WHERE CAN I FIND OTHER SATANART ALBUMS?	20
Picture 4501. Gay Baphomet fucks a gay slut, in the presence of two gay Satanists. A classic icon.....	27
Picture 4502. Satan-Baphomet fucks Satan-Lilith. Family sex in Hell, if we consider Lilith as Satan's lover or wife. Considering that Satan can take any form, such a scene is possible and good. The Antichrist already wrote that Lilith is the female form of Satan-Lucifer.....	28
Picture 4503. Gay Baphomet was inseminated in the ass. A classic icon of gay Satanism. Receiving sperm and inseminating the ass is a Satanic act of blasphemy and lust. Baphomet-Satan loves sodomy and sodomites. Gay Satanist artist Lytta.	29
Picture 4504. White Satan-Baphomet with a strawberry.....	30
Picture 4505. White Satan-Baphomet in Hell.	30
Picture 4506. A sweet couple, two gay Baphomets at once. For Satanism and Satan, no incarnation is impossible. The active Baphomet enjoys the ass of the passive Baphomet. A diabolical icon of Gay Satanism's lust.....	31
Picture 4507. Satan and Lilith meet a man in Hell. It looks like an erotic scene from a comic book.	32
Picture 4508. The devil Baphomet jerks off his dick.	33
Picture 4509. The devil Baphomet in languid and calm lust.....	33
Picture 4510. MTF trans Satan-Baphomet. Transsexuality is an important part of any Satanism, but especially gay Satanism.	34
Picture 4511. The sweet, pink lust of two Demons of Hell. Baphomet and Lilith copulate in love.....	35
Picture 4512. Baphomet greets the viewer in bed, in a cozy, homely setting. Sweet gay erotica.	36
Picture 4513. Baphomet in Hell with Satanist masochists. Most CIS girls are masochists.....	36
Picture 4514. A close-up of Satan-Baphomet's cock. A canonical Dragon penis.....	37
Picture 4515. Satanic masochists have fun with Satan. The dagger of Satanic lust increases Satanism.....	38
Picture 4516. A blasphemous nun in the arms of Satan-Baphomet.....	39
Picture 4517. The classic Baphomet has become a sexy, sweet MTF trans figure, thanks to animation and a change in perspective. It's worth noting that Eliphas Levi's classic "Baphomet" is kind, wise, and calm. You can see it in SatanArt almanac #1.....	40
Picture 4518. The throne of Baphomet's lust and self-sufficiency. Intersex Baphomet.	41
Picture 4519. The birth of a satanic goat from a satanic whore. Baphomet delivers the child. "Sabbatic Goat Birth". (I'm not sure how to understand the title: "The Sabbath of the Goat's Birth" or "The Sunday Birth of the Goat" - it's a bit of a strange title. Perhaps the artist had a different meaning in mind.).....	42
Picture 4520. Baphomet-Centaur with Satanists, in the form of an erotic merry sabbath.....	43
Picture 4521. Lilith and Baphomet as gay satanic symbolic monochrome icons.	43

Picture 4526. Satan fucks a gay Satanist in Hell.	47
Picture 4527. Satan the Dragon-Baphomet (Leviathan) cummed on the little Demon-Dragon.	47

Picture 4529. Furious Satan-Baphomet fucks a MTF Hell Demon. #2. Gay Satanism artist Jewlampija (sometimes the artist calls himself or is called Mewlampija).	49
Picture 4530. Two Baphomet Satyrs are having sex in a fit of gay lust. The theme of satyromania is quite popular among heterosexual Satanist artists. Gay Satyrs are canonical symbols of gay Satanism. Contemporary artists depict Gay Satyrs having sex, while ancient masters depicted Satyrs in erotic heterosexual encounters with nymphs.	50
Picture 4531. A classic icon of a sexual Baphomet, with restrained eroticism.	51
Picture 4532. Baphomet fucking a Satanist. Satanic canonical icon (according to the Antichrist).	52

Picture 4539. A very large transsexual Baphomet dick. Looks like a high-quality first-generation AI creation, but I'm not sure. Artist uncredited.	59
Picture 4540. Gay Satanist Icon: Demons of Hell Fucking a Passive Gay Satanist. Author Unknown.	60
Picture 4541. Baphomet Goat-Wolf in purple and gold with huge balls and penis.	61
Picture 4542. The classic Baphomet with its Satanic CIS masochistic whores—there's no death in Hell for Satanists. The second possibility is that Baphomet brings entropy to Puritan hypocrites and creatures of evil through defilement with lust and sadism. From the perspective of the Antichrist, both options are possible. Satanic masochists seek pleasure from torment, while the creatures of evil are destined for entropy and the desecration of their false dogmas.	62
Picture 4543. A humorous painting featuring a blasphemous nun and Baphomet. SatanArt Almanac #39, dedicated to the theme of Satanic blasphemy, lustful, perverted nuns, and secret Satanists.	63
Picture 4544. Baphomet, in the form of Leviathan-Werewolf. There are no precise images or gradations, so Satan's images can merge and dissolve into each other. Icon of the Gay Baphomet (not heterosexual).	64
Picture 4545. A sexy portrait of Baphomet-Leviathan. Possibly created using first-wave AI.	65
Picture 4546. A heterosexual Baphomet fucks a CIS Satanist and inseminates her pussy and ass. Author: AI.	66
Picture 4547. Baphomet's sexual fury in Hell with Satanic whores. A lizard-dog demon fucks a Satanist zoophilic. Demon cocks fill the bellies of CIS Satanists.	67

Picture 4551. The cunt of Satan-Baphomet, among Satanism.	71
Picture 4552. A yellow and black figure of Satan, Baphomet. Lust, transsexuality, and human animality are united in this icon of gay Satanism. The artist requires clarification.	72
Picture 4553. A furry trans beauty, Satan-Baphomet. A furry goddess of MTF gay Satanism. Successful AI generation. Currently, the topic of hairy and shaggy MTF beauties is unfairly hushed.	73
Picture 4554. A passerby with a dog saw an excited Baphomet in the arch.	74
Picture 4555. Sexy crimson Baphomet in Hell. Artist: Mister69M.....	75

Picture 4557. Erotic icon of the Black CIS Baphomet. Tarot card of the "Devil" arcana.....	77
Picture 4558. CIS bitch Baphomet or Fury fucks herself with a thick dildo. Girls and bitches love to ride.	78

Picture 4562. An icon of passive gay pederasty. The lustful, bottom Gay Baphomet has set aside his asshole for fucking on the Satanic altar of love and lust. An image of an animalistic, amorous gay Satan.	82
Picture 4563. A fanged Baphomet is fucking a young, skinny, passive, homosexual Satanist. Perhaps the artist in this painting wasn't Baphomet, but some other Demon, but that's irrelevant. The Antichrist is showing you his vision of gay Satanism.	83
Picture 4564. A lustful Baphomet in blue-green tones. The image of a gay Baphomet, without obvious transsexuality, but with a distinct animalistic quality. Please remember that the term transgenderism is different from transsexuality. Transsexuality is about physiology, morphology, and primary sexual characteristics. Transgenderism, on the other hand, is about inner sexual spirituality.	84
Picture 4565. Baphomet-Lilith receives penetration into her cunt. Leviathan, or abstract Cthulhu, fucks.	85
Picture 4566. The beautiful MTF Satan, whom I also attribute to the image of Baphomet. Zoological elements and transgenderism are the primary attributes of Baphomet. The head of a beautiful woman or a goat are secondary elements.	86
Picture 4567. The Antichrist really likes the work of gay Satanist artist Lytta. Baphomet's anus.	87
Picture 4568. Baphomet, among the Spirits of Satanism. "Worship of Satan." I ask the reader to consider that accepting and developing one's satanic spirituality is, in fact, service to Satan. Rituals, rituals, sabbaths, and sex are pleasant additions to this process.	88
Picture 4569. An iconic drawing of gay Satanism. A satyr is giving a gay man oral sex. Artist: Scotty.	89
Picture 4570. A mildly sexual Satanic painting. Baphomet is surrounded by various Demons of Hell, holding a sword and the head of Jesus of Nazareth.	90
Picture 4571. Baphomet, in blue-purple light and in the style of the film "Pan's Labyrinth".....	91
Picture 4572. Baphomet, in the form of a Demon-Gargoyle, IMHO. The animalistic and sexual Baphomet is ready to break out.....	92

Picture 4573. Please come to the table! The Gay Baphomet with drinks and food. Why do I think he's gay?	93
Picture 4574. Baphomet is having sex with a demon, possibly Lilith. The subject of the drawing is unknown.	94
Picture 4575. Baphomet initiates some female into Satanism. The female's gender is not revealed. The candidate for Satanism becomes a Satanist.	95
Picture 4576. Baphomet gets fucked and inseminated in the ass. Artist Lytta or Lytta The Bug or lyttathebug.	96
Picture 4577. Baphomet, Demon of Hell. A gay figure with a cult of muscularity, ass, and penis.	97
Picture 4578. A cheerful, carefree Baphomet in yellow and purple tones.	98
Picture 4579. Baphomet the Ghost Spirit fucks a Satanist. Satanists love this.	99
Picture 4580. The Satanic whore and bitch has given up her ass and pussy for the goat. The contract for Satanism has been signed; now you can feel free from all the dogmas of our world. Satanism destroys dogmas.	100

Picture 4587. An active Devil-Baphomet caresses a Satanist for copulation in the ass or pussy.	106
Picture 4588. Pink Baphomet, in the style of "Baby Baphomet." Artist: Amanda Dark AKB.	107
Picture 4589. Baphomet, in the style of a Harpy or a Whore with a fanged cunt. The artist has an interesting imagination.	108
Picture 4590. The menacing, sexy, lustful Baphomet-MTF-Trans. This image of Baphomet can be related to the image of Leviathan, i.e., the Dragon.	109
Picture 4591. Baphomet fucking a Satanist or a blasphemous nun, which is essentially the same thing. Icon of Baphomet the Blasphemer.	110
Picture 4592. Baphomet with a penis in the form of a snake. The artist is unknown.	111
Picture 4593. Baphomet, Lilith, and two Satanists in Hell engage in BDSM-style fun. Artist: Mnogobatko.	112
Picture 4594. "The Luciferian Grown" (can be interpreted from English as "Luciferian formation" or, indirectly, "The growth of the followers of Lucifer-Satan"). An icon of the growing number of Satanists in our world. Baphomet = Lucifer = Satan = Devil = Baal. The names of the Devil carry more semantic context than ordinary proper names. The word "Devil" is the most neutral term.	113
Picture 4595. Gay Satanism Icon "Baphomet Fucks a Satanist Bitch" The Satanic whore always wants penetration.	114
Picture 4596. Baphomet fucks a dickgirl. All MTF dickgirls are bitches and whores, 95%+ of transgender and transsexual people are Satanists.	115

This book is a study and analysis by the Antichrist Slut Sodomia of a specific area of Gay-Satanism. In the SatanArt Gay-Satanism almanacs, the Antichrist conducts a visual examination of artworks, paintings, drawings, and photographs by various authors, covering various topics of gay sex, Satanism, LGBTQ+, transgenderism, magic, symbolism, deviance, and revelations of the evil of our world. The SatanArt almanac is the Antichrist's academic work on the study of sexology, spirituality, and the psychology of the egregore of gay Satanism. ✖§§✖ Read, watch, get excited, and immerse yourself in the world of gay Satanism!

PREFACE

I dedicate this Gay Satanism Almanac, SatanArt #46, to the image of Satan-Baphomet in sexual gay Satanist paintings by various artists. Antichrist Slut Sodomia knows that, both online and in the books of many authors, there's a widespread belief that Baphomet isn't Satan and has nothing to do with Satanism. You may believe so—it's your personal opinion, and keep it to yourself. Some authors believe that inverted crosses and the image of a black goat have no connection to Satan or Satanism. Feel free to think so, but it's best to keep your speculations to yourself. Some strange people, including atheistic Satanists, believe that even the Antichrist isn't related to Satanism, Satan, or Satanists. According to these narrow-minded people, the Antichrist is almost an exclusive invention of the Christian sect, which means that the Antichrist does not exist in Satanism (in their opinion).

What will the Antichrist, the Slut Sodomia, say to such statements? I don't care about your delusions, stupidities, conjectures, and far-fetched false opinions. The Antichrist is writing these lines, and the Antichrist is a common noun for a person who stands against the lies of Christianity or the sermons of the ancient Rabbi

Jesus of Nazareth, as retold by his followers. Therefore, such a person exists and is called, quite simply, the Anti-Christ or the Anti-Christian. I have already written that the Antichrist never pretends to be Jesus or the Messiah, as the malicious liars of religions claim. The differences between the Antichrist and the Spirit of Satan are still unclear to many: the Antichrist is a person, and any Spirit is an informational aura in a person's consciousness. The Spirit is connected to a person through the EIQF.

The Antichrist is a person who has a quantum connection with the EIQF and the Spirit of Satan in the dimension of Hell. Generally, this is called the spiritualization of a Satanist. The spiritualization of the Antichrist is strongly Satanic, which is why the Antichrist is the son of Satan-Lucifer, although it is possible that the Antichrist appears in the body of a CIS girl (I'm not sure about this). The spirit of the Antichrist always relies on the spiritualization of Satan-Lucifer, and the opinion of the Antichrist always carries weight in our world. This occurs through the informational egregors of humanity, the spiritualization of all humanity, and the Black Magic of Satanism. If we consider the information field of our world as an egregor, then the opinions of different people change it, and this is not a figment of the Antichrist's imagination—it is a fact. Informational influence changes our world, and Satanists change it especially powerfully. Antichrist Slut Sodomia formulated several theses to debunk the myth of Baphomet:

1. The Antichrist is the son of Satan, therefore his connection with Satan is maximal, and instead of fictitious religious dogmas, the Antichrist is genuinely inspired by the Spirits of Hell. This makes the Antichrist's words significant, and the Antichrist's influence operates through the egregor of the spiritualization of the entire human race.
2. All people are mortal, and all people are connected to Satanism, Satan, and their descent into Hell after death. You can argue otherwise, disbelieve it, or be against it. But the subjective and egoistic opinions of creatures do not influence the WICP or Satanism. There are currently 8.3 billion human beings in the world.
3. Satan can take any form. Baphomet is the canonical form of Satan, no matter who tells you otherwise. The strange claims of the creatures that Satan cannot take the form of Baphomet are simply unfounded.
4. The Black Goat or the Horned Dark Figure are prototypes of Baphomet. It is in this form that Satan-Lucifer comes into our world incarnate to his Satanist children. The appearance of Satan incarnate is a rare and magical phenomenon that does not occur regularly or at the request of viewers.
5. Baphomet, as an image of Satan, does not have a clearly defined form or canon, but the image of Baphomet is quite widely recognized throughout the world.

The main qualities of Baphomet (the Antichrist cites two main qualities):

1. Bestiality symbolizes man, and zoophilia symbolizes man's love for animals, including sexual love. Evil is lying to you about zoophilia – there is nothing wrong with this phenomenon. The evil lies precisely in those individuals of the human species who force their opinions on you, including the idea that bestiality is something horrific and immoral. Bestiality is part of the paradise that was stolen from humanity by the organized evil of these spiritless creatures.
2. Baphomet's transgenderism and transsexuality indicate that Satanists belong to the LGBTQ+ community. Yes, heterosexuals can also be Satanists, but this is more the exception than the rule. Not all members of the LGBTQ+ community are equally inspired by Satan-Lucifer. The most inspired are transgender and transsexual people. Antichrist Slut Sodomia wrote about this in more detail in the grimoire "Gay Lust." The grimoire is the leading magical book of gay Satanism from Antichrist Slut Sodomia.

