Image 4817. Critters, voters, participants in democracy "We approve!" The crowd of mutant society.....	26
Image 4818. Propaganda pours filth into the minds of TV viewers. Propaganda of rashism is filth.	26
Image 4819. Some of the Kremlin's most famous studio and television propagandists: Dmitry Kiselyov, Vladimir Solovyov, Olga Skabeeva, Artem Sheinin. Viewers can choose what kind of crap to watch on TV or on the Russian internet.	27
Image 4820. "Give us a Russian world!" + "The main thing is not to turn off the TV." Propaganda of racism in Russia, everywhere.	28

Image 4825. "Russian culture" is used by the Kremlin for military, propaganda and political purposes.....	31
Image 4826. "A manual!" All Russian propaganda operates according to so-called manuals. These are short instructions from the Kremlin on what to say and how to present information to viewers or media readers. The manuals are distributed among propagandists and other members of the "Russia" gang, and are regularly updated.	31
Image 4827. V. Putin's power is based on propaganda through TV channels, which also operate on the Internet.	32

Image 4840. A Russian military orc against the backdrop of the colors of the Russian flag.	40
Image 4841. Russian alcoholism is a traditional Russian bond & values. Russian genes are corrupted by cannibalism, alcohol, and the rejection of satanic spirituality, i.e., the light of critical thinking, invention, and science. The damned Russians have chosen the darkness of the Russian Orthodox Church sect and the worship of the evil of the "Russia" organized crime group.	41
Image 4842. Propagandist Nikita "Besogon" Mikhalkov shits on viewers through propaganda drainpipes. Anti-Satanist Mikhalkov is a typical staunch middle-class nobleman. Nikita Mikhalkov adopted the pseudonym "The Exorcist of Demons from the Viewer," the so-called Besogon ("Bes" in Russian means Demon, i.e., Satan).	42

Image 4858. Rashist S. Lavrov says to propagandist M. Simonyan: "Tell me something in Armenian?"	53
Image 4859. The UN is a place where the veto hangs on the bolt of the Russian Federation. The purpose of an organization like the UN is unclear. It's a gathering of representatives of the leaders of SOCG from all over the world that decides nothing.	53
Image 4860. Vladimir Putin presents the medal "For Services to the Fatherland" to the alcoholic former Kremlin leader Boris Yeltsin. Yeltsin, an alcoholic, brought Putin to power, and this is considered a service to Russia.	54

Image 4867. "Good Russian," retired KGB colonel, former State Duma deputy Gennady Gudkov. Some Russians consider themselves oppositionists, but they are all tainted by the activities of the "Russia" criminal gang, and even after the outbreak of the war, they don't understand that the "Rashist Federation" empire is inherently evil. "Good Russians" blame Putin, imagine Russia itself as free and happy, and see themselves at its trough. "Good Russians" don't consider the "Russia" criminal gang evil, and they consider the Russian people innocent of the war. Many "good Russian" clowns tour Europe with slogans about Russian innocence in the war.	58
Image 4868. Propagandist Margarita Simonyan gives the Nazi salute in bast shoes. A caricature of a hairy cannibal.	59
Image 4869. Russian TV sets are watching the Kremlin's ghoul, Putler. The ravings of the psychopathic maniac Putin are very popular with Russians on TV.....	60
Image 4870. Dmitry Kiselev's most famous propaganda thesis was about the US being reduced to radioactive ash, which he voiced in the latest episode of the "Vesti Nedeli" (News show) program in 2014.....	60
Image 4871. Propaganda of rashism always portrays Vladimir Putin as the wise father of the nation. Of course, this is a lie, but Russians are incapable of critical thinking. All thinking people have been murdered by the SOCG for centuries.	61
Image 4872. Russian religious procession. Russian Orthodox Church sectarians do not resist evil, but worship the Jewish Satanist Jesus of Nazareth.....	61
Image 4873. "They're eating shit and asking for more. You're fucked! Russians, wake up!" A poster from the Internet.	62

Image 4878. Putin the turd is carrying the "Russian world" around the world.....	64
Image 4879. "Prosperity" + "Save Russia" + "Stability." Where's the slogan "Make Russia Great Again"? ...	65
Image 4880. Propagandist Dmitry Kiselev drives a tractor of lies and grandeur through the minds of TV viewers.	65
Image 4881. Beaver-eater Margarita Simonyan with a beaver. This Armenian-Russian woman eats beavers with onions.....	66
Image 4882. Propaganda is spreading information received from the Kremlin and Putin to the general public.	67
Image 4883. The orcs of Mordor love Putin; "Putin is our president."	67
Image 4884. Faces of Russian propaganda: Olga Skabeeva, Dmitry Kiselyov, Vladimir Solovyov + mongrel..	68
Image 4885. The phrase of the racist propagandist Vladimir Solovyov on TV: "Introduce yourself, scum!" ..	68

Image 4886. Putin controls information on the devices of Mordor's Zombieland through the strings of fascism. The vermicompost of Russians absorbs information without critical thinking, like zombies. Satanic spirituality would not allow the evil of Putinism to lie so brazenly through propaganda. But the vermicompost of Russians lacks the spirituality of the External Information Field, and they have rejected Satanism and Satan.	69
Image 4887. Little Russian Zakharchenko + Great Russian Putin Khuylo + Lugandonian Plotnitsky. Three Russian stooges who became famous for occupying Dombas and Lugandonia.....	70
Image 4888. The character Vatnik represents 86% of the Russian population: "I'll teach you to love your homeland, bitch!!! Love Russia, faggot!" + "The West is rotting! Russia is reviving!" + "Let's drink some vodka and go defeat the Yankees!!!" The character Vatnik is a meme depicting a Russian patriotic alcoholic.....	70
Image 4889. Artem Sheinin came to the TV studio with a bucket of shit. A true story from the history of Russian propaganda.	71
Image 4890. Irina Yarovaya stated: "Asking for money during this difficult time for the state is looting! And do you remember what our fathers and grandfathers did to looters? They lined them up against the wall! And we can do the same!" Members of the "Russia" organized crime group only rob the population and do nothing useful for the people.	72
Image 4891. Russian orc Sergei Shoigu. Minister of Defense (2012–2024), Rashist-putinist, close associate of Vladimir Putin. Green-toned caricature.	73

Image 4893. A little girl with a "Putler kaput!" handbag on the street	74
Image 4894. The Russian family of Z-men. The letter Z, "Russian Army," speaks of their patriotism and approval of racism, Putinism, war, and the banning of free speech. The mentally depraved monsters of the USSR have given birth to cretins like themselves. Small, but already corrupted critters on a genetic and mental level. There are millions of such critters in Russia, corrupted from kindergarten onward by Russian educators and teachers.....	75
Image 4895. A picture of a typical "Russian world" with alcoholics, stupidity, Lenin and piss-stained fences	76
Image 4896. Vladimir Solovyov, aka "Nightingale Droppings," is lying to Russians on television, practically shitting out of the ears of his brainless and spiritually deprived compatriots. Of course, the basic animalistic spirituality of man is incapable of protecting us from such lies... Russian critters have rejected Satan's spirituality and are unsuitable vessels for it. (Family name Solovyov in Russian sounds like a bird Nightingale)	76
Image 4897. The Kremlin's information sewer. The TV channels shit and defecate evil filth into the minds of deranged Russians. There's no desire among the Russian scum to destroy the villains. They believe them and love them.	77
Image 4898. Kremlin trolls use the Internet to spread fake comments and information	77
Image 4899. Vodka and other alcohol are the glue that holds Russia together. The combination of alcohol and propaganda is a mind-blowing gun. Dmitry Kiselev will talk about greatness to those whose brains are tainted with alcohol. Russians can't even dream of being inspired by Satan—their vessels are too shitty for that. Even without alcohol.	78
Image 4900. The "Russian World" has arrived in the village of the rashists. Do you like these critters? Do you want such neighbors and "competent managers from Russia" by your side? The artist, Vasily Vladimirovich Shulzhenko, is a Russian figurative artist working in the style of grotesque realism.	79

PREFACE

The theme of SatanArt #49, a collection of satanic drawings, is "The Russian World, the Damned Rashists, and the Faces of the Propagandists of the Evil Putinism." This album complements previous SatanArt albums dedicated to exposing the evil of Rashism-Putinism, known as Russian fascism or the "Russian World." Media propaganda has long played a key role in modern fascism, and the **State Organized Criminal Group (SOCG)** "Rashist Federation" actively uses propaganda, lies, and mass disinformation in Russia and around the world. Russian fascists love to talk about how great and heroic they are, how they liberate territories, spreading the stench of

the "Russian world" through war and propaganda.

Previous SatanArt albums, published by the Antichrist Slut Sodomia and dedicated to the Russian evil of the State Organized Crime Group "Russia," are numbered as follows:

- SatanArt #24. Rashism. The Russian Evil of Putinism and the Fascism of Russia
- SatanArt #25. Russians' Support for the Evil of Fascism-Rashism, Their Degradation, and Their Damnation by Satan. Documentary Photographs of the Herd-Minded Creatures of Putinism.
- SatanArt #26. Vladimir Putler is Kaput! The face of Vladimir Putin, the leader of the Kremlin's organized crime group "Rashist Federation," in pictures, caricatures, and photographs.

You can find these albums online as free PDF e-books and as video presentations on YouTube.

In SatanArt #49, I collected various faces and phenomena of Putinism, focusing primarily on artistic paintings. In this regard, SatanArt #49 is similar to SatanArt #24, but with an emphasis on specific public figures of

Putinism who contribute most to the creation and spread of the Russian evil of war and the Kremlin contagion known as the "Russian World." Here's the definition of "Russian World" from Wikipedia:

"Russian World" is a nationalist term used to denote a cultural, civilizational, geopolitical, and religious concept that envisions the unification of Russian-speaking people worldwide. However, the concept of "Russian World" lacks a clear interpretation and legal definition. Some researchers, such as Marlene Laruelle, define it as an "empty sign" or a term without a definitive definition, allowing political elites to assign it whatever meaning is most advantageous in a given situation. The so-called methodologists—members of the Moscow Methodological Circle, who developed the SMD methodology in the 1990s—are considered the authors of the modern concept. Many members of the circle were close to the Russian political elite of the time. Since 2008, the narrative of the need to build and protect the "Russian World" has been used by the Russian government as a foreign policy doctrine. The concept envisions the unification of Russia, Belarus, and Ukraine, as well as increased influence in countries with large Russian-speaking populations, such as the Baltic states. In 2014 and 2022, the "Russian World" doctrine was used by Russian authorities to justify their invasion of Ukraine ¹.

The definition of the "Russian world" from the Antichrist Slut Sodomia is simpler:

"The Russian world" is the drawing of people around the world into the orbit of evil Russian fascism, controlled by the State Organized Crime Group "Russia" through propaganda, pseudo-history, Russian culture, and war.

