. Quantum science and quantum computers already exist, but this is only the beginning of an understanding of the EIQF. The EIQF is not the same as the gods of religions, the Internet database, electronic information on planet Earth, or a paradigm. Beneficial entheogens help one see, hear, and connect to the External Information Quantum Field. They allow one to overcome the barrier of perception beyond the normal human senses. Some people can sense the External Information Quantum Field even without the aid of entheogens. The External Information Quantum Field most closely resembles a global multiverse, represented as a gigantic set of information and the algorithms for its interaction.

**All that exists consists of information, our world consists of information.** The interaction between multi-universes occurs at the quantum-information level, faster than the speed of light. The speed of light is extremely small, compared to the level of quantum interaction between parallel dimensions.

**Black holes are passages between universes.** No gross matter can overcome a black hole. Only quantum information can pass through them. Through black holes, our world is connected with the world of Satan, i.e. with Hell. A black hole is a quantum tunnel for spiritualization by Satan.

**The damned are people or entire nations who rejected Satan or committed atrocities for which the black magic of Satanism was imposed on them.** Damnation manifests itself as degradation, decline, physical or mental torment, mental pathological state of doom, constant lies, stupidity, lack of talent, dirt, complicity with evil, religiosity. Evil is a marker of damned critters, it is the absence or rejection of satanic spiritualization,

these are the deeds of critters to degrade their spiritualization. Evil is always filled with stupidity and lack of talent from spiritualization by the External Information Field. Evil critters are inanimate (unenlightened) biological shells, which are characterized by religiosity and a craving for herd behavior, under the leadership of the SOCG. The state, religion and dark herds of evil, selfish, inanimate critters are the main forces of evil in our world. The God of religions is EVIL. His main difference from Satan is his dogmatism, not his natural spiritualization of man. God forbids, Satan permits.

**A faggot, a pederast, a slut, a bitch, a passive bottom are slang names for passive gays in a perverted form.** I use all of these forms and they are all grammatically correct because this is the language of gay lust. The faggots themselves love such words. They love to distort these words; they love when these words are pronounced with humiliation. Analogues of these words in English: faggot, fag, loser, slut, bottom slut. A gay slut is a passive faggot who is not necessarily an MTF trans, but usually has a desire to become one. The term slut can be used to refer to any passive gays. The traditional desires of sluts & bitches are the desire to be fucked in the ass. Bitches want to fill their anal cunt with sperm and absorb sperm into themselves.

**Anal cunt, cloaca, gay cunt – all these words are synonyms and mean asshole, intestine and faggot lust during anal sex.** Such sexual words are used for faggot copulations, to add piquancy, perversion and depravity to them. A faggot's cloaca is an organ with two functions: to remove feces and to receive sexual pleasure. I like these sexual terms.

**LGBT or LGBTQ or LGBTQ+ or LGBTQIA+ is an abbreviation** for the words "lesbian", "gay", "bisexual", "transgender", "queer", "intersex", "asexual", "Asexual/Aromantic/Agender", plus additional categories of unusual people, their unusual ideas and extravagant communities. The Grimoire of Gay Satanism uses the designation LGBTQ+ — a community of sexual minorities and perverts united by common interests, problems and goals. It consists of various communication groups, communities, subcultural movements, queer neighborhoods and queer organizations. All designations are equivalent. In the grimoire, I use the designation of the LGBT community with an additional letter Q and a plus sign. The letter Q stands for queers, and the plus in the name means that I also include feminists and all other people with non-standard views in the community: zoophiles, pedophiles, watermelon lovers 😊 and other perverts. I believe that feminists are close in spirit to LGBTQ+ and are part of it.

**Queer** is a collective term used to refer to a person whose sexuality and / or gender identity differs from the majority.

**MTF transwomen and dickgirls** are fully transitioned gay faggots who identify themselves as female with a male penis (in original form). Large female boobs are an optional attribute for MTF transsexuals. The abbreviation MTF stands for Male-To-Female transgender transition vector. Trans transition is very important for Satanism. Almost all MTF transsexuals are inspired by Satan and are Satanists. There are several levels of trans transition, which Slut Sodomia highlighted in her grimoire of gay Satanism, Gay Lust. For more information on penisgirls, read Slut Sodomia's Grimoire of the Antichrist.

**CIS, Cisgender** - these terms (cisgender is often shortened to CIS; sometimes cissexual) describe a person whose gender identity corresponds to the sex assigned at birth, i.e. a person who is not transgender. The prefix cis- is of Latin origin and means "on this side". The term "cisgender" was coined in 1994 as an antonym to the word "transgender" or "non-binary person" and entered dictionaries in 2015 as a result of changes in public discourse about gender. The term is an analogue of old-fashioned expressions from past centuries regarding sexual orientation and gender of people: (normal ordinary woman) = CIS woman and (normal ordinary man) = CIS man. At the moment, any gender and sexual orientation of people is recognized as "normal". Among the advanced peoples of white civilization, our world, sexually retarded savage people, homophobes and transphobes are recognized as abnormal. A synonym for this term can be the phrase NON-TRANS, and an antonym NON-BINARY or TRANS.

**Entheogens are substances of plant, fungal, chemically synthesized, or animal origin that allow a connection with the "entheos," that is, with the inner divinity, with the "divine principle" (entheo + genesis).** This is the same Greek root of the word theology, Zeus (teus, deus), enthusiasm (in theos, "one who lives in the divine"). Entheogens or psychedelic drugs such as lysergic acid diethylamide (LSD), DMT, marijuana, fly agaric, and psilocybin are associated with mystical experiences. At present, fascist drug laws limit their research. But major biomedical research centers have already found that entheogens predictably cause mystical experiences and, thus, allow us to study the state of the brain during these experiences. entheogens are not drugs because they not only do not escape from reality, but also bring you closer to it, and do not cause any physical tolerance, withdrawal or dependence; therefore, most of them are not illegal (ayahuasca, bufo alvarius, yopo, san pedro) and are used to deepen and deactivate from the very beginning the mechanisms and programs that interfere with our freedom and inner peace, leading us to self-knowledge and rediscovery of our true I-ego through connection with the External Information Field or with the Spirits-Demons of Hell.

