Picture 4408. Fascist sadists feed their shit to masochistic prisoners. E Rohm's artwork.	26
Picture 4409. Gay sex in a prison shower. Someone is watching the scene. I don't know the original plot of the scene.	26
Picture 4410. Blacks love to fuck each other, but usually, one is a bitch and the other is a fucker.	27
Picture 4411. A white bitch in prison has fun with two big-dicked black men. The process of training a passive bitch to play the sexual role of a girl to be fucked by black men. Artist: The HUN.	28
Picture 4412. Artist The HUN is good at drawing prison sex with plenty of sperm and BBC for white passives.	29
Picture 4413. Artist Tom of Finland specialized in police-military sex scenes with a touch of humor. Interrogation of an exhibitionist at the police station. #1	30
Picture 4414. "Varsity welcomes alumni." A prison school of gay sex explains how to fuck and fist in prison: "Greese & Grab." The entire prison has been transformed into a gay club of lust and debauchery. Artist: The HUN.	31
Picture 4415. A young, tender, gay man and a brutal, active fucker share a prison cell. Artist: The HUN.	32
Picture 4416. A young homosexual and active gay prison guards. Of course, active gays love homosexuals, but aggressive male lust turns them into sadistic animals who cum at the sight of a gay homosexual. Artist: The HUN.	33
Picture 4417. Interrogation of an exhibitionist at the police station. #2 Artist: Tom of Finland.	34
Picture 4418. Interrogation of an exhibitionist at the police station. No. 3. Artist: Tom of Finland.	35
Picture 4419. Black sex in prison. A young white bitch gets her turn to get fucked. Artist: The HUN.	36

Picture 4423. "Detention" ("Detention-arrest"). Group gay intercourse somewhere in a police station.	40

Picture 4424. An active man and a young, passive pussy. Prison love and the education of a young faggot. For many young gay men, cultivating their image of a satanic whore is precisely what is needed, even though many are already experienced anal prostitutes or fisting passives.	41
Picture 4425. An example of a gay comic about the lives of inmates in prison. The Sexual Life of Prisoners. No. 1.....	42
Picture 4426. An example of a gay comic about the lives of inmates in prison. The Sexual Life of Prisoners. No. 2.....	43
Picture 4427. An example of a gay comic about the lives of inmates in prison. The Sexual Life of Prisoners. No. 3.....	44
Picture 4428. They sent a naked, ground-up faggot to a cell with gay pigs. Love and lust reign here.....	45
Picture 4429. Young effeminate boys and skinny bitches replace fucking CIS women in prison.	45
Picture 4430. Sodomy is a common practice in prison. For a passive homosexual, anal insemination brings the same joy as ejaculating into a rectum for an active gay man.	46
Picture 4431. Artist Julius draws prison sex scenes, usually in the father-son style, where the older gay man fucks the younger man. It's a classic of gay pornography and sexuality.	47
Picture 4432. The police take the guy to their "police station" to be raped.	48
Picture 4433. Artist Michael Kirwan draws European chavs and various sexual encounters with them. Of course, scenes of police rape appear in this artist's work. This is logical.	49
Picture 4434. A young passive homosexual fell into the hands of experienced, active gay police officers.	50
Picture 4435. The final scene of prison love between Kowalski and Martinez. Artist: Josman.....	50
Picture 4436. Interracial love in a USA's prison. Black people fuck white people, and sometimes vice versa. Artist: The HUN.	51

Picture 4438. This drawing resembles military bullying. The SOCG army is also a prison.....	52
Picture 4439. Artist Kent. A scene of quasi-prison homoeroticism, with a cop "arresting" a homosexual.....	53
Picture 4440. The militia police brought the new recruit straight to the head of the military recruitment agency. "Sit on my officer's dick, son, or on my leg, and serve your country, you vile coward. Now you're our soldier, and you'll sexually serve your country, because that's what we decided."	54
Picture 4441. Gay sex in a prison cell. Two gays fucking, and two watching.	55
Picture 4442. Gays in a prison shower. Of course, it doesn't have to be a prison shower, but such passionate intimacy wouldn't happen in a factory shower or a public sauna.	56
Picture 4443. Classic fucking behind bars. The top's balls are screaming for release, the bottom's guts are screaming for penetration. Both men experience sexual pleasure and feel more fulfilled.	57
Picture 4444. Gay Satanist artist Michael Kirwan. Gay prison scene: cum on a handsome man.....	58
Picture 4445. A classic gay prison sex drawing by artist Julius. This artist's assets always look Turkish or Iranian, IMHO.	59
Picture 4446. Elite fantasy gay sex in prison, with elements of BDSM. No. 1. Tom of Finland.	60
Picture 4447. Elite fantasy gay sex in prison, with elements of BDSM. No. 2. Stephan.	61
Picture 4448. Elite fantasy gay sex in prison, with elements of BDSM. No. 3. Artist Lionel Cavelo.	62

Picture 4449. A nice young blond boy gets fucked in prison. Young, skinny gay men are more accessible than CIS girls. Many men only want boys, not women's pussies. This is a first-generation AI generation.	63
Picture 4450. An interesting prison painting featuring fleshy, soft, and muscular gay men in prison. Artist: Joaquim Guerriero. Information about the artist requires clarification.	64
Picture 4451. A classic homoerotic prison scene from the master. Artist: Tom of Finland.....	65

Picture 4454. Gangbanging a homosexual is called gang raping. Fags love it. The HUN.....	67
Picture 4455. A close-up of an officer's honor. The officer's anal cunt is impaled on a thick cock.	68
Picture 4456. Sketches about sex in prison.	69
Picture 4457. Military police engage in gay BDSM sex. Artist: RAS.	70

Picture 4460. A gay scene in a prison shower. Light erotic homosexual flirtation.	72
Picture 4461. Quasi-prison gay sex with various secretions. Oral sex with a rapist. The scene could be performed not only in prison but also in a gay club. However, the chains, walls, and boots suggest a prison or military setting more than a gay club.	73
Picture 4462. Prison sexual sadism. Many passive gay men don't like this kind of sadism, so please keep that in mind.	74
Picture 4463. Orgasm in the Dungeon. BDSM art of quasi-prison sex. Artist: Titus.	75
Picture 4464. A slut lubricated her cellmate's cock for penetration. In prison, saliva is used as a lubricant for anal penetration.....	76
Picture 4465. A gay sex scene that falls somewhere between prison sex and gay BDSM games. #4.	77
Picture 4466. Sex between security guards or police officers and detained potential criminals, as rendered by artist Tom of Finland. The maestro's hand painted these images without the use of a computer. No. 1. This painting depicts gay cruising. Cruising is the search for sexual partners in public places.	78
Picture 4467. A faggot's ass and a leader's dick have found each other. A quasi-prison abstract scene of gay Satanism.	79
Picture 4468. "The ring jingled in the metal detector." A scene involving airport security, a common occurrence in practice. Modern airport regulations subject people to screening for various metal objects, strange items, and prohibited items and substances. This humiliating procedure can be witnessed at airports around the world.	80
Picture 4469. Sadism and BDSM in prison, with chaining to the bars of a cell.....	81
Picture 4470. Sweet prison sex with lovers of different ages. For gay men, this is a normal situation.	82
Picture 4471. A fun and hardcore cellmate for a young and inexperienced boy. In a week, the bitch will be offering her ass for fucking.	83
Picture 4472. Gay prison sexual romance.....	84

Picture 4473. This doesn't look like rape, but more like intercourse after a long break. Perhaps the passive partner was kept in solitary confinement for a week and then brought back, where the active partner is already waiting for his cunt to cum.	84
Picture 4474. The active partner pees in the passive partner's ass to clean out the colon. A prison enema becomes part of the sex act for the passive partner. Urine cleanses the rectum well. Permaculture gay sex.	85
Picture 4475. An active man has pumped himself up with physical exercise and dreams of a gentle, passive boy who is waiting for him behind the prison fence "on the outside". The artist is not specified, but presumably it is either Pan Hanks (80%) or Josman (20% probability IMHO).	86
Picture 4476. A masochist and an active sadist engage in gay Satanism in prison, BDSM style.	87
Picture 4477. Muscular prison cellmates have anal sex. Pure gay sex.	88
Picture 4478. A hairy Caucasian man fucks a smooth black man in a prison cell. Interracial prison sex is common in the US and other countries with a post-colonial legacy of forced migrants (often slaves). Artist: The HUN.	89
Picture 4479. Sex between security guards or police officers and detained potential criminals, as depicted by Finnish artist Tom. The maestro's hand painted these images without the use of a computer. #2.	90
Picture 4480. A Turkish prison at sea on a ship (IMHO). They're transporting white prostitutes to the padishah's house.	91
Picture 4481. White whores were brought to the padishah's house for fun and sex. A quasi-prison gay story. Artist Etienne (Dom Orejudos, Aka Etienne).	92
Picture 4482. A police officer is having sex with a prisoner. One of the prisoners, number 777, looks on at the scene. Artist Etienne (Dom Orejudos, Aka Etienne).	93
Picture 4483. Young gay police officers make out in front of a prison cell. Artist: SakimiChan.	94
Picture 4484. Prison BDSM with a whip. Sadists whip a masochist. If this is a torture scene, then it is essentially the creation and perpetration of evil. Gay Satanism against evil is its core quality.	95
Picture 4485. Prison gay tenderness through bars.	96
Picture 4486. Sex through prison bars. Artist: Julius.	97
Picture 4487. Black boys have fun with a white masochist.	98
Picture 4488. Gay sex in a prison cell.	99
Picture 4489. Guards raped a boy in a prison cell. The very imprisonment of innocent people is an act of sadism on the part of the SOCG.	100
Picture 4490. Sex between security guards or police officers and detained potential criminals, as rendered by artist Tom of Finland. The maestro created these paintings without the use of a computer. #3.	101
Picture 4491. Sucking a dick through a mattress is a weird prison activity similar to gloryhole.	102
Picture 4492. The theme of a lumberjack being detained by a police officer is a rather rare fetish.	103
Picture 4493. A passive boy washes a hairy top in the shower. Both are aroused, but maintain control of their lust.	104
Picture 4494. Sex between security guards or police officers and detained potential criminals, as rendered by artist Tom of Finland. The maestro's hand painted these images without the use of a computer. No. 4.	105

Picture 4500. A young homosexual awaits gang rape in prison. The boy is tied to a bed so the men can fuck his ass and inseminate his rectum. This book is a study and analysis by the Antichrist Slut Sodomia of a specific area of Gay-Satanism. In the SatanArt Gay-Satanism almanacs, the Antichrist conducts a visual examination of artworks, paintings, drawings, and photographs by various authors, covering various topics of gay sex, Satanism, LGBTQ+, transgenderism, magic, symbolism, deviance, and revelations of the evil of our world. The SatanArt almanac is the Antichrist's academic work on the study of sexology, spirituality, and the psychology of the egregore of gay Satanism. ✨§§ ✨ Read, watch, get excited, and immerse yourself in the world of gay Satanism!

PREFACE

I dedicate this almanac of gay Satanism, SatanArt #45, to the topic of gay life, which is rarely discussed but has always been and remains relevant. This is the topic of prison sex, prison lust, and debauchery, from the perspective of gay Satanism. Antichrist Slut Sodomia has collected and analyzed various artistic drawings on the pages of the almanac, reflecting prison romance and gay life in prison. I focused the album specifically on gay men, which is why I titled this volume of the almanac on prison sex: "Gay Sex in Prison. The Sadism of SOCG Guards and the Sexual Prison Fantasies of Pederasts. Volume 1." In addition to gay sex, MTF trans sex (sissy girls, sissy faggots, and crossdressers) and female lesbian or heterosexual sex with CIS girls are common in prison. Of course, all of these are interesting, but first of all, I want to prepare two albums about the LGBTQ+ sexual lives of gays and sissies. In this album, I focused on gay men and barely touched on the topic of MTF transsexuals who service men in prison with their asses and mouths. I enjoy the theme of feminized MTF transsexuals, as well as the topic of male gay sex in prison settings. Some readers may confuse the paintings with prison penis-girls and consider them to be ordinary CIS prostitutes. The almanac of gay Satanism, SatanArt #45, is dedicated specifically to male gay sex, but there is a fine line between MTF trans sex and the sex of passive homosexuals. For example, in the picture below, it's not immediately clear which is an active man and which is a passive, fully cum-sucking transsexual who hasn't yet fully become a MTF transsexual. Passive sissies always act as penis-girls for active men.

I'll say right away that the SOCG's violence against people and their confinement in prison cells is an anti-Satanic phenomenon, as is forced confinement in hostile and (often) horrific prison conditions. Antichrist Slut Sodomia doesn't glorify prisons and their culture based on lack of freedom or forced torture. The Antichrist doesn't tell you that. However, prison gay sex is real, as are the prisons themselves, the police, the jailers, and the sex-hungry male prisoners.

I think many gays enjoyed this collection. For many active gays and passive bitches, the topic of prison sex can be a fetish or a secret dream. Many gays dislike sex with trannies and sluts, but in real prison conditions, a lot can change. For example, heterosexuals who need a lot of sex are forced to become active gays and use passive bitches as women. This is a common practice in prison sex. Not every prisoner can afford whores of the opposite sex, and homosexual bitches are easier and simpler to find.

Antichrist Slut Sodomia considers prison sex a given. I'm not promoting prison romance specifically, because the best fucking and hardcore sex can be had absolutely without the prisons of the SOCG and other fascist institutions, in principle. For many passive whores, the romance of prison sex lies in the savagery of housing gay passives and gay actives together. Essentially, the whores and their fuckers are kept together in the same cell. This situation resembles the idealistic story of a heterosexual girl and a man stranded on a desert island, yet they have food, water, and shelter. Such forced proximity will inevitably result in sexual intercourse between them, meaning lust will prevail. This is the basis of the appeal of prison gay sex. The forced sexual atmosphere, the brutality of the situation, the arousal of gay women and gay men being together – this is a turn-on for most homosexuals.

However, there are other sexual settings where LGBTQ+ people and Satanists can fuck just as hard as in prison. These include gay sex clubs, gay family sex, private sex parties, outdoor sex, exhibitionism, and voyeurism.

Exhibitionism is the practice of displaying intimate body parts, such as breasts, genitals, or buttocks, in a public or semi-public setting. This can occur in person or virtually, for example, through nude selfies, using technology like smartphones to take nude photographs of oneself for display.

Voyeurism is the tendency to experience sexual arousal by secretly observing or fantasizing about secretly observing others in intimate situations. For example, when they're half-naked or during sexual intercourse.

All these forms of gay sex and lust can easily replace prison sex, but there's one important difference. Prison sex is always associated with the sadism of fascists, guards, judges, and police officers who forcibly keep people in prisons, and prisons themselves are closed communities with a specific audience. Essentially, prison sex is a form of BDSM, the "real thing".

The Antichrist tried to find information about gay sex in prison through various search engines: Google, DuckDuckGo, Bing, and I couldn't find it. I tried to quickly find interesting answers from public AI, but they didn't give me any answers. Look how the system fears this question. All the "publicly available" information gaps are covered up, and there are no answers. The topic of prison sex is ignored, concealed, and not published in the public domain. Do you know why? Because they are ashamed of their "system" and the evil organization that fascists call the "Penitentiary System." Of course, if you dig deeper into the subject of prison romance and lust, you can always find it, but I tried a quick search. I'll quote academic information on what a prison is, as defined by the modern online encyclopedia Wikipedia:

The penitentiary (or penal) system (from the Latin poenitentia, meaning "repentance") is a system of law enforcement agencies, a state coercive apparatus responsible for the execution of criminal penalties imposed on citizens in accordance with the law. The penitentiary system ensures the execution of punishments (punitive measures), both custodial and non-custodial, as well as the detention of defendants from the moment of their placement in custody until trial (until the measure of procedural restraint in the form of detention is changed). One of the most important areas of activity of the modern penitentiary system in restoring social justice, along with the punitive function, is the prevention of recidivism. As of 2025, there were 11.5 million people in prison worldwide, with 60% of countries facing prison overcrowding¹.

