Image 4301. New Year's Devil Krampus with a broom, a knapsack and a dog-like smile.	19
Image 4302. Krampus takes bad, evil, and mischievous children. A psychopathic boy rips off dolls' heads, unaware that Krampus has already come for him. Psychopathic boys always grow up to be psychopathic men. Psychopaths are the epitome of evil. They truly see people as dolls and toys.	20
Image 4303. The Krampus devil walks confidently to do his satanic good New Year's deeds.	21
Image 4304. New Year and Christmas team of magicians: Santa Claus and Satan-Krampus.	22
Image 4305. Krampus in steel engraving style.	23

Image 4324. Krampus without a knapsack or a broom. This Krampus holds deer antlers. A non-traditional version of the New Year's Devil.	41
Image 4325. "Greetings from Krampus." Krampus in the moonlight, with his tongue hanging out in the frost.	42
Image 4326. Where sex and love are found, lust is also found. Krampus doesn't disturb lovers, peeking furtively behind the door. "Greetings from Krampus." An antique German greeting card from the early 20th century.....	43
Image 4327. Skinny Krampus and fat Santa Claus. Monochrome black and white drawing.	44

Image 4328. An interesting old Russian drawing from the Tsarist era. This drawing clearly links the German devil Krampus to German policy toward Russia. Krampus was made into a propagandist for Russian Tsarist propaganda against Germany. An unexpected twist in the Alpine "Christmas." Krampus himself was probably shocked by such Russian blasphemy against the German emperor.	45
Image 4329. Krampus riding a goat. Satanic New Year's fun for little kids.	46
Image 4330. Greetings from Krampus (Gruss vom Krampus). Vintage greeting card #6.	47
Image 4331. Krampus in the style of "classical" Satanism. Monochrome drawing.	48
Image 4332. Krampus, who looks like Santa Claus without the rod and in Santa's red coat. And where is Nicholas?	49
Image 4333. Greetings from Krampus (Gruss vom Krampus). Vintage greeting card #7.	50
Image 4334. Krampus chases away the bad daddies who have fathered little bad kids.	51
Image 4335. Krampus is brewing a concoction in a cooking cauldron. A little boy suspects something.	52
Image 4336. Two sisters, or twins, who are faggots, were caught by Krampus "by the scruff of the neck." Apparently, they were having sex, the bitches. These two Satanist children, of course, demand encouragement, not punishment.	53
Image 4337. Krampus in profile. Portrait of Krampus-Baphomet. Image of the New Year's Satan with a cartridge belt.	54
Image 4338. Fat Krampus rides on a witch carrying a harvest of naughty little children. They'll make dinner.	55
Image 4339. A family of respectable gentlemen and their children. Krampus has already grabbed the little bad boy.	55
Image 4340. Krampus is surprised by two children. It's unclear why the New Year's Devil is so surprised. Perhaps Krampus is pleasantly surprised by the children's costumes.	56
Image 4341. A playful modern Krampus with captured bad kids in his knapsack.	57
Image 4342. Krampus without a knapsack and a broom looks very similar to Baphomet.	58
Image 4343. Krampus carries Satanist children in our world, outside his knapsack. Modern illustration.	59
Image 4344. The terrible Krampus with a broom, in the form of a satanic sickle-sigil and with a trap.	60
Image 4345. Scary Krampus with a totem satanic toy trinket.	61
Image 4346. An abstract image of Krampus, depicting a red demon head. Krampus is coming.	62

Image 4349. Merry Krampus. A modern depiction of a happy Krampus.	65
Image 4350. The bloodthirsty Krampus caught many children in his knapsack during the New Year holidays.	66
Image 4351. Krampus in pursuit of his victim. "Come here, you little shitty psychopath!" Psychopath's POV.	67
Image 4352. Krampus-Baphomet-Deer. The artist has combined images of Satan into a sweet and mysterious New Year's Devil.	68
Image 4353. A furry Krampus with a book and a broom, but no knapsack. Sends the "bad guys" straight to Hell.	69
Image 4354. The horrors of Satanism. Krampus carries a young girl off into the forest. He and his Satyrs will train her to be a Satanist bitch. A year later, after sexually amorous rape, the girls become lustful bitches and demand group sex themselves. This is how Satanism ennoble girls with lust, and this is what happens in our world, even without Krampus.	70
Image 4355. Surreal horror Krampus.	71
Image 4356. The New Year's Krampus crawled out of the fireplace, near the New Year's tree.	72
Image 4357. The spirit of Satanism and lust. Krampus, in the form of a Satanist bitch and her gentleman lovers. The bitch, with a broom, carries the lovers to Hell, a world of amorous euphoria. Image from the cover of a coloring book (presumably).	73
Image 4358. The Krampus image is from the 1930s, but it may be a modern replica.	74

Image 4359. Krampus, in the form of Baphomet. Essentially, the image of Satan is uniform, but the nuances of artistic depiction of the Devil's various forms differ.....	75
Image 4360. The Satanist bitch feels confident around Krampus, but she covered herself just in case.	76
Image 4361. Greetings from Krampus (Gruss vom Krampus). Vintage greeting card #8.	77

Image 4364. Greeting cards featuring Krampus are a whole new trend in antique collecting, or philocarty.....	80
Image 4365. An image of Krampus on a red background, in silhouette.	81

Image 4367. Krampus with a broom.	83
Image 4368. Greetings from Krampus (Gruss vom Krampus). Vintage greeting card #9.	84
Image 4369. Modern drawing with "Greetings from Krampus".....	85
Image 4370. Krampus is reading the "Naughty List." Going through the list of bad kids.. is a businesslike approach. Santa Claus has flown away, and Krampus is right behind him.	86
Image 4371. A modern surreal Krampus.	87
Image 4372. Krampus on the roof of a house on a winter December night.....	88
Image 4373. An experienced Satan-Krampus instructs a young Satanist Imp on the subject of recognizing and punishing evil creatures.	88
Image 4374. Merry Krampus. The New Year's devil in a plaid jacket and bow tie. Krampus is usually hairy and naked, but no one forbids him from wearing a jacket in pictures. Slut Sodomia also loves to be naked, like all Satanists. In classic New Year's illustrations, Santa Claus is never naked; he's always clothed—usually in a red or white fur coat.	89
Image 4375. A collage of three vintage images of Krampus, bad kids, and Santa #1.	90
Image 4376. Collage of three vintage images of Krampus and the bad kids #2.	90
Image 4377. A cheerful Krampus with brown fur and yellow bells that herald his arrival. A modern depiction.	91
Image 4378. A naked, furry Krampus in pink tones. This Krampus specializes not in catching evil children, but in sexually satisfying female dogs, IMHO. Krampus without his traditional "tools" for catching harmful human offspring.....	92
Image 4379. Greetings from Krampus (Gruss vom Krampus). Vintage greeting card #10.....	93
Image 4380. Krampus captured not only children but also mature females—mothers and grandmothers. The Devil usually engages in amorous Satanism with the females, if the females are Satanists. Krampus engages in various sexual acts with mature female creatures, for example, introducing them to gang rape by the Devils in Hell. This information is inaccurate and cannot be verified, as it is a fictional creation of Slut Sodomia.....	94
Image 4381. Satan-Krampus with a "bad" and a "good" girl. It's unclear what distinguishes a "bad" girl from a "good" girl, but Krampus's wisdom apparently allows him to accurately define these criteria. IMHO.	95
Image 4382. This image of the red-fiery Krampus clearly indicates his relationship with Satan.	96
Image 4383. Krampus refuses to give gifts to good children: he breaks Christmas decorations and crushes star-shaped cookies with his foot. Nasty children are caught in a sack—the ultimate happiness for the satanic Devil Krampus.	97
Image 4384. Greetings from Krampus (Gruss vom Krampus). Vintage greeting card #11.....	98
Image 4385. Greetings from Krampus. A modern German postcard (presumably).....	99

Image 4386. The lustful and playful Krampus. Satan's protruding tongue signifies several concepts: irony and self-irony, mockery and self-mockery, the rejection of seriousness and dogmatism, debauchery and lust, Satanism and perversion. Other meanings are possible, but these are the primary artistic connotations of the Devil's protruding tongue.	100
Image 4387. A toy-style Krampus with pin-jointed joints. A rare depiction of Krampus as a toy, in my opinion.....	101
Image 4388. It's possible that Santa Claus or Santa Claus is sitting in Krampus's knapsack, hatless. It's impossible to know for sure, because the knapsack is closed by the artist himself. "Xylographilia."	102
Image 4389. The ladies, i.e. the Satanist bitches, always get along with Campus, even when they're sitting in his bag. Happy bitches. This is an old antique postcard, most likely German or Austrian.....	103
Image 4390. A label from a pair of Bavarian vintage matches (probably) with an image of Krampus and a warning.	104
Image 4391. Vintage poster of the Campus, probably from 1926. Krampus is examining the globe, with a magnifying glass and a globe.	105
Image 4392. Portrait of Krampus from the bestiary.	106
Image 4393. A portrait of a shaggy Krampus in shades of blue and light blue. Krampus doesn't need an extra coat because he has his own beautiful fur. Unlike the chubby Christian cultist Saint Nicholas.....	107
Image 4394. Krampus with red fly agarics and a bad child "Merry Krampus!"	108
Image 4395. Portrait of the Devil Krampus in monochrome.	109
Image 4396. Krampus's red sack is filled with vile and harmful children, excess human offspring.....	110
Image 4397. Krampus gives the child a Satanic doll, a totem for spiritualizing the child. There's no need to fear Satanism—it's the light of enlightenment and quantum immortality.	111
Image 4398. Krampus plays tag with the children.....	112
Image 4399. Santa flew away on his reindeer, and Krampus remained on earth to harm various psychopathic little children and nasty kids who would grow up and turn into something even more harmful. Is Krampus doing good for people by ridding the world of evil creatures?	113
Image 4400. Krampus goes to do good deeds to cleanse the world of the evil imposed on it.	114

PREFACE

SatanArt #44, the Gay Satanist Visual Art Almanac, is dedicated to the New Year's Satan and his faithful antipode companion, Santa Claus. It could be said that this is not only the Devil of the New Year's Eve holiday, but also a "Christmas" holiday, which is a trolling and blasphemy of this "great" Christian holiday. In some parts of the Alps, entire festivals are dedicated to Krampus, attracting thousands of people. The word Krampus comes from the German word "Krampen," meaning "claw."

For Satanists, the New Year's holiday is a perfectly normal time to review work, social, creative, or everyday achievements or failures in the calendar year cycle adopted in the Satanists' area. Satanists have no problem with the New Year's holiday, unlike the so-called "Christmas holiday," the so-called "Christmas holiday." The birthday of the sectarian deity Jesus from the ancient Jewish tales of the New Testament. Christmas is a Christian "birthday" holiday honoring the Satanist traitor, who is the main antagonist of Satan, Satanism, gay lust, and Satanists. So, "Christmas" is an anti-holiday for Satanism, but it's not that simple. As you may or may not know, Anton LaVey and the Antichrist Slut Sodomia, consider Christian sex the main driving force behind Satanism, but through the antipodal image of humility, non-resistance to evil, submission to dogma, and adherence to "Christian rules." No one has promoted Satan more than Christian sects: Catholics, Orthodox, Lutherans, local sects of Christian leaders—they all promote Satan, and the Antichrist sends them all a fiery "Greetings from Krampus!" ha-ha! Therefore, despite all their hostility to Satanists and Satan, Christians promote Satanism, but as antagonists of this "mysterious" phenomenon. It is suggested that Christian sectarians don't understand Satan and Satanism, but they are certainly against this "mystical, occult, and esoteric" phenomenon (scary words...about my own spirituality). This is evidenced by the fact that the New Year's devil Krampus has an antipode in his company, who is called Saint Nicholas or Santa Claus.