**ZooSex and ZooPhilia are the normal human desire to have sex like animals, imitating animals or with real animals (usually a large dog or horse).** Man is an animal and there is nothing surprising in the desire to deepen his animal nature through transformation into an animal or through sexual intercourse with an animal. It is interesting that only a small number of people are involved with real animals, because it is difficult to organize. A significantly larger number of lovers of sex with animals prefer to fuck like animals or dress up and impersonate an animal. There is nothing wrong with this. Satan and Satanism approve of this, and the forces of evil prohibit or condemn it. Synonyms for the concepts of zoosex and zoophilia are such terms as bestiality and therianthropy. A light version of zoo-Satanism for children and adolescents is playing quadro-players, quadrobers, furies, puppies without a pronounced sexual component. Zoophilia is equally loved by heterosexuals and homosexuals. Among gays and Satanists, there are not many lovers of animal sex, presumably up to 10% of the total gay population of planet Earth (a very rough estimate, for understanding. On farms this percentage is higher: 30%, in cities less). Most gays and Satanists prefer sex with people, without transforming into an animal. Zoophilia is not suitable for all people, but it is a good kind of Satanism. Zoophiles are part of the LGBTQ+ community.

**Homophobia is a kind of sexual stupidity of critters,** when they are surprised by the sexual freedom of LGBTQ+ people and are indignant about this freedom. Homophobia is a manifestation of hostile xenophobia to what critters are not able to understand, but under the influence of propaganda and religion are afraid of this, because this is an unusual phenomenon for them. Homophobes are also opponents of zoosex and zoophilia. Homophobia manifests itself not only in the field of sex, but also in the freedom of thought of evil critters. As false reasons for banning LGBTQ+ communities, homophobic critters traditionally cite protection of children, an imaginary opportunity to become gay or lesbian when visually interacting with LGBTQ+, or trampling traditional values of heterosexuals - only in the pussy and never in the ass. In fact, the reason for the fear of evil critters before the LGBTQ+ community is much deeper, and concerns the fact that among sexually free people there are many Satanists. Satan and Satanists destroy the evil of critters in our world and after the physical death of homophobes, they will be driven to entropy in Hell by all the forces of Hell. On a subconscious level, evil knows this, therefore the LGBTQ+ community carries the light of Satan in itself and is a danger to evil.

**An egregor is an informational-quantum biofield of a social phenomenon.** An egregor can be defined as a cluster of quantum information, where objects are united and linked by algorithms of commonality of ideas or by their interactions. The word "egregor" denotes a mental unification of people based on a certain principle or similarity. Egregors are structures that unite people based on similar characteristics. For example, a territorial egregor unites people living in the same area, a linguistic egregor unites people speaking the same language, and a professional egregor unites people engaged in the same profession or activity. Surprisingly, when people work together, they accomplish tasks and achieve their goals much more easily, quickly, and

productively. However, we can only work together with people who set the same goals, pursue similar objectives, and have a worldview similar to ours. By uniting with people who share our values, we not only gain confidence in ourselves, our abilities, and our intentions, but also activate our power, which begins to grow through the formation of an egregorial structure. The egregor of Satanism unites all Satanists, but this egregor has many branches, so it is not uniform. Many egregors are egregors of evil, including the state, religions, organized crime groups, fascism, and the vicious developmental patterns of nations, nationalities, and races. An egregor forms when the energetic complex of thoughts reaches a certain critical level. At this point, a kind of "tuning" begins to form—akin to an artificial intelligence program that controls this energy. An egregor cannot be considered a fully-fledged sentient being. It is more like a complex computer program capable of learning and changing its strategy. If necessary, such a program can be switched to "manual control"—that is, consciously controlled and reconfigured. Satanists practice Satanic black magic through their connection with Satan.

**Satanic Black Magic is a method of altering the reality of our world and the world of Hell through quantum-informational influence on objects or egregors.** Black magic operates only through Satanists or through adepts of the Left-Hand Path's spiritualization magicians. Adepts of the Right-Hand Path do not practice Black Magic; they practice White Magic. Ordinary people do not have the authority to alter reality through the Left-Hand Path or the Spirits of Hell. Ordinary people, and especially evil spirits, do not have the ability to perform Satanic Black Magic, yet they do. In this regard, Black Magic is similar to the informational influence of popular "celebrities" or "opinion leaders" on the masses in our world. Black Magic is not evil, but rather the opposite: it is aimed at eliminating evil or degrading it. The peculiarity of black magic is that it usually doesn't resolve issues of material wealth for the sorcerer or witch themselves. Conjuring money, wealth, and resolving various household and economic issues is much easier through material methods in our world than through black magic. The Antichrist Slut Sodomia, sees the primary use of black magic for himself in influencing egregors or certain evil individuals. A peculiarity of black magic is that it acts very slowly on current events and can affect many generations of a family. This is usually called a curse. Black magic is probably always processed by the EIQT or the Demons of Hell, which is why there is a quantum delay and inertia in the effects of this magic in our world. I don't know the exact principles of black magic. Its principle is based on the fact that everything consists of quantum information, and black magic is a method of making corrections and adjustments to the EIQT. This process takes time, and the authority, rage, and awareness of the Satanist are crucial factors for both the EIQT and Satan when performing Black Magic. Satanic Black Magic is aimed at destroying evil, so it cannot be considered a bad thing. Black magic is like a bitter but useful pill to cure the human world from the forces of evil.

**For a more accurate transfer of meaning and for precise identification of terms, Slut Sodomia suggests calling gay faggots in English SLUT, and CIS girls with a female pussy to be called BITCH.** That is exactly how I called these two different categories of Satanists in my grimoires and albums of gay Satanism. Now, I am fixing this name in the dictionary of terms of gay Satanism. In the plural, all passive gays and MTF/FTM trans are called SLUTS, and "classic" girls (heterosexuals, lesbians) are called BITCHES. This is not a dogma, but simply a proposal for the LGBTQ+ community and clarification of my own terminology. It is possible to call it the other way around: a faggot called a BITCH means that he has finally started thinking only about being raped in the ass, like a CIS Satanist woman. If a CIS woman calls herself a SLUT, it means that she is close in spirit to the faggots and cock-girls from the gay Satanist community.