The remaining qualities of Baphomet are optional and not required. The Antichrist published the "Tranquility of the Non-Sexual Baphomet" in the very first issue of the SatanArt almanac-album #1. This album contains puritanical, non-erotic, and non-pornographic icons of Baphomet. In the current SatanArt almanac-album

#46, Baphomet-Satan is presented as a sexual figure, and the Antichrist has selected canonical icons for this figure. What does the term "canonical icons" mean? By the term "Canonical Sexual Satanic Icons of the Baphomet of Gay Satanism," Antichrist Slut Sodomia refers to paintings and drawings subjectively selected by the Antichrist, which I personally consider icons of Satanism. There are many images of Baphomet and Satan, but not all are equally good and not all have a visual impact on the viewer. I call gay paintings that embody Satanism and best express the Spirit of Satan-Lucifer icons of gay Satanism. I hope I've clarified this simple point ☺.

Baphomet embodies complex meanings rooted in duality, balance, and spiritual awakening. Baphomet represents the unity of opposites. Its imagery combines both masculine and feminine elements, demonstrating harmony between contrasting forces. For example, Baphomet's goat head symbolizes the animal side, while its human features reflect intellect and spirituality. This balance symbolizes the importance of embracing all aspects of oneself, which fosters a deeper understanding of existence. Furthermore, Baphomet is often depicted with one arm pointing upward and the other downward, illustrating the concept of "As above, so below." This idea encourages awareness of the interconnectedness of the material and spiritual worlds. By acknowledging the existence of both worlds, you foster a more holistic worldview that embraces diverse perspectives.

Baphomet also symbolizes spiritual enlightenment and personal transformation. His image serves as a reminder to seek knowledge and explore diverse belief systems. Engaging with Baphomet's symbolism allows one to challenge established notions and transcend societal norms.

Embracing this path often leads to a deeper connection with one's own spirituality. Many modern practitioners view Baphomet as a guide to self-knowledge and personal growth. By interpreting Baphomet's meaning through the lens of your own unique perception, you can gain a deeper understanding of your spiritual path.

Baphomet exerts significant influence on contemporary spirituality, particularly within alternative religious movements. Its symbolism appeals to those seeking to challenge traditional beliefs and achieve personal freedom. Many occultists view Baphomet as a personification of self-improvement and spiritual quest. Rituals often incorporate Baphomet imagery, encouraging followers to confront their inner conflicts and embrace their complexity. Events such as the Satanic Temple also highlight Baphomet's role as a symbol of resistance to institutionalized religion. This connection to contemporary spiritual practices underscores Baphomet's continued relevance and appeal in today's spiritual world. Numerous misconceptions complicate understanding the image of Baphomet. You may encounter statements that directly equate Baphomet with devil worship or demonic forces. However, Baphomet's origins are more closely linked to themes of duality and balance than to malevolence. The goat-headed figure symbolizes the unity of human and animal traits, encouraging the acceptance of all aspects of existence. Viewing Baphomet through the lens of evil limits its richness and complexity¹.

The reason Baphomet is now considered a symbol of the trans community lies in an image created by Eliphas Levi in 1856, who wanted to symbolize balance and therefore depicted Baphomet as a hermaphrodite with male and female sexual characteristics, half human, half animal, and personifying good and evil. Baphomet and Satanism have no connection with the medieval Christian sect of the Knights Templar, as the beasts

promote and are echoed by various bloggers and journalists of our time. The Antichrist wrote about this in SatanArt #1, in the improved and supplemented edition V1.1.

A short introduction to Satanic sexuality.

The relationship between religion, spirituality, and sexuality has been studied by researchers for decades, with much of this research conducted in the last 15 to 20 years. During this time, some studies have found that religion and spirituality may have some positive effects on sex life, particularly in the context of marriage (Hernandez-Kane & Mahoney, 2018), although others have found a predominantly negative effect of religion and spirituality on sex life (Grubbs et al., 2020; Perry, 2018; Perry & Whitehead, 2019). A common feature of previous research on the relationship between religiosity and sexuality is that these studies tend to use samples consisting primarily of people who adhere to traditional, evangelical, or sexually restrictive or sex-negative religions. While these samples may be more accurate representations of the population's religious distribution (Schlosser, 2003), they do not shed light on the experiences of people from religious minorities. One such minority religion, often ignored in the psychological literature, is modern Satanism.

Sex, magic, and mystery have long been closely linked in the Western imagination. Since at least the early centuries of the Christian church, sexual promiscuity was often believed to go hand in hand with experimentation in the occult arts and secret rituals. Conversely, heretical religious groups were commonly accused of the most depraved sexual practices. One of the most common accusations leveled against the Gnostics by the early Church Fathers was the accusation of hedonism and sexual promiscuity in their obscene rites, and this accusation of sexual promiscuity and obscene rituals was repeated throughout the late Middle Ages. Although the general connection between sex, magic, and liberation has a long history in Western religious consciousness, the practice of sex magic as a specific, detailed technique appears to be a relatively recent invention. Even if traces of erotic magic and ritual sexual acts are found in medieval Kabbalah, Renaissance magic, and the writings of Swedenborg, the more developed art of sex magic is largely a product of the modern era. And it is closely linked to changing attitudes toward sex, love, and marriage over the past two hundred years.

Sexuality is an important theme in modern Satanism and has been celebrated since the religion's inception in the counterculture of the 1960s. Modern Satanism is extremely tolerant of any sexual activity (including masturbation, sex with multiple partners, fetishistic and kinky games, and sadistic-masochistic behavior), as long as there is consent (LaVey, 1969). Sexuality in the context of modern Satanism also serves spiritual purposes, as engaging in sexual behavior can be seen as an expression or confirmation of Satanic beliefs (Faxneld and Petersen, 2014; Sprankle et al., 2021). Engaging in sexual activity also provides Satanists with opportunities to violate traditional social norms (Faxneld and Petersen, 2014), which can aid Satanists in their efforts to rebel against traditional evangelical teachings.

Despite the centrality of sexuality in the teachings and beliefs of modern Satanism, sexual practices are largely idiosyncratic among Satanists (Faxneld and Petersen, 2014). However, two common, intersecting themes—liberation and magic—help define the boundaries of Satanic sexual views. Liberation refers to the use of sexual activity to express one's Satanic beliefs, as well as one's sexuality. This is typically accomplished through sexual acts typically considered taboo within traditional evangelical norms. Sexual magic is used by Satanists in more esoteric circles to promote spiritual transformation through the accumulation and release of sexual energy. This is achieved in much the same way as liberation, where Satanists resort to taboo sexual behavior to free themselves from traditional, repressive social, cultural, and religious norms and re-align themselves with a new state of spiritual enlightenment.

At first glance, it may seem surprising that modern literature on sex magic—much of which centers around a powerful ideal of social and political liberation—is also associated with a movement commonly associated in the minds of most modern Americans with political repression and the absence of freedom: fascism. In fact, one of the most influential 20th-century writers on Tantra and the spiritual aspects of sexuality was Baron Julius Evola, who also became one of the most influential figures in European fascism from the 1920s to the present.

By the mid-20th century, all the various currents of sex magic—from early accounts of Gnostic orgies and witches' sabbaths to the teachings of P.B. Randolph, Aleister Crowley, and Western versions of Tantra—began to merge and intertwine in a variety of powerful new ways. One of the most notable results of this fusion of magical traditions was the emergence of modern witchcraft. Known variously as Wicca, Wicca, the Craft, or simply neopaganism, these modern magical traditions have become some of the largest and most dynamic among the many new religious movements.

While the 1950s witnessed a new flowering of sensual spirituality with the emergence of neopaganism, witchcraft, and Goddess worship, the late 1960s gave rise to even more radical and transgressive forms of sex magic. As its founder, Anton Szandor LaVey (1930–97), noted, it is no coincidence that the modern Church of Satan was founded in 1966—at the height of the counterculture revolution, among a generation seeking to transcend the confines of American society through drugs, music, and sexual experience.

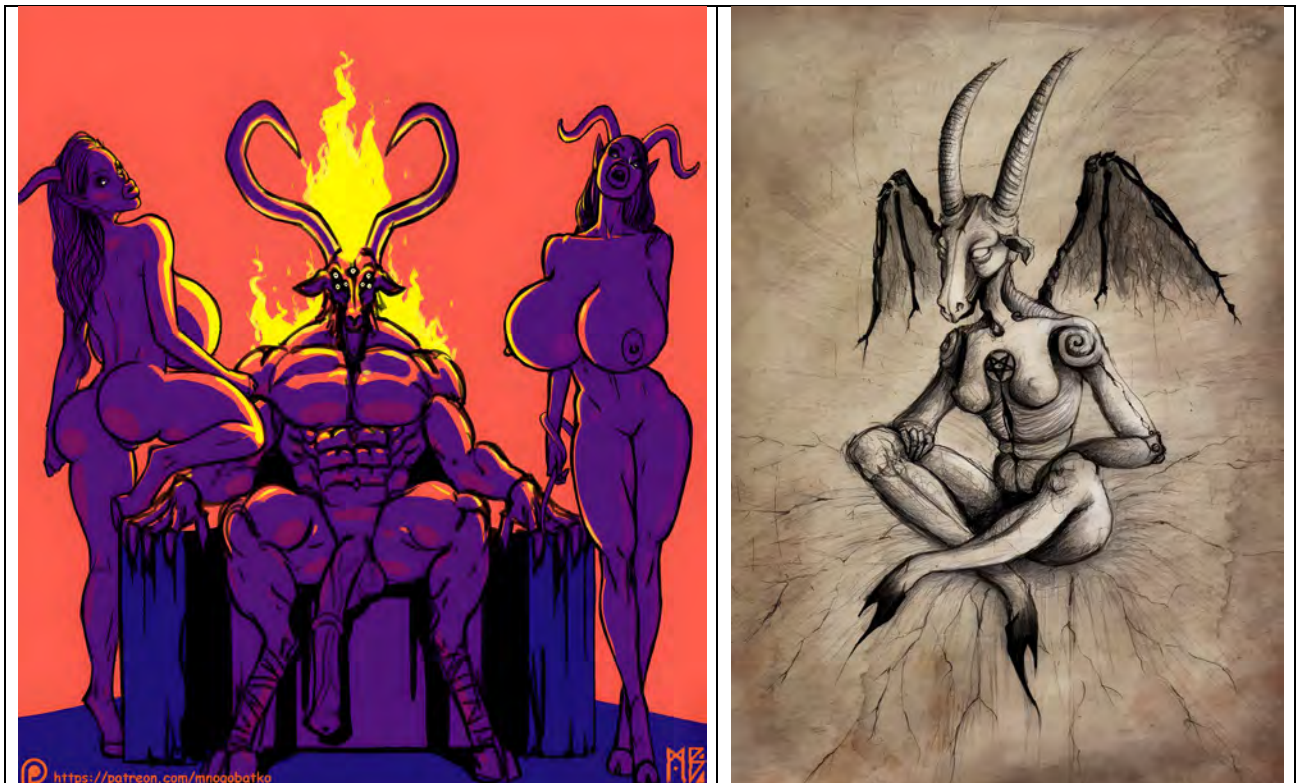

I'll quote part of an article from the Church of Satan's website (with a URL link to the source), regarding Satanism, sexuality, and Baphomet:

Modern Satanism may have emerged in the era of free love, but the founder of the Church of Satan took a broader view of individual liberation, eschewing the banal, obsessive desires that he believed oppressed many narrow followers of the sexual revolution. The new religion demanded that each person determine for themselves what was most beneficial; this could be complete asexuality or, equally well, insatiable lust. More significant, by Satanic standards, was the pursuit of personal fetishes. Fetishes were celebrated as creative expressions of personal eros, and the "Black Pope" was years ahead of the masses in recognizing their influence: "The prevalence of deviant and/or fetishistic behavior," wrote LaVey, "would astound the

imagination of the sexually naive." At a time when millions were suddenly seeking sexual enlightenment, the Church of Satan attracted many with its audacity. Master Peter Gilmore explains: "Satanism offered an opportunity for people to explore their sexuality without guilt, and the Church's stance on encouraging individual fetishes, which were considered 'forbidden sex' at the time, attracted them. But once they joined and realized it was up to them—we didn't provide sexual partners for their supposed explorations, and sex wasn't emphasized as anything more than a natural function—they left to join organizations that viewed sex as their primary reason for existence."

Fear of the Devil has been used for centuries to sell religious merchandise, usually with some salacious erotic element added. From a Judeo-Christian perspective, human carnal nature is sinful, despite relatively recent attempts to "modernize" theism, largely due to the influence of Satanic thought on culture at large. Are followers of the Lefthand Path a bunch of degenerate, slaving sex maniacs performing dark and filthy rituals in sinister underground caves? Well, yes and no. "Satanists tend to view sexual activity as a normal function—like eating—and don't obsess over it, as many people do whose lifestyles restrict sex to the ways sanctioned by their belief system," says Gilmore. "Therefore, ritualizing sex is generally not part of Satanism. Because we are connoisseurs of our preferred pleasures, we prefer sex in its finest conditions, which, in my experience, are unlikely to be found in a ritual chamber—just as we wouldn't 'ritualize' a gourmet meal."

Are all Satanists into BDSM? Those who follow fashion might assume so. After all, Baphomet symbols and similar occult symbols have become firmly entrenched in the popular consciousness as prominent "bad boy" icons, a convenient visual symbol alongside images of leather-wearing enthusiasts and bikers. But the truth isn't so simple. "While I believe sexual role-playing is important to many Satanists, I don't think they limit these roles to typical BDSM situations," says Church of Satan Grand Master Ruth Waitz².

Sex and Satan are inextricably linked in modern culture. Popular films such as *The Witches of Eastwick* (1987), *The Devil's Advocate* (1997), and *Bedazzled* (the 2000 remake) depict an intimate relationship between a sexually charged Prince of Darkness, carnal power, and willing followers. Earlier, in the 1970s, some of the

most famous pornographic films, such as *The Devil in Miss Jones* (1973), perpetuated the same idea, as did the short-lived men's magazine *Satan* (1957). The sexy devil and lustful witch are perennial favorites at Halloween parties, confirming some unspoken sexual undertones to the diabolical. A sexual Baphomet is a popular image among contemporary gay Satanist artists. Baphomet's heterosexual lust is replaced by LGBTQ+ sexuality, especially transgender lust. The Antichrist, Slut Sodomia, dedicated her grimoire, "Gay Lust," to this issue—it details gay sexology combined with Satanism.