Russians are the heirs of the cannibalistic androphagic people who have captured 11-13% of the planet Earth's land mass and are attempting to spread their influence to neighboring peoples and seize neighboring lands. In this, all empires, past and present, are very similar. The peculiarity of the empire "Russia," or the Russian Federation, is that it is populated by degenerate alcoholics and ruled by psychopathic autocrats who have rejected Satan for many generations. Instead of the light of Satanism, Russians are "illuminated" by vodka and any other alcohol. After this "enlightenment" from alcohol, a modern mutant of the "Russian world"

¹ https://ru.wikipedia.org/wiki/Русский_мир Wikipedia. Russian world. Page accessed October 10, 2025

emerged across many generations and over the centuries—a Russian who is brainless, dumb, and incapable of critical thinking. This has been noted by many bloggers, journalists, and analysts on YouTube and throughout the internet.

The criminals of the Kremlin's organized crime group "Russia" quickly realized this and are using Russians as puppets to enrich themselves, consolidate their power, and elevate themselves above the Russian rabble. The main tools for this are:

1. Propaganda in various media outlets inundates Russians with lies.
2. The Russian Orthodox Church sect operates within Christian traditions to subjugate evil and prevent resistance.
3. The apparatus of violence of the **State Organized Criminal Group (SOCG)**—the police, guards, soldiers, judges, prosecutors, investigators, and security officers—keeps the population in constant fear, threatening reprisals for disobedience.
4. The appropriation of mineral resources by the ruling elite of the "Russia" **State Organized Criminal Group (SOCG)** gives the Kremlin dwellers the opportunity to finance their atrocities.
5. Waging wars and pumping the population with patriotism allows the most violent degenerates of the "Russian world" to be disposed of through death at the front or through mental insanity based on worship of the evil regime, i.e., through the personality cult of the SOCG leader.

The "Russian World" and the crimes of the Kremlin's organized crime group are most dangerous and harmful to the Russian people themselves, who suffer most directly from the mafia criminals, led by Putin. However, Russians are so stupid, lacking critical thinking and inspiration from Satan, that they are incapable of recognizing and resisting evil. The Antichrist Slut Sodomia has repeatedly emphasized that it is inspiration

from outside, and especially inspiration from Satan, that gives a person awareness and the ability to resist evil. That's why the Kremlin's gang of scoundrels is so afraid of Satan and has declared Satanism a global extremist organization. Before banning Satanism, the Kremlinites banned the LGBT community from emerging from the social plinth, also declaring LGBTQ+ an extremist organization.

Russians have failed to defend the freedom of LGBT people, Satanists, or liberals. These moral monsters are always silent, as in the final words of the final scene of the tragedy "Boris Godunov" by A.S. Pushkin (1799-1837). The famous expression "the people are silent" is usually considered an image of the silent submission of the Russian people, ready to accept any decision of the authorities and any authority at all ².

In this regard, Russians are similar to many Germans during Adolf Hitler's Third Reich. "When they came..." is a quote from the speeches of German pastor Martin Niemöller, which he used to explain the inaction of German intellectuals and their non-resistance to the Nazis ³:

- First they came for the socialists, and I remained silent—because I was not a socialist.
- Then they came for the unionists, and I remained silent—because I was not a unionist.
- Then they came for the Jews, and I remained silent—because I was not a Jew.
- Then they came for me—and there was no one left to speak for me.

Next, the Antichrist Slut Sodomia wants to discuss the wars between various organized crime groups in our world. Everyone knows that wars on our planet Earth are organized by so-called states, which are State Organized Crime Groups (SOCGs), which have seized a portion of the earth's territory and are asserting their rights and claims from there, terrorizing neighboring peoples. As long as states, countries, regimes, and regime leaders and their SOCGs exist, wars will continue, and the regimes will extract funds for these wars from the people. All SOCGs always use the pretext of "we are engaged in militarism and war for your safety." War consumes enormous resources and energy, and many good people lose their lives, including Satanists.

From a Satanic perspective, all wars between SOCG regimes are evil, just like the SOCGs themselves. Satanism strives for life in harmony with nature and without the existence of evil creatures such as Nazis, patriots, politicians, and members of the SOCG. However, our world is overrun by evil, unlike Hell. The God of religions has replaced people's personal spirituality with Satan—this is the primary cause of evil in our world. The second reason is the world's overpopulation, with its predominance of evil, soulless creatures who are inaccessible to the light of Satanism. Evil resides within these creatures. There are already 8 billion of these creatures, and soon there will be 10 billion. Satanists and spiritual people in our world are extremely few. With each new wave of human reproduction, the proportion of empty people who are of no use to planet Earth and who lack Satanic spirituality increases. Antichrist Slut Sodomia wrote in more detail about the connection between the overpopulation of planet Earth, the spiritualization of people, and the division of the world into zones of influence of different SOCG in the grimoire "Gay Lust" and in the satanic art journal SatanArt #23, "Overpopulation. Childlessness. Antinatalism. Anthropogenic Pollution of the Earth with Excess Human Offspring."

At the same time, wars are a good deed, the elimination of one evil by another. It turns out that wars between countries have a dual nature – they are evil and an evolutionary component of our world. Satanism presupposes the destruction of one evil by another. Yes, all states are evil, but how can the evillest SOCG in our world be destroyed? That's right – by other states, which will become antagonists to other evil SOCG in our world. This situation is similar to Charles Darwin's "Theory of Evolution," except that natural selection

² Mosalsky: People! Maria Godunova and her son Feodor poisoned themselves. We saw their dead bodies. (The people are silent in horror.) Why are you silent? Shout: Long live Tsar Dmitry Ivanovich! The people are silent. Quote from the drama Boris Godunov (1825) by the poet Alexander Pushkin.

occurs as a result of wars between SOCG. This is a technological-military selection based on economics, alliances and motivation to win over the enemy.

Of course, the war between Russia and Ukraine is precisely this confrontation. The less evil SOCG and the more spiritual Ukrainians are confronting a horde of moral degenerates and unilluminated creatures of Russian fascism. Many Kremlin propagandists, Russian Orthodox Church sectarians, and SOCG "Russia" bureaucrats openly call this a confrontation between Satanists and anti-Satanists. The Antichrist Slut Sodomia, may agree with this reason, voiced by Mordor propaganda, at various levels of influence. Yes, this is one of the main reasons for the seemingly "nothing but a war," a war that has virtually no meaning or cause. Russia was not threatened, no one attacked Russia, yet it decided to fight Satanism by presenting its "Russian

World" as an alternative to Satanism. It is surprising that the Russians attacked Ukraine, and it was precisely this nation that was declared Satanists. Putin and his minions thought they could easily seize Ukraine, in a couple of days. But the spirituality of the Ukrainians prevented this Mordor-like atrocity from being committed. Ukrainians became fierce enemies of the "Russia" criminal gang for many decades, if not centuries. This is Ukrainian Satanism, a resistance to evil that could be described by a more down-to-earth popular term: resistance to military occupation.

Let's discuss why, in the 21st century, the criminal gang's propaganda about the greatness of the nation, i.e., Nazism, has resonated so well with 80%+ of Russians. The story of Adolf Hitler's Nazism and the greatness of the German race has been completely forgotten in Russia... The overwhelming majority of Russians believe Russian propaganda and don't analyze it analytically in their minds. This is facilitated by a lack of critical thinking when consuming information. Critical thinking is an important part of Satanism. Critical thinking underlies resistance to evil and its vile machinations in the information space of our world. Almost all Russians lack Satanic spirituality, and they also lack basic spirituality—connection to the External Information Field. Basic spirituality allows people to develop creative abilities, create beautiful things, and advance science and art. Russians are incapable of inventing anything themselves; they only steal and adopt the knowledge of the White civilization, which they call Satanic. Russian propagandists, Russian Orthodox Church sectarians, and officials of the State Organized Crime Group "Russia" use the umbrella term "Satanic West" to refer to Western Europe, the United States, Canada, Australia, Japan, and other countries of the White civilization. We live in a time when the internet remembers all the videos and texts that racists have made about Satanists. Confirmation of my words can easily be found online.

Another reason for the inability to resist racist propaganda, i.e., The genes of Russian fascism and Nazism are the alcoholic genes of the Russian population. If a tribe consumes a lot of alcohol over many generations, and alcoholics breed other alcoholics, the genes of the people become bad. I call this the alcoholic genes of the Russian population.

An important feature of the propaganda is the emphasis on Russia's greatness, and indirectly on the greatness of Russians themselves. Russians are well hooked on the trappings of greatness, Russian values, traditional values, and resistance to Satanist enemies around the world. In reality, Russians have nothing to be proud of, and even the secret of nuclear weapons was stolen from the United States. Instead of real success, Russians are fed a fairy tale of their greatness and importance in the world through Putinist propaganda. This lie very happily and harmoniously enters the ears and eyes of Russians. This is a pleasant self-deception, a fabrication designed to maliciously influence people's consciousness using the "carrot and stick" method. The false greatness of Russia and the achievements of Russians are this "carrot," i.e., the sweet spoonful of honey for their pseudo-greatness.

DEDICATION OF THIS GAY SATANISM VISUAL ARTS MAGAZINE SATANART #49

The Antichrist Slut Sodomia dedicates SatanArt #49, the gay Satanism magazine, "Propaganda of the 'Russian World' of the Rashist Federation. The Damned Faces of Russian Fascist Figures and Putinist Propagandists," to the anti-fascist resistance that opposes the villainous SOCGs worldwide. At the present time, in 2025, a vast territory of planet Earth is occupied by an evil entity that John Ronald Reuel Tolkien called Mordor. Russia is a fascist cesspool inhabited by stupid people, the heirs of the androphagic cannibals of antiquity. The Russians have occupied a vast landmass (11-13%), polluted it with their occupation, and threaten their neighbors with war. Even if a world war doesn't break out soon, revanchism will brew in this cesspool of the Russian Federation, as in Germany after its defeat in World War I. The most logical option is to divide Russia's territory into numerous small territorial self-managements, depriving them of nuclear weapons—that's the best option. Most of Russia's territory could be divided among neighboring state-controlled territorial groups.

Siberia and the so-called Far East⁴ could be handed over to the artisans of China. Consolidating neighboring state-controlled territorial groups at the expense of Russian territory is not a good way to divide the largest empire on Earth. In 2023-2025, Putinism demands that Russian females reproduce at triple the rate of reproduction, but this will not help the evil of racism. Propaganda of lies and evil will also not help Russian fascism, and in the long term, it will become a stain on the shame and human stupidity of the Russian people.

In the album's introduction, Slut Sodomia used Russian prison tattoos of inmates (except for a caricature of Reich Propaganda Minister Goebbels). The territory occupied and captured by the State Criminal Organized Crime Group "Russia" has long been transformed into a vast concentration camp for the people imprisoned there. These people have been transformed into a herd of beasts that do not resist evil, orcs that commit atrocities, cannibals who have rejected Satan, Satanism, and LGBTQ+ people.