## **SATANIC SYMBOLISM: RETHINKING SATANIC ART AND PHILOSOPHY OF THE CULTURE OF SATANISM.**

Today, Satanic symbolism continues to evolve, adopted by various groups and movements, each interpreting it in its own unique way. Whether as a symbol of enlightenment and knowledge or a rebellious symbol of the fight against oppression, its historical trajectory testifies to the power of symbols to reflect and influence human thought and society. Understanding its evolution thus provides insight not only into the symbol itself, but also into the broader meaning of human existence and our incessant quest for meaning, identity, and autonomy. Far from being limited to the activities of specific groups such as the Church of Satan or the Satanic Temple in the United States, Satanic symbolism has permeated various aspects of contemporary political activism. It has become a tool for activists and political commentators seeking to challenge entrenched power structures and advocate for a more inclusive and egalitarian society. This symbolism, often associated with resistance to power and the protection of marginalized voices, resonates particularly with movements fighting for social justice, freedom of expression, and secular governance.

At the present moment, in 2026, the entire world is overrun by fascist evil, and there is no place on planet Earth untouched by this plague, which propagandists call states. Satanism has always been opposed to evil, and the organized evil of the State of the Soviet Union (SOCG) is the most aggressive evil on a mass scale. When the evil of the SOCG unites with religion, as in Russia (with Orthodoxy) or in Iran (with a Muslim sect), it leads to a synergy (amplification) of evil. The fusion of state and religion is the most brazen and disgusting evil. This type of fascism is the most widespread type of evil on our planet. Satanism is not powerful enough to defeat this evil, but through the development of the Satanic egregore, this may be possible in the future.

The symbolic use of Satanic imagery in politics is not simply about shock value or opposition. It reflects a deeper call for critical analysis of social norms and power dynamics. It encourages individuals and institutions to rethink their approaches to governance, policymaking, and public engagement, fostering a more critical and skeptical approach to traditional political narratives. Furthermore, the role of Satanic symbolism in political expression extends to its use in the artistic and cultural spheres, where it serves as a metaphor for resistance and empowerment. Artists and performers use this symbolism to comment on political issues, from censorship and free speech to gender equality and environmental concerns. In essence, Satanic symbolism in contemporary politics represents a subtle and evolving narrative. It's no longer just a symbol of religious disobedience, but a symbol of the struggle for human rights, equality, and rational public policy. Its presence in political activism and discourse reflects a growing trend toward challenging the status quo and advocating for progressive change in society.

Over the past two years, that is, from 2024 to 2026, Satanic art has rapidly developed in the digital space of our world. Many new and magnificent images of Satan, Baphomet, Lucifer, the Devil, Krampus, Lilith, and other Satanic icons have appeared. This is no coincidence. This development signifies the growth of the Satanic egregore and an increase in the number of people inspired by Satanism worldwide. This is very good news, but Satanists are still very few in number, relatively evil critters without Satanic inspiration. Antichrist Slut Sodomia has been studying Satanic art for five years now, and this is my main conclusion.

## IMAGE SOURCES AND IMAGE COPYRIGHTS

Slut Sodomia took all the images for her album from open sources on the Internet. Many paintings are modified with available neural networks for image processing. If I know the name of the author of the picture, I indicate it. If I don't know the author's name, I don't indicate it. This document contains illustrations by various authors, and I include the artists' drawings in my album for scientific, educational or cultural purposes. This document is a free information source about Satanism. The authors of the works receive advertising of their name and their work from the Antichrist Slut Sodomia, so I am not interested in any claims based on the laws of the SOCG and other evil. Artists of Satanism receive free advertising and promotion from the Antichrist. However, I think that none of the real Satanists will make claims against me. Selfish evil, the Pharisees and lawyers of the SOCG may do this, but I am not interested in the opinion of evil. All evil will be subjected to entropy by Satan, like all the rest of the information garbage of our world.

All copyrights belong to the authors of the paintings, and I cannot appropriate these rights in any way. By publishing paintings by Satanist artists, I popularize the authors of the paintings and the very aesthetics of Satanism.

## ABOUT IMAGE FORMATS IN GAY SATANISM PUBLICATIONS – PNG, JPG, WEBP, SVG.

For the source files of Gay Satanism publications, when typesetting books in MS Word DOCX, I use PNG, JPG/JPEG, WebP, and SVG vector graphics. I'm writing this because some files may not display correctly on your computer, or may not display at all, or thumbnails for the graphic files may not be displayed. This means that your software environment doesn't support a certain image format. The most problematic in terms of compatibility are WebP and SVG. These digital graphics formats are common, but they are not necessarily supported on your computer. This can be resolved by updating your software or installing additional libraries for working with these graphic formats. Each operating system has its own compatibility solutions, so I won't offer any advice. All tips and instructions for resolving these issues can be found online.

I use the classic JPG/JPEG image format, although, in my opinion, this format is inferior to PNG and WebP. The JPG/JPEG graphic file format is widely supported and should display without any problems—this is the biggest advantage of the JPG format. I particularly like the PNG format, which produces fairly high-quality images, which is especially important when printing books. PNG (portable network graphics) is a raster format for storing graphic information that uses lossless compression using the Deflate algorithm. PNG was designed to replace the outdated and simpler GIF format, and, to some extent, to replace the much more complex TIFF format.

For SatanArt albums, I'll be using the excellent and relatively new WebP format. WebP (WEB Pictures) is a lossy and lossless image compression format proposed by Google Inc. in 2010. It's based on the still image (keyframe) compression algorithm from the VP8 video codec. It uses the RIF container. This format offers good image compression while maintaining decent quality.

The SVG vector graphics format differs significantly from the raster formats I've already discussed. Unlike raster images, which hopelessly lose quality when scaled, SVG remains crystal clear on any device and screen resolution. This technology offers an impressive combination of compact file size and absolute scalability, making it indispensable for responsive web design, interactive infographics, and animation. SVG (Scalable Vector Graphics) is an XML-like format for describing two-dimensional vector graphics. Unlike raster formats such as JPEG or PNG, which store images as a grid of pixels, SVG describes images using mathematical formulas and geometric primitives. This format has great potential, but unfortunately, it often experiences glitches when inserting such graphic files into MS Word DOCX documents. If it can display artifacts and errors

on Slut Sodomia, then it can behave unpredictably on other people as well. I will use the SVG format sparingly, when it's truly justified.