A portrait of two antipodes who meet at the arrival of the New Year and the Winter Solstice, known to Christians as "Christmas." Two sworn enemies and companions at the same time: Saint Nicholas and the Devil Krampus. December 6th is considered the birthday of Santa Claus, whose image originates from Saint Nicholas. Santa is the counterpart of the Orthodox Father Frost and the main symbol of Catholic Christmas. And when was Krampus born? Long before the birth of the Jewish Satanist Jesus of Galilee. No one knows when the Devil was born... Satanism is significantly older than the Christian sect and its traditions. It is the plump Christian Nicholas who accompanies Krampus, and not the other way around, as Christian sectarians would have us believe.

This Christian old man, Nikolai, isn't a particularly malicious cultist and focuses on handing out gifts to good children. Krampus, in turn, is busy punishing naughty and bad children. For Krampus, it doesn't matter or even require whether the

bad guy is a Christian believer or how much he prays to his fictitious Jewish god. Thus, Krampus fights evil by removing various psychopaths, young evil creatures, and various other superimposed evil bastards from our world. Krampus doesn't do anything bad—he simply cleanses our world of evil. Moreover, Krampus is always a friend and gallant lover to mature and conscious Satanist bitches who love to flirt with the Devil. Of course, all Satanist bitches adore Satan. Krampus is a beast (of a satanic species and kind), so all Satanist bitches are

zoophiles—i.e., animal lovers who love animals, including sexually (of course—they're bitches! Passive homosexuals are also bitches, but with large clitorises and dicks). Zoophilia is an absolutely normal human phenomenon, which evil disguises as something bad. Slut Sodomia wrote two journals-almanacs about this topic of zoophilia, SatanArt: you can read them or slander the pictures, if you like! Haha. These are SatanArt releases #14 and #22.

You ask, Slut Sodomia, how do you know all this, you fucking satanic whore-prostitute!? And you will be a thousand times right ¹! How can I know about the habits and behavior of the New Year's devil Krampus? The answer is: from old German postcards and, more generally, from Alpine folklore. Old postcards with the inscription "Greetings from Krampus!" are icons and visual narratives of the Krampus-Devil's activities during the New Year holidays. Let's focus on these postcards, which were mass-produced in the 19th and early 20th centuries in Germany and the surrounding Alps. These postcards and Alpine folklore are fictional and fantasy tales of Krampus's frenetic activities, dedicated to cleansing our world of evil, which has proliferated in large numbers (currently over 8 billion, in case anyone didn't know).

Old postcards, or Krampuskarten, occupy a special place. They began to be printed as early as the 19th century: they depicted Krampus with a rod and a sack over his shoulder, next to children or even Saint Nicholas. Today, such postcards are collectible, and contemporary artists produce new versions in a retro style. Despite all the variations in Krampus's depiction, some of his characteristics remain common: he is covered in fur, usually brown or black, has goat-like horns, and cloven hooves. A long, pointed tongue protrudes from his mouth. Krampus often carries a chain, symbolizing the shackles of the devil in the Christian tradition. For greater effect, he shakes the chains. The chains can also be complemented by bells of various

¹ At this point, I'd like to add a satanic blasphemy: "Fuck my bitch cunt and cum in it, boys!" The word "boys" isn't about the gays' age, but about their active role in sex, in case anyone doesn't understand the meaning of the Antichrist's words. CumDumps accept cum and fuck from all gays who want to fuck or inseminate us. I hope you enjoy reading this blasphemy 😊, even if you're heterosexual and prefer to cum in bitches with female pussies. All bitches fuck the same way, regardless of the shape of their clitoris or the position of their ovaries. In pederast bitches, the penis and balls are the bitch's clitoris and the bitch's ovaries. This was a special comment, in the style of the grimoire "Gay Lust".

sizes. Another attribute of Krampus, bundles of birch rods (ruten), with which he lashes children, derives from pagan beliefs. Punishment with rods played an important role in pre-Christian initiation rites. Rods can be replaced with a whip. Sometimes Krampus appears with a sack or tub on his back - these are intended to carry away naughty children to be eaten, drowned, or sent to the underworld ².

The Antichrist will spare a little attention for Santa Claus—that old Christian man in a red fur coat and his own aerial vehicle pulled by a sleigh of flying reindeer. Interestingly, the slender, rangy Krampus almost always travels on foot, unlike the plump Christian Nicholas, who prefers a magical sleigh. There's something blasphemous about this—the Saint flies by magic, while Satan walks... and doesn't even use a carriage. Okay, okay, the Antichrist was joking—Krampus doesn't need a sleigh to travel; he arrives via teleportation, at the right place, at the right time, appearing to a naughty child, incarnate. This amusing, bearded, and plump old man, Saint Nicholas, always accompanies Satan-Krampus on his New Year's adventures. December 6th is considered the birthday of Santa Claus, whose image derives from Saint Nicholas (such Alpine fairy tale traditions are not a figment of the Antichrist). Santa Claus is the main symbol of Catholic Christmas. Father Frost is a figure of worship among Orthodox sectarians. On this holiday, he performs miracles, brings gifts to children, and doesn't indulge in flirting with women, as Krampus does. Adhering to the classic version of modern mythology, Santa Claus, as a kindly grandfather with a white beard and a red coat, was created by artist Haddon Sundblom, who drew him in a 1931 Coca-Cola advertisement.

Can Krampus be considered a Satanic character and a manifestation of Satanism? Yes, of course! Krampus is a manifestation of Satanism, but there's a small caveat. The mythological tales of Krampus's life and his New Year's activities are fictional, so I classify Krampus as quasi-Satanism. Slut Sodomia applied a similar term to the title of one (and currently the only) collection of Satanic songs, QuasiSatanSongs. Why do I add the prefix "Quasi" to Krampus's Satanism? Because this fairytale image of the New Year's Devil lacks the depth of Satanic philosophy, but is a popular symbol of Satanism in fairytale form and a symbol of the winter solstice.

²<https://ru.wikipedia.org/wiki/Крампус> Wikipedia. Krampus. View date 12/11/2025.

What does the term QUASI mean? This word comes from the Latin quasi, meaning "as if." Nowadays, the particle "QUASI" is used as a prefix meaning "imaginary," "fake," "almost," "close." This is precisely how I perceive the artistic legends of Alpine folklore about the "New Year's" Demon Krampus. This isn't bad—it's a profound understanding of Satanism. Krampus embodies a cheerful and festive understanding of Satan, with elements of humor and irony. Quasi-Satanism is found everywhere in our world. When people don't understand Satanism deeply, when they want to create pop culture out of Satanism, when they dismiss Satan as an artistic and fantastical image—in this case, the Antichrist suggests calling these manifestations of Satanism quasi-Satanism.

True Satanism is both spiritual and atheistic. The spirit of Satan does exist, but it resides in another dimension (called Hell—a traditional name for a dimension, not a figment of the Antichrist's imagination). Satanism is not a fairy tale or a fiction, like the fairytale image of Krampus. Millions of people around the world are under Satan's influence, and their Satanism is real. I wrote this explanation so that everyone can understand how I view the Krampus folklore from the perspective of gay Satanism. I hope that no Christian sectarian in the 21st century has the idea that Krampus is the real Satan or a Satanist deity whom they worship the way Christians worship their god. Krampus has always been an atheistic and blasphemous figure, for which he receives a positive assessment from the Antichrist. In the 20th century, evil believed that Krampus should be banned and forgotten. These are not my conjectures, but rather very real historical facts. Throughout the 20th century, Austrian authorities sought to eradicate the image of the evil Santa Claus. After the civil war, the government imposed a complete ban on the evil spirit who abducted children. To achieve this goal, a pamphlet entitled "Krampus – the Spawn of Evil" was created and popularized. Numerous attempts were unsuccessful, and by the end of the 20th century, the Christmas demon Krampus had become known worldwide and migrated into the folklore of other countries. Today, holidays featuring this mythological character are a huge success and generate considerable excitement. Dozens of people dress up as the furry monster and take to the streets to frighten adults and children alike.

The Krampus bundle of birch twigs, or Ruten, is often described as a punishment tool. However, in more ancient European pagan traditions, the birch tree was a symbol of:

1. Purification.
2. New beginnings.
3. Winter fertility rituals.

Birch branches were used to "symbolically beat out" disease, darkness, or stagnation (Frazer, 1922). Thus, the modern interpretation of the punishment likely has a much more ceremonial purpose. I call the Krampus branches a Broom because they are not necessarily used for punishment, like birch rods. The branches in the broom can symbolize anti-fascism. Let me explain. The word "Fascism" comes from the Italian fascismo and the Latin fascis - "bundle, bunch." Fasces (Latin: fasces), also known as fasciae, fasciae, or lictor's bunches, are bundles of elm or birch twigs, tied with red cord or bound with straps, a fascine³. An attribute of power of ancient Roman kings, and during the Republic, of high magistrates. Originally, they symbolized the magistrate's right to enforce his decisions by force and to punish (flog). Satan punishes the assholes of the magistrate, the kings themselves, so his broom symbolizes the power of Satanists, as opposed to fascists, i.e., evil. Perhaps this image of Krampus's broom was consciously and described by the Antichrist, contrary to the traditional artistic depiction of other cultural theorists. There's nothing wrong with that—an artistic image isn't mathematics. While Saint Nicholas rewards good children with gifts, Krampus acts as a guardian of moral behavior:

1. Birch rods were used to punish naughty children.
2. Chains symbolize the binding of evil and the enslavement of the demon itself.
3. The basket symbolizes Krampus carrying truly wicked children to his lair.
4. Bells announce the approach of Krampus, giving children a chance to behave well.

Etymology and variants of the name of the New Year's Demon Krampus. The word "Krampus" (sometimes "Grampus") comes from the Old High German "Krampen" meaning "claw" or, according to another version, from the Bavarian word "Krampn" meaning "something dead, dried up." Also known in German tradition are the names "Hörnernickel" (Horned Nicholas) among the Sudeten Germans, "Klausentreiben" (Wild Claus) among the Swabians, "Klausjagen" (Klaus-jagen) in the Swiss town of Küsnacht am Rigi, or "Chlausjagen" in Hallwyl. In the German part of the Alps and the Austrian region of Salzkammergut, Krampus is better known by the name "Kramperl." In Austria, the character is also known as "Klaubauf," and in the southern parts of the country as "Bartl," "Bartel," "Niglobartl," or "Wubartl." Elsewhere, Krampus and his counterparts are also called "Pelzebock" or "Pelznickel" (in southern Germany) and "Gumphinckel" (in Silesia). In Hungary, he is known as "Krampusz." Krampus is sometimes confused in folklore with another mythical creature—the witch Perchten⁴.

A more detailed introduction to the text of this anthology, SatanArt #44, "Antichrist Slut Sodomia," will be prepared in a second, commercial version of this publication, intended for sale. Gay Satanist publications are available in gay Satanist online stores.

SatanArt #44 is a puritanical publication about New Year's Eve traditions in the Alpine region and does not contain explicit erotica. The puritanical edition of SatanArt #44 may be posted on public puritanical online platforms because it does not violate the prudish norms of popular websites regarding erotica and "sensitive content", under the CC BY-ND 4.0 license.