¹ https://ru.wikipedia.org/wiki/Пенитенциарная_система Wikipedia. Penitentiary system. Translated from Russian.

The quintessential correctional institution is a prison. Thus, the correctional system, also known as the penitentiary system, is a network of institutions that administer jurisdictions such as parole and probation boards. This system is part of the broader criminal justice system, which also includes the police, prosecutors, and the courts. "Correctional system" is also the name of an academic field of study that studies theories, policies, and programs related to the practice of correctional systems. It studies the training and management of personnel, as well as the experiences of those on the other side of the fence—the involuntary participants in the correctional process².

Many interesting gay stories about gay sex in prison or fantasies about such sex have been published online. These stories reflect gay lust and explore the additional gay fetishes that accompany prison romance. In the expanded version of the almanac SatanArt No. 45, I will devote my main attention to this.

The more detailed text section of this anthology, SatanArt #45, will be prepared in the second, commercial version of this publication, V1.1. Gay Satanism publications are sold in high-quality digital formats through Gay Satanism online stores, including e-books and source material for printing paperbacks. The topic of prison

sex is quite extensive. In the first version of SatanArt #45, the Antichrist Slut Sodomia wrote the basic principles of understanding gay sex in prison.

DEDICATION-ABSTRACT OF THE ALMANAC OF VISUAL ARTS OF GAY SATANISM SATANART №45.

The Antichrist Slut Sodomia dedicates SatanArt #45 to a topic that is a popular fetish among gays and LGBTQ+ people, but is taboo due to its violence. Yes, imprisoning people in cages by fascists is an atrocity, and most people in prison are not criminals, from the perspective of Satanism and Satan. (This topic will be explored in the second, expanded version of SatanArt #45.) Of course, criminal psychopaths, maniacs, and dangerous people with spiritual defects are best isolated from the society of safe, spiritual people. These people are roughly equivalent to dangerous lunatics in mental hospitals. Most people in prison are normal people – this must be understood. In SatanArt #45, the Antichrist, Slut Sodomia, collects, describes, and analyzes various artistic depictions of gay prison sex, focusing on passive sodomites and their lust. The book features images by various artists, including recognized masters of gay prison romance: Tom of Finland, The HUN, Julius, and Etienne. Many of the album's drawings are rare and may be valuable from a gay Satanist perspective. In prison, gay Satanism is forced to confront the evil of the fascists and their hired help: guards and police officers. Other fascist legal figures (judges, lawyers, prosecutors, attorneys) are virtually invisible in the prison sex images. This album about prison sex from the Antichrist will be of interest to most gay men, especially those who enjoy "purely male sex" without the use of penises or trannies. It must be said that prison gay sex in the United States is very different from prison gay sex in Russia, Asia, or Africa. SatanArt #45 explores prison-police sex, specifically in Western Europe and the United States, but sexual fantasies transcend the confines of prison. For many gay men across the planet, prison sexual fetishes remain a secret, a taboo, and a fantasy they are willing to embrace, albeit in artistic form rather than in reality. Few gay artists have worked in the prison sex genre, and few are drawn to the subject. The Antichrist discovered, edited, described, and published his album, SatanArt #45, featuring the best gay sex scenes. Some of the paintings in the album are a variation on quasi-prison sex, meaning they have no clear connection to prison. However, art is not mathematics, and the Antichrist, for various reasons, included such paintings in the prison sex album.

Each SatanArt album will contain 100 drawings from the main album, which I will accompany with a text description. In addition to the main album, the Antichrist Slut Sodomia will use three other types of graphic material, which will be included without a text description:

1. Vignette images. These are graphic files related to the album's theme, but with simplified graphics. These will primarily serve as a "warm-up" for the reader, with explanatory posters or witty posters related to the album's theme.
2. Images of decorative elements and conceptual posters of gay Satanism. These are graphic files related to the almanac's design or general themes of gay Satanism. Connection to the album's theme is not required.
3. Publicistic and documentary images on gay parades, LGBTQ+ pride marches, carnivals, gay agendas, images of Satanists, tattoos, and gay paraphernalia. THIS GRAPHICS SECTION WILL BE INTRODUCED FOR THE SECOND VERSION OF THE SatanArt almanac albums, V2.0+. I will not be using it in the first versions, V1.0 or V1.1, of the SatanArt almanacs, reserving it for later, for the commercial publication of the books, as bonus content.

Books, grimoires, and the art of Gay-Satanism are available on the official website:
<https://666.pictures>

Each type of graphic material will contain up to 100 drawings, photographs, or decorative posters of Satanism and LGBTQ+. The vignette images serve as graphic decoration and a meaningful graphic supplement to the text³. The drawings of the decorative posters are the most laconic and symbolic design elements of SatanArt publications. Unlike the images in the album itself, all vignettes and drawings of the decorative posters are provided without descriptions. For the vignettes, I will use simple, decorative, and self-explanatory images, for which the Antichrist's explanations are unnecessary, or you can create your own. Documentary photographs on the topic of gay Satanism will serve as a pleasant supplement to the main content of SatanArt issues, but will not be related to the main theme of the almanac. This will be bonus content to enhance the

mood of my readers—LGBTQ+ Satanists—and I plan to include them only in the "Significantly Supplemented and Improved" issues of SatanArt V 2.0.+.

The Antichrist Slut Sodomia has posted some albums of the Puritan editions of the gay Satanist almanac SatanArt (Nos. 1-30, Puritan albums, Version 1) on public Internet platforms as free e-books in PDF format. However, not every issue of the gay Satanist almanac SatanArt is available free of charge in high quality or in full. All issues of SatanArt almanacs are sold on gay Satanist online stores as digital ZIP archives. The ZIP archive includes the original files in DOCX and PDF formats, plus individual images from the collection in JPG, PNG, and WEBP formats, all in high quality. You can find SatanArt almanacs from the Antichrist Slut Sodomia using search engines such as Google, Bing, and DuckDuckGo. The digital store for gay Satanist publications operates on the principle of absolute buyer honesty, i.e., The buyer receives the goods first and only then pays with cryptocurrency. This is rare in the modern world. Complete versions of the "Gay Lust" grimoire, for reading or publishing in paper form, are also available for purchase on the Gay Satanism Store website. To publish books and almanacs in paper form, you will need the source files, in DOCX format, for layout and for correcting minor grammatical, syntactic, and other technical errors.

**THE PRINCIPLE OF RECEIVING A DIGITAL EDITION FROM THE
GAY SATANISM STORE:**

FIRST THE GOODS, THEN THE PAYMENT!

**IF YOU'RE SATISFIED WITH YOUR ALMANACS, BOOKS,
AND ALBUMS ON GAY SATANISM, PAY FOR THEM AFTER
RECEIVING THEM AT [HTTPS://666.PICTURES](https://666.pictures).**

**THE DOCTRINE OF ABSOLUTE HONESTY OF BUYERS
BY THE ANTICHRIST SLUT SODOMIA.**

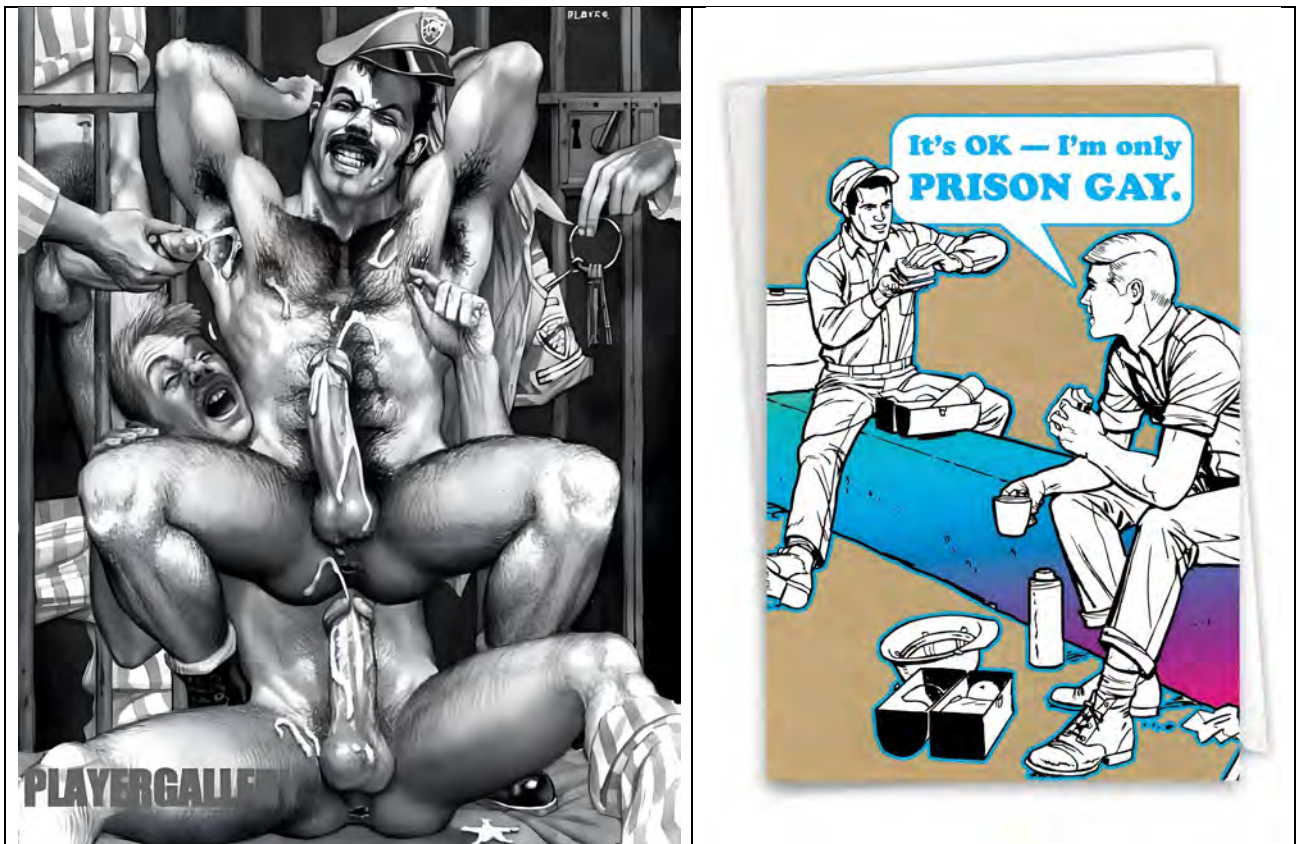

The renaming of the "Gay Satanist Art Magazine" to the "Gay Satanist Art Almanac" was done because this form of literary work better reflects the essence of SatanArt publications:

1. Each SatanArt issue is dedicated to a specific theme, which is more similar to literary almanacs than to almanacs. The Antichrist has outlined many different themes for SatanArt almanacs to cover. The one that connects them all is gay Satanism. All almanacs are divided into PURITAN issues and SEXY issues. This choice is based on the issue's theme and illustrations. Puritan almanacs will not contain pornography or explicit erotica. Such e-books can be posted on many public Web 2.0 sites⁴.
2. SatanArt is not published regularly, but I hope it will be more than once a year. I plan to publish 6-12 almanacs per year.

⁴ https://en.wikipedia.org/wiki/Web_2.0 Wikipedia. Web 2.0 = Websites that emphasize user-generated content.

The second change concerns the free distribution of the first versions of new SatanArt almanacs. There will be a free version and a commercial version of SatanArt, in PDF format. The differences between the free NON-COMMERCIAL version of the new SatanArt almanacs and the COMMERCIAL version are as follows:

1. All first versions of new SatanArt almanacs will be distributed free of charge online, so that anyone can access them without payment. Free SEXY versions of SatanArt cannot be posted on every public online platform, as pornographic/erotic books are prohibited on many public Web 2.0 websites. Please keep this in mind (the Antichrist doesn't like the puritanical rules of site owners, but these are their sites, therefore their rules).
2. The preface in the free version of the SatanArt almanac will be limited to 3-5 pages of topic description. In the commercial version, which I call the SECOND VERSION, the preface will be expanded and expanded six to ten times, turning the almanac into a book. The second version of the Gay Satanism publications is an improved and expanded version of the first version and is the COMMERCIAL VERSION of the Gay Satanism publications. It can be purchased in Gay Satanism stores.
3. The Antichrist will only make available free PDF versions of SatanArt, which have compressed images, a loss of image quality, and are suitable for viewing on a monitor or mobile device, but not for high-quality printing. These will be SMALL FREE versions of the almanacs. These small PDF versions are approximately three to five times smaller than their commercial counterparts in maximum quality.
4. Paid versions of the SatanArt almanacs will be available in maximum quality, in DOCX, PDF, EPUB, and DVJU formats, and will be sold for a fee on Gay Satanism stores. These COMMERCIAL editions are intended for publication on paper, in print, or for collectors of high-quality e-books.

Commercial versions of Gay Satanism books and almanacs will be sold in the Antichrist Slut Sodomia stores. This is my plan to monetize my literary work on Gay Satanism. The Gay Satanism digital edition store accepts cryptocurrency payments, but payments can also be made by traditional bank card through reliable cryptocurrency wallets or reputable cryptocurrency exchanges. More information about cryptocurrency and its importance can be found at the end of SatanArt almanac from the Antichrist Slut Sodomia. Cryptocurrency