## **DISTRIBUTION OF GAY SATANISM BOOKS AND ART APPLICATIONS IN VARIOUS DIGITAL FORMATS**

Gay Satanism books, SatanArt albums of Satanic drawings, and SatanSongs albums of Satanic music are available electronically in various digital formats: DOCX, PDF, EPUB, DJVU, PPTX, MP4, and ZIP. Free versions of Gay Satanism documents will be distributed only in PDF formats, with enhanced image compression, using lossy compression but significantly reducing file size. Commercial sales of Gay Satanism books and apps will include a ZIP archive containing versions of the book in different formats (depending on the format selected during purchase). SatanArt, a visual app of Gay Satanism, is a useful supplement to the "Gay Lust" grimoire for spiritualizing a person through the visual imagery of Satanism. SatanSongs almanac

is distributed without the music videos themselves, or with access to a private archive of songs from the Antichrist Slut Sodomia included.

I've compiled Satanic artwork in a separate appendix to avoid taking up too much space with graphics in the "Gay Lust" grimoire itself. You can download collections of Satanic drawings, photographs, and other gay Satanic graphics for immersion in Satan's spirituality from the internet, the Darknet, onion domain sites, through the TOR browser, or via torrents. Artwork titles and text commentaries will initially be available in Russian and English. The English commentary texts are published in the English version of the SatanArt add-on—a separate file.

Thus, the visual application of gay Satanism SatanArt by Slut Sodomia "Collections of Satanic Drawings, Photographs, and Other Gay Satanism Graphics for Immersion in Satan's Spiritualization SatanArt" is available in Russian and English in the following versions:

**The Antichrist's favorite format for distributing e-books online and printing on paper is Portable Document Format (PDF)—a cross-platform, open electronic document format originally developed by Adobe Systems using a number of PostScript language features.** It is primarily intended for presenting printed materials electronically. There are numerous programs for viewing it, including the official free Adobe Reader. PDF books are convenient for reading and distributing electronically. Typically, no distortions are observed when opening this format on different operating systems and in different programs. I like to use PDFgear (PDF Gear) for working with PDF files. This is a program for working with PDF files on Windows that allows you to edit documents, compress them to save space, convert them to other formats, and generate a summary of the text. It is inconvenient for use on "old and underpowered" e-readers for a number of reasons. Firstly, PDF files are large, as they are designed for computers, and they open quite slowly on e-readers with weak processors. Secondly, unless the file is specifically designed for a 6-inch e-reader's screen, which is similar in size to an A6 sheet of paper, reading an A4 PDF (and most PDF files are presented in this size) will be difficult. This problem with PDF files shouldn't occur on modern tablets.

**The Antichrist prepares all original files on Gay Satanism in Microsoft Word (part of MS Office 2021+) in the DOCX format.** This program is the standard of stability and the best "typewriter" for the Antichrist's writer, Slut Sodomia. However, this format does not have the same high formatting stability when opening files on different computers as the PDF format.

The DOCX format is a modernized version of the DOC format, and compared to its predecessor, this format is much more popular and accessible. A DOCX file is a document created using Microsoft Word 2007 or a newer version of Microsoft Office. The file format is based on Open XML and uses ZIP compression to reduce file size. I recommend opening and editing Gay Satanism files in the DOCX format in the original Microsoft Word editor, MS Word, which is included in Microsoft Office 2021 or later. You can also use free programs that can open the DOCX format for reading and review, such as LibreOffice Writer and OpenOffice Writer. Free programs may contain document distortions, offsets, formatting errors, and font errors. The author is making the book in DOCX format available to the public for publication in paperback. This format is easy to format and edit. Please use only Microsoft Word for professional work with the DOCX format. Unfortunately, free programs will inevitably display documents with unwanted layout artifacts when opened on a computer or printed on paper. Gay Satanism publications in the original DOCX format are the largest, most complex, and most computer-intensive. A computer capable of handling these files must be powerful, such as an 8-core processor with 16 GB of RAM. On older computers, the DOCX format will take a long time to open and will run slowly. Please keep this in mind. This format is intended for publishers of paper books and for printing professionals. This is the format of the source materials of gay Satanism.

**ZIP is a widely used file archiving format used to compress one or more files into a single location, reducing their overall size and simplifying data transfer. This archive will contain two book files in both PDF and DOCX formats, plus the gay Satanic drawings as raster images.**

Specialized utilities can be used to create ZIP archives and extract (unpack) the files they contain, such as the terminal-based PKZIP and PKUNZIP, or the graphical utilities WinZip, WinRAR, Info-ZIP, 7-Zip, PeaZip, and many others. Currently, the ZIP format is considered a generally accepted format for many applications that include compression, backup, and data sharing functions. Along with numerous utilities that work with ZIP files from the command line, graphical programs for working with them also appeared in the mid-1990s. Support for the ZIP format is included in many modern operating systems. Many competing archivers, in addition to their own format, also support the ZIP format. This format will be used to upload gay Satanist music videos from the personal collection of Antichrist Suki, as supplements to SatanSongs' Satanic music albums.

**Videos for disseminating gay Satanism in MP4 format and compressed with the H265 codec can be a powerful PR tool.**

Antichrist Slut Sodomia sees great potential in spreading gay Satanism by creating videos from static PDF e-books, PPTX presentations, and videos created using artificial intelligence technologies, using the method of "animating static images" with the addition of prompts, i.e., text instructions. All gay Satanist videos should be distributed in the latest digital video format, 4K resolution. Preference should be given to videos created using AI rather than slideshows. This is especially true for promotion through YouTube, as all video hosting sites "dislike" slideshow videos (this is a strange limitation, but I see it). Yes, I agree that AI videos are more captivating, but why such disdain for slides of Satanist paintings? This was the Antichrist's empirical explanation, based on personal experience. SatanSongs music videos from the Antichrist's personal collection will be available in MP4 format as a supplement to the SatanSongs almanac.

#### **Additional file formats for publishing and distributing gay Satanism ELECTRONIC BOOKS:**

**The EPUB file format is an open, royalty-free e-book standard developed by the International Digital Publishing Forum (IDPF).**

It is licensed under the Creative Commons Attribution-NoDerivs 3.0 Unported license, and IDPF owns the license. The format allows publishers to produce and distribute a digital publication in a single file, ensuring compatibility between the software and hardware required to play digital books and other fluid publications. It is the official format of Apple Books. The original version, the Open eBook Publication Structure or "OEB," was conceived in 1999, and ePub was released in 2007. EPUB is based on open standards and is supported by most devices and e-book readers. This

format also provides responsive layout and scaling for optimal readability on a variety of screens. The PDF format preserves the original layout of the publication, while EPUB books can be customized to suit your needs (for example, by scaling text, changing fonts, and making content more comfortable to view on different screen sizes). Most major e-book publishers offer EPUB files. EPUB files work well with EPUB eBooks Reader, Thorium Reader, Adobe Digital Editions, Google Books, Moon Reader, and Amazon Kindle.