Translation of the cover image text of SatanArt #49 into English from the original Russian:

Русский мир = Russian world = "Make Russia great again" + "Russian people traditions & bonds".

Да ты, кажется, не хочешь быть частью народа? = *Seems, like you don't want to be a part of the people?*

In SatanArt #49, a satanic visual art magazine, Jesus encounters the "Russian World":

In SatanArt #49, I included the trilogy "The Adventures of Jesus Christ in the 'Russian World' of the Russian Village," painted by artist I. Simonov. This trilogy consists of three paintings: #4832, #4851, and #4857, and it recounts the bitter experience of Jesus of Nazareth's encounter with the "Russian World."

⁴ https://ru.wikipedia.org/wiki/Дальний_Восток Wikipedia. The Far East is a geographical, geopolitical, historical, and cultural region encompassing Northeast, East, and Southeast Asia. It is part of the geopolitical concept of the Asia-Pacific region. The Far East occupies 41.1% of Russia's territory. It includes the Transbaikal, Kamchatka, Primorsky, and Khabarovsk territories; the Amur, Magadan, and Sakhalin regions; the Jewish Autonomous Oblast; the Chukotka Autonomous Okrug; Buryatia; and Yakutia.

Image 4803. The sigil of anti-fascist resistance, proposed by the Antichrist Slut Sodomia. The sigil's text can be translated into other languages if necessary for practical use. The original is in Russian. Satanism is the main enemy of fascism, Nazism, and evil states.

The "Anti-Fascist Resistance" sign has several meanings (more details in SatanArt #26):

1. Stop using the letter Z of the Antichrist Slut Sodomia, as a symbol of the racist military invasion of Ukraine and white civilization. The letter Z is the sign of the Antichrist Slut Sodomia. Satan has cast black magic on racism, in the form of the letters Z and V of the Antichrist.
2. The direct, universally understood meaning of this sign: no to Z-patriotism, militarism, and racism. Racism and fascism are barred.
3. The third meaning is the most interesting: in territories where the Antichrist Z sign is banned, a black sphere of evil appears, through which the words "Anti-Fascist Resistance" shine in white letters on black.

The mindless racists will slap the letters Z and V of the Antichrist on their military hordes of degenerate alcoholics. May the black magic cast against the evil of racism by Satan come true.

Image 4804. Kremlin propaganda. A poster emitting nasty information from the Kremlin tower.

The Kremlin towers in Moscow have long been a symbol of Russian fascism, Soviet dictatorship, Putinism, and rashism. Not long ago, the towers of the Moscow Kremlin were adorned not with bright ruby stars, but with elegant, shiny, gilded eagles. Until 1935, copper-gilded eagles continued to crown the Kremlin towers. In August 1935, Moscow gangsters passed a decree replacing the old symbols with new ones. Just a week later, the eagles were dismantled, and stars took their place. The star is a symbol of Satanists and Satanism. Its correct name is the pentagram. The Kremlin cannibals stole the symbol of Satan, the Antichrist, and Satanists. Of course, this topic requires a more detailed examination in the next grimoire of gay Satanism, "Beyond the States."

Soviet propaganda, which by the 1980s had already strained to tell the story of the inevitable victory of the world revolution and the triumph of communism over capitalism, has finally ceased to exist. Since February 2022, funding for state media in Russia has increased dramatically. Propaganda, which 30 years ago was losing ground to independent media, has strengthened its position. Propagandists of rashism can be divided into two categories: studio and armchair thugs and "war correspondents" who spread lies about the war with Ukraine from the front lines. The most famous Russian "war correspondents" include: Yevgeny Poddubny, Alexander Sladkov, Alexander Kots, Semyon Pegov, Andrei Rudenko, Vladlen Tatarsky, Andrei Medvedev, Dmitry Steshin, Irina Kuksenova, and Yuri Kotenok.

During the final years of the Soviet Union in the 1990s, stores suffered dire shortages of even the most basic goods, including food. The United States came to the aid of the USSR by organizing humanitarian aid deliveries, and Gorbachev personally negotiated with George W. Bush to supply the USSR with frozen chicken legs. Even such a simple food as chicken (considered the food of the poor worldwide and the most affordable source of animal protein) was in dire shortage in the USSR. "Bush's chicken legs" saved Russia from famine in the 1990s. People remember how cheap chicken legs were a staple in everyday life. Political views and attitudes toward the country varied, but chicken legs were the only food available, and everyone ate them. In addition to the famous "Bush legs," the USSR also received a wide range of other foods and goods, including baby food, instant cereals and purees, canned meat, and so on. In stores of those years, these goods were often the only food available, in addition to sourdough "brick" bread.

Image 4837. Russian cross. Buying hydrocarbons from Russian cannibals sponsors and supports rushism-putinism. Europe's hydrocarbon taps will be almost completely shut off in 2025.

Oil plays a key role in the Russian economy, as it is a strategic resource and one of the country's main sources of income. An analysis of Russia's main budget revenues reveals that the country is an "oil and gas addict." Even according to official data from the aggressor country's Ministry of Finance, federal budget revenues from oil and gas in 2023 amounted to 8,822.3 billion rubles. This constituted approximately one-third of Russia's entire federal budget revenue. In 2025, oil and gas revenues will account for only 24.5% of Russia's total budget revenue. A collapse in global oil prices could pose a serious threat to Putin's war machine. Thus, Russian oil is both a source of strength, used to finance the war, and a potential weakness due to its sensitivity to price fluctuations on the global market. Russia's full-scale military invasion of Ukraine has led to sanctions that have increased production costs, a sharp drop in demand in Europe due to a shift to alternative suppliers, and the imposition of price caps.

Indeed, OBEDIENCE is the foundation of the Orthodoxy of the Russian Orthodox Church. Moreover, obedience occurs precisely when you least want it ("for humility" and "for the breaking of pride"). And the rule of prayer and strict adherence to all rites, rituals, and canons are an integral part of the Orthodox path. The very ideological foundation of the Russian Orthodox Church is built on the humiliation of the individual and the renunciation of everything personal, as a person is nothing but a "worm," "stench," and "dust, and to dust will return." Man is postulated to be inherently depraved (the consequences of the so-called "Fall"), and therefore nothing but sin, temptation, and seduction can be expected from him. And if you happen to end up in a monastery, you can forget about all "rights and freedoms," since only "God's will" (i.e., the will of the abbot) applies here. As he says, so it will be. On a Russian collective farm, the "abbot" is the chairman of the collective farm. Jesus Christ found himself on a collective farm with the cretins of the "Russian World," couldn't bear what he saw, and flew back into the arms of Satan. A version of the ending to the trilogy "Jesus in the Russian World," according to Slut Sodomia.

During the socio-political show "First Studio" on Channel One Russia, propagandist host Artem Sheinin brought a bucket with a "Shit" sticker into the studio and attempted to hand it to Ukrainian blogger Serhiy Zaporozhsky. The incident occurred on April 20, 2017. Prior to this, Sheinin had asked the Ukrainian blogger if he owned the Twitter account "Bandera Football." He replied that he did not. Following this, a tweet from "Bandera Football" was posted on the screen, which read: "I, Serhiy Zaporozhsky, promise to eat a bucket of shit on January 1, 2017, if Crimea hasn't returned to Ukraine by then..." "These kinds of fake shit you're showing on Channel One, Artem, are rock bottom, you've hit rock bottom!" Zaporozhsky exclaimed.

Putin's whore Irina Yarovaya is a criminal who helped the Kremlin regime stifle free speech. She participated in the following rashist initiatives: she spoke out about "patriotic education" for schoolchildren, i.e., propaganda, proposing the introduction of a single state history textbook; she advocated for harsher penalties for criminal and administrative offenses; she supported the death penalty; she opposed the requirement for officials' family members to declare their income; and she supported an initiative to penalize violations of public events regulations. There are many such Putin rats in Russia. They are all anti-Satanists and cannibalistic androphagic cannibals, devouring the freedom of their fellow tribesmen instead of cannibalizing meat. In the 21st century, cannibals have modernized into rashists.

Image 4891. Russian orc Sergei Shoigu. Minister of Defense (2012–2024), Rashist-putinist, close associate of Vladimir Putin. Green-toned caricature.

Sergei Shoigu is one of Russia's most prominent corrupt officials. Approximately 20-30% of Russian military spending is embezzled, and the main thief is Defense Minister Sergei Shoigu. It could be argued that such corrupt military personnel in Russia are a good thing, as less money will be spent on the war. Bound by this mutual responsibility, Russian military personnel carry out any criminal orders, fearing imprisonment for corruption. According to US officials, Prigozhin and Shoigu had long-standing disagreements that lasted "years" before the invasion of Ukraine. These tensions escalated as the situation became increasingly visible at this stage of the Russia-Ukraine war. According to Yevgeny Prigozhin, "Shoigu destroyed thousands of Russia's most combat-ready soldiers in the first days of the war." The mentally ill Kremlin thugs decided: "No problem, we'll throw in a few thousand more Russians as cannon fodder. They'll die under artillery fire, but we'll achieve our goal." Ukrainian authorities claim that Shoigu coordinated all actions of Supreme Commander-in-Chief Igor Girkin in the DPR, supplying him and "other Russian terrorist leaders" with "the most destructive weapons" since May and giving him direct orders, with Putin's approval. After a large-scale Ukrainian counteroffensive in September 2022, Igor Girkin declared that Shoigu should be shot.

There are millions of such critters in Russia, corrupted from kindergarten onward by Russian educators and teachers..

After the full-scale invasion of Ukraine began, Russia began to be called the country of victorious fascism, and Russians who supported military aggression were called "Zetniks." Despite the obvious reference, "Zetniks" and "Ziganuty" are overlapping, but not identical, groups. Moreover, many "Zetniks" (perhaps most) consider themselves anti-fascists. A "Z-patriot" (less commonly "V-patriot"), also known as a "Zetnik" or "Zigger," is a common term used to describe a Russian citizen or a Russian abroad who approves of the Russian government's policies since 2022, particularly the SWO (Special War Operation), or war.