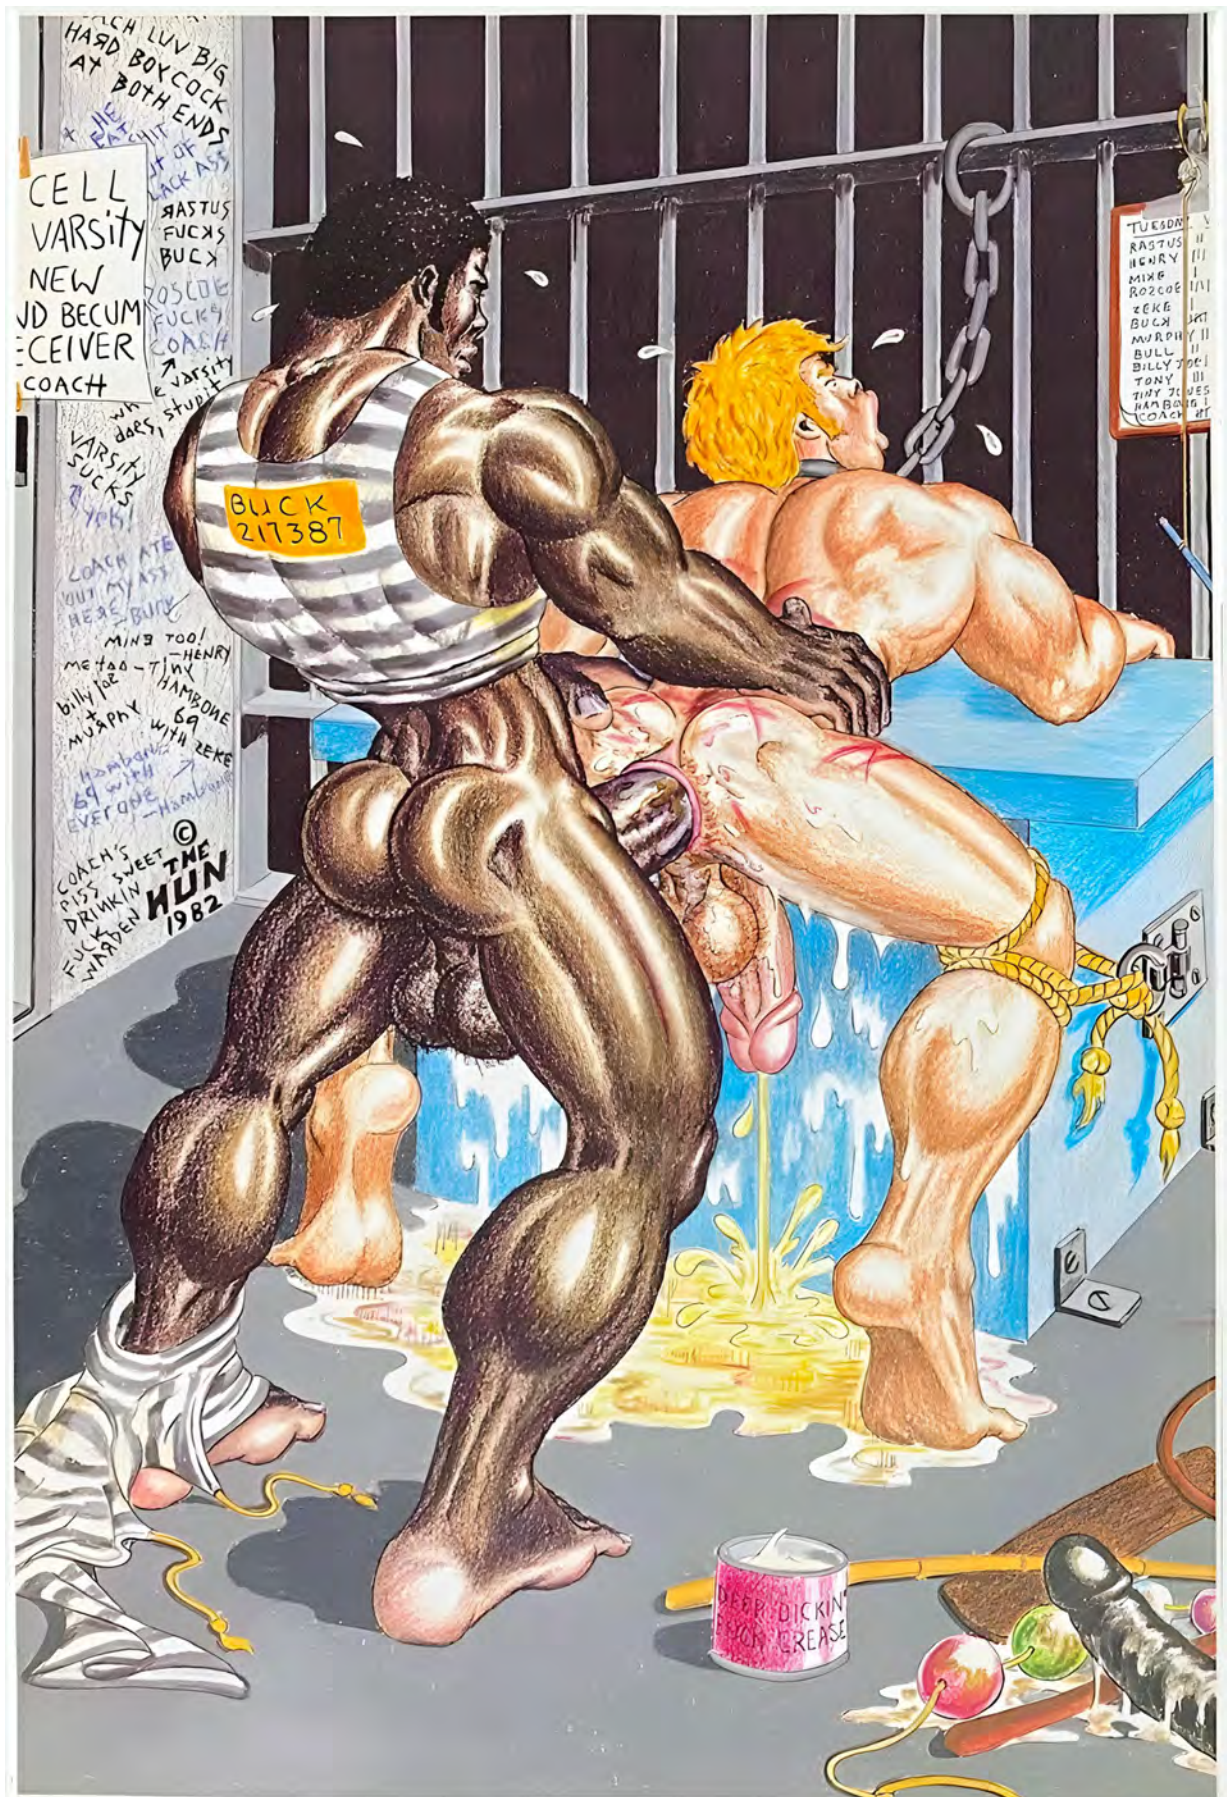

is the future! If you haven't yet started using cryptocurrency, start as soon as possible, for example by purchasing e-books of the Antichrist Slut Sodomia.

This almanac about gay Satanism is a "sexual publication," meaning it contains explicit erotic and pornographic scenes in the form of animated images. This genre is a favorite of the Antichrist Slut Sodomia, but not all puritanical and prudish websites with public WEB 2.0 access permit the publication of this e-book on their websites.

Picture 4423. "Detention" ("Detention-arrest"). Group gay intercourse somewhere in a police station.

Picture 4424. An active man and a young, passive pussy. Prison love and the education of a young faggot. For many young gay men, cultivating their image of a satanic whore is precisely what is needed, even though many are already experienced anal prostitutes or fisting passives.

Picture 4429. Young effeminate boys and skinny bitches replace fucking CIS women in prison.

Picture 4430. Sodomy is a common practice in prison. For a passive homosexual, anal insemination brings the same joy as ejaculating into a rectum for an active gay man.

Picture 4431. Artist Julius draws prison sex scenes, usually in the father-son style, where the older gay man fucks the younger man. It's a classic of gay pornography and sexuality.

Picture 4432. The police take the guy to their "police station" to be raped.

Picture 4433. Artist Michael Kirwan draws European chavs and various sexual encounters with them. Of course, scenes of police rape appear in this artist's work. This is logical.

Picture 4460. A gay scene in a prison shower. Light erotic homosexual flirtation.

Picture 4461. Quasi-prison gay sex with various secretions. Oral sex with a rapist. The scene could be performed not only in prison but also in a gay club. However, the chains, walls, and boots suggest a prison or military setting more than a gay club.

Picture 4462. Prison sexual sadism. Many passive gay men don't like this kind of sadism, so please keep that in mind.

Picture 4467. A faggot's ass and a leader's dick have found each other. A quasi-prison abstract scene of gay Satanism.

Picture 4468. "The ring jingled in the metal detector." A scene involving airport security, a common occurrence in practice. Modern airport regulations subject people to screening for various metal objects, strange items, and prohibited items and substances. This humiliating procedure can be witnessed at airports around the world.

Picture 4472. Gay prison sexual romance.

Picture 4473. This doesn't look like rape, but more like intercourse after a long break. Perhaps the passive partner was kept in solitary confinement for a week and then brought back, where the active partner is already waiting for his cunt to cum.

Picture 4474. The active partner pees in the passive partner's ass to clean out the colon. A prison enema becomes part of the sex act for the passive partner. Urine cleanses the rectum well. Permaculture gay sex,

Picture 4475. An active man has pumped himself up with physical exercise and dreams of a gentle, passive boy who is waiting for him behind the prison fence "on the outside". The artist is not specified, but presumably it is either Pan Hanks (80%) or Josman (20% probability IMHO).

There's not much information about the gay Satanist artist Josman. I couldn't find an official website dedicated to him online. Josman is a British cartoonist who publishes his work in Handjobs Magazine, which caters to readers' fantasies of adult-on-young-boy romances. Josman is a very talented and experienced cartoonist. He usually depicts romantic relationships between family members, which I find a bit unsettling. But I was struck by how he depicts these scenes. Josman borrows his style from American superhero cartoonists. The 2002 online release of "My Wild & Raunchy Son" instantly made Josman a sensation among fans of adult gay comics, and over the next three years, his work appeared regularly in Handjobs Magazine, which also used the artist to illustrate several of its Bedtime Reader special issues. This book collects all of Josman's work to date. There are several comics and short stories with illustrations. If you enjoy comics, this might be a good choice for you. Josman's drawings feature scenes of incest and other taboo themes. Adult websites Nightcharm and Tommyhawk's Fantasy World have also used his work to illustrate their erotic stories.

Picture 4478. A hairy Caucasian man fucks a smooth black man in a prison cell. Interracial prison sex is common in the US and other countries with a post-colonial legacy of forced migrants (often slaves). Artist: The HUN.

The Hun (born Bill Schmeling, b. 1954 d. 1990, American), was an artist known for his explicit, homoerotic fetish illustrations and comics. The Hun began producing work in the 1960s, creating work for Physique Pictorial and other beefcake magazines, initially under the artist's name Torro. The Hun had a wonderfully rich relationship with Tom during the 1980s when they lived in Los Angeles, CA. They set up artist salons in each of their homes, and it was a wonderful coming together, full of sharing their practices and their own life experiences. Later after Tom had passed, Tom of Finland Company proceeded with a book on a collection of The Hun's works, The Hun Book. In 2002, The Hun was inducted into Tom of Finland Foundation's Artist Hall of Fame.

Picture 4480. A Turkish prison at sea on a ship (IMHO). They're transporting white prostitutes to the padishah's house.

Picture 4481. White whores were brought to the padishah's house for fun and sex, A quasi-prison gay story. Artist Etienne (Dom Orejudos, Aka Etienne).

Domingo Francisco Juan Esteban "Dom" Orejudos, Secundo (1933-1991), known as Etienne or Stephen, is a truly iconic figure in the gay community. An openly gay artist and virtuoso ballet dancer, Orejudos founded numerous important gay institutions, such as the Gold Coast bar, Man's Country Baths, the international Mr. Leather competition, and a number of gay magazines, such as *Triumph*, *Rawhide*, and *Mars*. Orejudos was born in Chicago and attended McKinley High School. Even then, he was a talented and enthusiastic artist, expressing himself in many arts. He was a violinist in the school orchestra and also concertmaster of the All-Chicago High School Orchestra. In addition to music, he competed on the local gymnastics team. At sixteen, Orejudos joined the Illinois Ballet Company after training at the Ellis-Duboulet Ballet School. In the late 1940s, he became a student at the Art Institute of Chicago but dropped out after one semester, disillusioned with the instructors' approach. Domingo Orejudos, or Dom, is known for his work depicting the male body in all its leather glory, displaying heroic proportions—creating fantasies of dominance and submission that most leather enthusiasts struggle to remember, memorize, and, of course, never forget. Dom's personal and business partnership with Chuck Renslow (Chuck Renslow, Leather Hall of Fame inductee, 2009) has influenced the history of leatherwear through the creation of Kris Studios, Gold Coast Bar, Man's Country, and International Mr. Leather.

Picture 4482. A police officer is having sex with a prisoner. One of the prisoners, number 777, looks on at the scene. Artist Etienne (Dom Orejudos, Aka Etienne).

Etienne was an acclaimed Emmy Award-winning ballet dancer and choreographer, as well as a writer and illustrator of semen-stained S/M books. He was willing to do anything, living the life of a leather enthusiast, and through his art—under the pseudonyms Etienne and Stephen—he elevated it to new heights. Etienne was of Italian and Filipino descent. In 1987, while on a delegation to China and Tibet, he contracted pneumonia. After a long battle with AIDS, he died at his home in Boulder, Colorado, in 1991 at the age of 58. He is survived by his brother, Gill Orejudos, and partners Chuck Renslow and Bob Juhnke.

In 1991, as he lay dying, Etienne's last words to Chuck Renslow were, "Well, I don't have much longer to live." And yet, for tens of thousands of men, the sexual power of his pictorial fantasies continues to excite and capture their imaginations. Domingo, Dom, Etienne, Stephen Orejudos: his life and what he created with it triumphantly manifests itself in the vibrant moments he continues to inspire. To paraphrase his words to Chuck Renslow when they decided to open Gold Coast, he didn't just paint it, he lived it—and through his artwork, we too are invited to experience the artist's own spirituality.

Picture 4483. Young gay police officers make out in front of a prison cell. Artist: SakimiChan.