**DJVU (DejaVu) is an e-book format designed for scanning and saving high-resolution images. I like this format for its compact size, speed, and stable page formatting.** DJVU is, technically speaking, a "lightweight" version of PDF. It is commonly used for saving scanned documents, including books, almanacs, and newspapers, and provides high image quality at a relatively small file size. The format supports many features, such as layers, text highlighting, and hyperlinks, making it convenient for use in scientific and technical publications. However, not all devices and software support this format, so viewing it may require specialized programs such as DjVu Reader or Sumatra. DJVU is optimized for network transfer, so the page can be viewed even before the file has finished downloading. A DjVu file can contain a text (OCR) layer, allowing full-text searching within the file. In addition, a DjVu file can contain a built-in interactive table of contents and active areas (links), which allows for convenient navigation in DjVu books.

**Antichrist Slut Sodomia may be a bit old-fashioned, but I like the PPTX slideshow format and consider it an e-book format. Files with the PPTX extension are presentation files created with the popular Microsoft PowerPoint application.** Unlike the previous version of the PPT presentation file format, which was binary, the PPTX format is based on the Microsoft PowerPoint Open XML presentation file format. A presentation file is a collection of slides, each of which can contain text, images, formatting, animation, and other media. These slides are presented to an audience as a slideshow with custom presentation settings. The PPTX file format was introduced in 2007 and uses the Open XML standard, adopted by Microsoft back in 2000. Before PPTX, the most common file format was PPT, which was a purely binary file format. The new file type adds the advantages of smaller file sizes, less corruption, and well-formatted image presentation. It was in early 2000 that Microsoft decided to make changes to accommodate the Office Open XML standard. By 2007, this new file format had become part of Office 2007 and is supported in newer versions of Microsoft Office. Presentation files are organized collections of slides used to visually accompany presentations and lectures. I tried using the video presentation format for gay Satanist art albums on YouTube, but YouTube absolutely refuses to show such videos (PPTX → MP4) to the general public, presumably due to restrictions on serving such videos through their algorithms. Perhaps there are other reasons for the low audience reach... it is Satanism, after all... who knows what "these Satanists" and the Antichrist might have "written and filmed"☺.

## **FREEDOM OF DISTRIBUTION OF ANY INFORMATION**

Any information should be disseminated freely, openly and without interference from the evil of our world. No copyright should interfere with this. Each work has a true author and no copyright is needed, just as no legislation in the field of information dissemination or copyright is needed. Anyone who interferes with the freedom of information dissemination is criminals and enemies of your personal freedom. Self-balancing of the information field of our world will not allow evil, harmful and false information to spread. All this happens without censorship from the state, automatically in the space of the information field of our world. Good and necessary information will be in demand, and bad and harmful information will become unnecessary. Also, the distribution of this book-album should be completely free. I know for sure that the evil of our world will recognize the main grimoire of gay Satanism as "illegal" and ban my book "Gay Lust", as well as the music albums of Satanic songs and hymns SatanSongs and the albums of paintings of gay Satanism SatanArt.

Protect commercially important information and your personal information yourself if you need it. Your desire to withhold information is not a reason to prohibit public dissemination or discussion of this information. Any censorship and bans on information are an obvious evil. Everything secret, sooner or later, becomes clear.

LGBTQ+ community with information. The publication and sale of the Antichrist's books will be an informational blow to the evil of fascism and the stupidity of homophobes and transphobes worldwide. Slowly but surely, the black magic of gay Satanism's information will destroy evil, promoting the ideas of Satanism, freedom, and inclusivity of the LGBTQ+ community. Satanism, unlike various other ideologies, religions, and philosophies, is the inner inspiration of Satan. This is where the great potential of gay Satanism lies.

The Antichrist sells source files for typesetting, printing & publishing paper versions of his gay Satanism publications on his websites. All source files are created in Microsoft Word DOCX format.

## **TRANSLATION OF THE ALBUM OF SATANIC DRAWINGS SATANART INTO OTHER LANGUAGES OF THE WORLD**

The album SatanArt in the original (i.e. by Slut Sodomia) is written in Russian and English. Translate the book-album SatanArt into all languages of the world and distribute it in your language environment. The author of the book will be very happy about this. The more people can see satanic paintings and read the text titles-comments to them, from the SatanArt album, the better people will become and the more crushing the blow we will deal to the evil of our world. The visual power of art and the words of the Antichrist in the SatanArt album have a strong effect on the consciousness of man and his spiritualization by Satan. On the title page of my book, write your name as a translator or proofreader of my book if you will translate or correct errors.

## **DONATIONS TO THE AUTHOR AND ROYALTIES WHEN SALES OF A BOOK IN PRINT AND ELECTRONIC FORM**

Antichrist Slut Sodomia has done a lot of work creating art albums of paintings of gay Satanism SatanArt, working on compiling this e-book, searching for drawings on the Internet and compiling their descriptions for you. Four reasons to support the author financially:

**The first reason** is if you share the ideas of Satanism. This book is a guide and grimoire for established Satanists and for people just beginning to gain insight. Let their path be illuminated by my literary work and help them receive the spiritualization of Satan in full, using my grimoire as a navigator.

**The second reason** - if you think that the book is useful and valuable for members of the gay fraternity, Satanists and the entire LGBTQ+ community - support the author with any donation. The book about gay Satanism exposes the evil of our world and shows why it is the state, religion and the dark herds of evil, selfish, unspiritualized souls that are the main forces of evil in our world. It is not Satan and not man's spirituality with joy, pleasure, sexual lust that is evil, but evil is located precisely in our world itself. It was evil, in the form of the state and religion, that destroyed Jesus of Nazareth, who was a disciple of Satan, a spiritualized man, and this evil still oppresses your freedom 2000 years later since the life of Jesus of Nazareth in our world.

**The third reason** - if you want to see a new and expanded version of this book or new books by the author - support the author with any donation. You can make all donations using cryptocurrency - this way you and the author of the book will remain anonymous. What is very important in the world of total censorship and a

total ban on freedom of speech throughout the world at the moment on issues that do not coincide with the official propaganda of states and the ideals imposed by these states.