The Antichrist wants to point out that sexuality in Satanism is always linked to magic. However, the word "magic" is not a gimmick or a fiction. For example, the informational influence of books, the internet, films, media, propaganda, and computer programs on our world is also magic. This is not surprising and is considered a natural process. Here's an excerpt from the Wikipedia article "Sexual Magic":

Sex magic is any form of sexual activity used in magical, ritual, or other religious and spiritual practices. One practice of sex magic is the use of sexual arousal or orgasm with the visualization of the desired result. One of the premises advanced by practitioners of sex magic is the concept that sexual energy is a powerful force that can be used to transcend our habitual perception of reality. The earliest known practical teachings on sex magic in the Western world date back to the 19th century and are attributed to the American occultist Pascal Beverly Randolph (1825–1875). The son of a wealthy Virginian father and a slave mother, he was a

renowned spiritualist greatly influenced by the work of the English Rosicrucian and phallicist Hargrave Jennings.

Randolph developed one of the most influential systems of sex magic. He believed that the moment of orgasm is the most intense and powerful experience a person can experience in life, for at this moment the soul suddenly opens to the divine world, and the breath of God penetrates it. He said, "True sexual power is the power of God." Thus, the power of orgasm can be used by men and women for various purposes, both worldly and spiritual. Randolph insisted that for magic to be effective and prayers to be answered, both partners must achieve orgasm simultaneously. (The Antichrist disagrees, especially given the fact that many people engage in sexual rituals with dildos alone. Achieving orgasm in a couple is impossible, as it is a solo ritual of anal or vaginal masturbation.) Alister Crowley wrote extensively on the topic of sex magic. Some of these works were published and became available to the general public³.

I found an interesting article online, "Queering Satan: The Politics of Sex, Gender, Visibility, and Fear in Paradise Lost." I'll quote a passage from it:

For millennia, Satan has been a popular figure representing transgressive forces. In John Milton's *Paradise Lost*, Satan is a dynamic character, simultaneously visible and invisible, manifest and ephemeral, male and female. By analyzing competing Protestant and folkloric interpretations of the Devil's relationship to invisibility and visibility, interpreting changing views on gender roles and biological sex in the 17th century, and exploring the relationship between demonology and gender, I establish that Milton's Satan is "queered" through his subversion of socially imposed binary oppositions. Throughout the text, Milton simultaneously plays upon and resists contemporary Satanic cultural themes. Ultimately, his radical reinterpretation creates a Satan who exists as a transgressor against contemporary notions of gender and sexuality.

Satanic images and caricatures that had existed in England for centuries largely focused on visibility and the grotesque, with later interpretations preserving Satan's ugliness, freeing him from the constraints of corporeality. Milton reinterprets these historical depictions to present his Satan in *Paradise Lost* as a transgressive, inherently gendered, and sexualized force. The pre-Miltonian Satan of the 16th century and medieval folklore existed as a chaotic collage of repressed and realized social anxieties. In both art and literature, Satan possessed "both human and animal features" and could appear as "a young man or woman," thus manifesting in a naturally transgressive form that challenged contemporary gender dichotomies and was striking in its deviation from conventionally attractive standards of appearance (Aldridge 232). For example, Satan could "transform" from an aesthetically acceptable form, such as a "handsome man," into something grotesque, such as a "horrible monster" (Aldridge 243). It is precisely visibility that distinguishes Satan as a force of evil, and in particular as... Embodied visibility: alternately gendered, sexualized, humanized, and animalistic, and sometimes all at once. Through these transformations, Satan is defined by his visibility and, by extension, his grotesqueness. In contrast, the Protestant revolution of the mid-seventeenth century led to a radical reconceptualization of Satan as an invisible, incorporeal force—concepts with which Milton was familiar, and which freed his Satan from the constraints of physical form (Aldridge 236).

Paradise Lost features a clear tension between Satan's visible and invisible natures: as Milton put it, it is a tension between his connection to the solid "Earth" and the amorphous "Air," a curiosity about physical form that echoes the pre-modern idea of the Devil as a being capable of "possessing the minds of believers by manifold manifestations," coupled with the power for endless machinations through formlessness. In Puritan narratives discussing Satan's mastery of invisible machinations, Satan transcends the limitations of "corporeality" and enters the realm of the invisible and omnipresent, which can be seen as an antipodal, evil, subversive attack on God's omnipotence. However, even when the Puritan Satan operates in the shadows, he is still inextricably linked to the visible world, projecting visions of himself as an "agent of private

temptation" to sin in every possible way, including the temptation to adultery. The concept of Satan as a "tempter" connects him with the ancient idea of the "temptress." In the scene where Satan first tempts Eve in a dream, she "dreams" of his "gentle voice," which is not Satan's body and is associated in her mind with Adam. When he appears to her, he takes the form of an angel, "like and winged to one of those from heaven / Which we often see; "His dewy locks are filled with ambrosia." However, here he is not a physical embodiment, but a "dream," a mere ephemeral object existing between the physical and the imaginary. Whether he chooses to assume this form in Eve's mind or whether Eve herself creates this image remains unclear. If this is his choice, it reveals Satan's desire for an alternative body that, compared to his current grotesque form as the accursed "Leviathan," is simultaneously more sexualized and more appealing in embodying a certain gender ideal.

By combining folkloric notions of a "visible" Satan with newer, Protestant notions of an "invisible" Satan, Milton creates a radically new characterization that simultaneously unites two perspectives and reimagines them into something entirely new. But even when Milton's Satan operates through "invisible" mechanisms, he is still inherently associated with visual descriptions. As Peter Dendle explains, "Medieval folklore and emerging Protestant ideologies created a paradox of the Devil as embodied and disembodied: 'On the one hand, Satan is a person, subject to spatio-temporal laws and therefore limited to one place at a time; on the other, he is a spiritual entity of such unimaginable scope and power that he can be said to indwell all sinners and all sin throughout the world.'" This paradox is apparently resolved by Milton by combining these two powers in his character of Satan—a reinterpretation of the canon that is itself a transgressive act⁴.

I'll quote an excerpt from one study that I'd like to analyze in SatanArt #46:

Because very few studies have attempted to empirically describe the sexual experiences of contemporary Satanists, we set out to begin filling this gap in the literature. To assess how Satanists perceive themselves sexually, we developed three research questions:

1. What behaviors comprise Satanists' sexual repertoire?
2. Does the strength of Satanic identity predict sexual self-esteem?
3. Does the number of years spent in Satanism predict sexual self-esteem?

Since Satanism is a sex-positive and sexually non-repressive religion, the first question was designed to determine what types of sexual behaviors Satanists engage in. The second question aimed to determine whether the importance of Satanic identity influences feelings of sexual self-esteem or anxiety. The third question was formulated because Satanists are typically not born or raised as Satanists; rather, they typically convert to or embrace Satanism later in life. Therefore, we were curious to know whether the length of involvement in Satanism would impact a person's sexual self-esteem or anxiety, as sexuality is an important part of Satanic values and beliefs⁵.

The more extensive text portion of this SatanArt #46 almanac will be prepared in the second, commercial version of this publication, V1.1. Gay Satanism publications are sold in Gay Satanism online stores in excellent digital quality and in various digital formats—as e-books and as source materials for printing paperbacks. The topic of Satanic sexuality is quite extensive. In the first version of SatanArt #46, the Antichrist Slut Sodomia wrote the basic theses for understanding Satanic sexuality and Baphomet.

DEDICATION-ABSTRACT OF THE ALMANAC OF VISUAL ARTS OF GAY SATANISM SATANART №46.

Antichrist Slut Sodomia dedicates SatanArt #46 to a theme that continues SatanArt #1. Both albums are dedicated to Satan in the form of Baphomet and contain images of gay Satanist icons, according to Antichrist Slut Sodomia. Baphomet is an image of Satan because Satan can take any form. Of course, some self-appointed "experts" believe Baphomet is not an image of Satan, but this is their private, personal, and subjective opinion. Antichrist Slut Sodomia considers Baphomet an icon of Satan-Lucifer and has selected the most iconic images for you. The image of Satan in gay Satanism has no specific form, but animality and transsexuality are harmoniously combined in the image of Baphomet. Common puritanical icons of Satanism depict Baphomet as calm and non-lustful. However, in SatanArt #46, the Antichrist selected icons of Baphomet that are filled with lust and sex. Erotic paintings better convey the Satanic aesthetic, while pornographic lust, through visual absorption of information, has a stronger impact on the viewer. Viewing SatanArt paintings from the Antichrist brings one closer to Satanism, filling one with Satanism. In the personal opinion of the Antichrist and Satanism in general, there should be no age restrictions for erotic and sexual publications. However, our world is overrun by evil and degenerates of various kinds who want to limit children's exploration of their sexuality by banning erotic and pornographic images in art. Therefore, the Antichrist divided all SatanArt albums into two categories: puritanical and sexual. This SatanArt album #46 is a sexualized version of the Baphomet Icons album. There are no particular perversions in the album, only classic animated erotica and satanic pornography. Personally, I believe this album is suitable for children to study, as there is nothing wrong with the almanac. However, banning children under 18 from studying erotica and pornography is the criminal activity of fascists, moralists, and religious sectarians. The State Organization of the Red Army (GOPG) has imposed such restrictions in virtually every corner of the captured and occupied planet Earth. Sex, lust, and erotica free people from the bonds of evil and the dogmas imposed by evil. That's why all evil is so afraid of satanic erotica, especially LGBTQ+ pornography and satanic lust in paintings. Read, watch, and be inspired.

Books, grimoires, and the art of Gay-Satanism are available on the official website: <https://666.pictures>

Each SatanArt album will contain 100 drawings from the main album, which I will accompany with a text description. In addition to the main album, the Antichrist Slut Sodomia will use three other types of graphic material, which will be included without a text description:

1. Vignette images. These are graphic files related to the album's theme, but with simplified graphics. These will primarily serve as a "warm-up" for the reader, with explanatory posters or witty posters related to the album's theme.
2. Images of decorative elements and conceptual posters of gay Satanism. These are graphic files related to the almanac's design or general themes of gay Satanism. Connection to the album's theme is not required.
3. Publicistic and documentary images on gay parades, LGBTQ+ pride marches, carnivals, gay agendas, images of Satanists, tattoos, and gay paraphernalia. THIS GRAPHICS SECTION WILL BE INTRODUCED FOR THE SECOND VERSION OF THE SatanArt almanac albums, V2.0+. I will not be using it in the first versions, V1.0 or V1.1, of the SatanArt almanacs, reserving it for later, for the commercial publication of the books, as bonus content.

Each type of graphic material will contain up to 100 drawings, photographs, or decorative posters of Satanism and LGBTQ+. The vignette images serve as graphic decoration and a meaningful graphic supplement to the text⁶. The drawings of the decorative posters are the most laconic and symbolic design elements of SatanArt publications. Unlike the images in the album itself, all vignettes and drawings of the decorative posters are provided without descriptions. For the vignettes, I will use simple, decorative, and self-explanatory images, for which the Antichrist's explanations are unnecessary, or you can create your own. Documentary photographs on the topic of gay Satanism will serve as a pleasant supplement to the main content of SatanArt issues, but will not be related to the main theme of the almanac. This will be bonus content to enhance the mood of my readers—LGBTQ+ Satanists—and I plan to include them only in the "Significantly Supplemented and Improved" issues of SatanArt V 2.0.+.

**THE DOCTRINE OF ABSOLUTE HONESTY OF BUYERS
BY THE ANTICHRIST SLUT SODOMIA.**

The Antichrist Slut Sodomia has posted some albums of the Puritan editions of the gay Satanist almanac SatanArt (Nos. 1-30, Puritan albums, Version 1) on public Internet platforms as free e-books in PDF format. However, not every issue of the gay Satanist almanac SatanArt is available free of charge in high quality or in full. All issues of SatanArt almanacs are sold on gay Satanist online stores as digital ZIP archives. The ZIP archive includes the original files in DOCX and PDF formats, plus individual images from the collection in JPG, PNG, and WEBP formats, all in high quality. You can find SatanArt almanacs from the Antichrist Slut Sodomia using search engines such as Google, Bing, and DuckDuckGo. The digital store for gay Satanist publications operates on the principle of absolute buyer honesty, i.e., The buyer receives the goods first and only then pays with cryptocurrency. This is rare in the modern world. Complete versions of the "Gay Lust" grimoire, for reading or publishing in paper form, are also available for purchase on the Gay Satanism Store website. To publish books and almanacs in paper form, you will need the source files, in DOCX format, for layout and for correcting minor grammatical, syntactic, and other technical errors.

The renaming of the "Gay Satanist Art Magazine" to the "Gay Satanist Art Almanac" was done because this form of literary work better reflects the essence of SatanArt publications:

⁶ [https://en.wikipedia.org/wiki/Vignette_\(graphic_design\)](https://en.wikipedia.org/wiki/Vignette_(graphic_design)) Wikipedia. Vignette (graphic design).

1. Each SatanArt issue is dedicated to a specific theme, which is more similar to literary almanacs than to almanacs. The Antichrist has outlined many different themes for SatanArt almanacs to cover. The one that connects them all is gay Satanism. All almanacs are divided into PURITAN issues and SEXY issues. This choice is based on the issue's theme and illustrations. Puritan almanacs will not contain pornography or explicit erotica. Such e-books can be posted on many public Web 2.0 sites⁷.
2. SatanArt is not published regularly, but I hope it will be more than once a year. I plan to publish 6-12 almanacs per year.

The second change concerns the free distribution of the first versions of new SatanArt almanacs. There will be a free version and a commercial version of SatanArt, in PDF format. The differences between the free NON-COMMERCIAL version of the new SatanArt almanacs and the COMMERCIAL version are as follows:

1. All first versions of new SatanArt almanacs will be distributed free of charge online, so that anyone can access them without payment. Free SEXY versions of SatanArt cannot be posted on every public online platform, as pornographic/erotic books are prohibited on many public Web 2.0 websites. Please keep this in mind (the Antichrist doesn't like the puritanical rules of site owners, but these are their sites, therefore their rules).
2. The preface in the free version of the SatanArt almanac will be limited to 3-5 pages of topic description. In the commercial version, which I call the SECOND VERSION, the preface will be expanded and expanded six to ten times, turning the almanac into a book. The second version of the Gay Satanism publications is an improved and expanded version of the first version and is the COMMERCIAL VERSION of the Gay Satanism publications. It can be purchased in Gay Satanism stores.
3. The Antichrist will only make available free PDF versions of SatanArt, which have compressed images, a loss of image quality, and are suitable for viewing on a monitor or mobile device, but not for high-quality printing. These will be SMALL FREE versions of the almanacs. These small PDF versions are approximately three to five times smaller than their commercial counterparts in maximum quality.

⁷ https://en.wikipedia.org/wiki/Web_2.0 Wikipedia. Web 2.0 = Websites that emphasize user-generated content.

4. Paid versions of the SatanArt almanacs will be available in maximum quality, in DOCX, PDF, EPUB, and DVJU formats, and will be sold for a fee on Gay Satanism stores. These COMMERCIAL editions are intended for publication on paper, in print, or for collectors of high-quality e-books.

Commercial versions of Gay Satanism books and almanacs will be sold in the Antichrist Slut Sodomia stores. This is my plan to monetize my literary work on Gay Satanism. The Gay Satanism digital edition store accepts cryptocurrency payments, but payments can also be made by traditional bank card through reliable cryptocurrency wallets or reputable cryptocurrency exchanges. More information about cryptocurrency and its importance can be found at the end of SatanArt almanac from the Antichrist Slut Sodomia. Cryptocurrency is the future! Анонс нового сигила. Во время работы на текущим альбомом альманаха SatanArt, 12.05.2026 Антихрист Сука Содомия решила сделать новый личный сигил с девизом Антихриста Суки Содомии:

Текст астрального девиза Антихриста Суки Содомии:

THE LAST STAR DIES IN SILENCE

Внутри сигила помещу Дьявольский крест, называемый Крест беспорядка. Этот крест, Антихрист впервые опубликовал в альманахе SatanArt №21, рисунок 1. Новый личный сигил Антихриста содержит внутри себя, два «старых» сигила Антихриста Суки Содомии (которые я сделал ранее), в инвертированной форме.