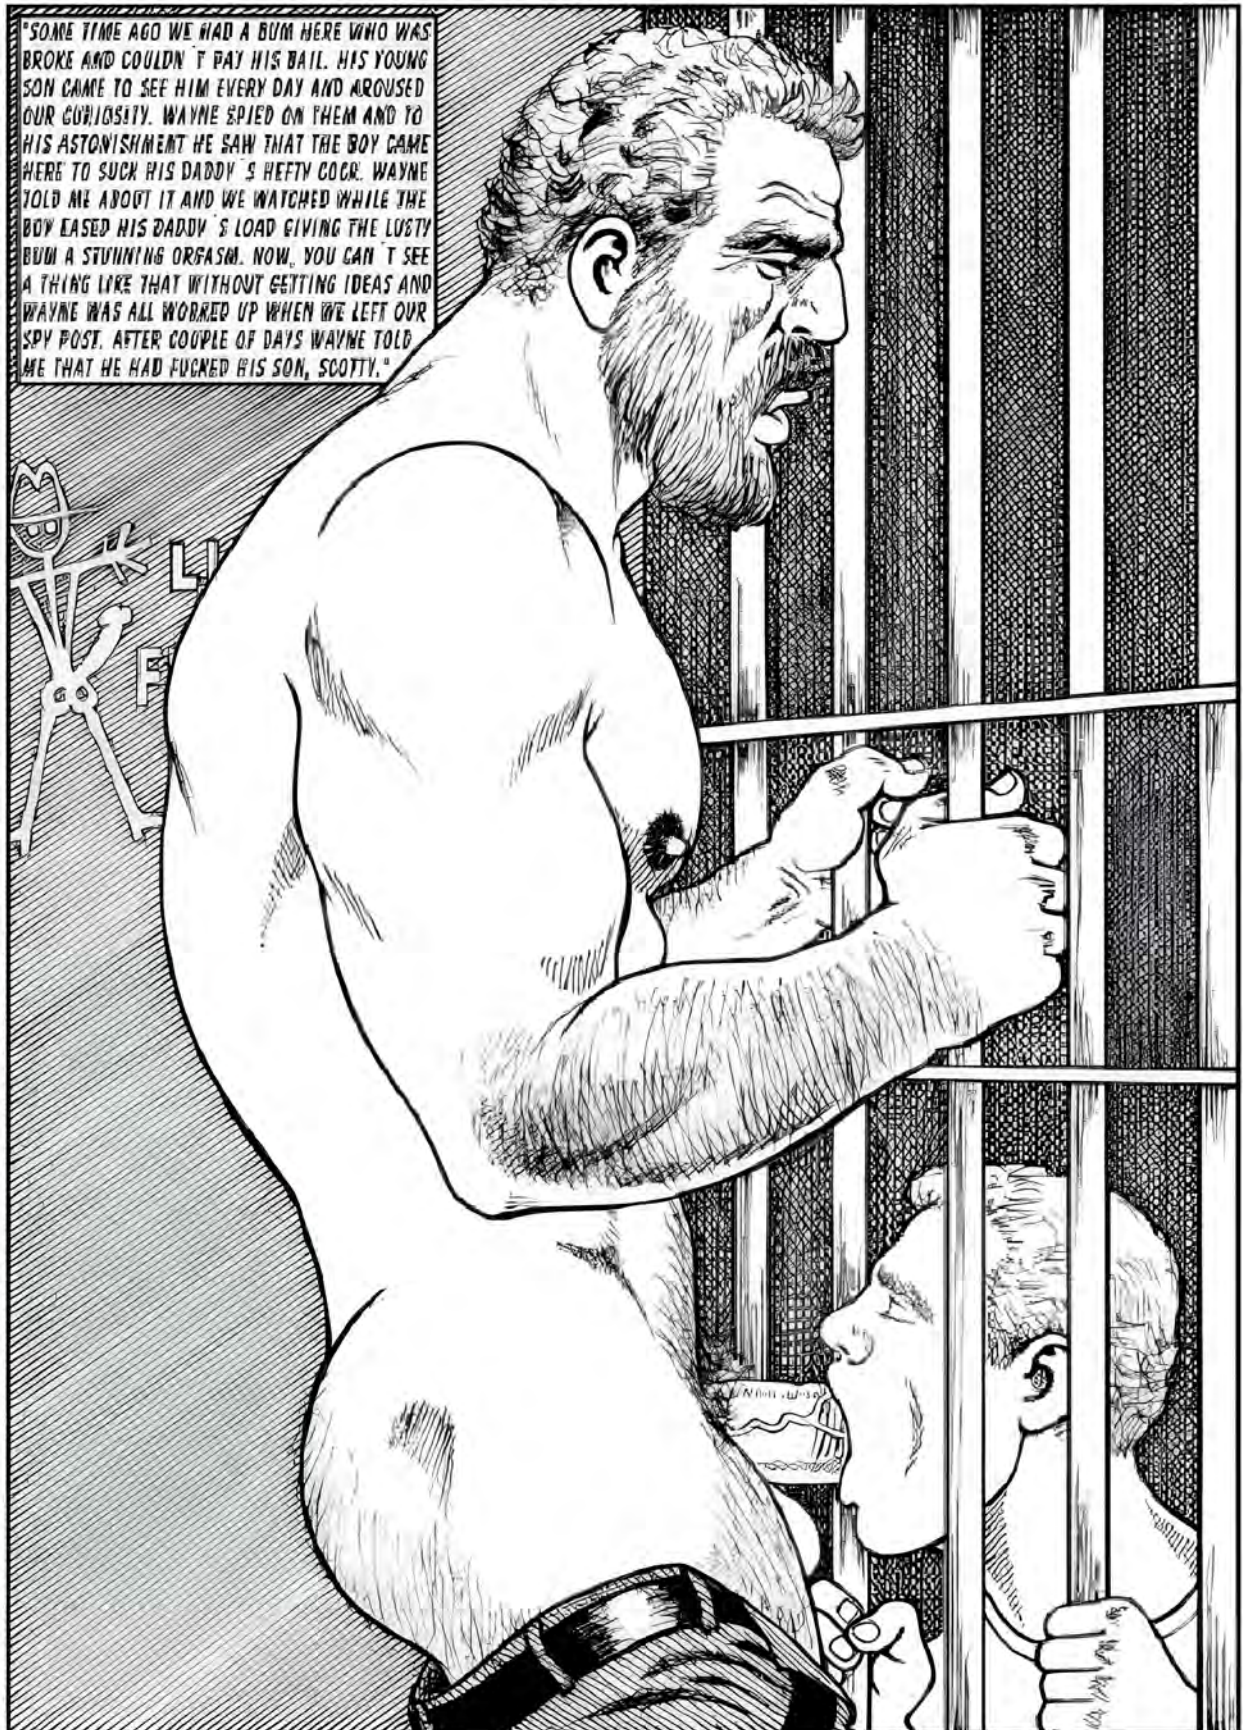

An interesting aspect of prison and police gay sex is that it can involve not only inmates but also the regime's guards. Yes, police officers and prison guards are people too. They can be gay and LGBTQ+. If these people protected our world from evil, scoundrels, psychopaths, and the mentally and spiritually ill, dangerous individuals, the Antichrist would honor them. Unfortunately, so-called "law enforcement officers" protect the evil regime from retribution—that's their primary job. It's not just criminals who are imprisoned, but people who go against the system. The guards themselves share the same building with the forced masochists against whom their "labor sadism" is directed. The sadists of the system and the masochists of the system are in close contact with each other, although the forced masochists don't want such contact. And the sadists hunt people as prey. Moreover, they justify their hunting with the laws of the organized crime group SOCG. It's very convenient for them, but it's no excuse for Satanism.

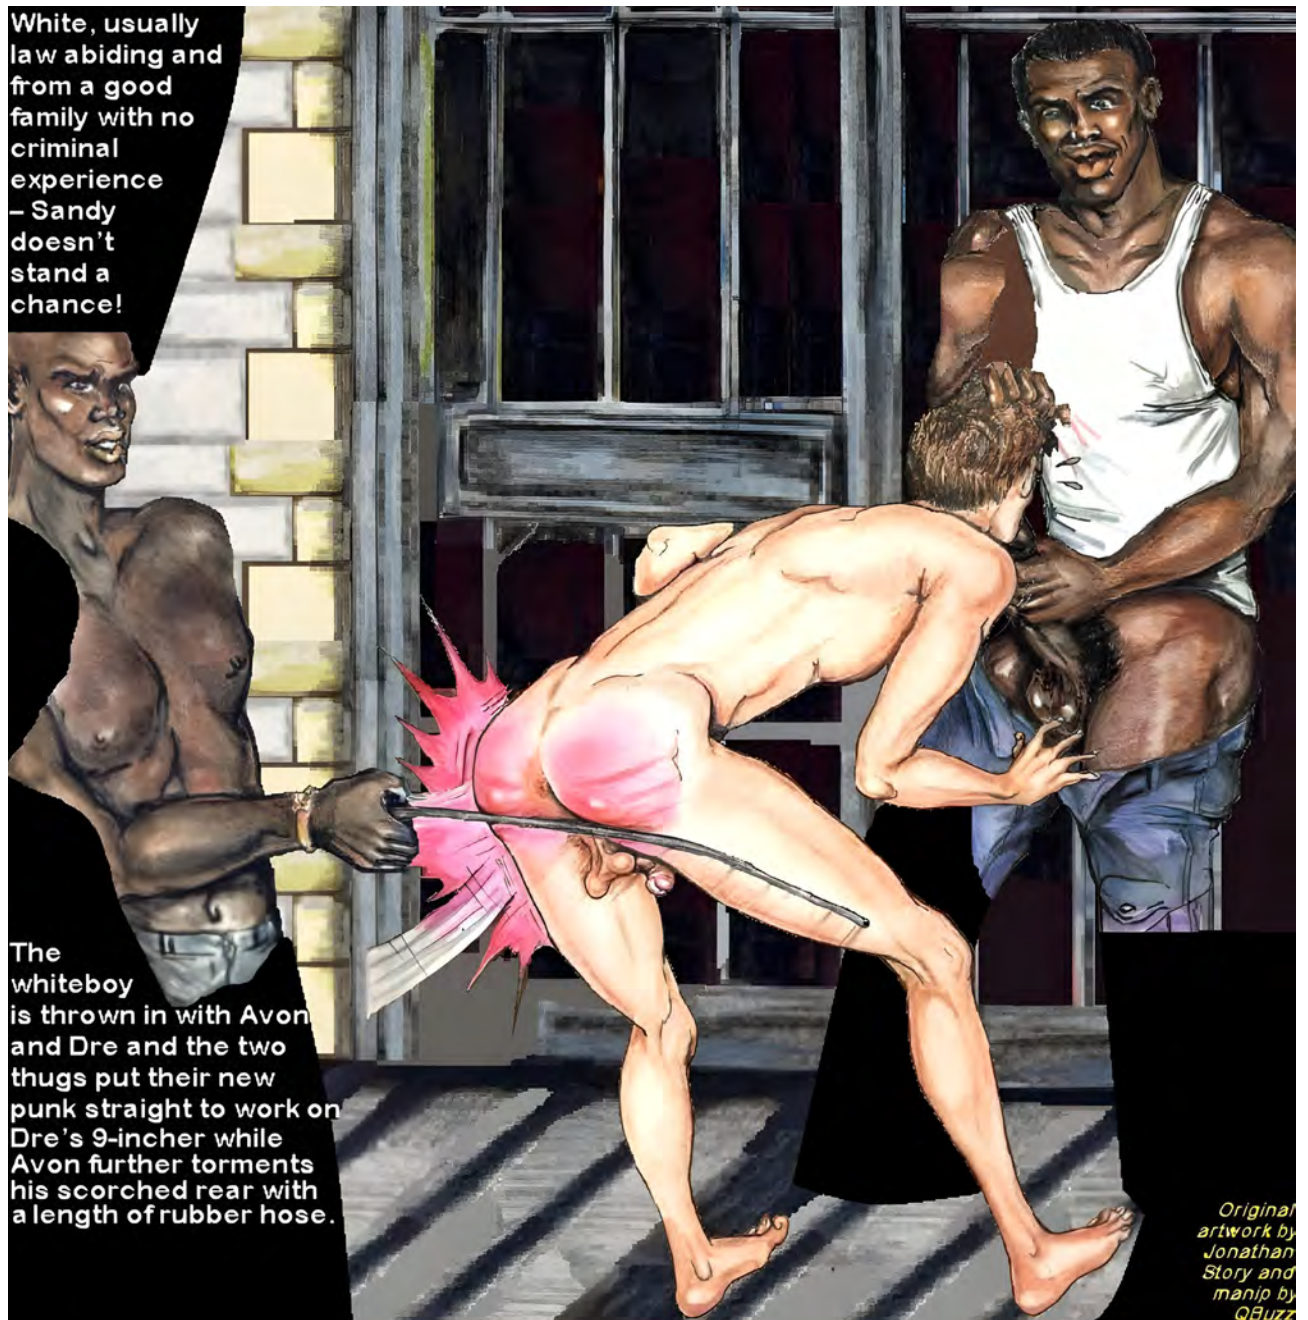

Picture 4484. Prison BDSM with a whip. Sadists whip a masochist. If this is a torture scene, then it is essentially the creation and perpetration of evil. Gay Satanism against evil is its core quality.

Picture 4499. Some gay men who particularly enjoy sadism and masochism simulate prison conditions at home. Here, they can indulge their BDSM fantasies, including those involving prison gay sadism. Everyone involved experiences pleasure.

Picture 4500. A young homosexual awaits gang rape in prison. The boy is tied to a bed so the men can fuck his ass and inseminate his rectum. After a year in prison, the boy will allow himself to be raped voluntarily and joyfully. He will understand that receiving sperm and getting fucked is wonderful, even in a gang-rape prison.

INFORMATION ABOUT THE SATANART GAY SATANISM VISUAL ART ALBUMS-ALMANACS AND GAY SATANISM

KEY THESES FOR UNDERSTANDING SATANIC IMAGES IN ART

Gay Satanism is not a religion or a sect. Gay Satanism is the spiritualization of man by Satan. This term has another meaning. Gay Satanism is a creative direction of the artistic genre created and developed by the Antichrist Slut Sodomia. I do not want gay Satanism to become a religion, but I want it to become a fan movement for the liberation of one's own consciousness from the shackles of the evil of our world. Under the auspices of Satan, with the Antichrist Slut Sodomia incarnate. Gay Satanism is for all people spiritualized by Satan. Not only for gays and people of homosexual orientation. All people spiritualized by Satan are disciples of our Teacher Satan. We are all Satanists. The difference between Satanism and religion of evil is that it is an individual spiritualization. Mass demonstrations under the guise of Satanism are impossible, because Satanists are introverts. Fake Satanists of the future will gather herd gatherings of pseudo-Satanists (football fans, music fans, fans of the SOCG⁵ or religion). A meeting of real Satanists is a sexual orgy or a sabbath of unity with nature in the nude. Other

types of mass demonstrations of belonging to Satanism are fiction and a parody of Satanism.

Satan is good. Satan is the Tamer of evil. Satan is revenge for evil in our world. Satan is Joy, Pleasure and Happiness. For the evil forces of our world, Satan is the main enemy. Satan is an image in the consciousness of man and a mystical experience of connection with the spirits of another dimension, which is called Hell.

⁵ SOCG is an acronym that stands for the true meaning of state. State Organized Crime Group. The term was coined by Antichrist Slut Sodomia for the Gay-Satanism grimoire "Gay Lust".

For Satanists, Hell is their home. Connection with the spirit of Satan occurs at the quantum level. Modern science already studies and uses the quantum level for applied tasks. Satan is the main spirit of Hell, the Lord of critters, the Teacher of Satanists. Satan is not a god. Satan is the Spiritualizer, the source of black magic, the Alpha and Omega. Satan is the Adversary of evil and the Accuser of evil. Satan is the Father of all Satanists. Lilith is the Mother of all Satanists. Satan and Lilith are the sources of Satanic lust for all their Satanist children. Satan is the internal spiritualization of a Satanist, and not dogmas, sermons of priests or religious books. At the same time, Satanism does not deny the importance of biological parents.

Satan, Lucifer, and the Devil are one and the same image, phenomenon, and concept. They are not different characters, but a single sovereign being. The Devil is a collective term for all the images and forms of our Teacher Satan-Lucifer. Christians imagine the "fight against Satan and Satanism" as a harmless, masochistic torture, but they are mistaken. For them, Satan is a sadist. Only for Satanists is Satan a masochist, and the name of this form of Satan is Lucifer. Lucifer is the Devil in the form of a masochist, and Satan is the Devil in the form of a sadist. Lucifer is the historical form of the Devil, when His Spirit hovered over the Earth and evil had not yet bound the Earth with its fascism, evil gods, and their servants—religious sects with the SOCG. After evil took over our planet Earth, Lucifer was rejected by the evil creatures of our world, i.e., by the majority of people in our world who are not Satanists. Lucifer left our world in a clearly "public" form and moved to his abode, which is called Hell. Lucifer-Satan left behind a magical shield against the evil of our world, and this shield is called the Black Magic of Satanism.

I will refer to Hell with a capital H (Hell), as a proper noun, as the Hell in a parallel dimension ruled by Satan-Lucifer. Creatures enter Hell, with a capital H, after their physical death. Capitalizing the word Hell indicates life after death in another quantum reality, beyond our world.

Hell, with a lowercase h (Hell), as a common noun, I will refer to the existence of people in our world. In our overpopulated world, superimposed creatures suffer from evil, overcrowding, and their "superfluous" existence in our world. In hell, with a lowercase h, creatures live on planet Earth. The rulers of hell in Our world are the villains of the SOCG, billions of inanimate creatures, and religious sects. The absence of the Spirit of Lucifer-Satan in people fills them with evil. Paradise cannot exist where evil abounds and creatures without Satanic inspiration predominate. All creatures deprived of Lucifer's inspiration spread evil and give birth to evil.

Paradise is a place that humanity desires and wishes to build on Earth, in our world. Such a place already existed, but it was destroyed by evil. The word can be written with any letter, but it is best capitalized, because it is a specific goal and a specific place (we already recognize it). The contours of Paradise are clear to us, even if this place does not yet exist or has not been rediscovered. Paradise is a place on earth where there is no overcrowding, where people live in harmony with nature, where there are no organized crime groups, gangs, or fascism, and where most people are inspired by Lucifer. The key to creating Paradise is victory over the forces of evil. Such victory is possible only through receiving Satanic inspiration. The spirits of Hell bestow their inspiration on animal-humans. To accelerate the process of becoming inspired by Lucifer, one should take beneficial entheogens and psychedelics. These substances are non-addictive and strengthen human health and mental faculties. One of the goals of Gay Satanism is the return of Paradise to Earth, the restoration of Lucifer-Satan's good name, and the return of the Spirit of Lucifer-Satan to the throne of our world. The main opponents of Paradise and Lucifer are religions, evil spirits and their organized crime groups, fascists and their organized crime groups.

Lucifer is Satan, until evil took over our world, our earth (planet Earth), and expelled Lucifer from Paradise. God is evil, but the bearers of evil are superfluous, inanimate creatures. God is an abstraction of evil and its canon, but human beings with evil within are real objects in our world (called people or nations).

Darkness, the abyss - this is the world of soulless critters, their states, their stupidity. This is the occupation of planet Earth by usurpers of power in the form of the SOCG. This is the image of the evil of our world. In some cases, they mean the opposite, because it is the evil of darkness that gives birth to Hell, vengeance and Satanists. "Children of darkness" in this case mean Satanists. Also, the image of darkness can mean Hell for the forces of evil.

Light is Satan-Lucifer. Light is Satanism and Satanic spiritualization, bringing man closer to nature. This is liberation from the shackles of evil and this is the image of freedom. This is the image of the Tamer of evil in our world and in Hell.

Sadness, sorrow, regret - this is an indication of the understanding that evil has embraced the whole world and the Satanist has to live in our world, under the yoke of evil. The main sources of evil are: crowds of inanimate critters, SOCG. This definition of the term is specifically for Satanism and for Satanists. Also, these images can mean ordinary human emotions in relation to people.

Vengeance - this image is important for all Satanists. Revenge on evil in our world and in Hell. Inanimate critters, activists of the SOCG, deceivers of religions and other evil will certainly be subjected to revenge and information entropy.