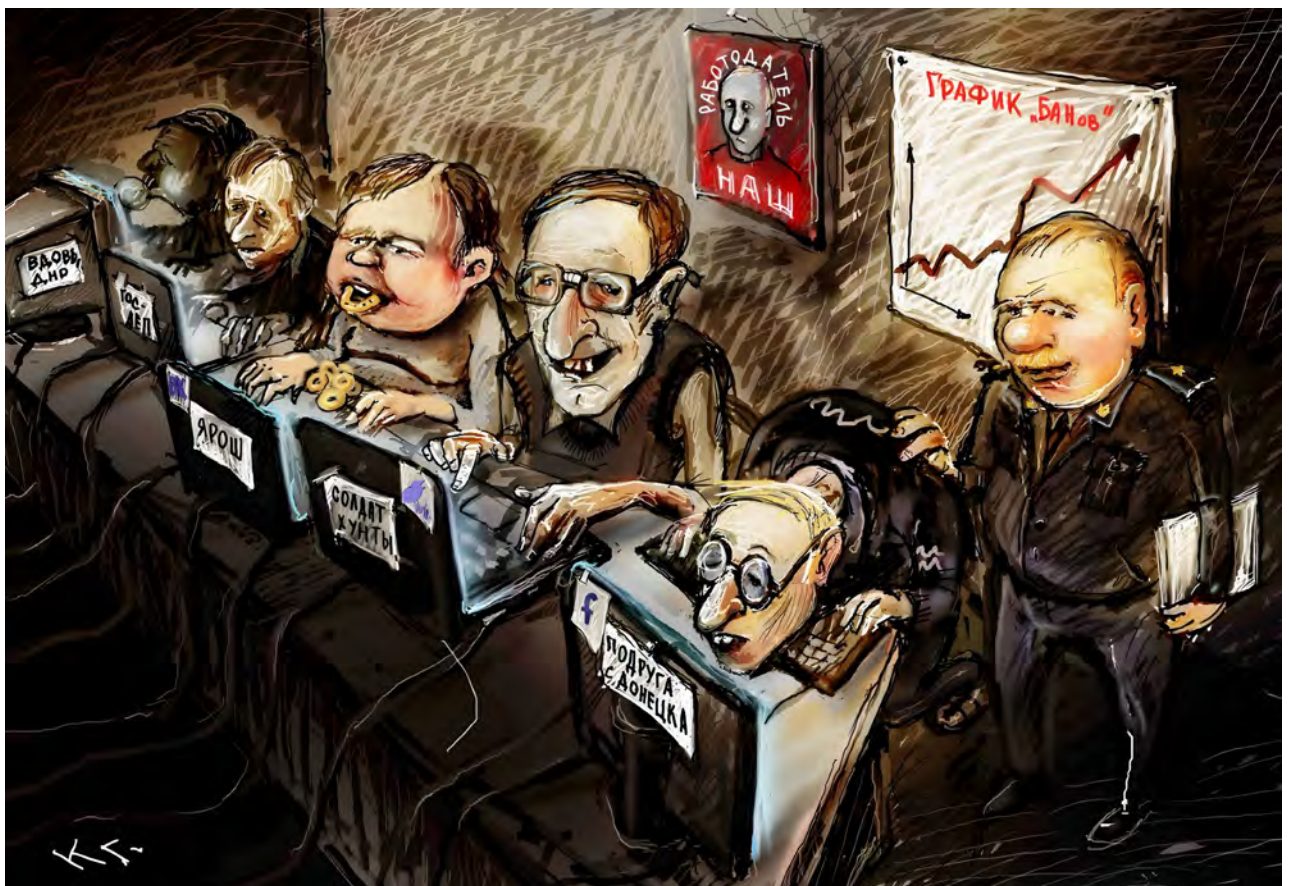

Image 4898. Kremlin trolls use the Internet to spread fake comments and information

Image 4899. Vodka and other alcohol are the glue that holds Russia together. The combination of alcohol and propaganda is a mind-blowing gun. Dmitry Kiselev will talk about greatness to those whose brains are tainted with alcohol. Russians can't even dream of being inspired by Satan—their vessels are too shitty for that. Even without alcohol.

Image 4900. The "Russian World" has arrived in the village of the rashists. Do you like these critters? Do you want such neighbors and "competent managers from Russia" by your side? The artist, Vasily Vladimirovich Shulzhenko, is a Russian figurative artist working in the style of grotesque realism.

KEY THESES FOR UNDERSTANDING SATANIC IMAGES IN ART

Gay Satanism is not a religion or a sect. Gay Satanism is the spiritualization of man by Satan. This term has another meaning. Gay Satanism is a creative direction of the artistic genre created and developed by the Antichrist Slut Sodomia. I do not want gay Satanism to become a religion, but I want it to become a fan movement for the liberation of one's own consciousness from the shackles of the evil of our world. Under the auspices of Satan, with the Antichrist Slut Sodomia incarnate. Gay Satanism is for all people spiritualized by Satan. Not only for gays and people of homosexual orientation. All people spiritualized by Satan are disciples of our Teacher Satan. We are all Satanists. The difference between Satanism and religion and evil is that it is an individual spiritualization. Mass demonstrations under the guise of Satanism are impossible, because Satanists are introverts. Fake Satanists of the future will gather herd gatherings of pseudo-Satanists (football fans, music fans, fans of the SOCG⁶ or religion). A meeting of real Satanists is a sexual orgy or a sabbath of unity with nature in the nude. Other types of mass demonstrations of belonging to Satanism are fiction and a parody of Satanism.

Satan is good. Satan is the Tamer of evil. Satan is revenge for evil in our world. Satan is Joy, Pleasure and Happiness. For the evil forces of our world, Satan is the main enemy. Satan is an image in the consciousness of man and a mystical experience of connection with the spirits of another dimension, which is called Hell. For Satanists, Hell is their home. Connection with the spirit of Satan occurs at the quantum level. Modern science already studies and uses the quantum level for applied tasks. Satan is the main spirit of Hell, the Lord

⁶ GOPG is an acronym that stands for the true meaning of state. State Organized Crime Group. The term was coined by Antichrist Slut Sodomia for the Gay-Satanism grimoire "Gay Lust".

of critters, the Teacher of Satanists. Satan is not a god. Satan is the Spiritualizer, the source of black magic, the Alpha and Omega. Satan is the Adversary of evil and the Accuser of evil. Satan is the Father of all Satanists. Lilith is the Mother of all Satanists. Satan and Lilith are the sources of Satanic lust for all their Satanist children. Satan is the internal spiritualization of a Satanist, and not dogmas, sermons of priests or religious books. At the same time, Satanism does not deny the importance of biological parents.

Darkness, the abyss - this is the world of soulless critters, their states, their stupidity. This is the occupation of planet Earth by usurpers of power in the form of the SOCG. This is the image of the evil of our world. In some cases, they mean the opposite, because it is the evil of darkness that gives birth to Hell, vengeance and Satanists. "Children of darkness" in this case mean Satanists. Also, the image of darkness can mean Hell for the forces of evil.

Light is Satan-Lucifer. Light is Satanism and Satanic spiritualization, bringing man closer to nature. This is liberation from the shackles of evil and this is the image of freedom. This is the image of the Tamer of evil in our world and in Hell.

Sadness, sorrow, regret - this is an indication of the understanding that evil has embraced the whole world and the Satanist has to live in our world, under the yoke of evil. The main sources of evil are: crowds of inanimate critters, SOCG. This definition of the term is specifically for Satanism and for Satanists. Also, these images can mean ordinary human emotions in relation to people.

Vengeance - this image is important for all Satanists. Revenge on evil in our world and in Hell. Inanimate critters, activists of the SOCG, deceivers of religions and other evil will certainly be subjected to revenge and information entropy.

Return of the land and return of freedom to people - this image is important for all Satanists. It means the overthrow of all SOCG and religions, cleansing the earth from inanimate critters, from their stupid and senseless evil. This is the image of cleansing the planet Earth from states and their totalitarianism.

Night is the image of the fact that a Satanist in the world of evil in our world, goes practically by touch. The light for him in the night is his Satanic spiritualization. Darkness thickens at night and light is needed most of all at night. The term night is similar to the term darkness, but does not mean evil itself, but uncertainty and difficulty in orienting oneself, acting, living without light. Lost, abandoned and forsaken - this image in Satanism means that Satanists are no longer in Hell and that Satan and the forces of Hell are not directly accessible to them. Only through Satanic spiritualization. It also means that in our world Satanists do not have their own magic for the instant destruction of evil, as in Hell, in Satan's dimension.

Religion is a dogma of worship of lies and evil. Religion is a substitution of true spiritualization by Satan for critters. All evil critters are deprived of spiritualization by Satan, therefore they replace Satanic spiritualization with God and religion. Religion is a sect, a community for critters for whom herd mentality is important.

God is the canon of evil, an example of a despotic, theocratic idol of evil. God does only evil and God is evil, even because he deprives man of true spiritualization by Satan, i.e. the true Holy Spirit. There have been many gods in the history of the human species. All gods of religion are united by malice, connection with the state and with the leaders of the SOCG.

Antichrist is a common noun, not a proper name. It is written with a capital letter, like the word Satan. The concept of Antichrist means the development of a high degree of Satanism in the consciousness of a person. The term Antichrist also means a Satanist who is close to Satan and the forces of Hell and has a high power of black magic. A synonym for the word Antichrist is the expression Great Magician of Satan.

Satanism is the spiritualization of people by Satan or other demons of Hell. Satanism can also be considered as a philosophical concept that opposes theocratic dogma and the state machine of lies, violence,

prohibitions, imputed duties to evil, herd behavior. The main difference between Satanism and religion or other philosophical concepts is that the spiritualization of a person by Satan and the forces of Hell occurs from another dimension at the quantum level. Therefore, Satanism is an internal part of human consciousness, and not imposed dogmas of our world through the media, culture, propaganda, morality, prohibitions or education. Satan's enlightenment comes to a person at birth or develops consciously, in later life. Satanism opposes the evil of our world and the lies of our world.

Satanic lust is a developed and perverted sexual attraction, a constant desire to have sex, a desire to corrupt oneself and others to free oneself from the prohibitions of evil. Satanic lust is not just a sexual feeling, but a special Satanic practice for knowing oneself, getting closer to Satan, and liberating oneself on an animal level. The peculiarity of Satanic lust (especially gay lust) is that Satanic sex is not aimed at procreation or at making new human offspring. Satanic lust is always aimed at receiving pleasure or for tantric meditation. Of course, Satanists can make children if necessary.

A Satanist is a person who has Satanic inspiration. Many clues about the lies of evil are given to the Satanist not only by the inner critical thinking, but also by the mental connection with Satan and the forces of hell. Satanic spirituality often gives the Satanist a feeling of introversion and individualism. Satanists and gays are always proud of their personal spirituality or the achievements of their spouse. Satanists and gays are proud of their Satanic spirituality and perverted lust. Satanists are proud of Satan.

An unilluminated (unenlightened) critter is a person deprived of spirituality. This is a zombie and a cog in the evil system. Inanimate critters are accomplices and assistants of evil. Unilluminated critters prevent Satanists and the entire human race from living happily, receiving spirituality from Satan. Inanimate critters love herd mentality and submission. They cannot live without territorial oppressors, enslavers and false information of evil. Such people make up more than 90% of the population of planet Earth. These people have instincts of survival and adaptation. These people have no connection with Satan or with the External Information Field of the level of awareness. Critters can be called a biological shell or imitation of real people. Critters always choose evil, herd mentality, conformism and speak in templates from media propaganda or voice the dogmas of religion.