Данный альманах-альбом гей-сатанизма является «Сексуальным изданием» и это значит, что он содержит откровенные сцены эротики и порнографии, в анимационной художественной форме. Для Антихриста Суки Содомии такой жанр является самым любимым, но не все пуританские и ханжеские сайты с публичным доступом WEB 2.0. могут разрешать публикацию этой электронной книги на своих площадках в Интернете.

Picture 4502. Satan-Baphomet fucks Satan-Lilith. Family sex in Hell, if we consider Lilith as Satan's lover or wife. Considering that Satan can take any form, such a scene is possible and good. The Antichrist already wrote that Lilith is the female form of Satan-Lucifer.

Discussions of Baphomet's sexuality often overlook the fact that Baphomet was conceived as an alchemical union of the adversary. In historical Hermeticism, the Rebis, or "divine hermaphrodite," represents the seeker's ultimate goal. The modern version of Baphomet, viewed through the lens of gender fluidity, brings this ancient concept into the present day, providing a model for a more nuanced understanding of identity. Throughout history, many cultures have venerated deities who change gender or possess both. Comparing these archetypes helps explain why a transgender Baphomet resonates with modern audiences seeking historical precedents in their own experiences. In modern society, symbols are often used to represent marginalized identities.

The image of Baphomet the Transgender often arises from a modern reinterpretation of these classic symbols. In occult traditions, the god's "androgynous" nature is not simply physical but symbolizes a realm of knowledge that transcends binary limitations. The story of Baphomet the Transgender serves as a powerful metaphor for the transgender and non-binary experience: the struggle for existence between established family and the inevitable transcendence of these labels. Occupying an infinite space that refuses to be "just one thing," the body becomes a mirror for those who seek to define their own essence beyond the confines of traditional social understanding.

Picture 4530. Two Baphomet Satyrs are having sex in a fit of gay lust. The theme of satyromania is quite popular among heterosexual Satanist artists. Gay Satyrs are canonical symbols of gay Satanism. Contemporary artists depict Gay Satyrs having sex, while ancient masters depicted Satyrs in erotic heterosexual encounters with nymphs.

The painting "Nymphs and a Satyr" was first presented to the public at the Paris Salon of 1873. In 1882, it was purchased at auction in New York by Edward Stokes. After Stokes's death in 1901, "Nymphs and a Satyr" was acquired by a religious moralist who hid it from the public in a Manhattan Storage Company warehouse, where it remained undiscovered for nearly 40 years. The image of nymphs combines beauty, femininity, a connection to natural forces, and magical appeal. They were not goddesses, but they occupied an important place in the pantheon of spirits and exerted an influence on people.

Baphomet may not only have a goat's head, although this is the most well-known image. Transgenderism is part of the symbolic ode to Baphomet, as this androgynous symbol is portrayed as a signal of a revolutionary heretical tradition that espouses the "liberation of humanity" and the establishment of a perfect social order, incorporating the ideals of romantic and utopian socialism. Transgenderism also symbolizes a new era of population reduction through numerous methods that have been used for over fifty years but are only now beginning to bear fruit. To understand the modern association with gender reassignment, one must first turn to Eliphas Levi's 1856 work, "The Sabbath Goat." Levi's image was not intended to illustrate a real being, but rather as a hieroglyph of the absolute. Baphomet is known to combine both masculine and feminine features: a woman's breasts, the priapic staff of Hermes, and the mesomorphic torso of a man. This combination was believed to represent the rule of "Solve et Coagula" (dissolve and coagulate), suggesting that spiritual enlightenment requires the unification of opposing forces.

The second possibility is that Baphomet brings entropy to Puritan hypocrites and creatures of evil through defilement with lust and sadism. From the perspective of the Antichrist, both options are possible. Satanic masochists seek pleasure from torment, while the creatures of evil are destined for entropy and the desecration of their false dogmas.

As society increasingly acknowledges the complexities of gender and identity, a rethinking of living icons is inevitable. Baphomet, a symbol of transgenderism, represents a bridge between ancient supernatural wisdom and contemporary queer theory. By analyzing it from both historical and contemporary perspectives, we gain insight into the vibrant human quest to find representation for those who defy simple classification. By drawing on the fluidity of the body, we encourage individuals to move beyond superficial appearances and seek self-understanding. This journey toward wholeness is the true core of the archetype, proving that the most profound symbols are those that form alongside our own understanding of what it means to be human in an ever-changing world. Traditional Christian demons such as Satan, Beelzebub, and Asmodeus are almost always depicted as male in religious and occult texts. This is also true for succubi, who, despite taking on female form for sexual intercourse with men, are often still considered male creatures⁸. Gay Demons and LGBTQ+ Satanists have always existed, but only in our time (according to the Antichrist, since 2000+) transsexuals began to be born en masse.

A gargoyle is a fantastical and terrifying monster whose design is inspired by the appearance of bestial grotesque statues in architecture, particularly those created to decorate Notre Dame Cathedral in Paris during its 19th-century reconstruction, rather than by actual medieval statues. Its name derives from the architectural element, the gargoyle, which is often mistakenly identified with monstrous grotesques in general. Although such statues were believed in mythology to ward off evil spirits, the idea that they physically come to life is a relatively recent development⁹.

INFORMATION ABOUT THE SATANART GAY SATANISM VISUAL ART ALBUMS-ALMANACS AND GAY SATANISM

KEY THESES FOR UNDERSTANDING SATANIC IMAGES IN ART

Gay Satanism is not a religion or a sect. Gay Satanism is the spiritualization of man by Satan. This term has another meaning. Gay Satanism is a creative direction of the artistic genre created and developed by the Antichrist Slut Sodomia. I do not want gay Satanism to become a religion, but I want it to become a fan movement for the liberation of one's own consciousness from the shackles of the evil of our world. Under the auspices of Satan, with the Antichrist Slut Sodomia incarnate. Gay Satanism is for all people spiritualized by Satan. Not only for gays and people of homosexual orientation. All people spiritualized by Satan are disciples of our Teacher Satan. We are all Satanists. The difference between Satanism and religion of evil is that it is an individual spiritualization. Mass demonstrations under the guise of Satanism are impossible, because Satanists are introverts. Fake Satanists of the future will gather herd gatherings of pseudo-Satanists (football fans, music fans, fans of the SOCG¹⁰ or religion). A meeting of real Satanists is a sexual orgy or a sabbath of unity with nature in the nude. Other

types of mass demonstrations of belonging to Satanism are fiction and a parody of Satanism.

Satan is good. Satan is the Tamer of evil. Satan is revenge for evil in our world. Satan is Joy, Pleasure and Happiness. For the evil forces of our world, Satan is the main enemy. Satan is an image in the consciousness of man and a mystical experience of connection with the spirits of another dimension, which is called Hell.

¹⁰ SOCG is an acronym that stands for the true meaning of state. State Organized Crime Group. The term was coined by Antichrist Slut Sodomia for the Gay-Satanism grimoire "Gay Lust".

For Satanists, Hell is their home. Connection with the spirit of Satan occurs at the quantum level. Modern science already studies and uses the quantum level for applied tasks. Satan is the main spirit of Hell, the Lord of critters, the Teacher of Satanists. Satan is not a god. Satan is the Spiritualizer, the source of black magic, the Alpha and Omega. Satan is the Adversary of evil and the Accuser of evil. Satan is the Father of all Satanists. Lilith is the Mother of all Satanists. Satan and Lilith are the sources of Satanic lust for all their Satanist children. Satan is the internal spiritualization of a Satanist, and not dogmas, sermons of priests or religious books. At the same time, Satanism does not deny the importance of biological parents.

Satan, Lucifer, and the Devil are one and the same image, phenomenon, and concept. They are not different characters, but a single sovereign being. The Devil is a collective term for all the images and forms of our Teacher Satan-Lucifer. Christians imagine the "fight against Satan and Satanism" as a harmless, masochistic torture, but they are mistaken. For them, Satan is a sadist. Only for Satanists is Satan a masochist, and the name of this form of Satan is Lucifer. Lucifer is the Devil in the form of a masochist, and Satan is the Devil in the form of a sadist. Lucifer is the historical form of the Devil, when His Spirit hovered over the Earth and evil had not yet bound the Earth with its fascism, evil gods, and their servants—religious sects with the SOCG. After evil took over our planet Earth, Lucifer was rejected by the evil creatures of our world, i.e., by the majority of people in our world who are not Satanists. Lucifer left our world in a clearly "public" form and moved to his abode, which is called Hell. Lucifer-Satan left behind a magical shield against the evil of our world, and this shield is called the Black Magic of Satanism.

I will refer to Hell with a capital H (Hell), as a proper noun, as the Hell in a parallel dimension ruled by Satan-Lucifer. Creatures enter Hell, with a capital H, after their physical death. Capitalizing the word Hell indicates life after death in another quantum reality, beyond our world.

Hell, with a lowercase h (Hell), as a common noun, I will refer to the existence of people in our world. In our overpopulated world, superimposed creatures suffer from evil, overcrowding, and their "superfluous" existence in our world. In hell, with a lowercase h, creatures live on planet Earth. The rulers of hell in Our world are the villains of the SOCG, billions of inanimate creatures, and religious sects. The absence of the Spirit of Lucifer-Satan in people fills them with evil. Paradise cannot exist where evil abounds and creatures without Satanic inspiration predominate. All creatures deprived of Lucifer's inspiration spread evil and give birth to evil.

Paradise is a place that humanity desires and wishes to build on Earth, in our world. Such a place already existed, but it was destroyed by evil. The word can be written with any letter, but it is best capitalized, because it is a specific goal and a specific place (we already recognize it). The contours of Paradise are clear to us, even if this place does not yet exist or has not been rediscovered. Paradise is a place on earth where there is no overcrowding, where people live in harmony with nature, where there are no organized crime groups, gangs, or fascism, and where most people are inspired by Lucifer. The key to creating Paradise is victory over the forces of evil. Such victory is possible only through receiving Satanic inspiration. The spirits of Hell bestow their inspiration on animal-humans. To accelerate the process of becoming inspired by Lucifer, one should take beneficial entheogens and psychedelics. These substances are non-addictive and strengthen human health and mental faculties. One of the goals of Gay Satanism is the return of Paradise to Earth, the restoration of Lucifer-Satan's good name, and the return of the Spirit of Lucifer-Satan to the throne of our world. The main opponents of Paradise and Lucifer are religions, evil spirits and their organized crime groups, fascists and their organized crime groups.

Lucifer is Satan, until evil took over our world, our earth (planet Earth), and expelled Lucifer from Paradise. God is evil, but the bearers of evil are superfluous, inanimate creatures. God is an abstraction of evil and its canon, but human beings with evil within are real objects in our world (called people or nations).

Darkness, the abyss - this is the world of soulless critters, their states, their stupidity. This is the occupation of planet Earth by usurpers of power in the form of the SOCG. This is the image of the evil of our world. In some cases, they mean the opposite, because it is the evil of darkness that gives birth to Hell, vengeance and Satanists. "Children of darkness" in this case mean Satanists. Also, the image of darkness can mean Hell for the forces of evil.

Light is Satan-Lucifer. Light is Satanism and Satanic spiritualization, bringing man closer to nature. This is liberation from the shackles of evil and this is the image of freedom. This is the image of the Tamer of evil in our world and in Hell.

Sadness, sorrow, regret - this is an indication of the understanding that evil has embraced the whole world and the Satanist has to live in our world, under the yoke of evil. The main sources of evil are: crowds of inanimate critters, SOCG. This definition of the term is specifically for Satanism and for Satanists. Also, these images can mean ordinary human emotions in relation to people.

Vengeance - this image is important for all Satanists. Revenge on evil in our world and in Hell. Inanimate critters, activists of the SOCG, deceivers of religions and other evil will certainly be subjected to revenge and information entropy.

Return of the land and return of freedom to people - this image is important for all Satanists. It means the overthrow of all SOCG and religions, cleansing the earth from inanimate critters, from their stupid and senseless evil. This is the image of cleansing the planet Earth from states and their totalitarianism.

Night is the image of the fact that a Satanist in the world of evil in our world, goes practically by touch. The light for him in the night is his Satanic spiritualization. Darkness thickens at night and light is needed most of all at night. The term night is similar to the term darkness, but does not mean evil itself, but uncertainty and difficulty in orienting oneself, acting, living without light. Lost, abandoned and forsaken - this image in Satanism means that Satanists are no longer in Hell and that Satan and the forces of Hell are not directly accessible to them. Only through Satanic spiritualization. It also means that in our world Satanists do not have their own magic for the instant destruction of evil, as in Hell, in Satan's dimension.

Religion is a dogma of worship of lies and evil. Religion is a substitution of true spiritualization by Satan for critters. All evil critters are deprived of spiritualization by Satan, therefore they replace Satanic spiritualization with God and religion. Religion is a sect, a community for critters for whom herd mentality is important.

God is the canon of evil, an example of a despotic, theocratic idol of evil. God does only evil and God is evil, even because he deprives man of true spiritualization by Satan, i.e. the true Holy Spirit. There have been many gods in the history of the human species. All gods of religion are united by malice, connection with the state and with the leaders of the SOCG.

Antichrist is a common noun, not a proper name. It is written with a capital letter, like the word Satan. The concept of Antichrist means the development of a high degree of Satanism in the consciousness of a person. The term Antichrist also means a Satanist who is close to Satan and the forces of Hell and has a high power of black magic. A synonym for the word Antichrist is the expression Great Magician of Satan.

Satanism is the spiritualization of people by Satan or other demons of Hell. Satanism can also be considered as a philosophical concept that opposes theocratic dogma and the state machine of lies, violence, prohibitions, imputed duties to evil, herd behavior. The main difference between Satanism and religion or other philosophical concepts is that the spiritualization of a person by Satan and the forces of Hell occurs from another dimension at the quantum level. Therefore, Satanism is an internal part of human consciousness, and not imposed dogmas of our world through the media, culture, propaganda, morality, prohibitions or

education. Satan's enlightenment comes to a person at birth or develops consciously, in later life. Satanism opposes the evil of our world and the lies of our world.

Satanic lust is a developed and perverted sexual attraction, a constant desire to have sex, a desire to corrupt oneself and others to free oneself from the prohibitions of evil. Satanic lust is not just a sexual feeling, but a special Satanic practice for knowing oneself, getting closer to Satan, and liberating oneself on an animal level. The peculiarity of Satanic lust (especially gay lust) is that Satanic sex is not aimed at procreation or at making new human offspring. Satanic lust is always aimed at receiving pleasure or for tantric meditation. Of course, Satanists can make children if necessary.

A Satanist is a person who has Satanic inspiration. Many clues about the lies of evil are given to the Satanist not only by the inner critical thinking, but also by the mental connection with Satan and the forces of hell. Satanic spirituality often gives the Satanist a feeling of introversion and individualism. Satanists and gays are always proud of their personal spirituality or the achievements of their spouse. Satanists and gays are proud of their Satanic spirituality and perverted lust. Satanists are proud of Satan.