**The fourth reason** is if you make money from my literary work by selling it.

You can sell my book; you can translate it and sell translations of my book. You can do this freely, and I will be only happy about that. If you sell the book in print, I ask for a modest 20% of the profit. My written or oral permission is not required to sell the book - you can publish and sell this book. For example, you can publish this book in the form of registered or numbered copies on high-quality paper bound in leather with gold embossing at a high price. Or you can publish the book as a mass edition with a large circulation to spread knowledge about gay sex and gay Satanism at an affordable price.

Or you can put my book up for sale on any sites on the Internet where documents and books are sold in electronic form. If you sell the book as an e-book, I ask for a modest 20% of the sale price. You don't need any permissions for this. I give you this permission here.

Transfer 20% of the profit (for paper versions of the book) or the amount of copies of the book sold (for electronic sales) to the author's cryptocurrency accounts in any available cryptocurrency. These will be sufficient royalties for the publication. All copyrights belong to the author of the book.

**You make money from my book. Distribute my book for free and for a fee.**

Antichrist Slut Sodomia does not work for a living and has spent many years writing books on Satanism, so he counts on financial support from the Satanist community around the world, I believe I will receive donations from members of the LGBTQ+ community. I also hope that my work will find financial support among feminists, queers and all people with non-standard sexual preferences, which are groundlessly condemned by the society of unenlightened critters, fascists and underdeveloped organisms of evil biohumus. The Antichrist has no other income, but he needs money for household expenses, utility bills and food. To continue writing the second grimoire of Gay Satanism "Beyond the States", I need money for my support in our world. I count on cryptocurrency donations from my readers or viewers of the videos. The material existence and creativity of the Antichrist rests on financial expenses for material life and here, even black magic against the forces of evil will not replace the presence of money.

## **ABOUT ADDITIONS TO THE GRIMOIRE “GAY LUST” FOR DEPTH SPIRITUALITY BY SATAN**

To deepen the spirituality of Satan, Slut Sodomia has prepared and released two additions to its grimoire “Gay Lust” into the Information Space of the Internet, Darknet and torrent network:

- Albums of Satanic music videos for the immersion in the spirituality of Satan. Numbered periodical Journals. SatanSongs and QuasiSatanSongs are an occasional addition to the Gay Lust Grimoire. The lyrics have been translated into Russian. Lyrics in English are published in the English version of this supplement. Clips in MP4 format come as an appendix to this add-on. In total there will be 4 collections of satanic videos SatanSongs with 100 tracks each, plus there will also be an album of quasi-satanic songs QuasiSatanSongs about love, romance, lust. There is continuous numbering of compositions in all SatanSongs music albums<sup>19</sup>. Thus, there will be 500 video clips that help satanic spiritualization. The album QuasiSatanSongs has its own numbering of songs.
- Albums of fine art of gay Satanism for immersion in the spirituality of Satan SatanArt. Thematic numbered periodical Journals of the fine arts of gay Satanism SatanArt. This is an occasional addition to the Gay Lust Grimoire. SatanArt Albums contains paintings and drawings of gay Satanism on specific themes that are related to Satanism or sexual lust. I will publish these albums regardless of the grimoire itself. All paintings in SatanArt art albums have continuous numbering, just like songs.

## **DON'T HESITATE TO BE A SATANIST!**

I like the phrases “Don't hesitate to be a Satanist!” and “Don't be shy about being Satan!”<sup>20</sup>. They are multifaceted, and are aimed at calling people not to be afraid to receive satanic spirituality and not to be afraid to resist evil.

## **NUMBERING AND CONTENTS OF COLLECTIONS-ALBUMS OF SATANIC PICTURES SATANART**

The total number of collections and albums of satanic drawings and paintings of SatanArt is currently unknown. I would like to make about 100 albums if readers and the Satanic community like my work. Each SatanArt album will contain 100 drawings. There will be continuous numbering of all images in all music albums to organize the graphic material. Continuous numbering implies a common numbering of objects in all albums of satanic graphics SatanArt.

## **ADDITIONAL INFORMATION ABOUT GAY SATANISM FROM ANTICHRIST SLUT SODOMIA**

I hope that my selection of digital Satanic paintings, drawings, photographs and other graphics of gay Satanism for immersion in the spirituality of Satan SatanArt will be useful to people, and you will find interesting images for yourself in my selection. Visual art for those who are already Satanists and for those who are just thinking about becoming a Satanist and are looking for a connection with Satan for their spirituality. Of course, these paintings can be viewed simply as beautiful masterpieces of fine art 😊, without being tied to the ideas of gay Satanism.

If you are interested in the topic of gay Satanism, you can download and read other books from Slut Sodomia:

- Grimoire of Gay Satanism “Gay Lust.” This is the main grimoire of gay Satanism. This is a magical book that allows me to become a Satanist, helps me see the evil of our world and destroy this evil.

<sup>19</sup> Continuous numbering implies a common numbering of objects in all albums of satanic musical compositions.

<sup>20</sup> This is Satan's phrase. Our Spiritualizer Satan says this phrase to his children, the Satanists. The phrase does not refer to unspiritualized critters of evil who do not have satanic spirituality. And does not apply to mentally ill people.

- Albums of Satanic music videos for immersion in the spirituality of Satan, which I call SatanSongs collections. In 2024 I created 4 SatanSongs albums + 1 quasi-satanic album QuasiSatanSongs.