The state is an evil system that has divided the entire world into territorial zones of influence and terrorizes people with its prohibitions, oppresses with prisons and physical violence, creates conflicts between criminal gangs and plunges people into wars between criminal gangs. The state is the main source of evil. The state is a materialistic sect with its dogmas, rules of conduct and a system of oppression of the individual. The state = international military criminal groups = occupiers of the lands of the Satanists = criminal gangs = SOCG.

Fascism is a form of social organization expressed by discrimination by the state against its own citizens, that is, under fascism the supremacy of the state over the individual is recognized. Fascism is a state. A strong state = a fascist totalitarian regime. The word comes from the Italian fascismo, fascio - union, bundle, bunch, unification; fascio di combattimento - union of struggle. Fascism is also an ideology and a socio-political movement within the framework of authoritarian or totalitarian militaristic ultra-nationalism and a corresponding dictatorial regime with strict regulation of society and economy. All states strive to regulate everything and on any issue. To do this, they constantly spew out different laws from their cesspools. All states are fascist territorial sects with their own ideology, rules and methods of oppressing the individual. Fascism is a system of evil, in which a small group of people believes that they can dispose of other people, command people, deceive people through the lies of propaganda and the laws of submission to evil established by fascism. All SOCGs are fascist and their goal is material enrichment, social intraspecific elevation above other individuals of the human species and the possibility of oppressing people by psychopaths. All fascisms are built on the principle of SOCG. Real spiritual Satanists hate fascists, do not celebrate their fictitious holidays and try not to submit to this evil.

Fascists, officials, bureaucrats are the evil of the human species, in suits or other costumed special clothing, who work for fascism or profess the principles of fascism. These critters will receive such a reprisal in Hell that they will be ready to give all the money of our world to avoid entropy and retribution of the forces of Hell. But, it will be too late. Fascists, officials, bureaucrats of the SOCG, who are not economic-social-municipal employees of society, are criminals. Only a small part of the fascists are involved in improving the economic-social-municipal economy of people, and the majority of fascists are useless and harmful criminals.

The laws of the SOCG and other territorial fascist groups (local governments, prefectures, regions of the empire) are mandatory rules established by evil for people, with the aim of realizing the goals of fascism. All SOCG and fascist communities have their own laws to regulate behavior in the territories occupied by fascism. Satanists understand that the laws of evil are created for inanimate critters, with the aim of their subjugation, stupefaction and material use.

The positive activity of organized territorial entities is the organized management of communal services that is useful for the society of people, the development of the infrastructure of the society of people, maintaining the cleanliness of the territory and other social actions that are useful for the life of people, on the part of economic and communal local governments, prefectures, regional centers of territorial management. This is not a state, not an empire and not fascism. The Antichrist Slut Sodomia supports such activities and does not consider economic management to be fascism or evil. Currently, most territorial administrations support the fascism of the SOCG and are part of it. In a (future) society without the SOCG, the activities of organized territorial entities should be only economic and auxiliary, without politics, propaganda, religion and criminal concentration of power.

A patriot is an active fascist or active Nazi of his SOCG. A patriot is a person stupefied by propaganda who believes that his SOCG is better than another SOCG and he, as a member of this SOCG or a nationality within the SOCG, must do something for his SOCG in a selfless desire. A patriot is a slave of the SOCG. It is important for a patriot to be well proud of the greatness of his SOCG or the greatness of his Nazism. The pride of a patriot is always groundless, stupid and not aimed at pride in himself or his spouse. The pride of a patriot is always impersonal and is pride in the evil of the state regime that has seized the territory of the critter's habitation.

Patriotism is a person's smearing in the evil of pride in the fascism of a group of politicians or the Nazism of a certain SOCG or union of SOCG. Patriotism is a method of stupefying people, in which one SOCG exalts its importance in the eyes of people over another SOCG. Patriotism is belonging to a certain and evil group of lovers of local fascism, i.e. occupiers of the territory. Sometimes, the delirium of patriotism occurs at a distance (beyond the borders of one's SOCG) - then the patriot raves about the greatness of his SOCG, while being on the territory of another SOCG.

Propaganda is a constant, massive and avalanche-like lie of the SOCG about its greatness and its particularly outstanding character. The goal of propaganda is to make a person stop thinking critically and make him believe that he has a duty to the SOCG. For example, a duty to die in a war for the ideas of the SOCG, which are invented by the top of the ruling regime of this SOCG. Or a duty to obey the SOCG gang or a religious clan. Propaganda can be state and religious. In the world of the developed civilization of the white race, since the 19th century, the propaganda of the SOCG prevails over religious propaganda. Among the savages and religious fanatics of the damned peoples, religious propaganda still leads.

External Information Field is a general name for processes and structures in our world and in other dimensions that are not visible to the usual human senses, but which exist at the level of information (quantum or even more complex types of interactions). The External Information Field, hell, Satan, human consciousness, the Internet - everything that exists consists of information of a certain kind, and they are interconnected informationally and mentally. Modern human science in 2023 does not have the ability to

describe and study the External Information Field, but this does not mean that it does not exist. Quantum science and quantum computers already exist, but this is only the beginning of understanding the External Information Field. The External Information Field is not the same as the gods of religions, the Internet database, electronic information on planet Earth, and it is not a paradigm. Usefulentheogens help to see, hear, connect to the External Information Field. They allow you to overcome the barrier of perception over the usual human senses. Some people can feel the External Information Field, even without the help of entheogens. The External Information Field is most similar to a global multi-universe, presented as a gigantic set of information and algorithms for the interaction of this information.

All that exists consists of information, our world consists of information. The interaction between multi-universes occurs at the quantum-information level, faster than the speed of light. The speed of light is extremely small, compared to the level of quantum interaction between parallel dimensions.

Black holes are passages between universes. No gross matter can overcome a black hole. Only quantum information can pass through them. Through black holes, our world is connected with the world of Satan, i.e. with Hell. A black hole is a quantum tunnel for spiritualization by Satan.

The damned are people or entire nations who rejected Satan or committed atrocities for which the black magic of Satanism was imposed on them. Damnation manifests itself as degradation, decline, physical or mental torment, mental pathological state of doom, constant lies, stupidity, lack of talent, dirt, complicity with evil, religiosity. Evil is a marker of damned critters, it is the absence or rejection of satanic spiritualization, these are the deeds of critters to degrade their spiritualization. Evil is always filled with stupidity and lack of talent from spiritualization by the External Information Field. Evil critters are inanimate (unenlightened) biological shells, which are characterized by religiosity and a craving for herd behavior, under the leadership of the SOCG. The state, religion and dark herds of evil, selfish, inanimate critters are the main forces of evil in our world. The God of religions is EVIL. His main difference from Satan is his dogmatism, not his natural spiritualization of man. God forbids, Satan permits.

A faggot, a pederast, a slut, a bitch, a passive bottom are slang names for passive gays in a perverted form. I use all of these forms and they are all grammatically correct because this is the language of gay lust. The faggots themselves love such words. They love to distort these words; they love when these words are pronounced with humiliation. Analogues of these words in English: faggot, fag, looser, slut, bottom slut. A gay slut is a passive faggot who is not necessarily an MTF trans, but usually has a desire to become one. The term slut can be used to refer to any passive gays. The traditional desires of sluts & bitches are the desire to be fucked in the ass. Bitches want to fill their anal cunt with sperm and absorb sperm into themselves.

Anal cunt, cloaca, gay cunt – all these words are synonyms and mean asshole, intestine and faggot lust during anal sex. Such sexual words are used for faggot copulations, to add piquancy, perversion and depravity to them. A faggot's cloaca is an organ with two functions: to remove feces and to receive sexual pleasure. I like these sexual terms.

LGBT or LGBTQ or LGBTQ+ or LGBTQIA+ is an abbreviation for the words "lesbian", "gay", "bisexual", "transgender", "queer", "intersex", "asexual", "Asexual/Aromantic/Agender", plus additional categories of unusual people, their unusual ideas and extravagant communities. The Grimoire of Gay Satanism uses the designation LGBTQ+ — a community of sexual minorities and perverts united by common interests, problems and goals. It consists of various communication groups, communities, subcultural movements, queer neighborhoods and queer organizations. All designations are equivalent. In the grimoire, I use the designation of the LGBT community with an additional letter Q and a plus sign. The letter Q stands for queers, and the plus in the name means that I also include feminists and all other people with non-standard views in the community: zoophiles, pedophiles, watermelon lovers 😊 and other perverts. I believe that feminists are close in spirit to LGBTQ+ and are part of it.

Queer is a collective term used to refer to a person whose sexuality and / or gender identity differs from the majority.

MTF transwomen and dickgirls are fully transitioned gay faggots who identify themselves as female with a male penis (in original form). Large female boobs are an optional attribute for MTF transsexuals. The abbreviation MTF stands for Male-To-Female transgender transition vector. Trans transition is very important for Satanism. Almost all MTF transsexuals are inspired by Satan and are Satanists. There are several levels of trans transition, which Slut Sodomia highlighted in her grimoire of gay Satanism, *Gay Lust*. For more information on penisgirls, read Slut Sodomia's *Grimoire of the Antichrist*.

CIS, Cisgender - these terms (cisgender is often shortened to CIS; sometimes cissexual) describe a person whose gender identity corresponds to the sex assigned at birth, i.e. a person who is not transgender. The prefix cis- is of Latin origin and means "on this side". The term "cisgender" was coined in 1994 as an antonym to the word "transgender" or "non-binary person" and entered dictionaries in 2015 as a result of changes in public discourse about gender. The term is an analogue of old-fashioned expressions from past centuries regarding sexual orientation and gender of people: (normal ordinary woman) = CIS woman and (normal ordinary man) = CIS man. At the moment, any gender and sexual orientation of people is recognized as "normal". Among the advanced peoples of white civilization, our world, sexually retarded savage people, homophobes and transphobes are recognized as abnormal. A synonym for this term can be the phrase NON-TRANS, and an antonym NON-BINARY or TRANS.

Entheogens are substances of plant, fungal, chemically synthesized, or animal origin that allow a connection with the "entheos," that is, with the inner divinity, with the "divine principle" (entheo + genesis). This is the same Greek root of the word theology, Zeus (teus, deus), enthusiasm (in theos, "one who lives in the divine"). Entheogens or psychedelic drugs such as lysergic acid diethylamide (LSD), DMT, marijuana, fly agaric, and psilocybin are associated with mystical experiences. At present, fascist drug laws limit their research. But major biomedical research centers have already found that entheogens predictably cause mystical experiences and, thus, allow us to study the state of the brain during these experiences. entheogens are not drugs because they not only do not escape from reality, but also bring you closer to it, and do not cause any physical tolerance, withdrawal or dependence; therefore, most of them are not illegal (ayahuasca, bufo alvarius, yopo, san pedro) and are used to deepen and deactivate from the very beginning the mechanisms and programs that interfere with our freedom and inner peace, leading us to self-knowledge and rediscovery of our true I-ego through connection with the External Information Field or with the Spirits-Demons of Hell.