DEDICATION-ABSTRACT OF THE ALMANAC OF VISUAL ARTS OF GAY SATANISM SATANART #44

I dedicate SatanArt #44, a Satanic art almanac, to the theme of the artistic image of the Devil in the traditions of celebrating the winter solstice and the transition into the new calendar year. Krampus belongs to a family of traditions that help people cope with the darkness and cold of winter in the Northern Hemisphere. New

Year's celebration traditions involving Krampus are less common in the Southern Hemisphere. Among some cultures, gift-giving is an integral part of these customs and can be a way to redistribute wealth among those who need it most during times of scarcity. Performances and parades featuring Krampus and Santa Claus also add color, joy, and entertainment to the gloomy winter season in the Northern Hemisphere. Meanwhile, the terror inspired by a good Halloween costume, frightening makeup for the Day of the Dead, or a striking Krampus outfit allows people to experience and overcome their greatest fears. No matter the extravagant costumes people wear, the tricks they perform, the dramas and songs they perform during the New Year's festivities, many draw inspiration from the same deep source of ideas, images, and winter traditions of New Year's Eve. These images are the union of the Devil-Krampus and Saint Nicholas, which emphasizes the idea of duality and ambiguity in the understanding of evil. Krampus cleanses the world of excess human offspring, who manifest themselves as evil children. Such mischievous children do exist, and the more overpopulated planet Earth becomes, the more work Krampus will have. No gifts from Santa Claus can correct such evil children. Only Satan-Krampus will correct them, through the entropy of Satanism and Hell. Therefore, I dedicate this issue to the cleansing of the world of superimposed minor evil creatures through the power of the artistic image of Satan in Alpine traditions. The name of this process is Krampus's New Year's entropy, involving his assistant—the plump and kind Christian Nicholas, who gives gifts to Satanist children. Krampus loves Satanist children and, in principle, doesn't punish them. Krampus hands these children over to the plump Christian Nicholas for gift-giving. IMHO, this is the Antichrist's version of Slut Sodomia.

COVERS OF SOME GAY SATANISM ALMANACS

The Antichrist Slut Sodomia has posted some albums of the Puritan editions of the gay Satanist almanac SatanArt (Nos. 1-30, Puritan albums, Version 1) on public Internet platforms as free e-books in PDF format. However, not every issue of the gay Satanist almanac SatanArt is available free of charge in high quality or in full. All issues of SatanArt almanacs are sold on gay Satanist online stores as digital ZIP archives. The ZIP archive includes the original files in DOCX and PDF formats, plus individual images from the collection in JPG, PNG, and WEBP formats, all in high quality. You can find SatanArt almanacs from the Antichrist Slut Sodomia using search engines such as Google, Bing, and DuckDuckGo. The digital store for gay Satanist publications operates on the principle of absolute buyer honesty, i.e., The buyer receives the goods first and only then pays with cryptocurrency. This is rare in the modern world. Complete versions of the "Gay Lust" grimoire, for reading or publishing in paper form, are also available for purchase on the Gay Satanism Store website. To publish books and almanacs in paper form, you will need the source files, in DOCX format, for layout and for correcting minor grammatical, syntactic, and other technical errors.

I would like to announce two changes in the publication and free distribution of SatanArt releases, for all subsequent issues of the Puritan publications, i.e. starting with SatanArt issue #31 of the first version and for all second versions of SatanArt of the old releases.

The first change is a change in the name of the SatanArt form itself. The Antichrist will refer to this and all subsequent issues of SatanArt magazine as Almanacs. An almanac (from Arabic: أَلْمَنَاح "astronomical calendar") is a type of serial publication, an ongoing collection of literary, artistic, and/or popular science works, united by some characteristic (thematic, genre, ideological, artistic, etc.). Unlike a almanac, it is usually published annually, not always with the same frequency, or is a non-periodical collection altogether,

containing information from various areas of social activity, usually highlighting literary novelties, scientific achievements, legislative changes, etc. ⁵.

THE PRINCIPLE OF RECEIVING A DIGITAL EDITION FROM THE GAY SATANISM STORE:

PRODUCT FIRST, PAYMENT LATER!

PAY FOR ALMANACS, BOOKS, AND ALBUMS UPON RECEIPT IF YOU ARE SATISFIED WITH THEM.

THE DOCTRINE OF ABSOLUTE HONESTY OF BUYERS

BY THE ANTICHRIST SLUT SODOMIA.

The renaming of the "Gay Satanist Art Magazine" to the "Gay Satanist Art Almanac" was done because this form of literary work better reflects the essence of SatanArt publications:

1. Each SatanArt issue is dedicated to a specific theme, which is more similar to literary almanacs than to almanacs. The Antichrist has outlined many different themes for SatanArt almanacs to cover. The one that connects them all is gay Satanism. All almanacs are divided into PURITAN issues and SEXY issues. This choice is based on the issue's theme and illustrations. Puritan almanacs will not contain pornography or explicit erotica. Such e-books can be posted on many public Web 2.0 sites⁶.
2. SatanArt is not published regularly, but I hope it will be more than once a year. I plan to publish 6-12 almanacs per year.

The second change concerns the free distribution of the first versions of new SatanArt almanacs. There will be a free version and a commercial version of SatanArt, in PDF format. The differences between the free NON-COMMERCIAL version of the new SatanArt almanacs and the COMMERCIAL version are as follows:

1. All first versions of new SatanArt almanacs will be NON-COMMERCIAL, distributed free of charge online, so that anyone can access them without payment. Free SEXY versions of SatanArt cannot be posted on every public online platform, as pornographic/erotic books are prohibited on many public Web 2.0 websites. Please keep this in mind (the Antichrist doesn't like the puritanical rules of site owners, but these are their sites, therefore their rules).
2. The preface in the free version of the SatanArt almanac will be limited to 3-5 pages of topic description. In the commercial version, which I call the SECOND VERSION, the preface will be expanded and expanded six to ten times, turning the almanac into a book. The second version of the Gay Satanism publications is an improved and expanded version of the first version and is the COMMERCIAL VERSION of the Gay Satanism publications. It can be purchased in Gay Satanism stores.

⁶ https://en.wikipedia.org/wiki/Web_2.0 Wikipedia. Web 2.0 = Websites that emphasize user-generated content.

3. The Antichrist will only make available free PDF versions of SatanArt, which have compressed images, a loss of image quality, and are suitable for viewing on a monitor or mobile device, but not for high-quality printing. These will be SMALL FREE versions of the almanacs. These small PDF versions are approximately three to five times smaller than their commercial counterparts in maximum quality.
4. Paid versions of the SatanArt almanacs will be available in maximum quality, in DOCX, PDF, EPUB, and DVJU formats, and will be sold for a fee on Gay Satanism stores. These COMMERCIAL editions are intended for publication on paper, in print, or for collectors of high-quality e-books.

Commercial versions of Gay Satanism books and almanacs will be sold in the Antichrist Slut Sodomia stores. This is my plan to monetize my literary work on Gay Satanism. The Gay Satanism digital edition store accepts cryptocurrency payments, but payments can also be made by traditional bank card through reliable cryptocurrency wallets or reputable cryptocurrency exchanges. More information about cryptocurrency and its importance can be found at the end of SatanArt almanac from Antichrist Slut Sodomia. Cryptocurrency is the future! If you haven't yet started using cryptocurrency, start as soon as possible, for example by purchasing e-books of Antichrist Slut Sodomia.

ANNOUNCEMENT OF LICENSE CHANGES FOR ALL PUBLICATIONS OF GAY SATANISM.

Antichrist Slut Sodomia completed the free publication of her works on the Internet under a Creative Commons CC BY-NC-ND 4.0 International license in December 2025 ⁷. This NON-COMMERCIAL license was intended for the free distribution of gay Satanist publications online by the author himself, i.e., the Antichrist Slut Sodomia:

1. for the first version of the Grimoire "Gay Lust,"
2. for the first versions of the visual albums of the gay Satanist almanac SatanArt #1-30 + #49,
3. for the first versions of the Satanic music collections SatanSongs #1-4 + #1Q.

The Antichrist Slut Sodomia introduced his gay Satanist publications to the world public free of charge. During this time, I honed my skill in compiling e-books in PDF format. These books are now worthy of commercial sale and publication in paperback. **In order to monetize and commercialize gay satanism publications, I am transferring all gay satanism publications to the new Creative Commons CC BY-ND 4.0 International license⁸. This new COMMERCIAL license applies to all Gay Satanism publications.** You can still distribute Gay Satanism publications and sell Gay Satanism publications for 20% of the profits (for paperback editions) or revenue (for ebooks), but now with an officially applicable commercial license.

Starting with this edition of SatanArt #31, all subsequent editions of Gay Satanism, including the first editions, will be distributed under the new COMMERCIAL Creative Commons CC BY-ND 4.0 license. All previous first editions of Gay Satanism will be updated to version 2.0:

1. The cover design of the first editions will be changed. I will update the first editions of older editions by adding four sigils to each corner of the cover image, similar to the one in SatanArt #31. This will be a characteristic feature of the commercial versions of the publications under the CC BY-ND 4.0 license.
2. The content of the first editions of the Gay Satanist books, or parts of it, will be changed; for example, the introduction will be significantly expanded, with a significantly larger text analysis.
3. The graphics of the first editions of the Gay Satanist books will be changed, in terms of image quality. I will endeavor to improve the images that need it.

The second versions of The Antichrist Slut Sodomia's e-books receive design improvements, expanded content, and a new, commercially-compatible license.

On November 13, 2025, Antichrist Slut Sodomia received her first Bitcoin donation to her cryptocurrency wallet. Thanks to my first sponsor, who transferred \$20 USD to my account. It was a nice bonus for my efforts. Bitcoin transfer fees are quite high. For a \$20 transfer, the fee was \$3-4 USD. For many altcoins, the transfer fee can be significantly lower, even tens of times lower. Altcoins are all cryptocurrencies created after Bitcoin.

Image 4302. Krampus takes bad, evil, and mischievous children. A psychopathic boy rips off dolls' heads, unaware that Krampus has already come for him. Psychopathic boys always grow up to be psychopathic men. Psychopaths are the epitome of evil. They truly see people as dolls and toys.

Image 4303. The Krampus devil walks confidently to do his satanic good New Year's deeds.

Image 4304. New Year and Christmas team of magicians: Santa Claus and Satan-Krampus.

Santa has long been perceived as a kindly grandfather who distributes gifts to children on December 25th. But proponents of this theory wonder why he always wears red. And no, they claim it's not because of Coca-Cola, which supposedly invented his image. Red, they believe, is the color of the devil. According to descriptions, the devil is often depicted in red. But the most interesting thing is that if you rearrange the letters in the word "Santa," you get "Satan." Another oddity is Santa's friend, the demon Krampus. This character, according to legend, takes naughty children to hell. A rather odd choice for a friend of a kindly old man, wouldn't you agree? Many proponents of this conspiracy theory believe Santa was invented to give Christmas a positive image. However, in many ancient cultures, December 25th was associated with Satanic rituals, and the devil was often celebrated as a supreme being on this day.

Image 4305. Krampus in steel engraving style.

On what basis does Krampus accurately define "evil and bad" children? The Antichrist Slut Sodomia will explain the answer to this question in detail in the second, commercial version of this publication, intended for sale. You are reading the first version of SatanArt #44, intended for the non-commercial distribution of gay Satanist publications. The non-commercial version is distributed in PDF format, using image compression, resulting in lossy quality. The commercial version of SatanArt #44 is an improved and expanded version of this almanac, representing a true e-book in excellent quality. The commercial version is sold with all images in maximum quality.

Image 4306. Krampus-Baphomet robbed Santa Claus and put him in his satanic sack, Now I'll be Santa! There's no one in this town to give gifts for good deeds.