An unilluminated (unenlightened) critter is a person deprived of spirituality. This is a zombie and a cog in the evil system. Inanimate critters are accomplices and assistants of evil. Unilluminated critters prevent Satanists and the entire human race from living happily, receiving spirituality from Satan. Inanimate critters love herd mentality and submission. They cannot live without territorial oppressors, enslavers and false information of evil. Such people make up more than 90% of the population of planet Earth. These people have instincts of survival and adaptation. These people have no connection with Satan or with the External Information Field of the level of awareness. Critters can be called a biological shell or imitation of real people. Critters always choose evil, herd mentality, conformism and speak in templates from media propaganda or voice the dogmas of religion.

The state is an evil system that has divided the entire world into territorial zones of influence and terrorizes people with its prohibitions, oppresses with prisons and physical violence, creates conflicts between criminal gangs and plunges people into wars between criminal gangs. The state is the main source of evil. The state is a materialistic sect with its dogmas, rules of conduct and a system of oppression of the individual. The state = international military criminal groups = occupiers of the lands of the Satanists = criminal gangs = SOCG.

Fascism is a form of social organization expressed by discrimination by the state against its own citizens, that is, under fascism the supremacy of the state over the individual is recognized. Fascism is a state. Fascism is a state vertical of power, a structure of power and the people who participate in it. A strong state = a fascist totalitarian regime. The word comes from the Italian fascismo, fascio - union, bundle, bunch, unification; fascio di combattimento - union of struggle. Fascism is also an ideology and a socio-political movement within the framework of authoritarian or totalitarian militaristic ultra-nationalism and a corresponding dictatorial regime with strict regulation of society and economy. All states strive to regulate everything and on any issue. To do this, they constantly spew out different laws from their cesspools. All states are fascist territorial sects with their own ideology, rules and methods of oppressing the individual. Fascism is a system of evil, in which a small group of people believes that they can dispose of other people, command people, deceive people through the lies of propaganda and the laws of submission to evil established by fascism. All SOCGs are fascist and their goal is material enrichment, social intraspecific elevation above other individuals of the human species and the possibility of oppressing people by psychopaths. All fascisms are built on the principle of SOCG. Real spiritual Satanists hate fascists, do not celebrate their fictitious holidays and try not to submit to this evil.

Fascists, officials, bureaucrats are the evil of the human species, in suits or other costumed special clothing, who work for fascism or profess the principles of fascism. These critters will receive such a reprisal in Hell that they will be ready to give all the money of our world to avoid entropy and retribution of the forces of

Hell. But, it will be too late. Fascists, officials, bureaucrats of the SOCG, who are not economic-social-municipal employees of society, are criminals. Only a small part of the fascists are involved in improving the economic-social-municipal economy of people, and the majority of fascists are useless and harmful criminals.

The laws of the SOCG and other territorial fascist groups (local governments, prefectures, regions of the empire) are mandatory rules established by evil for people, with the aim of realizing the goals of fascism. All SOCG and fascist communities have their own laws to regulate behavior in the territories occupied by fascism. Satanists understand that the laws of evil are created for inanimate critters, with the aim of their subjugation, stupefaction and material use.

The positive activity of organized territorial entities is the organized management of communal services that is useful for the society of people, the development of the infrastructure of the society of people, maintaining the cleanliness of the territory and other social actions that are useful for the life of people, on the part of economic and communal local governments, prefectures, regional centers of territorial management. This is not a state, not an empire and not fascism. The Antichrist Slut Sodomia supports such activities and does not consider economic management to be fascism or evil. Currently, most territorial administrations support the fascism of the SOCG and are part of it. In a (future) society without the SOCG, the activities of organized territorial entities should be only economic and auxiliary, without politics, propaganda, religion and criminal concentration of power.

A patriot is an active fascist or active Nazi of his SOCG. A patriot is a person stupefied by propaganda who believes that his SOCG is better than another SOCG and he, as a member of this SOCG or a nationality within the SOCG, must do something for his SOCG in a selfless desire. A patriot is a slave of the SOCG. It is important for a patriot to be well proud of the greatness of his SOCG or the greatness of his Nazism. The pride of a patriot is always groundless, stupid and not aimed at pride in himself or his spouse. The pride of a patriot is always impersonal and is pride in the evil of the state regime that has seized the territory of the critter's habitation.

Patriotism is a person's smearing in the evil of pride in the fascism of a group of politicians or the Nazism of a certain SOCG or union of SOCG. Patriotism is a method of stupefying people, in which one SOCG exalts its importance in the eyes of people over another SOCG. Patriotism is belonging to a certain and evil group of lovers of local fascism, i.e. occupiers of the territory. Sometimes, the delirium of patriotism occurs at a distance (beyond the borders of one's SOCG) - then the patriot raves about the greatness of his SOCG, while being on the territory of another SOCG.

Propaganda is a constant, massive and avalanche-like lie of the SOCG about its greatness and its particularly outstanding character. The goal of propaganda is to make a person stop thinking critically and make him believe that he has a duty to the SOCG. For example, a duty to die in a war for the ideas of the SOCG, which are invented by the top of the ruling regime of this SOCG. Or a duty to obey the SOCG gang or a religious clan. Propaganda can be state and religious. In the world of the developed civilization of the white race, since the 19th century, the propaganda of the SOCG prevails over religious propaganda. Among the savages and religious fanatics of the damned peoples, religious propaganda still leads.

External Information Quantum Field (EIQF) is a general term for processes and structures in our world and other dimensions that are invisible to the human senses but exist at the level of information (quantum or even more complex types of interactions). The EIQF, Hell, Satan, human consciousness, the Internet—everything that exists consists of some kind of information, and they are interconnected informationally and mentally. Modern human science as of 2025 lacks the ability to describe and study the EIQF, but this does not mean it does not exist. Quantum science and quantum computers already exist, but this is only the beginning of an understanding of the EIQF. The EIQF is not the same as the gods of religions, the Internet database, electronic information on planet Earth, or a paradigm. Beneficial entheogens help one see, hear, and connect

to the External Information Quantum Field. They allow one to overcome the barrier of perception beyond the normal human senses. Some people can sense the External Information Quantum Field even without the aid of entheogens. The External Information Quantum Field most closely resembles a global multiverse, represented as a gigantic set of information and the algorithms for its interaction.

All that exists consists of information, our world consists of information. The interaction between multi-universes occurs at the quantum-information level, faster than the speed of light. The speed of light is extremely small, compared to the level of quantum interaction between parallel dimensions.

Black holes are passages between universes. No gross matter can overcome a black hole. Only quantum information can pass through them. Through black holes, our world is connected with the world of Satan, i.e. with Hell. A black hole is a quantum tunnel for spiritualization by Satan.

The damned are people or entire nations who rejected Satan or committed atrocities for which the black magic of Satanism was imposed on them. Damnation manifests itself as degradation, decline, physical or mental torment, mental pathological state of doom, constant lies, stupidity, lack of talent, dirt, complicity with evil, religiosity. Evil is a marker of damned critters, it is the absence or rejection of satanic spiritualization, these are the deeds of critters to degrade their spiritualization. Evil is always filled with stupidity and lack of talent from spiritualization by the External Information Field. Evil critters are inanimate (unenlightened) biological shells, which are characterized by religiosity and a craving for herd behavior, under the leadership of the SOCG. The state, religion and dark herds of evil, selfish, inanimate critters are the main forces of evil in our world. The God of religions is EVIL. His main difference from Satan is his dogmatism, not his natural spiritualization of man. God forbids, Satan permits.

A faggot, a pederast, a slut, a bitch, a passive bottom are slang names for passive gays in a perverted form. I use all of these forms and they are all grammatically correct because this is the language of gay lust. The faggots themselves love such words. They love to distort these words; they love when these words are pronounced with humiliation. Analogues of these words in English: faggot, fag, looser, slut, bottom slut. A gay slut is a passive faggot who is not necessarily an MTF trans, but usually has a desire to become one. The term slut can be used to refer to any passive gays. The traditional desires of sluts & bitches are the desire to be fucked in the ass. Bitches want to fill their anal cunt with sperm and absorb sperm into themselves.

Anal cunt, cloaca, gay cunt – all these words are synonyms and mean asshole, intestine and faggot lust during anal sex. Such sexual words are used for faggot copulations, to add piquancy, perversion and depravity to them. A faggot's cloaca is an organ with two functions: to remove feces and to receive sexual pleasure. I like these sexual terms.

LGBT or LGBTQ or LGBTQ+ or LGBTQIA+ is an abbreviation for the words "lesbian", "gay", "bisexual", "transgender", "queer", "intersex", "asexual", "Asexual/Aromantic/Agender", plus additional categories of unusual people, their unusual ideas and extravagant communities. The Grimoire of Gay Satanism uses the designation LGBTQ+ — a community of sexual minorities and perverts united by common interests, problems and goals. It consists of various communication groups, communities, subcultural movements, queer neighborhoods and queer organizations. All designations are equivalent. In the grimoire, I use the designation of the LGBT community with an additional letter Q and a plus sign. The letter Q stands for queers, and the plus in the name means that I also include feminists and all other people with non-standard views in the community: zoophiles, pedophiles, watermelon lovers 😊 and other perverts. I believe that feminists are close in spirit to LGBTQ+ and are part of it.

Queer is a collective term used to refer to a person whose sexuality and / or gender identity differs from the majority.

MTF transwomen and dickgirls are fully transitioned gay faggots who identify themselves as female with a male penis (in original form). Large female boobs are an optional attribute for MTF transsexuals. The abbreviation MTF stands for Male-To-Female transgender transition vector. Trans transition is very important for Satanism. Almost all MTF transsexuals are inspired by Satan and are Satanists. There are several levels of trans transition, which Slut Sodomia highlighted in her grimoire of gay Satanism, *Gay Lust*. For more information on penisgirls, read Slut Sodomia's *Grimoire of the Antichrist*.

CIS, Cisgender - these terms (cisgender is often shortened to CIS; sometimes cissexual) describe a person whose gender identity corresponds to the sex assigned at birth, i.e. a person who is not transgender. The prefix cis- is of Latin origin and means "on this side". The term "cisgender" was coined in 1994 as an antonym to the word "transgender" or "non-binary person" and entered dictionaries in 2015 as a result of changes in public discourse about gender. The term is an analogue of old-fashioned expressions from past centuries regarding sexual orientation and gender of people: (normal ordinary woman) = CIS woman and (normal ordinary man) = CIS man. At the moment, any gender and sexual orientation of people is recognized as "normal". Among the advanced peoples of white civilization, our world, sexually retarded savage people, homophobes and transphobes are recognized as abnormal. A synonym for this term can be the phrase NON-TRANS, and an antonym NON-BINARY or TRANS.

Entheogens are substances of plant, fungal, chemically synthesized, or animal origin that allow a connection with the "entheos," that is, with the inner divinity, with the "divine principle" (entheo + genesis). This is the same Greek root of the word theology, Zeus (teus, deus), enthusiasm (in theos, "one who lives in the divine"). Entheogens or psychedelic drugs such as lysergic acid diethylamide (LSD), DMT, marijuana, fly agaric, and psilocybin are associated with mystical experiences. At present, fascist drug laws limit their research. But major biomedical research centers have already found that entheogens predictably cause mystical experiences and, thus, allow us to study the state of the brain during these experiences. entheogens are not drugs because they not only do not escape from reality, but also bring you closer to it, and do not cause any physical tolerance, withdrawal or dependence; therefore, most of them are not illegal (ayahuasca, bufo alvarius, yopo, san pedro) and are used to deepen and deactivate from the very beginning the mechanisms and programs that interfere with our freedom and inner peace, leading us to self-knowledge and rediscovery of our true I-ego through connection with the External Information Field or with the Spirits-Demons of Hell.

ZooSex and ZooPhilia are the normal human desire to have sex like animals, imitating animals or with real animals (usually a large dog or horse). Man is an animal and there is nothing surprising in the desire to deepen his animal nature through transformation into an animal or through sexual intercourse with an animal. It is interesting that only a small number of people are involved with real animals, because it is difficult to organize. A significantly larger number of lovers of sex with animals prefer to fuck like animals or dress up and impersonate an animal. There is nothing wrong with this. Satan and Satanism approve of this, and the forces of evil prohibit or condemn it. Synonyms for the concepts of zoosex and zoophilia are such terms as bestiality and therianthropy. A light version of zoo-Satanism for children and adolescents is playing quadro-players, quadrobbers, furies, puppies without a pronounced sexual component. Zoophilia is equally loved by heterosexuals and homosexuals. Among gays and Satanists, there are not many lovers of animal sex, presumably up to 10% of the total gay population of planet Earth (a very rough estimate, for understanding. On farms this percentage is higher: 30%, in cities less). Most gays and Satanists prefer sex with people, without transforming into an animal. Zoophilia is not suitable for all people, but it is a good kind of Satanism. Zoophiles are part of the LGBTQ+ community.

Homophobia is a kind of sexual stupidity of critters, when they are surprised by the sexual freedom of LGBTQ+ people and are indignant about this freedom. Homophobia is a manifestation of hostile xenophobia to what critters are not able to understand, but under the influence of propaganda and religion are afraid of

this, because this is an unusual phenomenon for them. Homophobes are also opponents of zoosex and zoophilia. Homophobia manifests itself not only in the field of sex, but also in the freedom of thought of evil critters. As false reasons for banning LGBTQ+ communities, homophobic critters traditionally cite protection of children, an imaginary opportunity to become gay or lesbian when visually interacting with LGBTQ+, or trampling traditional values of heterosexuals - only in the pussy and never in the ass. In fact, the reason for the fear of evil critters before the LGBTQ+ community is much deeper, and concerns the fact that among sexually free people there are many Satanists. Satan and Satanists destroy the evil of critters in our world and after the physical death of homophobes, they will be driven to entropy in Hell by all the forces of Hell. On a subconscious level, evil knows this, therefore the LGBTQ+ community carries the light of Satan in itself and is a danger to evil.

An egregor is an informational-quantum biofield of a social phenomenon. An egregor can be defined as a cluster of quantum information, where objects are united and linked by algorithms of commonality of ideas or by their interactions. The word "egregor" denotes a mental unification of people based on a certain principle or similarity. Egregors are structures that unite people based on similar characteristics. For example, a territorial egregor unites people living in the same area, a linguistic egregor unites people speaking the same language, and a professional egregor unites people engaged in the same profession or activity. Surprisingly, when people work together, they accomplish tasks and achieve their goals much more easily, quickly, and productively. However, we can only work together with people who set the same goals, pursue similar objectives, and have a worldview similar to ours. By uniting with people who share our values, we not only gain confidence in ourselves, our abilities, and our intentions, but also activate our power, which begins to grow through the formation of an egregorial structure. The egregor of Satanism unites all Satanists, but this egregor has many branches, so it is not uniform. Many egregors are egregors of evil, including the state, religions, organized crime groups, fascism, and the vicious developmental patterns of nations, nationalities, and races. An egregor forms when the energetic complex of thoughts reaches a certain critical level. At this point, a kind of "tuning" begins to form—akin to an artificial intelligence program that controls this energy. An egregor cannot be considered a fully-fledged sentient being. It is more like a complex computer program capable of learning and changing its strategy. If necessary, such a program can be switched to "manual control"—that is, consciously controlled and reconfigured. Satanists practice Satanic black magic through their connection with Satan.