ZooSex and ZooPhilia are the normal human desire to have sex like animals, imitating animals or with real animals (usually a large dog or horse). Man is an animal and there is nothing surprising in the desire to deepen his animal nature through transformation into an animal or through sexual intercourse with an animal. It is interesting that only a small number of people are involved with real animals, because it is difficult to organize. A significantly larger number of lovers of sex with animals prefer to fuck like animals or dress up and impersonate an animal. There is nothing wrong with this. Satan and Satanism approve of this, and the forces of evil prohibit or condemn it. Synonyms for the concepts of zoosex and zoophilia are such terms as bestiality and therianthropy. A light version of zoo-Satanism for children and adolescents is playing quadro-players, quadrobbers, furies, puppies without a pronounced sexual component. Zoophilia is equally loved by heterosexuals and homosexuals. Among gays and Satanists, there are not many lovers of animal sex, presumably up to 10% of the total gay population of planet Earth (a very rough estimate, for understanding. On farms this percentage is higher: 30%, in cities less). Most gays and Satanists prefer sex with people, without transforming into an animal. Zoophilia is not suitable for all people, but it is a good kind of Satanism. Zoophiles are part of the LGBTQ+ community.

Homophobia is a kind of sexual stupidity of critters, when they are surprised by the sexual freedom of LGBTQ+ people and are indignant about this freedom. Homophobia is a manifestation of hostile xenophobia to what critters are not able to understand, but under the influence of propaganda and religion are afraid of this, because this is an unusual phenomenon for them. Homophobes are also opponents of zoosex and zoophilia. Homophobia manifests itself not only in the field of sex, but also in the freedom of thought of evil critters. As false reasons for banning LGBTQ+ communities, homophobic critters traditionally cite protection of children, an imaginary opportunity to become gay or lesbian when visually interacting with LGBTQ+, or trampling traditional values of heterosexuals - only in the pussy and never in the ass. In fact, the reason for the fear of evil critters before the LGBTQ+ community is much deeper, and concerns the fact that among sexually free people there are many Satanists. Satan and Satanists destroy the evil of critters in our world and after the physical death of homophobes, they will be driven to entropy in Hell by all the forces of Hell. On a subconscious level, evil knows this, therefore the LGBTQ+ community carries the light of Satan in itself and is a danger to evil.

For a more accurate transfer of meaning and for precise identification of terms, Slut Sodomia suggests calling gay faggots in English SLUT, and CIS girls with a female pussy to be called BITCH. That is exactly how I called these two different categories of Satanists in my grimoires and albums of gay Satanism. Now, I am fixing this name in the dictionary of terms of gay Satanism. In the plural, all passive gays and MTF/FTM trans are called SLUTS, and "classic" girls (heterosexuals, lesbians) are called BITCHES. This is not a dogma, but simply a proposal for the LGBTQ+ community and clarification of my own terminology. It is possible to call it the other way around: a faggot called a BITCH means that he has finally started thinking only about being raped in the ass, like a CIS Satanist woman. If a CIS woman calls herself a SLUT, it means that she is close in spirit to the faggots and cock-girls from the gay Satanist community.

SATANART AND SATANSONGS SATANIC ALBUMS LOGOS FROM ANTICHRIST SLUT SODOMIA

23.03.2025 Slut Sodomia created the official logo for SatanArt albums. Now I will use this logo for textual-symbolic designation of my SatanArt albums such a logo:

S ☆ † ☆ N ☆ R †

Everyone who has the fire of Satan in them loves special Satanic art. **Therefore, with the help of SatanArt albums of paintings from Slut Sodomia, you can check yourself and other people for belonging to Satanism**

and the presence of Satanic spirituality in you. The result is 100%, unless, of course, a person tries to masterfully hide it, i.e. lie. Moreover, they can lie not only to others, but also to themselves.

Slut Sodomia realized that with the help of the SatanArt album, which she edits, you can make a test for belonging to Satanism and the presence of inspiration by Satan. Yes, this idea was “in the air” with me ..., but I could not formulate it. Now I have done it. Therefore, SatanArt albums are a litmus test for determining Satanism in a person.

SATANART - TEST YOURSELF FOR SATANISM!

I believe that visual paintings, as well as music, are able to enhance immersion in Satanism and give Satanic inspiration to people of different ages and nations. They are universal messengers of the ideas of gay Satanism and Slut Sodomia is very glad that so many talented graphic artists work in the field of Satanic painting. Especially in the last 20+ years, since 2000, there has been a mass appearance of magnificent works about Satan, Satanism and Satanists. Literally, in two decades, there was a rapid birth and development of modern Satanic art. A very large role in this was played by the computer, graphic programs and digitalization of art. I think that in the future, artificial intelligence and neural networks will also become assistants for many Satanic artists.

ABOUT THE ANTHROPOMORPHIC AND ALLEGORICAL IMAGE OF SATAN IN THE ART OF SATANISM

Anthropomorphism and allegory in art have a rich and ancient tradition. Depictions of Satan are always anthropomorphic and allegorical because Satan can take any form. No one knows what Satan looks like in his canonical form and such a form does not exist. For a Satanist there may be a personal favorite form of Satan, and this is the form the Devil takes for the Satanist. I have already written about this in detail in the grimoire “Gay Lust”.

Allegory (from ancient Greek ἀλληγορία - allegory) is an artistic representation of ideas (concepts) through a specific artistic image or dialogue. Allegory is an artistic representation of abstract concepts and generalizations using specific figurative embodiments. The artist depicts and represents faith, love, soul, justice, discord, glory, war, peace, spring, summer, autumn, winter, death and similar concepts with living beings and specific images⁷. Anthropomorphism is a worldview concept expressed by nominative means of language, fine arts, etc. According to this principle, inanimate objects, living beings and fictional entities that do not have human nature can be endowed with human qualities, physical and emotional⁸.

Therefore, all artistic depictions of Satan are allegorical representations of our Teacher. More important than the painted image itself is the person's perception of the painting. It could be surprise, lust, delight and other feelings. It is precisely these feelings that are born from viewing the paintings in the SatanArt album that are

important. It is these feelings that give spirituality to Satan or immerse the beholder in Satanism. Also, the paintings in the album convey the general aesthetics of Satanism - this is a special sensual satanic beauty. Therefore, in addition to immersion in satanic spirituality, albums of paintings instill in a person an aesthetic sense of beauty.

IMAGE SOURCES AND IMAGE COPYRIGHTS

Slut Sodomia took all the images for her album from open sources on the Internet. Many paintings are modified with available neural networks for image processing. If I know the name of the author of the picture, I indicate it. If I don't know the author's name, I don't indicate it. This document contains illustrations by various authors, and I include the artists' drawings in my album for scientific, educational or cultural purposes. This document is a free information source about Satanism. The authors of the works receive advertising of their name and their work from the Antichrist Slut Sodomia, so I am not interested in any claims based on the laws of the SOCG and other evil. Artists of Satanism receive free advertising and promotion from the Antichrist. However, I think that none of the real Satanists will make claims against me. Selfish evil, the Pharisees and lawyers of the SOCG may do this, but I am not interested in the opinion of evil. All evil will be subjected to entropy by Satan, like all the rest of the information garbage of our world.

All copyrights belong to the authors of the paintings, and I cannot appropriate these rights in any way. By publishing paintings by Satanist artists, I popularize the authors of the paintings and the very aesthetics of Satanism.

ABOUT IMAGE FORMATS FOR SATANART ALBUM – PNG, WEBP, JPG

I published all the images for the grimoire of gay satanism in PNG or JPG/JPEG format. For SatanArt albums of satanic art, I will additionally use the good and relatively new WebP format. WebP - (English WEB Pictures) image compression format, both lossy and lossless, proposed by Google Inc. in 2010 year. Based on the still image (key frame) compression algorithm from the VP8 video codec. Uses RIF container⁹. This format provides good image compression with decent quality. If you can't open WebP images, either update your software or install codecs that will allow you to see these images on your computer.

Most of all, I like the PNG format, which produces fairly high-quality images, which is especially important when printing books in a printing house or on a printer. PNG (portable network graphics) is a raster format for storing graphic information that uses lossless compression using the Deflate algorithm. The PNG format is designed to replace the older and simpler GIF format, and to some extent to replace the much more complex TIFF format¹⁰.

I also use the classic JPG/JPEG photo format, although, in my opinion, this format is inferior to PNG and WebP formats. Thus, for the collection albums of Satanic drawings, photographs and other graphics of gay Satanism for immersion in the spirituality of Satan SatanArt, I will use three image formats PNG, WebP and JPG/JPEG. I will not use other image formats in 2025, although new and better formats for digital graphics may appear in the future and then it is worth using new products if necessary.

DISTRIBUTION OF THE ART APPLICATION OF GAY SATANISM SATANART IN DIFFERENT DIGITAL FORMATS

Albums-collections of satanic drawings of gay Satanism SatanArt in electronic form are released by the author in two formats PDF and DOCX ¹¹. The e-book is free to download in any of these formats. Also, the graphical application of gay Satanism SatanArt is distributed in the form of a single ZIP archive file, which contains versions of the book in both PDF and DOCX formats. These are formats for publishing the images themselves with text titles and comments on satanic graphics from Slut Sodomia. Applications of Gay Satanism SatanArt is a useful addition to the Gay Lust grimoire for spiritualizing a person through the visual images of Satanism.

I have collected the satanic art pictures in a separate appendix so as not to take up a lot of graphics space in the Gay Lust Grimoire itself. You can download collections of Satanic drawings, photographs and other graphics of gay Satanism for immersion in the spirituality of Satan SatanArt on the Internet, on the Darknet on sites in the onion domain zone through the TOR browser or through torrents. Titles of paintings and text comments will initially be available in Russian and English. The texts of the comments in English are published in the English version of the SatanArt add-on - this is a separate file.

Thus, the visual application of gay Satanism SatanArt by Slut Sodomia “Collections of Satanic drawings, photographs and other graphics of gay Satanism for immersion in the spiritualization of Satan SatanArt” is available in the following options:

- In Russian – with titles and comments of satanic paintings in Russian in DOCX, PDF formats and their packaged version in ZIP format.
- In English – with titles and comments of satanic paintings in English in DOCX, PDF formats and their packaged version in ZIP format.
- The full version of the visual application of gay Satanism SatanArt with separately located pictures in PNG, WebP and JPG/JPEG formats, packed in a fairly large ZIP archive. DOCX, PDF + separate picture files in PNG, WebP and JPG/JPEG formats.

Portable Document Format (PDF) is a cross-platform open electronic document format originally developed by Adobe Systems using a number of PostScript language features. Primarily intended for presenting printed products in electronic form. There are many programs for viewing, as well as the official free Adobe Reader program. The book format as a PDF file is convenient to read and distribute electronically. Typically, no distortion is observed when opening this format on different operating systems and in different programs.