The thesis linking Santa to the devil through the color red or the anagram "Santa" → "Satan" is based on superficial associations. Red can indeed symbolize different things in different cultures: from sin and temptation in the Christian tradition to joy, warmth, and energy in modern interpretations. However, the color's association with Santa is likely historically rooted in its association with Saint Nicholas's episcopal robes and holiday aesthetics, rather than any "dark" connotations. The anagram "Santa" → "Satan" is interesting, but little more than a play on words. Linguistic coincidences often arise by chance, especially within alphabets, where letter combinations are limited. The claim that this has a hidden meaning feels more like speculation than a fact-based conclusion. Such conspiracy theories rather reflect attempts to find hidden meanings where none may exist. The history of Santa, his symbolism, and his traditions are far more complex and interesting than these interpretations suggest. Some believe that Santa Claus was created as a counter to ancient pagan rituals associated with the winter solstice. December 25th was chosen as the date for celebrating Christmas to replace these more ancient rites. However, in some cultures, mystical rituals associated with the worship of evil forces were performed on this day ⁹.

Image 4380. Krampus captured not only children but also mature females—mothers and grandmothers. The Devil usually engages in amorous Satanism with the females, if the females are Satanists. Krampus engages in various sexual acts with mature female creatures, for example, introducing them to gang rape by the Devils in Hell. This information is inaccurate and cannot be verified, as it is a fictional creation of Slut Sodomia.

Image 4381. Satan-Krampus with a "bad" and a "good" girl. It's unclear what distinguishes a "bad" girl from a "good" girl, but Krampus's wisdom apparently allows him to accurately define these criteria. IMHO.

Image 4383. Krampus refuses to give gifts to good children: he breaks Christmas decorations and crushes star-shaped cookies with his foot. Nasty children are caught in a sack—the ultimate happiness for the satanic Devil Krampus.

Image 4386. The lustful and playful Krampus. Satan's protruding tongue signifies several concepts: irony and self-irony, mockery and self-mockery, the rejection of seriousness and dogmatism, debauchery and lust, Satanism and perversion. Other meanings are possible, but these are the primary artistic connotations of the Devil's protruding tongue.

Image 4387. A toy-style Krampus with pin-jointed joints. A rare depiction of Krampus as a toy, in my opinion.

Image 4388. It's possible that Santa Claus or Santa Claus is sitting in Krampus's knapsack, hatless. It's impossible to know for sure, because the knapsack is closed by the artist himself. "Xylographilia."

Image 4389. The ladies, i.e. the Satanist bitches, always get along with Campus, even when they're sitting in his bag. Happy bitches. This is an old antique postcard, most likely German or Austrian.

Image 4390. A label from a pair of Bavarian vintage matches (probably) with an image of Krampus and a warning.

Image 4391. Vintage poster of the Campus, probably from 1926. Krampus is examining the globe, with a magnifying glass and a globe.

Krampus

The arrival
of Krampus
is heralded by
the clapping of
his cloven hooves,
and ringing of his
bell-covered iron chains.

The creature appears during the holiday season,
preying on children who have misbehaved.

Krampus is often seen carrying a birch switch or whip to beat
those children that it does not choose to kidnap and imprison or devour.

Image 4393. A portrait of a shaggy Krampus in shades of blue and light blue. Krampus doesn't need an extra coat because he has his own beautiful fur. Unlike the chubby Christian cultist Saint Nicholas.

Image 4394. Krampus with red fly agarics and a bad child "Merry Krampus!"

Image 4395. Portrait of the Devil Krampus in monochrome.

Image 4396. Krampus's red sack is filled with vile and harmful children, excess human offspring.

Image 4397. Krampus gives the child a Satanic doll, a totem for spiritualizing the child. There's no need to fear Satanism—it's the light of enlightenment and quantum immortality.

Image 4398. Krampus plays tag with the children.

Image 4399. Santa flew away on his reindeer, and Krampus remained on earth to harm various psychopathic little children and nasty kids who would grow up and turn into something even more harmful. Is Krampus doing good for people by ridding the world of evil creatures?

Image 4400. Krampus goes to do good deeds to cleanse the world of the evil imposed on it.

INFORMATION ABOUT THE SATANART GAY SATANISM VISUAL ART ALBUMS-ALMANACS AND GAY SATANISM

Announcing a change in gay Satanism terminology. Starting with this issue of SATANART #31, I request that the term External Information Field (EIF) be considered obsolete. In its place, the Antichrist introduces an improved version: External Information Quantum Field (EIQF). I am making this change to clarify the quantum nature of EIQF; otherwise, one might think EIQF is ordinary information, like data on the Internet. The External Information Quantum Field is not equivalent in significance to the Internet Information Field in our world. These are different informational concepts.

KEY THESES FOR UNDERSTANDING SATANIC IMAGES IN ART

Gay Satanism is not a religion or a sect. Gay Satanism is the spiritualization of man by Satan. This term has another meaning. Gay Satanism is a creative direction of the artistic genre created and developed by the Antichrist Slut Sodomia. I do not want gay Satanism to become a religion, but I want it to become a fan movement for the liberation of one's own consciousness from the shackles of the evil of our world. Under the auspices of Satan, with the Antichrist Slut Sodomia incarnate. Gay Satanism is for all people spiritualized by Satan. Not only for gays and people of homosexual orientation. All people spiritualized by Satan are disciples of our Teacher Satan. We are all Satanists. The difference between Satanism and religion and evil is that it is an individual spiritualization. Mass demonstrations under the guise of Satanism are impossible, because Satanists are introverts. Fake Satanists of the future will gather herd gatherings of pseudo-Satanists (football fans, music fans, fans of the SOCG¹⁰ or religion). A meeting of real Satanists is a sexual orgy or a sabbath of unity with nature in the nude. Other types of mass demonstrations of belonging to Satanism are fiction and a parody of Satanism.

Satan is good. Satan is the Tamer of evil. Satan is revenge for evil in our world. Satan is Joy, Pleasure and Happiness. For the evil forces of our world, Satan is the main enemy. Satan is an image in the consciousness of man and a mystical experience of connection with the spirits of another dimension, which is called Hell.

¹⁰ SOCG is an acronym that stands for the true meaning of state. State Organized Crime Group. The term was coined by Antichrist Slut Sodomia for the Gay-Satanism grimoire "Gay Lust".

For Satanists, Hell is their home. Connection with the spirit of Satan occurs at the quantum level. Modern science already studies and uses the quantum level for applied tasks. Satan is the main spirit of Hell, the Lord of critters, the Teacher of Satanists. Satan is not a god. Satan is the Spiritualizer, the source of black magic, the Alpha and Omega. Satan is the Adversary of evil and the Accuser of evil. Satan is the Father of all Satanists. Lilith is the Mother of all Satanists. Satan and Lilith are the sources of Satanic lust for all their Satanist children. Satan is the internal spiritualization of a Satanist, and not dogmas, sermons of priests or religious books. At the same time, Satanism does not deny the importance of biological parents.

Darkness, the abyss - this is the world of soulless critters, their states, their stupidity. This is the occupation of planet Earth by usurpers of power in the form of the SOCG. This is the image of the evil of our world. In some cases, they mean the opposite, because it is the evil of darkness that gives birth to Hell, vengeance and Satanists. "Children of darkness" in this case mean Satanists. Also, the image of darkness can mean Hell for the forces of evil.

Light is Satan-Lucifer. Light is Satanism and Satanic spiritualization, bringing man closer to nature. This is liberation from the shackles of evil and this is the image of freedom. This is the image of the Tamer of evil in our world and in Hell.

Sadness, sorrow, regret - this is an indication of the understanding that evil has embraced the whole world and the Satanist has to live in our world, under the yoke of evil. The main sources of evil are: crowds of inanimate critters, SOCG. This definition of the term is specifically for Satanism and for Satanists. Also, these images can mean ordinary human emotions in relation to people.

Vengeance - this image is important for all Satanists. Revenge on evil in our world and in Hell. Inanimate critters, activists of the SOCG, deceivers of religions and other evil will certainly be subjected to revenge and information entropy.

Return of the land and return of freedom to people - this image is important for all Satanists. It means the overthrow of all SOCG and religions, cleansing the earth from inanimate critters, from their stupid and senseless evil. This is the image of cleansing the planet Earth from states and their totalitarianism.

Night is the image of the fact that a Satanist in the world of evil in our world, goes practically by touch. The light for him in the night is his Satanic spiritualization. Darkness thickens at night and light is needed most of all at night. The term night is similar to the term darkness, but does not mean evil itself, but uncertainty and difficulty in orienting oneself, acting, living without light. Lost, abandoned and forsaken - this image in Satanism means that Satanists are no longer in Hell and that Satan and the forces of Hell are not directly accessible to them. Only through Satanic spiritualization. It also means that in our world Satanists do not have their own magic for the instant destruction of evil, as in Hell, in Satan's dimension.

Religion is a dogma of worship of lies and evil. Religion is a substitution of true spiritualization by Satan for critters. All evil critters are deprived of spiritualization by Satan, therefore they replace Satanic spiritualization with God and religion. Religion is a sect, a community for critters for whom herd mentality is important.

God is the canon of evil, an example of a despotic, theocratic idol of evil. God does only evil and God is evil, even because he deprives man of true spiritualization by Satan, i.e. the true Holy Spirit. There have been many gods in the history of the human species. All gods of religion are united by malice, connection with the state and with the leaders of the SOCG.

Antichrist is a common noun, not a proper name. It is written with a capital letter, like the word Satan. The concept of Antichrist means the development of a high degree of Satanism in the consciousness of a person. The term Antichrist also means a Satanist who is close to Satan and the forces of Hell and has a high power of black magic. A synonym for the word Antichrist is the expression Great Magician of Satan.

Satanism is the spiritualization of people by Satan or other demons of Hell. Satanism can also be considered as a philosophical concept that opposes theocratic dogma and the state machine of lies, violence, prohibitions, imputed duties to evil, herd behavior. The main difference between Satanism and religion or other philosophical concepts is that the spiritualization of a person by Satan and the forces of Hell occurs from another dimension at the quantum level. Therefore, Satanism is an internal part of human consciousness, and not imposed dogmas of our world through the media, culture, propaganda, morality, prohibitions or education. Satan's enlightenment comes to a person at birth or develops consciously, in later life. Satanism opposes the evil of our world and the lies of our world.

Satanic lust is a developed and perverted sexual attraction, a constant desire to have sex, a desire to corrupt oneself and others to free oneself from the prohibitions of evil. Satanic lust is not just a sexual feeling, but a special Satanic practice for knowing oneself, getting closer to Satan, and liberating oneself on an animal level. The peculiarity of Satanic lust (especially gay lust) is that Satanic sex is not aimed at procreation or at making new human offspring. Satanic lust is always aimed at receiving pleasure or for tantric meditation. Of course, Satanists can make children if necessary.

A Satanist is a person who has Satanic inspiration. Many clues about the lies of evil are given to the Satanist not only by the inner critical thinking, but also by the mental connection with Satan and the forces of hell. Satanic spirituality often gives the Satanist a feeling of introversion and individualism. Satanists and gays are always proud of their personal spirituality or the achievements of their spouse. Satanists and gays are proud of their Satanic spirituality and perverted lust. Satanists are proud of Satan.

An unilluminated (unenlightened) critter is a person deprived of spirituality. This is a zombie and a cog in the evil system. Inanimate critters are accomplices and assistants of evil. Unilluminated critters prevent Satanists and the entire human race from living happily, receiving spirituality from Satan. Inanimate critters love herd mentality and submission. They cannot live without territorial oppressors, enslavers and false information of evil. Such people make up more than 90% of the population of planet Earth. These people have instincts of survival and adaptation. These people have no connection with Satan or with the External Information Field of the level of awareness. Critters can be called a biological shell or imitation of real people. Critters always choose evil, herd mentality, conformism and speak in templates from media propaganda or voice the dogmas of religion.