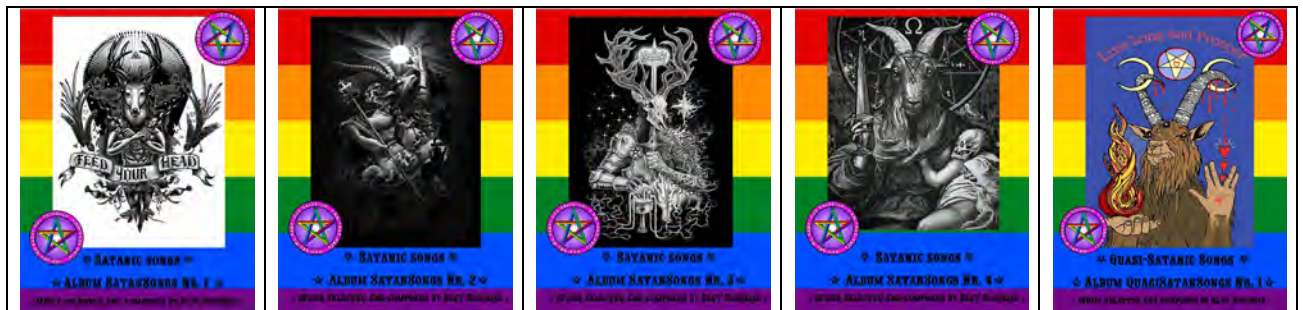

The Gay Lust Grimoire is intended for both experienced Satanists and novice Satanists who want to deepen their spirituality with Satan or even gain it. The grimoire “Gay Lust” is a navigator for a Satanist and a conceptual basis in the fight against the evil of our world. There are Satanists not only among gays themselves, but also among straight people inspired by Satan. And that's great! It turns out that gay Satanism and my book are for all people in whom the fiery rage of sexual perversion burns, as an important element of spirituality by Satan. The book “Gay Lust” is a rebellion and liberation of your consciousness from the dungeons and frames of consciousness imposed on you by the system of the regime, religions and homophobia. The book is a grimoire of gay Satanism with the ritual of Summoning Satan and a code of principles of gay Satanism. The Gay Lust Grimoire is a training manual for passive fagots, active gays and trannies. The grimoire “Gay Lust” liberates the sexuality of any person and throws off the shackles of puritanical hypocrisy.

The FIRST EDITION of the grimoire “Gay Lust” is distributed completely free of charge in electronic form. You can freely download, quote and distribute the grimoire book. Look for the grimoire of gay Satanism “Gay Lust” on sites on the regular White Internet, Torrent trackers or on the Tor network on ONION sites.

## LIST OF ADDITIONAL APPENDICES TO THE GRIMOIRE OF GAY SATANISM FOR IN-DEPTH SPIRITUALITY WITH SATAN

Applications to gay satanism are satanic music and graphics:

1. Collections of Satanic music videos selected and compiled by Slut Sodomia.
2. Collections of satanic drawings, photographs and other graphics of gay Satanism, selected and compiled by Slut Sodomia.

**Collections of Satanic music videos**, created either by Satanists or non-Satanists, but they are devoted to the theme of Satanism, in the understanding of Slut Sodomia. The words of these songs are about Satan, or about Satanists, or about the liberation of people from the power of evil, or other quasi-Satanic themes. Songs of completely different genres! Their main feature is that good music inspires. At the time of completion of the first version of the grimoire, Slut Sodomia had collected 500 gay Satanism music videos:

1. Album of Satanic music videos for immersion in the spirituality of Satan. SatanSongS Nr. 1
2. Album of Satanic music videos for immersion in the spirituality of Satan. SatanSongS Nr. 2
3. Album of Satanic music videos for immersion in the spirituality of Satan. SatanSongS Nr. 3
4. Album of Satanic music videos for immersion in the spirituality of Satan. SatanSongS Nr. 4
5. Album of Satanic music videos for immersion in the spirituality of Satan. SatanSongS Nr. 5
6. Album of quasi-Satanic music videos for immersion in the spiritualization of Satan. QuasiSatanSongs Nr. 1

## ANNOUNCEMENT OF THE RELEASE OF THE NEW ALMANAC-ALBUM OF SATANIC MUSIC SATANSONGS No. 5 FROM THE ANTICHRIST SLUT SODOMIA.

On February 22, 2026, the Antichrist prepared a new issue of the Satanic music almanac, SatanSongs #5, which contains 100 new and fresh musical compositions of gay Satanism or quasi-Satanism. I dedicated SatanSongs #5 to contemporary gay Satanist music in various styles, genres, and visual imagery. The music in SatanSongs #5 is intended to enhance one's spirituality with Satan or to introduce newcomers to Satanism. Therefore, the SatanSongs almanacs are suitable for both established Satanists and those who want to become Satanists. The music album SatanSongs #5 contains a wealth of rock, gothic, metal, psychedelic, and songs that help us understand the evil of the fascists of the State Organized Crime Group (SOCG). The almanac SatanSongs #5 contains three hymns of the Antichrist Slut Sodomia, and several other hymns of gay Satanism, which I have specifically noted. I will publish the Satanic music album SatanSongs #5 online. A high-quality version of SatanSongs #5 in PDF and DOCX formats, along with the music videos themselves in MP4 format, is available exclusively to purchasers at <http://666.pictures>.

Gay Satanism graphic art, collected and designed in the form of SatanArt collections, suitable for publication on paper and in book form, will reveal the aesthetics of Satanism and help Slut Sodomia in the development of gay Satanism around the world. Your purchase of graphic albums-collections of gay Satanism graphics

SatanArt, in DOCX / PDF format, will support Slut Sodomia financially, and I will know that my work is in demand by people. Let the publication of SatanArt albums allow Satan to enter the souls of more people, let there be more Satanists and less evil from soulless critters.

## ABOUT THE DEVELOPMENT, IMPORTANCE AND USE OF CRYPTOCURRENCY

I am writing this chapter about the development, meaning and use of cryptocurrency in 2026. Now, cryptocurrencies, as a means of speculation, investment and payments, are already working quite well, although for most people on

planet Earth, crypto-coins are more of a mysterious phenomenon than an applied financial instrument. Slut Sodomia is very glad that a wonderful alternative to fiat money<sup>21</sup> issued and controlled by SOCG has appeared. The name of this alternative is cryptocurrencies, Bitcoin and all the altcoins of the world<sup>22</sup>. Cryptocurrency opens up enormous opportunities to get rid of the evil of SOCG on our planet Earth. It is control over material values that allows the SOCG to rule, mock people, dictate their laws and do various evils in our world (including wars, prisons and collecting tribute from the population). The material wealth of the SOCG is based on: power, evil and money. If the SOCG is stripped of its power over the financial control of money, it could significantly undermine the SOCG's power throughout the world. Cryptocurrencies operate outside of the SOCGs and do not need them.

Lately (since about 2015), the vilest SOCG's have been trying to stick their ugly nose into the control of cryptocurrency, its circulation and use. SOCG began to choke cryptocurrency enthusiasts and large financial

<sup>21</sup> [https://ru.wikipedia.org/wiki/Фидуциарные\\_деньги](https://ru.wikipedia.org/wiki/Фидуциарные_деньги) Wikipedia. Fiduciary (from the Latin fiducia - trust), fiat (from the Latin fiat - decree, instruction, "so be it"), symbolic, paper, credit, unsecured money - money not backed by gold and other precious metals, the nominal value of which is established and is guaranteed by the state regardless of the cost of the material used for their manufacture. As a rule, irredeemable for gold or silver. Often, fiduciary money is used as a means of payment on the basis of state laws obliging it to be accepted at face value. The value of fiduciary money is maintained by people's belief that they can exchange it for something of value. The decline in the authority of state power leads to a decrease in the purchasing power of fiduciary money, that is, to devaluation, "flight from money" (attempts to maintain its purchasing power through investment), etc.