The DOCX format is a modernized version of the DOC format, and compared to its predecessor, this format is much more popular and accessible. A DOCX file is a document created using Microsoft Word 2007 or a newer version of Office from Microsoft. The file format is based on Open XML and uses ZIP compression to reduce file size. I recommend opening the DOCX file for work and editing in the original MS Word editor of this format from Microsoft, which is included in Microsoft Office 2019 and later. For reading and review, you can also use free programs that can open the DOCX format - LibreOffice Writer, OpenOffice Writer. Free programs may contain distortions in the document,

¹¹ According to their purpose, electronic document formats can be divided into those that can be viewed and edited, as well as those that can only be viewed or only edited. For example, the PDF format is intended for viewing documents, and DOCX is intended for both viewing and editing.

offsets, errors in formatting and fonts. The author puts the book in DOCX format into the public domain for the purpose of publishing the book in paper form. This format can be conveniently formatted and edited.

ZIP is a widely used file archiving format that is used to compress one or more files in one location, reducing their overall size and making it easier to transfer data. Inside this archive there will be two book files in both PDF and DOCX formats, plus drawings of gay Satanism in the form of raster images.

To create ZIP archives and extract (unpack) the files they contain, special utilities can be used, for example terminal PKZIP and PKUNZIP or graphical WinZip, WinRAR, Info-ZIP, 7-Zip, PeaZip and many others.

Also, Antichrist Slut Sodomia sees great potential in spreading gay Satanism through creating videos from static documents of PDF e-books and PPTX presentations. Slut Sodomia will try to create a sufficient number of videos based on static digital files with text and pictures of Satanism. Perhaps it is worth converting all gay Satanism files to digital video format of modern 4K resolution. First, I will convert the most understandable and puritanical albums of gay Satanism to video format, and then I will make such video releases with other albums of gay Satanism.

FREEDOM OF DISTRIBUTION OF ANY INFORMATION

Any information should be disseminated freely, openly and without interference from the evil of our world. No copyright should interfere with this. Each work has a true author and no copyright is needed, just as no legislation in the field of information dissemination or copyright is needed. Anyone who interferes with the freedom of information dissemination is criminals and enemies of your personal freedom. Self-balancing of the information field of our world will not allow evil, harmful and false information to spread. All this happens without censorship from the state, automatically in the space of the information field of our world. Good and necessary information will be in demand, and bad and harmful information will become unnecessary. Also, the distribution of this book-album should be completely free. I know for sure that the evil of our world will recognize the main grimoire of gay Satanism as “illegal” and ban my book “Gay Lust”, as well as the music albums of Satanic songs and hymns SatanSongs and the albums of paintings of gay Satanism SatanArt.

Protect commercially important information and your personal information yourself if you need it. Your desire to withhold information is not a reason to prohibit public dissemination or discussion of this information. Any censorship and bans on information are an obvious evil. Everything secret, sooner or later, becomes clear.

- this is a convenient way for sellers to make money on books;
- this is a convenient way for readers, Satanists and members of the LGBTQ+ community to support the author;
- this is a method of distributing books about gay freedom and gay love around the world;
- this is a method of distributing a book about Satanism, spirituality and our Teacher Satan.

TRANSLATION OF THE ALBUM OF SATANIC DRAWINGS SATANART INTO OTHER LANGUAGES OF THE WORLD

The album SatanArt in the original (i.e. by Slut Sodomia) is written in Russian and English. Translate the book-album SatanArt into all languages of the world and distribute it in your language environment. The author of the book will be very happy about this. The more people can see satanic paintings and read the text titles-comments to them, from the SatanArt album, the better people will become and the more crushing the blow we will deal to the evil of our world. The visual power of art and the words of the Antichrist in the SatanArt album have a strong effect on the consciousness of man and his spiritualization by Satan. On the title page of my book, write your name as a translator or proofreader of my book if you will translate or correct errors.

DONATIONS TO THE AUTHOR AND COPYRATES WHEN SALES OF A BOOK IN PRINT AND ELECTRONIC FORM

Antichrist Slut Sodomia has done a lot of work creating art albums of paintings of gay Satanism SatanArt, working on compiling this e-book, searching for drawings on the Internet and compiling their descriptions for you. Four reasons to support the author financially:

The first reason is if you share the ideas of Satanism. This book is a guide and grimoire for established Satanists and for people just beginning to gain insight. Let their path be illuminated by my literary work and help them receive the spiritualization of Satan in full, using my grimoire as a navigator.

The second reason - if you think that the book is useful and valuable for members of the gay fraternity, Satanists and the entire LGBTQ+ community - support the author with any donation. The book about gay Satanism exposes the evil of our world and shows why it is the state, religion and the dark herds of evil, selfish, unspiritualized souls that are the main forces of evil in our world. It is not Satan and not man's spirituality with joy, pleasure, sexual lust that is evil, but evil is located precisely in our world itself. It was evil, in the form of the state and religion, that destroyed Jesus of Nazareth, who was a disciple of Satan, a spiritualized man, and this evil still oppresses your freedom 2000 years later since the life of Jesus of Nazareth in our world.

The third reason - if you want to see a new and expanded version of this book or new books by the author - support the author with any donation. You can make all donations using cryptocurrency - this way you and the author of the book will remain anonymous. What is very important in the world of total censorship and a total ban on freedom of speech throughout the world at the moment on issues that do not coincide with the official propaganda of states and the ideals imposed by these states.

The fourth reason is if you make money from my literary work by selling it.

You can sell my book; you can translate it and sell translations of my book. You can do this freely, and I will be only happy about that. If you sell the book in print, I ask for a modest 20% of the profit. My written or oral permission is not required to sell the book - you can publish and sell this book. For example, you can publish this book in the form of registered or numbered copies on high-quality paper bound in leather with gold

embossing at a high price. Or you can publish the book as a mass edition with a large circulation to spread knowledge about gay sex and gay Satanism at an affordable price.

Or you can put my book up for sale on any sites on the Internet where documents and books are sold in electronic form. If you sell the book as an e-book, I ask for a modest 20% of the sale price. You don't need any permissions for this. I give you this permission here.

Transfer 20% of the profit (for paper versions of the book) or the amount of copies of the book sold (for electronic sales) to the author's cryptocurrency accounts in any available cryptocurrency. These will be sufficient royalties for the publication. All copyrights belong to the author of the book.

You make money from my book. Distribute my book for free and for a fee.

Antichrist Slut Sodomia does not work for a living and has spent many years writing books on Satanism, so he counts on financial support from the Satanist community around the world, I believe I will receive donations from members of the LGBTQ+ community. I also hope that my work will find financial support among feminists, queers and all people with non-standard sexual preferences, which are groundlessly condemned by the society of unenlightened critters, fascists and underdeveloped organisms of evil biohumus. The Antichrist has no other income, but he needs money for household expenses, utility bills and food. To continue writing the second grimoire of Gay Satanism "Beyond the States", I need money for my support in our world. I count on cryptocurrency donations from my readers or viewers of the videos. The material existence and creativity of the Antichrist rests on financial expenses for material life and here, even black magic against the forces of evil will not replace the presence of money.

ABOUT ADDITIONS TO THE GRIMOIRE “GAY LUST” FOR DEPTH SPIRITUALITY BY SATAN

To deepen the spirituality of Satan, Slut Sodomia has prepared and released two additions to its grimoire “Gay Lust” into the Information Space of the Internet, Darknet and torrent network:

- Albums of Satanic music videos for the immersion in the spirituality of Satan. Numbered periodical Journals. SatanSongs and QuasiSatanSongs are an occasional addition to the Gay Lust Grimoire. The lyrics have been translated into Russian. Lyrics in English are published in the English version of this supplement. Clips in MP4 format come as an appendix to this add-on. In total there will be 4 collections of satanic videos SatanSongs with 100 tracks each, plus there will also be an album of quasi-satanic songs QuasiSatanSongs about love, romance, lust. There is continuous numbering of compositions in all SatanSongs music albums¹². Thus, there will be 500 video clips that help satanic spiritualization. The album QuasiSatanSongs has its own numbering of songs.
- Albums of fine art of gay Satanism for immersion in the spirituality of Satan SatanArt. Thematic numbered periodical Journals of the fine arts of gay Satanism SatanArt. This is an occasional addition to the Gay Lust Grimoire. SatanArt Albums contains paintings and drawings of gay Satanism on specific themes that are related to Satanism or sexual lust. I will publish these albums regardless of the grimoire itself. All paintings in SatanArt art albums have continuous numbering, just like songs.

DON'T HESITATE TO BE A SATANIST!

I like the phrases “Don't hesitate to be a Satanist!” and “Don't be shy about being Satan!”¹³. They are multifaceted, and are aimed at calling people not to be afraid to receive satanic spirituality and not to be afraid to resist evil.

NUMBERING AND CONTENTS OF COLLECTIONS-ALBUMS OF SATANIC PICTURES SATANART

The total number of collections and albums of satanic drawings and paintings of SatanArt is currently unknown. I would like to make about 100 albums if readers and the Satanic community like my work. Each SatanArt album will contain 100 drawings. There will be continuous numbering of all images in all music albums to organize the graphic material. Continuous numbering implies a common numbering of objects in all albums of satanic graphics SatanArt.

¹² Continuous numbering implies a common numbering of objects in all albums of satanic musical compositions.

¹³ This is Satan's phrase. Our Spiritualizer Satan says this phrase to his children, the Satanists. The phrase does not refer to unspiritualized critters of evil who do not have satanic spirituality. And does not apply to mentally ill people.

ADDITIONAL INFORMATION ABOUT GAY SATANISM FROM ANTICHRIST SLUT SODOMIA

I hope that my selection of digital Satanic paintings, drawings, photographs and other graphics of gay Satanism for immersion in the spirituality of Satan SatanArt will be useful to people, and you will find interesting images for yourself in my selection. Visual art for those who are already Satanists and for those who are just thinking about becoming a Satanist and are looking for a connection with Satan for their spirituality. Of course, these paintings can be viewed simply as beautiful masterpieces of fine art 😊, without being tied to the ideas of gay Satanism.

If you are interested in the topic of gay Satanism, you can download and read other books from Slut Sodomia:

- Grimoire of Gay Satanism “Gay Lust.” This is the main grimoire of gay Satanism. This is a magical book that allows me to become a Satanist, helps me see the evil of our world and destroy this evil.
- Albums of Satanic music videos for immersion in the spirituality of Satan, which I call SatanSongs collections. In 2024 I created 4 SatanSongs albums + 1 quasi-satanic album QuasiSatanSongs.