The state is an evil system that has divided the entire world into territorial zones of influence and terrorizes people with its prohibitions, oppresses with prisons and physical violence, creates conflicts between criminal gangs and plunges people into wars between criminal gangs. The state is the main source of evil. The state is a materialistic sect with its dogmas, rules of conduct and a system of oppression of the individual. The state = international military criminal groups = occupiers of the lands of the Satanists = criminal gangs = SOCG.

Fascism is a form of social organization expressed by discrimination by the state against its own citizens, that is, under fascism the supremacy of the state over the individual is recognized. Fascism is a state. A strong state = a fascist totalitarian regime. The word comes from the Italian fascismo, fascio - union, bundle, bunch, unification; fascio di combattimento - union of struggle. Fascism is also an ideology and a socio-political movement within the framework of authoritarian or totalitarian militaristic ultra-nationalism and a corresponding dictatorial regime with strict regulation of society and economy. All states strive to regulate everything and on any issue. To do this, they constantly spew out different laws from their cesspools. All states are fascist territorial sects with their own ideology, rules and methods of oppressing the individual. Fascism is a system of evil, in which a small group of people believes that they can dispose of other people, command people, deceive people through the lies of propaganda and the laws of submission to evil established by fascism. All SOCGs are fascist and their goal is material enrichment, social intraspecific elevation above other individuals of the human species and the possibility of oppressing people by

psychopaths. All fascisms are built on the principle of SOCG. Real spiritual Satanists hate fascists, do not celebrate their fictitious holidays and try not to submit to this evil.

Fascists, officials, bureaucrats are the evil of the human species, in suits or other costumed special clothing, who work for fascism or profess the principles of fascism. These critters will receive such a reprisal in Hell that they will be ready to give all the money of our world to avoid entropy and retribution of the forces of Hell. But, it will be too late. Fascists, officials, bureaucrats of the SOCG, who are not economic-social-municipal employees of society, are criminals. Only a small part of the fascists are involved in improving the economic-social-municipal economy of people, and the majority of fascists are useless and harmful criminals.

The laws of the SOCG and other territorial fascist groups (local governments, prefectures, regions of the empire) are mandatory rules established by evil for people, with the aim of realizing the goals of fascism. All SOCG and fascist communities have their own laws to regulate behavior in the territories occupied by fascism. Satanists understand that the laws of evil are created for inanimate critters, with the aim of their subjugation, stupefaction and material use.

The positive activity of organized territorial entities is the organized management of communal services that is useful for the society of people, the development of the infrastructure of the society of people, maintaining the cleanliness of the territory and other social actions that are useful for the life of people, on the part of economic and communal local governments, prefectures, regional centers of territorial management. This is not a state, not an empire and not fascism. The Antichrist Slut Sodomia supports such activities and does not consider economic management to be fascism or evil. Currently, most territorial administrations support the fascism of the SOCG and are part of it. In a (future) society without the SOCG, the activities of organized territorial entities should be only economic and auxiliary, without politics, propaganda, religion and criminal concentration of power.

A patriot is an active fascist or active Nazi of his SOCG. A patriot is a person stupefied by propaganda who believes that his SOCG is better than another SOCG and he, as a member of this SOCG or a nationality within the SOCG, must do something for his SOCG in a selfless desire. A patriot is a slave of the SOCG. It is important for a patriot to be well proud of the greatness of his SOCG or the greatness of his Nazism. The pride of a patriot is always groundless, stupid and not aimed at pride in himself or his spouse. The pride of a patriot is always impersonal and is pride in the evil of the state regime that has seized the territory of the critter's habitation.

Patriotism is a person's smearing in the evil of pride in the fascism of a group of politicians or the Nazism of a certain SOCG or union of SOCG. Patriotism is a method of stupefying people, in which one SOCG exalts its importance in the eyes of people over another SOCG. Patriotism is belonging to a certain and evil group of lovers of local fascism, i.e. occupiers of the territory. Sometimes, the delirium of patriotism occurs at a distance (beyond the borders of one's SOCG) - then the patriot raves about the greatness of his SOCG, while being on the territory of another SOCG.

Propaganda is a constant, massive and avalanche-like lie of the SOCG about its greatness and its particularly outstanding character. The goal of propaganda is to make a person stop thinking critically and make him believe that he has a duty to the SOCG. For example, a duty to die in a war for the ideas of the SOCG, which are invented by the top of the ruling regime of this SOCG. Or a duty to obey the SOCG gang or a religious clan. Propaganda can be state and religious. In the world of the developed civilization of the white race, since the 19th century, the propaganda of the SOCG prevails over religious propaganda. Among the savages and religious fanatics of the damned peoples, religious propaganda still leads.

~~External Information Field (EIF)~~ **External Information Quantum Field (EIQF)** is a general term for processes and structures in our world and other dimensions that are invisible to the human senses but exist at the level of information (quantum or even more complex types of interactions). The EIQF, Hell, Satan, human

consciousness, the Internet—everything that exists consists of some kind of information, and they are interconnected informationally and mentally. Modern human science as of 2025 lacks the ability to describe and study the EIQF, but this does not mean it does not exist. Quantum science and quantum computers already exist, but this is only the beginning of an understanding of the EIQF. The EIQF is not the same as the gods of religions, the Internet database, electronic information on planet Earth, or a paradigm. Beneficial entheogens help one see, hear, and connect to the External Information Quantum Field. They allow one to overcome the barrier of perception beyond the normal human senses. Some people can sense the External Information Quantum Field even without the aid of entheogens. The External Information Quantum Field most closely resembles a global multiverse, represented as a gigantic set of information and the algorithms for its interaction.

All that exists consists of information, our world consists of information. The interaction between multi-universes occurs at the quantum-information level, faster than the speed of light. The speed of light is extremely small, compared to the level of quantum interaction between parallel dimensions.

Black holes are passages between universes. No gross matter can overcome a black hole. Only quantum information can pass through them. Through black holes, our world is connected with the world of Satan, i.e. with Hell. A black hole is a quantum tunnel for spiritualization by Satan.

The damned are people or entire nations who rejected Satan or committed atrocities for which the black magic of Satanism was imposed on them. Damnation manifests itself as degradation, decline, physical or mental torment, mental pathological state of doom, constant lies, stupidity, lack of talent, dirt, complicity with evil, religiosity. Evil is a marker of damned critters, it is the absence or rejection of satanic spiritualization, these are the deeds of critters to degrade their spiritualization. Evil is always filled with stupidity and lack of talent from spiritualization by the External Information Field. Evil critters are inanimate (unenlightened) biological shells, which are characterized by religiosity and a craving for herd behavior, under the leadership of the SOCG. The state, religion and dark herds of evil, selfish, inanimate critters are the main forces of evil in our world. The God of religions is EVIL. His main difference from Satan is his dogmatism, not his natural spiritualization of man. God forbids, Satan permits.

A faggot, a pederast, a slut, a bitch, a passive bottom are slang names for passive gays in a perverted form. I use all of these forms and they are all grammatically correct because this is the language of gay lust. The faggots themselves love such words. They love to distort these words; they love when these words are pronounced with humiliation. Analogues of these words in English: faggot, fag, looser, slut, bottom slut. A gay slut is a passive faggot who is not necessarily an MTF trans, but usually has a desire to become one. The term slut can be used to refer to any passive gays. The traditional desires of sluts & bitches are the desire to be fucked in the ass. Bitches want to fill their anal cunt with sperm and absorb sperm into themselves.

Anal cunt, cloaca, gay cunt – all these words are synonyms and mean asshole, intestine and faggot lust during anal sex. Such sexual words are used for faggot copulations, to add piquancy, perversion and depravity to them. A faggot's cloaca is an organ with two functions: to remove feces and to receive sexual pleasure. I like these sexual terms.

LGBT or LGBTQ or LGBTQ+ or LGBTQIA+ is an abbreviation for the words “lesbian”, “gay”, “bisexual”, “transgender”, “queer”, “intersex”, “asexual”, “Asexual/Aromantic/Agender”, plus additional categories of unusual people, their unusual ideas and extravagant communities. The Grimoire of Gay Satanism uses the designation LGBTQ+ — a community of sexual minorities and perverts united by common interests, problems and goals. It consists of various communication groups, communities, subcultural movements, queer neighborhoods and queer organizations. All designations are equivalent. In the grimoire, I use the designation of the LGBT community with an additional letter Q and a plus sign. The letter Q stands for queers, and the plus in the name means that I also include feminists and all other people with non-standard views in the

community: zoophiles, pedophiles, watermelon lovers 😊 and other perverts. I believe that feminists are close in spirit to LGBTQ+ and are part of it.

Queer is a collective term used to refer to a person whose sexuality and / or gender identity differs from the majority.

MTF transwomen and dickgirls are fully transitioned gay faggots who identify themselves as female with a male penis (in original form). Large female boobs are an optional attribute for MTF transsexuals. The abbreviation MTF stands for Male-To-Female transgender transition vector. Trans transition is very important for Satanism. Almost all MTF transsexuals are inspired by Satan and are Satanists. There are several levels of trans transition, which Slut Sodomia highlighted in her grimoire of gay Satanism, Gay Lust. For more information on penisgirls, read Slut Sodomia's Grimoire of the Antichrist.

CIS, Cisgender - these terms (cisgender is often shortened to CIS; sometimes cissexual) describe a person whose gender identity corresponds to the sex assigned at birth, i.e. a person who is not transgender. The prefix cis- is of Latin origin and means "on this side". The term "cisgender" was coined in 1994 as an antonym to the word "transgender" or "non-binary person" and entered dictionaries in 2015 as a result of changes in public discourse about gender. The term is an analogue of old-fashioned expressions from past centuries regarding sexual orientation and gender of people: (normal ordinary woman) = CIS woman and (normal ordinary man) = CIS man. At the moment, any gender and sexual orientation of people is recognized as "normal". Among the advanced peoples of white civilization, our world, sexually retarded savage people, homophobes and transphobes are recognized as abnormal. A synonym for this term can be the phrase NON-TRANS, and an antonym NON-BINARY or TRANS.

Entheogens are substances of plant, fungal, chemically synthesized, or animal origin that allow a connection with the "entheos," that is, with the inner divinity, with the "divine principle" (entheo + genesis). This is the same Greek root of the word theology, Zeus (teus, deus), enthusiasm (in theos, "one who lives in the divine"). Entheogens or psychedelic drugs such as lysergic acid diethylamide (LSD), DMT, marijuana, fly agaric, and psilocybin are associated with mystical experiences. At present, fascist drug laws limit their research. But major biomedical research centers have already found that entheogens predictably cause mystical experiences and, thus, allow us to study the state of the brain during these experiences. entheogens are not drugs because they not only do not escape from reality, but also bring you closer to it, and do not cause any physical tolerance, withdrawal or dependence; therefore, most of them are not illegal (ayahuasca, bufo alvarius, yopo, san pedro) and are used to deepen and deactivate from the very beginning the mechanisms and programs that interfere with our freedom and inner peace, leading us to self-knowledge and rediscovery of our true I-ego through connection with the External Information Field or with the Spirits-Demons of Hell.

ZooSex and ZooPhilia are the normal human desire to have sex like animals, imitating animals or with real animals (usually a large dog or horse). Man is an animal and there is nothing surprising in the desire to deepen his animal nature through transformation into an animal or through sexual intercourse with an animal. It is interesting that only a small number of people are involved with real animals, because it is difficult to organize. A significantly larger number of lovers of sex with animals prefer to fuck like animals or dress up and impersonate an animal. There is nothing wrong with this. Satan and Satanism approve of this, and the forces of evil prohibit or condemn it. Synonyms for the concepts of zoosex and zoophilia are such terms as bestiality and therianthropy. A light version of zoo-Satanism for children and adolescents is playing quadro-players, quadrobers, furies, puppies without a pronounced sexual component. Zoophilia is equally loved by heterosexuals and homosexuals. Among gays and Satanists, there are not many lovers of animal sex, presumably up to 10% of the total gay population of planet Earth (a very rough estimate, for understanding. On farms this percentage is higher: 30%, in cities less). Most gays and Satanists prefer sex with people, without

transforming into an animal. Zoophilia is not suitable for all people, but it is a good kind of Satanism. Zoophiles are part of the LGBTQ+ community.