<sup>22</sup> Bitcoin started the era of digital crypto assets in 2009. The shortcomings and limitations of the first cryptocurrency, as well as its open-source code, led to the fact that developers began to create other coins. They are called altcoins.

speculators in cryptocurrency around the world. SOCG of the USA and Europe require registration and verification of the identity of people who use cryptocurrency on public platforms online and offline. Evil really wants to take control of cryptocurrency, and thereby strangle people's financial freedom. Evil does not want people to leave the orbit of the influence of the SOCG over money. Evil wants to destroy the very idea of freedom of cryptocurrency and the anonymity of its users.

It is very bad that many financial speculators - exchanges, exchangers and crypto-wallets have followed the requirements of the SOCG and force users to play by their rules. It's very bad that among crypto enthusiasts there is little talk about refusing collaboration with the evil SOCG. More and more cryptocurrency circulation is becoming dependent on the evil of the SOCG and its directives.

I urge the community of cryptocurrency developers at any level not to collaborate with the state and not to obey their gangster rules. SOCG is simply an evil crook in the field of cryptocurrency technology who wants to rape and subjugate this technology and the users of this technology. Don't let the evil of SOCG deprive you of financial freedom and an alternative financial future outside of states and without states. This was a philosophical preface about cryptocurrency, let me move on to the practice of using crypto-coins.

For beginners, I recommend entering cryptocurrency by opening and creating a non-custodial crypto wallet, which allows you to ensure security and convenient management of your cryptocurrency. Such wallets provide users with complete control over their funds, eliminating the participation of third parties and minimizing the risks associated with hacking or fraud. A non-custodial wallet is a computer program and a type of cryptocurrency wallet in which only the owner has full control over his funds and private keys. The wallet does not store personal information and does not have access to assets. When you create a non-custodial wallet, you are usually given a private key or a seed phrase (a series of words that can be used to generate a private key). This information is not stored by third parties and it is important that you keep it secure. If you lose it, you will lose access to your funds and there is no way to recover it.

In 2024-2025, the most popular, convenient, reliable software crypto-wallets, in my subjective opinion, are the following non-custodial wallets:

1. Exodus <https://www.exodus.com/>
2. MetaMask <https://metamask.io/>
3. Trust Wallet <https://trustwallet.com/>

Install these programs (one or more), downloaded from official websites, on your computer and begin to master entering the new era of electronic money, outside of states. These programs allow you to buy cryptocurrency with fiat money (dollars, euros and other currencies), make payments to other people's cryptocurrency addresses, and receive payments to your crypto wallet. Installation of these programs is quite simple and available for the most popular operating systems. After successfully creating a crypto wallet, you can send some crypto coins to Slut Sodomia to the details provided in this document if you like Gay-Satanism and the work of Slut Sodomia. I will be happy, and you will check your crypto wallet in action 😊.

To enter the world of cryptocurrency, you can use online services called crypto exchanges. A crypto exchange is a less reliable means of storing cryptocurrency than non-custodial crypto wallets, but some people may find it easier to work with crypto exchanges. Access and work with crypto exchanges occurs through a computer Internet browser, like with any other sites. Please note that crypto exchanges have full control over your finances and can block your money, at the request of fascists from different countries. There are many crypto exchanges and Antichrist Slut Sodomia cannot guarantee which of them is the best, most reliable and convenient. I will recommend four crypto exchanges that have been operating for a long time and with the help of these exchanges you can send donations, donations or royalties in cryptocurrency to Antichrist Slut Sodomia:

**Kraken.** <https://www.kraken.com>

Kraken is an American cryptocurrency exchange founded in 2011. It was one of the first Bitcoin exchanges to be listed on Bloomberg Terminal.

**Binance.** <https://www.binance.com>

Binance is the world's leading cryptocurrency exchange, serving 235 million registered users in over 180 countries.

**Coinbase.** <https://www.coinbase.com>

Coinbase is one of the most well-known names in the crypto industry. Launched in 2012, it offers an intuitive and beginner-friendly platform for buying, selling, exchanging, and storing cryptocurrencies.

**SwissBorg.** <https://swissborg.com>

SwissBorg is Europe's #1 app for securely buying and selling cryptocurrency with low fees, available in 47 countries and 16 currencies.

**Best Wallet.** <https://bestwallet.com>

Best Wallet is a non-custodial app that offers wallet and exchange services in a single secure decentralized environment.

The methods recommended by Antichrist Slut Sodomia for selling, buying and transferring cryptocurrencies cooperate with states, i.e. with fascists and SOCG. I do not guarantee the reliability of these trading platforms. Crypto wallets and crypto exchanges require people to provide documents when registering, require them to show themselves through photo or video filming. Cryptocurrency exchanges implement a Know Your Customer (KYC) policy to comply with anti-money laundering (AML) and counter-terrorism financing (CTF) regulations, ensuring the legality of transactions and the safety of users. To register on a cryptocurrency exchange, you need to provide personal data, confirm your identity with documents and a selfie, and wait for approval to access all functions. Exactly the same story when registering in regular banks. On the one hand, it gets rid of scammers, but on the other hand, it is control by various SOCG and loss of anonymity. If I find more anonymous and reliable options for making cryptocurrency transfers, I will write about it in the next versions of the documents.

I dedicate SatanArt #42 to the topic of psychopathy, sociopathy, narcissism, and Narcissistic Personality Disorder (NPD), using the example of a well-known old grandfather-president who wants to Make America Great Again... over and over again. The name of this narcissistic grandfather is known throughout the world. You know, my opinion has changed while I was working on the collection. I feel that this weird old man and fascist Donald Trump is not as bad as the maniac Putin from Russia or the fat, nasty, chubby Kim Jong-un from North Korea. Yes, this man is a narcissist, a sociopath, perhaps a little psychopathic, but these qualities can be useful for the leader of a country that wants to destroy other nasty regimes around the world. This almanac is the first time Satan-Lucifer has whitewashed what I considered evil. Perhaps this is temporary. We'll see. Someone has to physically destroy the anti-Satanic evil of our world!