The Gay Lust Grimoire is intended for both experienced Satanists and novice Satanists who want to deepen their spirituality with Satan or even gain it. The grimoire “Gay Lust” is a navigator for a Satanist and a conceptual basis in the fight against the evil of our world. There are Satanists not only among gays themselves, but also among straight people inspired by Satan. And that's great! It turns out that gay Satanism and my book are for all people in whom the fiery rage of sexual perversion burns, as an important element of spirituality by Satan. The book “Gay Lust” is a rebellion and liberation of your consciousness from the dungeons and frames of consciousness imposed on you by the system of the regime, religions and homophobia. The book is a grimoire of gay Satanism with the ritual of Summoning Satan and a code of principles of gay Satanism. The Gay Lust Grimoire is a training manual for passive fagots, active gays and trannies. The grimoire “Gay Lust” liberates the sexuality of any person and throws off the shackles of puritanical hypocrisy.

The grimoire “Gay Lust” is distributed completely free of charge in electronic form. You can freely download, quote and distribute the grimoire book. Look for the grimoire of gay Satanism “Gay Lust” on sites on the regular White Internet, Torrent trackers or on the Tor network on ONION sites.

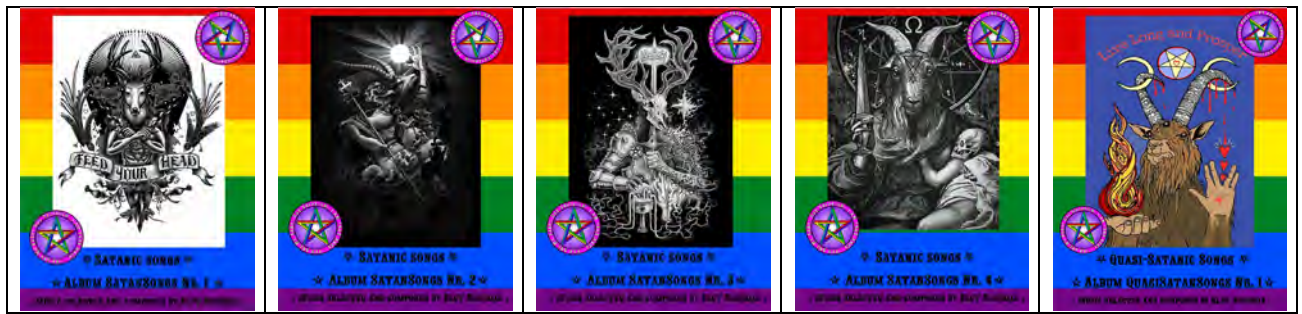

LIST OF ADDITIONAL APPENDICES TO THE GRIMOIRE OF GAY SATANISM FOR IN-DEPTH SPIRITUALITY WITH SATAN

Applications to gay satanism are satanic music and graphics:

1. Collections of Satanic music videos selected and compiled by Slut Sodomia.
2. Collections of satanic drawings, photographs and other graphics of gay Satanism, selected and compiled by Slut Sodomia.

Collections of Satanic music videos, created either by Satanists or non-Satanists, but they are devoted to the theme of Satanism, in the understanding of Slut Sodomia. The words of these songs are about Satan, or about Satanists, or about the liberation of people from the power of evil, or other quasi-Satanic themes. Songs of completely different genres! Their main feature is that good music inspires. At the time of completion of the first version of the grimoire, Slut Sodomia had collected 500 gay Satanism music videos:

1. Album of Satanic music videos for immersion in the spirituality of Satan. SatanSongS Nr. 1
2. Album of Satanic music videos for immersion in the spirituality of Satan. SatanSongS Nr. 2
3. Album of Satanic music videos for immersion in the spirituality of Satan. SatanSongS Nr. 3
4. Album of Satanic music videos for immersion in the spirituality of Satan. SatanSongS Nr. 4

Your purchase of graphic albums-collections of gay Satanism graphics SatanArt, in DOCX / PDF / JPG / PNG / WebP format, will support the Slut Sodomia financially, and I will know that my work is in demand by people. Let the publication of SatanArt albums allow Satan to enter the souls of more people, let there be more Satanists and less evil from soulless critters.

ABOUT THE DEVELOPMENT, IMPORTANCE AND USE OF CRYPTOCURRENCY

I am writing this chapter about the development, meaning and use of cryptocurrency in 2024. Now, cryptocurrencies, as a means of speculation, investment and payments, are already working quite well, although for most people on planet Earth, crypto-coins are more of a mysterious phenomenon than an applied financial instrument. Slut Sodomia is very glad that a wonderful alternative to fiat money¹⁴ issued and controlled by SOCG has appeared. The name of this alternative is cryptocurrencies, Bitcoin and all the altcoins of the world¹⁵.

Cryptocurrency opens up enormous opportunities to get rid of the evil of SOCG on our planet Earth. It is control over material values that allows the SOCG to rule, mock people, dictate their laws and do various evils in our world (including wars, prisons and collecting tribute from the population). The material wealth of the SOCG is based on: power, evil and money. If the SOCG is stripped of its power over the financial control of

¹⁴ https://ru.wikipedia.org/wiki/Фидуциарные_деньги Wikipedia. Fiduciary (from the Latin fiducia - trust), fiat (from the Latin fiat - decree, instruction, "so be it"), symbolic, paper, credit, unsecured money - money not backed by gold and other precious metals, the nominal value of which is established and is guaranteed by the state regardless of the cost of the material used for their manufacture. As a rule, irredeemable for gold or silver. Often, fiduciary money is used as a means of payment on the basis of state laws obliging it to be accepted at face value. The value of fiduciary money is maintained by people's belief that they can exchange it for something of value. The decline in the authority of state power leads to a decrease in the purchasing power of fiduciary money, that is, to devaluation, "flight from money" (attempts to maintain its purchasing power through investment), etc.

¹⁵ Bitcoin started the era of digital crypto assets in 2009. The shortcomings and limitations of the first cryptocurrency, as well as its open-source code, led to the fact that developers began to create other coins. They are called altcoins.

money, it could significantly undermine the SOCG's power throughout the world. Cryptocurrencies operate outside of the SOCGs and do not need them.

Lately (since about 2015), the vilest SOCG's have been trying to stick their ugly nose into the control of cryptocurrency, its circulation and use. SOCG began to choke cryptocurrency enthusiasts and large financial speculators in cryptocurrency around the world. SOCG of the USA and Europe require registration and verification of the identity of people who use cryptocurrency on public platforms online and offline. Evil really wants to take control of cryptocurrency, and thereby strangle people's financial freedom. Evil does not want people to leave the orbit of the influence of the SOCG over money. Evil wants to destroy the very idea of freedom of cryptocurrency and the anonymity of its users.

It is very bad that many financial speculators - exchanges, exchangers and crypto-wallets have followed the requirements of the SOCG and force users to play by their rules. It's very bad that among crypto enthusiasts there is little talk about refusing collaboration with the evil SOCG. More and more cryptocurrency circulation is becoming dependent on the evil of the SOCG and its directives.

I urge the community of cryptocurrency developers at any level not to collaborate with the state and not to obey their gangster rules. SOCG is simply an evil crook in the field of cryptocurrency technology who wants to rape and subjugate this technology and the users of this technology. Don't let the evil of SOCG deprive you of financial freedom and an alternative financial future outside of states and without states. This was a philosophical preface about cryptocurrency, let me move on to the practice of using crypto-coins.

For beginners, I recommend entering cryptocurrency by opening and creating a non-custodial crypto wallet, which allows you to ensure security and convenient management of your cryptocurrency. Such wallets provide users with complete control over their funds, eliminating the participation of third parties and minimizing the risks associated with hacking or fraud. A non-custodial wallet is a computer program and a type of cryptocurrency wallet in which only the owner has full control over his funds and private keys. The

wallet does not store personal information and does not have access to assets. When you create a non-custodial wallet, you are usually given a private key or a seed phrase (a series of words that can be used to generate a private key). This information is not stored by third parties and it is important that you keep it secure. If you lose it, you will lose access to your funds and there is no way to recover it.

In 2024-2025, the most popular, convenient, reliable software crypto-wallets, in my subjective opinion, are the following non-custodial wallets:

1. Exodus <https://www.exodus.com/>
2. MetaMask <https://metamask.io/>
3. Trust Wallet <https://trustwallet.com/>

Install these programs (one or more), downloaded from official websites, on your computer and begin to master entering the new era of electronic money, outside of states. These programs allow you to buy cryptocurrency with fiat money (dollars, euros and other currencies), make payments to other people's cryptocurrency addresses, and receive payments to your crypto wallet. Installation of these programs is quite simple and available for the most popular operating systems. After successfully creating a crypto wallet, you can send some crypto coins to Slut Sodomia to the details provided in this document if you like Gay-Satanism and the work of Slut Sodomia. I will be happy, and you will check your crypto wallet in action 😊.

To enter the world of cryptocurrency, you can use online services called crypto exchanges. A crypto exchange is a less reliable means of storing cryptocurrency than non-custodial crypto wallets, but some people may find it easier to work with crypto exchanges. Access and work with crypto exchanges occurs through a computer Internet browser, like with any other sites. Please note that crypto exchanges have full control over your finances and can block your money, at the request of fascists from different countries. There are many crypto exchanges and Antichrist Slut Sodomia cannot guarantee which of them is the best, most reliable and convenient. I will recommend four crypto exchanges that have been operating for a long time and with the help of these exchanges you can send donations, donations or royalties in cryptocurrency to Antichrist Slut Sodomia:

Kraken. <https://www.kraken.com>

Kraken is an American cryptocurrency exchange founded in 2011. It was one of the first Bitcoin exchanges to be listed on Bloomberg Terminal.

Binance. <https://www.binance.com>

Binance is the world's leading cryptocurrency exchange, serving 235 million registered users in over 180 countries.

Coinbase. <https://www.coinbase.com>

Coinbase is one of the most well-known names in the crypto industry. Launched in 2012, it offers an intuitive and beginner-friendly platform for buying, selling, exchanging, and storing cryptocurrencies.

SwissBorg. <https://swissborg.com>

SwissBorg is Europe's #1 app for securely buying and selling cryptocurrency with low fees, available in 47 countries and 16 currencies.

Best Wallet. <https://bestwallet.com>

Best Wallet is a non-custodial app that offers wallet and exchange services in a single secure decentralized environment.

The methods recommended by Antichrist Slut Sodomia for selling, buying and transferring cryptocurrencies cooperate with states, i.e. with fascists and SOCG. I do not guarantee the reliability of these trading platforms. Crypto wallets and crypto exchanges require people to provide documents when registering, require them to show themselves through photo or video filming. Cryptocurrency exchanges implement a Know Your Customer (KYC) policy to comply with anti-money laundering (AML) and counter-terrorism financing (CTF) regulations, ensuring the legality of transactions and the safety of users. To register on a cryptocurrency exchange, you need to provide personal data, confirm your identity with documents and a selfie, and wait for approval to access all functions. Exactly the same story when registering in regular banks. On the one hand, it gets rid of scammers, but on the other hand, it is control by various SOCG and loss of anonymity. If I find more anonymous and reliable options for making cryptocurrency transfers, I will write about it in the next versions of the documents.