Satanic Black Magic is a method of altering the reality of our world and the world of Hell through quantum-informational influence on objects or egregors. Black magic operates only through Satanists or through adepts of the Left-Hand Path's spiritualization magicians. Adepts of the Right-Hand Path do not practice Black Magic; they practice White Magic. Ordinary people do not have the authority to alter reality through the Left-Hand Path or the Spirits of Hell. Ordinary people, and especially evil spirits, do not have the ability to perform Satanic Black Magic, yet they do. In this regard, Black Magic is similar to the informational influence of popular "celebrities" or "opinion leaders" on the masses in our world. Black Magic is not evil, but rather the opposite: it is aimed at eliminating evil or degrading it. The peculiarity of black magic is that it usually doesn't resolve issues of material wealth for the sorcerer or witch themselves. Conjuring money, wealth, and resolving various household and economic issues is much easier through material methods in our world than through black magic. The Antichrist Slut Sodomia, sees the primary use of black magic for himself in influencing egregors or certain evil individuals. A peculiarity of black magic is that it acts very slowly on current events and can affect many generations of a family. This is usually called a curse. Black magic is probably always processed by the EIQF or the Demons of Hell, which is why there is a quantum delay and inertia in the effects of this magic in our world. I don't know the exact principles of black magic. Its principle is based on the fact that everything consists of quantum information, and black magic is a method of making corrections and adjustments to the EIQF. This process takes time, and the authority, rage, and awareness of the Satanist are crucial factors for both the EIQF and Satan when performing Black Magic. Satanic Black Magic is aimed at destroying evil, so it

cannot be considered a bad thing. Black magic is like a bitter but useful pill to cure the human world from the forces of evil.

White magic is a part of Satanism in general. White magic is an ancient branch of esoteric Satanic practice, aimed at harmony, protection, and creation without harming others. Unlike Black Magic, White Magic does not harm evil and is based on harmony with the elements of nature. White magic can manifest itself as explanations of errors or enlightenment of others, through the revelation of the essence of our world, or as a sign of evil in our world. Not everyone can understand what constitutes evil in our world, but White Magic facilitates this. Evil has taken over all media and broadcasts its propaganda with enormous force. White Magic is a guiding magic for people who want to follow their own sovereign path and not collaborate with evil. White Magic explains to people what evil is and uses various beneficial entheogens and magical herbs to achieve this. White witches primarily specialize in herbalism and communion with nature through Satanist covens. The most well-known branch of White magic is Wicca, which is a branch of Satanism but recognizes only White magic.

For a more accurate transfer of meaning and for precise identification of terms, Slut Sodomia suggests calling gay faggots in English SLUT, and CIS girls with a female pussy to be called BITCH. That is exactly how I called these two different categories of Satanists in my grimoires and albums of gay Satanism. Now, I am fixing this name in the dictionary of terms of gay Satanism. In the plural, all passive gays and MTF/FTM trans are called SLUTS, and "classic" girls (heterosexuals, lesbians) are called BITCHES. This is not a dogma, but simply a proposal for the LGBTQ+ community and clarification of my own terminology. It is possible to call it the other way around: a faggot called a BITCH means that he has finally started thinking only about being raped in the ass, like a CIS Satanist woman. If a CIS woman calls herself a SLUT, it means that she is close in spirit to the faggots and cock-girls from the gay Satanist community.

SATANIC SYMBOLISM: RETHINKING SATANIC ART AND PHILOSOPHY OF THE CULTURE OF SATANISM.

Today, Satanic symbolism continues to evolve, adopted by various groups and movements, each interpreting it in its own unique way. Whether as a symbol of enlightenment and knowledge or a rebellious symbol of the fight against oppression, its historical trajectory testifies to the power of symbols to reflect and influence human thought and society. Understanding its evolution thus provides insight not only into the symbol itself, but also into the broader meaning of human existence and our incessant quest for meaning, identity, and autonomy. Far from being limited to the activities of specific groups such as the Church of Satan or the Satanic Temple in the United States, Satanic symbolism has permeated various aspects of contemporary political activism. It has become a tool for activists and political commentators seeking to challenge entrenched power structures and advocate for a more inclusive and egalitarian society. This symbolism, often associated with resistance to power and the protection of marginalized voices, resonates particularly with movements fighting for social justice,

freedom of expression, and secular governance.

At the present moment, in 2026, the entire world is overrun by fascist evil, and there is no place on planet Earth untouched by this plague, which propagandists call states. Satanism has always been opposed to evil, and the organized evil of the State of the Soviet Union (SOCG) is the most aggressive evil on a mass scale.

When the evil of the SOCG unites with religion, as in Russia (with Orthodoxy) or in Iran (with a Muslim sect), it leads to a synergy (amplification) of evil. The fusion of state and religion is the most brazen and disgusting evil. This type of fascism is the most widespread type of evil on our planet. Satanism is not powerful enough to defeat this evil, but through the development of the Satanic egregore, this may be possible in the future.

The symbolic use of Satanic imagery in politics is not simply about shock value or opposition. It reflects a deeper call for critical analysis of social norms and power dynamics. It encourages individuals and institutions to rethink their approaches to governance, policymaking, and public engagement, fostering a more critical and skeptical approach to traditional political narratives. Furthermore, the role of Satanic symbolism in political expression extends to its use in the artistic and cultural spheres, where it serves as a metaphor for resistance and empowerment. Artists and performers use this symbolism to comment on political issues, from censorship and free speech to gender equality and environmental concerns. In essence, Satanic symbolism in contemporary politics represents a subtle and evolving narrative. It's no longer just a symbol of religious disobedience, but a symbol of the struggle for human rights, equality, and rational public policy. Its presence in political activism and discourse reflects a growing trend toward challenging the status quo and advocating for progressive change in society.

Over the past two years, that is, from 2024 to 2026, Satanic art has rapidly developed in the digital space of our world. Many new and magnificent images of Satan, Baphomet, Lucifer, the Devil, Krampus, Lilith, and other Satanic icons have appeared. This is no coincidence. This development signifies the growth of the Satanic egregore and an increase in the number of people inspired by Satanism worldwide. This is very good news, but Satanists are still very few in number, relatively evil critters without Satanic inspiration. Antichrist Slut Sodomia has been studying Satanic art for five years now, and this is my main conclusion.

IMAGE SOURCES AND IMAGE COPYRIGHTS

Slut Sodomia took all the images for her album from open sources on the Internet. Many paintings are modified with available neural networks for image processing. If I know the name of the author of the picture, I indicate it. If I don't know the author's name, I don't indicate it. This document contains illustrations by various authors, and I include the artists' drawings in my album for scientific, educational or cultural purposes. This document is a free information source about Satanism. The authors of the works receive advertising of their name and their work from the Antichrist Slut Sodomia, so I am not interested in any claims based on the laws of the SOCG and other evil. Artists of Satanism receive free advertising and promotion from the Antichrist. However, I think that none of the real Satanists will make claims against me. Selfish evil, the Pharisees and lawyers of the SOCG may do this, but I am not interested in the opinion of evil. All evil will be subjected to entropy by Satan, like all the rest of the information garbage of our world.

All copyrights belong to the authors of the paintings, and I cannot appropriate these rights in any way. By publishing paintings by Satanist artists, I popularize the authors of the paintings and the very aesthetics of Satanism.

ABOUT IMAGE FORMATS IN GAY SATANISM PUBLICATIONS – PNG, JPG, WEBP, SVG.

For the source files of Gay Satanism publications, when typesetting books in MS Word DOCX, I use PNG, JPG/JPEG,

WebP, and SVG vector graphics. I'm writing this because some files may not display correctly on your computer, or may not display at all, or thumbnails for the graphic files may not be displayed. This means that your software environment doesn't support a certain image format. The most problematic in terms of compatibility are WebP and SVG. These digital graphics formats are common, but they are not necessarily supported on your computer. This can be resolved by updating your software or installing additional libraries

for working with these graphic formats. Each operating system has its own compatibility solutions, so I won't offer any advice. All tips and instructions for resolving these issues can be found online.

I use the classic JPG/JPEG image format, although, in my opinion, this format is inferior to PNG and WebP. The JPG/JPEG graphic file format is widely supported and should display without any problems—this is the biggest advantage of the JPG format. I particularly like the PNG format, which produces fairly high-quality images, which is especially important when printing books. PNG (portable network graphics) is a raster format for storing graphic information that uses lossless compression using the Deflate algorithm. PNG was designed to replace the outdated and simpler GIF format, and, to some extent, to replace the much more complex TIFF format.

For SatanArt albums, I'll be using the excellent and relatively new WebP format. WebP (WEB Pictures) is a lossy and lossless image compression format proposed by Google Inc. in 2010. It's based on the still image (keyframe) compression algorithm from the VP8 video codec. It uses the RIF container. This format offers good image compression while maintaining decent quality.

The SVG vector graphics format differs significantly from the raster formats I've already discussed. Unlike raster images, which hopelessly lose quality when scaled, SVG remains crystal clear on any device and screen resolution. This technology offers an impressive combination of compact file size and absolute scalability, making it indispensable for responsive web design, interactive infographics, and animation. SVG (Scalable Vector Graphics) is an XML-like format for describing two-dimensional vector graphics. Unlike raster formats such as JPEG or PNG, which store images as a grid of pixels, SVG describes images using mathematical formulas and geometric primitives. This format has great potential, but unfortunately, it often experiences glitches when inserting such graphic files into MS Word DOCX documents. If it can display artifacts and errors on Slut Sodomia, then it can behave unpredictably on other people as well. I will use the SVG format sparingly, when it's truly justified.

DISTRIBUTION OF GAY SATANISM BOOKS AND ART APPLICATIONS IN VARIOUS DIGITAL FORMATS

Gay Satanism books, SatanArt albums of Satanic drawings, and SatanSongs albums of Satanic music are available electronically in various digital formats: DOCX, PDF, EPUB, DJVU, PPTX, MP4, and ZIP. Free versions of Gay Satanism documents will be distributed only in PDF formats, with enhanced image compression, using lossy compression but significantly reducing file size. Commercial sales of Gay Satanism books and apps will include a ZIP archive containing versions of the book in different formats (depending on the format selected during purchase). SatanArt, a visual app of Gay Satanism, is a useful supplement to the "Gay Lust" grimoire for spiritualizing a person through the visual imagery of Satanism. SatanSongs almanac is distributed without the music videos themselves,

or with access to a private archive of songs from the Antichrist Slut Sodomia included.

I've compiled Satanic artwork in a separate appendix to avoid taking up too much space with graphics in the "Gay Lust" grimoire itself. You can download collections of Satanic drawings, photographs, and other gay Satanic graphics for immersion in Satan's spirituality from the internet, the Darknet, onion domain sites, through the TOR browser, or via torrents. Artwork titles and text commentaries will initially be available in

Russian and English. The English commentary texts are published in the English version of the SatanArt add-on—a separate file.

Thus, the visual application of gay Satanism SatanArt by Slut Sodomia "Collections of Satanic Drawings, Photographs, and Other Gay Satanism Graphics for Immersion in Satan's Spiritualization SatanArt" is available in Russian and English in the following versions:

The Antichrist's favorite format for distributing e-books online and printing on paper is Portable Document Format (PDF)—a cross-platform, open electronic document format originally developed by Adobe Systems using a number of PostScript language features. It is primarily intended for presenting printed materials electronically. There are numerous programs for viewing it, including the official free Adobe Reader. PDF books are convenient for reading and distributing electronically. Typically, no distortions are observed when opening this format on different operating systems and in different programs. I like to use PDFgear (PDF Gear) for working with PDF files. This is a program for working with PDF files on Windows that allows you to edit documents, compress them to save space, convert them to other formats, and generate a summary of the text. It is inconvenient for use on "old and underpowered" e-readers for a number of reasons. Firstly, PDF files are large, as they are designed for computers, and they open quite slowly on e-readers with weak processors. Secondly, unless the file is specifically designed for a 6-inch e-reader's screen, which is similar in size to an A6 sheet of paper, reading an A4 PDF (and most PDF files are presented in this size) will be difficult. This problem with PDF files shouldn't occur on modern tablets.

The Antichrist prepares all original files on Gay Satanism in Microsoft Word (part of MS Office 2021+) in the DOCX format. This program is the standard of stability and the best "typewriter" for the Antichrist's writer, Slut Sodomia. However, this format does not have the same high formatting stability when opening files on different computers as the PDF format. The DOCX format is a modernized version of the DOC format, and compared to its predecessor, this format is much more popular and accessible. A DOCX file is a document created using Microsoft Word 2007 or a newer version of Microsoft Office. The file format is based on Open XML and uses ZIP compression to reduce file size. I recommend opening and editing Gay Satanism files in the DOCX format in the original Microsoft Word editor, MS Word, which is included in Microsoft Office 2021 or later. You can also use free programs that can open the DOCX format for reading and review, such as LibreOffice Writer and OpenOffice Writer. Free programs may contain document distortions, offsets, formatting errors, and font errors. The author is making the book in DOCX format available to the public for publication in paperback. This format is easy to format and edit. Please use only Microsoft Word for professional work with the DOCX format. Unfortunately, free programs will inevitably display documents with unwanted layout artifacts when opened on a computer or printed on paper. Gay Satanism publications in the original DOCX format are the largest, most complex, and most computer-intensive. A computer capable of handling these files must be powerful, such as an 8-core processor with 16 GB of RAM. On older computers, the DOCX format will take a long time to open and will run slowly. Please keep this in mind. This format is intended for publishers of paper books and for printing professionals. This is the format of the source materials of gay Satanism.

ZIP is a widely used file archiving format used to compress one or more files into a single location, reducing their overall size and simplifying data transfer. This archive will contain two book files in both PDF and DOCX formats, plus the gay Satanic drawings as raster images. Specialized utilities can be used to create ZIP archives and extract (unpack) the files they contain, such as the terminal-based PKZIP and PKUNZIP, or the graphical utilities WinZip, WinRAR, Info-ZIP, 7-Zip, PeaZip, and many others. Currently, the ZIP format is considered a generally accepted format for many applications that include compression, backup, and data sharing functions. Along with numerous utilities that work with ZIP files from the command line, graphical programs for working with them also appeared in the

mid-1990s. Support for the ZIP format is included in many modern operating systems. Many competing archivers, in addition to their own format, also support the ZIP format. This format will be used to upload gay Satanist music videos from the personal collection of Antichrist Suki, as supplements to SatanSongs' Satanic music albums.

Videos for disseminating gay Satanism in MP4 format and compressed with the H265 codec can be a powerful PR tool. Antichrist Slut Sodomia sees great potential in spreading gay Satanism by creating videos from static PDF e-books, PPTX presentations, and videos created using artificial intelligence technologies, using the method of "animating static images" with the addition of prompts, i.e., text instructions. All gay Satanist videos should be distributed in the latest digital video format, 4K resolution. Preference should be given to videos created using AI rather than slideshows. This is especially true for promotion through YouTube, as all video hosting sites "dislike" slideshow videos (this is a strange limitation, but I see it). Yes, I agree that AI videos are more captivating, but why such disdain for slides of Satanist paintings? This was the Antichrist's empirical explanation, based on personal experience. SatanSongs music videos from the Antichrist's personal collection will be available in MP4 format as a supplement to the SatanSongs almanac.