Return of the land and return of freedom to people - this image is important for all Satanists. It means the overthrow of all SOCG and religions, cleansing the earth from inanimate critters, from their stupid and senseless evil. This is the image of cleansing the planet Earth from states and their totalitarianism.

Night is the image of the fact that a Satanist in the world of evil in our world, goes practically by touch. The light for him in the night is his Satanic spiritualization. Darkness thickens at night and light is needed most of all at night. The term night is similar to the term darkness, but does not mean evil itself, but uncertainty and difficulty in orienting oneself, acting, living without light. Lost, abandoned and forsaken - this image in Satanism means that Satanists are no longer in Hell and that Satan and the forces of Hell are not directly accessible to them. Only through Satanic spiritualization. It also means that in our world Satanists do not have their own magic for the instant destruction of evil, as in Hell, in Satan's dimension.

Religion is a dogma of worship of lies and evil. Religion is a substitution of true spiritualization by Satan for critters. All evil critters are deprived of spiritualization by Satan, therefore they replace Satanic spiritualization with God and religion. Religion is a sect, a community for critters for whom herd mentality is important.

God is the canon of evil, an example of a despotic, theocratic idol of evil. God does only evil and God is evil, even because he deprives man of true spiritualization by Satan, i.e. the true Holy Spirit. There have been many gods in the history of the human species. All gods of religion are united by malice, connection with the state and with the leaders of the SOCG.

Antichrist is a common noun, not a proper name. It is written with a capital letter, like the word Satan. The concept of Antichrist means the development of a high degree of Satanism in the consciousness of a person. The term Antichrist also means a Satanist who is close to Satan and the forces of Hell and has a high power of black magic. A synonym for the word Antichrist is the expression Great Magician of Satan.

Satanism is the spiritualization of people by Satan or other demons of Hell. Satanism can also be considered as a philosophical concept that opposes theocratic dogma and the state machine of lies, violence, prohibitions, imputed duties to evil, herd behavior. The main difference between Satanism and religion or other philosophical concepts is that the spiritualization of a person by Satan and the forces of Hell occurs from another dimension at the quantum level. Therefore, Satanism is an internal part of human consciousness, and not imposed dogmas of our world through the media, culture, propaganda, morality, prohibitions or

education. Satan's enlightenment comes to a person at birth or develops consciously, in later life. Satanism opposes the evil of our world and the lies of our world.

Satanic lust is a developed and perverted sexual attraction, a constant desire to have sex, a desire to corrupt oneself and others to free oneself from the prohibitions of evil. Satanic lust is not just a sexual feeling, but a special Satanic practice for knowing oneself, getting closer to Satan, and liberating oneself on an animal level. The peculiarity of Satanic lust (especially gay lust) is that Satanic sex is not aimed at procreation or at making new human offspring. Satanic lust is always aimed at receiving pleasure or for tantric meditation. Of course, Satanists can make children if necessary.

A Satanist is a person who has Satanic inspiration. Many clues about the lies of evil are given to the Satanist not only by the inner critical thinking, but also by the mental connection with Satan and the forces of hell. Satanic spirituality often gives the Satanist a feeling of introversion and individualism. Satanists and gays are always proud of their personal spirituality or the achievements of their spouse. Satanists and gays are proud of their Satanic spirituality and perverted lust. Satanists are proud of Satan.

An unilluminated (unenlightened) critter is a person deprived of spirituality. This is a zombie and a cog in the evil system. Inanimate critters are accomplices and assistants of evil. Unilluminated critters prevent Satanists and the entire human race from living happily, receiving spirituality from Satan. Inanimate critters love herd mentality and submission. They cannot live without territorial oppressors, enslavers and false information of evil. Such people make up more than 90% of the population of planet Earth. These people have instincts of survival and adaptation. These people have no connection with Satan or with the External Information Field of the level of awareness. Critters can be called a biological shell or imitation of real people. Critters always choose evil, herd mentality, conformism and speak in templates from media propaganda or voice the dogmas of religion.

The state is an evil system that has divided the entire world into territorial zones of influence and terrorizes people with its prohibitions, oppresses with prisons and physical violence, creates conflicts between criminal gangs and plunges people into wars between criminal gangs. The state is the main source of evil. The state is a materialistic sect with its dogmas, rules of conduct and a system of oppression of the individual. The state = international military criminal groups = occupiers of the lands of the Satanists = criminal gangs = SOCG.

Fascism is a form of social organization expressed by discrimination by the state against its own citizens, that is, under fascism the supremacy of the state over the individual is recognized. Fascism is a state. Fascism is a state vertical of power, a structure of power and the people who participate in it. A strong state = a fascist totalitarian regime. The word comes from the Italian fascismo, fascio - union, bundle, bunch, unification; fascio di combattimento - union of struggle. Fascism is also an ideology and a socio-political movement within the framework of authoritarian or totalitarian militaristic ultra-nationalism and a corresponding dictatorial regime with strict regulation of society and economy. All states strive to regulate everything and on any issue. To do this, they constantly spew out different laws from their cesspools. All states are fascist territorial sects with their own ideology, rules and methods of oppressing the individual. Fascism is a system of evil, in which a small group of people believes that they can dispose of other people, command people, deceive people through the lies of propaganda and the laws of submission to evil established by fascism. All SOCGs are fascist and their goal is material enrichment, social intraspecific elevation above other individuals of the human species and the possibility of oppressing people by psychopaths. All fascisms are built on the principle of SOCG. Real spiritual Satanists hate fascists, do not celebrate their fictitious holidays and try not to submit to this evil.

Fascists, officials, bureaucrats are the evil of the human species, in suits or other costumed special clothing, who work for fascism or profess the principles of fascism. These critters will receive such a reprisal in Hell that they will be ready to give all the money of our world to avoid entropy and retribution of the forces of

Hell. But, it will be too late. Fascists, officials, bureaucrats of the SOCG, who are not economic-social-municipal employees of society, are criminals. Only a small part of the fascists are involved in improving the economic-social-municipal economy of people, and the majority of fascists are useless and harmful criminals.

The laws of the SOCG and other territorial fascist groups (local governments, prefectures, regions of the empire) are mandatory rules established by evil for people, with the aim of realizing the goals of fascism. All SOCG and fascist communities have their own laws to regulate behavior in the territories occupied by fascism. Satanists understand that the laws of evil are created for inanimate critters, with the aim of their subjugation, stupefaction and material use.

The positive activity of organized territorial entities is the organized management of communal services that is useful for the society of people, the development of the infrastructure of the society of people, maintaining the cleanliness of the territory and other social actions that are useful for the life of people, on the part of economic and communal local governments, prefectures, regional centers of territorial management. This is not a state, not an empire and not fascism. The Antichrist Slut Sodomia supports such activities and does not consider economic management to be fascism or evil. Currently, most territorial administrations support the fascism of the SOCG and are part of it. In a (future) society without the SOCG, the activities of organized territorial entities should be only economic and auxiliary, without politics, propaganda, religion and criminal concentration of power.

A patriot is an active fascist or active Nazi of his SOCG. A patriot is a person stupefied by propaganda who believes that his SOCG is better than another SOCG and he, as a member of this SOCG or a nationality within the SOCG, must do something for his SOCG in a selfless desire. A patriot is a slave of the SOCG. It is important for a patriot to be well proud of the greatness of his SOCG or the greatness of his Nazism. The pride of a patriot is always groundless, stupid and not aimed at pride in himself or his spouse. The pride of a patriot is always impersonal and is pride in the evil of the state regime that has seized the territory of the critter's habitation.

Patriotism is a person's smearing in the evil of pride in the fascism of a group of politicians or the Nazism of a certain SOCG or union of SOCG. Patriotism is a method of stupefying people, in which one SOCG exalts its importance in the eyes of people over another SOCG. Patriotism is belonging to a certain and evil group of lovers of local fascism, i.e. occupiers of the territory. Sometimes, the delirium of patriotism occurs at a distance (beyond the borders of one's SOCG) - then the patriot raves about the greatness of his SOCG, while being on the territory of another SOCG.

Propaganda is a constant, massive and avalanche-like lie of the SOCG about its greatness and its particularly outstanding character. The goal of propaganda is to make a person stop thinking critically and make him believe that he has a duty to the SOCG. For example, a duty to die in a war for the ideas of the SOCG, which are invented by the top of the ruling regime of this SOCG. Or a duty to obey the SOCG gang or a religious clan. Propaganda can be state and religious. In the world of the developed civilization of the white race, since the 19th century, the propaganda of the SOCG prevails over religious propaganda. Among the savages and religious fanatics of the damned peoples, religious propaganda still leads.

External Information Quantum Field (EIQF) is a general term for processes and structures in our world and other dimensions that are invisible to the human senses but exist at the level of information (quantum or even more complex types of interactions). The EIQF, Hell, Satan, human consciousness, the Internet—everything that exists consists of some kind of information, and they are interconnected informationally and mentally. Modern human science as of 2025 lacks the ability to describe and study the EIQF, but this does not mean it does not exist. Quantum science and quantum computers already exist, but this is only the beginning of an understanding of the EIQF. The EIQF is not the same as the gods of religions, the Internet database, electronic information on planet Earth, or a paradigm. Beneficial entheogens help one see, hear, and connect

to the External Information Quantum Field. They allow one to overcome the barrier of perception beyond the normal human senses. Some people can sense the External Information Quantum Field even without the aid of entheogens. The External Information Quantum Field most closely resembles a global multiverse, represented as a gigantic set of information and the algorithms for its interaction.

All that exists consists of information, our world consists of information. The interaction between multi-universes occurs at the quantum-information level, faster than the speed of light. The speed of light is extremely small, compared to the level of quantum interaction between parallel dimensions.

Black holes are passages between universes. No gross matter can overcome a black hole. Only quantum information can pass through them. Through black holes, our world is connected with the world of Satan, i.e. with Hell. A black hole is a quantum tunnel for spiritualization by Satan.

The damned are people or entire nations who rejected Satan or committed atrocities for which the black magic of Satanism was imposed on them. Damnation manifests itself as degradation, decline, physical or mental torment, mental pathological state of doom, constant lies, stupidity, lack of talent, dirt, complicity with evil, religiosity. Evil is a marker of damned critters, it is the absence or rejection of satanic spiritualization, these are the deeds of critters to degrade their spiritualization. Evil is always filled with stupidity and lack of talent from spiritualization by the External Information Field. Evil critters are inanimate (unenlightened) biological shells, which are characterized by religiosity and a craving for herd behavior, under the leadership of the SOCG. The state, religion and dark herds of evil, selfish, inanimate critters are the main forces of evil in our world. The God of religions is EVIL. His main difference from Satan is his dogmatism, not his natural spiritualization of man. God forbids, Satan permits.

A faggot, a pederast, a slut, a bitch, a passive bottom are slang names for passive gays in a perverted form. I use all of these forms and they are all grammatically correct because this is the language of gay lust. The faggots themselves love such words. They love to distort these words; they love when these words are pronounced with humiliation. Analogues of these words in English: faggot, fag, looser, slut, bottom slut. A gay slut is a passive faggot who is not necessarily an MTF trans, but usually has a desire to become one. The term slut can be used to refer to any passive gays. The traditional desires of sluts & bitches are the desire to be fucked in the ass. Bitches want to fill their anal cunt with sperm and absorb sperm into themselves.

Anal cunt, cloaca, gay cunt – all these words are synonyms and mean asshole, intestine and faggot lust during anal sex. Such sexual words are used for faggot copulations, to add piquancy, perversion and depravity to them. A faggot's cloaca is an organ with two functions: to remove feces and to receive sexual pleasure. I like these sexual terms.

LGBT or LGBTQ or LGBTQ+ or LGBTQIA+ is an abbreviation for the words "lesbian", "gay", "bisexual", "transgender", "queer", "intersex", "asexual", "Asexual/Aromantic/Agender", plus additional categories of unusual people, their unusual ideas and extravagant communities. The Grimoire of Gay Satanism uses the designation LGBTQ+ — a community of sexual minorities and perverts united by common interests, problems and goals. It consists of various communication groups, communities, subcultural movements, queer neighborhoods and queer organizations. All designations are equivalent. In the grimoire, I use the designation of the LGBT community with an additional letter Q and a plus sign. The letter Q stands for queers, and the plus in the name means that I also include feminists and all other people with non-standard views in the community: zoophiles, pedophiles, watermelon lovers 😊 and other perverts. I believe that feminists are close in spirit to LGBTQ+ and are part of it.

Queer is a collective term used to refer to a person whose sexuality and / or gender identity differs from the majority.

MTF transwomen and dickgirls are fully transitioned gay faggots who identify themselves as female with a male penis (in original form). Large female boobs are an optional attribute for MTF transsexuals. The abbreviation MTF stands for Male-To-Female transgender transition vector. Trans transition is very important for Satanism. Almost all MTF transsexuals are inspired by Satan and are Satanists. There are several levels of trans transition, which Slut Sodomia highlighted in her grimoire of gay Satanism, *Gay Lust*. For more information on penisgirls, read Slut Sodomia's *Grimoire of the Antichrist*.

CIS, Cisgender - these terms (cisgender is often shortened to CIS; sometimes cissexual) describe a person whose gender identity corresponds to the sex assigned at birth, i.e. a person who is not transgender. The prefix cis- is of Latin origin and means "on this side". The term "cisgender" was coined in 1994 as an antonym to the word "transgender" or "non-binary person" and entered dictionaries in 2015 as a result of changes in public discourse about gender. The term is an analogue of old-fashioned expressions from past centuries regarding sexual orientation and gender of people: (normal ordinary woman) = CIS woman and (normal ordinary man) = CIS man. At the moment, any gender and sexual orientation of people is recognized as "normal". Among the advanced peoples of white civilization, our world, sexually retarded savage people, homophobes and transphobes are recognized as abnormal. A synonym for this term can be the phrase NON-TRANS, and an antonym NON-BINARY or TRANS.

Entheogens are substances of plant, fungal, chemically synthesized, or animal origin that allow a connection with the "entheos," that is, with the inner divinity, with the "divine principle" (entheo + genesis). This is the same Greek root of the word theology, Zeus (teus, deus), enthusiasm (in theos, "one who lives in the divine"). Entheogens or psychedelic drugs such as lysergic acid diethylamide (LSD), DMT, marijuana, fly agaric, and psilocybin are associated with mystical experiences. At present, fascist drug laws limit their research. But major biomedical research centers have already found that entheogens predictably cause mystical experiences and, thus, allow us to study the state of the brain during these experiences. entheogens are not drugs because they not only do not escape from reality, but also bring you closer to it, and do not cause any physical tolerance, withdrawal or dependence; therefore, most of them are not illegal (ayahuasca, bufo alvarius, yopo, san pedro) and are used to deepen and deactivate from the very beginning the mechanisms and programs that interfere with our freedom and inner peace, leading us to self-knowledge and rediscovery of our true I-ego through connection with the External Information Field or with the Spirits-Demons of Hell.

ZooSex and ZooPhilia are the normal human desire to have sex like animals, imitating animals or with real animals (usually a large dog or horse). Man is an animal and there is nothing surprising in the desire to deepen his animal nature through transformation into an animal or through sexual intercourse with an animal. It is interesting that only a small number of people are involved with real animals, because it is difficult to organize. A significantly larger number of lovers of sex with animals prefer to fuck like animals or dress up and impersonate an animal. There is nothing wrong with this. Satan and Satanism approve of this, and the forces of evil prohibit or condemn it. Synonyms for the concepts of zoosex and zoophilia are such terms as bestiality and therianthropy. A light version of zoo-Satanism for children and adolescents is playing quadro-players, quadrobbers, furies, puppies without a pronounced sexual component. Zoophilia is equally loved by heterosexuals and homosexuals. Among gays and Satanists, there are not many lovers of animal sex, presumably up to 10% of the total gay population of planet Earth (a very rough estimate, for understanding. On farms this percentage is higher: 30%, in cities less). Most gays and Satanists prefer sex with people, without transforming into an animal. Zoophilia is not suitable for all people, but it is a good kind of Satanism. Zoophiles are part of the LGBTQ+ community.