Homophobia is a kind of sexual stupidity of critters, when they are surprised by the sexual freedom of LGBTQ+ people and are indignant about this freedom. Homophobia is a manifestation of hostile xenophobia to what critters are not able to understand, but under the influence of propaganda and religion are afraid of this, because this is an unusual phenomenon for them. Homophobes are also opponents of zoosex and zoophilia. Homophobia manifests itself not only in the field of sex, but also in the freedom of thought of evil critters. As false reasons for banning LGBTQ+ communities, homophobic critters traditionally cite protection of children, an imaginary opportunity to become gay or lesbian when visually interacting with LGBTQ+, or trampling traditional values of heterosexuals - only in the pussy and never in the ass. In fact, the reason for the fear of evil critters before the LGBTQ+ community is much deeper, and concerns the fact that among sexually free people there are many Satanists. Satan and Satanists destroy the evil of critters in our world and after the physical death of homophobes, they will be driven to entropy in Hell by all the forces of Hell. On a subconscious level, evil knows this, therefore the LGBTQ+ community carries the light of Satan in itself and is a danger to evil.

For a more accurate transfer of meaning and for precise identification of terms, Slut Sodomia suggests calling gay faggots in English SLUT, and CIS girls with a female pussy to be called BITCH. That is exactly how I called these two different categories of Satanists in my grimoires and albums of gay Satanism. Now, I am fixing this name in the dictionary of terms of gay Satanism. In the plural, all passive gays and MTF/FTM trans are called SLUTS, and "classic" girls (heterosexuals, lesbians) are called BITCHES. This is not a dogma, but simply a proposal for the LGBTQ+ community and clarification of my own terminology. It is possible to call it the other way around: a faggot called a BITCH means that he has finally started thinking only about being raped in the ass, like a CIS Satanist woman. If a CIS woman calls herself a SLUT, it means that she is close in spirit to the faggots and cock-girls from the gay Satanist community.

ABOUT THE ANTHROPOMORPHIC AND ALLEGORICAL IMAGE OF SATAN IN THE ART OF SATANISM

Anthropomorphism and allegory in art have a rich and ancient tradition. Depictions of Satan are always anthropomorphic and allegorical because Satan can take any form. No one knows what Satan looks like in his canonical form and such a form does not exist. For a Satanist there may be a personal favorite form of Satan, and this is the form the Devil takes for the Satanist. I have already written about this in detail in the grimoire "Gay Lust".

Allegory (from ancient Greek ἀλληγορία - allegory) is an artistic representation of ideas (concepts) through a specific artistic image or dialogue. Allegory is an artistic representation of abstract concepts and generalizations using specific figurative embodiments. The artist depicts and represents faith, love, soul, justice, discord, glory, war, peace, spring, summer, autumn, winter, death and similar concepts with living beings and specific images¹¹. Anthropomorphism is a worldview concept expressed by nominative means of language, fine arts, etc. According to this

¹¹ <https://ru.wikipedia.org/wiki/Аллегория> Allegory. Wikipedia, the free encyclopedia. Page viewed date 06/13/2024

principle, inanimate objects, living beings and fictional entities that do not have human nature can be endowed with human qualities, physical and emotional¹².

Therefore, all artistic depictions of Satan are allegorical representations of our Teacher. More important than the painted image itself is the person's perception of the painting. It could be surprise, lust, delight and other feelings. It is precisely these feelings that are born from viewing the paintings in the SatanArt album that are important. It is these feelings that give spirituality to Satan or immerse the beholder in Satanism. Also, the paintings in the album convey the general aesthetics of Satanism - this is a special sensual satanic beauty. Therefore, in addition to immersion in satanic spirituality, albums of paintings instill in a person an aesthetic sense of beauty.

IMAGE SOURCES AND IMAGE COPYRIGHTS

Slut Sodomia took all the images for her album from open sources on the Internet. Many paintings are modified with available neural networks for image processing. If I know the name of the author of the picture, I indicate it. If I don't know the author's name, I don't indicate it. This document contains illustrations by various authors, and I include the artists' drawings in my album for scientific, educational or cultural purposes. This document is a free information source about Satanism. The authors of the works receive advertising of their name and their work from the Antichrist Slut Sodomia, so I am not interested in any claims based on the laws of the SOCG and other evil. Artists of Satanism receive free advertising and promotion from the Antichrist. However, I think that none of the real Satanists will make claims against me. Selfish evil, the Pharisees and lawyers of the SOCG may do this, but I am not interested in the opinion of evil. All evil will be subjected to entropy by Satan, like all the rest of the information garbage of our world.

All copyrights belong to the authors of the paintings, and I cannot appropriate these rights in any way. By publishing paintings by Satanist artists, I popularize the authors of the paintings and the very aesthetics of Satanism.

ABOUT IMAGE FORMATS IN GAY SATANISM PUBLICATIONS – PNG, JPG, WEBP, SVG.

For the source files of Gay Satanism publications, when typesetting books in MS Word DOCX, I use PNG, JPG/JPEG, WebP, and SVG vector graphics. I'm writing this because some files may not display correctly on your computer, or may not display at all, or thumbnails for the graphic files may not be displayed. This means that your software environment doesn't support a certain image format. The most problematic in terms of compatibility are WebP and SVG. These digital graphics formats are common, but they are not necessarily supported on your computer. This can be resolved by updating your software or installing additional libraries for working with these graphic formats. Each operating system has its own compatibility solutions, so I won't offer any advice. All tips and instructions for resolving these issues can be found online.

I use the classic JPG/JPEG image format, although, in my opinion, this format is inferior to PNG and WebP. The JPG/JPEG graphic file format is widely supported and should display without any problems—this is the biggest advantage of the JPG format. I particularly like the PNG format, which produces fairly high-quality images, which is especially important when printing books. PNG (portable network graphics) is a raster format for storing graphic information that uses lossless compression using the Deflate algorithm. PNG was designed to replace the outdated and simpler GIF format, and, to some extent, to replace the much more complex TIFF format.

¹² <https://ru.wikipedia.org/wiki/Антропоморфизм> Anthropomorphism. Wikipedia, the free encyclopedia. Page viewed date 06/13/2024

For SatanArt albums, I'll be using the excellent and relatively new WebP format. WebP (WEB Pictures) is a lossy and lossless image compression format proposed by Google Inc. in 2010. It's based on the still image (keyframe) compression algorithm from the VP8 video codec. It uses the RIF container. This format offers good image compression while maintaining decent quality.

The SVG vector graphics format differs significantly from the raster formats I've already discussed. Unlike raster images, which hopelessly lose quality when scaled, SVG remains crystal clear on any device and screen resolution. This technology offers an impressive combination of compact file size and absolute scalability, making it indispensable for responsive web design, interactive infographics, and animation. SVG (Scalable Vector Graphics) is an XML-like format for describing two-dimensional vector graphics. Unlike raster formats such as JPEG or PNG, which store images as a grid of pixels, SVG describes images using mathematical formulas and geometric primitives. This format has great potential, but unfortunately, it often experiences glitches when inserting such graphic files into MS Word DOCX documents. If it can display artifacts and errors on Slut Sodomia, then it can behave unpredictably on other people as well. I will use the SVG format sparingly, when it's truly justified.

DISTRIBUTION OF GAY SATANISM BOOKS AND ART APPLICATIONS IN VARIOUS DIGITAL FORMATS

Gay Satanism books, SatanArt albums of Satanic drawings, and SatanSongs albums of Satanic music are available electronically in various digital formats: DOCX, PDF, EPUB, DJVU, PPTX, MP4, and ZIP. Free versions of Gay Satanism documents will be distributed only in PDF formats, with enhanced image compression, using lossy compression but significantly reducing file size. Commercial sales of Gay Satanism books and apps will include a ZIP archive containing versions of the book in different formats (depending on the format selected during purchase). SatanArt, a visual app of Gay Satanism, is a useful supplement to the "Gay Lust" grimoire for spiritualizing a person through the visual imagery of Satanism. SatanSongs almanac is distributed without the music videos themselves, or with access to a private archive of songs from the Antichrist Slut Sodomia included.

I've compiled Satanic artwork in a separate appendix to avoid taking up too much space with graphics in the "Gay Lust" grimoire itself. You can download collections of Satanic drawings, photographs, and other gay Satanic graphics for immersion in Satan's spirituality from the internet, the Darknet, onion domain sites, through the TOR browser, or via torrents. Artwork titles and text commentaries will initially be available in Russian and English. The English commentary texts are published in the English version of the SatanArt add-on—a separate file.

Thus, the visual application of gay Satanism SatanArt by Bitch Sodomia "Collections of Satanic Drawings, Photographs, and Other Gay Satanism Graphics for Immersion in Satan's Spiritualization SatanArt" is available in Russian and English in the following versions:

The Antichrist's favorite format for distributing e-books online and printing on paper is Portable Document Format (PDF)—a cross-platform, open electronic document format originally developed by Adobe Systems using a number of PostScript language features. It is primarily intended for presenting printed materials electronically. There are numerous

programs for viewing it, including the official free Adobe Reader. PDF books are convenient for reading and distributing electronically. Typically, no distortions are observed when opening this format on different operating systems and in different programs. I like to use PDFgear (PDF Gear) for working with PDF files. This is a program for working with PDF files on Windows that allows you to edit documents, compress them to save space, convert them to other formats, and generate a summary of the text. It is inconvenient for use on "old and underpowered" e-readers for a number of reasons. Firstly, PDF files are large, as they are designed for computers, and they open quite slowly on e-readers with weak processors. Secondly, unless the file is specifically designed for a 6-inch e-reader's screen, which is similar in size to an A6 sheet of paper, reading an A4 PDF (and most PDF files are presented in this size) will be difficult. This problem with PDF files shouldn't occur on modern tablets.

The Antichrist prepares all original files on Gay Satanism in Microsoft Word (part of MS Office 2021+) in the DOCX format. This program is the standard of stability and the best "typewriter" for the Antichrist's writer, Slut Sodomia. However, this format does not have the same high formatting stability when opening files on different computers as the PDF format.

The DOCX format is a modernized version of the DOC format, and compared to its predecessor, this format is much more popular and accessible. A DOCX file is a document created using Microsoft Word 2007 or a newer version of Microsoft Office. The file format is based on Open XML and uses ZIP compression to reduce file size. I recommend opening and editing Gay Satanism files in the DOCX format in the original Microsoft Word editor, MS Word, which is included in Microsoft Office 2021 or later. You can also use free programs that can open the DOCX format for reading and review, such as LibreOffice Writer and OpenOffice Writer. Free programs may contain document distortions, offsets, formatting errors, and font errors. The author is making the book in DOCX format available to the public for publication in paperback. This format is easy to format and edit. Please use only Microsoft Word for professional work with the DOCX format. Unfortunately, free programs will inevitably display documents with unwanted layout artifacts when opened on a computer or printed on paper. Gay Satanism publications in the original DOCX format are the largest, most complex, and most computer-intensive. A computer capable of handling these files must be powerful, such as an 8-core processor with 16 GB of RAM. On older computers, the DOCX format will take a long time to open and will run slowly. Please keep this in mind. This format is intended for publishers of paper books and for printing professionals. This is the format of the source materials of gay Satanism.

ZIP is a widely used file archiving format used to compress one or more files into a single location, reducing their overall size and simplifying data transfer. This archive will contain two book files in both PDF and DOCX formats, plus the gay Satanic drawings as raster images.