Additional file formats for publishing and distributing gay Satanism ELECTRONIC BOOKS:

The EPUB file format is an open, royalty-free e-book standard developed by the International Digital Publishing Forum (IDPF). It is licensed under the Creative Commons Attribution-NoDerivs 3.0 Unported license, and IDPF owns the license. The format allows publishers to produce and distribute a digital publication in a single file, ensuring compatibility between the software and hardware required to play digital books and other fluid publications. It is the official format of Apple Books. The original version, the Open eBook Publication Structure or "OEB," was conceived in 1999, and ePub was released in 2007. EPUB is based on open standards and is supported by most devices and e-book readers. This format also provides responsive layout and scaling for optimal readability on a variety of screens. The PDF format preserves the original layout of the publication, while EPUB books can be customized to suit your needs (for example, by scaling text, changing fonts, and making content more comfortable to view on different screen sizes). Most major e-book publishers offer EPUB files. EPUB files work well with EPUB eBooks Reader, Thorium Reader, Adobe Digital Editions, Google Books, Moon Reader, and Amazon Kindle.

DJVU (DejaVu) is an e-book format designed for scanning and saving high-resolution images. I like this format for its compact size, speed, and stable page formatting. DJVU is, technically speaking, a "lightweight" version of PDF. It is commonly used for saving scanned documents, including books, almanacs, and newspapers, and provides high image quality at a relatively small file size. The format supports many features, such as layers, text highlighting, and hyperlinks, making it convenient for use in scientific and technical publications. However, not all devices and software support this format, so viewing it may require specialized programs such as DjVu Reader or Sumatra. DJVU is optimized for network transfer, so the page can be viewed even before the file has finished downloading. A DjVu file can contain a text (OCR) layer, allowing full-text searching within the file. In addition, a DjVu file can contain a built-in interactive table of contents and active areas (links), which allows for convenient navigation in DjVu books.

Antichrist Slut Sodomia may be a bit old-fashioned, but I like the PPTX slideshow format and consider it an e-book format. Files with the PPTX extension are presentation files created with the popular Microsoft PowerPoint application. Unlike the previous version of the PPT presentation file format, which was binary, the PPTX format is based on the Microsoft PowerPoint Open XML presentation file format. A presentation file is a collection of slides, each of which can contain text, images, formatting, animation, and other media. These slides are presented to an audience as a slideshow with custom presentation settings. The PPTX file format was introduced in 2007 and uses the Open XML

standard, adopted by Microsoft back in 2000. Before PPTX, the most common file format was PPT, which was a purely binary file format. The new file type adds the advantages of smaller file sizes, less corruption, and well-formatted image presentation. It was in early 2000 that Microsoft decided to make changes to accommodate the Office Open XML standard. By 2007, this new file format had become part of Office 2007 and is supported in newer versions of Microsoft Office. Presentation files are organized collections of slides used to visually accompany presentations and lectures. I tried using the video presentation format for gay Satanist art albums on YouTube, but YouTube absolutely refuses to show such videos (PPTX → MP4) to the general public, presumably due to restrictions on serving such videos through their algorithms. Perhaps there are other reasons for the low audience reach... it is Satanism, after all... who knows what "these Satanists" and the Antichrist might have "written and filmed"☺.

FREEDOM OF DISTRIBUTION OF ANY INFORMATION

Any information should be disseminated freely, openly and without interference from the evil of our world. No copyright should interfere with this. Each work has a true author and no copyright is needed, just as no legislation in the field of information dissemination or copyright is needed. Anyone who interferes with the freedom of information dissemination is criminals and enemies of your personal freedom. Self-balancing of the information field of our world will not allow evil, harmful and false information to spread. All this happens without censorship from the state, automatically in the space of the information field of our world. Good and necessary information will be in demand, and bad and harmful information will become unnecessary. Also, the distribution of this book-album should be completely free. I know for sure that the evil of our world will recognize the main grimoire of gay Satanism as "illegal" and ban my book "Gay Lust", as well as the music albums of Satanic songs and hymns SatanSongs and the albums of paintings of gay Satanism SatanArt.

Protect commercially important information and your personal information yourself if you need it. Your desire to withhold information is not a reason to prohibit public dissemination or discussion of this information. Any censorship and bans on information are an obvious evil. Everything secret, sooner or later, becomes clear.

TRANSLATION OF THE ALBUM OF SATANIC DRAWINGS SATANART INTO OTHER LANGUAGES OF THE WORLD

The album SatanArt in the original (i.e. by Slut Sodomia) is written in Russian and English. Translate the book-album SatanArt into all languages of the world and distribute it in your language environment. The author of the book will be very happy about this. The more people can see satanic paintings and read the text titles-comments to them, from the SatanArt album, the better people will become and the more crushing the blow we will deal to the evil of our world. The visual power of art and the words of the Antichrist in the SatanArt album have a strong effect on the consciousness of man and his spiritualization by Satan. On the title page of my book, write your name as a translator or proofreader of my book if you will translate or correct errors.

DONATIONS TO THE AUTHOR AND ROYALTIES WHEN SALES OF A BOOK IN PRINT AND ELECTRONIC FORM

Antichrist Slut Sodomia has done a lot of work creating art albums of paintings of gay Satanism SatanArt, working on compiling this e-book, searching for drawings on the Internet and compiling their descriptions for you. Four reasons to support the author financially:

The first reason is if you share the ideas of Satanism. This book is a guide and grimoire for established Satanists and for people just beginning to gain insight. Let their path be illuminated by my literary work and help them receive the spiritualization of Satan in full, using my grimoire as a navigator.

The second reason - if you think that the book is useful and valuable for members of the gay fraternity, Satanists and the entire LGBTQ+ community - support the author with any donation. The book about gay Satanism exposes the evil of our world and shows why it is the state, religion and the dark herds of evil, selfish, unspiritualized souls that are the main forces of evil in our world. It is not Satan and not man's spirituality with joy, pleasure, sexual lust that is evil, but evil is located precisely in our world itself. It was evil, in the form of the state and religion, that destroyed Jesus of Nazareth, who was a disciple of Satan, a spiritualized man, and this evil still oppresses your freedom 2000 years later since the life of Jesus of Nazareth in our world.

The third reason - if you want to see a new and expanded version of this book or new books by the author - support the author with any donation. You can make all donations using cryptocurrency - this way you and

the author of the book will remain anonymous. What is very important in the world of total censorship and a total ban on freedom of speech throughout the world at the moment on issues that do not coincide with the official propaganda of states and the ideals imposed by these states.

The fourth reason is if you make money from my literary work by selling it.

You can sell my book; you can translate it and sell translations of my book. You can do this freely, and I will be only happy about that. If you sell the book in print, I ask for a modest 20% of the profit. My written or oral permission is not required to sell the book - you can publish and sell this book. For example, you can publish this book in the form of registered or numbered copies on high-quality paper bound in leather with gold embossing at a high price. Or you can publish the book as a mass edition with a large circulation to spread knowledge about gay sex and gay Satanism at an affordable price.

Or you can put my book up for sale on any sites on the Internet where documents and books are sold in electronic form. If you sell the book as an e-book, I ask for a modest 20% of the sale price. You don't need any permissions for this. I give you this permission here.

Transfer 20% of the profit (for paper versions of the book) or the amount of copies of the book sold (for electronic sales) to the author's cryptocurrency accounts in any available cryptocurrency. These will be sufficient royalties for the publication. All copyrights belong to the author of the book.

You make money from my book. Distribute my book for free and for a fee.

Antichrist Slut Sodomia does not work for a living and has spent many years writing books on Satanism, so he counts on financial support from the Satanist community around the world, I believe I will receive donations from members of the LGBTQ+ community. I also hope that my work will find financial support among feminists, queers and all people with non-standard sexual preferences, which are groundlessly condemned by the society of unenlightened critters, fascists and underdeveloped organisms of evil biohumus. The Antichrist has no other income, but he needs money for household expenses, utility bills and food. To continue writing the second grimoire of Gay Satanism "Beyond the States", I need money for my support in our world. I count on cryptocurrency donations from my readers or viewers of the videos. The material existence and creativity of the Antichrist rests on financial expenses for material life and here, even black magic against the forces of evil will not replace the presence of money.

ABOUT ADDITIONS TO THE GRIMOIRE “GAY LUST” FOR DEPTH SPIRITUALITY BY SATAN

To deepen the spirituality of Satan, Slut Sodomia has prepared and released two additions to its grimoire “Gay Lust” into the Information Space of the Internet, Darknet and torrent network:

- Albums of Satanic music videos for the immersion in the spirituality of Satan. Numbered periodical Journals. SatanSongs and QuasiSatanSongs are an occasional addition to the Gay Lust Grimoire. The lyrics have been translated into Russian. Lyrics in English are published in the English version of this supplement. Clips in MP4 format come as an appendix to this add-on. In total there will be 4 collections of satanic videos SatanSongs with 100 tracks each, plus there will also be an album of quasi-satanic songs QuasiSatanSongs about love, romance, lust. There is continuous numbering of compositions in all SatanSongs music albums¹². Thus, there will be 500 video clips that help satanic spiritualization. The album QuasiSatanSongs has its own numbering of songs.
- Albums of fine art of gay Satanism for immersion in the spirituality of Satan SatanArt. Thematic numbered periodical Journals of the fine arts of gay Satanism SatanArt. This is an occasional addition to the Gay Lust Grimoire. SatanArt Albums contains paintings and drawings of gay Satanism on specific themes that are related to Satanism or sexual lust. I will publish these albums regardless of the grimoire itself. All paintings in SatanArt art albums have continuous numbering, just like songs.

¹² Continuous numbering implies a common numbering of objects in all albums of satanic musical compositions.

DON'T HESITATE TO BE A SATANIST!

I like the phrases “Don't hesitate to be a Satanist!” and “Don't be shy about being Satan!”¹³. They are multifaceted, and are aimed at calling people not to be afraid to receive satanic spirituality and not to be afraid to resist evil.

NUMBERING AND CONTENTS OF COLLECTIONS-ALBUMS OF SATANIC PICTURES SATANART

The total number of collections and albums of satanic drawings and paintings of SatanArt is currently unknown. I would like to make about 100 albums if readers and the Satanic community like my work. Each SatanArt album will contain 100 drawings. There will be continuous numbering of all images in all music albums to organize the graphic material. Continuous numbering implies a common numbering of objects in all albums of satanic graphics SatanArt.

ADDITIONAL INFORMATION ABOUT GAY SATANISM FROM ANTICHRIST SLUT SODOMIA

I hope that my selection of digital Satanic paintings, drawings, photographs and other graphics of gay Satanism for immersion in the spirituality of Satan SatanArt will be useful to people, and you will find interesting images for yourself in my selection. Visual art for those who are already Satanists and for those who are just thinking about becoming a Satanist and are looking for a connection with Satan for their spirituality. Of course, these paintings can be viewed simply as beautiful masterpieces of fine art 😊, without being tied to the ideas of gay Satanism.

If you are interested in the topic of gay Satanism, you can download and read other books from Slut Sodomia:

- Grimoire of Gay Satanism “Gay Lust.” This is the main grimoire of gay Satanism. This is a magical book that allows me to become a Satanist, helps me see the evil of our world and destroy this evil.
- Albums of Satanic music videos for immersion in the spirituality of Satan, which I call SatanSongs collections. In 2024 I created 4 SatanSongs albums + 1 quasi-satanic album QuasiSatanSongs.

The Gay Lust Grimoire is intended for both experienced Satanists and novice Satanists who want to deepen their spirituality with Satan or even gain it. The grimoire “Gay Lust” is a navigator for a Satanist and a conceptual basis in the fight against the evil of our world. There are Satanists not only among gays themselves, but also among straight people inspired by Satan. And that's great! It turns out that gay Satanism and my book are for all people in whom the fiery rage of sexual perversion burns, as an important element of spirituality by Satan. The book “Gay Lust” is a rebellion and liberation of your consciousness from the dungeons and frames of consciousness imposed on you by the system of the regime, religions and homophobia. The book is a grimoire of gay Satanism with the ritual of Summoning Satan and a code of principles of gay Satanism. The Gay Lust Grimoire is a training manual for passive fagots, active gays and trannies. The grimoire “Gay Lust” liberates the sexuality of any person and throws off the shackles of puritanical hypocrisy.

The FIRST EDITION of the grimoire “Gay Lust” is distributed completely free of charge in electronic form. You can freely download, quote and distribute the grimoire book. Look for the grimoire of gay Satanism “Gay Lust” on sites on the regular White Internet, Torrent trackers or on the Tor network on ONION sites.

¹³ This is Satan's phrase. Our Spiritualizer Satan says this phrase to his children, the Satanists. The phrase does not refer to unspiritualized critters of evil who do not have satanic spirituality. And does not apply to mentally ill people.

LIST OF ADDITIONAL APPENDICES TO THE GRIMOIRE OF GAY SATANISM FOR IN-DEPTH SPIRITUALITY WITH SATAN

Applications to gay satanism are satanic music and graphics:

1. Collections of Satanic music videos selected and compiled by Slut Sodomia.
2. Collections of satanic drawings, photographs and other graphics of gay Satanism, selected and compiled by Slut Sodomia.

Collections of Satanic music videos, created either by Satanists or non-Satanists, but they are devoted to the theme of Satanism, in the understanding of Slut Sodomia. The words of these songs are about Satan, or about Satanists, or about the liberation of people from the power of evil, or other quasi-Satanic themes. Songs of completely different genres! Their main feature is that good music inspires. At the time of completion of the first version of the grimoire, Slut Sodomia had collected 500 gay Satanism music videos:

1. Album of Satanic music videos for immersion in the spirituality of Satan. SatanSongS Nr. 1
2. Album of Satanic music videos for immersion in the spirituality of Satan. SatanSongS Nr. 2
3. Album of Satanic music videos for immersion in the spirituality of Satan. SatanSongS Nr. 3
4. Album of Satanic music videos for immersion in the spirituality of Satan. SatanSongS Nr. 4
5. Album of Satanic music videos for immersion in the spirituality of Satan. SatanSongS Nr. 5
6. Album of quasi-Satanic music videos for immersion in the spiritualization of Satan. QuasiSatanSongs Nr. 1

ANNOUNCEMENT OF THE RELEASE OF THE NEW ALMANAC-ALBUM OF SATANIC MUSIC SATANSONGS №5 FROM THE ANTICHRIST SLUT SODOMIA.