Homophobia is a kind of sexual stupidity of critters, when they are surprised by the sexual freedom of LGBTQ+ people and are indignant about this freedom. Homophobia is a manifestation of hostile xenophobia to what critters are not able to understand, but under the influence of propaganda and religion are afraid of

this, because this is an unusual phenomenon for them. Homophobes are also opponents of zoosex and zoophilia. Homophobia manifests itself not only in the field of sex, but also in the freedom of thought of evil critters. As false reasons for banning LGBTQ+ communities, homophobic critters traditionally cite protection of children, an imaginary opportunity to become gay or lesbian when visually interacting with LGBTQ+, or trampling traditional values of heterosexuals - only in the pussy and never in the ass. In fact, the reason for the fear of evil critters before the LGBTQ+ community is much deeper, and concerns the fact that among sexually free people there are many Satanists. Satan and Satanists destroy the evil of critters in our world and after the physical death of homophobes, they will be driven to entropy in Hell by all the forces of Hell. On a subconscious level, evil knows this, therefore the LGBTQ+ community carries the light of Satan in itself and is a danger to evil.

An egregor is an informational-quantum biofield of a social phenomenon. An egregor can be defined as a cluster of quantum information, where objects are united and linked by algorithms of commonality of ideas or by their interactions. The word "egregor" denotes a mental unification of people based on a certain principle or similarity. Egregors are structures that unite people based on similar characteristics. For example, a territorial egregor unites people living in the same area, a linguistic egregor unites people speaking the same language, and a professional egregor unites people engaged in the same profession or activity. Surprisingly, when people work together, they accomplish tasks and achieve their goals much more easily, quickly, and productively. However, we can only work together with people who set the same goals, pursue similar objectives, and have a worldview similar to ours. By uniting with people who share our values, we not only gain confidence in ourselves, our abilities, and our intentions, but also activate our power, which begins to grow through the formation of an egregorial structure. The egregor of Satanism unites all Satanists, but this egregor has many branches, so it is not uniform. Many egregors are egregors of evil, including the state, religions, organized crime groups, fascism, and the vicious developmental patterns of nations, nationalities, and races. An egregor forms when the energetic complex of thoughts reaches a certain critical level. At this point, a kind of "tuning" begins to form—akin to an artificial intelligence program that controls this energy. An egregor cannot be considered a fully-fledged sentient being. It is more like a complex computer program capable of learning and changing its strategy. If necessary, such a program can be switched to "manual control"—that is, consciously controlled and reconfigured. Satanists practice Satanic black magic through their connection with Satan.

Satanic Black Magic is a method of altering the reality of our world and the world of Hell through quantum-informational influence on objects or egregors. Black magic operates only through Satanists or through adepts of the Left-Hand Path's spiritualization magicians. Adepts of the Right-Hand Path do not practice Black Magic; they practice White Magic. Ordinary people do not have the authority to alter reality through the Left-Hand Path or the Spirits of Hell. Ordinary people, and especially evil spirits, do not have the ability to perform Satanic Black Magic, yet they do. In this regard, Black Magic is similar to the informational influence of popular "celebrities" or "opinion leaders" on the masses in our world. Black Magic is not evil, but rather the opposite: it is aimed at eliminating evil or degrading it. The peculiarity of black magic is that it usually doesn't resolve issues of material wealth for the sorcerer or witch themselves. Conjuring money, wealth, and resolving various household and economic issues is much easier through material methods in our world than through black magic. The Antichrist Slut Sodomia, sees the primary use of black magic for himself in influencing egregors or certain evil individuals. A peculiarity of black magic is that it acts very slowly on current events and can affect many generations of a family. This is usually called a curse. Black magic is probably always processed by the EIQT or the Demons of Hell, which is why there is a quantum delay and inertia in the effects of this magic in our world. I don't know the exact principles of black magic. Its principle is based on the fact that everything consists of quantum information, and black magic is a method of making corrections and adjustments to the EIQT. This process takes time, and the authority, rage, and awareness of the Satanist are crucial factors for both the EIQT and Satan when performing Black Magic. Satanic Black Magic is aimed at destroying evil, so it

cannot be considered a bad thing. Black magic is like a bitter but useful pill to cure the human world from the forces of evil.

White magic is a part of Satanism in general. White magic is an ancient branch of esoteric Satanic practice, aimed at harmony, protection, and creation without harming others. Unlike Black Magic, White Magic does not harm evil and is based on harmony with the elements of nature. White magic can manifest itself as explanations of errors or enlightenment of others, through the revelation of the essence of our world, or as a sign of evil in our world. Not everyone can understand what constitutes evil in our world, but White Magic facilitates this. Evil has taken over all media and broadcasts its propaganda with enormous force. White Magic is a guiding magic for people who want to follow their own sovereign path and not collaborate with evil. White Magic explains to people what evil is and uses various beneficial entheogens and magical herbs to achieve this. White witches primarily specialize in herbalism and communion with nature through Satanist covens. The most well-known branch of White magic is Wicca, which is a branch of Satanism but recognizes only White magic.

For a more accurate transfer of meaning and for precise identification of terms, Slut Sodomia suggests calling gay faggots in English SLUT, and CIS girls with a female pussy to be called BITCH. That is exactly how I called these two different categories of Satanists in my grimoires and albums of gay Satanism. Now, I am fixing this name in the dictionary of terms of gay Satanism. In the plural, all passive gays and MTF/FTM trans are called SLUTS, and "classic" girls (heterosexuals, lesbians) are called BITCHES. This is not a dogma, but simply a proposal for the LGBTQ+ community and clarification of my own terminology. It is possible to call it the other way around: a faggot called a BITCH means that he has finally started thinking only about being raped in the ass, like a CIS Satanist woman. If a CIS woman calls herself a SLUT, it means that she is close in spirit to the faggots and cock-girls from the gay Satanist community.

SATANIC SYMBOLISM: RETHINKING SATANIC ART AND PHILOSOPHY OF THE CULTURE OF SATANISM.

Today, Satanic symbolism continues to evolve, adopted by various groups and movements, each interpreting it in its own unique way. Whether as a symbol of enlightenment and knowledge or a rebellious symbol of the fight against oppression, its historical trajectory testifies to the power of symbols to reflect and influence human thought and society. Understanding its evolution thus provides insight not only into the symbol itself, but also into the broader meaning of human existence and our incessant quest for meaning, identity, and autonomy. Far from being limited to the activities of specific groups such as the Church of Satan or the Satanic Temple in the United States, Satanic symbolism has permeated various aspects of contemporary political activism. It has become a tool for activists and political commentators seeking to challenge entrenched power structures and advocate for a more inclusive and egalitarian society. This symbolism, often associated with resistance to power and the protection of marginalized voices, resonates particularly with movements fighting for social justice,

freedom of expression, and secular governance.

At the present moment, in 2026, the entire world is overrun by fascist evil, and there is no place on planet Earth untouched by this plague, which propagandists call states. Satanism has always been opposed to evil, and the organized evil of the State of the Soviet Union (SOCG) is the most aggressive evil on a mass scale.

When the evil of the SOCG unites with religion, as in Russia (with Orthodoxy) or in Iran (with a Muslim sect), it leads to a synergy (amplification) of evil. The fusion of state and religion is the most brazen and disgusting evil. This type of fascism is the most widespread type of evil on our planet. Satanism is not powerful enough to defeat this evil, but through the development of the Satanic egregore, this may be possible in the future.

The symbolic use of Satanic imagery in politics is not simply about shock value or opposition. It reflects a deeper call for critical analysis of social norms and power dynamics. It encourages individuals and institutions to rethink their approaches to governance, policymaking, and public engagement, fostering a more critical and skeptical approach to traditional political narratives. Furthermore, the role of Satanic symbolism in political expression extends to its use in the artistic and cultural spheres, where it serves as a metaphor for resistance and empowerment. Artists and performers use this symbolism to comment on political issues, from censorship and free speech to gender equality and environmental concerns. In essence, Satanic symbolism in contemporary politics represents a subtle and evolving narrative. It's no longer just a symbol of religious disobedience, but a symbol of the struggle for human rights, equality, and rational public policy. Its presence in political activism and discourse reflects a growing trend toward challenging the status quo and advocating for progressive change in society.

Over the past two years, that is, from 2024 to 2026, Satanic art has rapidly developed in the digital space of our world. Many new and magnificent images of Satan, Baphomet, Lucifer, the Devil, Krampus, Lilith, and other Satanic icons have appeared. This is no coincidence. This development signifies the growth of the Satanic egregore and an increase in the number of people inspired by Satanism worldwide. This is very good news, but Satanists are still very few in number, relatively evil critters without Satanic inspiration. Antichrist Slut Sodomia has been studying Satanic art for five years now, and this is my main conclusion.

IMAGE SOURCES AND IMAGE COPYRIGHTS

Slut Sodomia took all the images for her album from open sources on the Internet. Many paintings are modified with available neural networks for image processing. If I know the name of the author of the picture, I indicate it. If I don't know the author's name, I don't indicate it. This document contains illustrations by various authors, and I include the artists' drawings in my album for scientific, educational or cultural purposes. This document is a free information source about Satanism. The authors of the works receive advertising of their name and their work from the Antichrist Slut Sodomia, so I am not interested in any claims based on the laws of the SOCG and other evil. Artists of Satanism receive free advertising and promotion from the Antichrist. However, I think that none of the real Satanists will make claims against me. Selfish evil, the Pharisees and lawyers of the SOCG may do this, but I am not interested in the opinion of evil. All evil will be subjected to entropy by Satan, like all the rest of the information garbage of our world.

All copyrights belong to the authors of the paintings, and I cannot appropriate these rights in any way. By publishing paintings by Satanist artists, I popularize the authors of the paintings and the very aesthetics of Satanism.

ABOUT IMAGE FORMATS IN GAY SATANISM PUBLICATIONS – PNG, JPG, WEBP, SVG.

For the source files of Gay Satanism publications, when typesetting books in MS Word DOCX, I use PNG, JPG/JPEG,

WebP, and SVG vector graphics. I'm writing this because some files may not display correctly on your computer, or may not display at all, or thumbnails for the graphic files may not be displayed. This means that your software environment doesn't support a certain image format. The most problematic in terms of compatibility are WebP and SVG. These digital graphics formats are common, but they are not necessarily supported on your computer. This can be resolved by updating your software or installing additional libraries

for working with these graphic formats. Each operating system has its own compatibility solutions, so I won't offer any advice. All tips and instructions for resolving these issues can be found online.

I use the classic JPG/JPEG image format, although, in my opinion, this format is inferior to PNG and WebP. The JPG/JPEG graphic file format is widely supported and should display without any problems—this is the biggest advantage of the JPG format. I particularly like the PNG format, which produces fairly high-quality images, which is especially important when printing books. PNG (portable network graphics) is a raster format for storing graphic information that uses lossless compression using the Deflate algorithm. PNG was designed to replace the outdated and simpler GIF format, and, to some extent, to replace the much more complex TIFF format.

For SatanArt albums, I'll be using the excellent and relatively new WebP format. WebP (WEB Pictures) is a lossy and lossless image compression format proposed by Google Inc. in 2010. It's based on the still image (keyframe) compression algorithm from the VP8 video codec. It uses the RIF container. This format offers good image compression while maintaining decent quality.

The SVG vector graphics format differs significantly from the raster formats I've already discussed. Unlike raster images, which hopelessly lose quality when scaled, SVG remains crystal clear on any device and screen resolution. This technology offers an impressive combination of compact file size and absolute scalability, making it indispensable for responsive web design, interactive infographics, and animation. SVG (Scalable Vector Graphics) is an XML-like format for describing two-dimensional vector graphics. Unlike raster formats such as JPEG or PNG, which store images as a grid of pixels, SVG describes images using mathematical formulas and geometric primitives. This format has great potential, but unfortunately, it often experiences glitches when inserting such graphic files into MS Word DOCX documents. If it can display artifacts and errors on Slut Sodomia, then it can behave unpredictably on other people as well. I will use the SVG format sparingly, when it's truly justified.

DISTRIBUTION OF GAY SATANISM BOOKS AND ART APPLICATIONS IN VARIOUS DIGITAL FORMATS

Gay Satanism books, SatanArt albums of Satanic drawings, and SatanSongs albums of Satanic music are available electronically in various digital formats: DOCX, PDF, EPUB, DJVU, PPTX, MP4, and ZIP. Free versions of Gay Satanism documents will be distributed only in PDF formats, with enhanced image compression, using lossy compression but significantly reducing file size. Commercial sales of Gay Satanism books and apps will include a ZIP archive containing versions of the book in different formats (depending on the format selected during purchase). SatanArt, a visual app of Gay Satanism, is a useful supplement to the "Gay Lust" grimoire for spiritualizing a person through the visual imagery of Satanism. SatanSongs almanac is distributed without the music videos themselves,

or with access to a private archive of songs from the Antichrist Slut Sodomia included.

I've compiled Satanic artwork in a separate appendix to avoid taking up too much space with graphics in the "Gay Lust" grimoire itself. You can download collections of Satanic drawings, photographs, and other gay Satanic graphics for immersion in Satan's spirituality from the internet, the Darknet, onion domain sites, through the TOR browser, or via torrents. Artwork titles and text commentaries will initially be available in

Russian and English. The English commentary texts are published in the English version of the SatanArt add-on—a separate file.

Thus, the visual application of gay Satanism SatanArt by Slut Sodomia "Collections of Satanic Drawings, Photographs, and Other Gay Satanism Graphics for Immersion in Satan's Spiritualization SatanArt" is available in Russian and English in the following versions:

The Antichrist's favorite format for distributing e-books online and printing on paper is Portable Document Format (PDF)—a cross-platform, open electronic document format originally developed by Adobe Systems using a number of PostScript language features. It is primarily intended for presenting printed materials electronically. There are numerous programs for viewing it, including the official free Adobe Reader. PDF books are convenient for reading and distributing electronically. Typically, no distortions are observed when opening this format on different operating systems and in different programs. I like to use PDFgear (PDF Gear) for working with PDF files. This is a program for working with PDF files on Windows that allows you to edit documents, compress them to save space, convert them to other formats, and generate a summary of the text. It is inconvenient for use on "old and underpowered" e-readers for a number of reasons. Firstly, PDF files are large, as they are designed for computers, and they open quite slowly on e-readers with weak processors. Secondly, unless the file is specifically designed for a 6-inch e-reader's screen, which is similar in size to an A6 sheet of paper, reading an A4 PDF (and most PDF files are presented in this size) will be difficult. This problem with PDF files shouldn't occur on modern tablets.

The Antichrist prepares all original files on Gay Satanism in Microsoft Word (part of MS Office 2021+) in the DOCX format. This program is the standard of stability and the best "typewriter" for the Antichrist's writer, Slut Sodomia. However, this format does not have the same high formatting stability when opening files on different computers as the PDF format. The DOCX format is a modernized version of the DOC format, and compared to its predecessor, this format is much more popular and accessible. A DOCX file is a document created using Microsoft Word 2007 or a newer version of Microsoft Office. The file format is based on Open XML and uses ZIP compression to reduce file size. I recommend opening and editing Gay Satanism files in the DOCX format in the original Microsoft Word editor, MS Word, which is included in Microsoft Office 2021 or later. You can also use free programs that can open the DOCX format for reading and review, such as LibreOffice Writer and OpenOffice Writer. Free programs may contain document distortions, offsets, formatting errors, and font errors. The author is making the book in DOCX format available to the public for publication in paperback. This format is easy to format and edit. Please use only Microsoft Word for professional work with the DOCX format. Unfortunately, free programs will inevitably display documents with unwanted layout artifacts when opened on a computer or printed on paper. Gay Satanism publications in the original DOCX format are the largest, most complex, and most computer-intensive. A computer capable of handling these files must be powerful, such as an 8-core processor with 16 GB of RAM. On older computers, the DOCX format will take a long time to open and will run slowly. Please keep this in mind. This format is intended for publishers of paper books and for printing professionals. This is the format of the source materials of gay Satanism.