Specialized utilities can be used to create ZIP archives and extract (unpack) the files they contain, such as the terminal-based PKZIP and PKUNZIP, or the graphical utilities WinZip, WinRAR, Info-ZIP, 7-Zip, PeaZip, and many others. Currently, the ZIP format is considered a generally accepted format for many applications that include compression, backup, and data sharing functions. Along with numerous utilities that work with ZIP files from the command line, graphical programs for working with them also appeared in the mid-1990s. Support for the ZIP format is included in many modern operating systems. Many competing archivers, in addition to their own format, also support the ZIP format. This format will be used to upload gay Satanist music videos from the personal collection of Antichrist Suki, as supplements to SatanSongs' Satanic music albums.

Videos for disseminating gay Satanism in MP4 format and compressed with the H265 codec can be a powerful PR tool. Antichrist Slut Sodomia sees great potential in spreading gay Satanism by creating videos from static PDF e-books, PPTX presentations, and videos created using artificial intelligence technologies, using the method of "animating static images" with the addition of prompts, i.e., text instructions. All gay Satanist videos should be distributed in the latest digital video format, 4K resolution. Preference should be given to videos created using AI rather than slideshows. This is especially

true for promotion through YouTube, as all video hosting sites "dislike" slideshow videos (this is a strange limitation, but I see it). Yes, I agree that AI videos are more captivating, but why such disdain for slides of Satanist paintings? This was the Antichrist's empirical explanation, based on personal experience. SatanSongs music videos from the Antichrist's personal collection will be available in MP4 format as a supplement to the SatanSongs almanac.

Additional file formats for publishing and distributing gay Satanism ELECTRONIC BOOKS:

The EPUB file format is an open, royalty-free e-book standard developed by the International Digital Publishing Forum (IDPF). It is licensed under the Creative Commons Attribution-NoDerivs 3.0 Unported license, and IDPF owns the license. The format allows publishers to produce and distribute a digital publication in a single file, ensuring compatibility between the software and hardware required to play digital books and other fluid publications. It is the official format of Apple Books. The original version, the Open eBook Publication Structure or "OEB," was conceived in 1999, and ePub was released in 2007. EPUB is based on open standards and is supported by most devices and e-book readers. This format also provides responsive layout and scaling for optimal readability on a variety of screens. The PDF format preserves the original layout of the publication, while EPUB books can be customized to suit your needs (for example, by scaling text, changing fonts, and making content more comfortable to view on different screen sizes). Most major e-book publishers offer EPUB files. EPUB files work well with EPUB eBooks Reader, Thorium Reader, Adobe Digital Editions, Google Books, Moon Reader, and Amazon Kindle.

DJVU (DejaVu) is an e-book format designed for scanning and saving high-resolution images. I like this format for its compact size, speed, and stable page formatting. DJVU is, technically speaking, a "lightweight" version of PDF. It is commonly used for saving scanned documents, including books, almanacs, and newspapers, and provides high image quality at a relatively small file size. The format supports many features, such as layers, text highlighting, and hyperlinks, making it convenient for use in scientific and technical publications. However, not all devices and software support this format, so viewing it may require specialized programs such as DjVu Reader or Sumatra. DJVU is optimized for network transfer, so the page can be viewed even before the file has finished downloading. A DjVu file can contain a text (OCR) layer, allowing full-text searching within the file. In addition, a DjVu file can contain a built-in interactive table of contents and active areas (links), which allows for convenient navigation in DjVu books.

Antichrist Slut Sodomia may be a bit old-fashioned, but I like the PPTX slideshow format and consider it an e-book format. Files with the PPTX extension are presentation files created with the popular Microsoft PowerPoint application. Unlike the previous version of the PPT presentation file format, which was binary, the PPTX format is based on the Microsoft PowerPoint Open XML presentation file format. A presentation file is a collection of slides, each of which can contain text, images, formatting, animation, and other media. These slides are presented to an audience as a slideshow with custom presentation settings. The PPTX file format was introduced in 2007 and uses the Open XML standard, adopted by Microsoft back in 2000. Before PPTX, the most common file format was PPT, which was a purely binary file format. The new file type adds the advantages of smaller file sizes, less corruption, and well-formatted image presentation. It was in early 2000 that Microsoft decided to make changes to accommodate the Office Open XML standard. By 2007, this new file format had become part of Office 2007 and is supported in newer versions of Microsoft Office. Presentation files are organized collections of slides used to visually accompany presentations and lectures. I tried using the video presentation format for gay Satanist art albums on YouTube, but YouTube absolutely refuses to show such videos (PPTX → MP4) to the general public, presumably due to restrictions on serving such videos through their algorithms. Perhaps there are other reasons for the low audience reach... it is Satanism, after all... who knows what "these Satanists" and the Antichrist might have "written and filmed"☺.

FREEDOM OF DISTRIBUTION OF ANY INFORMATION

Any information should be disseminated freely, openly and without interference from the evil of our world. No copyright should interfere with this. Each work has a true author and no copyright is needed, just as no legislation in the field of information dissemination or copyright is needed. Anyone who interferes with the freedom of information dissemination is criminals and enemies of your personal freedom. Self-balancing of the information field of our world will not allow evil, harmful and false information to spread. All this happens without censorship from the state, automatically in the space of the information field of our world. Good and necessary information will be in demand, and bad and harmful information will become unnecessary. Also, the distribution of this book-album should be completely free. I know for sure that the evil of our world will recognize the main grimoire of gay Satanism as “illegal” and ban my book “Gay Lust”, as well as the music albums of Satanic songs and hymns SatanSongs and the albums of paintings of gay Satanism SatanArt.

Protect commercially important information and your personal information yourself if you need it. Your desire to withhold information is not a reason to prohibit public dissemination or discussion of this information. Any censorship and bans on information are an obvious evil. Everything secret, sooner or later, becomes clear.

TRANSLATION OF THE ALBUM OF SATANIC DRAWINGS SATANART INTO OTHER LANGUAGES OF THE WORLD

The album SatanArt in the original (i.e. by Slut Sodomia) is written in Russian and English. Translate the book-album SatanArt into all languages of the world and distribute it in your language environment. The author of the book will be very happy about this. The more people can see satanic paintings and read the text titles-comments to them, from the SatanArt album, the better people will become and the more crushing the blow we will deal to the evil of our world. The visual power of art and the words of the Antichrist in the SatanArt album have a strong effect on the consciousness of man and his spiritualization by Satan. On the title page of my book, write your name as a translator or proofreader of my book if you will translate or correct errors.

DONATIONS TO THE AUTHOR AND COPYRATES WHEN SALES OF A BOOK IN PRINT AND ELECTRONIC FORM

Antichrist Slut Sodomia has done a lot of work creating art albums of paintings of gay Satanism SatanArt, working on compiling this e-book, searching for drawings on the Internet and compiling their descriptions for you. Four reasons to support the author financially:

The first reason is if you share the ideas of Satanism. This book is a guide and grimoire for established Satanists and for people just beginning to gain insight. Let their path be illuminated by my literary work and help them receive the spiritualization of Satan in full, using my grimoire as a navigator.

The second reason - if you think that the book is useful and valuable for members of the gay fraternity, Satanists and the entire LGBTQ+ community - support the author with any donation. The book about gay

Satanism exposes the evil of our world and shows why it is the state, religion and the dark herds of evil, selfish, unspiritualized souls that are the main forces of evil in our world. It is not Satan and not man's spirituality with joy, pleasure, sexual lust that is evil, but evil is located precisely in our world itself. It was evil, in the form of the state and religion, that destroyed Jesus of Nazareth, who was a disciple of Satan, a spiritualized man, and this evil still oppresses your freedom 2000 years later since the life of Jesus of Nazareth in our world.

The third reason - if you want to see a new and expanded version of this book or new books by the author - support the author with any donation. You can make all donations using cryptocurrency - this way you and the author of the book will remain anonymous. What is very important in the world of total censorship and a total ban on freedom of speech throughout the world at the moment on issues that do not coincide with the official propaganda of states and the ideals imposed by these states.

The fourth reason is if you make money from my literary work by selling it.

You can sell my book; you can translate it and sell translations of my book. You can do this freely, and I will be only happy about that. If you sell the book in print, I ask for a modest 20% of the profit. My written or oral permission is not required to sell the book - you can publish and sell this book. For example, you can publish this book in the form of registered or numbered copies on high-quality paper bound in leather with gold embossing at a high price. Or you can publish the book as a mass edition with a large circulation to spread knowledge about gay sex and gay Satanism at an affordable price.

Or you can put my book up for sale on any sites on the Internet where documents and books are sold in electronic form. If you sell the book as an e-book, I ask for a modest 20% of the sale price. You don't need any permissions for this. I give you this permission here.

Transfer 20% of the profit (for paper versions of the book) or the amount of copies of the book sold (for electronic sales) to the author's cryptocurrency accounts in any available cryptocurrency. These will be sufficient royalties for the publication. All copyrights belong to the author of the book.

You make money from my book. Distribute my book for free and for a fee.

Antichrist Slut Sodomia does not work for a living and has spent many years writing books on Satanism, so he counts on financial support from the Satanist community around the world, I believe I will receive donations from members of the LGBTQ+ community. I also hope that my work will find financial support among feminists, queers and all people with non-standard sexual preferences, which are groundlessly condemned by the society of unenlightened critters, fascists and underdeveloped organisms of evil biohumus. The Antichrist has no other income, but he needs money for household expenses, utility bills and food. To continue writing the second grimoire of Gay Satanism "Beyond the States", I need money for my support in our world. I count on cryptocurrency donations from my readers or viewers of the videos. The material existence and creativity of the Antichrist rests on financial expenses for material life and here, even black magic against the forces of evil will not replace the presence of money.

ABOUT ADDITIONS TO THE GRIMOIRE “GAY LUST” FOR DEPTH SPIRITUALITY BY SATAN

To deepen the spirituality of Satan, Slut Sodomia has prepared and released two additions to its grimoire “Gay Lust” into the Information Space of the Internet, Darknet and torrent network:

- Albums of Satanic music videos for the immersion in the spirituality of Satan. Numbered periodical Journals. SatanSongs and QuasiSatanSongs are an occasional addition to the Gay Lust Grimoire. The lyrics have been translated into Russian. Lyrics in English are published in the English version of this supplement. Clips in MP4 format come as an appendix to this add-on. In total there will be 4 collections of satanic videos SatanSongs with 100 tracks each, plus there will also be an album of quasi-satanic songs QuasiSatanSongs about love, romance, lust. There is continuous numbering of compositions in all SatanSongs music albums¹⁴. Thus, there will be 500 video clips that help satanic spiritualization. The album QuasiSatanSongs has its own numbering of songs.
- Albums of fine art of gay Satanism for immersion in the spirituality of Satan SatanArt. Thematic numbered periodical Journals of the fine arts of gay Satanism SatanArt. This is an occasional addition to the Gay Lust Grimoire. SatanArt Albums contains paintings and drawings of gay Satanism on specific themes that are related to Satanism or sexual lust. I will publish these albums regardless of the grimoire itself. All paintings in SatanArt art albums have continuous numbering, just like songs.

DON'T HESITATE TO BE A SATANIST!

I like the phrases “Don't hesitate to be a Satanist!” and “Don't be shy about being Satan!”¹⁵. They are multifaceted, and are aimed at calling people not to be afraid to receive satanic spirituality and not to be afraid to resist evil.

¹⁴ Continuous numbering implies a common numbering of objects in all albums of satanic musical compositions.

¹⁵ This is Satan's phrase. Our Spiritualizer Satan says this phrase to his children, the Satanists. The phrase does not refer to unspiritualized critters of evil who do not have satanic spirituality. And does not apply to mentally ill people.