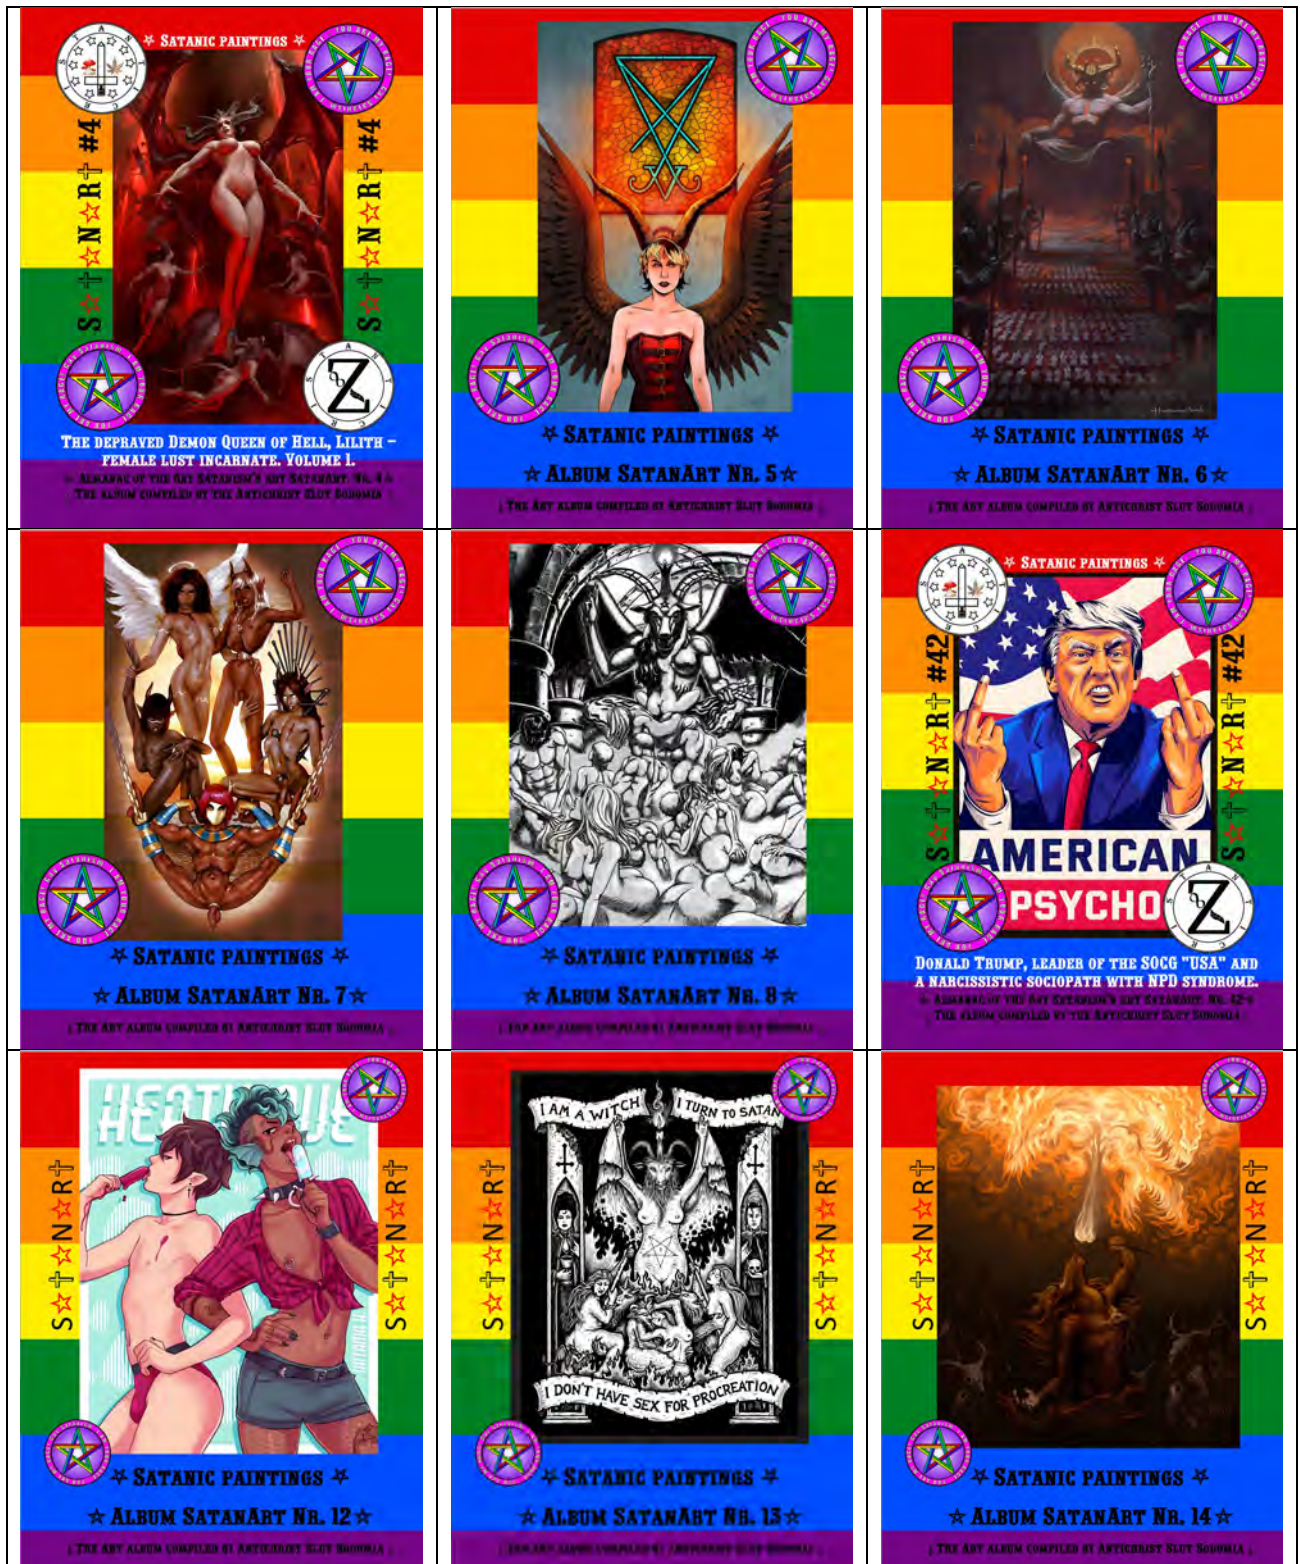

On February 22, 2026, the Antichrist prepared a new issue of the Satanic music almanac, SatanSongs #5, which contains 100 new and fresh musical compositions of gay Satanism or quasi-Satanism. I dedicated SatanSongs #5 to contemporary gay Satanist music in various styles, genres, and visual imagery. The music in SatanSongs #5 is intended to enhance one's spirituality with Satan or to introduce newcomers to Satanism. Therefore, the SatanSongs almanacs are suitable for both established Satanists and those who want to become Satanists. The music album SatanSongs #5 contains a wealth of rock, gothic, metal, psychedelic, and songs that help us understand the evil of the fascists of the State

Organized Crime Group (SOCG). The almanac SatanSongs #5 contains three hymns of the Antichrist Slut Sodomia, and several other hymns of gay Satanism, which I have specifically noted. I will publish the Satanic music album SatanSongs #5 online. A high-quality version of SatanSongs #5 in PDF and DOCX formats, along with the music videos themselves in MP4 format, is available exclusively to purchasers at <https://666.pictures>.

Gay Satanism graphic art, collected and designed in the form of SatanArt collections, suitable for publication on paper and in book form, will reveal the aesthetics of Satanism and help Slut Sodomia in the development of gay Satanism around the world. Your purchase of graphic albums-collections of gay Satanism graphics SatanArt, in DOCX / PDF format, will support Slut Sodomia financially, and I will know that my work is in demand by people. Let the publication of SatanArt albums allow Satan to enter the souls of more people, let there be more Satanists and less evil from soulless critters.

ABOUT THE DEVELOPMENT, IMPORTANCE AND USE OF CRYPTOCURRENCY

I am writing this chapter about the development, meaning and use of cryptocurrency in 2026. Now, cryptocurrencies, as a means of speculation, investment and payments, are already working quite well, although for most people on planet Earth, crypto-coins are more of a mysterious

phenomenon than an applied financial instrument. Slut Sodomia is very glad that a wonderful alternative to fiat money¹⁴ issued and controlled by SOCG has appeared. The name of this alternative is cryptocurrencies, Bitcoin and all the altcoins of the world¹⁵. Cryptocurrency opens up enormous opportunities to get rid of the evil of SOCG on our planet Earth. It is control over material values that allows the SOCG to rule, mock people, dictate their laws and do various evils in our world (including wars, prisons and collecting tribute from the population). The material wealth of the SOCG is based on: power, evil and money. If the SOCG is stripped of its power over the financial control of money, it could significantly undermine the SOCG's power throughout the world. Cryptocurrencies operate outside of the SOCGs and do not need them.

Lately (since about 2015), the vilest SOCG's have been trying to stick their ugly nose into the control of cryptocurrency, its circulation and use. SOCG began to choke cryptocurrency enthusiasts and large financial speculators in cryptocurrency around the world. SOCG of the USA and Europe require registration and verification of the identity of people who use cryptocurrency on public platforms online and offline. Evil really

¹⁴ https://ru.wikipedia.org/wiki/Фидуциарные_деньги Wikipedia. Fiduciary (from the Latin fiducia - trust), fiat (from the Latin fiat - decree, instruction, "so be it"), symbolic, paper, credit, unsecured money - money not backed by gold and other precious metals, the nominal value of which is established and is guaranteed by the state regardless of the cost of the material used for their manufacture. As a rule, irredeemable for gold or silver. Often, fiduciary money is used as a means of payment on the basis of state laws obliging it to be accepted at face value. The value of fiduciary money is maintained by people's belief that they can exchange it for something of value. The decline in the authority of state power leads to a decrease in the purchasing power of fiduciary money, that is, to devaluation, "flight from money" (attempts to maintain its purchasing power through investment), etc.

¹⁵ Bitcoin started the era of digital crypto assets in 2009. The shortcomings and limitations of the first cryptocurrency, as well as its open-source code, led to the fact that developers began to create other coins. They are called altcoins.

wants to take control of cryptocurrency, and thereby strangle people's financial freedom. Evil does not want people to leave the orbit of the influence of the SOCG over money. Evil wants to destroy the very idea of freedom of cryptocurrency and the anonymity of its users.

It is very bad that many financial speculators - exchanges, exchangers and crypto-wallets have followed the requirements of the SOCG and force users to play by their rules. It's very bad that among crypto enthusiasts there is little talk about refusing collaboration with the evil SOCG. More and more cryptocurrency circulation is becoming dependent on the evil of the SOCG and its directives.

I urge the community of cryptocurrency developers at any level not to collaborate with the state and not to obey their gangster rules. SOCG is simply an evil crook in the field of cryptocurrency technology who wants to rape and subjugate this technology and the users of this technology. Don't let the evil of SOCG deprive you of financial freedom and an alternative financial future outside of states and without states. This was a philosophical preface about cryptocurrency, let me move on to the practice of using crypto-coins.

For beginners, I recommend entering cryptocurrency by opening and creating a non-custodial crypto wallet, which allows you to ensure security and convenient management of your cryptocurrency. Such wallets provide users with complete control over their funds, eliminating the participation of third parties and minimizing the risks associated with hacking or fraud. A non-custodial wallet is a computer program and a type of cryptocurrency wallet in which only the owner has full control over his funds and private keys. The wallet does not store personal information and does not have access to assets. When you create a non-custodial wallet, you are usually given a private key or a seed phrase (a series of words that can be used to generate a private key). This information is not stored by third parties and it is important that you keep it secure. If you lose it, you will lose access to your funds and there is no way to recover it.

In 2024-2025, the most popular, convenient, reliable software crypto-wallets, in my subjective opinion, are the following non-custodial wallets:

1. Exodus <https://www.exodus.com/>
2. MetaMask <https://metamask.io/>
3. Trust Wallet <https://trustwallet.com/>

Install these programs (one or more), downloaded from official websites, on your computer and begin to master entering the new era of electronic money, outside of states. These programs allow you to buy

cryptocurrency with fiat money (dollars, euros and other currencies), make payments to other people's cryptocurrency addresses, and receive payments to your crypto wallet. Installation of these programs is quite simple and available for the most popular operating systems. After successfully creating a crypto wallet, you can send some crypto coins to Slut Sodomia to the details provided in this document if you like Gay-Satanism and the work of Slut Sodomia. I will be happy, and you will check your crypto wallet in action 😊.

To enter the world of cryptocurrency, you can use online services called crypto exchanges. A crypto exchange is a less reliable means of storing cryptocurrency than non-custodial crypto wallets, but some people may find it easier to work with crypto exchanges. Access and work with crypto exchanges occurs through a computer Internet browser, like with any other sites. Please note that crypto exchanges have full control over your finances and can block your money, at the request of fascists from different countries. There are many crypto exchanges and Antichrist Slut Sodomia cannot guarantee which of them is the best, most reliable and convenient. I will recommend four crypto exchanges that have been operating for a long time and with the help of these exchanges you can send donations, donations or royalties in cryptocurrency to Antichrist Slut Sodomia:

Kraken. <https://www.kraken.com>

Kraken is an American cryptocurrency exchange founded in 2011. It was one of the first Bitcoin exchanges to be listed on Bloomberg Terminal.

Binance. <https://www.binance.com>

Binance is the world's leading cryptocurrency exchange, serving 235 million registered users in over 180 countries.

Coinbase. <https://www.coinbase.com>

Coinbase is one of the most well-known names in the crypto industry. Launched in 2012, it offers an intuitive and beginner-friendly platform for buying, selling, exchanging, and storing cryptocurrencies.

SwissBorg. <https://swissborg.com>

SwissBorg is Europe's #1 app for securely buying and selling cryptocurrency with low fees, available in 47 countries and 16 currencies.

Best Wallet. <https://bestwallet.com>

Best Wallet is a non-custodial app that offers wallet and exchange services in a single secure decentralized environment.

The methods recommended by Antichrist Slut Sodomia for selling, buying and transferring cryptocurrencies cooperate with states, i.e. with fascists and SOCG. I do not guarantee the reliability of these trading platforms. Crypto wallets and crypto exchanges require people to provide documents when registering, require them to show themselves through photo or video filming. Cryptocurrency exchanges implement a Know Your Customer (KYC) policy to comply with anti-money laundering (AML) and counter-terrorism financing (CTF) regulations, ensuring the legality of transactions and the safety of users. To register on a cryptocurrency exchange, you need to provide personal data, confirm your identity with documents and a selfie, and wait for approval to access all functions. Exactly the same story when registering in regular banks. On the one hand, it gets rid of scammers, but on the other hand, it is control by various SOCG and loss of anonymity. If I find more anonymous and reliable options for making cryptocurrency transfers, I will write about it in the next versions of the documents.

Antichrist Slut Sodomia dedicates SatanArt #45 to a topic that is a popular fetish among gays and LGBTQ+ men, but is taboo due to its violence. In SatanArt #45, Antichrist Slut Sodomia collects, describes, and analyzes various artistic depictions of gay prison sex scenes, focusing on passive sodomites and their lust. The book features images by various artists, including recognized masters of gay prison romance: Tom of Finland, The HUN, Julius, and Etienne. Many of the album's drawings are rare and may be valuable from a gay Satanist perspective. In prison, gay Satanism is forced to confront the evil of fascists and their hired guns: guards and police officers. This album about prison sex from the Antichrist will be of interest to most gay men, especially those who enjoy "all-male sex" without the need for girls or trannies. For many gay men across the planet, prison sexual fetishes remain a secret, a taboo, and a fantasy they're willing to embrace, albeit in artistic form rather than in reality. The Antichrist has released his album, SatanArt #45, featuring the best scenes of prison and police gay sex.