ZIP is a widely used file archiving format used to compress one or more files into a single location, reducing their overall size and simplifying data transfer. This archive will contain two book files in both PDF and DOCX formats, plus the gay Satanic drawings as raster images. Specialized utilities can be used to create ZIP archives and extract (unpack) the files they contain, such as the terminal-based PKZIP and PKUNZIP, or the graphical utilities WinZip, WinRAR, Info-ZIP, 7-Zip, PeaZip, and many others. Currently, the ZIP format is considered a generally accepted format for many applications that include compression, backup, and data sharing functions. Along with numerous utilities that work with ZIP files from the command line, graphical programs for working with them also appeared in the

mid-1990s. Support for the ZIP format is included in many modern operating systems. Many competing archivers, in addition to their own format, also support the ZIP format. This format will be used to upload gay Satanist music videos from the personal collection of Antichrist Suki, as supplements to SatanSongs' Satanic music albums.

Videos for disseminating gay Satanism in MP4 format and compressed with the H265 codec can be a powerful PR tool. Antichrist Slut Sodomia sees great potential in spreading gay Satanism by creating videos from static PDF e-books, PPTX presentations, and videos created using artificial intelligence technologies, using the method of "animating static images" with the addition of prompts, i.e., text instructions. All gay Satanist videos should be distributed in the latest digital video format, 4K resolution. Preference should be given to videos created using AI rather than slideshows. This is especially true for promotion through YouTube, as all video hosting sites "dislike" slideshow videos (this is a strange limitation, but I see it). Yes, I agree that AI videos are more captivating, but why such disdain for slides of Satanist paintings? This was the Antichrist's empirical explanation, based on personal experience. SatanSongs music videos from the Antichrist's personal collection will be available in MP4 format as a supplement to the SatanSongs almanac.

Additional file formats for publishing and distributing gay Satanism ELECTRONIC BOOKS:

The EPUB file format is an open, royalty-free e-book standard developed by the International Digital Publishing Forum (IDPF). It is licensed under the Creative Commons Attribution-NoDerivs 3.0 Unported license, and IDPF owns the license. The format allows publishers to produce and distribute a digital publication in a single file, ensuring compatibility between the software and hardware required to play digital books and other fluid publications. It is the official format of Apple Books. The original version, the Open eBook Publication Structure or "OEB," was conceived in 1999, and ePub was released in 2007. EPUB is based on open standards and is supported by most devices and e-book readers. This format also provides responsive layout and scaling for optimal readability on a variety of screens. The PDF format preserves the original layout of the publication, while EPUB books can be customized to suit your needs (for example, by scaling text, changing fonts, and making content more comfortable to view on different screen sizes). Most major e-book publishers offer EPUB files. EPUB files work well with EPUB eBooks Reader, Thorium Reader, Adobe Digital Editions, Google Books, Moon Reader, and Amazon Kindle.

DJVU (DejaVu) is an e-book format designed for scanning and saving high-resolution images. I like this format for its compact size, speed, and stable page formatting. DJVU is, technically speaking, a "lightweight" version of PDF. It is commonly used for saving scanned documents, including books, almanacs, and newspapers, and provides high image quality at a relatively small file size. The format supports many features, such as layers, text highlighting, and hyperlinks, making it convenient for use in scientific and technical publications. However, not all devices and software support this format, so viewing it may require specialized programs such as DjVu Reader or Sumatra. DJVU is optimized for network transfer, so the page can be viewed even before the file has finished downloading. A DjVu file can contain a text (OCR) layer, allowing full-text searching within the file. In addition, a DjVu file can contain a built-in interactive table of contents and active areas (links), which allows for convenient navigation in DjVu books.

Antichrist Slut Sodomia may be a bit old-fashioned, but I like the PPTX slideshow format and consider it an e-book format. Files with the PPTX extension are presentation files created with the popular Microsoft PowerPoint application. Unlike the previous version of the PPT presentation file format, which was binary, the PPTX format is based on the Microsoft PowerPoint Open XML presentation file format. A presentation file is a collection of slides, each of which can contain text, images, formatting, animation, and other media. These slides are presented to an audience as a slideshow with custom presentation settings. The PPTX file format was introduced in 2007 and uses the Open XML

standard, adopted by Microsoft back in 2000. Before PPTX, the most common file format was PPT, which was a purely binary file format. The new file type adds the advantages of smaller file sizes, less corruption, and well-formatted image presentation. It was in early 2000 that Microsoft decided to make changes to accommodate the Office Open XML standard. By 2007, this new file format had become part of Office 2007 and is supported in newer versions of Microsoft Office. Presentation files are organized collections of slides used to visually accompany presentations and lectures. I tried using the video presentation format for gay Satanist art albums on YouTube, but YouTube absolutely refuses to show such videos (PPTX → MP4) to the general public, presumably due to restrictions on serving such videos through their algorithms. Perhaps there are other reasons for the low audience reach... it is Satanism, after all... who knows what "these Satanists" and the Antichrist might have "written and filmed"☺.

FREEDOM OF DISTRIBUTION OF ANY INFORMATION

Any information should be disseminated freely, openly and without interference from the evil of our world. No copyright should interfere with this. Each work has a true author and no copyright is needed, just as no legislation in the field of information dissemination or copyright is needed. Anyone who interferes with the freedom of information dissemination is criminals and enemies of your personal freedom. Self-balancing of the information field of our world will not allow evil, harmful and false information to spread. All this happens without censorship from the state, automatically in the space of the information field of our world. Good and necessary information will be in demand, and bad and harmful information will become unnecessary. Also, the distribution of this book-album should be completely free. I know for sure that the evil of our world will recognize the main grimoire of gay Satanism as "illegal" and ban my book "Gay Lust", as well as the music albums of Satanic songs and hymns SatanSongs and the albums of paintings of gay Satanism SatanArt.

Protect commercially important information and your personal information yourself if you need it. Your desire to withhold information is not a reason to prohibit public dissemination or discussion of this information. Any censorship and bans on information are an obvious evil. TRANSLATION OF THE ALBUM OF SATANIC DRAWINGS SATANART INTO OTHER LANGUAGES OF THE WORLD

The album SatanArt in the original (i.e. by Slut Sodomia) is written in Russian and English. Translate the book-album SatanArt into all languages of the world and distribute it in your language environment. The author of the book will be very happy about this. The more people can see satanic paintings and read the text titles-comments to them, from the SatanArt album, the better people will become and the more crushing the blow

we will deal to the evil of our world. The visual power of art and the words of the Antichrist in the SatanArt album have a strong effect on the consciousness of man and his spiritualization by Satan. On the title page of my book, write your name as a translator or proofreader of my book if you will translate or correct errors.

DONATIONS TO THE AUTHOR AND ROYALTIES WHEN SALES OF A BOOK IN PRINT AND ELECTRONIC FORM

Antichrist Slut Sodomia has done a lot of work creating art albums of paintings of gay Satanism SatanArt, working on compiling this e-book, searching for drawings on the Internet and compiling their descriptions for you. Four reasons to support the author financially:

The first reason is if you share the ideas of Satanism. This book is a guide and grimoire for established Satanists and for people just beginning to gain insight. Let their path be illuminated by my literary work and help them receive the spiritualization of Satan in full, using my grimoire as a navigator.

The second reason - if you think that the book is useful and valuable for members of the gay fraternity, Satanists and the entire LGBTQ+ community - support the author with any donation. The book about gay Satanism exposes the evil of our world and shows why it is the state, religion and the dark herds of evil, selfish, unspiritualized souls that are the main forces of evil in our world. It is not Satan and not man's spirituality with joy, pleasure, sexual lust that is evil, but evil is located precisely in our world itself. It was evil, in the form of the state and religion, that destroyed Jesus of Nazareth, who was a disciple of Satan, a spiritualized man, and this evil still oppresses your freedom 2000 years later since the life of Jesus of Nazareth in our world.

The third reason - if you want to see a new and expanded version of this book or new books by the author - support the author with any donation. You can make all donations using cryptocurrency - this way you and the author of the book will remain anonymous. What is very important in the world of total censorship and a total ban on freedom of speech throughout the world at the moment on issues that do not coincide with the official propaganda of states and the ideals imposed by these states.

The fourth reason is if you make money from my literary work by selling it.

You can sell my book; you can translate it and sell translations of my book. You can do this freely, and I will be only happy about that. If you sell the book in print, I ask for a modest 20% of the profit. My written or oral

permission is not required to sell the book - you can publish and sell this book. For example, you can publish this book in the form of registered or numbered copies on high-quality paper bound in leather with gold embossing at a high price. Or you can publish the book as a mass edition with a large circulation to spread knowledge about gay sex and gay Satanism at an affordable price.

Or you can put my book up for sale on any sites on the Internet where documents and books are sold in electronic form. If you sell the book as an e-book, I ask for a modest 20% of the sale price. You don't need any permissions for this. I give you this permission here.

Transfer 20% of the profit (for paper versions of the book) or the amount of copies of the book sold (for electronic sales) to the author's cryptocurrency accounts in any available cryptocurrency. These will be sufficient royalties for the publication. All copyrights belong to the author of the book.

You make money from my book. Distribute my book for free and for a fee.

Antichrist Slut Sodomia does not work for a living and has spent many years writing books on Satanism, so he counts on financial support from the Satanist community around the world, I believe I will receive donations from members of the LGBTQ+ community. I also hope that my work will find financial support among feminists, queers and all people with non-standard sexual preferences, which are groundlessly condemned by the society of unenlightened critters, fascists and underdeveloped organisms of evil biohumus. The Antichrist has no other income, but he needs money for household expenses, utility bills and food. To continue writing the second grimoire of Gay Satanism "Beyond the States", I need money for my support in our world. I count on cryptocurrency donations from my readers or viewers of the videos. The material existence and creativity of the Antichrist rests on financial expenses for material life and here, even black magic against the forces of evil will not replace the presence of money.

ABOUT ADDITIONS TO THE GRIMOIRE “GAY LUST” FOR DEPTH SPIRITUALITY BY SATAN

To deepen the spirituality of Satan, Slut Sodomia has prepared and released two additions to its grimoire “Gay Lust” into the Information Space of the Internet, Darknet and torrent network:

- Albums of Satanic music videos for the immersion in the spirituality of Satan. Numbered periodical Journals. SatanSongs and QuasiSatanSongs are an occasional addition to the Gay Lust Grimoire. The lyrics have been translated into Russian. Lyrics in English are published in the English version of this supplement. Clips in MP4 format come as an appendix to this add-on. In total there will be 4 collections of satanic videos SatanSongs with 100 tracks each, plus there will also be an album of quasi-satanic songs QuasiSatanSongs about love, romance, lust. There is continuous numbering of compositions in all SatanSongs music albums⁷. Thus, there will be 500 video clips that help satanic spiritualization. The album QuasiSatanSongs has its own numbering of songs.
- Albums of fine art of gay Satanism for immersion in the spirituality of Satan SatanArt. Thematic numbered periodical Journals of the fine arts of gay Satanism SatanArt. This is an occasional addition to the Gay Lust Grimoire. SatanArt Albums contains paintings and drawings of gay Satanism on specific themes that are related to Satanism or sexual lust. I will publish these albums regardless of the grimoire itself. All paintings in SatanArt art albums have continuous numbering, just like songs.

DON'T HESITATE TO BE A SATANIST!

I like the phrases “Don't hesitate to be a Satanist!” and “Don't be shy about being Satan!”⁸. They are multifaceted, and are aimed at calling people not to be afraid to receive satanic spirituality and not to be afraid to resist evil.

⁷ Continuous numbering implies a common numbering of objects in all albums of satanic musical compositions.

⁸ This is Satan's phrase. Our Spiritualizer Satan says this phrase to his children, the Satanists. The phrase does not refer to unspiritualized critters of evil who do not have satanic spirituality. And does not apply to mentally ill people.

NUMBERING AND CONTENTS OF COLLECTIONS-ALBUMS OF SATANIC PICTURES SATANART

The total number of collections and albums of satanic drawings and paintings of SatanArt is currently unknown. I would like to make about 100 albums if readers and the Satanic community like my work. Each SatanArt album will contain 100 drawings. There will be continuous numbering of all images in all music albums to organize the graphic material. Continuous numbering implies a common numbering of objects in all albums of satanic graphics SatanArt.

ADDITIONAL INFORMATION ABOUT GAY SATANISM FROM ANTICHRIST SLUT SODOMIA

I hope that my selection of digital Satanic paintings, drawings, photographs and other graphics of gay Satanism for immersion in the spirituality of Satan SatanArt will be useful to people, and you will find interesting images for yourself in my selection. Visual art for those who are already Satanists and for those who are just thinking about becoming a Satanist and are looking for a connection with Satan for their spirituality. Of course, these paintings can be viewed simply as beautiful masterpieces of fine art 😊, without being tied to the ideas of gay Satanism.

If you are interested in the topic of gay Satanism, you can download and read other books from Slut Sodomia:

- Grimoire of Gay Satanism “Gay Lust.” This is the main grimoire of gay Satanism. This is a magical book that allows me to become a Satanist, helps me see the evil of our world and destroy this evil.
- Albums of Satanic music videos for immersion in the spirituality of Satan, which I call SatanSongs collections. In 2024 I created 4 SatanSongs albums + 1 quasi-satanic album QuasiSatanSongs.

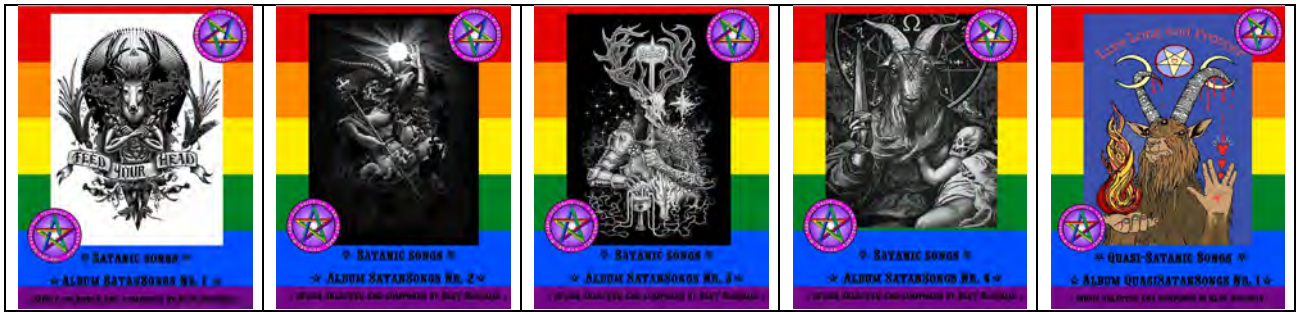

The Gay Lust Grimoire is intended for both experienced Satanists and novice Satanists who want to deepen their spirituality with Satan or even gain it. The grimoire “Gay Lust” is a navigator for a Satanist and a conceptual basis in the fight against the evil of our world. There are Satanists not only among gays themselves, but also among straight people inspired by Satan. And that's great! It turns out that gay Satanism and my book are for all people in whom the fiery rage of sexual perversion burns, as an important element of spirituality by Satan. The book “Gay Lust” is a rebellion and liberation of your consciousness from the dungeons and frames of consciousness imposed on you by the system of the regime, religions and homophobia. The book is a grimoire of gay Satanism with the ritual of Summoning Satan and a code of principles of gay Satanism. The Gay Lust Grimoire is a training manual for passive fagots, active gays and trannies. The grimoire “Gay Lust” liberates the sexuality of any person and throws off the shackles of puritanical hypocrisy.

The FIRST EDITION of the grimoire “Gay Lust” is distributed completely free of charge in electronic form. You can freely download, quote and distribute the grimoire book. Look for the grimoire of gay Satanism “Gay Lust” on sites on the regular White Internet, Torrent trackers or on the Tor network on ONION sites.

ANNOUNCEMENT OF THE RELEASE OF THE NEW ALMANAC-ALBUM OF SATANIC MUSIC SATANSONGS №5 FROM THE ANTICHRIST SLUT SODOMIA.