NUMBERING AND CONTENTS OF COLLECTIONS-ALBUMS OF SATANIC PICTURES SATANART

The total number of collections and albums of satanic drawings and paintings of SatanArt is currently unknown. I would like to make about 100 albums if readers and the Satanic community like my work. Each SatanArt album will contain 100 drawings. There will be continuous numbering of all images in all music albums to organize the graphic material. Continuous numbering implies a common numbering of objects in all albums of satanic graphics SatanArt.

ADDITIONAL INFORMATION ABOUT GAY SATANISM FROM ANTICHRIST SLUT SODOMIA

I hope that my selection of digital Satanic paintings, drawings, photographs and other graphics of gay Satanism for immersion in the spirituality of Satan SatanArt will be useful to people, and you will find interesting images for yourself in my selection. Visual art for those who are already Satanists and for those who are just thinking about becoming a Satanist and are looking for a connection with Satan for their spirituality. Of course, these paintings can be viewed simply as beautiful masterpieces of fine art 😊, without being tied to the ideas of gay Satanism.

If you are interested in the topic of gay Satanism, you can download and read other books from Slut Sodomia:

- Grimoire of Gay Satanism "Gay Lust." This is the main grimoire of gay Satanism. This is a magical book that allows me to become a Satanist, helps me see the evil of our world and destroy this evil.
- Albums of Satanic music videos for immersion in the spirituality of Satan, which I call SatanSongs collections. In 2024 I created 4 SatanSongs albums + 1 quasi-satanic album QuasiSatanSongs.

The Gay Lust Grimoire is intended for both experienced Satanists and novice Satanists who want to deepen their spirituality with Satan or even gain it. The grimoire "Gay Lust" is a navigator for a Satanist and a conceptual basis in the fight against the evil of our world. There are Satanists not only among gays themselves, but also among straight people inspired by Satan. And that's great! It turns out that gay Satanism and my book are for all people in whom the fiery rage of sexual perversion burns, as an important element of spirituality by Satan. The book "Gay Lust" is a rebellion and liberation of your consciousness from the dungeons and frames of consciousness imposed on you by the system of the regime, religions and homophobia. The book is a grimoire of gay Satanism with the ritual of Summoning Satan and a code of principles of gay Satanism. The Gay Lust Grimoire is a training manual for passive fagots, active gays and trannies. The grimoire "Gay Lust" liberates the sexuality of any person and throws off the shackles of puritanical hypocrisy.

The grimoire "Gay Lust" is distributed completely free of charge in electronic form. You can freely download, quote and distribute the grimoire book. Look for the grimoire of gay Satanism "Gay Lust" on sites on the regular White Internet, Torrent trackers or on the Tor network on ONION sites.

LIST OF ADDITIONAL APPENDICES TO THE GRIMOIRE OF GAY SATANISM FOR IN-DEPTH SPIRITUALITY WITH SATAN

Applications to gay Satanism are satanic music and graphics:

1. Collections of Satanic music videos selected and compiled by Slut Sodomia.
2. Collections of satanic drawings, photographs and other graphics of gay Satanism, selected and compiled by Slut Sodomia.

Collections of Satanic music videos, created either by Satanists or non-Satanists, but they are devoted to the theme of Satanism, in the understanding of Slut Sodomia. The words of these songs are about Satan, or about Satanists, or about the liberation of people from the power of evil, or other quasi-Satanic themes. Songs of completely different genres! Their main feature is that good music inspires. At the time of completion of the first version of the grimoire, Slut Sodomia had collected 500 gay Satanism music videos:

1. Album of Satanic music videos for immersion in the spirituality of Satan. SatanSongS Nr. 1
2. Album of Satanic music videos for immersion in the spirituality of Satan. SatanSongS Nr. 2
3. Album of Satanic music videos for immersion in the spirituality of Satan. SatanSongS Nr. 3
4. Album of Satanic music videos for immersion in the spirituality of Satan. SatanSongS Nr. 4
5. Album of quasi-Satanic music videos for immersion in the spiritualization of Satan. QuasiSatanSongs Nr. 1

Gay Satanism graphic art, collected and designed in the form of SatanArt collections, suitable for publication on paper and in book form, will reveal the aesthetics of Satanism and help Slut Sodomia in the development of gay Satanism around the world. Your purchase of graphic albums-collections of gay Satanism graphics SatanArt, in DOCX / PDF / JPG / PNG / WebP format, will support Slut Sodomia financially, and I will know that my work is in demand by people. Let the publication of SatanArt albums allow Satan to enter the souls of more people, let there be more Satanists and less evil from soulless critters.

ABOUT THE DEVELOPMENT, IMPORTANCE AND USE OF CRYPTOCURRENCY

I am writing this chapter about the development, meaning and use of cryptocurrency in 2024. Now, cryptocurrencies, as a means of speculation, investment and payments, are already working quite well, although for most people on planet Earth, crypto-coins are more of a mysterious phenomenon than an applied financial instrument. Slut Sodomia is very glad that a

wonderful alternative to fiat money¹⁶ issued and controlled by SOCG has appeared. The name of this alternative is cryptocurrencies, Bitcoin and all the altcoins of the world¹⁷.

Cryptocurrency opens up enormous opportunities to get rid of the evil of SOCG on our planet Earth. It is control over material values that allows the SOCG to rule, mock people, dictate their laws and do various evils in our world (including wars, prisons and collecting tribute from the population). The material wealth of the SOCG is based on: power, evil and money. If the SOCG is stripped of its power over the financial control of money, it could significantly undermine the SOCG's power throughout the world. Cryptocurrencies operate outside of the SOCGs and do not need them.

Lately (since about 2015), the vilest SOCG's have been trying to stick their ugly nose into the control of cryptocurrency, its circulation and use. SOCG began to choke cryptocurrency enthusiasts and large financial speculators in cryptocurrency around the world. SOCG of the USA and Europe require registration and verification of the identity of people who use cryptocurrency on public platforms online and offline. Evil really wants to take control of cryptocurrency, and thereby strangle people's financial freedom. Evil does not want

¹⁶ https://ru.wikipedia.org/wiki/Фидуциарные_деньги Wikipedia. Fiduciary (from the Latin fiducia - trust), fiat (from the Latin fiat - decree, instruction, "so be it"), symbolic, paper, credit, unsecured money - money not backed by gold and other precious metals, the nominal value of which is established and is guaranteed by the state regardless of the cost of the material used for their manufacture. As a rule, irredeemable for gold or silver. Often, fiduciary money is used as a means of payment on the basis of state laws obliging it to be accepted at face value. The value of fiduciary money is maintained by people's belief that they can exchange it for something of value. The decline in the authority of state power leads to a decrease in the purchasing power of fiduciary money, that is, to devaluation, "flight from money" (attempts to maintain its purchasing power through investment), etc.

¹⁷ Bitcoin started the era of digital crypto assets in 2009. The shortcomings and limitations of the first cryptocurrency, as well as its open-source code, led to the fact that developers began to create other coins. They are called altcoins.

people to leave the orbit of the influence of the SOCG over money. Evil wants to destroy the very idea of freedom of cryptocurrency and the anonymity of its users.

It is very bad that many financial speculators - exchanges, exchangers and crypto-wallets have followed the requirements of the SOCG and force users to play by their rules. It's very bad that among crypto enthusiasts there is little talk about refusing collaboration with the evil SOCG. More and more cryptocurrency circulation is becoming dependent on the evil of the SOCG and its directives.

I urge the community of cryptocurrency developers at any level not to collaborate with the state and not to obey their gangster rules. SOCG is simply an evil crook in the field of cryptocurrency technology who wants to rape and subjugate this technology and the users of this technology. Don't let the evil of SOCG deprive you of financial freedom and an alternative financial future outside of states and without states. This was a philosophical preface about cryptocurrency, let me move on to the practice of using crypto-coins.

For beginners, I recommend entering cryptocurrency by opening and creating a non-custodial crypto wallet, which allows you to ensure security and convenient management of your cryptocurrency. Such wallets provide users with complete control over their funds, eliminating the participation of third parties and minimizing the risks associated with hacking or fraud. A non-custodial wallet is a computer program and a type of cryptocurrency wallet in which only the owner has full control over his funds and private keys. The wallet does not store personal information and does not have access to assets. When you create a non-custodial wallet, you are usually given a private key or a seed phrase (a series of words that can be used to generate a private key). This information is not stored by third parties and it is important that you keep it secure. If you lose it, you will lose access to your funds and there is no way to recover it.

In 2024-2025, the most popular, convenient, reliable software crypto-wallets, in my subjective opinion, are the following non-custodial wallets:

1. Exodus <https://www.exodus.com/>
2. MetaMask <https://metamask.io/>
3. Trust Wallet <https://trustwallet.com/>

Install these programs (one or more), downloaded from official websites, on your computer and begin to master entering the new era of electronic money, outside of states. These programs allow you to buy cryptocurrency with fiat money (dollars, euros and other currencies), make payments to other people's cryptocurrency addresses, and receive payments to your crypto wallet. Installation of these programs is quite simple and available for the most popular operating systems. After successfully creating a crypto wallet, you can send some crypto coins to Slut Sodomia to the details provided in this document if you like Gay-Satanism and the work of Slut Sodomia. I will be happy, and you will check your crypto wallet in action 😊.

To enter the world of cryptocurrency, you can use online services called crypto exchanges. A crypto exchange is a less reliable means of storing cryptocurrency than non-custodial crypto wallets, but some people may find it easier to work with crypto exchanges. Access and work with crypto exchanges occurs through a computer Internet browser, like with any other sites. Please note that crypto exchanges have full control over your finances and can block your money, at the request of fascists from different countries. There are many crypto exchanges and Antichrist Slut Sodomia cannot guarantee which of them is the best, most reliable and convenient. I will recommend four crypto exchanges that have been operating for a long time and with the help of these exchanges you can send donations, donations or royalties in cryptocurrency to Antichrist Slut Sodomia:

Kraken. <https://www.kraken.com>

Kraken is an American cryptocurrency exchange founded in 2011. It was one of the first Bitcoin exchanges to be listed on Bloomberg Terminal.

Binance. <https://www.binance.com>

Binance is the world's leading cryptocurrency exchange, serving 235 million registered users in over 180 countries.

Coinbase. <https://www.coinbase.com>

Coinbase is one of the most well-known names in the crypto industry. Launched in 2012, it offers an intuitive and beginner-friendly platform for buying, selling, exchanging, and storing cryptocurrencies.

SwissBorg. <https://swissborg.com>

SwissBorg is Europe's #1 app for securely buying and selling cryptocurrency with low fees, available in 47 countries and 16 currencies.

Best Wallet. <https://bestwallet.com>

Best Wallet is a non-custodial app that offers wallet and exchange services in a single secure decentralized environment.

The methods recommended by Antichrist Slut Sodomia for selling, buying and transferring cryptocurrencies cooperate with states, i.e. with fascists and SOCG. I do not guarantee the reliability of these trading platforms. Crypto wallets and crypto exchanges require people to provide documents when registering, require them to show themselves through photo or video filming. Cryptocurrency exchanges implement a Know Your Customer (KYC) policy to comply with anti-money laundering (AML) and counter-terrorism financing (CTF) regulations, ensuring the legality of transactions and the safety of users. To register on a cryptocurrency exchange, you need to provide personal data, confirm your identity with documents and a selfie, and wait for approval to access all functions. Exactly the same story when registering in regular banks. On the one hand, it gets rid of scammers, but on the other hand, it is control by various SOCG and loss of anonymity. If I find more anonymous and reliable options for making cryptocurrency transfers, I will write about it in the next versions of the documents.