On February 22, 2026, the Antichrist prepared a new issue of the Satanic music almanac, SatanSongs #5, which contains 100 new and fresh musical compositions of gay Satanism or quasi-Satanism. I dedicated SatanSongs #5 to contemporary gay Satanist music in various styles, genres, and visual imagery. The music in SatanSongs #5 is intended to enhance one's spirituality with Satan or to introduce newcomers to Satanism. Therefore, the SatanSongs almanacs are suitable for both established Satanists and those who want to become Satanists.

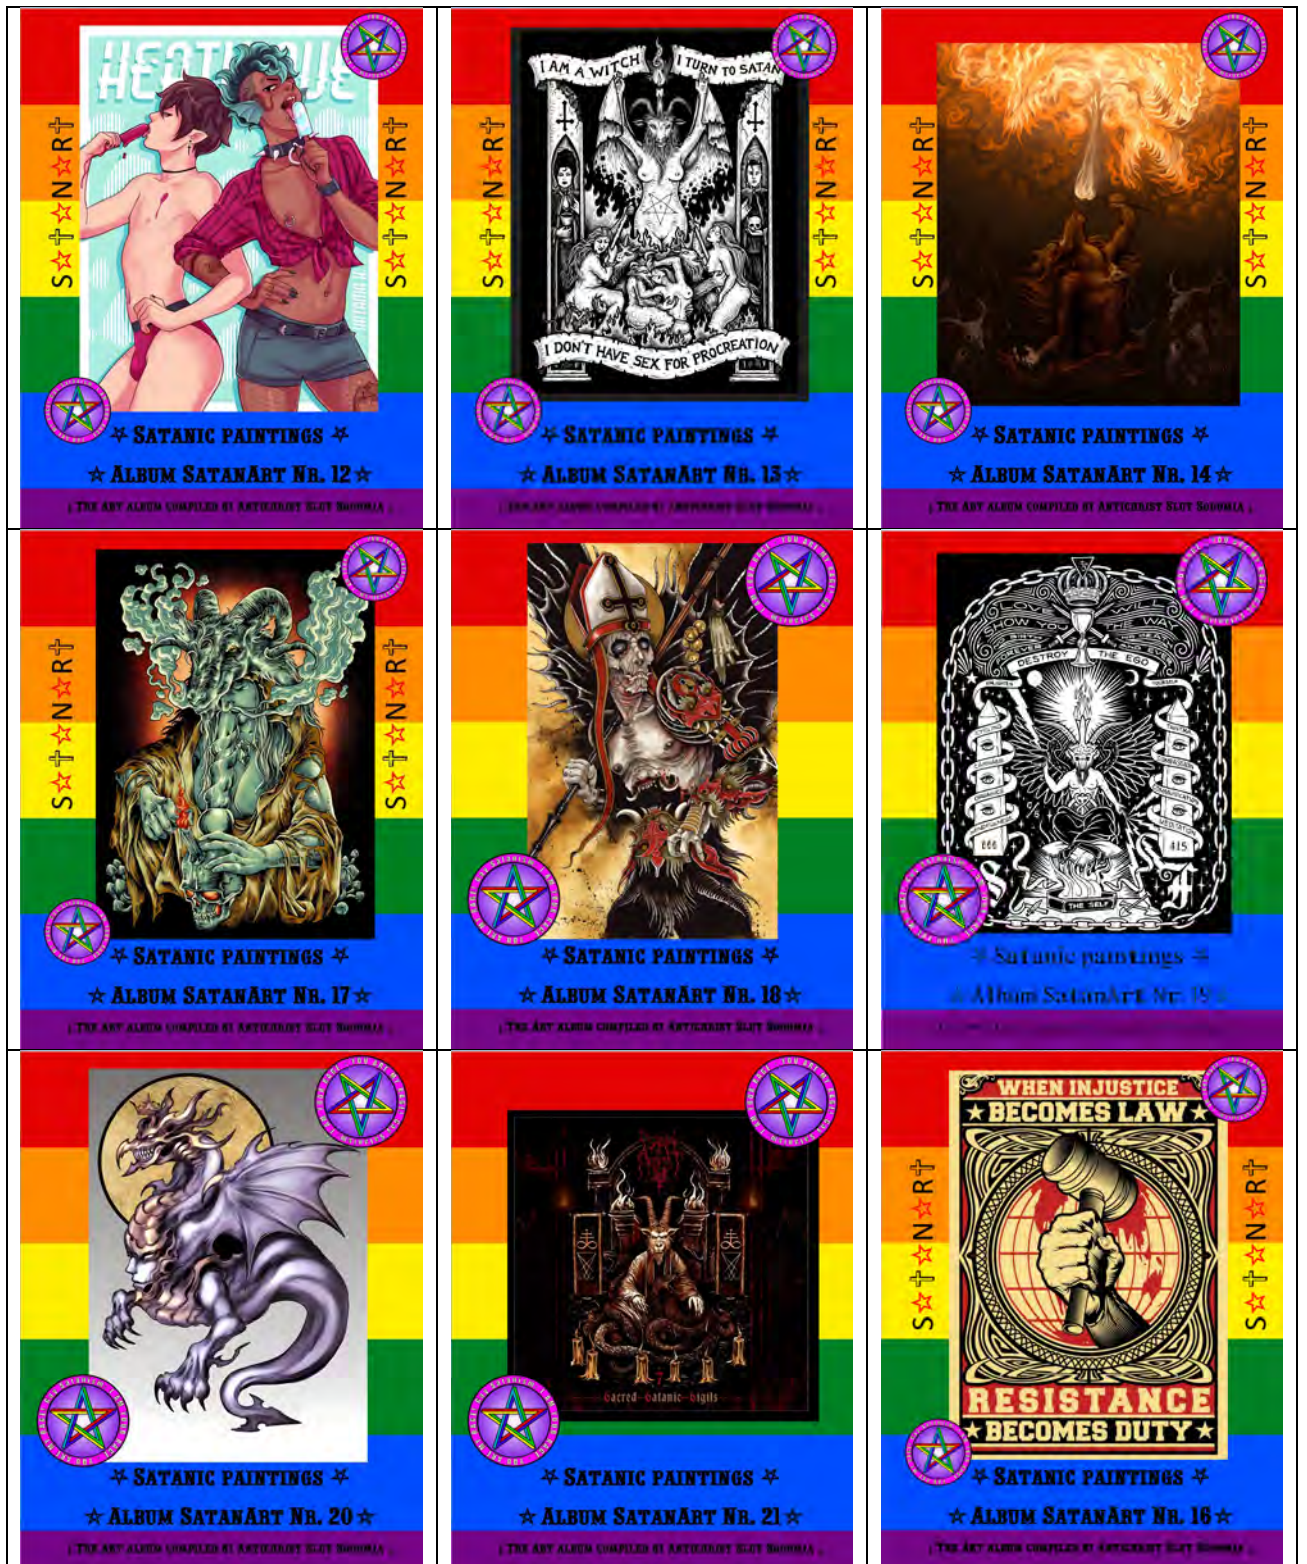

The music album SatanSongs #5 contains a wealth of rock, gothic, metal, psychedelic, and songs that help us understand the evil of the fascists of the State Organized Crime Group (SOCG). The almanac SatanSongs #5 contains three hymns of the Antichrist Slut Sodomia, and several other hymns of gay Satanism, which I have specifically noted. I will publish the Satanic music album SatanSongs #5 online. A high-quality version of SatanSongs #5 in PDF and DOCX formats, along with the music videos themselves in MP4 format, is available exclusively to purchasers at <https://666.pictures>.

Gay Satanism graphic art, collected and designed in the form of SatanArt collections, suitable for publication on paper and in book form, will reveal the aesthetics of Satanism and help Slut Sodomia in the development of gay Satanism around the world. Your purchase of graphic albums-collections of gay Satanism graphics SatanArt, in DOCX / PDF format, will support Slut Sodomia financially, and I will know that my work is in demand by people. Let the publication of SatanArt albums allow Satan to enter the souls of more people, let there be more Satanists and less evil from soulless critters.

ABOUT THE DEVELOPMENT, IMPORTANCE AND USE OF CRYPTOCURRENCY

I am writing this chapter about the development, meaning and use of cryptocurrency in 2026. Now, cryptocurrencies, as a means of speculation, investment and payments, are already working quite well, although for most people on planet Earth, crypto-coins are more of a mysterious

phenomenon than an applied financial instrument. Slut Sodoma is very glad that a wonderful alternative to fiat money⁹ issued and controlled by SOCG has appeared. The name of this alternative is cryptocurrencies, Bitcoin and all the altcoins of the world¹⁰. Cryptocurrency opens up enormous opportunities to get rid of the evil of SOCG on our planet Earth. It is control over material values that allows the SOCG to rule, mock people, dictate their laws and do various evils in our world (including wars, prisons and collecting tribute from the population). The material wealth of the SOCG is based on: power, evil and money. If the SOCG is stripped of its power over the financial control of money, it could significantly undermine the SOCG's power throughout the world. Cryptocurrencies operate outside of the SOCGs and do not need them.

Lately (since about 2015), the vilest SOCG's have been trying to stick their ugly nose into the control of cryptocurrency, its circulation and use. SOCG began to choke cryptocurrency enthusiasts and large financial speculators in cryptocurrency around the world. SOCG of the USA and Europe require registration and verification of the identity of people who use cryptocurrency on public platforms online and offline. Evil really wants to take control of cryptocurrency, and thereby strangle people's financial freedom. Evil does not want people to leave the orbit of the influence of the SOCG over money. Evil wants to destroy the very idea of freedom of cryptocurrency and the anonymity of its users.

⁹ https://ru.wikipedia.org/wiki/Фидуциарные_деньги Wikipedia. Fiduciary (from the Latin fiducia - trust), fiat (from the Latin fiat - decree, instruction, "so be it"), symbolic, paper, credit, unsecured money - money not backed by gold and other precious metals, the nominal value of which is established and is guaranteed by the state regardless of the cost of the material used for their manufacture. As a rule, irredeemable for gold or silver. Often, fiduciary money is used as a means of payment on the basis of state laws obliging it to be accepted at face value. The value of fiduciary money is maintained by people's belief that they can exchange it for something of value. The decline in the authority of state power leads to a decrease in the purchasing power of fiduciary money, that is, to devaluation, "flight from money" (attempts to maintain its purchasing power through investment), etc.

¹⁰ Bitcoin started the era of digital crypto assets in 2009. The shortcomings and limitations of the first cryptocurrency, as well as its open-source code, led to the fact that developers began to create other coins. They are called altcoins.

It is very bad that many financial speculators - exchanges, exchangers and crypto-wallets have followed the requirements of the SOCG and force users to play by their rules. It's very bad that among crypto enthusiasts there is little talk about refusing collaboration with the evil SOCG. More and more cryptocurrency circulation is becoming dependent on the evil of the SOCG and its directives.

I urge the community of cryptocurrency developers at any level not to collaborate with the state and not to obey their gangster rules. SOCG is simply an evil crook in the field of cryptocurrency technology who wants to rape and subjugate this technology and the users of this technology. Don't let the evil of SOCG deprive you of financial freedom and an alternative financial future outside of states and without states. This was a philosophical preface about cryptocurrency, let me move on to the practice of using crypto-coins.

For beginners, I recommend entering cryptocurrency by opening and creating a non-custodial crypto wallet, which allows you to ensure security and convenient management of your cryptocurrency. Such wallets provide users with complete control over their funds, eliminating the participation of third parties and minimizing the risks associated with hacking or fraud. A non-custodial wallet is a computer program and a

type of cryptocurrency wallet in which only the owner has full control over his funds and private keys. The wallet does not store personal information and does not have access to assets. When you create a non-custodial wallet, you are usually given a private key or a seed phrase (a series of words that can be used to generate a private key). This information is not stored by third parties and it is important that you keep it secure. If you lose it, you will lose access to your funds and there is no way to recover it.

In 2024-2025, the most popular, convenient, reliable software crypto-wallets, in my subjective opinion, are the following non-custodial wallets:

1. Exodus <https://www.exodus.com/>
2. MetaMask <https://metamask.io/>
3. Trust Wallet <https://trustwallet.com/>

Install these programs (one or more), downloaded from official websites, on your computer and begin to master entering the new era of electronic money, outside of states. These programs allow you to buy cryptocurrency with fiat money (dollars, euros and other currencies), make payments to other people's cryptocurrency addresses, and receive payments to your crypto wallet. Installation of these programs is quite simple and available for the most popular operating systems. After successfully creating a crypto wallet, you can send some crypto coins to Slut Sodomia to the details provided in this document if you like Gay-Satanism and the work of Slut Sodomia. I will be happy, and you will check your crypto wallet in action 😊.

To enter the world of cryptocurrency, you can use online services called crypto exchanges. A crypto exchange is a less reliable means of storing cryptocurrency than non-custodial crypto wallets, but some people may find it easier to work with crypto exchanges. Access and work with crypto exchanges occurs through a computer Internet browser, like with any other sites. Please note that crypto exchanges have full control over your finances and can block your money, at the request of fascists from different countries. There are many crypto exchanges and Antichrist Slut Sodomia cannot guarantee which of them is the best, most reliable and convenient. I will recommend four crypto exchanges that have been operating for a long time and with the help of these exchanges you can send donations, donations or royalties in cryptocurrency to Antichrist Slut Sodomia:

Kraken. <https://www.kraken.com>

Kraken is an American cryptocurrency exchange founded in 2011. It was one of the first Bitcoin exchanges to be listed on Bloomberg Terminal.

Binance. <https://www.binance.com>

Binance is the world's leading cryptocurrency exchange, serving 235 million registered users in over 180 countries.

Coinbase. <https://www.coinbase.com>

Coinbase is one of the most well-known names in the crypto industry. Launched in 2012, it offers an intuitive and beginner-friendly platform for buying, selling, exchanging, and storing cryptocurrencies.

SwissBorg. <https://swissborg.com>

SwissBorg is Europe's #1 app for securely buying and selling cryptocurrency with low fees, available in 47 countries and 16 currencies.

Best Wallet. <https://bestwallet.com>

Best Wallet is a non-custodial app that offers wallet and exchange services in a single secure decentralized environment.

The methods recommended by Antichrist Slut Sodomia for selling, buying and transferring cryptocurrencies cooperate with states, i.e. with fascists and SOCG. I do not guarantee the reliability of these trading platforms. Crypto wallets and crypto exchanges require people to provide documents when registering, require them to show themselves through photo or video filming. Cryptocurrency exchanges implement a Know Your Customer (KYC) policy to comply with anti-money laundering (AML) and counter-terrorism financing (CTF) regulations, ensuring the legality of transactions and the safety of users. To register on a cryptocurrency exchange, you need to provide personal data, confirm your identity with documents and a selfie, and wait for approval to access all functions. Exactly the same story when registering in regular banks. On the one hand, it gets rid of scammers, but on the other hand, it is control by various SOCG and loss of anonymity. If I find more anonymous and reliable options for making cryptocurrency transfers, I will write about it in the next versions of the documents.

Back cover of the almanac

Antichrist Slut Sodomia dedicates SatanArt #45 to a topic that is a popular fetish among gays and LGBTQ+ men, but is taboo due to its violence. In SatanArt #45, Antichrist Slut Sodomia collects, describes, and analyzes various artistic depictions of gay prison sex scenes, focusing on passive sodomites and their lust. The book features images by various artists, including recognized masters of gay prison romance: Tom of Finland, The HUN, Julius, and Etienne. Many of the album's drawings are rare and may be valuable from a gay Satanist perspective. In prison, gay Satanism is forced to confront the evil of fascists and their hired guns: guards and police officers. This album about prison sex from the Antichrist will be of interest to most gay men, especially those who enjoy "all-male sex" without the need for girls or trannies. For many gay men across the planet, prison sexual fetishes remain a secret, a taboo, and a fantasy they're willing to embrace, albeit in artistic form rather than in reality. The Antichrist has released his album, SatanArt #45, featuring the best scenes of prison and police gay sex.
